Chapter 2241: Chapter 2236-your mission

“In fact, a long time ago, when Zhao Yu had just met Miao Ying, he had eavesdropped on a conversation between Miao Ying’s mother and Miao Ying because of the invisible listening device. ”

“So, when the real Mrs. Miao appeared, Zhao Yu no longer doubted her identity just by her voice. ”

“Zhao Yu remembered that during the eavesdropping, Miao Ying’s mother was sharp with her words, and he knew that she was not someone to be trifled with. ”

“Because of this, even though Zhao Yu had been tested by her, Zhao Yu didn’t really lose his temper, which was enough to give face to her future mother-in-law. ”

“When the mother-in-law, whose codename was cactus, passed the transfer order to Zhao Yu, the atmosphere in the command vehicle became even more depressing and awkward. ”

“Zhao Yu had met many people before, and he could feel that his mother-in-law was very difficult to get close to, and always kept a distance from him. ”

“It was different from when Zhao Yu had first met his father-in-law, Miao kun. Although Zhao Yu had beaten his father-in-law up, after spending time with him, he realized that Miao kun was the kind of person that Zhao Yu could let down his guard against and talk about everything. ”

“However, this mother-in-law’s behavior was neither cold nor warm, which made him very uncomfortable. ”

“Besides, counter-terrorism was something that only existed in Zhao Yu’s imagination. Even though he had joined the Secret Service, he had never been involved in any counter-terrorism missions. ”

“He knew that his mother-in-law was part of the Secret Service’s anti-terrorist team, so her rank must not be low. Since her rank was not low, it meant that the trouble they were in now must be very serious! ”

Oh my God!

Could it really be 24 hours in Shanghai? Someone had obtained an atomic bomb and wanted to carry out a large-scale terrorist attack?

“Thinking of this, Zhao Yu was about to ask what kind of mission they were going to complete. However, his phone rang first. ”

“After picking up the call, he saw that it was from cui Lizhu. ”

“”Boss,”” cui Lizhu asked worriedly,””are you okay?”” What was going on? Who was that woman? You two seem to be very familiar with each other. Is she your old flame?”” ”

“”...”” Zhao Yu was speechless and quickly asked,””how are you?”” Where are you now?”” ”

“”I’m back at the Shanghai police station, I’m fine! But ...”” ”

“““Cui,”” Zhao Yu knew the professional ethics of the Secret Service, so he immediately reminded her,”” don’t tell anyone about what happened just now, including Zeng ke and the others. Just tell them that I received an urgent task and have to leave for a few days!”” ”

“““I’ll leave the arm case in the safe to you!”” ”

“““Remember, the watch line can’t be broken. If you can’t find any information from one watch shop, ask a few more!”” ”

“““Oh ... The case ... It’s a small matter, but you ...”” Cui Lizhu was obviously worried about Zhao Yu. ”

“““Don’t worry!”” Zhao Yu comforted her,””this is just an ordinary emergency mission. I’ll be back in a few days!”” ”

“““Oh, alright then! You ... You must be careful, that woman doesn’t look like a good person ...”” ”

“““Alright, alright! Hang up, hurry!”” ”

“Just as Zhao Yu hung up Cui Lizhu’s call, another unknown number called. ”

“Zhao Yu first looked at his future mother-in-law, but he saw that she was looking at her phone and had no intention of responding to him. ”

Zhao Yu pressed the answer button again.

“““Hello, Zhao Yu, it’s me.”” An impatient man’s voice came from the phone. It was his father-in-law, Miao kun.””Tell me quickly, are you with her?”” he asked. ”

“““Her?”” ““Who is it?”” Zhao Yu asked hypocritically. ”

“““Don’t play dumb. She must have told you about her thorny codename, right?”” ““Look at her!”” Miao kun shouted.””You can tell that she’s Miao Miao’s mother!”” ”

“““Oh, you’re talking about my mother-in-law? she’s here!”” Zhao Yu then said,””we had a good talk. She gave me a transfer order and asked me to help her complete her mission!”” ”

“““What the hell!”” Miao kun was furious.””Hurry! Give her the phone, I’ll talk to her!”” ”

“““Oh ...”” Seeing that his father-in-law was furious, Zhao Yu had no choice but to pass his phone to his mother-in-law. However, Zhao Yu was very cunning. When he passed his phone to his mother-in-law, he deliberately put it on speaker. ”

“““Hey!”” ”

“The mother-in-law took the phone and said hello, but then she heard Miao kun’s voice on the phone,””““Ah Qin, rabbits don’t eat the grass by their Burrows. How could you do such an immoral thing?”” ”

“““Zhao Yu doesn’t understand your operation at all. What if there’s danger? Do you think you can face your daughter?”” ”

“““I think ...”” Unexpectedly, his mother-in-law did not turn off the speaker. Instead, she said slowly,””you’re angry that I poached you, right?”” ”

“““So what if I am?”” Miao kun said,““there are so many elites in your anti-fear group. Do you have to make fun of your own son-in-law? He’s only a detective, not a professional. Aren’t you harming him by doing this?”” ”

“““Miao,”” said the mother-in-law, whose name was ah Qin, with a stern face.““It’s useless to say this. The transfer order was issued by the higher-ups, don’t talk nonsense with me!”” ”

“.....”

“Hearing this, Zhao Yu felt very embarrassed. He didn’t expect his father-in-law and his ex-mother-in-law to be so against each other. He was really curious, how did they get together and give birth to Miao Ying?”

“““You! You thorn!”” ““I’m telling you,”” Miao kun scolded.““If Zhao Yu is hurt, not only me, but your daughter will also go crazy with you! Tsk!”” ”

“““Alright!”” ““It would have been better if you didn’t say it,”” the mother-in-law said, looking at Zhao Yu.““Since you said so, I’m going to play with Zhao Yu to death. I’ll see how you guys are going to play with me!”” ”

“.....”

“Zhao Yu suddenly felt like he was burning, as if he was sitting on a burning charcoal. ”

“““You!”” ““Pass the phone to Zhao Yu,”” Miao kun said through the phone.““Zhao Yu, you heard it. Don’t rush forward, and hide if you can ...”” ”

Cut ...

His mother-in-law had already hung up the phone.

“““Hmph, don’t worry about me.”” The mother-in-law narrowed her eyes and returned the phone to Zhao Yu.““Do I need you to meddle in my business?”” ”

“““Zhao Yu!”” Then, she shouted at Zhao Yu, which gave Zhao Yu a shock.““I was just angry with him! Don’t think too much about it, I know what I’m doing. This time, I just need you to show your detective skills!”

“““It’s an emergency. Otherwise, I wouldn’t have come to you!”” ”

“““Oh?”” Zhao Yu calmed himself down and finally got to the main point,““mother-in-law, what mission do you want me to complete?”” ”

“““Have you heard of the rich man Li Singapore?”” Who knew that his mother-in-law would suddenly ask this?”

“Zhao Yu shook his head, indicating that he had never heard of it. ”

“““It seems that you’re still not too interested in the international situation!”” His mother-in-law said,““rich man Li is the head of a large Financial Group in Singapore. He was the one who built all the rich and powerful buildings in Shanghai!”” ”

“““Oh ...”” Zhao Yu looked at his mother-in-law carefully, but he still didn’t know what this had to do with him. ”

“““Here ...”” At this time, Zhao Yu’s mother-in-law handed him a document.”“These are some things that you need to remember. Later, we will drive to the multi-millionaire’s building. This is your mission!”” ”

Zhao Yu opened the information and saw that the first page was a picture of a beautiful woman.

“““This ...”” Zhao Yu was even more confused. ”

“““This woman is rich man Li’s youngest daughter,”” the mother-in-law said calmly.”“Your mission is to get close to this woman, the closer you are to her!”” ”

Chapter 2242: That’s your business

“““I don’t care what methods you use,”” in the command vehicle, Zhao Yu’s mother-in-law said to Zhao Yu.”“You have to get rich man Li’s daughter today!”” ”

“““Remember, you’re a Special Agent of the Secret Service. In order to complete the mission, you must give it your all and cast aside your personal distractions!”” ”

“““Mm ...”” Zhao Yu blinked his big eyes, obviously not listening to a word his mother-in-law said. After his mother-in-law finished, he asked weakly,”“are you sure you’re not joking with me?”

“““Didn’t you say that this mission is related to my profession? Could it be that ... He was not a detective? Isn’t this a little too sudden?”” ”

“““Be serious!”” The mother-in-law said seriously,”“remember, the mission you have to complete is of great importance. It may involve countless lives and even the safety of the country!”” ”

“““But ...”” Zhao Yu swallowed his saliva.”“Hitting on other people’s daughters is not my specialty. Aren’t there a lot of people who are more handsome than me?”” ”

“““No, you’re wrong!”” The mother-in-law said,”“li liya, the youngest daughter of rich man Li, is your fan. Do you remember the Gu mantong serial murder case?”

“““One of the cases happened in Singapore, and that case left a deep impression on li liya. So, after you solved the Gu mantong murder case, she had been sending people to find out the truth of the case. ”

“““Since then, she has seen every case you solved and has already established you as her idol! He even sent someone to contact you, wanting to have dinner with you and discuss detective stories! ”

“““Now,”” Zhao Yu’s mother-in-law looked up at Zhao Yu and said,”“do you understand why we insisted on letting you participate in this mission?”

“““Only a brick like you will not arouse their suspicion!”” ”

“““Fine, I’ve turned into a brick again!”” Zhao Yu mumbled to himself, then asked his own question,”“but I still don’t understand. Even if I did get together with her, what could I do? ”

“““Don’t tell me you want me to marry into their family and let her give birth to my child?”” ”

“““That’s wishful thinking.”” The mother-in-law glanced at everyone in the command vehicle, then finally told the truth.”“Zhao Yu, we sent you to get close to the Li family’s miss for a purpose! ”

“““Actually, we’re helping you and that old man Miao kun clean up your mess!”” ”

“““Mm ... What the ...”” Zhao Yu was completely dumbfounded, and he asked with a wronged expression,”“we’re just wiping our butts, what does that have to do with picking up girls? Isn’t your train of thought a little too much?”” ”

“““The news of you guys capturing Xi Wei’s daughter and finding Xi Wei’s treasure still leaked out in the end!”” The mother-in-law said without a smile,”“now, there are undercurrents on the international level. We have once again been pushed to the forefront of the storm!”” ”

“““F * ck!”” Zhao Yu’s eyes widened.”“It must be ... It must be the old man, the chief!”” He was indeed playing dirty. The news must have been leaked by him! ”

“““Let’s just wait and see. He doesn’t even know what happened to Xi Wei’s treasure. He’s just making a wild guess!”” ”

“““Your reaction is not bad,”” the mother-in-law praised.”“The Middle-Eastern old man is indeed the culprit, but now that the news has been released, we have to evaluate all the risks and deal with it well.”” ”

“““But,”” Zhao Yu wondered,”“what does it have to do with the daughter of rich man Li?”” ”

“““Before this, I’m afraid you’ve already predicted that londee would not hesitate to cause such a huge commotion in Korea just to find Xi Wei’s treasure. Then...He must be afraid of something!”” The mother-in-law said. ”

“““Yes,”” Zhao Yu said.”“The information in Xi Wei’s treasure must be something that’s disadvantageous to him!”” ”

“““And these things may affect londee’s future,”” the mother-in-law continued,”“according to our intelligence, during the period when londee was imprisoned by Xi Wei, the reason why londee was able to maintain its normal operations was definitely because there was an even bigger Financial Group operating behind the scenes! ”

“““So, londee must be anxious to find the treasure to eliminate the threat and avoid being abandoned by the organization!”” ”

“““Then ...”” Zhao Yu whispered,”“isn’t this easier to talk about? Isn’t the item in our hands? We’ll know everything once we check!”” ”

“““Xi Wei’s password protection is very complicated,”” the mother-in-law said,”“it’s still in the process of cracking! However, according to our sources, after Yusufu released the news! ”

“““The financial Group behind londee has already made their move. Their target is definitely us! Perhaps, they were making their final struggle! ”

“““Because once we unlock that information, this Empire that was built by illegal means will be exposed to the world and face destruction!”” ”

“““But ...”” Zhao Yu was still confused,”““what does it have to do with Mr. Li?”” ”

“““This rich man Li has always been the focus of our Department,”” the mother-in-law said.”““We suspect that he is involved in many foreign terrorist attacks, but we have no evidence! ”

“““Recently, we suddenly lost contact with one of the spies we arranged to be by his side!”” His mother-in-law said regretfully,”““also, there’s news that this rich man Li has been in frequent contact with people of unknown origin recently. It seems that he’s going to do something. ”

“““We’re worried that these people of unknown origins are related to Xi Wei’s incident!”” ”

“““Wow ...”” Zhao Yu’s eyes widened.”““Isn’t this too complicated?”” Why don’t we just beat up Mr. Li?”” ”

“““Don’t say such brainless things!”” His mother-in-law reminded him,”““Mr. Li is an international figure. He has done many charity works in our country and has a very high status! ”

“““Moreover, this matter is still uncertain. It’s also possible that someone wants to use him! Thus, we can only be cautious. ”” ”

“““But ...”” Zhao Yu frowned.”““If you want me to get close to his daughter, even if I get her, I’m afraid she won’t tell you the secret unless I give birth to a child for his family in a year or two, right?”” ”

“““That’s your business!”” To his surprise, his mother-in-law said without thinking,”““if even you think that it’s illogical to get close to rich man Li’s daughter, then they won’t notice anything wrong! ”

“““Zhao Yu,”” the mother-in-law stared at her future son-in-law and said,”““the house of sins is such a dangerous place, but you were able to save that old man and londee. I believe that you must be a capable person! ”

“““The night after tomorrow, Mr. Li will be holding a charity dinner at his multi-millionaire building,”” the mother-in-law said.”““At that time, he will definitely be in contact with some people!”” ”

“““Your mission is to find out who he is in contact with. How are our spies? Also, what secrets did he have that he could not tell others? ”

“““It’ll be great if you can complete this task, but if you can ‘t,”” Zhao Yu’s mother-in-law said,”““then you’ll have to marry into li Fuhao’s family and give birth to his children!”” ”

“““Just nice, I can stay away from my Miaomiao!”” ”

“““You ... You ...”” Zhao Yu was speechless, and his mind was in a mess. ”

Seducing a woman by Imperial Order?

And it was his mother-in-law’s order?

“Zhao Yu wasn’t stupid. He didn’t feel any excitement or weirdness. In his opinion, no matter how he looked at it, this was a trap! ”

“If things didn’t go well, his reputation would be ruined! ”

“If he did, how was he going to explain to Miao Ying? ”

“Mother-in-law, Oh mother-in-law, this is the first time we’ve met and you’re giving me such a difficult problem? ”

“Good, good! ”

“Zhao Yu was never one to admit defeat. Although the task was difficult, he had already made up his mind to meet this rich man Li, oh no, he had to meet his daughter. ”

Chapter 2243: Chapter 2238-unexpected discovery

“On the way to the multi-millionaire’s building, Zhao Yu didn’t look at the information seriously, but couldn’t help but look at the miracle System in his brain. ”

“At that moment, there were only about 20 days left before the side Adventure System would be reopened. ”

“Time passed really quickly. 100 days had passed in the blink of an eye. For so many days, he had almost gotten used to not opening a hexagram. ”

“When he was investigating important cases, he would even ignore the existence of the system. However, at this moment, his encounter made him think of his own Miracle System. ”

“Zhao Yu sighed in his heart, ”bro system, is it that you want me to arrange a Grand welcome ceremony to celebrate your restart? ” ”

Why did you arrange such a strange operation for me?

The sudden appearance of his mother-in-law and the seemingly far-fetched and even unreliable counter-terrorism task made Zhao Yu feel that it was a bit too much of a joke!

“If it really involved the lives of so many people, if it really was related to Xi Wei’s treasure, and if he had to approach rich man Li’s daughter by himself, would it ... ”

Oh ...

“Looking at his mother-in-law’s emotionless face, based on his understanding of the Secret Service agency, Zhao Yu guessed that she must have had other plans at the multi-millionaire’s building, and he might just be a backup plan. ”

“Or perhaps, she had secretly sent many professionals to protect him. ”

“The reason why she wanted him to participate in the operation was that Mr. Li’s daughter was her fan, and she might also want to test her future son-in-law, just like Miao kun! ”

“Moreover, he still had those awesome props. How could a mere counter-terrorism mission be difficult for him? ”

“Hence, not only did Zhao Yu not feel much resistance, but he also felt a faint sense of excitement. ”

“The multi-millionaire’s building was located in the center of Shanghai. It was a comprehensive Super Hotel. Although it wasn’t the largest in the area, it was still very famous in the local area because of its important role. ”

It was known as the private international Center. Most of the people who chose to stay or hold meetings here were foreigners. These people were either rich or powerful. They were either representatives of major consortiums or rich businessmen.

“Of course, there were people from all walks of life. Although there were many rich people, there were also some people who wanted to take advantage of the situation and gain benefits! ”

“Therefore, the agents jokingly called the multi-millionaire’s building the international business intelligence Center. Here, as long as one was willing to pay, one could buy the information they wanted. ”

“However, this information was only limited to the business level. Rich man Li had been extremely cautious in the past few years and had never publicly been involved in any illegal matters. ”

“At the entrance of the building, Zhao Yu passed the security check of the building. It had to be said that the security level here was very high. In addition to the necessary security checks, there was also a special inspection for pinhole cameras and bugs. ”

“As there were many public figures in the building, the building did not welcome paparazzi or reporters, so the inspection of electronic equipment was more sensitive. ”

“However, Zhao Yu wasn’t worried about this. The equipment given to him by secret services wasn’t illegal, nor could it detect anything. ”

“Moreover, Zhao Yu didn’t bring any weapons with him, so he didn’t have to worry about security. ”

““Zhao Yu,”” after entering the hall, his mother-in-law’s instructions came through the Bluetooth headset.””You don’t have to check in. Aren’t you working on a case?”” ”

““You can just use the excuse of investigating the case to get close to li liya!”” ”

“Listening to his mother-in-law’s instructions and looking at the luxuriously decorated living room, Zhao Yu was in a daze. ”

“This morning, his mind had been filled with the case of the arm amputated case! Who would have thought that he would become a special Agent investigating an important anti-terrorism case in the afternoon? ”

“Therefore, the sudden change in his identity made him feel a little dazed. ”

“““According to the information we have,”” the mother-in-law was still giving instructions in an orderly manner.””At this time, li liya would usually be tasting wine at the blue Forest bar on the 15th floor, then order a plate of Colorado salad, and listen to light music ... ”

“““Zhao Yu, time is of the essence, let’s get straight to the point!”” ”

“““Hehe ...”” Zhao Yu laughed bitterly.””From what you’re saying, it seems like you’re in a hurry for me to give birth to her child ... Oh no, for her to give birth to my child ...”” ”

“““You’re as talkative as the old man,”” the mother-in-law said sarcastically.””Be careful of your talkative mouth!”” ”

“““...”” Zhao Yu was stunned. He pointed at his clothes and said,””when you sent someone to test me just now, my clothes were all torn. Now that I look like this, will it affect my image?”” ”

“““You can say that you fought with the suspect and aroused the girl’s interest in you. Zhao Yu, you’ve already managed to get my Miaomiao, but don’t tell me that you’re not good at picking up girls?”” ”

“His mother-in-law’s codename was cactus indeed, and her words were full of thorns. ”

“““Alright, but this is an order you gave me!”” Zhao Yu said,””in order to save the people and the world, I have to do my best!”” ”

“Zhao Yu’s shamelessness was lethal, and his mother-in-law was stunned for a long time. ”

“While Zhao Yu was bickering with his mother-in-law, he had already taken the elevator and arrived at the green forest bar on the fifteenth floor of the multi-millionaire’s building. ”

“A giant stone statue with Southeast Asian characteristics was set up at the entrance of the bar, which looked quite artistic. ”

“““Take a closer look at li liya’s photo,”” his mother-in-law reminded him.””Don’t get the wrong person!”” ”

“In fact, there was a hidden camera on top of Zhao Yu’s Bluetooth headset, so the mother-in-law could clearly see Zhao Yu’s every move. ”

“““Don’t worry!”” Zhao Yu joked,””I can’t forget beautiful women!”” ”

“Having said that, Zhao Yu turned on his phone and took another look at li liya’s photo. Li liya was thirty-one years old, with long black hair and a very beautiful face, especially like the movie star Maggie Q. ”

“The bar here was different from the ones that Zhao Yu had seen before. The bar was warm and comfortable. There weren’t many guests, and they were all sitting in the corners. Almost no one was talking loudly, and it was unusually quiet and peaceful. ”

“Zhao Yu stepped in and started to look for his target. At the same time, he was thinking about what he would say to li liya later. ”

“However, it was still an accident. After Zhao Yu searched the bar for a minute or two and still couldn’t find his target, he was suddenly attracted by a woman who was tasting cocktails at the bar! ”

“The woman had short hair and a typical Oriental face. She had Phoenix eyes and Willow-leaf eyebrows. She looked very familiar, as if she had seen her somewhere before.”

The woman was wearing an outfit that Zhao Yu couldn't describe. She looked like she had just returned from Paris or Milan.

“Of course, Zhao Yu had an important task at hand, so he shouldn't be distracted by the woman. Besides, although the woman looked classic, she couldn't be considered pretty to Zhao Yu.”

The reason why Zhao Yu was interested in the woman was because he suddenly noticed that she was wearing a shiny watch on her wrist.

“And this watch happened to be “”!!! ”

Chapter 2244: Please remember my phone number

No way?

Was it such a coincidence?

“Seeing the expensive watch on the Oriental Beauty's wrist, Zhao Yu, who was acting out of detective instinct, obviously couldn't take a step forward!”

“According to his past experience, although the woman in front of him might not be related to the arm amputated case, the watch she was wearing might give him some clues.”

“Thinking of this, Zhao Yu didn't hesitate to take the initiative to greet her and sit next to the Oriental Beauty.”

“The Oriental Beauty was tasting her wine when she saw Zhao Yu approaching, and she was instinctively alert.”

“”Pretty lady,”” Zhao Yu pointed at the watch on her wrist and asked,””may I have a look at your watch?”” ”

“”Zhao Yu!”” His mother-in-law's angry scolding came through the Bluetooth headset.””Are you crazy? This woman isn't the one you're looking for. You've got the wrong person!”” ”

“Zhao Yu pretended to be deaf and continued to tell the woman,””””Is this the legendary Saint Norway?”” ”

“”Tsk ...”” The Oriental Beauty was surprised. She was slow for a moment before she nodded at Zhao Yu and said,””Sir, please forgive me, my Chinese is not very good!”” ”

“”Oh?”” Zhao Yu was surprised. Although she had a typical Asian face, she was a foreign lady.”

“”Zhao Yu! Can you hear me?”” His mother-in-law was furious.””What are you doing? You can't afford to waste our time!”” ”

“““Sir, you have a good eye,”” the Oriental Beauty said in Chinese.””Obviously, not many people can recognize this watch!”” ”

“As she spoke, the Oriental Beauty very cooperatively stretched out her Jade-like hand and put the glistening watch in front of Zhao Yu. ”

“In addition to being able to see the watch more clearly, Zhao Yu also saw that the woman’s wrist was tattooed with gorgeous tattoos, which almost covered her entire arm. If he didn’t know better, he would have thought that she was wearing a skin-colored body suit! ”

“““What’s going on? isn’t this too unprofessional?”” Through the earpiece, his mother-in-law was still fuming.””You have to be clear about your priorities. What case are you investigating at this time? Are you willing to be a detective for the rest of your life?”” ”

“Maybe it was to keep his ears clean, or maybe he wanted to see the words on the watch clearly, Zhao Yu took off his Bluetooth headset. ”

“In fact, these were all excuses. The main reason was that Zhao Yu was already tired of his future mother-in-law. ”

“Zhao Yu was like an unruly Goshawk, and he never liked it when others pointed fingers at him. ”

“He had his own way of thinking about this mission, so he didn’t take the things his mother-in-law told him to heart. ”

“Moreover, he had already sniffed that there should be other ambushes behind this mission. So, he had made up his mind long ago that he would not be easily manipulated by others, even if this person was his mother-in-law! ”

“““Waa!”” When Zhao Yu found the words on the watch, he suddenly exclaimed,””it’s really 1918!”” ”

“““Very good!”” The Oriental Beauty praised,””Sir, you’re a person who knows what’s good!”” ”

“““Um ... Beautiful lady ...”” Zhao Yu asked hopefully,””may I ask about the origin of your watch?”” Is it ... Is it passed down from your ancestors?”” ”

“““Um, please ... Please slow down ...”” The Oriental Beauty asked very politely,””what ... What did you mean just now?”” ”

Hmm ... Alright!

“In order to strengthen their communication as soon as possible, Zhao Yu had no choice but to use the real-time translator to repeat the question in English. ”

“““Oh ...”” This time, the eastern beauty finally understood and immediately replied,””a friend of mine gave it to me!”” ”

“““A friend gave it to me ...”” Zhao Yu mumbled. He thought that if the watch was passed down by his family, it might fit the needs of Zhao Yu’s case. ”

“““Sir,”” the Oriental Beauty asked curiously,””why do I feel like you’re looking for something? Is there anything I can do to help you?”” ”

“Mm ...” The woman’s words surprised Zhao Yu again. ”

“Whether it was his special job before he transmigrated, or his various experiences after he transmigrated, he had met all kinds of women. But, the woman in front of him gave Zhao Yu a strange feeling. ”

“She was probably a woman with an emotional index of more than 100. Just by meeting her face, she seemed to have sensed Zhao Yu’s inner needs. ”

“This ...” Zhao Yu hesitated for a moment, then immediately took out his mobile phone and opened the picture of the watch in the safe. He then said to the woman, “to be honest, I have a watch that is exactly the same as yours! ”

“I hope that there will be a chance to find the owner of this watch!” ”

“Oh?” The Oriental Beauty looked at the photo carefully and sighed, “this watch feels so old! Even though it’s the same model as mine, it looks like ... Two different watches! ”

“Has it been years since someone has worn it or maintained it?” ”

“Young miss has good eyes!” Zhao Yu complimented, then asked, “this watch was found in a safe. It has indeed been there for a long time!” ”

“I estimate that it has been about 30 years?” ”

“Oh ... Then I can’t help you!” The Oriental Beauty said, “I didn’t exist 30 years ago. Also, our families were overseas!” ”

“Oh ... Oh ...” Zhao Yu carefully observed the beautiful woman’s subtle expressions. He seemed to have noticed something unusual, but he also seemed to have noticed nothing. ”

It was really too strange!

“In the past, Zhao Yu had always been a good judge of character, but something unexpected had happened to this woman. He could feel that the woman had strong emotional fluctuations, but he couldn’t be sure if these fluctuations were related to the watch. ”

It seemed like ...

“Zhao Yu pondered for a moment and decided that he still had an important mission to complete, so it was not convenient for him to be entangled with the woman for too long. So, he planned to ask for her contact information, and then investigate further after he had completed his mission. ”

“In that case,” Zhao Yu said very politely, “can you leave me your contact information? If I can think of any problems, I hope to receive your help!” ”

“Oh?” The eastern beauty smiled slightly, and her smile was 60% charming, 30% bewitching, and a little evil. “Sir, this is the first time I’ve seen you hit on a girl like this!” ”

“This ... Um ...” Zhao Yu was embarrassed and quickly explained, “please don’t misunderstand. I really want to know the origin of my watch!” He said. ”

“Of course, if you think this is just my way of hitting on her, then I’ll admit it! It’s your fault ... For being so beautiful.”

Zhao Yu’s words gave him goosebumps.

“Hehe, you really know how to talk!” The eastern beauty smiled and said, “I don’t know how good your memory is, but I don’t have the WeChat that you guys often use, so I can only give you my phone number!”

“You don’t need to memorize this!” Zhao Yu quickly picked up his phone and said, “go ahead!”

“Alright! You have to remember this well!”

“The Oriental Beauty smiled again. Just as Zhao Yu was focused on the buttons on his phone, a sharp dagger suddenly appeared in the woman’s hand!”

Chapter 2245: Chapter 2241-complete chaos

“Just as Zhao Yu had asked for the eastern Beauty’s contact information, a group of four people had walked in from the entrance of the green forest bar.”

“The eastern beauty smiled at Zhao Yu, but her eyes were fixed on the group of people.”

“In the end, just as the beautiful woman was about to give him her phone number, a cold light suddenly flashed in her eyes. With a flash of her wrist, a dagger appeared in her hand.”

“Although it was called a dagger, it was actually an ordinary fruit knife!”

“Then, without telling Zhao Yu her phone number, she suddenly stood up in front of Zhao Yu, raised her arm, and shook her wrist. She was obviously going to throw the fruit knife to one of the four people behind Zhao Yu!”

“Ah?”

“Zhao Yu was quite experienced. Although his attention had been shifted to the mobile phone, the sudden appearance of the fruit knife still alerted Zhao Yu.”

“At that moment, seeing the knife fly out, Zhao Yu instinctively kicked forward, hitting the woman’s high chair!”

“The woman had jumped up from the high chair. Although her body had left the chair, her feet were still on the chair. At that moment, the high chair was suddenly kicked by Zhao Yu. The woman lost her balance, and the fruit knife in her hand suddenly changed direction!”

* Whoosh ... *

“However, the fruit knife still left his hand and flew straight at the four people!”

Pfft!

Ah ...

The fruit knife Hit one of the four men. The man screamed and fell to the ground!

“Zhao Yu quickly turned around to take a look, and his face turned pale!”

“He saw that the four people who had just entered were three men and one woman. The three men had distinct layers, and one of them was dressed in extraordinary clothes. He was obviously a Big Boss.”

The two men next to him were burly and dressed in black suits. They were the bodyguards of the big boss.

“The fruit knife was supposed to be aimed at the rich boss, but because of Zhao Yu’s interference, the fruit knife changed its direction and stabbed the woman next to the rich boss!”

“Looking at the woman who had been stabbed, Zhao Yu was scared out of his wits. The beautiful girl had long black hair and looked like the movie star Maggie Q!”

No way!

“A second later, Zhao Yu realized that the woman who had been stabbed by the flying knife might be the target he had been trying to get close to, the daughter of the big boss, Li Liya!”

Ah?

“As soon as the flying knife was thrown, there was an uproar!”

“The big boss’s two security guards had been professionally trained. When they saw the Miss being attacked, they quickly stood in front of the big boss. One of them had already pounced on the Oriental Beauty!”

“The Oriental Beauty saw that her assassination plan had been ruined by Zhao Yu and was immediately furious. She first looked at Zhao Yu angrily, then reached into her weird dress and took out a white thing.”

“At first, Zhao Yu was a little confused, as he didn’t know what the woman was going to take out.”

“In order to successfully complete the mission, Zhao Yu had turned on the invisible detector. When he was trying to get close to the beautiful woman, the detector did not send out any alarm.”

Zhao Yu knew that the detector was only sensitive to weapons of mass destruction and surveillance cameras. It would not display a dagger.

“Especially for things like fruit knives, even if they were strengthened, the detector would not be able to detect them.”

“Because of this, when the Oriental Beauty took out the White thing, Zhao Yu was undoubtedly very curious. What could this white thing be?”

Could it be a smoke agent? This woman wanted to create a cloud of smoke to escape?

“In the end, the truth told Zhao Yu that he was wrong!”

“After the woman took out the White object, she placed it in the wrong position like a piece of building wood. Then, she aimed it at the bodyguard who was pouncing on her! ”

Pa ...

The White object rolled its eyes and let out a firecracker-like explosion. The bodyguard fell to the ground!

Boom ...

“The brawny bodyguard fell heavily to the ground and shook in pain, looking like he was in extreme pain ... ”

F * ck!

“Zhao Yu’s eyes widened, then he realized that this white thing was a gun! ”

“““Detector? system boss, you can’t even detect guns?”” ”

Pa!

“Just as Zhao Yu was complaining about the system, the Oriental Beauty walked over with her white pistol and shot another bodyguard! ”

The bodyguard was trying to cover the big boss ‘retreat when he was shot by the White pistol and fell to the ground in pain.

“In such a short period of time, the situation had really changed rapidly! ”

“The big boss could not react in time at all. At this moment, he was still squatting beside the woman who had been stabbed, li liya, with eyes full of worry and fear! ”

F * ck!

“At this time, Zhao Yu finally understood that the big boss was not just anyone. Wasn’t he the rich man Li? ”

This ... This ... This ...

“At this critical moment, seeing the Oriental Beauty aiming the White pistol at rich man Li, Zhao Yu didn’t have time to think about anything else. He quickly threw his mobile phone out and hit the Oriental Beauty’s wrist! ”

Pa!

“Although the woman had fired the gun, because of Zhao Yu’s interference, the bullet didn’t hit Mr. Li. ”

“““You!”” ”

“This time, the Oriental Beauty was completely furious. Perhaps it was because the White pistol only had three bullets, she immediately threw the White pistol at Zhao Yu’s face in anger. ”

“Zhao Yu lowered his head to avoid the attack, then charged forward. He wanted to pounce on the woman like a ferocious dog pouncing on its prey! ”

“However, to his surprise, the woman was very skilled. When she saw Zhao Yu coming at her, she fell to the ground first, then raised her feet and kicked Zhao Yu in the chest! ”

“Then, she turned her front foot and twisted Zhao Yu’s heavy body, sending him flying! ”

“Zhao Yu was like a spinning top, spinning out. After spinning a few rounds on the ground, he knocked over a row of tables and chairs, then stopped at the entrance of the bar. ”

Hmph!

“The eastern beauty snorted coldly, rolled over with her sharp eyes, and then strode towards Mr. Li. ”

“As she walked, she took off the hairpin on her head. The hairpin was extremely sharp, and it was actually a weapon. ”

F * ck!

Zhao Yu then realized that he had blinked again. Wasn’t the woman short-haired? Where did the hairpin come from?

“After taking a closer look, he realized that her short hair was also a result of her dressing up. Her hair was actually not short, but it was cleverly tied together, so it could not be seen. ”

Ah?

“At this moment, rich man Li was so scared that his face was pale and his legs were weak. He watched as the woman approached him with the hairpin, but he didn’t even have the strength to stand up! ”

“““Li, go to hell!”” The eastern woman looked at rich man Li with a face full of hatred. Then, she said something that sounded like a Singapore dialect, and then stabbed at rich man Li’s neck with all her might! ”

“At that time, Zhao Yu was standing at the entrance of the bar, far away from the woman. It was obviously too late to stop the woman from committing the crime! ”

“However, Zhao Yu was closer to rich man Li. In a moment of desperation, he picked up a chair at the entrance of the bar and threw it out, hitting rich man Li directly! ”

“““Ah!”” ”

“Rich man Li staggered after being hit, but he just managed to avoid the fatal hairpin of the woman who tried to assassinate him! ”

“““Ah!?”” ”

“This time, it was the woman’s turn to be surprised. When she saw rich man Li being hit by the chair, she pounced over again, determined to kill him ... ”

“Mr. Li had been frightened, and had been hit by the chair that Zhao Yu had thrown at him. He had lost all ability to resist, and was about to be stabbed by the female Assassin’s hairpin! ”

“However, the White pistol that the female assassin had used earlier did not have a knowing destiny state. The bodyguard who had been shot in the back suddenly recovered and grabbed the female Assassin’s ankle! ”

“The female Assassin’s eyes widened, and she flipped her wrist, stabbing the hairpin in her hand straight at the security guard’s face! ”

“At that very moment, although Zhao Yu had tried his best to rush over, he was too far away to save her. ”

“However, this female assassin was not a cold-blooded killer. When the hairpin was about to Pierce the bodyguard’s eye, she suddenly realized something. With a twist of her wrist, she clenched the hand holding the hairpin into a fist and hit the bodyguard’s glabella hard! ”

“The spot between the eyebrows was a major acupuncture point. After the bodyguard was hit, he lost all ability to resist and fell to the ground again. ”

The female assassin didn’t dare to delay any further. She rushed forward and once again thrust the hairpin at Mr. Li.

“However, at this time, Zhao Yu had already arrived. He pounced on the female assassin and pressed her down heavily! ”

“”” Argh! Ah!”” The female assassin cried out in alarm and struggled with all her might. ”

“However, Zhao Yu was not going to let go so easily. He quickly held the female assassin down, and at the same time, he reached out his left hand to hold the hairpin in her hand! ”

“This trick had worked almost every time Zhao Yu had fought an enemy. He had used the locking technique that Miao Ying had taught him, and with his advantage in strength, he thought that he could completely subdue the woman. ”

“However, Zhao Yu miscalculated once again. The woman seemed to have no bones. She swayed a few times under him like a catfish, and in the blink of an eye, she broke free from half of her body! ”

“”” Ah?”” Zhao Yu was shocked, and he had no choice but to throw a punch, hoping to knock the female assassin unconscious. ”

“However, just as he raised his arm, it was exactly what he wanted. The female assassin spun on the spot, slid close to the ground, and came to Zhao Yu’s other side. Then, in an unimaginable position, she kicked Zhao Yu in the head! ”

F * ck!

“This kick was not strong, but it scared Zhao Yu. He thought that the woman was a double, so he quickly pushed her back and let go of her wrist. ”

“The woman was like a boneless octopus. She made an incredible turn, easily bypassed Zhao Yu, and once again stood in front of Mr. Li. ”

“However, at this time, it was obvious that the situation was already hopeless. ”

“The two bodyguards of Mr. Li not only protected him, but also several security guards with guns rushed in from outside the bar. ”

“““Don’t move, don’t move!”” They surrounded the female assassin group and aimed their pistols at her. ”

“Seeing that she had lost the chance to assassinate and escape, the female assassin was obviously extremely angry. She held the hairpin tightly, and her eyes were filled with despair. ”

“In the next second, she glared at Mr. Li and shouted a few words in a foreign language that no one could understand. Then, with a flip of her wrist, she stabbed the hairpin in her hand into her own neck! ”

“““Hey!”” ”

“At that moment, Zhao Yu had already stood up from the ground. He had wanted to fight the female assassin to the death, but he didn’t expect her to commit suicide with the hairpin! ”

“In a moment of desperation, he rushed over and grabbed the female Assassin’s neck from behind, his right hand grabbing her wrist! ”

“However, Zhao Yu was still a step too slow. When he grabbed the female Assassin’s wrist, the hairpin still pierced through the female Assassin’s neck. ”

“It wasn’t a serious injury, it only pierced his skin and caused him to bleed. ”

“However, in less than two seconds, Zhao Yu felt something strange. The female assassin in his arms suddenly twitched, and blood began to flow out of the corner of her mouth. ”

“““Ah!?”” ”

“Zhao Yu’s reaction was quick. He suddenly realized that the woman’s hairpin must have been poisoned, and it was the kind of poison that could kill the enemy! ”

“Zhao Yu didn’t hesitate, but immediately took out a bottle of invisible antidote from the emergency device bar and gave it to the female assassin. ”

“In the end, the system reminded Zhao Yu that if he needed to detoxify the poison, he would need to spend 8400 general points to strengthen it. ”

Damn it!

Zhao Yu cursed in his heart. The system was really good at extorting!

“However, since it was a matter of life and death, and Zhao Yu had accumulated points, he wasn’t stingy. He used more than 8000 points to strengthen the antidote, which was then successfully used on the female assassin. ”

“Although the female Assassin’s assassination was illegal, Zhao Yu could feel a deep resentment from her. ”

“Therefore, he suspected that the reason why the female assassin wanted to kill Mr. Li might have something to do with his mission. Therefore, he couldn’t let this important woman die! ”

“However, even though Zhao Yu knew that he had already helped the female assassin get rid of the poison, for some unknown reason, the female assassin still fell into a coma. ”

“The security guards saw that the danger was over, so they all rushed forward and surrounded Zhao Yu and the female assassin. ”

“These people had arrived late, so they were not sure which group Zhao Yu was with. They shouted for Zhao Yu to raise his hand. ”

Eh? This can’t be right?

“Zhao Yu then realized that these people were Just Security guards, so how could they have guns? ”

This ... Is this called having a private weapon?

“““It has nothing to do with him,”” one of rich man Li’s bodyguards said. He pointed at Zhao Yu and said,““he’s just a helper!”” ”

“Hearing the bodyguard’s words, the security guards let down their guard against Zhao Yu and all rushed towards the female assassin. ”

“““Liya! Liya! Are you all F * cking idiots?”” All of a sudden, the angry voice of tycoon li himself could be heard,““hurry up and call the ambulance! Call the ambulance!”” ”

There was even a sobbing tone in her shouting.

“Zhao Yu quickly went over to check, and saw that li liya, rich man Li’s daughter, had been shot in the right side of her chest by the female Assassin’s flying knife. The fruit knife was almost buried in the handle, and the situation was obviously very critical. ”

“Although li liya was still conscious, her face was pale and she could not say a word ... ”

It’s broken!

“Speaking of which, li liya’s accident was also related to him. No matter what the reason was, he definitely couldn’t let her die innocently. ”

“So, Zhao Yu quickly opened the emergency device bar and took out the invisible hemostatic agent for li liya to use. ”

“However, it seemed that li liya’s injury was not as bad as he had imagined, and the system did not remind Zhao Yu that he needed to strengthen it or anything. ”

“Seeing this, Zhao Yu heaved a sigh of relief. ”

“However, Mr. Li didn’t know that. He knelt nervously beside his daughter and shouted angrily at his subordinates,””””Hurry up! Call the professional doctors in the building over first, hurry up and save the people!”” ”

“His subordinates were all frightened by his shout. They quickly split up, calling for help and making phone calls. ”

Di di di ... Di di di di ...

“At the same time, Zhao Yu’s phone rang. Zhao Yu retreated to the corner of the bar and answered the call. As soon as she pressed the answer button, her mother-in-law ah Qin’s angry roar and scolding came from the phone,”” ”

”””Zhao Yu, you bastard! Look at what you’ve done! You’ve ruined all of our plans! Your mission has been canceled! Come back and wait for your punishment!”” ”

“Listening to his mother-in-law’s roar, Zhao Yu’s heart did not waver at all. He replied politely,”” ”

”””You motherf * cker!”” ”

“With that, he simply hung up the phone ... ”

Chapter 2247: Chapter 2243-arrogant

“A few minutes later, the medical staff rushed to the scene and sent li liya to the hospital for emergency treatment. As he was worried about his daughter’s emotional state, tycoon li also went to the hospital with her. ”

“However, just in case, Mr. Li had brought at least 20 bodyguards with him ... ”

“Of course, the female assassin was also sent to the hospital. For some reason, although Zhao Yu had already cured her of the poison, she still had not woken up. ”

“The medical staff did not know what was going on, so they sent her to the hospital for emergency treatment. ”

“Of course, the hotel had already called the police, and there were police officers at the scene to escort her. They had also handcuffed the female assassin to ensure that she couldn’t escape ... ”

“However, Zhao Yu knew that these police officers must have been sent by his mother-in-law. They must have known the importance of the female assassin, so Zhao Yu didn’t have to worry about her safety at all. ”

“Then, the police officially started their investigation, and asked Zhao Yu and several other witnesses who had participated in the assassination to go back to the police station with them to give their statements. ”

“Zhao Yu didn’t need to reveal his identity, so he followed the police officer into the police car. ”

“Just as Zhao Yu had expected, there was only one driver in the police car, and the driver was a woman. Zhao Yu didn’t even need to look to know who the person was! ”

“”Not bad, you!”” After the car started, the mother-in-law, who was disguised as the driver, was furious.””As expected of a crazy detective! When you’re crazy, you won’t recognize your family!”” ”

“”Don’t you think that you’re very unprofessional?”” Zhao Yu didn’t even lift his eyes as he complained,””when I’m on a mission, I hate people talking nonsense in my ear the most! ”

“”Oh, and ...”” Zhao Yu continued,””it’s because you didn’t treat me as family, so I didn’t turn a blind eye to my own family!”” ”

“”What a sharp-tongued mouth!”” The mother-in-law was so angry that she laughed.””Then do you know how serious the consequences are if you don’t complete the mission according to the plan?”” ”

“”Alright, stop pretending!”” Zhao Yu said leisurely,””you didn’t tell me the truth, so how would I know how serious the mission is?”” ”

“”Me?”” His mother-in-law paused for a moment.””Why Didn’t I tell you the truth?”” ”

“”What spy disappeared? what mysterious organization’s revenge? are you making all that up?”” Zhao Yu asked,””I don’t think it’s the spy who disappeared. It’s more like you planted a spy!”” ”

“”You ... How can you speak to your senior officer like that?”” The mother-in-law shook her head. ”

“”You’re not my officer,”” Zhao Yu said frankly.””I’ve seen the transfer order, but I’ve never seen your identification! I don’t trust you. People I don’t trust can’t command me!”” ”

“”F * ck, I was wrong. It’s not that he’s eloquent, but that he has an iron mouth, steel teeth, thick skin, and unreasonable!”” The mother-in-law said,””you are using your doubts to shirk the responsibility for the failure of your mission!”” ”

“”Alright, whatever you say!”” Zhao Yu was fearless.””Since I failed my mission, I’ll go back and wait for my punishment!”” ”

“”I have nothing to do with rich man Li’s business anymore. When I get married to meowmeowmeowmeowmeow, I will send you an invitation!”” ”

“”Woof! What kind of bullshit is that!”” Although she was scolding Zhao Yu, her mother-in-law’s expression was getting more and more embarrassed, because she gradually realized that Zhao Yu had already grasped her weakness. ”

“”Alright then!”” Finally, after a few seconds of silence, the mother-in-law had no choice but to compromise.””I admit that there are still some things I haven’t revealed to you, but ...”” ”

“”Eh?”” Zhao Yu quickly waved his hand.””Have you forgotten your professional ethics so quickly? I’ve already withdrawn from the mission and am waiting for my punishment. Don’t talk to me about the mission again! ”

“”The more I know, the more disadvantageous it is to me!”” ”

““““You!”” Zhao Yu’s mother-in-law couldn’t help but turn around and glare at Zhao Yu, threatening him, ““““kid, don’t go too far! Stop while you’re ahead, I’ve already given you my girl, what else do you want?”” ”

““““I’m warning you, even though I’ve broken up with the old man, if you can’t get past your mother-in-law, it won’t be easy for you to get married. Do you ... Want to see Miao Miao in trouble?”” ”

““““You’re also at your wit’s end, right?”” Zhao Yu smiled bitterly.””He actually used his own daughter as a weapon? And some more ... Um ...”” ”

“Zhao Yu patted his own face and suddenly realized that this woman was Miao Ying’s mother, after all. He had to be careful, or else he would have no way of explaining to Miao Ying in the future! ”

““““Well, since you’re my future mother-in-law,”” Zhao Yu crossed his arms,””I’ll listen! Who is that female assassin?”” ”

““““I’m still investigating,”” Zhao Yu’s mother-in-law was thoroughly annoyed by Zhao Yu. She did not dare to argue anymore and said directly,””what I want to say is not the female assassin. The root cause is still in Xiwei’s treasure!”” ”

““““Ah?”” Zhao Yu was stunned and asked,””what’s going on?”” ”

““““Yes,”” his mother-in-law heaved a long sigh,””before this, some things I told you were not true, but I guarantee that they are within the authority of the commander! ”

““““There’s only one reason why I asked you to get close to this rich man Li, and that’s to get you close to him and be our spy! You’re right!”” ”

““““F * ck!”” Zhao Yu was stunned again, then said casually,””I was just guessing! But ... W-why?”” ”

““““Regarding Xiwei’s treasure, although we haven’t completely deciphered it, the technicians have analyzed the source of the documents and found that the name of rich man Li has been repeatedly appearing in a top-secret document! ”

““““So, we suspect that ...”” The mother-in-law said,””rich man Li is having an affair with Xi Wei or londee, and this person has a very close relationship with us. So, we have to fully understand this person!”” ”

““““Also, there’s one more thing that I didn’t tell you,”” his mother-in-law said.””I didn’t want to tell you because we were in the command vehicle!”” ”

““““Oh?”” Zhao Yu was curious.””What else?”” ”

““““Three days ago, we received news that there was an illegal transaction at a private cargo terminal in Shanghai. However, when we rushed over, we only saw dead bodies on the ground! ”

““““A total of six people died, and we still don’t know which side of the trade they were involved in. We searched all the sources of information, but we couldn’t find out who they were, let alone what they were trading! ”

““““But, that private cargo terminal belongs to Mr. Li!”” ”

“““Oh ...”” Zhao Yu nodded.“““So, you’re worried that these people’s deaths are also related to rich man Li?”” ”

“““The most important thing is,”” his mother-in-law said heavily,“““that we can’t find out the identity of the deceased and the situation of the trade. This is the scariest thing in our counter-terrorism operation!”” ”

“““We need to know what they want to trade and who they are!” ”

“““So ...”” The mother-in-law explained,“““that’s why you got in touch with Mr. Li in such a hurry! If it wasn’t for the charity dinner tomorrow night, he and his daughter wouldn’t be in Shanghai. So, we must make good use of this opportunity!”” ”

“““If you had said that earlier, wouldn’t I have understood?”” Zhao Yu frowned and said,“““but li liya has already been sent to the hospital. I’ve already ruined your plan, haven’t I?”” ”

“““Hmph! Don’t play dumb!”” The mother-in-law said,“““you’re so fearless the moment you got in the car. You don’t even care about your family. I’m afraid you already knew that you didn’t fail your mission, right?”” ”

Chapter 2248: Chapter 2243-terrifying unknown

“““Although I didn’t manage to get rich man Li’s daughter,”” Zhao Yu said,“““I saved his life by accident. In this way, I still have a chance to get close to him, which means that our original plan has not changed!” ”

“““But ... Are you my mother-in-law?”” she asked. Zhao Yu asked seriously,“““you don’t care about your future son-in-law’s life at all?”” ”

“““Zhao Yu,”” his mother-in-law said calmly,“““the charity banquet is a good time! If you can’t get close to Mr. Li by then, or if you can’t find anything, your mission ends here. How about it?” ”

“““Al!”” The mother-in-law said pertinently,“““if I say that I don’t care about your life, I’d be lying! However, if we give up on a shortcut like you, I’m afraid we’ll miss an important opportunity!” ”

“““You may not know much about our anti-fear group, but the word ‘unknown’ is not allowed here. The unknown means endless danger!” ”

“““Even if we can’t stop the danger, at least we know what kind of danger we are in!” ”

“““how old is miaomiao this year?”” his mother-in-law said emotionally.“““i’ve been in this line of work for as long as i have!” ”

“““my premonition is usually very accurate. rich man li’s name will appear in xi wei’s top-secret information, and this person is still active in front of us. this means that there must be a big problem!”” ”

“““the problem is definite, but you seem to be making me do something i’m not good at!”” zhao yu reminded her,““if you want me to go to the dock to see the crime scene and help you find out the cause of death of those illegal traders, maybe i can help you, but ... to spy on people ... tsk tsk ...”” ”

“““I understand what you mean,”” the mother-in-law nodded and said.““You may be suspecting that the incident at the dock has nothing to do with rich man Li, right?”” ”

“““One thing,”” Zhao Yu said,““if I were rich man Li, I wouldn’t let them die at my private dock! Isn’t this the same as confessing?”” ”

“““No,”” the mother-in-law shook her head and said,““you don’t need to interfere with the deal anymore! We’ve got reliable evidence that the attack is 90% related to rich man Li! ”

“““What you need to do now is to get close to Mr. Li and attend his charity dinner. ”

“““It looks calm, but in fact, it’s already at the stage of white heat,”” the mother-in-law said.““I think there will be changes at the charity banquet!”” ”

“““The point is ...”” Zhao Yu thought of something important.““What happened to the female assassin?”” Can you tell me who she is now? You’re dressed like you’re attending a fashion show!”” ”

“““I told you, we’re still investigating ...”” The mother-in-law sped up a little. ”

“““That can’t be?”” Zhao Yu gestured randomly.““She’s a female assassin who’s dressed weirdly and can’t speak Mandarin fluently. Don’t you know her identity?”” ”

“““It’s precisely because we can’t find anything that it’s the most terrifying!”” His mother-in-law repeated,““we do have a list of mainstream international assassins, but this person is not in it. He should be a newcomer!”” ”

“““La tuyou ka ... Simba Wu Di ka, suo da da!”” Zhao Yu suddenly bit his tongue and said something in a foreign language. ”

“““What do you mean?”” The mother-in-law was puzzled. ”

“““When the female assassin was about to kill Mr. Li, she gritted her teeth and said such a long sentence. I can’t understand it, so I can only roughly recite it!”” Zhao Yu explained,““hurry up and find someone to translate it!”” ”

“““Listen ...”” The mother-in-law mumbled,““it seems to be a dialect from Southeast Asia or South Asia!”” ”

“““And,”” Zhao Yu said,““although the woman was very good at fighting, she shouldn’t be a professional killer, because her hairpin was poisoned. She could have killed Mr. Li’s bodyguard first, but she only knocked him out. It seemed like ... This woman didn’t kill the innocent!”” ”

“““I really couldn’t tell that your aesthetic sense was so different. That woman looked so weird, but you were so fascinated by her?”” His mother-in-law still couldn’t change her habit of taking the opportunity to make fun of Zhao Yu. ”

“““This isn’t fascination, but detective instinct!”” Zhao Yu said, ““that woman was definitely not hired by someone else. She must have a deep grudge against rich man Li. If you want to know her identity, you can put some pressure on rich man Li!”” ”

“““Yes, I’ll remember that!”” His mother-in-law said unhurriedly, ““I’ll inform the police and ask li Fuhao in detail when we’re recording his statement.”” ”

“““And,”” Zhao Yu gestured with his hands, then asked, ““the White pistol that the woman used, what was it? The security equipment can’t detect it?”” ”

“““Yes, it’s a kind of pistol modified with resin. It can’t kill, but it’s powerful!”” The mother-in-law said, ““this kind of thing is just a small trick. Even in the mainstream assassin world, it is scoffed at!”” ”

“““What the ...”” Zhao Yu grinned. ““Now that you’ve said it, the mainstream assassin world seems to be very noble ...”” ”

Zhao Yu had just finished speaking when an investigator’s report came in through his mother-in-law’s earpiece.

An agent told her that li liya and the female assassin had been sent to the hospital and that their lives were not in danger.

“““Okay,”” the mother-in-law said. ““Let’s follow the normal procedures first. If that woman is really a foreigner, then you should interrogate her under the banner of the Interpol!”” ”

The subordinate received the order and hung up the phone.

“His mother-in-law sighed.”” Fortunately, she wasn’t a professional. For an assassination of this level, the hairpin would have been stained with cyanide or lethal poison.”” ”

“““If this woman is dead, it will be difficult to investigate ...”” ”

“““Mm ...”” Zhao Yu quickly reminded her, ““please tell them and ask about the origin of the woman’s watch.”” ”

“““...”” His mother-in-law was speechless. After a long time, she sighed. ““You’re really an obsessed detective!”” It’s just a low-level case. Is it really worth it for you, great detective Zhao, to abandon your important mission?”” ”

“““Wrong!”” Zhao Yu said, ““the word ‘unknown’ represents how scary you are, but it also represents our pursuit. Because we don’t know the truth, we have to do our best!”” ”

“““What if it’s related to a murder? What if the murderer was still at large? It is our duty to find the truth!”” ”

“““Okay,”” the mother-in-law said. ““This persistence may be the reason why my daughter likes you! However, I hope you can put in more effort on Mr. Li. Later, I’ll take you back to the Shanghai police station and pretend to record your statement!”” ”

“““After that, I will personally train you on how to better complete your mission!”” ”

“““What?”” Zhao Yu swallowed his saliva.”“Personally train? I don’t think ... There’s a need for that? Wasn’t it just a temporary spy? I know how to do this kind of work. You ... You can rest assured!”” ”

“Zhao Yu’s words were getting more and more uncertain, because through the car’s rearview mirror, he could see the determination in his mother-in-law’s eyes. ”

This light meant that he couldn’t escape at all. He had to seriously accept his mother-in-law’s earnest and careful teaching ...

Chapter 2249: Chapter 2245-family

“At 6 p.m., In a secret meeting room of the Shanghai police station. ”

“There was no meeting in the meeting room, so Zhao Yu was left alone. ”

“““Hello, cui, how’s the case going? any progress?”” ”

“Zhao Yu was sitting by the window, making a phone call. On the table next to him, there was a pile of information about Mr. Li. ”

“““Boss, I was so worried. Why did you take so long to call back? ““I think I’ve figured it out,”” cui Lizhu said excitedly.”“That female officer looks like sister Miao. Could she really be your mother-in-law?”” ”

“““Alright, stop making up stories,”” Zhao Yu said.”“Tell me, is there any progress on the case?”” ”

“““Yes ... Uh ... It’s the same as no!”” Cui Lizhu reported,”“first of all, Dr. Zhang has sent back news that the DNA of the arm belongs to the sun family in the jiahang area. This family has a very prominent status and has produced many high-ranking officials and nobles! ”

“““So, the owner of the arm should not be a simple person. It’s not surprising that he could afford to wear that kind of watch!”” ”

“““Nonsense!”” ““Get to the point!”” Zhao Yu urged. ”

“““Of course, it’s also a relatively large family,”” cui Lizhu said.”“It will take some time to find out who lost an arm 30 years ago! ”

“““Furthermore, just like before, this family also has a few branches. In general, if we want to go through this route, I’m afraid it’ll depend on our luck!”” ”

“““Then ... What about the safe?”” Zhao Yu asked again. ”

“““Not to mention the safe,”” cui Lizhu said.”“There’s no account for it! There was no registration and nothing at all. The only way now was to find the old people of those companies and get interrogated! ”

“““This also depends on luck! Although ... It feels like something like a safe box is special, it’s been too long, tsk tsk ...”” ”

“Where’s the manufacturer?” Zhao Yu asked, “there shouldn’t be many safe boxes of this model, right?”

“It’s rare in other places, but this is Shanghai, big brother!” Cui Lizhu said regretfully, “brother Tao is looking into the factory, but this brand of safe deposit boxes are all imported, so they might not have been bought through formal channels!”

“And, as you know, even someone of my dad’s level couldn’t do anything about this kind of safe. So, for a while, the sales of this kind of safe were quite good!”

“It’s loved by successful people in Shanghai, so this safe isn’t unique ...”

“Of course, there’s something else. That factory has already closed down!” Cui Lizhu shook her head. “I feel like this is like looking for a needle in a haystack!”

“Interesting,” Zhao Yu sighed, “a safe that even the King of Thieves couldn’t open, has actually dried up! What’s the reason?”

“Hehe, it’s because I can’t open it that it’s yellow!” Cui Lizhu laughed and said, “think about it. The first rule of safety deposit boxes is indeed to prevent theft, but you can’t ignore its utility!”

“The biggest drawback of this safe is that there are too many operations. The key needs to be added with a password, and the password needs to be turned five times, which many people find troublesome!”

“Also, some safes aren’t opened every day. Once you forget the password, you’ll only be able to blow it up. Who would like to use such safes?”

“Therefore, this super invincible safe was only a flash in the pan and quickly lost its market competitiveness!”

“Oh ... I see.” Zhao Yu sighed for a few seconds, then continued to ask, “then ... What about the watch? And the DNA on the watch that doesn’t belong to the arm, did you find anything?”

“We didn’t find a match in the database, but,” Cui Lizhu said, “after the test, Dr. Zhang found that one of the DNA sequences was 99% similar to the arm’s owner. He should be the arm’s owner’s biological child!”

“Oh? A child?” Zhao Yu’s heart tightened as he thought of a bad guess.

“It should be the son of the arm’s owner,” Cui Lizhu said. “We also found another DNA sample that could be detected. It should be the son’s father!”

“So, they should be a family!”

“From the DNA data, the watch was worn by the woman for a long time. The child and husband had touched the watch before, so they left some valid DNA data.”

“Wow, a family!” Zhao Yu frowned, feeling that the case was developing in a bad direction.

“Boss, could it be ...” Cui Lizhu said. “The wife had an affair, and the husband cut off her arm to calm his anger?”

“30 years ago, there were also many bosses in the outer beach of Shanghai, right?”

“If it’s just a family matter, I’m afraid ...”

“Cui,” Zhao Yu said. “Hurry up and check if there are any companies that have rented the Tianqin building.” He reminded Cui Lizhu. And the one with the Heiss Association’s background ...”

“Oh ...” Cui Lizhu immediately realized what he meant. “That’s right. The safes are their living expenses. After killing the people, they put the arms into the safes ...”

“O-okay, I know how to check! Boss, just wait for my good news!”

“Okay,” Zhao Yu said. “When we investigate the watch, we should follow this line of thought, which might narrow the scope of investigation!”

“Alright!” After Cui Lizhu agreed, she hung up the phone. ”

“Tsk tsk ...” Zhao Yu sighed and was even more curious about the arm case. ”

“As if she was waiting for Zhao Yu to hang up the phone, the mother-in-law pushed the door open and walked into the meeting room. ”

“What do you think, my good son-in-law?” As soon as she entered, she asked sarcastically, “have you memorized Mr. Li’s information? Do you remember the structure of the multi-millionaire’s building?”

“In times of danger, any path will be your escape route ...”

“Alright, alright,” Zhao Yu waved his hand, “I’m not a two or three-year-old child! Can you be a detective if you don’t have any memories?”

“How’s it going? any news on Mr. Li and the assassin?”

“The female assassin spoke in Indonesia” Zhao Yu’s mother-in-law said as she handed a document to Zhao Yu. “She means that the witch God Simba sent me here to take your life!”

“Simba the witch?” As he was jumping too fast, Zhao Yu’s reaction was a little slow. ”

“This is ... A God from a tribe in Indonesia” the mother-in-law explained. “We’ve investigated the relationship between Mr. Li and Indonesia, and so far, we have found no obvious problems.”

“Is that so?” Zhao Yu was surprised. “That girl tried to kill him. It must be Mr. Li who pissed her off!”

”

“Maybe ... It’s a personal reason?” The mother-in-law shook her head and said, “but I feel that this woman doesn’t seem to have much to do with our mission!”

“What do you mean by not big?” Zhao Yu raised an objection, “the girl risked her life to assassinate rich man Li, so she must have a grudge against rich man Li. There must be some illegal firearms, smuggling, drugs, and so on involved. As long as we find out, wouldn’t we have something on rich man Li?”

“Use your brain. If it was that easy to find out, we wouldn’t need you to come out today, God Zhao.” His mother-in-law sighed. “Although we have our suspicions, we have no evidence!”

““““You might not know yet, but after the assassination, Mr. Li didn’t make any move or say anything. What does that mean? It means that he’s fearless. Even if the female assassin told us something, he’ll still be fine!”” ”

““““You guys are so polite,”” Zhao Yu said, frowning.””It’s been so long. Couldn’t you have let the female assassin speak?”” ”

““““That woman is determined to die,”” said the mother-in-law.””How are we going to interrogate her in this situation?”” ”

““““Why don’t ...”” Zhao Yu wanted to say,””why don’t I try?”” ”

“However, his phone suddenly rang. The caller ID showed a series of landline numbers. ”

“Zhao Yu first exchanged a look with his mother-in-law, then picked up the phone. ”

““““Hello, who’s this?”” ”

““““Hello, are you Mr. Zhao Yu?”” A polite man’s voice came from the phone. ”

““““I am, you ...”” ”

““““Oh, I’m Mr. Li’s assistant,”” the man said.””Mr. Li asked me to call you to thank you for your heroic performance today ...”” ”

Chapter 2250: The reason for assassination

It was eighto’ clock at night.

“In a special care Ward in Shanghai People’s Hospital, Zhao Yu finally entered the ward after getting special permission from his mother-in-law. ”

“At first, his mother-in-law, ah Qin, didn’t agree. She was worried that if Zhao Yu paid too much attention to the female assassin, it would arouse Mr. Li’s suspicion. ”

“But Zhao Yu insisted, and ah Qin couldn’t go against him, so she could only nod. ”

““““You are ...”” After seeing Zhao Yu, the female assassin on the bed wanted to say something, but she suddenly realized something, so she lay down again and ignored him. ”

““““I’m here to see you,”” Zhao Yu said.””How is it? are you feeling good?”” ”

The female Assassin’s hands and feet were cuffed. What was so good about that?

““““I really don’t know where you’re going to kill people!”” Zhao Yu explained calmly,””if I had known earlier, I would have hidden somewhere else or helped you! ”

““““But ... Come to think of it, this is also your fault. Who asked you not to tell me earlier?”” ”

““““Hmph ...”” The female assassin obviously took Zhao Yu’s nonsense as a cold joke. ”

“Well, tell me,” Zhao Yu tried to ask, “what kind of enmity do you have with that rich man Li? Tell me, and I’ll help you complete your unfinished business. How about it?”

“Hmph!” The female assassin was so angry that she felt depressed. ”

Sigh ...

“Zhao Yu already knew that he would be rejected. After all, the professional police detectives had interrogated her for an entire day, but she had not said a word. ”

Alright!

It seemed that he could only use a big move to show off!

“Zhao Yu looked around, then turned off the video recorder and surveillance equipment in the ward. He then turned on his real-time translator and set it to the corresponding location, then spoke in Indonesian dialect, ”

“May the great Simba witch God bless me, I am your friend!”

Buzzzzzz!

“Hearing Zhao Yu speak in his hometown’s dialect, the female assassin sat up and looked at Zhao Yu as if he was a monster. ”

“You ...” The female assassin asked in the same language, “Who are you?” How can you speak our native language?”

“I just learned it,” Zhao Yu said shamelessly. “Believe me, lady, I’m really your friend! To be honest, I’m a detective, and the reason I was attracted to you at the bar was because of that watch!”

“You ... You ...” The female assassin was completely dumbfounded. She didn’t know what to say. ”

“You’re really lucky to have met me!” Zhao Yu patted his chest and said, “I’m a famous detective who has solved countless difficult cases!”

“No.” The female assassin shook her head seriously. “I’m not lucky to have met you. I’m just extremely unlucky! If it wasn’t for you, I would have killed that bastard, Mr. Li, and avenged my family!”

Oh ...

Zhao Yu nodded. It seemed that his previous guess was right. The female assassin was not a professional killer!

“I’m a detective,” Zhao Yu said. “It’s my duty to stop you from killing people when I don’t know what’s going on!”

“Hmph!” The female assassin snorted. “Do you think I’m a fool? What you’re trying to say is that you want to ask me, what kind of enmity do I have with Mr. Li?”

“What do you mean by ‘under unclear circumstances’? tell me. Even if you know the reason for my murder, you’ll still stand on that bad guy’s side in the end!”

“““I’m not on the same side as him,”” Zhao Yu clarified.”““We don’t know each other! My previous guess was right, you are indeed a smart woman!”” ”

“““You don’t have to flatter me. Since I’ve been caught by you,”” the female assassin said,”““you can do whatever you want to me, but don’t you dare try to get information from me ...”” ”

“““Eh?”” Zhao Yu quickly covered her mouth,”““don’t be so sure! Your eyes were poisoned, but you didn’t die, did you?”” ”

“““I was just hit with too little,”” the female assassin suddenly thought of something. As she struggled free from Zhao Yu’s dirty hands, she shouted fiercely,”““this is all your doing! ”

“““I know that you don’t want me to die and want to get more information from me. I advise you to give up on that idea! I won’t betray my friends! If I have the chance, I’ll even commit suicide!”” ”

“““F * ck! “““You ...”” Zhao Yu rolled his eyes and said,”““you’re so smart, why can’t you think straight?”” ”

“““Turn? What turn?”” The female assassin was disdainful.”““He hit a tree when he turned!”” ”

“““Hey? “““You’re pretty playful,”” Zhao Yu laughed,”““think about it, even if I’m a bad guy sent by li Fuhao to trick you into telling me what kind of grudge you have with him, would that be considered betraying your friend? ”

“““Hey,”” Zhao Yu grinned and said,”““are you trying to tell me that tycoon li doesn’t know who you are? Don’t let there be any more misunderstandings here, and don’t kill the wrong person again!”” ”

“““It’s a misunderstanding! Hmph!”” The female assassin finally fell for Zhao Yu’s trap and immediately roared angrily,”““in order to mine a rare mineral on our Island, he killed our entire village! ”

“““My parents, my brother, and sister were all killed by him!”” As she spoke, the female Assassin’s eyes were wet.”““This time, even if I can’t kill him, our people will never let him off!”” ”

I’ll cut!

This meant ...

Zhao Yu wondered if the female assassin was not fighting alone.

“Also, did rich man Li really mine in Southeast Asia? ”

“However, he had seen Mr. Li’s information, and it seemed that even the Secret Service had not found anything about him. ”

“So ... Did rich man Li hide it too well, or ... Was this woman being cheated? ”

“““He used a kind of poisonous gas to suffocate the entire village to death,”” the female assassin was still complaining.”““On the other hand, he said that they had caught a plague and isolated the island we lived on! ”

“““I went up to take a look. There was no plague there at all. They were just digging things there. They dug up a kind of white stone and then shipped it away ... ”

“““Now,”” the female assassin widened her bloodshot eyes,”““do you know why I killed him?”” ”

“““Are you sure ... That the person who killed your entire village and took away your mines was Mr. Li himself?”” Zhao Yu asked seriously. ”

“““I’m sure, of course I’m sure!”” The female assassin said,““you can take off my clothes and see what happened when I was poisoned! My face only looked like this after dozens of plastic surgery!”” ”

“““Your ... Clothes?”” Zhao Yu looked at the female Assassin’s long coat, but didn’t dare to touch her. ”

“In fact, he didn’t need to do anything at all. After the female assassin was arrested and when she was in a coma and being rescued, the police and doctors must have done a detailed examination of her. ”

“““So ...”” Zhao Yu said,““when your entire village was killed, you were there?”” ”

“““Right!”” The female assassin said,““I only asked the earth to survive and took the opportunity to escape from the water. Otherwise, even if I wasn’t poisoned to death, they would have killed me! ”

“““When we were running away, I saw very clearly that rich man Li was standing on the boat far away, proudly looking at the black smoke coming out of our village, as if he was enjoying it very much! ”

“““So, I’m very sure,”” the female assassin said,““that the murderer who killed our entire village was him!”” ”

The female Assassin’s entire body trembled as she spoke of her excitement ...

Waa ...

“Zhao Yu was shocked. If what the female assassin said was true, then she would be a witness who could testify against rich man Li’s murder. This would also prove that rich man Li was not a well-respected philanthropist! ”

“He had indeed made a fortune through evil deeds, and he was a cruel murderer! ”

“In that case, his undercover operation would undoubtedly become even more dangerous! ”
