Chapter 2251: Terrorist?

“Maybe it was because Zhao Yu’s foreign language had pulled the distance between him and the female assassin. From then on, the female assassin no longer held back, and told him everything about the grudges between her and Mr. Li. ”

“However, the process was not complicated. ”

“After the female assassin escaped from the disaster, she was determined to find her enemy and take revenge! At that time, she had only remembered the face of rich man Li. Later, she found out that this man was the famous rich man Li in Southeast Asia! ”

“So, from that day on, she began to practice her assassination skills, track the whereabouts of Mr. Li, and look for an opportunity to take revenge. ”

“Now, she had finally found the best opportunity. She knew that Mr. Li often drank in the bar in the multi-millionaire building, so she was waiting there for the opportunity. ”

“However, she never expected that the opportunity she had been waiting for would be ruined by Zhao Yu! ”

“In addition, Zhao Yu even asked for the name of the female assassin. She had a nice name, which was Qianqian Haiya! ”

“At first, Zhao Yu wanted to chat with her for a while longer, but the people outside couldn’t wait any longer, so he didn’t continue. ”

“When Zhao Yu finished his interrogation and came out of the ward, his mother-in-law was already waiting for him. ”

“”Zhao Yu,”” his mother-in-law suddenly changed her attitude and said enthusiastically,””let’s go! I’ll treat you to supper!”” ”

.....

“A few minutes later, in the command vehicle outside the hospital, Zhao Yu was holding a box of Begonia cakes and said angrily,””Mother-in-law, aren’t you being too stingy? ”

“”Didn’t you want to treat me to supper? I won’t say anything if we don’t go to the shop to eat, but what is this Begonia cake? can it be considered a supper? This is a snack, okay? if you want to do this, you might as well grab a handful of melon seeds for me to eat!”” ”

“”Let’s get things done first,”” the mother-in-law said, squinting her eyes.””Zhao Yu, Zhao Yu, you’re amazing. The problem that even we professional investigators can’t solve, you can do it so easily. Did you ... Drug the woman?”” ”

“”Don’t mess around,”” Zhao Yu said.””I’m an honest man, and I’ve never used underhanded means. Mother-in-law, don’t you know that this is a kind of personal charm?”” ”

“Pfft ...” The mother-in-law couldn’t help but laugh and almost vomited. ”

“Zhao Yu squinted his eyes and glanced at her, then got to the point.” “I think you’d better move this female assassin away as soon as possible!” “If rich man Li finds out that she’s an important witness, I’m afraid he’ll kill her!” ”

“Is that so?” His mother-in-law suddenly took out a cigarette and lit it up. Then, she said sadly, “actually, rich man Li doesn’t have to worry at all. This woman has only met him once. This doesn’t prove anything! ”

“Plus, the incident happened in Indonesia and tycoon Li didn’t break any laws!” ”

“You don’t have any? The security guards of his building all have guns, didn’t you see?” Zhao Yu asked. ”

“That’s also legal,” the mother-in-law explained. “They have diplomatic immunity. They built the building and have the right to hold a gun in their private territory.” ”

“What the hell, there’s such an operation ...” Zhao Yu frowned, then said, “how about this? We can use this female assassin to make a big deal out of it, and deliberately disclose the fact that she is suing rich man Li. Once rich man Li is scared, he will definitely kill her, and then you can catch him in the act!” ”

“You’re underestimating rich man Li,” his mother-in-law said. “If he didn’t appear in the document about Xi Wei’s treasure, we wouldn’t even have listed him as a key target! ”

“Not to mention that he won’t be fooled, even if he is, he won’t do it himself!” ”

“Is that so?” Zhao Yu thought for a moment, then asked again, “there’s one thing I don’t understand. Since rich man Li’s name appeared in Xi Wei’s intelligence document, then...Isn’t this evidence? ”

“Why don’t you guys hurry up and crack the code? as long as you can crack it, you’ll know what kind of bird Mr. Li is.” ”

“Well ...” Unexpectedly, when this question was brought up, the mother-in-law suddenly fell into hesitation. ”

“Mm ...” Although it was only a short hesitation, Zhao Yu suddenly caught on to something and asked in a hurry, “you ... Are you trying to say, those ... Those documents ...” ”

“Right!” The mother-in-law said, “I don’t know if Xi Wei was planning ahead or if Tina was playing tricks, but the information we got was all damaged! ”

“Our technicians have put in a lot of effort, but they only managed to capture a small amount of data ...” ”

“I ... I didn’t know ...” Zhao Yu was very disappointed. “Why didn’t you say so earlier?” ”

“I don’t know you very well,” the mother-in-law said frankly. “I can’t tell you the truth at the beginning!” “You also know that Miao Miao has not contacted you for a few days, right? ”

“She’s also involved in this work, and her situation is much worse than we thought!” ”

“““No way? “““At least ...”” Zhao Yu said.”““At least we found so many valuable treasures, right?”” ”

“““There are indeed a lot of treasures, but most of them don’t belong to us,”” said the mother-in-law.”““Our country is a country of etiquette. We will not do anything like that. Once the matter of Xiwei’s treasure is completely resolved, we will return all the treasures to the other countries!”” ”

“““That’s ambitious,”” Zhao Yu said, giving her a thumbs up.”““I finally know what the nature of this mission is! ”

“““Don’t worry, mother-in-law. I’ll definitely complete the mission and see what secrets this rich man Li has!”” ”

“““Zhao Yu,”” his mother-in-law said,”““what you hear may not be true, and what you see may not be true! Maybe the female assassin was lying, maybe she was wrong, maybe...In Xi Wei’s report, he only considered rich man Li as an investigation target or opponent! ”

“““So, before you have any concrete evidence, you must maintain a balance. You can’t do things based on your feelings. That will affect your judgment!”” ”

“““Oh ... Oh ...”” Zhao Yu’s mother-in-law’s words reminded him. ”

“When Zhao Yu found out that rich man Li might be the brutal killer, he instinctively felt the same way as the female assassin, hai ya. ”

“This was indeed wrong. Just like solving a case, he had to be fair and not lose his balance before he had solid evidence. ”

“““Here, take a look at this video, great detective!”” Then, his mother-in-law called a laptop and told Zhao Yu,”““this is what our police detective recorded when he was taking notes for rich man Li! ”

“““Use your specialty as a great detective and help us analyze it!”” ”

“After the video was played, there was indeed an agent questioning rich man Li in the hospital. ”

“Perhaps knowing that his daughter Li liya’s life was not in danger, rich man Li became a lot more relaxed. ”

“““I don’t know what’s going on. I’ve never seen that woman before!”” Mr. Li said innocently,”““but I’ll get my lawyer to Sue her. Whether she’s crazy or not, her behavior is too despicable!”” ”

“““Mr. Li,”” the police detective asked,”““the charity Association is about to start. Do you think that the assassination has something to do with the charity Association?”” ”

“““I don’t know,”” rich man Li said seriously.”““Didn’t you already catch that woman? Why don’t you interrogate her properly? ”

“““Also, what kind of question is this? The charity event was a charity event. Who could they have offended? ”

“““If the charity Association offended that woman, she must be a terrorist ...”” ”

Chapter 2252: I'm a great spy

"Late at night, Zhao Yu dragged his exhausted body back to the hotel. "

"However, just as he took out his key and was about to open the door, the door opened automatically. "

""Why ... Why are you here?"" Zhao Yu saw that the person who opened the door was Cui Lizhu. "

""Boss, you're finally back!"" Cui Lizhu's eyes were still drowsy, but she asked with concern, ""did your mother-in-law do anything to you? Was that woman really sister Miao's mother? It looks quite domineering!"" "

""You ..."" Zhao Yu frowned. ""You came to my room so late at night, just to ask me about this gossip?"" "

""I'm just worried about you. Didn't that woman ask you to stay over at her place?"" Cui Lizhu asked curiously. "

""Xiao Cui, "" Zhao Yu warned seriously, ""I've told you more than once. You should know my current identity. Half of my work belongs to secret services, which is completely different from our Criminal Division!"" "

""So, I can't and won't disclose any related information to you! "

""You just need to know that I'm going to take part in a mission over there. I'll leave the safe and arm case to you. Let me see what you're capable of!"" "

""I know, I know ..."" Cui Lizhu opened her big, watery eyes wide. ""We are very hardworking!"" Just you wait, without you, great detective Zhao, we'll definitely be able to solve the case!"" "

""Mm ..."" Zhao Yu pointed at Cui Lizhu and asked, ""you ... Were you sleeping in my room just now?"" How are you going to open it ... Hmm ..."" "

"Halfway through his sentence, Zhao Yu suddenly realized that he was talking nonsense. There was no room in this building that could block Cui Lizhu's view. "

""I just wanted to make sure, "" Cui Lizhu said seriously. ""Are you coming back tonight? Alright, since you're back, I can finally have a good sleep! "

""Alright, let's go!"" "

"Then, Cui Lizhu tidied up her clothes and swaggered out of Zhao Yu's room. "

This little girl ...

"Looking at Cui Lizhu's back, Zhao Yu felt warm. Cui Lizhu obviously wasn't lying. She had experienced her mother-in-law's test earlier in the day, so she must be worried about her. "

"After closing the door, Zhao Yu went to the wine cabinet and poured himself a glass of red wine. He then went to the refrigerator and added a block of ice. "

He had to admit that today's encounter was a little bad.

He had never thought that his first meeting with his mother-in-law would take place in such a manner.

"Moreover, he didn't expect that he would be involved in an anti-terrorism case. Although his mother-in-law didn't explain everything, Zhao Yu knew how important the mission was."

"First of all, even though secret services had obtained Xi Wei's treasure, they did not have the information they wanted."

"Secondly, rich man Li's name had repeatedly appeared in the intelligence. He didn't know what role this person played in this. Was he on londee's side, or Xi Wei's side, or was he an enemy of both of them?"

"Secondly, there was an illegal transaction in rich man Li's private warehouse, and all the people involved in the illegal transaction were killed on the spot. This incident could be a big or small matter."

No one knew what they were trading.

"Then, there was the matter of the female Assassin's assassination. Whether the female assassin hai ya's accusation against Mr. Li was true, whether she was lying, and whether her assassination was purely for revenge, all these needed to be investigated as soon as possible."

"Finally, there was the matter of him being an undercover agent, even though he had saved rich man Li's life and successfully gained his trust."

"However, trusting Him didn't mean that he would be able to get close to rich man Li, nor did it mean that he could find out his background."

"The next day, his mother-in-law had arranged a meeting with rich man Li. At that time, the police would ask Rich man Li to come to the police station to talk about it in detail, and at the same time, they would also call Zhao Yu."

"This way, they would naturally be able to meet."

"However, Zhao Yu was good at solving cases, but he had little contact with such espionage. He didn't know if he could successfully complete it."

"After drinking a glass of red wine, Zhao Yu felt much better."

"Previously, her mother-in-law did not stand her up and took her to have supper. However, the supper was at McDonald 's, which was not romantic at all."

Hu ...

"He took a deep breath, then went to his desk and began to sort out his tasks."

"This was also a working habit that Zhao Yu had developed over the years. He always wanted to do everything in an orderly manner, so that he could think of many things that he had never thought of before."

“While he was sorting out his thoughts, he also started to predict what kind of unexpected situation would happen tomorrow so that he could prepare early. He even thought of which devices could be used and which devices needed to be strengthened, etc ... ”

“It had to be said that this kind of spy mission was quite open. Besides feeling curious, Zhao Yu also felt a little excited. ”

“In fact, he had wanted to contact his father-in-law to ask him for more Scriptures. However, he suppressed this thought in the end. After all, his father-in-law and his mother-in-law had a special relationship. If he did not handle it properly, he was afraid that it would lead to misunderstandings in the future. ”

“Just like that, Zhao Yu studied it all the way until midnight. Then, he simply washed up and finally fell asleep. ”

“Just like before, that night, Zhao Yu couldn’t stop dreaming. He dreamed that the arm in the safe had come alive ... ”

“In the next moment, he dreamed that he and hai ya were having sex. That woman was very bold and unrestrained. She even took off her shoes on the street ... ”

“The next moment, he dreamed of rich man Li releasing poisonous gas. He was wearing a gas mask, but he could still see his ferocious face ... ”

.....

“The next morning, the sun was glaring. ”

This was the umpteenth time that Zhao Yu had woken up in a hotel room in a foreign land.

Oh ...

“He stretched lazily. Even though he had slept very little last night, he felt that he had recovered quite well. ”

It was a new day. He couldn’t help but look at the miracle System in his mind. It was one day closer to the time when the system would resume hexagrams.

“His adventure score had now reached more than 120000. As long as the hexagram area was unfrozen, he would be able to upgrade the system. ”

He wondered if there would be any new functions after the system upgrade.

“At that time, he would be like a tiger that had grown wings! ”

“Thinking of this, Zhao Yu, who was in a great mood, shook in front of the mirror as soon as he got out of bed.”“From today onwards, I, the Super detective Zhao Yu, have another identity. I am a spy, a big spy, an Ace spy!”“ ”

Wahahaha ...

“The hotel was very close to the Shanghai police station. Although it was still early to meet his mother-in-law, he still went to the police station early after breakfast. ”

“What was interesting was that the Special Investigation Group was also working in the same police station at the moment, but on different floors. ”

“Zhao Yu didn’t want his colleagues in the Special Investigation Group to see him, so he carefully went to where his mother-in-law was. ”

“Zhao Yu’s mother-in-law was a workaholic. Even though Zhao Yu had arrived early, his mother-in-law was already waiting for him. ”

“”Zhao Yu,”” as soon as they met, his mother-in-law called Zhao Yu to the side and told him the latest news,””after our verification last night, what the female assassin said may be true! ”

“”We found out that five years ago, on an island to the East of the Guntra province in Indonesia what the female assassin described did happen. According to the official description, more than 60 villagers died from a plague!”” ”

“”Wow, so many people died?”” Zhao Yu exclaimed,””it’s said to be a plague, but in fact, it was caused by poisonous gas ... If it was really done by Mr. Li, then this person is really immoral!”” ”

“”But,”” the mother-in-law said cautiously,””we are still investigating the details. We still can’t prove that the female assassin is also from that village! ”

“”So, we can’t believe that woman’s words ...”” ”

“”I know,”” Zhao Yu said, squinting his eyes.””Don’t worry, mother-in-law. I will definitely find out the truth and become the best spy in the world!!!”” Wahahaha ...”” ”

Chapter 2253: Chapter 2248-kindness never returns

“”Get ready.”” His mother-in-law’s orders came through the pocket-sized earphones.””They’re coming out. Just keep your speed the same!”” ”

“”Whether we can build a bridge or not depends on you, Ace spymaster!”” ”

“OK!”

“Zhao Yu confidently walked along the corridor. When he passed the fourth door, rich man Li and his bodyguards were just coming out. ”

“Zhao Yu held his head high and deliberately walked past Mr. Li, but his eyes were looking straight ahead, as if he had no intention of greeting him. ”

“”Eh?”” In the end, rich man Li saw Zhao Yu and quickly reached out and shouted,””isn’t this ... That guy? Hey, hey Hey, slow down ...”” ”

“““Ah? Me?”” Zhao Yu turned his head and looked at Mr. Li, pretending to be serious. He then said in surprise,“““Oh, it’s you! I know you, you’re always on TV. Mr. Rich boss, you’re ...”” ”

“““Hello, hello ...”” Rich man Li quickly came forward and shook Zhao Yu’s hand warmly. He then laughed heartily and said,“““Aiya, I didn’t expect to see you again!”” I was just thinking of treating you well to thank you for saving my life!”” ”

“““Well, you’re welcome,”” Zhao Yu said.“““I’m a police officer myself. When I encounter this kind of thing, I can’t just stand by and watch!”” ”

“““Whether it’s you or anyone else, I’ll still save them! “““Oh right,”” Zhao Yu asked,“““is your daughter alright?”” ”

“““I’m fine, I’m fine!”” Rich man Li quickly said,“““she looks quite scary, but her injuries aren’t serious. I’ve already arranged for her to be discharged!”” ”

“““Oh, that’s good, that’s good ...”” Zhao Yu asked naturally.“““By the way, I don’t quite understand why the woman wanted to assassinate you. Did they have a grudge? What’s the situation?”” ”

“““I don’t know!”” Mr. Li said innocently,“““I don’t even know her! Maybe it’s an assassin sent by someone with bad intentions!”” ”

“““Oh ...”” Zhao Yu nodded and said,“““I’m a great detective. If you need me to help you investigate, just let me know!”” Perhaps I can help you find out her motive for killing you!”” ”

“““No need,”” rich man Li said.“““Anyway, she has been caught by the police. I think she will confess after a good interrogation.”” ”

“““Oh, that’s good, that’s good ...”” Zhao Yu waved his hand and said,“““in that case, I won’t take up any more of your time!”” We’ll meet again!”” ”

“Then, Zhao Yu turned around and left. ”

“““Mm, wait, wait ...”” Rich man Li quickly stopped Zhao Yu and said sincerely,“““there’s a saying in my hometown,‘if you don’t repay a favor, you will be despised by others.’ Mr. Zhao, when you have time, I would like to invite you to the rich man hotel for a meal. Please give me a chance to thank you in person!”” ”

“““Well ...”” Zhao Yu waved his hand in a hurry.“““You don’t have to be so polite, Mr. Li. There’s a saying in my hometown,‘don’t expect anything in return for your kindness’. I didn’t save you for anything in return, hehe ...”” ”

“Then, Zhao Yu turned around and was about to leave. ”

“““No, no, no,”” Mr. Li stopped him again. He bowed respectfully and said,“““Mr. Zhao’s character is admirable. Please don’t misunderstand. In addition to thanking you, I really want to be friends with you!”” ”

“““Oh ... By the way, you might not know,”” he said excitedly,“““my daughter is your fan! Yesterday, I told her that the person who saved my life was the famous detective Zhao Yu, and my daughter was so excited!”” ”

“““Wow, fans ...”” Zhao Yu couldn’t help but feel smug, but he wasn’t pretending.”“This is a bit new!”“ I’ve never even heard that I have fans!”” ”

“““Yes, yes,”” rich man Li said quickly.”“She even knew that you were the one who solved the Gu mantong serial murder case.”” ”

“““Waa!”” Zhao Yu pretended to be surprised.”“You ... You even know that?”” ”

“““Yes, my daughter is very interested in detective reasoning. Ever since she knew that you are the great detective Zhao,”” rich man Li said exaggeratedly,”“she has never looked at Sherlock Holmes again!”” ”

“““This ... This is interesting ... Hehe ...”” Zhao Yu scratched his head awkwardly. ”

“““How about this! ““Tonight,”” Mr. Li said excitedly,”“there’s a charity dinner at the regal Hotel. I sincerely invite you to attend!” ”

“““Mm ...”” He turned to the bodyguard and said,”“inform the hotel to get Mr. Zhao Yu the best VIP invitation card!”” ”

“““Hehehe ...”” Mr. Li bowed and said, almost begging,”“Mr. Zhao Yu, you must attend!”” ”

“““If you could come, my daughter would be very happy!”” ”

“““What?”” Zhao Yu was speechless.”“Your girl, her body ...”” ”

“““No problem, no problem,”” rich man Li waved his hand and said,”“my daughter will also attend. I have arranged a private doctor for her. Her injury is not a problem, it is not a problem, hehe ...”” ”

“““Oh, if that’s the case ...”” Zhao Yu nodded and said,”“it’s hard to refuse such a kind offer, so I’ll accept it!”” I’ll definitely be there on time tonight!”” ”

“““Haha, that’s great, that’s great!”” Rich man Li said,”“then I’ll be waiting for Mr. Zhao Yu’s arrival! Let’s ... See you tonight?”” ”

“““Alright, see you tonight!”” Zhao Yu and Mr. Li shook hands in a friendly manner, then said goodbye. ”

“When tycoon li and his group of bodyguards walked further and further away, Zhao Yu finally let out a long sigh of relief. He had never expected that the plan would go so smoothly, that tycoon li would take the initiative to invite him to attend the charity party. ”

“Before this, he had even mulled over a series of plans on how to shamelessly apply for it! ”

“““Very good, very good!”” ““Zhao Yu, I think ... You really have the talent to be an Ace spymaster!”” His mother-in-law’s praise came from his earpiece. ”

“At the same time, before tycoon li left the police station building, he couldn’t help but ask one of his bodyguards,”““Have you heard about the matter I asked you to investigate? ”

“““When I was attacked, I saw with my own eyes that Zhao Yu and the female assassin were together!”” ”

““““Oh, I found out,”” the bodyguard said.”“I asked the bartender, and the bartender heard their conversation. It turned out that Zhao Yu was working on a case, and the case was related to a watch. The watch that the woman was wearing was the same one that Zhao Yu was looking for! ”

““““So, Zhao Yu was asking the woman about the watch! They don’t have any relationship!”” ”

““““Oh? Is that so?”” Mr. Li frowned.”“They’re not trying to pull some cheap tricks on me, are they?”” ”

““““I don’t think so,”” the bodyguard said.”“We did a simple check on this Zhao Yu. He is indeed a detective from the criminal Division, and his financial situation is very good. I don’t think he is here for your money.”” ”

““““Yeah,”” someone next to him said.”“That woman was locked up in the police station. If she was really playing the Badger game, she should have found a chance to escape. How could she have been caught by the police?”” ”

““““Oh, that’s true!”” Rich man Li’s face suddenly darkened.”“So, that woman really wanted to kill me? Have you found any information about that woman?”” ”

“Everyone shook their heads and one of them said,”“““The police sealed it off very tightly, so we couldn’t find it! Even now, we don’t even know the name of the woman!”” ”

““““Hmph,”” Mr. Li muttered,”“““alright, if it’s not easy to investigate, then don’t!”” I think I already know who that woman is!”” ”

“As he spoke, a trace of fierceness flashed across the corner of his eyes ... ”

Chapter 2254: Chapter 2250-unstoppable Lady Luck

“At a quarter past six in the evening, Zhao Yu once again arrived at the main entrance of the multi-millionaire’s building. ”

“Different from the last time he came, the entrance of the multi-millionaire’s building was more lively this time. Guests from different regions and countries were dressed in Grand clothes. ”

“These people were either rich or powerful. There were politicians, businessmen, celebrities, and most of them were respectable public figures. Following that, there was also a large group of news media that fought to take photos of these people. The scene was very lively. ”

““““Stick to the original plan,”” Zhao Yu’s mother-in-law said to Zhao Yu through the Bluetooth headset.”“You don’t need to make too big of a move. You just need to observe those people who have secret dealings with Mr. Li.”” ”

““““Even if you can’t find anything, you have to try your best to gain his trust in you and his daughter’s affection for you!”” ”

““““Tsk tsk ...”” Zhao Yu sighed.”“It seems that you really want to push your son-in-law into the fire pit!”” Won’t you, the mother-in-law, get jealous when you see me making eyes at other women?”” ”

“““Don’t be cheeky. The mission has already begun!”“ His mother-in-law reminded him,““Zhao Yu, you have to remember, don’t let your emotions get the better of you. Don’t hit on another woman when you see a watch again!”“ ”

“““Don’t worry!”“ Zhao Yu said,““give me some positive energy. The Ace spy is about to show up, Wahaha ...”“ ”

“Zhao Yu roared towards the sky, and a beautiful woman in an evening dress suddenly walked past him. ”

“““Eh ...”“ The beautiful woman snorted and mumbled,““crazy.”“ ”

“““...”“ Zhao Yu was speechless and embarrassed. ”

“He adjusted the volume of his phone, adjusted his tie, and entered the multi-millionaire’s building with his head held high. ”

“Before this, Mr. Li’s Secretary had already sent an electronic invitation card to Zhao Yu. At the security check on the first floor, a staff member scanned the invitation card, and Zhao Yu was then allowed to enter. ”

“As there were too many famous people present, the security check was longer than usual. Zhao Yu waited in line for a long time before he entered the banquet hall. ”

“““Aiya, aiyaya ...”“ Rich man Li, who was standing at the door, saw Zhao Yu and quickly greeted him.““Sorry for the delay!”“ He said. ”

“““I’m really honored that the great detective Zhao could come!”“ ”

“““Don’t, don’t, don’t ...”“ Zhao Yu quickly became humble.““I can’t compare to others!”“ ”

“““No, no, no, you’re my Savior,”“ Mr. Li said with a smile.““In my eyes, you’re the most distinguished guest! Hahaha ...”“ ”

“““Come on,”“ he shook hands with Zhao Yu enthusiastically, then pointed to the banquet hall and said,““have some appetizers and snacks first. I’ll introduce you to a few important friends later!”“ ”

“““Okay,”“ Zhao Yu said, touching his stomach.““I’m a little hungry! You can continue with your work!”“ ”

“Then, Zhao Yu went straight to the area where the plates were placed. There were all kinds of appetizing snacks on the plates, which were very exquisite. ”

“However, Zhao Yu’s eyes were not only focused on the food. He quickly looked at the guests in the restaurant, and at the same time, he turned on the recording device on his Bluetooth headset so that his mother-in-law and the others could also see it. ”

“In the process of observation, Zhao Yu really did see many familiar faces. Most of them were movie or sports stars. Although he couldn’t remember their names, he knew all of them. ”

““““Oh my God!”” Just as Zhao Yu was carefully observing, a fashionably dressed woman suddenly appeared on his left. She went straight to Zhao Yu, looked at him in disbelief, and asked,““““I didn’t get the wrong person, did I? officer Zhao, why are you here?”” ”

““““Ah?”” ”

Zhao Yu was stunned. He turned around and saw that it was a very beautiful young woman. She was dressed like a celebrity.

““““Oh ...”” Zhao Yu looked at the woman’s familiar face, but after thinking for a long time, he really couldn’t remember her name. ”

““““Li Qian, I’m Li Qian!”” The woman came forward excitedly, took Zhao Yu’s hand, and introduced him,““““you didn’t really forget me, did you? I even contacted you after that incident!”” ”

Li Qian ...

“Zhao Yu thought for a while, then suddenly remembered that Li Qian was the actress from the isolated island murder case. ”

Why ... Why is it her?

“With the appearance of Li Qian, Zhao Yu subconsciously remembered the scenes that had happened on Yongjin Island, the tragic deaths of the crew members, the broken Lighthouse, and Captain Dou, who had lost his nature ... ”

““““Officer Zhao, are you okay?”” he asked. Li Qian asked worriedly,““““I didn’t expect to see you here!”” ”

““““Amazing, amazing ...”” Suddenly, before Zhao Yu could react, his mother-in-law’s taunting voice came from the Bluetooth headset.““““My good son-in-law, you’re really popular with women. You’ve actually given me a big surprise!”” ”

““““Go to hell!”” Zhao Yu complained, but he accidentally made a sound. ”

““““Ah?”” Li Qian was dumbfounded.““““What ... What did you say?”” ”

““““Oh ...”” Zhao Yu realized his mistake and quickly corrected himself.““““I mean ... It’s such a coincidence. We ... We haven’t seen each other for a long time, right? How ... How are you doing now?”” ”

““““Mm, it’s pretty good!”” Li Qian said,““““I’m a victim of the lighthouse case, a survivor, and also a lucky one!”” ”

““““Oh? ““““So ...”” Zhao Yu understood what she meant,““““you’re doing pretty well now?”” ”

““““Yes, that’s right!”” Li Qian nodded and said,““““after the case happened, my popularity suddenly increased a lot, and many film crews began to invite me! ”

““““Then, I had the opportunity to film grave robber with LAN caiyan, the one with Shangge yundun, and then ... I got better and better ...”” ”

Grave robbing ... LAN caiyan ... Shangge yundun ...

“Zhao Yu tried to recall, but he had no memory of it at all. However, he knew who LAN caiyan was. LAN caiyan was one of the top female artistes in the entertainment industry and was very famous. ”

“““It can’t be?”” Li Qian pouted in disappointment. “““You’re so busy. Didn’t you go to see it?”” It’s a 1 billion box office!”” ”

“““Oh, I might have seen it, but ...”” Zhao Yu took the opportunity to make up a story, “““you’ve changed too much, so I didn’t recognize you, hehe!”” ”

“““You’re really good at comforting people,”” Li Qian said, blinking her big watery eyes. “““I’ll never forget your encouragement to me at that time. If it weren’t for you, I’m afraid I would never have been able to walk out of the darkness of Yongjin Island!”” ”

This sentence made Zhao Yu feel depressed.

That’s right!

“He could comfort others, but the mental sequelae left by the Yongjin Island murder case had troubled him for a long time. Now that he mentioned it, he still felt a little uncomfortable. ”

“““If you’re doing well, then you’re really doing well!”” Zhao Yu extended his right hand. “““Congratulations on becoming a superstar!”” ”

“Li Qian quickly held Zhao Yu’s hand and said in a panic, “““You’re overpraising me, I’m still far from being a big star! However, I will work hard!”” ”

“““You two ... Have a pretty good relationship!”” His mother-in-law’s untimely taunting came through his earphones again. ”

“““By the way,”” Li Qian asked, “““I didn’t know you were at the charity dinner.”” ”

“““Um ... I ... I ... Hehe ...”” ”

“Zhao Yu was trying to organize his words, but he heard an excited woman’s voice from the other side. ”

“““Oh, it’s really you, great detective Zhao!”” ”

Chapter 2255: Chapter 2250-peak of life

No way?

“Hearing another woman calling for him, Zhao Yu’s forehead was finally covered in sweat! ”

What day is it today? did you forget to look at the Chinese calendar?

Why did he meet a female friend again?

He turned around and saw that the person who greeted him was a woman in a wheelchair!

“The woman was dressed in a red dress and had long black hair. She was exquisitely beautiful, just like the movie star, Maggie Q! ”

Oh ...

“Seeing the woman appear, Zhao Yu was slightly relieved. It turned out that this person was the person he had hoped to get in touch with, li liya, the woman of rich man Li! ”

“““You ... You are ...”” However, under normal logic, Zhao Yu had only used that as an excuse with her. At this moment, he couldn’t act too familiar with her, so he could only pretend to be dumb. ”

“““It’s really you!”” Li liya was still excited as she said,“““I thought my daddy was joking with me! He really managed to invite you to the charity dinner. That’s great!”” ”

“““Wow, liya,”” Li Qian asked in surprise.“““What’s wrong with you?”” Why did he suddenly sit in a wheelchair? Don’t scare me!”” ”

“““Oh, it’s sister Qian. I’m sorry,”” li liya said apologetically. She actually knew Li Qian.“““You had your back to me just now, so I didn’t see you!”” ”

“““Your eyes ...”” Li Qian looked at Zhao Yu playfully, then asked,“““are they all attracted to this handsome Zhao Yu?”” ”

“““What handsome guy,”” Zhao Yu said humbly,“““pretty boy is more like it, pretty boy is fine too!”” ”

“Li liya was speechless for three seconds, then quickly said,“““I didn’t expect you to know each other!”” I’m so happy today!”” ”

“““Hey,”” Li Qian asked with concern,“““you haven’t told me what’s wrong with you!”” ”

“““Oh, you guys know each other too!”” Zhao Yu quickly explained,“““it’s like this. Yesterday, when Miss Li was attacked, I stepped forward and saved her!”” ”

“““Wow ...”” Li Qian grinned.“““Officer Zhao’s condition is really good!”” She said. ”

Li Qian was implying that officer Zhao was so shameless.

“““Yes, my father and I were attacked. It was divine detective Zhao who saved us!”” Li liya smiled and said,“““I really didn’t expect that my idol would become my Savior!”” ”

“““Mm ... You’re welcome,”” Zhao Yu said.“““Actually, the assassin only wanted to kill your father, so I can only be considered your father’s Savior, right?”” ”

“““This ...”” Li Qian was dumbfounded.“““This is too dramatic. Officer Zhao actually saved Mr. Li’s life. Amazing!”” She said. ”

“““Wow,”” li liya said with admiration,“““detective Zhao is indeed a rigorous detective. He has a strong personality!”” ”

“Li Qian asked with concern,“““liya, where are you hurt?”” Why was he in a wheelchair? Are you alright?”” ”

“““I’m fine, I’m fine. The knife hurt my lung,”” li liya said.””But the doctor said it’s not a big deal. I just can’t move too much and need to rest!”” ”

“““Aiyo, I told you that you need to rest,”” Li Qian complained.””Why don’t you go back to your room and rest?”” ”

“““How can we do that?”” Li liya looked at Zhao Yu affectionately and said,””I knew my idol was coming, so I should have asked you to greet him!”” ”

“““Idol?”” Li Qian looked at Zhao Yu and asked,””officer Zhao, is he your idol?”” ”

“““En!”” Li liya nodded her head vigorously.””Do you know? The famous Gu mantong serial murder case was also solved by detective Zhao! ”

“““If it wasn’t for him, no one would have been able to catch the Gu mantong killer!”” ”

“““Gu...Gu mantong?”” Li Qian frowned.””The kind of thing that keeps ghosts?”” ”

“““Sigh, I can’t explain it to you in a few words.”” Li liya turned to Zhao Yu and said,””great detective Zhao, I came here today especially for you. First, to thank you for saving my life, and second, to do an interview with you! ”

“““Can you tell me about your detective stories?”” ”

“““Wow, that’s amazing!”” Li Qian’s eyes were wide open as she looked at Zhao Yu and said,”” officer Zhao, your life is about to reach its peak! You actually made the Li family’s young miss become your fan, you’re really too amazing! I’m impressed, I’m impressed!”” ”

“““Mm ...”” Zhao Yu scratched his head and said,””many of my detective stories are top secrets, so I can’t just tell you!”” ”

“““It doesn’t matter,”” li liya said with a smile.””Just say as much as you can!”” ”

“As li liya was speaking, a lot of clowns appeared on the stage in the middle of the banquet hall. They were performing acrobatics for the guests as a warm-up before the opening. ”

“Some of them threw the ball, some stepped on the cylinder, and some of them were funny. They immediately attracted the attention of the guests and caused the whole Hall to cheer. ”

“““Hmm...It’s too noisy here!”” Li liya suggested,””detective Zhao, why don’t we find a quiet place to talk? ”

“““There’s still more than an hour before the banquet officially begins!”” ”

“““Alright!”” Zhao Yu was more than happy to hear that. He asked,””where are we going?”” ”

“““This is my home ground,”” li liya smiled,””just follow me!”” ”

“““I’ll go too.”” Li Qian stood behind li liya and held her wheelchair with both hands.””I also want to hear officer Zhao’s detective story ...”” ”

“““Alright! ””Come on ...”” Li liya pointed to the elevator in the distance and said,””let’s go upstairs!”” ”

“Thus, the three of them walked towards the elevator together. Of course, li liya was the main target of protection. There were three professional bodyguards who followed her from two meters away, constantly on guard. ”

“““My son-in-law, you’re so charming!”” His mother-in-law said through the Bluetooth headset,””I thought it would be difficult for you to do it! He didn’t expect it to be so easy! ”

“““Later, remember to ask about Mr. Li ...”” He said. ”

“While they were in the elevator, the three of them didn’t stay idle. The two curious ladies asked Zhao Yu this and that. They really treated Zhao Yu like a treasure. ”

The elevator went straight to the fifteenth floor. Zhao Yu knew where li liya was taking him.

“Sure enough, the next day, Zhao Yu returned to the green forest bar again! ”

“Yesterday, it was here that he stopped the female assassin, hai ya’s assassination, and saved Mr. Li’s life. ”

“““My father and I like this place because it has the peace of our hometown,”” li liya said.””I think the assassin must have understood our habits, which is why he chose to assassinate us here!”” ”

“““By the way, officer Zhao, my dad never told me,”” li liya asked curiously,””what’s the background of that female assassin?”” Whose money did she take to assassinate my father?”” ”

“““You’re asking the wrong person,”” Zhao Yu said, shrugging his shoulders.””Although I’m a detective, I’m not in charge of your case. It seems that the Foreign Affairs Office has taken over the investigation!”” ”

“““Then ...”” Li liya asked again,””if the Foreign Affairs Office is involved, they will definitely inform the Embassy?”” Then ... You should at least know which country that female assassin is from, right?”” ”

“““I don’t know.”” Zhao Yu lied,””I asked them yesterday, but the person in charge of the case was so arrogant that he didn’t even want to tell me! ”

“““I guess the nature of the matter has exceeded the authority of us detectives. No matter what, the higher-ups seem to be paying special attention to this. I think they should be able to give you a satisfactory answer soon, right?”” ”

“““Oh ... I see!”” Li liya was obviously not satisfied with Zhao Yu’s explanation. ”

“At this time, the three of them had arrived in front of a quiet dining table. ”

“““Come on,”” li liya said with a smile.””I’ll treat you to the best food and the best cocktail here!”” ”

Chapter 2256: Searching for boss Zhou

“““How is it? is it good?”” At the dining table, li liya was holding a bowl of steaming feminine vegetables and said,””this is the legendary quicksand noodles!”” ”

“““Waa! It’s really delicious!”” Li Qian complimented,““this is the first time I’ve ever eaten a vegetable. It feels different from eating other food!”” ”

“““Of course it’s fresh,”” li liya said proudly.““Coconut milk, dried shrimp powder, Yashan sauce, and secret cream. I haven’t been here many times, so I can’t even have enough!” ”

“““Detective Zhao,”” li liya asked,““is it delicious?”” ”

“““Mm ... Mm ...”” Zhao Yu nodded as he ate. He was really a little hungry, so he didn’t care if it was delicious or not, but he finished half a bowl! ”

“After a burp, he asked curiously,““““Isn’t this a bar? Why did you give me a notice?”” ”

“““It’s quicksand noodles, okay?”” li liya laughed.““We didn’t have it here, but the bar manager used to be an authentic Malacca chef, so I asked him to make it for us!”” ”

“““Burp,”” Zhao Yu burped again, then pointed to the red wine and said,““eating noodles with red wine, I’m drunk!”” ”

“““Hahaha,”” li liya laughed and said,““it’s not easy to meet your idol. I have to serve you the best!”” ”

“““The best?”” Li Qian joked,““I think the Aston Martin you bought last month is not that good. Why don’t you use this to entertain our great detective Zhao?”” ”

“““You’re so well-informed,”” li liya patted Li Qian and said,““the car is in Singapore!”” I’ll invite you guys to my house later, let’s go for a ride, okay?”” ”

“““Wait a minute,”” Li Qian said solemnly.““Officer Zhao is the one who likes to drive. Liya, you know what I like!”” You know so many famous directors. If there’s a chance, can you help me out?”” ”

“““I’ll cut!”” Zhao Yu pretended to wipe his sweat.““I almost thought you were helping me pull customers ...”” ”

“““Aiyo, you’re so bad, officer Zhao!”” Li Qian blushed.““I didn’t expect you to be so frivolous!”” ”

“““Haha, hahaha ...”” Li liya laughed so hard that she covered her wound and said,““big star, you’re very popular now. Your schedule is full, right? do you still need me to introduce you to a director?”” ”

“““What are you saying!”” Li Qian shyly pulled on li liya’s arm and said,““I’m still far from it! LAN caiyan was a real big star!” ”

“““Oh ... Oh ... Right, I just remembered something!”” Then, Li Qian suddenly said to Zhao Yu seriously,““officer Zhao, when I was filming with LAN caiyan, I asked her about the missing person!” ”

“““Guess what? LAN caiyan said that the man did have a special ability, and he could really find people! Moreover, not only can we find corpses, we can even find living people!”” ”

“““Special ability?”” Li liya was confused.““What are you talking about?”” ”

“““I don’t think LAN caiyan will talk about it!”” Li Qian said seriously,““the Baishan reservoir dismemberment case, which is one of the five major unsolved cases, should have been solved by that man with special powers!”” ”

““““Oh, so you’re talking about the five major unsolved cases!”” ”

““““You mean ...”” Zhao Yu thought for a moment, then asked,““““LAN caiyan has a good relationship with the man with the supernatural power?”” ”

““““Yes,”” Li Qian said.““““LAN caiyan had a long-lost twin sister, and it was that person who helped her find her!”” ”

““““What’s the name of that person?”” Zhao Yu asked again,““““if there’s a chance, I’ll have to talk to him. If we can really find the murderer by touching the body, then what’s the use of us detectives?”” ”

““““No, no, you’re mistaken!”” Li Qian said,““““they touched the deceased’s belongings and found their bodies! Now, touching something that a person has touched can find that person’s location. Don’t you think it’s amazing?”” ”

“Upon hearing this, Zhao Yu and Li liya looked at each other and said in unison,““““““I don’t believe it!”” ”

““““Well, it’s up to you to believe it or not. Anyway, it was LAN caiyan who told me. I also asked for the man’s name,”” Li Qian said.““““LAN caiyan refused to tell me his real name, but she told me that the man’s surname was Zhou. People in Jianghu call him boss Zhou!”” ”

““““Boss Zhou?”” Zhao Yu grinned.““““Alright, I’ll remember it and look for it later! Actually, I have a case right now that is quite suitable for this person!”” ”

““““Oh? What case is it? can you tell us?”” Li liya’s interest was piqued. ”

“As the arm in the safe box Case wasn’t a top secret case, Zhao Yu didn’t hold anything back, so he told the two ladies about the case. ”

““““Waa!”” Li liya said excitedly,““““I can’t believe there’s such a thing. I really want to know who the owner of that arm is and why her arm was cut off!”” ”

““““It’s quite a coincidence,”” Zhao Yu took the opportunity to say.““““Yesterday, I saw that the female assassin was also wearing a 1918 sandaway medal on her wrist Norway so I tried to get close to her. But, I didn’t expect that she was an assassin, and that’s how she saved your father!”” ”

““““Oh ...”” Li liya touched her injured area, narrowed her eyes, and said,““““after all that, the female Assassin’s target was really only my father! ”

““““In other words, if you had not blocked that attack yesterday, the knife would not have stabbed me?”” ”

““““Mm ...”” Zhao Yu was embarrassed, but he said frankly,““““you can say that! However, if I hadn’t stopped him, today’s charity banquet would have been changed to a funeral for your father!”” ”

““““Oh, that’s true, hehe ...”” Li liya shook Zhao Yu’s arm and laughed.““““Are you a little nervous? I’m just joking, I don’t have any intention of blaming you! ”

““““Without you, my father would have lost his life!”” Li liya said,““““my father is dead, so our family is gone. So, you are our family’s Savior!”” ”

““““Wow, I’m so jealous,”” Li Qian said jealously.““““I also want to be your family’s Savior!”” ”

“““Go to hell!”” Li liya gave Li Qian a hard push and said,“““detective Zhao, I think that if DNA really can’t find the owner of the arm, it’s a good idea to ask this person with supernatural powers for help!”” ”

“““But, it still sounds a little weird! Do people with supernatural powers really exist in this world?”” ”

Hmm ...

“Zhao Yu couldn’t help but take a look at the system in his mind. It was really difficult for him to answer this question, so he decided not to answer it. ”

“““Is there really such a person?”” At this time, his mother-in-law’s voice suddenly came from the Bluetooth headset in his ear.“““If there is really such a person, the first thing I’ll do is to invite him to secret services!”” ”

“Zhao Yu coughed and said,“““maybe there are such people!”” Alright, I’ll remember this. I’ll look for this person later!”” ”

Zhao Yu’s words were a double-edged sword. It was an answer to both li liya and his mother-in-law.

“““Sure, sure, I’ll be waiting for your good news!”” Li liya pleaded,“““if you really find out about the arm in the safe, you have to let me know!”” ”

“““By the way, I ...”” Li liya quickly took out her phone and asked like a loyal fan,“““can I add you on WeChat?”” ”

“““Mm, it’s not a problem to add me on WeChat, but ...”” Suddenly, Zhao Yu stood up and looked around alertly. At the same time, he said to li liya,“““help me ask where your bodyguards are!?”” ”

“““Ah?”” ”

Li liya’s expression changed instantly ...

Chapter 2257: Chapter 2252-dangerous person

“““What’s wrong? What’s wrong?”” Li liya, who was sitting in the wheelchair, tried to stand up, but she suddenly felt a pain in the wound on her chest and could not stand up. ”

“At the same time, the alert Zhao Yu had already gone to the bar counter to check carefully. ”

“Previously, li liya’s bodyguards had been protecting her from three meters away and five meters away. However, they were all nowhere to be seen. ”

“What was even stranger was that there were a few people in the bar before, but now there was no one. Only the bartender was still wiping the table at the bar counter. ”

Eh?

No...

“Zhao Yu quickly expanded the detection range of the detector in his mind and asked li liya,”””””Yesterday, I saw that the security guards here were all armed! ”

”””””This is not the Embassy. How can you carry a gun?”” ”

”””””Oh,”” li liya hurriedly explained,””those are all fake guns. The bullets inside are not real. They are used to intimidate bad people!”” ”

F * ck ...

Zhao Yu subconsciously pressed his earphones. He wanted to ask his mother-in-law who was right.

“However, there was no response from his earpiece, as if the signal had been cut off.”

No way?

Zhao Yu quickly unlocked his phone and saw that there was no signal.

Not good!

“Suddenly, Zhao Yu’s adrenal glands rose, and his heart beat faster. He instinctively realized that something big was about to happen! ”

“With that in mind, he checked his emergency device bar to look for a signal booster while he went outside the bar to check. ”

“In the end, before he could walk out of the bar, he was surprised to see three people lying neatly behind the decorative fake tree at the entrance of the bar. They were li liya’s three bodyguards! ”

F * ck!

“Zhao Yu lowered his head to check. With his sharp eyes, he could almost see that the bodyguards had needles stuck in their necks. They had obviously been ambushed! ”

“Zhao Yu was shocked and quickly raised his arm, but then he realized that he did not have a taser gun in his sleeve! ”

“This time, he was only here to investigate the situation. In order to avoid being exposed, he did not bring any weapons! ”

“Just as Zhao Yu was thinking about the weapons, there was a sudden movement behind him. A few can-like things were thrown over from somewhere. They were scattered all over the bar, and as soon as they fell to the ground, they immediately gave off smoke! ”

Smoke ... Smoke bomb?

“Zhao Yu quickly covered his nose and sneaked back, trying to protect li liya and Li Qian. ”

“However, just as the smoke rose, he felt a pain in his neck. A needle had instantly pierced his neck! ”

Ah?

“It was obvious that the contents of the syringe were either poison or anesthetic. The effect was very fast, and as soon as the shot hit, Zhao Yu felt that half of his body had lost consciousness! ”

Invisible antidote!

“In such a critical situation, Zhao Yu didn’t dare to delay, so he quickly used the invisible antidote.”

“As the level of the poison he had been poisoned with was not low, after using the antidote, the system reminded Zhao Yu that he needed to spend 2000 points to strengthen it.”

“At this time, Zhao Yu didn’t dare to be stingy with his points, so he quickly completed the enhancement and used the antidote on himself.”

“However, the effect of the detoxification was not just for show. Almost in the blink of an eye, Zhao Yu regained control of his body, but he was still a little dizzy.”

It was really strange!

“Zhao Yu was shocked. He turned on the detector in his head, but it couldn’t capture the enemy’s specific location. This could only mean two things:”

“First, the enemy did not carry any detectable explosives or weapons!”

“Second, the enemy must be an expert!”

“Thinking of this, Zhao Yu took the opportunity to fall to the ground, ready to play the pig to eat the Tiger.”

“Just as Zhao Yu fell to the ground, the entire bar was covered in thick smoke. The bartender only coughed a few times, then there was no more sound.”

“On the other side, Li liya and Li Qian’s exclamations did not come from the beginning until the end. He wondered how they were doing!”

“Smelling the pungent smell, Zhao Yu had no choice but to use an invisible breathing device to protect himself from the smoke.”

Tap tap tap tap ...

“Within a few seconds, Zhao Yu heard a series of quick and light footsteps approaching from afar. Soon, they were right beside him.”

“Through the thick smoke, Zhao Yu could see a man wearing plaid pants standing next to him.”

“The man was making some noise, seemingly fiddling with something. At the same time, he was mumbling something.”

“Zhao Yu could tell that he was mumbling in English. In order to get first-hand information, Zhao Yu quickly turned on the real-time translator and understood what he meant.”

“””What dangerous person? he can’t even withstand a single blow ...””” The man mumbled and took out a dagger!”

F * ck!

“This time, Zhao Yu didn’t dare to pretend anymore. What if the man took out the dagger to kill him?”

“Then, Zhao Yu quickly tapped on the device bar in his brain and found a device that he had never used before.”

This device was called an invisible electric baton!

“According to the device’s description, the device needed to be used on an object to exert the same power as an electric baton and electrocute the person!”

“In such a critical situation, Zhao Yu didn’t want to get entangled with the enemy. So, he quietly took off his leather shoes and used the electric baton on them.”

The system immediately notified Zhao Yu that it was a success. Zhao Yu immediately stood up and stabbed the man’s thigh with his leather shoe!

“It happened so suddenly that the man was caught off guard. The moment the leather shoe hit him, it immediately flashed with a dazzling blue light!”

Crackling ...

“With a flash of lightning, the man was electrocuted to the ground in the blink of an eye without even making a sound.”

“The invisible electric baton could only be used once. After it electrocuted the man, it immediately disappeared. What Zhao Yu was holding in his hand was a shoe.”

Damn it!

“Zhao Yu quickly got up to check, only to realize that the person he had electrocuted was a creepy clown!”

F * ck ...

This ...

“Even though Xiao Chou was wearing a gas mask, one could still clearly see the heavy paint on his face!”

Oh ...

Zhao Yu then remembered that this person was dressed like the clown in the banquet hall. Could it be that those clowns ...

Right?

“All of a sudden, Zhao Yu felt a chill down his spine. He had completely overlooked a problem.”

“In a normal circus, there wouldn’t be too many clowns. One, two, or three would be enough. They were in charge of making the audience laugh and making jokes!”

“However, there were as many as eight to nine clowns performing in the hall just now. Could ... Could it be ...”

This was premeditated?

“If there was really something wrong with these clowns, then ... What about the main hall? Where’s Mr. Li?”

Zhao Yu saw that the electrocuted Xiao Chou was holding a sharp dagger in one hand and a strong nylon rope in the other.

Oh ...

“Zhao Yu understood that the clown wanted to Cut the Rope and tie him up with the dagger, not to kill him!”

“Then, Zhao Yu instinctively tried to break Xiao Chou’s right hand, hoping to snatch the dagger from him.”

“This time, Zhao Yu was also blind. He pulled hard, and the clown suddenly sat up!”

No way?

“Zhao Yu was dumbfounded and met Xiao Chou’s punch with his own. The punch was so fierce that it not only flattened Xiao Chou’s gas mask, but also hit his nose!”

“”Ah!”” The clown let out a muffled roar and fell to the ground in pain.”

“Zhao Yu once again exerted force on his wrist and finally pried Xiao Chou’s hand away, then held the dagger in his own hand.”

“However, the clown’s endurance was far beyond Zhao Yu’s imagination. Just as Zhao Yu got the dagger, the clown jumped up from the ground again and grabbed Zhao Yu’s hands!”

Chapter 2258: Quickly surrender

I’ll cut!

“Seeing Xiao Chou’s sudden outburst, Zhao Yu felt depressed. Boss system, what kind of stupid Taser is this? Why couldn’t he even electrocute a person? You made me waste so many points!”

“However, the situation was critical, and Zhao Yu did not have much time to complain. Although Xiao Chou had not fully recovered, his strength was obviously stronger than Zhao Yu’s. After grabbing Zhao Yu’s hands, Zhao Yu could not control the dagger in his hands no matter what.”

“Just like that, the two of them tore at each other for a while before the dagger finally flew out of their hands and fell into the gap under the bar counter.”

Damn it!

“Zhao Yu was furious and gave Xiao Chou another punch. But this time, Xiao Chou was prepared and raised his arm to block it. Zhao Yu’s Iron Fist grazed past his face, knocking off his gas mask!”

Wow!

“The oil paint on the clown’s face had already been twisted and deformed, becoming abnormally ferocious. He was no longer the clown on stage who made people laugh, but a terrifying demon!”

“Zhao Yu knew that the one who made the first move had the upper hand. When he saw that Xiao Chou was an expert, he immediately leaped forward and grabbed Xiao Chou’s throat with both hands.”

“Zhao Yu’s purpose was very obvious. He wanted to take advantage of the pungent smell of the smoke bomb to catch the other party off guard, and then quickly subdue him.”

“However, the smoke had mostly dissipated by now, and Xiao Chou’s reaction was extremely agile. Zhao Yu pinched him, and Xiao Chou rolled over, pressing Zhao Yu under him.”

“Zhao Yu struggled, rolled over, and pressed the man under him.”

“Just like that, the two of them rolled on the ground and wrestled with each other.”

Thump!

“When the two of them rolled over to the bar counter, Zhao Yu’s back hit the bar counter heavily. The wine glasses on the bar counter instantly fell onto the two of them, and they reeked of alcohol!”

Wayaya!

“Zhao Yu was anxious. He spread his arms and used the long-lost martial arts technique, the king’s eight fists, to hit the man’s face.”

“Under such a dense barrage of fists, the other party was still hit by quite a number of them despite trying his best to block them. He was now at a disadvantage.”

“However, Xiao Chou was very experienced. After enduring Zhao Yu’s violent attacks, he suddenly grabbed Zhao Yu’s belt and lifted Zhao Yu up!”

“Then, the two of them propped themselves up from the ground, while the clown used his strength to flip over the bar counter with Zhao Yu in his arms and fell onto the inside of the counter!”

“???.....?????????,????.”

“”Ah ... Ah ah ...” In the chaos, a person’s scream was heard.”

“As it turned out, after Zhao Yu and Xiao Chou fell, they had fallen right on top of the bartender! The bartender had been hit by the smoke bomb and had fallen unconscious. However, when the two men suddenly fell from the sky and hit him, he immediately woke up and let out a miserable scream!”

Bang! Bang!

The clown raised his elbow and accurately hit the bartender’s face. The bartender instantly fainted and could no longer make a sound ...

Zhao Yu was lucky enough to pick up the bartender’s cocktail glass and smash it on the clown’s head!

“The cocktail glass was made entirely of metal and was very strong. After Zhao Yu’s violent smashing, its power was not to be underestimated. Xiao Chou’s head was hit so hard that he was seeing stars. His forehead was bleeding, and his vision was affected!”

F * ck your grandmother!

“Zhao Yu didn’t hold back, and threw another cocktail glass at the same place!”

“This move was also considered extremely vicious. If both hits hit the same place, it would definitely make the other party suffer from extreme pain.”

“However, Xiao Chou had already been hit once, so he couldn’t take a second hit. He immediately dodged to the side and barely managed to Dodge the attack.”

“Zhao Yu was stunned again, but Xiao Chou suddenly pounced forward and wrestled with Zhao Yu at a close distance.”

“This time, Xiao Chou used all of his strength to fight Zhao Yu. The two of them fought in the narrow space at the bar counter, and it was quite a scene.”

Bang ...

“The wine rack was smashed, and many expensive bottles fell to the ground, shattering into glass shards.”

“Poor Zhao Yu, he had used his leather shoes as an electric baton and stepped on the glass shards barefooted. He was in so much pain that he cried out in pain, even making the sound of a eunuch laying eggs!”

“Normally, Zhao Yu would have used a mallet or an energy booster to strengthen his fighting ability!”

“However, Zhao Yu was a stubborn donkey. He and the clown were locked in a fierce battle, but the more they fought, the more energetic he became. He even wanted to use his own abilities to compete with him!”

“Hence, Zhao Yu became more determined and threw the cocktail glass in his hand directly at Xiao Chou’s face. Xiao Chou quickly lowered his head to Dodge, and Zhao Yu took advantage of the opportunity to kick Xiao Chou, sending him flying!”

Bang!

The clown was kicked off the bar counter and slammed into the karaoke machine outside.

“Coincidentally, he turned on the lights on the karaoke machine and a song suddenly came out. It was a Singapore song, ”on the journey”!”

”””I’ve never blamed you. I’m not afraid of how rough the journey will be if fate is wrong ...”””

”””Ah!”” The clown howled in pain, then immediately picked up the stool in front of the recorder and threw it at Zhao Yu.”

“Zhao Yu sent a flying kick at the chair, which flew into the air. Then, with a loud shout, he pounced on Xiao Chou!”

”””Ah?”” This time, even the battle-hardened Xiao Chou was frightened by Zhao Yu’s imposing manner, and his eyes suddenly showed fear.”

“He finally realized why Zhao Yu was a “dangerous person.””

Thump!

“Zhao Yu kicked the clown in the stomach again, causing him to fall to the ground. At the same time, Zhao Yu picked up a broken red wine bottle and threw it at the clown’s face!”

Ah ...

“The clown let out a cry of surprise and quickly used his arms to protect his face. The wine bottles all smashed onto his arms, and many of the glass shards pierced into his skin!”

“Ah ...” Xiao Chou let loose another anguished wail as his formation was thrown into disarray. His door had been flung open, and he had already lost the ability to retaliate.”

Go to hell!

Zhao Yu lifted his leg and kicked Xiao Chou in the face again!

“However, just as he raised his foot to the highest point, he suddenly heard the sound of something breaking through the air from his right. With a swish, another syringe was inserted into his neck!”

“Ah!?”

“Zhao Yu was shocked and quickly pulled out the syringe, then stabbed it into the clown’s thigh!”

Ah ...

Xiao Chou’s entire body trembled in pain as he howled in agony.

“However, the medicine in the syringe had already been injected into Zhao Yu’s body the moment Zhao Yu was shot. Even though Zhao Yu had used the syringe to stab Xiao Chou, Xiao Chou did not lose consciousness.”

“However, although Zhao Yu had been drugged, the invisible antidote from before had not lost its effect, so the needle obviously did not affect him much!”

“However, the needle was shot from the right side, which meant that a new enemy had come!”

“Then, Zhao Yu quickly rolled to the side and hid behind the bar counter. At the same time, he remembered that the dagger had slipped under the bar counter, so he quickly reached out to pick it up.”

“However, as the smoke from the smoke bomb dispersed, Zhao Yu could see the enemy’s figure.”

“Who would have thought that it was not just one or two enemies that appeared in front of him, but three!”

“One of them pushed Li Liya’s wheelchair and pressed a dagger against Li Liya’s neck. There was also a tall man who was carrying Li Qian on his shoulder! Finally, there was a relatively smaller one, who was aiming at Zhao Yu with a crossbow with a syringe.”

“““Have you had enough fun, Zhao Yu?”” The criminal who had threatened li liya with the dagger shouted at Zhao Yu,““your friends are in my hands. If you don’t want to see me cut off their heads in front of you, surrender now!”” ”

Chapter 2259: The attacker’s purpose

“What appeared in front of him was not one or two enemies, but three! ”

“One of them pushed li liya’s wheelchair and pressed a dagger against li liya’s neck. There was also a tall man who was carrying Li Qian on his shoulder! Finally, there was a relatively smaller one, who was aiming at Zhao Yu with a crossbow with a syringe. ”

“““Have you had enough fun, Zhao Yu?”” The criminal who had threatened li liya with the dagger shouted at Zhao Yu,““your friends are in my hands. If you don’t want to see me cut off their heads in front of you, surrender now!”” ”

Chapter 2254-conspiracy

Li liya and Li Qian had already fallen unconscious. The leader of the robbers grabbed li liya’s hair with one hand and held a dagger to her snow-white neck with the other.

“The knife was so sharp that li liya’s neck was already cut open by the touch, and blood seeped out of her skin. ”

“Looking at the criminals, just as Zhao Yu had expected, their faces were covered in oil paint, and they all looked like clowns! ”

Zhao Yu knew that there was a recent Hollywood movie called the clown. Could these people be fans of the clown?

“However, as their oil paint was very thick, Zhao Yu couldn’t tell where they were from. ”

“““Cough cough ... Cough cough ...”” At this time, the clown, who had been knocked down by Zhao Yu earlier, wiped the blood off his face and got up from the ground. ”

“After realizing Zhao Yu’s power, he didn’t dare to take revenge. He quickly crawled forward to where Xiao Chou was. ”

“““Strange, strange!”” At this moment, the clown, who was holding a syringe and a crossbow, spoke. He was wearing green pants and was relatively short. He spoke in broken English,““he took two shots, but he’s fine!”” It’s really too strange!”” ”

“““Hmph, I told you to be careful of this dangerous person,”” the clown in red pants said in English.””This man is not simple!”” ”

“““Hey,”” Zhao Yu spread out his hands and said,““since you know that I’m a dangerous person, you should just surrender!”” ”

“The clowns didn’t expect Zhao Yu to understand English, so they were embarrassed. ”

“““You’re really a madman, no wonder people call you crazy detective! “““Alright,”” the clown in red pants pulled li liya’s hair back, revealing her snow-white neck, and said fiercely,””I’ll count to three, and then I’ll cut off this woman’s head in front of you! ”

“1.....2.....”

“When he counted to ‘ 2 ‘, the knife had already pierced li liya’s skin. Blood flowed down and stained li liya’s collar ... ”

“““Good, good!”” Zhao Yu did not dare to play any tricks. No matter what, he could not let an innocent girl die in front of him, so he raised both his hands and said,””then I’ll surrender first!”” ”

“Seeing Zhao Yu raise his hands, Xiao Chou, who had been beaten up earlier, returned and tied Zhao Yu’s hands behind his back with the nylon rope he had prepared. ”

“After Zhao Yu was tied up, Xiao Chou regained his energy and threw a punch at Zhao Yu’s face, wanting to take revenge for the arrow that he had just shot. ”

“However, although Zhao Yu had surrendered, it didn’t mean that he had given up on resisting. He had already expected that the man would take the opportunity to take revenge, so he immediately threw a kick at the man’s abdomen! ”

“““Ah ...”” ”

The clown screamed like a eunuch and immediately bent his legs ...

“““Dogshit!”” Xiao Chou, who was holding a syringe and crossbow, quickly aimed the syringe at Zhao Yu and cursed,””damn, this guy is so fierce. I’d better kill him first to avoid any future trouble!”” ”

“““No!”” At this time, the clown, who was the leader, had already let go of li liya. He said in a foreign language that was awkward and awkward,””this person is still useful to us. We can’t touch him first!”” ”

“Zhao Yu had the simultaneous translator on, so when he heard the man speak in a foreign language, he quickly strengthened the translation function and understood what he meant. ”

“This person was speaking in a Malacca dialect, which very few people could understand. ”

Oh?

“After Zhao Yu understood, he suddenly realized that the sudden attack might have been directed at him. ”

“““Since ...”” The clown holding the syringe said unhappily,””the syringe can’t knock him out, then let’s change to a real gun!”” ”

“As he spoke, Xiao Chou put away his syringe and crossbow, then took out a pistol and pointed it at Zhao Yu’s back. ”

“Then, he searched Zhao Yu’s body, taking away Zhao Yu’s mobile phone and Bluetooth earphones. ”

“““Oh ... Oh ...”” ”

“At this time, Xiao Chou, who had been kicked in the vital part, got up from the ground with difficulty. He wanted to rush over to take revenge on Zhao Yu, but was pulled away by the leader of the group, Xiao Chou.”

““That’s enough,”” the clown in red pants shouted.““Haven’t you embarrassed yourself enough?”” Go and push the wheelchair, we still have important things to do! ”

““If we don’t do it well, the boss will definitely skin us alive!”” ”

“Hearing what the clown in red pants said, the clown, who was being beaten up, didn’t dare to say anything more. He quickly and obediently pushed li liya’s wheelchair out of the bar! ”

““That’s enough,”” the clown in red pants said.““You guys go first. Leave this to me!”” ”

“With that, he ran straight to the unconscious bodyguards ... ”

“Zhao Yu wanted to see what he was going to do to the bodyguards, but under the threat of the gun, he had no choice but to follow the clowns out of the bar. ”

“After they left the bar, Xiao Chou pushed Zhao Yu into the elevator. ”

“While he was in the elevator, Zhao Yu quickly thought of no less than fifteen plans! ”

The first plan was to release an invisible odor bomb in the elevator and subdue the three clowns!

“However, after thinking about it, he gave up on the idea. This was because two of the three clowns were wearing gas masks around their necks. Once he released the stink bomb, they would not be affected as long as they wore the gas masks properly. ”

“Secondly, the three criminals were all holding weapons in their hands, and one of them even had a pistol. If they were to really fight, Zhao Yu would not be afraid, but li liya and Li Qian might not be safe. ”

“So, after thinking about it, Zhao Yu didn’t dare to move. ”

“Zhao Yu really didn’t expect to be attacked so suddenly. There were so many security guards in the building, so why did these clowns still dare to attack him so brazenly?”

“It was obvious that this group of people had come prepared. The communication had been cut off, which meant that they had used something to block the signal of the entire building. ”

“Also, they were carrying professional smoke bombs, tranquilizer syringes, pistols, and other weapons. Obviously, they were not ordinary criminals! ”

So ... What were they trying to do?

They had attacked him and Li liya. Who was their main target? Was it him?

It shouldn’t ...

“Zhao Yu thought about it and felt that if the enemy was only after him, they shouldn’t have attacked from the building. ”

“However, if they were doing it for li liya, why did they use li liya’s life to force him to surrender?”

“Could it be that ... They were not worried about li liya’s life or death, or were they just using li liya to test him?”

“Zhao Yu had thought that Xiao Chou would take him, li liya, and Li Qian to the underground parking lot, but to his surprise, the elevator stopped on the second floor.”

“Then, something that shocked Zhao Yu happened. The clowns took him directly to the banquet hall!”

“In the end, when they arrived at the banquet hall, Zhao Yu realized that the entire banquet hall had changed.”

“Two clowns with rifles were standing guard at the door. When they saw the clowns who were escorting Zhao Yu and the others, they gestured at the hall, and the group entered the hall together.”

Oh my God!

“Zhao Yu was dumbfounded. He saw that the hall was full of unconscious people, and more than a dozen clowns with rifles were walking around, tying up the unconscious guests.”

Chapter 2260: Chapter 2256-clown

“The scene was shocking, and the style was different.”

Zhao Yu was dumbfounded. He had never expected to encounter such a big incident today!

“If he could get a hexagram, it would at least be a big Qian Kun hexagram, right?”

“At this moment, some of the guests who had been hit by the unconscious smoke were gradually waking up. Some of the clowns who were holding weapons immediately stepped forward and put some simple plastic handcuffs on them.”

“Those handcuffs were disposable. After a person’s hands were cuffed, they only needed to pull on the plastic rope and the handcuffs would pull in. The person’s hands would be cuffed tightly and they would not be able to escape.”

“If he wanted to untie it, he could only use a sharp tool to cut it.”

“Zhao Yu had come into contact with such disposable handcuffs before. If he were to use an energy booster, he could easily break free from them.”

“It was unknown if the enemy had expected this, but they didn’t put the handcuffs on Zhao Yu, but instead used a stronger nylon rope.”

“The oil paint on the clowns’ faces was thick, making them look ferocious and terrifying.”

Zhao Yu knew that the reason why they had applied such heavy paint was actually to prevent their appearance from being exposed.

“Apart from the weapons in their hands, each clown was wearing a gas mask.”

Zhao Yu counted as many as 15 at a glance.

“Moreover, there were other clowns bringing people into the hall. Most of them were staff members of the building. They were not unconscious, but they were afraid of the weapons of the clowns. They could only come to the hall obediently and be handcuffed.”

I didn’t expect these clowns to be so bold as to take control of the entire building. What are they trying to do?

Zhao Yu thought of his mother-in-law.

“There was no doubt that when his mother-in-law knew that the signal to the building had been blocked, she would realize that something big had happened in the building!”

“So, there must be a large number of agents coming to rescue now, right?”

“So, Zhao Yu carefully observed the environment and was prepared to take action if the agents broke into the building.”

“After Zhao Yu was pushed down by the clowns in the banquet hall, he was brought directly to a clown in a purple performance suit.”

This clown was dressed up in an unusually flirtatious manner and was currently drinking from a bottle of expensive red wine.

““It can’t be?”” After seeing Zhao Yu, he put down his glass and said in surprise,““according to our original plan, our crazy detective should have come in lying down!”” ”

“The purple clown was speaking Chinese, but his pronunciation was not quite accurate.”

Crazy detective ...

Zhao Yu frowned. It seemed that these people all knew his identity.

““Yo, yo, yo ...”” The clown in purple then saw that the clown, who had been beaten up by Zhao Yu, had wounds all over his face. He immediately shook his head and sighed.““It seems that the title of crazy detective is really not well known!”” ”

““It’s a well-deserved reputation!”” Zhao Yu corrected him, then asked,““excuse me, do we know each other?”” ”

““I don’t know you,”” the clown replied honestly.““I’ve only heard of your name. Now that I’ve met you, you’re indeed a ... A ...”” ”

““I’d like to ask,”” the purple-clothed clown asked his subordinate,““did you really not knock him out?”” ”

““Hmm ...”” The clowns lowered their heads in shame. ”

“The purple-clothed clown spoke arrogantly, and the other clowns clearly showed their fear. ”

“From this, Zhao Yu could tell that the purple clown was most likely their boss! ”

“While they were talking, there was a new movement in the hall. A few clowns were hanging two yellow oxygen tank-like things in the air through the suspension rope on the stage.”

“The two jars were hanging in the air on the left and right sides of the stage. The sign of danger was engraved on the jars, and it was obvious that there was something powerful in the two jars.”

“At the same time, the clowns had cuffed all the guests in the hall and confiscated their mobile phones and other electronic devices.”

““Report!”” At this time, a tall clown ran over and reported to the clown in purple.”“We have the entire building under control. The front door has been closed and guards have been arranged!”

““The other floors are still being cleaned up. I should be able to completely clear them in five minutes ...””

““Mm, good, very good!”” The purple clown smiled mysteriously, then turned to Zhao Yu and said,”“Mr. Crazy detective, our show is about to start!”

““As an important participant, I hope you can cooperate with us, hahahaha ...””

“As they were talking, someone brought the waking tycoon Li in front of the purple clown. He had already regained consciousness, but when he saw so many hideous clowns, he was so scared that his face turned pale and his soul flew out of his body.”

“After a while, he saw his daughter Li Liya and quickly rushed over to call her.”

“As a result, Li Liya and Li Qian slowly woke up after he called them.”

““Daughter ... Daughter, are you okay?”” he asked. Rich man Li saw that Li Liya’s neck was bleeding and quickly wiped it with his hand, exclaiming in worry.”

““Dad, this ...”” Li Liya opened her eyes and was shocked by the scene in front of her.”

Li Qian was also scared out of her wits. She didn’t know what had happened.

““Everyone, everyone, cough cough ...”” At this moment, the purple clown took out a microphone and stood at the high light on the stage. He said to the crowd,”“welcome to this charity banquet. First of all, on my behalf, I would like to express my sincere thanks to everyone’s generosity!”

““Tap, tap, tap, tap ...”” As he spoke, he narcissistically performed a shoddy and rhythmless dance, and then said to everyone,”“please don’t be afraid, don’t panic, I’m just here for your money!”

““As long as you give me your money later, I can guarantee your safety, but ...”” He smiled evilly and said,”“you can’t be too stingy. Later, I will pick out the ten people who have donated the least and cut them open on the spot. So, I hope that when you donate, you can try to increase the amount as much as possible. Don’t fall behind the last ten, hahahaha ...””

‘F * ck ...’

Zhao Yu was speechless and wondered if these people were crazy. Did he make such a big scene just for money?

“In such a situation, even if he got the money, how could he run away?”

“““Money ... Money ...”” Rich man Li saw that his daughter’s sadness was not affected, so he turned to the clown in purple and said,““how much do you want? I’ll give it to you, just please don’t hurt us!”” ”

“““Sigh, that’s right,”” the clown in purple said with an ugly smile.”“I hope everyone can be as generous as Mr. Li, then everyone will be fine!”” ”

“““However,”” the purple clown smiled evilly and pointed at the two yellow jars on the stage,”“just in case, we have to open everyone’s eyes!” ”

“““Let me introduce to you, the thing in this jar is called SX. It is the most lethal chemical poison on earth, and there is no doubt about it!”” ”

F * ck!

“Zhao Yu was shocked. There was really nothing good in the jar. Previously, the detector in Zhao Yu’s brain only showed that these two items were dangerous items, but there was no detailed introduction. ”

“Now that the purple-clothed clown had said it, it was actually poisonous gas! ”

Oh ...

“Suddenly, Zhao Yu remembered something. A few days ago, there had been an unknown illegal transaction at rich man Li’s private dock. Could it be that the goods that had been illegally traded were ... Were poisonous gas? ”
