Chapter 2261: The murderer

“When he heard the purple clown suddenly mention Xi menna’s name, Zhao Yu’s heart skipped a beat. He suddenly realized that the situation was not good.”

Not good ...

These clowns were indeed related to Xi Wei!

Then ... Were they Xi Wei’s former subordinates or londee’s subordinates?

“If they were Xi Wei’s former subordinates, then their goal was obviously to rescue Xi menna?”

“However, what if he was londee’s subordinate?”

That would be ...

“It’s broken, it’s broken ...”

“Zhao Yu suddenly realized that, no matter who these clowns were working for, he would not have a good ending.”

“Xi Wei’s death was directly related to him, and londee’s death was also caused by him, so ...”

“Zhao Yu couldn’t help but glance at the system device, and started to think of a counterattack plan. These people clearly came with ill intentions, and he had to make early preparations.”

“““The person who assassinated Mr. Li ...”” At this moment, his mother-in-law, ah Qin, was still dealing with the clown. She pretended to be confused and asked,““you have to tell me her name. I guess I can help you find her!”” ”

“““Hmph,”” the purple-clothed clown snorted coldly.““I knew you would do this. In your words, this is called hitting the monkey’s eyes!”” ”

“““You’re playing dumb!”” Zhao Yu couldn’t help but correct him.”

“““Who cares about his eyes?”” the purple-clothed clown shouted at his phone in a frenzy.““Soon, you’ll see a room full of people being poisoned by the poison gas. Their deaths will be completely attributed to your monkey eyes!”” ”

“““I’m not joking with you, and I don’t want to waste time either,”” his mother-in-law, ah Qin, said firmly.““I don’t know which Department the assassin was taken away by. If you don’t tell me the Assassin’s name, it’ll be very difficult for me to find her!”” ”

“““Sister, my patience has a limit!”” The purple clown refused to say the name of the assassin.““The person who tried to assassinate rich man Li is in Shanghai. I’ll give you an hour. If she’s not sent to the building after an hour, then you’ll have to collect a wave of corpses!”” ”

“““Then ... Who is Xi menna?”” Ah Qin asked again,““you should at least give me some hints, right?”” ”

““““You’re still pretending, right?”” The purple clown lost his temper and roared, ““““your crazy detective Zhao Yu is right in front of me. Our people are aiming their guns at his head!””

““““Do you really want to hear the sound of a gun right now?”” ”

““““You ...”” Ah Qin hesitated and said, ““““Okay, okay, I’ll investigate the two people you mentioned and send them to you. But you have to remember, if you don’t keep your promise, we’ll have to use force!”” ”

““““Don’t worry,”” the purple-cloned clown said, ““““I’ve always been a man of my word. If we’ve met before, you’ll know what kind of person I am!””

““““Xi menna might not be in Shanghai, so I can give you guys some time. I’ll give you guys ...”” The clown in purple looked at his watch and said, ““““I’ll give you guys four hours!”” ”

““““I’m just joking,”” said ah Qin.””The country is so big, this little time is not enough!”” ”

““““Don’t bargain with me, I have plenty of chips in my hands!”” The purple clown threatened, ““““I said four hours, and I mean four hours. Not even a minute more!””

““““You guys have plenty of planes. Besides, the high-speed rail is so fast. You can definitely send him over in four hours!”” ”

““““Then you don’t understand Shanghai’s traffic,”” ah Qin argued.””Have you never been stuck in a traffic jam in Shanghai?”” ”

““““I’m starting to hate you,”” the purple clown said, shaking his head.””It’ll be midnight in four hours, so we can ignore the traffic problem. Also ...”

““““There’s an aircraft parking ground on the roof of a multi-millionaire’s building,”” the purple clown said coldly.””I want you to send the people there directly. Once we see Xi menna, we will release all the hostages!”” ”

““““Oh? It’s that simple?”” Ah Qin didn’t believe him.””What if you guys don’t fulfill your promise?”” ”

““““I’m not lying,”” the purple clown suddenly said in a serious tone.””As long as we can confirm that it’s Xi menna, we will definitely release all the hostages!”” ”

““““But ...”” ”

““““No buts. I advise you to hang up the phone before I completely hate you!”” The purple clown said, ““““after you send the female assassin here, I will release one-third of the hostages first!””

““““And when Simone arrives, all the hostages will be released. I mean what I say!”” ”

““““Hmm ...”” Ah Qin was still hesitating.”

The purple clown snorted proudly and hung up the phone first.

“After he hung up the phone, he deliberately glanced at Zhao Yu.”

“Originally, Zhao Yu wanted to get some information by beating around the bush, but after seeing the purple clown’s evil look, he held back.”

Chapter 2262: Bargaining chip

VX.....

“Zhao Yu had never done any research on poisonous gas. He had only heard of sarin gas before, but he had heard of VR. As for VX, it was the first time he had heard of VX.”

They actually managed to get their hands on poisonous gas. These people ...

“Zhao Yu felt that these clowns were not only after money. Perhaps, there was a bigger conspiracy behind this!”

““In just one minute,”” the clown in purple said with a sinister smile,””the person will die completely! The poisonous gas will erode your central nervous system, causing you to have a nauseating headache, stop breathing, and heart failure ... In short, you will die a horrible death!”” ”

“The purple clown’s Mandarin was very inaccurate, and it sounded very awkward.”

Oh ...

Zhao Yu finally understood why every clown was wearing a gas mask.

“It turned out that not only did they not get affected by the smoke bomb, but they were also prepared to defend against the poisonous gas.”

““Alright, boss.”” At this moment, someone holding a camera reminded the clown,””you can go on TV now!”” ”

““Oh, really? Hehehe ...””The purple clown rubbed his palms together in excitement and said to the camera,”” let’s start, let’s start!”” I can’t wait!”” ”

“The clown, who was holding the camera, made an OK gesture, and the purple clown quickly waved to the camera.””“Cough, Hello, officers who were about to rush into the building!”

““Mm ... I want to remind you that if you really rush in, no matter what form you use, then the 200 people in the building will all be killed by you!”

““Because we have prepared a beautiful gift for them ... Please take a look ...”” The camera quickly turned the lens and pointed at the poison gas can hanging in the air. He smiled gloomily and said,””this is the legendary SX, the king of poison gas that can kill all living creatures!”

““We’ve installed explosives on the gas cans. As long as we think it’s dangerous, we’ll detonate them. Then, all of the donation guests here will all ... Ah ... Ah ah ...”” ”

The purple clown clutched his own neck and struggled exaggeratedly. He even closed his eyes and pretended to be dead.

“After struggling for a while, he finally stood up and said loudly,””“I know that you’ll definitely send someone to negotiate with us and ask us what we want, right?”

“““Then ... Okay, okay ... I agree ...”” The clown in purple said mysteriously,“““you guys take down a phone number now. If you want to negotiate later, you can just call this number!”” ”

“Then, he took the phone from his subordinate. It was Zhao Yu’s phone. ”

“Then, the purple clown glared at Zhao Yu, then raised his arms and shook them. ”

F * ck!

“Zhao Yu understood what he meant and cursed under his breath, then helplessly gave him his phone number. ”

“When the purple clown heard this, he proudly repeated Zhao Yu’s phone number to the camera, then said,“““Alright, I can tell you that we came prepared. We definitely didn’t just bring one or two cans of poisonous gas!” ”

“““So, I’d advise you not to try any tough means, not even getting close to the building, because there is more than one remote control that can blow up those poison gas cans, and it’s not just one person!” ”

“““Alright, my handsome appearance ends here! I still have important things to do next!”” ”

“The cameraman, the clown, immediately turned off his equipment. ”

“The purple clown said leisurely,““““I’ve been a clown for so many years, but I’m still so nervous in front of the camera. It looks like I really don’t have the talent to be a clown!”” ”

“At this moment, the guests in the hall had all woken up. Looking at the dangerous scene in front of them, they were all pale and didn’t dare to make a sound. ”

No one would have thought that such a large-scale kidnapping would take place in this multi-millionaire’s building!

“““Alright,”” the purple-clothed clown ordered his subordinates,“““start doing your work! Remember, don’t let them know the amount of donations. If they do, then this game will be meaningless!”” ”

“Hearing the purple clown’s words, the other clowns immediately got to work. They set up laptops on the table to the right of the stage, then set up a lot of card swiping machines. ”

“From the looks of it, this was to get the guests to donate on the spot. ”

“““Everyone,”” the clown in purple said to the crowd,“““money can decide a person’s status, but it can also decide a person’s life and death! I hope that you won’t lose your chance of survival because of your stinginess!” ”

“““Oh, that’s right, and ... I’m talking about you donation guests!”” The purple clown pointed at the hotel staff.“““These people are not included in the donation list. The clown has to rob the rich to help the poor. We never bully the hardworking masses!”” ”

“““Alright, I’ve already wasted a lot of saliva. Next, I have to do serious business!” ”

“““I’ll leave this place to you guys!”” The purple-clothed clown nodded at a yellow-clothed clown and instructed,“““if necessary, you can kill one or two first to warn the little monkeys!”” ”

“““Yes!”” The clown in yellow replied in English. He then walked into the crowd and pushed a fat man out. The crowd immediately burst into a scream ... ”

“““Alright, it’s your turn!”” At this moment, the purple clown no longer paid attention to the situation. He turned around and said to Mr. Li,““how much do you plan to donate?”” ”

“““I’ll donate, I’ll donate!”” Mr. Li was so scared that he was shaking. He quickly nodded and said,““as long as you don’t hurt my friends and family, I’ll donate all my assets to you!”” ”

“““Hmph, you’re really forthright!”” The purple clown took another big gulp of red wine and said,““alright, don’t worry. I have more important things to discuss with you!” ”

“““Let’s go. Let’s talk in your Presidential Suite, okay?”” ”

Mr. Li didn’t dare to say no. He quickly lowered his head and listened to the other party’s command.

“““And you,”” the purple clown pointed at Zhao Yu,““I want this crazy detective and this Ms. Li in a wheelchair to follow me!”” ”

“““And ... And ...”” As he spoke, he looked at Li Qian, then shook his head and said,““forget it!”” It’s easy to get noisy when there are too many women. Let her stay here and donate to us!”” ”

Li Qian trembled and was too scared to speak.

“Then, the purple clown and his three burly men escorted Zhao Yu and Mr. Li to the elevator. ”

What the hell ...

“Zhao Yu creased his eyebrows, not understanding what the other party was up to. ”

“Just as they entered the elevator, the purple clown’s phone rang. ”

“““Hello.”” The clown pressed the answer button and asked in a strange tone,““who is this?”” ”

“““Tell me, what do you want?”” A cold female voice came from the phone. ”

“Although he didn’t turn on the speaker, Zhao Yu could tell that the woman on the phone was his mother-in-law. ”

“““Oh, oh, oh ...”” The purple-clothed clown said jokingly,““you’re so aggressive! Are you getting heaty?”” ”

“““Cut the crap,”” said his mother-in-law, ah Qin.””“Since you’re not committing suicide, you must have a request. Tell me, let’s see if I can satisfy you!”” ”

“““Wow, I really, really like women with characters like yours! Alright, it’s getting late, so I’ll get straight to the point!”” The purple clown looked at his watch and said,““I need you to send me two women. One of them is the female assassin who tried to assassinate Mr. Li yesterday! ”

“““The other one is Xi menna. She’s Xi Wei’s daughter!”” ”

Chapter 2263: Who are you?

“““Who ... Who are you?”” Looking at the purple clown’s sinister face, Zhao Yu was shocked. ”

“Obviously, he did not expect the other party to say such words. ”

“Once upon a time, Zhao Yu asked himself honestly. Ever since he had transmigrated, his hands had been stained with a lot of blood, from the earliest Crimson eight Secret Service team, to cui Xiaolong’s head that he had shot, to the rain of bullets in vachery, and the violent assault in the house of sin ... ”

The number of people who had died in Zhao Yu’s hands was not small.

“Because of this, Zhao Yu almost went to see a psychiatrist. It turned out that the root of the tinnitus that he had suffered in vachelia was also because of this. ”

“However, very few people knew about these troubles that came from the heart. ”

“So, now that the purple clown had suddenly brought up the knot in his heart, Zhao Yu could not help but be shocked! ”

Could it be ... That this purple clown was someone who knew him very well?

He ... Who was he?

“““You’re famous for catching murderous demons,”” the purple clown said in his half-baked Chinese.””But have you ever thought that you’re the biggest murderous demon?”” ”

“““Wrong! ““No...”” Zhao Yu gritted his teeth and said,””I did kill a lot of people, but they were all bad people! Why can’t I be at ease? ”

“““So ...”” Zhao Yu narrowed his eyes and said coldly,””do you want to die in my hands too? if you do, then tell me!”” ”

“““I’ve already sent away so many bad guys anyway, you don’t really matter!”” ”

“““He...Hehehe ...”” The clown in purple took another sip of red wine and laughed.””You’re really a crazy detective. It seems like you really don’t know how to spell the word ‘death’!”” ”

“““You really have a good sense of self-confidence. Have you never thought that you would end up in my hands? ”

“““If I kill you, I’ll be famous!”” ”

“Zhao Yu could tell that there was something wrong with the clown’s words. He had already set his mind on the invisible bullet proof suit, the power jamming device, and other devices. If the clown really wanted to kill him, he would immediately use the devices to fight back. ”

“However, the purple clown didn’t seem to have any intention of attacking Zhao Yu. He raised his arm and asked,””““Detective Zhao, you asked me who I am, then ... Since you’re so powerful, I’d like to hear your reasoning! ”

“““Can you guess who we are? Also, what is our purpose?”” ”

“As he spoke, he suddenly picked up a pistol and aimed at rich man Li’s head! ”

“““Ah ...”” Mr. Li shivered in fear, and Li liya also exclaimed in shock. ”

“““Come on,”” the purple clown said to Zhao Yu.””Let me see what you’re capable of. If I guess wrong, tsk tsk ... Then you’ll be letting down our boss li!”” ”

“““Wait ... Wait a minute ...”” Mr. Li begged,””don’t you want money? I have plenty of money. Let’s ... Let’s not make such a joke, okay? ”

“““If ... If I die, you won’t get the money!”” ”

“However, the purple clown ignored Mr. Lee’s pleas and said to Zhao Yu,””““Mr. Crazy detective, you only have one chance, don’t guess wrong!”” ”

“““Hmph!”” Zhao Yu snorted coldly and said,””your tone sounds very familiar! Back then, the world’s richest super-tycoon said the same thing to me, but unfortunately, he died a terrible death ...”” ”

“““You mean londee?”” The clown in purple smiled.””You’re ... Testing my words to make your judgment, aren’t you? ”

“““It seems that the rumors in the martial arts world are true. I can’t be careless when dealing with you!”” ”

“““You just requested to see Xi Wei’s daughter,”” Zhao Yu said.””So, if you’re not related to Xi Wei, then you must be related to londee, right?”” ”

“““Hmph ...”” The clown in purple smiled smugly. ”

“““As for your motive ... If it’s not to kill Xi Wei’s daughter, then it’s to save her, right?”” Zhao Yu said. ”

“In fact, his answer was ambiguous. It was the same as not saying anything. ”

“““Alright then!”” The purple clown seemed to have seen through Zhao Yu’s response, and immediately pointed the pistol at rich man Li’s head and said,””it seems that you like to shoot monkey eyes too!”” ”

“““It’s a careless move!”” Zhao Yu corrected her. ”

“““Then I’m sorry, Mr. Li,”” the purple-clothed clown pulled the bolt of his gun, obviously wanting to kill Mr. Li with one shot. ”

Mr. Li was so scared that he almost knelt on the ground ...

“““Okay, okay ...”” Zhao Yu waved his hand and said,””do you really want me to tell you the truth?”” ”

“““Hmph, you’re an interesting person,”” the purple-clothed clown said jokingly.””Do you think I don’t dare to shoot?”” ”

“““Right!”” Zhao Yu suddenly nodded and said,””you guys are in cahoots. Why did you shoot?”” ”

Whoosh ...

“As soon as he said that, the atmosphere suddenly changed. ”

“The clown in purple, Mr. Li, Li liya, and all the other clowns were stunned. ”

“““You ...”” Rich man Li then reacted and quickly shouted at Zhao Yu,“““you can’t play me like this! I ... How could I be in the same group as them?”” ”

“““He...Hehe ...”” The purple clown suddenly put away his pistol and asked Zhao Yu with a half-smile,“““detective Zhao, you’re really amazing!”” Well, since you said that I’m in cahoots with Mr. Li, then tell me how you came to that conclusion!”” ”

“““It’s simple,”” Zhao Yu said.“““You had so many weapons and so many people. If no one had gone easy on you, how could you have entered the building so safely and carried out your plan so smoothly?” ”

“““Also, boss Li’s private dock has always been tightly guarded. If someone were to conduct illegal transactions in his territory, how could he not know?”” ”

“““What?”” The clown in purple was shocked.“““Just ... Just from these two simple sentences, you can conclude that I’m in cahoots with Mr. Li?” ”

“““Why can’t I be the one who bribed Mr. Li’s men?” ”

“““And,”” the clown pointed at Mr. Li,“““if we’re in the same group, why did you do this?”” ”

“““Rich man Li is a smart man,”” Zhao Yu said, pointing at him with his chin.“““He knew that he was being watched and would soon be exposed. So, he wanted to put on this show with you to clear himself of suspicion!” ”

“““There’s only one reason why you’ve made such a big scene, and that’s to get Xi Wei’s daughter and then understand the situation through her!” ”

“““Also, I’m missing a lot of information about the multi-millionaire’s building. This charity dinner organized by Mr. Li himself was very rushed, and there are no disasters or illnesses now. Isn’t it too much of a coincidence to organize a charity dinner at this time?” ”

“““So, in turn,”” Zhao Yu glared at rich man Li,“““you’re all acting in front of me! You didn’t kill me because you wanted me to be a witness to the innocence of Mr. Li, right?”” ”

“After Zhao Yu finished his reasoning, the room fell into silence again. ”

“Mr. Li’s face was pale, and he was breaking out in a cold sweat. However, he couldn’t say a word. His eyes kept glancing at the clown in purple, obviously feeling guilty. ”

“““Ha, haha.....Crazy detective, you really live up to your name!”” The purple clown shook his head and said,“““alright, since that’s the case, I’ll announce the answer! It’s a pity that you’re wrong!”” ”

“As he spoke, the purple clown’s eyes glowed with ferocity. He raised his arm slightly, and the bullet from the silenced pistol suddenly shot out, hitting tycoon Li’s face ... ”

“The bullet that was shot at close range pierced through Mr. Li’s head, causing blood to burst out! ”

“The corpse fell to the ground with a plop, and blood gushed out ... ”

“”Ah!?” ”

Zhao Yu was shocked. He never expected the purple clown to suddenly shoot!

“”Ah ...” Seeing Mr. Li lying in a pool of blood, li liya was dumbfounded. She was stunned for a long time before she let out a heart-wrenching cry! ”

“”No... No, no, no... No, no, no...” Tears instantly poured out of her eyes. She couldn’t care less about the wound on her chest. She rolled and crawled out of the wheelchair, collapsing in front of rich man Li.”Dad ... Dad ...” ”

“At this moment, the clown in purple made a hand gesture to his subordinates. Immediately, two clowns came forward and pulled li liya back to her wheelchair, then pressed her arms tightly. ”

“”Tsk, tsk, tsk ...” The purple-clothed clown continued to speak evilly,“”if you want to blame someone, blame our crazy detective for not getting it right!” ”

“As he spoke, the purple clown aimed the gun at li liya’s forehead and said to Zhao Yu,“””Speak! Have you found the things that Xi Wei left behind?” ”

This ...

“Suddenly hearing Xiao Chou’s question, Zhao Yu suddenly realized that his reasoning was indeed a little too sloppy! ”

“Since the clowns wanted to use Xi menna to exchange for the hostage, they were most likely here for Xi Wei’s treasure. ”

“As for Mr. Li ... Until now, Zhao Yu was still unclear what role he played between Xi Wei and londee! ”

“Thinking of this, Zhao Yu took a closer look at the body on the ground. Such a tragic scene couldn’t be faked. Rich man Li was really dead! ”

“”Hey, what are you thinking about?” ”Don’t tell me you don’t understand what I’m talking about!” ” The purple clown warned. ”

“As he spoke, one of the purple clown’s men came over and opened a laptop in front of Zhao Yu. ”

“A video was playing on the computer screen. In the video, several clowns were wrapping tape around the door frame of a certain brother’s room. ”

“Then, as the camera cut, Zhao Yu was shocked to see that more than a dozen hotel staff had been taken into a hotel room by the clowns. ”

“And on the chandelier in the middle of the room, there was a yellow can! ”

“”Here,“” the clown in purple sneered as he held a remote control in his left hand and said,“”their lives and deaths are in your hands again, my master detective! ”

“““I hope you won’t say anything wrong this time!”” ”

What the ...

Zhao Yu was shocked. It was obvious that the purple clown wanted to use these people’s lives to force him to tell him about Xi Wei’s treasure.

“However, Xi Wei’s treasure was a top secret. Once it was revealed to these enemies, there would be endless trouble! ”

This ... What should I do?

“““Wuwu...Wuwuwu ...”” At this moment, li liya was already in tears. Her heart was filled with the sadness of losing her father. She couldn’t even care about the gun pointed at her forehead! ”

“““I’ll ask you one more time,”” the purple-clothed clown pulled the bolt of his gun and repeated his question,””tell me quickly, have you found Xi Wei’s treasure?”” ”

“““Hmph!”” Zhao Yu had no choice but to pretend to be calm and smile.””How do you want me to answer this question? ”

“““If I said I didn’t find it, would you believe me?”” ”

“““It seems that I’ve found the right person this time!”” The purple clown said,””you’re right. If you say you can’t find him, I’ll pull the trigger immediately and let rich man Li’s daughter die in front of you!”” ”

“““That’s it then. This question has really stumped me. Tell me, should I tell the truth? Or are you lying?”” ”

“““Mr. Crazy detective, don’t play word games with me. My patience is really limited!”” The clown in purple threatened,””I believe that you’ve already found Xi Wei’s treasure! ”

“““If you can tell me where you found it and what’s inside, then ...”” He pointed the gun at li liya.””I can spare her life!”” ”

“““Officer Zhao, don’t worry about me!”” After li liya heard this, she suddenly said resolutely,””they killed my father. I don’t want to live anymore! ”

“““Why don’t you just let them kill me? Don’t let them succeed ...”” ”

Pa!

“In the end, before li liya could finish her sentence, the clown in purple suddenly turned his wrist and slapped li liya. ”

Li liya shuddered and immediately covered her burning face.

“Due to her excitement and nervousness, li liya’s wound relapsed. She was in so much pain that she quickly changed her arms and covered the wound. ”

“““Alright! ””Since you’re so unafraid of death, let’s change the way we play ...”” As he spoke, the purple clown suddenly stuffed the remote control into li liya’s hands, giving her a shock! ”

““Come, come, do you see this red button?”” The purple clown said,““as long as you press this button, everyone in the room will ...

*** ”

““No... No, no, no...”” In that instant, li liya was really frightened. She wanted to throw the remote control away with all her might, but the purple clown was very strong, and she couldn’t throw it away at all. ”

“The remote control was swaying back and forth in li liya’s hands. If she accidentally touched the red button, the consequences would be unimaginable! ”

““Hey, hey, hey, hey ...”” Zhao Yu was shocked. He quickly stood up and shouted,““Hu ... Hu ... Let me tell you something, I finally know!”” I finally know!”” ”

“Hearing Zhao Yu’s words, the purple clown was naturally curious. He stopped, turned to Zhao Yu, and asked,““What do you know?”” ”

““Since you killed Mr. Li,”” Zhao Yu said,““that means you’re not after his money, right?”” ”

““Hmph,”” the purple-clothed clown shook his head.““Isn’t that obvious? You ... What do you want to do? Was he deliberately stalling for time? You haven’t answered my question yet!”” ”

““You see,”” Zhao Yu said with his chin,““since you’re not in cahoots with rich man Li, there are only two possibilities. One is that you’ve bribed an important subordinate of rich man Li, such as the manager of this hotel. ”

““The other possibility is that you didn’t come in from the main entrance. You opened up the underground passage of this building and came in through a secret passage ...”” ”

““... ”” The purple clown and his men were speechless. Four seconds later, the purple clown sighed and shook his head.““Detective, I didn’t know you were so ridiculous! It was indeed duoqimo! ”

““I told you not to test my patience, so ...”” The clown in purple snatched the remote control from li liya’s hand.““You’re going to pay for your nonsense!”” ”

“As he spoke, he was about to press the button. ”

““Wahaha ... Wahahaha ...”” Helplessly, Zhao Yu used his trump card and started laughing wildly.““Clowns, you’re just clowns. Is that all you have?”” he asked. ”

““As a professional criminal, I really feel sorry for all of you, and ... Shameful ... Embarrassing ... B * stard ... ”” ”

““... ”” The purple clown listened to Zhao Yu’s nonsense. He knew Zhao Yu was talking nonsense, but he just couldn’t press the button! ”

““I’ll tell you the truth!”” Zhao Yu said,““Xi Wei was tricked to death by me, and londee was also played to death by me! ”

“““I’ve toyed with the two big bosses, let alone you clowns!”” ”

Chapter 2265: Chapter 2261-duel

“Zhao Yu’s words obviously angered many enemies, and all the robbers clenched their fists in anger. ”

The leader of the purple-masked criminals revealed a fierce look and glared at Zhao Yu.

“““What are you all looking at? Instead of performing on stage, you have to do such a bad thing!”” Zhao Yu continued to lecture him arrogantly,“““I, master crazy detective, have always been an indomitable spirit. If you want me to explain the matter of Xi Wei’s treasure, no problem. However, you have to beat me up first! ”

“““As long as you can beat me up, I’ll answer whatever you ask. I’ll tell you everything I know! ”

“““If ... You’re afraid of me,”” Zhao Yu said,“““you can all come at me together! I won’t even frown!”” ”

“.....”

“After such a bold statement, the scene once again fell into silence. ”

“The enemies looked at each other. Some were scared by Zhao Yu, some were trembling with anger, and some thought that Zhao Yu was crazy. ”

“““Tsk, tsk, tsk ... You’re not trying to fool me anymore, are you?”” The purple-masked criminal squinted his eyes and said,“““you want to infuriate us and make us fight you like idiots, right?”” ”

“““Right, if you don’t dare, just say you don’t dare. It’s not embarrassing to admit defeat!”” Zhao Yu said sarcastically. ”

“““I’m really speechless ...”” The purple-masked criminal said.“““I thought you would have some brilliant idea, but it turns out you just want to get beaten up!”” ”

“““Don’t talk nonsense,”” Zhao Yu held his head high and said righteously,“““if you can beat me into submission, you can do whatever you want. If you can’t beat me into submission, then call me Grandpa!”” ”

“““You ...”” The purple-masked criminal glared at him and immediately took two steps forward, standing in front of Zhao Yu. ”

“Facing the criminal’s glare, Zhao Yu looked back at him without any fear. ”

“One second, two seconds, three seconds ... ”

“Five seconds later, the purple-masked robber grinned and said,““““Alright, I admit that your goading has worked!”” ”

“Then, he handed the pistol and remote control to the red-masked criminal next to him, then walked to the center of the room and said, “I’m really curious. In this situation, why did you make such a self-mutilating proposal?”

“““Could it be that you think that as long as you stall for time, there will be a turn for the better?”” ”

F * ck ...

“Looking at the purple-masked criminal’s eagerness, Zhao Yu was surprised. He thought that even if the other party was fooled, they would only send someone to fight him. ”

“However, he didn’t expect that the purple-masked criminal would personally take action! ”

“““Boss,”” the red-faced criminal looked nervous and quickly reminded him in his dialect, “we’d better not be careless!”” There are rumors that this guy once defeated the king of special agents, Lee Bencheng!”” ”

“““Mm, that’s right!”” The purple-masked criminal crossed his fingers and pressed them together. His bones immediately cracked, “if that’s the case, then I have to check the goods myself to know if the rumors are true!”” ”

“““Hmm ... How about ...”” The red-masked criminal said worriedly, “let me do it first!”” ”

“““I’ve seen him in action at the bar. He doesn’t seem to be as powerful as the rumors say. Perhaps ... He’s deliberately holding back his strength?”” ”

“““It doesn’t matter,”” the purple-masked criminal said without any worry. “There’s still a long time before the one hour deadline. Since master crazy detective suggested it, we have no problem warming up!”” ”

“““Come on!”” “““Untie him!”” He pointed at Zhao Yu and ordered his men. ”

“““This ...”” The green-masked robber and the robber in the video hesitated, but they didn’t dare to disobey the purple-masked robber’s order. In the end, they untied Zhao Yu. ”

“““Sigh ... That’s right!”” Zhao Yu exercised his wrist and said, “that’s kind of decent! I’m telling you, I ...”” ”

“In the end, before Zhao Yu could finish his sentence, the purple-masked criminal suddenly jumped into the air and kicked Zhao Yu’s chest! ”

“This person’s movements were clean and sharp, and his right leg kicked out like the wind, fast and straight! ”

Waa!

“Zhao Yu didn’t expect him to move so quickly, so he quickly raised his arms to block. ”

Pa ...

“The man kicked Zhao Yu in the arm. Zhao Yu felt a strong force, and he fell back uncontrollably onto the sofa! ”

Oh ...

“He quickly turned over and got up, but he felt a burning pain in his arms. ”

“As the saying goes, once an expert makes a move, one will know if he has it or not. ”

“With just one kick, Zhao Yu could already tell that the person’s martial strength was not on the same level as his. ”

“If he only relied on his own abilities, it would be impossible to defeat him! ”

“However, the purple-masked criminal didn’t give Zhao Yu any time to react. He kicked the coffee table lightly with his left foot, then kicked down from a higher position, his heel smashing directly at Zhao Yu’s face! ”

Buzzzzzz!

“Zhao Yu quickly rolled off the sofa, and the purple-masked criminal’s legs landed on the sofa. ”

Go to hell!

“Although Zhao Yu was at a disadvantage, he wasn’t easy to deal with. Just as he rolled to Dodge, he picked up an empty wine bottle from the coffee table and threw it at the purple-masked criminal’s head! ”

“As the purple-masked criminal was stepping on the soft sofa, he couldn’t borrow strength again. Seeing the bottle flying towards him, he could only raise his fist and cut it. ”

Pa!

Such a hard wine bottle was shattered.

“The glass shards immediately shattered, causing li liya to cry out in shock. She hurriedly pushed her wheelchair back a few meters, but was stopped by the vigilant criminal in the flower Mask. ”

Wow!

This guy was really good at smashing a bottle with his bare hands.

“Before Zhao Yu could react, the purple-masked criminal bounced back from the sofa and kicked Zhao Yu again. ”

“Zhao Yu lowered his head and bent down, then crawled under the coffee table and went straight to the center of the room. ”

“However, Zhao Yu had still underestimated the purple-masked criminal’s ability. He had just crawled out from under the coffee table when he heard a cold sound behind him. ”

It’s broken!

Not good!

“Zhao Yu realized that something was wrong, but he had no way to avoid it. He only felt a pain in his back, then he flew forward and fell heavily on the ground. ”

Wu...Wuwu ...

“In the next second, he felt his stomach churning. He tasted something sweet in his mouth and spat out a mouthful of blood. ”

“““Oh oh oh ...”” ”

“Seeing Zhao Yu spit blood after being kicked by the purple-masked criminal, the other criminals were relieved and started to cheer for the purple-masked criminal. ”

“““Boss,”” the green-masked thug said,”” don’t use too much strength. Don’t kill him, just beat him half to death!”” ”

“The purple-masked criminal didn’t care about the others. After seeing Zhao Yu fall to the ground, he immediately ran forward and kicked Zhao Yu’s back again. ”

“This time, Zhao Yu was well prepared. He immediately dodged the attack, and at the same time, gave a sweeping kick, trying to counterattack. ”

“However, after he used the sweeping kick, he was surprised to find that the purple-masked criminal was nowhere to be seen. ”

Waa!

“Zhao Yu took a deep breath. By the time he reacted, he realized that his neck had been grabbed by the purple-masked criminal, and he couldn’t move anymore ... ”

Chapter 2266: Chapter 2261-fatal counterattack

So powerful!

Zhao Yu had never experienced such a feeling in all the fights he had been in!

The purple-masked criminal’s movements were simply too fast. He couldn’t even catch his movement route before he was strangled from behind.

“Fortunately, it was a stranglehold on his neck. If he had any weapon in his hand, it would be difficult for him to react effectively. ”

“However, Zhao Yu was also considered an experienced fighter. He instinctively felt that something was wrong, and in a hurry, he raised his arms to protect his neck. ”

This meant that the purple-masked criminal was strangling Zhao Yu’s left arm at the same time as he strangled Zhao Yu.

“Hence, Zhao Yu shook his left arm to struggle, while at the same time, he threw a right punch from under his left armpit, hitting the purple-masked criminal’s body. ”

“However, the punch he threw out was completely powerless and could not hurt the other party at all. ”

“The purple-masked criminal laughed coldly and immediately turned his body, bringing Zhao Yu around in a circle. He then pressed Zhao Yu under his body, once again making Zhao Yu unable to move. ”

Wuwuwu ... Wuwu ...

“Zhao Yu’s face turned red, and he quickly tapped on the device bar to use the invisible breathing device. ”

“The purple-masked criminal was also very cunning. After the initial fight, he had basically figured out Zhao Yu’s moves and knew that Zhao Yu was no match for him. ”

“Therefore, after he had strangled Zhao Yu, he deliberately slapped Zhao Yu’s head twice. Both slaps landed on Zhao Yu’s head, making loud slapping sounds. ”

“With that, the robbers were even more proud and all sneered contemptuously. ”

““I’m so disappointed,”” the purple-masked criminal said arrogantly as he restrained Zhao Yu.““I didn’t know that the legendary detective could be so weak!”” ”

“Then, he raised his arm and tried to slap Zhao Yu’s face. ”

“As a result, he felt a sharp pain from the arm that was holding Zhao Yu! ”

““Ah!”” The purple-masked criminal exclaimed and immediately flung Zhao Yu away. ”

It turned out that Zhao Yu had an idea in the nick of time and had bitten the purple-masked criminal on his arm.

““Spit ...”” Zhao Yu got up from the ground, pretended to spit in disgust, and cursed,””as ugly as eating sh * t!”” ”

““Ah!”” The purple-masked criminal flew into a rage out of humiliation, and once again took a big step forward to fight Zhao Yu. ”

Zhao Yu quickly used his bull’s charge and hug techniques to fight him in close combat.

“In fact, Zhao Yu could see very clearly that the purple-masked criminal was definitely a first-class master. His fighting ability was not below that of Lee Bencheng. ”

“Although Zhao Yu had defeated li Bencheng before, the situation was completely different. Li Bencheng had not killed Zhao Yu because of their friendship. ”

“Therefore, he was not this person’s opponent at all. ”

“Zhao Yu also saw that the man’s movements were like that of a professional secret agent. So, he judged that the man should be a professional, and definitely not a simple terrorist. ”

Pa ...

“While he was pondering, Zhao Yu was hit again and again. Once again, he was beaten to the ground by the purple-masked criminal. ”

“However, Zhao Yu still stood up tenaciously and used the bull’s collision again, charging straight at the purple-masked criminal. ”

“This time, the purple-masked criminal was even calmer. When he saw Zhao Yu charging at him, he jumped on the spot and did a difficult movement similar to a gymnastic competition. He jumped over Zhao Yu’s head. ”

“As he flew over Zhao Yu’s head, he kicked Zhao Yu in the back with his heel. Then, Zhao Yu leaped forward and laid on the coffee table! ”

Hualalalala ...

The coffee table was in a mess. The wine glasses were scattered and plates flew out. It was a lively scene.

“”Hmph!”” ”

“Seeing Zhao Yu in such a sorry state, the purple-masked criminal let his guard down. He reached out and grabbed Zhao Yu’s left leg, trying to pull him off the coffee table. ”

“But at this moment, the purple-masked criminal suddenly felt something was wrong. Not only did he smell a pungent smell, but he also felt dizzy! ”

Ah?

“While he was still in a daze, the situation suddenly changed. ”

The entire room suddenly fell into darkness. All the lights had been extinguished!

“”Ah ...”” ”

“It happened so suddenly that the purple-masked criminal was stunned. He felt his hand losing strength. When he finally caught it, he only managed to grab a pair of dirty leather shoes! ”

Whoosh ...

“Just as the purple-masked robber was about to fall into darkness and couldn’t see anything, he suddenly felt a cold wind sweep across his face. ”

Not good!

He instinctively realized that something was wrong and quickly raised his arm to block.

“In the end, it wasn’t Zhao Yu’s fist that came at him, but a broken wine bottle. The bottle was made of sharp glass, and when he stabbed it, it immediately pierced the purple-masked criminal’s palm. ”

“”Ah ...”” ”

“The purple-masked criminal was shocked. He had never thought that such a strange thing would happen. In his shock, he immediately lifted his leg and kicked. ”

“However, Zhao Yu was a completely different person from before. Not only was his movement fast and violent, but he was also very strong. After stabbing the purple-masked criminal with the broken wine

bottle, he rushed forward with all his strength and pushed the purple-masked criminal back, so that the criminal couldn't kick at all! "

"Soon, the purple-masked criminal's back hit the wall and he could no longer retreat. "

"Zhao Yu pushed forward, and the broken bottle went straight for the purple-masked criminal's neck! "

""Ah ..."" "

The purple-masked robber was shocked. He had no choice but to grab the sharp glass with both hands to block the attack.

"The glass was very sharp, and in an instant, the purple-masked robber's hands turned red. "

"At this time, the other criminals were still in a daze. They couldn't see anything clearly. Some of them went to get their phones, only to find that they had run out of battery. "

"Moreover, not only was there no electricity, but they also smelled a pungent smell. They were a little dizzy from the smell, and their reactions naturally slowed down by several beats. "

""Ah ..."" "

"Feeling that his life was in danger, the purple-masked criminal used all his strength to push Zhao Yu's window. "

"However, he felt as if all his strength had been devoured by the other party. No matter how much force he exerted, he could not move an inch. "

""Hmph!"" Then, he heard Zhao Yu's cold voice in the dark, ""go to hell!"" "

"After he finished speaking, he suddenly felt a power that could topple mountains and overturn the seas surge over, making him unable to resist any longer. "

"The half-broken bottle instantly pierced his neck, and blood gushed out ... "

"At this moment, the purple-masked robber couldn't make a sound. His hands were still holding the broken bottle, and his eyes were full of horror. "

"However, although the man's neck had been pierced by the glass, he still had the ability to resist. He suddenly sat on the ground and used his body's weight to finally break free from Zhao Yu's hands! "

?.....

"Just as Zhao Yu was about to stab the purple-masked robber's face with the broken wine bottle, which was still dripping with blood, a strong light suddenly appeared in the room! "

Eh?

Zhao Yu was shocked and surprised.

"That's impossible, right? "

"I've already used the power jamming device, where would the light come from? "

“When he turned around, he was dumbfounded. He never thought that the robbers would carry lighting equipment on them. In a moment of desperation, they actually lit up a lighting stick!”

The lighting stick was made of a chemical component and had nothing to do with electricity.

“Then, they could clearly see the situation in the room. The three criminals were shocked and quickly rushed toward Zhao Yu.”

Chapter 2267: Chapter 2263-all-out counterattack

All of this was Zhao Yu’s comprehensive counterattack plan.

“Power jamming device, night vision device, signal jamming device, energy booster, invisible poison gas bomb, invisible itchy device, and bulletproof vest ...”

“This series of combinations had almost used up all of Zhao Yu’s best props. No matter how powerful these criminals were, it was impossible for them not to be caught.”

“Sure enough, after his sudden counterattack, the purple-masked criminal was still pierced in the neck by the glass under Zhao Yu’s violent strength, even though he was very good at Kung Fu. Blood gushed out.”

“The broken wine bottle was the one that he had broken with his fist. When Zhao Yu had been in the underworld, half a wine bottle was almost his regular weapon.”

“Therefore, he had noticed the broken bottle early on.”

“Just now, he had actually pounced on the coffee table on purpose in order to hold this weapon in his hand.”

“However, although Zhao Yu’s counterattack plan was impressive, he still didn’t expect that the other party would actually be carrying a light stick.”

“The light stick lit up the room, and it was as bright as snow.”

“When the three criminals saw their boss bleeding on the ground, they were all shocked and rushed over to help, especially the red-masked criminal, who still had a pistol in his hand!”

“Although Zhao Yu had already used the invisible bullet proof suit, there was no guarantee that he would not hurt Li Liya or Li Qian.”

“Hence, Zhao Yu didn’t even think and threw the broken wine bottle at the red-masked criminal’s face.”

“However, with the help of the light, the red-faced criminal reacted quickly. He lowered his head and dodged the bottle. The bottle smashed against the wall and shattered completely.”

“”Ah ...”” At this moment, the green-masked criminal had already rushed in front of Zhao Yu and wanted to push him to the ground.”

“Zhao Yu had fought with the green-masked robber before, so he knew that he had the upper hand in terms of strength. ”

“However, what he didn’t know was that Zhao Yu was different from before! ”

“With the help of the energy booster, Zhao Yu used his last invisible mallet to hit the green-masked criminal in one shot. ”

“With a loud bang, the green-masked thug seemed to be on a roller coaster. He was sent flying by Zhao Yu’s punch, flying in a beautiful arc in the air, and then hit the wall heavily! ”

“There happened to be a wall lamp on the wall. With this crash, the wall lamp shattered, and the green-masked thug slid against the wall and fell to the ground, never to get up again ... ”

“”Ah ...”” Such a violent blow instantly scared the remaining criminals! ”

This kind of exaggerated attack seemed to only appear in movies and TV series.

“The masked criminal had already rushed in front of Zhao Yu, but when he saw Zhao Yu’s violent behavior, he didn’t dare to move forward. ”

“”Huchi, huchi ...”” The masked criminal panted heavily. His entire body was itching unbearably. ”

“However, the man was smart. He probably realized that there was something fishy in the room, so he quickly put on the gas mask around his neck. ”

“At the same time, he also pulled out a sharp dagger! ”

“At that moment, Zhao Yu couldn’t be bothered to deal with the flower-masked criminal, because the red-masked criminal with the pistol had already realized the problem and ran directly towards li liya. ”

He was obviously trying to use li liya to threaten her.

“Zhao Yu couldn’t let him have his way. He had already used the invisible bullet proof suit, so he went straight to the man. ”

“However, the room was not big, so the red-masked criminal was closer to li liya. At this time, li liya had already fallen into a daze because she had been hit by the invisible odor bomb. ”

“Seeing that there was no time for help, Zhao Yu picked up the ashtray on the ground and threw it at the red-masked criminal. ”

“Under the effect of the energy booster, the ashtray was like a cannonball, accurately hitting the red-masked criminal’s arm. ”

“”Ah!”” The red-masked criminal cried out in pain. Not only did he stagger from the hit, but his gun also fell to the ground. ”

“Taking advantage of this opportunity, Zhao Yu rushed forward, raised his fist, and threw it at the red-masked criminal. ”

“However, the red-masked criminal was more cunning. When he saw Zhao Yu’s unstoppable momentum, he slipped and rolled to the side near the bathroom. ”

“Seeing this, Zhao Yu quickly picked up the pistol on the ground and pulled the trigger at the red-masked criminal.”

“In the end, something that surprised Zhao Yu happened. The gun had no bullets in it.”

“Holy sh * t, this ... What the hell is this?”

“Zhao Yu suddenly realized that the purple-masked criminal had only prepared one bullet, and the rest were just to test him.”

Crack ...

“He pulled the trigger several times in a row, but there was really not a single bullet in the pistol.”

Buzzzzzz!

“As Zhao Yu was hesitating, the masked criminal had already appeared in front of him and aimed his knife at Zhao Yu’s throat.”

“Zhao Yu wasn’t afraid of anything but a knife. He quickly took a step back and dodged the dagger. At the same time, he picked up the sofa from the ground and wanted to use his violent strength to throw the sofa at the enemy.”

“However, although the sofa didn’t look big, it was extremely heavy. It was actually made of metal. After Zhao Yu exerted his strength, he only managed to move the sofa a little.”

Damn it!

“Zhao Yu was depressed. He could hear the dagger approaching again, so he could only Dodge it again.”

“At this time, the red-faced criminal also endured the itchiness all over his body, put on a gas mask, and quickly recovered from the influence of the odor bomb.”

“Seeing that the previous lighting stick was about to burn out, he took out another one and lit it, throwing it in the middle of the room.”

Whoosh ...

“The masked criminal was not to be trifled with. His knife skills were pure, and every knife was aimed at Zhao Yu’s vital parts, forcing Zhao Yu to retreat.”

“Battles were all about fighting in one go. At that moment, even though Zhao Yu’s many devices had not lost their effectiveness yet, when the enemy regained their senses, things would not be as smooth as before.”

“Soon, the red-masked criminal also took out his knife and joined the fight. The two attacked from the left and right, stabbing at Zhao Yu together!”

“The red-masked robber was the second most powerful person in the enemy’s team, and his fighting strength was only second to the purple-masked robber ‘S. So, Zhao Yu didn’t dare to fight with the two of them. He could only Dodge and block them with items that he could pick up easily.”

Whoosh ...

“When the masked criminal saw this, he was scared out of his wits and let out a rooster-like cry. How could he continue to stab with the dagger in his hand? ”

“Along with the “get lost” from the loudspeaker, the sound waves trembled and reverberated throughout the room. The masked criminal was so frightened that he cried out in alarm and almost dropped his dagger! ”

Ah ...

That feeling was obviously scarier than seeing a ghost. The masked criminal was so frightened that he stopped moving forward and his legs were trembling!

It’s broken!

“Zhao Yu thought that he would be so scared that he would wet his pants, but he didn’t expect that the other party’s self-control was stronger than he thought. Even with this roar, he didn’t collapse to the ground. ”

“However, even so, the masked criminal was still frightened and temporarily lost his ability to attack. ”

“Hence, Zhao Yu took advantage of this opportunity to quickly turn his head and shout at the red-masked criminal, ”F * ck your mother! Wahahaha ...” ”

“The sound from the loudspeaker was deafening, piercing through the clouds and splitting the rocks. ”

“”Ah ... Ah ...” ”

“The red-masked criminal was scared out of his wits. He relaxed his wrist, and Zhao Yu immediately took the dagger away from him. At the same time, the remote control that the purple-masked criminal had given him for safekeeping fell to the ground! ”

“Zhao Yu took the dagger and stabbed it into the red-masked thug’s stomach. He thought that, in such a strong atmosphere, the knife would definitely hit him. ”

“However, Zhao Yu had still underestimated the ability of this group of people. Although the red-masked criminal was frightened, his instinctive reaction was not weak. ”

“Seeing that Zhao Yu was about to stab him, he jumped up from the ground with his hands instead of feet, causing Zhao Yu to miss! ”

“Moreover, not only did the knife miss, but when the red-masked criminal landed on the ground, his body was pressing on Zhao Yu’s arm, making Zhao Yu unable to withdraw the knife! ”

“Zhao Yu quickly raised his other fist, which was equipped with a mallet, and punched the red-masked criminal. ”

“”Ah ...” The red-masked thug let out a blood-curdling scream and spat out a mouthful of blood. ”

“However, his body was still pressing down on the knife, making it impossible for Zhao Yu to pull it out. ”

“At that moment, Zhao Yu suddenly heard a cold wind coming from his right side. Before he could react, he was kicked on his right shoulder! ”

“With a strong force, Zhao Yu fell sideways to the ground, and the knife that he had managed to grab with great difficulty fell out of his hand. ”

“However, in a moment of desperation, he still managed to grab the remote control. He didn’t know if the remote control was real or not, so he immediately smashed it with a mallet and smashed it into pieces! ”

“Since he had the signal jammer on, he didn’t have to worry about the gas in the bar’s kitchen exploding because of the remote control. ”

He looked up and saw that the person who had kicked him was none other than the purple-masked criminal who had been stabbed in the neck by Zhao Yu!

The purple-masked criminal was covered in blood. He pressed on the wound on his neck and pounced on Zhao Yu like a mad man.

Amazing!

“Zhao Yu’s eyes were filled with surprise. The wine bottle just now should have pierced the man’s carotid artery. If it had been an ordinary person, not to mention standing up to fight back, they would probably have to hold their neck and wait for death, right? ”

“Although the purple-masked criminal was also shocked by Zhao Yu’s sudden change in expression, he still ran towards Zhao Yu and kicked him in the face with his natural survival instinct! ”

“Zhao Yu knew how powerful the man was, so he quickly dodged the attack. But after he dodged, he regretted it. ”

“Because he had both the energy booster and the mallet, he didn’t need to Dodge at all! ”

“Then, Zhao Yu stood still, ready to fight back. However, the moment he stood up, the masked criminal’s knife stabbed him from the other side. ”

“The purple-masked robber’s sudden attack had clearly incited the flower-masked robber’s fighting spirit, allowing him to quickly recover from his earlier panic. ”

He took advantage of Zhao Yu’s unstable footing and stabbed Zhao Yu’s armpit.

“““Shit!”” Zhao Yu shouted in his heart. He had all the strength in his body, but he couldn’t use it. Seeing the knife coming at him, he could only Dodge it. ”

“As a result, the purple-masked criminal was too fast. Zhao Yu had just dodged the knife, but he was kicked by the purple-masked criminal again. ”

“At this time, Zhao Yu knew that his disguise technique was not effective, so he had to put away the invisible disguise device and return to his original appearance. ”

“““Kill him ...”” The purple-masked criminal, who was covering his neck, shouted at Zhao Yu fiercely,””kill him!”” ”

“Under the purple-masked criminal’s roar, the red-masked criminal picked up the dagger on the ground and pounced on Zhao Yu with the flower-masked criminal on both sides. ”

“Both of them had been professionally trained. Their knives were sharp, and their movements were swift and fierce. Zhao Yu only managed to resist two moves, and his right arm was already bleeding!”

Whoosh ...

“The flower-masked criminal’s dagger went straight for Zhao Yu’s heart. Zhao Yu managed to Dodge it, but the red-masked criminal stabbed him again from the other side.”

“In a moment of desperation, Zhao Yu used the hand shield that he had not used for a long time on his left hand. This way, he became the shield in his left hand and the hammer in his right hand.”

“With a clang, the hand shield blocked the red-masked criminal’s dagger. The red-masked criminal was shocked. The hand shield was invisible and he couldn’t see it.”

“Taking advantage of the man’s daze, Zhao Yu raised the mallet and hit him on the shoulder. The red-masked criminal flew out diagonally and hit his head behind the sofa, even knocking over a part of it.”

“However, just as Zhao Yu sent the red-masked criminal flying, he was kicked in the chest by the purple-masked criminal again. He flew backward and fell heavily on the massage chair on the side of the bedroom!”

“““What ... What the hell ...”” The masked criminal exclaimed in Malacca dialect, but still rushed at Zhao Yu with the knife.”

“After Zhao Yu got up from the ground, he came to li liya’s side.”

“At this moment, li liya had already been knocked out by the stink bomb and was lying askew in the wheelchair.”

“When Zhao Yu saw li liya, he suddenly had an idea. He reached out and carried li liya to the massage chair, then used his energy booster, lifted the wheelchair with both arms, and ran towards the enemy, using the wheelchair as a weapon ... ”

Chapter 2269: Chapter 2264-metal chain

“The two robbers were surprised, especially the purple-masked robber. He was even more surprised to see Zhao Yu dancing in the wheelchair.”

He couldn’t understand why Zhao Yu didn’t show such a violent force when they were fighting just now.

The purple-masked criminal didn’t dare to resist the heavy wheelchair and could only retreat.

“Although the masked criminal also wanted to take a step back, he was not as agile as the purple-masked criminal and was still hit in the shoulder by the wheelchair. He fell to the ground heavily, the dagger dropping from his hand.”

Zhao Yu lifted the wheelchair up high and wanted to knock the masked criminal out.

“However, the purple-masked criminal was very strong. He took advantage of the moment when Zhao Yu lifted the wheelchair and rolled forward towards Zhao Yu’s feet.”

Not good!

“Zhao Yu’s reaction wasn’t slow. He saw that the purple-masked criminal had already picked up the knife from the masked criminal when he was rolling on the ground, so he was so scared that he quickly pulled his leg back.”

Whoosh ...

“The purple-masked criminal threw out his dagger as he rolled, cutting Zhao Yu’s ankle.”

Oh ...

“Zhao Yu felt a chill on his ankle. Obviously, it had been cut by the dagger!”

“The purple-masked criminal’s knife technique was extremely fierce, and it went straight for Zhao Yu’s hamstring.”

“Fortunately, Zhao Yu had taken a step back, otherwise, his leg tendons would have been cut by the dagger!”

Damn it!

“Zhao Yu took advantage of the situation and threw the wheelchair at the purple-masked criminal. As the purple-masked criminal’s neck was injured, he had to use one hand to press on the wound, so his movements were restricted.”

“As soon as he saw the wheelchair coming at him, he could only raise his feet and kick with all his might!”

“However, just as the wheelchair touched the purple-masked criminal, the red-masked criminal, who had fallen behind the sofa, jumped up from behind Zhao Yu.”

“Although he had been hit by Zhao Yu’s mallet, he had protected himself well, so he did not fall into a coma.”

“At that moment, he suddenly jumped out from behind the sofa, one foot on the soft back of the sofa, and then kicked Zhao Yu in the back!”

“””Oh oh oh ...”””

“This time, it was Zhao Yu’s turn to cry out like a chicken. He flew forward and landed hard on the ground, the wheelchair in his hand also flying.”

“Seeing Zhao Yu fall to the ground, the purple-masked criminal immediately got up from the ground and attacked Zhao Yu with a dagger. The red-masked criminal continued his attack, flying up into the air and stomping on Zhao Yu’s back!”

“After the morale was greatly boosted, the masked criminal also climbed up from the ground and joined the battle.”

“Just like that, Zhao Yu fought one against three, fighting with the three criminals.”

“With such a great disparity in strength, it was almost clear who was stronger.”

“Zhao Yu barely dodged the punch, but the purple-masked criminal’s dagger stabbed his right arm, causing blood to flow out ...”

“In the next round, Zhao Yu managed to avoid the dagger with great difficulty, but was punched in the face by the masked criminal.”

It’s broken ...

“Zhao Yu’s original intention was to use his super device to catch them off guard and subdue them all. Then, he would force them to tell him what the thing that threatened the entire building was, in order to eliminate the threat.”

But now it seemed that the enemy was too strong!

“Other than the green-masked criminal, the other four criminals were comparable to the king of special agents, Li Bencheng. Even though Zhao Yu opened a hexagram in all directions, he was still not their match!”

“Without pistols, taser guns, and proper weapons, he would probably be killed in less than a minute if he continued to fight.”

“Therefore, he couldn’t continue to fight meaninglessly like this. The best plan was to leave. He should just run!”

“Then, Zhao Yu took out an invisible flash bomb from his device bar and used it on the spot.”

“This invisible flash bomb was a red-colored device that he had obtained before. However, the instruction manual had clearly explained that although this flash bomb was an offensive device, it would not seriously hurt people. It could only interfere with people.”

“In other words, it was only suitable for escaping and not for attacking.”

“At that moment, when the flash bomb was used, the bedroom suddenly flashed with a blinding light, so bright that the three criminals could not open their eyes.”

“Zhao Yu took this opportunity to free himself. He wanted to save someone, but when he looked up, he realized that Li Liya, who he had placed on the massage chair, was gone!”

He looked at the ground and found that Li Qian had disappeared.

“Zhao Yu didn’t dare to hesitate and quickly jumped back, rolling and crawling all the way to the door of the Presidential Suite.”

“The effect of the flash grenade was indeed not very good. Just as Zhao Yu backed out, the three criminals had already recovered from the blinding light.”

“The leader of the purple-masked criminals saw Zhao Yu and quickly shouted, “Hurry up! Don’t let him escape, kill him!””

“With the purple-masked criminal’s shout, the other two criminals immediately rushed towards the door. Luckily, the door was dark, so Zhao Yu took the opportunity to open the door and rush outside.”

“However, just as Zhao Yu rushed out of the room, another accident happened.”

“Zhao Yu opened the door and rushed out, but there was someone blocking the door!”

“This person’s entire face was leaning against the door, which meant that he had been eavesdropping on them.”

“However, he did not expect the door to suddenly open.”

“The door to the Presidential Suite was quite different. It was pushed inwards, so when Zhao Yu opened the door, the eavesdropper staggered and fell towards Zhao Yu!”

“Zhao Yu was in the middle of his nervous escape. When he saw someone outside the door, his first reaction was that it was an enemy!”

“He was sure that this person was the enemy who was in charge of standing guard outside. So, without thinking, he immediately raised his fist and punched.”

“At that moment, the mallet’s duration had passed. However, although the mallet’s duration had ended, Zhao Yu’s energy booster had not lost its effect yet. If the man were to be hit by this punch, he would definitely not have a good time.”

“However, the man’s reaction was very fast. Even though it was dark, he could feel Zhao Yu’s fist. He lowered his head and hid under Zhao Yu’s armpit. While he dodged the fist, he stuck to Zhao Yu’s back like an octopus!”

“Then, Zhao Yu heard a clang, and a chain suddenly flew out from behind him, wrapping around Zhao Yu’s neck.”

“It was a kind of metal chain, which tightened around Zhao Yu’s neck immediately!”

It’s broken!

“This kind of weapon was very deadly. If one’s neck was strangled by it, it was very likely that one would be strangled to death!”

“Zhao Yu had learned some skills when he was training in the Secret Service. At this moment, he didn’t pull the rope, but grabbed the enemy’s body with both arms. Then, he bent forward with all his strength, hoping to use his strength to throw the enemy over his head!”

“However, in the blink of an eye, the robbers in the house had already rushed out.”

The masked criminal didn’t see the situation clearly. He immediately kicked the back of the man who was holding onto Zhao Yu with the rope!

“””Oh oh oh ...”” ”

“The next second, the person who was kicked, as well as Zhao Yu, let out a cry at the same time. The two of them flew forward together and fell flat on the ground.”

“Although Zhao Yu fell directly to the ground, it was not a heavy fall. He quickly removed the metal chains and climbed up from the ground.”

“As a result, he had just climbed up twice when he saw a woman lying on the floor in front of him through the invisible night vision device. It was the female star, Qianqian, Li Qian!”

Oh ...

“Zhao Yu understood now. The smart Li Qian had taken advantage of the chaos to run out of the house, but unfortunately, just as she ran out, she was knocked out by the people outside!”

Then ...

“Since Li Qian had run out, what about li liya?”

“Zhao Yu quickly checked his surroundings. He did not see li liya, but he could see clearly who the person holding the metal noose was!”

“F * ck, it can't be!”

Why was it her?

Chapter 2270: Chapter 2266-cooperate with me!

Oh ...

“Zhao Yu's right arm had been stabbed by the dagger earlier, and he had lost quite a bit of blood. Feeling that the situation was serious, he quickly used the invisible hemostatic agent to stop the bleeding.”

“The power jamming device was still on, and the corridor was originally dark.”

“However, the purple-masked criminal had brought along quite a number of lighting sticks. After he kicked the person holding the metal noose, he immediately lit one and threw it in the corridor.”

“Taking advantage of the fire, the man with the metal noose saw Zhao Yu's appearance clearly and immediately looked surprised.”

“”\$#@%... Salimu Kufu ...” ”

The man got up from the ground and screamed in Arabic.

“Zhao Yu had invisible night vision, so he had already seen the man's face clearly.”

“It was a woman, a woman that Zhao Yu knew. She was the Ace spy of the chief, Yusoff, Qianqian melaura!”

Zhao Yu had never dreamed that he would see her at this time and under such circumstances!

“As Zhao Yu’s real-time translator had been on the whole time, he could understand what Amilora was saying.” “My God, why am I seeing this enemy again!”

“Why are you here?” In a moment of desperation, Zhao Yu didn’t have time to adjust his language, so he shouted in Chinese, “it turns out that you’re the one behind this! It seems that this is the chieftain’s doing!”

“Mellaura’s Chinese was very poor, so she didn’t understand what Zhao Yu meant. But she knew that she saw Zhao Yu preparing for something, so she quickly tightened her grip on the metal noose and waited.”

“At this time, the three criminals rushed out of the room and surrounded Zhao Yu and Amelia.”

“Seeing that there was suddenly an Arab woman outside the door, the three of them were slightly stunned, thinking that it was Zhao Yu’s helper.”

No... This is not right ...

“Zhao Yu’s reaction wasn’t slow. He pondered for a while and thought of the key point. If Amilora was really in cahoots with them, then why did the purple-masked criminal kick her?”

“Moreover, Mellaura was acting sneaky just now, just like a thief. Could it be ... She just wanted to enter the house to steal something?”

This ...

“Why ... Why is there a sudden power outage?” At this time, the masked criminal clearly couldn’t hold it in any longer. He said to the purple-masked criminal in Malacca dialect, “why don’t we ignore everything else and do it!”

“These people won’t kneel until they see their coffins!”

“No...” The red-masked criminal was worried. “The people we want haven’t arrived yet!” If we make a move, our plan will be ruined!”

“It’s better to fail than to be caught, right? Why is there a blackout? It’s obvious that they’re going to attack us!”

“Shut up!” At the critical moment, the purple-masked criminal was more steady. He shouted at the two, “no matter what the situation is, we have to subdue this crazy detective first! Today, even if our plan doesn’t succeed, as long as we catch the crazy Scout, we can still report back!”

“Alright!” The red-masked criminal couldn’t wait any longer. He flashed his dagger and was ready to attack.”

“Dog shit, this is too much dog shit!” At this time, Lola Mei was going crazy. She cursed in English, “Why is my luck so bad? Who are these people?”

“Lola,” Zhao Yu realized that Amilora was not the other party’s accomplice. His eyes lit up and he suddenly had an idea. He quickly said, “quick, kill these people with me!” I promise I won’t make things difficult for you today!”

“““What?”” Amerola then saw that Zhao Yu’s arm was covered in blood. She frowned and asked,“““what do you mean?”” You’re not working together?”” ”

“““Holy sh * t ...”” Zhao Yu quickly gestured.“““These people installed a nuclear bomb in the building. If we can’t subdue them, they will detonate it!”” ”

“““...”” Amiola was completely dumbfounded, but she still aimed the metal chain in her hand at the three criminals. ”

“““What? A nuclear bomb?”” The red-masked criminal could understand English. He was stunned at first, then looked at his companion, shrugged his shoulders, and said in English,“““you’re really good at making things up! In such a short time, another nuclear bomb has appeared!”” ”

“““Then tell me, what was that thing that destroyed the entire building?”” Zhao Yu tried to goad the other party into giving him an answer. ”

“However, the enemy was very smart and did not fall for it. ”

“““Don’t talk nonsense! Save some time!”” The purple-masked criminal pressed hard on his neck and said angrily,“““hurry up and subdue them first. Even if someone attacks, we’ll use them as hostages!”” ”

“Although the other party didn’t fall for the trap, from their conversation, Zhao Yu could tell that they weren’t lying. They had really installed something fatal in the building. ”

“Therefore, he could not let the signal jammer fail no matter what. Otherwise, they could detonate the deadly thing at any time through the remote control. ”

It was precisely because of this that he had to be able to subdue these guys.

“Hence, Zhao Yu spoke to Amiola in Arabic,““““Lola, I didn’t lie to you. If you don’t help me get rid of them, none of us will live!”” ”

“““Oh ...”” Amelia shrugged her shoulders helplessly, then shook her head and said,“““Zhao Yu, this is your business. Since it’s dangerous, I’d better leave first!”” ”

“Amiola bent her knees as she spoke, preparing to escape. ”

“““Damn, you’re so selfish! Have you forgotten that we were once comrades who fought side by side?”” Zhao Yu was depressed. ”

“““But we’re on different sides. I don’t want to become your criminal!”” Amilora’s eyes lit up as she said,“““unless ... You agree to work with me! Tell me about Xi Wei’s treasure ...”” ”

“However, before she could finish her sentence, the red-masked thug had already arrived in front of her and stabbed her with his knife! ”

Ah ...

“““Ah!”” Amiola cried out in surprise and quickly twisted the metal chain around the red-masked criminal’s wrist, preventing him from coming back. ”

“However, a good man couldn’t fight against so many people. As soon as amerola wrapped her arm around the red-masked criminal, the latter kicked her in the shoulder. ”

Ah ...

“”Ah!”” Amiola screamed again as she was sent flying by the kick, and crashed into Zhao Yu. ”

“Zhao Yu was prepared. With the help of the energy booster, he stretched out his arms and held amerolan in his arms. ”

“Not only did he hug her, but he also did a spin in the air, making the scene very ambiguous and charming. ”

“”Wow ...”” Zhao Yu exclaimed.””I haven’t seen you for a few days, and your figure has gotten even better!”” ”

“Although Zhao Yu was speaking Chinese, amerolla could still understand him. She wanted to respond to Zhao Yu, but when she opened her mouth, she revealed an expression of pain. ”

No way!

Zhao Yu was dumbfounded. Was the kick that powerful?

“”Oh ...”” Amiola gritted her teeth and said in pain,””Zhao Yu, nothing good ever happens when I meet you!”” ”

“As soon as the beautiful woman finished speaking, the three criminals stepped forward together and started fighting with them ... ”

“Just as they were making a scene, Li Qian, who had passed out, woke up again. ”

“This female star was really smart. She first closed her eyes and pretended to faint. After hearing the sound of fighting, she squinted her eyes to observe. ”

“Then, when she realized that no one was paying attention to her, she quickly disappeared into the dark corridor ... ”
