Chapter 2221: Chapter 2217-clue

“““Yes, yes,”” Yusoff said hesitantly.””I asked Xi menna to extort a confession from Qi Jianhua, but he only admitted that there was smuggling on the cruise ship. He didn’t know what was being smuggled at all!”” ”

“““Is that so?”” Zhao Yu asked heavily. He was obviously warning you SUFU that he hadn’t explained everything. ”

“““And,”” as expected, Yusoff quickly added,””when Xi menna asked him about what happened two or three months ago, Qi Jianhua claimed that two months ago, on Jeju Island, kansavoy did receive a batch of goods under the name of a cruise ship! ”

“““Back then, it was cansavoy who signed it!”” ”

“““And then?”” Zhao Yu realized that what he was about to say next was the key. ”

“““And then ...”” Yusoff paused for a moment and said,””Qi Jianhua said that the batch of goods had been transported away from Nagasaki and were not brought back to your country!”” ”

“““What, naki?”” Zhao Yu narrowed his eyes and said fiercely,””old ghost, I think you won’t shed tears until you see the coffin! Are you lying to a ghost again? Your people are in my hands!”” ”

“““My Lord!”” You SUFU sighed.””You’re forgetful, my dear nephew. My people are in your hands, and Qi Jianhua is in your hands too, isn’t he? What’s the point of me lying to you? ”

“““I’ve told you, you’ve made a big mistake. You shouldn’t have killed Xi menna!”” “““If that batch of goods really disembarked from nagazaki,”” Yusoff grumbled,””I’m afraid only Xi menna has a chance of finding clues!”” ”

“““Phew ...”” Zhao Yu scratched his head and asked,””so, next, you plan to look for her on Nagasaki?”” ”

“““Yes!”” You SUFU did not deny it. “““Qi Jianhua said that there were two boxes! There were so many things, maybe he could find something? ”

“““Zhao Yu, you’re definitely not familiar with Nagasaki,”” Yusoff encouraged again.””Why don’t we cooperate? Using my connections there and your great detective brain, maybe we can find some clues? ”

“““There are two cars, one for you and one for me. Isn’t that more appropriate?”” ”

“““Alright, I’ll report your suggestion to my superior.”” Zhao Yu said solemnly,””but, there’s one more thing that you haven’t told me yet!”” ”

“““Eh? Is there anything else?”” You SUFU reacted quickly and immediately said,””I can swear to the heavens that I’ve told you everything I know! What else do you want?”” ”

“““Where’s Zhu Yundi?”” “““Zhu Yundi’s incident, was it your doing?”” Zhao Yu asked. ”

“““What? Zhu Didi?”” You SUFU was puzzled. “““What’s the matter? Do you have a fever?”” ”

“““Ah ... Ah ...”” Zhao Yu wanted to sneeze, but he held his nose tightly and shouted, “““cut the crap. Tell me quickly, was Zhu Yundi’s incident done by your people?”” ”

“““Oh ... Oh ... I remember now. This Zhu Didi you mentioned, is she the woman who bought the cruise ship?”” You SUFU said, “““I almost forgot. When I was investigating the cruise ship, I realized that Zhou actually sold it! ”

“““You sold it to a Tian ... Tian something group in your country. It’s the yacht, right?”” ”

“““Right!”” Zhao Yu said, “““Zhu Yundi is the new boss of this cruise. Don’t tell me you don’t know what happened to her?”” ”

“““Did something happen to her?”” You SUFU was curious. “““What happened?”” ”

“““Stop pretending,”” Zhao Yu said. “““Since you planted a listening device on the captain, it’s impossible that you don’t know what happened on the ship, right?”” ”

“““Ah?”” You SUFU smelled something and asked, “““could it be ... That something happened to the new boss?”” This ... Was a little strange! ”

“““If that’s the case, other than you and me, there should be someone else looking for Xi Wei’s things, right? “““But ...”” You SUFU changed the topic and said, “““that’s not right. The new boss just bought the ship, so he might not know about Xi Wei. ”

“““Don’t tease me anymore, hurry up and tell me!”” ”

Oh ...

Zhao Yu then realized that the tapping device on bi Guosheng’s body had been placed in his pocket by Xi menna that day.

“If there had been one before, his invisible detector would have detected it long ago. ”

The reason why Xi menna and the foreigner chose to make a move last night was that they had long been prepared to disembark. They planned to disembark with the tourists who went to Nagasaki today.

“Therefore, it was reasonable that they didn’t know what had happened in the VIP area. ”

“Moreover, Xi menna knew that he was not to be trifled with. Even if she had already discovered him, she would not dare to get close to him. ”

“““Well, since it’s a cooperation, I can tell you,”” Zhao Yu said. “““The new boss of the cruise ship unfortunately fell into the sea! On the first night of the cruise, from her room!”” ”

“““Oh my God, is it that strange?”” You SUFU sighed. “““Could Xi Wei’s things have been cursed?”” ”

“““So,”” Zhao Yu asked, “““Xi Mengna and the rest didn’t know about the new boss’s fall into the sea?”” ”

“““Yes, I’m not lying to you!”” You SUFU clarified, “““since the cruise ship is newly bought, then Xi Wei’s incident must have nothing to do with her, right?”” ”

Tsk tsk ...

“Zhao Yu pouted. If you SUFU was not lying, then it would mean that Zhu Yundi’s fall into the sea had nothing to do with Xi Wei’s treasure. ”

Perhaps there was another reason for her falling into the sea ...

“”””Alright, since you’ve said so much,”” you SUFU said,””I’ll help you investigate this Zhu Didi, Zhu Yndi ... See what her background is ...”” ”

“”””Mm ...”” Zhao Yu wanted to refuse, but then he thought about it. You SUFU was so smart, he must have sensed the importance of Zhu Yundi. ”

“So, whether Zhao Yu refused or not, he would still investigate. ”

“Since that was the case, it would be good for him to investigate. Perhaps you SUFU could find something that he could not. ”

“”””Alright then!””” Zhao Yu nodded and said,””I’ll leave it to you then! If you can find something that can help me, I might let your people go if I’m in a good mood!”” ”

“”””Don ‘t,”” you SUFU said.””Aren’t we already working together?”” At most, you can Sue him for illegal detention. Let him go!”” ”

“”””Alright, then wait for my call!””” Zhao Yu said,””I’ll ask my superiors as soon as possible. I’ll keep this phone call for now. If you have any new information, don’t forget to let me know!”” ”

“”””Eh? Hey, hey, hey ...”” ”

“You SUFU obviously wanted to say something, but Zhao Yu hung up the phone without any hesitation. ”

“”””How is it?””” Miao Ying quickly asked Zhao Yu,””what did the chief say? The matter with Zhu Yundi, is it ...”” ”

“Zhao Yu waved his hand, meaning that it was better not to say anything in front of the captured foreigner. ”

“Zhao Yu turned to the man and said,”””””Don’t worry! Your boss and I have come to an agreement. As long as you tell me everything that happened on the cruise ship, I will let you go!”” ”

“”””That woman ...””” The person said anxiously,””Xi menna is not dead yet. She is a very important person. You must keep a close eye on her!”” ”

“”””Do I need you to tell me that?””” Zhao Yu snapped his fingers at Miao Ying and said,””how about this, I’ll go and see how things are going on Xi menna’s side. You find a place and interrogate this guy properly!”” ”

“”””Mm, alright!””” “””Yes!””” Miao Ying agreed quickly, then made a phone call gesture.”””If there’s anything, contact me by phone!”” ”

“Miao Ying’s words carried a double meaning. In addition to the surface meaning, she also reminded Zhao Yu to quickly contact secret services, because they had already sent special agents to help. ”

“Zhao Yu, of course, understood. He nodded and went straight to the deck. ”

“At this moment, the cruise ship had been docked for a long time, and most of the passengers on the deck had left. ”

“Zhao Yu didn’t get off the boat immediately, but found a safe place to call the special Agent Xiao hang. ”

“”Hello,”” as soon as the call connected, Zhao Yu said directly,””Xiao hang, do something for me right now. I want you to check naki and the surrounding areas to see if there were any murders two months ago ...”” ”

Chapter 2222: Chapter 2217-crucial moment

Outside the operating room of a certain hospital in nagazaki city.

“”Zhao Yu, you’ve caught a cold?”” “”Are you alright?”” Li Jing asked, concerned. ”

“”I’m fine, Achoo ...”” Zhao Yu quickly took out a tissue to block his nose. Although he was a tough guy, he still couldn’t stand the high temperature of 38 degrees, so he looked a little dispirited. ”

“Previously, he had searched the entire device bar of the system, but there was no device that could resist fever or cure the cold. There seemed to be only an invisible sleeping pill among the drugs. ”

“”Aren’t you in the hospital?”” Li Jing said,””why don’t you let the doctor take a look at you? If you feel that communication isn’t good, then let my people help you!”” ”

“”No, no need, it’s fine ... It’s not a serious illness!”” Zhao Yu glanced at the two Secret Service agents standing at the door of the operating room. ”

“At first glance, the two of them looked no different from ordinary tourists. In fact, they were both Li Jing’s subordinates and had been waiting on the cruise ship for orders. ”

“If Miao Ying had not contacted the headquarters, they would not have known about it. ”

“At first, although there had been a murder on the cruise ship, because it had nothing to do with secret services, the two of them had never shown up. ”

“However, now that even Xi menna had appeared, it was their turn to appear. ”

“”Alright,”” Li Jing said.””How’s that woman?”” ”

“”The doctor said there’s no danger to his life. The bullet has been taken out!”” Zhao Yu said,””but ... Don’t you think that if her life isn’t in danger, it might be more troublesome for us? ”

“”Now, there are many people who are thinking about her!”” ”

“”It’s okay,”” Li Jing said calmly.””I’ve already sent more people. They’ll be there in ten minutes.”” ”

“Since she’s in our hands, we’ll keep her! ”

“““Just in time, we still have a lot of questions to ask her!”” ”

“““Oh ...”” Zhao Yu wiped his snot and said,“““whatever!”” However, he had to keep a close eye on this extraordinary period! That old man, you SUFU, isn’t easy to deal with. I’m worried that he’ll leak the news that we’ve captured Xi menna in the blink of an eye!”” ”

“““Don’t worry,”” Li Jing said confidently.“““I’ve already made arrangements. Someone will take over later. You don’t have to worry about it!”” ”

“““When that woman wakes up, we’ll interrogate her as soon as possible. I’ll let you know as soon as I get any information!”” ”

“““Okay,”” Zhao Yu said.“““Then ... How’s the matter I asked Xiao hang to investigate?”” Is there a problem?”” ”

“““No,”” Li Jing said.“““According to our information, in the past six months, there have been no deaths like what you said in naki and the surrounding areas!”” ”

“““Is that so?”” Zhao Yu said helplessly,“““then I guess I was wrong! Before this, I found out that Xi menna’s sister was a ruthless person. I felt that after moving the treasure, she might kill us to silence us!”” ”

“““No...”” Li Jing said.“““Even if there was, I’m afraid it would be difficult to help you find the treasure. If that thing really got off the ship from nagasaki, it could be anywhere in the world right now!”” ”

“““That’s not necessarily true,”” Zhao Yu said.“““At that time, Tina was already being suppressed by londee, so the transfer of the treasure must have been in a hurry. The chances of leaving clues were still very high!”” ”

“““If you really have a way, it’s best to check the surveillance cameras at Nagasaki dock after the cruise docked, as well as at all traffic intersections. Maybe you can find suspicious vehicles!”” ”

“““Well ... Okay ... We can try,”” Li Jing said.“““But it’s best to have a reference first. Do you understand?”” ”

“““Understood,”” Zhao Yu said.“““When your people arrive, I’ll go back to the cruise to look for clues! However, if you SUFU didn’t lie, you should check the internal surveillance of the cruise first. You might find something.”” ”

“““Didn’t I send those surveillance videos over a long time ago?”” ”

“““Yes,”” Li Jing said.“““We’ll investigate it again. We have to be careful when we get back to the ship. You SUFU might have arranged for someone to be on the ship!”” ”

“““Should I ... Send some more people on board?”” ”

“““No need,”” Zhao Yu said.“““I’ll take care of it. Wait for my news!”” ”

Zhao Yu had just hung up the phone when he saw five or six strong men in different clothes appear in front of the operating room door. They had been identified by the two secret agents and confirmed that they were all his own people.

“Seeing that the support team had arrived, Zhao Yu felt a little more at ease. He then handed over Xi Mengna, who was in the middle of an operation, to them.”

“Then, one of the agents drove Zhao Yu back to the cruise.”

“The streets of Nagasaki weren’t bustling, and one could feel the cold and wet air through the car window. The air had a salty smell, which made Zhao Yu, who already had a fever, feel even worse.”

“However, as a detective, his brain was still analyzing quickly.”

“From the Zhu siblings, Qi Jianhua, bi Guosheng, Zhou, kansaway, to Yusoff, Xi Mengna, and Xi Weibao, it was as if Zhao Yu’s brain had become a high-speed machine that could not be stopped.”

“As soon as the car drove into the dock, Zhao Yu received a new message from Xiao hang. After investigating the surveillance cameras on the cruise, Xiao hang had found a suspicious video.”

“After opening it, Zhao Yu saw that two months ago, after the king star had docked at the Nagasaki dock, the surveillance camera at the Cruise’s warehouse door had captured two cargo cars, and two boxes of goods were transported out of the cruise.”

What was even more suspicious was that the two cars did not return even after the cruise ship left the port.

“The video proved that Yu SUFU and Qi Jianhua were not lying. When Tina was moving Xi Wei’s treasure, there were indeed two batches of unknown goods.”

“Therefore, Xiao hang told Zhao Yu that they would follow the two cargo trucks.”

“Next, Zhao Yu only needed to interrogate Yu SUFU’s men, as well as Qi Jianhua, who was in the know.”

“After hearing the news, Zhao Yu’s heart was not calm, but even more uneasy. He had a faint smell of a conspiracy, and felt that this matter was not as simple as he had thought.”

“First of all, looking at the timeline, Tina was captured by londee not long after she moved the treasure.”

“Then, in such a short time, where would she have moved the treasure to?”

“Also, would the driver be killed by Tina?”

“Secondly, the sly old fox, Yusoff, might be hiding something. If secret services could find the two cargo trucks, he could definitely do the same.”

“However, why did he let Xi menna and her subordinate stay on the ship to interrogate Qi Jianhua?”

“Also, did Qi Jianhua really tell her everything? Did he really not know anything about this treasure?”

“Finally, could Zhu Yundi’s disappearance be related to this matter?”

“Logically speaking, Zhu Yundi had just bought the cruise ship and should have nothing to do with this matter. However, according to pan Suxi and sun Jinjian’s statements, Zhu Yundi seemed to be very familiar with the cruise ship’s former boss, Zhou.”

Then ... Was there any other hidden story behind this?

“From Zhao Yu’s point of view, they had reached a critical moment that would decide their fate. Perhaps, they were not far from finding Xi Wei’s treasure! ”

Chapter 2223: Chapter 2218-industrial spy

“““It’s true, it’s true, it really has nothing to do with me!”” In one of the rooms on the cruise ship, Qi Jianhua said innocently,““I also suspect that there is smuggling on the cruise ship, but what can I do?”” ”

“““Kansawei and Zhou Dongwei are the same. If I dare to question them, how can I still be the cruise Manager?”” ”

“““If it wasn’t for the fact that you’ve been beaten up so badly that you look like a pig’s head, I really want to slap you ... Ah ... Ah ... Ah Chi ...”” Zhao Yu sneezed, and his spittle flew all over Qi Jianhua’s face.““You’re the manager of the cruise ship, one level higher than the captain. Smuggling is such a big deal, and you dare to say you don’t know?”” ”

“““Really, really ...”” Qi Jianhua looked aggrieved.““Why don’t you believe me?”” You can check the ship’s shipping records. In the past, it was the captain who signed it! ”

“““I’m only in charge of this area after something happened to cansaway!”” ”

“In fact, Zhao Yu and Miao Ying had already investigated these details. They were just trying to put pressure on Qi Jianhua. ”

“““Then tell me the truth,”” Zhao Yu said.““Two months ago, the situation of the two trucks of cargo on the cruise!”” ”

“““Oh ... Oh ...”” Qi Jianhua, whose face was bruised, recalled.““Two months ago, when the cruise passed Jeju Island, there were indeed two cartloads of goods on board. Kansarwei didn’t tell me, but you can’t hide this from me! ”

“““I know. Those things should be smuggled goods that they transported through special channels. Because the purchasing power of tourists is limited, even if they buy things, they basically carry them with them. ”

“““Only a few VIP clients would use the cargo transport route. I’ve checked the list, and there were no major clients during the Jeju Island trip.”” ”

“““And then?”” Zhao Yu asked. ”

“““Then,”” Qi Jianhua replied,““the two boxes of goods were taken away from Nagasaki, and even the car didn’t come back! If you don’t believe me, you can go and check the stock records and the surveillance video ... ”

“““If I lie, I’ll be struck by lightning ...”” ”

Tsk tsk ...

“Zhao Yu pouted and exchanged a look with Miao Ying. From this, it seemed that the batch of goods that were suspected to be Xi Wei’s treasure had indeed disembarked from Nagasaki. ”

“““To be honest, even if they were smuggling in the past, they didn’t do it like this! ““That time was really too much,”” Qi Jianhua said.”“We are a cruise ship. Whether it’s Jeju Island or Nagasaki, we should only have imported goods, but not shipped out! ”

“““That’s why it’s hard for me not to know!”” ”

“““Then ...”” Miao Ying asked,”“do you know what was in that batch of goods?”” ”

“““I don’t know,”” Qi Jianhua waved his hand.”“How would I know?”” I only know that since Kansawei and Zhou dared to take such a big risk, that batch of goods must be worth a lot, right? ”

“““They must have gotten a lot of benefits!”” ”

“““Zhou, where are you now?”” Zhao Yu asked again. ”

“““I don’t know.”” Qi Jianhua shook his head.”“I have his number in my phone. You can try calling him, right?”” Zhou’s a Cruise Tycoon who’s very good at building ships. He’s either going to the casino or looking for women ...”” ”

“““Then ...”” Zhao Yu continued to ask,”“what do you know about Kansaway’s death?”” ”

“““I didn’t know before. I thought it was an accident, but now it seems ... Tsk tsk ...”” Qi Jianhua said helplessly.”“His death might not have been an accident, right?”” Are you suspecting that it has something to do with the smuggled goods? Is someone ... Trying to silence me?”” ”

“Qi Jianhua’s guess was also Zhao Yu’s guess. The situation seemed to be getting clearer and clearer. Kansaway had helped Tina move Xi Wei’s treasure, but after he had done so, he had been killed by Tina. ”

This was very much in line with Tina’s style.

“After killing Kansaway, Tina was unfortunately captured by Londee’s men. However, she did not reveal the whereabouts of Xi Wei’s treasure even after her death. ”

“From this point of view, the treasure had indeed left the ship from Nagasaki and disappeared ... ”

“So, the most important thing now was to track down the whereabouts of the two cargo trucks and see where they were transporting the goods ... ”

“However, even though the matter of the treasure was gradually becoming clear, there was still a question that had not been answered. ”

“Zhao Yu asked Qi Jianhua again,”“““In this smuggling operation, what role did Zhu Yundi play?”” ”

“““Ah? Zhu Yundi?”” Qi Jianhua was stunned at first, then he shook his head and said,”“I don’t know about that. Zhu Yundi just bought this cruise ship. The smuggling ... It has nothing to do with her, right?”” ”

“““I heard that you have a good relationship with Zhu Yundi!”” Zhao Yu asked, ““I’m very curious. Since she just bought the cruise ship, why is she so close to you?”” ”

“““Well ...”” Qi Jianhua’s expression changed slightly. He swallowed and said carefully, ““I know that I can’t hide this from you, master detective, so I’ll tell you the truth!”” ”

“““Zhu Yundi had her eyes on Zhou since a long time ago. She wanted to buy Zhou’s company or his cruise ship, so ... So ...”” Qi Jianhua said in a low voice. ““I was bought over by her a long time ago to collect information on Zhou He’s cruise company for her ...”” ”

“““He’s indeed a corporate spy!”” Zhao Yu asked, ““it seems that you’ve been helping Zhu Yundi a lot?”” ”

“““Well ... I’ve taken his money,”” Qi Jianhua said frankly. ““From the information I gathered, Zhu Yundi quickly found Zhou’s weakness and successfully seized the shares of the cruise company. He even forced Zhou to sell the skygliding to Zhu Yundi at an extremely low price!”” ”

“After hearing this answer, Zhao Yu frowned, as he thought of something bad. ”

“If what Qi Jianhua said was true, then Zhu Yundi had nothing to do with Xi Wei’s treasure, and her falling into the sea would still be an unsolved case! ”

“““Then ...”” Miao Ying seemed to have thought of this as well. She immediately asked Qi Jianhua, ““is there a possibility that the murderer who caused Zhu Yundi to fall into the sea is that Zhou?”” Or was it an assassin arranged by Zhou?”” ”

“““Yes, yes ...”” Qi Jianhua nodded vigorously. ““I thought so before, but because of my special identity, I didn’t dare to say it!”” ”

“““I met Zhou when we were acquiring the cruise ship. He hated Zhu Yundi to the core,”” Qi Jianhua said. ““So, it’s also possible that he hired someone to do what happened to Zhu Yundi!”” ”

“““Zhou knows cruise ships very well,”” Miao Ying said. ““Could it be that there was a part of the ship that did not even have a blueprint, and he took advantage of this loophole to push Zhu Yundi into the sea?”” ”

“““So ...”” Zhao Yu nodded and said, ““both of these things might be related to this person. We have to find this guy first!”” ”

“““We’re already looking for him,”” Miao Ying said. ““This person is very important. It’s possible that he has something to do with cansaway’s death!”” ”

Di di ... Di di ...

“Just as Miao Ying finished speaking, one of Zhao Yu’s phones rang. He had gotten this phone from you SUFU, so as soon as the phone rang, Zhao Yu knew who was calling him. ”

“““Hello.”” After picking up, the voice of chief Yusufu came through the phone. ““Zhao Yu, I’ve just received some information about that Zhou! ”

“““If you release my people now, I’ll tell you the news!”” ”

Chapter 2224: Chapter 2220-what other secrets are there?

“““No problem,”” Zhao Yu said.””Tell me the news, and I’ll let him go!”” ”

“““Stop fooling around,”” you SUFU said seriously.””I don’t like to argue!”” ”

“““I’m not wrangling with you. You should know that I, Zhao Yu, am a man of my word,”” Zhao Yu said.””I’ve always kept my word. Just say it, don’t waste time!”” ”

“““You ...”” You SUFU pondered for a moment and asked,””do you remember that you’ve already promised me!”” ”

“““Don’t worry,”” Zhao Yu said.””What did you find out?”” ”

“““I ... I’ve already caught Zhou!”” You SUFU’s words were shocking.””Just as I thought, he’s spending money like it’s dirt on the clouds! This guy was so drunk that he was in a daze. After being taught a lesson by my people, he said everything!”” ”

“Zhao Yu was shocked. “““You old man, you really have some tricks up your sleeve!”” ”

“““You flatter me, you flatter me!”” You SUFU said,””now you know how important my information is, right?”” ”

“““Hurry up,”” Zhao Yu urged.””What did he say?”” ”

“““He said that he had no idea that the Heavenly King was involved in the smuggling. Everything was probably done by the Italian, cansaway!”” You SUFU said,””so, the treasure has nothing to do with this guy!”” ”

“““You ... Are you sure?”” Zhao Yu frowned.””Did he lie?”” ”

“““Don’t worry,”” you SUFU said.””We pulled out both of his front teeth. He wouldn’t lie!”” “““Besides, if he really did participate, I think Xi mena’s sister would not let him off either! ”

“““So, can you ... Let him go now?”” ”

“““No problem,”” Zhao Yu agreed, but then changed the topic.””I want to ask, when does Zhou Cong start going to yunding?”” ”

“““It’s been more than a month,”” you SUFU replied.””He’s booked two Malaysia female stars here, and he’s Living a Good Life! ”

“““Actually, what he’s spending now is the money from selling the cruise ship. If this continues, he’ll run out of it sooner or later!”” ”

“““Oh ...”” Zhao Yu pondered for a moment, and in his mind, he had already ruled out the possibility that Zhou was the culprit behind Zhu Yundi’s fall into the sea. ”

“Such a person who was drunk and indulged in debauchery all day would not have the ability to kill Zhu Yundi. Moreover, even if he killed Zhu Yundi, it would not do him any good!”

“Well, you can just let my people get off the ship,” Yusoff said, feeling good about herself. “I believe you’re a man of your word!”

“Alright!” Zhao Yu nodded and said to Miao Ying, “you guys let her go!”

“Zhao Yu, you can’t!” Miao Ying said seriously, “we haven’t even interrogated him yet! Besides, he’s suspected of assaulting and imprisoning the Cruise’s manager, so how can he be released just like that?”

“Oh ... I see!” Zhao Yu pretended to understand and said to her, “chief, I have fulfilled my promise and agreed to release her!”

“But I don’t have the final say!”

“You ...” You SUFU trembled in anger. “You’re playing dirty with me?” “You dare?”

“Don’t worry,” Zhao Yu said unhurriedly. “You heard it just now. We haven’t finished our questioning yet! What if you lied to me?”

“How about this? I’ll make the decision. We’ll forget about the assault on Qi Jianhua. After we’re done with the interrogation, we’ll let him go. Is that okay?”

“You ... You ...” You SUFU was clearly furious.

“You’re so capable. Hurry up and collect other intelligence!” Zhao Yu said, “don’t we still have to cooperate?”

“You ...” Yusoff roared, “remember what you said. Before the cruise leaves naki, I must see my people get off the ship. Otherwise, I will never let you off!”

“Don’t worry!” Zhao Yu hung up the phone.

“As soon as he hung up, he looked at Miao Ying with a serious expression and said, “My dear, you should quickly interrogate that person!”

“The chieftain has repeatedly asked me to release that person for only two reasons. The first is that that person is a relative of the chieftain, and the chieftain is very concerned about his life!”

“The other reason is that this fellow knows something else that the chief doesn’t want us to know!”

“You’re really smart!” Miao Ying gave Zhao Yu a thumbs up and said, “you’re smart! Don’t worry, leave him to me. He’s locked up in the next room!”

“After Miao Ying left, Zhao Yu stood at the cabin door and asked one of the senior crew members, “How’s your Captain?”

“Reporting, Sir!” The crew member quickly replied, “our Captain has already taken out the bullet at the hospital. The doctor said that it’s not a big deal and is preparing to return to the cruise ship!”

“However, he can only lie down for now. He can’t even sit in a wheelchair!”

“““Alright then!”” Zhao Yu said,““since the captain can’t make it, then let the General Manager take me there!”” ”

“Then, Zhao Yu ordered the crew to open the room where Qi Jianhua was being held, and asked Qi Jianhua to take him to the cargo hold of the cruise to take a look. ”

“In the cargo hold, Qi Jianhua explained to Zhao Yu the procedures of the cargo hold, as well as the location of the two cargo trucks. ”

“During the process of checking the scene, the curious Qi Jianhua wanted to know what the two boxes of mysterious goods were. ”

“But how could Zhao Yu tell him? Besides, Zhao Yu only knew that it might be Xi Wei’s treasure, but he didn’t know what was in it! ”

“After he was done with his investigation, Zhao Yu had a direction in mind. ”

“According to the information they had, they only had four things to do: ”

“First, he had to investigate the whereabouts of the two cargo trucks. Zhao Yu estimated that the two cargo trucks should not have gone too far, and might have been hidden somewhere in nagashi. ”

“Second, investigate the situation of the former captain, kansaway. Even though he is dead, this person is still an important clue. Perhaps we can find the whereabouts of the treasure through him! ”

“Third, interrogate you SUFU’s men and see what other important information that guy has. ”

“Fourth, continue to investigate the case of Zhu Yundi falling into the sea! ”

“According to you SUFU’s information, Zhao Yu had already ruled out the possibility of Zhu Yundi having an affair with Xi Weibao. Hence, regarding this case, it was undoubtedly back to square one. ”

“If the murderer wasn’t after Xi Wei’s treasure, or that Cruise Tycoon Zhou, then ... Perhaps her falling into the sea was still because of Zhu Xicheng’s incident! ”

“Now, Zhao Yu had already solved the missing yacht case and caught the murderer, sun Jinjian. ”

“Then, was there any other hidden story behind Zhu Yundi’s fall into the sea? ”

“The most important thing was, what method did the murderer use to kill Zhu Yundi, and successfully frame Guan xiujie? ”

Or ... Was Guan xiujie really innocent?

“Before this, Zhao Yu had analyzed the situation many times and used his own devices to thoroughly check the VIP area, but he had not found any place that could hide people. ”

“Therefore, there were only two possibilities for Zhu Yundi’s fall into the sea. Either she fell from the balcony accidentally, or the murderer must be among the tourists living in the VIP area! ”

Who was this person?

## Chapter 2225: What's the situation?

"It was five in the afternoon, an hour before the Uranus cruise ship left naki."

"On the dock, there were already tourists returning to the cruise ship."

"At that very moment, Zhao Yu was still standing in his room, seriously analyzing the case."

"Before this, secret services had sent back a few pieces of information, but they still did not know where Xi Wei's treasure was."

"First, Xiao hang called Zhao Yu to tell him that the agent who had investigated the death of the Cruise's former captain, cansaway, had sent back a report."

They had investigated cansaway's car accident in detail and finally concluded that he had died of a murder.

"However, the assassins were very professional and meticulous. They used a stolen truck to kill kansarway and did not leave any clues."

"After the incident, they even spilled wine on cansaway's body and made it look like he was driving under the influence of alcohol to fool the local police."

"However, the local police still did an autopsy and confirmed that kansarwei had not drunk any alcohol before the incident."

"So, Zhao Yu could now conclude that kansarway had died of a murder."

And this murder was most likely related to the two smuggled goods on the Heavenly King.

"Then, the secret agents on Nagasaki also sent Zhao Yu a message, saying that they had already moved Xi menna to a safe place."

"Although Xi menna's life was not in danger, her body was still very weak. They could not interrogate her yet. They would probably have to wait until tomorrow."

"Finally, Miao Ying, who was in charge of interrogating you SUFU's men, came back to report to Zhao Yu. She said that after a few hours of continuous interrogation, the foreigner had told the truth. He was indeed you SUFU's nephew!"

This person confessed a lot about Yusufu and even revealed a few of Yusufu's bases in East Asia.

"Zhao Yu already knew that Yusufu did not call him from his hometown in the Middle East. As long as Xi Wei's treasure was not found, he would not be able to rest easy."

"So, Zhao Yu guessed that Yusoff might be on his way to naki. According to his personality, since he had already found an important clue, he would definitely follow it to the end!"

"Of course, Li Jing had already launched an investigation on the whereabouts of the two cargo trucks, but Nagasaki's surveillance was not dense, and many roads leading to the village were blind spots."

“So far, they had only found the video of the cargo van leaving the dock. As for where it had left the dock, they were still in the process of finding it.”

“However, through the only video available, they found a problem. The photos of the two trucks were all from nagashi!”

“In other words, before Tina moved Xi Wei’s treasure, she must have made careful preparations.”

“Of course, it was also possible that she and kansarway had worked together for a long time, and these were all their usual operations.”

“In addition, just in case, when Qi Jianhua brought Zhao Yu to check the cargo hold of the cruise ship, Zhao Yu used the metal detector and invisible fluoroscopic device in the system to do a comprehensive check, but he found nothing.”

“As a result, the matter regarding Xi Wei’s treasure became clearer. As for the subsequent search, it was all handed over to secret services to handle, and had nothing to do with Zhao Yu anymore.”

“So, Zhao Yu was now focusing on the case of Zhu Yundi’s murder. In order to make the case more clear, he found a few large pieces of white paper and began to write down the case on them, trying to find important clues.”

“However, Zhu Yundi’s case was beyond his imagination. He had watched all the photos and eavesdropping recordings of the suspect after the case, but he still found nothing.”

“Hence, regarding this case, it was as if they had returned to the original point. Zhao Yu really wanted to find out who was the person who had hidden in Zhu Yundi’s room and pushed her into the sea.”

“”Zhao Yu ...” Just as Zhao Yu was thinking hard, Miao Ying returned to the room and asked Zhao Yu, “are you really going to make the decision and let that person go?””

“”Right!”” Zhao Yu looked at the white paper full of case information and said without turning his head, “I keep my word. This is the foundation of me, Zhao Yu, in the secret agent world!””

“”But,”” Miao Ying said, “not only did he illegally detain and beat up Qi Jianhua, but he also shot the captain, bi Guosheng. I don’t think it’s appropriate to let him go?””

“”Meow Meow!”” Zhao Yu then turned his head and said to Miao Ying earnestly, “the working principles of the Secret Service are different from that of the criminal Department. Sometimes, you need to be flexible!”

“”Just like your dad, you can’t just grab onto something and not let go, you have to look at the big picture!”

“”Listen to me,”” Zhao Yu said. “Quickly release the person! Don’t install any tracking devices or send people to follow us. We must be honest!””

“”Is that so?”” Miao Ying narrowed her eyes in disbelief. “Don’t forget that you were almost killed by the chief when you were in Korea!””

“““Don’t worry!”“ ““The chieftain knows his limits,”“ Zhao Yu said.”“Plus, he’s well-informed and knows everything. I want to make good use of him!”“ ”

“““You’re really big-hearted! ““Alright,”“ Miao Ying repeated.”“Are you sure you want to let him go? You really don’t need to report this to the higher-ups?”“ ”

“““Let it go, let it go!”“ Zhao Yu waved his hand. ”

“““Alright, I’ll listen to you! Who asked you to be the senior officer?”“ Then, Miao Ying left the room. ”

Hu ...

“This time, Zhao Yu did not sneeze, but took a deep breath, as his thoughts returned to the case regarding Zhu Yundi. ”

“Maybe it was because he was focused, or maybe it was because he had taken the medicine before, but Zhao Yu felt much better than before, and his body temperature seemed to have returned to normal. ”

“Now, Zhao Yu set his eyes on a few names, which were related to Xiu Jie, sun Jinjian, Qi Jianhua, bi Guosheng, as well as Zhu Yundi’s Secretary, pan Suxi. ”

“Because, after countless rounds of deliberation, Zhao Yu felt that the possibility of the other suspects committing the crime had become very small. ”

“So, he put his focus on these few people, even though, after a few days of getting along, Zhao Yu had ruled out the possibility of them committing the crime. ”

“However, he could not rule out the possibility that these people had nothing to do with Zhu Yundi’s fall into the sea. Perhaps, he could find some useful clues from these people. ”

“Therefore, Zhao Yu made a plan in his notebook. He planned to question these people again in the near future to see if there were any new discoveries. ”

“Strange, this was too strange! ”

“Zhao Yu had originally thought that Zhu Yundi’s case would not be difficult, but he did not expect that until now, they had not even been able to lock on to a single suspect. ”

Then ... Did I miss something?

“Zhu Yundi’s room had been turned upside down. Hence, he could rule out the possibility that Zhu Yundi had accidentally fallen into the sea. ”

“However, according to the current clues, it seemed that the real murderer was not among the tourists in the VIP area. So, what else could it be? ”

Could it be ... That there was a problem with the surveillance cameras in the VIP area?

Someone had tampered with the surveillance video?

Or ... Was there some high-tech thing that could avoid surveillance?

Or perhaps ...

“Suddenly, Zhao Yu’s eyes lit up as he thought of a possibility! ”

Chapter 2226: The things I saw

“In the evening, with the sound of the horn, the Uranus cruise ship slowly left Nagasaki and headed for the next stop. ”

“Just as the cruise ship left its post, in the VIP area on the top floor of the cruise ship, a senior staff member explained, ” ”

““Impossible, absolutely impossible ...” He said to Zhao Yu, whose face was full of hope. “You should have seen the structure diagram, right? Light steel was still steel! ”

““The Uranus uses polymer-type light steel plates. Cutting this type of steel plate would be a huge project!” The staff member pointed at the floor and explained, “if someone really cut the steel plate, they would definitely be discovered!” ”

““It doesn’t have to be the floor, the ceiling, or the wall!” Zhao Yu said, “think about it carefully. Which part of the VIP area is the thinnest?” ”

““It’s all the same. Whether it’s the ceiling, the floor, or the wall, in order to cope with the wind and waves at sea, the hull is a complete structure and very strong!” The staff member said, “so, what you’re saying can’t possibly happen!” ”

““What if it’s not a cutting machine?” Zhao Yu said, “don’t they have lasers in the movies? The laser can cut through thick steel plates?” ”

““You ...” The staff member was speechless for a few seconds before he explained, “even if there is a laser cutter, it can’t be as big as a watch!” ”

““If he wanted to cut open such a thick steel plate, he would have to bring large instruments onto the ship. How could he have gotten on the ship?” ”

““Hmph! Aren’t you being a little too absolute?” Zhao Yu squinted at the man and said sarcastically, “don’t you think that there’s no need to bring an instrument that can cut steel plates on board?” ”

““You ... What do you mean by this?” The staff member was already sweating. ”

““What do you mean?” Zhao Yu said heavily, “a cruise ship is also a ship. A ship should have its own tools, right? Do you really think I’m illiterate?” ”

““You ... You are ... Oh ...” The staff member pondered for a few seconds, then followed Zhao Yu’s pace. “You mean, someone is using our cruise ship’s tools?” ”

““Nonsense!” Zhao Yu said, “can’t you tell? The murderer must know a lot about your cruise ship. It’s clearly done by your insiders! ”

“““You must have brought a lot of tools for maintenance or to prevent water leakage, right?”” Zhao Yu said,““I suspect that the murderer used the identity of a crew member as a cover, then used the Cruise’s tools to make a small hole in the VIP area. He entered the VIP area through that hole! ”

“““That’s the only way to explain why the murderer didn’t leave any images at the entrance!”” ”

“““This ... I don’t think so?”” The staff member was obviously not confident. He quickly said,““you mean, we really have to check every steel plate in the VIP area? ”

“““In that case, I’ll have to report this to the captain!”” ”

“““Are you F \* cking stupid?”” Zhao Yu shouted,““do you need to check every steel plate? You only need to check the places near the outside, right? ”

“““If you can see the ceiling, then look carefully for the floor and the areas that connect to other areas! ”

“““If the murderer really used cutting technology, then it would be impossible for him to weld the steel plates back together. There would definitely be welding marks!”” ”

“““The floor below the VIP area is business class. The left and right sides are the outer cabin. There are no other areas at the back, but there is an observation room at the front ...”” The staff’s eyes lit up.““That observation room has not been used for a long time. Could it be ...”” ”

“““Look, look!”” Zhao Yu rubbed his hands together and urged her,““what are you waiting for? Hurry up and take me to see it!”” ”

“““Zhao Yu, what’s wrong? What’s wrong?”” At this time, Miao Ying, who had just finished dealing with other things, rushed to the scene. She didn’t know what Zhao Yu was going to do. ”

“““Don’t ask,”” Zhao Yu said, gesturing.““Come with me!”” ”

“““The observation room is next to Room 16 in the VIP area.”” The staff member led Zhao Yu and Miao Ying to the room as he explained,““because Room 16 doesn’t have a window, no one usually lives in that room. There used to be workers living there occasionally!”” ”

“The VIP area wasn’t big, and they soon arrived at the door of Room 16. ”

“However, when they saw the room, Zhao Yu and Miao Ying had a strange expression on their faces. This was because they had already searched the empty room before this, but they had not found anything unusual. ”

The staff member had a spare key in his hand. He immediately opened the door and turned on the lights.

“Although the room was not by the window, it was fully equipped with all the other facilities. The bedding was neat and tidy, and the room was clean and tidy. ”

“““There ...”” The staff member came to the head of the bed, pointed to the wall, and said,““behind this is the observation room I was talking about!”” ”

“Hearing this, Zhao Yu didn’t say anything, but rushed to the front and pushed the bed away. Then, ignoring the staff’s obstruction, he tore the soft bag off the bed. ”

Slash ...

“The wall was instantly in a mess, which frightened the staff. ”

“Then, Zhao Yu squatted down on the wall and looked carefully, trying to find any traces of cutting ... ”

“”Mm ... Mm ...”” Miao Ying smacked her lips and whispered,“”Zhao Yu, are you muddled from the fever? If you want to check this wall, why don’t we go to the next one?”” ”

“”Um ... Cough cough ...”” Zhao Yu suddenly stopped, his face turning red. He then covered his mouth and explained,“”as a detective, I can’t let go of any clues. I have to see both sides clearly!”” ”

“”...”” Miss Miao was speechless. Considering that Zhao Yu was having a cold and a fever, she didn’t argue with him. ”

“Ten minutes later, the staff member led them out of the VIP area and into the observation room. ”

“However, because no one had entered the observation room for a long time, the ground was covered with a layer of dust. It was almost obvious at a glance that no one had entered this room before. ”

“After that, Zhao Yu carefully looked at the wall again, but he still didn’t find any suspicious traces. ”

“However, Zhao Yu finally caught on to this idea, and immediately ordered the staff to investigate all the steel plates in the VIP area. ”

The staff members did not dare to refute and immediately launched an investigation. They began to check the steel plates room by room ...

.....

“Two hours later, the sky was already dark, and the cruise ship was once again sailing into the vast sea. ”

“”Ai!”” Zhao Yu sipped indigowoad root and sighed,“”how can there be no more? Could it be that ... My train of thought is wrong again?”” ”

“”The crew members are right,”” miss Miao said, exhausted.“”That steel plate is definitely not something that can be cut open by an ordinary cutting machine! The laser cutting machine is hot and noisy, and the water cutting machine is heavy. In my opinion, the possibility of killing them by cutting through the deck is very small!”” ”

“”Mm ... Mm ...”” Zhao Yu gulped down the indigowoad root, then wiped his nose with a paper towel. He lay down on the sofa, looking extremely tired. ”

“”Zhao Yu,”” miss Miao said,“”let’s call it a day!”” No matter what, you have to have a good rest. There are more important tasks waiting for us tomorrow!”” ”

“”Mm ...”” Zhao Yu did overdo it, so he immediately nodded. ”

“Then, under Miao Ying’s care, Zhao Yu took a hot shower, took a few pills, and went to sleep ... ”

“Because of the cold and fever, he didn’t sleep well at night. He always felt that something was flashing by his side. ”

“In a daze, he didn’t know how long had passed before he realized that the light had stopped flashing and had actually stopped in front of his face.”

“Thus, he slowly opened his eyes. However, as soon as he opened his eyes, he was shocked and almost shouted out.”

“He saw miss Miao holding a phone in her hand, looking at him with a strange expression. The light from the phone shone on miss Miao’s face, revealing a strange and terrifying color. Zhao Yu thought he had seen a ghost!”

“““What the ...”” Zhao Yu suddenly sat up and asked,“““what are you doing?”” It’s the middle of the night. ““ ”

“““Shh ... Zhao Yu ...”” Miao Ying frowned and said,“““I might have seen something ...”” ”

#### Chapter 2227: A strange group photo

“““Don’t scare me!”” Zhao Yu wiped his cold sweat with a pillow towel and asked, panting,“““it’s the middle of the night. Are you possessed?”” ”

Ba da ...

“As Miao Ying turned on the bedside lamp, the ghostly light from the phone that shone on her face disappeared.”

“““What are you saying!”” Miao Ying pointed at her phone again and emphasized,“““I saw something!”” ”

“““See ... See something ...”” Zhao Yu was still in a state of shock.“““What did you see?”” ”

“““Look ...”” Miao Ying opened a photo on her phone.“““Look at this woman. Is she Xi menna?”” ”

“““What?”” ”

“Zhao Yu rubbed his eyes, and his blurry vision gradually became clear. When he saw the photo clearly, his eyes suddenly widened!”

“Not only did he find Xi menna in the photo, but he also found that Xi menna was with Zhu Yundi!”

“““This ...”” Zhao Yu asked Miao Ying in surprise,“““where did you get this?”” ”

“““Pan Suxi,”” Miao Ying said.“““Didn’t I copy pan Suxi’s mobile phone information? Just now, I was looking at the pictures on pan Suxi’s phone, and I accidentally saw this one!”” ”

“““Pan Suxi? Zhu Yundi’s Secretary?”” Zhao Yu wiped his sweat again, and the pillow towel was almost wrung with water.“““This ... What does this mean? Why would pan Suxi have a picture of Xi menna on her phone?”” ”

“““I don’t know,”” Miao Ying said, frowning.”““This matter seems to be getting more and more complicated!”” ”

“““Wait!”” Zhao Yu thought of another question and asked,”““it’s so late at night, why are you looking at your phone? You ... You haven’t slept at all, have you?”” ”

“As he spoke, he looked at his watch and realized that it was already four in the morning. ”

“He looked up again and saw that the desk was full of documents. Obviously, Miao Ying had not been idle the whole night. ”

“““It can’t be?”” Zhao Yu grinned and said,”““you want me to sleep, but you’re playing with your life? Was it reasonable? Don’t forget, you’re also a patient!”” ”

“““It’s okay,”” Miao Ying said indifferently.”““I can’t let you take all the credit every time!”” ”

“““This ...”” Zhao Yu knew that Miao Ying wasn’t trying to steal the credit, but was trying to share his burden. ”

“““Okay, hurry up,”” Miao Ying said, pointing to the phone.”““This is an important clue that I stayed up all night to find! I really didn’t expect to find a clue here after reading the information for an entire night ...”” ”

“Miao Ying’s words made Zhao Yu turn his attention back to the photo. The background of the photo was a beautiful beach. In the photo, Xi Mengna and Zhu Yundi were snuggling together, looking lazy and intimate ... ”

“““This might ...”” Zhao Yu stared at the photo of Xi menna carefully and muttered,”““it might not be Xi menna!”” ”

“““Yes.”” Miao Ying nodded.”““The woman was wearing sunglasses, so I couldn’t see her clearly!”” It could also be Xi menna’s sister, Tina!”” ”

“““This ...”” Zhao Yu took a deep breath, nodded, and said,”““this is a bit unexpected!”” If Zhu Yundi is related to the XI sisters, then ... All of our previous conjectures will have to be overturned and we’ll have to start all over again!”” ”

“““By the way ...”” Miao Ying quickly turned to the next photo and said,”““there’s more than one photo here!”” There’s a lot of information in there ...”” ”

“““Oh?”” Zhao Yu flipped through a few photos and found that there were at least six or seven of them, all of which were photos of Zhu Yundi and the person who looked like Xi menna on the beach. ”

“““Also,”” Miao Ying added,”““this photo was obviously taken from a long distance camera, which means that the photo might have been taken secretly!”” ”

“““A remote camera ...”” Zhao Yu looked at his phone.”““You mean, pan Suxi secretly took these photos?”” ”

“““Right!”” Miao Ying said,““the information I’ve been looking up all night was all about this pan Suxi. I have a feeling that the person who really had something to do with Zhu Yundi’s fall into the sea was this female secretary!”” ”

“““Oh ...”” Zhao Yu nodded and said,““that’s why you were able to find this set of photos, but ... But ...”” Zhao Yu thought about it carefully, then shook his head and said,““that’s not right!”” ”

“““If pan Suxi was related to Zhu Yundi’s fall into the sea, then ... Why didn’t she delete the photo? Why do I feel that pan Suxi isn’t on guard?”” ”

“““Is that so?”” Miao Ying also thought about it seriously, and felt that what Zhao Yu said made sense. The person who pushed Zhu Yundi into the sea was a meticulous person. How could he have left behind such an important flaw? ”

“““So ...”” Miao Ying said,““you mean to say that Zhu Yundi’s fall into the sea had nothing to do with this photo? Or ... Is there any other possibility?”” ”

“““You just don’t know,”” Zhao Yu said as he started to put on his clothes.““Let’s talk to the person involved now!”” ”

“““It’s ... It’s so late ...”” Miao Ying pointed to the clock and said,““there’s only two hours left before dawn!”” ”

“““No!”” Zhao Yu shook his head.““Qi Jianhua has already warned us. I don’t want anything to happen to the important people involved at the critical moment!”” ”

“““Right!”” ”

His words reminded Miao Ying. The two of them quickly put on their clothes and went straight to pan Suxi’s place.

“Pan Suxi didn’t live in the VIP area, but it wasn’t far away. The two of them found her room very quickly. ”

“Fortunately, there were no accidents this time. After Zhao Yu knocked on the door, pan Suxi, who was in her pajamas, quickly opened the door. ”

“““What’s the matter, officers?”” Seeing Zhao Yu and Miao Ying, pan Suxi was excited.““Did you find chief Zhu?”” ”

Eh?

“Zhao Yu noticed that although pan Suxi was wearing pajamas, she didn’t look like she had just woken up from a dream. She looked Haggard, her hair was unkempt, and she reeked of alcohol. It seemed ... ”

“Sure enough, when Zhao Yu stepped into the room, he saw that pan Suxi’s room was in a mess, and there were a few red wine bottles on the floor. ”

“Obviously, Zhu Yundi had not slept all night and was drowning his sorrows in alcohol! ”

“Looking at this scene, Zhao Yu’s guard lowered a little. It seemed that pan Suxi was still worried about Zhu Yundi’s life and death. ”

“Miao Ying closed the door, then raised the photo in front of pan Suxi’s face and asked,“”” Pan Suxi, what’s with this photo? In the photo, who is the woman with Zhu Yundi?“” ”

“”” Ah?“” Pan Suxi was surprised. She was stunned for a few seconds before she looked at the photo and asked,“” did ... Did I take this?“” ”

“When pan Suxi said that, Zhao Yu and Miao Ying looked at each other. ”

“”” I found it on your phone,“” Miao Ying said.“” What do you think?“” ”

“”” Oh ... Yes, yes, yes ... I took it. I almost forgot ... I’m sorry,“” pan Suxi said awkwardly.“” You guys just asked me a question that made me confused. Isn’t this the photo I took on my phone?“” ”

“”” Didn’t you guys already return my phone to me? Why ... Why is there a photo on my phone?“” ”

“”” Cut the crap,“” Zhao Yu said.“” Tell us, who is this woman? Where did you take this photo?“” ”

“”” The immortal book!“” Pan Suxi put on her glasses and said solemnly,“” this was taken from the immortal book. I secretly took it!“” ”

“”” What do you mean by secretly taking photos?“” Zhao Yu frowned.“” Isn’t it just secretly taking photos?“” ”

“”” ... “” Pan Suxi was even more embarrassed, and her face turned red. ”

“”” Why did you secretly take a photo?“” “” Who is this woman?“” Zhao Yu asked again. ”

“”” I don’t know her name, but I feel like she’s of mixed blood or a foreigner?“” Pan Suxi replied,“” because I heard her speak English!“” ”

“”” But ... But ... “” Pan Suxi looked at Zhao Yu and Miao Ying curiously, then asked,“” does this person have anything to do with director Zhu’s death?“” Why are you so interested in this photo?“” ”

“”” Tsk tsk ... “” Zhao Yu pouted and said heavily,“” tell us the details of this photo immediately!“” ”

“”” What kind of relationship does this woman have with your chief Zhu?!“” ”

Chapter 2228: Chapter 2224-most ruthless move

“”” What relationship can there be?“” Pan Suxi revealed a jealous and helpless expression.“” You must be an old lover.“” ”

“”” This photo,“” pan Suxi pointed at her phone and said,“” I took it from the immortal book half a year ago! “” At that time, chief Zhu was attending a business meeting there. I noticed that she would take a few hours out of the hotel almost every day, and she was alone. Her whereabouts were secretive ... ”

“”” I was very curious, so I followed her one day, only to find out that she was on a secret date with her lover! ”

“““At that time ... Of course, I was very upset,”” pan Suxi shook her head and sighed.””But, I also know that director Zhu will not only love me!”” ”

“““After that, I gradually got over it ...”” ”

Half a year ago ...

“Zhao Yu recalled that, at that time, Xi menna was still being held captive by the United Kingdom military, so the woman who was close to Zhu Yundi should be Tina! ”

“““What? is that all?”” Miao Ying was obviously not satisfied.””You really don’t know the woman’s name and background?”” ”

“““I don’t know! What’s the point of knowing?”” Pan Suxi said gloomily,””I’ve been regretting it all this time. I shouldn’t have interfered with President Zhu’s privacy that day. Why do I remember ... I deleted all these photos after that?”” ”

“““Didn’t you delete it? I was too busy with work and forgot about it. Fortunately, chief Zhu didn’t see it ...”” ”

“““So,”” Zhao Yu asked,””you’ve only seen this woman once?”” ”

“““Yes ...”” Pan Suxi nodded. ”

“““Then ...”” Zhao Yu asked again,””does your chief Zhu have any other lovers?”” ”

“““Yes, of course, but ...”” Pan Suxi said,””it’s all just an act, right?”” Do you want to know how many famous female celebrities there are?”” ”

“““Let me ask you,”” Zhao Yu asked seriously,””every time your chief Zhu meets with his lover, is he as secretive as when he met this woman?”” ”

“““Why do you ask?”” Pan Suxi thought for a moment and replied,””now that you mention it, I really remember! In the past, no matter who director Zhu was meeting on a secret date with, he would at least bring his driver and bodyguards! ”

“““But ... She was alone in the immortal book,”” pan Suxi recalled.””It was because she was alone that I secretly followed her! ”

“““I’m not just curious, I’m also afraid that she might be in danger!”” ”

Oh ...

“Zhao Yu nodded slightly. From this, it seemed that pan Suxi and Tina’s date might have other purposes. It was true that she had a relationship with Tina, but perhaps they had business dealings as well. ”

“At that time, Xi Wei was already dead and all of his businesses had been taken over by Tina. Since Zhu Yundi had a close relationship with Tina, it was possible that she had done business with Xi Wei before! ”

Oh my God ...

“The more Zhao Yu thought about it, the more shocked he became. If that was really the case, then behind Zhu Yundi’s fall into the sea, there might be an even more complicated hidden story! ”

“Or perhaps, if he could solve the case of Zhu Yundi falling into the sea, he would be able to find out the whereabouts of Xi Wei’s treasure ... ”

“After that, Zhao Yu asked pan Suxi a lot of questions, and pan Suxi answered all of them truthfully. They didn’t leave pan Suxi’s room until dawn. ”

“Before he left, Zhao Yu warned pan Suxi that their conversation was top secret and not to be revealed to anyone. Pan Suxi naturally agreed. ”

“After returning to their room, Zhao Yu and Miao Ying were frowning. Obviously, this new discovery had messed up all of their previous guesses, making it harder and harder for them to see the truth! ”

“““This matter is getting more and more difficult to figure out!”” Miao Ying unfolded the piece of paper that was filled with the case information and muttered,““if Zhu Yundi and Tina are lovers, then...Does she have something to do with Xi Wei’s treasure? ”

“““Could it be that ... Zhu Yundi also received news of Xi Wei’s treasure, so she bought this cruise ship?”” ”

“““But ...”” Zhao Yu shook his head and said,““the treasure has already been taken away! What’s the point of her buying a cruise ship?”” ”

“““You see ...”” Miao Ying continued to analyze.““Zhu Yundi and Tina definitely knew each other for more than a day or two. So, we have reason to suspect that Zhu Yundi, and even Zhu Xicheng, might have worked with Xi Wei before. ”

“““So, behind the siblings”” Tianqin group, there might be a lot of hidden illegal activities! ”

“““Then ... Could it be that Tina’s treasure transfer this time is also related to Zhu Yundi?”” ”

“““The point is ...”” Zhao Yu pouted and said,““if that was the case, would Zhu Yundi be stupid enough to buy a cruise ship? What was this called? Wouldn’t Zhu Yundi be bringing trouble upon himself if he didn’t do anything? ”

“““Could it be that she’s afraid that we won’t be able to find out that she has an affair with Xiwei group?”” ”

“““Yup!”” Miao Ying thought hard.““Chaos, it’s all chaos! Now that Zhu Yundi suddenly fell into the sea and died without any evidence, it’s even more impossible for us to make a judgment!”” ”

“““Contradiction, it’s all a contradiction!”” Zhao Yu said,““if Zhu Yundi was involved in Xi Wei’s treasure incident and obtained the treasure, she wouldn’t have bought the cruise ship. ”

“““If Zhu Yundi bought the cruise ship to find the treasure, it doesn’t make sense. Obviously, the treasure has already been moved ... What ... What is going on?”” ”

“““It seems that,”” Miao Ying said,““no matter what clues we find, we must first find the person who pushed Zhu Yundi into the sea! ”

“““This person is the key person to figure out the whole truth!”” ”

“““Mm ...”” Zhao Yu pinched his forehead. He was obviously saying that the case of Zhu Yundi falling into the sea had reached a dead end, and it would not be easy to find the murderer. ”

“““Zhao Yu,”” Miao Ying calmed herself down and said to Zhao Yu,””look, the murderer not only pushed Zhu Yundi into the sea, but also framed Guan xiujie, and even searched Zhu Yundi’s room! ”

“““Do you think the thing he’s looking for is the key to Zhu Yundi’s murder? ”

“““Could that thing be the clue to Xi Wei’s treasure?”” ”

“““But ...”” Zhao Yu made a hypothesis,””the person who helped Tina move the treasure was that kanssaway, right? It obviously has nothing to do with Zhu Yundi. Moreover, it doesn’t seem very reasonable for Zhu Yundi to buy this cruise ship, right?”” ”

“““The treasure ...”” Miao Ying’s eyes widened.””Could it have been hidden on the ship? Could the disappearance of the two cargo trucks be a cover-up?”” ”

“““Eh?”” Hearing this, Zhao Yu’s eyes lit up, but the light quickly disappeared. ”

“This was because he had already checked the cruise ship with his own devices. If there were really two big carts of treasure, it was impossible for him to not detect it. ”

“Just like that, Zhao Yu and Miao Ying fell into an endless loop. They kept making assumptions and then overthrowing them. In the end, they even forgot to have breakfast. ”

Miao Ying had stayed up all night and finally couldn’t stand it anymore. She immediately suggested to Zhao Yu that they go to the restaurant to eat something first.

“However, at this moment, Zhao Yu was in a state of magic. He looked at the white paper full of information, as if he had thought of something important. ”

Miao Ying had no choice but to go to the dining room alone.

“Of course, miss Miao was not in the mood to eat in the dining room. She hurriedly packed the food from the dining room and brought the sumptuous breakfast back to her room. ”

“In the end, when she returned to her room, Miao Ying was shocked to find that Zhao Yu had torn the white paper in half! ”

“““It can’t be?”” Miao Ying thought that Zhao Yu had gone crazy, so she rushed forward and asked,””Zhao Yu, are you okay? What is this for?”” ”

“““Ai! Zhao Yu sighed and looked at Miao Ying with grief and indignation.”” I’ve already figured out the truth. It seems that this time, my famous detective Zhao has been fooled!”” ”

“““Ah?”” Miao Ying was shocked and asked in a hurry,””Zhao Yu, what do you know? You’ve seen through the truth? What is the truth?”” ”

“““Hmph!”” “““Hmph!”” Zhao Yu snorted coldly and said gloomily,””the murderer who pushed Zhu Yundi into the sea actually used the most vicious move of the thirty-six Stratagems on us!”” ”

“““Ah?”” Miao Ying asked again,””which move?”” ”

“““This move is the legendary”” looking at others while farting “”!”” Zhao Yu roared,“” actually, he did it himself!!!”” ”

## Chapter 2229: The smartest person

“““What!”” Miao Ying’s face darkened.””Out of the thirty-six Stratagems, there’s no such plan. ”

“““Your words, also ...”” Miao Ying did not finish, but seemed to understand what Zhao Yu meant. Her expression suddenly changed, and she asked,“”Zhao Yu, are you saying, Guan xiujie or Zhu Yundi ...”” ”

“““Of course it’s Zhu Yundi!”” Zhao Yu answered. ”

“““Ah?”” Miao Ying was shocked,“”Zhu Yundi?”” You’re saying that ... Zhu Yundi ... Jumped into the sea of her own accord? Why ... Why?”” ”

“““Motherf \* cker!”” Zhao Yu said dejectedly,“”we might have been set up by this woman! We’ve thought of several possibilities of her falling into the sea, but we’ve completely ignored the most unbelievable possibility! ”

“““That is, she jumped down on her own! All of this was her plan to escape! ”

“““Damn it, I actually didn’t see through it earlier!”” ”

“““What? “”Wait ... Wait ...”” Miao Ying suddenly felt that something was wrong and asked in a hurry,“”Zhao Yu, you need evidence to make such a guess! ”

“““A life is at stake. If your speculation is wrong, then the murderer may get away with it!”” ”

“““Yes, yes ...”” Zhao Yu said.””I don’t have any evidence, but after I combined all the clues, there is only one explanation left! ”

“““Didn’t that person say that? After eliminating all the possibilities, no matter how unbelievable the remaining possibility was, it must be the truth! ”

“““Meow Meow ... Think about it!”” Zhao Yu said excitedly,“”seven months ago, I saw Tina once in Africa. Because they looked so similar, I thought it was Xi menna who had broken out of prison! ”

“““Back then, I turned Tina’s evil family upside down and successfully rescued londee and your father. So, Tina must have hated me to the core and wanted to assassinate me ... ”

“““However, londee was released from prison, and the flames of revenge erupted from this old man. He used all his strength to suppress Tina and Xi Wei’s remaining forces in revenge, and soon, she was forced into a dead end ... ”

“““Come to think of it, Tina and Zhu Yundi met half a year ago. So, at that time, Tina must have told Zhu Yundi about my great achievements! ”

“““So, when I boarded the Heavenly King and was seen by Zhu Yundi in the casino, Zhu Yundi must have been shocked! ”

“““At that time, she sat next to me as if nothing had happened and even tried to strike up a conversation with me. Now that I think about it, she was probably testing me to see if I boarded the Heavenly King for her! ”

“““Just wait and see! ““At that time, Zhu Yundi must have panicked. She was worried that I would find out about her relationship with Xiwei group and that I was here to arrest her! ”

“““But, this woman was very smart. After meeting me at the casino, she was pretty sure that I hadn’t listed her as a suspect yet! ”

“““So, she simply played along and got us all involved!”“ ”

“““You ... You’re saying ...”“ Miao Ying asked.”“She wanted to use her falling into the sea to interfere with our vision?”“ ”

“““Not only that,”“ Zhao Yu said,”“her falling into the sea might have been part of her plan! However, because of my appearance, it could only be brought forward! ”

“““This woman is really smart. She paid me a hundred million Yuan to find out the truth of the missing yacht case. In addition to really wanting to know the truth, she also wanted to keep me in check! ”

“““And me! ““I didn’t realize that it was her plan to delay the enemy. That night, I was only focused on the missing yacht case from four years ago and neglected Xi Wei’s vault and Zhu Yundi’s own problems! ”

“““I was tricked, I was really tricked! But ... You can’t blame me for this!”“ Zhao Yu tried to comfort himself,”“who the hell would know that Zhu Yundi and Tina were made of glass?”“ ”

“““Zhao Yu, Zhao Yu ...”“ Miao Ying made a pause gesture and said,”“the house of sin is top secret. Have you forgotten that I don’t know anything about it? ”

“““This isn’t the first time my dad has been captured by an enemy?”“ ”

“““Mm ... About that ...”“ Zhao Yu realized that he had said something he shouldn’t have, so he quickly said,”“let’s not worry about that first! Since it’s a secret, I’d better not tell you! ”

“““Let’s ... Um ... Let’s talk about what’s in front of us first!”“ ”

“““Right now is fine,”“ Miao Ying said seriously.”“Then can you tell me the sequence of events? I’m still confused. Even though Zhu Yundi and Tina had an affair, Xi Wei’s treasure was not transferred through Zhu Yundi. ”

“““If that’s the case, why would Zhu Yundi be afraid of you?”“ ”

“““Don’t worry, don’t worry. Let me explain it to you slowly. When you understand, you will know how smart Zhu Yundi is!”“ Zhao Yu calmed himself down and organized his thoughts. He then said,”“you don’t know about the house of sin, but I’ve told you everything that happened in Korea! ”

“““Don’t forget how we got on this cruise!”“ ”

“““Of course.”“ Miao Ying shrugged her shoulders.”“At the place where Xi Wei’s treasure was hidden, we found a flyer for the Heavenly King!”“ ”

“““This flyer was obviously left behind by Tina,”” Zhao Yu said.”“At first, I thought that this flyer was a clue that Tina left for Xi menna! ”

“““But now it seems that ... Tina wanted to leave it to someone else, and that person is Qianqian, Zhu Yundi!”” ”

“““Oh?”” In order to keep up with Zhao Yu’s rhythm, Miao Ying’s thoughts began to spin at high speed. ”

“““The whole thing should be like this!”” Zhao Yu said,””Tina realized that she had lost the upper hand, so in order to preserve her last bit of strength, she decided to move Xi Wei’s treasure. ”

“““So, she found her old acquaintance, the captain of the Uranus cruise ship, kansarway, and used the ship to transfer the treasure to nagashi! ”

“““After the transfer, she bought a professional killer to kill kansarway! ”

“““Kansarway must have helped Tina smuggle a lot of things, so he was caught off guard and died in that car accident. ”

“““After that, Tina found out that londee was hunting her down everywhere, so she revealed the treasure to Zhu Yundi and asked Zhu Yundi to keep it for her! ”

“““Since they’re made of glass, then Zhu Yundi might be the only person in the world who Tina can trust and has the ability to protect Xi Wei’s treasure!”” ”

“““You mean,”” Miao Ying asked,””Zhu Yundi had already gotten hold of Xi Wei’s treasure? Then ... Why did she buy the cruise ship and come back to it?”” ”

“““Right!”” Zhao Yu said,””this is the most brilliant part of her! ”

“““Even though I was outside of her plans, it didn’t stop her from escaping her shell. The reason why she made such a big move, bought the cruise ship, and even put on a show of being buried in the sea, was so that she could openly withdraw from the front line. This way, no one would ever think that she was related to Xi Wei’s treasure!”” ”

“““She ... She bought the cruise ship on purpose?”” Miao Ying was shocked.”“Before she bought the cruise, she already had the treasure?”” ”

“““Right, look!”” Zhao Yu said,””didn’t we get tricked successfully? Because the treasure had already been moved away before she bought the cruise ship, we did not link Zhu Yundi to the treasure at all, did we? ”

“““Let’s watch the next part. Her falling into the sea is also the most exciting part of this play! ”

“““Because her brother also died from falling into the sea, and all the suspects from the yacht disappearance case were gathered on the cruise, Zhu Yundi’s fall into the sea at this time obviously attracted everyone’s attention, and all of them were on these suspects! ”

“““But in fact, whether it’s messing up the room or framing Guan xiujie, it’s all part of her self-directed play of falling into the sea! ”

“““This way, our line of sight will be completely blocked! I won’t think about anything else ...”” ”

“““Oh ...”” Miao Ying suddenly realized,““no wonder we always felt that it was unreasonable to frame Guan xiujie!”” After all that, Zhu Yundi was just trying to divert attention and stall for time!”” ”

“““Yup!”” Zhao Yu said,““the facts have proven that we did spend a lot of time looking for the things that were lost in her room, as well as Yu xiujie’s past! ”

“““Look at others farting. In fact, it was all her own doing!”” Zhao Yu shook his head and sighed.““This trick is really hard to guard against!”” ”

Chapter 2230: Chapter 2225-do you still have a chance?

“““That is to say ...”” In the bedroom, Miao Ying was still in shock.““Xi Wei’s treasure had long fallen into Zhu Yundi’s hands?”” ”

“““She just wanted to use the method of falling into the sea to get rid of suspicion?”” ”

“““Right!”” Zhao Yu said,““I suspect that she was well prepared. After she jumped off the cruise ship, someone was already waiting for her on the sea!”” ”

“““But ...”” Miao Ying pointed to the door and said,““you’ve seen Zhu Yundi’s room. The VIP area is on the top floor of the cruise ship. Jumping from her balcony to the surface of the water was nearly 50 meters. It was also late at night. This jump was extremely risky!”” ”

“““Yes,”” Zhao Yu said.““I thought about it before, but I saw from Zhu Yundi’s information that she was very good at swimming. When she was young, she even participated in a provincial swimming competition! ”

“““Also, she’s been going to the beach or the swimming pool frequently recently. What if she’s been practicing diving?”” ”

“““This ...”” Miao Ying sat on the sofa with a worried face and muttered,““if your inference is true, then ... Zhu Yundi did not die at all, but faked her death by using the cruise ship to fall into the sea! ”

“““And now ... She’s already taken those treasures and left the world?”” ”

“““That’s very likely!”” Zhao Yu said,““now that Tina is dead, it means that Zhu Yundi has taken all of Xi Wei’s treasures. With those things, she can live a carefree life for the rest of her life!”” ”

“““Then ...”” Miao Ying asked.““Is our chance of finding her very slim? It seems like ... We can only see if secret services can find out anything. The goods were taken from naki. If Zhu Yundi took the treasure away, where would he hide it?”” ”

“““Or maybe,”” Zhao Yu said,““the van that nagashi used to get off the ship was also a cover-up!”” ”

“““Ah?”” Miao Ying was shocked.““You mean ... The goods are still on the ship?”” ”

“““No!”” Zhao Yu analyzed, ““the goods should have been transported to a safe place by Zhu Yundi a long time ago. Think about it! If the two cargo trucks that got off the ship from Nagasaki really contained Xi Wei’s treasure, why didn’t Tina erase the surveillance video of the cruise? ”

“““She’s already bribed the captain. It should be very easy to erase the video, right?”” ”

“““Oh ...”” Miao Ying nodded. ““That is to say, this was all Tina’s plan? Then ... Are there only two places to go for the treasure? ”

“““One is the next stop, Fukuoka, and the other is Jinghai Harbor?”” ”

“““Right!”” Zhao Yu said, ““maybe, the treasure has returned to the original point of our speculation. I feel that since Tina dropped off the cargo van on Nagasaki, the possibility of her leaving the treasure in Japan is very small!”” ”

“““So,”” Miao Ying understood what Zhao Yu meant, ““the treasure is most likely to have followed the cruise ship back to Jinghai port. So, we have to work on Jinghai port next!”” ”

“““Perhaps it won’t be difficult to investigate after we have a clear direction!”” Zhao Yu said, ““you see, two cargo trucks have already left the Nagasaki, so when they were in Jinghai port, they chose another cargo truck! ”

“““So, we should focus on investigating the Jinghai Harbor’s surveillance and tracking the whereabouts of the other cargo van. Maybe we will find something!”” ”

“““Hmm, it seems that’s the only way!”” Miao Ying took out her phone. ““Should I report this to the higher-ups now?”” ”

“Zhao Yu nodded silently, then shook his head and sighed. ““I can’t believe this is the truth of the cruise ship falling into the sea case. Zhu Yundi, Zhu Yundi ... ”

“““In order to escape our investigation, in order to hide from all the people who were after Xi Wei’s treasure, she actually put on a show of jumping into the sea! You’re really something ...”” ”

“““But ... There’s something I don’t understand. Even if Xi Wei’s treasure is enough for her to live a carefree life,”” Miao Ying said, ““is Zhu Yundi really willing to give up her business empire and her wealth?”” ”

“““It’s not a choice,”” Zhao Yu said sadly. ““I was forced to! ”

“““I think that besides Xi Wei’s treasure, Zhu Yundi and her brother, Zhu Xicheng, not only did they do business with Xi Wei, but they might have also committed many serious crimes. ”

“““The Tianqin group’s rapid rise may be backed by evil and blood. ”

“““So, Zhu Yundi had no choice but to give up her business empire and jump off the ship! ”

“““If we catch her, I’m afraid she’ll have to spend the rest of her life in prison! ”

“““And,”” Zhao Yu said, ““there’s another benefit to her choosing to withdraw in this way. That is, her second brother, who is skiing in Europe, will inherit the Tianqin group. So, the business empire is still in the hands of the Zhu family, and she has not lost it at all!”” ”

“Zhao Yu, your words reminded me.” Miao Ying’s eyes suddenly widened. “Shouldn’t we investigate her second brother? When Zhu Yundi fell into the sea, she definitely needed someone’s help. Could her second brother also be an insider?”

“It’s necessary to investigate, but,” Zhao Yu shook his head and said, “with Zhu Yundi’s shrewdness, she would definitely not let her second brother know too much!”

“The way I see it, we should focus on investigating the Tianqin group’s illegal activities and find out what they’ve been doing with Xi Wei!”

“Also,” Zhao Yu pointed to a Sea Map on the table and said, “if Zhu Yundi was prepared to jump into the sea, then there must be someone waiting for her at sea. Moreover, we are in the depths of the sea, so we are definitely not a small boat!”

“Is there a way to check?”

“Well ...” Miao Ying picked up her phone again. “We can only see if secret services has a way!” She said. I feel that it should be very difficult, right?”

“Furthermore, it has been three days since Zhu Yundi fell into the sea ...”

“Then I can only try!” Zhao Yu said, “go and report it now! Tell them all my speculations and see if they can find Zhu Yundi!”

“Alright ...”

“Then, Miao Ying made a call to report. Zhao Yu picked up the white paper that he had torn in half, feeling a little unconvinced.”

“As far as he could remember, even if he had met a criminal like Han Kuan, he had never suffered so much. At the end of the investigation, Zhu Yundi might have jumped into the sea herself!”

This was the first case that Zhao Yu had not solved since he had transmigrated!

“However, Zhao Yu also understood that he couldn’t be blamed for not solving the case well.”

“After all, he had only met Zhu Yundi for the first time after boarding the cruise ship. He was not here for this woman.”

“If Miao Ying hadn’t found a photo of Pan Suxi and Tina on her phone, they would still be looking for the murderer!”

“Of course, it could not be said that Zhao Yu had failed completely. At least he now had a clear understanding of the ins and outs, and had obtained important clues about Xi Wei’s treasure.”

“In that case, could he think of a way to find Zhu Yundi, who had already fallen into the sea and faked her death?”

“If they could really find Zhu Yundi, it would mean that they could find Xi Wei’s treasure!”

“However, the world was so big and Zhu Yundi was so smart. Where would she be hiding?”

Eh?

Sigh ...

“Suddenly, Zhao Yu’s heart moved, as if he had thought of something.”

“If ... If ... There was such a possibility, would there be a chance for things to turn around?”

“After all, not everyone knew that londee had captured Tina and had killed her!”

What if Zhu Yundi did not know that Tina was already dead?

Then ...

“Thinking of this, Zhao Yu’s eyes flashed with a hint of slyness, and he thought to himself, ”do I still have a chance to catch Zhu Yundi?” ”
