Chapter 2361: Chapter 2356-low rent

“The next morning, outside the police station, in a restaurant with rich Russia characteristics. ”

“On the table were crunchy pancakes, Big Grandma, all kinds of fried food, as well as exquisite pastries and porridge. ”

“The restaurant wasn’t very lively, but there were still a few tables of customers. ”

“The elegant “”night outside Moscow”” was playing in the room, and the atmosphere was harmonious. ”

“””I hope that from now on, you and I will never forget the night outside Moscow ...”” ”

“Cui Lizhu hummed along to the music and said, ”

“””When I was a child, when I came to Manzhou with my father, the shops also played this song. I didn’t expect that after so many years, this song still hasn’t become outdated!”” ”

“””A classic will always be a classic ...”” Ran Tao said as he took a big bite of his beer.””I’m so cold. Wasn’t it -40 degrees Celsius last night?”” ”

“””I feel like I’m so cold that I can’t even drop any dregs!”” ”

“””No way? Dregs?”” Cui Lizhu’s eyes widened in surprise.””You mean you’re a scumbag?”” ”

Pfft ...

“Xi menna could not hold it in and spat out a mouthful of fruit juice. After that, she kept coughing ... ”

“””Alright, alright, be more serious!”” Zhao Yu looked at his watch and said,””Zeng ke and the forensic team will be here soon. You two can give me a brief report here.”” ”

“””What did you guys find out last night?”” ”

“””Boss,”” Ran Tao said,””they really need more people here!”” That Captain Qiu had even transferred the people from the traffic team over to help! ”

“””In my opinion, we should ask the criminal Department to transfer some professionals from the provincial capital ...”” ”

“””F * ck!”” Zhao Yu cursed,””I’m asking you, did you find anything?”” ”

“””No,”” Ran Tao answered with certainty.””Last night, as you instructed, I mainly searched the surveillance cameras near the third crime scene, and the situation was very bad! ”

“””Because the weather is too cold, many of the surveillance cameras are broken! He took out his mobile phone and showed Zhao Yu a few photos.””Look, there are a lot of cameras pointing at the ground. Captain Qiu said that they must have been crushed by the snow!”” ”

“““You’re joking, right?”” Cui Lizhu said,““the camera is so small. How could it be covered by the snow?”” ”

“““And,”” Ran Tao pointed to the photo and said,““look, because of the heavy snow, many of the videos are blurry. It’s all white, and they all look like this ...”” ”

Zhao Yu took a closer look and realized that the video was indeed very blurry.

“““Guess what?”” Ran Tao opened another photo and said,““the photos taken at night were clearer than the photos taken during the day.”” ”

“““I’m thinking ...”” Miao Ying said.““Since the murderer wanted to kill under the bridge, and drove a plow across the ice for a long distance, then ... In order to hide his actions, he should have done it at night?”” ”

“Ran Tao nodded and said,““I also think that it’s more likely to be at night. It’s so cold at night, so no one would go out, so the murderer wouldn’t have to worry about being found out!”” ”

“““I don’t think so,”” Zhao Yu said.““If it were at night, Zhao Yu said that with just a little light, they would be discovered! ”

“““Besides, it’s so cold at night. It will definitely affect the murderer’s transportation and the expansion of the dunks.”” ”

“““Tsk, tsk, tsk, the Ying Ying reflects the snow!”” Ran Tao said,““boss, what you experienced last night! At night, you can see things clearly in the snow ...”” ”

“““Oh ...”” Zhao Yu said.““Brother Tao, I’ll have to trouble you then!”” ”

“““What?”” Ran Tao shivered and had an ominous premonition. ”

“““Get someone to do an experiment at the crime scene tonight. Find a small bridge and use the murderer’s tools and techniques to simulate it. See if it’s feasible!”” ”

“““You ...”” Ran Tao grinned.““Are you afraid that I won’t be able to freeze to death?”” ”

“““I’m not joking,”” Zhao Yu said.““Remember to wear warm clothes, and then find some experienced locals to help you ...”” ”

“““What the ...”” Ran Tao was about to collapse under the table, while Cui Lizhu was laughing so hard that she almost burst out laughing. ”

“““Cui,”” Zhao Yu asked seriously,““what did you find out yesterday?”” ”

“““Oh ...”” Cui Lizhu quickly adjusted her posture and reported,““as per your instructions, I mainly went to investigate the background of the third victim, Qiu Jinna, last night. I even went to her store in person.”” ”

“““The shop is two-story. The first floor sells goods and the second floor is for residents. She mainly sells Russia fur products, hats, scarves, and other products ... ”

“““I found a few people who know her and asked them in detail. ”

“““These people had a good impression of Qiu Jinna, but they all mentioned that she was more ‘open-minded’, especially after her divorce. She would often see unfamiliar men going in and out of her shop, and most of them were at night!””

“““Also, there’s a rumor that Qiu Jinna only pays 800 Yuan a month for rent, while the other shops are all around 2000 Yuan. So, I’m planning to talk to Qiu Jinna’s landlord today. I wanted to go yesterday, but it was too late!”” ”

“““Mr. Landlord ...”” Ran Tao pouted and said,“““there seems to be something going on between him and Qiu Jinna.”” ”

“““Tell me about her ex-husband!”” Zhao Yu asked as he swallowed a big mouthful of pancake. ”

“““Her ex-husband was from Xinbin. He had a business in Manzhou a few years ago,”” cui Lizhu said.“““Now, he has returned to Xinbin. They don’t have any children.”” ”

“““Also, Qiu Jinna’s fur Business was started by her ex-husband. At first, she set up a stall on the ground and later rented a shop. It was doing well at first, but they suddenly divorced and broke up!”” ”

“““Maybe ...”” Ran Tao said.“““It’s because Qiu Jinna is too open-minded.”” ”

“““Qiu Jinna’s business is pretty good,”” cui Lizhu said.“““Although she plays cards a lot, she doesn’t play much. I didn’t hear that she was in any debt!”” ”

“““I’ve also checked Qiu Jinna’s financial status,”” Wu Xiumin added.“““She doesn’t have the habit of overdrawing with her credit card. There’s plenty of money on her card, and she hasn’t touched it recently.”” ”

“““Then ...”” Zhao Yu asked again,“““what about the family situation? Do you have any other relatives in Manzhou?”” ”

“““No,”” cui Lizhu replied with certainty.“““I came to Manzhou five years ago, and my Chinese is only average!”” Her neighbor said that Qiu Jinna had a few close female friends, but he could not remember their names. He would have to investigate further later! ”

“““And, boss,”” cui Lizhu added,“““I’ve checked the area around the commercial Street. There are many surveillance cameras there, and there are almost no blind spots!”” ”

“““I have a feeling that the murderer probably didn’t start from there!”” ”

“““Mm ...”” Zhao Yu nodded with satisfaction, then asked,“““so ... Did you find anything in her house?”” ”

“““Very few,”” cui Lizhu said, shaking her head.“““There were no photos, cell phones, or anything that could reveal information. I only found a few account books, all of which were in Russian ...”” ”

“““Mm ...”” Zhao Yu nodded again and couldn’t help but look at his watch.“““Zeng ke will be here soon. When Zeng ke is here, ask him to assist you in your investigation. See if he can open the victims ‘WeChat, QQ, and other online information!”” ”

““Boss,”” cui Lizhu said. ““I showed the photos of the first two victims to those who knew Qiu Jinna, but they all said that they didn’t know who she was. So, based on the current situation, we can’t prove that the three victims ...”” ”

“Before cui Lizhu could finish her sentence, Zhao Yu’s mobile phone buzzed. ”

““What’s wrong?”” ““Are Zeng ke and the rest already here?”” Miao Ying asked. ”

““No...”” Zhao Yu said. ““It’s Captain Qiu!”” ”

“Then, Zhao Yu pressed the answer button. ”

““Hey...Hello ...”” Zhao Yu’s face changed after he said a few words. ““What?!”” We found a new victim!”” ”

Chapter 2362: Paradise

“When Zhao Yu and his team returned to the entrance of the Manzhou police station, they ran into Zeng ke and the forensic team, who had just arrived. ”

““Team leader, you guys didn’t come here to welcome us, did you?”” Zeng ke enthusiastically pointed to a middle-aged man next to him and said, ““let me introduce you. This is Guo fengzhan, forensic doctor Guo. He is ...”” ”

“Before Zeng ke could finish his introduction, Zhao Yu had already come up to him. ”

“Forensic Guo quickly extended his arm in a friendly manner, wanting to shake Zhao Yu’s hand. ”

“Unexpectedly, Zhao Yu raised his hand and high-fived Guo fengzhan’s palm. ”

““You guys came at the right time!”” Zhao Yu said quickly, ““there’s a new case just now. Let’s go together!”” ”

“While they were talking, two police cars drove out of the police station, heading to the scene with Zhao Yu and the others. ”

““Ah?”” Zeng ke was shocked. ““A new case?”” So fast? Isn’t this ... The fourth case?”” ”

“Zeng ke realized that the situation was serious, and so did Guo fengzhan and the others. They quickly unloaded their professional equipment from the car and began to prepare. ”

““How about this!”” Zhao Yu looked at the situation and said, ““this is an emergency. We can’t hesitate any longer! ”

““Miao Ying, go to Manzhou City Hall immediately and tell them to prepare for martial law; Also ... Please apply to the criminal Division that there’s a lack of manpower here, so they can transfer people from new Coast!”” ”

““Okay,”” Miao Ying agreed. ”

“““Ran Tao and Cui Lizhu, continue your investigation,”” Zhao Yu said. ““You must find out all the information about the victims today!”” ”

“““Yes!”” The two accepted the order. ”

“““Sis Wu, Xi Menna and I will go to the crime scene now. Zeng Ke, go to the office to set up the equipment and investigate the victims’” network information!”” He said. Zhao Yu pointed at Guo Fengzhan and said, ““forensic Guo, bring an assistant with you to the scene. The rest of you, stay here to install the equipment!”” ”

“““Oh ... Oh, oh ...”” Guo Fengzhan didn’t expect the situation to be so urgent. He quickly nodded and went to arrange his team. ”

““Soon, the few of them got into the police car and went straight to the South. ”

“““Hongqi Town is not near!”” In the car, a driver in uniform explained to Zhao Yu and the others, ““we’re almost at the factory area, about fifteen kilometers away! ”

“““With these road conditions, it’ll probably take an hour to get there!”” ”

“““Factory?”” ““What factory?”” Zhao Yu asked. ”

“““Oh,”” the police officer replied. ““There’s an oil field there. We locals call it the third oil extraction plant. It’s directly under the northeast oil field and has nothing to do with Manzhou!”” ”

“““Here ...”” At this time, Wu Xiumin had found the location on the map, so she immediately showed it to Zhao Yu. ”

“““It can’t be?”” Zhao Yu frowned. ““That far?”” ”

““Indeed, although the first two cases were further away from the city center, they were basically on the edge of the city. ”

““However, from the map, this Hongqi Town was completely outside Manzhou city, and was an independent area. ”

“““But,”” the driver said, ““because of the special situation, the public security and police work are still under our management! ”

“““We have a police station there! ”

“““It’s like a paradise,”” the driver said. ““The workers are all of high quality, and the police station is basically just a decoration!”” ”

“““Team leader, look,”” Wu Xiumin pointed at the map again, ““this is the place where the second case happened. It’s called Baiqi town, which is very close to Hongqi Town!”” ”

“““Yes, I am!”” The driver said, ““Baiqi town is to the South of Manchuria, and Hongqi Town is slightly to the South. Actually, both of them belong to the third oil extraction plant. They were built when the oil plant was built and were for the employees or their families to live in. ”

““““However, as the equipment of the factory gradually became more advanced, it didn’t need so many workers. Dormitory buildings were built near the factory, so white flag town was basically abandoned. Now, it’s just a name, but it has long become a ruin!”” ”

““““Then ... What about Hongqi Town?”” ““““What’s the situation in Hongqi Town now?”” Zhao Yu asked. ”

““““The red flag ... I think someone lives there?”” The driver said,””““I’m not sure about the details, but the red flag man is right next to the factory. I think there should be someone living there, right?” ”

““““I’ll ask for you later ...”” ”

.....

“The driver wasn’t quite accurate. Since the factory had already sent people to clear the road with snow shovels, they only took 40 minutes to get to the scene. ”

“However, after Zhao Yu got out of the car, he didn’t see any small town. He could only see a huge factory on his right. ”

“There was a huge chimney in the factory, and white smoke billowed from the chimney into the sky. ”

“It was not much different from the crime scene that Zhao Yu had seen before. It was also snow-white, and the temperature was extremely cold. When he exhaled, a white mist would form. ”

““““You’re here ...”” At this time, Captain Qiu, who had been at the scene for a long time, came up to Zhao Yu and said with a sad face,””““I just heard that this is an abandoned factory Road. Now, there is basically no one walking here!”” ”

“As he spoke, he pointed into the distance.””““There, the bridge is over there. The factory has already sent people to block the bridge with stones on both sides because they are worried about the bridge’s endurance. Cars are not allowed to pass!”” ”

Zhao Yu looked up and saw a bridge that had not been maintained for many years.

“However, what he saw was not only the small bridge. Beside the small bridge, there were a few women who were crying. ”

““““These are ...”” Zhao Yu pointed at the women. ”

““““Oh ...”” Captain Qiu hurriedly explained,””““those are the factory workers. They ... They have already recognized the deceased ...”” ”

““““What?”” Zhao Yu was surprised.””““You know the deceased? Who ... Who is that?”” ”

“Out of curiosity, Zhao Yu quickened his pace and walked towards the bridge. ”

““““She’s also a female worker in a factory!”” Captain Qiu answered quickly. ”

““““What?”” Zhao Yu stopped in his tracks and asked in surprise,””““the factory workers ... No... No...”” ”

““““Yes, he’s not a foreigner!”” Captain Qiu frowned and said,””““it’s a female worker from Longjiang! Her name is ... Mm ... Chi Meixin ...”” ”

""Ah?"" "

"Not only was Zhao Yu surprised, but Wu Xiumin and Xi menna were also surprised. "

"In the first three cases of the little bridge female corpse case, the victims were all Russia women. Why was the victim this time not a foreigner? "

"While they were talking, Zhao Yu and the others had already come near the bridge and started to put on their shoe covers and gloves. "

Forensic Guo fengzhan and his assistant also opened their toolbox and made more careful preparations.

"Zhao Yu then remembered Dr. Guo, and immediately introduced him to Captain Qiu. "

"Captain Qiu was more than happy. He greeted forensic Guo and the others, then quickly brought them to his forensic forensic scientists to introduce them. "

"Forensic doctor Guo was specially sent by the criminal Division not to assist, but to be responsible for it. Therefore, the local forensic doctors had to hand over all the forensic identification work to forensic doctor Guo's team. "

"Zhao Yu knew that since they were appointed by the criminal Division, the professionalism of forensic Guo's team was beyond doubt. "

"Therefore, he didn't overstep his boundaries and waited until forensic Guo had completely taken over before he carefully went down the bridge and entered the scene ... "

Chapter 2363: The woman in red

No...

No...

"When Zhao Yu got off the bridge and saw the dead body, that was his first thought. "

It seemed like ... Something was wrong!

""Listen to me, listen to me,"" at this time, the voice of forensic doctor Guo fengzhan sounded in his ear,"" don't move anything, it's fine, please leave ..."" "

"As he spoke, forensic Guo instructed his men to film the scene in detail. "

"The so-called shooting was not just taking photos, but also recording. In the process, there were people using electronic rulers to measure the distance. The whole team seemed very professional ... "

No...

No...

"As Zhao Yu stood in front of the hanging bodies, the feeling grew stronger. "

“Although the body in front of him was also a young woman, naked, and frozen, Zhao Yu could still find many unusual things.”

“For example, the woman in front of him had obvious bruises on her body, but the previous one didn’t.”

The woman’s hair was unkempt and her face was hideous. The previous victim had smooth hair and a peaceful face ...

And ...

Zhao Yu looked at the top and quickly found another difference.

He saw that the metal ring used to secure the rope was clearly different from the previous one.

“Moreover ... The location of the expansion tube seemed to be off, and it was not firmly fixed. It had already slid out a few centimeters due to the weight of the body.”

“As a result, the body was slightly slanted ...”

“Then, Zhao Yu saw another obvious spot. On the top of the bridge, there was a small hole. The small hole was cracked, and there was crushed stone on the ground.”

“Obviously, this might be the place where the murderer prepared to insert the expanding tube first, but because he was not familiar with boring holes, he broke the holes and changed the place later.”

“Looking at the ground, there were very obvious scratches, and there were also many fragments and abandoned iron rings scattered on the ground. There were even some fragments of silk items, making it seem more lively.”

How ... Did this happen?

“Such a situation had never occurred at the scene before, and the murderer seemed to be calm and composed.”

“However, the scene in front of them gave off a sense of panic.”

Could it be ...

“Zhao Yu frowned, as he thought of a bad situation.”

Would he ...

“This murder case in front of them, someone was deliberately imitating it!”

Would he?

“Zhao Yu observed the environment again, and a detail suddenly flashed through his mind. The second case of the little bridge female corpse case had happened not far from here.”

Could it be that someone had seen the scene of the second case and was imitating it?

Or ...

What accident did the murderer encounter in the process of killing that caused him to panic?

“Someone had seen it, and it was the victim who had accidentally resisted ... ”

“Then, Zhao Yu didn’t stay at the scene for too long. He turned around and left the ditch, then went to the police cordon. ”

“““Zhao Yu, Zhao Yu ...”” Zhao Yu had just come up when he heard Xi Mengna say impatiently,““look, there are weeds all over the river. Is it impossible to take a sleigh?”” ”

“““Oh?”” Zhao Yu looked at the river that Xi menna was pointing at and saw a lot of weeds. The weeds were so dense that they completely blocked the river, making it impossible for the sleighs to cross. ”

“““If they didn’t take a sleigh, then they must have used something else to bring the bodies here!”” Xi menna said anxiously,““it just snowed. Shouldn’t we look for traces!”” ”

“““Mm ...”” Zhao Yu nodded, then looked at Captain Qiu. ”

“““Don’t worry, I’ve already sent people to search nearby!”” Captain Qiu said,““we’ve already called a few retired police officers over. They are very experienced in analyzing traces in the snow.”” ”

“““Mm,”” Zhao Yu said.““In that case, expand the blockade and don’t let the crowd enter the scene!”” ”

“““Yes, yes!”” Captain Qiu said,““I just talked to the factory and found out that there are no other residents nearby. They are all employees of the factory. ”

“““They’ve already given the order. No one will come and watch ...”” ”

“““By the way,”” Zhao Yu asked Captain Qiu,““how were the bodies found?”” ”

“““Oh ...”” Captain Qiu quickly replied,““didn’t we send out a notice to all units to assist in the search for the bridge? After the factory received the news, they organized a patrol to check the small bridge near the factory. ”

“““Who would have known? this morning, when they patrolled for the first time, they discovered the situation under the bridge!”” ”

“““Oh ...”” Zhao Yu turned around to look at the factory, then asked,““then ... Where is Hongqi Town?”” ”

“““It’s on the right of the factory!”” Captain Qiu raised his arm and gestured, then explained,““this road leads to white flag town. White flag town has been abandoned, so very few people use this road!”” ”

““At this time, Wu Xiumin came over and said to Zhao Yu,““team leader, I just talked to the deceased’s colleagues. They said that Hongqi Town has now been converted into a dormitory in the factory, and the deceased Chi Meixin lives there!”” ”

“““Also, Chi Meixin has been here for less than two years. She was transferred over from Longjiang chemical plant and signed a five-year contract ...”” ”

“““Longjiang is a big city.”” Zhao Yu was curious.““Why were you transferred here?”” ”

“““Because of the urban planning in Longjiang, large enterprises have been restructured, and the chemical plant there is on the verge of closing down,”” Wu Xiumin said.””Although it is remote, the salary is still quite high!”” ”

“““Then ...”” Zhao Yu quickly asked,””have you asked about Chi Meixin’s personal situation?”” ”

“““Yes,”” Wu Xiumin replied.””She’s 35 years old this year, single, divorced, and has a child. She divorced in Longjiang, and her child is with her ex-husband. ”

“““Chi Meixin has no ties to anyone, that’s why she chose to come to work in Manzhou ...”” ”

“““Then ... What about now?”” Zhao Yu asked the main point,””here. Are you in a relationship?”” ”

“““No...”” Wu Xiumin pointed to the female workers who were still crying by the river and said,””among them, there were some who lived in the same dormitory as Chi Meixin. They were very sure that Chi Meixin was not in a relationship!”” ”

“““Since we’re living together,”” Xi menna asked curiously,””he’s gone. You’ll know, right?”” ”

“““Shift!”” Wu Xiumin said,””it just so happened that Chi Meixin’s two roommates were working the night shift last night, so no one noticed that Chi Meixin was missing!”” ”

“““What?”” Zhao Yu was surprised.””Last night! In other words ... It’s possible that this Chi Meixin’s incident happened last night?”” ”

“““Right!”” Wu Xiumin said,””the last time they saw Chi Meixin was last night at dinner. Many people saw her in the factory’s restaurant!”” ”

“““That’s weird ...”” Xi menna frowned and said,””the ones who died before were all beautiful Russia girls. Why did they become factory workers here?”” ”

“““Who would want to kill a factory worker in such a way?”” ”

“““Oh, by the way ...”” Wu Xiumin continued,””just now, those people told me that Chi Meixin’s mental state hasn’t been very good for the past few days. She seems to be ... Under some kind of spell!”” ”

“““What?”” Zhao Yu was surprised again.””What do you mean by possessed?”” ”

“““They said,”” Wu Xiumin said,””that Chi Meixin was always talking about the ‘woman in red’. She said that a woman in red would often wave at her ...”” ”

Chapter 2364: Chapter 2358-crime imitation?

“““From the factory to the dormitory in Hongqi Town, we will pass by an Ice Lake!”” A Female Factory worker said to Zhao Yu and the others with red eyes,””if we walk around the ice Lake, it’s a little far. We don’t have a bicycle, so in winter, we like to cross the ice directly, which saves a lot of time. ”

“Probably ...” The female worker recalled. “It was more than a month ago? Xiao Chi said that every time she got off work and walked on the ice, she would often see a woman in red waving at her from the northern woods!”

“When she said this, the other two female workers at the scene shivered inexplicably.”

“The sky gets dark early in winter,” the previous female worker continued. “We get off work at 6 p.m. And after dinner, the sky will be dark. You can’t even see the forest on the ice, let alone the woman in red!”

“At first, we didn’t think much of it. We thought that Xiao Chi was just trying to scare us!”

“But, after a few days, Xiao Chi’s condition became worse and worse. She started to get nervous and anxious. She insisted that she saw the woman in red again!”

“There was also one time when he scared the few of us!” The female worker hesitated for a moment and said nervously, “because we were worried about Xiao Chi, we accompanied her to get off work and go back to the dormitory together.”

“One time, when we were walking on the ice, Xiao Chi pointed to the forest in the North and said he saw a woman in red!”

“But, we turned around and looked for a long time, but we didn’t see anything ...”

“After that day, Lil Chi’s condition worsened. He even took a few days off with a fever. We were discussing whether we should get a master to take a look at Lil Chi ...”

“But I didn’t expect ... Sigh ...” The female worker cried. “Something ... Something so serious happened ... Sob sob sob ...”

“As she cried, the other female workers also cried.”

“Zhao Yu, Wu Xiumin, and Xi menna looked at each other. No one had expected that a ghost story would appear in a murder case that was already strange!”

“Of course, based on Zhao Yu’s experience, this ghost story might just be an interlude, and had nothing to do with Chi Meixin’s murder, or the entire under-Bridge Murder Case.”

“So, Zhao Yu adjusted his thoughts and mentality, and began to focus on the case at hand.”

“He asked Wu Xiumin to be in charge of the case, to investigate the information related to the deceased, as well as to survey the surrounding environment to find any suspicious traces.”

“Later, he went to Captain Qiu and asked him to find the video of the second murder under the bridge. He suspected that the murderer might be among the onlookers.”

Zhao Yu put on his gloves again and went under the bridge.

“At that moment, under the command of forensic doctor Guo fengzhan, the body had been removed from under the bridge and put into a body bag.”

“Next, the inspection staff began to collect the materials on the scene in detail.”

“The snow had stopped, and there was no wind. The temperature was slightly higher than before, but it was still around -10 degrees Celsius. The staff were obviously not prepared for the cold, and they were all shivering.”

“““Officer Zhao,”” Guo fengzhan saw Zhao Yu and immediately pointed to the body bag,””from the degree of freezing, the deceased has not been dead for a long time! ”

“““I’m at ...”” He opened the bag and pointed to a place for Zhao Yu.””There were some bruises on the body, as well as some herbal remains. ”

“““I suspect that the murderer might have dragged the victim through the grass for a while. So, I suggest that you search the grass carefully!”” ”

“““Oh, I understand ...”” Zhao Yu turned his head and looked at the withered weeds on both sides of the river, then reached out his hand and said to Guo fengzhan,””forensic Guo, I was in a hurry to meet you before, so I didn’t have time to say hello!”” ”

“““Oh ...”” Forensic Guo quickly shook Zhao Yu’s hand and said,””the situation is special, so I can’t take off the gloves!”” I’ve long heard of the famous detective Zhao Yu, and I finally meet you today!”” ”

“““It’s been so cold, thank you for your hard work!”” Zhao Yu quickly said a few good words. ”

“““Hey, don’t say that. This is our job! ””Um ...”” Guo fengzhan hesitated, then said to Zhao Yu,””officer Zhao, I’m not sure if you’ve noticed this! ”

“““I read the autopsy reports of the previous cases on the plane, and I found that something is wrong this time!”” ”

“““Yes, you can also tell!”” Zhao Yu said,””the scene was a mess. The murderer looked like a rookie! However, the first three cases were handled cleanly!”” ”

“““That’s right,”” forensic Guo said.””I also think that someone might be imitating the real murderer in this case!”” ”

“““I just saw that on the chin, collarbone, and even the face of the deceased, there were different degrees of strangulation marks. I suspect that ...”” Forensic Guo gestured to the body in the bag and said,””the murderer hung the body several times before he succeeded. He may have overlooked the fact that the rope needed to be fixed, and then put the victim’s neck into the noose ...”” ”

“““Yes,”” Zhao Yu said.””There were signs of friction on the Rings the previous times, so we suspected that the murderer used a more energy-saving pulley. But, the murderer in front of us didn’t know what a pulley was! ”

“““He only thought that he could hang a dead person up with a noose and a noose!”” ”

“““I saw some finger pressure bruises on the victim’s neck. It seems that the murderer strangled the victim before she was hung, but ...”” Guo fengzhan pointed at the body and said,””I compared it to the previous body, and there are obvious differences in the location and strength!”” ”

“““So, based on the information we have now, we can basically judge that this case and the previous cases were not committed by the same murderer!”” ”

“Mm ...” Zhao Yu nodded and fell into deep thought. ”

“He was thinking, if this case was really just an imitation, should he have told Miao Ying in advance? ”

Perhaps the full martial law could be implemented later.

“In addition, he was also thinking, if the murderer of this case and the previous three female corpses under the bridge cases were not the same person, which one should he focus on? ”

There were many loopholes in the case. A female oil factory worker from another place had died under a small bridge outside the factory. There must be a major reason for her death. It would definitely be easy to investigate!

“So, if they focused on this case, they might be able to find the murderer soon! ”

“Police officer Zhao,” Guo fengzhan looked around and said to Zhao Yu, “I just heard that the victim was a female worker in the oil factory. If this case is really a copycat, does it mean that the murderer is related to the factory?” ”

“I understand what you mean!” Zhao Yu nodded and said, “I’ll send someone to talk to the factory. Later, we still have to go to the victim’s dormitory to check the scene. Then, I’ll have to trouble your team ...” ”

“Please don’t treat me like an outsider. Before I came here, teacher Gao Facai called me and specifically told me to do it. ”

“I’m a forensic doctor. It’s my duty to investigate the case. If you have any orders, just tell me!” ”

“Oh ... Oh ...” Zhao Yu nodded in satisfaction. ”

“It seemed that Gao Facai must have told him about his bad temper, so he was very respectful and polite when he spoke. ”

“The two of them talked for a while, and Zhao Yu walked out of the river ditch for the second time. ”

“At the same time, the forensic team had already moved the bag containing the body to the river bank and loaded it into the police car, ready to transport it back to the Manzhou police station for the autopsy. ”

“Seeing Zhao Yu come up, Captain Qiu quickly came forward and said, “Officer Zhao, we’ve found the video of the scene at the White water Bridge. If you want to see it now, I can share it with the technical department on your phone. You can see it now ...” ”

“There’s no hurry,” Zhao Yu said. “Before that, we still have to go to the dormitory of the deceased and consult the people in the factory ...” ”

Di di ... Di di ...

“Just then, his phone rang. ”

Zhao Yu unlocked his phone and realized that it was not his own.

““““Oh ... It’s mine, it’s mine ...”” Captain Qiu quickly grabbed his mobile phone and pressed the answer button. ”

“However, after answering the phone, Captain Qiu suddenly staggered and almost fell to the ground ... ”

Chapter 2365: Square

““““Yes, yes,”” Zhao Yu said to Miao Ying on the phone as the police car sped through the snow.””Report to the criminal Division immediately and ask them to send reinforcements!”” There was a new case, and they were definitely short on manpower ... ”

““““Also, regarding the full martial law, you and the city leaders should think about it. I think that for the time being, we should focus on strengthening the security. If the martial law is suddenly imposed, I’m afraid it will cause panic! ”

““““Mm ... Mm ... I’m confident in you. Do as you see fit. I’ll go to the scene now ...”” Zhao Yu said.””Yes, there are fewer forensic doctors. If not, get some from new Coast City!”” ”

““““Al! What is there to be afraid of? the thing I was most worried about still happened! ”

““““Mm ... Mm ... I understand, I understand ...”” Zhao Yu said.””I know. I’ve seen all sorts of things, so I won’t be flustered!”” ”

“After hanging up the phone, Zhao Yu took a deep breath. ”

““““Two female corpses under the bridge appeared on the same day. What ... What should we do?”” The heater was turned on to the maximum, but Captain Qiu still shivered as he said,””including yesterday’s cases ... Three cases. Why are they so close?”” ”

““““It’s like mushrooms growing. I haven’t picked one side yet, and another one popped up! Are they sprouting after the rain?”” ”

““““Don’t panic!”” Zhao Yu comforted her, saying,””the body might have been hanging there a long time ago, just that it was found later. ”

““““Let’s first talk about the latest case. “” ”

““““Hali hari village,”” Captain Qiu said nervously,””this village is full of ethnic minorities, and it is located to the west of the city! ”

““““Just now, the village council carried out a special inspection after receiving the notice and found it under a small bridge on the east side of the village ...”” ”

““““What? West?”” After Zhao Yu heard this, he immediately thought of something. He quickly opened the map on his phone and looked at it carefully. ”

“Curious, Simone turned her head to look and saw that Zhao Yu had already marked the locations of the previous few cases on the map. ”

“Holy shit!” Zhao Yu swallowed his saliva, pointed at the map, and said, “look, the first case was in Dongli village, which is to the east of the city!”

“The second one was in white flag town, South of Manchuria!”

“The third case, meihexing town, happened to be in the north of the city!”

“Now, there’s another ha ... Ha what again? it’s just West, just West!” Zhao Yu’s eyes suddenly widened. “North, South, East, and West, they’re all occupied. From the map, they’re all square! It’s too straight!”

“No... No, no, no...” Captain Qiu grabbed his hair and said, “you ... You’re making me confused! Wasn’t the one at the 3rd oil extraction plant to the South as well? Were there two incidents in the South?”

“No,” Xi menna said. “Our team leader suspects that the case at the No. 3 oil extraction plant was copied by someone else!”

“Ah?” Team leader Qiu was even more shocked. “Imitator...Is it so evil to commit an imitation crime? The ... The point is, this case was only recently solved!”

“Only we, the police, know the specific situation of the crime scene. Who ... Who would imitate it?”

“Our team leader suspects,” Xi menna told the truth, “that when the case happened in white flag town, someone was at the scene and saw the scene, then imitated it!”

“Furthermore, this person is very likely to be from the factory, a colleague of that Chi Meixin ...”

“Oh ... Oh ...” Captain Qiu suddenly realized. “No wonder you asked me for the live video just now!”

“Fortunately, we recorded it, but ... But ...” He said worriedly, “our Criminal Investigation Department is not very professional. I don’t know how Liu recorded it!”

“If we only record the scene and not the crowd, we’re done for ...”

“Let’s not talk about that for now,” Zhao Yu asked. “What’s the situation with the body that was just found?”

“It’s not close. I’ve already sent the nearest person over. It’s impossible for them to get there now!” Captain Qiu said, “according to the villagers who found the body, it was also a woman’s body. However, because it was frozen too hard, we can’t tell whether it was from China or abroad!”

“I’ve told them to protect the scene and wait for our people to come over!” Captain Qiu said, “Hali Hali village is a well-off village. The villagers are all cultured. They will definitely protect the scene well!”

Was it?

“Zhao Yu frowned, as he thought of something.”

““Zhao ... Mm, team leader Zhao,” Xi menna could not help but ask,“the direction you mentioned just now, is there any other explanation?”“ Could this be some sort of religious ritual?”“ ”

““This is what I’ve been worried about the most since I came to Manzhou,” Zhao Yu said.“I have a feeling that the murderer’s purpose is not only to kill, but may have other purposes!”“ ”

““Yeah,” Xi menna said, frowning.“There are so many bridges. If it’s just for killing people, which one can’t we choose? Why do you have to choose one in the North, South, East, and West?”“ ”

““Tsk tsk ...” Zhao Yu looked at the map and fell into a new thought. Now that the North, South, East, and West were all gathered, would the murderer make another move? ”

“Had he already completed his mission, or ... Or would he choose a new place? ”

.....

“From the South to the west of the city, they happened to pass by a highway that led to mengxiang. Using the highway, Zhao Yu and the others only took about thirty minutes to reach hali hari village. ”

“When they arrived, the police officers who had arrived first had also arrived at the scene and were setting up a cordon. ”

A few local villagers in herdsman’s clothes were reporting something to the police.

““If we didn’t come out to patrol, people would only cross this bridge when the snow melts!”“ A herdsman with a white beard said,“to be honest, even if you really cross the bridge, it’s hard to see the situation under the bridge! ”

““Look ...”“ He pointed to both sides of the river.“There’s no riverbank on either side. We’re all going straight from the bridge. Who would look down at the bridge?”“ ”

“Zhao Yu came to the bridge, and to his surprise, he heard the sound of running water. ”

““Eh?”“ ”

“He quickly ran to the river and looked down. He was shocked to see that the surface of the river was not completely frozen. The ice on the right side was actually cracked open, and water was flowing through it ... ”

““This ...”“ Team leader Qiu was also shocked. He hurriedly asked the herdsman,“why is there water here?”“ ”

““Oh ... There’s an underground spring in Alxa. The spring water is warm,”“ the old man said, pointing to the water.“But it’s all cold after flowing here. After flowing through yakeqi, it’s completely frozen. Only some of it flows under the ice ...”“ ”

“As the old woman was speaking, Zhao Yu could see that although there was still water on the ice, the current was not fast, and it did not affect most of the ice. ”

“Therefore, he quickly put on his gloved feet and gloves and went down the bridge. ”

“This bridge was the shortest of all the bridges, and because there were still piers under the bridge, it appeared unusually narrow and dark. Moreover, there was a lot of plastic waste under the bridge, as well as stinky mud that had melted in the warm water and emitted a foul smell! ”

“The frozen corpse hung in the middle of the bridge. Due to the lack of light, it was really difficult to find it from the outside. ”

“Just by looking at the scene, Zhao Yu could confirm that the case in front of him was definitely the same murderer as the murder under the bridge! ”

“Be it the expanded tubes, loops, or knots, they were all neatly arranged. There were no traces on the ground either, which was obviously different from the case at the No. 3 oil extraction plant. ”

But ...

Zhao Yu came in front of the corpse and actually smelled the stench of rotting corpses.

Chapter 2366: Chapter 2361-disrupted rhythm

“After seeing the body, Zhao Yu finally understood why the locals couldn’t tell if the body was a foreign woman! ”

“This was because the corpse in front of him had already turned black, and his face could not be recognized. ”

“As there was water flowing under the bridge, the water vapor from the surface of the water wet the bodies. When the cold wind blew, the cold air would freeze the water vapor. ”

“However, when there was no wind, the frozen parts would be melted by the water vapor. As time passed, the decay of the corpse was accelerated. Many parts of the body shriveled and dried up, becoming unrecognizable. ”

“Zhao Yu had seen many things, but this was the first time he had seen a corpse like this. He felt very uncomfortable. ”

““Phew ...” Guo fengzhan, the forensic doctor, had a complicated expression on his face.”“This body must have been here for a long time!” ”

““It can’t be!” Captain Qiu, who was behind, said,”“Manzhou is only this big. If it has been a long time, why haven’t we received any missing reports? ”

““Could it be ... Could it be that this is a woman from another place?” ”

““From the skeleton frame,” Dr. Guo looked at the body carefully and said,”“there are obvious characteristics of the European and Asian race, and this hair ... It should be a Russia woman!” ”

“Zhao Yu saw that the victim’s hair was brown and black, similar to the female victims in the previous cases. ”

“““A conservative estimate ...”” Dr. Guo took out his mobile phone and said,““this body has been hanging here for at least a month!”” ”

“““Police officer Zhao,”” he requested from Zhao Yu,”“my men are still somewhere else, so leave the crime scene collection and corpse disposal to me!”” ”

“““Alright!”” Zhao Yu turned to Captain Qiu and said,”“send all the collection personnel from your police station to help!”” ”

“““Yes!”” Captain Qiu nodded in agreement, then pinched his forehead and said,”“if it’s more than a month, I’m afraid there won’t be any traces left, right? ”

“““I’ve calculated the time. The second case was two weeks before the new year, which means ...”” He pointed to the body and said,”“this case should be the third case of the killer under the bridge!”” ”

“““Yes.”” Zhao Yu had already thought of this, so he nodded and said,”“Qiu Jinna from meihexing town should be the fourth victim! ”

“““The first one was the hotel waitress, Eliza ...”” Zhao Yu recalled.”“The second one was the dancer, Zhang Mei ...”” ”

“““Yelina. Zhang Mei’s Russia name is Yelina ...”” Captain Qiu added. ”

“““And then ...”” Zhao Yu looked at the female corpse in front of him.”“It was this woman, a Russia woman!”” ”

“““Lastly, there’s Qiu Jinna who runs a fur shop on the commercial Street! ”

“““These four women ... For what reason were they chosen by the murderer?”” ”

“““Then ...”” Team leader Qiu asked,”“what about Chi Meixin from the 3rd oil extraction plant? You ... Are you sure that she has nothing to do with this serial murder case?”” ”

“““Yes,”” Zhao Yu said.”“I handed that case over to my team members to handle. Someone must have wanted to imitate the killer under the bridge! ”

“““Now, our focus should be on the four real female corpses under the bridge cases! ”

“““Captain Qiu,”” Zhao Yu said, pointing to the body under the bridge.”“You have to find out the identity of this female body as soon as possible. Only by knowing the relationship between these four women can you find the murderer!”” ”

“““Yes, yes!”” Captain Qiu trembled as he said,”“I will definitely, definitely be quick!”” ”

“After that, Zhao Yu spoke a few more words to forensic doctor Guo fengzhan, then returned to the police car. ”

“At that moment, Zhao Yu had already forgotten about the cold and warmth. As soon as he got into the car, he immediately called Miao Ying. ”

The two of them discussed their future investigation plans.

“Miao Ying told Zhao Yu that, although there had been five cases of female corpses under the bridge, the city still didn’t want to impose martial law. ”

“After some discussion, they decided to increase the intensity of their patrols and set up checkpoints at all important passes. They would also report the case to the port Administration and have the administration cooperate in searching for suspicious people entering and leaving the country ... ”

“Then, Miao Ying told Zhao Yu that the criminal Division had sent over thirty experienced criminal investigators from Xinbin city, and they were expected to arrive early the next morning. ”

“Therefore, they had to be prepared for the mission. Once the personnel were in place, they had to immediately launch a large-scale investigation. ”

“After the discussion, the police’s forensic vehicle arrived at the scene. ”

“Soon after, under the command of forensic doctor Guo, the on-site inspection and collection, as well as the handling of the corpses, began. ”

“The sun was shining brightly that day, and the temperature outside was gradually rising. It was much better than when they were at the third oil extraction plant that morning. ”

“”Zhao Yu ...” At this time, Xi Mengna said to Zhao Yu,“”if you’re short on manpower, you can count me in! After all, I’m still a member of your Special Investigation Group! ”

“”I know Russian. Why don’t I ask the herdsmen for you?”” ”

“”Is your brain rusty?”” Zhao Yu glanced at her.“”This is not Russia, okay? The herdsman speaks Mandarin, why is he speaking Russian?”” ”

“”Oh ... Oh ...”” Xi menna’s face was red with shame.“”I said the wrong thing, I said the wrong thing! I mean, I can help you with something, right?”” ”

“”You ... Um ...”” Zhao Yu looked out of the car. Everyone was busy dealing with the scene, and Captain Qiu was busy making phone calls. No one had the time to record the statements of the herdsmen who found the bodies. ”

The herdsman stood by the river and watched the police work.

“”Don’t worry, I understand your process,”” said Xi menna.“”One is to get them to explain the process of finding the body in detail, and the other is to leave their communication method, right?”” ”

“”Right!”” Zhao Yu nodded in satisfaction.“”Alright, go ahead then. Ask for more details!”” ”

“”Alright, this is no problem!”” Xi menna started to put on her clothes excitedly ... ”

“Just then, Zhao Yu’s mobile phone suddenly rang. ”

“When he opened it, he saw that it was from cui Lizhu. ”

“Zhao Yu knew that cui Lizhu was investigating the details of the first few victims. She was calling him, so it was very likely that she had found something important. ”

Zhao Yu quickly picked up the phone.

“However, a sudden accident disrupted Zhao Yu’s rhythm! ”

“As soon as the call was connected, cui Lizhu’s surprised voice came from the phone.””Boss, ah ... What are you guys doing ...”” ”

Crack ...

“With a burst of noise, cui Lizhu’s call was cut off! ”

“”F * ck!”” ”

“Zhao Yu cursed, his heart in his throat. ”

“He quickly called back, but the phone was still ringing, but no one picked up ... ”

“Sensing that Zhao Yu was acting strange, Xi Mengna stopped putting on her clothes and asked,”””What ... What’s wrong?”” ”

“””Motherf * cker!”” Zhao Yu quickly called Zeng ke and shouted at him,””hurry! Give me cui Lizhu’s location immediately, something might have happened to her!”” ”

Chapter 2367: I’m third

Whoosh ... Whoosh ...

“The police car that Zhao Yu was driving was like an arrow that had left the bow, speeding forward on the snow-covered and even frozen ground. ”

“Due to the urgency of the situation just now, Zhao Yu did not even say goodbye to Captain Qiu, but went straight to the driver’s seat and drove the police car away. There was only Xi Mengna in the car! ”

“Xi mengna was also a little shocked. This series of events had overwhelmed her, and her mind was in a mess. After a long while, she finally remembered what she should ask. ”

“””Zhao...Zhao Yu, what happened?”” ”

“In the end, not only did Zhao Yu not answer her question, but he also said a classic “”granny bear!”” ”

“It turned out that, while Zhao Yu was driving, he had suddenly remembered something important. Ever since he had come to Manzhou to solve the female corpse under the bridge case, he had forgotten that he had the system in his head! ”

“Previously, perhaps because the system had been frozen for too long, he was not used to opening hexagrams! ”

“At that moment, he realized that something might have happened to cui Lizhu, so he quickly opened a hexagram. ”

“As a result, three big words appeared in the hexagram poem: ”

Kun Gen Qian!

“F * ck, this is great!”

“Zhao Yu complained in his heart, why didn’t he get a hexagram earlier?”

“Kun Gen was fine, but there was also a Qian hexagram. Without a doubt, the case in front of him was going to be troublesome!”

“Kun was a big event, Gen was a case, and Qian was a compound hexagram, which meant that all kinds of situations could happen ...”

‘Holy sh * t ...

“If this divination ended, it would definitely be frozen for a few days.”

But ...

“So far, what Zhao Yu was most worried about was cui Lizhu’s safety.”

“Kun was a big event, but it also represented the dead!”

“Cui Lizhu, please be fine!”

She was currently investigating the background of the victims. Could it be that ... She had accidentally found the murderer and was caught by the murderer before she could report the situation?

“Although Zeng ke had found cui Lizhu’s location through the GPS, which was Northwest of Manzhou city, Zhao Yu couldn’t guarantee that cui was still with her mobile phone.”

It would be troublesome if they only found a phone ...

“The target location wasn’t too far from Zhao Yu, but it wasn’t close either. If he were to drive normally in this kind of snow, it would probably take him another half an hour to get there!”

“Zhao Yu didn’t dare to waste any more time, so he drove the car so fast that it was about to fly ...”

“However, there was ice under the snow, and it was difficult to control the car when it started to drift. Just as Zhao Yu drove onto the main road, the parking space was swept to the shoulder of the road twice in a row. On the way, he even scratched a white car that was driving in the opposite direction, which made the driver of the car curse in anger!”

“No, Zhao Yu realized that his driving skills couldn’t handle such road conditions. If this continued, not only would he not be able to get there in time, but he might also get into a serious car accident.”

“As the main road led to the city, the number of cars gradually increased. If Zhao Yu didn’t slow down, he wouldn’t be able to continue driving without any worries!”

“He focused his attention on his skills, and with a thought, a driver skill appeared in the most striking position.”

“A system notification popped up. In order to use this function, the basic level only required 2900 points, the intermediate level required 4100 points, the advanced level required 7600 points, and the special skills required 10800 points ... ”

“”Hey, hey, hey ... Be careful, be careful ...” ”

“Just as Zhao Yu was thinking about which one was more suitable, Xi Mengna, who was behind him, suddenly exclaimed. It turned out that Zhao Yu’s car was driving too fast, and when it passed a small intersection, it crashed into a snow sweeper! ”

“At such a high speed, if they were to hit, Zhao Yu’s emergency evacuation ball would probably bounce off!”

“Zhao Yu was also shocked. He quickly held onto the steering wheel and twisted it hard. The police car suddenly made a horizontal turn on the snow, and the entire left side of the car brushed against the snow sweeper! ”

Crash! The car windows were all shattered from the collision. Xi mengna quickly covered her head and lay down in the back seat.

Creak ...

“However, the high-speed car was completely out of control. After barely avoiding a destructive crash, because Zhao Yu turned the corner too straight, the center of gravity of the car shifted. As the corner of the car was gradually lifted up, the car rolled over on the smooth ice ... ”

Ah ...

Ah ...

Zhao Yu and Xi Mengna’s exclamations came from the car.

“Fortunately, there were no other cars passing by. After the police car rolled over once, it miraculously stopped on the side of the road and hit an electric pole. ”

“If it wasn’t for the pole, the car would have fallen into the ditch. ”

“”Oh ...”” Zhao Yu was wearing his seat belt, so he didn’t suffer too much of a shock. He quickly turned to ask Xi Mengna, ””how are you?”” ”

“However, after he asked, Xi mengna’s chiding voice suddenly came from behind the car. “” ”

“”Sh * t, how do you drive?”” ”

Zhao Yu was speechless.

“The next second, he saw Xi mengna tear off her cumbersome clothes and step into the cockpit. ”

“”Dodge! Let me open!”” ”

“As she spoke, Xi Mengna unbuckled Zhao Yu’s seat belt and dragged him to the front passenger seat. ”

“”You ... This is ...”” ”

“Of course,” Xi menna said as she sat in the driver’s seat and started the car. She then told Zhao Yu, “my sister is the third place in the montcarlo rally!”

* Buzz Buzz ... *

“As she spoke, Xi menna slammed the accelerator, making a deafening sound.”

“Then, with a click, she fastened her seat belt, released the clutch, and stepped on the accelerator. The car was like a beast, directly rushing out of the roadside and onto the main road!”

‘F * ck ...’

“Zhao Yu was pushed by the inertia, but he quickly put away the surprise on his face and quickly fastened his seat belt.”

“Although the car had just rolled on the ground, the machine was obviously undamaged. Xi Mengna stepped on the gas pedal even harder than Zhao Yu had just driven!”

“You ... You ...” Zhao Yu looked at Xi menena in shock and said, “you’re hiding information from me. You never said that you’re a racer.”

“It’s so sad. It’s not that I’m hiding information,” said Xi menna, looking at the situation with great concentration. “You didn’t even read my report!”

“Oh ...” Zhao Yu recalled that he had indeed not seen Xi menna’s detailed confession report.”

“As they were talking, the road turned. Xi menna quickly changed gears, stepped on the accelerator and brake. When the car turned, she pulled the handbrake. The car squeaked and drifted perfectly, driving out of the turn smoothly!”

“Oh oh oh ...”

“Zhao Yu felt as if he was floating in the air, and it took him a long time to regain his gravity. He immediately exclaimed.”

“Sis, sis ...” Zhao Yu swallowed and said to Xi Mengna, “you said you got third place in the race? Don’t tell me that your dad bought you the third place?”

“Monte Carlo, I signed up for the race behind my dad’s back ...” As she spoke, she did a series of dazzling operations. The police car actually drove on the ice and snow Road like it was on a track, easily overtaking several cars ...”

“Awesome, awesome ...” Zhao Yu gave her a thumbs up and thought to himself that he had saved a lot of money this time. Since he had a professional racer, he didn’t need to spend points to use any skills, right?”

“Zhao Yu ...” Xi Mengna shouted, “hurry up and point me in the right direction! Where did your team members get into trouble, and where are we going?”

“On Manchurians ‘Hengshan Street, the snow on the street had already been cleared. A police car was speeding through the clean Street. ”

“““This should be the place!”” ““ 190 Hengshan Street, just up ahead ...”” Xi menna said to Zhao Yu as she controlled the car. ”

“““Yes,”” Zhao Yu said, pointing to the bar on the left.””That’s the bar!”” ”

“Russian was written all over the bar, the neon lights were dim, and the door was closed. ”

“Just as Xi Mengna was about to stop the car, Zhao Yu suddenly held her hand and said,””””Don’t stop, crash into it!”” ”

“““What?”” Xi menna was shocked.””Are you crazy? I can’t be sure. Your team members are inside! If ...”” ”

“““Listen to me, speed up and crash into it!”” Zhao Yu’s attitude was firm. ”

“““Alright! As you wish!”” Xi menna turned the steering wheel, stepped on the gas pedal, and headed straight for the bar’s main entrance! ”

Bang ...

“With a loud crash, the car broke through the fragile main door and drove into the bar! ”

Hualalalala ...

“The glass shattered and the door flew everywhere, giving the people inside a big fright. They all squatted on the ground and held their heads. ”

Creak ...

“As soon as they rushed into the bar, Xi menna immediately stepped on the brakes, while Zhao Yu immediately opened the door from the passenger seat and jumped out. ”

“There were more than a dozen people in the bar. There were both men and women, all wearing jeans and shirts. They were all burly and had tattoos on their bodies. ”

“After Zhao Yu got out of the car, he immediately saw cui Lizhu kneeling on the ground and rushed over to her. ”

“““Boss, boss, you’re finally here ...”” Cui Lizhu was overjoyed to see Zhao Yu. She quickly got up from the ground and went to greet Zhao Yu. ”

“““Little cui!”” Zhao Yu pulled Lil cui into his arms and saw that her right cheek was swollen, and there was blood at the corner of her mouth. ”

“““Boss,”” cui Lizhu said hurriedly,””I just came here to look for a woman named Pavla. I suspected that this woman had a close relationship with Qiu Jinna, so I wanted to talk to her. But when I came in, these people ... Ah ...”” ”

“Before cui Lizhu could finish her sentence, she saw a burly, fierce-looking, and golden-haired foreign man rush in front of her. She was so scared that she quickly hid behind Zhao Yu. ”

“”Kabaranesia, Kumu haqha in the house ...”” The man pointed at cui Lizhu and shouted fiercely, his saliva flying in the air. He was speaking in a language that Zhao Yu couldn’t understand. ”

“Just as the man was scowling and shouting, a few more people ran out from the door behind the bar! ”

“Some of these people were wearing professional wrestling clothes, some were wearing boxing gloves and protective gear, obviously they had just been doing some fighting training or competition. ”

“When these people saw a Car Rush into the bar, they were all filled with righteous indignation. They all gathered around to support the golden-haired man. ”

“There was no police sign on Zhao Yu’s car, so they couldn’t tell that it was a police car. ”

“”There’s definitely something wrong with Bavla ...”” Cui Lizhu wiped the blood from the corner of her mouth and said to Zhao Yu, “”I just asked her a question, and she ran away!”” “”Then, I was surrounded by this group of people ...”” ”

“”Little cui!”” Zhao Yu squinted his eyes and asked, “”you were beaten up? Which one did it?”” ”

“”It’s him!”” Little cui pointed at the golden-haired man. “”This guy is so rude and unreasonable. I showed him my police badge, but he tore it up and couldn’t speak a single Chinese word! ”

“”I called you when I saw that the situation was bad, but he broke it. Moreover, they imprisoned me and didn’t let me go!”” ”

“”Hey, Musk, what are you ...”” At this time, the golden-haired man was still shouting arrogantly, his fingers almost touching Zhao Yu’s eyes! ”

“”Hmm ... I know!”” Zhao Yu ignored him and asked cui Lizhu, “”where’s the woman you’re chasing?”” ”

“”He’s hiding behind. I don’t know if he’s run away ...”” ”

“”Hey, silly coin ...”” At this time, the Golden Retriever suddenly cursed in Chinese, then said a bunch of foreign words to Zhao Yu. ”

The others were also eager to make a move. It looked like they wanted Zhao Yu to compensate them for their losses.

“”Xiao Cui,”” Zhao Yu said, “”you go behind Xi menna. Don’t get your blood all over you later!”” ”

“”Boss, there are too many of them. If you can’t handle it, just take out your guns!”” Cui Lizhu said worriedly, then asked curiously, “”who is Xi menna? ”” “”Hmm ...”” She turned to look at Simone and asked in confusion, “”isn’t her name Nana?”” ”

“”I’ve given her a new name. Go!”” ”

“”Um ... Boss, take it easy ...”” Xiao Cui could feel Zhao Yu’s anger, but seeing so many people, she was more worried. ”

“Cui walked back, and the blonde man was anxious. He wanted to go around Zhao Yu. ”

Zhao Yu launched an attack in an instant. His left hand pinched the blonde man's fingers and twisted them hard. The fingers immediately made a shocking cracking sound.

Ah ...

"Just as the Golden Retriever let out a heart-wrenching scream, the others realized that the battle had started and immediately rushed towards Zhao Yu."

Zhao Yu raised his right hand and slapped the blonde man across the face.

The sound was clear and the force was fierce!

"However, this golden-haired burly man had a burly figure and a simple and honest face. His slap only left a red handprint, and it was not a big deal."

""Uruwaa ..."" "

"The golden-haired man's veins were bulging, and he raised his hand to grab Zhao Yu's arm."

"At that moment, the others had already rushed forward. Zhao Yu raised his leg and kicked one of them down, then raised his hand and gave the blonde man a big slap!"

"This time, although the Golden Retriever was still fine, his face was obviously swollen. He was so angry that he grabbed Zhao Yu's arm and rushed forward, wanting to give Zhao Yu a bear hug and throw him to the ground."

"What was Zhao Yu's job? he immediately bent sideways, shifted his center of gravity, and gave the blonde man a classic shoulder throw!"

Bang ...

"The heavy man fell to the ground, causing an earthquake-like tremor."

Pa!

Zhao Yu took advantage of the situation and slapped him again.

""Ah ..."" "

"The Golden-furred burly man cried out in pain, feeling his face go numb."

""Wayah!"" At this time, someone rushed over from behind and kicked Zhao Yu, trying to knock him down."

"Zhao Yu had already noticed it, so he immediately gave the man a sharp sweeping kick. The man fell to the ground. As he fell to the ground, he blocked the path of the others' attacks and even tripped a few."

Zhao Yu turned around and sat on the blonde man's back. He raised his right hand high and slapped the man's face again!

Ah ...

The Golden-furred burly man was scared and quickly raised his arm to block.

Zhao Yu hit him on the arm!

“””Motherf * cker!”” ”

“Zhao Yu’s eyes were wide with anger, and he was full of killing intent. He didn’t use any other tricks, but raised his right hand and continued to slap the man’s face. ”

“Although the golden-haired man used his arm to cover his face, Zhao Yu’s strength was too strong. Even through the arm, he still cried out in pain. ”

“Just as Zhao Yu was about to make a move, cui Lizhu anxiously urged Xi Mengna,”” ”

“””Hurry ... Hurry up and give me your phone. Call for help!”” ”

“However, Xi menna said with a cold expression,””””I don’t have a phone!”” ”

“””Damn, aren’t you too poor?”” Little cui was so anxious that she jumped up and down. After seeing someone fall down, her eyes lit up. She wanted to use her thief God skill to steal a mobile phone first. ”

“However, just as she was about to move, she was pulled back by Xi menna. ”

“””Hey, what ... What are you doing?”” ”

“Xi menna smiled mischievously and pushed Xiao Cui to the door.””””Who do we need to call for this small matter?”” ”

“””You ... ”” Xiao Cui heard something from her tone and asked in surprise,”””you ... What are you doing?”” ”

“Just as Xiao Cui was speaking, an enemy with a ponytail picked up a chair and threw it at Zhao Yu. ”

“The moment the chair flew out, a cold glint flashed in Xi menna’s eyes. She jumped up and her long leg flew out, accurately kicking the chair! ”

“In the end, the chair flew out diagonally and hit the wine rack at the bar counter like a cannonball! ”

Hualalalala ...

The wine rack was instantly filled with crisp sounds as the bottles fell to the ground and wine splashed everywhere ...

Chapter 2369: This is a misunderstanding!

“A tall, muscular woman picked up a bottle of beer from the bar! ”

She grabbed the beer bottle and smashed it at Xi menna’s head!

“However, just as she swung the bottle in the air, she was surprised to find that her elbow had been poked by someone. After a violent contraction, the bottle actually turned and smashed heavily on her head! ”

“She didn’t know where the beer bottle was produced, but it didn’t break after being hit in the head. However, the heavy blow came too suddenly, and the woman only felt her vision go black, and she immediately fell to the ground! ”

“””Waaaah!”” ”

A black man in boxing gloves punched Xi menna.

“The next second, he realized that not only did his fist not hit Xi menna, but it was also hit in the face by Xi menna’s palm! ”

“””Ah ...”” He cried out in pain and covered his face. ”

“Xi menna’s elbow flicked upwards, and her elbow accurately hit the man’s chin. The man screamed and fell backward. Xi menna took advantage of the situation and lifted her leg to hook him. The man fell to the ground with a thud and fainted. ”

“At the same time, Zhao Yu pulled the blonde man up from the ground and pushed him against the bar counter. He raised his hand and hit him again! ”

Pa ...

“Zhao Yu was the best at slapping people’s faces. His slap made the blonde man scream, and his red face was already swollen like bread! ”

“Zhao Yu was ruthless. Every palm he hit was aimed at the left side of the man’s face, making his face look extremely out of place! ”

“””Ah ...”” The golden-haired man was almost driven crazy by Zhao Yu. He raised his fist and punched. ”

“Zhao Yu lowered his head to Dodge, and at the same time, slapped him in the face! ”

Pa ...

Ah ...

“The golden-haired man covered his face in pain, but it hurt even more. ”

“He tried to kick Zhao Yu, but Zhao Yu not only dodged it easily, but also grabbed his thigh. ”

“Then, Zhao Yu jumped backward, and the man flipped over the bar counter and fell inside. ”

Crackling ...

The bar was already in a mess. The man fell to the ground and screamed in pain when he was hit by the glass shards!

“””Motherf * cker!”” ”

“Zhao Yu picked up a high chair and wanted to beat up the others, but when he turned around, he realized that those people had already been beaten up by Xi menna! ”

“Xi Mengna was even more ruthless than Zhao Yu. At first, she seemed to be a little reserved, but the more they fought, the more excited she became. She was going crazy! ”

“She grabbed one of the strong men’s arms and slipped under his armpit. The strong man’s arm twisted with a cracking sound, and he cried out in pain! ”

“However, Xi menna did not stop. She grabbed the man’s arm and changed directions a few more times. The man rolled back and forth in pain, wailing in despair ... ”

“Xi Mengna’s moves were as Swift and fierce as the wind, but there was also a hint of evil. Once upon a time, Zhao Yu had seen her in action on Miracle Island, and he had almost fallen into her trap. ”

“From the looks of it, Xi Mengna was indeed a powerful expert. According to Zhao Yu’s visual assessment, her abilities were below Ding Lan ‘s, but above Miao Ying’ s! ”

“Seeing that Xi Mengna had helped him get rid of most of his enemies, Zhao Yu became even more unbridled. ”

“He waved the bar chair in his hand and suddenly smashed the bar into pieces. Wine bottles, wine glasses, mirrors, tables, chairs, and window glass were all smashed by him. In the end, even the bar chair in his hand was broken! ”

“After he was done, he felt that it was hard to control his anger. He walked to the bar counter, grabbed the ankle, and pulled the golden-haired man out. ”

“””Help ... Help ... Help ... Wuwuwu ...”” ”

“The golden-haired man cried and spoke Chinese clearly. He grabbed the leg of the bar table, not wanting to be dragged out by Zhao Yu. ”

“Zhao Yu saw this and twisted his foot on the man’s ankle. The man yelped and let go of his hand, then was dragged out by Zhao Yu. ”

“””Motherf * cker!”” Zhao Yu dragged the man to the front of the bar and shouted angrily,””kneel down!”” ”

“””The rubble of your teeth encourages watterdu ...”” The golden-haired man clasped his hands together and begged. ”

“Zhao Yu glared at him, then gave him another big slap! ”

Pfft ...

“This time, even his voice became muffled. He looked at the golden-haired man’s swollen face and could not even open his eyes ... ”

The slap was so painful that he covered his face and rolled on the ground ...

“At the same time, Xi menna had already finished off the other enemies. They all fell to the ground and moaned in pain, no one able to stand up again. ”

“Cui Lizhu had already stolen the phone, but when she saw the horrifying scene in front of her, she threw it on the ground and didn’t ask for any help. ”

“Cui Lizhu was dumbfounded. She knew that Zhao Yu was good at fighting, but she never expected that Xi Mengna would be even fiercer than Zhao Yu! ”

“““Can you understand what I’m saying?”” Zhao Yu said to the Golden Retriever who was wailing on the ground,””I told you to kneel down, do you understand?”” ”

“““Wuwuwu ... Wuuwuwu ...”” The golden-haired man quickly got up from the ground and knelt in front of Zhao Yu very reluctantly, his face full of fear. ”

“““Do you know who you’ve offended?”” Zhao Yu pointed at cui Lizhu, who was in the distance, and said,””you’re so bold. How dare you hit anyone?”” ”

“““Sorry, sorry ...”” The golden-haired burly man said as he cupped his hands and bowed to cui Lizhu. ”

Pa ...

“However, his apology didn’t get Zhao Yu’s forgiveness, but another big slap in return! ”

Ah ...

“The Blondie covered his face and fell to the ground, twitching in pain. He even wanted to die. ”

“““Stop fighting, stop fighting,”” the Golden Retriever said with blood and saliva mixed in his mouth.””It’s a misunderstanding, it’s a misunderstanding!”” ”

“““Misunderstanding?”” Zhao Yu grabbed him by the collar and slapped him again. He didn’t know how many times he had slapped his swollen face! ”

“““Ah ... Wuwu ... Wuuwuwu ...”” The golden-haired burly man was completely terrified. He even let out a cry of grievance.””Don’t hit me, don’t hit me. I beg you, I was wrong, I was wrong ... Wuuwuwu ...”” ”

“““Don’t you F * cking speak Chinese very well? What were you so cocky about just now?”” ”

Zhao Yu glared and raised his arm again.

“““Ah ...”” The golden-haired man was so frightened that he almost shrank into a ball. ”

“““Don’t hit me ... Don’t hit me!”” At this time, a woman, who was also wearing jeans, suddenly appeared from the back of the bar. She ran to the blond man and begged Zhao Yu,””please, please, don’t hit my brother again! ”

“““I ... I’ll go with you ...”” ”

Hmm ...

Zhao Yu looked up and saw that it was a foreign woman with a nose ring on her nose and blue braids on her head. She was dressed very avant-garde.

“““I know, isn’t it all because of Qiu na! ””Okay,”” she nodded and said,””I stole her goods and I’ve sold them. I’ll pay you whatever you need!”” ”

“““What?”” Zhao Yu didn’t understand. ”

“““Boss,”” cui Lizhu said quickly,””this woman is Bavla. She has a close relationship with Qiu Jinna!”” ”

Buzz ... Buzz ...

“At this moment, a police siren came from outside the bar. A police car stopped at the door. As the door opened, Captain Qiu ran in in a panic ... ”

Chapter 2370: I plead guilty

“The bar was in a mess. The people who had participated in the fight were all squatting in the hall, waiting to be dealt with. ”

“““They are not Russians,”” Captain Qiu said gloomily outside the bar.”“They are all Eastern European people from different countries. This is one of their strongholds!”” ”

“““The bar is in front, and the fighting club is behind ... ”

“““But,”” Captain Qiu said hesitantly,”“they don’t usually do anything illegal. This place is like what we often call a club ...”” ”

“““So ...”” Zhao Yu showed his trump card and said coldly,”“they beat up the Special Investigation Team members, so it was only right?”” ”

“““No... No, no, no...”” Captain Qiu was frightened and quickly clarified,”“I didn’t mean that. I mean, um ... Sigh!”” I’ll deal with this matter seriously ...”” ”

“““Alright,”” Zhao Yu said.”“The case is more important. I won’t bother with these things anymore!”” ”

“Then, Zhao Yu walked over to an ambulance. ”

“There were no first aid personnel in the ambulance, only Cui Lizhu, Xi Menna, and the foreign woman named Bavla. ”

“Seeing that Zhao Yu was about to come in, Cui Lizhu quickly walked out and pulled Zhao Yu to the side. She asked, ”

“““Boss, how should we deal with this group of people?”” ”

“““Deal with them however they should,”” Zhao Yu said.”“They beat UP Police officers. How can we let them off lightly?”” ”

“““Um ... Um ...”” Cui Lizhu hesitated for a moment, then said with a little shame,”“actually ... Actually, I did do something wrong before. I saw them trying to stop me from investigating, so I grabbed a piece of meat from the golden-haired man’s face!”” ”

“““I know,”” Zhao Yu said.”“The guy had two band-aids on his face. How could I not see them?”” ”

“““Oh, you know about it! Cui Lizhu argued,”“but, although I made the first move, I have already revealed my identity and showed my id! ”

“““They definitely obstructed the investigation, obstructed public service, beat UP Police officers, smashed my phone, and tore my identification ... ”

“““It’s just that, seeing you beat the Blondie into a pig’s head, I feel a little bad!”” ”

“““Hmph!”” Zhao Yu pointed at cui Lizhu’s face and said,““hitting your face is the same as hitting my face. I won’t let anyone off, even if they are God!”” ”

“““Boss ...”” Cui Lizhu’s eyes glimmered, and she leaned her head on Zhao Yu’s shoulder.““Boss, you’re the best! I’m so touched!”” ”

“““You can be touched,”” Zhao Yu said.““But you learn from your mistakes. If you encounter the same situation next time, you should choose to stay calm and avoid conflict with them. When I come, I’ll teach them a lesson!”” ”

“““This is called a wise man knows when to retreat, do you understand?”” ”

“““Understood!”” Cui Lizhu blinked her big eyes and said,““I was too anxious just now! I thought someone was following me, but when the conflict started, I realized that I was alone! ”

“““I won’t be so impulsive the next time I encounter such a thing!”” ”

“““Mm, that’s good!”” Zhao Yu pointed at the ambulance,““next, let’s get down to business. Since this woman ran away the moment she saw you, she might know something.”” ”

“““Mm ...”” Cui Lizhu peeked through the crack in the door, then suddenly grabbed Zhao Yu’s arm and asked,““Oh, there’s one more thing I want to ask you. Who is the Barbie doll that was with you?”” ”

“““She ... Um, she’s also called Nala and Xi menna. Her parents divorced and her mother remarried, so they have two surnames!”” Zhao Yu made up a story. ”

“““Don’t mess around, I’m not a fool,”” cui Lizhu said.““Didn’t you see her just now? She’s so ruthless. Although our sister Miao can fight well, she doesn’t have such a murderous aura! ”

“““Why do I feel like she’s not the right person?”” ”

“““If it’s not the proper way, then it’s the unorthodox way?”” In order to change the topic as soon as possible, Zhao Yu pressed on cui Lizhu’s shoulder and said,““anyone who works for me, Zhao Yu, must have some special skills! ”

“““You said that this Barbie doll works for me, so it’s better if you don’t doubt her!”” ”

“““Oh ...”” The more mysterious Zhao Yu was, the more curious cui Lizhu became. ”

“““Alright,”” Zhao Yu turned to the ambulance and said,““it’s getting late. Let’s get down to business!”” ”

“With that, he opened the door of the ambulance and stepped into the carriage. ”

“Cui Lizhu followed closely behind, but when she saw Xi Mengna, she couldn’t help but shiver. She followed Zhao Yu weakly. ”

“Zhao Yu walked in front of Bavla and asked directly,“““Do you know why we captured you?”” ”

““““You ... You’re police officers ...”” Bavla’s Mandarin was very standard.””I thought ... You were Qiu NA’s people!”” ”

““““Who is Qiu na?”” ”

““““Qiu na is Qiu Jinna, right ...”” Bavla pleaded,”” can ... Can I have a cigarette?”” ”

“Hearing Bavla’s plea, Zhao Yu looked at Xi Mengna and cui Lizhu, but none of them smoked. ”

“According to Zhao Yu’s temper, if she didn’t have a cigarette, he wouldn’t let her smoke. ”

“However, Zhao Yu’s experience told him that if he could satisfy the suspect’s requirements, it would speed up the suspect’s confession. ”

“Hence, Zhao Yu gestured to cui Lizhu with his mouth, telling her to get a pack! ”

“However, just as cui was about to leave, Bavla realized that Zhao Yu and the others did not smoke, so she took out a pack from her pocket and asked,””””I have my own, can I smoke?”” ”

“After lighting the cigarette, Bavla’s emotions calmed down a lot. She took a heavy puff and said,””””Officer, this is really a misunderstanding. It has nothing to do with my brother. It’s all my fault. I did it!”” ”

F * ck!

“Zhao Yu and the other two looked at each other, dumbfounded. ”

““““The goods, I’ve already sold them ...”” Pavla said.””I’ve already paid the money, so I don’t have any for now!”” However, give me some time, I’ll pay Qiu Jinna back! ”

““““I know, I’ve committed a crime. I’m willing to bear all the consequences. Please take me away ...”” ”

“Hearing this, Zhao Yu and the other two stared at each other again. ”

“Before this, Zhao Yu had already felt that Bavla’s words were a little off topic. Hearing it again, he quickly realized something and asked,”” ”

““““Are you saying that you’re the one who killed Qiu Jinna?”” ”

Bavla almost fell to the ground at that.

““““What? “““What are you talking about ...”” Pavla said.””I only stole a few of her furs. I don’t have to kill her, do I?”” ”

As expected ...

“Zhao Yu scratched his head, feeling depressed. ”

““““Are you saying that you don’t know that Qiu Jinna is dead?”” “““You’re lying!””Cui Lizhu shouted. ”

““““You ... Can you stop joking?”” Pavla said.””I didn’t hear that Qiu Jinna died.”” I’ve been hearing about female corpses under the bridge the most over the past few days. Could Qiu Jinna be one of the dead?”” ”

“Bavla’s words were obviously a joke, but when she saw the serious expressions on Zhao Yu and the others’ faces, she was so shocked that she could not speak!”

“Then, she suddenly lowered her body and collapsed on the floor ...”
