Chapter 2391: Horse ball (2)

“““He’s really big-hearted!”“ Seeing Ge Hua get on the horse to prepare for the race, Xi menna said to han sai,““it seems like she still doesn’t care much about her brother ...”“ ”

“““Officer, I know you’re not joking, but this ...”“ Han sai said nervously,““this is too unbelievable.”“ ”

“““This ... Could this be an accident?”“ ”

\* Buzz Buzz ... \*

“At that moment, Zhao Yu’s mobile phone rang. It was Zeng ke. ”

“Zhao Yu took the opportunity to make a gesture, then turned around and went to a quiet place to answer the call. ”

“““Team leader,”“ Zeng ke immediately reported,““we have found out that han sai has two younger sisters. The older one is called Han Qing, and the younger one is called Han Wen. Han Wen works at the Dalong police station, so she is indeed a forensic doctor there!”“ ”

“““Now, we have locked onto the target. Han Wen is at the police station, team leader,”“ Zeng ke said. ““What should we do next?”“ ”

“““Tell Ran Tao and cui Lizhu to put down their tasks at hand and search Han Wen immediately. Tell Ran Tao to go to the police station to find her and ask ge bing about her situation. ”

Cui Lizhu took the opportunity to go to Han Wen’s house and check out the situation there.

“““Tell them to be careful and try to bring people from Manzhou. Don’t use the local ones!”“ ”

“““I understand,”“ Zeng ke said. ““I’ll arrange it now!”“ ”

“““And ...”“ Zhao Yu said. ““Find out Han Wen’s background as soon as possible and find out what her relationship with ge bing is! ”

“““If there’s a need, you can ask Zhang quanqing!”“ ”

“““I understand, I understand!”“ Zeng ke said,““don’t worry, I’ll get it done!”“ ”

“After hanging up the phone, Zhao Yu went back to the stands. ”

“At that moment, han sai was covering his face, still at a loss. ”

“““Think about it carefully,”“ Xi menna said. ““Can you remember anything important? Anything about ge bing and the wedding. After that, was there any news or did anyone know where the video came from?”“ ”

“““I ... I didn’t even go to the wedding ...”“ Han sai covered his face and said,““what would I know?”“ All the information I’ve heard is from others ...”“ ”

“““Then ...”” Xi menna asked,““ did these people mention the four foreign bridesmaids?”” ”

“““I only know that the bridesmaids were questioned by the police,”” han sai said.““The videos seemed to have been taken from abroad, so it’s understandable that the police suspected the four women ... ”

“““Also, I remember that after the incident, ge Bing’s girlfriend yelled at the foreign bridesmaids a few times. From the looks of it, she should be one of them, right?”

“““But ... I heard from my little sister that they didn’t manage to find anything in the end due to insufficient evidence, so they let them go ...”” ”

“““Your little sister is also a bridesmaid,”” Xi menna said.““She should know the situation best, right?”” ”

“““Oh ...”” Han sai nodded and said,““I’ll ... I’ll give her a call now. She was there at the scene, so she should know more than me ...”” ”

“As he spoke, han sai took out his phone to make a call. ”

“““Wait a minute,”” Xi menna quickly stopped him and asked,““may I ask, when was the last time you saw your little sister?”” ”

“““Ah?”” Han sai was stunned. He suddenly understood Xi menna’s meaning. He immediately asked,““what do you mean? Don’t tell me ... You think that my little sister was the one who made that video?”

“““Okay, okay, I’ll pick up the call for you now. Can you ask her yourself?”” ”

“As he spoke, han sai was about to make another call. Of course, Xi menna could not let him do so, so she quickly stepped forward to stop him. ”

“However, it was at this moment that a sudden commotion broke out on the football field. ”

“With the neighing of horses, several racing horses collided with each other. Among them, Ge Hua’s horse seemed to be startled. It snorted and raised its body high. ”

“Following that, Ge Hua fell off his horse in a series of exclamations. ”

“““Eh?”” Han sai was scared out of his wits. He immediately jumped up from the stands and cried out,““gwamie...Quick, quick, stop ...”” ”

The guests on the stage also exclaimed and all stood up to look at the court.

“After Ge Hua fell from the horse’s back, he landed heavily on his butt. ”

“Normally, falling down like this was a common occurrence in horse-ball competitions and would not cause too much harm to the athletes. Unfortunately, Ge Hua’s boots were caught by the reins! ”

“After the horse was frightened, it immediately lifted its four hooves and changed its position, scuttling out of the crowd. ”

Whoosh ...

The entire venue let out a cry of surprise!

“The other athletes wanted to stop the frightened horse, but they didn’t expect the horse to be so strong that no one could stop it. ”

“Following that, as the horse ran with all its might, Ge Hua was also pulled along and slid out of the way. The situation was critical! ”

“Although the stadium was made of soft soil, a person would not be able to hold on for long under such a high-speed pull. If they did not stop the race in time, Ge Hua’s life would be in danger ... ”

““No! Don ‘t!”” Han sai was so shocked that his face turned pale, and he quickly rushed down the stands. Xi menna and officer Hila were also at a loss. ”

“At such a critical moment, Zhao Yu first saw the path of the frightened horse. When he saw that the frightened horse was running from the left, just passing by the main stand, he leaped over the railing and jumped down from the stand! ”

““F \* ck! No way!”” ”

““F \* ck!”” Xi menna was so scared that she started to curse, because from her angle, Zhao Yu’s actions looked like he was committing suicide. ”

“However, when she quickly ran to the railing of the stands and looked down, she saw a shocking scene. ”

They saw that Zhao Yu had jumped down from the sky and landed on the back of a tall horse under the stands!

“That horse was the substitute’s horse, so it wasn’t tied to the reins. After Zhao Yu fell from the sky, the rider was shocked. Its front hooves rose into the air, and its head was raised high! ”

“However, Zhao Yu had already pulled the reins tightly. His left hand held the reins, while his right hand pulled out a cue stick from the pocket next to him. He then hit the ass! ”

Wu Lu Lu ...

“The tall horse snorted in pain, and then with a swish, it rushed into the competition field like an arrow leaving the bow. ”

“Just as Zhao Yu entered the venue, the frightened horse passed by him. Zhao Yu galloped up to it. ”

““Ah ... Ah ah ...”” Ge Hua, who was pulling at the back of the horse, let out a tragic cry. Under the intense friction, his back had long been cut with blood ... ”

““Go!”” Zhao Yu drove the horse skillfully and chased after the startled horse from the inner circle. ”

“In less than ten seconds, he finally caught up with the frightened horse and rode alongside it ... ”

“Then, Zhao Yu did something that shocked everyone. He pulled the reins with one hand, bent his legs, and stood up from the horse’s back! ”

“After that, he suddenly leaped and actually jumped onto the back of the startled horse. ”

“As soon as he jumped onto the horse, Zhao Yu immediately pulled on the reins with both hands and shouted, ”Go ...” ”

Plop ...

“With a neigh, the frightened horse raised its front hooves high. Because Zhao Yu pulled it too hard, the frightened horse instantly lost its balance and fell to the ground with a loud bang. ”

“Just as the horse fell to the ground, Zhao Yu rolled to the side and landed on the ground. ”

“After landing, he quickly came to Ge Hua and took off her riding boots, which saved her from danger. ”

“When Zhao Yu took off Ge Hua’s helmet to check on his injuries, he saw that Ge Hua’s face was covered in tears. ”

“”Impossible, impossible ... My brother can’t be a murderer ... Sob ...” ”

Chapter 2392: Chapter 2387-rich husband

“Last year, September 11th. ”

“On train K1260, at 14:15, the train set off. ”

“”Um ... I’m sorry ...” Eliza took her ticket and asked a lady in seat 16, ”we’re here together. Can we exchange seats with you?” ”

“When Eliza finished speaking, she realized that the other party was also a red-haired Russia beauty. ”

“So, she repeated what she had just said in Russian. ”

“The red-haired woman’s name was Zhang Mei, and her Russian name was Yelina. She was a dancer from the Red Star song and dance group. ”

“Yelina raised her eyebrows and glanced at Eliza. Although she didn’t say anything, she still put her coat on her arm and stood up. ”

“”Thank you, thank you ...” Eliza thanked him gratefully, then pointed to a seat behind her and said, ”there, my seat is over there, number 18 ...” ”

“Yelina still didn’t say anything. She puffed out her chest and raised her head, arrogantly leaving seat 16 and sitting in the back seat. ”

“That seat wasn’t far away, and it was back to back with the previous seat. ”

Eliza put away her clothes and happily sat down on seat 16.

“At this moment, a burly man in ethnic clothing was sitting next to her by the window. The man might have just stayed up overnight. As soon as he got into the car, he covered his face with a wide hat and began to snore ... ”

Two Other Russia women were sitting opposite of Eliza.

One of them was a brown-haired woman with a beautiful Cobra tattoo on her neck. She was Zhuo ya.

The other lady dressed in white fur was Qiu Jinna!

“““Why do I feel like ...”” Qiu Jinna stared at Yelina on the other seat and whispered,“““that person ... Looks a little familiar?”” ”

“““Yeah ...”” Eliza nodded and said,“““me too! I think I’ve seen it somewhere before ...”” ”

“““It can’t be ...”” Zhuo ya leaned lazily on Qiu Jinna and said,“““you’re also from kurasika, right?”” ”

“““I don’t know, I think ...”” Qiu Jinna tried her best to recall.“““I think I’ve seen it on TV?”” Could he be ... An actor or something?”” ”

“““Um ...”” Zhuo ya took out a box of cigarettes from her bag, straightened her body, and said,“““I’m going to smoke ...”” ”

“““NO!”” Qiu Jinna put the cigarette back and said,“““although it’s not a high-speed train, you’re not allowed to smoke on the train anymore!”” ”

“““I’ll go to the bathroom ...”” ”

“““NO!”” Qiu Jinna continued,“““I just started driving, and the bathroom is still closed! Also, you can’t smoke in the bathroom!”” ”

“““It can’t be?”” Zhuo ya was depressed.“““Three hours, I’m so tired ...”” ”

“““You can go down and draw when you stop halfway ...”” Eliza said softly. ”

“““Hehe ...”” Zhuo ya laughed evilly.“““You two are now locals. I’m so envious of you!”” ”

“““Zhuo ya,”” Eliza said,“““this place is really good! Although they didn’t earn much, life was easy and the people were friendly. ”

“““Listen to me, you should also settle down here! In the future, find a boyfriend and live a good life, just like ... Just like keshenia ...”” ”

“““Hmph ...”” Zhuo ya snorted coldly.“““I’m not familiar with her. I don’t understand why she would ask me to attend her wedding. She’s even going to be a bridesmaid?”” ”

“““Keshenia went to Hila alone, and she doesn’t have any good friends with her,”” Eliza said.“““So she invited us!”” ”

“““Oh, really? ”” Hmph ...”” Zhuo ya snorted disdainfully.“““I think she’s just trying to show off. What was this called? The Cinderella story?”” ”

“““That’s enough,”” Qiu Jinna said.“““You should stop talking!”” She invited us to her wedding, which means she treats us as friends!”” ”

“““Friend?”” Zhuo ya shook her head and said,“““Qiu na, you’re becoming more and more tactful with your words. This isn’t like you! Keshenia’s husband is a big entrepreneur, don’t you also want to profit from it?”” ”

“““Hehe ... Zhuo ya, you B \* tch!”” Qiu Jinna chuckled. ”

““Since they were speaking Russian, they were not worried that anyone would understand them. ”

“““Who was the one who told me yesterday that she was feeling uncomfortable?”” Zhuo ya said,“““you’re the closest to keshenia and you came to Manzhou together. Although you’re divorced, you’ve always been doing better than her! ”

“““But, how is he? Now that I’ve caught the Golden Turtle, I’m about to become a rich lady! You know very well how unconvinced you are ...”” ”

“““He’s a rich man ...”” Qiu Jinna was not angry at all. ”

“““Zhuo ya, you’re always like this,”” Eliza pouted and said unhappily,“““it’s a good thing, but you always think about those negative things. Haven’t we suffered enough? Why bother?”” ”

“““You’re quite good at comforting people, little girl ...”” Zhuo ya said.“““Do you think I don’t know about your matters? You’re working at the front desk of a big hotel, and every time you meet a rich boss, you’ll take the initiative to court him. But for those poor guys, you don’t even care. Why are you doing this? ”

“““I’m not having any negative emotions. I’m just living a real life. Why do you have to wear a mask to deceive yourselves?”” ”

“““You ...”” Eliza crossed her arms in anger.“““How are you going to attend the wedding in this state? I’m really worried that you’ll cause trouble ...”” ”

“““Hmph!”” Zhuo ya was disdainful.“““I don’t care to go! How about this, I’ll get off at the next stop and go back, is that okay?”” ”

“““Alright, alright, you’ll always be that foul-mouthed and vicious B \* tch!”” Qiu Jinna said indifferently,“““do you know what I’m thinking? ”

“““I’m just thinking, does keshenia’s husband know about her past?”” ”

“““Your idea ...”” Zhuo ya raised her eyebrows and said,“““it’s quite interesting! “““Back then, keshenia was the Queen who wreaked havoc on our distant and near civilizations. There are many skills that even I don’t dare to try! ”

“““If her husband saw her performance back then, hehehe ...”” ”

“““You guys are so perverted,”” said ELISA, shaking her head.“““If her husband finds out, none of you will accept it!”” ”

“““He’s not a rich man’s son-in-law anymore. He’s a tortoise’s son-in-law, and a green-furred tortoise at that ...”” Qiu Jinna smiled. ”

“““Green-haired turtle?”” Zhuo ya was confused.“““What do you mean?”” ”

“““It means a green hat,”” Elysha explained.”“Because the turtle shell is also green, so ...”” ”

“““Oh ...”” Zhuo ya smiled maliciously and asked,”“Eliza, I remember that when keshenia brought you along, you showed us a lot of videos of her. Do you still have those videos on your phone?”” ”

“““Hmm ...”” Eliza nervously pressed her bag and shook her head.”“Don’t talk nonsense. It’s been so many years. Why would I keep those things?”” ”

“““Hahaha ... Look at how scared you are.”” Qiu Jinna laughed evilly.”“If those hardcore videos were to be played at the wedding, the wedding would definitely be lively. Hahaha ...”” ”

“““You ... You sure have a rich imagination. Have you not found a man in a long time ... Hehehe ...”” Zhuo ya laughed along. ”

“Eliza, however, hugged her satchel even more nervously ... ”

“Just as they were talking and laughing, Yelina, who was sitting on the other side of the back, slightly raised the corner of her mouth, revealing a cynical but thought-provoking expression ... ”

#### Chapter 2393: The fairy in the forest

“On the evening of September 11th, in the banquet hall of a luxurious resort in the Hulunbuir grasslands. ”

“...Just as pear blossoms bloomed all over the world, the soft muslin floated on the river, and Katyusha stood on the steep shore, singing like the bright spring light ...”” ”

“The cheerful song ““Katyusha”” was playing in the hall, and the guests at the banquet were dancing to the rhythm of the song ... ”

“““Aiyaya, I’m so happy that all of you are here ...”” At this moment, the bride-to-be, keshenia, came up to Qiu Jinna and the others. She was the first to give Zhuo ya a hug and said in Russian,”“especially Zhuo ya, we haven’t seen each other in a long time ...”” ”

She kissed Zhuo ya passionately as she spoke.

“Zhuo ya had a smile on her face, but when she turned around, her eyes were filled with disgust. ”

“““Qiu na, ilisha ... I’ve missed you guys so much ...”” Keshenia hugged Qiu Jinna and ilisha close to each other again. They were very enthusiastic. ”

“After that, she directed a few staff members to place a few beautiful clothes on the table. ”

“““These are your bridesmaid costumes,”” said keshenia.”“At Five O’ clock tomorrow morning, there will be a special makeup artist for you. My husband invited them from a professional film crew. They’re all for the big stars! ”

“““Also, if you need any jewelry, just let me know. I have plenty of them ...”” He said. ”

Qiu Jinna's face showed a hint of displeasure when she saw the obvious boastful tone in keshenia's voice ...

""Oh, right ..."" Then, keshenia pulled a red-haired beauty from the next table to her and introduced her to everyone.""This is the famous Red Star song and dance group's leader, Yelina. Her Chinese name is Zhang Mei! You're all in the Manzhou ..."" "

""Yelina,"" she pointed at Qiu Jinna and the others.""This is Eliza, Zhuo ya, and Qiu na. They're all my good friends!"" "

""Oh ... So it's you ..."" Eliza recognized him and hurriedly said,""we came on the same train. I exchanged seats with you. I didn't expect you to also come to attend keshenia's wedding!"" "

""Hello!"" Yelina greeted the three of them with grace. "

""Oh ... The Red Star Song and Dance Ensemble ..."" Qiu Jinna seemed to have recalled something.""I saw your performance at the Sports Center. No wonder you look so familiar!"" "

""How was it? she danced well, right?"" Keshenia pulled on Yelina's hand and introduced,""let me tell you, Yelina is a top student who graduated from Moscow Dance Academy. She even danced ballet for the president! "

""My dear,"" keshenia suddenly thought of something and said excitedly,""how about you show everyone your superb dance skills?"" "

""Let them see how amazing my bridesmaid is?"" "

""No, no, no,"" Yelina waved her hand and said,""niya, I'm not prepared ..."" "

""Please, I'm getting married tomorrow,"" keshenia said coyly.""You can just have one! I've even prepared the music for you!"" "

""Music?"" Yelina frowned. "

""My favorite part is the part of 'the fairy in the forest'. Your dance is even more beautiful than a fairy's, please ..."" As she spoke, keshenia had already pulled Yelina to the middle of the hall. "

"At this time,""Katyusha"" had just finished playing. Ksenia whistled excitedly, and the music immediately changed to a segment from ""fairy in the forest."" "

"The music had already started, and the dancing guests retreated one after another, their eyes all falling on ye Liena. "

"As a result, it was no longer good for Yelina to refuse. She could only reluctantly take off her shoes and slowly dance to the rhythm of the music ... "

"Yelina was a professional dancer. Although ballet wasn't her specialty, her solid foundation allowed her to control her dance with ease! "

"Following the rhythm of the music, Yelina danced gracefully with light steps, perfectly performing the pure ""fairy in the forest ..."" "

Her agile jumps and graceful rotations fascinated all the guests ...

“When this beautiful ballet performance ended, the entire Hall was silent. Everyone was immersed in it and intoxicated. After more than ten seconds, thunderous applause rang out ... ”

.....

“An hour later, outside the banquet hall of the resort. ”

“With a bottle of wine in her hand, Yelina walked out of the hall angrily and went straight to the river. ”

“““B \* tch, don’t you know what you are?”” She cursed in Russian,““let me dance, let me dance, you’re so bold! Do you really think you’re a rich lady?”” ”

“As she said that, she took a big gulp of red wine and continued to ridicule,““ ”

“““Forest fairy, forest fairy, you shameless illiterate!”” She gritted her teeth and shouted,““do you know that forest fairies are a tragedy? ”

“““The male lead in the movie abandoned his new wife for the fairy, and then broke the fairy’s wings in order to take over her! ”

“““You still want me to dance as a forest fairy? aren’t you afraid that it’ll be inauspicious?”” ”

“As she spoke, Yelina drank the red wine in the bottle in one breath and angrily threw it towards the river. ”

“However, under the influence of alcohol, she had neglected her own strength and the length of the river. After the bottle flew out, it did not fall into the river, but shattered on the river! ”

“““Ah ... ”” ”

“As a result, the wine bottle shattered, and a cry of surprise came from the Riverside. ”

“““Who’s there?”” ”

“Yelina was so frightened that she shivered and quickly went over to check. Soon, she saw a woman sitting on the long bench. It was Eliza! ”

“““It’s you?”” Yelina quickly asked,““are you alright? Are you hurt?”” ”

“““I’m ... I’m fine, I’m fine ... ”” Eliza shook her head as she tightly hugged the laptop in her hands. ”

“However, perhaps he had accidentally touched the volume button, but an indecent voice came from the tablet. The voice had a certain rhythm and excitement, and it didn’t sound right. ”

“““Damn it!”” Elysha was extremely embarrassed. She quickly turned on the computer, wanting to close the video that was playing. ”

“““Wait a moment!”” Yelina snatched it over and said in surprise,““isn’t ... Isn’t this Ksenia?”” Oh my God, how could you have ... Oh ... ”” ”

“At that moment, Yelina recalled the words Qiu Jinna and the others had said on the train. ”

“Previously, she had thought that they were just joking, but now it seemed like it was true. This Eliza really had an indecent video of Ksenia from back then!”

““Give ... Give it to me ...”” Eliza was anxious. She quickly reached out to snatch it back and forcefully closed the video. ”

““You ...”” Yelina asked,““what do you want to do?”” ”

““I ... I don’t want to do anything,”” Eliza said.““It’s none of your business!”” ”

““Ksenia is getting married tomorrow. You ... You have to delete these things!”” Yelina said heavily. ”

““What does it have to do with you?”” ““Who were you calling a B \* tch just now?”” Eliza asked bluntly. Isn’t it Ksenia?”” ”

““You ...”” Yelina said,““you can scold her, but you ... You can’t do this ... You’ll ruin her!”” ”

““I don’t need you to teach me what to do ...”” Eliza put the computer into her bag and stood up to leave. ”

““You ...”” Yelina wanted to chase after her and continue to reason with her, asking her to delete the video, but in the end, she still stood by the river and didn’t move. ”

“She recalled how she had been forced to dance earlier, so he thought that since this had nothing to do with him, why should he trouble himself? ”

Chapter 2394: Chapter 2388-shameless

“2nd of September, wedding venue. ”

““Ah ... Ah ...”” The bride, Keshenia, lifted her wedding dress and yelled hysterically at Qiu Jinna and the others,““why are you doing this?”” ”

““Why? ”

““I hate all of you!!!”” ““I’ve always treated you as my best friends, but why are you doing this to me?”” ”

““I just want to live again, is that wrong? Was there a mistake? ”

““You’ve destroyed everything I have, and none of you will die a good death in the future! ”

““Ah ...”” ”

“After letting out a long and furious roar, she turned around and ran towards the resort’s entrance. Her white wedding dress stained the muddy ground and became extremely dirty ... ”

“When she ran to the door, she saw the groom, Ge Bing, sitting on the ground with a numb expression. ”

““Oh ...”” Keshenia’s tears gushed out like a spring, but she could not say a word! ”

Ge Bing drooped his head and did not even dare to look up at the bride.

“Wuwuwu ...” Keshenia was heartbroken as she ran past the groom, Ge Bing!

“Then, she rushed into an off-road vehicle and left ...”

“As soon as the bride left, the wedding scene was in chaos.”

“Ge Bing’s employees immediately went forward to argue with the wedding staff. Both sides kept arguing, and some even started fighting ...”

“This ...” Zhuo Ya looked around and said innocently, “we didn’t play the video, why would she come at us?”

“Qiu Jinna was also stunned by the scolding. She was dumbfounded for a long time before she looked at Eliza in disbelief and asked, “What ... What is going on?”

“Where did those videos come from?”

“Who put it there?”

“I ... I ... I don’t know?” Eliza was so frightened that her face turned pale, and she collapsed onto the ground.

“You still don’t know!” However, Yelina grabbed Eliza’s collar and said, “you’re crazy. You’ve gone too far. This is illegal, you know? You’ll have to take legal responsibility!”

“No... No, it wasn’t me ...” Eliza cried. “I didn’t do anything!”

“You’re still denying it?” Yelina angrily shouted, “last night, I personally saw you holding that computer with the video!”

“I lost that thing, really ... Sob ...” Eliza cried like a Pear Blossom bathed in rain, and she was extremely aggrieved. “I can’t find it!”

“Hey, what are you guys ... Talking about?” Qiu Jinna was confused.

“It can’t be?” Zhuo Ya seemed to have realized something and hurriedly pointed at Eliza. “You still have those things? You ... You even brought him to the wedding? Are you crazy?”

“I ... I didn’t do it on purpose ...” Eliza said, feeling wronged. “That laptop was in my pocket the whole time. I thought it couldn’t be used anymore!”

“Those ... Those videos ... I forgot to delete them, but I really didn’t do it. Those things were really lost, and I don’t know who stole them ...”

“You’re still quibbling?” Yelina said angrily, “when the police take you back to the police station, I’ll see how you explain yourself. You’ve really gone too far! You’ve ruined everything that Ksenia has!”

“Wuwu...Wuwu ...” Eliza was completely terrified. She curled up on the ground and kept crying.

“Wait ... Wait ...” Qiu Jinna’s reaction was fast enough. She hurriedly asked Yelina, “how did you know that Eliza had something?”

“““I ...”” Yelina said,““I saw it by the river last night!”” ”

“““Wu Wu ...”” Eliza raised her head and said,““I was by the river last night. I wanted to delete the video, but she saw it! ”

“““I wanted to delete those things when I got back, but the computer was gone ... There was ... Sob ...”” Eliza cried even more sadly.““There was also a video of me ... Sob ...”” ”

“““You’re lying!”” Yelina angrily said,““that’s not what you said back then! You were so confident yesterday, and now you’re acting pitiful? ”

“““Don’t think that I don’t know,”” Yelina said as she pointed at Qiu Jinna and the others.““I heard everything on the train yesterday. I know everything about your past ...”” ”

“““Hehe ...”” Zhuo ya laughed.““What? Are you trying to threaten us?”” ”

“““I’m telling you!”” At this moment, the experienced Qiu Jinna said to Yelina in an unusually calm manner,““listen up, you’re not getting away with this either! ”

“““Last night, only you and Eliza knew about the indecent video on the computer. Therefore, it was very likely that you had stolen it!”” ”

“““What ... What did you say?”” Yelina turned pale with fright.““You’re slandering me!”” ”

Buzzzzzz!

“At this moment, the angry workers smashed the computers and audio equipment used for the wedding with stools. The wedding staff were also anxious, and the fight between the two sides became more and more fierce. ”

The guests at the scene either fled in embarrassment or stayed far away. No one noticed that the foreign bridesmaids were having a fierce argument.

“““The three of you stayed together last night,”” Yelina retorted, not to be outdone.““Why don’t you say that you two stole her computer? ”

“““On the train yesterday, who was the one who said that he wanted to see how those videos would look like when they were played at a wedding?”” ”

Everyone immediately turned to look at Qiu Jinna when she said that because she was the one who had said it!

“““No... No...”” Eliza was so frightened that her entire body was trembling. ”

“““Are you all crazy?”” Qiu Jinna said,““we’re friends with Ksenia. What good would it do us to post that video at the wedding? ”

“““I’m still looking forward to ... Looking forward to doing business with her in the future!”” ”

“““Yes, you’ll benefit, but what about her?”” Yelina then pointed at Zhuo ya.““You didn’t stop badmouthing Ksenia on the train either!”” ”

“““You?”” Zhuo ya cursed,““are you a Mad Dog? Bite whoever you catch?”” ”

""Zhuo ya ..."" Eliza swallowed.""Last night ... We were in the same room ... When I was taking a shower, I heard some movement inside the room ..."" "

""That's my own phone that fell on the ground, you shameless little Shrew!"" Zhuo ya cursed, ""I don't even F \* cking know Chinese. How can I connect the video to the big screen?"" "

""Enough, enough!"" Qiu Jinna stopped Zhuo ya and said, ""calm down, everyone, calm down! Listen to me, those videos are from the past when we were in kjask. Just now, Ksenia was yelling at us again! "

""So, when someone investigates this, the four of us will be the biggest suspects, understand? "

""Let me tell you, if we don't think of a way, I'm afraid it'll be very difficult for us to get out of this. In the future, we'll have to face lawsuits and compensation. Do you want that?"" "

""Then ..."" ELISA asked weakly, ""what should we do?"" "

""The computer was stolen anyway, so there's no way that person would come out on their own!""  
""So, "" Qiu Jinna gritted her teeth and said, ""let's just pretend that we never had a computer! And there's never been any video of it!"" "

""Ah?"" Yelina couldn't take it anymore. ""Do you want me to perject with you?"" "

""You don't want to?"" Qiu Jinna threatened, ""you're the only one who knew that Eliza had the video last night. If you don't cooperate with us, we'll just insist that you have the computer! "

""Anyway, there are three of us and you're alone. Let's see who the police believe!"" "

""You ..."" Yelina trembled in anger. "

""Yes, "" Eliza suddenly perked up. ""Last night, I heard with my own ears that you were grumbling about how keshenia forced you to dance in public. These words are a motive to the police!"" "

""You ..."" "

""Hehe, think about it ..."" Zhuo ya said. ""I learned a saying here, 'those who have bare feet are not afraid of wearing shoes'! "

""You know the origins of the three of us. At most, we can go to another place and resume our old business. "

""But what about you?"" Zhuo ya threatened. ""If people find out that you've done such a despicable thing, will your dance troupe be able to continue?"" "

""You ... You guys ..."" Yelina was so emotional that tears flowed down her face, ""you guys are too shameless ..."" "

Chapter 2395: Chapter 2391-horse racers

Time turned back to the present.

“With Zhao Yu’s amazing performance in stopping the frightened horse, the contestants and staff on the racecourse all gathered around.”

Everyone was worried about Ge Hua’s injury. They did not know how serious it was.

“”Boohoo ...”” Ge Hua, who was lying on the ground, looked up and sobbed. He said something that had nothing to do with his injuries.””My brother would never be a murderer!”” Wuwuwu ...”” ”

“Seeing Ge Hua lose control of his emotions and wailing in pain, Zhao Yu finally understood. She was worried that ge bing was the one who killed the four Russia women! ”

“Without a doubt, from all the information, ge bing was indeed a major suspect in the female corpse under the bridge case. ”

Because only ge bing would have enough hatred for those four people to kill!

“He would naturally think that the indecent video was posted by one of the four people, or a few of them. ”

It was this video that led to his fiancée’s death.

“Therefore, he did not hesitate to kill these four women to avenge his wife! ”

“But, from Zhao Yu’s perspective, what he was worried about now was not whether ge bing was the killer under the bridge, but whether ge bing was still alive! ”

“According to the clues that the police had, ge Bing’s behavior was obviously too abnormal. If he was really the killer under the bridge, why didn’t he touch his account? ”

“He needed a car, a snow sled, and tools to kill someone. Could it be that, as cui Lizhu had said, he really had enough cash on him? ”

“Of course, in addition to these clues, there was another point that made Zhao Yu feel that ge bing might not be the killer under the bridge! ”

“That was, all the female victims had been violated! ”

“If ge bing wanted to take revenge for her wife, why would she violate these female victims? If he did that, would he be suspected of being disloyal to his dead wife? ”

Or perhaps ...

“Was this ge Bing’s trick? He didn’t assault the female victims at all, but used a tool to interfere with the police? ”

“However, if the above two points were true, then why had ge bing not appeared yet? ”

“Since he had already made sure that everything was safe, why did he still hide his tracks? ”

“The situation in front of him felt very familiar to Zhao Yu. In the past, the more important a case was, the more unreasonable the clues would appear, which would make the situation more anxious! ”

“The scene before him was no exception. Zhao Yu clearly felt that he had found the truth of the female corpse under the bridge case, but he still couldn’t find the real murderer ... ”

“““Police officer ...”“ At this time, Ge Hua grabbed Zhao Yu’s sleeve and begged,““I beg you, please find my brother as soon as possible!”“ ”

“““I believe that he’s innocent. He must be hiding somewhere overseas right now, angry at his sister! Wuwu ...”“ ”

“““Guwamier, guwamier ...”“ Ge Hua’s husband han sai, Xi menna, and the others finally arrived at the scene. Han sai rushed to the front and asked with concern,““guwamier, how are you? how are you?”“ ”

“““Wuwu ...”“ Ge Hua hugged han sai and cried,““quick ... Quick, help me find ge bing ... I want to ask him personally ...”“ ”

“““Oh ... Oh ...”“ Han sai nodded and said,““don’t worry, don’t worry, he’ll be fine!”“ I’ll send someone to find him. Even if we have to find the horizon, we have to find him ...”“ ”

“““Brother, brother ...”“ Just as Zhao Yu was seriously thinking about the case, a dark-skinned middle-aged man pulled Zhao Yu aside and asked him very seriously,““leave me your phone number! You’re so good at fighting, I wonder if you’re interested in joining our team?”“ ”

Zhao Yu was speechless.

“Just now, he was so desperate to save Ge Hua that he had to spend more than 2000 points to use a skill called “horse racer” to save Ge Hua. ”

“““Brother, name a price ...”“ The middle-aged man didn’t know Zhao Yu’s situation and was still trying to persuade him,““with your standard, I can guarantee you a million a year ...”“ ”

“““Let me ask you,”“ Zhao Yu wanted to tell him to get lost, but he suddenly remembered something and asked,““what happened just now? Why was the horse startled?”“ ”

“““Oh ...”“ The middle-aged man pointed at Ge Hua and said,““boss GE was distracted just now. He didn’t watch the ball accurately and it hit the horse’s face ...”“ ”

Oh?

“Zhao Yu creased his eyebrows and started to wonder if Ge Hua was really in a daze, or if he did it on purpose. ”

“““This kind of mistake is unavoidable for non-professional players like us!”“ The middle-aged man continued,““however, I didn’t expect to catch her foot! ”

“““It was too dangerous just now. Fortunately, you stopped the frightened horse. Otherwise, it would be hard to say what would happen to boss GE today ... ”

“““Mm ...”“ Seeing that Zhao Yu was not paying attention, he asked again,““how is it, bro? can I have your number?”“ If you think it’s too little, we can talk again! ”

“““I have connections. I can even introduce you to the great Australian Association ... Eh? Hey, hey, hey ... Don’t go ...”“ ”

“Zhao Yu ignored him, turned around, and pushed the crowd aside. He came in front of Ge Hua and said, “If you really want to find your brother, then quickly tell me where he might have gone!” ”

““This ...” Ge Hua said in pain, “I really don’t know! He’s always been willful ...” ”

““Yup!” Han sai chimed in, “even though he’s a Big Boss, he’s always been childish. If he doesn’t want to show his face, who can find him?” ”

““Hmm ...” Ge Hua suddenly thought of something and asked, “could he have gone to the grassland?” ”

““That can’t be?” Han sai said, “it’s freezing cold right now. All his resorts are closed. What’s he going there for? Even if he didn’t go abroad, he must have gone on a vacation. It’s impossible to get close ...” ”

““We didn’t find any records of his transportation or accommodation,” Xi menna mumbled. “He probably didn’t go on a trip, did he?” ”

““Oh? Is that so?” Han sai frowned. ”

““Should I ... Go to Marge to take a look?” Ge Hua said, “I heard that ... They ... They met from there?” ”

““Marge?” Zhao Yu looked at Xi menna, obviously not understanding. ”

““Are you kidding me? that’s even more impossible. It’s a no man’s land and it ‘s-40 degrees Celsius! ” No one can get in now ...” Han sai shook his head. ”

Buzz ... Buzz ...

“At this time, the ambulance drove into the football field. The crowd quickly made way for the medical staff to get out of the car and check on Ge Hua’s injury. ”

““Go ...” Ge Hua grabbed han Sai’s sleeve and said, “let’s go and look for it ...” ”

““Okay, okay ... I’ll go ...” Han sai nodded in agreement. “Don’t worry, I’ll definitely find this kid!” ”

“After the medical staff finished their examination, they carried Ge Hua onto the ambulance with a stretcher. Han sai wanted to go with them, but he was stopped by Ge Hua. He was asked to cooperate with the police to find his brother, ge bing. ”

“At that moment, Zhao Yu’s mobile phone rang. It was Zeng ke. ”

““Team leader, I just verified han Sai’s situation, and it seems that something is wrong. We ...” Zeng ke said regretfully, “might have found the wrong person!” ”

Chapter 2396: Chapter 2391-handling cases rationally

“““It should be just a coincidence ...”“ On the way out of the basketball court, Zeng ke said to Zhao Yu over the phone,““first, I checked the duty record! ”

“““From the beginning of the year until now, Han Wen has not left Hila city at all,”“ Zeng ke said.““Their company used her face to check in, and she is a forensic doctor, so it is impossible for her to fake her work records.”“ ”

“““I’ve checked. During the time when the female corpse under the bridge case was first discovered, she basically had a work record.”“ ”

“““Oh ...”“ Zhao Yu nodded and said,““so, this Han Wen is not the killer under the bridge?”“ ”

“““Not only was he not the killer under the bridge, he might not even be the target of the killer’s murder!”“ Zeng ke then said,““team leader, I just asked Zhang quanqing, and he told me with certainty that although Han Wen was also the bridesmaid at the wedding, she was late because she was busy that day!”“ ”

“““When the wedding video incident happened, she wasn’t even at the wedding venue ... ”

“““So, the person who posted the video can’t be her!”“ ”

“““Oh?”“ Zhao Yu frowned.““Are you sure?”“ he asked. ”

“““I’m very sure,”“ Zeng ke replied.““After Zhang quanqing told me about it, I checked Han Wen’s duty record. There was indeed an urgent task that day, which required Han Wen to dissect a body!”“ ”

“““I did a rough calculation of the time. When the video incident happened at the wedding, Han Wen was still on her way to the grassland from Hila. It was at least a two-hour journey from the Dalong District to the wedding scene! ”

“““The video was sent from the bride’s mobile phone,”“ Zeng ke said.““So, Han Wen can basically be ruled out!”“ ”

“““Oh ... Is that so?”“ Zhao Yu frowned and thought for a moment. He still couldn’t be sure, so he asked,““Zeng ke, is it possible for experts like you to control the mobile phone remotely?”“ ”

“““Um ... Well ... There is, but ...”“ Zeng ke said.““Remote control requires the installation of a Trojan horse. As long as the police check it, they will definitely be able to find out!”“ ”

“““But ...”“ Zhao Yu said,““Han Wen is a police officer! Don’t you think that this is a perfect way to get away with the crime?”“ ”

“““No way, team leader,”“ Zeng ke said.““Are you still suspecting Han Wen? ”

“““Don’t forget that the emergency mission happened so suddenly that Han Wen didn’t even have time to predict it. ”

“““If it wasn’t for that urgent mission, Han Wen would have arrived at the wedding on time! ”

“““And, Zhang quanqing told me,”“ Zeng ke continued,““that although Han Wen and ge bing were childhood sweethearts, they were more like brother and sister. They were very close, but they had no emotional entanglement ... ”

“““Ge Bing found a foreign bride, and Han Wen has a boyfriend she’s been in a relationship with for more than six years. All those discussions about marriage were just Ge Hua and Han Sai’s one-sided love ...”

“““Big sis Wu said that to kill someone for love, one must love someone to the point of perversion, but Han Wen doesn’t feel like that ...”” ”

“““Zeng ke, I’m not talking about her, but about the case,”” Zhao Yu said.””Regardless of whether it has anything to do with the female forensic doctor or not, I have to know more about the mobile phone!”” ”

“““Then ... Where’s the bride’s phone?”

“““If someone set up a Trojan horse and then deleted it, would you be able to find any traces?”” ”

“““Well ... That depends on the situation,”” Zeng ke said.””I just asked, and the bride’s mobile phone has been in the evidence room of the Hila police station. I have already sent someone to get it!”” ”

“““Well ...”” Zeng ke said.””I also sent someone to find the wedding company’s player. If the receiver of the player was not completely destroyed, I would have a way to find out ...”” ”

“““Alright!”” Zhao Yu said,””I’ll leave the checking of the mobile phone to you! Remember, when you get the video from your phone, send it to me at once!”

“““Up until now, I still haven’t seen the content of the indecent video!”” ”

“““Oh ... Oh ...”” Zeng ke hesitated, then said,””I see! Then ... Where are you going now?”” ”

“““Since Han Wen has been cleared of suspicion, I’ll have a talk with her!”” Zhao Yu said,””tell the Hila police station to immediately organize a team to look for Ge Bing on the grasslands. Start from his own resort, then go to that ... That place called Ass GE, oh no, Marge’s place to look!”

“““Ge Bing’s sister said that he might have gone to these places ...”” ”

“““Marge?”” Zeng ke asked,””isn’t that a no-man’s land? Who would go there in this season?”” ”

“““Ge Bing’s sister said,”” Zhao Yu said,””that Marge is the place where Ge Bing and Keshenia knew each other, and she’s worried that he might have gone there!”” ”

“““Oh ...”” Zeng ke said.””Well, I’ll do it now!”” However, I’m afraid it will take some time ...”” ”

“““It’s alright, I’ll try my best!”” Zhao Yu was about to hang up the phone, but he suddenly remembered something and asked,””by the way, Zeng ke, how are the eleven cars that were found by Ge Bing?”” ”

“““Oh,”” Zeng ke replied in a hurry,””I was just about to tell you about this!”” The car that Keshenia had fallen into the river had been scrapped, which meant that there were only ten cars left.”

“““The Hila police found two cars from Ge Bing’s various residences, her friend borrowed two, and the other six are missing!”” ”

“““F \* ck, that many?”” ““Why is it so difficult?”” Zhao Yu asked, frowning.”

“““I guess ge bing left them at the resort in the grassland,”” Zeng ke said.”“The Hila police have already sent people there, but because the snow has blocked the road, it is more troublesome. They are still waiting for news ...”” ”

“““Alright then!”” Zhao Yu said,”“the means of transportation are also important. Looking at the tracks of these cars, we might be able to find some important clues!”” ”

“““I know, don’t worry, team leader!”” Zeng ke said,”“I have already sent the information of these cars to the traffic Department and the expressway intersection. Once I find any car that has been to Manzhou, I will report to you immediately!”” ”

“““Alright, I’m getting more and more at ease with you handling things!”” Zhao Yu complimented,”“when you have a wedding with Zhang Peipei, I must double the red packet. Hahaha!”” ”

“““Team leader, You must be joking!”” ““It’s all because of your leadership!”” Zeng ke said. ”

“““Hey? ““You’ve learned how to flatter me,”” Zhao Yu said with a smile.”“Alright, time is of the essence, so let’s get to work!”” ”

“““Oh, yes, yes, yes ...”” ”

“After hanging up the phone, Zhao Yu and Xi Mengna were already in the police car. ”

“““Zhao ...”” Xi menna saw that there were outsiders present and quickly changed her tone,”“team leader Zhao, where are we going now? That han sai has already organized his men to go to the grassland. Should we follow them?”” ”

“““It’s fine, I’ve already arranged it!”” Zhao Yu said,”“let’s go to the Dalong district police station now and pay a visit to the forensic doctor!”” ”

“““Oh ...”” Xi menna nodded, then asked,”“leader, do you think that Ge Hua and han sai were telling you the truth?”” ”

“““Oh?”” ““Why do you say that?”” Zhao Yu asked, urging the driver to start driving. ”

“““It’s just a feeling, right?”” Xi menna said with uncertainty,”“why do I feel like they’re acting? ”

“““The woman wanted to fall off the horse and put on a show of self-pity, but she accidentally got hung on her leg, which led to that dangerous scene? ”

“““Could it be ... They’re hiding ge bing? should we search their place? Or ... Should we follow them?”” ”

“““Don’t talk nonsense!”” Zhao Yu reproached,”“Didn’t I tell you? Don’t make wild guesses without concrete evidence! You have to be rational when handling a case and not act on your feelings, understand?”” ”

Di di ... Di di ...

His phone rang. Zhao Yu glared at Xi Mengna as he answered the call.

“Cui Lizhu’s voice came from the phone.””Boss, Han Wen’s family is a big family! Grandpa, grandma, Auntie, and everyone else were all at home! ”

“””I’m not invisible, how do you expect me to do it?”” ”

“””Alright, you don’t have to worry about Han Wen for the time being, retreat!”” Zhao Yu said seriously,””I’ll give you a new task now. Go to ge Bing’s house and investigate!”” ”

“Upon hearing this, Xi menna’s eyes widened! ”

“””I feel like it!”” Zhao Yu said, feeling good,””ge Bing’s sister and brother-in-law seem to be putting on an act with me. They might be hiding something from me! ”

“””Go to their house and search for them. Be careful ...”” He said. ”

“””F \* ck ...”” ”

“After Xi Mengna heard that, she immediately made a hand gesture, as if she wanted to strangle Zhao Yu to death on the spot. ”

Chapter 2397: Chapter 2392-mcrose

In an office in the Dalong district police station in Hila city.

“””Oh my God!”” Han Wen opened her mouth in surprise and said in disbelief,””I heard about the serial murders in Manzhou, but I didn’t know that the deceased were the foreign bridesmaids!”” ”

“Han Wen was han Sai’s younger sister, but their genes seemed to be very different. ”

“Han Wen wasn’t tall, slightly chubby, and she didn’t care about her appearance, making her look carefree. ”

“When Zhao Yu first saw her, he had ruled out the possibility that she was the killer under the bridge, because her psychological profile was obviously different from that of the killer under the bridge. ”

“Hence, Zhao Yu explained the situation of the female corpse under the bridge case to her without reservation. ”

“””Aiyo ...”” Han Wen nervously rubbed her palms and said,””this ge bing, how can he be so stupid?”” The dead can’t come back to life, why bother ...”” ”

“””So ...”” Zhao Yu asked,””you also think that ge bing is killing people for revenge?”” ”

“””Ah?”” Han Wen was surprised.””Isn’t it obvious?”” she asked. The people who died were the foreign bridesmaids? ”

“””GE Yuan is dead, and ge bing is still holding a grudge because of that. Is it ... Is it not true?”” ”

“””What kind of person is ge bing?”” Zhao Yu asked.””You should know him very well, right?”” ”

“Of course, we grew up together!” Han Wen said, “he’s a perfectionist. He wants to do everything to the extreme and doesn’t like to lose to others. As for his revenge ...”

“It’s nothing special. I don’t think he’s the type to take revenge, but ... I’m afraid the wedding has crossed his line.”

“This silly thing!” “Is it worth it for a woman like that?” Han Wen cursed through gritted teeth.

“Do you know anything about ge Bing’s relationship with his fiancée?” Zhao Yu tried to ask, “I heard that ge Bing rarely had a crush on someone in the past!”

“Yes,” Han Wen said. “Didn’t I just say that?” He was a perfectionist and an idealist. No woman could attract his interest.

“So, we’re all wondering what’s so attractive about that Russia woman.”

“However, I can see that ge Bing has really fallen in love,” Han Wen said. “The two of them are stuck together like glue. The foreign woman is also open-minded. She can’t stand showing off her love in front of outsiders!”

“Have you seen the four bridesmaids?” Zhao Yu asked, “after this incident, did you see ge Bing again? Also, you’re a police officer, have you ever participated in the post-production work?”

“Wait a minute,” Han Wen suddenly froze, then stared at Zhao Yu and asked, “is your surname Zhao?”

“Zhao Yu frowned, but didn’t say anything.”

“Oh my God, you’re not the famous detective Zhao Yu, right?” Han Wen’s eyes lit up, looking very excited.

“Don’t worship me, I’m Zhao Yu!” Zhao Yu admitted “modestly,” then said, “let’s talk about the case first!”

“Oh ... Oh ... Wow!” Han Wen was like a fan who had just seen her idol. She couldn’t hide her excitement as she said, “I really didn’t expect that you would be handling this case!”

“Hmm...Just now ... The question just now, right?” She rubbed her palms together and tidied her hair before saying, “I saw those four foreign women later, but I don’t have a deep impression of them ...”

“I was on my way when the incident happened. It was indeed very unexpected for such a thing to happen.”

“Originally, I wanted to help with the investigation, but it’s a pity that the case is not under our jurisdiction. Also, there happened to be a murder case in our branch, so I didn’t participate.”

“I only heard that the police released the four people in the end because they couldn’t find any concrete evidence ...”

“As for ge Bing ...” Han Wen recalled and said, “I only saw him once after that. It was at GE Yuan’s funeral, and I comforted him with a few words ...”

““““However, I understand ge bing. This kind of thing is a huge blow to him, so he definitely won’t be able to accept it. However, I didn’t expect him to do such an extreme thing!””

““““Could it be ... Those indecent videos were really made by those four women?”” Han Wen frowned.””I heard that the four bridesmaids are all GE Yuan’s friends. How could they do something like that?”” ”

““““This is really sad!”” ”

““““Mm ...”” Zhao Yu thought for a moment, then asked,””ge bing herself, does she know how to ski?”” ”

““““That’s not a very professional question,”” Han Wen said with a smile.””There’s nothing people of our age can’t do!”” Moreover, there were many types of sleighs. Some were pulled by donkeys, and some were pulled by dogs. The sleighs now were all electric! ”

““““Ge bing has a few at home. Sometimes in the winter, she would go to the snow to play and even compete with my brother!” ”

““““But ... I haven’t seen him play in the past few years ...”” ”

“Hearing this news, Zhao Yu turned his head and gestured to Xi menena, telling her to write it down in her notebook. ”

“However, when he turned around, Zhao Yu realized that Xi Mengna was not holding a pen or notebook, but had turned on the recorder on her phone and was leisurely recording! ”

He really knew how to be lazy!

“Zhao Yu complained in his heart, but then he thought about it. Sometimes, Xi menna couldn’t even speak Chinese, let alone write! ”

““““Then ...”” Zhao Yu asked Han Wen,””is ge bing a professional when it comes to drilling eyes with an electric drill?”” ”

““““You are ...”” Han Wen was stunned.””Well, let me think about it. I really don’t know how to answer this question. Anyway, I have never seen it!”” ”

““““Then ...”” Zhao Yu asked again,””where do you think we can find ge bing?”” ”

““““This ...”” Han Wen thought for a moment, then shook her head and said,””how would I know?”” You should ask his staff, or his sister, or my big brother Han sai!”” ”

““““Try to recall, how long has it been since you last contacted ge bing?”” Zhao Yu asked again. ”

““““Hmm ... It’s been about two months. ””No... I think it’s going to be a while longer ...”” Han Wen said.””I haven’t seen him since GE Yuan’s funeral!”” ”

““““Mm ...”” Zhao Yu sighed and said,””well, in that case, let’s stop here!”” If you can think of anything, give us a call! My assistant will give you my phone number!”” ”

““““Well, wait a minute, wait a minute,”” Han Wen seemed to have thought of something and said anxiously,””there’s something I’m afraid I have to tell you!”” ”

““““Oh? What’s the matter?”” Zhao Yu and Xi Mengna looked at Han Wen at the same time. ”

“““Ge Bing likes to read detective novels. He’s liked them since he was young. He has a lot of detective-related books at home!”” Han Wen said,““after I became a forensic doctor, every time he saw me, he would ask me some professional knowledge about criminal investigation, so ...”” ”

“““Um ...”” Han Wen hesitated and said,““can you show me the record of the crime scene and the autopsy report?”” ”

“““Let me help you determine if the murderer is Ge Bing or not!”” ”

Chapter 2398: I like it

“““Judging from the imprints ...”” In the office, Han Wen looked at the autopsy report provided by Zhao Yu and carefully analyzed it. ““The murderer who strangled these victims had a big palm, at least one-third bigger than my palm ...”” ”

“““Tsk tsk ...”” She pouted as she shook her head.““Ge Bing’s palm fits this condition perfectly ...”” ”

“““Sigh ...”” She suddenly sighed and recalled,““last year, when I was having a barbecue at his house, he once talked to my brother about an electric sleigh. He said that there is a real electric sleigh that is produced now. It is purely electric and doesn’t need oil, and it is very quiet to drive ...”” ”

“““If you didn’t find any fresh animal traces at the crime scene,”” Han Wen said,““then, did you use this new electric sled?”” ”

“““You ...”” She pointed at Zhao Yu’s information and said,““can you compare it with the traces at the scene, or go to the nearby businesses to look for it? as far as I know, this new type of electric sled is expensive, so it shouldn’t be common!”” ”

“““Doctor Han,”” Zhao Yu thought for a moment, then asked,““do you know that Ge Bing is familiar with Manzhou? According to the details of the case, the murderer should know the geographical environment of Manzhou like the back of his hand, and he almost avoided all the places that could be detected ...”” ”

“““Well ...”” Han Wen hesitated for a moment and said,““I really don’t know. I’m not so close to him that he would report to me wherever he went.”” ”

“““I suggest you ask his managers and staff. ”

“““But ...”” Han Wen added,““Manzhou is a port city with rich Russia culture. It is also a city with a unique tourism development. Basically, it is on the same tourist route as Hila!”” ”

“““Since ... Ge Bing is running a resort, it’s naturally part of his tourism. So, I think he should be very familiar with Manzhou, right?”” ”

“Zhao Yu nodded slightly, feeling that Han Wen was being very cautious. ”

“““Ge Bing ... Is a very smart person!”” Han Wen added,““whatever he learns, he always learns several times faster than us. ”

“““At the same time, he’s also a strict person. It looks like he likes to take risks, but in fact, everything is under his control!”

“““Mm ...” Han Wen returned the phone to Zhao Yu and said,““as for other aspects, I’m afraid I can’t do anything about it!”“ I really hope that ge bing is not the murderer!”

“““But, I have to admit, other than him, I can’t think of anyone else who would hate those Russia bridesmaids to the core!”“ ”

“““Okay.”“ Zhao Yu stood up and politely shook hands with Han Wen.”“Thank you for your help. If you remember anything, don’t forget to call me!”“ ”

“““Wait ... Police officer Zhao Yu,”“ Han Wen hurriedly took out her mobile phone,”“can you take a picture with me? I really didn’t expect to see you, a legendary detective, at the Dalong police station one day!”

“““At least give me something to show off, right?”“ ”

“““Oh ... Of course!”“ ”

Zhao Yu handed his phone to Xi menna and asked her to take a picture of him and Han Wen.

“After taking the photo, Zhao Yu said humbly,““““Due to an emergency, I won’t be able to take a photo with all of your colleagues. Maybe next time!”“ ”

Zhao Yu’s words made Xi menna roll her eyes.

“Five minutes later, Zhao Yu and Xi Mengna walked out of the Dalong district police station. In order not to cause any trouble, they got into the police car and asked the driver to drive out of the police station. ”

“““Wow,”“ Xi menna crossed her arms and said,““I think this woman is following you more than her childhood friends. It seems like we’ve got the wrong person!”“ ”

“““Yes!”“ Zhao Yu also frowned slightly and said,““the feeling I get is that this woman not only doesn’t protect ge bing, but she also seems to be adding insult to injury!”“ ”

“““I don’t think so,”“ Xi menna said.”“I’m just telling the truth! No matter from which perspective, ge bing was the biggest suspect!”

“““If the four Russia women didn’t die because of the wedding, then that would be crazy!”“ ”

“““Police officer Zhao,”“ the driver asked Zhao Yu,”“where are we going now?”“ ”

“““Let’s go to the best hot-pot mutton restaurant here!”“ Zhao Yu said,”“I’m hungry and cold! I’ll treat you, let’s eat together ...”“ ”

“““Um, no, no, no...”“ The driver quickly said,”“we have rules that we can’t eat with you, so as not to disturb your work.”“ ”

“““Um ... Would you like to have a buffet or ...”“ ”

“““Wow, self-service?”“ Xi menna suddenly lost her temper.”“I don’t eat at the cafeteria!”“ ”

“““Oh ...”” The driver said.””Then let’s go to aqige. We have the most authentic hot-pot mutton here!””  
Officer Zhao, you don’t have to worry about the bill ...”” ”

“““No,”” Zhao Yu said seriously.””I’m an upright person, I can’t be greedy. Later, you can book two private rooms, the two of us will share one, and you will share one. You just have to help us order the dishes, and you don’t have to worry about the rest ...”” ”

“““I ... I’m so embarrassed ...”” ”

.....

“Fifteen minutes later, Zhao Yu and Xi menna walked into the luxurious private room of the aqige hot pot restaurant, waiting for the mutton to be served. ”

“The driver was alone. He didn’t book two private rooms, but went to the lobby and ordered a small pot for himself. ”

“““Miss, I have to say something.”” As soon as he sat down, Zhao Yu began to educate Xi Mengna.””How did the buffet become a cafeteria? What did the self-service do to you?”” ”

“““I don’t like to do it myself. Is there a problem?”” Xi menna said proudly,””in the past, I had more than ten servants at home to serve me!”” ”

“““F \* ck ...”” Zhao Yu said rudely,””haven’t you had enough prison food?”” ”

“““Your words are so hurtful,”” Xi menna said.””When others chat with me, they all compliment me. You’re the only exception, and ... And you keep scolding me!”” ”

“““Who asked me to always like to tell the truth?”” Zhao Yu was really hungry, so he dipped the lettuce in the sauce and started eating. ”

“““You’re a bastard, but ...”” Xi menna said angrily,””I like it!”” ”

Pfft ...

Cough cough ... Cough cough ...

“Zhao Yu actually choked on the vegetable dipping sauce and coughed for a long time before he recovered. He muttered,””Do you have a tendency to be thin and abuse people?”” ”

“As they spoke, the waiter served the steaming hot pot. Zhao Yu could no longer be bothered to flirt with Xi menna, and quickly poured the entire plate of meat into the pot. ”

“Xi menna was the same. Smelling the alluring smell of the hotpot, she couldn’t hold back and picked up her chopsticks to eat. ”

“After the two finished eating two plates of delicious mutton, they felt much more comfortable and began to talk again. ”

“““In the car, I didn’t dare to go any deeper,”” Zhao Yu said.””I don’t deny that ge bing is the biggest suspect in this case, but don’t you think that some things don’t make sense?”” ”

“““Oh?”” Xi menna picked up a piece of lamb liver from The Cold Dish and asked,““what doesn’t make sense? Or ... Or did the victim suffer any sexual assault? ”

“““Do you think that ge bing should not violate them after killing them for revenge?”” ”

“““No...”” Zhao Yu shook his head and said,““it’s not just that. If you analyze the case carefully, the whole case doesn’t seem to make sense ...”” ”

Chapter 2399: Chapter 2394-more crimes

“““Here we go again, the great detective is so suspicious!”” Xi menna munched on the Lamb liver and mumbled,““if one doesn’t make sense, then why can’t you make sense of all of them?”” ”

“““Just now,”” Zhao Yu said,““the female forensic doctor said that ge bing loved to read detective novels, had a strong ability to accept things, and was meticulous in her work, but ... ”

“““Looking at the nature of the case, if the killing of the four women was really to avenge his fiancée, then this case should be classified as revenge, right?”” ”

“““Yeah?”” Xi menna seemed to be very interested in the Lamb liver. She picked up another piece and nodded as she chewed.““Can’t you take revenge for your fiancée?”” ”

“““What, didn’t you hear the contradiction?”” Zhao Yu then continued,““if it’s only for revenge, then wouldn’t killing those four women be considered revenge? Why did you go through so much trouble to hang them under the bridge?”” ”

“““Why? is this question very difficult to answer?”” Xi menna was confused.““Ge bing felt that it would be too easy on them to kill them directly. She wanted them to be humiliated after their deaths, so she hung them under the bridge! ”

“““Is this explanation unreasonable?”” Xi menna said,““maybe, violating them has this meaning too? ”

“““My dad once said that there are many kinds of revenge, but there is one kind of revenge called”” venting hatred ““! I’m afraid that simply killing them won’t be enough to appease ge Bing’s hatred!”” ”

“““It’s not appropriate to talk about your father at this time,”” Zhao Yu said.““But, revenge is revenge. Why did ge bing have to be so careful?”” ”

“““You ... Um ...”” Xi menna seemed to understand what Zhao Yu meant, but she didn’t seem to understand. She blinked her big, cute eyes and asked,““you’re very careful, right?”” ”

“““Right and wrong, but it doesn’t make sense in this case!”” Zhao Yu finally brought up the main point he wanted to elaborate on.““Ge bing should know that after the female corpse under the bridge incident, he would definitely become the police’s first suspect! ”

“““No matter how careful he was, as long as he didn’t have an alibi, it would be difficult for him to escape the law! ”

“““If we look at it from this point of view,”” Zhao Yu said,““if he really wanted to get away with it, he shouldn’t have exposed the body so openly! ”

“““Only if his body can’t be found will he be able to get away with it perfectly ... ”

“““And from another perspective,”” Zhao Yu continued,““if ge bing was already in great grief because of her fiancée’s death and only wanted revenge to vent her hatred! ”

“““Then ... He shouldn’t have been so careful and planned so meticulously ... ”

“““This is the biggest contradiction in itself!”” ”

“““Oh ...”” Xi menna stopped chewing the Lamb liver and mumbled,““so, ge Bing’s behavior doesn’t match his psychological state?!”” ”

“““Right!”” Zhao Yu said with certainty,““if it was an Avenger who had lost his mind and did not care about the consequences, he would not have committed such a meticulous case. He would not have considered how to get away with it!”” ”

“““Oh ...”” Xi menna quickly swallowed the Lamb liver and said,““since it was done so meticulously, does that mean that the murderer did not lose his mind?!”” ”

“““Could it be ... The murderer really isn’t ge bing?”” ”

“““If he’s really sure that he can get away with it,”” Zhao Yu said,““why hasn’t he shown up yet?”” ”

“““Ah ...”” Xi menna grinned and said,““this case is so complicated! It’s much more exciting than the detective novels I’ve read!”” ”

“““Either the murderer isn’t ge bing, and there are other possibilities, or ...”” Zhao Yu frowned and said,““he is the murderer, but he has other ways to get away with it! ”

“““This is the last thing I want to see. If that’s the case, then this man is too difficult to deal with!”” ”

“““Exonerate?”” Xi menna said,““forging an alibi or finding a scapegoat? I can’t think of anything ...”” ”

“““I don’t know,”” Zhao Yu shook his head and said. ““But, that day, when I was investigating the field team, I heard the local police say this: The ice and snow melted, and the evidence disappeared. ”

“““I don’t quite understand the meaning of this sentence, but, could it be ... Ge bing is also waiting for the snow to melt? ”

“““I’m always thinking ... Did we ... Really miss something?”” Zhao Yu asked worriedly,““which part of the snow is really hiding the murderer’s evidence?”” ”

“““You ...”” Xi menna was addicted to eating the Lamb liver. She reached out with her chopsticks, wanting to pick it up, but she felt embarrassed and put her chopsticks back down. ”

“At that moment, there was a knock on the door, and cui Lizhu suddenly rushed into the room. ”

“““Aiya, it smells so good!”” As soon as she entered, she threw her backpack on the chair impatiently and picked up her chopsticks to pick up the meat ... ”

“It turned out that before Zhao Yu left for the restaurant, he had already sent a message to her and ran Tao, asking them to come over for hot-pot mutton if they were nearby. ”

“In the end, Ran Tao followed the local police to the grassland, so he couldn’t come over to eat. ”

“And cui Lizhu happened to be nearby, so she arrived very quickly. ”

“““Wow, Hila’s hot-pot mutton is famous nationwide!”” Cui Lizhu took a big bite and didn’t forget to exclaim,““it’s so delicious! Oh, there’s even my favorite mutton giblets!”” ”

“As she spoke, she also picked up a piece of lamb liver with her chopsticks and put it in her mouth. She chewed on it, making Xi menna frown. ”

“After taking a few bites, cui Lizhu took out a napkin to wipe her mouth and said to Zhao Yu,“““I’ve already been to the place (I’ve explored the place), there’s no problem!” ”

“““My family has a sea of steamed buns (rich), and a sea of houses!”” Cui Lizhu said,““there’s even a stable at the back, with more than a dozen good horses!”” ”

“““Let’s get down to business, don’t talk nonsense with me!”” Zhao Yu’s face darkened. ”

“““No problem,”” cui Lizhu said.““I’ve searched everywhere, but I didn’t find any trace of ge bing, nor any suspicious place!” ”

“““Ge Hua is still in the hospital, and someone is watching over him,”” cui Lizhu said.““Han sai took his company’s people to the Prairie, and I also sent someone to follow them!” ”

“““I’m planning to,”” she said, putting a lot of mutton into her bowl.““I’ll go with you after I’ve eaten and drunk enough!”” Although the chances are slim, we might be able to find more clues!”” ”

“““Very good,”” Zhao Yu said.““I’m relieved that you and bro Tao will follow these two leads!”” ”

“““Then ...”” Cui Lizhu pointed to the table and asked seriously,““can you serve a few more plates of meat?”” I haven’t had such a good meal in a few days!”” ”

“““Ahem, what kind of question is that?”” Zhao Yu turned around and shouted at the waiter. ”

“““Hmm ...”” Xi menna raised her hand and asked weakly,““can I have another plate of mutton?”” Put in more lamb liver ...”” ”

“Zhao Yu smiled and snapped his fingers. Soon, he called the waiter over and ordered a lot of things. ”

“““That’s great!”” Xi menna clenched her fists, closed her eyes, and made a praying gesture.““I like this kind of life. God bless me, please let me follow Zhao Yu forever!”” ”

“Hearing this, cui Lizhu choked and coughed violently. She then looked at Zhao Yu with a strange expression. ”

“““Oh God!”” Zhao Yu quickly put on a praying expression,““please don’t make me so charming, okay?”” ”

Cui Lizhu rolled her eyes and continued to eat her meat.

“Just at this awkward moment, Zhao Yu’s phone suddenly rang. ”

“The call was from Zeng ke. As soon as the call connected, Zhao Yu stood up and exclaimed, ”””””What ... What did you say? Say it again!”” ”

“Seeing Zhao Yu’s reaction, Xi menna and cui Lizhu quickly put down their chopsticks. ”

””””Oh my God ...””” Zhao Yu said in shock.””””Ge bing is dead!!?””” What? He was also hanged?”” ”

Chapter 2400: Chapter 2394-isolated from the world

Hu ... Chi ...

Hu ... Chi ...

Zhao Yu’s snores could be heard from the bumpy car.

“Zhao Yu was lying comfortably on Xi Mengna’s lap, while Xi Mengna was leaning against the seat, also in a state of sleep. ”

””””Humph ...””” Cui Lizhu, who was sitting in the front passenger seat, turned to look at Zhao Yu and Xi menna, then muttered angrily,””””what a shameless couple ...”” ”

””””If I take a picture of you, Hmph! I’m afraid I can’t beat this cheap husband ...”” ”

“Hearing cui Lizhu’s mumbling, the pilot was obviously a little uncomfortable. ”

“Cui Lizhu glared at him and asked,””””How is it? We’ve been driving for so long and we’re still not here?”” ”

””””Oh ... Oh, soon!””” The pilot quickly pointed to the front and said,””””we’ll reach it after we pass that huge ocean!”” ”

“After saying that, he quickly looked straight ahead and drove seriously. ”

Toot ...

“At that moment, cui Lizhu’s phone rang. ”

””””Hello?””” after the call was connected, Ran Tao’s voice came from the phone.””””Where are you?””” Why haven’t they arrived yet?”” ”

””””What are you rushing me for? can’t you see how difficult this road is?””” Cui Lizhu said to him in a bad mood. ”

””””You ... Ate gunpowder?””” Ran Tao was not to be outdone. He asked,””””where’s boss? Why didn’t he pick up the phone? I have an emergency to report!”” ”

””””The boss is having a sweet time with his little lover, he doesn’t have time to answer your call!””” Cui Lizhu complained. ”

“““Please watch your mouth!”” Ran Tao said,““you guys enjoyed the hot-pot mutton, but I’m still hungry, so I ate a few Oreos that han sai gave me ...”” ”

“““Aiya, poor brother Tao!”” Cui Lizhu laughed evilly.““Then I can only use the word ‘serves you right’ to describe you!”” ”

“““Alright, let’s be serious!”” Ran Tao went straight to the point and said,““I’ve been here for an hour. We were the first to arrive at the scene, apart from the group of police officers who found the body! ”

“““Han sai and Zhang quanqing are also with me ... ”

“““Also, we’ve already sealed off the scene. I went in to take a look just now. Other than the two discoverers, no one else should have touched the scene!”” ”

“““Oh ... Tao,”” cui Lizhu suddenly thought of something and asked curiously,““since you’re in there, is it the same?”” ”

“““What ... What’s the same?”” Ran Tao didn’t understand. ”

“““Stop pretending,”” cui Lizhu asked.““Is the crime scene the same as the female corpse under the bridge case?”” ”

“““Oh,”” Ran Tao said,““of course it’s different!”” ”

“““The crime scene wasn’t under the bridge, but in the banquet hall where ge bing got married. There was a rope hanging from the beam, and there was a stool under his feet, and ... And the person was wearing clothes!”” ”

“““Oh ...”” Cui Lizhu frowned.““There’s a stool under his feet ... It seems like he committed suicide to escape punishment?”” ”

“““Yes, I was just about to report this! He shouldn’t be able to escape!”” Ran Tao said excitedly,““Did you know? We just found a burnt car outside the hall! ”

“““There’s a sleigh in the car ...”” ”

“““Wow!”” Cui Lizhu’s eyes widened.““A snow sled and a car? so, the killer under the bridge was ge bing?”” ”

“““Not only that,”” Ran Tao said,““the forensic team and the technical team haven’t arrived yet, so we didn’t dare to move. But from the car wreckage, we can clearly see some women’s clothes, wallets, watches, and so on. It seems that they were not burned clean ...”” ”

“““By the way, what about the forensic team and the technical team? Is he with you?”” ”

“““Um ... No...”” Cui Lizhu said.““But, they’ve already received the notice and are on their way, so they shouldn’t be much slower than us!”” ”

“““Also,”” cui Lizhu said,““boss has already informed Manzhou and asked Guo fengzhan, the forensic doctor, to come over and help!”” ”

“““Oh, that’s good,““ Ran Tao said.““I’m going to take a few photos of the women’s clothes so that Zeng ke can confirm if they belong to the victims ...““ ”

“““Alright, I’m hanging up!““ Cui Lizhu looked out of the window and said,““I can already see you! Why are you dressed like a white-furred monkey?““ ”

“As the police car drove into the resort and stopped at the entrance, Zhao Yu opened his eyes, as if he had sensed something. ”

“However, when Zhao Yu woke up, Xi Mengna was still in deep sleep. ”

“Zhao Yu glanced at her, but didn’t want to wake her up, so he got out of the car alone. ”

This resort was the most luxurious one under ge Bing’s name. It was also the place where he and keshenia had their wedding.

“As soon as they got out of the car, they could see that the stage specially built for the wedding was still standing in the resort’s courtyard. ”

“The stage stood there alone in the snow, looking a little desolate ... ”

Zhao Yu knew that the bride’s indecent video had been played on the big screen. It was not hard to imagine how the audience would feel after seeing it.

“““Boss, boss!““ Ran Tao was the first to come up to him.““You’re finally here!““ This place is too cold!““ ”

“““No way, Tao ...““ Cui Lizhu looked at Ran Tao carefully and found that he was wearing a white velvet leather jacket. The style of the leather jacket was a little special, as if it was worn inside out.““What the hell are you wearing?““ ”

“““Why does it look so bad?““ ”

“““I don’t care if it’s sexy or not, as long as I don’t freeze to death,““ Ran Tao said, pointing to the resort.““Han sai gave me this dress. I didn’t know we were going to the grassland today!““ ”

“While he was talking, Ran Tao was still shivering. ”

“Zhao Yu knew that Ran Tao wasn’t exaggerating. When he got out of the warm car, he felt like he had fallen into an ice cellar. ”

“The temperature here was around-20 degrees Celsius, and at night, it could even reach-40 degrees Celsius. It was not suitable for human habitation at all. ”

“Under Ran Tao’s lead, Zhao Yu and cui Lizhu walked towards the resort’s main hall. ”

“After taking a few steps, they saw han sai, Zhang quanqing, and the others. Han sai was holding a phone and squatting at the entrance of the hall, looking helpless. ”

“Obviously, he was in a dilemma. Should he tell his wife Ge Hua about this unfortunate news? ”

“Seeing Zhao Yu’s arrival, Zhang quanqing came forward to greet him. ”

“Previously, they had only met through video calls. Today, Zhang quanqing was requested by the police to help them find ge Bing’s whereabouts on the grassland. ”

“However, they did not expect to find ge Bing’s corpse the moment they entered the plains! ”

“””This resort is close to the no man’s land of Marge,”” Zhang quanqing explained to Zhao Yu.””So, it usually closes the earliest and opens the latest. Generally, they will only come in may next year!”” ”

“””I really didn’t expect ...”” Zhang quanqing said with a sad expression,””CEO GE would actually choose this place ...”” ”

“Zhao Yu asked,””is there no one guarding this place?”” Aren’t you afraid that someone will come and cause trouble?”” ”

“””No...”” Zhang quanqing said.””As you can feel, it’s impossible to live here in winter. After the snow sealed off the roads, this place was cut off from the world!”” ”

“””Every year, before we close, we move the valuables here to other resorts, so we’re not afraid of people coming here to cause trouble ... ”

“””Besides, the people of the grassland are honest and kind. They would never do anything sneaky ...”” ”

“””Officer Zhao!”” ”

“””Officer Zhao!”” ”

“Then, two more police detectives came up to Zhao Yu and greeted him. ”

The two police detectives arrived at the scene together with Zhang quanqing and were the first to find the body.

“After the introduction, Zhao Yu took out the foot gloves and gloves that he had brought with him and finally entered the scene. ”
