

Crazy 2291

Chapter 2291: Chapter 2287-house of special agents

“““Hmph!”” Xu Qin stood at the door with her hands crossed, her left index finger tapping on her right arm.””You old Miao! He actually colluded with his daughter to create a diversion! ”

“““Have you forgotten what I do for a living?”” ”

“““Um ... This ...”” Miao kun’s forehead instantly darkened, and his legs went weak. Beads of sweat that had just dried up once again appeared on both sides of his face and dripped down ... ”

Wow ...

“Zhao Yu stuck out his tongue and thought to himself,””it’s quite new to use the term”” old ghost Miao “”on my father-in-law!”” Hehehe ... ”

“““Mom!”” Miao Ying quickly explained,””this was all my idea. It had nothing to do with dad! I knew it. The moment you two met, it was a comet that hit earth. That’s why I separated you two!”” ”

“““Miao Miao, don’t worry. I know. This has nothing to do with you. It was this old fellow who incited you!”” Xu Qin glared at Miao kun.””I didn’t tell you just now, but my right eyelid kept twitching. I knew that something bad was going to happen today!”” ”

“““What are you saying?”” Miao kun said helplessly.””Do I look like I’m unlucky?”” You’re the head of the anti-fear Department, how can you be so superstitious?”” ”

“““Good, you heartless old ghost Miao!”” Xu Qin was flustered and exasperated.””You’re getting more and more shameless! You forcefully dragged my daughter into the Secret Service, and I haven’t settled the score with you yet! ”

“““You’ve come to find me! Alright, since you’re here, let’s have a talk!”” ”

“““Talk about what!”” Miao kun turned to look at Zhao Yu and said,””I’m here on official business! Let’s solve the problem of the multi-millionaire’s building first! ”

“““Mr. Li’s death has a huge impact, and it’s no longer just your anti-fear Group’s business,”” Miao kun said, as if he was facing the wall.””Did Old Sun explain everything to you just now?”” ”

“““Yeah, mom!”” Miao Ying quickly said,””dad is the supervisor, so...Can you guys put aside your personal grudges, oh no, your personal feelings first? let’s be more professional and talk about work and not family, okay?”” ”

“““Not good!”” ”

“““I don’t think that’s a good idea ...”” ”

“In the end, although the two of them had different word counts, they spoke in unison. ”

“““Absolutely not!”” Xu Qin put her hands on her waist and said,””I’ve been in charge of this case, so it’s natural for our Department to handle it!”” ”

“““I’m just joking,”” Miao kun said to Zhao Yu.””Don’t you know the rules?”” In terms of official position, I’m one rank higher than you! I should be the one to command everything!”” ”

“““Old ghost Miao, are you trying to use your official position to pressure me again?”” Xu Qin did not buy it at all.””I’ll call the higher-ups now and see what they have to say!”” ”

“With that, Xu Qin was about to leave. ”

“““Mom ... Mom ...”” Miao Ying quickly stepped forward to stop her.””Can you give me some face? for the sake of our daughter, can you two stop fighting?”” ”

“““You’re all experienced veterans. You know that our top priority is not to quarrel, nor is it a matter of command,”” Miao Ying advised.””We should discuss the division of labor and cooperation in the aftermath of the multi-millionaire’s building. That’s the purpose of the higher-ups sending dad here!”” ”

“““Yup!”” ““It’ll be difficult for either Department to handle this matter,”” Ding Lan said quickly.””Why don’t we work together to increase our efficiency?”” ”

“““Hey, hey ...”” Just as Miao Ying and Ding Lan were trying to calm Xu Qin down, Zhao Yu whispered to Miao kun,””can you not look at me when you speak? I think you’re talking to me!”” ”

“““Shh ...”” Miao kun knew that Zhao Yu was gloating, so he quickly shushed him to shut him up. ”

“““Ha ha ha ha ...”” In the end, Zhao Yu did not shut up, but let out a classic wild laugh. He suddenly straightened his back from the bed, spread his hands excitedly, and said,””it’s so classic, so legendary! This is a once in a hundred years scene!”” ”

Zhao Yu’s wild laughter attracted everyone’s attention.

“““Zhao Yu, you ...”” Miao Ying grinned.””What’s wrong with you?”” ”

“““I say,”” Zhao Yu’s eyes lit up and he said excitedly,””didn’t you realize that we are a family? This ... This is a house full of secret agents!”” ”

“““Hmm ...”” Miao kun frowned.””So what if there are agents in the room?”” Don’t always F * cking say that, okay?”” ”

“““Yeah,”” Miao Ying pouted,””what do you want to say?”” ”

“““We’re a real house of special agents, wahahaha ...”” Zhao Yu laughed again.””Don’t you think that this is too magical?”” ”

“““You’re wrong,”” Xu Qin said, pointing at Miao kun.””I have nothing to do with him!”” ““And ...”” She pointed at Zhao Yu again,””you’re not married to my daughter yet!”” ”

Miao kun was speechless.

“““...”” Zhao Yu wiped his sweat, but still said excitedly,””that’s not right, mother-in-law. Look, I call you mother-in-law, I call old ghost Miao father-in-law, I call Miao Ying my dear, and I call Ding Lan my godsister! ”

“““If this isn’t a family, then what is it?”” ”

“”So what if I did, and so what if I didn’t?” Miao kun pressed on Zhao Yu’s shoulder.””So what if they have a house full of secret agents?”” ”

“”Of course it’s different!”” Zhao Yu clapped his hands and said,””this is so rare. It’s so rare for a family of secret agents to get together, so I have a brilliant idea!”” ”

Oh?

“Other than Xu Qin, everyone knew that Zhao Yu had the most ideas. When they heard that Zhao Yu had a brilliant idea, everyone held their breath and listened. ”

“”You ...”” Xu Qin asked in confusion,””what idea do you have?”” ”

“”Tomorrow night, I’ll treat you to a meal at the drunken immortal restaurant!”” Zhao Yu said excitedly,””let’s have a family gathering and have a good meal!”” ”

I’ll ...

The scene was thunderous ...

“”Zhao Yu ...”” Only Ding Lan raised her doubts.””Where did the drunken immortal restaurant come from in Shanghai?”” ”

“”Hey! Who cares about the restaurant?”” Zhao Yu patted his chest and said,””I’ll just pick the best restaurant! I say, mother-in-law, father-in-law, my dear and godsister, you have to give me face! ”

“”I’m the hero who solved the virus crisis in the multi-millionaire’s building. If you don’t give me face, I’m going to go crazy!”” ”

“”Oh ... Oh ...”” Xu Qin suddenly realized and pointed at Miao Ying.””Miao Miao, you sounded like you were from the martial arts world just now! So...So she learned it all from Zhao Yu! ”

“”Face, face ... You guys have a lot of face! ””Okay,”” she shrugged and said,””you’re all family. Go ahead!”” This face has nothing to do with me ...”” ”

“”Mom ...”” Miao Ying shook Xu Qin’s arm and said,””Zhao Yu is right. How long has it been since our family had a meal together? ”

“”Do you still see me as your daughter?”” ”

“”You ... Miao Miao, I’m not doing this for you. I just ...”” She pointed at Miao kun.””I won’t go with this guy around!”” ”

“”Oh, mom ...”” Miao Ying was anxious. ”

“”Okay, okay ...”” Miao kun quickly waved his hands.””I won’t go. I won’t go, okay?”” ”

“”No!”” Xu Qin did not say a word, but Zhao Yu slammed the table, shocking everyone. Then, Zhao Yu raised the corners of his mouth and roared fiercely,””I, Zhao Yu, am treating! No one dares to not give me face!!”” ”

“”I’m telling you, I’m the only one who knows about the incident at the regal building! ”

“““Moreover, through my meticulous logical analysis, I have already made a certain judgment on this matter!”” Zhao Yu raised his eyebrows and said,““father-in-law, mother-in-law, I’ll tell the important news to whoever is attending this warm family gathering tomorrow night! ”

“““You guys do as you see fit! It’s up to you to come ...”” ”

Chapter 2292: Chapter 2288-identity verified

“It was twoo’ clock in the middle of the night, but Xu Qin was still awake. She was standing in one of the hospital wards, listening to a question. ”

“A pale-faced woman was lying on the bed. She was the movie star, Li Qian. ”

“““I remember now. I fainted three times, and I was smoked by something. I almost fainted four times ...”” Li Qian held a thermos cup and tried to recall. ”

“As Xu Qin listened, she opened the medicine bottle and took a few pills. ”

“““Please tell us in detail!”” The investigator consoled him,““don’t be nervous. It’s all in the past! You’re safe!”” ”

“However, the more the investigator said this, the more nervous Li Qian became. ”

“““Li ... Mr. Li was killed by them!”” Li Qian’s voice trembled as she said,““I saw it with my own eyes. At that time, I had already woken up. At that time, I was pretending to be dead, oh no, pretending to be unconscious ...”” ”

“““Don’t worry, speak slowly ...”” The investigator comforted him.““Just tell us what you can remember ...”” ”

“““Okay ... Okay ...”” Li Qian calmed herself down and said from the beginning,““I was talking to li liya and Zhao Yu at the bar. Then, there was smoke around me, and I lost consciousness ...”” ”

“““When I woke up, I saw that those people were pointing their guns at rich man Li and asking officer Zhao to say something. ”

“““Later, I didn’t understand what happened. The person with the purple mask, Oh ... Oh ... No, it’s not a mask, it’s the person with the purple mask. He shot and killed Mr. Li ...”” ”

“““A pistol, a pistol is the kind with a silencer. It’s different from the movies ...”” ”

“““Then ... What happened after that?”” ““What happened in the house after Mr. Li’s death?”” the investigator asked as he was recording the news. ”

“““Um ... Um ...”” Li Qian tried hard to recall. After a while, she said,““the purple-faced guy pointed the gun at li liya again, trying to threaten her with it. He also gave her a remote control, as if he wanted her to detonate something.”” ”

“““Li liya refused and was even slapped by them ... ”

“““And then, and then ... Oh ...”“ Li Qian’s eyes suddenly widened.”“I think I heard officer Zhao’s laughter, haha, and then they started fighting!”“ ”

“““Oh ... By the way, at that time ...”“ Li Qian frowned as she recalled,”“it seemed like there was a sudden power outage, and there was a foul smell in the room. It was very choking ...”“ ”

“““I really didn’t expect that a dead body would be so ugly,”“ Li Qian said.”“I couldn’t stand the smell anymore, so I sneaked out in the dark.”“ ”

“““But I didn’t expect there to be guards outside. I only saw one foot before I was knocked unconscious ...”“ ”

“Li Qian’s story was not only broken, but it also sounded illogical, so Xu Qin frowned. ”

“However, the more she acted this way, the more seriously she listened. ”

“““This time, I was knocked out, but I didn’t feel completely unconscious. I could feel that someone was dragging me to the corridor ...”“ Li Qian continued to describe.”“Then, not long after, officer Zhao and the others also fought in the corridor!”“ ”

“““I slowly recovered and then secretly ran away ...”“ ”

“““You said ‘they’,”“ the investigator emphasized.”“That is to say, officer Zhao is not fighting alone?”“ ”

“““Um ... Well ...”“ Li Qian pinched her forehead hard and said,”“I think ... There was a woman who was with him!”“ ”

“““But at that time, I wasn’t in the mood to watch them fight, so I ran away ...”“ ”

“After that, Li Qian told him about what happened to her. She told him how she tried to persuade the security guards to evacuate the building, but she didn’t expect the security guards to be bad people. She was knocked out for the third time ... ”

“After Li Qian had finished, Xu Qin left the ward quietly. Although Li Qian’s story was a little unreasonable, it was basically the same as what Zhao Yu had said. ”

“However, the power outage and the mysterious stench seemed a little illogical and needed to be verified. ”

“Perhaps this was just Li Qian’s imagination, or perhaps there was something else. ”

“Outside the ward, Xu Qin tiredly pinched her forehead and began to wonder if ... The so-called power outage and the mysterious stench were all caused by amiola. ”

“In fact, she and Zhao Yu didn’t meet by chance, but they had discussed it long ago? ”

“““Sir ...”“ At that moment, a Secret Service agent came to Xu Qin, wanting to report the situation. ”

“““Wait a moment!”“ Xu Qin observed the corridor for a moment, then brought the man to the empty Ward opposite.”“How is it?”“ she asked. Any progress?”“ ”

“““We’ve already compared them with all the intelligence databases, but we didn’t find any match. Not only do these people have no criminal records, but they’ve also never even entered our sight! ”

“““Also, we’ve contacted all the southeast Asian departments and asked them to identify the criminals, but it’s very strange!”” The team member reported,““no one recognized them, and no organization or gang with similar methods was found ... The identity of this group of people is really well hidden!”” ”

“““Tsk tsk ...”” Xu Qin furrowed her brows and guessed,““could it be that ... Their so-called Malacca dialect is all a disguise?”” They’re not active in Southeast Asia?”” ”

“““It’s possible!”” The team member suggested,““why don’t we expand the scope?”” ”

“““No, if we want to expand the scope of the investigation, I have to apply to the higher-ups first. I don’t have that much authority!”” Xu Qin said,““it seems that these criminals are not ordinary people! They ... Who are they?”” ”

“Du, du, du ... ”

“As they were talking, someone knocked on the door. After getting Xu Qin’s response, another secret Service member entered the room with a report. ”

“““Reporting, Sir.”” The man handed the report to Xu Qin.””The identity verification of rich man Li has been completed. It matches the data we have kept, so we can be 100% sure that the deceased is rich man Li himself!!”” ”

“““Oh?”” Xu Qin’s eyes widened and she quickly read the report.””It’s ... It’s really not a substitute!”” She mumbled. ”

“““Mr. Li is really dead,”” the team member said.””The impact will be huge, especially for the Embassy and the media. We have to be prepared!”” ”

“““Okay.”” Xu Qin nodded.””Inform the public relations department to make preparations in advance and temporarily block any information related to the multi-millionaire’s building. ”

“““Also, tell the Embassy to deal with it. Tell them that we’ll find out as soon as possible and give them an explanation!”” ”

“““Yes!”” The two of them received the order and left. ”

“““Phew ...”” Xu Qin let out a heavy breath and mumbled to herself,““Zhao Yu, it looks like I have to go to the family gathering tonight even if I don’t want to. You win!”” ”

“However, she couldn’t help but laugh after she finished her mumbling. ““I’ve never seen such an arrogant son-in-law before. He dared to slam the table in front of his mother-in-law and father-in-law. This crazy detective is quite interesting ...”” ”

Di di ... Di di ...

“At that moment, Xu Qin’s phone vibrated. It was a new message from her subordinate.””Sir, the technician tried to commit suicide just now and is now under our control! ”

“““He was probably just playing the fool. We can interrogate him now ...”” ”

Chapter 2293: Father-in-law's purpose

“““Amazing, amazing ...”” In Zhao Yu's ward, Miao kun had given Zhao Yu a thumbs up countless times.”“You're getting more and more out of control now!”” ”

“““Although we don't know the identity of these people yet, we can guess that they are not ordinary people. So, if you can resolve this crisis, it will definitely be a great contribution! ”

“““I'll let you know in advance that the higher-ups are very satisfied with your performance. When the whole matter is investigated clearly, you will definitely soar and become unstoppable! ”

“““I'm even worried that you'll soon surpass me and become my superior! At that time, I, as his father-in-law, will be embarrassed ... ”

“““But ...”” Miao kun complimented her proudly,”“the higher you go, the better. The higher you go, the more it proves that I have a good eye for people ...”” ”

“Zhao Yu rolled his eyes at Miao kun's self-confidence. In this world, if there was anyone who was as thick-skinned as him, it would be his father-in-law. ”

“At that moment, Miao Ying and Ding Lan were busy with other matters, so they were the only two in the room. ”

“Hence, they spoke without any reservations. Zhao Yu told him about his experience in the multi-millionaire's building. ”

“Of course, this version had to be the same as the one his mother-in-law told him. ”

“Miao kun's reaction was the same as everyone else 'S. He was amazed by Zhao Yu's brave performance, but he was also curious about the identity and purpose of the robbers. ”

“““To be honest ...”” Miao kun suddenly said,”“I did do business with Mr. Li a few times!”” ”

“““I even visited his house Singapore. I also met his daughter, li liya, but that was more than ten years ago! ”

“““Back then ...”” Miao kun recalled,”“we did suspect him and monitor him, but we didn't find anything unusual. ”

“““From the looks of it now, either he hadn't entered the industry back then, or this guy was too secretive. ”

“““Zhao Yu, since they are so eager to get information on Xi Mengna and Xi Wei,”” Miao kun said,”“they must be here for the information, right?”” ”

“““Could it be that there's something in the information that's disadvantageous to them? ”

“““Now that Xi Wei, londee, and even Tina are dead, what do they have to be afraid of?”” Miao kun rubbed his palms together, looking a little uneasy.”“It's a pity that the information has been destroyed. Otherwise, we could have found out the truth!”” ”

“““Oh, right! “““And, and ...”“ Miao kun pondered seriously.”“They want Xi menna so badly. Could it be that Xi menna has more secrets that we don’t know about? ”

“““I think we should ... ”

“““Zhao Yu ... Hey ... Zhao Yu ...”“ Miao kun saw Zhao Yu’s carefree look and quickly pulled him up.”“Are you sleepy?”“ Can I sleep later? I’m talking about serious business with you!”“ ”

“““Hehehe ...”“ Zhao Yu was not sleepy, but laughed evilly.”“Father-in-law! Why are you acting like a mouse seeing a cat when you see your mother-in-law? You don’t even dare to look at me when you speak, so why are you looking at me? I thought you were talking to me!”“ ”

“““Go to hell!”“ Miao kun scolded.”“You’re still thinking about that at a time like this!”“ Do you still not know how serious the matter is? ”

“““Mr. Li was an important public figure, and he was shot dead in his multi-millionaire building. We have to give him an explanation as soon as possible! ”

“““It might lead to a series of diplomatic crises, do you understand? ”

“““If Mr. Li is the bad guy, we have to produce evidence,”“ Miao kun said.”“If we can’t, we have to find out the identity and purpose of the robbers. Otherwise, we’ll be in big trouble!”“ ”

“““Alright, don’t give me that,”“ Zhao Yu laughed.”“No one would want this kind of thing to happen. Although rich man Li died in the multi-millionaire’s building, this incident has nothing to do with us. We can form a Joint Investigation Team with them and investigate together! ”

“““If we can’t find out, then we can’t blame each other ...”“ ”

“““You ...”“ Miao kun glared at him.”“You’re really getting more and more difficult to deal with. You’re so bold now that you’re making an international issue out of it. Are you helpless?”“ ”

“““Let me tell you, it’s not as simple as you think. There are too many problems involved. Mr. Li is not only a businessman, but also a kind family and a politician. He has a pivotal position in the whole of Southeast Asia. ”

“““We have to find out the truth as soon as possible and give them and the public an explanation. Only then can we completely solve the problem. ”

“““Of course, this is also the reason why the higher-ups sent me here! ”

“““So ...”“ Miao kun finally revealed his intention.”“Zhao Yu, stop teasing me. What important speculation have you come up with? hurry up and tell me. What if you’re wrong?”“ ”

“““D * MN ...”“ Zhao Yu was speechless.”“No wonder mother-in-law calls you old Miao!”“ You’re really sly. You’ve said so much, but you actually have a motive! ”

“““No, I said no means no!”“ Zhao Yu crossed his arms and said solemnly,”“I’m telling you, I’m organizing this banquet tonight for the harmony of our family. None of you are allowed to have any political motives!”“ ”

“““What ... What are you saying!”” Miao kun pouted. “““Don’t you understand that the small family is more important than everyone else? ”

“““No!”” Zhao Yu said firmly, “““it’s because the two of you have this kind of belief that you’re willing to sacrifice your family for everyone, that caused MeowMeow to be like an orphan since she was young. This kind of thing, I...Hmm...I can’t bear to see it!”” ”

“““Let me tell you, meowmeowmeow has always had a wish, and that is to have a meal with her family! This wish seemed simple, but it was actually far beyond his reach. ”

“““So, don’t talk to me about useless things. Just do your best to organize this family gathering tonight. If it’s harmonious and happy, and my MeowMeow is happy, then I promise to help you find out the truth about the multi-millionaire’s building! ”

“““If either of them messes up, hehe ... We’ll break up, and I’ll go solve my arm case with the safe!”” ”

“““Don ‘t, don’ t, don ‘t, don’ t, don’t you understand what I mean!”” “““I’ll cooperate with you,”” Miao kun said. “““As long as that tigress dares to come, I have nothing to fear.”” ”

“““Of course I hope that Miao Miao will be happy! ”

“““But, Zhao Yu, you really have to be clear about your priorities. You can’t hide important information for this reason. This is a violation of discipline ...”” ”

“““You ...”” Zhao Yu ignored her and asked, “““tell me, how did you get together with my mother-in-law?”” Can my mother-in-law fight? When she was young, she must have been an Overlord flower, right?”” ”

“““I ... You ...”” Miao kun was at a loss for words. “““Zhao Yu, don’t change the subject. Hurry up and tell me everything you know!”” ”

“““Alright,”” Zhao Yu laughed evilly, “““you won’t tell me, right? If you don’t want to tell me, I’ll wait until the gathering to ask. Let’s see if you’ll answer!”” ”

“““You ...”” Miao kun’s face turned pale. ”

“““Otherwise, even if you don’t say it, I can help you say it!”” “““You can talk about your relationship with Juliet, and the performances you watched in cozovia ...”” Zhao Yu said. ”

“““You ...”” Miao kun’s face turned purple, then black ... ”

“Du, du, du ... ”

“Suddenly, there was a knock on the door, and Miao Ying rushed into the ward and asked,””Zhao Yu, I’ve prepared a wheelchair for you!”” ”

“““Ah?”” “““What do you mean?”” Zhao Yu asked. ”

“““Xi menna wants to see you!”” Miao Ying said, “““it seems like she really knows something ...”” ”

“““We asked Xi menna to identify the photos of the criminals,”” Miao Ying said.””After she saw the photos, she requested for Zhao Yu to meet her in person!”” ”

“““You ...”” Miao kun rolled his eyes and asked,””you didn’t tell her about the multi-millionaire building, did you?”” ”

“““Of course,”” Miao Ying replied.””We didn’t even mention Zhao Yu to her!”” ”

“““Oh ... That’s strange,”” Miao kun said, frowning.””It seems that I was right. Xi menna has a lot of secrets that she hasn’t told us yet!”” ”

“““Zhao Yu,”” Miao Ying pushed the wheelchair to the bed,””since she wants to see you, why don’t you go see her and see what she has to say?”” ”

“““Oh ...”” Zhao Yu suddenly yawned and lay lazily on the bed, saying,””MeowMeow, I’m too tired today. I still have a lot of things to do tomorrow, so I’d better sleep first!”” ”

“““Mm ...”” Miao kun frowned.””Zhao Yu, I think Miao Miao is right. No matter what her purpose is, what’s wrong with you meeting her first?”” ”

“““Let’s hear what she has to say first. What if she really knows the background of those criminals? Even if she wants to use the information she knows to make a deal with us, we can still discuss it! ”

“““Yeah!”” Miao Ying said,””what if there’s important news? We can’t miss this opportunity. “” ”

“““Oh ...”” Zhao Yu yawned again, covered his head with the cup, and said under the quilt,””let’s talk about it tomorrow!”” I’m a well-known figure now, I don’t have to introduce it just because someone wants me to. How degrading would that be?”” ”

“““You ...”” Miss Miao pouted and immediately lifted the quilt. She questioned Zhao Yu,””Zhao Yu, why do I feel that you don’t want to see her for another reason?”” Do you have any questions ...”” ”

“““Don’t ... Don’t joke!”” Miao kun knew about the kiss between Zhao Yu and Xi menna back on Miracle Island, so he quickly changed the topic.””What problem could there be between them? I think that Zhao Yu must have his own reasons for not going, right?”” ”

“Miao kun then slapped Zhao Yu’s thigh and laughed.””Hurry up, Zhao Yu, explain!”” ”

“““Hey, hey, hey...Be careful ...”” Just now, she had almost hit Zhao Yu’s injured knee. Zhao Yu was so scared that he quickly sat up and said impatiently,””I don’t want to see her, so of course I have a reason! ”

“““Can’t you guys tell? “”She’s using me to test you guys ...”” Zhao Yu spread his hands and explained,””think about it. She just asked to see me, the Super detective Zhao Yu, and I, Zhao Yu, came to her! ”

“““Then ... She’ll know that I was also involved in this matter. Moreover, we’re very eager to know the identity of those criminals. In that case, once she puts forward conditions to negotiate with us, we’ll be in a passive position, understand?”” ”

““““Oh ... I understand!”” His father-in-law quickly chimed in,““you’re still thinking far ahead. You’re trying to tease her, aren’t you?”” ”

““““Of course!”” Zhao Yu said bitterly,““it’s just like how you businessmen do business. You obviously want something, but you must not show it. Otherwise, the other party will take advantage of your weakness and raise the price!”” ”

““““That’s why we have to be patient when dealing with Xi menna. We have to fool her for a few more days.”” Zhao Yu smiled and said,““when the time comes, she will be the one who is confused. Then, we can achieve our goal. Do you understand now?”” ”

“Miao Ying didn’t say anything, but she agreed with Zhao Yu. ”

“Moreover, Miao Ying was jealous of Zhao Yu’s long-term thinking and foresight, unlike her impetuous self. ”

““““Let’s see,”” Zhao Yu continued,““Xi Mengna took the initiative to ask to see me. She must have wanted to use this incident to gain her freedom!”” ”

““““But can we really set her free? Because of Xi Wei’s death, she’s still holding a grudge against me and father-in-law. If we really let her go, then we’ll be in danger!”” ”

““““Since we can’t agree to her conditions, how can we negotiate with her?”” ”

““““Yeah ...”” Miao kun sighed.““It’s a bit awkward to deal with Xi menna!”” ”

““““Although she’s a murderer, she’s already been extradited out of the country. So, we’re in a difficult position now. We can’t let her go, and we can’t decide whether we should let her go or not!”” ”

““““Oh ...”” Zhao Yu pondered for a moment, then said,““in that case, we can’t negotiate with her so easily!”” ”

““““On the contrary, I think it’s best if we can figure this out through other means! Then, we’ll know how much Xi menna is worth!”” ”

““““Good, very good!”” Zhao Yu’s father-in-law gave him a thumbs up for the umpteenth time.““Zhao Yu, I’m more and more at ease now that you’re doing things! At this rate, it won’t be long before I can pass on all my mantle to you!”” ”

Miao kun’s words made Zhao Yu and Miao Ying roll their eyes.

““““Alright then!”” Miao Ying pushed her wheelchair aside.““If that’s the case, then we’ll listen to our master Zhao Yu!”” ”

““““Oh, by the way,”” Miao kun suddenly remembered something and asked Zhao Yu,““I heard from Ding Lan that you want to apply to the higher-ups to let the Middle-Eastern woman go, right?”” ”

““““I know. She once helped me escape from the evil house. However, she is still you SUFU’s subordinate. You SUFU is no longer my friend!”” ”

““““I know,”” Zhao Yu said as he sat up from the bed.““But, I promised her, so I have to keep my promise!”” ”

“““Hmm ... Alright!”” Miao kun said,““I can make the decision regarding the Middle-Eastern woman. If you agree, I can order her release right now!”” ”

“““No!”” ““No!”” Zhao Yu suddenly waved his hand.““I have to let her go, but not now. I have to talk to her tomorrow!”” ”

“““Oh, but ... I don’t quite understand.”” Miao kun frowned.““The Middle-Eastern woman came in by accident. She doesn’t seem to know anything about the multi-millionaire’s building, does she?”” Then why are you still talking to her?”” ”

“““Didn’t you want to pass on your mantle to me?”” Zhao Yu snorted coldly.““Then don’t worry about it! Now, I’ll give you the most important task. Quickly book the best restaurant in Shanghai and the best private room. Our family gathering can’t be too simple!”” ”

“““Oh ... Also, you’re paying tonight!”” ”

“““You ...”” Miao kun clenched his fists and glared at him.““How dare you extort my father-in-law!”” He said. ”

“““No, no, no, I’m giving you a chance!”” Zhao Yu quickly said,““if you pay the bill, then all the credit for this family gathering will naturally go to you?”” ”

“““You ...”” Miao kun gritted his teeth.““Do you want me to open two more bottles of white savirone?”” ”

“““Of course it’d be best if you did!”” Zhao Yu gritted his teeth, which made Miao kun’s hair stand on end. ”

“““Zhao Yu ...”” Miao Ying said worriedly.““The multi-millionaire’s building is so urgent. Should we put aside the family gathering for now?”” ”

“““Let’s get together after we finish the mission?”” ”

“““No!”” Zhao Yu said firmly,““no matter how urgent the task is, it’s not as important as our family gathering for a meal!”” ”

“““Father-in-law,”” Zhao Yu said to Miao kun.““I have one more thing to trouble you with!”” ”

“““What’s the matter now?”” Miao kun’s face darkened. ”

“““Inform the Butler,”” Zhao Yu said,““to bring Li Jie here! Li Jie is meowmeowmeowmeowmeow and my godson, so he’s also a part of the family!”” ”

“““He can’t be absent from a family gathering, right?”” ”

“““Yes, my Lord Zhao!”” Miao kun’s eyes narrowed into slits. ”

“““Oh, and ...”” Zhao Yu said,““one last thing!”” ”

“““You ...”” Miao kun began to tremble, as if he was warning Zhao Yu that his patience had a limit. ”

“““You can go out now,”” Zhao Yu said steadily.““I want to be intimate with your daughter, so you don’t have to visit ...”” ”

“““You ... I ... You ...”” Miao kun’s face was twisted. He had reached his limit. ”

“““What are you looking at? hurry up and get out!”” Zhao Yu once again challenged his bottom line and waved at his father-in-law.”“Don’t worry, I only hurt my leg. It’s nothing serious ...”” ”

Chapter 2295: Chapter 2291-meowmeowmeowmeowmeowmeow’s wish

“The next morning, 9 am. ”

At the multi-millionaire’s building.

“There was a thick fog in Shanghai today, shrouding the entire city in a haziness. ”

“Although there was no fog in the underground parking lot of the multi-millionaire’s building, the wet ground still seemed a little wet and cold. ”

“At that moment, Zhao Yu was inspecting the scene. In other words, he was inspecting the place where he had fought yesterday! ”

“He needed to retell his experience to his superiors from the beginning to the end, according to the sequence of events and the change in the location and scene. ”

“Of course, the so-called superior leaders were his mother-in-law and his father-in-law. ”

“““Here ...”” At this moment, Zhao Yu had already reached the last scene. He pointed to the pool of dried blood on the ground and said,”“my sister Ding Lan showed off her power. Just as the guy was about to release the poisonous gas, she shot him dead! ”

“““Then, the entire building would be saved!”” ”

“““I have to say,”” Ding Lan said, standing behind Zhao Yu.”“We have to thank that Middle-Eastern woman. She was the one who told us that the robbers had Southeast Asian totems painted on their faces, especially the purple one. ”

“““Otherwise, I wouldn’t have been so determined to shoot! ““It’s a pity ...”” Ding Lan said regretfully.”“I shouldn’t have aimed at his head ...”” ”

“““No, this isn’t your fault. If you didn’t aim properly, it would’ve been broken!”” Zhao Yu said,”“that guy was wearing a bullet proof suit! ““Previously, in the changing room, I shot him, but I didn’t expect that this guy would actually be fine ... ”

“““Did you know?”” Zhao Yu said,”“at that time, fortunately, it was the knob switch. That guy had already turned the knob on, and was just short of starting it! ”

“““If you don’t kill him, it’ll be really dangerous!”” ”

“““But ...”” Ding Lan said dejectedly,”“we didn’t leave any important people alive!”” ”

“““Who said that?”” Miao kun glanced at Xu Qin, but he did not dare to look at his ex-wife. He turned to Ding Lan and asked,“““didn’t you say there were survivors?”” ”

“““He’s already dead last night,”” Ding Lan shook her head and sighed.“““Another one was shot in the head and is unconscious ...”” ”

“““Don’t mess around!”” Miao kun narrowed his eyes.“““The higher-ups have ordered us to cooperate in the investigation. You can’t hide anything from me!”” Wasn’t there a technician who knew about scientific weapons? ”

“““You guys interrogated him the whole night last night. How was it? did you get anything out of him?”” ”

“““Hmm ...”” Ding Lan looked at Xu Qin, not knowing how to answer. ”

“““The man said,”” Xu Qin said coldly,“““that he saw a ghost, and the ghost knocked him out! After that, he lost his memory and didn’t know anything!”” ”

“““You ... What kind of answer is that?”” Miao kun was obviously dissatisfied.“““What do you mean by seeing a ghost? Where did this ghost come from? this is too perfunctory, isn’t it? ”

“““Even if we saw a ghost, we should be able to find out what he does for a living, right?”” ”

“““Old ghost Miao,”” Xu Qin said rudely,“““you know where they’re locked up. Go interrogate them yourself!”” I’m not your messenger ...”” ”

“““Who asked you?”” Miao kun pointed at Ding Lan and said,“““I’m asking about my goddaughter!”” What does it have to do with you ...”” ”

“““Godfather, don’t ask me!”” Ding Lan waved her hand.“““I don’t know. I wasn’t the one who interrogated him last night ...”” ”

Tsk tsk ...

“Seeing that his father-in-law and mother-in-law were like fire and water, Zhao Yu motioned for Miao Ying to push him aside for some peace and quiet. ”

“Last night, miss Miao was still on a mission, so she didn’t do anything out of line with Zhao Yu in the ward. ”

They talked about Miao kun and Xu Qin.

“In the past, Miao Ying rarely talked about her parents, so Zhao Yu had never asked her about it in detail. ”

“Yesterday, Miao Ying had finally told Zhao Yu about The Grudge between Miao kun and Xu Qin. It turned out that although they were both special agents, their story was not complicated. ”

“When they were young, the two of them were outstanding secret agents. They were a perfect match, a perfect match. So, during an important mission, they developed feelings for each other, and it happened. ”

“Later, Xu Qin got pregnant with Miao Ying, and the two got married with the help of their colleagues.”

“However, their special jobs made them spend less time together and more time apart. It was difficult for them to maintain the status that a normal family should have. They urgently needed one of them to leave and stay at home.”

“And these two were both strong-minded people, neither of them was willing to give up their own career, so later on, they parted ways peacefully and simply.”

“It was also because he had no time to take care of Miao Ying, that Miao Ying grew up in Qin Shan’s relative’s house.”

“When Miao kun and Xu Qin had time, they would come back to take care of their daughter. That was why Miao Ying had a strange experience growing up. Her parents were healthy, but she did not feel at home.”

Miao Ying had told Zhao Yu before that her best memory was when she was a child on an unknown beach. Her parents had held her hand and played with her under the sunset.

“He had always had a wish, and that was to have a reunion dinner with his family!”

“Therefore, Zhao Yu remembered Miao Ying’s words. This time, it was not easy for his father-in-law and father-in-law to get together, so even if he had to do everything he could, he had to fulfill Miao Ying’s wish.”

“Therefore, his so-called ““I already have important clues”” and ““important information”” were all nonsense. He just wanted to keep these two people in check so that they would come to the party honestly.”

“As for how they would go crazy after he told them the truth after the gathering, he didn’t care.”

“““Zhao Yu ...”” Pushing Zhao Yu in her wheelchair to a quiet place, Miao Ying asked worriedly, ““why does it always end up like this?”” ”

“““It can’t be?”” Zhao Yu grinned. ““Are you going to say that wherever I go, something happens? Do you ... Blame me for this? Are you blaming me?”” ”

“““How would I know that the multi-millionaire’s building would be so dangerous!”” ”

“““I’m saying that you’re too lucky,”” Miao Ying said, still feeling a little scared. ““If I were the one in this situation, I’m afraid I would ...”” ”

“““What do you mean by too lucky?”” Zhao Yu took the opportunity to hold Miao Ying’s hand. ““You don’t believe in my abilities that much?”” ”

“““Yes, yes, yes, I believe you ...”” Miao Ying pinched Zhao Yu’s cheek happily and said, ““I believe you, okay?”” ”

“““By the way, my dad just told me that he made a reservation at the Sophie dome restaurant today. The private room fee alone is 100000 Yuan! He’s bleeding a lot today!”” ”

“““Yes, that’s right!”” Zhao Yu said,““I’ll have to knock some sense into him later. I’m not going to do it if he doesn’t have something good tonight!”” ”

“““Zhao Yu, don’t go too far. You must not misunderstand!”” Miao Ying bit her lip and said,““you’ve been targeting my father since last night. Do you think that he’s the real culprit behind my lonely childhood?”” ”

“““Isn’t that so?”” Zhao Yu nodded. That was one of the reasons why he had been so mad at Miao kun. ”

“““No, you’re wrong!”” Miss Miao said seriously,““in our family, there is no such thing as abandoning one’s wife or the family business. ”

“““Actually ... I can understand the two of them. I know that they both love me, their daughter, deeply! ”

“““However, the two of them are already used to that kind of unconventional life. Even if one of them were to quit, they might not be able to take care of the family ... ”

“““Therefore, in my heart, they’re both my good father and mother ...”” ”

“““You’re such a kind and good girl!”” Zhao Yu took the opportunity to hug miss Miao’s waist, feeling happy.”“To be able to marry you, what else can I ask for ...”” He said. ”

Chapter 2296: Chapter 2292-who do you want to see?

“Although Zhao Yu had already brought his two superiors to re-examine the crime scene, after they had finished their report, Zhao Yu asked Miao Ying to push him as they re-examined the crime scene. ”

“From the banquet hall to the green forest bar, to Mr. Li’s Presidential Suite, stairs, elevator, to the underground parking lot and ventilation room, he didn’t miss a single place. ”

“Just like before, Zhao Yu felt that it was necessary to re-examine the scene, as it might help him find the details that he had overlooked before. ”

“As he surveyed the scene, he combined it with his own memories and tried hard to recall the details of that time, trying to find something unusual. ”

“Because Zhao Yu had investigated very carefully, and because he was not well-limbed, it took him three hours to finish the investigation. ”

“But Zhao Yu didn’t intend to stop there. He then went to the building’s surveillance room, manager’s office, and other important places. ”

“After that, he found a few staff members of the building who had experienced this incident and began questioning them. ”

“As expected, the surveillance room had been occupied by the enemy from the beginning, so the entire building’s surveillance system was completely paralyzed, leaving no useful video data. ”

“According to the hotel security, the dozen or so thugs in security uniforms were not in disguise. They were really the building’s security guards. ”

“However, other than the head of security, the other security guards had just arrived and were not familiar with each other. ”

“Then, Zhao Yu found the hotel manager. Through the hotel manager, he found out that the appointment of these new security guards had all been arranged by tycoon li himself. ”

“This made Zhao Yu even more suspicious that rich man Li was one of the masterminds involved in this matter. However, for some unknown reason, he was betrayed by his accomplices and became the purple-masked criminals ‘‘target. ”

“The multi-millionaire’s building incident was of great importance, so Xu Qin didn’t dare to hide anything from Zhao Yu. She told Zhao Yu that they had already confirmed the identity of tycoon li. ”

“In addition, she also told Zhao Yu that, although the surviving engineer was mentally unstable, he didn’t mention anything about his background. It was obvious that he had received professional training. ”

It would probably take some time to pry open this person’s mouth.

“Finally, Xu Qin also provided Zhao Yu with top-secret reports. These reports were all information on the people who had attended the charity banquet that day. ”

“From the information of these people, the anti-fear group found more than 30 suspects and conducted a detailed investigation on them. ”

“These people were all rich businessmen who had business dealings with rich man Li. Some of them were close to rich man Li, and some of them had a bad record ... ”

Xu Qin suspected that the people Mr. Li wanted to kill with scientific weapons were among them.

“So, Zhao Yu needed to solve a few questions. Why did rich man Li want to kill them? ”

And why was rich man Li killed?

It seemed that Zhao Yu had to think about it. The multi-millionaire building incident might be more complicated than what he had seen with his own eyes!

“Perhaps, there were even more powerful enemies hiding behind the scenes! ”

Hmm ...

“Realizing the complexity of the situation, Zhao Yu had to start thinking about whether he should meet Xi menna today. ”

“If Xi menna really knew important information, she might be of great help. ”

But ...

Xi Mengna ...

“Thinking of this woman, Zhao Yu couldn’t help but clench his teeth. Don’t forget, I just shot her from the cruise ship not long ago. She didn’t want to see me for any other purpose, did she?”

“Mm ... After weighing the pros and cons, Zhao Yu finally made a decision. He would go to the Shanghai police station to meet someone first, then talk about Xi Mengna.”

“So, Zhao Yu let Miao Ying push him back into the car, then returned to the Shanghai police station.”

“Xu Qin was a smart person. Although she still had a lot of work to do, she still got into the car with Zhao Yu and returned to the police station.”

“As Miao kun was known as the old ghost, his sense of smell was quite sharp. He saw Zhao Yu’s serious expression and his eyes lit up. He also smelled a clue and quickly followed Zhao Yu’s car.”

“When Zhao Yu arrived at the Shanghai police station, he first asked his mother-in-law to take him to the autopsy room.”

“In the autopsy room, he carefully examined the bodies of the robbers and the items they left behind.”

“Of course, the scientific weapon wasn’t one of the items.”

“As the weapons were extremely dangerous, they had long been handed over to the biochemical Department for strict safekeeping.”

“In the autopsy room, Zhao Yu examined the body carefully, then listened to the report from the forensic doctor.”

“”Well, this should be a mixed-blood, Eurasian ...”” The forensic doctor said as he held the autopsy report of the purple-masked criminal.””He was about 35 years old, male, and had at least 47 old wounds on his body. Among them, there were two bullet holes, one on the outer side of the right leg, and the other on the upper right edge of the scapula ...”” ”

“”Also, this person doesn’t have any fingerprints. The fingerprints should have been washed off with something corrosive ...”” ”

“As he listened to the report, Zhao Yu looked at the purple-masked criminal’s body. The old wounds on the body were very obvious. Some looked like whip wounds, some looked like knife wounds ...”

“”This should be an assassin ...”” Looking at the corpse, his mother-in-law Xu Qin said,“”ever since DNA technology was invented, very few people have put so much effort into fingerprints!”” ”

“”Yes,”” Miao kun agreed.””Look at the old wounds on his body. They should be from missions or training!”” ”

“”This person is definitely a battle-hardened expert!”” ”

“”No...”” ”

Zhao Yu and Xu Qin said no at the same time.

“Xu Qin looked at Zhao Yu, then said,“””Some of the old wounds are in a regular pattern, which means that he may have been tortured!”” ”

““Right!”” Zhao Yu and Xu Qin shared the same opinion. ““Someone used private punishment on him. It seems like he was caught before!”” ”

““Oh ...”” Miao kun nodded and said nothing more. ”

““The strangest thing,”” Xu Qin said, ““is that we can’t find this person in our records. This can only mean two things!”” ”

““First,”” Zhao Yu said, ““this person is very careful and never makes a mistake. So, he has never entered your line of sight!”” ”

““Secondly,”” Xu Qin said, ““someone has erased his record!”” ”

““So,”” Xu Qin said with a worried look, ““this should be a very secretive organization. It’s definitely a big fish!”” ”

““Well ...”” Miao kun opened his mouth, as if he wanted to express his opinion. However, after seeing Xu Qin’s expression, he held back. ”

““So ...”” Miao Ying asked Zhao Yu, ““next, are you going to meet with Xi menna?”” ”

““No!”” Zhao Yu shook his head and said, ““compared to Xi menna, there’s one person who seems easier to deal with!”” ”

““Mother-in-law,”” Zhao Yu snapped his fingers at Xu Qin, ““arrange for me to meet amiola!”” ”

““Hmm...You ...”” Xu Qin could not keep up with the rhythm. ““You said you want to see that Middle-Eastern woman?”” ”

““Right!”” Zhao Yu said confidently, ““I believe that we will soon find out the true identity of those criminals!”” ”

Chapter 2297: Chapter 2293-your sincerity

““Amazing, amazing!”” As soon as he entered, amerolla, who was drinking from a purple clay teapot, stood up and pointed the teapot at Zhao Yu. ““I thought you wouldn’t dare to come see me!”” She said. ”

““Don’t get too excited, don’t misunderstand!”” Zhao Yu quickly motioned for the others to leave, while he closed the door. ”

“As Zhao Yu was walking on crutches, it was difficult for him to walk. ”

“After he closed the door, he turned to amerolla and said, ““when you climbed down from the building’s outer wall, you were reported by our Plaza Auntie!”” ”

““It was an accident that Ding Lan caught you!”” ”

““Okay.”” Amiola placed the teapot on the table. ““Since it was an accident, why didn’t you let me go?”” ”

““““Hmm, you ... You haven't recovered from your injuries yet!”” Zhao Yu said quickly, ““““don't worry, I, Zhao Yu, have always been loyal. I will never do anything despicable!”” ”

“As amerolla's Chinese was very poor, the two of them had been speaking English. ”

“Therefore, amiola asked, ““““What do you mean by despicable?”” ”

““““Mm, you see ...”” Zhao Yu pointed to the room and said, ““““if we wanted to make things difficult for you, we wouldn't have arranged such a hotel-style room for you! ”

““““Also, look at your hands, they're not handcuffed, right?”” ”

““““Zhao Yu, “““ amiola put her hand on the teapot again, ““““this is a police station! What was the use of a good house? Where's the freedom you promised?”” ”

““““You can't blame me for this!”” Zhao Yu looked innocent. ““““I didn't say I was going to arrest you.”” ”

““““You ...”” Miss Lola covered her wound. ““““You don't keep your word. I tried everything to save you in vain! Hmph!”” ”

““““Hey, you do have a little temper!”” Zhao Yu scratched his head and looked a little embarrassed. He quickly comforted her, ““““alright, Miss Lola, look, I'm here. ”

““““Here ...”” Then, Zhao Yu put down his walking stick and handed his phone to amiola. ““““I'm here to save you!”” ”

““““You ...”” Amelia looked at Zhao Yu's phone, confused. ““““What do you mean?”” ”

““““Hurry up and call your boss,”” Zhao Yu said. ““““I have something important to talk to him about!”” ”

““““You ...”” Amiola glared at him. ““““It's not worth it to catch me, and now you want to get the chief into it?”” Zhao Yu, I really misjudged you!”” ”

““““Aiyo,”” Zhao Yu quickly handed his phone to Miss Lola and said, ““““did you forget? Didn't I say that I was going to cooperate with the chief? ”

““““As long as the cooperation is successful, I can let you go right now!”” ”

““““You ...”” Amiola didn't believe him. ““““You're lying to me!”” ”

““““Aiyo, can't you give it a try?”” Zhao Yu said, ““““we can't track the chief's phone, so why are you afraid that we can catch him? ”

““““Did you forget that I've already told you everything about Xi Wei's treasure? Don't worry, I'm here with sincerity, full of sincerity, can't you see?”” ”

““““Hmm ...”” Amiola thought for a moment, then suddenly said in Arabic, ““““okay, since you want me to call the chief, you have to kiss me to show your sincerity!”” ”

““““Pay attention, I said mouth, not face!”” ”

“What!?” After Zhao Yu understood what she was saying, he was shocked. He couldn’t understand what the woman was thinking, so he immediately spoke in Arabic, “you ... You ... You ... You’re not joking, are you?”

“You’re so annoying,” Amiola suddenly spoke in Chinese. “You can kiss other women, but can’t you kiss me?” If you kiss me, it means you’re full. If you don’t kiss me, it means you’re not full ...

“Hey, hey, hey ...” Zhao Yu was shocked, and quickly reached out to cover her mouth. “You ... What are you saying, big sister?” Who did I kiss?

“Also, what do you mean? It should be sincerity, right?”

“At that moment, Miao Ying, his father-in-law, and his mother-in-law were all eavesdropping outside. One could imagine how they would react after hearing what Amelia said!”

Zhao Yu’s face was covered in cold sweat.

“I don’t care if it’s a show of sincerity or not,” Amiola said. “I just want a kiss. One kiss and I’ll give you the chief’s phone number!”

“You ... Have you gone crazy?” Zhao Yu was going crazy. “Although I’m an excellent man, you can’t seduce me so blatantly, right?”

“Don’t talk to me about other things. I don’t understand ...” Amiola pouted her little mouth and acted as if she was waiting for him to kiss her.

“You ... Aiyo ...” Zhao Yu glanced at the door behind him, his back sweating.

“However, he thought to himself, I’m called a crazy detective, could it be ... I’m afraid of a foreign woman?”

“Alright, it’s just a kiss, right?”

“Wasn’t it just in front of his girlfriend, mother-in-law, and father-in-law?”

What was there?

Zhao Yu clenched his fist and slowly moved closer to Amiola’s lips. He knew that the monitoring room outside was in a mess.

“However, Zhao Yu trusted Miao Ying, and he trusted himself. He had never done anything wrong, so why not kiss her?”

“Hence, Zhao Yu gradually moved forward, getting closer and closer.”

“However, as Zhao Yu’s knee was injured, it was a little difficult for him to get close.”

“However, when he pouted his lips, Amiola suddenly burst out laughing!”

“Hahahaha ...” Mellaura covered her mouth and laughed. “Look at your awkward expression. It’s like someone is torturing you!” Hahaha ...

Miss Lola covered her stomach and laughed so hard that her wound hurt.

""""Hmm ..."" Zhao Yu raised his eyebrows. ""You ..."" "

""""Who told you to break your promise?"" amerolla stuck out her tongue mischievously. ""I have to let you fall for it once, right?"" Let the people outside see that even a promiscuous person like you can be embarrassed!"" "

""""..."" Zhao Yu was speechless. He didn't expect that at this time, under such circumstances, amiola would be in the mood to joke with him. "

""""Didn't you get stabbed in the stomach?"" Zhao Yu asked curiously, ""why does it feel like it's stuck in the head?"" "

""""Hmph, you scoundrel. I won't feel good if I don't take revenge on you!"" Amiola gritted her teeth. "

""""I really couldn't tell,""" Zhao Yu said, surprised again. ""You're a double agent, but you're so naughty? I really have to take my hat off to you!"" "

"As Zhao Yu said this, his hands were constantly wiping the cold sweat off his forehead. "

"After laughing, Miss Lola took Zhao Yu's phone and pressed a long string of numbers. "

"With two toot, the call was quickly picked up. "

"However, there was no sound from the other side after the call was connected. "

"Amiola calmly said a string of passwords to the phone, and the call was transferred for the second time. "

"Finally, after a few more moments of thought, the voice of chief Yusoff came through the phone. He asked in Arabic, """"Laura, how is it?"" "

""""Chieftain, I have something to tell you ... Eh?"" "

"Just as amilora wanted to say something to the chieftain, Zhao Yu grabbed the phone and said, """"Chieftain! I'm Zhao Yu, did you hear me? I've caught your Lola! "

""""If you want her to live, then cooperate with me. Wahahaha ..."" "

Chapter 2298: Chapter 2294-negotiation

""""You ... You're really like a ghost that won't leave!"" You SUFU sighed over the phone. ""I've already returned Xi menna to you. What else do you want?"" "

""""Also, who did you learn your Arabic from? I want to see your teacher. Isn't he too good at learning?"" "

""""Cut the crap!"" Zhao Yu said rudely, ""you know how important amerolaia is to you. Of course, I know it too! "

""""As long as you're willing to cooperate with me, I promise I won't hurt a single finger of hers!"" "

““““You ... This is kidnapping and blackmailing!”“ You SUFU was furious.”“You’re too bad, kid! Have you forgotten who fought alongside you and dragged your father-in-law out of the house of sin? Amiola saved your life!”“ ”

““““Don’t talk about such useless things. Saving Miao kun was just a sidekick,”“ Zhao Yu said.”“Your goal was londee!”“ ”

““““Hmm.....What do you mean by a kick?”“ You SUFU was curious.”“Can’t I bring my hands?”“ ”

““““Mm ... Cough, cough ...”“ Zhao Yu coughed and said seriously,”“chief, let’s get to the point!”“ ”

““““Do you still remember your relative’s subordinate on the cruise? I kept my promise and let him go! So, let’s have a good talk. As long as we can reach an agreement, I’ll let amiola go immediately!”“ ”

““““Hey, don’t listen to him. He doesn’t have the authority ...”“ At this time, the flustered Miss Lola added to the chaos. ”

“Zhao Yu waved at Lola, then immediately held up his walking stick and walked towards the door, wanting to go outside. ”

“Miss Lola was anxious, so she picked up the teapot and threw it at Zhao Yu’s head! ”

“Zhao Yu didn’t even try to Dodge. With a loud crack, the purple clay teapot hit the back of his head and shattered. The tea leaves and tea inside dripped down Zhao Yu’s hair. ”

Kachaa!

“The door opened, and Miao Ying and a few Secret Service agents rushed in, trying to protect Zhao Yu. ”

“But after they entered, Zhao Yu waved at them as if nothing had happened and threw them out! ”

“Then, Zhao Yu changed his mind and closed the door. He walked back to his chair with the help of his crutch and sat down on it, not even looking at amilora. ”

““““I’m fine, I’m fine ...”“ Zhao Yu threw away his crutch and crossed his legs. At the same time, he grabbed the tea leaves on his head and said to the chief on the phone,”“it’s Biluochun tea. It’s just a waste of a good pot of tea!”“ Hehehe ... It’s fine, it’s fine. Chieftain, let’s continue the discussion, continue the discussion ...”“ ”

“Just as Zhao Yu crossed his legs, amerolaia picked up a heavy chair and threw it at Zhao Yu again. ”

“However, Zhao Yu did not move. He did not even lift his eyes. He continued to chat and laugh with you SUFU, as if he was the only one in the room. ”

“This time, amilora hesitated. She raised the chair in the air for a few seconds before putting it down. Then, she sat down and pretended to listen. ”

This was because the conversation between Zhao Yu and you SUFU had already piqued her interest.

““““Yes,”“ Zhao Yu said into the phone,”“I don’t like to beat around the bush. I know you are an expert in intelligence, and I can’t hide many things from you, so I don’t have to hide anything from you!”“ ”

“Then, Zhao Yu told him about the incident in the multi-millionaire’s building, and even sent him the photo of the purple-masked criminal. ”

“Zhao Yu’s performance made Xu Qin, who was observing from the monitoring room, lose her cool. She came to the door, wanting to go in and stop Zhao Yu. ”

But he was stopped by Miao Ying.

“““That won’t do,”” Xu Qin said.””How can I just tell an outsider such an important thing?”” ”

“““No!”” “““I trust Zhao Yu,”” Miao kun retorted.””Since he’s doing this, it means that he has already thought it through!”” ”

“““But,”” Xu Qin bit her lip and said,””we’re his superiors. He should at least ask us if we’re here, right?”” ”

“““There’s a bottom line for such a sensitive matter. He’s already touching it!”” ”

“““What bottom line, what bottom line ...”” Miao kun’s eyes were fixed on the monitor screen as he spoke, as if he was talking to air.””People are alive, and we can use the stones from other mountains to attack the Jade! ”

“““Also, as an excellent agent, you have to judge the situation and adapt to the situation. You don’t have to report everything to your boss! ”

“““I think you’d better stop for a while!”” ”

“““Eh? What’s the meaning of this?”” Xu Qin’s eyes widened.””Old ghost Miao, do you think I’m in the way? Come, let’s have a good talk ...”” ”

“With that, Xu Qin rushed toward Miao kun, who quickly took a step back in fear. ”

“His footsteps were extremely light, and his eyes were still looking forward. ”

“““Mom ... Mom ...”” Miao Ying quickly stopped him and said,””please give, give Zhao Yu a little more time! I also think that this guy never makes a losing deal! ”

“““He must have his own reasons for doing this!”” ”

“““Hmph!”” Xu Qin snorted and stopped. She glared at Miao kun and said,””just you wait. If anything goes wrong, you’ll be the first one to take responsibility!”” Hmph!”” ”

“After that, the three of them turned around and continued to watch Zhao Yu’s performance. ”

“““Yes.”” At this time, Zhao Yu was still talking and laughing over the phone.””Chief, this is my condition. As long as you tell me who these people are, I will immediately let amilora go!”” ”

“““Oh ...”” Yusufu hesitated for a long time. It was obvious that the cunning tribal chief was also studying the benefits and benefits of this. After a long time, he finally made up his mind and said,””Zhao Yu, you’ve found the right person. I really know who they are! ”

“““In fact, I’ve tried to get in touch with them before, but I didn’t succeed in the end ...”” ”

““““Oh?”” Zhao Yu quickly asked,““then, who are they?”” ”

““““Haha, let’s do it this way!”” ““Release amiola now,”” she said.““Once I’m sure she’s safe, I’ll tell you the truth!”” How is it?”” ”

““““What do you think?”” Zhao Yu said,““do you think I can trust you?”” ”

““““Oh? ““Then ...”” The chieftain asked sarcastically,““what do you think?”” ”

““““I’ll cut off one of amiola’s hands and send it to you first,”” Zhao Yu said.““Then, you can give me all the information you know, and I’ll let her go. Is that okay?”” ”

““““You ...”” Amiola’s eyes widened, and she hit Zhao Yu. ”

““““Don’t joke with me, nephew. Although you are a crazy detective, I know that you always distinguish between friend and foe!”” You SUFU advised,““since you don’t agree, then tell me. How should we make a deal?”” ”

““““I know. You’ve always wanted to be the king of intelligence. Haven’t you always been thinking about Xi Wei’s top-secret information?”” Zhao Yu said,““I’ll send you the information on Xi Wei now, and then you’ll tell me the information on the criminals. If you’re not lying to me, then I’ll let amiola go. How about it?”” ”

““““An exchange of information, plus a hostage,”” Zhao Yu said, smiling.““I’m a good friend, right?”” ”

““““Oh?”” You SUFU was clearly in high spirits.““So, you guys really found Xi Wei’s treasure? Quick, tell me where you found it!”” ”

Chapter 2299: Chapter 2294-Yaksha

“Seeing that Zhao Yu had really pressed his phone to send the document to Yusufu, Xu Qin could no longer remain calm. ”

““““Nonsense, this is too much nonsense!”” Xu Qin strode to open the door, obviously trying to stop Zhao Yu. ”

“However, old Miao was at the door. Although his eyes were on the monitor screen, he was clearly blocking Xu Qin’s path. ”

““““Oh ...”” Xu Qin suddenly realized.““Miao kun, you were the one who gave Zhao Yu that information! You ... You acquiesced to this, didn’t you?”” ”

““““Listen to me!”” Miao kun swallowed and explained,““the document was destroyed!”” ”

““““Go to hell!”” Xu Qin cursed loudly,““don’t you know how serious the consequences are for doing this? By doing this, you’re basically telling the world that we’ve already obtained Xi Wei’s treasure! ”

““““Do you know how much of an impact this will bring to us? Even though londee is dead, the remaining forces that are still connected to him will definitely seek revenge on us!”” ”

“““Calm down,”” Miao kun said slowly.”” Although I’m one rank higher than you, how can I make decisions about Xi Wei’s treasure?”” ”

“““You ... What do you mean?”” Xu Qin’s eyes widened.”” You mean, this is the higher-ups ‘intention?’” ”

“““Of course ...”” Miao kun said.”” Actually, Zhao Yu is right. Even if we don’t admit it, we’re just trying to cover our ears! ”

“““Since we’ve got it, we should make the best use of the information. We might as well spread the news to intimidate the enemy. This way, they won’t dare to act recklessly!”” ”

“““What do you mean you don’t dare to mess around?”” Xu Qin was still unconvinced.”” Didn’t you see? The incident with the multi-millionaire’s building could only be the beginning! ”

“““From now on, similar incidents might happen again!”” ”

“““Yes, the reason why this happened was that we didn’t manage to deter them in time,”” Miao kun said.”” And, Mr. Li definitely played an important role in this incident! ”

“““So ...”” Miao kun finally turned his eyes to his ex-wife.”” We have to kill one as an example to the others. We have to find out who the culprit behind the skyscraper incident is as soon as possible!”” ”

“““You ... You SUFU, that old Middle-Eastern man ...”” Xu Qin shook her head.”” Do you really think that he would know?”” ”

“““Didn’t you hear me?”” Miao kun pointed to the monitor screen and said,”” the chief just said that since he wants to make a deal with us, he must know the identity of these people! ”

“““Also, there’s something that you might not know yet,”” Miao kun said.”” The chieftain is obsessed with fighting for Xi Wei’s treasure. I think that there must be something important in Xi Wei’s information! ”

“““So, we’ve already grasped this old man’s weakness. We’re not afraid that he won’t give in ... Hehehe ...”” ”

“““Your laughter is still so sinister!”” “““Hmph!”” Xu Qin snorted disdainfully. She put her hands on her waist and said,”” alright, since it’s the decision of the higher-ups, I’ll just wait and watch ...”” ”

Xu Qin turned around and looked at the screen again.

Miao Ying quickly poured a glass of hot water for her mother.

“Feeling her daughter’s concern, Xu Qin gently pressed on Miao Ying’s shoulder and took a sip ... ”

“However, after drinking the water, she suddenly realized that there was only amiola left in the cell. Zhao Yu was nowhere to be seen. ”

No way?

Xu Qin panicked and quickly opened the door to the corridor outside.

“As soon as he entered the corridor, he heard Zhao Yu’s wild laughter.”“Yohahaha, how is it, chieftain? Have you confirmed it? ”

“”Please don’t be angry. We have encrypted the documents for safety reasons. As long as you are willing to cooperate with us, we will immediately give you the decoding software ...”” ”

Pfft ...

“Upon hearing this, Xu Qin spat out the hot water in her mouth. ”

“”Mom ...”” Miao Ying was shocked.””Are you okay?”” Are you scalded?”” ”

“Xu Qin quickly waved her hand and muttered,””””So mean, so mean ...”” ”

It turned out that Xu Qin knew that the information found in Xi Wei’s treasure had been tampered with and a large portion of the documents could not be completely restored.

“This method of processing was very special. It looked like it was encrypted, but in fact, the damage to the files was very serious, and many of them could not be restored. ”

“Unexpectedly, Zhao Yu had used this to trick you SUFU. ”

“Within a short period of time, she could only find out that these documents were a part of Xi Wei’s information, but she could not find out the truth. ”

This move was indeed a little sinister.

“”You’re saying ...”” You SUFU couldn’t hide her excitement as she said,””Xi Wei’s treasure is actually hidden underwater?”” This was really unexpected! ”

“”I didn’t expect Tina to have such a trick up her sleeve. We even had to search all over Japan ...”” ”

“”Alright, let’s not talk about those useless things. I’ll tell you the truth!”” Zhao Yu walked towards his mother-in-law with his walking stick and continued to Bluff her.””After we checked the information, we found that it wasn’t of much use to us, so I have already applied to the higher-ups to share it with you! ”

“”Also, I was just joking with you about amiola.”” Zhao Yu smiled, his face full of sincerity.””Whether you cooperate with us or not, I will let her go!”” ”

“”How is it? interesting enough, right?”” ”

“”Good, good ...”” This time, the old fox finally fell for the little fox’s trick. Yusufu suddenly said an obscure term,””Yaksa!”” ”

“”What?”” Zhao Yu turned on the real-time translator, but he still didn’t understand.””What do you mean buy Bodhisattva? Why would you want to buy a Bodhisattva?”” ”

“At that moment, Zhao Yu had already entered the monitoring room with the help of his crutch. Miao kun quickly closed the door, leaving only his family in the room. ”

“In order for everyone to hear him clearly and share their opinions, Zhao Yu immediately turned on the speaker. ”

“““Zhao Yu ...”” You SUFU said very seriously,“““I suspect that the one who attacked your building might be the mysterious black-bearded Yaksha!”” ”

“““F * ck, a Yaksha?”” Zhao Yu frowned.“““Why are you still acting?”” ”

“Just as Zhao Yu was complaining, he saw that his father-in-law and mother-in-law’s faces had suddenly turned gloomy. Miao kun was pouting and shaking his head, as if he did not agree with you SUFU’s answer. ”

“““I’m afraid that only Yakshas can cause such a big commotion in your territory!”” Yusufu said with certainty. ”

“““Yaksha ...”” Zhao Yu seemed to have understood something.“““Oh ... The Yaksha you’re talking about is an organization? A terrorist organization?”” ”

“““They’re similar in nature, but they have the best reputation in this industry,”” Yusoff said.“““As far as I know, they only cooperate with the most senior figures or consortiums, and never show their faces easily. ”

“““I told you before that I tried to get in touch with them, but I was rejected in the end!”” ”

“““They ...”” Zhao Yu asked,“““what kind of business do they do? Do they specialize in terrorist attacks?”” ”

“““Yes, assassinations, intelligence gathering, terrorist operations, kidnapping, and so on ...”” You SUFU said.“““This group of people appear and disappear unpredictably, leaving no traces behind. Their methods are extremely secretive! ”

“““I heard that sometimes, they don’t make a move for money. Only those who are evaluated to be qualified can work with them ... ”

“““There are also some rumors in the martial world that their strength has reached the level where they can influence the politics of some countries. They are very powerful!”” ”

“““Oh, really?”” Zhao Yu said with a complicated expression,“““if it’s really as good as you say, then how did they all fall into my hands?”” ”

“““Hmm ...”” You SUFU was at a loss for words. After a long while, she said in a self-deprecating manner,“““it seems that I was wise not to completely break off relations with you and make you my enemy!”” ”

Chapter 2300: Chapter 2296-ghost organization

“““I think ...”” Over the phone, you SUFU was giving Zhao Yu ideas.“““You can start with that rich man Li. He’s also an expert in intelligence, the kind that’s hidden!”” ”

“““Xi Wei and I used to work with him, but we didn’t really get along, so we stopped working together!”” ”

“““In that case ...”” Zhao Yu pondered and said,“““this building incident might be a joint effort by rich man Li and the Yaksha?””

“““You once said that they never accepted small business deals ...”” Zhao Yu said.“““That is to say, this incident, they had a bigger purpose?”” ”

“““Well ... Hehe, you’re a super detective, I can’t help you!”” “““But not just anyone can get their hands on such a high-level virus weapon,”” she said.“““I think it’s very likely that it’s a Yaksha!”” ”

“““Yaksha,”” Zhao Yu said,“““is it related to londee?”” ”

“““Well ... I can only tell you that it’s possible!”” You SUFU thought for a moment and said,“““have you heard of the plague on Huansha Island ten years ago?””

“““There’s also the infectious disease incident in bugina, Africa, that caused thousands of deaths and so on ... ”

“““Others don’t know, but you can’t hide it from me. I suspect that those plagues and infectious diseases are not real plagues and infectious diseases, but a virus attack!”

“““It’s just that they’ve been packaged by their government like a plague. ”

“““The purpose is to gain benefits during the election ... ”

“““Zhao Yu, you should know,”” Yusufu reminded him,“““that longdi technology company develops weapons. I think that the high-level weapons used by the Yaksha were provided by longdi!”

“““So, your guess should be right. The Yakshas might have been trained by londee. Such a professional team that is like a ghost, they must have the financial support of a country!”

“““Londee is dead, so it makes sense for them to seek revenge on you. ”

“““Since the Yakshas have appeared, you have to be careful! In the future, there might be similar incidents ... If this isn’t their main force, they won’t let this go!”” ”

“““Oh ...”” Zhao Yu asked,“““then, can you give me some clues? How can we find the nest of these Yakshas?”” ”

“““Don’t joke around. If I knew, I would have been killed long ago!”” You SUFU said,“““I suggest you ask Rich man Li. If he is really working with the Yaksha, he will naturally know more than me!”” ”

“““Mm ...”” Zhao Yu thought about it carefully, then asked,“““a few days ago, a woman tried to assassinate rich man Li, but failed. She only managed to stab his daughter. Have you heard about this?”” ”

“““Hmm, what do you mean? Of course I’ve heard of it!”” “““Yes!”” She replied without hesitation.“““Lola has already reported to me!”” ”

“““Then, King of intelligence,”” Zhao Yu asked,“““tell me where that woman came from!”” ”

“““Don’t mess around,”” you SUFU said hurriedly.”“Didn’t you arrest him?”” Why are you asking me? I really don’t know about that. Amerolaia knows about it, but we don’t even know what that woman looks like! ”

“““If you need me to provide you with information, then we’ll follow the old rules. I can give you a 20% discount ...”” ”

“““Go to hell!”” Zhao Yu cursed,””alright, I understand! I forgot to tell you, amilora was stabbed and is being treated now. I’ll let her go in two days and let her leave with the code!”” ”

“““Eh?”” You SUFU was surprised.”“Zhao Yu, what do you mean? Are you going back on your word? Hurry up, let me talk to amiola...Hey...Hello ...”” ”

“““Hey, hey...Aiya, what kind of stupid signal is this?”” Zhao Yu pretended to lower his voice and then quietly hung up. ”

The reason he had come to the monitoring room was to prevent amiola from hearing his negotiation with the chief.

“This was because, back at the multi-millionaire’s building, Zhao Yu had already told Aurora that Xi Wei’s information had been seriously damaged. So, if he wanted to fool the chief, he couldn’t let Aurora hear it. ”

“After hanging up the phone, the scene was unexpectedly quiet. His father-in-law and mother-in-law did not make a sound. ”

Both of their faces showed an unusually complicated expression.

“““Hey, what’s wrong?”” Zhao Yu asked,””do you guys know this Yaksha?”” ”

“““Mm ... Mm ...”” Miao kun hesitated for a long time, then said to Zhao Yu,””this is supposed to be a secret, but there’s no harm in telling you now!”” ”

“““That’s right, the Yakshas are indeed a very dangerous organization. If they didn’t send all of their people to the multi-millionaire’s building this time, then we really have to be prepared!”” ”

“““Yes,”” Xu Qin said.”“We have been investigating this ghost-like organization for many years, but they are very careful and have never left any suspicious traces ...”” ”

“““In fact,”” Miao kun sighed,””it’s not that there are no traces, but the people who worked with them are all high-ranking figures with powerful forces, and these people can help them erase their traces!”” ”

“““Actually, we’ve already thought about it, but I have to say, the chief’s words did remind us!”” Xu Qin said,””we’ve heard about the International incidents that he mentioned before. From all the signs, those incidents do have the characteristics of a virus attack! ”

“““This time, the robbers appeared with a viral weapon. We have to suspect that these robbers are Yakshas!”” ”

“““I’ve always wanted to ask,”” Zhao Yu said.”“Where can they get a virus weapon? Do you know where the factory is?”” ”

“““Seriskas. It was developed in a laboratory in Eastern Europe twenty years ago and was used as a virus weapon, but ...” Xu Qin replied,““because the weapon was too inhumane, it was completely destroyed under the United Nations ‘sanctions!’” ”

“““Oh ...” Zhao Yu frowned.““It seems that either they weren’t destroyed, or someone developed it on their own!”” He said. ”

“““So, the chieftain’s analysis is very reasonable. Looking at the whole world, I’m afraid that only Londee is the most suspicious,”” Miao kun said.““Londee technology company is a weapon manufacturer, and that guy is up to no good. So, it is very likely that they stole the formula and secretly made it!”” ”

“““One more thing,”” Zhao Yu asked again,““the chief said that they released the virus from Africa and some Island, killing so many innocent people. What benefits could they get?”” ”

“““There are too many benefits,”” Miao kun said.““Raising the price of food and medicine, forcing competitors to step down, striking political opponents, destroying the will of the enemy, and using these as a bargaining chip to control the entire region ... ”

“““This is a typical massacring ideology. They don’t hesitate to use their lives in exchange for money and power. It wouldn’t be a pity even if such people died 100000 times !..”” ”

“““Oh ...”” Zhao Yu nodded silently. It seemed that he had done the right thing this time. Those criminals were murderers who valued their lives. No wonder the purple-masked criminal was so crazy about releasing the virus at the end! ”

“““If that’s the case ...”” Xu Qin took out her phone and said,““I’ll have to report this to the higher-ups as soon as possible. In the near future, we’ll have to raise the level of prevention and control in case the enemy takes any further action ...”” ”
