Chapter 2211: Chapter 2207-detective

“““Zhao Yu,”” seeing the video on Zhao Yu’s phone, miss Miao was speechless. She could only pat Zhao Yu’s back gently and say,”“in the detective world, you can’t be described as a genius anymore. Isn’t it more accurate to describe you as a demon?”” ”

“““Demon detective? ““Hehe ...”” Zhao Yu smiled and said,”“my dear, please don’t be angry. The reason why I didn’t tell you in advance was that you were sick, and I didn’t want to burden you!” ”

“““I’ll say the same thing. This case is different from other cases. If we don’t use extreme means, there’s no way to make the murderer confess!”” ”

“““I know.”” Miao Ying nodded.”“The body is gone, and there are no clues. Even if we know who the murderer is, we can’t convict him. I can’t judge what you did, but after all, you were trying to find the truth and give justice to the victim ...”” ”

“““I just ...”” Miao Ying held Zhao Yu’s face in her hands and said sadly,”“I can’t see you clearly anymore. You have so many tricks up your sleeve. I don’t even know what else you’re hiding from me!”” ”

“““What are you saying!”” Zhao Yu held onto miss Miao’s hand.”“My heart is clear as the moon. My feelings for you are true!”” ”

“““Alright,”” Miao Ying smiled,”“I’ve heard this too many times! If you’re really good to me, you’d better think of a way to make my first Secret Service mission a beautiful one!”” ”

“““Mm ...”” Zhao Yu quickly looked at the invisible detector in his head. After confirming that there was no danger, he whispered to Miao Ying,”“regarding Xi Wei’s treasure, we can’t make any conclusions yet.”” ”

“““I want to go to the warehouse and talk to the manager there, but ... I can’t be too flamboyant about this. I don’t want to tell Qi Jianhua or that Italian.”” ”

“““You’ve become a celebrity on the cruise ship, so it’s hard for you to keep a low profile,”” Miao Ying said.”“Why don’t you leave this to me?”” I’m a woman, I’m easy to talk to ...”” ”

“““Hmm ...”” Zhao Yu thought for a moment, then nodded and said,”“it’s good that you’re the one to do it, but it’s best to wait until tonight. Then, we’ll go together.”” ”

“““Actually,”” Miao Ying said,”“did you realize that if Xi Wei’s treasure had nothing to do with this ship, it might actually be a good thing?”” ”

“““Right, we want to be together again!”” Zhao Yu said,”“Li Zhenzhu and her team have already done an in-depth investigation of the ship before us. If there is really a problem, it means that they have done it before us!”” ”

“““Even if we find a clue, we can only be inferior to others!”” ”

“““Yeah, my dad said that the situation now is different from when we were in Korea,”” Miao Ying said.”” Because Xiwei’s treasure has left Korea, the relationship between all the forces looking for the treasure will be very delicate! ”

“““If it’s not handled well, I’m afraid there will be endless trouble in the future! ““Zhao Yu,”” Miao Ying said worriedly,””if it was a mission and you were asked to shoot Li Zhenzhu, what would you do?”” ”

“““That’s impossible. I definitely won’t let that happen,”” Zhao Yu said.””We have to be principled and ethical. I don’t think things have reached that point yet!”” ”

“At this point, the two of them suddenly paused, both thinking about the stakes of this matter. ”

“““No matter what,”” Zhao Yu said,””we have already completed one of the three important tasks. Next, if we can catch the person who pushed Zhu Yundi into the sea, then we can focus on searching for the treasure!”” ”

“““Right, speaking of Zhu Yundi ...”” Miao Ying reminded him,””I think, from the asthma inhaler found on Zhu Yundi’s balcony, we have to think about it from this perspective!”” ”

“““That’s right,”” Zhao Yu nodded,””we really have a telepathic connection. Although the inhaling device is Guan xiujie ‘s, and it may be to frame Guan xiujie, is there any other problem?”” ”

“““Yeah, why did you have to frame Guan xiujie?”” Miao Ying frowned.””And he used such a lowly method? It’s obviously an unnecessary move!”” ”

“““The inhaling device was obviously prepared before Zhu Yundi’s accident!”” Zhao Yu said,””after that, I focused on observing Guan xiujie. From his appearance, it seemed that he didn’t know that the inhaling device had been lost! ”

“““He said that even though his condition is under control, he still has to carry the inhalator with him. He can remember seeing it in his suitcase after he got on the ship.”” ”

“““Zhu Yundi died on the first night of boarding,”” Miao Ying analyzed.””That is to say, the murderer stole the inhaling device after Guan xiujie checked?”” ”

“““Yes,”” Zhao Yu nodded,””just as Guan xiujie said, after dinner, he stayed in his room! Then ... The murderer could only make use of the afternoon! ”

“““But here’s the problem!”” Zhao Yu said,””in the afternoon, their company held a meeting in the auditorium, and all the suspects in the VIP area were present. Then...Who sneaked into Guan xiujie’s room and stole his breathing device? ”

“““We’ve checked the surveillance cameras at the entrance of the VIP area. Since they had just boarded the ship, during the meeting, other than a few cleaners, no one returned to the VIP area.”” ”

“““Then ... The cleaners ...”” Miao Ying asked. ”

“““No,”” Zhao Yu said.””I’ve asked Zeng ke to investigate their background. It’s clean! I don’t think it’s them!”” ”

“““That’s strange ...”” Miao Ying frowned.”““Could it be that there’s really a person hiding in the VIP area?”” Just like ... Just like sun Jinjian back then?”” ”

“““Qi Jianhua and the foreigner have searched the area several times,”” Zhao Yu said.”““We’ve seen the drawings, but there’s no place to hide!”” ”

“Just in case, he had even used the life detector and the invisible x-ray vision device to scan the VIP area, but he had not found anything unusual. ”

“““If ... The murderer is really one of the people in the meeting with Guan xiujie, then there’s only one possibility left!”” Zhao Yu said,”“that is, he stole the inhaling device when Guan xiujie was in his room!”” ”

“““Ah?”” Miao Ying pouted.”““The cabin of the cruise ship can be seen at a glance. Cui Lizhu wouldn’t dare to do that, right?”” ”

“““No!”” Zhao Yu shook his head and said,”“Guan xiujie said that he had an appointment with several company leaders that night. He wanted to go to the hot spring, but because he suddenly felt unwell, he returned to his room early. ”

“““I suspect that the murderer might have drugged him long ago ...”” ”

“““It can’t be?”” Miao Ying furrowed her brows.”““If that’s the case, the murderer must have put in a lot of effort!”” ”

“““But,”” Zhao Yu said,”“the problem is back to square one. Such a simple frame-up is simply superfluous. It can’t escape our eyes! But why did he still do that? ”

“““Really? are you trying to give us some sort of hint? ”

“““MeowMeow,”” Zhao Yu suddenly thought of something, and asked,”“you were there when we searched Guan xiujie’s room. Besides the information that proves that Guan xiujie once owed gambling debts, is there anything unusual?”” ”

“““No... No? ““But,”” Miao Ying took out her phone and said,”“I recorded the whole process. You can take a look!”” ”

“““Mm ...”” Zhao Yu nodded.”““And that information! Maybe there’s something else hidden inside ...”” ”

Chapter 2212: Chapter 2208-for love?

“9 p.m., In Zhao Yu and Miao Ying’s room. ”

Zhao Yu was still carefully looking through the information that the murderer had left in Guan xiujie’s room.

“Before this, Zhao Yu had already sent people to verify that the contents of the information were true and valid. Before the disappearance of the yacht, Guan xiujie did owe a huge gambling debt from a casino in Singapore.”

“In order not to miss any clues, Zhao Yu had sent the information to Zeng ke, who was in Chengzhou, and asked him to help him look through it.”

“Before this, Zhao Yu had personally searched Guan xiujie’s room for nearly an hour, but he had not found anything suspicious.”

“““The information is a copy,”” Miao Ying analyzed.”“The person who framed Guan xiujie must have done a detailed investigation on him! It must be known that after Zhu Xicheng disappeared four years ago, the police had investigated Guan xiujie in detail, but even so, they had not found any gambling debts!””

“““This shows that ... The person who is targeting Guan xiujie must have put in a lot of effort!”” ”

“““Why did he do that?”” Zhao Yu fell into deep thought,”“according to the murderer’s intelligence, he must have known that this trick couldn’t escape our eyes, and it wouldn’t affect Guan xiujie at all. But why did he still do it?””

“““Guan xiujie, what else do you know?”” ”

“““But ...”” Miao Ying shook her head and said,”“the murderer was targeting Guan xiujie, obviously because of Zhu Xicheng’s disappearance. But, now that we have found the truth of the missing yacht case, Guan xiujie is no longer a suspect, right?”” ”

“““The point is ...”” Zhao Yu took out the White mobile phone.”“I have seen the reactions of all the suspects. Except for sun Jinjian, it seems that no one else has any strange reactions. They are all quite normal ...”” ”

“““It’s possible ...”” Miao Ying said worriedly.”“The murderer already knew that you had sent people to install audio monitoring equipment for them, so he just beat them at their own game!””

“““I feel that those who have been ruled out by you are still suspicious ...”” ”

“““Tsk tsk ...”” Zhao Yu looked at the room full of case information, then pouted and sighed.”“I think, from the beginning, we both thought that it would be easy to solve the Zhu Yundi falling into the sea case, but difficult to solve the missing yacht case, right?”” ”

“““Mm ...”” Miss Miao nodded slightly.”“But unexpectedly, contrary to our expectations, the case in front of us is more complicated than the perfect crime case from four years ago!”” ”

“““The murderer ...”” Zhao Yu turned his head to the porthole, looking out at the vast sea.”“Hiding among the suspects, able to easily sneak into Zhu Yundi’s room and push her into the sea, and also able to drug Guan xiujie and frame him ...”” ”

“““Also, he was able to find information on gambling debts that even the police couldn’t find. He was also familiar with the internal structure of the cruise ship ...”” Miao Ying continued.”“This murderer is definitely not simple!”” ”

“““Yes,”” Zhao Yu’s eyes lit up, ““why don’t we ... Screen all the suspects ‘backgrounds again?’”” Let’s see if there’s anyone who agrees with our conditions. ““ ”

“““I’m already on it,”” Miao Ying said. ““From the beginning of the case, I’ve asked Zeng ke and the others to investigate it!”” ”

“““Is that so?”” Zhao Yu snapped his fingers. ““Then why don’t you open it and take a look?”” ”

“““Only a part of the information has been sent over,”” Miao Ying said. ““You know, an in-depth investigation will take time! It’s possible ... By the time we disembark, we might not be able to complete the investigation!”” ”

“““That doesn’t matter,”” Zhao Yu said indifferently. ““At least, we should screen them from their surface. Maybe we can find something.”” ”

“““Alright!”” Miao Ying quickly opened her laptop and showed Zhao Yu Zeng ke’s investigation of the suspect. ”

“After that, the two of them lay in front of the computer and began to analyze the information of these people. ”

“As they had not fully recovered from their cold, miss Miao made a cup of indigowoad root, while Zhao Yu made a cup of coffee. The two of them analyzed all the suspects seriously. ”

“““There’s too little information, it’s hard to say ...”” After more than an hour of analysis, Miao Ying said to Zhao Yu helplessly, ““the feeling that they gave me was that Li Qin, Guan xiujie, and a few other technical executives all had the conditions to commit the crime!”” ”

“““Is that so?”” Zhao Yu frowned. ““The key is...How did they open Zhu Yundi’s door?”” ”

“““Maybe ...”” Miao Ying reasoned, ““he just knocked on the door and asked Zhu Yundi to open the door for him? After that, didn’t Zhu Yundi’s Universal Card disappear? ”

“““He used Zhu Yundi’s Universal Card to open Guan xiujie’s room and frame him?”” ”

“““If your reasoning is correct ...”” Zhao Yu pondered for a moment, then said, ““then this person needs to know that Zhu Yundi has a Universal Card that can open all the rooms! ”

“““Then ... There seems to be only one person who knows about Zhu Yundi’s Universal Card, and that is her Secretary, pan Suxi!”” ”

“““But ...”” Miao Ying shook her head. ““Pan Suxi has an obvious alibi!”” ”

“““Then ... Would it be?”” Zhao Yu guessed, pan Suxi colluded with someone else? Or did you disclose the information of the universal Card to someone?”” ”

“““It doesn’t look like it ...”” Miao Ying said. ““I’ve sent people to investigate this pan Suxi. Her background is very clean. Other than having a scandal with Zhu Yundi, there’s nothing wrong with her.”” ”

“““Besides, she has just gained a foothold in the company. Zhu Yundi is her biggest backer. I’m afraid she’s the one who doesn’t want anything to happen to Zhu Yundi!”” ”

“““You can’t be so sure,”” Zhao Yu said suspiciously.””My experience tells me that a premeditated crime can only happen under a few circumstances—revenge, money, and love!”” ”

“““For love?”” Miao Ying’s eyes widened.””You’re saying that ... Zhu Yundi’s fall into the sea could have been caused by a murder of love?”” ”

“““It’s not impossible!”” Zhao Yu said,””the tears were real. When I first saw pan Suxi, I could tell that the tears she shed for Zhu Yundi were real!”” ”

“““If it’s true,”” Miao Ying was confused,””then why did you kill her?”” ”

“““The reason for a love kill is often incomprehensible, but if you think about it carefully, it’s reasonable. For example ...”” Zhao Yu rubbed his chin.””Pan Suxi loved Zhu Yundi deeply, but Zhu Yundi didn’t take their relationship seriously. Then, they had a conflict ... ”

“““You must know that if pan Suxi was abandoned, she wouldn’t just lose her feelings, she would lose everything ... ”

“““So, I won’t let anyone else get what I can’t get, so ...”” He said. ”

“““Your thoughts are so dirty ... Have you watched too many TV shows?”” Miao Ying asked,””if there was something wrong with their relationship, why did Zhu Yundi bring pan Suxi on the ship?”” ”

“““Our relationship may be broken, but our business is still there!”” Zhao Yu said,””maybe Zhu Yundi needs pan Suxi to help her with her business?” ”

“““You see, I’m not just making a random guess,”” Zhao Yu said, gesturing.””If they were so close, then at night, shouldn’t they be in the same room?” ”

“““But, pan Suxi didn’t go to the VIP area the entire night. Don’t you think that’s a little unusual?”” ”

“““Hmm ... Alright!”” Miao Ying spread her hands and said mysteriously,””Zhao Yu, I have a way to prove your guess right!”” ”

“““Oh?”” Zhao Yu was surprised.””What way?”” Should we go and ask pan Suxi directly?”” ”

## Chapter 2213: Jinx mouth

“““You see, Zhu Yundi would only open the door without any warning when pan Suxi knocks on the door, right?”” Zhao Yu insisted on his theory,””only pan Suxi knows Zhu Yundi, knows that she has the universal Card, and knows the purpose of Zhu Yundi’s cruise party ...”” ”

“Just as Zhao Yu was speaking, Miao Ying was clicking her mouse, as if she was searching for something. ”

“Finally, after Zhao Yu finished his explanation, Miao Ying found what she was looking for. ”

“““Here, take a look for yourself!”” Miao Ying turned the computer screen to Zhao Yu and said,””this was captured from the surveillance video on the cruise ship!”” ”

“““This ...”” Zhao Yu took a closer look and suddenly understood what Miao Ying meant. ”

“He didn’t expect that Miao Ying would be able to get a picture of Zhu Yundi and pan Suxi together through the cruise ship’s surveillance. From the surveillance camera, they could clearly see the two beautiful women making out by the pool, not at all hostile. ”

“““And this ...”” Miao Ying pulled up the video of the Tianqin group meeting in the auditorium.”“Look, when Zhu Yundi was hosting the meeting, he didn’t forget to make eyes with pan Suxi! How can this be the appearance of a broken relationship?”” ”

“““Oh ...”” Seeing the evidence, Zhao Yu had to give up his insistence, nodded, and said,““it seems that it’s not because of feelings!”” ”

“““It’s not just about feelings,”” Miao Ying said seriously.”“We can’t ignore an undeniable fact. The surveillance camera clearly showed that pan Suxi didn’t go to the VIP area that night. We checked the surveillance video, and no one did anything to her!” ”

“““Also, we’ve checked pan Suxi’s phone and seen her chat history with Zhu Yundi. She was indeed working hard for the video conference with the United States, so she didn’t have time to go to the VIP area to meet Zhu Yundi!”” ”

“““Right!”” Zhao Yu nodded and said,““their chat history was also filled with ambiguous words, so there was no problem with their relationship ... ”

“““Tsk, tsk ... That’s strange! Who is the person who pushed Zhu Yundi into the sea?”” ”

“““Zhao Yu,”” seeing Zhao Yu’s frown, miss Miao gently said,““you didn’t sleep last night, and you didn’t rest today either. So, according to the rules, you must have a good sleep today!”” ”

“““We’ll talk about Zhu Yundi after you’ve had a good rest tomorrow!”” ”

“““That’s impossible!”” However, Zhao Yu did not listen to her advice at all. He said stubbornly,““there are so many clues, so many surveillance videos, so many eavesdropping recordings, and the truth is clearly in front of us, so why can’t we figure it out?”” ”

“““Here we go again,”” Miao Ying comforted him.”“You’re the experienced detective Zhao. What kind of difficult cases have you not seen?”” Don’t you know that having more clues isn’t necessarily a good thing?”” ”

“““Right ... These words ... Are very true!”” Zhao Yu pondered seriously.”“The flowers are mesmerizing. It seems that I have been distracted by a lot of useless clues!”” ”

“““Fine!”” Miss Miao wiped her sweat.”“What I meant was for you to rest early! You’re so close to me, I’m worried I’ll pass the cold to you!”” ”

“““Don’t worry!”” Zhao Yu patted miss Miao’s hand.”“I, Zhao Yu, am very strong and immune to poison. Hehe ... ”” ”

.....

“““Achoo ...”” ”

“The next morning, Zhao Yu was wrapped in a blanket and sneezed loudly. ”

“”””What did I say? What did I say?””” Miao Ying was holding a cup of steaming indigowoad root, as she handed it to Zhao Yu and said,“”””one can’t speak too slowly. See, it came true so quickly?””” ”

“Zhao Yu didn’t have time to take his medicine. He quickly wiped his snot with tissue paper and sighed,“”””I’ll really have to remember this lesson!””” It’s all my fault for having such a foul mouth, I actually forgot that my jinx mouth was blessed! Achoo ...””” ”

“”””Hehe, I think you ...””” Miao Ying grinned.“”””Seem to be more seriously ill than me! Have you taken her temperature?””” ”

“”””Oh, I’m done ...””” ”

“Zhao Yu took out the thermometer from under his armpit. Miss Miao took it and looked at it. She suddenly looked worried.“”””Aiya, it’s 38.2 degrees, you have a fever! We have to hurry to the infirmary to have a look. If it doesn’t work, I’ll give you an injection too!””” ”

“”””No need, no need,””” Zhao Yu quickly waved his hand,“”””this is just a small fever, hehe ...””” ”

“Seeing Zhao Yu’s awkward smile, Miao Ying grinned and mumbled,“”””””””Look at your expression, you seem to be afraid of needles!””” ”

“”””Don’t mess around,””” Zhao Yu said as he finished the indigowoad root in one gulp.“”””I’m a famous detective. I don’t even frown when I break my arms and legs, so why would I be afraid of injections? I just don’t think it’s necessary ...””” ”

“”””You’re too much!””” Miao Ying shook her head and sighed.“”””I told you not to waste your time and get some rest. Why did you stay up all night again?””” ”

“”””No... No...””” Zhao Yu put down his cup and said,“”””I slept for a while after midnight!””” ”

“”””You! “”””What should I say about you ...””” Miao Ying said, concerned.“”””Every time you’re on a case, you’re like a chicken on steroids. You don’t care about anything else!””” ”

“”””Don’t talk about me,””” Zhao Yu laughed,“”””you’re not any worse than me. Back then, in order to be able to participate in the mianling case, you were even specially transferred to our branch! Ah ... Ah ... Achoo ...””” ”

“”””Hehe,””” miss Miao couldn’t help but smile.“”””If I hadn’t been transferred to the rongyang branch, I wouldn’t have met you!””” Let’s go, follow me to the infirmary now ...””” ”

“”””No, wait, wait ...””” Zhao Yu quickly packed up the information and said,“”””I think we should still study the case!””” ”

“”””What’s wrong?””” Miao Ying’s eyes lit up.“”””You found an important clue?””” ”

“”””No, I didn’t!””” Zhao Yu said frankly,“”””it’s precisely because I haven’t found any clues that I’m more eager to solve the case! Last night, I carefully sifted through all the clues again, trying to get rid of the things that blocked my vision, but can you guess what happened?””” ”

“”””What’s wrong?””” Miao Ying was even more curious. ”

“““I actually didn’t remove anything,”” Zhao Yu said, frowning.””This feeling is really strange. I’ve never encountered this kind of situation before!”” ”

“““Nothing was removed?”” Miao Ying thought about it for a moment, then asked,””you mean, those clues are all useful?”” ”

“““Whether it’s the video or the voice recording, or all the witnesses and evidence, or the framing, all of them seem to have nothing to do with the case, but when you think about it carefully, they all seem to be related to the case! ”

“““Here ...”” Zhao Yu opened a video and said,””this case seems to be full of loopholes, but after careful consideration, I found that it was perfect! ”

“““Could it be that we really encountered A Perfect Murder case? Ah ... Ah ... Achoo ...”” ”

“““I don’t know if it’s perfect or not,”” miss Miao said, narrowing her eyes.””But if you don’t go to the doctor, I’m going to lose my temper!”” Let’s go!”” ”

“Then, Miao Ying pulled Zhao Yu, trying to pull him up from the chair. ”

“Zhao Yu struggled for a moment, and in his hurry, someone’s hand touched the computer keyboard. A video that had stopped playing on the computer screen suddenly started playing. ”

“This video had been taken when Zhao Yu was discussing the case with pan Suxi, Qi Jianhua, and bi Guosheng. ”

“In the video, pan Suxi and Qi Jianhua were having an argument because pan Suxi suspected that Qi Jianhua was also a murderer. ”

Ka!

“Seeing the video play, Zhao Yu immediately hit the keyboard to stop it, then said to Miao Ying,””“““Alright, alright, alright, I’ll go with you! It’s just an injection ...”” ”

“““Mm, that’s more like it. Come, it’s windy outside.”” Miao Ying took Zhao Yu’s coat and said,””put this on ...”” ”

“““Eh?”” Just as Miao Ying was putting a jacket on Zhao Yu, Zhao Yu suddenly exclaimed as if he had been electrocuted. He then ran back to the computer and played the video again. ”

“Looking at his sparkling eyes, he seemed to have found something important ... ”

Chapter 2214: Chapter 2211-old friend

“““What’s wrong?”” Miao Ying noticed Zhao Yu’s strange behavior and asked immediately. ”

“““Ah ... Ah ... Achoo ...”” Zhao Yu sneezed first, then covered his nose with tissue paper and said,””it seems ... A little wrong?”” ”

“““Oh?”” Miao Ying leaned forward and watched the video of pan Suxi and Qi Jianhua arguing. She asked curiously,“““what’s wrong?”” Why can’t I tell?”” ”

“““Mm ... Look ...”” Zhao Yu slowed down the video and muttered,“““at that time, I asked them who Zhu Yundi could trust and who could knock on Zhu Yundi’s door and make Zhu Yundi open the door without any warning, right?”” ”

“““Yeah?”” Miao Ying was even more confused. ”

“““After that, pan Suxi started to suspect Qi Jianhua. Is that considered a question?”” ”

“““Problem?”” Miao Ying thought about it for a while and seemed to have realized something.“““Do you think that pan Suxi shouldn’t have suspected Qi Jianhua?”” she asked. ”

“““No!”” Zhao Yu shook his head.“““I mean, why would pan Suxi think that Qi Jianhua would be someone that Zhu Yundi could trust?”” ”

“““Oh ...”” Miao Ying frowned.“““I see. I really didn’t think of that!”” ”

“““Look, Zhu Yundi told me that she had just bought this cruise ship for the development of her company! “““But ...”” Zhao Yu raised his doubts,“““Qi Jianhua said that he had been working on this cruise for many years. So ... Is there a contradiction here?”” ”

“““Indeed ... The cruise ship was just bought, and as the Cruise’s general manager, Qi Jianhua should also ... Um ...”” Miao Ying asked.“““Could it be that Zhu Yundi and Qi Jianhua were friends before?”” ”

“““The Tianqin group bought this cruise because of Qi Jianhua? This ... Seems to be reasonable, right?”” ”

“““Qi Jianhua just became Zhu Yundi’s employee ...”” Zhao Yu analyzed the situation seriously, shaking his head.“““But, the key is that pan Suxi’s attitude is very firm! ”

“““She suspected Qi Jianhua almost immediately. In her opinion, the relationship between Qi Jianhua and Zhu Yundi should not be that simple, right?”” ”

“““Actually,”” Miao Ying said,“““it’s very easy to find out the truth! We just need to find pan Suxi and ask her, and we’ll be able to figure it out!”” ”

“““Achoo ...”” Zhao Yu sneezed again.“““I think we can ask pan Suxi. With the case at this point, we need to dig deeper!”” ”

“““I think,”” miss Miao said,“““we’d better get an injection first, and then go to pan Suxi!”” ”

“““Don’t drag this out,”” Zhao Yu said, waving his hand.“““According to the development of the TV plot, when we find important witnesses, the witnesses will all be in trouble! It’s better to be careful, hurry ...”” ”

“““Why do I feel like ...”” Miao Ying narrowed her eyes again,“““you’re afraid of injections?”” ”

.....

“15 minutes later, Zhao Yu and Zhao Yu found pan Suxi in the dining room, who was enjoying her breakfast.”

“The legendary TV drama plot did not happen. The female secretary was still alive and well. However, the breakfast in front of her face was almost untouched. The girl obviously had no appetite.”

“When Zhao Yu and Miao Ying sat in front of her, before they could speak, pan Suxi asked anxiously, ““““Officers, do you have any clues?”” ”

““““Mm ...”” Zhao Yu blocked his nose with a tissue and asked directly, ““““keep your voice down, I have a few questions for you!”” ”

“While Zhao Yu was asking, Miao Ying looked around alertly. Luckily, there were not many people in the restaurant, so no one was paying attention to them.”

““““Oh, go ahead!”” Pan Suxi said in a daze, ““““as long as I can help you find the murderer, I won’t hide anything from you!”” ”

Zhao Yu saw that pan Suxi’s eyes were puffy. It was obvious that she had been crying a lot last night.

““““How’s the relationship between Qi Jianhua and Zhu Yundi?”” Zhao Yu went straight to the point, ““““why would you say that he is someone that Zhu Yundi trusts?”” ”

““““Ah?”” Pan Suxi was shocked. ‘It’s him? Is it really him?’” ”

““““Don’t talk nonsense, shush ... Achoo ...”” Zhao Yu covered his nose, but couldn’t help but sneeze.”

““““Eh ... You’ve caught a cold, right?”” Pan Suxi said in a concerned tone, ““““you have to take care of your health. If you can’t take it, go get an IV drip!”” ”

““““Don’t make wild guesses,”” Miao Ying said. ““““We’re just investigating. Everyone is a suspect!”” ”

““““Oh ... Of course, Qi Jianhua is on good terms with director Zhu. He’s the General Manager of the cruise ship, after all!”” Pan Suxi said, ““““moreover, he’s an old friend of President Zhu. Of course, he’s trustworthy!”” ”

““““Old friend?”” Zhao Yu quickly asked, ““““are you old friends, classmates, or business partners?”” ”

““““Well ... Maybe it’s a business deal?”” Pan Suxi said, ““““I’ve seen them many times since I started working for chief Zhu. They would eat and chat together and listen to their conversations. They seemed to be very close ...”” ”

““““The Tianqin group buying this cruise,”” Zhao Yu asked again, ““““could it be related to Qi Jianhua?”” ”

““““It can’t be?”” Pan Suxi pondered for a moment and answered carefully, ““““Qi Jianhua is only a manager. I don’t think ... He has that much power.”” ”

““““Officer, I’m confused. What do you want to know? Are you suspecting Qi Jianhua, or are you suspecting that there’s something wrong with this cruise?”” ”

Tsk tsk ...

Zhao Yu sneezed and looked at the woman in front of him.

“It had to be said that Pan Suxi’s sense of smell was very sensitive. In just a few sentences, she had already heard Zhao Yu’s intention. ”

“““Police officer,”” Pan Suxi continued,““I can’t guarantee anything else, but Qi Jianhua and our director Zhu definitely have no relationship problems. You know that our director Zhu is not interested in men at all!”” ”

“““Besides, Qi Jianhua looks ... Hehe ...”” ”

Pan Suxi’s meaning couldn’t be any more obvious. Qi Jianhua’s height and appearance had nothing to do with being handsome.

“““Then ... What about the cruise?”” Zhao Yu asked,““do you think there’s anything wrong with this cruise?”” ”

“““No, don’t you think that your question is a little puzzling? What could be wrong with the cruise ship?”” Pan Suxi spread out her hands, expressing that she couldn’t understand. ”

“““Pan Suxi,”” Zhao Yu said,““since Qi Jianhua and Zhu Yundi are old friends, then it must not be a coincidence that Zhu Yundi bought this cruise ship!” ”

“““If you really want me to find out the truth, then tell me everything you know about Qi Jianhua and the cruise ship!”” ”

“““This ... You’re scaring me!”” Pan Suxi’s face tensed up.““President Zhu, you’re buying the cruise ship because you want to enter the International cruise ship market and expand the Tianqin Group’s business. Is ... Is there a problem with that?”” ”

“““Director Zhu has always been a far-sighted person. Perhaps ... Perhaps Qi Jianhua was someone our director Zhu had arranged before? It was to better understand the commercial potential of the cruise ship, or, something else ... ”

“““If ... If you really want to know more about the cruise ship,”” Pan Suxi pondered for a moment, then reminded Zhao Yu,““you can ask Qi Jianhua himself. I’m sure Chief Zhu knows why he wants to buy this cruise ship. ”” ”

Chapter 2215: Chapter 2211-dense fog

“““Ah ... Achoo ...”” In the corridor, Zhao Yu couldn’t help but sneeze again. ”

“““Zhao Yu ...”” Miao Ying asked doubtfully,““isn’t it a little rash for us to go to Qi Jianhua so directly?”” ”

“““We have already informed Zeng Ke. Why don’t we wait for them to find out the details first? Do you think that this case is similar to the ghost king case, and that there was a commercial purpose after Zhu Yundi’s death?”” ”

“““Tour guide, tour guide ...”” Just as the two walked through the corridor, a tour group was gathering in the corridor. One of the tourists asked the tour guide,““wasn’t Nagasaki bombed by an atomic bomb?”” Will there be radiation?”” ”

“““Hehe, you don’t have to worry about that at all,”” a young and beautiful female guide replied.””The average life expectancy of Nagasaki is 84 years. Not only is there no radiation, but it is also a city with a long life!”” ”

“““That’s right,”” the tourist who thought he was wearing glasses echoed.””Back then, in order to shock their opponents, the Americans deliberately exaggerated the power of the atomic bomb, saying that the nuclear radiation would not dissipate even after 100 years. In fact, with the technology back then, they themselves did not know how powerful the atomic bomb was ...”” ”

“Hearing this conversation, Zhao Yu and Miao Ying then remembered that the cruise ship was about to dock at naki. All the tour groups on the cruise were ready to go to the city. ”

“““No,”” Zhao Yu said to Miao Ying,““I’m not going to question Qi Jianhua. Don’t you think there’s a more suitable person?”” ”

“““More suitable person? ””Oh ...”” Miao Ying pondered for a while, then finally caught up with Zhao Yu’s rhythm. ”

“A few minutes later, Zhao Yu arrived at the crew area. Under the lead of a few crew members, he entered a well-guarded small room. ”

“A prisoner was locked up in the room. It was sun Jinjian, who was suspected of murdering Zhu Xicheng! ”

“After all, sun Jinjian was the General Manager of the Tianqin group. If he wanted to understand the relationship between Zhu Yundi, Qi Jianhua, and the cruise ship, sun Jinjian was undoubtedly the most suitable person. ”

“Seeing Zhao Yu and Miao Ying’s sudden arrival, sun Jinjian was a little surprised. In just one day, sun Jinjian’s beard seemed to have grown a lot overnight, and he looked extremely disheveled. ”

“Zhao Yu didn’t waste time with him, but directly told him the purpose of his visit. ”

“““A cruise ship?”” Sun Jinjian was taken aback at first, then he replied,““as for cruise ships, our company has been paying attention to them in the past ... Actually, we’ve already wanted to enter the cruise industry since the era of Zhu Xicheng! ”

“““Zhu Xicheng and his sister have been in contact with many tycoons in the cruising world for a long time. I think it should be normal for them to know Qi Jianhua, right? ”

“““What’s wrong?”” Sun Jinjian suddenly realized something, and his expression changed slightly.””Police officer, you mean ... Zhu Yundi’s fall into the sea had something to do with Qi Jianhua?”” ”

“““Yes.”” This time, Zhao Yu didn’t refute her, but asked,““what else do you know about this person?”” ”

“Well ...” Sun Jinjian was very cooperative. He immediately recalled seriously and said, “I met Qi Jianhua a long time ago. He had a good relationship with the Zhu siblings, but I don’t know what their relationship was exactly!”

“But ...” Sun Jinjian said with uncertainty, “it’s not just Qi Jianhua. The siblings have a good relationship with Zhou. I feel like they have some secret that they don’t want others to know. They are more cautious every time they meet ...”

“Oh? Zhou?” “Who’s Zhou?” Zhao Yu asked. ”

“JOP,” sun Jinjian said. “The former boss of the sky King was the chairman of a joint company from China, Japan, and Korea. He was Qi Jianhua’s direct superior!”

“JOP?” Zhao Yu was stunned. He had not noticed this person before.

“He’s of mixed blood, and his father seems to be a Philippines. I’m not sure about the details, but ...” Sun Jinjian thought for a moment, then said, “I have a feeling that when this JOP met with the Zhu siblings, he didn’t seem to be in a cooperative relationship. He bowed his head and bowed his waist. That feeling ... It was as if JOP was asking for a favor from the Zhu siblings ...”

“Or maybe I’m overthinking it,” sun Jinjian said. “Although JOP’s company is a multinational company, their cruise business is not doing well. I’m thinking that with the Zhu siblings ‘means, do they have something on JOP?’”

“JOP ...” Zhao Yu mumbled to himself, then asked, “is this person on the cruise?”

“No... He didn’t see it ...” Sun Jinjian replied. “Our company has already bought the cruise ship. He has nothing to do with it, right?”

“It’s quite embarrassing, but regarding this acquisition,” sun Jinjian said again, “as the General Manager, I had no idea! In fact, I don’t even know the exact price ...”

It was actually like this ...

“Zhao Yu furrowed his brows. He felt that behind Zhu Yundi’s fall into the sea, there might be something more important!”

“Sun Jinjian,” Zhao Yu said seriously, “tell me the truth, did the Tianqin group participate in any illegal activities?”

“This ...” Sun Jinjian’s face tensed up, and he quickly said, “I admit that the Zhu siblings ‘actions were indeed a lot immoral, but at least ... At least the business that I know of was clean!”

“During my time as the General Manager, I may have done something against the rules, but I have never done anything against the law ...”

“Think about it again ...” Zhao Yu said. “You’re so smart, haven’t you noticed anything unusual?”

“How ... How do I explain this?” Sun Jinjian said helplessly, “the Tianqin group belongs to the Zhu family. There are many things that they don’t need me to know about. I’m an outsider, so I don’t dare to interfere!”

“““To be honest, I do think that the Zhu siblings have a lot of unspeakable secrets. However, the company is doing well and it doesn’t affect my interests. Why should I ask for trouble?”” ”

Hmm ...

Zhao Yu and Miao Ying looked at each other and exchanged their opinions.

“After that, they asked sun Jinjian a few more questions before leaving the house. ”

“““Zhao Yu,”” when the two of them came to a place with no one else around, Miao Ying said nervously,””it seems that Zhu Yundi is not a simple person! The murderer handled it so professionally. Perhaps she provoked something ...”” ”

“““Tsk tsk ...”” Zhao Yu pouted and said,””I think so too, but there are some things that don’t make sense. For example, why would the murderer want to frame Guan xiujie?”” ”

“““I think ...”” Miao Ying analyzed,””that the Tianqin group is obviously suspicious! Our top priority now is to figure out Zhu Yundi’s purpose in buying the cruise ship. If it’s really for the company’s development, why did she bypass sun Jinjian?”” ”

“““Yes,”” Zhao Yu said.””I think we have to play our cards with Qi Jianhua and see what he has to say! ”

“““The day I wreaked havoc at the casino, Zhu Yundi and Qi Jianhua appeared together. At that time, I felt that their relationship was a little unusual! ”

“““So, even if Qi Jianhua had nothing to do with Zhu Yundi’s fall into the sea, he should know something ...”” ”

Chapter 2216: Chapter 2211-sudden incident

“““What? It disappeared? Are you kidding me?”” When Zhao Yu and Miao Ying asked one of the staff members, they received an unexpected piece of news. ”

“““Damn it!”” Miao Ying turned her phone to Zhao Yu.””I can’t get through to your phone either!”” ”

“““Detective Zhao, we’re looking for him as well,”” the staff answered.””But manager Qi isn’t in his room. We don’t know where he went!”” ”

“Hearing this news, Zhao Yu’s heart tightened, and his eyes revealed a strange look. ”

It was obvious that he was worried that Qi Jianhua had already run away!

“““This isn’t a joke, hurry!”” ““Hurry up!”” Zhao Yu said to the staff,””hurry up and get your people to find your manager Qi!”” ”

“““I ... I’ve already done that,”” the staff member replied.””I’ve informed all the service staff on the cruise through the walkie-talkie. If they find manager Qi, they will definitely reply!”” ”

“““How long has it been since you sent out the notice?”” Zhao Yu asked. ”

“““No... Don't force me ...”” Bi Guosheng said worriedly.”“I've been the captain for more than 20 years, and I've never once sealed off the cruise ship. How about this?”” ”

“““At most ... I'll inform the control room and have them delay for a while, but ... It really can't be too long!”” ”

“““Tsk tsk ...”” Zhao Yu pouted helplessly, but there was nothing he could do. ”

“After that, the two of them could only pick up their pace. They took the elevator and passed through several floors before finally arriving at Qi Jianhua's room. ”

“At that moment, a service staff was notified in advance and opened Qi Jianhua's room with a spare key. ”

He saw that Qi Jianhua's room was very clean and there was nothing unusual about it.

“However, due to inertia, after Zhao Yu and bi Guosheng entered the room, the first thing they did was to run to the balcony to check. ”

“““No, no...”” The Italian grabbed his hair with both hands.”“I actually forgot that old Qi's room was not under the sea, but on the second deck!”” He said. ”

“““He can't be like Zhu Yundi, who was pushed into the sea!”” ”

“Zhao Yu looked down from the balcony and saw that it was indeed facing the deck. If one fell from here, they would only land on the deck. ”

“So, Zhao Yu quickly turned around and observed Qi Jianhua's room. With just a glance, he found the problem. ”

“““F \* ck!”” Zhao Yu pointed to the bed in the room and said,”“the blanket and mattress were not touched, which means that Qi Jianhua most likely did not return to his room last night!”” ”

“““It can't be?”” Bi Guosheng was even more anxious.”“Last night ... He didn't drink too much last night!”” It's broken!”” He suddenly thought of something and said hurriedly,”“if the murderer wanted to kill him like how he killed Zhu Yundi, could he have pushed him into the sea from somewhere else? ”

“““Did something really happen to old Qi?”” ”

“At the thought of this, bi Guosheng picked up the walkie-talkie and ordered his crew,”“““Explain to the dock that there's a problem with the extension channel. At least ... At least delay it for another 15 minutes!”” ”

“““But ... Captain ...”” He said. ”

“““No buts!”” ““Just do as I say!”” Bi Guosheng roared. ”

“““Oh, alright ...”” The other party hung up the walkie-talkie. ”

“““Phew ...”” The Italian looked at Zhao Yu for help.”“Great detective, what should we do next?”” ”

“““Achoo ...”” Zhao Yu almost sneezed on bi Guosheng’s face. He then covered his nose and said,““hurry, tell the surveillance room to start investigating after you and Qi Jianhua separated last night ...”” ”

“““Oh ...”” Bi Guosheng quickly turned on the walkie-talkie and followed Zhao Yu’s instructions. At the same time, he told the monitoring room the approximate time that he had parted with Qi Jianhua last night. ”

“““Also,”” Zhao Yu said,““regardless of whether he fell into the sea or not, hurry up and send people to search the remote corners along the way!”” ”

“““Oh, yes, yes, yes ...”” Bi Guosheng quickly conveyed Zhao Yu’s order to his crew. ”

“““Old bi,”” at this time, Zhao Yu stared at the Italian with his bloodshot eyes and asked,““tell me the truth, did Qi Jianhua and Zhu Yundi use this cruise to do anything illegal?”” ”

“““Ah? You ... What do you mean by this?”” Bi Guosheng turned pale with fright and shook his head like a rattle.““Don’t joke around, okay? Zhu Yundi just bought this cruise!” ”

“““Besides, what illegal activities can a cruise ship do? you won’t suspect that we’re using the cruise ship to smuggle, right?”” ”

“““You’re still playing dumb, right?”” Zhao Yu shouted,““if the two of them met with an accident because of the cruise ship’s illegal activities, aren’t you worried that you would be the next one?”” ”

“““Ah ...”” Bi Guosheng was so scared that his pulse was gone. His lips were trembling, and his face was pale.““You ... Why would you say that?”” ”

“““Hurry up and tell me, what kind of shady deal did your ex-boss, JOP, and Qi Jianhua have with Zhu Yundi?”” Zhao Yu shouted,““if you tell me, I might be able to save your life!”” ”

## Chapter 2217: Eavesdropper

“““Guda tail gas, hasmusweifu ...”” In a moment of desperation, bi Guosheng blurted out a long string of foreign words. He only reacted after a few seconds and quickly repeated it in Chinese,““my God, what kind of language are you speaking!” ”

“““I’m just a Captain. It doesn’t matter if it’s JOP, Zhu Yundi, or Qi Jianhua. How would I know what kind of shady business they have?” ”

“““Even if they did, they wouldn’t have told me ...”” ”

“““You ...”” Zhao Yu pondered for a moment, then asked,““How long have you been driving this cruise?”” ”

“““Me? ““Hmm ...”” Bi Guosheng counted with his fingers and replied,““two times in total, including this time!”” I used to run the Neptune, and the captain of this cruise, cansaway, unfortunately got into a car accident. I was a temporary replacement ...”” ”

“““A car accident?”” Zhao Yu suddenly realized something was wrong. ”

“““Yes, he had a car accident,”” the Italy said.”“We used to work in the same company. I also attended his funeral!”” ”

“““What? He’s dead?”” Zhao Yu thought. ”

“How could there be such a coincidence? The previous Captain of the Heavenly King had a car accident? And this time, something happened to Zhu Yundi and Qi Jianhua one after another? ”

What was this ...

Eh?

“All of a sudden, Zhao Yu felt something strange. He realized that the invisible detector that he had been using had detected something unusual. ”

“He hurriedly looked into his mind, and his heart trembled. ”

He had never expected that the detector would actually detect a listening device on bi Guosheng!

This ...

Zhao Yu looked at the target and realized that the listening device had been placed in bi Guosheng’s right pocket.

No way?

Could it be that ... There was something wrong with this foreigner too?

No...

“Zhao Yu’s reaction was extremely fast. In just a few seconds, he had already realized that if bi Guosheng had really planted the bug, then the pocket was obviously not a suitable place. ”

“This was because if a bug was placed in one’s pocket, it would seriously affect the effect of eavesdropping. ”

“Since the bug had appeared in his pocket, there was an 80% chance that someone had placed it in him. Someone wanted to use bi Guosheng to eavesdrop on secret information! ”

What the ...

“Zhao Yu felt a chill run down his spine. He carefully recalled that, ever since Zhu Yundi’s accident, he had been using the invisible detector. ”

“Therefore, he was very sure that bi Guosheng did not carry a listening device with him before this. It was very likely that someone had put this listening device in his pocket not long ago. ”

This meant that someone was secretly monitoring their every move ...

“““Detective Zhao, are you alright?”” Bi Guosheng interrupted Zhao Yu’s train of thought and asked curiously,”“you didn’t think that cansaway’s car accident wasn’t an accident, did you?”” ”

““Then ...”” Zhao Yu wanted to remove the bug immediately, but he suddenly had an idea, so he simply asked,““tell me about JOP!”” What kind of person is he?”” ”

““Zhou!”” Bi Guosheng scratched his head.““The big boss of the company comes and goes every day. I don’t think we’re that close!”” He had only heard rumors that Zhou liked to spend money like water, but it was normal for such a shipping tycoon! ”

““If there weren’t any scandals, he wouldn’t be called a shipping tycoon, would he?”” ”

“Just as bi Guosheng was explaining, Zhao Yu had already sent him a message on his mobile phone. ”

““Continue talking, don’t stop! You’re wearing a listening device, so do as I say ...”” ”

““... ”” After reading Zhao Yu’s message, bi Guosheng felt embarrassed. He subconsciously reached into his pocket, but Zhao Yu grabbed him. ”

““Hurry up and tell me the truth!”” Zhao Yu pretended to ask,““is the JOP’s background not very clean? You must have participated in many illegal activities, right?”” ”

““This ... This ...”” Bi Guosheng finally understood what Zhao Yu meant, and immediately began to explain,““yes, I have indeed heard of it, but I have never seen it with my own eyes! ”

““Although I’m not the boss anymore, I can’t say bad things about him ...”” He said. ”

“Just as bi Guosheng was making up a story, Zhao Yu used his mobile phone to give him new instructions. ”

““Then ... Think about it,”” Zhao Yu pretended to be in a hurry.““You’re the captain, after all! Didn’t you notice anything strange about Qi Jianhua and Zhu Yundi after you got on the boat?”” ”

““Oh ... Oh ...”” After bi Guosheng saw the instructions, he nodded his head vigorously and said in surprise,““yes, now that you mention it, I really remember! ”

““I was just passing by that day. On Deck 2, I saw Qi Jianhua and Zhu Yundi mysteriously open a cabin! That’s the engine room, I think ...”” ”

““Is that so?”” Zhao Yu pretended to be surprised.““Why didn’t you tell me such important information earlier? Hurry ... Hurry up and take me there ...”” ”

““Oh ... Oh ...”” Bi Guosheng’s voice trembled. He was obviously terrified. ”

Zhao Yu comforted him and showed him the gun on his waist.

“Seeing that Zhao Yu had a gun, bi Guosheng finally calmed down and immediately ran to the second deck with Zhao Yu. ”

“In fact, this was what Zhao Yu had told him to say. The second deck was very close to them, so it didn’t take long for them to reach it. ”

“As most of the tourists were waiting to disembark, there was no one there. ”

““Where are you?”” Zhao Yu urged loudly. ”

“““Here, here ...”” Bi Guosheng pointed to a room and said,““we were in lifeboat 65. I remember it clearly. I’ve never been here before!”” ”

“Then, with Zhao Yu’s signal, the two of them rushed into a narrow corridor. ”

“Then, Zhao Yu hid at the first corner of the corridor and motioned for bi Guosheng to continue moving forward. ”

Bi Guosheng continued to move forward obediently and soon disappeared at the end of the corridor.

“In the end, the mysterious eavesdropper was fooled. Just as bi Guosheng disappeared, a person followed him in from the corridor without a sound! ”

“Seeing that bi Guosheng had already turned the corner, the man quickened his pace, completely ignoring Zhao Yu, who was hiding in the dark. ”

“When Zhao Yu saw the man, he didn’t care if he saw the man’s face or not. He immediately used the classic bull’s charge and ran straight into the man!”

“““Ah!”” The man was shocked, but Zhao Yu’s speed was so fast that he couldn’t Dodge in time. He was suddenly hit hard against the wall! ”

“However, the man was not easy to deal with. As soon as he saw that he had been knocked down, he immediately tried to trip Zhao Yu, ignoring the pain in his body. ”

“However, his foot was stuck out halfway when he had to stop in midair. At the same time, he slowly raised his hands. ”

“Zhao Yu had already aimed the gun at his head. If he dared to move, he would be shot in the head! ”

“““Damn it, I finally caught you!”” Zhao Yu aimed his gun at the person. He then saw that the person was wearing a denim jacket and a cap. Judging from the figure, it was actually a woman! ”

No... No way?

“Suddenly, Zhao Yu seemed to have thought of something, but when he took off the man’s hat, he was stunned. ”

“This was because the eavesdropper was not only a woman, but also a woman that Zhao Yu was very familiar with! ”

“““Xi menna!”” Zhao Yu grinned and exclaimed,““damn, it’s you!”” ”

Chapter 2218: Chapter 2214-accident

“Before this, Zhao Yu had thought that since you SUFU and the others were determined to get Xi Wei’s treasure, they would definitely not let go of the cruise ship as a clue, and would also send people to look for it. ”

“Hence, when he was investigating the surveillance cameras on the cruise, Zhao Yu specifically asked his men to pay attention to any traces of you SUFU and his men.”

“However, Zhao Yu had never expected that Yu SUFU would actually send Xi Mengna to the cruise ship.”

“One had to know that Xi Mengna had only been forcefully rescued by you SUFU. Logically speaking, in such a short period of time, you SUFU would definitely be on guard against her. Why would he send her on such an important mission?”

It wouldn't be too surprising if the woman in front of him was amiola ...

“However, thinking of this, it also raised Zhao Yu's suspicion. Maybe, amilora was also on the cruise!”

“At that very moment, Xi Mengna was staring at Zhao Yu with eyes full of resentment, as if Zhao Yu had done something to her before.”

There was a white communication device on Xi menna's ear. It was obvious that she was the one who had bugged bi Guosheng's pocket.

“Zhao Yu touched his body. Because he was on a special mission, he only had a pistol with him, but he wasn't handcuffed.”

“However, just as Zhao Yu was thinking about how to start the conversation with Xi menna, a man in a white chef's suit suddenly ran over from the side of the corridor.”

““Hey, what are you guys doing? What happened?”” The man ran very fast, and in the blink of an eye, he was in front of Zhao Yu. But, when he saw the gun in Zhao Yu's hand, he suddenly looked surprised.”

“Zhao Yu glanced at him and saw that the man was also a foreigner with a high nose bridge. From his dress, he should be the chef on the cruise.”

““Ah ... You ... You're ...”” The chef was so scared that he grinned.”

““Get lost!”” Zhao Yu tilted his head and said one word.”

““Yes, yes, yes!”” The foreigner was so scared that he was sweating profusely. He quickly ran through the corridor and ran behind Zhao Yu.”

Eh?

“Just as the man was running, the alert Zhao Yu suddenly noticed something. When the man opened the White hexagram, he saw that the man was wearing a pair of leather shoes!”

This can't be right?

Did the chef wear leather shoes?

Not good!

“Suddenly, Zhao Yu realized something. He quickly turned his gun and aimed at the foreigner.”

“However, the foreigner took the opportunity to grab Zhao Yu and hold of his gun!”

Zhao Yu was shocked and struggled!

“At the same time, Xi Mengna suddenly stood up from the ground and used her long legs to attack Zhao Yu!”

“However, in the midst of the crisis, an accident happened. Although the foreigner had already pressed on Zhao Yu’s gun, Zhao Yu was still able to pull the trigger.”

“In the end, with a bang, the bullet from close range hit Xi menna in her lower abdomen!”

“““Oh ...”” Xi menna cried out in shock and immediately fell to the ground.”

“““Ah?”” Zhao Yu and the foreigner behind him exclaimed at the same time. The foreigner quickly pulled Zhao Yu and tried to force Zhao Yu to aim at him.”

“Xi Mengna was an important witness, so Zhao Yu obviously didn’t want to shoot her to death. Seeing the foreigner pulling him, Zhao Yu used the opportunity to slam his back against the wall of the corridor.”

“With a loud thud, the foreigner was hit hard against the wall. However, the man had obviously been trained, as such a heavy blow did not affect him at all. He was still entangled with Zhao Yu.”

“The foreigner was very strong. After spinning a few rounds with Zhao Yu in his arms, he looked like he was about to snatch Zhao Yu’s pistol away.”

“““Hey, stop! Stop!”” At that moment, another accident happened. At the other end of the corridor, the captain of the ship, bi Guosheng, suddenly returned. He pointed at the foreigner behind Zhao Yu and shouted,““are you crazy? Stop!”” ”

It turned out that bi Guosheng had thought that the foreigner was really a chef on the ship when he saw him wearing a chef’s uniform! He immediately ran back and ordered him to stop.

“In the end, the foreigner pressed the pistol hard, and the bullet shot out again, hitting the cabin wall beside bi Guosheng!”

“““Oh my God!”” Bi Guosheng was so scared that he jumped up on the spot and quickly turned to run away.”

“However, the bullets continued to shoot out. After hitting the cabin wall one after another, one bullet finally rebounded and hit bi Guosheng’s hip!”

“““Ah ...”” Bi Guosheng fell flat on his face and howled in pain ... ”

“““Ah? Motherf \* cker!”” Zhao Yu saw that bi Guosheng had been shot, so he roared angrily and once again pushed the foreigner behind him against the wall.”

“However, the foreigner was obviously an expert. Just as Zhao Yu was about to exert his strength, he suddenly let go and turned around, causing Zhao Yu’s back to hit the heavy cabin wall!”

“At the same time, he raised his leg and kicked Zhao Yu’s waist.”

“““I’ll cut!”” Zhao Yu realized that the other party was up to no good, so he immediately controlled his body and used his arm to block the attack. ”

“In the end, the foreigner’s foot lifted up and accurately lifted Zhao Yu’s wrist. Zhao Yu’s wrist loosened, and the gun flew out. ”

Da La La ...

The phone fell right beside Xi menna ...

“““Ah?”” Zhao Yu was shocked and gave chase, but the foreigner wouldn’t let Zhao Yu succeed. He immediately rushed forward and fought with Zhao Yu. ”

“““Oh ...”” At that moment, Xi menena’s lower abdomen was already soaked in blood. She was helplessly pressing on the wound, but she did not expect Zhao Yu’s gun to suddenly fly to her side. ”

“In a moment of desperation, she picked up the gun and aimed it at Zhao Yu, who was fighting with the foreigners. ”

“But, with the gun pointed at Zhao Yu, she couldn’t pull the trigger. ”

“““Hurry, hurry up and shoot!”” Seeing this, the foreigner quickly separated from Zhao Yu, wanting to let Xi Mengna shoot Zhao Yu. ”

“However, Xi menna was clearly in deep hesitation. She held the gun for a long time, but not a single bullet was fired. ”

“““Waya!”” Zhao Yu didn’t care. He had already put on an invisible bullet proof suit. He didn’t care if Xi menna had fired or not. He immediately charged forward and fought with the foreigner again! ”

“This time, the foreigner was obviously feeling guilty. Although he was slightly better than Zhao Yu in terms of martial arts, the current situation was obviously not in his favor. ”

“So, after fighting with Zhao Yu for a few rounds, he didn’t dare to continue fighting, but turned and ran towards the corridor. ”

Zhao Yu naturally couldn’t let him escape. He ignored Xi Mengna’s gun and immediately chased after the foreigner.

“In the end, an accident happened. ”

“The foreigner had just reached the end of the corridor and was about to rush out to the deck. However, just as he was about to rush out, he suddenly saw a long leg kick him in the chest like a whirlwind! ”

“““Ah!”” The foreigner screamed and fell to the ground face up. Blood even came out of the corner of his mouth. ”

“However, this person had received professional training. Even though he was injured, he still rolled on the ground and stood up. ”

“When he stood up, he saw a beautiful woman at the end of the corridor. It was Miao Ying! ”

“At the same time, Zhao Yu had caught up to the man. He and Miao Ying blocked the corridor. ”

""Ah?"" "

"The foreigner was nervous at first, but when he saw that he had no way out, he raised his fist, ready to fight Zhao Yu and Miao Ying. "

"However, he only gestured for two to three seconds before he obediently held his head with his hands and squatted on the ground. "

"Because Miao Ying was not fighting alone. She also had a pistol on her, and the black muzzle was already pointed at the man ... "

Chapter 2219: Chapter 2214-telepathy

""Hurry, hurry, hurry ..."" "

"Under the urging of a crew member, the medical staff helped the injured Xi menna and bi Guosheng onto the stretcher. "

"Bi Guosheng was obviously fine. He was still shouting, ""be gentle, be gentle ..."" "

"However, Xi menna's condition was clearly not good. She had already fallen into a state of shock and needed urgent treatment. "

"Although Zhao Yu had already given her an invisible hemostat, the bullet still remained in her body. He didn't know where she was injured, and her life was in danger. "

""Captain, Captain ... It's a gunshot wound, a gunshot wound!"" A cruise doctor in a white coat shouted at bi Guosheng, ""we'd better contact nagashi's Hospital!"" He needs surgery!"" "

""Nonsense, isn't this just nonsense!"" ""Hurry up and contact them!"" Bi Guosheng shouted in exasperation. "

""But ... But ... The cruise ship is still waiting for your orders!"" "

""F \* ck!"" The Italy was anxious. ""Now that the suspect has been caught, go ashore! Go ashore!""  
Ouch ... Be gentler, you guys, it hurts ..."" "

""Don't move!"" At the same time, Miao Ying had gotten a rope from somewhere and tied the hands of the foreigner who was disguised as a chef behind his back. "

""Ah ... Ah ... Achoo ..."" Zhao Yu sneezed at an inappropriate time. The disgusting things that came out of his mouth and nose almost all landed on the foreigner's face! "

""Tell me ..."" Zhao Yu pressed the man against the wall and asked, ""where's Qi Jianhua?"" What did you guys do to him?"" "

""..."" In the end, the man gritted his teeth and didn't say a word. "

““F \* ck! Motherf \* cker!”” Zhao Yu raised his gun and pointed it at the man’s thigh.””If you don’t say anything, you’ll have to go to the hospital together!”” He roared. ”

Oh oh ...

“Seeing Zhao Yu pull out his gun, the crew members around him were frightened, and all of them retreated. ”

“The sudden retreat turned into ripples, causing the crew members carrying bi Guosheng to stagger. Bi Guosheng was knocked down from the stretcher and fell to the ground. ”

““Aiyu, Aiyu ...”” Bi Guosheng was on the verge of tears.””Do you guys want to quit?”” Are you taking this opportunity to take revenge on me?”” ”

The crew members were frightened and hurriedly carried bi Guosheng onto the stretcher.

“In front of so many people, Zhao Yu naturally couldn’t shoot without permission. ”

“The foreigner seemed to have seen through this, so no matter how Zhao Yu threatened him, he remained unmoved. ”

“However, just as the man was resisting silently, a Bell suddenly rang from his body. ”

“Hearing the bell, the man’s expression changed and his body tensed up. ”

“Zhao Yu’s eyes were wide open, and he quickly found an old mobile phone in his inner pocket. There was no caller ID on the phone. ”

“At first, Zhao Yu wanted to ask the foreigner to answer the call, but after thinking for a while, he decided to answer it. ”

“An old but powerful voice came from the other end of the phone. However, the voice was not in Chinese or English, but Arabic. ”

“Hearing this familiar voice, Zhao Yu already had a plan in mind. He immediately turned on his real-time translator and greeted the person,”” ”

““Two mu laikun, I didn’t expect to meet you so soon, my Lord chief!”” ”

““... ”” Hearing Zhao Yu’s voice, the phone was dead silent. It was silent for more than ten seconds before chief Yusoff replied,””Oh ... It seems that the person I chose is still not good enough!”” ”

““It’s not that your people are not good enough, but I’m too outstanding!”” Zhao Yu said,””now, do you regret not killing me at the reservoir in Korea?”” ”

Zhao Yu walked to a quiet corner with his phone in his hand.

“Miao Ying was worried that the foreigner would take the opportunity to escape, so she didn’t come with Zhao Yu. Instead, she held the foreigner down and waited outside. ”

““Hmm ...”” You SUFU hesitated for a moment before asking,””are my people alright?”” Don’t make things difficult for them! You’re Miao kun’s son-in-law, so I won’t touch you no matter how big our conflict is!”” ”

“““Okay, that sounds nice,”” Zhao Yu said.”“Tell me, who else did you arrange for the cruise?”” ”

“““No more!”” You SUFU spoke bluntly,”“I only asked him to find out the situation. His background is very clean. There’s no point in making things difficult for him!”” ”

“““You old man,”” Zhao Yu smiled,”“you never draft your lies! Do you know why neither of them picked up your call? I’ve already killed the two of them. If you had told me earlier, would it have turned out like this?”” ”

“““You ...”” Yusufu was stunned for a few seconds before she reacted.”“It seems like you didn’t plan for this either. Amiola is right beside me!”” ”

“““Besides, you and Xi menna are destined to be together. You can’t possibly shoot her to death!”” ”

“““Wahaha ...”” ”

“““Hahaha ...”” ”

“The two of them laughed at the same time on the phone. One was crazy, and the other was perfunctory ... ”

“““I have a good idea,”” you SUFU said.”“Why don’t we work together?”” If we find Xi Wei’s treasure, we’ll split it in half?”” ”

“““Heh, we really have the same mind. We actually thought of the same thing!”” Zhao Yu said,”“you’re an individual, and I’m a team. Even if I wanted to work with you, I would have to get approval from the higher-ups! ”

“““How about this, can you at least show some sincerity? This way, I can apply to the higher-ups, right?”” ”

“““Sure, hehehe ...”” You SUFU’s laughter was filled with embarrassment.”“You don’t have to track this number. I’m in the middle East right now! Tell me, what do you want to know?”” ”

“““What do you think?”” Zhao Yu asked,”“what are you looking for on this cruise? You old man, you even dared to send Xi menna. You’re pretty confident!”” ”

“““Hahaha ...”” You SUFU laughed again and said,”“of course, I’m not worried about Xi Wei’s daughter! Don’t you think that she’s a hot potato? Now that I’ve been caught by you, it’s to my liking!”” ”

“““It’s a yam, okay?”” Zhao Yu squinted.”“Can’t you tell me the truth? An old man?”” ”

“““I’m telling the truth,”” you SUFU said.”“Tell your superior that if you don’t cooperate with me, I’ll release the news that you’ve captured Xi Wei’s daughter. Let’s see who’s at a disadvantage!”” ”

“““I’ll be honest with you. There’s someone even more powerful behind londee. They’ve been searching for any clues related to Xi Wei’s treasure without holding back!”” ”

“““F \* ck!”” Zhao Yu gritted his teeth.”“You’re so calculative. Luckily, I killed Xi menna with one shot! Otherwise, I’ll really fall into your trap ...”” ”

“““Don’t mess around, hehe ...”” You SUFU laughed unconfidently.”“You two made eyes at each other on wondrous trace Island, and you even kissed! Can you bear to ruthlessly destroy a flower?”” ”

“““It’s up to you to believe it!”” Zhao Yu said indifferently,”“I’ll send you the photo of her autopsy later! I think we should talk about the cooperation. Now can you tell me what you’re looking for on the cruise?”” ”

Chapter 2220: Don’t play tricks

“““Zhao Yu, aren’t you just asking the obvious?”” You SUFU said,”“what else can I find on the cruise? It must be the secret to Xi Wei’s treasure, right?”” ”

“““Then ... Did you guys find anything?”” Zhao Yu asked again, then put forward his conditions,”“don’t play tricks with me. Tell me the truth, and I can make the decision to let your people go! ”

“““But, if you still want to trick me, then I’ll push him off the boat and say that he lost his footing and fell in!”” ”

“““Don’t, don’t, don’t, don’t, why hurt our relationship!”” You SUFU laughed bitterly.”“Zhao Yu, you’re a super detective. Can’t you tell that if I had found something, they wouldn’t have been caught by you?”” ”

“““Where’s Qi Jianhua?”” Zhao Yu asked,”“what did you guys do to him?”” ”

“““Qi Jianhua?”” You SUFU was confused.”“Who is Qi Jianhua?”” ”

“““Alright! ““Since you’re not sincere,”” Zhao Yu said regretfully,”“then you’ll have to wait to collect your people’s bodies!”” ”

“Then, Zhao Yu hung up the phone without any hesitation. ”

“Seeing Zhao Yu hang up the phone, Miao Ying shrugged her shoulders and was eager to understand the situation. ”

“In the end, just a few seconds later, Zhao Yu’s phone rang. ”

“Zhao Yu was not in a hurry to take it, but walked in front of Xi menna. At that moment, the doctor was using professional equipment and medicine to put Xi menna on an IV drip. ”

“Zhao Yu stepped forward and took off the utensils, then threw the doctor far away. ”

“Then, he snapped a few pictures of Xi menna, especially of her bleeding wound, which had already stained her clothes red ... ”

Ding ... Ding ... Ding ...

“The phone was still ringing, but Zhao Yu was not in a hurry. He turned around and walked in front of Yusufu’s man. As he pressed the answer button, he punched the man’s nose! ”

“““Ah!”” This punch was fast, accurate, and ruthless, directly breaking the man’s nose bridge. It was so painful that he let out a pig-like scream. ”

“““Don’t, don’t, don’t ... Zhao Yu, let’s talk this out, let’s talk this out ...”” You SUFU was clearly not paying attention, and was begging on the phone. ”

“Zhao Yu took the opportunity to send him Xi menna’s photo. As Xi menna was in shock, there was no way to tell if she was alive or dead in the photo. ”

“““Oh my God!”” You SUFU was shocked again.””Zhao Yu, you ... You really killed her? Don’t you know that she’s the last chance to find Xi Wei’s treasure? You ... You’re too cruel!”” ”

“““Oh, really? Thank me for the compliment!”” As he spoke, Zhao Yu punched the foreigner’s nose again. He had hit the same place twice, so one could only imagine how much pain he was in! ”

“Hearing the man’s shrill screams, you SUFU finally gave in. She quickly said to Zhao Yu,”” Alright, alright, alright, stop fighting! I know you’re amazing, alright? Give him the phone, I’ll make him hand over Qi Jianhua ...”” ”

“Hearing this, Zhao Yu put the phone next to the man’s ear. After hearing Yusufu’s instructions, he nodded reluctantly and said, ”

“““We tied that manager to lifeboat 15 ...”” ”

“After the man finished speaking, Miao Ying immediately signaled to the crew, and some of them quickly ran to the lifeboat. ”

“At the same time, under Miao Ying’s call, the doctors re-treated Xi menna’s wound and prepared for first aid. ”

“““Are you done?”” You SUFU said,”” don’t worry, I’ve never gone too far. That manager will be fine!”” ”

“““What do you want from Qi Jianhua?”” Zhao Yu asked, not letting up. ”

“““I just want to know if this cruise ship has anything to do with Xi Wei’s treasure,”” you SUFU replied.””We found a cruise ship poster in the secret room in Seoul! ”

“““Simone thought that it was a clue left behind by her sister, so after we left, I sent her to this cruise ship to look for clues.”” ”

“““Old man, you still want your subordinate to lose a few more teeth, don’t you?”” Zhao Yu squinted his eyes and threatened,”” you won’t act until you see the rabbit. Since you dared to kidnap the cruise Manager, you must have a plan, right?”” ”

“““Hmm ...”” You SUFU was silent for a while before saying,”” alright, you’re a super detective. I can’t hide anything from you!”” If that’s the case, I’ll show you my sincerity. If we want to get clues from the cruise ship, we have to investigate the ship’s big data first! ”

“““From the information I obtained, I found out that the cruise ship’s former boss, Zhou, was suspected of using the cruise ship to smuggle goods!”” ““I came to this conclusion after comparing his private funds account with the cruise ship’s trade data,”” she said solemnly. ”

“““There’s a serious shortage of funds in Zhou, but this guy is spending money like dirt every day. There must be a reason. “““Also, when I investigated Xi Wei in the past, I found out that he was involved with many large smuggling gangs in East Asia. ”

“““That’s why I feel like Xi menna’s sister might be using the cruise ship to transport Xi Wei’s treasure ...”” ”

Oh ...

“As Zhao Yu listened, he carefully analyzed the authenticity of these words. Although he felt that there was some truth to them, it was indeed a new clue. ”

“Coincidentally, he had also thought that someone was using the cruise ship to carry out illegal activities. ”

“““Also, the most coincidental thing was that the former captain of the cruise ship died in a car accident two months ago,”” Yusufu continued.”“That was when Tina was moving Xi Wei’s treasure, so I don’t think it’s just a coincidence! ”

“““The smuggling group that has been working with Xi Wei is very likely to be this cruise company. After the Italy Captain helped Tina move the treasure, he was killed by Tina or Zhou! ”

“““I’ve investigated that car accident. There’s definitely something fishy going on. The victim was covered in alcohol, but there was no alcohol in her stomach ... ”

“““Also, I’ve been looking for Zhou these days, but I found out that the cruise Tycoon disappeared! I don’t know if he was killed by Tina or if he’s hiding somewhere ...”” ”

“Hearing you SUFU’s introduction, Zhao Yu’s heart started to beat faster. If what he said was true, then there was a big problem with the cruise! ”

“Perhaps, Xi Wei’s treasure had really been on this cruise. ”

“““We can’t find Zhou,”” Yusoff said.”“Kansaway is dead, so we can only focus on the cruise Manager, Qi Jianhua!”” ”

“““This person is an old employee of the cruise ship. When Tina was moving the treasure, he was on the ship. So, I asked Xi menna and my men to do it and find out something from him.”” ”

“Just as yosufu and Zhao Yu were on the phone, Miao Ying’s walkie-talkie rang. A crew member reported to Miao Ying that they had found Qi Jianhua in lifeboat 15. ”

Qi Jianhua might have been injected with sedatives and was in a coma ...

“At the same time, under bi Guosheng’s order, the cruise ship had docked, and the ignorant tourists were waiting for the upcoming trip to Nagasaki. ”

“As she was worried about Xi menna’s injury, after Miao Ying and Zhao Yu exchanged a look, they were carried away by the Cruise’s medical staff. ”

Xi menna was seriously injured and had to go to a big hospital for surgery.

“However, because of Xi menna’s sensitive identity, Miao Ying had to ask for help from Secret Service, asking the Secret Service personnel stationed on Nagasaki to take care of Xi menna.”

“”So ...”” Looking at Miao Ying directing the work in an orderly manner, Zhao Yu finally calmed down and continued to get information from Yu SUFU.””What happened in the end? what did Qi Jianhua say?”” ”

“””Hmm ...”” You SUFU hesitated.”

“””Think carefully before you speak. We’ve already found Qi Jianhua. There’s no point in you lying!””  
Zhao Yu issued a warning.”
