Chapter 2351: Chapter 2346-my business

“On the 29th day of the new year, on the high-speed train to Mount Qin. ”

“Zhao Yu and Miao Ying sat in the soft and comfortable first-class seats, but they were speechless. ”

“Because, on the other side of Zhao Yu, there was another woman. ”

“Although this woman was a little Haggard and dressed in ordinary clothes, she was extremely outstanding, especially her nearly perfect figure, which was eye-catching. ”

“This woman was none other than Xi Wei’s daughter, Xi menna! ”

“At that moment, Xi menna was lying on the seat motionlessly with her head on her arm. He did not know if she was asleep or if she was resting with her eyes closed. ”

“Zhao Yu looked at the beautiful woman, but he could not express his bitterness. ”

“Miao Ying could feel Zhao Yu’s helplessness, so she could only hold Zhao Yu’s strong arm tightly, put her head on his shoulder, and fell into deep thought. ”

Sigh ...

‘This is my karmic hindrance ...’

“Recalling the fight he had with his father-in-law in Shanghai a few days ago, Zhao Yu had mixed feelings in his heart. ”

“““Old Miao, are you crazy?”” Zhao Yu shouted hysterically,“““I don’t care if you release Xi menna, but why? why must she follow me?”” ”

“““Did you take the wrong medicine or did you get kicked in the head by a donkey?”” Zhao Yu was so angry that he almost grabbed Miao kun’s collar.””Think about it. Xi Mengna always thought that I had something to do with her father’s death, but now you’re asking her to come home with me for the new year! ”

“““Aren’t you afraid that she’ll know everything about our family and use my family to take revenge on me?””she asked. ”

“““Zhao Yu,”” Miao kun said.””You have to think about the big picture. This is what Xi menna asked for. She said that she had no one to rely on here and that you were her only friend!”” ”

“““F * ck, you guys believed what she said! If she says she’s the Emperor, are you going to buy her a dragon robe?”” Zhao Yu was so angry that he was incoherent.””I don’t care. You can do whatever you want to her. Don’t let her follow me!”” ”

“““I can’t celebrate the new year with such a time bomb!”” ”

“Zhao Yu,” Miao kun said, “we made this decision after careful consideration. You see, it’s almost the end of the year, and we’re already short on manpower. If you let Xi menna follow you, we can save a lot of resources!”

“Don’t worry, this woman has turned over a new leaf,” Miao kun said. “The experts have evaluated her. Besides, we have so many special agents around you, so you don’t have to worry about her safety!”

“Is ... Is this a safety issue?” Zhao Yu said, “this ... This is simply stupid behavior ...”

“I ...” He pointed at himself agitatedly. “I’m so weak-willed, and you let Xi menna follow me. Aren’t you trying to sow discord between MeowMeow and me?”

“If I fall out with meowmeowmeowmeowmeowmeow because of this woman, is it worth it?”

“Don’t worry,” Miao kun said calmly. “I’ve already talked to Miao Miao. She agreed. She also promised me that she would help me look after Xi menna and you ...”

“What the ...” Zhao Yu covered his face. “Isn’t your joke too much? I’m bringing Xi menna back to my hometown. How am I supposed to introduce her to everyone?”

“Just say that he’s a foreign friend of yours,” Miao kun said with a faint smile. “Zhao Yu, it doesn’t matter what you say. The higher-ups have already made the decision!”

“Everyone agreed that letting Xi menna follow you was the best choice!”

“Me? The most suitable?” Zhao Yu was going crazy. “Why? Which part of me is suitable?”

“Of course you’re suitable,” Miao kun said seriously. “Weren’t you the one who caught her? Of course, you’re the most suitable person to supervise her!”

“Suitable my ass,” Zhao Yu said, waving his fist. “Who did I bring her back for? You can’t make me take responsibility for this!”

“It’s okay, don’t worry ...” Miao kun said gloatingly. “It’s just New Year ‘s. After the new year, when everyone goes to work, we’ll arrange a good place for Xi menna.”

“Now, you’ll have to spend more effort to take care of her!” Miao kun said, “think about it. She’s a girl who has lost her father and sister. Now, she’s all alone. You can just do a good deed!”

“I believe in you. You are an upright person, a noble person, and a person who has broken away from vulgar interests. With you supervising Xi menna, you will definitely be able to influence her with your righteousness. You will let her find the direction and light ...”

“You ...” Zhao Yu squinted his eyes. “You’re like a quack. I really want to relieve my bowels. Oh, I’ll beat you up!”

“That’s enough, Zhao Yu,” Miao kun said with a sinister smile. “Since the higher-ups have already made a decision, you have to treat this as a task and complete it with all your heart!”

“When you come back for the new year, I’ll remember your contribution ...”

.....

""Phew ..."" "

"On the train, Zhao Yu was panting heavily. He stroked Miao Ying's hair as he looked out the window at the scenery that was flying in reverse. He was deep in thought. "

He hadn't dared to open a hexagram since the arm amputated case in the safe box was closed.

"After all, the new year was just around the corner. If he were to get a ""heaven and earth"" hexagram, then his annual leave would be canceled. "

"Therefore, in order to spend this annual leave in peace, he had not opened a hexagram. "

"However, even though he did not get a hexagram, it did not prevent fortuitous encounters from happening. For example, his superiors asking him to take Xi menna back to his hometown for the new year was very strange. "

What the hell was this?

"In fact, even though Zhao Yu was extremely unwilling, he still understood some things in his heart. "

Miao kun might not have been the reason why the higher-ups had asked him to bring Xi menna along. There must have been a lot of careful consideration.

"Firstly, he was more familiar with and understood Xi menna, so his superiors would be more at ease if he were to supervise her. "

"Secondly, Xi menna had taken the initiative to ask to follow him. This meant that Xi menna was also dependent on him, which made it easier for him to monitor her. "

"Thirdly, the higher-ups might still be worried about Xi menna's identity. They wanted her to follow him so that he could test her and see if she had completely changed. "

"Fourthly, because of the multi-millionaire's building, secret services had always been providing him with the tightest protection. Therefore, letting Xi menna follow him was not a bad choice. "

"This way, he could guard against the enemy and monitor Simone. "

Sigh ...

"Karmic barrier, karmic barrier! "

""Sigh ..."" Zhao Yu sighed in his heart. A long time ago, he had a premonition that something would happen between him and Xi menna. "

"Now, it seemed that his premonition had come true. He really didn't know what would happen if he brought such a woman back to his hometown. "

How would the villagers react when they saw her?

"Also, he had wanted to find an opportunity to gather with Qin Shan's old friends. But now, it seemed that it would be impossible! "

“With Xi Mengna by his side, he would undoubtedly have many taboos and concerns, including talking to his friends and family, and even getting close to his girlfriend Miao Ying. All of these might be affected. ”

Chapter 2352: The princess

“““Yes, yes yes ...”” Zhao Yu pointed at the tall and beautiful Xi menna and said to his relatives,“““don’t just look at her face. Actually, she’s an international friend! ”

“““Her name is Silvia, she’s from Saint Domine of Panama, a good friend of mine. This time, she’s here to experience the new year, and to write a thesis or something ...”” ”

“Looking at the International supermodel-like Xi menna, all the relatives present were stunned, especially the male relatives. Their eyes were all filled with imagination. ”

“““Oh right, you guys, don’t talk to her so much.”” Zhao Yu pointed at Xi menna and said,“““her Chinese is very bad. She can’t even speak a single word! ”

“““So, all of you better stay away from her ... ”

“““Hey ...”” Zhao Yu saw that nephew Gu was using his phone to take pictures, so he quickly stood in front of Xi Mengna.“““Don’t take pictures, don’t take pictures, delete them, hurry!”” ”

“Hearing Zhao Yu’s roar, nephew Gu shivered in fear, and his phone almost fell to the ground. ”

“The child was so frightened that he quickly picked up his phone and hid behind his grandmother, his eyes full of grievance. ”

“““Mm ... Mm ...”” Zhao Yu felt embarrassed, so he continued to use his lying skills and said to the crowd,“““I’ll tell you a big secret, but you must keep it a secret!”” ”

“Then, he pointed at Xi menna again and said,“““““Actually, she is the princess of Saint Vincent in Panama. This time, she came to visit in plain clothes. Oh no, it’s ... Um ... She left her hometown ... No, it’s not ... Oh ... Um ...”” ”

“““In short,”” Zhao Yu said incoherently,“““she sneaked out, so she can’t be seen by the royal family. Do you understand?”” ”

“Seeing the confused faces of her relatives, Miao Ying couldn’t stand it anymore. She immediately came out and explained on Zhao Yu’s behalf, ”

“““Zhao Yu’s right. The princess is a public figure, and her identity can not be exposed. So, I hope that no one will spread this around ...”” ”

“““Oh, a Princess ...”” After listening for a long time, Zhao Yu’s mother scratched her head and said something shocking,“““I wanted to find a partner for your uncle’s brother Zhang hai!”” He’s almost 30, but he still hasn’t gotten married ...”” ”

I'm down!

"Zhao Yu and Miao Ying were both shocked, and Xi Mengna could not help but laugh. "

Crackling ...

The sound of firecrackers came from outside Zhao Yu's new house.

"There were couplets pasted on the door, red lanterns were hung in the courtyard, and flower patterns were pasted on the windows. The entire place was filled with the strong New Year's atmosphere ... "

"Neighbors, relatives visiting, adults setting off flowers, children setting off firecrackers, it was so lively ... "

"All of this was new to Xi menna. She stood by the window and looked at the lively scene outside, her thoughts surging and her heart fascinated. "

""Here, have some rice cake!"" Miao Ying handed a bowl of sticky cake to Xi menna and asked, ""do you know how to use chopsticks?"" "

""Hmm ..."" Xi menna nodded and took the sticky cake, bowl, and chopsticks, but she was not in the mood to taste them. "

"Ever since she had followed Zhao Yu and Miao Ying to Qinshan, she had been quiet and rarely spoke. "

""Later, the whole family is going to have New Year's Eve dinner together,"" Zhao Yu said. ""Cooperate with me and continue to pretend to be a Princess!"" "

""Hmm ..."" Xi menna nodded lightly. Her expression was calm, and her heart was as still as water. "

"Soon, the New Year's Eve dinner was ready, and the family sat around the table to eat. "

"The members of the Zhao family were more simple and didn't become reserved just because they had a ""foreign Princess"". During the meal, everyone talked and laughed. They were happy and harmonious, not affected in the slightest. "

"In contrast, Zhao Yu and Miao Ying were more nervous and careful with their words, especially when their family members asked about the special protection they had received. They quickly changed the topic. "

"However, while this topic could be avoided, there was another important topic that could not be avoided. "

The topic was about Zhao Yu and Miao Ying's marriage!

"Especially Zhao Yu's mother, who kept asking Zhao Yu when he and Miao Ying would get married. She explained that Zhao Yu and Miao Ying were not young, and that they could take care of the child while Zhao Yu was still strong. Her reasoning made Miao Ying blush, and Zhao Yu was speechless. "

"Finally, the New Year's bell rang, and the family spent the new year in peace and happiness. "

"After ten thousand years, Zhao Yu arranged a room for Xi Mengna, then went to his room with Miao Ying. "

“This room was specially reserved for Zhao Yu’s wedding. The room was decorated in red, as if today was Zhao Yu’s big day. ”

“”Phew ...” ”

“The two of them finally heaved a sigh of relief. Both of them were physically and mentally exhausted, and they laid down on the soft bed together ... ”

“”Zhao Yu,”” Miao Ying looked at the ceiling and said to Zhao Yu,””don’t you need to draft a draft to make up nonsense? The first time you said Saint Dominguez of Panama, and the second time you said Saint Vincent of Panama. You’ve already exposed yourself, do you know that?” ”

“”It’s fine, it’s fine ...”” Zhao Yu laughed.””My family went to Lingyun, and I thought they were going abroad! I can’t remember ...” ”

“Although the lights were off, because there was light in the yard, he could still see things clearly, especially the ceiling. ”

“”Then ... Can you tell me more?”” Miao Ying asked, still staring at the ceiling.””The name you made up for Xi menna?” ”

“”Mm ... Mm ...”” Zhao Yu thought for a long time, then shook his head and said,””I forgot. I’ll make up another one tomorrow!” ”

“”You’re really something ...”” Miss Miao smiled and said,””I know that it’s a bit inappropriate to bring a woman with such a sensitive identity home for the new year, but ... This is an order from the higher-ups, so let’s just treat it as a mission!” ”

“”But I’ve delayed you ...” ”

“”It’s okay, it’s okay ...”” Zhao Yu smiled and turned around. He looked at miss Miao’s beautiful face and said,””at least ... We still have time to be alone!” ”

“”Hehehe ...”” He laughed wretchedly.””I’m so tired tonight. Let’s not fight for 300 rounds. Let’s fight for 500 rounds ... Hehehe ...” ”

“Then, Zhao Yu was about to take action, when the door suddenly opened, and a person came in. ”

“”What the ...”” Zhao Yu was shocked and quickly moved away from Miao Ying. He turned and asked,””mom, what are you doing?” ”

The reason why Zhao Yu thought that the person who came in was his mother was because he had locked the door from the inside.

“Since someone could open the door, it must be his mother. ”

Whoosh ...

“The person who came in didn’t speak, but lay directly on the bed on Zhao Yu’s right. ”

“Out of curiosity, Zhao Yu and Miao Ying got up to take a look. They were both dumbfounded when they saw that the person who had entered the room was none other than the beautiful Qianqian, Xi menna!”

“““No way, big sister!”” Zhao Yu was about to go crazy.””What do you mean by this? Do you want to sleep in the same bed as us? ”

“““What do you want? ”

“““I’m warning you, I, Zhao Yu, am a chaste man,”” Zhao Yu said in surprise.””You can’t seduce me. I, Zhao Yu, am not a casual person ... ”

“““Um ... Besides ...”” Zhao Yu grabbed Miao Ying’s hand.””My girlfriend is right here! Even if you want to be a third party, this isn’t the right time, is it?”” ”

Chapter 2353: Chapter 2348-clinging to you

“““Hey, your ... Your hand ... Your hand!”” Miao Ying saw that Xi Mengna was not only lying next to Zhao Yu, but she was also holding onto Zhao Yu’s arm, looking like she was leaning on him. ”

“““Aiyo, d * MN ...”” Zhao Yu quickly shook off Xi Mengna’s hand and complained,””what are you trying to do, sis? my girlfriend and I are in love. You don’t stand a chance!”” ”

“““I’m impressed.”” Miss Miao quickly grabbed Zhao Yu’s arm from the other side and said to Xi Mengna,””can you not be like this? ”

“““If I were the kind of girlfriend who was impulsive and jealous easily, how could I agree to let Zhao Yu take you home?”” ”

“““Hmph, Hmph Hmph ...”” Suddenly, Xi Mengna let out a cold Hmph, then said to Zhao Yu and Miao Ying expressionlessly,””don’t worry, I don’t have the intention to ruin your relationship, nor do I have the intention to seduce Zhao Yu ...”” ”

“““Then ... Then what do you mean by this?”” Zhao Yu pointed at the thin clothes that Xi menna was wearing, his eyes almost bleeding. ”

“““Then ...”” Miao Ying asked,””what do you want?”” ”

“““I want a sense of security.”” Xi menna’s eyes were filled with an indescribable melancholy.””In this world, Zhao Yu is the only person I can trust. Only by following Zhao Yu can I feel safe!”” ”

“As he spoke, Xi menna leaned over again and grabbed Zhao Yu’s arm. ”

“““Don’t ... Don’t ...”” Zhao Yu was going crazy.””I’m not afraid of anything, but I’m afraid of women throwing themselves at me. I’m begging you, Miss Xi, please don’t play with me!”” ”

“““Believe it or not,”” Xi menna said bitterly.””I don’t dare to sleep alone, and I don’t dare to be alone. I’ve been deceived for too long, and I don’t dare to trust anyone else except you!”” ”

“As she spoke, Xi Mengna’s eyes glistened with tears, bringing back sad memories. ”

“”My life has been destroyed by my father and sister. From the moment I was captured on wondrous trace Island, I lost not only my freedom, but also my faith and belief! ”

“”I’ve always wanted to live the way my father wished for me since I was a child. So, I’ve always tried my best in everything I do without any hesitation, but I’ve never thought about the reasons and consequences of my actions. ”

“”My father told me that as long as I killed Grimm’s daughter, we would be able to find the diamond. But what happened in the end? Sigh ...” ”

“As a crystal-clear teardrop fell, Xi menna sobbed. ”

“”It wasn’t until my father died that I finally understood that my father wasn’t invincible. Everything he did was for his obsession, not the life I wanted ... ”

“”It’s a pity that I realized it too late. I was like a commodity that was bought and sold by them. Then, I fell into the hands of the enemy and almost lost my life! ”

“”After that, I thought that the chief was speaking the truth, but when he realized that I was just a pretty face, he immediately sent me to the cruise ship and gave me to you ... ”

“”Zhao Yu,” Xi menna wiped her tears and said,”I’m scared! I’m so scared! ”

“”Wu ... I’m afraid that after you let me go, I’ll be captured by someone again. Then, just like in Seoul they’ll put me in a fish tank and play with me like a mermaid ... ”

“”I was afraid that you had a motive for letting me go. You would use me as bait to lure someone. That’s why I requested to follow you ... ”

“”I can only feel safe when I’m with you! ”

“”Zhao Yu ...” Xi menna rested her forehead on Zhao Yu’s shoulder and sobbed,”I beg you, please don’t chase me away, okay? ”

“”I’m just an inexperienced girl who has been used by others! ”

“”I know that I’ve committed an unforgivable crime, and I regret killing Molly, but ... Can’t you give me another chance to turn over a new leaf?” ”

“”Mm ...” Zhao Yu first looked at Miao Ying awkwardly, then frowned and said,”Miss Xi, it’s not a problem for you to turn over a new leaf, and it’s also not a problem for me to protect you! ”

“”But ...” He then gestured to Miao Ying and said,”I do have a girlfriend, so I’m afraid it’s not very appropriate for you to keep following us around all the time ...” ”

“”How is it inappropriate?” Xi menna looked at Miao Ying and said nonchalantly,”just do what you guys are supposed to do. Treat me like air, okay?” ”

“”I ...” Zhao Yu wiped his sweat.””Sis, you can’t be so unreasonable!” He said. You ... You’re seriously interfering with other people’s privacy! ”

“““Be good, my home is very safe. No one will harm you!”” ”

“Then, Zhao Yu reached out and tried to push Xi Mengna away again. ”

“““No...”” Unexpectedly, Xi Mengna hugged Zhao Yu’s arm tightly.””I’m scared, I’m scared! Why don’t you come to my room to accompany me, Wuwu ...”” ”

“““You ... I ...”” Zhao Yu said gloomily,””I’ll leave my girlfriend aside and go to your room to sleep with you. Do you think that’s possible?”” ”

“Although Zhao Yu had a lot of ideas, after encountering such a thing that he couldn’t get angry at, he was helpless. ”

“““Please, I’m begging you,”” Xi Mengna buried her head in Zhao Yu’s chest and begged,””I promise you, I will get used to it as soon as possible and become independent as soon as possible! ”

“““But tonight, I really don’t want to be alone ... Please ...”” He begged. ”

“““Alright, alright!”” Before Zhao Yu could say anything, the kind-hearted Miao Ying compromised first. She pointed at Xi Mengna and said to Zhao Yu,””Zhao Yu, tonight, you should show off your universal love style. Let’s sleep together!”” ”

“““What the ...”” Zhao Yu glared at Miao Ying.””You ... Are you crazy too, sis?”” ”

“““It’s fine, as long as you have a strong will and I’m in your heart!”” Miao Ying pointed at Xi Mengna and said,””you’re known as the crazy detective, so you have to be responsible! Alright, let’s do this!”” ”

“““That’s great, that’s great!”” Xi Mengna nodded happily.””Thank you, sister. You’re the best!”” ”

“““You ...”” Zhao Yu grinned and gave Miao Ying a look, which meant,””what about our 300 rounds of fighting?”” ”

“““Alright, alright, I don’t mind. You’re a man, but you’re so wishy-washy. Won’t You Be a joke?”” Miao Ying tidied up the blanket.””It’s already midnight. I’m really sleepy. Let’s sleep ... Let’s sleep ...”” She said. ”

.....

“That night, Zhao Yu had a hard time. ”

How could he sleep peacefully when he was surrounded by two beautiful women?

I really didn’t expect that my karmic hindrance would actually be so strange. How did it even involve a bed?

AI!

What the hell was this?

Zhao Yu knew that Miao Ying had made such arrangements because she was worried that Xi Mengna might be up to something. She was worried that Xi Mengna would take the opportunity to get close to Zhao Yu to take revenge!

“Hahaha ...” Jake laughed heartily, then said, “in addition to paying you a New Year’s visit, I have a few things to tell you!”

“You left in a hurry last time, and our commander didn’t even have time to thank you!”

“You helped us solve the wallet murder case, not just a case, but also a major political problem.”

“So, our commander has specially awarded you with a medal and some gifts ...”

“As Jake was talking, Zhao Yu suddenly saw through the window that Miao Ying and Xi Mengna had already entered the courtyard and were about to return.”

“The name ‘Jake’ was naturally a sensitive one to Xi Mengna. No matter what, Zhao Yu could not let Xi Mengna hear him talking to Jake.”

“So, Zhao Yu quickly took his phone, walked out of the house, and sneaked into the kitchen ...”

“Okay, okay,” Zhao Yu said to Jecca as they walked. “Help me mail those things that you can mail, and help me convert those that you can!”

“Please thank your Commander-in-Chief for me ...”

“Is that so?” “Don’t you want to watch Wu Niang’s performance with me?” he asked.

“The ones I showed you last time were more formal. There are more exciting ones that I haven’t shown you!”

“F*ck you ...” After Zhao Yu entered the kitchen, he quickly turned around and looked outside. He saw Xi Mengna standing at the door and looking around, obviously looking for him, so he quickly said to Jecca, “if there’s nothing else, then hang up!” “I’m really busy!”

Zhao Yu was about to hang up the phone.

“Don’t, don’t, don’t ...” Unexpectedly, Jecca suddenly said, “don’t be so anxious, I still have something to tell you. I recently received news that Yusoff is dead!”

“Zhao Yu wanted to hang up the phone, but when he heard the news about Jecca, he was shocked.”

“What? You ... You’re not joking, are you?” Zhao Yu was surprised. “Don’t talk nonsense!”

“I didn’t believe it at first, so I sent someone to verify it,” said Jecca. “It’s true. He died on Sicili Island. We cracked the whole process of the local government collecting the body. Yusoff and his 11 men were all killed ...”

“Zhao Yu ... Zhao Yu ...”

“At that time, Xi Mengna did not find Zhao Yu in the room. She looked a little anxious and even stood in the corridor and shouted a few times.”

“After Miao Ying heard this, she quickly went up to comfort him, saying that Zhao Yu might have gone to the toilet too ...”

“Phew ...” Zhao Yu immediately straightened his body and pressed against the door. He then asked Jecca on the phone, “where’s amilora?” “Did you see amiola?”

“Who’s amiola?” Asked Jecca. ”

Zhao Yu then remembered that Jecca didn’t even know amerolla.

“Is it a woman?” “That video was badly recorded and I couldn’t see it clearly,” said Jecca. “But I can confirm that Yusoff has really been killed! ”

“I’ll tell you one more thing,” said Jake. “After confirming the news, I contacted bacary, Juliet, and Miao kun to discuss it with them. ”

“But I couldn’t get in touch with bacary and Juliet. The only one I could reach was Female Miao. I got your phone number from him, and he asked me to contact you ...”

Old ghost ...

Zhao Yu frowned. He didn’t expect his father-in-law to push the mess to him.

“Zhao Yu ... Zhao Yu ...” At this time, Xi menna seemed to have heard Zhao Yu’s voice and had already strode towards the kitchen. No matter how Miao Ying tried to stop her, she could not. ”

F * ck!

“Zhao Yu cursed, then turned around and tried to hide in the kitchen. ”

“In the end, when he turned around, an awkward scene happened. ”

“The kitchen was almost full of people, including his mother, sister-in-law, second aunt, and his cousin ... ”

“They were holding kitchenware and vegetables in their hands, apparently preparing lunch. ”

“When Zhao Yu suddenly barged in, they all stopped what they were doing and looked at Zhao Yu as if he was a lunatic! ”

No way?

“Zhao Yu was depressed and thought to himself, why didn’t any of you call me? It was really too embarrassing! ”

“Zhao Yu, Zhao Yu ...” In the blink of an eye, Xi menna had already arrived at the kitchen. Seeing Zhao Yu, she asked curiously, “what are you doing?”

“I ... Um ...” Zhao Yu’s brain was working quickly, and he pointed to his mother and said, “I’m helping with the cooking. You should come and help too!”

“What are you saying!” Mother Zhao didn’t understand and said, “she’s a guest and a little princess. There’s no need for that. You guys can just wait for dinner!”

“Eh?” “Zhao Yu, who are you talking to?” Jecca asked. That woman’s voice, why does it sound so familiar?”

'F * ck ...'

"Zhao Yu was sweating. In a moment of desperation, he wanted to hang up the phone, but what Jecka was discussing with him was also very important. "

"At this critical moment, Zhao Yu's brain was still working. He quickly turned on the simultaneous translator and spoke into the phone Serbia "

""Don't get involved in this. Tell me quickly, what's going on?"" "

"When Zhao Yu spoke in Sylvie, the relatives present were even more confused. "

"Just now, Zhao Yu had been mumbling in English, and they were already in disbelief. Now, he was speaking in a language that they couldn't understand, and they could only stare at each other! "

""Aunty ..."" At this crucial moment, Miao Ying was still the most sensible. She quickly pushed Xi Mengna into the kitchen and said to Zhao Yu's mother, ""don't be so formal. The little princess is here to experience life. Please teach us!"" "

""This ..."" Zhao Yu's mother was in a difficult position as she looked at Zhao Yu. "

""This ..."" Xi Mengna was in a difficult position, and she looked at Zhao Yu. "

""WA la konia, Hu SI's loudspeaker picking teeth ..."" Zhao Yu took the opportunity to speak in Sylvie, then walked out of the kitchen. "

""Come on, come on!"" Miao Ying and Zhao Yu had a tacit understanding. She knew that Zhao Yu's call was urgent, so she quickly pushed Xi Mengna into the kitchen and said awkwardly, ""let's cook together! It's so interesting, I can learn a lot of things ..."" "

"Under Miao Ying's urging, Xi menna had no choice but to go to Mrs. Zhao. She rolled up her sleeves with everyone and joined the team in cooking. "

""Zhao Yu,"" at this time Serbia jieka spoke to Zhao Yu in Sylvie, ""the purpose of my call is to remind you to be careful!"" "

""He can even kill the old fox, you SUFU. He must have come with ill intentions!!!"" "

Chapter 2355: Chapter 2350-unsolved case

The seventh day of the new year.

"Harlongjiang province, Manzhou city. "

"The weather was cold and the ground was frozen, and snow was falling. "

"On the road about 12 kilometers Northwest of the city, several police cars were slowly driving on the road. "

“This road was a small country road. Whenever winter came, the snow would close the road and there would be few people. ”

“At that moment, the snow sweeping vehicle was clearing the way in front, so the police cars behind could pass smoothly. ”

“““Officer Zhao, it’s great that you’re here to guide us!”” A burly police officer with a beard said to Zhao Yu from the passenger seat,““it’s so cold, and you’re on your annual leave. You’ve worked hard!”” ”

“Zhao Yu sat in the middle of the back seat, with his girlfriend Miao Ying on his left and his ““suspected girlfriend”” Xi Mengna on his right. ”

“As the Criminal Division’s mission was urgent, Zhao Yu had no choice but to bring Xi Mengna along to Manzhou. ”

“““It’s okay,”” Zhao Yu said to The Bearded Captain.““Captain Qiu, since there’s an important case, there’s no vacation to speak of! ”

“““At least you let me go home for the new year. That’s not bad!”” ”

“““Officer Zhao’s noble character and unquestionable integrity are admirable,”” Captain Qiu complimented him and said.““In fact, this case had already appeared as early as winter! ”

“““Before the new year, on the day of the Lunar New Year, we appeared together again. We didn’t rest for a single day! ”

“““I thought it would be better after the new year, but I didn’t expect the murderer to commit another crime so quickly! ““Officer Zhao,”” Captain Qiu swallowed and said worriedly,““we are sparsely populated here. When winter comes, there are many places with no one. I’m really worried that there are still bodies that have not been found!”” ”

“““Captain Qiu,”” Miao Ying looked out the window and asked,““how long will it take for us to arrive at the scene?”” ”

“““Soon, soon,”” Captain Qiu said.““In about ten minutes! The meihe bridge is in front of us!”” ”

“““In that case,”” Miao Ying said,““tell us the case!”” ”

“Although Zhao Yu and Miao Ying had already read the case report, every time they arrived, the local criminal investigation Captain would give them a detailed report. ”

“““Okay, okay,”” Captain Qiu turned around and said to the two,““on December 21st last year, under the Dongli bridge in Dongli village, Manzhou, someone found a hanged female body! ”

“““When it was found, the body had been hanging for a few days. The initial estimate is that the time of death should be around December 16th. ”

“““The deceased was naked and had been frozen ... ”

“““After investigation, the deceased was a Russia woman named Eliza. She was a waitress at the victory Hotel in Manzhou city. She was only 19 years old this year. ”

“““The woman has been in Manzhou for less than three years. She is currently dating a local man and is preparing to get married after the new year ...”” ”

“Listening to Captain Qiu’s introduction, Zhao Yu and Miao Ying looked through the case records. There were photos of the crime scene in the records. Looking at the frozen female body in the photos, Zhao Yu couldn’t help but feel emotional. ”

“He had seen all kinds of corpses since he started working as a criminal investigator, but this was the first time he had seen a frozen corpse. ”

Why would the murderer kill a foreign girl so cruelly and hang her under the bridge?

“Xi menna was a complete layman, but after hearing Captain Qiu’s story, she had a strange expression on her face. She was both curious and shocked. ”

“““According to the autopsy report,”” Captain Qiu continued,””the deceased,””the deceased was not hanged, but was strangled by the murderer and then hung under the bridge!”” ”

“““Under the bridge ...”” Zhao Yu interrupted and asked,””there’s nothing under the bridge, so how did the murderer hang the person up?”” ”

“““It’s the expansion tube,”” Captain Qiu said.””The murderer hit two expansion tubes under the bridge. The expansion tubes can withstand about 150 kilograms of force ...”” ”

“““Oh ...”” Zhao Yu nodded, then muttered to himself,””if you want to lower the expanding tube, you have to use an electric drill. If there’s no power supply in the wild, you have to use an electric drill with its own power supply ...”” ”

“““Then, is there any sign that the deceased’s surname is Shang?”” Miao Ying asked. ”

“““There are!”” Captain Qiu nodded and said,””there are obvious traces of violation, but the murderer was extremely careful and did not leave any hair or body fluids ... ”

“““Also,”” Captain Qiu said awkwardly,””our forensic abilities are limited. At present, we can’t find out whether the victim was violated before or after death!”” ”

“““Yes,”” Miao Ying nodded,””our forensic team is already on the way. They will arrive before dark today.”” ”

“““Then ...”” Zhao Yu pointed to the report and said,””let’s talk about the second case!”” ”

“““Okay,”” Captain Qiu said.””The second case was the same as the first one, although the victim was found on the day of the new year. ”

“““But, because the crime scene was too far away from the city, and it was surrounded by the wilderness, and it was just in time for the snow to seal the mountains and the new year, it was found too late. ”

“““According to the forensic experts”” initial estimates, the deceased has been dead for nearly two weeks ... ”

“Captain Qiu said,””it’s early this year, so the gap between the two cases is not very long ...”” ”

“““Is the victim Russian too?”” Zhao Yu asked. ”

“““Yes,”” Captain Qiu nodded and said,””although the deceased’s name was Zhang Mei, she was a Russia girl. She had not changed her nationality yet! ”

“““She’s 23 years old this year. She’s a dancer from Manzhou Red Star song and dance group. She’s single and doesn’t have a partner ...”” ”

“““Where did you find it?”” Miao Ying asked. ”

“““It’s near White flag town, which is South of the Urban area. The bridge doesn’t have a name, so we’ll call it white flag bridge for the time being,”” Captain Qiu explained.””It’s close to the forest in the mountains, and it’s relatively remote. ”

“““Especially in winter, the entire white flag town will go to the city for winter, leaving only the forest guards there. The body was found by the people at the forest Guard station! ”

“““Just like the first case, the victim was not wearing any clothes. After examination, it was also found that she was strangled to death first and then hung off the bridge ...”” ”

“““Also,”” Captain Qiu paused for a moment and said,””that place is close to the forest. Because the corpse was not hung high enough, the right foot of the deceased was bitten by a beast. Three toes were missing ...”” ”

“While Captain Qiu was introducing the photos, Zhao Yu and Miao Ying had already seen the corresponding photos. When Xi Mengna couldn’t help but take a few more looks, she suddenly retched twice, quickly covered her mouth and turned her head away, not daring to look at them anymore ... ”

“““Police officer Zhao,”” Captain Qiu swallowed his saliva and said,””this case is indeed very serious! It was only the seventh day of the new year, and the third case had actually appeared! ”

“““Here ...”” He looked straight ahead.””We’ll be reaching Mei HeQiao soon. According to the report from the crime scene, the deceased was also a foreign woman, and her death was exactly the same as the previous two cases!”” ”

“““This is definitely a brutal, premeditated serial murder! ”

“““Let me put it this way,”” Captain Qiu said.””This is the first official murder case since the establishment of Manzhou. I didn’t expect it to be a serial murder ...”” ”

“““And, and ... Because this matter has already spread among the people, there are many evil rumors now. I don’t know if you’ve heard of it!”” ”

“““Mm ...”” Zhao Yu nodded slightly.””If it weren’t for this legend, the higher-ups wouldn’t have sent me here on the seventh day of the new year!”” ”

“““Rumors? What rumors?”” Xi menna could not help but ask. ”

“““Phew ...”” Zhao Yu took a deep breath and said,””since you like to speculate so much, there’s no reason you don’t know about the hanging bridge female corpse case that happened in Eastern Europe in the 1940s, right?”” ”

""The dead body on the draw bridge ... Oh ..."" Simone's eyes widened.""This case is as famous as the London Ripper. It's one of the top ten unsolved cases in the world. The murderer has not been caught yet!"" "

""Could ... Could it be ... That someone is imitating the killer of the hanging bridge female corpse case?"" "

Chapter 2356: Chapter 2350-transportation

"The snow gradually lessened, but it still continued to fall. It was all white and a little dazzling."

The police car drove along the country road and finally stopped in front of a small bridge.

The small bridge was not an arched bridge. It was less than 20 meters long and looked a little old.

"The snow shovel truck had already removed the snow on the bridge, but the police's focus was not on the bridge, but the area under it."

"Zhao Yu, Miao Ying, Xi menna, Ran Tao, and Wu Xiumin, who got out of the car behind them, all went down the frozen river."

"The surface temperature here was around-14 degrees Celsius, and the night temperature could reach a terrifying-30 degrees Celsius."

"Therefore, the water in the river had been completely frozen, so there was no need to worry about safety."

"Zhao Yu was wearing two layers of a down jacket, but it still felt very thin, as if the cold wind was blowing through his clothes."

"The most awkward part was the nose. The air exhaled by the nose would instantly freeze into ice flowers, which would attach to the nose and stick to it repeatedly, making it very uncomfortable ..."

"As the area was vast and sparsely populated, and the crime scene was under the bridge, the police did not put up a cordon."

"At that moment, more than a dozen police officers were busy working under the bridge."

They had already removed the body from under the bridge and put it in a body bag.

"After Zhao Yu and the others went down, they could only see the senior officer's screws at the top, as well as the buckles and rope lassos used to hang people."

"Zhao Yu carefully observed the environment under the bridge and saw that the ice surface was only about three meters from the top of the bridge. If someone were to use a ladder on the ice surface, it would be very easy to reach the top of the bridge."

“““Look ...”” Captain Qiu pointed to the expanded tube at the top and said,““it’s exactly the same as the previous two cases. Our technical staff found metal friction marks on the buckle. We suspect that the murderer may have used a pulley to hang the body!”””

Hmm ...

“Zhao Yu nodded silently. He had already thought about this. It might not be difficult for the murderer to hang a person under the bridge, but after hanging them, they would need to secure them with ropes.”

“Therefore, he needed to use a more energy-saving pulley to assist him. After the body was fixed in place, he would remove the pulley.”

“““The murderer wouldn’t be so stupid, would he?”” Ran Tao looked up at the rope on the top of the bridge and asked,““does he want to make the victim hang herself?”””

“““That’s impossible,”” Captain Qiu said quickly.““The deceased was not wearing any clothes. How could a naked person run so far away to hang himself?”””

“Then, Zhao Yu came to the body bag to check the body.”

The forensic staff quickly reached out and opened the body bag. There was a frozen body inside!

“““Look ...”” Captain Qiu quickly stepped forward and introduced,““blonde hair, it’s another foreign woman ... This is the third one!”””

“Zhao Yu took a closer look at the dead body. Although the body was frozen, he could still see some basic features. It was a slim, beautiful foreign woman, about 1.7 meters tall, and very young.”

Another foreign woman ...

“Zhao Yu sighed to himself. In fact, this was the reason why the criminal Division had assigned him to handle this matter personally.”

“As the deceased were all foreigners, in order to avoid any mishandling of the case or triggering any diplomatic incidents, the criminal Division ended Zhao Yu’s leave in advance and asked him to lead the Special Investigation Group to investigate.”

“Because the notice was late, Cui Lizhu, Zeng Ke, and Zhang Peipei had not arrived yet.”

“Cui Lizhu was on her way from Hailan, but Zhang Peipei had already left for the United States with Gao Facai.”

“However, the criminal Division had appointed a new team of forensic doctors, and Zeng Ke and the new team were already on the plane.”

“However, there was no airport in Manzhou. They had to fly to the provincial capital of Halong River and then drive here, so they could only arrive before dark.”

“At this time, after Miao Ying checked the bodies, she asked Captain Qiu,““Captain Qiu, there have been two cases. Have you counted the missing foreign women recently?”””

“““If there is, does that mean we can find out the identity of the third victim now?”“““

“““Yes, yes ...”“ Captain Qiu nodded quickly.”“ Both cases were targeted at Young Russia women. After the second case was discovered, we were already counting!”

“““But, the strange thing is, not a single one ...”“ Captain Qiu waved his hand and said,”“ don’t look at it this way. We are a port city with nearly 20000 Russians in the city, but we have always been very peaceful here!”“““

“““From New Year’s Day until now, there hasn’t been a single missing person report!”“““

“““Oh ...”“ Miao Ying looked disappointed.”

“““Can you tell how long the deceased has been dead?”“ Ran Tao asked the forensic doctor next to him.”

“The forensic doctor shook his head and said,”“““No, because of the weather, the body is almost frozen. It’s hard to judge the time of death by visual inspection.”“““

“As he spoke, a gust of cold wind swept across the frozen river. The cold wind mixed with snowflakes made it difficult for everyone to open their eyes. Everyone quickly turned their backs to face the cold wind.”

“““Wow, it’s so cold ...”“ Xi Mengna was already shivering from the cold. She couldn’t help but get closer to Zhao Yu and hold his arm.”

“Zhao Yu was most afraid of this hand, so he quickly moved to the side, not letting Xi mengna have her way.”

“Because of Xi Mengna’s sensitive identity, Zhao Yu didn’t tell Ran Tao and Wu Xiumin the truth, but only told them that she was sent by the criminal Division for an internship.”

“If they were to see Xi mengna being so intimate with him, it would definitely cause suspicion and misunderstanding.”

“However, Xi Mengna did not care about that. Persevering, she took another step closer to Zhao Yu and reached out her hand again.”

“At that moment, Xi mengna’s actions had attracted Ran Tao and Wu Xiumin’s attention. Even Captain Qiu and the others looked at Zhao Yu.”

Damn it!

“Seeing that Xi Mengna was about to grab his arm, Zhao Yu quickly grabbed Xi Mengna’s wrist and pointed his wrist to the river.”

“““Oh ...”“ Then, Zhao Yu put on an act and said,”“you’re saying that you’re curious about how the murderer brought the body to the scene, right?”“““

“Zhao Yu was smart, and with one sentence, he brought everyone back to the case.”

“““Yes, yes ...”” Ran Tao patted his head out of habit and said,“““I was just wondering! The location was remote, and the snow had blocked the road. The murderer couldn’t have come here in a car, right?”

“““How ... How did he get to the scene?”””

“““Well ...”” After Captain Qiu heard this, he immediately stepped forward and said to the crowd,“““leaders, we have studied this problem before. We think that the murderer should have come here on a plow ...”””

Plow-climbing ...

“Upon hearing this, Xi menna was attracted to him and gave up on holding Zhao Yu’s arm.”

“““Yes, a snow sleigh!”” Captain Qiu pointed at the river and said,“““horses, donkeys, and dogs!”

“““It was the same for the first two cases. The snow blocked the road, making it difficult for cars to pass through. If the murderer didn’t have a helicopter or something, then he could only have one means of transportation, which was a plow!”””

“““You’re saying ...”” Miao Ying asked.“““The murderer came from the river on a sleigh. If there are marks on the sleigh, can we ...”””

“Without waiting for Miao Ying to finish, Captain Qiu said helplessly,““““It’s impossible to find them by following the marks. The children from the nearby villages go to the river to ice skate almost every day. Moreover, it has snowed several times recently, so they have long disappeared ...”””

Chapter 2357: The identity of the victim

“That night, in the temporary office of the Special Investigation Group of the Manzhou police station. ”

“Although Manzhou was a port city, it was only a county-level city. Because it was stable and peaceful all year round, its police facilities and systems were relatively backward. ”

The simple office reminded Zhao Yu of the Golden City.

“However, in this freezing cold place, the facilities were no longer important. What was important was warmth. ”

“The heater in the police station was very hot, and Zhao Yu had already taken off his sweater and changed into a shirt. ”

“““This place is really unique,”” cui Lizhu, who had just arrived at the office, said.“““There are a few foreigners in uniform in the police station!”” ”

“Ran Tao explained,“““they are the local ethnic minorities, and there are many mixed-bloods!”” ”

“““Only you understand, only you understand ... Sigh ...”” Cui Lizhu opened her backpack and poured a large bag of coffee Candy and coconut cake on the table.“““You can’t blame me for being stingy. I just arrived in Harland, and before I could even start my vacation, I was called to the northeast! ”

““““I just looked at it on the navigation map. It’s 4800 kilometers, my God ...”” Cui Lizhu said.”“““I’m going from south to north, across the entire country!”” ”

““““Alright, it’s good enough to eat the candy I brought from Harland!”” Ran Tao quickly grabbed a handful and put it in his pocket. ”

““““Originally,”” cui Lizhu said as she tidied up her down jacket.”“““I also brought a few coconuts for everyone, but I had to check them in. I really didn’t have time!”” ”

““““If I miss the flight, I’m afraid I’ll ... Um ...”” ”

“When cui Lizhu saw Xi menna, she was shocked. ”

““““This ... This ...”” Cui Lizhu looked at the tall Xi menna and asked,”“““is this the captain of the local Criminal Police?”” Why does he look like a Barbie doll with nine heads and a body, and a golden ratio? is he also mixed-blood?”” ”

““““This is the personal female secretary that the higher-ups sent for me,”” Zhao Yu said, gently pressing on Xi Mengna’s shoulder.”“““You can just call her Nana!”” ”

““““Wow ... This is ridiculous ...”” Cui Lizhu’s eyes almost fell to the ground. She quickly turned around and grabbed Miao Ying’s arm, then pointed to Zhao Yu and said,”“““sister Miao, sister Miao, how can you tolerate this? Beat him up, beat up this fickle scumbag!”” ”

““““Hehe ...”” Miao Ying smiled and explained,”“““don’t listen to Zhao Yu’s nonsense. This is a new colleague sent by the higher-ups for probationary!”” ”

““““Oh ... That’s too intimate, boss! My sister Miao is still here!”” Cui Lizhu barged in for Miao Ying.”“““Don’t be too proud of yourself!”” ”

““““This is big-eyed cui Lizhu, nicknamed little Zhu ...”” Zhao Yu pointed at cui Lizhu and introduced her to Xi menena. ”

Xi menena extended her hand in a friendly manner. Cui Lizhu was embarrassed and shook her hand.

“However, during the process of shaking hands, Xi menna noticed that cui Lizhu did not have a little finger on her hand, and her eyes showed a strange look. ”

“Cui Lizhu quickly pulled her hand back and asked,”““““If her name is Nana, what’s her last name?”” ”

““““Hmm ...”” Xi menna hesitated. ”

““““Na...Nana ...”” Zhao Yu’s reaction was quick, and he blurted out a lie. ”

““““Then ... His surname is”” that ““? Are they really a minority?”” Cui Lizhu raised her eyebrows and expressed her suspicion.”“““Why did she stammer a little just now? Does she not know her name?”” ”

““““Where do you get all this nonsense from!”” Zhao Yu frowned.”“““Just remember that she’s your new colleague!”” ”

““““Yeah, yeah!”” Miao Ying quickly came over to smooth things over.”“““That girl is here for an internship. She’s just here to learn from us. You don’t have to worry about her!”” ”

“““Is ... Is he really not mixed-blood?”“ ““Isn’t she too beautiful?”“ cui Lizhu asked, looking at Xi menna. Sister Miao, you really have to be more careful. I know boss the best, her self-control is not as good as you think ...”“ ”

“““Alright, alright,”“ Miao Ying said, pulling cui Lizhu to the side.”“You’ve come all the way here and must be tired. You should take a rest first!”“ ”

“““I’m not tired,”“ cui Lizhu said.”“I slept all day on the plane, and I was curious about what kind of case it was. Since boss was involved in it, it couldn’t be a small case, right?”“ ”

“““Quickly tell me about the case!”“ ”

“““We were just discussing it!”“ Zhao Yu pointed at the big screen.”“Just listen!”“ ”

“““Oh ... Okay ...”“ Cui Lizhu quickly grabbed a chair and sat down, then took out her notebook and prepared to take notes seriously. ”

“““Where ... Where were we?”“ Zhao Yu asked Xi menna. ”

“““We’re talking about the female corpse at the draw bridge case from 80 years ago,”“ said Xi menna.”“I feel that you guys, Oh ... The case we’re talking about right now, has nothing to do with that unsolved case, right?”“ ”

“““Look,”“ Simone pointed at the big screen, which was showing information about the hanging bridge female corpse case.”“Due to special historical reasons, almost all of the dunbucha River is covered with hanging bridges! ”

“““When large ships pass by, the suspension bridge can be lifted by steel cables to facilitate the passage of the ship. Therefore, there were many steel frames under the bridge! ”

“““The murderer killed the victims through the passage under the bridge, then hung them on the steel frame! ”

“““The bridge is about twenty meters away from the surface of the water ... ”

“““Also,”“ Xi menna continued,”“the female victims were all wearing clothes, and there were religious symbols drawn on the bodies, and there were no signs of sexual assault ... ”

“““So, I believe that the case in front of us has nothing to do with the female corpses on the hanging bridge in Bucharest!”“ ”

“““80 years ago ... Oh my God ...”“ Cui Lizhu took a deep breath and asked Miao Ying anxiously,”“sister Miao, what exactly happened to us?”“ ”

“““Yes, I think so too,”“ Zhao Yu said.”“This is just the work of the netizens. They linked the Manzhou case with the hanging bridge female corpse. ”

“““So, we can ignore this for the time being. Let’s investigate this case using traditional methods!”“ ”

“““Team leader Zhao,”“ at this time, Miao Ying said,”“since the three victims were all Young Russia women, it is obvious that the murderer had a certain purpose and selection in killing! ”

“““We have to find out the relationship between the three victims as soon as possible, as well as their individual interpersonal relationships. This is definitely the most important point to solve the case!”” ”

“““Of course ...”” Zhao Yu said.”” Although the third victim’s identity has not yet been revealed, Captain Qiu has already investigated the first two victims in detail! ”

“““Eliza and Zhang Mei are both from the Russia Far East City kuyask. According to the Russian population ratio in Manzhou, kuyask accounts for about one-fifth of the population, which is not particularly large. ”

“““According to Captain Qiu’s investigation, apart from coming from the same city, there is no obvious connection between the two of them. ”

“““Their ages and occupations are all different, and their phone numbers and WeChat moments are not in contact. We can only wait for Zeng ke to come and do a more detailed investigation ...”” ”

“Du, du, du ... ”

“Just then, there was a knock on the door, and then Captain Qiu ran in from outside and said to Zhao Yu and the others,”” ”

“““Dear investigators, we have found out the identity of the third victim ...”” ”

Chapter 2358: Chapter 2353-important details

“““Qiu Jinna,”” Captain Qiu reported to Zhao Yu and the others, holding the information.”” She’s 29 years old, and she’s the owner of a commodity store on the business street. She specializes Russia specialties!”” ”

“““Oh?”” Zhao Yu asked,”” no one called the police when she went missing?”” ”

“““Qiu Jinna is a divorcee and usually lives alone,”” Captain Qiu said.”” When winter comes to the off-season, her shop is often locked. The neighbors thought that she had returned to Russia, so no one cared. ”

“““We’re looking at the surveillance cameras and phone records. We’ll be able to find out the exact time of her disappearance very soon ...”” ”

“““Then ...”” Zhao Yu asked again,”” do you know which part of Russia this woman’s hometown is?”” ”

“““Yes, yes ...”” Captain Qiu flipped through the records and said,”” Qiu Jinna came from kurasrock. She used to be called solgina, but she changed her name when she registered with us ...”” ”

Zhao Yu and his team members immediately looked at each other.

“It’s kurasiko again. The three murdered women all came from the same city. This can’t be just a coincidence, right? ”

“““That’s true.”” At this time, Captain Qiu had also found the problem.”” All three of them are from kurasiko. Is there a problem?”” ”

“““Captain Qiu,”” Miao Ying said,””hurry up and send someone to check if this Qiu Jinna is related to the previous two victims.”” ”

“““Okay, okay,”” Captain Qiu nodded and said,””I’ve already sent people to investigate, but ... Please forgive us. We don’t have enough people here, and they are not particularly professional. We may be slower than you in solving cases.”” ”

“““Phew ... Alright!”” At this time, cui Lizhu stood up and said,””I flew all the way here from Harland, so of course I can’t just be here for decoration. Leave the detailed investigation of the victims to me!”” ”

“““Boss,”” cui Lizhu said, giving Zhao Yu a look.””I’ve been to Manzhou before, so I’m quite familiar with this place. Don’t worry!”” ”

“““That ... That’s great!”” Captain Qiu said hurriedly,””I’ll arrange for some people to help you ...”” ”

“““Team leader ...”” Wu Xiumin suddenly came forward with her mobile phone and said to Zhao Yu,””because of the heavy snow, Zeng ke and the new forensic team’s flight was delayed. So, they can only arrive at noon tomorrow!”” ”

“““It’s okay, safety is more important!”” “““Tell them not to rush,”” Zhao Yu said.””Because it’s cold, the bodies are well preserved. We won’t do the autopsy here for now. We’ll wait until they arrive.”” ”

“““En!”” Wu Xiumin nodded and quickly sent a message to Zeng ke. ”

“Following that, Zhao Yu followed the usual procedure and gave everyone a brief case analysis meeting. Then, he assigned tasks to his team members. ”

He asked cui Lizhu to investigate the details of the three victims.

“Zhao Yu asked Ran Tao to look for clues near the crime scene. Because the third case happened quite recently, there might be some clues left. So, Zhao Yu asked Ran Tao to focus on this case. ”

“Wu Xiumin was responsible for information collection, which focused on the social background, personal information, and financial status of the three victims. ”

“Miao Ying went back to her old profession, which was to cooperate with the relevant local departments to coordinate and deal with the public impact of the case. ”

“It was said that the first two cases had already attracted a high level of attention from the local public and media. Now that a third case had happened, it was undoubtedly a heavy bomb for this small border town, and it must be treated with caution. ”

“A life was at stake, so Zhao Yu did not dare to be negligent. He asked Miao Ying to prepare a press conference to announce the case’s information, in order to remind the Russia women living in Manzhou to pay attention to their personal safety. ”

This case was different from the past. The murderer had killed three foreign women in a row in just three months. Zhao Yu and the others had to prepare for the worst.

“If it was really necessary, they would even apply for martial law. ”

“After all the tasks were assigned, everyone went to do their own things. Only Zhao Yu, Xi menna, and Wu Xiumin were left in the office. ”

“Wu Xiumin’s tasks were basically completed on the computer and the internet, so she had to stay in the office. ”

“As usual, Zhao Yu started to add the case information on the whiteboard. ”

“As there wasn’t much information at the moment, Zhao Yu had only used a white board. As he added information, he thought hard. In the meantime, he opened the satellite map and memorized the geographical environment of Manzhou. ”

“Xi Mengna stood beside Zhao Yu, watching him work in silence. From time to time, she would help Zhao Yu out. ”

“““I didn’t expect such an outstanding person to work like this!”” Finally, after more than an hour, Xi menna could not help but speak. ”

“““Is that so?”” Zhao Yu said without turning his head,““it’s different from what you think, right?”” ”

“““Yes,”” said Xi menna.““I thought you would be like Iron Man, standing in front of a supercomputer and getting all the information you want in a few moments. ”

“““The murderer will be handcuffed the next day ...”” ”

“““You’re really sick!”” Zhao Yu said, but still didn’t turn around. ”

“““Hehe ...”” Xi Mengna chuckled and said,““Zhao Yu, I’m thinking, could it be ...”” ”

“““Call me team leader Zhao,”” Zhao Yu corrected her.““Pay attention to your identity! We made a deal, if you don’t listen, I’ll coax you to leave!”” ”

“““Yes, yes, yes, my Lord Zhao, team leader Zhao, are you done?”” Xi menna pointed at the whiteboard and continued her previous topic.““Do you think the murderer is also a Russian?”” ”

“““Eh?”” ““Why do you think that way?”” Zhao Yu asked, stopping his pen and turning around. ”

“““Look ...”” Xi menna analyzed,““the three victims all came from the same city, and they were all killed in this small city. Then ... Could the cause of their deaths be from their hometown? ”

“““I’m thinking, is there a man from kurisk who hates women for abandoning their home, or is there some other grudge, so he killed them?”” ”

“““Mm ...”” Zhao Yu thought about it carefully, then nodded and said,““your analysis might make sense. ”

“““I’ll have to note this down and ask them to check if there were any Russia men around the three victims who fit the conditions you mentioned!”” ”

“““Zhao Yu, uhm ... Team leader Zhao,”” Xi menna asked again,““this case shouldn’t be too difficult for you to solve, right?”” ”

“Hehe,” Zhao Yu smiled and shook his head, then said, “if we only look at the surface evidence, this case should be very easy to solve!”

“However, if you look at the details carefully, you will realize that this is not the case! This case might become very troublesome ...”

“Oh? Why?” Xi menna was surprised. “What details are there that you’re so concerned about?”

“Hehe, do you want to know?” Zhao Yu deliberately kept her in suspense. ”

“Okay ...” Xi menna nodded eagerly. “Tell me quickly!”

“Alright, promise me that you won’t ... You won’t sleep with me for the next two days!” Zhao Yu was afraid that Wu Xiumin would hear him, so he lowered his voice as much as possible. “I don’t like to sleep in clothes. I’m about to break down, sis!”

“Hmph ...” Xi menna’s expression changed. She put her hands on her waist and threw a tantrum. “Do you hate me that much?” I’ve said it before, I’m not in love with you, I’m only relying on you. I’ve said it before, you can treat me as your little pet, isn’t that enough?”

“Go to hell,” Zhao Yu said. “Even if I can treat you as a pet, my girlfriend can’t!”

“My lady, you’ve been with me for so many days. You should feel a little safe now, right?” Zhao Yu said, “we’ll all be sleeping in the police station tonight, so we’ll be living in the same room as each other. You don’t have to be afraid of anything, right?”

“Um ... Um ...” After some consideration, Xi menna finally nodded and said, “okay! Hurry up and tell me, what are the details you’re talking about?”

Chapter 2359: An unusual murderer

“Look ...” Zhao Yu pointed at the names of the victims on the whiteboard and said to Xi Mengna patiently, “when we judge and measure the death of a young woman, whether or not the victim was violated is often the most important standard!”

“Take this case for example. Two of the victims showed signs of assault, and the third victim’s condition is probably the same as the first two.”

“Let’s think from the criminal’s point of view. He caught the victim, violated her, and then killed her. What does this mean?”

“That means ...” Xi menna guessed. “That means the murderer is a man!”

“Yes, is there more?” Zhao Yu asked again. ”

“And ...” Xi menna guessed, “the murderer had psychological problems. He was depressed, and he wanted to use violence and murder to release his emotions ...”

“That’s right,” Zhao Yu said, then asked, “is there anything else?”

““““And ...” Xi menna thought carefully again, then said,““the murderer ... Mm ... Mm ...”” ”

“Xi menna stammered for a long time, but she did not manage to complete a sentence. ”

““““And,”” Zhao Yu said,““for us criminal investigators, cases of abuse are often solved faster! ”

““““Because, the murderer intended to violate, and as long as he violated, he would leave behind solid evidence. Now that technology is so advanced, it’s easy for us to solve the case! ”

““““In other words,”” Zhao Yu pointed to the whiteboard,““if there was no violation in these three cases, it means that the problem is serious, understand?”” ”

““““Oh ... Are these the details you were talking about?”” Xi menna asked,““since the victim was violated, doesn’t that mean that this case will be solved soon?”” ”

““““On the contrary,”” Zhao Yu said,““if it was so easy to crack, the local police wouldn’t have waited for me to come! ”

““““The details I’m talking about aren’t the violation,”” Zhao Yu said with a solemn expression as he came to the whiteboard.““This case has the last detail I want to see! ”

““““This means that this case is very difficult. I, Zhao Yu, might have met another expert criminal!”” ”

““““Then ...”” Xi menna asked curiously,““what are the details you’re talking about?”” ”

““““The detail is,”” Zhao Yu finally gave his answer,““although the victim may have been violated, during the autopsy, no material related to the murderer was extracted. This is something that we have never encountered before!”” ”

““““Wait ...”” Xi menna took a moment to digest what Zhao Yu had said.““You mean, although the victim was violated, they didn’t extract anything related to the murderer? ”

““““What substance? Body fluid, hair, skin tissue, and DNA?”” Xi menna’s eyes widened.““Since we can’t find these substances, how can we say that the deceased was violated?”” ”

““““Yes, this point seems very contradictory!”” Zhao Yu said,““I’ve checked it carefully. Although the autopsy technology in Manzhou is not as good as that in big cities, it’s not a low-level mistake! ”

““““On the first two victims, there were signs of sexual assault. Blood congestion, contraction, and some other blood characteristics can prove it. ”

““““Moreover, this is enough to prove that the victim was violated while she was alive ...”” ”

““““But,”” Xi menna was confused,““are you wearing ... Wearing that?”” Why didn’t you leave any liquid behind?”” ”

““““Yes, the autopsy results showed that they found the composition of Glycerin and sodium glass,”” Zhao Yu said.““These are the components of lubricant ...”” ”

““““Oh ...”” Xi menna said,““then ... It’s rape while wearing a condom?”” ”

““““But,”” Zhao Yu said,““even if he was wearing a condom, there should have been some hair or skin tissue left. But, when the forensic doctor examined the body carefully, he couldn’t find anything. ”

“““They suspect,”” Zhao Yu said,““that the murderer had made careful preparations before and after the incident ...”” ”

“““Careful preparation?”” Xi menna was curious.““What kind of preparation?”” ”

“““Preparing the skin in advance (shaving off body hair),”” Zhao Yu said.““After that, he gave the victim a careful wash ... ”

“““Or ...”” Zhao Yu said again,““he didn’t really touch the victim’s body, but used some tools or items to deliberately interfere with us ...”” ”

“““Oh ...”” Xi menna nodded and said,““you’re so careful...It seems like you’ve met your match!”” ”

“““That’s not all,”” Zhao Yu said.““This person was very familiar with the environment of Manzhou. For example, in the first two cases, if he really climbed over the river to the crime scene, then he should have left his influence in several places where there were surveillance cameras!”

“““But, Captain Qiu has sent people to check several times, but they found nothing ... ”

“““Also,”” Zhao Yu continued,““we didn’t find any suspicious material on the expanding tube, hook, or rope either. This person is definitely not easy to deal with!”” ”

“““Yeah ...”” Xi menna gulped and felt a sense of shock. She thought about it seriously and said,““this case is really more complicated than I thought! ”

“““If my previous guess is correct, the murderer didn’t want to see them live in Manzhou, then could it be that the murderer randomly chose these victims?”” ”

“““Yes, that’s exactly what I’m worried about,”” Zhao Yu said, nodding.““If the murderer and the deceased were not closely related, and he had randomly chosen them, then the difficulty of this case would only be greater! ”

“““I’m afraid I can only impose martial law on the entire city ... However, martial law can not solve the root of the problem ... If we can’t catch this criminal, he will definitely make another move, and he might not even be in Manzhou next time ...”” ”

“““Oh my God,”” Xi menna said,““there’s actually ... There’s actually such a murderer ... What is she doing this for? Did this person receive some kind of shock?”” ”

“““So, I’m more interested in your guess,”” Zhao Yu said.““You see ... The murderer violated and killed people, that’s one thing, but in this cold and snowy weather, if he killed someone and buried the body anywhere, it would be difficult to find it!”

“““But, the murderer didn’t care about the cold weather and insisted on moving the body to a remote bridge far away. He even hung the victim up and didn’t even let her wear clothes. What does this mean?”” ”

“““It means that ...”” Xi menna said in fear,““it means that the murderer not only wanted to Kill the Dead, but also to humiliate them, just like some kind of ceremony in feudal society. Not only did he want to kill, but he also wanted to torture them ...”” ”

“““This case ...”” Zhao Yu said.”“From the very beginning, I could smell hatred! ”

“““For a detective, this means two extremes,”” Zhao Yu said.”“If the murderer’s hatred comes from these victims, then we should be able to lock him down very quickly! ”

“““But what if the murderer only took out his anger on others because of the injuries he suffered? that would be ... Troublesome ...”” ”

Chapter 2360: Chapter 2355-late?

“In the middle of the night, Xi menna couldn’t take it anymore and went to the police dormitory to sleep. Wu Xiumin was with her. ”

“Cui Lizhu and ran Tao both had field work to do, so they had to work at their respective posts that night and wouldn’t return to the police station. ”

“Now, the only person in the office with Zhao Yu was his real girlfriend, Miao Ying. ”

“““After looking at the map,”” Zhao Yu said to Miao Ying,”“I understand Captain Qiu’s worry more and more! It was a World of Ice and snow, the land was vast and the people were sparse. It was also the new year, so there were too few people going out. ”

“““Perhaps the murderer is already preparing for the fourth case.”“Or maybe ...”” Zhao Yu said worriedly,”“our so-called third case isn’t the third case! ”

“““There’s still a victim who hasn’t been discovered ...”” ”

“““Don’t be too anxious,”” Miao Ying said as she handed Zhao Yu a cup of hot coffee.”“Captain Qiu has already sent people to check the surrounding bridges!”” ”

“““It’s impossible to see it ...”” Zhao Yu pointed to the map.”“The shuraqis River, the erguna River, and the xuelidong River in the North meet in Manzhou. They don’t even know how many tributaries and bridges they have!”” ”

“““I don’t think we need to be trapped on the bridge to solve the problem!”” Miao Ying said,”“the most important thing is to focus on the victims. As long as we can find out the interpersonal relationships of the three victims tomorrow, we might be able to make significant progress!”” ”

“““Well, I hope so ...”” Zhao Yu looked at the whiteboard and fell into a daze. ”

“““If it was just murder and violation, there was no need to hang the body. It was obvious that there was a huge hatred between the murderer and the victim!”” Miao Ying said,”“it shouldn’t be hard to find out, right?”” ”

“Then, Miao Ying noticed that Zhao Yu was still staring at the whiteboard in a daze. He had not even taken a sip of his coffee. ”

“““Zhao Yu, what’s the matter?”” Miao Ying asked,“““I’ve never seen you like this before! Are you ... Are you worried about something? This case ...”” ”

“““I’m still thinking about it,”” Zhao Yu said.“““Should we seal off the entire city? it’s different from before. I have a feeling that the murderer has already gone crazy. If we don’t take extreme measures, he won’t stop!”” ”

“““Oh, I see!”” “““Don’t worry,”” Miao Ying said.“““I’ve discussed with the leaders of Manzhou today. There’s no need to lock down the entire city, but we’ll join forces with various departments to strengthen the security.” ”

“““Also, they will arrange for the Civil Affairs Department and the media to publicize this to the public and remind the vast number of young foreign women to pay attention to their own safety!” ”

“““Also,”” Miao Ying continued,“““I spoke to the Embassy on the phone today. They are very supportive of our work. Soon, they will send someone to assist us in the investigation and deal with the aftermath of the victims.”” ”

“““Oh ...”” Zhao Yu saw that there was no one around, so he quickly patted miss Miao’s shoulder and said,“““my MeowMeow is the best!” ”

“““This kind of case can’t be solved just by working hard. Without you, we would definitely be in trouble!” ”

“““We’re really a pair of swords in unison, a perfect match! Hehehe ...”” ”

“Then, Zhao Yu moved his face forward, wanting to kiss her. ”

“Miao Ying pressed her index finger on Zhao Yu’s nose and said,““““Hey, why isn’t your vice-girlfriend pestering you? How did you manage to convince her?”” ”

“““Don’t mock me. What vice girlfriend? she said it herself, I’ll just treat her as a little pet!”” Zhao Yu said,“““is there such a thing? I’ve been so bored these few days!”” ”

“““How about,”” Miao Ying suggested,“““I pretend I didn’t see her, and you push her down!”” Let her be your little pet ...”” ”

“““...”” Zhao Yu squinted.“““MeowMeow, I’m already suffering enough, and you’re still testing me?”” I’m telling you, if you didn’t intercede for her, I wouldn’t have brought her along!” ”

“““You ... Is there anyone like you?”” Zhao Yu complained,“““I’m your husband. It’s fine if you’re not jealous, but why are you adding oil to the fire? ”

“““My self-control is weak to begin with, you know that?”” ”

“““Alright, Zhao Yu, I know, I know you’re uncomfortable!”” Miao Ying said,“““but, my dad told me that letting this woman follow us might be the best choice!” ”

“““Firstly, we can monitor her and see if she has truly turned over a new leaf. Secondly, he could also protect her. ”

“““I think,”” Miao Ying said,””after getting along with her for so many days, although this woman is a little willful, I always feel that she’s not bad. You can just put up with her for a few more days on account of her poor life!”” ”

“““Even though she doesn’t know much about Xi Wei,”” Miao Ying looked around and whispered,””she might be of great use to us!”” ”

“““Mm ...”” Zhao Yu nodded and said,””that’s true! Ding Lan called me the day before yesterday. The higher-ups have confirmed you SUFU’s death. ”

“““There’s no doubt that the mysterious successor of londee must have handled the affairs of Yusoff. ”

“““He’s just a new boss,”” Zhao Yu said.””If this guy doesn’t attack us, it’s definitely unreasonable!”” ”

“““That French woman, Juliet,”” Miao Ying said.””My dad lost contact with her. I don’t know if she was on a mission, or if she was taken away by her successor!”” ”

“Juliet should be fine, right?”” Zhao Yu said,””Juliet played a big role in saving londee from the house of sin. She didn’t participate in the Seoul incident, so the successor wouldn’t do anything to her, right? ”

“““I think,”” Zhao Yu pointed to himself,””the people the successor hates the most should be here!”” If there really was an assassination order, I would probably be the first to get it!”” ”

“““Then,”” Miao Ying asked,””is there any news about the Middle-Eastern woman? The one you let go, the chieftain’s subordinate?”” ”

“““No...”” Zhao Yu shook his head and said,””the higher-ups said that they haven’t received any news of amiola’s death, but she didn’t contact me either!”” ”

“““Maybe ... He’s probably dead ...”” ”

“““It seems that,”” Miao Ying said,””we will have to fight with the successor sooner or later!”” ”

“““Yes,”” Zhao Yu said with certainty.””This is inevitable! However, as long as he dared to come, he would be in trouble! Didn’t you notice? From Xi Wei to londee, anyone who offends my people will not have a good ending!”” ”

“““Hehe, interesting!”” Miao Ying said,””you’re not even worried about the mysterious successor, but why are you so unconfident about this case?”” ”

“““Yes ...”” Zhao Yu turned back to look at the white board and murmured,””I don’t know why, perhaps...I’m not worried that I can’t solve this case, I’m just afraid that we’re a little late!”” ”

“““Oh? ““It’s too late ...”” Miao Ying suddenly realized something.””Don’t tell me ... You think that the murderer is going to make a move soon?”” ”

“““I don’t know,”” Zhao Yu said, shaking his head.””I hope I’m just overthinking it ...”” ”
