Chapter 2411: Chapter 2406-rare deadlock

“10 p.m., Hila City Police Department office. ”

“““What’s wrong?”” Cui Lizhu pulled Xi menna aside and asked,““what’s wrong with boss? Why are you suddenly possessed?”” ”

“““I don’t know ...”” Xi menna said.““It was going well at first, but it suddenly became like this!”” ”

“In the middle of the office, there were a few whiteboards. ”

“At that moment, Zhao Yu was standing in front of the whiteboard, adding case information and various analyses on it like a mad man. ”

“““You ... You didn’t eat?”” Cui Lizhu pointed at the lunchbox on the table next to her. ”

“““I haven’t eaten since noon,”” Xi menna said while munching on a bag of potato chips.““I’ve been like this since I came back from ge Bing’s house!”” ”

“““Oh ...”” Cui Lizhu thought for a moment, then nodded and said,““if boss is in this state, it can only mean two things!”” ”

“““Which two?”” Xi menna was curious. ”

“““Or, we’re investigating in the wrong direction!”” Cui Lizhu said,““or, boss has already thought of the most important part and is close to the truth!”” ”

“““Sigh, I can’t keep going on like this ...”” Simone said as she chewed on her potato chips.““I hope he’s close to the truth!”” ”

“““F * ck,”” cui Lizhu said, noticing the potato chips in Xi menna’s hands.““Beauty, aren’t you afraid of getting fat?”” ”

“““You’re not the first person to ask me that,”” Xi menna said.““I want to grow fat!”” ”

Cui Lizhu was speechless.

“““You guys...Um ...”” Xi Mengna pointed at Zhao Yu and said,““in such a situation, aren’t you going to talk to him?”” ”

“““Persuade?”” Cui Lizhu’s eyes widened.““He’s the crazy detective Zhao Yu. He even hit women when he’s crazy. Who would dare to stop him?”” Why don’t you ... Try it? I think she’s quite interested in you?”” ”

“““Forget it ...”” Xi menna flipped the bag of chips upside down and finished all the chips inside. She said,““I’ve been hungry for a day with him. It’s not worth it to get beaten up again!”” ”

“After that, Xi menna picked up a document and laid it on the table beside her. She pretended to look at the information, but in fact, she wanted to take the opportunity to sleep ... ”

“”Sigh ...”” Cui Lizhu looked at Zhao Yu again and sighed helplessly. She didn’t dare to step forward to stop him. ”

“At that very moment, Zhao Yu’s heart was burning with a fire! ”

The sudden completion of the system’s hexagram had dealt him a heavy blow.

“During the time when the hexagram poem was frozen, although Zhao Yu had encountered many difficult and complicated cases, he had solved all of them as scheduled! ”

“The murder case under the bridge in front of him was not an old case, and he had a hexagram to open. However, after investigating the case for so long, he had not even found a suspect. He was really a little too angry! ”

“Zhao Yu understood the nature of the system, and he knew that the sudden end of the hexagram meant that there was a huge deviation in the direction of his investigation. ”

So ... What was the problem?

“Just as they had expected, when Zhao Yu and Xi Mengna returned to the police station, news from all sides came in, all of which confirmed that the case was not ordinary. ”

“First, Ran Tao reported to Zhao Yu that there didn’t seem to be any major problems with the investigation of the bride. ”

“The bride, keshenia, was similar to Qiu Jinna and the others. After entering the country, they also worked in Manzhou and even worked as an actress in Yelina’s song and dance group. ”

“Later, she found an opportunity to come to the grassland Scenic Area in Hila city and perform dance and sing there. ”

“Then, by chance, she met the diamond King, ge bing, at an event in the Marge Scenic Area. They fell in love at first sight and their relationship quickly heated up, which led to the story that followed. ”

“Ran Tao found out that keshenia was applying for a green card at that time, so she had to wait for a certain time. Therefore, she couldn’t get a marriage certificate with ge bing, so they had to hold their wedding first. ”

“As for her phone card and bank account, she had made them in her own country, and most of them were now invalid. ”

“After she got to know ge bing, she basically used ge bing for her phone and bank cards. ”

“In addition, keshenia’s interpersonal relationships were relatively simple. Other than the four Russia bridesmaids in Manzhou and her colleagues in the scenic Area, she did not know many people. ”

There were no Russia men around her.

“Therefore, Ran Tao believed that, although keshenia had a dark past, she had not done anything illegal after entering the country. ”

“At the same time, his sister-in-law, Ding Lan, also brought Zhao Yu news about keshenia. It turned out that keshenia’s experience was exactly the same as Eliza ‘s.”

“She was indeed controlled by the local criminal gang and became a woman in a special job. However, she was later rescued by the government. She was worried that the criminal gang would take revenge, so she came to Manzhou.”

“In terms of time, keshenia had arrived at Manchuria later than Qiu Jinna, Eliza, and Zhuo ya. It seemed ... She had arrived at the same time as Yelina from the dance troupe.”

“As such, Ding Lan guessed that she might have come to Manchurians with Yelina, or she might have joined Yelina after coming, which was why she had danced in the red Star Song and Dance Ensemble before ...”

“In addition, keshenia and Eliza were in a similar situation. They had been abducted since they were young, so they did not have any relatives at all. They did not plan to return to kurasika for the rest of their lives!”

“This meant that Zhao Yu had found out about Ksenia’s background. Although she had a dark past, her identity was very clear ...”

“Other than ge bing, no one else would kill the four Russia bridesmaids for her because of the video incident at the wedding!”

“Then, Zeng ke’s investigation also brought bad news.”

“Through the investigation of the two police stations, although they found the surveillance video of the silver-gray Ford entering and leaving the city, they couldn’t capture the driver at all.”

“The technical staff suspected that the murderer might have done something to the car’s windshield, so that the camera could not detect the situation inside the car at all. Even the number of people sitting in the car and the driver’s profile could not be distinguished.”

“In addition, the driver had clearly made careful preparations for the route. Basically, once they got off the highway, they would enter a blind spot without any surveillance equipment, and there was no way to track his direction at all ...”

“Also, the police had already searched most of the gas stations along the way, but so far, they had not found any traces of the car ...”

“After Zeng ke’s report, it was cui Lizhu’s turn.”

“The results of the investigation on the suspect, Han Qing, were out.”

“Surprisingly, through the surveillance around Han Qing’s house, it was found that Han Qing was secretly in contact with a man, and the man was a married man!”

“Now, cui Lizhu finally understood why Han Qing had been so nervous when she had asked the question. It turned out that she had been afraid that her relationship with the man would be exposed.”

“In addition, the cash that Han Qing withdrew was also given to this pretty boy. She was worried that there would be a record of the transfer, so she used cash. ”

“Also, after verification, the police found that Han Qing was telling the truth. She did grow up in a new bin, and she was not close to her brother, han sai, and sister, Han Wen ... ”

“Therefore, the suspicion of miss butcher could be passed on! ”

“So, after going around in a big circle, the case was once again in a deadlock. Zhao Yu still didn’t know who the mysterious assassin under the bridge was! ”

Chapter 2412: The photographer

“One day, two days ... ”

On the third day.

“Hila City Police Department, Special Investigation Group temporary office. ”

“Zhao Yu had new stubble, and his eyes were bloodshot, but he was still sitting at his desk, looking at the case information seriously. ”

“It was as if time had gone back, and Zhao Yu felt as if he had returned to the distant beiqian, where he was fully immersed in looking for clues about the devil case. ”

“But ... The devil case was an old case, and one of the five unsolved cases. ”

“However, the case of the female corpse under the bridge had just happened not long ago, and he had already found the cause of the case. ”

But why was it that the mysterious murderer had yet to surface?

“Zhao Yu took a sip of his coffee, then looked at the system hexagram area, which was grayed out, and then turned his attention to the information in front of him. ”

“Crime scene records, autopsy reports, detailed information on all the suspects and related personnel, indecent videos, related surveillance, interpersonal relationships, and so on ... ”

“There was a lot of information, and Zhao Yu had read it many times, but he still had no clue. ”

“According to the traffic videos extracted by the police from both cities, one thing could be confirmed. During the several times that the female corpse under the bridge case happened, ge Bing’s Ford sharp edge had records of entering and leaving Manzhou city. ”

“Therefore, the police could determine that the car was the means of transportation used by the murderer to commit the crime. ”

“In other words, the driver of the car was the mysterious killer of the Kongtong bridge! ”

“However, due to the person’s strong anti-reconnaissance ability, not only did he use tools to block the car window, but he also easily avoided the traffic surveillance area. ”

“Therefore, the police had not found any useful clues from the video so far. ”

“”Zhao Yu ...” Just as Zhao Yu was looking through the information, Xi Mengna poured his unfinished coffee into the trash can. “”Don’t drink anymore. If you drink too much, it’ll stimulate your heart!”” ”

“”You?”” Zhao Yu glared at Xi menna, but ignored her. ”

“”Zhao Yu,”” Xi menna closed the document that Zhao Yu was looking at,””stop looking at it. Can you listen to me for a while? ”

“”The Great Wall can’t be built in a day. Can you take a rest first?”” ”

“”You ...”” Zhao Yu glared at Xi menna again. Surprisingly, he did not lose his temper, but instead asked,””what’s wrong?”” You’re looking down on the detective because he didn’t solve the case?”” ”

“”What are you saying? “”You’re already speaking incoherently,”” Xi menna said.””Do you still care about your face at this time?”” ”

“”I’m afraid that you’ll suddenly die!”” ”

“Originally, Zhao Yu wanted to argue with her, but he suddenly remembered that Xi menna’s father, Xi Wei, had died of a heart attack. ”

“Therefore, he didn’t continue on this topic, but said comfortingly,”” ”

“”Don’t worry! I know I don’t look as handsome anymore, but I know my situation. This is normal! ”

“”Now you know it’s not easy to be a detective, right?”” ”

“”Four hours.”” Xi menna’s left hand was on Zhao Yu’s document, and she stretched out four fingers on her right hand.””Go back to the hotel and sleep for four hours. I won’t disturb you anymore!”” ”

“”Oh?”” Zhao Yu was surprised.””When did you start to care about my health? Wouldn’t you like it if I’m dead tired?”” ”

“”Combine, my ass!”” “”You’re my only support now,”” Xi menna scolded.””What am I going to do if you die? Also, since you want me to be your assistant, I should fulfill my duties as an assistant! ”

“”Zhao Yu, you haven’t had a good sleep for three days!”” Xi menna pointed at Zhao Yu and said,””smell it. What smell have you become? Even if it’s cold here, you can’t do this, right?”” ”

“”You ...”” Zhao Yu sniffed, then joked,””are you saying that I’m slutty?”” ”

“”Team leader, team leader ...”” At this time, Zeng ke suddenly came to Zhao Yu with his laptop, pointed to the screen, and said,””look at this ...”” ”

“Zhao Yu turned around and saw that Zeng ke was playing an indecent video about the bride, keshenia, on his computer. ”

“Zhao Yu narrowed his eyes and said,””Zeng ke, I didn’t expect your taste to be so normal!”” ”

“Zeng ke adjusted the video and zoomed in on a part of it, then said,“look, we didn’t notice that there was a mirror in this video!””

““I enlarged the video and saw the person who took the video in the mirror. Take a look ...””

““Ah?”” Zhao Yu’s eyes suddenly widened, and he almost leaned over the camera. ”

““Look ...”” Zeng ke zoomed in on the portrait he had extracted and asked,“do you recognize it?””

““Wow, she has a great figure.”” Zhao Yu stared at the camera and sighed.“She seems to be even slimmer than Xi menna?””

““You ... What kind of analogy is that?”” ““Don’t joke around with me!”” Xi menna clenched her fist and pointed it at Zhao Yu’s head. ”

““This is ...”” Zhao Yu recalled, then said,“if she’s so thin, the photographer ... Should be Eliza, right?””

““Wow, that’s too hardcore. That means ... They were together at that time ...””

““Yes, it’s Eliza!”” Zeng ke then said,“and, she was not holding a mobile phone, but a camera!””

““Oh ...”” Zhao Yu pondered for a moment, then said,“if it was taken by a mobile phone, that means ...””

““It means that they’re taking the shoot seriously,”” Xi menna continued to analyze.“It means that they’re not shooting for fun!””

““Yes,”” Zhao Yu said, nodding.“Maybe he wanted to sell the video for money. Perhaps he wanted to use the video to attract business ... ”

““The person who took the video is Eliza, which means ...”” Zhao Yu said.“At least Eliza isn’t innocent ... Those indecent videos might really have been leaked by them ...””

““Team leader,”” Zeng ke said,“almost all of the videos have obvious Russia elements, which means that these videos were all shot before.””

““Eliza, Zhuo ya, and Qiu Jinna,”” said Simone as she counted with her fingers.“The three of them were in the same profession as the bride, keshenia. So, it was these three people who betrayed keshenia! ”

““But ... What about the dancing Yelina?”” She frowned and said,“Yelina shouldn’t be related to this matter, right?””

““Not necessarily,”” Zeng ke said.“According to the feedback information, Yelina is a straightforward person, and her love is impulsive. ”

““Maybe she found Eliza’s video, then stole it and posted it! ”

““Someone claimed that on the night before the wedding, the bride asked Yelina to dance. After the dance, Yelina didn’t seem too happy and drank a lot ...””

“““That’s true ...”” Xi menna chimed in,““perhaps Yelina was jealous? After all, when she first arrived, keshenia was dancing at her place! ”

“““But now she’s turned from Cinderella to a noble Princess. She must be very angry, right?”” ”

“““But ...”” Zhao Yu shook his head and said,““releasing the video is a very delicate matter. Ye Lina was drunk, and she had to know the password to the wedding music player ... Um ... Um ...”” ”

“As he spoke, Zhao Yu suddenly had an idea. ”

“He carefully pondered for a moment before his eyes lit up and he said,““ ”

“““Eh? Have you noticed something?”” Zhao Yu walked quickly to the White boards, pointed to one of them, and asked,““have you noticed the order of death of the four victims?”” ”

Chapter 2413: The order of death

“““The murderer first killed the nineteen-year-old Eliza ...”” Zhao Yu stroked the words on the whiteboard and said,““and now we know that Eliza took an indecent video of the bride, keshenia. This ... What does this mean?”” ”

“““The murderer ...”” Zeng ke guessed first.““The murderer might have known that Eliza was the one who shot the indecent video, so he killed her first, regardless of whether she was the real publisher or not!”” ”

“““Then,““ Zhao Yu pointed to the second person,““ye Liena was also the biggest suspect, so the murderer killed her second! ”

“““Then Zhuo ya, and finally Qiu Jinna ... ”

“““Could it be ...”” Zhao Yu pondered, then said,““that the murderer was at the wedding scene? Does he know who is the main person responsible for Ksenia’s death?”” ”

“““Team leader Zhao ...”” Xi menna suddenly thought of something and said,““think back to the situation at that time. When the bride, keshenia, saw those videos, did she know what those videos were about and who took them for her?”” ”

“““Eh?”” Zhao Yu’s eyes lit up, as if he had just realized something. ”

“““But ...”” Simone said,““when keshenia was cursing loudly, it wasn’t only directed at Eliza. This ... What does this mean?”” ”

“““This means ...”” Zhao Yu guessed excitedly,““the person who took the indecent video of keshenia was not only Eliza, but also Zhuo ya and Qiu Jinna. All three of them were involved!”” ”

“““And Yelina might be innocent because she was standing next to Qiu Jinna and the others,““ Xi menna analyzed,““of course, it’s also possible that she’s the one who posted the video, and Ksenia has already sensed it ...”” ”

“““Yes, team leader ...”” Zeng ke recalled, then said, ““according to our questioning of the witnesses who witnessed the wedding video, someone said that when the bride was cursing loudly, she used the Russian word ‘you’. So, these four women are not innocent, and the indecent video is related to all of them ...”” ”

“““But ...”” Xi menna’s eyes were wide open. ““We’ve analyzed it so well, but we’re still in the guessing stage. ”

“““Who’s the person who posted the video? Who was the killer under the bridge? We still don’t know, do we?”” ”

“““Tsk tsk ...”” Zhao Yu realized the problem and suddenly pinched his forehead. He felt like his head was about to burst. ”

“At first, he had a faint feeling that there might be some important information hidden behind the order of the four victims ‘deaths, but now it seemed that he had gained nothing. ”

“““Look ... Look ...”” Xi menna reached out to support Zhao Yu and said, ““you’re already like this, how are you going to work? Let’s go! Come back to the hotel with me now ...”” ”

“““Okay, okay ...”” Zhao Yu struggled and said, ““quiet down, let me think ...”” ”

“““Okay ...”” Seeing that Zhao Yu wasn’t leaving, Xi Mengna crossed her arms and said, ““if you don’t listen to me, I’ll tell anyone I see later that I’m going back with you to shower and sleep, and I’ll also have to give you a bath ...”” ”

Zeng ke was stunned.

Zhao Yu was petrified.

“After another six or seven seconds of stalemate, the detective gave up and left the office. ”

“Before he left, he made a pact with Xi menna, telling her to work in the office and not to go to the hotel and disturb Zhao Yu’s rest. ”

“In fact, Zhao Yu’s heart was as clear as a mirror. After all, he was an experienced man, and had experienced so many major cases. How could he not understand the principle of ““haste makes waste?”” ”

“However, it was easier said than done. Seeing that the case had been going on for such a long time without any progress, his heart had long been on fire! ”

“He always felt that the turning point was right in front of him and that he would be able to find out the truth of the case soon. However, it always ended in disappointment. ”

“In addition, the sudden end of the hexagram poem added fuel to the fire. He knew that he was going into a dead end, but he still did it without hesitation. ”

Hu ...

“On the way to the hotel, Zhao Yu let out a long breath. ”

He knew that his energy had reached its limit and he really needed to relax.

“It seemed that Zhao Yu gradually understood one thing, which was that he regarded himself as a super detective. From the bottom of his heart, he thought that no matter how complicated the case was, as long as he was a super detective, he would be able to take it down!”

It was not until he was slapped in the face by reality that he gradually realized that he had been too proud!

“This case might not be as complicated as the five major unsolved cases, but it was definitely not an ordinary case. He couldn’t treat it with the same mentality he had when he solved the black pupil case or other cases.”

“A person who is too anxious has no wisdom. Perhaps, this is the crux of my failure to lock onto the suspect or the real murderer?”

“Thinking of this, Zhao Yu immediately put down his bag, put his phone on silent mode, then went back to the hotel to catch up on sleep.”

This sleep was so deep that she didn’t even have a dream ...

“When he woke up, he did not know when it was. Looking at the sky outside, it seemed to be evening.”

“He unlocked his phone and realized that he had a few missed calls. There were from Miao Ying, cui Lizhu, and his godson, Li Jie ...”

“Feeling refreshed, Zhao Yu didn’t rush to return the call, but took a shower.”

“While he was taking a shower, he could not help but think of the evil and threatening words that Xi menna had said,“”””If you don’t listen to me, I’ll give you a bath ...”” ”

Hmph ...

“”””Hmph!””” Hearing the sound of the rain, Zhao Yu snorted coldly. He had mixed feelings in his heart. He really did not know what to do with Xi menena!”

“Friend, enemy, lover, assistant, co-worker. It was as if no relationship could be used to describe him and Xi menna.”

“After so many days of contact, Zhao Yu felt that Xi Mengna was gradually improving. Although she still had a temper, she was not dark and vicious on the inside.”

“However, this made Zhao Yu even more worried. He really couldn’t guarantee that if this continued, he wouldn’t make any mistakes.”

He even began to hope that Miao Ying would come back to his side soon and watch him closely.

Al!

“Zhao Yu, you’re still a crazy detective, but I’ll call you a cheap detective in the future!”

“After taking a shower and shaving his beard, Zhao Yu felt refreshed, and his mind was clear again.”

“After that, he got dressed and headed to the hotel restaurant. ”

“Now that it was dinner time, he might as well replenish his energy. ”

“He was staying in a five-star hotel, which had many luxurious restaurants. ”

“Zhao Yu felt that the Western restaurant was quieter, and it would help him think. So, he went to the Western restaurant and ordered a sumptuous Western meal. ”

“While waiting for the food to be served, he made a few calls in a row to update Miao Ying on the situation, talk to Cui Lizhu about the progress of the case, and interact with his godson, Li Jie. ”

“After a round of phone calls, he opened his laptop and started to sort out the case again. ”

“This time, he focused on the order of death of the four victims. He still felt that the order of death of the four victims was not random, but there was some mystery ... ”

Chapter 2414: The only suspect

“Feeling his head clear, Zhao Yu had a great appetite and finished all the food on the table. ”

“After he finished eating, he returned to his office in the police station full of energy. ”

“After entering the room, the team members who were working hard immediately came forward to report the latest situation to Zhao Yu. ”

“Cui Lizhu interviewed Ge Bing’s sister, Ge Hua, again. ”

“Now, Ge Hua had already heard the news of Ge Bing’s death and was extremely sad. ”

“As a woman, she had an inevitable side to her. ”

“During the entire interrogation process, she kept criticizing the bride, Keshenia, saying that this woman was a jinx and that she was the main culprit behind the Ge family’s misfortune. ”

“If Ge Bing had not been so smitten by this woman, all these things would not have happened! ”

“In addition, Ge Hua was also deeply remorseful. ”

“She said that after Ge Bing was attacked by the wedding video, not only did she not comfort her brother in time, but she also said a lot of nonsense to provoke her brother. She was really wrong ... ”

“If at that time, he had taken the initiative to comfort Ge Bing, perhaps he would not have committed suicide. ”

“Speaking of Ge Bing’s suicide, Ge Hua expressed that it was very difficult to accept, but he did not refute it. ”

“This was because, ever since she was young, Ge Bing had always been a strong-headed child who wanted to do everything perfectly. However, this child had a fragile heart. ”

“It was precisely because he had too high of an expectation for himself that he did not allow himself to make any mistakes. And once he made a mistake, he would find it difficult to control himself.”

Ge Hua knew about this.

“In the past, ge bing had experienced a similar situation. After making a mistake, he would become depressed and need a long time to recover.”

“The wedding date was clearly different from other events. It was a huge blow to ge bing, so she couldn’t think things through.”

It was also because of this that Ge Hua regretted even more. He was such a failure as an elder sister!

“She clearly knew that her brother’s psychological endurance was not strong, yet she still wanted to fight with him ...”

“In the end, Ge Hua felt more and more guilty, and in the end, he cried until he was dead. He couldn’t ask about work anymore, so cui Lizhu had to leave.”

“Then, Ran Tao came forward to report another set of news to Zhao Yu.”

He said that they had already investigated all the people who had attended the wedding.

They had conducted a strict inspection and did not find any suspicious people.

“According to the person-in-charge of the wedding company, the wireless connection password of the player was eight eights, which was a relatively primitive and simple password, for fear of forgetting the password and delaying things.”

“If someone wanted to crack the code, they could do it with simple internet surfing software.”

“Therefore, it wasn’t a particularly difficult task to crack the password and send the indecent video.”

The only difficulty was that the publisher had to be at the wedding. How could he not let others see it ...

“Ran Tao said that when the video was released, the wedding hadn’t officially started yet, so the cameramen didn’t turn on their cameras and didn’t record the scene.”

“Therefore, he was now fully investigating whether anyone at the wedding scene had taken photos or videos with his mobile phone, hoping to find clues from them.”

“Then, Zeng ke reported the technical progress to Zhao Yu. Although they had found a lot of things, it seemed that they were not helpful to the case.”

“In the autopsy, forensic Guo had confirmed ge Bing’s true time of death through the identification of the degraded liver tissue.”

“Unexpectedly, ge Bing’s time of death was earlier than Zhao Yu and the others had expected.”

He had been dead for at least 80 days!

The police combined his last call records and finally determined that his time of death was between 80 to 85 days.

“In other words, less than two months after the funeral for the bride, keshenia, ge bing hung herself! ”

“At that time, the female corpse under the bridge case had not yet happened! ”

“The first case of the female corpse under the bridge happened in mid-December last year, while ge bing hung herself at the end of November or early December. ”

“Hence, the police could now determine that ge bing was definitely not the killer under the bridge! Hence, the female corpse under the bridge case had nothing to do with ge bing! ”

“He committed suicide, and it was before the female corpse under the bridge case. ”

“Hence, Zhao Yu was even more suspicious that the murderer’s attack was for ge bing! ”

“From the current situation, the person who wanted to kill those foreign bridesmaids for ge bing must be someone who loved ge bing deeply. ”

“However, after the investigation, there were indeed many women who liked ge bing. However, these women only wanted to become rich ladies. It was obviously impossible for them to kill for ge bing! ”

“Taking everything into consideration, Zhao Yu finally came to a conclusion. There seemed to be only one person who had the most motive to kill, and that was ge Bing’s sister, Ge Hua! ”

“However, Ge Hua had an alibi and her performance was flawless ... ”

Could it be ...

Zhao Yu finally thought of an important question. Could Ge Hua...Have hired a killer?

“In fact, this was not the first time that this question had popped up in his mind. He had thought of this possibility as early as when Ge Hua fell off the horse. ”

The killer was so professional that he did look like he was hired.

But ...

There was a certain risk in hiring an assassin to kill someone. Where could Ge Hua find such a professional?

“If he wanted to find it, he had to go through a middleman. With a middleman, there would be a higher risk of exposure ... ”

“Ever since Ge Hua fell off the horse, Zhao Yu had sent people to investigate Ge Hua thoroughly. But, from all the signs, it seemed that she didn’t know about ge Bing’s hanging, and didn’t have any abnormal behavior. ”

“To this day, Zhao Yu could still remember Ge Hua’s heroic bearing during the race. If she had known that ge bing was dead, and that he had sent assassins to kill those foreign bridesmaids, would she have fought so hard? ”

“”Alright, I’m done!”” After listening to his team members ‘reports, Zhao Yu clapped his hands and said to everyone,“”I’m now full of blood and resurrected. It’s so good to be able to sleep! ”

“““So, listen to me,”” Zhao Yu said, looking at his watch.”“Go out and find a good restaurant to have a good meal, then go back to the hotel to sleep!”

“““If there’s anything, we’ll talk about it tomorrow. Leave this place to me!”” ”

“After Zhao Yu said that, the team members did not move. ”

“““Don’t worry,”” Zhao Yu said.”“I’ll pay for the meal. You can eat as much as you can, even take it away! I can afford it!”

“““Go, go ... This is an order ... Hehehe ...”” ”

“Just like that, Zhao Yu drove all of his team members away with a cheeky smile. ”

“In fact, Zhao Yu was right. The team members had been working hard for the past few days, and they were all tired. They really needed a good rest, so that they could get back to work. ”

“After everyone left the office, Zhao Yu felt that his eyes and ears were clearer, and he had a lot of ideas in his mind. ”

“So, he simply made a cup of coffee and threw himself back into the investigation. ”

“First, he wrote down what he had thought of on the whiteboard. ”

“As for the order of death of the four victims, although he had analyzed it several times, he still couldn’t come up with an effective conclusion. ”

“At first, he thought that the murderer might have a plan for who he killed first! ”

“For example, the murderer also wanted to know who had posted the video. ”

“So, he first caught the most suspicious Eliza, wanting to take the opportunity to interrogate her and see if she was the one. ”

“However, ELISA wasn’t! ”

“So he went to catch Yelina, but she wasn’t the publisher. That was why he had gone after Zhuo ya and Qiu Jinna ... ”

“If that was the case, was Qiu Jinna the culprit? ”

“Or, none of these four women were? ”

“Or ... Could the murderer be the person who posted the video? he killed the four women because he didn’t expect ge bing to commit suicide, and he just wanted to vent his anger? ”

“If the murderer was the person who posted the video, then the murderer was also at the wedding scene? ”

And ...

Zhao Yu looked at the order of the four people’s deaths and had another doubt in his mind.

“From the first victim, Eliza, dying under the bridge to Qiu Jinna’s death, almost two months had passed.”

Then ... Was the murderer not worried that Qiu Jinna would react and call the police after Eliza and the others ‘bodies were discovered?

Chapter 2415: Chapter 2410-another person

“““What are you thinking about?”” Suddenly, he heard Xi menna’s voice.”“You’re so engrossed in it?”” ”

“““F * ck!”” Zhao Yu was shocked and could not close his mouth.”“When did you get here? I was so scared!”” ”

“““Stop pretending.”” Xi menna smiled evilly.”“If I stab you in the back, you’ll know!”” ”

“““You ...”” Zhao Yu frowned.”“Didn’t I tell you to go back and sleep? Why are you here again?”” ”

“““Aiya ...”” Xi menna held a big bag of KFC takeaway and said,”“How can I fall asleep without you?”” ”

“““It’s here again! It’s here again!”” Zhao Yu was depressed.”“Be good and go back to rest. You still have important work tomorrow!”” Have you forgotten how you persuaded me to go back to sleep?”” ”

“““What if I don’t listen?”” Xi menna did not seem to mind.”“Are you going to threaten to give me a bath too?”” ”

“““...”” Zhao Yu covered his face, speechless. He even had the urge to hurt himself. ”

“““Oh ...”” A few minutes later, while chewing on a delicious hamburger, Xi menna looked at the white board and said,”“I really did miss this detail. If Qiu Jinna knew that Eliza had been killed and became a female corpse under the bridge, she would have been alerted long ago, right?”” ”

“““But ...”” Zhao Yu murmured.”“The murderer seemed to have used something ... You see, the time when Eliza was killed was when the hotel was on leave. ”

“““Because it’s winter, the hotel is no longer full, so the staff will take turns to take leave. When Eliza was killed, it happened to be on leave! ”

“““This way, even if the hotel doesn’t contact Eliza after her leave, they won’t easily call the police. ”

“““Let’s look further down ...”” Zhao Yu continued to analyze.”“Eliza had no relatives in Manzhou. Although she was staying in the dormitory provided by the hotel, her colleagues in the same room mistakenly thought that Eliza had returned to Russia. ”

“““That’s why, due to a series of coincidences, even after Eliza’s body was discovered for a long time, no one was able to confirm it ...”” ”

“““And ...”” Zhao Yu continued,”“Captain Qiu said that because the deceased was a foreigner and had no family, the police needed to coordinate with many departments, so they didn’t announce the search for the body. ”

“““By the time they confirmed Eliza’s identity, Yelina and Zhuo ya had already been killed. Furthermore, Zhuo ya’s body was discovered even later than Qiu Jinna’s ... ”

“““Now, let’s look at the last victim, Qiu Jinna,”” Zhao Yu said.“““When Qiu Jinna was killed, there were already two female corpses under the bridge cases. The police realized that it was a serious matter, so not only did they announce the female corpses under the bridge case, but they also revealed the identity of the deceased. ”

“““Manchurians aren’t that big, so Qiu Jinna should know that she might be the target of the assassins under the bridge! ”

“““However, when we looked at the time of Qiu Jinna’s disappearance, we realized that she had disappeared right after Zhuo ya was killed! ”

“““In other words, the murderer might have considered this. That’s why he caught Qiu Jinna before she knew the truth ... ”” ”

“““The murderer is really powerful! It’s no wonder we didn’t find out about this plan!”” Xi menna sighed.“““I really want to see who this person is. ”

“““I have a feeling that this person ... Should not be too far away from us!”” ”

“““Tsk tsk ...”” Zhao Yu pouted and said,“““so ... All our previous guesses were never accurate! ”” Just like ...”” He pointed at Qiu Jinna’s name. “““This woman!”” ”

“““Qiu Jinna ...”” Xi menna asked,“““what happened to her?”” ”

“““Maybe Qiu Jinna was innocent, and the murderer knew that she had nothing to do with the video, but ...”” Zhao Yu said.“““The murderer still killed her because he didn’t want the police to know everything so quickly!”” ”

“““Oh ...”” Xi menna nodded and said,“““that’s true. If Qiu Jinna is still alive, we’ll know what happened when ge bing and keshenia got married. ”

“““Maybe we can find the person who posted the video!”” ”

“““Maybe the murderer just wanted to buy time ...”” Zhao Yu said.“““As long as ge Bing’s body rotted completely, it would be impossible to predict the exact time of death. Then, ge bing would become the murderer under the bridge, and the real murderer would be exonerated from the crime! ”

“““So ...”” Zhao Yu pointed at the white board and said,“““if the murderer really has any loopholes, then the only one is likely to be here! ”

“““He didn’t expect that the police would figure out the relationship between the four victims so quickly, and that we would shift our attention to the wedding in September last year! ”

“““He didn’t expect that we could verify ge Bing’s time of death and rule out the possibility that she was the killer under the bridge! ”

“““So, I think that if there’s a breakthrough in this case, it should be here!”” ”

“““A breakthrough?”” Xi menna was so excited that she even forgot to take her last bite of her burger.”““What will this breakthrough look like?”” ”

“““I don’t know ...”” Zhao Yu said frankly.”““But, I have a feeling that the murderer is also worried because his carefully designed plan has been disrupted by us! ”

“““He’s also worried. We’re getting closer and closer to him ...”” ”

“““I remember ...”” Xi menna repeated.”““Didn’t we make a judgment before that the murderer could be ge Bing’s sister? Although she has an alibi, it’s possible that she hired a killer?”” ”

“““Now,”” Zhao Yu shook his head and said,”“it doesn’t look like it anymore!”” ”

“““Why?”” Xi menna’s eyes widened.”““Who else could it be?”” ”

“““Because ...”” Zhao Yu said,”“Ge Hua is a person who cares about her face. If it was really Ge Hua who hired a killer, then she wouldn’t let the murderer frame her brother, who had already committed suicide! ”

“““My brother has already hung himself. Why bother tarnishing his reputation?”” ”

“““Oh ...”” Xi menna thought about it carefully and felt that what Zhao Yu said made a lot of sense. ”

“““And,”” Zhao Yu continued,”“if Ge Hua really did it, she should have known about ge Bing’s hanging a long time ago. So, could she really let her brother’s body hang in the cold yurt for more than 80 days? ”

“““Why didn’t you bury your brother first and settle the funeral before seeking revenge from those foreign bridesmaids?”” ”

“““No... But ...”” Xi menna objected.”““I think that announcing ge Bing’s death will definitely be big news. If that’s the case, won’t the foreign bridesmaids be on guard? ”

“““What if they return to the country in fear? wouldn’t it be difficult to take revenge then?”” ”

“““What defense can they have?”” Zhao Yu said,”“if they could sense the danger, then they should have been alerted after what happened to Ksenia! ”

“““Could it be that ... They’re not afraid of ge Bing’s revenge?”” ”

“““Tsk tsk ... This matter is really strange. Dao-heaven went up!”” Xi menna blinked her big eyes and said,”“could it be...The person who posted the video really wasn’t the four bridesmaids? ”

“““I feel like we’re sawing wood, but after a long time, the wood hasn’t moved at all?”” ”

“““Mm ...”” Zhao Yu did not care about Xi menna’s feelings, but said,”“Ge Hua is a sensitive person. I feel that if she knew that my brother had hung himself, she would definitely not have let his body hang for so long! ”

“““So, this case ... There might be someone else other than Ge Hua!”” ”

“““Another person?”” Xi menna pointed at the whiteboard and said,”“who else? Ge Bing’s brother-in-law, han sai? Han Sai’s older and younger sisters? ”

“““And ... And the manager of ge Bing’s company, Zhang quanqing, or ge Bing’s other brothers? Would they take revenge for ge bing?”

“““But ...”“ Xi menna said gloomily,““we’ve already investigated everyone close to ge bing. They all have alibis, so it can’t be them, right?”“ ”

“““Humph ...”“ Looking at the complicated case, Zhao Yu laughed.““Interesting, this case is really interesting ...”“ ”

Chapter 2416: She’s lying?

“It was late at night, but the Special Investigation Group’s office was filled with laughter. ”

“However, the laughter did not come from the scene, but from Zhao Yu’s computer. ”

“At that moment, although Xi Mengna was still accompanying Zhao Yu, she was already sprawled out on the sofa, snoring. The beauty might have been too tired, as not only was her posture indecent, but she was also snoring loudly ... ”

“The most interesting thing was that she was actually holding a bag of french fries in her hand, as if she was afraid that others would not know that she was a foodie ... ”

“Zhao Yu was sitting in front of his desk, watching a video that was full of laughter. ”

“The video was copied from ge Bing’s phone. It was all taken by ge bing when she was still alive. The person who appeared the most in the video was naturally the late bride, Ksenia ... ”

“In the video, there were scenes of ge bing and keshenia riding horses and shooting arrows, singing and dancing, as well as all sorts of funny scenes. In every scene, there was joy, laughter, and love. ”

“Sometimes, for some unknown reason, the two of them would even convulse in laughter ... ”

“Zhao Yu realized that, just as Zhang quanqing had described, she was not a particularly beautiful woman. However, she did have an indescribable beauty. ”

“That kind of beauty was almost debauchery, but it was not limited to debauchery. It was more like an sublimation of the pursuit of freedom. Just watching the video seemed to be able to infect people ... ”

This woman ...

“Zhao Yu looked at the real scene that ge bing had shot for keshenia, and he was very curious. ”

“Driven by curiosity, he even opened the edited indecent video, wanting to compare the two videos ... ”

“In the end, when the lustful voice came out from the speakers, Zhao Yu woke up and quickly turned off the video. ”

“He looked back at Xi menna, who was on the sofa, but she just turned around and did not wake up. ”

Hu ...

Zhao Yu wiped his sweat. He didn't expect that he would be possessed by the devil just by watching a video!

“Ksenia, Ksenia ...’ ”

Could it be ... That the real killer under the bridge was also someone who was mesmerized by you?

“He did this to take revenge for his bride, so he wanted to frame ge bing, who was already hanging? ”

“But, we've already investigated all of Ksenia's interpersonal relationships after she entered the country, right? ”

“There didn't seem to be ... Such a person, right? ”

Hu ...

Zhao Yu adjusted his breathing and calmed down his burning emotions. He then re-opened ge Bing's video and continued to watch it carefully.

“Other than the video, he also checked ge Bing's WeChat records and her phone photo album, trying to get more information from them ... ”

Zhao Yu knew that what he was looking for was someone in the photos and videos who had been quietly watching ge bing and keshenia.

“This person might have a gloomy look, a cold expression, or he might be pretending to be friendly, but his eyes were filled with jealousy ... ”

Only such a person would fit the description of the murderer under the bridge!

“However, when Zhao Yu finished reading the messages in ge Bing's phone, he could not find anyone that matched the description. ”

Oh ...

He stretched lazily and realized that he had been looking for two hours. It was already past ten in the morning.

“Zhao Yu didn't intend to rest, but went to the bathroom to wash his face. Then, he continued with his new investigation. ”

“This time, he started to look at the photos and videos that Ran Tao had collected from the wedding scene, as well as the videos and records of the scene that they had questioned all the parties involved. ”

“He carefully looked through every video. Other than finding suspicious people, he also carefully considered other possibilities ... ”

“For example, when he saw the record of his inquiry to Han Wen, he suddenly remembered that he had forgotten to ask Han Wen about the little man book. ”

“Since they were childhood sweethearts, she might know the origin of that little human book ... ”

“Then, Zhao Yu quickly jotted this down in his notebook and planned to visit Han Wen again. ”

“The last time he was at the Dalong police station, he did not know that ge bing had died. At that time, ge bing was still the biggest suspect. ”

“Therefore, he thought it was necessary to have a chat with the female forensic doctor. ”

“Speaking of Han Wen, Zhao Yu remembered that he had once taken a photo with her. At that time, Xi Mengna had used Han Wen and Zhao Yu’s mobile phones to take photos of both of them. ”

Zhao Yu opened his phone’s photo album subconsciously and pulled out the photo of him and Han Wen.

“However, when Zhao Yu saw the group photo, he couldn’t help but frown. ”

“He suddenly realized that although Han Wen was smiling, her smile seemed a little fake and unnatural ... ”

Eh?

“Zhao Yu thought about it carefully. At first, he thought that he was overthinking it, but after looking at her more closely, he felt that Han Wen’s smile was a little stiff. ”

Could it be ... She didn’t want to take a photo with me?

Or ... Was she guilty?

“Zhao Yu quickly looked for related videos, wanting to watch the situation at that time. However, after looking through them, he realized that, as the questioning that day had been more urgent, he had not recorded the scene, but had asked Xi menna to jot it down in a notebook. ”

“However, Xi Mengna was not good at writing in Chinese, so she had changed it to a phone recording. ”

“Xi menna did not have a phone, so she had used her own phone to record the conversation. ”

“Thinking of this, Zhao Yu quickly played the recording, increased the volume, and listened to Han Wen’s question again. ”

“After listening to Han Wen’s explanation, Zhao Yu had some doubts in his heart. Although Han Wen’s answers seemed to be correct, for some reason, when she answered some important questions, her voice would inevitably fluctuate. ”

“The sound player on Zhao Yu’s computer could see these fluctuations, which made Zhao Yu even more suspicious. ”

“Han Wen’s fluctuation could be understood as her emotional tension. After all, the four victims were all bridesmaids at ge Bing’s wedding and were closer to her. ”

But ...

If ...

What if ...

What if he wasn ‘t?

“If not for this reason, what would have happened? ”

““““Could it be ...”” Zhao Yu suddenly had goosebumps all over his body, and was shocked to think that Han Wen might be lying! ”

Was she ... Hiding something?

““““He’s a perfectionist. He’ll do everything to the extreme and doesn’t like to lose to others ...”” ”

““““He’s not the kind of person who’s particularly vengeful, but ... I’m afraid the wedding has crossed his line, right?”” ”

““““His palm is very large, matching the characteristics of the murderer ...”” ”

““““He’s in the tourism business, so he should be very familiar with Manzhou, right?”” ”

““““He knows how to sleigh ride, and he’s talked to my brother about an electric sleigh ...”” ”

He recalled Han Wen’s evaluation of ge bing. It was as if Han Wen really hoped that ge bing was the killer under the bridge ...

Could it be ...

Did Han Wen already know that ge bing was dead at that time?

This mcrose ... Was she trying to hide something?

Eh?

“Thinking of this, Zhao Yu’s brain was spinning, and he was full of motivation. He quickly thought of something. ”

“So, he couldn’t wait to turn on his computer and check another video of the interrogation. ”

This video was recorded when he was questioning han sai and ge bing at the equestrian field. The video was recorded by officer Hila.

“After he opened it, the first thing he saw was the scene of Zhao Yu questioning han sai On the platform. ”

“Because the police officers were standing in the corner of the stage, in addition to Zhao Yu and han sai, the camera could also see the guests on the stage. ”

Eh?

“In the end, after just a few minutes, Zhao Yu suddenly found an unusual problem ... ”

And then ...

“He gradually realized that this unusual question did not seem to be an ordinary unusual, but an extraordinary one! ”

Oh my God ...

“Suddenly, Zhao Yu gasped, feeling as if all the blood in his body had been frozen! ”

The truth ...

""Is this the truth that I've been searching for all this time?"" "

Chapter 2417: Chapter 2411-unconventional suspicion

"The next morning, when Ran Tao and Cui Lizhu arrived at the office early, they were shocked by the scene in front of them! "

He saw that there were many pictures scattered all over the room.

"On the big screen, a dense picture appeared. The pictures were all online shopping products ... "

"At this time, Zhao Yu and Xi Mengna were both barefoot, sitting cross-legged on the ground. They were looking at the photos, deep in thought. "

"In addition, Zeng Ke had returned to the office and was typing quickly on the keyboard in front of the computer. He seemed to be nervously investigating something. "

""Boss ..."" Cui Lizhu quickly ran to Zhao Yu and asked with concern, ""are you guys going to ascend?"" "

""What Ascension?"" Zhao Yu put on a Buddhist pose and said, ""I'm helping you release your soul from purgatory!"" "

""Go to hell!"" Cui Lizhu pouted her little mouth. ""There are never any good words in her mouth!"" "

"Ran Tao then said to Zhao Yu seriously, ""you seem to be missing a Kasaya, right?"" "

"When Ran Tao said that, Xi Mengna couldn't help but laugh. "

""Boss, I know you like to play tricks,"" Cui Lizhu said as she carefully looked at the pictures on the big screen. ""But, you can't be superstitious. Are you trying to solve the case by doing the 'God' dance?"" "

""Or ... Or ... F * ck ..."" Cui Lizhu suddenly saw that there were many sex toys on the big screen. She was immediately surprised and asked, ""you ... You even changed your taste?"" "

""These things, aren't they all ... For glass?"" "

""Humph ..."" Hearing Cui Lizhu's words, Zhao Yu smiled at Simone and said, ""see ... I told you, Cui is the best at this."" She can tell at a glance ..."" "

""F * ck, boss ..."" Ran Tao swallowed his saliva and said in shock, ""you ... You really changed your taste? If that's the case, won't I be in danger? I'm so handsome!"" "

"Then, Ran Tao wrapped his clothes tighter around himself. "

""Cui,"" Zhao Yu asked, ""how did you recognize at a glance that the things on the screen were for men?"" "

""I ... Hey! ""Don't think too much about it,"" Cui Lizhu said. ""When I was stealing something, I stole a big bag of similar things. It was disgusting ..."" "

“““I only found out later that the owner of the house was that ...”” ”

“““Which one?”” Zhao Yu asked. ”

“““Brokeback Mountain,”” cui Lizhu said.””You’re asking the obvious, right?”” ”

“““Boss ...”” Finally, Ran Tao noticed something. He immediately pointed to the photos on the whiteboard and said,””isn’t this man ge Bing’s brother-in-law?”” ”

“““You ... What do you mean?”” Ran Tao came to one of the photos and asked,””is han sai a suspect?”” ”

“Although Zhao Yu didn’t answer directly, Ran Tao already had an answer, because he saw that han sai was in every picture. ”

“There was also a picture of han sai wearing a white, demonic-looking cotton jacket, which looked rather sexy ... ”

“““Han Wen ... Might have lied to us!”” Zhao Yu said,””but, because she was a forensic doctor Who often worked on the front line, she covered up her past perfectly. Even I, the Super detective, couldn’t see through it!”” ”

Everyone was speechless.

“Xi menna was also surprised, once again refreshing her understanding of Zhao Yu’s thick-skinned nature. ”

“““Han Wen, mcrose ...”” Cui Lizhu asked.””What happened to her?”” What did she lie to you about?”” ”

“““When I told her that the victims of the female corpse case under the Manzhou bridge were the four bridesmaids,”” Zhao Yu said,””she might have already known who the killer under the bridge was!” ”

“““So, she tried her best to divert our attention and protect the real murderer!”” ”

“““Oh my God ...”” Ran Tao scratched his head and said,””you’re being too absolute.”” Don’t tell me ... You have evidence already?”” ”

“““If there was evidence, I would have let you arrest him a long time ago!”” Zhao Yu stood up from the ground and pointed at the photo of him and Han Wen.””When we were questioning her, she kept trying to draw our attention to ge bing, but she went too far!”” ”

“““We’ve checked a lot of records ...”” Xi menna shrugged her shoulders and said,””ge bing doesn’t have a hobby for detective novels, at least not very obviously. ”

“““But Han Wen’s statement is the complete opposite.”” ”

“““At first, we thought that the murderer might be a woman, but then we thought of their childhood sweethearts, so we started to pay attention to Han Wen’s sister, Han Qing,”” Zhao Yu said.””But, Han Qing has been ruled out as a suspect, and she is one year younger than ge bing!”” ”

“““One year younger?”” Ran Tao was confused, and cui Lizhu was even more curious. ”

“““Hmph, little sister, big sister ... We’ve thought of all of them, but we’ve forgotten about their big brother!”” Zhao Yu suddenly pointed at han Sai’s photo.”“Han sai and ge bing are the same age. They were neighbors, playmates, childhood friends, and best friends. Their relationship is even closer than childhood sweethearts!”” ”

“““And ...”” Xi menna added,”“their relationship has obviously gone beyond the scope of friendship. It has already sublimated ...”” ”

“““I’ll cut!”” Cui Lizhu’s eyes widened.”“You mean, they are not just childhood friends, but ... That kind of relationship?”” ”

“““Is ... Is there a mistake?”” Ran Tao suddenly remembered something and said,”“han sai is married, and he married ge Bing’s sister! He ... His identity was ge Bing’s brother-in-law! ”

“““If you have that kind of tendency, why do you still want to get married?”” ”

“““Yeah ...”” Cui Lizhu said.”“Boss, I saw han sai at the hospital. He was so handsome. He doesn’t look like him.”” He looks normal ...”” ”

“““Is that so?”” Zhao Yu snapped his fingers at Zeng ke and said,”“take a look at this video. This was taken by the Hila police officer when Xi menna and I were questioning han sai and ge bing! ”

“““Look at the podium, look at the guests who are sitting upright and still, look carefully ...”” ”

“As soon as he finished speaking, Zeng ke opened the related video. ”

“On the big screen, Zhao Yu’s experience on the stage of the equestrian field was shown. ”

“““Are you looking at the guests?”” Cui Lizhu took two steps forward and asked,”“what’s the problem with these guests? They only look back from time to time ...”” ”

“““Yes.”” At Zhao Yu’s gesture, Zeng ke paused the video, then Zhao Yu said,”“these guests have one thing in common. Who can tell?”” ”

“““Um ...”” Cui Lizhu wanted to say something but stopped. ”

“““You’re ... You’re all quite fat, right?”” Ran Tao guessed. ”

“““They’re all men!”” Zhao Yu said,”“I asked Zeng ke to use a professional drawing software to measure that these male guests would pretend to inadvertently look back every ten seconds! ”

“““At that time, when Xi menna was sitting next to me, these people pretended to look at us, but in fact, their eyes were on Xi menna!”” ”

“““Wow ...”” Cui Lizhu said.”“So, you’re just trying to say that our miss Barbie is pretty?”” ”

“““Thank you!”” ““Thank you,”” Xi menna said. ”

“““But ...”” Zhao Yu looked at han sai On the screen and said,”“look at him carefully. From the beginning to the end, he never looked at Xi menna again!”” ”

“““It can’t be?”” Cui Lizhu’s eyes widened in disbelief.”“You’re a super detective? Wasn’t this conclusion a little too rash? ”

“Just because he didn’t look at the Barbie doll, he has to be the mountain of broken arms?”

“Yes, that’s my conclusion!” Unexpectedly, Zhao Yu did not deny it. “All the men present had the urge to peek at Xi Mengna, but he did not. Then...He is not normal!”

Chapter 2418: The best suspect

“His wife was there too. What if he’s just an upright man? An upright gentleman?” Cui Lizhu still felt that it was a little too far-fetched.”

“A gentleman? Hmph ...” Zhao Yu snorted, then pointed to the video and said, “I didn’t say that the male guests were indecent.”

“Everyone loves beauty, and liking to look at beautiful women isn’t a capital crime? What’s wrong with looking?” Zhao Yu said, “besides, his wife is down there playing horse-riding!”

“Boss ...” Ran Tao said nervously, “you mean, han sai and ge bing had that kind of relationship, so when he found out that ge bing hung herself, he wanted to kill the four beauties to avenge her?”

“But ...” He voiced out his doubts. “Since they’re doing that, then why did ge bing get married?” And he even married a Russia bride?”

“I’m not sure about that yet, but ...” Zhao Yu said. “Since han sai married ge Bing’s sister, why can’t ge bing marry a foreign bride?”

“Maybe ...” Xi menna echoed, “they’ve already fallen out, and ge bing married keshenia because she was angry?”

“No,” cui Lizhu shook her head, “if she married keshenia out of anger, why did ge bing hang herself?”

“If he doesn’t have any feelings for the bride, why would he care about the indecent video at the wedding?”

“Who knows?” Zhao Yu said, “maybe she’s shy and feels embarrassed. Who knows?”

“Boss, you can’t do this!” Cui Lizhu pointed at the special products on the screen and said, “you studied it all night and came up with Brokeback Mountain?”

“What’s that you always talk about? Evidence, evidence! Where’s the evidence?”

“Okay, okay ...” Zhao Yu organized his thoughts and said, “just wait, I’ll tell you slowly!”

“Then, Zhao Yu came to the whiteboard, pointed to a picture, and said, “Take a closer look at ge Bing’s clothes, don’t they look familiar?”

“I’m too familiar with it,” Ran Tao said. “Isn’t this the flamboyant cotton-padded jacket? When we were at the resort, han sai saw that I was freezing cold, so he let me wear it ...”

““““But, from the photo, it can be seen that the person wearing this dress is ge bing. How did this dress end up in han Sen’s racing car?””””

““““Is there anything wrong with wearing the same clothes between friends?”” Cui Lizhu objected.”

““““But ...”” Zhao Yu didn’t say anything, but Ran Tao frowned and said,““““this dress is indeed a bit flirtatious. Anyway, if it were me, I would definitely not buy it, nor would I wear this kind of dress!””””

““““Again,”” Zhao Yu pointed at the big screen,““““I didn’t use these for research, but we found them from ge Bing’s shopping records!”

““““What does this mean?”” Zhao Yu said,““““this means that ge bing definitely has a problem with her sexual orientation!””””

““““Oh?”” Cui Lizhu was stunned for a moment. She pondered for a few seconds and said,““““yes, this only means that ge bing is suspicious, but what about han sai?””””

““““Alright, let’s talk about han sai!”” Zhao Yu said,““““before this, we always thought that Han Wen was a female forensic doctor and Han Qing was a beautiful butcher, but we overlooked one important point!”

““““Look at the records,”” Zhao Yu said, pointing to a document.””““The Han family’s slaughterhouse was supposed to be handed over to han sai! However, han sai had found a rich wife and did not want to suffer anymore. Hence, he gave the slaughterhouse to his sister ...”

““““But, look carefully ...”” Zhao Yu said heavily.””““Han sai has been helping out at the slaughterhouse since he was ten years old! With his slaughtering skills, it should be obvious, right?”

““““As we’ve mentioned before, the traditional way of slaughtering requires the cow to be hung up. Drilling and pulley techniques are often used, so han sai has the ability to hang people under the cold bridge!”

““““Also,”” Zhao Yu continued,““““han sai and Han Wen are very close. Perhaps, the person who often pesters Han Wen and asks her to tell him stories about the police is not ge bing, but han sai!”

““““So, he could use this channel to obtain internal information about the police and understand the police process ...””””

““““Let’s look at the next one,”” Zhao Yu said.””““Ever since han sai married Ge Hua, he used to be in charge of Manzhou’s business. They were in the horse business, so they often went to the countryside. So, he was very familiar with Manzhou’s geography, geography, and customs ...”

““““And ...”” Zhao Yu then pointed to an autopsy photo of the female corpse under the bridge and said,““““Han Wen once said that the palm of the killer under the bridge was relatively large, which matched the hand shape of ge bing.”

““““But, according to our investigation,”” Zhao Yu said,““““ge bing and han sai are almost the same in terms of height, weight, and hand shape ...”

““““Han Wen also said that ge bing once talked about the electric sleigh, but he was talking to han sai!”

““““We’ve checked, han Sai’s sleigh-playing skills are even better than ge Bing’s ...”

““““This person is very powerful. He rides horses, shoots arrows, sleighs, and drives. He looks like he’s living off a woman, but in fact, he’s completely disabled, no, he’s an all-rounder!”

““““As I said, the murderer is meticulous and logical. Maybe he was already prepared to meet us face to face, so ...”” Zhao Yu said.”“When I first met him, he didn’t reveal any flaws, because he had already thought of every detail after the meeting. That’s his most amazing thing ...”””

““““Boss, wait, wait ...”” Cui Lizhu waved her hand and said,”“you’ve said so much, but these are all your subjective inferences. You’ve suffered before because of your subjective inferences. Don’t you remember?”””

““““Yeah ...”” Ran Tao scratched his head and said,”“at the very least, we have to prove that ge Bing and han sai are in that kind of relationship, right?”””

““““Look at the photos ...”” Zhao Yu didn’t waste any time, but opened a photo on the big screen and said,”“these are the photos of ge Bing’s family during last year’s Chinese New Year. Zeng ke got them through various channels!”””

““““You can take a closer look. We have circled the key areas in red ...”””

“As he spoke, the pictures started to play one by one. Everyone could see that the pictures were all of ge Bing’s family during the new year.”

““““Look,”” Zhao Yu said.”“You can see from the photos that ge Bing and han sai are obviously problematic. They only smile when they’re facing the camera, but when they’re not facing the camera, their faces are droopy, depressed, gloomy, and full of worries ...”

““““Also, other than the group photo, the two of them are not standing together, so others can’t tell. Only by carefully looking at these photos can we find the problem with them!”

““““There are many other things like this, such as ...”” Zhao Yu said.”“Han sai and Ge Hua have been married for so many years, but they never had a child ...”

““““Checking ge Bing and han Sai’s records, I found that they go on a trip almost every year, and it’s only the two of them ...”

““““What was even more coincidental was that when the two of them went on a trip alone, it was all when ge Bing made his sister angry ...”

““““So, I have reason to suspect that ge Bing did it on purpose. He angered his sister and then left in a fit of anger ...”

““““And han sai used his brother-in-law’s identity to look for ge Bing. After that, the two of them had a good opportunity to be alone ...”””

““““Wow!”” Ran Tao was shocked and said in disbelief,”“so, according to what you said, han sai married ge Bing’s sister not because he wanted to live off a woman, but because ... He wanted to be with ge Bing all the time?”

““““Oh my God, isn’t this too ... Too wicked?”””

Chapter 2419: The most crucial question

“““Our hypothesis is that ...”” Xi menna continued,““ge bing and han sai grew up together, and gradually developed a different relationship from the other friends. ”

“““This kind of feeling exceeds friendship, and it eventually led to an indescribable matter happening between them ... ”

“““However, in their clan, those who have this tendency are all considered shameful. ”

“““Ge bing is their family’s proud successor. If this is really announced, his parents and sister will definitely go crazy with anger! ”

“““So, they’re afraid of being embarrassed, afraid of being spurned by their clansmen and family. They don’t dare to disclose their feelings, and they have to live very carefully ... ”

“““Gradually, when they grew up, it was time for them to start a family,”” Xi menna said.““In order for the two of them to be together forever, han sai decided to pursue ge Bing’s sister and become her brother-in-law. ”

“““We’ve looked into their marriage history,”” Xi menna said.““Ge Bing’s sister had been interested in han sai for a long time, so even though their family conditions were very different, they still got together ... ”

“““After they got married, han sai and ge Bing’s relationship had an additional layer of disguise. They could find some opportunities to have fun together and no one would suspect anything ... ”

“““We think that this is probably the reason why han sai and Ge Hua have not had any children for so many years. They might be worried that their relationship would be affected if han sai had a child ...”” ”

“““All in all ... It’s very chaotic ... ”

“““However, there’s more chaos to come!”” Xi menna said,““ge bing hasn’t gotten married in so many years. Her family is naturally anxious. Facing all kinds of forced marriage, ge bing is under a lot of pressure ... ”

“““And at that moment, Ksenia appeared! ”

“““We don’t know what the relationship between ge bing and keshenia is like. Perhaps, ge bing married her just to deal with her family and planned to have an affair with han sai after the marriage ... ”

“Or perhaps, ge bing was smitten by keshenia and really wanted to marry her ... ”

“““It’s also because ge bing was about to get married that there was a Rift between him and han sai. That’s why they were so abnormal last year ...”” ”

“Of course, the more powerful ones are yet to come!” Xi menna continued, “in the blink of an eye, ge bing and keshenia are going to get married. Because Ge Hua didn’t agree to the marriage, she and han sai didn’t attend the wedding ... ”

“However, no one expected such an unbelievable scene to happen at the wedding. The indecent video and the bride falling into the river ... ”

“As han sai was not present at the time, we can’t be sure if the indecent video is related to him. ”

“However, han sai must be glad that ge Bing’s wedding was canceled. This meant that he could reconcile with ge bing and continue their old lives ... ”

“But ... Han sai never expected that the story would not go the way he expected it to go. Instead, it went further and further ... ”

“Finally, when han sai was looking for ge bing, he found her hanging herself in the resort ... ”

“Han sai broke down ... ” The more Xi menna spoke, the more agitated she became. “Looking at ge Bing’s cold body, all his wishes in his life were dashed. In his despair, all that was left was hatred! ”

“So, he made a decision in front of ge Bing’s body, and that was ... ”

“Enough, enough!” “Boss, Barbie doll, I’m not trying to dampen your spirits,” cui Lizhu said. “I just have a very important question that I need to remind you of!”

“Don’t tell me ... You’ve all forgotten?” Cui Lizhu pointed to the stack of documents on the desk and said, “from the beginning of the case, we have investigated all the parties involved! ”

“I was the one who sent people to investigate han Sai’s movements,” cui Lizhu said excitedly. “Wasn’t my report clear enough?” When the female corpse under the bridge case took place, han sai was in another city doing business. ”

“So, he has an alibi!”

“No!” “All the female corpses under the bridge were frozen, so we couldn’t accurately deduce their time of death!” Zhao Yu said. ”

“During some of the time when the crime was committed, han sai was indeed on a business trip. He even went as far as he could to Meng Xiang’s capital, Hu He city, but ... ” Zhao Yu said. “These can’t be his alibis, but it only proves that there might be something wrong with him, and it might be a big problem ... ”

“Then, Zhao Yu asked Zeng ke to switch to the big screen, where han Sai’s movement was shown. ”

“Here, this is the track that you sent your men to investigate.” Zhao Yu pointed to the big screen and said, “at the back, I added it. It was the time period of the female corpse under the bridge case!”

“Look carefully,” Zhao Yu said. “The first case happened before and after December 16th last year. Our forensic doctor can only determine that it happened five days before and after, which means that between December 11th and December 21st, han sai may have committed the crime! ”

““““At that time, han sai happened to be on a business trip to new Coast City,”” Zhao Yu said.””Yes, he was there for business. There were witnesses and physical evidence, so it didn’t seem to be a problem! ”

““““But, what if he took advantage of the night when no one was accompanying him and drove a car with a fake license plate to Manzhou to commit crimes? ”

““““It doesn’t seem impossible, right? ”

““““The roads are slippery due to the heavy snow, but we should be able to drive in three to four hours, right? ”

““““Looking at the situation after that, every time the time of the female corpse under the bridge case, han sai would go out once. Xiao Cui ...”” Zhao Yu asked seriously,””don’t you think that there’s a big problem with this guy?”” ”

““““Ah?”” When cui Lizhu realized this, she finally stopped talking. ”

““““Such a coincidence might not be a coincidence ...”” Zhao Yu continued his analysis.””Think about it. If you were han sai, and you were the killer under the bridge, what would you do to get rid of suspicion? ”

““““Isn’t it the best time to go out and talk business? ”

““““On the contrary,”” Zhao Yu said,””if you don’t have a chance to get out, and you stay in Hila, it will be very troublesome! ”

““““Because he had to drive to Manzhou to commit the crime. As soon as he left Hila, he would be found out, and it would be difficult for him to get rid of suspicion!”” ”

““““Xinbin is easy to handle, but ... From Hu city to Manzhou ...”” Cui Lizhu said.””It’s a ten-hour drive! When it’s snowing, the highway will be closed. Can he ... Make it in time?”” ”

““““So,”” Zhao Yu said,””this gave us a chance. Next, we need to investigate in more detail to determine ...”” He pointed to the big screen and continued,””han Sai’s exact whereabouts when he was out! ”

““““As long as we can find out that he was absent for more than a day during his business trips, we can rule out his alibi!”” ”

““““And ...”” Zhao Yu continued,””ge Bing’s Ford is also of utmost importance. As for the car’s driving record after ge Bing’s death, we need to sort it out again, then compare it with han Sai’s track! ”

““““Let’s see if the person driving that car is han sai ...”” ”

““““Well ...”” Cui Lizhu frowned and said,””boss, if the murderer is really han sai, he would never drive this Ford around so brazenly!”” ”

““““Right!”” Zhao Yu nodded and said,””he must have parked the car in Manzhou, or somewhere in Hila, and then used the time between business trips to drive the car!”” ”

“Zeng ke stood up and said,””so ... We have a lot of things to do today!”” ”

““““Yes,”” Zhao Yu said.””Zeng ke is contacting the police at the place where han sai went on a business trip to investigate han Sai’s detailed records ... ”

""Manzhou's Captain Qiu, I'll find out the detailed track of that Ford later ... "

""Xiao Cui,"" Zhao Yu said.""Your task today is to find some of han Sai's childhood playmates, primary school classmates, or neighbors. Ask them about his childhood! "

""Look at this han sai. What was he like when he was young?"" "

""Oh ..."" Cui Lizhu nodded.""Okay, okay ..."" "

""Brother Tao,"" Zhao Yu said to Ran Tao,""ge bing bought so many special items from the internet. If we can find these things and detect han Sai's information from them, then we can apply for an arrest warrant!"" "

""Do you understand what I mean?"" "

""I understand! I understand!"" Ran Tao said,""I'm the best at searching!"" "

""Remember,"" Zhao Yu said.""Don't alarm han sai. And, because han sai has a wife, these things can't be in his house! "

""So, your main target is ge Bing's residence, including those in other cities. Search carefully ... "

""If this brother-in-law isn't the suspect we're looking for,"" Zhao Yu muttered,""then this case is really strange ..."" "

Chapter 2420: Underground love

A day later.

"Hila city, Special Investigation Group office. "

""Team leader,"" Zeng ke reported to Zhao Yu,""han sai took Ge Hua out of the hospital and went home. Ge Hua asked to meet her brother at the police station, but han sai didn't agree. He said that Ge Hua's injury hadn't fully recovered yet, and he was worried that she couldn't take it ..."" "

""Mm ..."" Zhao Yu nodded and said,""continue to monitor!"" "

""Team leader Zhao ..."" Xi menna said.""If han sai is really the murderer, he must be very alert, right? Could it be that he knows we're monitoring him?"" "

""There's no other way,"" Zhao Yu said.""I guess he has already discovered our hidden sentries. It's okay. If we don't monitor him, it will only arouse suspicion!"" "

""Yup!"" Zeng ke said,""han sai must have thought that our target is his wife, Ge Hua! Because from the current situation, Ge Hua is the biggest suspect!"" "

""Oh ..."" Xi menna said,""I just ... Just told our people to be careful ... How about ... You leave this to me and I'll watch him?"" "

““““You?”” Zhao Yu thought for a moment, then shook his head and said,“““no, you’re still an intern. I can’t send you on such a dangerous mission.”” ”

““““Please, boss,”” cui Lizhu, who was next to him, obviously had an opinion,“““she was the one who saved you at the bar, okay?” ”

““““Don’t you know how good at fighting Barbie?”” Cui Lizhu looked at Xi menna and said,“““I think you should just give him a chance to make a contribution!”” ”

““““The equestrian field ...”” Zhao Yu looked down at the information and said without lifting his head,“““at the equestrian field, Xi menna and I were the ones who asked han sai about it. Han sai met Xi menna ...”” ”

““““Oh ...”” Cui Lizhu finally closed her mouth. ”

““““Xiao Cui,”” Zhao Yu asked,“““did you receive any new information?”” ”

““““Yes,”” cui Lizhu quickly picked up her document and reported to Zhao Yu,“““so far, my people have asked more than 20 people who know han sai.”” ”

““““These people have different opinions, they say all kinds of things!” ”

““““One of han Sai’s middle school female classmates said that han sai is extremely handsome and is the idol of almost all the girls in their class. However, han sai has never been involved in any scandals with any girl. It feels like he has that kind of tendency ...”” ”

““““I heard from his primary school teacher that han sai was a very smart child. He was introverted and didn’t like to talk, but he was very good at learning new knowledge!”” Cui Lizhu said, flipping through the information. ”

““““There’s one more thing that’s very important. He said that han sai is very strong. I guess it’s because he’s been helping out in the slaughterhouse since he was young ...”” ”

““““Of course, there’s one more important point,”” cui Lizhu said.“““I found out from a few of han Sai’s childhood friends that the person who likes to read detective novels might not be ge bing, but han sai himself!”” ”

““““Oh?”” Zhao Yu asked,“““why didn’t you mention such an important thing first?”” ”

““““There has to be a grand finale!”” Cui Lizhu smiled evilly and said,“““boss, Han Wen might have really lied to us!” ”

““““When he was young, ge bing did have a lot of detective novels in his house. But those books were all given to him or lent to him by han sai!” ”

““““Because han sai and ge bing have been close friends since young, ge bing became han Sai’s fan of detective novels ...”” ”

““““And, and ...”” Cui Lizhu continued,“““I also visited a lot of people who have dealt with han sai before, and their comments about him were very familiar!”” ”

““““Oh?”” Zhao Yu’s eyes widened.“““What do you mean?”” ”

“““They all said that han sai was a calm and steady person who liked to control the overall situation,”” cui Lizhu said.”” Han sai was very meticulous. Whether it was business meetings or events, he would do everything flawlessly. He would think of every detail ... ”

“““How is it?”” ““Doesn’t that sound familiar?”” cui Lizhu asked. ”

“““Isn’t this ...”” Xi menna said,”” what Han Wen said about ge bing?”” Could it be that ... Han Wen ... Really knew that the real killer under the bridge was not ge bing, but his brother Han sai? ”

“““And ... She even knows what the relationship between han sai and ge bing is?”” ”

“““She didn’t tell the truth,”” cui Lizhu said.”” That means she wanted to protect her big brother! ”

“““Why don’t we go to the Dalong police station again and tell Han Wen everything?”” cui Lizhu asked, her eyes shining. ”

“““No!”” Zhao Yu waved his hand and said,”” there’s still too little evidence. We can’t act rashly and alert the enemy!”” ”

“““Boss, boss ...”” While they were talking, Ran Tao came in from outside and said happily,”” I found it!”” I’ve found it ... ”” ”

“““Oh?”” ”

“Everyone was excited, and they quickly turned their eyes to Ran Tao. ”

“““In Aershan City”” Ran Tao said.”” Ge bing has a holiday villa in aershan. I asked the police there to search the villa carefully. ”

“““At first, they didn’t find anything, but ... On their second search, they found something in an old shoe box in the basement ... ”” ”

“““You guys, look ...”” ”

Ran Tao opened his phone and saw a picture of some embarrassing special items.

“““Waa!”” Xi menna watched with great interest. ”

“““Yi!”” Cui Lizhu scoffed ... ”

“““That belt ...”” Xi menna asked curiously,”” what’s the belt for?”” ”

“Ran Tao narrowed his eyes and shook his head.”” That’s not a belt ... It’s a collar ... ”” He said. ”

“““Gulp ...”” Xi menna swallowed. ”

“““That’s great!”” Zhao Yu said,”” brother Tao, ask them to send the things over quickly and let forensic Guo examine them. Also, bring the bedsheets and other things ... ”” ”

“““Don’t worry! I’ve already done that!”” Ran Tao said,”” aershan will do the information collection at the scene ... ”” ”

“““That’s right!”” Zhao Yu suddenly thought of something and said to Zeng ke,”” Zeng ke, check han Sai’s whereabouts and see if he has been to aershan recently.”” ”

""Oh?"" Ran Tao was puzzled.""Han sai ... Why did he go to aershan?"" "

""Destroy the evidence, brother Tao Tao!"" Cui Lizhu said,""before or after han sai made his move, he would definitely want to draw a clear line between him and ge bing. So, he might go to their 'battlefield' to destroy the evidence!"" "

""If we can't prove that they are in that kind of relationship, you will have no motive to commit the crime!"" "

""Tsk tsk ..."" Zhao Yu looked at the photo on Ran Tao's mobile phone and said,""han sai is really careful!"" "

""He and Ge Hua have been married for so many years, but he has been doing all kinds of things behind his wife and brother-in-law's back. Tsk tsk ..."" "

""Yup!"" Cui Lizhu chimed in,""it's precisely because they've been so secretive that no one knows that they're that ..."" "

""It's a pity ..."" Simone said,""when keshenia appeared, all their plans were ruined!"" "

""But ..."" Cui Lizhu shook her head and said,""is it worth it to hide it for a lifetime?"" "
