

Crazy 2301

Chapter 2301: Suspect

Zhao Yu spent the entire afternoon without stopping.

“First, under his mother-in-law’s lead, he went to another monitoring room to watch the interrogation of the surviving criminal.”

This criminal was the technician who had dismantled the scientific weapon.

“This person’s mental state was indeed very problematic. When the interrogators asked him questions, he often had to ask several times before he would respond.”

“However, there was still some progress in his interrogation. This person had already admitted that the mastermind behind the attack on the multi-millionaire’s building was tycoon Li himself.”

“He had seen with his own eyes that the purple-masked criminal had contact with Mr. Li. In addition, when he received the weapons, he also saw rich man Li at the scene.”

“However, he insisted that he didn’t know anything about the purple-masked criminal and the background of all the criminals.”

He said a tongue-twisting name with typical Malacca characteristics. He said that he was originally a University professor in West Asia gida who specialized in Virology.

“This time, he was forced to participate in the multi-millionaire’s building incident under the coercion of the robbers.”

“Therefore, he had no idea who the criminals were.”

He only said that his mission was to be in charge of the scientific weapon and ensure that the virus could be connected to the building’s ventilation system so that the virus could take effect as quickly as possible.

“In order to prove that he was not lying, he even put forward his own guess that the criminals might be Malaysian ...”

“Seeing this, Zhao Yu told his mother-in-law directly that the B \* stard had to be severely punished. He was definitely not telling the truth.”

“Zhao Yu said that, in the ventilation room, he had seen with his own eyes that the technician was very respectful to the purple-masked criminal, and even gave him a lot of advice. How could he have been coerced? He was clearly an old man!”

“After getting Zhao Yu’s approval, Xu Qin was even more determined and continued to pressure the man.”

“Then, after watching the interrogation, Zhao Yu drove to the hospital and checked on the other survivor in the intensive care unit.”

“The survivor had been shot in the head and had just undergone surgery. Although his life was saved, it was unknown when he would wake up.”

“The man was disguised as one of the hotel’s security guards. Zhao Yu had no impression of this man, so he only took a quick look at him, then went to another Ward.”

“As soon as he entered the ward, he heard sobbing sounds coming from the ward.”

“Li liya’s relatives and friends, as well as Li Qian, were all there. Everyone surrounded li liya and kept comforting her.”

“However, li liya was still in great sorrow, and her eyes were already swollen from crying.”

“At the moment, she was discussing with an older relative about how to deal with rich man Li’s funeral.”

“Seeing Zhao Yu come in, they stopped the discussion.”

“““Officer Zhao, you’re here!”” After li liya saw Zhao Yu, her tears fell again like a broken string of pearls.”

“““You ...”” Li Qian pointed to Zhao Yu’s walking stick and asked,““ officer Zhao, is your leg okay?”” ”

“““It’s okay,”” Zhao Yu said, waving his hand. He then came to li liya and comforted her,““the deceased is already dead. My condolences!”” ”

“““Wuwuwu ...”” Hearing Zhao Yu’s words, li liya cried even more sadly. Li Qian quickly held her in her arms.”

“““Mm ...”” Zhao Yu looked at the people present, coughed, and said,““Miss Li, I’m sorry, but I came here because I have a few questions to ask you.”” ”

“““I know that our investigators have troubled you many times, but in order to find out the identity of the murderer as soon as possible, I have to trouble you to cooperate ...”” ”

“““Oh ...”” Li liya rubbed her eyes and gestured to her friends and family, who left tactfully.”

“At first, Li Qian thought that she was not included, so she continued to hug li liya. It was not until Zhao Yu pouted at her a few times that she realized that Zhao Yu wanted her to go out too.”

“So, Li Qian made a reluctant expression, let go of li liya, and went out of the ward.”

“At first, she had planned to eavesdrop on them from the other side of the door, but when she realized that there were security guards on duty outside the door, she walked away resentfully ...”

“““Police officer Zhao,”” li liya wiped her tears dry and said to Zhao Yu,““this should be clear, right? The woman who tried to assassinate me was in cahoots with these criminals!”

“““Could it be that you haven’t interrogated him clearly?”” ”

“““No...”” Zhao Yu was in so much pain with the crutch that he sat on the bed next to li liya’s feet.”“It’s not as simple as you think!”” ”

“““The robbers had a thorough plan this time. If they didn’t meet me, the Super detective Zhao Yu, I’m afraid that everyone in the building would have been killed!”” ”

“““Oh ...”” Li liya pondered for a moment, then asked,““then ... What else do you want to know?”” I’ve told you everything I know!”” ”

“““No, no,”” Zhao Yu waved his hand and said,““I’m a super detective, so of course I’m different from those ordinary investigators. How about this, let’s just have a casual chat!”” ”

“““...”” Li liya was once again speechless. She looked at Zhao Yu with a complicated expression. ”

“““I want to ask,”” Zhao Yu took out the photo of the purple-masked criminal and showed it to li liya,““about this person, have you seen him before?”” ”

“““Ah ...”” Li liya was shocked. She quickly covered her eyes and complained,““officer Zhao, you shouldn’t have shown me this!”” ”

“Zhao Yu took the photo and looked at it. Although the photo of the purple-masked criminal was taken during the autopsy, the oil paint on his face had been wiped away. ”

“““Oh, I’m sorry, I’m sorry ...”” Zhao Yu said, embarrassed, but his eyes were fixed on li liya.““This guy’s face was painted. I’m worried that it’s someone you’ve seen before, and he doesn’t want to be recognized ... ”

“““That’s why I want you to see this face and see if you can remember anything!”” ”

“Upon hearing this, li liya still covered her face with her hands, looking frightened. ”

“““We didn’t have a choice,”” Zhao Yu explained.““We couldn’t find a photo of this person when he was alive, so we could only use a dead person’s photo! Miss Li, please take a look! ”

“““What if he is an acquaintance of your family? Then we’ll be able to find out the murderer’s identity very soon, and we’ll also get justice for Mr. Li! Right?”” ”

“Hearing Zhao Yu’s comforting words, li liya finally let go of her hand and looked at the photo through the gaps between her fingers. ”

“After looking at it for less than ten seconds, li liya shook her head and confirmed,““““No, I’ve never seen this person before!”” ”

“““Oh, alright then!”” Zhao Yu put away the photos and suddenly asked,““by the way, there’s something that I don’t know if you know. A month ago, your multi-millionaire’s building had a new batch of security guards. According to the building’s experience, these security guards were arranged by your father ...”” ”

“““Well ...”” Li liya frowned.““I’m not sure about that. Every time I come to the multi-millionaire’s building, I want to go to the green forest bar to eat women and mess with women!”” ”

“““Is there a problem with the security?”” ”

“““Oh, it’s nothing ...”” Zhao Yu smiled.““This new batch of security guards was bribed by the robbers. They were all involved in the building attack ...”” ”

“““What?”” Li liya was shocked.”“You mean you suspect my father?”” My God, my father’s body is still warm, how can you slander him like this?”” ”

“““You ... Don’t get so worked up!”” Zhao Yu advised,”“I told you, we’re just having a chat. We can’t be sure of anything yet!”” ”

“““If my father was involved in this, why was he killed by the enemy?”” Li liya’s eyes were wet again.”“Boohoo ... How can you do this? You were there when my father was killed by them ... ”

“““Wuwu ... How could you suspect him ... Wuwu ...”” ”

“Looking at li liya, who was sobbing, Zhao Yu was calm. ”

Hmph!

“I’m not suspecting your father, I’m suspecting you! ”

Chapter 2302: Chapter 2298-my suspicion

Hu ...

“After Zhao Yu walked out of li liya’s room, he was panting heavily. ”

“““Zhao Yu,”” ”

“Miao Ying came over with a report. As there were other people around, she didn’t rush to hand the report to Zhao Yu, but pulled Zhao Yu to a corner of the corridor where there was no one. ”

“““How is it?”” Zhao Yu asked,”“is this the report I asked you to check?”” ”

“““Right!”” Miao Ying handed the report to li liya and said,”“this is li liya’s identity information Report. Her DNA matches the deceased tycoon li ‘s. She is indeed his biological daughter!”” ”

“““Oh?”” Zhao Yu was slightly surprised.”“Is she really your biological daughter?”” ”

“““It can’t be?”” Miao Ying had already realized Zhao Yu’s intentions, so she immediately widened her eyes and asked,”“I wanted to ask you just now, are you suspecting li liya? ”

“““You suspect that she’s not rich man Li’s biological daughter? Or should I ...”” ”

“““Meow ...”” Zhao Yu looked around. After making sure it was safe, he took out a strand of hair and handed it to Miao Ying.”“This is li liya’s hair. Later, you go to the forensic Department and see them compare it with your own eyes!”” ”

“““You ...”” Miao Ying frowned.”“Zhao Yu ... Are you still suspecting that there was something wrong with our previous report? Aren’t you thinking too much? ”

“““I want to ask you, what makes you think that there’s a problem with li liya? Please don’t tell me that this is just your intuition!”” ”

“““Intuition!”” ”

“In the end, Zhao Yu and Miao Ying almost said it in unison. ”

“““It’s here again!”” Miss Miao crossed her arms and pouted. ”

“““Hey! We’re getting more and more connected!”” Zhao Yu was surprised, then said,“““I’m joking, I’m joking! Of course, I’m not just randomly suspecting!”” ”

“““Well,”” Miao Ying quickly asked,“““tell me your reason!”” ”

“““Hehe, she thinks she can fool my eyes just because she’s a thousand-year-old fox!”” Zhao Yu said proudly,“““but she doesn’t know that I’m a ten-thousand-year-old demon. I’ve seen through her a long time ago. She can’t escape my fiery eyes! Hmph Hmph ...”” ”

“““ ...”” Miss Miao narrowed her eyes.“““Zhao Yu, I want a reason. I really can’t see anything wrong with li liya. ”

“““Do you think that she is hiding something from you?”” ”

“““No!”” Zhao Yu shook his head and said,“““I think she has a big problem, which is more serious than hiding the truth!”” ”

“““It can’t be?”” Miao Ying couldn’t believe it. “““Are you suspecting that she’s also a participant? This ...”” ”

“““Her biggest problem ...”” Zhao Yu said seriously,“““is that she has no problem! I can’t find any obvious flaws, and everything seems so normal!”” ”

“““Tsk ...”” Miss Miao also let out a heavy breath, raised her eyebrows, and asked,“““what kind of reason is that? It sounds like a movie line!”” ”

“““You see ...”” Zhao Yu finally told her his reason seriously,“““at that time, I was taken to Mr. Li’s Presidential Suite by the robbers. There, I relied on my bear’s strength, leopard’s speed, Eagle’s eyes, excellent personal ability, and tenacious willpower to finally kill a way out of there! ”

“““But, at that time, the situation was critical, and I couldn’t save li liya in the end ...”” Zhao Yu said.“““At that time, I thought that li liya was definitely dead! ”

“““Because if they killed Mr. Li to silence him, they wouldn’t have left li liya alive! ”

“““But what happened in the end?”” Zhao Yu said,“““she’s still alive. She’s miraculously survived! Moreover, she also said that she was unconscious at that time and didn’t know anything! ”

“““She has been lying in the Presidential Suite the whole time. She didn’t run away like Li Qian did ...”” ”

“““Don’t you think that’s a big problem?”” ”

“““Oh ...”” Miao Ying thought about it carefully and raised her own doubts.“““Don’t you think that li liya didn’t know anything, so the criminals didn’t have to kill her?”” ”

“““This ...”” Zhao Yu pondered for a moment, then pinched his chin and said,“““I didn’t think of this!”” ”

“““What the ...”” Miao Ying covered her face. ”

“““But ...”” Zhao Yu stretched out an arm,““even if there is no need to kill her, why don’t you just take her under control?”” ”

“““At the very least, you need to tie a rope and stuff your mouth, right?”” Zhao Yu said,““because, once she woke up, she would run out to inform the others. Wouldn’t it be unreasonable to just leave her alone? ”

“““And ...”” Zhao Yu continued,““I showed her the photo of the purple-faced criminal on purpose just now. I could see something different in her eyes, and I always felt that she and the criminal seemed to have some kind of interaction ...”” ”

“““What are you saying?”” Miao Ying pointed to the report and said,““now that we’ve confirmed that li liya is rich man Li’s biological daughter, and that purple-faced criminal killed her father, you still think that li liya had some interaction with her father’s murderer? ”

“““You ... How can I not refute you?”” ”

“““Tsk tsk ...”” Zhao Yu rubbed the report, then frowned and said,““that’s true ... He’s my father!”” At first, I thought that Mr. Li was just a substitute! ”

“““In the end, we proved that Mr. Li was the real one! ”

“““Later, I began to suspect that li liya was a substitute, but now it seems that it was not fake ... Could it be ...”” Zhao Yu hesitated, then asked,““was I wrong?”” ”

“““There’s one more thing ...”” Miao Ying reminded him.““If, if li liya was one of the masterminds behind the attack, she and her father planned it together! ”

“““Then, when the purple-faced criminal shot rich man Li, she would definitely be surprised and would be exposed. ”

“““But ... Try to recall. Was there a problem with li liya at that time?”” ”

“““Um ... About that ...”” Zhao Yu hesitated, then shook his head and said,““she looked desperate and shocked, or maybe something else. But, at that time, I was focused on rich man Li, so I didn’t pay much attention to her ...”” ”

“““Isn’t this settled?”” Miao Ying reminded him,““Zhao Yu, I advise you not to let li liya become hostile to us before you have concrete evidence. ”

“““Dad told me that the aftermath of the multi-millionaire’s building incident will mainly revolve around li liya, so her attitude will determine the direction of the post-event work! ”

“““The higher-ups don’t want us to make this matter too stiff, to avoid any misunderstandings or being used by others ...”” ”

“““Alright then!”” Zhao Yu pointed at the hair in Miao Ying’s hand and said,““you should test this hair first! ””Then ...”” He looked at his watch and said,““it’s almost time, we have to go back to the hotel!”” ”

“““It’s the first official family gathering, so we have to make it Grand! ”

“““I guess the gift I ordered should have arrived by now?”” ”

“““Mm ... Zhao Yu ...”” Miao Ying said worriedly. ““Isn’t it a little inappropriate for us to organize a family gathering at this time? ”

“““Do you think ... The two of them will come? And ... Even if they come, will they start fighting again?”” ”

“““Don’t worry,”” Zhao Yu said confidently. ““I’ve already made it clear that if anyone doesn’t come, or messes up the situation, they’re not giving me face. In the future, I won’t give them face either! ”

“““Don’t worry!”” Zhao Yu gently pinched miss Miao’s face. ““This family gathering will definitely be a success under my silver power ...”” ”

### Chapter 2303: Family gathering (1)

At 6:30 pm.

“Shanghai, the top floor of the Sophie hotel, the rooftop restaurant. ”

“The dome-shaped restaurant was one of the most luxurious restaurants in Shanghai. There was only one table in the entire Hall, and all the employees only served one table every night. The expenses of each night were hundreds of thousands or even millions. It could be said to be extremely luxurious. ”

Most of the people who could dine here were big bosses who did international business in Shanghai.

“In order to obtain high-profit orders, they would come here to treat people to a meal. ”

“However, since there was only one seat, the business was very good. One had to make a reservation a month in advance to get a seat. ”

Miao kun was a prideful person. He had spent a lot of money to get a reservation from an entrepreneur. That was how he managed to change the location of the family gathering to such a luxurious place.

“However, the reservation was at 6:30 pm, so only Zhao Yu and Miao Ying were present, making the place a little deserted. ”

“Zhao Yu only knew that Ding Lan had gone to the airport to pick up Li Jie, but because the flight was late, she would be a little late. ”

“As for his father-in-law and mother-in-law, it was hard to say. ”

“The restaurant was very humane. They had consulted Miao kun and knew that it was a small family gathering, so they had decorated the restaurant in advance and made it look very heartwarming. ”

“In addition, they had also specially changed the dining table to a more suitable one, which made it look more like a family. ”

“The restaurant won with details, which was evident. ”

“At that moment, Miao Ying was sitting at the dining table, looking at the warm and comfortable dining environment, in a daze. She was still wondering if her parents would come. ”

“She had wanted to call the two of them to ask, but Zhao Yu didn’t allow her to. ”

“Zhao Yu said, ””whoever doesn’t show up is not giving face, and I’ll remember him forever!”” ”

“At that moment, Miao Ying stole a glance at Zhao Yu and saw that he was on the phone in a chair far away. He had his legs crossed and looked very relaxed ... ”

”””No way, cui ...”” Zhao Yu laughed at cui Lizhu over the phone.””Without boss, you can’t even solve such a case?”” ”

”””How long has it been? There’s still no progress on the arm case?”” ”

”””Boss, please! ””Can you stop giving us pressure ...”” Cui complained.””We didn’t just sit around. It looked simple, but we couldn’t find the owner of the arm. It’s not that easy to find out.”” ”

”””If you don’t trust us, you can come back. Let us learn from you and see how you solve cases, detective Zhao, okay?”” ”

”””Go to hell,”” Zhao Yu scolded.””How dare you insult your team leader? you must be tired of living!”” Hurry up and tell me, what’s the progress of the investigation?”” ”

”””Okay, okay ...”” Cui Lizhu sorted out her thoughts and said from the beginning,””first of all, we sent no less than ten experienced agents to track down the whereabouts of the safe. ”

”””Now, they’re going from house to house to look for insiders according to the information, but so far, no one remembers the safe! ”

”””Second, we can send another team of investigators to collect information about the watch and see who or who sold the watch thirty years ago! ”

”””Third, we’ve mobilized all the local police stations in the Jia hang region to investigate the owner of the arm. ”

”””According to the genetic map, the owner of the arm should be a member of the sun family in the Jia hang area. There’s a 50% chance that the surname is sun. The rest of the family names are Li, Zhao, and other surnames according to the proportion ... ”

”””That’s the only thing we can do now. That was thirty years ago, boss!”” ””Don’t rush us,”” cui Lizhu begged.”” Just give us some time!”” ”

”””Okay, okay, okay, you misunderstood,”” Zhao Yu explained.””I’m not rushing you, I’m just curious and wanted to ask about the situation. Since there’s no progress, then you guys can continue! ”

”””When I get back,”” Zhao Yu laughed,””if you’ve already solved the case, I’ll treat you to a big meal! ”

”””If I can’t break it, you can just invite me! I only need three feet long lobsters, five or six of them will be enough to fill my stomach!”” ”

““Damn, he said he wouldn’t give us any pressure!”” Cui Lizhu said with disdain, ““but I agree! If we win, we’ll each get a three-foot long lobster!”” ”

““Wahaha ...”” Zhao Yu laughed wildly. ““You’re bold. You’re indeed my crazy detective’s disciple, hahaha ...”” ”

““By the way, boss,”” cui Lizhu suddenly remembered something and asked in a hurry, ““I heard that there was an accident at the multi-millionaire’s building. It was a big one. I heard that it was an attack!”” Do you know about this?”” ”

““I don’t know! I wasn’t even in Shanghai, hehe ...”” Zhao Yu started to lie, ““ you, don’t worry about other things, just hurry up and solve the case!”” ”

““Alright!”” Cui Lizhu said enthusiastically, ““the lobster battle! For the lobsters, we’ll fight!”” ”

“After hanging up the phone, Zhao Yu closed his eyes and pondered for a moment. He was thinking about the 1918 Saint Norway bracelet on the female Assassin’s wrist. Could it be related to the arm case? ”

Should he tell cui Lizhu?

“However, on second thought, this matter would not work at all. The female assassin was an important party involved and was classified as a top secret of the Secret Service. Even if it was related to the arm amputated case, it could not be easily known to the outside world. ”

Al!

“Zhao Yu scratched his head and sighed. He had been busy from morning to night, but he had forgotten about the female assassin. ”

How about ...

“After the banquet was over, he would go to the police station and talk to her? ”

““I already know that it might be related to the Yaksha. Can I use this to find new clues from the female assassin, hai ya?”” ”

“Just as Zhao Yu was thinking, a little boy ran over from the door. As he ran, he shouted at Zhao Yu, ““Dad!”” ”

I ... I ...

“Looking at the little boy running towards him, Zhao Yu couldn’t react in time. Even though he could clearly see that the little boy was his godson, Li Jie, the word ““dad”” from Li Jie’s mouth stunned Zhao Yu! ”

“Although the young man was only six years old, his running speed was surprisingly fast. In the blink of an eye, he was in front of Zhao Yu and had his arms wide open. ”

“Zhao Yu then picked him up and smiled, but it was a little stiff. ”

“Dad!” Li Jie said excitedly in fluent Chinese, “I finally get to see you! I’ve heard of Shanghai for a long time, and I’m finally here today. Shanghai is really big!”

“Oh oh oh ...” Zhao Yu finally came to his senses and hugged Li Jie. “Good boy, I haven’t seen you for a few days and you’ve put on weight again!” Also, your Chinese is improving so quickly. You don’t look like a foreigner at all ...”

“Yup!” Ding Lan walked over and put his luggage on the ground. She smiled and said, “not only that, but he’s also grown!”

“He ran so fast just now!” Zhao Yu looked at the child’s big, bright eyes and felt an indescribable joy in his heart. “You’re almost as good as your dad, Wahaha ...”

“Wahaha ...” Li Jie mimicked Zhao Yu’s laughter and said excitedly, “dad! When can you take me to shoot? I’m very good at shooting ...”

“You ...” Zhao Yu was stunned. “Marksmanship?”

“It’s a toy gun, don’t think too much!” At that moment, Miao kun suddenly appeared with a box of shooting toys in his hand. “Grandson,” he said to Li Jie, “take a look at the gift I bought for you. Do you like it?”

“Waa!” When Li Jie saw the shooting toy, he immediately jumped down from Zhao Yu’s back and hugged the box. He shouted excitedly, “Grandpa is such a good Grandpa! I love you to death!”

“Zhao Yu wiped his sweat and whispered to Ding Lan, “why is this kid so extroverted?” He doesn’t take after his father at all ...”

## Chapter 2304: Family gathering (2)

“Well, looking at this cute little guy,” Ding Lan said, standing next to Zhao Yu, “it reminds me of my childhood!”

“If I didn’t have the care of my godparents, I don’t know how miserable my childhood would have been!”

“Dad, you’re here!” Miao Ying stepped forward and grabbed Miao kun’s arm. ”

“What are you saying? of course I’m here!” Miao kun said, “I booked the entire place. If I don’t come, will you pay the bill?” Besides, I’ve never let my daughter down! Hehehe ...”

“Other than Li Jie, everyone else wiped their sweat. ”

“Miao kun took off his coat and looked around carefully. He then pointed to the dining table and said, “since everyone is here, let’s get to our seats!”

“I ordered the most classic dishes here today. You guys have to try them ...”

“““You’re blind ...”” Miao Ying narrowed her eyes and reminded him,“““dad, what do you mean by everyone is here? you did it on purpose, didn’t you?”” ”

“““Ahem!”” Miao kun quickly explained,“““spiky ball ... Mm ... Your mother knows that Zhao Yu was talking nonsense last night, so she probably won’t come!”” ”

“““I just received news that the higher-ups have given them a death order. They have to investigate the entire incident clearly within 24 hours. She probably doesn’t have time!”” ”

“““ 24 hours?”” Miao Ying was helpless.“““Why the rush?”” ”

“Miao kun looked at Zhao Yu and said,““““Mr. Li’s daughter is putting pressure on us through the Embassy. I don’t know which grandson ... Um ... Which bastard pissed her off!”” ”

“““ ...”” Miao Ying covered her face and glanced at Zhao Yu through her separated fingers. ”

“Zhao Yu acted as if nothing had happened, and turned around to play with the toy gun with Li Jie. ”

“““That’s enough,”” Miao kun said, looking at his watch.“““This restaurant is different from other places. They’re very punctual, and they even count by the second!”” ”

“““Well, according to the reservation, we should be serving the dishes now! Come on, it’s rare for our family to get together. Let’s all sit down!”” ”

“““Hmm ...”” Although Miao Ying was walking towards the dining table, she could not hide the disappointment in her eyes. ”

“Then, Ding Lan and Zhao Yu brought Li Jie along and started looking for a seat. ”

“““Eh?”” Miao kun suddenly thought of something and pointed to the side of the table.“““That’s not right. I’ve specially arranged for a zither player to play, why don’t I see him?”” ”

“““I’ll cancel this program!”” Suddenly, a woman’s sonorous voice came from the door. ”

“Everyone turned around and saw Xu Qin standing at the door, wearing a white windbreaker. ”

“““Mom ...”” Miao Ying greeted her excitedly,“““you’re here!”” ”

“Xu Qin quickly took Miao Ying’s hand and walked to the front of the crowd. But when she saw the toy gun in Li Jie’s hand, she froze. ”

“That was because Xu Qin was also holding a box of gun toys in her hands, which were extremely large and looked very similar to Miao kun ‘s! ”

“ ..... ”

“In an instant, the dining room fell into silence. A light breeze blew past everyone’s hairline ... ”

“People often said that people wore the same clothes, and today, they even had the same gift. ”

“It would have been fine if it had been someone else, but two similar gifts actually came from this divorced couple. This was a little awkward. ”

“Um ... Um ...” Xu Qin put the toy on the table and said to Miao kun, “old man, did you not evaluate the security level?”

“We don’t have the experience to confirm the performers. Why are you booking a performance? You’re trying to show that you’re sentimental, aren’t you?”

“This ...” Miao Ying scratched her head. “Aren’t you being a little too careful?”

“And you, Zhao Yu,” Xu Qin shot at Zhao Yu again, “how could you bring the child here at this time? Wouldn’t that increase our defense?”

“Mm ... You ...” Zhao Yu cupped his fists. “You’re really in the anti-terrorism industry! Mother-in-law, don’t worry. I’ll bring the child here and protect him well!”

“What’s wrong?” Xu Qin glared at him. “From what you’re saying, do you still want the child to stay in Shanghai?” How can we do that?”

“When the case is over, I’m going to take the child out for a walk,” Zhao Yu said. “I’m going to bring him to see the world!”

“The case is closed?” Xu Qin shook her head. “That’s easy for you to say!”

“Come ...” Ding Lan brought Li Jie to the front and pointed at Xu Qin. “Call her grandma!”

“Ah?” Li Jie was taken aback. “Is it appropriate for such a young Auntie to call her grandmother?”

“As soon as Li Jie spoke, the entire place burst into laughter. Even Xu Qin’s serious face broke into a smile.”

“This child ...” Xu Qin laughed and sighed. “He’s so fluent in Chinese! “Come ... Come ...” She quickly handed the toy to Li Jie and said, “there’s no problem calling me grandma. I’m a young grandma. Come, this is a gift from a young grandma to you ...”

“Waa! That’s great, what a great harvest!” Li Jie happily picked up the toy box and said to Xu Qin, “thank you, young grandma!”

“This child really knows how to talk!” Xu Qin was dumbfounded. “Why doesn’t he take after his father at all?” she mumbled.

“Today is really a good day!” “It’s great that we’re all here!” Ding Lan said.

“Yup!” The happiest person was none other than Miao Ying. She held her father in one hand and her mother in the other, and happily walked to the dining table, letting the two of them sit next to her.

“Looking at Miao Ying’s happy face, not to mention Zhao Yu, even Miao kun and Xu Qin were happy.”

“Because of this, Xu Qin kept her mouth shut even though she wanted to find fault with him.”

“Soon, the restaurant waiter came forward to ask for instructions. Miao kun nodded and asked the waiter to serve the dishes.”

“This was a high-end restaurant, so the dishes were naturally extraordinary. They were all delicious dishes carefully prepared by star-class chefs. The dishes were rich, dazzling, and elegant ...”

““““Oh right, look at my brain ... I almost forgot ...”“ ”

“Before the meal, Zhao Yu snapped his fingers at the waiter in the distance. The waiter came to Miao kun and Xu Qin with two bouquets of flowers. ”

““““Mother-in-law, father-in-law ...”“ Zhao Yu said.”“This is a small gift from me to the two of you. I hope you will accept it!”“ ”

““““Father-in-law is very familiar with this place and doesn’t bother with formalities! ““But ...”“ Zhao Yu passed the flowers to Xu Qin.”“This is the first time I’m meeting you, mother-in-law. I hope you like it!”“ ”

Xu Qin looked at the two bouquets of flowers and realized that they were made of roses and lilies.

““““What’s the meaning of this?”“ Xu Qin did not accept the flowers, but looked at Zhao Yu and said,”“roses and lilies. Why do I feel like you want me to get back together with the old ghost?”“ ”

““““Don’t joke around, hehehe ...”“ Zhao Yu quickly clarified,”“roses represent joy, lilies represent harmony. I just hope that our family can have a happy and harmonious time!”“ ”

““““Hehehe ... Yes ... Yes ...”“ Miao kun agreed awkwardly. He then took the bouquet of flowers into his arms. ”

““““Oh ... Then ... Son-in-law is very thoughtful!”“ Xu Qin also took the flowers and said,”“actually, Zhao Yu, you were able to solve the crisis of the multi-millionaire’s building this time. That’s the best gift you can give me! ”

““““Otherwise, once we hand over Xi menna, we’ll be in a passive position ...”“ ”

““““Yes, yes ... It’s just ...”“ Miao kun continued to agree. ”

““““A piece of cake!”“ ““That’s just normal!”“Zhao Yu said. ”

““““Actually ...”“ Xu Qin suddenly sighed and said sadly,”“the last time, I didn’t attend your engagement ceremony not because of my personal reasons! ”

““““It’s just that this old ghost Miao didn’t inform me ... So, I must return this gift today ...”“ ”

“As she spoke, Xu Qin reached into her pocket and pulled out two items ... ”

## Chapter 2305: Family gathering (Part 2)

““““This is a gift I’ve prepared for you since a long time ago.”“ Xu Qin took out an exquisite gift box and glared at Miao kun.”“It’s all that old fart’s fault. He didn’t inform me!”“ ”

““““Now, I finally have the chance to give it to you!”“ ”

““““Nonsense ...”“ Miao kun explained.”“I wanted to inform you, but I had to be able to find you first! Who knows what kind of mission you’ve gone to complete?”“ ”

“Xu Qin ignored Miao kun’s explanation and opened the gift box. There were two watches in the gift box, and they looked expensive. ”

“““I don’t know much about this. I just thought it was pretty, so I bought it!”” Xu Qin took out her watch and said,““take a look and see if it’s suitable.”” ”

“Zhao Yu was more sensitive to watches, so when he saw it, he was stunned for a moment. He thought that his mother-in-law Norway bought him a 1981 from St. ”

“When he took a closer look, he realized that it wasn’t. The words ““Fiyta”” were written on the sign. It was a domestic famous watch, feiyada. ”

“The two watches were a couple’s watch, both of which were inlaid with diamonds. At first glance Norway they looked similar to the sandaway. ”

“Although Zhao Yu didn’t know much about the watch, he could tell that the two watches were expensive. ”

“““Thank you, Mom!”” Miao Ying put the watch on her wrist happily. ”

“““Mother-in-law, you’re so generous.”” Zhao Yu cupped his fists.”“Thanks!”” ”

“Then, Zhao Yu put the watch on his wrist. ”

“““And ...”” Then, as if performing a magic trick, Xu Qin pulled out another exquisite red box from her pocket and handed it to Ding Lan.”“If I have a gift, I can’t miss out on my goddaughter!”” ”

“Ding Lan took the box excitedly. After opening it, her eyes lit up.”“Wow, godmother, you’re too generous! How can I accept this?”” ”

“““You and Miaomiao are both my daughters. There’s no such thing as blood relations,”” Xu Qin said.”“Besides, you’ve really made me proud in secret services! What’s a small gift like this?”” ”

“““Thank you, Mom!”” Ding Lan was so touched that she hugged Xu Qin, her face full of warmth and joy. ”

Zhao Yu took a closer look and realized that Xu Qin had given Ding Lan a crystal clear Ruby! He was really generous.

“““Sister,”” Miao Ying laughed,”“although you call me sister, you entered the industry earlier than me. In the future, I’ll still need you to protect me! I’ll have to learn from you in the future!”” ”

“““Please don’t say that! We’re all sisters, so it’s necessary for us to take care of each other!”” Ding Lan laughed.”“But ... With brother-in-law protecting you, you’ll be able to fight against thousands of soldiers!”” Hahaha ...”” ”

“““Sister LAN, I have to say something ...”” Zhao Yu said humbly.”“How can you tell me the truth? I’m so embarrassed in front of my father-in-law and mother-in-law!”” ”

“““What the ...”” Even though Miao kun was used to Zhao Yu’s shamelessness, he still choked and coughed. ”

I'll ...

Everyone at the scene fell to the ground ...

"However, Miao kun seemed to be used to it. Without even looking at the bills, he stuffed them into his pocket. "

""This gift ..."" Zhao Yu sighed, ""is really special!"" "

""I can't help it,"" Xu Qin said. ""I'm just a commander of the anti-fear unit. My salary is limited! Since you have a rich ex-husband, why don't you use him?"" "

""It's fine, it's fine ..."" Miao kun smiled faintly. ""I'm happy that I didn't spend my money on outsiders!"" It doesn't matter how much you have, hahaha ..."" "

""Father-in-law, you're the best!"" Zhao Yu praised. ""I must give you a toast later!"" Wahahaha ..."" "

""Zhao Yu ..."" At this time, Xu Qin said with a serious face, ""I know that you were lying when you said that you had a key clue! "

""You're only doing this to fulfill Miao Miao's wish, for our family! Although I've broken up with old ghost, we're still a family because of our two daughters! "

""Actually ..."" She turned to Miao Ying and said, ""don't we want to have a happy Meal together as a family? "

""This is not just Miao Miao's wish, it is mine as well! Zhao Yu's words touched me, and I'm moved!"" Xu Qin took Miao Ying's hand and said, ""it's not easy for our family! "

""Now, we're both family and colleagues. "

""So, no matter how busy I am today, no matter how urgent the mission is, I have to come! "

""I also hope that it will be like what Miao Miao said, that we will always be a family!!"" "

""Wow, well said! I'm so touched!"" Zhao Yu clapped first, then took the lead to raise his glass. He stood up and said, ""come on, let's have a toast to our family!"" "

Chapter 2306: Chapter 2301-time forgets love

"Unexpectedly, the family gathering went even smoother than Zhao Yu had expected! "

"In the Sophie dome restaurant, the laughter of Miao Ying's family could be heard, and the atmosphere was very pleasant and harmonious. "

"Zhao Yu also did not expect that his mother-in-law, whose codename was cactus, would be so sarcastic when she spoke to him. But now, it was as if she was a different person, and even her smile was so bright! "

“At the dinner table, she asked Zhao Yu about the details of the engagement, and emphasized on the anecdote of Zhao Yu’s battle with the king of fighting, sangnov. ”

“Zhao Yu then understood that his mother-in-law, like his father-in-law, had a strong interest in fighting, so she had asked him in detail. ”

“It seemed that the reason she regretted not attending Zhao Yu and Miao Ying’s engagement was not because of the engagement itself, but because she had missed the “exciting” competition. ”

“Especially when his mother-in-law heard that Zhao Yu had punched sangnov before the game even started, and that the game had ended, she laughed so hard that she almost threw up the food in her mouth. ”

“However, after she had settled down, she praised Zhao Yu, saying that he was flexible, knew how to judge the situation, and was thick-skinned, which was the quality that an excellent agent should have. ”

“This was the first time someone had used the word “thick-skinned” as a compliment! But why did it sound like an insult when it was clearly a compliment? ”

Zhao Yu’s words made everyone burst into laughter.

“After all, Li Jie was still a child. No matter what delicacies he ate, he was already full after eating a little. Hence, Xu Qin arranged for the agent to accompany the child to play with the toys further away from the restaurant. ”

“After Li Jie left, the family at the dining table no longer felt estranged and began to discuss their work. ”

“The whole family was a Special Agent of the Secret Service, so there was no longer a ban between them, so the conversation was quite agreeable. ”

“Although Xu Qin already knew about Zhao Yu’s background, she still asked about the missions that Zhao Yu had completed in the past. ”

“From the earliest incident on the Island of Miracles to the house of sin, to Seoul, Korea, the Heavenly King cruise ship, and the attack on the rich people’s building ... ”

“Zhao Yu spoke with fervor and assurance, and from time to time, he would show off his shameless abilities. Everyone was fascinated by him, and they could not help but laugh. ”

“At some critical moments, his father-in-law, Miao kun, even came out to make jokes and joke, which made the atmosphere even more intense. ”

““Zhao Yu,” Xu Qin said, “although we have never met before, I know that you are my future son-in-law, so I have to pay more attention to you! ”

““To be honest, your performance since you joined the Secret Service can’t be described as ‘outstanding’ anymore. If it were anyone else, not to mention completing the mission, even surviving would be a problem!” Xu Qin praised, “no wonder that old ghost Miao treats you like a treasure and values you so much! ”

“““In my opinion, be it the house of sins or Seoul, Korea, if not for Zhao Yu ...”“ Xu Qin turned to look at Miao kun.”“I’m afraid that old ghost Miao would have become the real old ghost Miao long ago?”“ ”

“““Hmm...These words...Sigh! I’ll just take it that you’re concerned about me!”“ Miao kun took a sip of his wine and said in a self-deprecating manner,”“the new generation of the Yangtze River replaces the old. There are talents in every generation!”“ ”

“““However, seeing that my future son-in-law has the same charm as I did in the past,”“ Miao kun praised,”“I’m deeply gratified and satisfied! Hehe ...”“ ”

Miao kun’s words made the crowd burst into laughter again.

“““Don’t joke around, I’m usually just joking!”“ Zhao Yu picked up his glass and took a sip with his father-in-law, then said,”“but to be honest, father-in-law has always been my role model! ”

“““I have a lot of things that I learned from you. If you didn’t bring me in, there wouldn’t be such an excellent detective today! Come ... Let us brothers, oh no, let’s have a toast!”“ ”

“As they spoke, the two of them clinked their glasses and downed their drinks. ”

“That day, they were still drinking red wine, but Zhao Yu didn’t know what brand it was. He only knew that the wine prepared by his father-in-law must be good. ”

“““But,”“ Xu Qin reminded him,”“Zhao Yu, although the crazy detective is famous, as your mother-in-law, I have to remind you that you have to be careful in the future!”“ ”

“Zhao Yu understood that his mother-in-law was doing this for his own good, so he quickly cupped his fists and said,”““You’re right, I’ll pay more attention in the future!”“ ”

“““If the attack on the building this time was really that Yaksha,”“ Xu Qin said,”“then we have to strengthen our security. These people are best at assassinations! ”

“““You killed so many of their men, you will definitely be listed as a target for revenge. That’s why I suggest you send Li Jie back ...”“ ”

“““One more person to protect means one more experience!”“ Xu Qin continued,”“also, I suggest that you apply to the higher-ups as soon as possible for your family to be protected in secret, just in case!”“ ”

“““It can’t be?”“ Zhao Yu frowned.”“This year, this is the umpteenth time they’ve protected my family. Even if I don’t feel annoyed, they will!”“ ”

“““It doesn’t matter,”“ Miao kun said.”“I’ve already made arrangements. For now, we’ll only carry out secret protection. Once the situation goes wrong, we’ll strengthen the protection!”“ ”

“““Oh, that’s good, that’s good ...”“ Zhao Yu wiped his sweat, then said,”“don’t worry! Let me handle this Yaksha! ”

“““I know that the higher-ups have given you 24 hours,”“ Zhao Yu said confidently.”“Don’t worry, I will definitely get to the bottom of this!”“ ”

“Just like that, the family exchanged opinions on the time of the event in the multi-millionaire’s building. Seeing that it was about time, the happy family gathering was about to end. ”

Ding Lan led a team of secret agents to ensure Li Jie's safety and brought him back to the hotel to rest.

"The mother-in-law had something to say to her daughter, so she took Miao Ying away."

"Soon, only Miao kun and Zhao Yu were left in the large round dining room."

"At that moment, Miao kun's cheeks were red and he was tipsy. After everyone else had left, he put his hand on Zhao Yu's shoulder and told him the truth,"

""Zhao Yu, I really have to thank you! Today's gathering is also to fulfill a wish of mine that I've had for many years!"" "

""Oh, really? You're welcome!"" Zhao Yu filled their glasses and said, ""we're family. Let's not talk about different things!"" "

""Ai!"" Miao kun said, ""when I divorced Xu Qin, I owed Miao Miao the most ..."" "

""I've mentioned it many times in the past, to have a family meal together, but ... That spiky ball ... Just doesn't buy it. It's just that unique ..."" "

""Um ..."" Zhao Yu tried to ask, ""father-in-law, how did you get together with your mother-in-law?"" Since you know that she's a spiky ball ... Hmm ... Cactus, you still ..."" "

""Ai!"" Miao kun took a sip of wine bitterly and said, ""she's too beautiful. She's so beautiful that you can ignore her personality. I wonder ... Have you ever felt that way?"" "

""..."" Zhao Yu looked up and gave her a thumbs up. "

""I tried to get used to it,"" Miao kun said. ""But it always backfired, and we ended up quarreling. "

""Of course, personality is one thing, work is the main reason! Our special jobs are destined to make us unable to have a stable family! "

""I even rarely let Miao Ying and Ding Lan meet each other. I let them grow up in two different places, afraid that something dangerous might happen and threaten them both at the same time ... "

""We don't gather much, but we're separated more. So, gradually, our feelings faded. I'm afraid this is the legendary 'forgetting your feelings over time'?"

""So, now you should know why I was so insistent on not letting Miao Ying join the Secret Service, right?"" "

""Holy sh \* t ..."" Zhao Yu was stunned. ""You're against your daughter, but I'm so full of energy!"" It's too hurtful!"" "

""Go to hell!"" Miao kun retorted, ""that's because I trust you and believe that you're really capable! "

""To be honest, what I'm worried about the most right now is that you and Miao Ying will repeat our mistakes. Because of this special job, you won't be able to maintain a normal family life ... "

""It's not just me, Xu Qin must be worried too! Miao kun hesitated for a moment, then said, ""that's also one of the reasons why we didn't rush you to get married ..."" "

“Mm ... Mm ...”

“Zhao Yu thought about his father-in-law’s words seriously. He felt that his father-in-law’s worry was very reasonable, so he couldn’t refute it.”

“In fact, after completing the previous missions, Zhao Yu had already felt that his relationship with Miao Ying had become unstable because of work.”

“However, he was young after all and did not think deeply about it.”

“If he and Miao Ying were still members of the Special Investigation Group in the criminal Division, it would not be difficult for them to live in harmony with their family and work.”

“However ... The work of the Secret Service was completely different. Not only was it dangerous, but it was also inevitable that they would be separated more than together.”

“Then ...” Zhao Yu asked Miao kun, “what do you think?”

“I’ve thought about it and there’s only one way! There’s no such thing as the best of both worlds,” Miao kun said firmly. “If you really want to be together and protect your family, then you have to quit!”

Chapter 2307: Are there any problems?

“Brother-in-law ... Li Jie is already asleep!” In the hotel room, Ding Lan told Zhao Yu, “this is a big bed. If you don’t feel comfortable, why don’t we change rooms? I’ll stay here to accompany him!”

“No need, no need!” Zhao Yu said, “I insisted on bringing my child here because I wanted to be closer to him. Otherwise, how could I be a good Godfather?”

“I heard ...” Ding Lan laughed. “You’ve only had one dog before, but you’ve never had anyone! If you’re not used to it, feel free to come find me ...”

“You make it sound like you’ve raised a child before!” Zhao Yu frowned. Don’t worry, he’s already six years old and doesn’t need me to feed him. Go, go ...”

“Oh ... Alright then!” Ding Lan suddenly said with a serious face, “brother-in-law, I have something to tell you. Today’s family gathering was really great! It made me feel ... Especially happy!”

“Although my surname is not Miao, but ... I ... Um ...” Ding Lan was so emotional that she choked on her sobs. She held the gemstone that Xu Qin had given her, and tears of happiness welled up in her eyes. “It’s so good to have you guys, Qianqian!”

“Zhao Yu did not expect Ding Lan to be so excited, and immediately gave her a gentle hug.”

“Thank you for organizing this gathering. This is the first time I’ve seen my godparents getting along so well!” Ding Lan said.

““Sister LAN,”” Zhao Yu said, pressing on Ding Lan’s shoulder, ““we’ll always be a family! Your business is my business. Remember, if you encounter any difficulties, remember to have your brother-in-law!”” ”

““Mm ...”” Ding Lan also hugged Zhao Yu gently and said, ““I’ll remember! Brother-in-law, you’re a good person, a trustworthy relative!”” ”

““Oh ... Um ...”” Zhao Yu was skeptical. He touched his forehead and asked, ““am I a good person?”” It’s so unfamiliar ...”” ”

“Zhao Yu’s sister-in-law chatted with Zhao Yu for a while more, then told Zhao Yu to rest early and left the room. ”

“After the door was closed, Zhao Yu felt a ripple in his heart. Not so long ago, it seemed like someone had said that he was a good person! ”

“However, even though he had become a crazy detective, he was still a little disappointed. He didn’t know if the word ““good person”” suited him. ”

The light in the room was soft and quiet.

“Zhao Yu turned around, took off his tie, and unbuttoned his shirt. He looked at the child who was sleeping soundly on the big bed, and felt a second sense of loss. ”

“He really didn’t expect that he would actually become a Godfather. Moreover, his godson was the biological son of the king of special agents, and even ... A foreigner with mixed blood ... ”

“Today, through Xu Qin’s various emotions, Zhao Yu had already felt that the relationship between Miao kun and his wife and Li Bencheng was still very close. ”

“Even though they served different Masters, their friendship was sincere. Hence, not only did Xu Qin not object to Li Jie’s adoption, but she was also very supportive of it. ”

“Looking at Li Jie’s sleeping face, Zhao Yu could not help but wonder if this kid would become an outstanding secret agent like his father in the future. ”

“To a six-year-old child, Li Jie was much more mature than ordinary people. He knew how to be polite, spoke appropriately, and never lost his temper or acted coquettishly ... ”

It was as if he was born with the ability to please others and make them like him.

“Such a child had both advantages and disadvantages. If he was trained well in the future, he would definitely be a pillar of support. However, if he had evil thoughts, it would be out of control. ”

Hmm ...

“Although Zhao Yu had never raised a child before, he was very good at judging people. ”

“Therefore, he decided to spend more time with Li Jie in the future and guide him on the right path. ”

“After this mission was over, he would accompany him to Tour Shanghai and let the child gain some knowledge ... ”

“After thinking about Li Jie, Zhao Yu started to take a shower to wash away the day’s fatigue. ”

“Due to the use of the invisible bone setting device, the injury on his knee was not too serious. During the day, he was either in a wheelchair or walking cane, and he was basically showing them to others.”

“Otherwise, after doing such a world-shaking thing, if he didn’t get hurt, it would be really eye-catching.”

“However, it didn’t make sense for him to be completely fine. The bone setting device had only guaranteed the recovery of his bones, but other injuries had already existed. So, although Zhao Yu could walk, it was still a little difficult.”

“In addition, when he was fighting with the criminals, he also had a lot of knife wounds on his body. Although the hemostatic agent could help stop the bleeding, the stitches should not come into contact with water.”

“So, Zhao Yu only wiped his body briefly and didn’t dare to wash himself too hard.”

“After taking a shower, Zhao Yu didn’t go to bed to rest, but went to the desk next to him. He turned on the information on the computer and prepared to continue investigating the case.”

“There was no other way. Since the higher-ups had asked for a 24-hour investigation of the multi-millionaire’s building incident, Zhao Yu naturally had to help.”

“Although they now knew that the robbers might be the legendary assassination organization Yaksha, they still didn’t know the purpose of their attack and the truth behind the murder of rich man Li.”

“Zhao Yu wasn’t worried about the 24-hour time limit, but he felt that, with such a large-scale attack, there must be some fish that escaped the net.”

“These fish that had escaped the net were either fleeing or getting restless, waiting for an opportunity to take revenge.”

“Therefore, he had to find out the truth as soon as possible and find these people to prevent a bigger incident from happening in the future.”

“While waiting for the computer to turn on, Zhao Yu put his hand on his forehead, thinking about what his father-in-law had told him today.”

“From a father’s point of view, Miao kun’s words were very reasonable.”

“If he married Miao Ying in the future, he would have to live the same life as Miao kun and Xu Qin. His work and family would be affected.”

“If he and Miao Ying were to quit now and only become detectives in the Special Investigation Group, it would undoubtedly reduce the pressure on them, and they could live a happy life in the future.”

“But ... If they continued to stay in the Secret Service, then in the future ... It was very likely that they would follow in the footsteps of Miao kun and his wife, and eventually separate, and even forget love over time ... ”

So ... How should he choose?

“His career was also focused on solving cases, so ... It wouldn't have a big impact if he didn't become a special Agent, right? ”

“However, Zhao Yu never lied to himself. He knew that there was a strange kind of blood flowing in his bones that made him like challenges, like to climb to the top, and overcome difficulties. ”

“To be honest, after completing so many Secret Service missions, although there were many near-death experiences, Zhao Yu was already addicted to them. ”

He felt as if he had just joined the Special Investigation Group to solve the five major pending cases.

“Therefore, he knew that he and his father-in-law were on the same side. It would not be easy for him to give up his career ... ”

“At this time, the computer was already turned on, and Zhao Yu snapped out of his deep thoughts. ”

AI!

“As for whether to withdraw or not, it was better to consider it when there was nothing else to do. It was more important to focus on the current case! ”

“So, Zhao Yu gathered his thoughts and began to study the information seriously. ”

“This time, the information that Zhao Yu was studying revolved around one person, and that person was the daughter of rich man Li, Gong Jie, li liya! ”

“Although Zhao Yu didn't find anything suspicious during the day's interrogation, he still felt that the woman wasn't as simple as she seemed to be. ”

“She looked very normal, but it was so normal that it made Zhao Yu suspicious. ”

He felt that there were only two reasons for this woman's normal behavior. One was that there was nothing wrong with her and she knew nothing about her father!

The other possibility was that this woman was a genius at disguising herself. She had prepared her performance in advance!

Then ... Was there a problem with this woman?

Chapter 2308: Chapter 2304-I want to be on the hot search

“Before this, Zhao Yu had already sent Ding Lan to help him find out more detailed information about li liya. ”

“It was reasonable to say that such a time-consuming and energy-consuming investigation would be done by professional staff in the Secret Service, so there was no need for Zhao Yu to check it out himself. ”

“However, Zhao Yu had already developed a habit. No matter what case it was, he had to personally look over it to make sure he had a plan in mind. ”

“To Zhao Yu’s surprise, li liya’s information was not complicated. Her resume seemed very simple, just like a model rich girl! ”

“He had a high degree, many hobbies, a rich life, money, beauty, carefreeness, willfulness, and so on ... And so on ... ”

“Just from this information, there was no problem at all. ”

“In addition to looking at the information, Zhao Yu also took out pictures and videos of li liya’s life, as well as her previous media activities, and carefully looked them up. ”

“He investigated all the way until midnight, and after he had checked all the information, he still did not find anything suspicious. ”

“From the looks of it, this young and beautiful daughter of a rich family was just a happy lady from a big family. She had nothing to do with those Dark Crimes. ”

Could it be ...

Zhao Yu frowned and started to wonder if he had really suspected the wrong person.

Did the robbers let li liya go because she didn’t know and wasn’t a threat?

Or ...

Tsk tsk ...

“After sorting out li liya’s information, Zhao Yu took the list of suspected guests and looked through it briefly. ”

“Zhao Yu had previously speculated that the robbers ‘real purpose might be to take the opportunity to get rid of some people, or someone. ”

“If this inference was true, then this person must have had some grudges and conflicts with rich man Li, but ... After investigating for so long, secret services had not found any particularly suspicious targets. ”

“Rich man Li was known in the circle for his forthright personality. He rarely had any conflicts with others, and because he had done many charity activities, he had a good relationship with the media. ”

It was because of this that tycoon li attached great importance to the matter and repeatedly asked the police to give an explanation as soon as possible.

“Now, after li liya had been annoyed by Zhao Yu, she was constantly putting pressure on him. If he did not find out the truth, it would be difficult to deal with her in the future. ”

Hmm ...

“After looking through the information of these people, Zhao Yu made an analysis record in his notebook, then carefully wrote down the things he had to do the next day, such as going to the police station to interrogate the female assassin hai ya. ”

“He had to re-check the recording of the incident in the lobby of the multi-millionaire’s building to see if any suspicious people had any special reactions, or to find any fish that had escaped the net, etc ... ”

“Besides, Zhao Yu also wrote down a person’s name at the end of the notebook, Xi menna! ”

“He thought that if there was still no progress by tomorrow night, he would have to meet this woman and see what she would say. ”

“After he had memorized everything, he packed up the documents, turned off the light, and went to sleep. ”

Oh ...

“It was already midnight, and Zhao Yu suddenly remembered his fatigue. He yawned, then got into bed. ”

“He knew that he had been too excited today. If he continued like this, he wouldn’t be able to sleep. ”

“Therefore, after lying down, he used an invisible sleeping pill on himself, wanting to fall asleep quickly. ”

“However, just as he finished taking his medicine, Li Jie, who was beside him, suddenly started dancing and shouting excitedly, ”””””Aqigacheba WA, crying in the depression, thinking of the ancient ...”” ”

Oh ...

“Zhao Yu was shocked, and quickly sat up to turn on the lights. ”

“However, when she turned on the table lamp, she realized that Li Jie had already fallen into a deep sleep, as if nothing had happened. ”

Whoosh ...

Zhao Yu broke out in a cold sweat. He then realized that the child was talking in her sleep!

F \*\* K ...

I didn’t expect this child to sleep-talk in a foreign language!

“It seemed that his mother tongue was his mother tongue, and it would never change. ”

“Soon, the sleeping pills took effect, and Zhao Yu finally stopped thinking and fell asleep. ”

“The night passed uneventfully. When Zhao Yu and Li Jie woke up the next day, they washed up, got dressed, and went to the dining room for breakfast with their crutches. ”

“After that, he left the child in Ding Lan’s care while he returned to the Shanghai police station under the escort of the Secret Service agents. ”

“According to his original plan, he would interrogate the female assassin, hai ya, as soon as he arrived at the police station. ”

“Unexpectedly, as soon as he arrived at the Secret Service Office, he saw a familiar face. It was the female celebrity, Li Qian! ”

“““Eh? Why are you here?”” Zhao Yu saw that Li Qian was sitting across from a police detective, chewing gum. ”

“““Officer Zhao, you’re finally here.”” Li Qian looked at Zhao Yu as if she had seen her Savior.””I’ve been being interrogated by you for a few hours. Are you done?”” I didn’t eat this morning. Do you serve breakfast?”” ”

“““Wait ...”” Zhao Yu put his crutch aside and asked,””aren’t you in the hospital? Why are you here?”” ”

“““Hey? ““That’s me,”” Li Qian said.””You brought me here early in the morning and told me that you wanted to take a statement and leave my identity information. I’ve been waiting for a long time. Why hasn’t there been any news?”” ”

“““Please ... Um ...”” The Secret Service agent next to him explained,””please wait a little longer!”” We need you to help us identify the suspects through videos and pictures! ”

“““As you know, many of the criminals disguised themselves as security guards. You’ve interacted with them before, so we hope you can help us identify these people ...”” ”

“““I know, I know ...”” Li Qian said impatiently.””Didn’t I just explain it to you? I was knocked unconscious by them. I didn’t see anything. ”

“““I only know that the person who knocked me out was called Captain by everyone else ... I really don’t know anything else ...”” ”

Eh?

“Hearing Li Qian’s words, Zhao Yu suddenly had an idea. He quickly pulled Li Qian to the side and whispered,””““Li Qian, come here, I want to talk to you!”” ”

“““Waa!”” Li Qian was shocked to see Zhao Yu jumping around without a cane.””Are ... Are your legs okay?”” You’re just playing around when you have a cigarette?”” ”

“““Come ...”” Zhao Yu didn’t care about anything else and pulled Li Qian to a further corner.””I just happened to see you. I have a few questions, and I hope you can help me answer them ...”” He said. ”

“““Wait!”” Li Qian was smarter and immediately sniffed out something. She quickly interrupted Zhao Yu and asked,””officer Zhao, if my answer can help you, then...Will I get any benefits?”” ”

“““...”” Zhao Yu gritted his teeth.””What do you want in return?”” ”

“““Just like last time on Yongjin Island,”” Li Qian’s eyes were shining with excitement.””When this matter is solved, I want to tell the media about what I experienced in the multi-millionaire’s building, okay?”” ”

“““You ...”” Zhao Yu was speechless. ”

“““Please,”” Li Qian begged.””People say that there will be good fortune after surviving a great disaster. Yongjin Island has made me successful. I hope that this rich building incident can make me famous again!”” ”

“““You see, at that time ...”” Li Qian said excitedly, ““I knew that the building was in danger, but I still rushed into the hall to save the innocent people without caring about my own safety!”” ”

“““I only care about my own escape. I won’t be caught by the robbers a third time, right?” ”

“““Although I didn’t succeed, this can definitely prove my character. I’ll definitely be on the hot search!  
““In that case ...”” Li Qian said awkwardly, ““my popularity in the future might even surpass that of the big star LAN caiyan!”” ”

Chapter 2309: Chapter 2305-love the house and its Crow?

“““It can’t be!”” Zhao Yu was surprised. ““You’re still thinking of getting on the hot search at this time?”” ”

“““I know,”” Li Qian nodded and said, ““you may think that I’m too worldly, but that’s my value!””  
Officer Zhao, Yongjin Island and the multi-millionaire’s building are all ... All exchanged with my life! ”

“““Please ... Please don’t look down on me ...”” He begged. ”

Li Qian’s eyes were filled with tears.

“““I almost died ...”” Li Qian wiped her tears and said, ““shouldn’t I ask for some compensation?”” ”

“““Besides, these are the facts of what I’ve experienced. I just need the media to help me promote it.  
That’s not too much, right?”” ”

“Zhao Yu thought about it carefully, then nodded and said, ““okay!”” I can make the decision, but ... You have to wait until everything is investigated before you can disclose this to the media. Otherwise, not only will you be banned, but you may also attract new disasters!”” ”

“““Ah?”” Li Qian was scared. ““Is it that serious?”” ”

“““Of course!”” Zhao Yu said exaggeratedly, ““to be able to cause such a big commotion, the robbers are definitely not ordinary robbers! According to our reliable information, they still have some assassins lurking around us, waiting for an opportunity to strike!”” ”

“““Ah? So it’s like this!”” Li Qian looked around worriedly. ““Then you ... You have to protect me!”” I’m considered an important witness, right?”” ”

“““Don’t worry!”” Zhao Yu replied, ““I’ve already sent professional bodyguards to protect you in secret!”” ”

“““Oh ... That’s more like it ... Mm ...”” Then, Li Qian seemed to have remembered something and quickly reminded Zhao Yu, ““not only me, Miss Li, but also li liya, you have to protect her well!”” ”

“““Her father was killed by the robbers, so the robbers might have found her to silence her!”” ”

“““You don’t have to worry about that, eh? Zhao Yu’s eyes suddenly lit up and he said, ““I was just about to tell you about li liya!”” ”

“““I see that you two have a good relationship. When did you two meet?”” ”

“““We didn’t take long, but ... Um ...”” Li Qian was not an easy person to deal with. After hearing what Zhao Yu said, she immediately realized that something was wrong and asked in a hurry,“““no way?”” Officer Zhao, are you suspecting her?”” ”

“““You ...”” Zhao Yu was speechless. He didn’t expect Li Qian to have such a high emotional intelligence. He quickly explained,“““I’m not suspecting, I’m just asking!”” ”

“““Oh ... Is that so?”” Li Qian obviously didn’t believe him. ”

“““Hey!”” Zhao Yu’s face grew serious.“““Do you still want to be on the hot search? I’m asking you a question!”” ”

“““Oh ... Oh ...”” As soon as it was mentioned on the hot search, Li Qian suddenly became energetic and quickly said,“““about half a year after the Yongjin Island incident. At that time, I was already a little famous and had the opportunity to participate in a big production film, ‘deep in the forest’...”” ”

“““Even though the box office results aren’t good, you should have heard of it, right? It’s about the Expeditionary Force. At that time, I was the fourth female lead in the movie, and Li liya was a small character in the movie!”

“““That’s how we got to know each other ...”” ”

“““Li liya ... Is also acting?”” Zhao Yu quickly asked,“““she was an actress? Why isn’t it in my information?”” ”

“““Cough! Her father was rich man Li, and he invested in that movie! Don’t even mention a small role, even if she were to play the female lead, no one would dare to say anything!”” Li Qian replied,“““she had a few friends in the crew at that time. The producer wanted to please Mr. Li, so he let her play a small role ...”” ”

“Li Qian turned on her mobile phone and said to Zhao Yu,““““I know what you’re thinking!” ”

“““Li liya is boss Li’s daughter, so I naturally can’t miss this opportunity. You’re right, I was the one who approached her on my own initiative and studied her preferences. I catered to her preferences, so we got closer ...”” ”

Zhao Yu was speechless again. He didn’t expect Li Qian to be so scheming.

“““Please don’t tell her that. I know I can’t hide it from you, so I’m telling you the truth.”” Li Qian opened a movie on her mobile phone, then began to manually adjust the progress. She continued,“““I’m just a small actress with no background or backing. If I want to survive in this dog-eat-dog industry and not fall into the unspoken rules, I have to be more shameless!”” ”

“““I used my face to exchange for my self-esteem. What’s so funny about that?”” ”

“““I ... I’m not laughing at you!”” To be honest, Zhao Yu had hated Li Qian’s selfishness at first, but after listening to her explanation, he had a faint sympathy for her. ”

The most interesting thing was that Zhao Yu even began to imagine what would happen if he used his powerful device in the film industry.

“If he wasn’t a detective or a Special Agent, but in the entertainment industry, what would he be like?”

“““Here, this is it ...”“ At this time, Li Qian had already moved the movie to the part she wanted, then showed it to Zhao Yu and introduced,““the one who plays the battlefield nurse is li liya!”“ Look ... Isn’t she pretty?”“ ”

“Zhao Yu took a look at the phone and saw that li liya was dressed as a battlefield nurse, bandaging a wounded person’s wound. ”

“Zhao Yu glanced at the phone, then returned it to Li Qian and asked,“““Then ... How close are you and Li liya?” ”

“““She invited you to her house. Have you ever been there?”“ ”

“““No... Don’t look at us. We talk so closely, but in fact, I was the one who urged you to! ““My relationship with her is not as good as you think ...”“ Li Qian said helplessly.““Maybe she knows that I approached her with a purpose!”“ ”

“““Normally, even though it’s okay on the surface, I feel that she’s still deliberately keeping a distance from me!” ”

“““But ...”“ Li Qian hesitated, then said,““I feel that she was very warm to me after we met at the billionaire’s building!”“ ”

“““I don’t think it was like this in the past ...”“ ”

“““Oh?”“ ““What do you think?”“ Zhao Yu asked.““Do you think her attitude was different when she met you in the multi-millionaire’s building?”“ ”

“““Right, they’re especially enthusiastic this time!”“ Li Qian pondered for a moment and said,““at first, I was a little surprised, but then I figured it out. ”

“““The reason why he’s so warm to me is probably because of you, right?”“ ”

“““Oh?”“ Zhao Yu was surprised,““because of me?”“ ”

“““Yup! Li Qian said,““didn’t li liya say that when we were eating the Laisha noodles? You’re her idol, and she’s your loyal fan! ”

“““So ... This is what it means to love the house and its Crow! It’s because she found out that I’m close to you, so her attitude towards me is more enthusiastic than before, right?”“ ”

“““Oh ...”“ Zhao Yu nodded and fell into deep thought.““You mean ... That’s what you mean ...”“ ”

“““I’ve known for a long time that Miss Li is particularly interested in detectives. For this reason, I even spent a lot of money to buy a few detective-type scripts, hoping that she would invest in me. I’m the female lead!”“ Li Qian said,““but, she doesn’t seem to be interested in the fabricated detective!” ”

“““She’s more concerned about solving cases in real life. So, it’s normal for her to regard you as an idol!”” ”

Li Qian’s words were very logical and consistent with the information that Zhao Yu had learned before. There was obviously nothing suspicious.

“However, Zhao Yu realized that his heart was beating faster, as if something had aroused his suspicion!  
”

‘What ... What’s going on?’

Could it be ... That something was wrong?

“Zhao Yu tried to recall Li Qian’s words, trying to find something suspicious, but he couldn’t find anything.”

“““Police officer Zhao ...”” Li Qian saw that Zhao Yu was acting weird, so she asked,““are you okay? Did I ... Say something wrong?”” ”

“““It’s fine, it’s fine ... Let’s ... Move on to the next topic!””He said. Just as Zhao Yu was about to continue asking Li Qian about the situation, a scene flashed across his mind, making him shiver! ”

“““Wait a moment!”” In his excitement, Zhao Yu clenched his fists and shouted! ”

“““Ah ...”” Li Qian was so shocked that her phone fell to the ground. ”

“Zhao Yu quickly picked up his phone and said to Li Qian,““Hurry up! Hurry up and play that video!”” ”

## Chapter 2310: Bloody gauze

“““What ... What’s wrong?”” Li Qian was scared, but she still played the video as Zhao Yu had instructed.  
”

“Zhao Yu grabbed the phone and looked at it carefully. The more he looked at it, the more shocked he was. He almost stuck his face to the screen.”

“““Are ... Are you alright?”” ““What did you see?”” Li Qian was confused. ”

“““Mobile phone, mobile phone ...”” Zhao Yu held the mobile phone and said to Li Qian,““lend me your mobile phone first ... I’ll return it to you later ...”” ”

“Then, Zhao Yu didn’t say anything more, but immediately ran out of the door and disappeared in the blink of an eye.”

“““Hey ... Hey, hey, hey ...”” Li Qian shouted and chased after him.““Where are you going?”” What am I going to do if you leave?”” ”

“““Miss Li, Miss Li ...”” Although the police detective was also a little confused, he still stopped Li Qian and said,““our ... Our identification work is not over yet!”” ”

“Please cooperate ...”

“AI!” Li Qian sighed, stopped, and sat down on the stool. ”

“On Zhao Yu’s side, after he had rushed out of the office, he went straight to the autopsy room. ”

“Zhao Yu wasn’t alone. His mother-in-law, Xu Qin, had sent experienced agents to protect him for his safety. ”

“Seeing Zhao Yu run into the autopsy room, they followed Zhao Yu and called Xu Qin to report the situation. ”

“Hurry up!” After entering the autopsy room, Zhao Yu said to the coroner, “show me the personal belongings of the number one criminal. Hurry up ...”

The number one criminal that Zhao Yu was talking about was the purple-masked criminal leading the group.

“The coroner was stunned. Although Zhao Yu didn’t bring any documents with him, he knew Zhao Yu’s identity, so he didn’t dare to stop him. He quickly opened the evidence cabinet and took out the purple-masked criminal’s belongings. ”

“Zhao Yu reached out and looked through the documents. After finding a lot of evidence, he pointed at his neck and said to the coroner, “Quick, help me find that piece of gauze ...”

“Gu.....Gauze?” The coroner did not quite understand. “Neck ... Neck?”

“Right!” Zhao Yu said, “I used a wine bottle to stab his neck, and then ... His neck was wrapped in a bandage. I want to see the bandage now!”

“Oh ... Oh ... I know!” The coroner understood the situation and quickly reached out to search. Soon, he found an evidence bag. ”

“The bag was transparent, and he could see that it contained a bloodied bandage ... ”

“Oh ...” Zhao Yu took the bandage and looked at it. Then, he rubbed his forehead and said, “the bandage has been removed! I want to see ... How it looked when it was bandaged ...”

“Oh ... There are ... There are photos, and they’re on the autopsy report! “Wait a minute ...” The coroner finally understood what Zhao Yu meant. He quickly went to the file cabinet on the other side and took out the autopsy report of the purple-masked criminal. ”

“After he opened it, he found the related photos and showed them to Zhao Yu. ”

“Yes, that’s right!” Zhao Yu only took one look at it and immediately felt his blood boil. He pointed to the bandages in the photo and said, “look, look, the knot on the bandages, isn’t it a little different from normal?”

“Oh?” The coroner took a closer look, nodded, and said, “indeed, this is not a commonly used medical bandaging technique. Who still ties knots these days? They were all wrapped with self-adhesive elastic bandages. After wrapping them, they were fixed in place with a press! ”

“““Police officer ...”” The coroner was curious.”“Is there a problem?”” It’s possible that the criminal didn’t have tape or elastic bandages in his first aid kit, so he tied the knot. ““ ”

“““It’s not like this!”” Before Zhao Yu could speak, his mother-in-law Xu Qin’s voice came from behind him.”“We found the first aid kit at the scene, and it was full of things! ”

“““I’m guessing ...”” Xu Qin pointed at the autopsy report.”“The reason he tied a knot around his neck was because his bleeding was very serious. He wanted to use the knot to stop the bleeding!”” ”

“““You ...”” Zhao Yu looked at Xu Qin, not expecting his mother-in-law to arrive so soon. ”

“““Zhao Yu, what did you find?”” ““Why are you in such a hurry?”” Xu Qin asked without a change in her expression. ”

“““Mm ...”” Zhao Yu looked at the secret agent next to him and stopped talking. ”

“Xu Qin understood what Zhao Yu meant and immediately dismissed them, leaving only the coroner at the scene. ”

“““Zhang ... Mm ...”” Zhao Yu was about to call her mother-in-law, but he quickly changed his mind and said,”“officer Xu, look at this ...”” ”

Zhao Yu took out Li Qian’s mobile phone and played the movie clip about li liya for Xu Qin and the coroner.

“““Oh ...”” Xu Qin furrowed her brows and asked hesitantly,”“do you think that the knot li liya used to bandage the wounded in the movie is the same as the knot she used to bandage the purple-masked criminal?”” ”

“““This knot is really not very common,”” the coroner said.”“It looks a bit like a bow knot. Almost no one here uses this kind of knot!”” ”

“““Yes, I am!”” Zhao Yu said excitedly,”“it’s like a knot, which can at least explain two things! ”

“““First, if the purple-masked criminal tied the knot himself, then he must have some sort of relationship with li liya! ”

“““Second, there’s another possibility. The gauze on the purple-masked criminal’s neck was bandaged by li liya ...”” ”

“““Mm ...”” Xu Qin finally realized the importance of the matter and immediately said nervously,”“I remember that li liya’s confession was very clear ...”” ”

“““She said,”” Zhao Yu continued,”“that she smelled a pungent smell and fell into a coma, but when she woke up, she was rescued! ”

“““But, Li Qian was also in that room at that time, but she quietly escaped ...”” ”

“““Zhao Yu ...”” Xu Qin asked with a serious expression,”“do you still think that li liya was involved in the planning of the attack?”” ”

““““But ... The robbers killed Mr. Li, and we have confirmed that the deceased is indeed li liya’s biological father!”” ”

““““Maybe ...”” Zhao Yu guessed,““““li liya was also set up by the robbers, but because she was also involved, she could only suffer in silence!”” ”

““““If that’s the case ...”” Xu Qin shook her head.““““Why didn’t the purple-masked criminal kill her?”” ”

““““Think about it, his neck was seriously injured at that time. If he wanted to bandage the wound, he would have to go to the room to find the first aid kit and then save himself!” ”

““““At that time, he and Li liya were in the same room. If he wanted to kill li liya, it would be absolutely easy!” ”

““““He killed li liya’s father. How could he not be worried that li liya would seek revenge on him or expose their identities?”” ”

““““Indeed,”” Zhao Yu said, gritting his teeth.““““This is really confusing! But ... Since we already know about the knot, then I think ... We can use this knot to make something out of it!”” ”

““““You ...”” Xu Qin was worried.““““What do you want to do?”” Don’t mess around! We don’t have any concrete evidence yet!”” ”

““““Mm ... I know ...”” Zhao Yu said.““““So, I still have to work a little harder!”” ”

“Then, Zhao Yu handed the bloody gauze to the coroner and said,“““““Please examine this piece of bloody gauze again and see if you can find other people’s skin tissue from it!”” ”

“Then, Zhao Yu turned to Xu Qin and said,““““Officer Xu, prepare a car for me immediately. I have to go to the multi-millionaire’s building again!” ”

““““Don’t worry,”” Zhao Yu said, pointing to li liya in the video.““““If there’s really something wrong with this woman, I’ll definitely find out. I won’t let her slip through the net!”” ”
