Chapter 2541: locked

“““This word is niandi, right?”” Xi menna looked at the name on the document and said,““basic salary, oh no, Di Xin?”” ”

“““Right!”” Cui Lizhu snapped her fingers and said,““you’ve improved again!”” ”

“““Di Xin is 66 years old this year,”” Zeng ke said.““He is a senior technician in the electronics factory. He graduated from the Nanyun Institute of Technology, majoring in mechanical and electrical engineering!”” ”

“““It can’t be?”” Captain Shi scratched his head.““Yunnan Institute of Technology is a well-established University. Why did such an excellent talent only work as a technician in an electric appliance factory? Isn’t that too much of a waste of talent?”” ”

“““Single, childless ...”” Zeng ke continued,““he has always lived alone. His house was assigned by the electric equipment factory, and he has his own property rights. It is a two-story building that covers an area of 100 square meters!”” ”

“““I’ll go check his property certificate now,”” chief Liu said.““I just had dinner with the person in charge of the demolition a few days ago. They said that nine out of ten two-story buildings there don’t have property rights, and they were all built by themselves!”” ”

“““That’s not the main point,”” Zeng ke said to Zhao Yu.““Didn’t you ask me to check the battery usage? This person’s electricity consumption has always been the highest among all the households in the past five years. Although it’s not the best, the electricity has always been stable!”” ”

“““Yunxi ... Oh no, there’s a chance ...”” Zhao Yu excitedly grabbed Xi menna’s neck.““Our protagonist has finally shown himself!”” ”

“““Oh my ... You’re going to strangle me to death ...”” Xi menna grinned.““Can’t you strangle yourself?”” ”

“““I’m sorry, I was too excited, hehe ...”” Zhao Yu quickly retracted his hand. ”

“““And, team leader,”” Zeng ke continued,““I’ve checked this person’s identity information. His hometown is Xin ‘an town in the old state. This is such a coincidence. Su ruohua is also from Xin’ an town. They are from the same hometown!”” ”

“““There’s a chance!”” Zhao Yu sighed again and said,““if su ruohua is still alive, she would be sixty-six years old. Di Xin is also sixty-six years old. This is ...”” ”

“““Zhao Yu,”” ”

““Suddenly, Zhao Yu heard Miao Ying’s voice behind him. Because he was dealing with the follow-up matters of the previous two cases, Miao Ying had not been present. ”

“Now, when she found out that there was a major breakthrough in the frozen female corpses case, she was so excited that she couldn’t help but tell Zhao Yu,”” ”

“”Immediately send this person’s information to Bai Fengqi and let him see if he knows him ...”” ”

“”Right!”” Ran Tao slapped his forehead.””If Bai Fengqi knows him, then it’ll be great!”” ”

“”I’ll do it myself!”” Miao Ying quickly switched on her phone and shared Di Xin’s information. She then contacted su ruohua’s husband, Bai Fengqi. ”

“”Can you tell me where this person is now?”” Zhao Yu asked Section Chief Liu. Did he demolish his house? Where will he move to?”” ”

“”We haven’t touched the houses in Daliang District! “”Now, they are all preparing to move,”” chief Liu said.””The government has given them the demolition and resettlement fees, so they are all looking for their own places to live ... ”

“”As for where he is right now ... We should be able to find him, right?”” ”

“”Yeah,”” Ran Tao said, clapping his hands excitedly.””If we know where he lives now, and see if he passed by Jing River on his way ... Then we’ll be sure of it!”” ”

“”Captain Shi, in any case,”” Zhao Yu said,””since Di Xin’s old home has not been demolished, let’s send someone to take a look!”” See if there’s any refrigeration equipment, or maybe he’s still alive!”” ”

“”Okay, I know, I know ...”” Captain Shi quickly picked up his mobile phone and contacted his men. ”

“”I’ll just use my phone to locate it!”” “”This is the fastest way,”” Zeng ke said. ”

“As he spoke, Zeng ke tapped on the keyboard and began to lock down Di Xin’s position. ”

“At that moment, Miao Ying, who had just made a call, ran back with her phone in her hand and said,””””Bai Fengqi knows him! Bai Fengqi knows him!”” ”

“”Waa!”” ”

“Hearing this, the crowd became even more excited, and they all looked at Miao Ying. ”

“”Bai Fengqi said that Di Xin was indeed su ruohua’s childhood friend. They were classmates in elementary and middle school,”” Miao Ying said.””But after high school, they almost stopped contacting each other! ”

“”Also, Bai Fengqi had only heard su ruohua mention this person before. She said that he was majoring in Mechanical Engineering. They were both in Kunyang, but he had never looked for her!”” ”

Pa!

Zhao Yu clapped his hands together. Such an important connection obviously confirmed their speculation.

“”So it’s ... A childhood friend!”” Cui Lizhu covered her face in surprise and said,””Ms. Su is so beautiful, and this childhood friend ... It seems ...”” ”

“Wu Xiumin asked, “is Di Xin single or divorced?” Have you been married?”

“No,” Zeng ke said. “I’m single!”

“It’s settled!” Ran Tao decided, “a 66-year-old Bachelor who has been in love with the frozen teacher su for his entire life!”

“Haha, after searching for so long, we’ve finally found him! Boss, you’re amazing. You really found inspiration after walking around the Jing River!”

“No,” Zhao Yu said, waving his hand. “We can’t be 100% sure yet. We have to verify it further!” He ... Does he have a car?”

“Team leader,” Zeng ke didn’t have time to answer Zhao Yu’s question, but pointed to the computer screen and said, “the location is out. The person is now in the southern suburbs of rowei city. There doesn’t seem to be a large residential area there.”

“What ... What is he doing?”

“Luo Wei ...” Everyone quickly looked at the map on the big screen. Captain Shi’s eyes widened as he said, “there’s no way we can escape!” Linjiang road was the shortest route from Daliang District to Luo Wei! This means ...

“Team leader, you see ...” Zeng ke said. “Di Xin is now in a factory in the countryside, and the yard is quite big!”

“After Zeng ke finished speaking, everyone’s eyes fell on Captain Shi.”

“Captain Shi immediately understood. He quickly took out his mobile phone and said, “I ... I’ll contact the Luo Wei police to arrest him!”

“After saying that, he quickly took out his phone, but it started to ring.”

He had no choice but to let his assistant contact the rowei police while he took the call.

“The call was also from one of his agents, and for everyone’s convenience, he turned on the speaker.”

“Captain, we’ve found the person who called the police,” one of the police detectives reported. “This person is a truck driver. That night, he drove Luo Wei back to Kunyang. When he left Xijiang tunnel on Linjiang road, he drove in the opposite direction due to fatigue and almost collided with a van!”

“The van lost control and crashed into a section of the guardrail. The door at the back of the van was knocked open, and it seemed like some cargo was thrown out ...”

“After the accident, the truck driver knew that he couldn’t escape, so he got out of the car to check and took the initiative to call the police!”

“However, to his surprise, the driver of the van didn’t seem to have any intention of arguing with him. He just hurriedly locked the broken door and drove away!”

“So, the truck driver withdrew the call and left the scene ...”

“Find this person,” Captain Shi immediately ordered. “Ask him to identify the scene!”

“After hanging up the phone, he looked at Zhao Yu as if he was looking at a God and said, ”Great detective Zhao is too godly! I know about the West River tunnel. After coming out of the tunnel, there happens to be a Big Bend, and accidents often happen there ...” ”

“”Team leader, ” Zeng ke reported to Zhao Yu, ”Di Xin has an Iveco van, and it’s a new one.” ”

Chapter 2542: suffocating arrest

“”Team leader, there should be no problem!” Over the phone, Zeng ke told Zhao Yu, ”a month ago, Di Xin spent 150000 Yuan to buy a refrigeration system, a compressor, a refrigerator, an electronic expansion valve, a ammonia insulation colored steel plate, a high-pressure reservoir ... ”

“”These are all used to make professional cold storage ...” He said. ”

“At this moment, everyone was already on their way to Luo Wei. On the left side of the road was the beautiful Jing River. ”

“”Also, ” Zeng ke added, ”we have carefully confirmed Di Xin’s location. There is a small civilian beef processing plant there, which Di Xin bought for 500000 Yuan six months ago. ”

“”Maybe there’s still some frozen equipment inside ...” ”

“”This guy ...” Zhao Yu muttered. ”He finally found himself a good place!” ”

“”In addition, ” Zeng ke said, ”I just found the information on his car. The car was bought recently, so I guess it was used to transfer dead bodies.” ”

“”I’ve already sent you the information ...” ”

“”Alright!” Zhao Yu said a few more words, then hung up the phone. ”

“At that moment, in addition to Captain Shi, there were two field agents, Ran Tao and cui Lizhu, who were going to Luo Wei with him. The rest of the people were waiting at the police station for news. ”

“”Team leader Zhao, ” as soon as he hung up the phone, Captain Shi sent him the latest news. ”My people have found the place where Di Xin used to live. The door is locked. Di Xin is not there, but ...” ”

“”You found it?” Zhao Yu’s eyes lit up. ”

“”En!” Captain Shi nodded vigorously, then showed Zhao Yu the latest photo that had just been sent to him on his mobile phone. ”Look, there is a secret door in the storage room on the first floor of Di Xin’s house. Under the secret door is the cold storage warehouse that he built himself ...” ”

“”Oh?” Zhao Yu took a closer look and saw a lot of refrigeration equipment. ”

“”However, when my men went in, there was nothing left, ” said Captain Shi. ”The power had been turned off for a long time, and the refrigeration equipment showed signs of being removed. It seems that Di Xin was afraid that outsiders would know that there was a secret room here and wanted to destroy it, right?” ”

“““It’s ... It’s that big?”” Zhao Yu noticed a problem.”“This cold storage warehouse isn’t small, right?”” ”

“““It’s about six meters by four meters. It’s not small,”” said Captain Shi.”“Otherwise, the electricity consumption wouldn’t be so large!”” ”

This ...

Zhao Yu turned on his mobile phone again and looked at the information about the van that Zeng Ke had just sent over. He couldn’t help but feel gloomy.

“He didn’t know why, but Zhao Yu had a strange feeling that the case wasn’t as simple as it seemed. ”

Could it be ... That there was a reversal in this case?

Di di ...

Di di di ...

“At this moment, Captain Shi’s mobile phone rang urgently. ”

“Captain Shi quickly picked up the call, then asked Zhao Yu solemnly,”“““Team leader Zhao, Luo Wei’s colleagues are already in position. Should we go in now to arrest them? ”

“““Or ... Should I wait a little longer?”” ”

“““Things will change if we wait any longer, we can’t wait any longer!”” Zhao Yu said firmly,”“hurry up and go arrest them. It’s best if ... Um ... Give us a live broadcast!”” ”

“““Alright, no problem!”” After confirming it, Captain Shi said into the phone,”““alright, let’s go! Be careful!”” ”

“After that, Captain Shi turned on his mobile phone and played the real-time image of the arrest. ”

“Because the police officers were carrying the camera equipment, the image looked very shaky. ”

“When Zhao Yu could finally see the scene clearly, the police had already opened a silver door and rushed into the courtyard. ”

“The yard was very spacious, and there was a cowshed and some miscellaneous items. However, the most obvious thing was a gray Iveco van! ”

Everyone became even more excited when they saw the car. Di Xin was obviously there!

“The police acted quickly. They quickly passed through the yard and entered the room. It was a single-story house, with a total of five rooms from east to west. ”

The police split into two groups and rushed in. Zhao Yu and the others quickly saw the situation in the house.

“The furnishings in the room were extremely simple, as if they had not had time to prepare. There were even some parts where the wall paint was still in a state of peeling off ... ”

“““Eh?”” Cui Lizhu held her breath and asked,”““where is he? Didn’t you already locate him?”” ”

“”Tsk tsk ...” Zhao Yu pouted and felt the same way. Logically speaking, they should have already caught the suspect, but ... ”

“The camera moved quickly, and Zhao Yu and the others saw the bedroom, kitchen, bathroom, and other places, but they didn’t see a single person. ”

“Very quickly, someone found a mobile phone in the study. It was obviously Di Xin ‘s. ”

It’s broken ...

“Seeing this situation, everyone’s heart immediately flashed a trace of bad. ”

“”Cold storage, cold storage ...” Zhao Yu reminded her.””Hurry up and find the entrance to the cold storage ...” ”

“”Quickly find the entrance of the cold storage,”” Captain Shi quickly reminded.””It’s either in the house or in the courtyard. Hurry, hurry and find it!”” ”

“After receiving the order, the police immediately launched a carpet search. ”

“Fortunately, although the yard was very large, the police still found the entrance to the cold storage very quickly based on the exposed compressor. ”

“There were two small rooms on the other side of the yard, which were storage rooms. After opening them, the police quickly found the entrance on the floor! ”

“It was a small, circular metal door that could be considered straight. After it was pulled open, cold air blew into his face! ”

“”This is the place!”” Zhao Yu clenched his fists.””Be careful!”” ”

The criminal Police officers naturally knew to be careful. The few people in the lead raised their pistols and carefully walked down the steps ...

“With a flash of cold white air, Zhao Yu and the others finally saw the situation in the cold storage warehouse clearly. ”

“However, the situation there had clearly exceeded everyone’s expectations! ”

“It was a rectangular cold storage warehouse, about 10 meters by 4 meters. ”

“This place might have been modified. There were shelves in some places, and hooks in other places. It seemed to be used to freeze beef in the past ... ”

“At that moment, in the middle of the cold storage warehouse, there was a sofa with a Kasaya! ”

“It was a brown leather sofa, and as their line of sight moved forward, they were surprised to see a bearded man sitting on it! ”

“As soon as they saw the man, the police officers naturally became nervous and aimed their pistols at him. ”

“However, as the camera zoomed in, everyone saw a shocking scene. The person’s body was stiff and his clothes were stained with white frost. Obviously ... ”

“”Hurry up!”” Captain Shi widened his eyes and ordered,“”pull it closer! This is ...”” ”

“”There’s no mistake!”” Cui Lizhu exclaimed,“”it’s Di Xin! He ... He froze himself to death?”” ”

“”Hurry up!”” Captain Shi shouted crazily,“”hurry up and save her. See if she’s still alive.”” ”

“In the video, the police officers checked Di Xin’s condition in a hurry and quickly carried him out ... ”

“”Wait ... Wait a minute!”” ”

“Suddenly, Zhao Yu grabbed his phone and shouted, and the police officer in the video immediately stopped. ”

“”You ... You guys go inside and take a look ... What ... What is that thing?”” ”

“With Zhao Yu’s reminder, the camera slowly moved towards the depths of the cold storage warehouse. As the camera moved, everyone was so scared that they kept quiet out of fear! ”

“That was because they had already seen that in the depths of the cold storage warehouse, there were three huge rectangular ice blocks, and these three ice blocks were covered with a brown felt cloth ... ”

Chapter 2543: Twisted soul (1)

“Fifty minutes later, Zhao Yu and the others arrived at the scene. ”

“In the cold storage warehouse, where white steam was rising everywhere, the temperature was so low that it was hard to accept, especially for Zhao Yu and the others, who did not prepare more clothes. ”

He only felt a bone-piercing cold and his blood froze.

“However, compared to the cold on his body, the freezing in his heart was even more serious. ”

“When Zhao Yu and the others arrived, the felt cloth covering the three huge ice blocks had already been lifted. Through the ice blocks, they could clearly see that each huge ice block contained a human body! ”

“The three of them were all women. They were of different ages and dressed differently, but their looks were especially beautiful and stunning! ”

“However, in such an atmosphere, the more beautiful the frozen woman was, the more terrifying the feeling she gave off! ”

“”Oh my God ...”” Looking at the body in the ice, Cui Lizhu exclaimed incoherently,“”how could this be?”” Don’t tell me ... There’s ... More than one su ruohua ...”” ”

“”Who are these three people?”” Captain Shi’s face was also pale. As the chief captain of the provincial Criminal Police, it was the first time he had encountered such an evil and outrageous case. ”

“So ...” Zhao Yu stared at the frozen woman and said sadly, “my ominous feeling before was true!”

“Ah?” “What did you say?” Cui Lizhu asked. You mean, you already knew that there was more than one corpse?”

“If ...” Zhao Yu said, “just to transport Su Ruohua, then ... Why spend so much money on a new car?”

“Also, his original cold storage warehouse was so big, and it looked empty. I ...”

“Di Xin is a complete devil!” Ran Tao clenched his fists, shook his head, and said, “but, why did he commit suicide? Or ... Or ... Was he just a scapegoat? You have an accomplice?”

“Leader Shi,” hearing this, Zhao Yu quickly asked Shi Min, “how is Di Xin? What’s the situation now?”

“He ... He’s still alive, but his vital signs are weak ...” Captain Shi said nervously, “he’s already in the hospital and is being rescued. As for whether he can be saved, it’s hard to say ...”

“We have to save him!” Cui Lizhu said anxiously, “he’s the only one who knows the truth!”

“Captain!” At this moment, an agent reported to Shi Min, “we found a bottle of sleeping pills and some water in the bedroom upstairs. Di Xin must have wanted to commit suicide ...”

“Oh ...” Shi Min nodded.

“I just saw,” Zhao Yu said, “Di Xin installed a camera here. Have you checked it?”

“Sir, we found it,” the detective replied. “Don’t worry, the technical team is extracting the video ...”

“Very good!” Zhao Yu calmed himself down and ordered Captain Shi, “Captain Shi, Di Xin has not been too far. These three girls should be the missing people in Nanyun province. You should quickly find out their identities!”

“En!” Captain Shi nodded and looked at the ice again.

“The three frozen women were wearing bright-colored clothes. From the style of their clothes, it was possible that the three of them were frozen in different eras ...”

“Zhao Yu stared at the woman in the ice. After a long time, he suddenly made an even more amazing discovery.”

Why did these three women all look so similar to Su Ruohua?

Could it be ...

Oh my God!

“In an instant, all the clues from before flashed through his mind, allowing him to gradually connect them together to form an incomplete mind map!”

Three women who looked like Su Ruohua ...

There was no sign of struggle ...

There were surveillance cameras outside ...

He had drunk sleeping pills again ...

Was Di Xin really trying to commit suicide?

“Su ruohua should be the first woman that Di Xin had frozen. Perhaps, su ruohua was just an accident and not Di Xin’s intention. ”

“However, the three women behind him were different! ”

Di Xin had placed a sofa in the cold storage warehouse. Zhao Yu could even see that Di Xin often sat on the sofa and admired the scene of the woman being frozen in ice.

This person’s mentality ... Was completely twisted!

“He ... Why did he choose to commit suicide? it was because ... Because he lost su ruohua, right? ”

“The car accident on Linjiang road that night caused him to lose su ruohua by accident. So, he was disheartened and lost the motivation to live on, and that was why he chose to commit suicide? ”

Or ...

“As Ran Tao had guessed, Di Xin had accomplices, or was he just a scapegoat? ”

“””These three women ...”” At this time, cui Lizhu also saw the problem. She pulled Zhao Yu’s arm and said,“”boss, why do these three women all look like su ruohua?”” This ... This is too evil, right?”” ”

.....

“Ten minutes later, Zhao Yu returned to the spacious courtyard. The temperature had risen, which made him feel a little more comfortable. ”

“At that moment, the courtyard was filled with police officers, technicians, collectors, and forensic doctors. Everyone was busy with their work. ”

“The weather was clear, the sun was high in the sky, and there was no wind in the air. ”

“He did not know if it was because of the cold in the cold storage warehouse just now or because he was too nervous, but Captain Shi hid in the cowshed and smoked a cigarette, but his hands were shaking. ”

Whoosh ... Whoosh ...

Zhao Yu tried to adjust his breathing and recalled the case from beginning to end. His thoughts became clearer.

“At this time, he saw that the gatherers were taking pictures of the car. He walked over and watched from the side. ”

“There were indeed signs of impact on the back of the car. The back door was dented, and the taillight was broken ... ”

“It seemed that many of their previous guesses were correct. The frozen corpses did not float into the river for no reason, but had encountered an accident! ”

This accident had caused Di Xin to lose the meaning of his life ...

34 years ...

66 years old ...

Hu ...

Zhao Yu closed his eyes and tried to understand Di Xin’s mental state.

“““Team leader Zhao ...”” At this time, a police officer from the technical team came to Zhao Yu and handed him a black mobile phone.”“Look at this ...”” ”

“Zhao Yu was about to take it, but the technician quickly handed Zhao Yu a pair of gloves. ”

“The mobile phone was evidence, so it naturally had to be treated with caution. ”

“Zhao Yu put on his gloves, then took the phone and looked at the screen. ”

They were all pictures of a woman in her school uniform. She should be a middle school student.

“The girl was pure and beautiful, but her features resembled teacher su ruohua! ”

“““This ...”” When Zhao Yu flipped through the pages and saw the woman’s detailed information, he finally understood and said,”“this girl ...”” ”

“““There’s also the girl’s school route, home address, and so on,”” the technician said.”“We suspect that this girl may be the murderer’s next target!”” ”

“““Ah?”” Upon hearing this, Captain Shi quickly rushed over and said,”“then let’s stop dilly-dallying and quickly confirm whether this girl is safe!?”” ”

Chapter 2544: Twisted soul (2)

“Twenty minutes later, in the police car. ”

“““It’s okay, it’s okay ...”” Captain Shi wiped the sweat off his face and reported to Zhao Yu.”“The girl’s name is Zhang Hanyi. She’s fine. She’s already been protected by the police. She’s now in her own home ...”” ”

“““Phew ...”” ”

“Hearing that the girl was fine, the crowd heaved a sigh of relief. ”

“Ran Tao looked at the girl’s photo and said,”“she looks so similar to teacher su. She is like a sister!”” No wonder this frost demon is interested in him!”” ”

“““Please, brother Tao,”” cui Lizhu said, patting Ran Tao’s shoulder.”“Don’t give me nicknames!”“ My heart is beating so fast, I didn’t even feel like this when I was with the female corpse under the bridge, don’t add oil to the fire!”“ ”

“““This person has been completely twisted by his obsession ...”“ Zhao Yu said.”“Not only did he freeze Mr. Su, but he also saw a woman who looked like Mr. Su. Also ... Tsk tsk ...”“ ”

“““Team leader Zhao,”” Captain Shi looked at his mobile phone and said,”“Di Xin is out of danger. He is really tough!”“ ”

“““However, because I’ve taken sleeping pills, I’m afraid it’ll take some time to interrogate him!”“ ”

“““Mm ...”“ Zhao Yu let out a long sigh. At that moment, their police car was on the way to the hospital in rowei city. ”

“““By the way,”” Captain Shi said,”“the technical team carefully checked the surveillance cameras and compared them with the surveillance cameras outside Di Xin’s house. They did not find any other suspicious people!”“ ”

“““So ... Di Xin must have wanted to commit suicide! He doesn’t have any accomplices ...”“ ”

“““Boss,”” cui Lizhu said, holding her mobile phone.”“Zeng ke just checked, and Di Xin paid 40000 Yuan in advance for the electricity bill for his new house. This amount is enough to last him for 15 years ...”“ She said. ”

“““F * ck!”“ Zhao Yu couldn’t help but sigh.”“This guy ...”“ ”

“““If that’s the case, it’s even more necessary to commit suicide ...”“ Captain Shi said emotionally.”“If team leader Zhao didn’t find this place, it’s hard to imagine what it would be like 15 years later ...”“ ”

“““Boss,”” Ran Tao scratched his head and said,”“why do I feel like there’s still a problem?”“ Thinking about it, the three huge ice blocks that sealed the girl, each of them must be three to four hundred pounds or more, right? ”

“““Di Xin is only a 66-year-old man. He has to go down the stairs to get to the cold storage. How ... How can he move it by himself?”“ ”

“““Well ...”“ Hearing this, Captain Shi hurriedly said,”“the technical team has just checked and found that there are very obvious traces of knocking and fixation on the ice. I guess Di Xin used some tools?”“ ”

“““Fortunately, he didn’t die,”” Ran Tao said.”“When he wakes up, we have to ask him ... I don’t know if this madman can still communicate with people ...”“ ”

“““Boss,”” cui Lizhu said as she looked through her mobile phone.”“This is Di Xin’s detailed information, which Zeng ke just sent over. This man’s pension is not low, about 8000 Yuan a month!”“ ”

“Zhao Yu took the phone and looked at the information, then said,”“You have no family, no ties, and you’re all alone. Even if you have a pet, it’s still alive. Why ... Why do you have to freeze people?”“ ”

“““Keep the good ... That’s probably what it means?”“ Cui Lizhu swallowed her saliva and said,”“this man is really sick!”“ ”

Di di ... Di di di ...

“At this moment, Captain Shi’s mobile phone rang again. ”

“After reading the latest report, Captain Shi said excitedly, ”””””That’s great! Di Xin has woken up!”” ”

“Just as Captain Shi was speaking, the police car arrived at the parking lot of the rowei City Hospital. ”

“However, after Zhao Yu got out of the car, he saw that Miao Ying and Wu Xiumin, who had just rushed over from Kunyang, were already waiting at the door. ”

””””Wow, you guys are all here!”” Cui Lizhu excitedly went forward and held Miao Ying’s arm. ”

”””Great detective Zhao is really amazing!”” Miao Ying smiled and joked, ”””you were going to hand the case to me, but in the end, you solved it yourself. You’re indeed the master of unsolved cases!”” ”

”””You guys can’t even come up with anything new to praise me, ”” Zhao Yu responded, then said, ”””you guys came just in time. You guys can interrogate this frost demon!”” I’m afraid that I won’t be able to control myself and want to beat him up, but he’s already 66 years old. I hope that he won’t have any more problems ... ”” ”

”””An excuse, an obvious excuse, ”” Wu Xiumin said with a faint smile. ”””You just want to be lazy!”” ”

”””That ... That ... ”” Zhao Yu looked around and wanted to ask why Xi menna wasn’t here. ”

“However, after thinking about it, he immediately understood. Because of the assassination at Jing River ancient temple, Xi menna was obviously under heavy protection and could not go out as she pleased. ”

Aiyo!

Zhao Yu then remembered that he was also grounded. He had promised officer Li Jing that he would solve the case without leaving the house!

“However, because he had suddenly obtained an important clue, he had completely forgotten about this. ”

“He quickly looked outside the hospital. There was no doubt that the Secret Service agents were protecting him along the way, and he had caused trouble for them again. ”

“However, he hadn’t received any warning from Li Jing or Ding Lan so far. It seemed that secret services was understanding. ”

“Thinking of this, Zhao Yu cupped his fists in the distance to express his gratitude to the agents who had secretly protected him. He then followed the group into the hospital. ”

“Zhao Yu was even more alert now. He immediately strengthened the invisible detector that he had always kept on, so that he could know in advance if there was any danger. ”

“However, even so, Zhao Yu knew that, after all, he had come out suddenly, and secret services was secretly protecting him. In such a short time, the enemy shouldn’t have been able to get close! ”

“Of course, even if there were, he would not be afraid. He had so many awesome props, and he was still looking forward to the enemy showing up ... ”

“After going upstairs, everyone went straight to a special ward.”

“A large number of police officers had already been deployed outside the ward, and the criminal was firmly under control.”

“Captain Shi first communicated with the doctor, and after getting permission, Miao Ying and Wu Xiumin entered the ward to face the frosty demon.”

“Zhao Yu went to a room where he could monitor the situation. While waiting for the interrogation to start, he turned on his mobile phone and read Di Xin’s information carefully.”

“At the same time, he also put on his communication device, so that he could communicate with Miao Ying at any time.”

“On the hospital bed, Di Xin’s condition was much better than everyone had expected. He did not have any oxygen, and only the heart monitor was turned on.”

“Moreover, he looked well-built and did not look like he was 66 years old.”

“This kind of interrogation didn’t need a long opening speech. After asking for their names and basic information, Miao Ying and Wu Xiumin went into the main topic of the interrogation ...”

“During the interrogation, Captain Shi quietly came to Zhao Yu’s side and told Zhao Yu in a low voice,””

“”Leader Zhao,”” Captain Shi showed Zhao Yu a photo on her mobile phone and said,””The Girl in the Ice in the dress has been confirmed!”” ”

“”She was a student from the Kunyang Academy of Fine Arts who went missing five years ago. She was only 18 years old when she went missing ...”” ”

Chapter 2545: Twisted soul (2)

“1986, 4th of July, Kunyang city, Panlong District.”

“At eighto’ clock in the morning, a beautiful woman wearing a white woolen sweater and a black skirt was riding a pigeon-brand bicycle along the Riverside path.”

“The sun shone on her fair face, giving off a pleasant Halo.”

“”Su Li!””

“When the woman rode to a certain place by the river, a man’s voice came from the shade of the tree on the other side.”

“”Eh?””

“The woman quickly stopped the car and looked at the shade of the tree. She saw a black Belk car parked there, and a man in a brown woolen sweater stood beside it.”

“The man’s face was as smooth as Jade, and he was handsome and had an outstanding appearance.”

“““Di Xin? Why are you here?”” Su Li pushed her bicycle closer and asked in surprise, ““what a coincidence!”””

“““It’s not a coincidence.”” Di Xin’s eyes shone with excitement. ““I knew you would pass by here, so I was waiting for you!”””

“““Oh? Wait for me?”” Su Li was puzzled. ““Why are you waiting for me?”””

“““Um ...”” Di Xin said uneasily. ““I heard that you’re going to the capital?”””

“““Yeah, you know about it?”” Su Li’s gaze became even more puzzled as she looked at him.”

“““Um ...”” Di Xin rubbed his hands together and pointed at his car. ““I have a car. I’ll Take You There!”” He said.”

“““What? You ... Are you kidding me ...”” Su Li frowned and said, ““we’re in Nanyun, and you’re driving me to Beijing? You ... What are you thinking?”””

“““Su Li, um ...”” Di Xin swallowed his saliva. He was so nervous that he did not dare to look her in the eye. ““I ... I’m now the technical Director of the electronics factory. I ... We have business connections with the capital. I ... I can also apply for it. I ... I can take you with me. When we reach the capital, I can ... I can take care of you!”””

“““Di Xin, what are you talking about? Why do I feel like something’s wrong with you today?”” Su Li heard the problem and said, ““I’m on official business. The school will reimburse me!”” Why should I be with you?”””

“““I ... I’m worried that you’re a woman and you’re so pretty. It’s not safe ...”” Di Xin looked like he was pleading.”

“““My safety is none of your business!”” Su Li said righteously, ““I thank you for your kindness. I will solve my own problem!”””

Su Li turned around to leave.

“““Eh?”” Di Xin panicked and reached out to stop her. However, he did not dare to touch Su Li when he reached her. He said timidly, ““Su Li, the letters I gave you ... You ...”””

“““Di Xin,”” Su Li stopped in her tracks, turned around, and said solemnly, ““I’m already married. My child is already two years old ...”””

“““No, I ... I don’t care about this,”” Di Xin said forcefully. ““I’ve already worked very hard. For you, I came to Kunyang to study and even found a good job. Although this car belongs to the company, it’s basically the same as my own ...”””

“““Di Xin, Di Xin, can you wake up? what did you say?”” Su Li said solemnly, ““you’ve worked hard and succeeded. I’m happy for you!””

“““But your success has nothing to do with me. You are you, and I am me. I am now a wife, a mother. Please stop lying to yourself, okay?”””

“““No... You can’t do this to me. Everything I’ve done is for you!”” Di Xin said, trembling.”

""You! You're being unreasonable ...""

Su Li shook her head in disappointment. She turned around and pushed her bicycle to leave.

"In the end, Di Qing, who was still in a state of excitement, actually stepped forward and grabbed Su Li's bicycle."

""Hey, what are you trying to do?"" Su Li reproached, ""you ... Let go! Let go!""

""No, don't do this to me,"" Di Xin pleaded agitatedly. ""Have you forgotten what you promised me when you were young? You said that you would marry me when you grow up. You didn't keep your word ...""

""You ... What's wrong with you?"" Su Li shouted angrily, ""we were both children at that time. How could you believe what I said?"

""You're considered a high-level intellectual. How can you still be so childish? Quickly let go of me! Let go!"" Su Li pulled the bicycle hard and threatened, ""if you don't let go, I'll call for help!""

""Don't, don't ..."" Di Xin was still pulling the bicycle with all his might. ""Don't leave me. I'll give you the best life. Su Li, don't leave me. Without you, my life will be meaningless ...""

""Let go!"" Su Li was really anxious. She immediately shouted, ""someone, someone ...""

""Don't, don't shout!"" Di Xin was so frightened that he rushed forward and pulled Su Li into his arms. At the same time, he blocked her mouth!"

Plop ...

The bicycle fell to the ground ...

""Wuwu...Wuwuwu ..."" Su Li was frightened and struggled with all her might. However, Di Xin's big hands were like iron pincers and she could not break free at all."

"She wanted to call for help, but she could only make whimpering sounds ..."

""Don't do this, don't do this ..."" Di Xin could no longer control himself. In his panic, he opened the car door and dragged Su Li into the car ..."

""Don't scream, don't scream ..."" Di Xin was afraid of being seen by others, so he still covered Su Li's mouth tightly. At the same time, he mumbled, ""you can't leave me. You're mine. You're mine ...""

"Originally, after dragging the man into the car, he wanted to start the car and leave."

"However, in his hurry, he dropped his car key and it fell into the gap of the seat."

"He could only bend down to pick it up. When he finally picked it up, he suddenly realized that there was no movement under his other arm."

""What?"" Di Xin quickly let go of his arm, only to find that Su Li's body was twitching. Her face was pale and she was foaming at the mouth, as if she was having an epileptic fit ..."

““““Su Li, Su Li ...”” Di Xin was scared out of his wits. However, he did not have any medical knowledge. Other than pinching his philtrum, he could not do anything.”

“In less than a minute, Su Li stopped twitching and stopped moving.”

“Her eyes were not closed, and her pupils were gradually expanding. It was as if she had lost all signs of life!”

““““No... No, no, no... Hold on, hold on.”” Di Xin was flustered.””I’ll take you to the hospital. To the hospital ...”””

“Di Xin quickly placed Su Li on the passenger seat. However, Su Li, who was unable to support herself, quickly fell to the side.”

Di Xin trembled as he checked his breath and pulse. He then realized in despair that Su Li was already dead ...

““““How ... How could this be!”” Di Xin was about to go crazy. He grabbed his hair in a frenzy, wishing he could pull out all his hair!”

He couldn’t figure out what had happened to Su Li. He thought that he had used too much strength just now and had suffocated Su Li. He was filled with regret and despair at that moment. He was so anxious that he even cried ...

“At this moment, he suddenly saw a few old aunties walking along the river to buy vegetables. He was anxious and quickly opened the door to the car. He picked up Su Li’s bicycle and stuffed it into the trunk ...”

“Then, he returned to the driver’s seat and started the car. He hurriedly drove the car away and left the Riverside Road in the blink of an eye ...”

Chapter 2546: Family

““““At that time ...”” Di Xin, who was lying on the hospital bed, recalled weakly,””I was studying the freezing project in the electric equipment factory. I had my own laboratory ...”

““““Su Li’s death hit me hard. I wanted to find a place to bury her ... But ... When I looked at her beautiful face and thought about how her face would rot underground, my heart found it even more difficult to accept ...”

““““I struggled with my thoughts for a long time. In the end, I finally made a decision ... I want ... I want to keep Su Li’s face and fix it in her most beautiful moment. I want to be able to see her every day from now on ...”

““““So, I concocted the most advanced freezing liquid at that time and sealed Sully in a piece of ice ...”

““““This way, I can see her every day ...”

“““At first, it was in my laboratory. I covered it with a canvas and hid it in the corner behind the cold storage ...”

“““I knew that it wasn’t a long-term plan, so I applied for a bungalow with the factory leader and transformed one of the rooms into an ice room. Only then did I bring Su Li home ...”

“““Later on, I was worried that someone would come to my house, so I dug out a basement in the house and transformed the basement into a cold storage. Only then did I finally feel at ease ...”

“““At that time, Su Li was like my family. She was the only one who gave me the motivation and hope to continue living!”

“““Even though I know that she can’t possibly respond to me, I still confide in her every day ...””

“““You ...”” Miao Ying was worried that Di Xin would sink into his own world, so she reminded him, ““since you already have Su Li, why do you still want to hurt another girl?”” Who are the other three Frozen Girls?””

“““I’ve built a cold storage warehouse in my house. It’s so big, but it’s obviously too cold and cheerless for Su Li to be alone. I’m worried that she’ll be lonely, so I found a new member of our family ...””

“Upon hearing the words ““new member,”” Zhao Yu and the others, who were eavesdropping, felt a chill run down their spines. There were many kinds of horror and cruelty in the world, but this kind was the most terrifying!”

“““In the blink of an eye, I’ve lived with Su Li for more than 20 years. I should have a child, right?”” Di Xin was still going on with his twisted story. ““That’s why I added three more children to our family. This way, Su Li won’t be lonely anymore ...””

“Hearing this, Miao Ying felt uneasy. She exchanged a look with Wu Xiumin, then quickly changed the topic.”

“““Then ... What happened after that that made you want to commit suicide?””

“““What happened ...”” Di Xin slowly tried to recall. His face suddenly trembled, and his tears flowed out uncontrollably. ““I lost Su Li!”” Wuwu ...””

“““You’re moving out because of the demolition?”” Miao Ying was worried that Di Xin would suddenly break down, so she quickly continued to ask.”

“““Yes, yes ... Sob ...”” Di Xin cried and said, ““the government wants to demolish this place. I can’t keep my old house anymore, and naturally, I can’t keep the cold storage warehouse. Although I can live in a new house in the future, how can I install a cold storage warehouse in a building?””

“““Wouldn’t that be equivalent to killing Su Li and our child?”

“““So, I could only go to other places to find a place for us to live. I looked ... I looked for a lot of places ...”” Di Xin said in a daze. ““Finally, I found a suitable place in Luo Wei, which used to be a beef processing factory. The place was very big but very cheap, and there was no possibility of demolition in the short term, so I bought it!””

“““This time, I almost used up all my savings to build the best cold room in accordance with international standards,”” Di Xin muttered.””In order to move my family there, I even bought a car ... ”

“““But ... But I didn’t expect that ... The car was new, but my driving skills were outdated ...”” Di Xin said in pain.””I took the transfer route several times in advance, and I was ready for everything, but I didn’t expect that there would still be an accident!”” ”

“““It was threeo’ clock in the middle of the night, and there were no cars on the road, so I naturally sped up. But I didn’t expect a large truck to suddenly rush out of the tunnel and hit me directly. ”

“““I was so scared that I turned the steering wheel, causing the car to lose control. I drove in the opposite direction and even hit the guardrail ... ”

“““If it wasn’t for the stone guardrail, I’m afraid my entire car would have fallen into the river. ”

“““The rear door was knocked open, and one of the ice blocks fell into the river in the blink of an eye ...”” Di Xin’s face was filled with despair.””I really regret it. Why did I ... Why did I have to put Su Li at the top?!”” ”

“““She was the one who was thrown into the river, my lover ... Wuwuwu ...”” ”

“After saying that, Di Xin started crying again. ”

“““Then ... What’s next?”” Wu Xiumin was good at dealing with people with twisted minds, so she immediately asked,””why did you commit suicide? Is it because you lost Su Li?”” ”

“““Yes, yes ... I can’t ... I can’t accept this ...”” Di Xin said, tears streaming down his face.””Everything I’ve done, everything I’ve done, I’ve done for her! ”

“““I ... I can’t lose her, but ... I had no other choice ...”” Di Xin said.””The next day, I heard that a female corpse was found near the ancient temple of Jingjiang ... ”

“““At that time, I had no other choice ... Sob ...”” Di Xin recalled painfully.””In the beginning, I tried to calm down. I tried to convince myself that Su Li was gone, but I still had our child ... ”

“““However, even though our child looks like Su Li, I can’t feel my heart beating anymore. My heart seems to have melted with Su Li ... ”

“““I just realized that Su Li is gone, so I should be leaving too ...”” Di Xin said in despair.””So, I prepared everything and paid the electricity bill with the rest of my money ... ”

“““Then, I drank the sleeping pills and wanted to sleep with my children ... But ... But I didn’t expect to open my eyes and find myself lying here ... ”

“““But ... After all, there was a car accident that day. I know that it’s very likely that I couldn’t have escaped, right?”” ”

“At this point, Di Xin stopped his confession, and the ward fell silent. ”

“After about ten seconds of silence, Miao Ying asked again,”” ”

“““Di Xin, when you froze Su Li, she was already married and had a child. Why did you ... Still want to destroy her life? have you ever thought that all these sins were caused by your selfishness?”” ”

“““I ... Am I selfish?”” Di Xin said,““it’s Su Li who didn’t keep her word, okay? When she was young, she promised me that she would marry me when she grew up, but ... She married someone else. I’m not even disgusted with her, am I selfish?”” ”

“““It’s a childhood joke. How can you take it seriously?”” Miao Ying sighed. ”

“““She ... She’s too beautiful,”” Di Xin said, his words insincere.““There’s no woman more beautiful than her in this world!” ”

“““She promised to be my wife, so she must keep her promise. We’ve been together for 34 years. I’m content, content ... Hehe ... Hehehehe ...”” ”

Chapter 2547: good news

“““I have to say ... Di Xin is actually an outstanding person!”” In the office, Zeng ke pointed to a photo on the big screen and said,““he has won many awards. In the 1990s, he was regarded as a national authority in the field of wireless media. He even received an invitation from the University of Germany ...”””

“The picture was a group photo of Di Xin and some foreign scholars. Di Xin was young, handsome, and in high spirits. No matter how one looked at it, one could not associate him with a desolated and abnormal frost demon!”

“““Why ... Why did he become like that?”” she asked. Xi menna chewed on her bubble gum and shook her head.““Could it be ... All because of that teacher su?”

“““How can teacher SU’s charm be so great?”””

“““I just looked up some information,”” Wu Xiumin said.““Di Xin’s mother died of illness when he was two years old, and his father never remarried again. Perhaps it was because of the lack of maternal love ...”””

“““He didn’t tell me the details,”” Miao Ying said.““He and Mr. Su were classmates in primary and secondary school. After high school, he went to the Kun Yang Institute of Technology to get close to Mr. Su.”””

“““From his words, I can tell that even though teacher su rejected his love, she doesn’t hate him. Also, he has written many letters to teacher su. So, when they were both in Kun Yang, perhaps something happened?”””

“““We’ll figure this out sooner or later,”” Zhao Yu said.““Di Xin is different from the criminals we’ve been in contact with before. His memory is still good, and he’s willing to confess. So, we’ll slowly figure out these details!”””

““““Yeah, at least ...”“ Cui Lizhu clapped her hands and said,“““this case is finally closed!”“ It’s really ... Not easy!”“““

““““Right!”“ ““Di Xin did it all by himself,”“ Xi menna said, blowing a bubble.”“He has no accomplices. We can finally close the case!”“““

““““Shouldn’t we have a good celebration tonight? I can’t wait!”“““

““““Foodie ...”“ Zhao Yu rolled his eyes at Xi menna and reminded her,““did you forget that you’re trapped in the police station?”“““

“““ ...”“ Xi menna suddenly stopped talking. Her eyes were filled with innocence.”

““““It’s okay,”“ cui Lizhu said as she pulled Xi menna over.”“I’ll bring it back for you. I’ll make a list of what you want to eat, hehe ...”“““

““““That’s not fair!”“ Xi menna swung her arm and said,““why are you fine? And I’m going to be grounded in the police station? What’s the difference between this and going to jail?”“““

““““Who said that?”“ Zhao Yu spread his hands and said,““I’m also banned from going out! He had forgotten about it because he was too anxious to catch the criminal ...”

““““Just wait and see, secret services will call soon ...”“““

“As expected, Zhao Yu’s phone rang before he could finish.”

“After picking it up, it was officer Li Jing.”

““““Zhao Yu, congratulations to you, detective, for solving a new case!”“““

““““Aiya, thank you, thank you,”“ Zhao Yu said with a smile.”“It’s just that I’m not strong enough. I promised to solve the case in two days, but I didn’t expect to solve it in one day. I’m so sorry, I’m ashamed ...”“““

““““Hehe ...”“ Li Jing, who had always been a serious person, was amused by Zhao Yu’s shamelessness.”“Zhao Yu, you’re really full of self-gratitude!”“““

““““Didn’t you say that you can solve the case even if you don’t go out? Why did he still go out? Do you know how much trouble you’ve put our brothers in?”“““

““““I’m sorry, I’m sorry,”“ Zhao Yu apologized.”“I was too excited and forgot. Hehe, I really forgot!”“““

““““Alright, with our relationship, I won’t argue with you. I’ll tell you a piece of good news!”“ Li Jing said,““we’ve found the Assassin’s accomplices. They are indeed from the Yaksha organization ...”“““

““““Oh?”“ Zhao Yu was excited.”“Really? A few accomplices?”“““

““““Only one!”“ Li Jing said,““the wife and child of the truck driver should have died at the hands of this person!”“““

““““Should be?”“ Zhao Yu pouted.”“So, you still didn’t catch anyone alive?”“““

“““Yes,”” Li Jing said. ““After our people surrounded him, he took his own life with poison. But ... According to his equipment, only the two of them were assassinated this time!”””

“““So,”” Zhao Yu was overjoyed, ““we’re safe now?”””

“““Hmm...It’s better to be careful!”” Li Jing said, ““we should be more vigilant at times like this!”””

“““I know,”” Zhao Yu said. ““I’ll try to keep a low profile!”””

“““My suggestion is ...”” Li Jing said. ““Since the case has been solved, let’s leave the follow-up to the local police!”””

“““Those public places aren’t suitable for you. It’s better for you to live a secluded life ...”””

“““I accept your suggestion,”” Zhao Yu said. ““I’ve always kept a low profile and never liked to show my face in public. Otherwise, I would have become the world’s best detective, don’t you think so?”””

Whoosh ...

The call was hung up by the other party.

“““You actually hung up on me ...”” Zhao Yu looked at his phone and smiled smugly.”

“He really didn’t expect that the Secret Service really lived up to their reputation. In such a short time, they actually found his current partner and removed his future trouble.”

“This was really Double Happiness, oh no, Double Happiness! Hehehe ...”

“Hearing this news, Zhao Yu felt a lot more relaxed.”

“It was said that Yakshas were powerful, but now it seemed that they were just so-so!”

“Could it be that because of the battle at the multi-millionaire’s building, he had already taken care of all the most powerful people in the Yaksha?”

“““Zhao Yu, how is it? How is it?”” Xi menna seemed to have heard something and quickly came over to ask, ““what did the higher-ups say? Does that mean I can go out again?”””

“““The higher-ups said that the situation is very tense, and it’s not appropriate for us to stay here to continue closing the case. It’s better to leave as soon as possible,”” Zhao Yu said casually.”

“““Oh ...”” Xi menna was disappointed. ““Where can we go if we leave?”” As long as the threat is not removed, we will always live in fear!”””

“““I’ve said it before, I’m here!”” Zhao Yu smiled confidently and said, ““let’s not worry about that for now. We really should celebrate tonight. Lil cui ...”” He waved at cui Lizhu and said, ““book a high-class restaurant!”” I’ll treat everyone tonight. Let’s invite Captain Shi and the rest. It’s been so many days, everyone has worked hard ...”””

“““Oh, oh ... That’s great!”” Cui Lizhu clapped her hands excitedly. ““I know there’s a very good restaurant in Kunyang. The smallest lobster and crab are more than five pounds ...”””

“““Yay!”” Ran Tao and the others immediately responded, and the office was in high spirits.”

“Tsk, more than 5 catties. If you eat lobsters and crabs that are more than 5 catties, won't you choke to death?” Zhao Yu mumbled to himself, then turned to Miao Ying and told her what Li Jing had said.”

“That's great!” Miao Ying said, “this way, we can finally relax! Don't worry, I'll apply to the criminal Division later to hand over the follow-up trial work of the three cases to the local police station to handle ...”

“Hu ...” Zhao Yu exhaled, then put his hand on miss Miao's shoulder and said, “I'm not joking this time. MeowMeow, after leaving Nanyun, I don't want to go back so early. Why don't we go to a good place nearby for a vacation?”

“How about going to Guizhou Province? I've not been to Lijiang River yet ...”

“As Zhao Yu was speaking excitedly, his phone rang again. This time, it was unknown number.”

“Seeing this, Zhao Yu had no choice but to pick up the phone in a corner.”

“Hey ...”

“After the greeting, a familiar voice came from the phone. Zhao Yu only listened for a few seconds, and his expression slowly changed.”

Chapter 2548: bonus?

“Zhao Yu, are you okay?” At the dinner party that night, Miao Ying quietly pressed Zhao Yu's arm and asked, “you don't look so good!”

“It's okay, I'm just tired.” Zhao Yu held Miao Ying's hand and said, “I'll be fine after I get some rest!”

“The phone call you answered earlier ... Was it my dad?” “Is there any new situation?” Miao Ying asked, concerned.

“No, no, it's Xiao hang!” Zhao Yu said, “he caught the Assassin's accomplice and came to me to claim credit. When I see him in a few days, I'll have to treat him to a good meal!”

“Oh ...” Miao Ying nodded, finally relieved.

“Three cases solved, three cases solved! What was this called? Unprecedented? No one else?”

“Hahaha ...” Ran Tao raised his glass and turned to Zhao Yu. “Boss, this is a toast to you. Without you, we wouldn't be where we are today. Come on, cheers!” He said.

“After that, Ran Tao drank more than half a glass of white wine in one go.”

Zhao Yu smiled faintly and immediately drank his own half glass of white wine.

“Hey, Tao,” cui Lizhu narrowed her eyes and scolded him, “are you messing around again? Can't you be more gentle? Are you trying to show off your alcohol tolerance?”

“““Yeah,”” Miao Ying said to Zhao Yu.““You’ve been working hard for so many days, just drink some to relieve your fatigue!”” It’s not good for your body to drink too much. ““ ”

“““That’s right, that’s right ...”” Guo fengzhan said from a distance,”“drinking is bad for your health, and gambling is a big waste. The old saying is right!”” ”

“At this time, Zhang Peipei, who was sitting next to Guo fengzhan, said,”“forensic Guo, I’ve learned a lot from you this time. I hope that I will have more opportunities to learn from you in the future!”” ”

“““Aiyo, you’re welcome, you’re too welcome!”” Guo fengzhan blushed.”“That’s true!”” He said. ”

“““Actually, I’m the biggest beneficiary of this case! ”

“““Through this extremely special freezing case, we have gained a lot of experience in the freezing Field. It has provided a strong scientific basis for the research of similar cases!”” ”

“““Yeah,”” Gao Facai, who had been drinking tea, said.”“I have to say, putting aside the criminal, Di Xin’s cryo-freezing technology, especially in the field of human cryonics, is really a rare genius!”” ”

“““You have to know that he froze su ruohua in the 1980s. It’s rare to see someone with such a high level of attainment at that time ... ”

“““To be honest, with today’s technology, it’s almost impossible to make the same freezing technology!”” ”

“““Wow, it’s that powerful?”” Xi menna stuck out her tongue.”“Isn’t it just throwing people into the water tank and freezing them?”” ”

“““No,”” Zhang Peipei said.”“This technique may seem simple, but it is very complicated to operate. The water will shrink when it’s hot and expand when it’s cold. The pressure of the body will cause serious deformation of the corpse. However, this did not happen in su ruohua’s case ...”” ”

“““So ...”” Wu Xiumin asked,”“now, can we be sure that su ruohua died of freezing or from cardiac shock?”” ”

“““I just want to know if teacher su was still alive when she was frozen.”” ”

“““Hmm...That’s a problem!”” Guo fengzhan shook his head and said,”“I’m afraid it will be a mystery forever! ““There are many types of heart-type shock. From our dissections, su ruohua didn’t lose all signs of life when she was frozen, but ... We can’t say that she was still alive at that time ...”” ”

“““If ...”” Zeng ke asked,”“when su ruohua’s illness acted up, Di Xin sent her to the hospital as soon as possible, then ... Could she still be saved?”” ”

“After Zeng ke asked his question, no one spoke. Obviously, no one could answer his question. ”

“““Anyway ...”” Xi menna said,”“there’s still hope, right? However, Di Xin made an alternative choice. This is really ... Sigh ...”” ”

“““By the way,”” Guo fengzhan asked,”“the other three frozen bodies are still in the autopsy room!”” We ... Um ... Haven’t unfrozen yet ... Have you found their identities?”” ”

“““I’ve found them all!”“ Upon hearing this, Captain Shi quickly said,““they are all Southern Cloud locals, all less than 20 years old. They disappeared in 2005,2010, and 2015 respectively ...”“ ”

“““I heard that ...”“ Guo fengzhan sighed and said,““all three girls look like MS. Su?”“ ”

“““Yes,”“ Miao Ying replied.““Di Xin treats them like his own children ...”“ ”

“““This guy has completely gone crazy!”“ Xi menna said indignantly,““freezing Ms. Su might be an accident, but the three girls are innocent!”“ ”

“““Um ...”“ Wu Xiumin said.““Di Xin has already explained that after he caught the three girls, he first injected drugs into them to make them unconscious, then he froze them. So ...”“ ”

Wu Xiumin couldn’t finish her sentence.

The atmosphere at the dining table also became gloomy because of these words. Everyone felt sorry for this twisted case.

“““By the way,”“ Zhao Yu was smart and immediately changed the topic. He asked Gao Facai,““old Gao, did you find anything from the seven Star hanging coffins?”“ ”

“““Why did the corpse not rot for decades when it was placed in the coffin?”“ ”

“““As far as I know, not yet,”“ Gao Facai said frankly.““But I can’t be sure!”“ ”

“““Oh?”“ Zhao Yu was surprised.““Aren’t you the one who has been studying it?”“ ”

“““Hehe, stop joking. I’m just a forensic doctor!”“ Gao Facai laughed.““The hanging coffins have long been transferred to a certain Scientific Research Department for research. As for the specific extent of the research, no one knows! ”

“““If you know, don’t forget to tell me. I’ve been thinking about it!”“ ”

“““Oh ... I understand!”“ Zhao Yu nodded and said,““this is Top Secret! It was indeed not suitable for public research ... ”

“““I didn’t expect that I, the great detective Zhao, would solve a case and even solve such an amazing high-tech Case. I’ll have to think about it later and see if you should give me some bonus or something?”“ ”

“““You can say that! Definitely!”“ Ran Tao quickly responded,““after discovering such amazing technology, our Special Investigation Group’s bonus and honor can’t be any less! ”

“““Boss, let’s report this to the central Criminal Division!”“ ”

“Hearing Ran Tao’s words, the crowd finally eased from the depression of the cold case and laughed again. ”

“““What Seven Star hanging coffins?”“ ““Can you tell me more about it?”“ Xi menna asked, holding cui Lizhu’s hand. ”

“““Oh, the seven stars hanging coffins case is a classic work of boss!”“ Cui Lizhu laughed and said,““boss, you’re so good at acting. You scared a bunch of charlatans and made them change for the better!”“ ”

“Wow, that’s awesome!” Xi menna’s eyes widened. “Quick, tell me ...”

“Do you think ...” Ran Tao said. “The seven Star hanging coffins are the work of aliens? Otherwise, how could the body not rot inside?”

“I’ve heard a little about that,” Guo fengzhan said. “I’ve come into contact with some bodies that went against the law of decay. Some people said that it might be related to an unknown magnetic field ...”

“Then ...” Cui Lizhu quickly asked, “if it’s left there for ten thousand years, will it still not spoil?”

“Yup ...”

“The crowd started to discuss, but no one noticed that Zhao Yu, who had always been high-profile, was relatively quiet.”

Zhao Yu’s face even looked gloomy ...

Chapter 2549: divine police’s might

“The next morning, a tragic cry was heard in the autopsy Center of the Kunyang police station.”

“The family members of the three frozen women came to identify the corpses. This time, it was obviously different from the past. When the family members saw the frozen Girls, their shock and sorrow could be imagined ...”

“Previously, the police had discussed whether they should let the girls meet their families after they were unfrozen.”

“However, after some discussion, they decided that this was the best way to deal with the body. As for how to deal with the body later, the police would respect the wishes of the family members and let them help ...”

“The family members had thought that they would see the corpses of their children and had already prepared for the worst. They never expected to see such a frozen situation. At first, they were all stunned!”

“It was not until they reacted that they cried in agony. The mother of one of the girls even asked the autopsy staff while lying on the ice, “My daughter ... Is my daughter still alive ...”

“Just as the family members were collecting the bodies, Zhao Yu was sitting in front of the whiteboard in his office, looking at the whiteboard that he had written down for the case.”

“Before this, it was unknown if they had discussed it or not, but Mr. Bai Fengqi and master Zhong Qiulin had each made a silk banner for Zhao Yu. One of them had the words “Swift criminal nemesis” written on it. One of them wrote “god-like police, heroic people’s hero”!

“The two pennants were quite in sync, both of which were well-written and rhyming idioms. However, although the words of thanks were short, they were both written by the two of them!”

“One must know that these two were well-known figures in today’s literary and National circles, especially master Zhong Qiulin. Many people wanted to spend a lot of money to ask for his calligraphy, but it was very difficult to get it.”

“Therefore, these two pennants were very valuable to Zhao Yu. Not only were they valuable as a collectible, but they were also a form of encouragement and recognition for him since he had started working in the criminal investigation field!”

“Originally, Zhao Yu should have thanked him in person, but because it was a special period and Zhao Yu’s identity was sensitive, he didn’t want to show his face in public. So, in the end, it was Captain Shi who conveyed his gratitude on his behalf.”

“It was said that Bai Fengqi and su ruohua’s son, Mr Bai Xiaojun, had already convinced his father. They decided to hold a funeral for teacher su ruohua after the case was closed.”

“Due to the special circumstances, the Civil Affairs Department also said that teacher su could be buried directly without cremation ...”

“Dust to dust, Zhao Yu felt that Bai Fengqi’s actions were right. He knew that Bai Fengqi did not want teacher su to be buried because he could not accept the fact that teacher su had already passed away!”

“After all, a complete, vivid, and beautiful wife had appeared in front of him just like that. It was indeed difficult for him to accept this fact.”

“After that, Mr Bai Fengqi posted a long article in his circle of friends to mourn his late wife. The last few sentences were:”

It had been 34 years since he last saw her!

“34 years, through the autumn waters!”

“[Now I see you, but you’re still within reach, but you don’t know how to speak. My heart is sad, my heart is in pain, I only hope that in the next year, we’ll cut the candles at the West window and reminisce about the new year ...]”

“In addition, master Zhong Qiulin also publicly issued a eulogy with the title “mournful mourning for my friend, Mr. Su.” His words were sincere and tearful ...”

“The frozen female corpses case was different from the other cases that Zhao Yu had dealt with before. Zhao Yu had never seen the twisted mind of the suspect, Di Xin, before.”

He had never thought that there would be such a criminal in the world!

“When he was confessing, Di Xin spoke in an orderly and logical manner. It was clear that he was a smart person. He was also an excellent technical talent and had received many awards!”

“However, it was such a person who had done such a terrible thing. It was really unimaginable.”

“Wu Xiumin had analyzed his misfortune as a child, and said that his family had little company, as well as his introverted and reclusive personality, were all the reasons for his mental imbalance.”

“Similar to previous cases, there were many “if” s in this case, and this case about the freeze also confirmed the true meaning of a liter of tears behind every crime.”

“The frost demon was captured, but the grief he left for the victims “families would never be erased ...”

It was the first time in Zhao Yu’s criminal investigation career that he had solved three cases in a row!

“Therefore, even though he said it very lightly, he was actually very proud.”

These three cases were different from ordinary cases. Each of them was shocking and full of suspense.

“Especially the imprisonment case and the freezing case. The two cases appeared inexplicably, making it impossible to start, but even so, they were solved by Zhao Yu in the end!”

“In the beginning, because the system had given him the double Gen change hexagram, Zhao Yu thought that the three cases would be related. But now, it seemed like they were just three independent cases.”

“After the double Gen hexagram ended, it still fell into a freezing period, but the freezing period was only 10 days. Today was already the fifth day, and there were still five days left before it could be lifted.”

“Zhao Yu finally realized that after the system’s latest upgrade, the freezing time seemed to have been reduced.”

“In the past, if he had gotten a new hexagram with the word “kun” in it, it would have been frozen for at least 30 days. But now, it had only been frozen for 10 days, which was obviously shorter.”

““Boss,”” cui Lizhu suddenly entered the office and handed a report to Zhao Yu.”“This is the operation report of the operations team. Please sign it!””

““Oh ...”” Zhao Yu took the reports. As they were all routine, he didn’t read them much and just signed them.”

““By the way,”” cui Lizhu said,””do you remember the murderer, Liang Chenchen, who livestreamed the murder?””

““You’re asking me that as if I only have a few minutes of memory!”” ““What’s wrong?””Zhao Yu asked.”

““Didn’t they say that she wanted to take revenge because her mother was seriously ill and her brother and brother-in-law were attacked by an internet celebrity streamer?””

““The police are raising funds ... To treat her mother!”” He said.”

““Oh...Is that so ...”” Zhao Yu remembered that Liang Chenchen’s mother was really seriously ill, so he continued to raise money.”

““Alright then!”” Zhao Yu said,””I’ll give you fifty thousand, just record it down!””

“““Fifty thousand? You ... You’re so generous!”” Cui Lizhu laughed. “““You ... Don’t you need to discuss it with sister Miao?””

“““There’s no need to discuss this, just count it as us ...”” ”

“““I really admire you,”” cui Lizhu said, giving him a thumbs up. “““I didn’t expect you to be so kind!””
Liang Chenchen is a murderer ...”” ”

“““It’s about the matter, not the person!”” Zhao Yu said, “““a murderer is still a human, not to mention that her mother is innocent!”” ”

“““En!”” Cui Lizhu nodded and turned to leave. ”

“““Hmm...Cui!”” Zhao Yu suddenly stopped her and said, “““do you have a lot of questions to ask about the assassination at the Jingjiang ancient temple?”” ”

“““No... No...”” Cui Lizhu said. “““Sister Miao told me that it’s your Secret service’s business. It has nothing to do with us. The less we know, the better ...”” ”

“““Don’t mess around, I taught you!”” Zhao Yu said, “““tell me what you know!”” ”

“““Don’t mind me. I ... What can I know?”” Cui Lizhu said, “““I only know that little Nana is not an intern. The attack that day seemed to be targeted at her!”” ”

“““Also, little Nana’s Kung Fu isn’t like our style. With that tone of hers, even if she’s not of mixed blood, she’s definitely not a native, right?””

“““Boss ...”” Cui Lizhu hesitated for a moment, then asked, “““is she really your mistress?”” ”

Chapter 2550: Special disappearance (1)

“Another day passed, and the temporary office of the Special Investigation Group in the Kunyang police station was bustling with noise and excitement. ”

“Captain Shi, on behalf of the Kunyang police station, officially took over the follow-up work of the live-stream murder case, the Xiaoyao mountain imprisonment case, and the freezing case. ”

“After Miao Ying signed the transfer procedure, she passed all the information to Captain Shi. ”

“““Thank you, thank you, Special Investigation Group, for helping us solve so many complicated cases!””
Captain Shi shook hands with Miao Ying excitedly. “““This time, we really learned a lot!”” He said. ”

“““Don’t say that,”” Miao Ying said politely. “““Without the full cooperation of the Kunyang police station, the case wouldn’t have progressed so quickly. You guys have worked hard!”” ”

“““It’s not hard, it’s not hard, it’s what I should do!”” Captain Shi said, “““detective, I didn’t expect you to leave so soon. I wanted to invite you to leave in my personal capacity! It’s a pity ...”” ”

“““It’s okay,”” cui Lizhu said. “““We’ll be back in the future!”” ”

“““Oh, that’s great, that’s great!”“ Captain Shi quickly patted his chest and said,““no matter who comes to Kunyang, oh no, to Nanyun, please remember to contact me!”“ ”

“““Let me do my part as a good host, hehehehe ...”“ ”

“““Alright, Captain Shi,”“ Miao Ying said.““We’re almost done packing. Please send us to the airport in the afternoon!”“ ”

“““Aiyo, look at what you’re saying. Of course, how can you call it trouble?”“ Captain Shi said,““sigh, our leaders have been talking about it for the past few days. Everyone wants to see the great detective Zhao’s style!”“ ”

“““It’s a pity that team leader Zhao doesn’t like the crowd, so they didn’t dare to come over and cause you trouble. It’s a pity ...”“ ”

“““Don’t say that,”“ Miao Ying said.““Because of the Jingjiang ancient temple incident, this is a special situation. It’s not that team leader Zhao doesn’t like crowds, but he has official business to attend to. He had no choice but to do so. I hope you can understand!”“ ”

“““You’re too kind!”“ Captain Shi nodded and said,““it’s my honor to know the great detective Zhao and the leaders! ““Hmm ...”“ He looked around and asked,““Where’s God Zhao?”“ I still want to take a photo with him ...”“ ”

“““What?”“ After Captain Shi said that, Miao Ying did not see Zhao Yu. She immediately looked around and said,““he was just here. Did he go to the bathroom?”“ ”

“““Oh ...”“ Captain Shi nodded.““I’ll wait, I’ll wait for him ...”“ ”

“““Little na,”“ Miao Ying asked Xi menna,““have you seen Zhao Yu?”“ ”

“““What?”“ Xi menna, who was drinking yogurt, was stunned. She looked left and right, shook her head, and said,““no? Wasn’t ... Wasn’t I with you just now?”“ ”

“““Tsk tsk ...”“ Miao Ying pouted.““This Zhao Yu, he’s always so mysterious!”“ ”

“““Maybe ...”“ Xi menna guessed,““he went to the washroom?”“ ”

“““These two days ...”“ At this time, cui Lizhu asked,““did you guys notice anything wrong with boss?”“ ”

“““What?”“ Xi menna’s eyes widened in curiosity.““What’s wrong? I think it’s quite normal?”“ ”

“““Wrong!”“ Cui Lizhu said,““if you think boss is normal, then he’s not! You still don’t understand our boss!”“ ”

“““Oh?”“ Xi menna grinned.““Are you talking in a tongue twister?”“ ”

““At this time, Zeng ke stood up and said,““I’ve booked the ticket for twoo’ clock in the afternoon!”“ ”

“““Oh.”“ Miao Ying nodded. ”

“““Sister Miao?”“ Cui Lizhu asked,““didn’t boss say that he was going to take us to Gui Zhou to see Li River? Why did he fly to the capital? The vacation ... Is ruined?”“ ”

“““No,”” Miao Ying said. “““We’ll report back to the criminal Division first, then the higher-ups will have to do a risk assessment for us. After all, after the Jing Jiang ancient temple incident, the higher-ups still have to consider our safety!”” ”

“““Speaking of the Jing Jiang ancient temple incident ...”” Cui Lizhu muttered. “““Yesterday, boss called me over and talked to me for a long time. That’s why I felt that there was something wrong with him!”” ”

“““Oh?”” Miao Ying was stunned. “““What did he say to you?”” ”

“““He ... He asked me to guess what’s going on with the Jingjiang ancient temple ...”” Cui Lizhu looked at Xi menna as she spoke. ”

“The members of the Special Investigation Group all knew that Zhao Yu and Miao Ying had two identities, so after the assassination at the Jingjiang ancient temple, everyone knew that it was secret within the Secret Service, so they didn’t ask too much. ”

“““Oh?”” Miao Ying asked, “““what did you guys talk about?”” ”

“““Actually, it’s nothing,”” cui Lizhu said. “““She asked me to guess ...”” ”

“Then, cui Lizhu saw Captain Shi. After all, Captain Shi didn’t know Zhao Yu’s background, so ... ”

“Fortunately, Captain Shi was more tactful. He immediately found an excuse and said, “““I ... I’m going to the washroom! It’s been so long since the case was solved, and I actually forgot to take a photo with detective Zhao, really ...”” ”

“With that, he turned around and left the office. ”

“““It shouldn’t be, right?”” “““Did he ask you to guess what’s going on with the Jingjiang ancient temple?”” Xi menna asked. ”

“““Yeah, that’s why I felt that there was something wrong with boss. The way he spoke ...”” Cui Lizhu said. “““It was as if he was brewing something ...”” ”

“““What did you guess, cui?”” Miao Ying asked. ”

“““I’m guessing,”” cui Lizhu said, pointing at Xi Mengna. “““At the center of the assassination, little Nana was there. At that time, the driver and the assassin on the mountain were obviously after little Nana! ”

“““So, I laid my cards on the table and said that little Nana was not an intern of the Special Investigation Group at all. She wasn’t even from our country ...”” ”

“““ ...”” After cui Lizhu said that, the scene suddenly became quiet. ”

“““Of course, I told boss,”” cui Lizhu explained. “““Your identities are all secrets, so I couldn’t just guess. But boss said ... Boss said ...”” ”

“““What did he say?”” Xi menna urged. ”

“““He said that we’re all one family!”” Cui Lizhu said, “““he won’t let any of us get hurt! ”

“““That’s a little strange, so ... I don’t think it’s right!”” ”

“Tsk tsk ...” Miao Ying mumbled to herself as she recalled Zhao Yu’s performance over the past few days. ”

“However, at this moment, her phone rang and unknown number was displayed on the screen. ”

“Hello,” Miao Ying answered the phone, “who is this?” ”

“Sister, it’s Ding Lan!” Ding Lan’s anxious voice came through the phone. “Where’s my sister and wife? Why didn’t you pick up the phone?” ”

“He ... Um ...” Miao Ying looked around, but still couldn’t see Zhao Yu, so she said, “he just left! ”

“What’s wrong, Ding Lan? did something happen?” ”

“Yes, something happened, sister!” “Three things have happened,” Ding Lan said in a low voice. “Things are not looking good!” ”

“Ah?” Miao Ying was shocked and quickly went to the corner to ask, “what’s wrong?” ”

“The first thing is that we killed two suspicious people in Qin mountain,” Ding Lan said. “They were carrying assassination weapons. We suspect that they might have wanted to harm brother-in-law’s family in Qin mountain!” ”

“The second piece of information we just confirmed is that a private vault at dagole airport was attacked, and 11 security guards were killed ...” ”
