

Crazy 2201

Chapter 2201: The meaning of boarding the ship

““Police officer,”” at this time, the people in the restaurant could not hold back anymore. Lei Dasheng was the first to open his eyes wide and ask,““who is this person?”” ”

““Hmph!”” ““Hmph!”” Zhao Yu snorted coldly.““Who knows? can’t you see that the person’s face has turned very ugly?”” ”

““Ah?”” Upon hearing this, everyone looked at each other. ”

“However, no one could tell who Zhao Yu was referring to. ”

““Before Zhu Xicheng’s accident,”” Zhao Yu said steadily,““he organized many yacht gatherings and invited many people to attend! ”

““But, the one who sailed the ship was never Guan xiujie, but our current general manager ... Well ...”” Zhao Yu looked at sun Jinjian and asked,““what’s your name again?”” ”

““Ah?”” ”

“As Zhao Yu said this, the crowd suddenly exclaimed, and everyone’s eyes were all fixed on sun Jinjian, the General Manager of the Tianqin group! ”

“At this time, everyone finally saw that sun Jinjian’s glabella was black and his face was livid. Obviously, the person who had changed his expression was him! ”

““You?”” Lei Dasheng was dumbfounded. Although he had a grudge with sun Jinjian, his eyes were filled with deep suspicion. Because sun Jinjian didn’t participate in the cruise party at all, he had never been a suspect. ”

“Seeing everyone’s eyes on him, sun Jinjian became even more uneasy, and large beads of cold sweat had already appeared on his forehead. ”

““Yes ... Indeed ...”” Guan xiujie said,““I’ve only attended two yacht gatherings, and I heard that manager sun was in charge of steering the ship! But ... What does this mean?”” ”

““Don’t f * cking ask when you already know the answer!”” Zhao Yu taunted Guan xiujie, then corrected him,““no, he should be playing dumb!”” ”

““Me? Are you playing dumb?”” Guan xiujie felt wronged, and suddenly didn’t know what to do. ”

““Lei Dasheng was the company’s general manager at that time,”” Zhao Yu said.““But, Lei Dasheng was old, and he had the intention to retreat! ”

““After Lei Dasheng retired, there was only one person who had the highest chance of being promoted to general manager, and that person was our sun ... Sun what was it again?”” ”

““Sun Jinjian!”” Yi Qin provided Zhao Yu with the answer, and at the same time, she looked at sun Jinjian with interest. ”

“““The facts have proven,”” Zhao Yu said,””that after Zhu Xicheng disappeared, you really got your wish and took over the General Manager position of the Tianqin group, and you’ve been working there until now, right?”” ”

“““Right!”” Yi Qin nodded, then urged,””I want to hear a ‘but’!”” ”

“““But ...”” Zhao Yu said, unsurprisingly,””according to the information I have, that is not the case!”” ”

“““...”” Upon hearing this, sun Jinjian shivered as if he had been electrocuted. Then, he lowered his head and didn’t speak. ”

“““Lei ...”” Zhao Yu asked Lei Dasheng,””as one of the founding members of the Tianqin group, you should know what happened at that time, right?”” ”

“““Um ... This ...”” Lei Dasheng put out his cigar, frowned, and asked,””what do you mean by this?”” Are you asking me if sun Jinjian is the only one who has the strength to inherit my position?”” ”

“Zhao Yu did not say anything. However, Lei Dasheng was a smart person. He quickly understood Zhao Yu’s meaning and said,”” ”

“““If that’s what you mean, then it’s true ... But I don’t know what exactly happened, but I can see that something is a little strange!”” Lei Dasheng pointed at sun Jinjian and said,””chief Zhu has always been very optimistic about sun Jinjian. He used to bring him to the Yacht Club every time, but ... ”

“““But ... Something happened four years ago, and for the first time ever, director Zhu didn’t call him for the last cruise! ”

“““This is indeed unusual!”” Lei Dasheng said,””you must know that in our group, everyone is proud to be able to Board Director Zhu’s yacht! ”

“““No matter who it is, as long as they can be brought onto the cruise ship by director Zhu, it means that they will be valued by director Zhu and become an important figure in the group in the future. ”

“““Sun Jinjian has always been the best candidate for the General Manager, so everyone was surprised that he didn’t board the ship at that time ...”” Lei Dasheng recalled,””at that time, I specifically asked President Zhu if sun Jinjian was on a business trip, and why he didn’t come. ”

“““However, chief Zhu did not answer my question. Instead, he just smiled and said nothing! ”

“““Later,”” Lei Dasheng said,””I also asked around. Sun Jinjian did not have any urgent task at that time, nor did he go on a business trip ...”” ”

“““In addition,”” Zhao Yu asked Guan xiujie,””did you hear anything? Did anyone tell you that you might be a candidate for the General Manager?”” ”

“““This ... No, there really isn’t any!”” Guan xiujie quickly waved his hand,””at that time, I was still a newcomer, I didn’t have the ability to compete with manager sun!”” ”

“““Is that so?”” ““That’s not what I know,”” Yi Qin said.””It’s not like that! ”

“““Although I don’t know why, from chief Zhu’s tone and other signs, he seemed to be very reluctant to mention sun Jinjian’s name. I don’t know why! ”

“““I’ve been to two yacht gatherings as well,”” Yi Qin said.””In the past ... Director Zhu was very close to manager sun. I was quite surprised that he didn’t board the yacht at that time!”” ”

“““Me ... Me too ...”” Guan xiujie repeated,””I was also surprised that manager sun didn’t board the ship. And, a few days before I boarded the ship, I seemed to have met him. I greeted him, but he ignored me, as if I had provoked him somehow!”” ”

“““En!”” Zhao Yu looked directly at sun Jinjian and said,””then, manager sun, do you have anything else to add? Why don’t you give us some information?”” ”

“““I ... I ...”” Sun Jinjian hesitated for a long time and said,””at that time, director Zhu called me. I was just a little uncomfortable, and I was ... Sick ...”” ”

“““Is that so?”” Zhao Yu laughed.””In order to get a chance to board the ship, you should even go for surgery, let alone get sick, right?”” ”

“““That’s right ...”” One of the company staff said.””People like us dream of getting on a ship. We’d be willing to even break our legs!”” ”

“““I say,”” Secretary pan Suxi suddenly urged,””can we stop wasting time!”” If the murderer is manager sun, can you tell us what he did to Chairman Zhu? Is he really ... Really dead?”” ”

“““Yup!”” Zhao Yu pointed at sun Jinjian and said,””then you better explain! What did you do to the chairman?”” ”

“““Me? I’m fine!”” “““I really don’t understand,”” sun Jinjian said, embarrassed.””Are you all crazy? I didn’t even board the ship, so why are they all coming at me? ”

“““Police officer, you ... You’re slandering me, what are your intentions? If you think I’m the murderer, then you have to show me some evidence!”” ”

“““Alright!”” Zhao Yu laughed.””You want evidence? There was! Without evidence, how could I suspect him? Come on! Take a look!”” ”

“Then, Zhao Yu turned on his phone. Because he had set the settings in advance, his phone was synchronized with the TV in the restaurant. After he turned on his phone, people could see Zhao Yu’s phone screen from the TV. ”

“A photo was displayed on the screen. Surprisingly, there were no people in the photo, only an exquisite plate with a small amount of black food on it! ”

“““This ...”” Zhang Menghai immediately recognized it. “““Isn’t this caviar? What ... What do you mean by this?”” ”

“Seeing the caviar in the picture, everyone was very curious. They didn’t understand how this thing could be evidence. ”

“““Ten thousand for a spoonful,”” Zhao Yu said to Zhang Menghai. “““If we solve this case, will you treat me to a meal?”” ”

“““...”” Zhang Menghai thought for a moment and said honestly, “““I can’t afford it!”” ”

“““Caviar,”” Lei Dasheng recalled, “““is there a problem with this caviar? We ... We all ate it!”” ”

“““Right, there’s a big problem!”” Zhao Yu said, “““I asked the six of you, and five of you told me that you seemed to remember eating all the caviar! ”

“““There’s another one who said he doesn’t remember at all. ”

“““But,”” Zhao Yu pointed to the photo and said, “““later, when the police took photos of the scene, there was still some caviar left on the plate! ”

“““From the photo, it’s at least enough for one person, right? ”

“““This is interesting. If you’ve already finished the caviar, why is there an extra serving on the plate?”” ”

“““Eh? Yeah?”” Zhang Menghai scratched his head and said, “““you have to eat fresh food, and the price is so high, so I only brought one can. When the food was served, I put it on the plate and brought it all up! ”

“““If we’ve already eaten all of them, the extra ...”” Zhang Menghai suddenly felt a sense of horror. “““Could it be ... That someone vomited it out again?”” ”

I’m down!

“When Zhang Menghai said this, the scene was Thunderstruck. ”

“““The details determine the success or failure of the case. The key to the case lies in this inconspicuous but expensive caviar!”” Zhao Yu said, “““Zhang Menghai also told me that the best caviar he prepared for everyone was purple, but the caviar in the photo was all black. ”

“““I felt that there might be a problem with this small detail, so I specially consulted an expert. The expert told me that the color of the caviar won’t change over time. ”

“““Therefore, from that moment on, I realized that I might not be far from the truth! ”

“““Next,”” Zhao Yu glanced at sun Jinjian and said confidently, “““I’ll tell you the whole process of the yacht disappearance case. I can tell you responsibly that the yacht disappearance case was definitely not committed by one person!”” It’s a scheme of bi an ‘s!’” ”

“““Ah?”” ”

“Upon hearing this, the crowd exploded once again! Everyone was in disbelief, including the Italian, bi Guosheng, who had been doubting Zhao Yu’s ability. ”

“““Conspiracy? Why ... Why does it sound so messy?”” Lei Dasheng said in shock, “““could it be ... There’s someone else besides sun Jinjian? Who ... Who is that?”” ”

“““Don’t worry, calm down, calm down!”” Zhao Yu waved his hand, then said leisurely, “““this is what happened! ”

“““Our manager, sun Jinjian, was originally deeply trusted by Chairman Zhu Xicheng, and was internally appointed as a candidate for the next general manager. “““But ...”” Zhao Yu said.””I don’t know why, but at the critical moment when general manager Lei Dasheng was about to step down, our manager, sun Jinjian, made a mistake. I guess it should be a fatal mistake?”” ”

“““In short, this mistake caused Chairman Zhu’s suspicion, so at that yacht gathering, he didn’t ask sun Jinjian to come on board! ”

“““But, Chairman Zhu miscalculated. He didn’t expect that sun Jinjian was worried that he would lose favor and be unable to rise to the top, so he chose to take the risk! ”

“““I’ve decided to use this Yacht Club to do something big! ”

“““That afternoon, before the yacht set sail, sun Jinjian had already sneaked into Zhu Xicheng’s yacht, and hid in the partition of the kitchen Warehouse! ”

“““Come, take a look.”” Zhao Yu tapped on his mobile phone screen and played the photo of the yacht from the file on the TV. He stopped at the last photo of the kitchen Warehouse.””I’ve seen all the photos of the yacht. If someone is hiding here, this should be the best place!”” ”

“““If a chef were to enter the warehouse to retrieve something, he wouldn’t go behind the partition. Therefore, an adult man could have been hidden there! ”

“““Of course,”” Zhao Yu said.””He couldn’t just hide on the boat. He was well prepared and controlled the surveillance cameras on the boat in advance, so he could clearly see everyone’s activities on the boat! ”

“““Also, he even prepared sleeping pills, caviar, and so on ... Perhaps he even brought lead blocks or dumbbells used to sink corpses ... ”

“““Then, the boat set off,”” Zhao Yu said, squinting his eyes.””He watched everything on the boat through the surveillance camera, taking in every move of the seven people! ”

“““Very soon, it was time for dinner. Chef Zhang Menghai was walking in and out of the restaurant, busy cooking delicious dishes for everyone. When a spoonful of top-grade caviar, which cost 10000 Yuan, appeared, sun Jinjian finally walked out of the warehouse he was hiding and began his appearance! ”

“““He put the sleeping pills that he prepared into the caviar that chef Zhang prepared for everyone. Because, among all the dishes, only caviar contains water and can better bring out the effect of the sleeping pills! ”

“““Besides, no one would care about the taste of such an expensive caviar after eating it! Anyway, the price is right there. Whether it’s good or not, they’ll nod and say it’s good!”” ”

“When Zhao Yu said this, Guan xiujie, Yi Qin, and the others all nodded. Obviously, they had a deep understanding of this. The most expensive food was not necessarily delicious! ”

“““Han aobing told me,”” Zhao Yu said,””that night, because she had to board the ship at the last minute and was dragged up by Chairman Zhu, she didn’t even get her share of the best caviar! ”

“““However, Zhang Menghai couldn’t say this out loud, so han aobing also ate a spoonful of caviar ...”” ”

“““Yes, just a small spoonful,”” han aobing nodded and admitted.””A very small mouthful!”” ”

“““Because she only took a small bite,”” Zhao Yu said,””the sleeping pills had the worst effect on her. But even so, she still fell asleep that night ...”” ”

“““As for the others, as you can see, after the sleeping pills took effect, they didn’t even have time to return to their rooms before they all fell unconscious ...”” ”

“““Oh ...”” Han aobing suddenly realized,””at first, we all thought that the drug was in the wine, and I didn’t drink, so we naturally thought that I wasn’t knocked out! ”

“““What did I say? I’ve already told you that I slept like a log that night and didn’t hear anything, but no one believed me ...”” ”

“““Come on, I was just talking about the important part!”” ““Can you stop talking?”” Yi Qin reproached.

Han aobing immediately shut up.

“““When everyone fell asleep,”” Zhao Yu said,””our master, sun Jinjian, began to take action. After he walked out of the warehouse, he did a few things in a row. Because there were too few clues, I couldn’t determine the order of these things. ”

“““But, I feel like the first thing he would do is to deal with the surveillance video, right? As long as the video was removed, no one would know what had happened on the yacht! ”

“““Next, he must have poured the rest of the sleeping pills into the bottles, the wine divider, and everyone’s glasses. That way, he created the illusion that people fell unconscious because they drank red wine mixed with sleeping pills!”” ”

Chapter 2203: Motive for killing

“““You ... You ...”” Hearing Zhao Yu’s reasoning, sun Jinjian retorted with a black face,””you’re making this up, there is no evidence at all! That day ... That day ... I was at home! My ... My wife can be my witness!”” ”

“““Alright, you should stop talking!”” Zhao Yu said,””I, Zhao Yu, am not an undeserved detective. Your expression has already betrayed you! ”

“““Take a closer look. You’re sweating so much that it’s like you’re drenched in rain! And you still say you’re not guilty?”” ”

“““You ...”” Sun Jinjian was indeed covered in cold sweat. His expression was extremely unnatural, and his face was deathly pale. He looked different from a normal person at first glance. ”

“““Oh ...”” At this time, Guan xiujie understood and nodded,””I understand, the red wine has been in the cabin, everyone was watching! ”

“““If the red wine was drugged, then it could only be the six of us. Then, we wouldn’t suspect that an outsider had done it!”” ”

“““Right!”” Han aobing added,““if we didn’t do this, the police would definitely find out that there was a problem with the caviar. Once there is a problem with the caviar, they would suspect that the kitchen is the kitchen and that an outsider might have come in!”” ”

“““But,”” Zhao Yu said,““what surprised him was that the caviar was in high demand, and you guys ate it all!” ”

“““His initial plan was to bring in a portion of the caviar himself. After you guys fall unconscious, he would throw away the rest of the caviar, wash the plates clean, and then put in the caviar he brought!” ”

“““This way, there won’t be any flaws, and the police won’t find out that the problem is with the caviar!”” ”

“““But ...”” Finally, Li Qin, who had been silent for a long time, finally spoke. His eyes were shining with excitement as he said,““our caviar was all eaten up. If we only washed the plate, then the police would find traces of cleaning on the plate.” ”

“““But, if we don’t wash it, there will definitely be some sleeping pills left on the plate, which will be detected by the police!” ”

“““So ... So ...”” Li Qin glanced at sun Jinjian.““He could only carry out the original plan. First, he washed the plates and then poured out the caviar he brought!”” ”

“““And it turned out that,”” Zhao Yu continued,““his plan was successful. After the incident, no one noticed the extra caviar!” ”

“““After all, everyone’s eyes were on the wine bottles, wine glasses, and sleeping pills, completely ignoring the caviar!” ”

“““And ...”” Zhao Yu continued,““after all, everyone, including chef Zhang, was drugged with sleeping pills. Although they discovered the problem with the caviar after the incident, they didn’t dare to say anything because their memories were blurry!” ”

“““This led to people being misled and thinking that the real murderer was among the six people!”” ”

“““But ... But ...”” Guan xiujie was puzzled,““if ... There’s really a person hiding on the ship, then ... What would he do after that?”” He probably ... Probably wouldn’t stay on the ship forever, right?” ”

“““I remember that after chief Zhu went missing, we searched the entire yacht!”” ”

“““Don’t worry,”” Zhao Yu said with a faint smile.““Let me tell you the story of the case!”” ”

“““After he’s done with the surveillance video, caviar, and sleeping pills, it’s time to carry out his main criminal plan!”” He said.” ”

“When they heard the key point, the scene was silent. Everyone listened attentively, afraid to miss a word.” ”

“““Next, as you can imagine, he dragged Zhu Xicheng to the deck, and perhaps even tied weights to him, and then threw him into the sea!”” Zhao Yu said, ““then, he changed the yacht’s route and used professional methods to tamper with the navigation record, making the yacht sail deep into the sea without leaving any information! ”

“““Of course, he still has a lot of things to deal with, such as tidying up his hiding place and using goods to cover the empty space so that no one can see it ... ”

“““Also, we need to dispose of Zhu Xicheng’s personal belongings, especially his mobile phone that can locate his position ...”” ”

“““Sun Jinjian,”” Zhao Yu said to the man, ““I’ve looked into your background. You are a mechanical engineer and an expert in electronics. Moreover, you have driven Zhu Xicheng’s yacht many times, so you know a lot about yachts! ”

“““So, you have the ability and the motive. You are the real murderer, Wanwan!”” ”

“““Ah?”” Sun Jinjian was so scared that his legs went soft and he fell to the ground. The people around him all stepped back unconsciously. ”

“““But ...”” At this time, the Italian bi Guosheng asked, ““detective, you do have the ability, but ... What’s your motive?”” You didn’t make yourself clear, did you? Is it because ... He might not be able to become the General Manager, or because Zhu Xicheng won’t let him board the ship?”” ”

“““And,”” Guan xiujie said again, ““after talking for so long, you still haven’t told me how he left?”” I can’t possibly jump into the sea with chief Zhu, right?”” ”

“““Well, you two, good question!”” Zhao Yu laughed and said, ““actually, although the two of you asked two questions, it was actually one question!”” ”

“““Ah?”” Everyone was puzzled. ”

“““As I’ve said before, he’s not doing this alone. Behind him, there’s an accomplice that he can completely trust and will definitely support him!”” ”

“““Oh?”” Lei Dasheng quickly asked, ““yes, you haven’t told me who this accomplice is! I also think that it’s impossible for the six of us to be completely unrelated to this matter!”” ”

“““Wrong!”” Zhao Yu’s fingers slanted, and he said solemnly, ““sun Jinjian’s accomplices have nothing to do with the six of you! ”

“““This accomplice is ... Hmph Hmph ...”” ”

“Zhao Yu snorted coldly, his eyes sweeping across the crowd. ”

Everyone was shocked. They were both excited and nervous. They didn’t know who this accomplice was.

“““Don’t misunderstand,”” Zhao Yu said with a cold smile. ““His accomplices were not at the scene, but in his house!”” ”

“““What?”” Upon hearing this, everyone was shocked again. Li Qin, who reacted quickly, immediately said, ““you ... You mean ... That accomplice ... Is him ...”” ”

“Right!” Zhao Yu said, “sun Jinjian’s accomplice is sun Jinjian’s wife! His most beloved wife!”

Waa!

“Upon hearing this, the crowd burst into an uproar again.”

Sun Jinjian’s face was filled with fear as if he had seen the devil.

“His ... His wife?” she asked. Lei Dasheng mumbled, “why does it feel ... A little ridiculous?”

“Manager sun,” Zhao Yu pondered for a moment, then asked, “didn’t you say it yourself? Or do you want me to say it for you? 30% of your motive is because you can’t be the General Manager, but the other 70% is the main motive, right?”

“Arggh! No way!” However, after hearing this, the smart Li Qin suddenly realized something. He immediately trembled and said, “could ... Could it be that director Zhu, he ... He ... Did it to your wife?”

Whoosh ...

“Li Qin’s words were like a heavy bomb, instantly causing the scene to explode ...”

Chapter 2204: Can’t stand scrutiny

“Enough! That’s enough!” Finally, sun Jinjian exploded under the pressure. He shouted at Zhao Yu angrily, “what kind of detective are you?”

“What did you just say? I’m telling you, I know the law. I can Sue you for slander for what you just said!”

“What you’re saying is complete nonsense. It’s purely your own conjecture and blind fabrication!” Sun Jinjian was furious, and his chest heaved up and down violently. “Detective, your behavior has seriously misled others. Not only did you cause me great mental damage, but you also humiliated my wife!”

“I’m warning you, I can call my lawyer right now and have him Sue you in court!”

“Yeah ...” Finally, in the crowd, there was a voice that echoed sun Jinjian’s. It was a company executive who had a good relationship with sun Jinjian. He said arrogantly to Zhao Yu, “you police always need evidence to solve a case!”

“You can’t just accuse a good person without evidence, right?”

“That’s right,” another senior executive said. “What caviar, what hidden person, it’s all a story!”

“Yes!” Lei Dasheng said with a complicated expression, “although ... I don’t like Xiao Sun very much, but ... He dared to lay a hand on chief Zhu. This is a bit ... A bit ...”

“““Hmph! What do you guys know?”“ However, a different voice came from Li Qin’s side. “““What if it’s not about the company at all? ”

“““Can’t you guys tell? The partner he was working with was clearly his wife!”“ ”

“““You!”“ Sun Jinjian’s face darkened as he shouted at Li Qin, “““Li Qin, don’t just stand there and talk. When everyone else was suspicious of you, I was the only one who stood up for you. Don’t be ungrateful!”“ ”

“““Hmph!”“ However, Li Qin was different from an honest person. He mumbled, “““if you’re the real murderer, then it’s useless no matter how much you put in a good word for me! ”

“““I’ve been ridiculed all these years, and it’s all because of the murderer! Hmph!”“ ”

“““You ...”“ Sun Jinjian still wanted to say something, but he was at a loss for words and didn’t say anything. ”

“At that moment, Miao Ying, who was standing next to Zhao Yu, did not say a word. She was carefully observing the scene, while shaking her head. ”

“It seemed that she was not very satisfied with Zhao Yu’s reasoning. Although Zhao Yu’s reasoning seemed very logical, she felt that Zhao Yu’s explanation was a little rushed. ”

The most taboo thing about this kind of investigation was to present the evidence in front of everyone in advance before it was confirmed.

“Once he made a mistake, the consequences would be bad for Zhao Yu. ”

“However, looking at Zhao Yu’s confident look, miss Miao was full of curiosity. Thinking back to the past, Zhao Yu was always able to turn the tide in adversity and win by surprise. ”

“Could it be that ... This time, although he said that it was not the time yet, he already had a plan in his heart? ”

“Then ... Was this really the truth behind the missing yacht case four years ago? If sun Jinjian insisted on not confessing, then...What should Zhao Yu do? ”

“At that moment, Zhao Yu was still in no hurry. He first finished the unfinished cake in one bite, then took the time to sip on the cocktail specially made by the bartender. ”

“““Everyone, calm down,”“ Zhao Yu said with a smile. “““We’re all on a vacation, and we’re on a cruise ship. What’s the hurry?”“ ”

“““Police officer,”“ han aobing could not help but urge, “““you are not in a hurry, but do you know what you just said to us, who have been patient for four years, means?”“ ”

“““Yup!”“ Li Qin echoed, “““for the past four years, I’ve been treated as a murderer. No one was willing to date me in real life, and no one dared to be friends with me at work! ”

“““Police officer, please continue! Is manager sun really the one who killed chief Zhu?”“ ”

“““What are you saying? my title as a detective is not based on mahjong tiles. How could I say that without any evidence?”” Zhao Yu pointed at sun Jinjian and said,““you can Sue me if you want to, but before that, I’m going to make your crime public! ”

“““Li Qin wasn’t wrong, your partner is your wife!”” Zhao Yu said seriously,““your wife planned the perfect murder plan with you, and she even met you at sea!”” ”

“““Ah?”” Everyone exclaimed in shock, feeling that the word ““support”” was extremely deafening. ”

“““Anyway, everyone has already taken your sleeping pills and fallen asleep!”” Zhao Yu said,““what’s wrong with you staying on the boat for a while longer? ”

“““That night, I don’t think you were in a hurry to deal with Zhu Xicheng. Instead, you steered the cruise ship to a relatively remote place, and then pushed Zhu Xicheng into the sea! ”

“““After that, you weren’t in a hurry. You drove the yacht to a nearby Island or a landmark! ”

“““Over there, your wife is already waiting for you in another boat,”” Zhao Yu said.““You threw the yacht there and let it sail into the deep sea! ”

“““As for you, you and your wife drove your ship back to the dock!”” ”

“““You ... You ...”” Sun Jinjian gritted his teeth and argued with difficulty,““you’re wrong. The police also investigated us after the incident, but we were both at home that night, and we have alibis!”” ”

“““Hehe, this is a planned murder. Of course, you two have already thought of everything!”” Zhao Yu smiled faintly.““All you did was turn on the TV and lights in the house, so that the neighbors would think that you two were at home! ”

“““However, don’t you think that you’ve gone a little too far?”” Zhao Yu shook his head and said,““the neighbor’s testimony said that your house didn’t turn off the lights the entire night. You didn’t play mahjong, so why did you turn on the TV and lights the entire night? were you trying to raise your Eagle?”” ”

“““This ...”” Sun Jinjian’s face turned pale, and he was speechless. The look of surprise on his face had already betrayed him, and it was obvious that Zhao Yu’s words had hit the nail on the head. ”

The two people who had been supporting sun Jinjian before didn’t dare to speak now.

“““Actually,”” Zhao Yu said,““although your alibis couldn’t stand up to scrutiny, you can’t blame the investigators in charge of the investigation, because you weren’t even a suspect at that time. The most brilliant thing about you was to use caviar and wine glasses to successfully draw the police’s attention to the six suspects! ”

“““I’m afraid that only I, the Super detective Zhao Yu, would be able to find out about this. ”

“““Don’t think that I’m just blowing my own trumpet,”” Zhao Yu said.““When I locked onto you and your wife, I conducted a detailed investigation on you. Don’t think that I really went to Jeju Island during the day to have fun!”” ”

““““Actually, I want to stay away from you so that I can focus on my detective friends to help me investigate you!”

““““Sun Jinjian,”” Zhao Yu said.”““I learned from my friend that before you became the General Manager, you had to log into your company’s business system every night to check the daily business situation!”

““““I checked the records. Coincidentally, on the day of chief Zhu’s accident, you didn’t log into that website ...”

““““And,”” Zhao Yu continued,””just a few days before the yacht case, your brother-in-law rented a small yacht from a sea company.”

““““But, your brother-in-law was far away in Jin ‘an at that time. Why did he rent a boat?”

““““I’m telling you,”” Zhao Yu said,””my friend has already found the person in charge of the yacht rental at that company. He remembers clearly that the person who rented the yacht was a woman!”

““““I’m such a smart detective. Can I not show him your wife’s photo?”” ”

““““Ah?”” Sun Jinjian was terrified. He never expected Zhao Yu to investigate in such detail.”

Chapter 2205: Chapter 2201-imperfect evidence

““““So ... So what?”” “““My wife is a seafaring enthusiast,”” sun Jinjian retorted, trembling with excitement.”““It’s not a big deal for her to rent a boat! What does this mean?”” ”

““““That’s really interesting. You’re the manager of a yacht company, and your wife wants to rent a boat, but she doesn’t go to your company, but to someone else’s shipyard?”

““““Even a fool can see that there’s something fishy about this!”” ”

““““My ... My wife didn’t want to bask in my glory. Besides, we might have been in a bad mood at that time, so she didn’t come to me when she wanted to rent a boat. This is completely reasonable!”” Sun Jinjian continued to argue.”

““““Wait ...”” At this time, Li Qin suddenly spoke,””if you want to rent a yacht, you must install strict GPS positioning and navigation beacons that are required by the country. After that, a complete navigation record report will be formed!”

““““If we can find this nautical report, then we can prove ... Prove ...”” ”

““““Of course not!”” Zhao Yu said,””I’ve tried to follow your train of thought, but the nautical record report from four years ago has been erased!”

““““Also, this couple is so smart. They even used the name”” brother-in-law,””so they must have made preparations in advance! “““Besides ...”” Zhao Yu said,””Zhu Xicheng’s yacht’s navigation record was destroyed, and everyone was unconscious. No one could prove where his yacht had been.”

""So, even if we can find the sailing record of sun Jinjian's wife, there is no way to prove that she is related to the case!"" "

""Oh ..."" Li Qin understood and immediately revealed a worried expression. "

""Then ... You're saying all sorts of things without any evidence ..."" The Italian, bi Guosheng, said to Zhao Yu, ""you still have no way to prove that what you said is true?"" "

""My goodness, your slang is quite authentic, isn't it?"" Zhao Yu grinned and cursed, ""who the hell are you with?"" "

"After Zhao Yu's scolding, sun Jinjian felt more confident and straightened his back. "

""Police officer, why are you scolding me?"" Sun Jinjian gritted his teeth and said, ""this foreigner is right! No matter what you say, you have to show evidence! "

""If you can 't, I'll have to contact my lawyer and Sue you for malicious slander! I'm the General Manager of the Tianqin group. Do you know how much damage your slander will cause me? "

""From now on ..."" "

""In the future, your grandmother's leg!"" Zhao Yu suddenly scolded, ""I've told you before, if you don't have any evidence, why would I call everyone here and make up a story for you?"" "

"Zhao Yu's sudden ""F * cking kick"" caused a few people who had just drunk water to spray water. "

""You ... You ..."" Sun Jinjian was obviously frightened by Zhao Yu's imposing manner and said with a lack of confidence, ""do you have evidence? what evidence do you have?"" "

""Alright, you asked for this!"" "

Zhao Yu took out his phone and tapped on it. An audio suddenly appeared on the TV.

""Hey...Honey, something big has happened!"" It was obviously a recording of a phone call, and the person who spoke was the General Manager, sun Jinjian. ""Last night, someone pushed Zhu Yundi off the cruise ship! He's probably dead ..."" "

""What?"" A woman's voice could be heard from the recording. ""Stop joking. It can't be fake news, right?"" "

""It's true,"" sun Jinjian said excitedly. ""The maritime search and rescue team has already launched the rescue, and the camera on the cruise ship also captured the video of her falling into the sea. Now, investigators are here. How can this be a joke?"" "

""Ah? This ... This was too strange, right? ""Hubby,"" the woman said, ""could it be that someone is imitating us? You have to be careful, don't trace it back to us ..."" "

""Shh ..."" Sun Jinjian shushed and comforted her, ""don't worry, this really has nothing to do with me ..."" "

""The sea is so cold. There's no way to save her. Once Zhu Yundi dies, there'll be no leader. It will have a huge impact on the company's future. I think we have to plan properly ..."" "

“When sun Jinjian heard the recording, he was so scared that his face turned pale, and it was as if he was only a shell. ”

“The crowd’s reaction was also predictable, especially when they heard sun Jinjian’s wife say ““someone is imitating us.”” Everyone was dumbfounded and shocked. ”

“This sentence had clearly exposed them, indicating that the yacht disappearance case four years ago was a conspiracy between the couple. ”

“““I didn’t expect this ... I really didn’t expect this!”” All of a sudden, Li Qin knelt on the ground, looked up to the sky, and sighed,““the heavens have eyes, the heavens really have eyes! ”

“““I, Li Qin, have been labeled as a murderer for 4 years, and today I can finally prove my innocence! Wuwu ...”” ”

“In his excitement, Li Qin actually shed tears. It could be seen how hard he had been in the past four years! ”

“““Hmph!”” Lei Dasheng shouted at sun Jinjian,““I didn’t expect it either. Chief Zhu was so good to you. You heartless animal, how dare you do such a heartless thing. You ... You ... I really want to give you a big slap!”” ”

“““The boat ... There’s really a person hiding on the boat!”” ““That’s too scary,”” Yi Qin said with some lingering fear.”” If he had wanted to kill us all back then, then ... Then ...”” ”

“““Sun Jinjian!”” Han aobing also raised her eyebrows and shouted,““what else do you have to say now? Who would’ve thought that the missing yacht case was actually a carefully planned murder in order to get promoted! ”

“““Tell me, did you ... Kill chief Zhu?!”” ”

“““Is there a need to say that?”” Li Qin said,““it was already very clear on the phone. Someone is imitating us. That means that they pushed chief Zhu into the sea too!”” ”

“““Murderer!”” Zhang Menghai scolded,““you murderer! Too detestable! I was too careless. If I had checked the warehouse properly, he wouldn’t have gotten his way ...”” ”

“““Wait ... Wait a minute ...”” In the face of the excited crowd, sun Jinjian, who was in despair, suddenly thought of something and hurriedly said to the crowd,““my ... My wife only said that someone was imitating us, but she didn’t say what they were imitating?”” ”

“““Bullshit! You still dare to quibble?”” Lei Dasheng roared,““the moment you mentioned that Zhu Yundi fell into the sea, your wife said that someone was imitating you. What else can be imitated?”” ”

“““You can’t say that,”” sun Jinjian gritted his teeth and said fiercely,““there are many kinds of imitations. Just this simple sentence alone can’t prove that we are the murderer! ”

“““Also, I know the law!”” Sun Jinjian pointed at Zhao Yu and said,““this despicable man bugged my phone. Did you know that? As a police officer, it was illegal to eavesdrop on someone else’s phone! ”

“““It is clearly written in the evidence Act that evidence obtained by unconventional means such as force and eavesdropping is invalid evidence! ”

“““So,““ sun Jinjian clenched his fist and roared excitedly,““this bugged recording can’t be used as evidence at all!““ ”

Chapter 2206: Chapter 2201-won’t shed a tear until you see the coffin

“““Zhao Yu ...““ Hearing sun Jinjian’s rebuttal, Miao Ying’s expression changed slightly. She called Zhao Yu’s name, as if she wanted to say something, but felt that it was inappropriate in front of so many people. ”

“In fact, Zhao Yu knew very well that Miao Ying was worried. Because sun Jinjian was right. If the evidence was really obtained by eavesdropping, it would be invalid in court. ”

“Moreover, in this recording, sun Jinjian and his wife didn’t express their meaning clearly, so they really couldn’t be convicted based on just one recording. ”

“The most dangerous part of this matter was that, if sun Jinjian really sued Zhao Yu for using illegal means to obtain clues, Zhao Yu would be in big trouble. ”

“““You still want to quibble?““ Han aobing was already furious,““if this is not evidence, then what is evidence? You’re a murderer. How can we not use extreme methods to deal with despicable people like you?““ ”

“““That’s right,““ Yi Qin said.““Do you really think that you’ll be fine after killing chief Zhu? All these years, don’t you feel any guilt at all? ”

“““Now that the evidence is irrefutable, you still dare to deny it?““ ”

“At this moment, the other employees present were already well aware that no matter what their relationship with sun Jinjian was, as soon as the recording was released, they already understood what happened in the yacht disappearance case back then! ”

“Therefore, everyone consciously kept a distance from Sun Jinjian and isolated the powerful general manager in the middle of the restaurant. ”

“However, sun Jinjian wasn’t a fool. Although he knew that his career in the Tianqin group was over, he didn’t want to go to jail, so he still resisted,““ ”

“““I’ll call my lawyer right now. I’m going to Sue you. Not only did you slander me, but you also bugged me ...““ ”

“““Hey,““ Zhao Yu was still calm and said,““I advise you not to waste your energy! ”

“““I’m sorry to tell you that the tapping device on your phone was not installed by the police!““ Zhao Yu said,““use your 250-meter brain and think about it. After Zhu Yundi’s incident, the phone had been in your hands. We didn’t even touch it, so how could we have bugged you?““ ”

“Ah?”

“As soon as he said that, sun Jinjian’s heart trembled, and he suddenly realized that something was wrong.”

Everyone was also surprised. They quickly closed their mouths and listened carefully.

“Unfortunately,” Zhao Yu took out a white mobile phone from his pocket and said, “it wasn’t just sun Jinjian who was eavesdropped on. All the mobile phones of the Tianqin Group employees who participated in the cruise party were bugged!”

“Then, Zhao Yu played a recording, which was the one that Guan xiujie had called his assistant.”

“That’s right. Four years ago, he was the older brother. Four years later, he’s the younger sister. There’s no justice in this world!” Guan xiujie said excitedly, “this murderer is too arrogant, isn’t he? What kind of deep hatred does he have with the Zhu family?”

“Manager, don’t worry. We’re not afraid of a shadow. You didn’t do it, so don’t be afraid!” The assistant consoled.

“Sigh, I’m really sad for the two of you. What’s going on? Of the three siblings, only one was left. He was still snowing in Europe and completely ignored the company’s Affairs.”

“This time, our company is really in trouble! It wasn’t easy for Zhu Yundi to bring the company to a new height. Now, we’re back to square one. Besides, I’m a suspect for the second time ...”

“Listening to the recording, Guan xiujie’s face turned pale. Although he didn’t say anything bad, he was still quite scared.”

“Because of Guan xiujie’s words,” Zhao Yu said, “I specifically sent someone to Europe to investigate the second son of the Zhu family. The facts proved that he was still living well in Europe, and it was impossible for him to be involved in the case!”

“Of course,” Zhao Yu looked at Guan xiujie, “because I was talking to my assistant, manager Guan might not have said what he said, but through all the phone calls he made, I can still be sure that he has nothing to do with the two cases.”

“So, I’m very sure that he was framed in the Zhu Yundi incident!”

“You ...” The Italian, bi Guosheng, said to Zhao Yu, “if you didn’t plant the bug, then who did?”

“It’s me!” As soon as he finished speaking, a woman walked out of the crowd and stood in front of him. “I installed everyone’s bugs!”

“Not only bugs, but also cameras,” the woman said frankly. “I’ve installed a listening device in each of your rooms. Ever since you came on board, I’ve been monitoring your every move and word!”

“Ah?”

“Everyone was shocked. They looked up and saw that the woman who spoke was none other than Zhu Yundi’s female secretary, pan Suxi.”

“““Oh?”” Seeing pan Suxi admit it, Miao Ying could not help but be shocked. ”

“Previously, when Zhao Yu interrogated her, she had said that she had not done anything yet! Why now ... ”

“““Everyone, calm down,”” Zhao Yu took the opportunity to say.”” Although pan Suxi installed audio monitoring devices for you, she was only following orders! ”

“““I think everyone should already know who the real person who wants to eavesdrop on you is, right?”” ”

“““It’s Zhu Yundi!”” Li Qin was the first to say,”” it must be her!”” ”

“““Is there a need to say that?”” Lei Dasheng grinned and said,”” all the suspects of the missing yacht case have been gathered in the Cruise’s VIP area. As soon as they got on the ship, I could smell a conspiracy! ”

“““It’s just that I didn’t expect her to do ... Um ...”” He wanted to use ““overboard”” to describe it, but in the end, he changed it to,”” she would really do this for her brother ... ”” ”

“““I didn’t know at first,”” Zhao Yu said, pointing to the White mobile phone in his hand.”” I only found out after Zhu Yundi fell into the sea and searched her room!”” ”

“““I lied!”” Pan Suxi took the initiative to admit it. ““I told the police officer that I didn’t have the time to make a move. Director Zhu is still hesitating! ”

“““Actually, I installed all the monitoring equipment in my room. As soon as I got on the ship, I secretly took action! ”

“““It was when you went to the hall for the meeting. Now you know why the meeting was a little long that day, right?”” ”

“““You ...”” Sun Jinjian pointed at pan Suxi and shouted,”” you’re breaking the law, you know? You’re going to jail!”” ”

“““Hmph! So what if you’re in jail?”” Pan Suxi said fearlessly,”” since I’ve done this, I’ll take responsibility for my actions!”” Now that I can find the murderer and fulfill chief Zhu’s wish, it’s worth it even if I have to go to jail for the rest of my life!”” ”

“““You ...”” Sun Jinjian realized that something was wrong, and his body trembled violently again. ”

“““So,”” Zhao Yu said slowly,”” the camera was not installed by us, so from the legal point of view, as long as it was not installed by us, the evidence is legal and valid! ”

“““Sun Jinjian, what else do you have to say?”” ”

“““I ... I ...”” Sun Jinjian fell to the ground, holding his heart and hesitating for a long time. Finally, he gritted his teeth and said,”” I don’t care if the evidence is valid or not, but the phone call I had with my wife doesn’t prove that we are murderers! ”

“““So what if we take the case to court?”” ”

“Hearing that sun Jinjian was still quibbling, everyone couldn’t help but look worried. Because sun Jinjian’s words were not without reason. Just based on that ominous conversation, it was impossible to convict sun Jinjian and his wife. ”

“In the end, the two of them would still be at large. ”

“””Wahaha ...”” However, seeing that sun Jinjian was still quibbling, Zhao Yu let out a long-lost laugh. He laughed and said,“”sun Jinjian, you’re still so stubborn even at the end of your life. I, Zhao Yu, have seen too many fantasizing murderers like you! ”

“””Do you really think that I’d be so stupid as to lay all my cards on the table just because I have this one recording of our conversation?”” Zhao Yu said,“”you won’t shed a tear until you see the coffin. Now, I’ll carry the coffin out for you!”” ”

Chapter 2207: Chapter 2202-humiliation

Zhao Yu’s words shocked everyone at the scene.

“At first, everyone thought that it was already very rare for Zhao Yu to be able to investigate the case to this point, but they didn’t expect Zhao Yu to have a backup plan. ”

“As a result, everyone was undoubtedly looking forward to what kind of coffin Zhao Yu could carry to make sun Jinjian admit his guilt. ”

“At the scene, sun Jinjian was the most nervous. At this moment, he felt like count Dracula who was exposed to the sun. He was covered in burns and had no intact skin. ”

“””Sun Jinjian, I knew that you were not easy to deal with. Since you could come up with such A Perfect Murder case with your wife, you must have been well-read in military books, oh no, well-read in law, and made full preparations!”” Zhao Yu said,“”but, unfortunately, you met me! ”

“””I have solved four of the five major unsolved cases, so I deserve my reputation. You may have underestimated me, but you can’t underestimate me!”” ”

“As he spoke, Zhao Yu glanced at bi Guosheng, meaning that his words were meant for an Italy. ”

“Bi Guosheng had not dared to interrupt for a long time. When he saw Zhao Yu looking at him, he quickly lowered his head in shame. ”

“Zhao Yu shook his head and sighed.””The most difficult part of solving a crime is to find the murderer. But, once the murderer is found, the rest is much easier to handle!”” ”

“Then, Zhao Yu tapped on his phone again, and a new video appeared on the TV. ”

“In the video, a woman was sitting in an interrogation chair and crying,“””””Yes, yes, I plead guilty. We planned and executed the yacht murder together ...”” ”

“””My husband, sun Jinjian, and I murdered the chairman of the Tianqin group, Zhu Xicheng, and ...”” ”

“Before she could finish, Zhao Yu pressed the pause button and stopped the video. ”

“““Ah ...”” After watching the video, sun Jinjian’s psychological defense that had been firmly defended collapsed instantly, and he collapsed to the ground ... ”

Waa ...

The scene was in an uproar again. Someone recognized that the woman in the video was sun Jinjian’s wife.

This video could not be any clearer. Sun Jinjian’s wife had already confessed to the police and admitted that they had murdered Zhu Xicheng.

“In this way, the truth of the missing yacht case had been revealed to the world! ”

“““Now, you should understand that I, Zhao Yu, am not an undeserved detective!”” Zhao Yu said proudly,““since I dared to gather everyone here and expose your crime in public, I must have absolute confidence! ”

“““From the very beginning, I have never put the breakthrough point on you. You are still gritting your teeth and refusing to confess. Are you stupid?”” ”

“““You ... You ... Oh ...”” Sun Jinjian clutched his chest and trembled as he took out a small medicine bottle. He took two pills, and it was obvious that his heart was not feeling well. ”

“There were so many people standing around him, but no one brought him water. They just looked at him coldly as he swallowed the two pills. ”

“““He’s ... He’s really worthy of being the detective who solved the five major pending cases!”” Zhang Menghai started to flatter him again.““That’s amazing. I saw you going to Jeju Island and buying so many things. I thought you were going to play! ”

“““I didn’t expect everything to be under your control! ”

“““AI! ““If I could have met a detective like you four years ago,”” Zhang Menghai gave a thumbs up,““then why would we have been wronged for four years?”” ”

“““Hmph!”” Han aobing stood in front of sun Jinjian and scolded,““sun Jinjian, as a senior executive of the company, how could you do such a heartless and outrageous thing? ”

“““What else do you have to say now?”” ”

“““That’s right, little sun!”” Lei Dasheng shook his head and sighed.““Chief Zhu has been kind to you just to be the General Manager. Did he have to kill you?”” ”

“““Is it necessary? Hahaha ...”” Suddenly, sun Jinjian gritted his teeth and laughed.““ What do you know! Zhu Xicheng is not a human at all, at least, he’s not a normal person!”” ”

“““You ...”” Guan xiujie asked,““what do you mean by that?”” No matter the reason, you can’t kill people, right?”” ”

“Hehe, all of you make it sound so easy, but do you really know how I endured it at that time?” Sun Jinjian swallowed his saliva and finally told the truth, “Zhu Xicheng didn’t touch your wives, and he didn’t make you guys a cuckold. Of course, you guys would speak up for him!”

“Ah?” Everyone was shocked. ”

“Sure ... Sure enough ...” Li Qin mumbled to himself, “sure enough, it’s because of this!”

“Right!” Sun Jinjian turned to Li Qin and said, “you should have a deeper understanding than others, right? However, you no longer have any feelings for your wife. You can’t understand what kind of humiliation that is!”

“This ... This means ...” Lei Dasheng trembled as he said, “he even touched your wife? AI! It was really a sin! “I’ve warned him before that doing this is equivalent to playing with fire, but I didn’t expect that in the end, he would really die Here ...”

“He’s doing this on purpose!” Sun Jinjian gritted his teeth and shouted, “he just wanted to have a taste of the pleasure of possessing someone else’s wife. Moreover, he didn’t do it in secret at all. He came to me directly and negotiated with me!”

“You ... Have you ever seen such a person? Does he think that he can do whatever he wants just because he has enough capital?”

“Discuss ... Discuss terms?” “What do you mean?” Guan xiujie asked. ”

“He said,” sun Jinjian said indignantly, “he saw that my wife was beautiful, and as long as I could give my wife to him, he would guarantee that I would be the company’s general manager. He also promised to buy my wife a pink diamond!”

“If I don’t agree, I’ll either resign or be an ordinary manager without any chance for promotion!”

“Preposterous! This is ridiculous!” The Italian, bi Guosheng, shook his head. “This man is seriously ill!”

“But,” sun Jinjian said regretfully, “I was also very sick, and I actually agreed to his request!”

“Ah? It can’t be, right?” Guan xiujie shook his head, “with your ability, even if you’re not in the Tianqin group, you can still make a name for yourself, right?”

“No, you don’t know how sinister Zhu Xicheng is,” sun Jinjian glanced at han aobing and said faintly, “the Leo Group is a living example. If I make a mistake, I will definitely not have a good life in the future!”

“Zhu Xicheng will definitely use despicable means to make me kneel in front of him again and again so that I will never be able to rise again!”

“When sun Jinjian said this, han aobing was also slightly stunned. It was obvious that she had the same thoughts. If she had agreed to Zhu Xicheng’s request back then, she would have been able to keep her company!”

“““He’s a man who won’t give up until he gets what he wants,”” sun Jinjian said.””He’s an evil person! He knows many ways to control people’s hearts, which makes me deeply afraid! ”

“““Moreover, at that time, my family had just bought a house and a car, and our finances were at their most tight,”” sun Jinjian gritted his teeth and said.””I had no choice but to agree to his request!”” ”

Chapter 2208: Never float

“““Stop joking! ““This is no small matter,”” Guan xiujie said.””Even if you agree, your wife will never agree! What do you think she is?”” ”

“““Hmph ...”” Sun Jinjian’s eyes were sunken, and his expression was wooden.””Yes, what do I take her for?”” At first, she firmly disagreed. However, after I made the situation clear and she realized that we had no way out, she finally ... Agreed! ”

“““Time and time again, Zhu Xicheng deeply hurt me and my wife. Unexpectedly, he thought that after such immoral things, there would be a Rift between me and my wife! ”

“““However, there was no Rift between us, only hatred!”” ”

“After listening to sun Jinjian’s confession, everyone’s expressions were complicated. They were all deeply moved. No one had expected that Zhu Xicheng, the chairman of the Tianqin group, would actually do such a dirty thing! ”

“““At first, Zhu Xicheng fulfilled his promise,”” sun Jinjian continued,””and promoted me step by step. He also gave my wife a 2.7-carat pink diamond from South Africa ... ”

“““But, he had so many mistresses, yet it seemed like he was challenging my bottom line on purpose. He called my wife again and again, and when I saw my wife get into his Rolls-Royce, my heart felt like it was being cut by a knife ... ”

“““Although my heart is bleeding, I’m still suffering. I didn’t have any other thoughts! Every day, they had to work hard, talk and laugh with the customers, and encourage the employees to work hard ... ”

“““I think that I’ve already worked very hard. Whether it’s my qualifications or Zhu Xicheng’s promise, I’m the only and best candidate who is qualified to sit on the throne of general manager! ”

“““But ... Zhu Xicheng didn’t fulfill his promise,”” sun Jinjian clenched his fists and said,””I don’t know why he started to look for a new general manager in the company, and even deliberately transferred away a few of my most capable assistants!”” ”

“““All in all, all the signs show that he’s changed his mind and thinks that I’m not on his side. Perhaps I’m ambitious, or perhaps he’s the one who has been driving a wedge between us for so long only to find out that we haven’t been separated ... ”

“““Later, when he was having fun with my wife,”” sun Jinjian said,””my wife couldn’t help but ask him if I could become the General Manager if Lei Dasheng retired!”” ”

““““In the end, Zhu Xicheng revealed his evil nature and refused to acknowledge our previous promise! ”

““““My wife was anxious and argued with him, but Zhu Xicheng threatened her that if she didn’t listen to his arrangement, he would reveal all the ugly things between the three of us, just like what happened to Li Qin!”” ”

* Crack crack ... *

“Speaking of this, Li Qin clenched his fists so hard that they actually made a cracking sound. Obviously, he and sun Jinjian felt the same way. ”

““““Zhu Xicheng is a single aristocrat, and he has power and influence. This kind of scandal is common to him and has no effect on him, but ...”” Sun Jinjian said in despair,“““for us, it is a great disaster! ”

““““Finally, what we were worried about came true. For the first time, he didn’t invite me to the new yacht Club,”” sun Jinjian said.“““This means that he has given up on me! He only used a pink diamond to buy years of service from my wife! ”

““““I can’t accept this. I hate this person to the core. That’s why I’ve made up my mind to use this Yacht Club to completely eradicate Zhu Xicheng and make him pay the price for his absurd behavior!”” ”

Oh ...

“After hearing sun Jinjian’s motive for killing, everyone couldn’t help but sigh, especially Lei Dasheng himself. He kept shaking his head, obviously scornful of Zhu Xicheng’s approach. ”

““““Detective, you’re indeed a detective,”” sun Jinjian glanced at Zhao Yu, then let go of the burden in his mind and told him everything about the crime that he had committed.“““Your guess was basically correct. I didn’t expect that so many people had investigated this case, but you were the only one who discovered the secret of the caviar! ”

““““That’s right, I had my wife prepare another boat in advance and had her wait for me on the reef Beach East of Shamen Island, while I sneaked into Zhu Xicheng’s boat with my things! ”

““““You were right about where I was hiding. However, I used a few cargo boxes as cover to make sure that Zhang Menghai wouldn’t find me! ”

““““I’ve driven Zhu Xicheng’s yacht dozens of times, so I knew its structure like the back of my hand. I hacked into the surveillance system and observed their behavior in secret. Finally, I took advantage of the time when Zhang Menghai was making caviar and poured the sleeping pills I prepared in! ”

““““You’re right. The reason why we chose caviar is because it’s very watery and can effectively bring out the effects of sleeping pills. At the same time, because it’s expensive, everyone will eat it! ”

““““Furthermore, you won’t be able to smell anything strange ... ”

““““My plan went very smoothly, and all the procedures were exactly the same as the detective’s deduction, but ...”” Sun Jinjian said.“““I also prepared a sandbag made of special materials. Zhu Xicheng is a master swimmer, so I have to make sure that he can drown in the sea!”” ”

“““So, I tied him up with a sandbag. The sandbag contained a kind of feed that carrion fish liked to eat. After it sank into the sea, it would soon be decomposed by the creatures at the bottom of the sea, and there would be no future trouble! ”

“““Zhu Xicheng loves to conquer others, so I’ll make him sink to the bottom of the sea forever!!!” ”

“After sun Jinjian finished speaking, the scene was silent. Everyone was shocked by his words. No one had thought that there was such a depressing hidden story behind the yacht disappearance case! ”

“In the end, Zhu Xicheng still died because of his Special Hobby. If he had not been so ruthless back then, he might not have been killed. ”

“However, the sin was in the human heart. If sun Jinjian had not been willing to give up his wife for material benefits, he would not have fallen to this point. ”

“““The plan went very smoothly,”” sun Jinjian murmured.”“When my wife and I received the call, we left the yacht in the sea and went to the depths of the ocean with the current, and we took the boat home!
”

“““Detective, you’re right again. The lights and TV were on in order to create an alibi,”” sun Jinjian said.”“But, because my previous plan was flawless, I didn’t care too much about not turning off the lights and TV all night! ”

“““I didn’t expect that in your eyes, all of these would become our loopholes! I’m truly convinced ...”” ”

“““Don’t say that,”” Zhao Yu said humbly.”“Your case is just child’s play to me! ““However, I have to admit that if not for Zhu Yundi’s eavesdropping, I would not have locked onto you so quickly! ”

“““Zhu Yundi was pushed into the sea, but the bug she left behind still helped her fulfill her last wish! ”

“““Now, even if you die, you can rest in peace!”” ”

“““What? ““Wait ... Wait ...”” Guan xiujie scratched his head and said,”“I’m confused, detective. Are you saying that Zhu Yundi’s death has nothing to do with sun Jinjian? ”

“““I don’t think so ...”” ”

“““Yup!”” Yi Qin said,”“was he worried that Zhu Yundi would find out some clues, so he pushed her into the sea as well?”” ”

“““Of course not,”” Zhao Yu said, squinting his eyes.”“His phone call with his wife has already proved that the couple had nothing to do with Zhu Yundi’s fall into the sea!”” ”

“““Yup!”” Han aobing looked at the crowd in horror and said worriedly,”“so, the brother’s murderer has been found, but the sister’s murderer is still among us, Qianqian!?”” ”

Chapter 2209: Chapter 2205-a good show

“After sun Jinjian told Zhao Yu about the missing yacht case from four years ago, Zhao Yu, Qi Jianhua, and the others immediately took control of him and locked him up in a separate room. ”

“Here, Zhao Yu and Miao Ying gave him a detailed transcript of his statement, asking him to tell them in detail how he had used the yacht to kill Zhu Xicheng. ”

“Although sun Jinjian had given up resistance, he still had one last glimmer of hope, which was to repeatedly emphasize that the murder was planned and carried out by him alone, and that his wife had only helped him. ”

Sun Jinjian’s intention was obvious. He wanted to take all the blame on himself and hoped that the police could give his wife a lighter punishment.

“However, it was a serious murder case, so how could the sentence be light? Zhao Yu told sun Jinjian that regarding his wife’s problem, the police would carry out an in-depth investigation and would inevitably restore the truth. ”

“After the confession, Zhao Yu asked Qi Jianhua to arrange for people to take turns watching sun Jinjian. ”

“Originally, at this point in the case, Zhao Yu should have adjusted himself, or at least finished the lunch that he had not finished earlier. ”

“However, when the two of them walked out of the room where sun Jinjian was being held, Zhao Yu mysteriously took Miao Ying to an ordinary visitor’s room that was located outside the guest area. ”

“As soon as she entered the house, Miao Ying was surprised to see a few unfamiliar faces. She frowned, not knowing what Zhao Yu was up to this time! ”

“There were four strangers at the scene: a bald man, a rich businessman, a rich second generation, and a beautiful woman. ”

“Miao Ying was just about to ask when Qi Jianhua, bi Guosheng, and the Secretary, pan Suxi, walked in one after another. ”

“As soon as he entered, bi Guosheng smiled at Zhao Yu and said,““““Detective Zhao, how was my acting just now? Many people have said that I’m especially suited to play the role of a villain!“““ ”

“As he spoke, he extended his hand and shook Zhao Yu’s hand in a friendly manner. ”

““““Hmph, what kind of acting is that!“““ Qi Jianhua sneered,““““there were a few times when you were supposed to be angry, but you laughed instead. It’s just that you’re too arrogant and not obvious!“““ ”

““““D * MN ...“““ Miao Ying finally understood that Zhao Yu and bi Guosheng’s argument on the deck was all a pre-set act. ”

““““Detective Zhao,“““ pan Suxi stepped forward and said,““““I really don’t know how to thank you. Thank you for helping our director Zhu fulfill her wish. She will thank you from heaven!“““ ”

““““Mm ...“““ Zhao Yu waved his hand and said,““““you should thank me, but if you didn’t come out and admit that you installed the cameras, this scene wouldn’t have been easy to put on!“““ ”

“Holy shit...” Miao Ying covered her face. She never thought that Pan Suxi’s surveillance camera story was also fake.”

“Yup!” Qi Jianhua said, “Miss Pan, although we’ve found the real murderer, I’m afraid that if we go back and investigate the incident with the camera...”

“It doesn’t matter,” Pan Suxi said righteously. “If I can help Chief Zhu fulfill his wish, what’s the harm in going to jail?” Officer Zhao, don’t worry, if Sun Jinjian pursues this matter later, I won’t regret it!”

“Mm, I consulted with the relevant lawyer before,” Zhao Yu said. “Because, after all, we caught the important murderer, and you were instructed by Zhu Yundi, so the matter of installing the camera shouldn’t be a serious problem. Don’t worry!”

“Yes...” Pan Suxi nodded vigorously.”

“Meow Meow!” Zhao Yu finally found some time to explain to Miao Ying, “I’m really sorry, I was forced to take a risk. To be honest, the cameras were not set up by Zhu Yundi, but by me!”

“Hehe...” Miss Miao laughed bitterly. “I knew that you must be up to no good!” But this time, I really guessed wrong. Until just now, when Sun Jinjian pleaded guilty, I thought that you and Zhu Yundi had conspired together!”

“Now it seems that Zhu Yundi really met with an accident!”

“Of course,” Pan Suxi’s eyes dimmed. “I really hope that this is all a scheme by Director Zhu and Detective Zhao!” But unfortunately, it’s a fact that Chief Zhu fell off the building!”

“Yes,” Zhao Yu said. “I have already asked Zeng Ke to do an outline comparison, and it has been confirmed that the person captured by the camera who fell into the sea is undoubtedly Zhu Yundi!”

“Furthermore, Zhu Yundi did something during her fall. She should have been pushed into the sea while she was still conscious!”

“Oh...” Hearing this, Miao Ying was deep in thought, but her doubts still remained on the issue of the camera. She quickly asked, “Zhao Yu, that’s not right! You’ve been with me all this time, when did you have the time to install a camera?”

“Of course, I didn’t install the camera myself. Here,” Zhao Yu pointed to the four strangers and said, “these professionals helped to install it!” Let me introduce you...”

It turned out that the four people were none other than the group that had cheated at the casino and almost scammed Zhao Yu of twenty million Yuan.

“Mm...” Zhao Yu raised his hand, but suddenly remembered that he didn’t know their names, so he put his hand down and said, “forget it, I don’t think I should introduce them!”

“Professional?” “Oh...” Miao Ying was smart, so she immediately understood what Zhao Yu meant and the identity of the four people.”

“All the camera equipment was provided by them,” Zhao Yu said. “I have to admit that they are really professional. When we gathered all the suspects and told them that Zhu Yundi had fallen into the

sea, these few people, who were disguised as service personnel and other suspects, secretly installed advanced wiretapping equipment on their mobile phones. That was how we obtained the most important information! ”

“““And this phone,”” Zhao Yu took out the White phone and said,””is not Zhu Yundi ‘s, but ...”” ”

“Pan Suxi took the phone and smiled.””It’s mine!”” She said. ”

“““At the same time,”” Zhao Yu said,””while I was attracting everyone’s attention, someone took the master key that Qi Jianhua provided and went to all the suspects ‘rooms to install wiretaps on them. This way, everyone’s every word and action was under my control! ”

“““But,”” Zhao Yu continued,””this kind of thing can’t be exposed, so I looked for miss pan Suxi and asked her for help to admit it. That way, sun Jinjian wouldn’t be able to continue to quibble!”” ”

“““You’re afraid that I’ll object if you tell me about this plan in advance, right?”” Miao Ying asked. That’s why you didn’t tell me?”” ”

“““Yes, you know me best! ““As I said,”” Zhao Yu said solemnly,””this case wasn’t solved four years ago. We don’t have a crime scene, no corpse, and nothing at all. If we want to get something without getting anything, we have to use some special means! ”

“““And it turned out that my risk was right. If it weren’t for the bug, I wouldn’t have been able to guess who the murderer was!”” He said. ”

“““Alright, my detective,”” Miao Ying said,””you’re the team leader, so I’ll listen to you! However, there’s one more thing I want to ask. I wonder if master detective can answer me?”” ”

“““Please speak!”” ”

“““Since you have eavesdropped on all the suspects,”” Miao Ying asked,””then, as for the murderer who pushed Zhu Yundi into the sea, have you already locked onto him?”” ”

Chapter 2210: Chapter 2206-you can’t be unconvinced

“““No.”” Hearing miss Miao’s question, Zhao Yu grinned helplessly and shook his head.””Regarding Zhu Yundi’s case, there has been no progress so far!”” ”

“““Yes,”” Qi Jianhua said.””Ever since we installed audio monitoring equipment for them, we have been paying attention to every movement of the suspects. So far, we have not found anything unusual!”” ”

“““This person ...”” Zhao Yu said.””Either he hid well, or he knew that we might have installed audio monitoring devices, so he kept a low profile! ”

“““Or, there’s more to Zhu Yundi’s fall into the sea! ”

“““At first ...”” Zhao Yu gently patted Miao Ying’s shoulder.””I had the same thought as you. I thought that Zhu Yundi’s fall into the sea was all part of her plan. She used her fall to give me the authority to

investigate, and then let me, the Super detective, help investigate the truth of Zhu Xicheng's disappearance. ”

“““But ...”” Zhao Yu shook his head and said,““that night, we had a deep conversation. If she really had a plan to fall into the sea, she should have told me, right?”” ”

“““Even if you don't tell me, you should at least let pan Suxi install the audio monitor first, right?”” ”

“““Oh ...”” Miao Ying frowned.““So, we still have no clue about Zhu Yundi's fall into the sea?”” ”

“““Yes, at least, it wasn't sun Jinjian,”” Zhao Yu said, waving his hand.““He has already pleaded guilty. If he killed Zhu Yundi, there is no reason for him not to tell the truth!”” ”

“““I believe ...”” Pan Suxi said to Zhao Yu expectantly.““Detective Zhao will definitely be able to find out the truth behind director Zhu's fall into the sea and catch the murderer!”” ”

“““The missing yacht case from four years ago was considered a perfect crime, and it was impossible to find the real murderer, but you caught the real murderer in less than two days!”” ”

“““So, I believe that you will also be able to catch the murderer who killed chief Zhu!”” ”

“““Mm ... Hehe ...”” Zhao Yu blushed slightly. He was very thick-skinned, but when faced with pan Suxi's compliments, he could only feel a mountain of pressure!”” ”

“““Mm ...”” At this time, the bald guy from the fraud gang couldn't help but speak to Zhao Yu,““police officer, if there's any need, we will definitely cooperate ...”” ”

“““Yes, yes ...”” The rich second-generation heir nodded and said,““we only hope to atone for our crimes and strive for a lenient sentence ...”” ”

“Looking at the scammers, Zhao Yu couldn't help but smile. ”

“This was also a coincidence. As early as Zhu Yundi's accident, Zhao Yu's first thought was of the four master scammers. So, after negotiating with Qi Jianhua and bi Guosheng, he decided to use their expertise to help with the case. ”

“He didn't expect that these people would accomplish their task so well. In front of so many suspects, they installed a bug on their mobile phones, but no one noticed it. ”

“““That's easy,”” Zhao Yu said.““You've helped us catch the important murderer. I'll definitely write this down in the case record. Don't worry, I, Zhao Yu, am a man of my word!”” ”

“““As for whether I need your help next, that will depend on the situation!”” ”

“““Yes, yes, yes ... Thank you, officer, for giving us a chance to atone for our crimes,”” the bald man said, bowing.““We'll be good people from now on and never do such immoral things again!”” ”

“““Mm ...”” Zhao Yu gestured to Qi Jianhua, who immediately sent a crew to take the four men away. ”

“““It's one thing to make a contribution ...”” The Italian looked at the back of the four people and said,““but it also depends on what they have done before, right?”” ”

“““Yes,”” Zhao Yu nodded,““if the nature of the previous cases was not too bad, then their performance would definitely be of great help! ”

“““But if it’s the opposite, then it’s hard to say!”” ”

“““Detective Zhao, I really admire you, but ...”” Bi Guosheng said,““you already have evidence on sun Jinjian, and his wife has pleaded guilty. So, why do you need me to play along with you?”” It doesn’t seem ... Necessary?”” ”

“““Hehe,”” Zhao Yu smiled faintly, then said,““of course it’s necessary. What if I use a loudspeaker to gather everyone in the restaurant and tell them that I’m going to tell them the murderer now? Isn’t that too heartless? ”

“““But, once you, the big villain, come out, look, how good the effect is? ““Moreover,”” Zhao Yu laughed proudly,““with your doubt, you can lower sun Jinjian’s defense and catch him off guard, making him think that I don’t have any backup plans! ”

“““However, if I take the initiative to greet him, he will be on guard. In that case, the effect will definitely not be as good as now!”” ”

“““Oh ... Oh ... You’re really ...”” Bi Guosheng gave him a thumbs up.““Great!”” It’s really high!”” ”

“At that moment, Zhao Yu’s mobile phone suddenly rang. Zhao Yu looked at the caller ID, but did not answer the call immediately. Instead, he said to bi Guosheng, ”

“““How about this, Captain?”” he pointed to the door.““Can you help me with something?”” Let the four of them help us check the surveillance video of the cruise. Their eyes are more sneaky, maybe they can see something we can ‘t!”” ”

“““Oh ... That’s amazing. Using poison to attack poison ...”” Bi Guosheng gave him another thumbs up and quickly left the house. ”

“Before that, pan Suxi and Qi Jianhua had also left, leaving only Zhao Yu and Miao Ying in the room. ”

“After seeing that the person had left, Zhao Yu took off his phone and answered the call, then put it on speaker. ”

“““Hello, hello, master, I just received your message,”” a man’s voice came from the phone.““I was scared to death. If I didn’t succeed, I would become a ghost!”” I thought my career was over!”” ”

“““This ...”” Miao Ying was surprised. She could tell that the person who called Zhao Yu was none other than officer Wang from Yaoming, Zhao Yu’s disciple in name. ”

Why ... Why is it him?

What did he mean?

“““There are only benefits and no disadvantages to following your master,”” Zhao Yu comforted her with a smile.““It’s all right now. Sun Jinjian has pleaded guilty and told us all the details of the case!”” ”

“Officer Wang sighed and said,““wow, that’s awesome! Only you would dare to do that!”” ”

“““You can call me master, but not old man. We’re about the same age, okay?”” Zhao Yu complained, then said, “““your next task won’t be easy either. I’ve already contacted the person in charge in Shanghai for you. You can go and cooperate with them! I’ve already sent them the video of sun Jinjian’s confession ...”” ”

“Officer Wang nodded and said, ““I know what to do!”” ”

“““The wanted order for sun Jinjian’s wife should be in the process of approval now. When you catch his wife, try to make her confession video as good as the one before ...”” ”

“““I understand, I understand!”” Can Wang quickly said, “““don’t worry! I definitely won’t let sun Jinjian suspect anything ...”” ”

“““Okay,”” Zhao Yu nodded, “““then get it done as soon as possible!”” Next, I still have to investigate the truth behind Zhu Yundi’s murder!”” ”

“““Alright, if there’s anything else you need in Shanghai, just let me know!”” Officer Wang promised and then hung up the phone. ”

“““No way? “““I really...Can’t see you clearly anymore ...”” After Zhao Yu hung up the phone, miss Miao was suddenly surprised.””Zhao Yu, aren’t you too bold?”” Could it be ... Could it be that sun Jinjian’s wife’s confession video ... Was ... Was also ...”” ”

“““High-tech is amazing.”” Zhao Yu took out his mobile phone and played the previous video, but it was only a dozen seconds long.””Especially this AI technology that can change faces. I can’t help but be impressed!”” ”
