Chapter 2561: The relationship between witchcraft and the victim

“Late at night, in the Special Investigation Group’s temporary office at the Yunzhou police station. ”

It was destined to be a sleepless night as every member of the Special Investigation Unit was busy with their own work.

“Maybe it was a habit, but even without Zhao Yu, Miao Ying still put up two white boards, which were filled with case information. ”

One of them was the red bathtub case from forty years ago.

“On the other hand, it was the recent events. ”

Tsk tsk ...

“Miao Ying stood in front of the two whiteboards, holding a cup of coffee that was no longer warm. ”

“Her eyes were like lightning as she stared at the case information, her mind carefully analyzing something ... ”

“At that moment, Miao Ying’s feeling could only be described with one word, and that was “”strange!””

“After comparing the Old and New cases, she felt that the two cases were too similar! ”

“So far, apart from the different identities of the deceased, there seemed to be no other similarities and differences ... ”

“The two cases, the modus operandi, the location, and the modus operandi were almost the same. Even the appearance of the two victims was extremely similar! ”

Tsk tsk ...

“Miao Ying sighed again. She had a faint feeling that this case was not just a simple imitation. If it was not the murderer himself, then he must have known a lot about the red bathtub case! ”

“Of course, it was impossible for the murderer to commit the crime himself. At that time, the police had already caught the murderer Peter, and Peter had already died of a sudden illness! ”

So ...

“Thinking of this, Miao Ying had a slightly absurd idea flash through her mind. ”

“””Could it be that ... Peter has apprentices?”” ”

No way?

“She looked at the place where Peter’s information was written. According to the records, the police had found strange witchcraft supplies in Peter’s house. According to the research, those witchcraft supplies should have come from Africa. ”

“Among them, there were human bones, animal bones, black charcoal, white candles, and so on. In addition, some very special art pieces were found in his house, which were also from Africa! ”

“However, the British side later confirmed that Peter had never been to Africa before. Those witchcraft products and works of art were most likely gifts from his friends, or he had bought them from somewhere ... ”

“Due to Peter’s sudden death, there was no way to verify the purpose of these witchcraft items. ”

“Miao Ying had done some research on the internet before, and it seemed that someone had tried to investigate Peter’s motive for killing, but in the end, they had all been fruitless. ”

“Moreover, there were all kinds of comments on the internet, and the credibility was very low. ”

Some people said that Peter had PTSD because he was a soldier and had been on the battlefield.

Some said that he was a heathen and wanted to use those women as sacrifices.

Some people said that he was under the witchcraft of the African people and that killing people was not his intention;

The most outrageous thing was that some people said that Peter was the descendant of Jack the Ripper ...

“““Sister Miao,”” cui Lizhu said as she came over to Miao Ying with a document in her hand.””“Why do I feel like you’re more interested in the old case from forty years ago than the current one?”” ”

“““Could it be that you’ve inherited the boss’s fine tradition of questioning the authenticity of the case that year?”” ”

“““Ha ...”” Miao Ying smiled and nodded.””“Yes, I don’t think Peter was the real murderer. Someone else was!”” ”

“““Ah?”” Cui Lizhu’s eyes were wide open. She was about to express her feelings, but when she saw the playful smile on Miao Ying’s face, she realized that team leader Miao was just joking with her! ”

“““Yes, you’re right. I even feel that Peter might have accomplices! He’s an English man, how could he use African witchcraft?”” Cui Lizhu took the opportunity to ramble on, then handed the information in her hand to Miao Ying.””“This is the detailed information of the victims that I just sorted out. Take a look ...”” ”

“““Oh ...”” Miao Ying took the information, opened it, and asked,””“how is it? did you find anything unusual?”” ”

“““Yes,”” cui Lizhu said frankly.””“The victim, Zhang Qile, has a very obvious characteristic. She is the kind of gold digger that you often see in Short Video!”” ”

“““Gold digger?”” Miao Ying’s eyes widened in surprise. ”

““““Yes, everything is about money. For money, she can lower her bottom line, even without a bottom line ...”” Cui Lizhu said rudely.””Her fame was built with money, but it wasn’t her own money, nor was it a bank loan. It was all funded by her male friends! ”

““““She didn’t spend a single cent on her gallery either! ”

““““It’s worth mentioning that she’s different from those Cheap Prostitutes. She’s an artist, and she uses her soul and temperament to deal with these rich and powerful male friends. That’s called playing with elegance!”” ”

““““Oh ...”” Miao Ying glanced at the information.””If that’s the case, then this case ... Is also a highly restored red bath tank case from forty years ago!”” ”

““““It’s possible, I think so too. Although it sounds good, it doesn’t make much of a difference,”” cui Lizhu said.””If that’s the case, we have to worry that the murderer might not have a direct relationship with the victim! ”

““““If you don’t have any connections, this case will be difficult to investigate!”” ”

Oh ...

“Miao Ying thought about it for a moment and felt that cui Lizhu was right, because the people that Peter had killed were all women he had met by chance. They had no connection with each other, and there was no love killing or revenge. ”

“If the murderer was also imitating Peter and randomly looking for targets, then the difficulty of this case would be greatly increased! ”

““““She’s just Master Chen Jinghua’s apprentice in name. I guess he paid for her,”” cui Lizhu said.””Well, I plan to send someone to verify it with Master Chen tomorrow ...”” ”

““““And,”” cui Lizhu continued,””her savings have reached seven figures, but she is very stingy with her family. When her mother had the surgery, she didn’t pay a single cent, so her relationship with her family is very tense!”” ”

““““In addition, her interpersonal relationships are destined to be more complicated than ordinary people,”” cui Lizhu said.””This woman’s main focus is ambiguous relationships. She doesn’t have a boyfriend, fiancé, or husband, but she has countless male friends ... ”

““““It’s a blur in my circle of friends! ”

““““So, if we want to find suspicious people, we have to sort them out slowly ...”” ”

““““Alright!”” Miao Ying said,””arrange your work reasonably. It’s too late, so go and rest! I’ll be even busier tomorrow ...”” ”

““““I know,”” cui Lizhu said with a smile.””You too. Tao and I have the same feeling. This case looks creepy, but it shouldn’t be hard to solve. Don’t tire yourself out ...”” ”

“After that, cui Lizhu said good night to Zeng ke and the others, then turned and left the office. ”

“After Cui Lizhu left, Miao Ying flipped through the victim’s information and began to read it carefully. At the same time, she didn’t forget to add important information on the whiteboard.”

Hu ...

“As she was adding the information, she took a closer look at the photo of the victim, Zhang Qile.”

“Then, she took the photo to another whiteboard and compared it with the first victim from forty years ago.”

They were ... Too similar!

“She carefully compared the two photos. Although the photo from 40 years ago was black and white, there was almost no difference in Zhang Qile’s body shape and appearance.”

No way?

Could it be ...

“Miao Ying couldn’t help but think, “are the two victims related?””

Chapter 2562: Iron chains (2)

“In the cargo ship’s Black prison, Zhao Yu cursed in his heart. He wanted to punch this silly and brainless skinny man.”

““Get lost!”” Zhao Yu took the axe from his hand and shouted, “it’s fine if you cut off his hands, but if you cut off his legs, how can he walk? Do you want to carry him out?””

““Oh ...”” The Thin Man suddenly realized and opened his mouth to say something, but he was scolded by Zhao Yu, “get lost!””

“At that moment, intense gunshots were heard from the corridor again. It was clear that the battle between the prisoners and the guards had entered a state of white heat, and the prisoners were ready to charge ...”

“Zhao Yu knew that the longer this dragged on, the worse it would be for him!”

“His top priority was to bring Lee Bencheng out as soon as possible, but Lee Bencheng’s condition was not right, and he was still chained up, this was ...”

“Helplessly, Zhao Yu had to use his last two universal lock picks to untie the chains on Lee Bencheng’s right hand and right leg.”

“Now, only the chain on his left foot was left!”

Tsk tsk ...

“In just ten seconds, dozens of ideas flashed through Zhao Yu’s mind, but none of them were easy to solve.”

“At first, he tried to use a bone-shrinking divine weapon on li Bencheng, but the system notification said that the chain was too tight, and the bone-shrinking divine weapon was ineffective ...”

Bang ... Bang ... Bang ...

“At this time, the corridor was filled with gunshots. The prisoners knew that time was precious, so they concentrated their strength and launched a general attack on the gate.”

The guards outside the door seemed to be unable to stop them. The prisoners charged out easily without any casualties!

““Hey!”” At this time, The Thin Man was quite loyal. He stood at the door and called out to Zhao Yu, “let’s go!” We won’t be able to leave if we’re late, eh?””

“As he spoke, he suddenly realized that Zhao Yu had already unlocked three of the chains. He immediately said in shock, ““You ... Don’t you know how to pick locks?””

““I really can’t open the last one!”” Zhao Yu said helplessly. He immediately picked up the axe and chopped at the last chain.”

“However, the iron chain was quite thick and strong, and he could not cut it at all!”

““I’ve said it before, you can only cut the hook!”” The Thin Man suggested again, “he only has one leg left now. If it doesn’t work, just cut off his leg!””

““You can at least walk on one leg, right?””

““Don’t scare me!”” Zhao Yu was still thinking quickly. He added an invisible blade opener to the axe and cut at the iron chain again.”

“However, after the sharp axe hit the iron chain, not only did it not break the iron chain, but the axe even broke!”

““How is it? I said no, right?”” The Thin Man shook his head. ““If it doesn’t work, then just give up!”” If he didn’t leave now, it would really be too late!”

““You should know whose ship this is, right? I bet the entire ship will be surrounded by the Army in five minutes ...””

“Zhao Yu ignored him, but he had learned his lesson. He went to the hook and tried to cut it!”

Thump!

“After the axe hit the hook, it loosened a little. However, this was not the effect of the knife. In fact, the hook did not move. Only the part of the hook that was inserted into the wall loosened!”

Oh ...

“Zhao Yu quickly realized that it wasn’t a matter of sharpness, but the strength.”

“Hence, he quickly activated an energy booster and swung his axe at the hook again!”

“This time, with a thump, the hook finally fell off the wall ...”

“““Hmph!”” After Lee Bencheng saw this, he snorted out of habit and wanted to sit on the ground. ”

Zhao Yu suddenly came over and held him as they ran out!

“““Ah ...”” ”

“However, Lee Bencheng seemed to be shocked. He immediately grabbed Zhao Yu and used an ingenious cross-fall action, which easily tripped Zhao Yu to the ground. ”

Thump!

Zhao Yu fell heavily on the ground and cursed in pain.

“““Waya!”” ”

“Then, Lee Bencheng also fell to the ground, looking like he wanted to fight Zhao Yu to the death. ”

“““F * ck, it’s me!”” ”

“Zhao Yu quickly shouted, and at the same time, he hugged li Bencheng with both hands and rolled on the ground with him! ”

“Fortunately, Zhao Yu had used an energy booster, which gave him an absolute advantage in terms of strength. He quickly pressed Lee Bencheng to the ground, making him unable to move. ”

“Then, Zhao Yu slapped Lee Bencheng’s face, giving him a loud slap! ”

Pa ...

“After the slap, Lee Bencheng immediately shriveled up. He quickly covered his face with his hands and no longer dared to resist. ”

“““F * ck! Did they give you any drugs? Are you not going to recognize your family anymore? I’m The Godfather of your son ...”” ”

“After that, Zhao Yu quickly got up from the ground and dragged Lee Bencheng out of the cell. ”

“However, Lee Bencheng’s left foot was tied to a chain. When he went out, the chain clattered behind him, and he was really dragging him down ... ”

“When the two of them got out of the prison, gunshots were heard outside. It was obvious that the prisoners had already started fighting with the guards on the cargo ship. ”

“Before he went out, he saw bullets flying outside the door. ”

“““Hey!”” Suddenly, the short man from before appeared out of nowhere. He patted Zhao Yu on the shoulder and asked,““bro, do you have a cell phone?”” ”

“““Mm ...”” Zhao Yu glared at him, not knowing what he meant. ”

“““Look ...”” The Thin Man pointed outside and said,““we’ve been dragging this out for so long. According to my experience, we can’t get out at all. The entire dock is theirs. We have no chance at all!”” ”

Oh?

Zhao Yu finally realized that The Thin Man was not as stupid as he looked. He was not stupid enough to rush out and fight for his life.

““So,”” the skinny man stretched out his hand and said,“let me make a phone call. This is our only chance! If you really want to leave this place alive, then follow me ...”” ”

““This ...”” ”

“Zhao Yu thought about it for a moment, and felt that this was a good opportunity, so he handed the phone to him. ”

““That’s great! ““Brother, you’re such a good person,”” The Thin Man said.““I’ll definitely repay you when we get out of here!”” ”

“With that, he quickly ran to the side to make a call. ”

“However, Zhao Yu didn’t have much hope, because this guy had just wanted to extort 100000 US dollars from him! ”

Such a calculative person shouldn’t be a Big Shot.

“Therefore, he had to rely on himself if he wanted to get out! ”

“Just now, after Zhao Yu saw that li Bencheng was not in his right mind and had attacked him, he thought that he should use an invisible antidote to wake li Bencheng up. ”

“However, judging from the current situation, it was better not to let him recover first. If he was really surrounded later, he could use an invisibility cloak or an aircraft or something. ”

“Obviously, it was not a bad thing for li Bencheng to be delirious. ”

“At this time, he saw that the gunshots outside had weakened, and he quickly pulled Lee Bencheng to the door. Just in case, he strengthened two invisible bullet proof suits for himself and Lee Bencheng. ”

““Okay!”” At this time, The Thin Man came up from behind again. He returned the phone to Zhao Yu and said to the two of them,“there will be a helicopter picking us up in five minutes. We must go to the deck now!”” ”

“After saying that, he strode out of the metal door and ran into the cabin! ”

“Seeing this, Zhao Yu knew that he couldn’t miss such a good opportunity, so he immediately followed The Thin Man and rushed out. ”

Chapter 2563: The meticulous murderer

“The next morning, at the Yunzhou police station. ”

“Miao Ying was on the phone with her sister, Ding Lan. ”

“““Don’t worry, sis, Xi menna is fine,”” Ding Lan said.”“I can’t tell you her exact location, nor can I let you talk to her, but don’t worry, she’s safe and in good spirits!”” ”

“““I’m not worried about that. I’m worried ...”” Miao Ying hesitated. ”

“““I know,”” Ding Lan promised.”“Secret services will never compromise with the enemy. Handing over Chi Mengna is not an option!”” ”

“““Our people are trying to get in touch with the enemy and negotiate with them. You can focus on your case!”” ”

“““Then ...”” Miao Ying wanted to say something for the second time but stopped. ”

“““No...”” Ding Lan was understanding for the second time.”“There’s no news of Zhao Yu yet. No news is good news. I believe in brother-in-law’s ability. He’ll be fine!”” ”

“““Hmm ... Alright!”” ”

“After hanging up the phone, Miao Ying was disappointed. How could she not miss Zhao Yu? ”

She turned on her phone and wanted to see if there were any messages from Zhao Yu in the email that she had secretly contacted him before.

“However, before he could turn on his phone, Zeng ke had already come to his side. ”

“““Sister Miao,”” Zeng ke reported, holding the information.”“I’ve finished investigating the victims you asked me to. The name of the victim from forty years ago was ruhua. I only know that she was 25 years old when she was killed, and that she was from Fu Lai. I don’t know anything else!”” ”

“““Wow!”” Cui Lizhu exclaimed,”“ruhua? This name ...”” ”

“““Cui,”” Zeng ke said seriously,”“there was no Tang Bo Hu lighting autumn fragrance forty years ago! Don’t get it mixed up ...”” ”

“““No real information?”” Miao Ying was surprised. ”

“““Yes.”” Zeng ke nodded.”“So far, we haven’t found out the identity of the first victim. We only know that she worked in the Donghai dance club.”” ”

“““There were many people like her back then. The police put up a missing person notice and sent people to Fu Lai to look for her, but they didn’t find anything ...”” ”

“““I can’t believe it,”” Miao Ying said.”“Then, can we still get her DNA? Can we ...”” ”

“““No...”” Zeng ke shook his head.”“The case has already been closed. I can only go and look for the original evidence and see if the evidence Department can find anything else ...”” ”

“““Sister Miao,”” cui Lizhu asked,”“do you suspect that Zhang Qile was related to the first victim?”” ”

“““They look so similar!”” Miao Ying said, nodding. ”

“““I ...”” Zeng ke said.”“How about this? I’ll send someone to investigate Zhang Qile and see if there are any missing people among her relatives.”” ”

“““Sister Miao,”” cui Lizhu said. ““I don’t think it’s necessary. Didn’t you notice that it wasn’t just Zhang Qile and the first victim, but all the other victims looked the same? ”

“““This case might be the same as the he yang diary of murder case. The murderer must have some kind of complex, so the targets he found all looked similar?”” ”

“““Yes, it’s possible, but ...”” Miao Ying said. ““I still think that the red bathtub case was handled too hastily! ”

“““The identity of the deceased is not clear, and the murder weapon has not been found. Peter admitted that he was the murderer, but he didn’t explain the details ...”” ”

“““It seems that you still think that the new case is related to the old case, right?”” cui Lizhu asked. ”

“““Team leader ...”” ”

“““Team leader ...”” ”

“While they were talking, Zhang Peipei and ran Tao entered the office at the same time. ”

“However, Ran Tao didn’t rush to report, but went to the water dispenser to get a glass of water. ”

“““The murderer was very careful. There were no fingerprints or any information left at the scene,”” Zhang Peipei reported to Miao Ying. ““We searched both the inside and outside of Chenyang residence, but did not find any suspicious footprints ...”” ”

“““Well, it seems that the murderer has done his homework!”” Miao Ying asked, ““so, what’s the autopsy report?”” ”

“““No problem!”” Zhang Peipei said, ““the cause of death was excessive blood loss. The deceased was injected with sedatives before he died.”” ”

“““Moreover, from the ratio of the drugs and the injection method, the murderer is more professional. He either has a related profession or has done his homework!”” ”

“““We ...”” Cui Lizhu blinked her big eyes and asked, ““should we look for any of Zhang Qile’s friends who are doing similar jobs?”” ”

“““Then ...”” Miao Ying asked a key question, ““the previous report said that the deceased was not violated?”” ”

“““Yes, I am!”” Zhang Peipei nodded and replied, ““I checked it again carefully. There are no traces of violation!”” ”

“““That is to say ...”” Miao Ying said. ““The murderer might not necessarily be a male?”” ”

“““Sister Miao,”” cui Lizhu quickly added, ““in the red bathtub case, Peter also didn’t assault any victims. I think it’s more likely that it’s a man. At least ... They need to carry her up to the third floor. How can they do it without some strength?”” ”

“““Peipei,”” Miao Ying asked again, ““did you find anything else?”” ”

“““I compared the victim’s wound,”” Zhang Peipei said.”““I found that the incision of the wound was very similar to that of forty years ago. Whether it was the depth or the length, it was very consistent ...”” ”

“““Well ...”” Cui Lizhu pouted.”““What sister Miao said last night came true. Peter was just a scapegoat. The real murderer was someone else!”” ”

“““Cui, don’t talk nonsense!”” Miao Ying said,”““it seems that if it was just one person who had seen the crime scene, it would be impossible to be so accurate. So, we should start from those who have seen the file!”” ”

“““I thought about it for a long time yesterday,”” Miao Ying said.”““The two cases were 40 years apart. There must be some unknown why the murderer chose to imitate the crime. ”

“““So, we have to do a thorough investigation on the people who can get close to the file and who have been through recent changes ...”” ”

“““Of course, only the police officers can get close to the file!”” Cui Lizhu pouted and said,”““how about this? I’ll talk to Captain Shao and see if we can investigate this matter ...”” ”

“““Mm, go do it!”” Miao Ying agreed, then turned to ask Ran Tao,”““how is it, Tao? Any progress on your side?”” ”

“Ran Tao smiled bitterly.”““If there was any progress, how could I have let you guys discuss it for so long?
”

“““From yesterday until now, we’ve almost checked every surveillance camera near Chenyang residence, but we didn’t find anything suspicious. ”

“““I think we should celebrate. We’ve met another murderer as meticulous as han sai!”” ”

“““That’s impossible, right?”” Cui Lizhu asked,”““the murderer must have had a car to bring the people there, right? It’s the middle of the night, so no matter which intersection we pass by, we should be able to leave a trace, right?”” ”

“““As for cars, we did manage to capture a lot of them, but the surveillance team is still screening them one by one,”” Ran Tao said.”““But, we haven’t found any suspicious vehicles. I even suspect that the murderer lives in the alley behind Chenyang residence!”” ”

“““You don’t say!”” Cui Lizhu’s eyes widened.”““It’s not impossible!”” ”

“““Regardless,”” Ran Tao said,”““Captain Shao has already sent people to check every house. I don’t think there is much hope ...”” ”

“““Yes,”” Miao Ying suggested.”““We’ll screen the people who are related to Zhang Qile to see if there are any people living in that area!”” ”

“““Okay, leave it to me, sister Miao.”” Zeng ke snapped his fingers from a distance.”““We’re already counting Zhang Qile’s interpersonal relationships, and it will be done soon!”” He said. ”

“““Alright!”” After Miao Ying agreed, she turned to Ran Tao and said,”““brother Tao, if you’re free, come with me!”” ”

“““Oh,”” Ran Tao nodded, then asked, “““where are we going?”” ”

“““We ...”” Miao Ying pondered for a moment before she replied, “““we’ll go to Zhang Qile’s gallery. If we can’t find out how the murderer was transported to Chenyang residence, we’ll start investigating from how she was kidnapped ...”” ”

Chapter 2564: Chapter 2558-chains (2)

“““Ah ...”””

A scream came from the cabin of the cargo ship. A guard fell from the sky and landed on the ground.

Tap tap tap tap ...

Gunshots rang out in the cabin. The prisoners who had just escaped from the black dungeon were all skilled and accurate. They quickly suppressed the guards’ firepower and shot them all over the place.

“Seeing that the prisoners were winning one victory after another, Zhao Yu wanted to follow them.”

“But at this moment, The Thin Man pulled him and Lee Bencheng back.”

“““Hey, haven’t you heard of the saying”” following the wind means death “““?””” The Thin Man looked at the prisoners and said, “““can’t you tell? They want to rush out from the main entrance, so we can use them to attract their firepower!”””

Oh ...

“Zhao Yu then remembered that The Thin Man had contacted the plane, so they should be on the deck.”

“““My name is Tony, not Tony Stark.”” The Thin Man suddenly introduced himself.”” Nice to meet you!”””

“Then, he looked at Zhao Yu curiously, meaning that it was Zhao Yu’s turn to introduce himself.”

“““My name is awesome,”” Zhao Yu said casually.”” Nice to meet you!”””

“““Awesome?”” Tony repeated the sentence awkwardly, “““this name sounds very special ... Hmm ... Who do you work for?”” Can you give me a business card?”””

“““Phew ...”” Zhao Yu panted heavily and suppressed his anger.”” Are we going to talk about this after we get out of here alive?”””

“““Oh ... Okay, okay ... Um ...”” He looked around and said with uncertainty, “““the deck ... Where is the deck?”””

“““Alright,”” Zhao Yu said immediately, “““follow me!”””

“After saying that, he walked toward the deck according to the route he took when he came.”

“However, after taking two steps, li Bencheng stumbled. It turned out that the chain on his feet was stuck on the railing.”

“”I’ve already said that these chains are too much of a hindrance!”” The skinny Tony shook his head helplessly.”

“Zhao Yu had no choice but to take a few steps back, remove the iron chain from the railing, and then coil the heavy iron chain up. He then ran upstairs with Lee Bencheng again.”

“Fortunately, Zhao Yu had the energy booster with him. Although the chains were heavy, it wasn’t too difficult.”

“Just as Zhao Yu and the other two were looking for the deck, the other prisoners had already rushed to the door of the cargo ship.”

“There were guards at the door, but they were no match for the prisoners. The prisoners quickly occupied the door and subdued one of the guards.”

“Then, under the threats of the prisoners, the guard shivered as he used his pass to identify the door. He then pressed the button and opened the door!”

“Seeing the hatch open, the prisoners all saw hope and their faces were filled with joy.”

“However, this joy didn’t last long. As the cabin doors all opened, they were all dumbfounded.”

The lights outside the cabin were blinding. More than ten armed men with heavy weapons appeared!

“”What the f * ck ...””

“While the prisoners were in shock, gunshots were fired from outside.”

“Tut, tut, tut ...”

“Tut, tut, tut ...”

“A wave of violent bullets shot over, and the prisoners standing at the door were instantly swept to the ground, their screams endless!”

“Hearing the intense gunshots and shrill screams, Zhao Yu and the other two stopped and looked down.”

“”How is it?”” Tony swallowed and said proudly, “”what did I say? I’ll die if I follow the wind, right?””

“”Hurry up!”” Zhao Yu pulled Lee Bencheng and continued to run up the stairs. At the same time, he said to Tony, “”I hope your plane will arrive on time!””

“”Don’t worry!”” Tony said, “”I’m a ruthless character! They wouldn’t dare to not come to pick me up ...””

“Just as Tony finished his sentence, a light suddenly flashed in the darkness of the stairs.”

“Zhao Yu’s eyes and hands were quick, and he had already seen clearly that there was a guard hiding there. He was about to shoot!”

“From the direction of the gun, the guard was aiming at Tony.”

“”Ah?””

Zhao Yu didn't think much and immediately kicked Tony down the stairs.

Bang! Bang!

“A gunshot rang out. The bullet did not hit Tony, but directly hit Lee Bencheng's body.”

“”Ah!”” Lee Bencheng screamed like a madman and immediately fell to the ground, motionless.”

Zhao Yu quickly raised his gun and fired at the security guard.

Bang Bang Bang ...

“After a round of random firing, the guard groaned in pain and rolled down the stairs.”

“”You ...”” Tony was scared out of his wits, thinking that Zhao Yu and Lee Bencheng were dead for sure. But when he turned around, he was shocked to see that Zhao Yu had helped Lee Bencheng up again, and continued to run up the stairs.”

“”Oh my God,”” Tony exclaimed.””You two are so lucky!””

“Then, he quickly caught up with Zhao Yu and ran towards the deck.”

“However, to their surprise, most of the guards, who had retreated to the deck, immediately raised their guns and shot at Zhao Yu when they saw him rushing up.”

“Zhao Yu couldn't care less. While the invisible bullet proof suit was still working, he rushed towards the crowd and shot at them!”

“”F * ck, F * ck, F * ck ...””

“As the bullets flew, Tony was both angry and shocked. He had never seen such a fierce person before. He wanted to help, but he couldn't get out of the rain of bullets. He could only lean against the wall of the stairwell and draw a cross in front of his chest.”

Bang Bang Bang ...

Bang Bang Bang ...

“Not to mention Tony, even the guards had never seen such a fierce attack. They thought that they had the advantage in numbers, and that Zhao Yu and Lee Bencheng were just courting death. But after shooting randomly, they were surprised to find that only their own people were falling, but Zhao Yu and Lee Bencheng were still standing!”

Crack ...

Crack ...

“However, there was a limited number of bullets. After killing a few guards, Zhao Yu ran out of bullets!”

“At this time, there were only four or five guards left. These four or five people saw an opportunity and shot at Zhao Yu and Li Bencheng again. They quickly ran out of bullets!”

“However, Zhao Yu and Lee Bencheng still didn’t show any signs of being shot. The two of them rushed forward and in the blink of an eye, they were in front of the enemy!”

The gunfight quickly turned into a melee. Zhao Yu flipped his rifle and shot one of the guards!

“As he had the energy booster, the enemy spat out blood and died on the spot. The rifle was also smashed into pieces ...”

“The other guards were stunned for a second, but the two armies could not care less. The remaining few people rushed towards Zhao Yu and Lee Bencheng, and the two sides fought.”

“Zhao Yu’s strength was violent, and he was fearless. He quickly knocked down another one. However, the deranged Lee Bencheng was different. He was pushed to the ground by two guards and was in danger.”

“In a moment of desperation, Zhao Yu grabbed the iron chain on Lee Bencheng’s feet and swung it hard, causing one of the enemies to vomit blood.”

“After that, he wrapped the chain around another person’s neck and pulled with both hands. The man rolled his eyes.”

“There was only one enemy left in front of him. Zhao Yu put the chain around his neck, and the man reached out to grab it. After a few tries, he pulled the chain and jumped over the railing, then jumped off the platform!”

F * ck!

“As the chain tightened, Lee Bencheng instantly slid to the side of the railing ...”

“Zhao Yu’s eyes widened, and he leaped forward, grabbing both of Lee Bencheng’s hands.”

“Just then, the man who had been hit by the iron chain and vomited blood stood up from the ground again. He pulled out a dagger and stabbed it at Zhao Yu fiercely.”

“At the same time, there was a sudden roar on the deck. It was obviously a helicopter ...”

“In the next second, accidents kept happening!”

“First, Tony saw an opportunity and rushed out of the stairwell, shooting the enemy in the head.”

“Then, he rushed to the railing and shot down, killing the enemy who jumped off the building with the chain.”

“Then, Zhao Yu felt his arm become lighter, and he pulled Lee Bencheng back from the railing ...”

“After that, a fire erupted outside the deck. The helicopter had exploded, and the wreckage crashed onto the deck ...”

Chapter 2565: Chapter 2560-whereabouts

“Yunzhou city, Ximei gallery.”

““It’s too sudden,”” Zhang Qile’s assistant, Xiao Qi, said sadly.””Teacher Zhang has an art exhibition next month! And they’ve even invited a lot of foreign guests ...”” ”

Xiao Qi was a girl wearing black-rimmed glasses and dressed conservatively.

““Does Zhang Qile live in the gallery?”” Miao Ying looked at the paintings in the room and asked the assistant. ”

““Yes, I am!”” Xiaoqi quickly replied,””teacher Zhang likes to be free and unrestrained, so he designed a small apartment for himself on the second floor of the gallery. It’s not big, but it’s very modern. I ... I can take you there to see ...”” ”

““Then ...”” Miao Ying asked again,””when did you find out that you had lost contact with Zhang Qile?”” ”

““It was ... About a week ago?”” Xiaoqi recalled,””about seven or eight days ago. I called her, but she didn’t pick up. Her phone was turned off!”” ”

““Oh ...”” ”

“Miao Ying calculated the date, which was two or three days before the incident, which was consistent with the time of disappearance that the police had so far. ”

“Perhaps, after the murderer kidnapped Zhang Qile, he didn’t kill her immediately, but imprisoned her for one or two days. ”

““In the past, Mr. Zhang used to be like this,”” Xiaoqi said.””We were still having dinner together tonight, and we’ll be in Vienna tomorrow ...”” ”

““That’s why I wasn’t in a hurry when I switched off my phone. I thought she was still on the plane ...”” ”

““Xiaoqi ...”” Miao Ying looked around and whispered,””we’re here today to find out the truth and catch the murderer of teacher Zhang. Do you understand?”” ”

““This ...”” Little Qi was stunned. She bit her lip and nodded. ”

““So,”” Miao Ying said, her eyes sharp.””You have to tell us everything you know about Zhang Qile. You can’t hold anything back!”” ”

““I ... I know.”” Xiao Qi quickly nodded.””I’ve already been to the police station twice. I ... I didn’t dare to hide anything, right? I’ve told you everything I know!”” ”

““Out of all of Zhang Qile’s male friends, which one do you like the most?”” Miao Ying asked. ”

““This ... That’s hard to say!”” Xiaoqi’s forehead was covered in sweat.””I ... I’m only teacher Zhang’s assistant. I ... I’ve never asked about her private life. She wouldn’t tell me either ...”” ”

“““I’m talking about my feelings!”” Miao Ying asked,“““which one do you think Mr. Zhang likes the most?”” ”

“““Well ... Zhang Chun, and ... And Liu Xilin. These two seem to be good, right?”” Xiaoqi said,“““these two are rich second generations. One is unmarried and the other is single. I feel that teacher Zhang likes these two more. Once again, I saw Zhang Chun spend the night with teacher Zhang at the gallery ...”” ”

Oh ...

“Miao Ying had already read the information. Zhang Chun and Liu Xilin were indeed well-known local second generation nouveau riche, and they were also one of the people who invested the most in Zhang Qile gallery. ”

“““Then ...”” Miao Ying asked again,“““have you heard of any rumors outside? For example, who has your teacher Zhang hurt before? Or have you done anything bad to someone?”” ”

“““This ...”” Little Qi was troubled. ”

“““It’s okay, just say whatever you want to say,”” Miao Ying said.“““We’ll keep your secret!”” ”

“““This ...”” Xiao Qi hesitated for a moment, then said,“““I think you’ve asked so many people, so you should know, right? ”

“““Teacher Zhang is quite a carefree person. He’s quite open when it comes to relationships between men and women ... ”

“““Of course there’s a lot of gossip about her, but teacher Zhang has never cared. ”

“““She, well ... She really values money and advocates that money is the most important thing. Sometimes, she’s a little stingy and her relationship with her family is very stiff ... ”

“““But she’s actually quite a nice person. She takes care of us who work here and never gets angry ...”” ”

“““I feel that he didn’t get together with his male friends to lie to them. It was all voluntary, so ... He shouldn’t have offended anyone, right?”” ”

“““Is that so?”” Miao Ying asked again,“““are all those men really that generous? You’ve never been jealous or argued with Zhang Qile?”” ”

“““An argument ... Huh ...”” Xiaoqi took a long time to calm herself down, then mumbled,“““at the end of last year, a man did have an argument with teacher Zhang. At the time, the gallery was still under renovation, and teacher Zhang lived in Xinshan. ”

“““There was one time when I went to her house with teacher Zhang to get something. I saw that teacher Zhang’s face was swollen, so I asked her what was going on, but she didn’t say ... ”

“““I only found out later that she was beaten up by a man. That man is a real estate developer and used to be very rich. He had a good time with teacher Zhang and even invested quite a bit of money into him! ”

“““But later on, he was in a financial crisis. He probably wanted to borrow some money from teacher Zhang, but teacher Zhang didn’t lend it to him, so he was beaten up by him!”” ”

""Oh?"" "

"At Miao Ying's signal, Wu Xiumin quickly jotted down the information in her notebook. "

""What's the name of that man?"" Miao Ying asked. "

""I don't know,"" Xiaoqi said.""But I can help you ask. My former colleagues know more about it!"" "

""Okay ..."" Miao Ying nodded, then looked at the painting on the wall. "

"These paintings were all realistic oil paintings. Although she didn't dare to compliment Zhang Qile's character, she had to admit that these paintings were of a very high standard. "

"From this, it could be seen that Zhang Qile had a certain level of attainment in painting. "

""Is there any surveillance in the gallery?"" Miao Ying asked again. "

""Yes,"" Xiaoqi quickly said.""The police have already made a copy of the surveillance footage! There's one at the main entrance and inside the gallery ..."" "

""Yes,"" a local police officer behind Miao Ying said.""We've checked the surveillance camera and found that Zhang Qile didn't return to the gallery before the incident. She must have been kidnapped somewhere else!"" "

""Teacher Zhang's car is parked in the parking lot behind,"" Xiaoqi added.""Did she go on a long journey?"" "

""The gallery is facing the street,"" Miao Ying said.""The parking lot is a public parking lot behind the street. After parking, Zhang Qile needs to go through the alley next to the gallery! "

""If I were the murderer, I would have chosen to start from the alley!"" "

""Then ..."" Ran Tao thought for a moment, then asked, ""I'll check the parking lot."" Let's see when she parked her car in the parking lot. "" "

""But ..."" Miao Ying guessed, ""they caught and kidnapped her, so they needed other means of transportation. The street outside the gallery was under surveillance, so ..."" "

""He can only return to the parking lot?"" Ran Tao was confused. "

""Or ..."" Wu Xiumin suddenly had an idea.""Countless experiences tell us that sometimes tricycles will become a more covert means of transportation, so ..."" "

""We need to check all the surveillance cameras in the area,"" Miao Ying said.""We also need to track Zhang Qile's car to see when she went to the parking lot, and where she went before she went."" "

Chapter 2566: Chapter 2560-flying into the sky and entering the sea

The violent impact caused the ship to shake violently!

“The chandelier shattered, the lightning flashed, and a lot of debris fell from the roof. The thin Tony was so scared that he quickly fell to the ground.”

Zhao Yu protected Lee Bencheng and they both slid to the railing.

“““Zhi button ...”” ”

“With a loud tearing sound, the wreckage of the helicopter hit the cabin door and deformed it. There was also a huge propeller that pierced through the cabin and sharp fan blades ... ”

“Looking at the deck outside the cabin door, it was already in a mess.”

“““Aiyaya ...”” Tony lay on the ground and cried,““my plane, they...They actually blew it up ...”” ”

Fine ...

Zhao Yu’s heart went cold. He had not expected the disaster to come so suddenly.

“““It’s okay,”” Zhao Yu said, handing him his mobile phone.““You can continue to call and send another one over!”” ”

“““You ...”” Tony pushed Zhao Yu’s mobile phone away and said dejectedly,““do you think my family runs an Aircraft Factory? Mr. Badass?”” ”

“““Alright ...”” ”

“Zhao Yu put away his phone and thought to himself,““I’ll have to wait for my Plan B. No matter what, I have to go to the deck first.”” ”

“Hence, he pulled Lee Bencheng up and prepared to rush out.”

“At this moment, Lee Bencheng was frightened one after another, and his mental state was extremely bad. He could only hold his head and curl up.”

I really didn’t expect this!

Zhao Yu sighed. Even the king of secret agents would have such an embarrassing moment.

“However, there was no time to think about it now. He pulled Lee Bencheng and ran to the deck.”

“““Hey, this won’t do,”” Tony said from behind.““There’s no more plane, and there’s no way out on the deck! If they can shoot down the plane, they can also shoot us down. Hey ...”” ”

“Zhao Yu didn’t care about him, and in the blink of an eye, he and Li Bencheng came to the door leading to the deck. It was still a fire outside, and the huge wreckage of the plane was still emitting thick smoke.”

Kachaa!

“In the end, Lee Bencheng was stumped again. He looked back and saw that the iron chain that had fallen from the railing earlier was wrapped around the railing.”

F * ck!

“Zhao Yu tried to pull the chain, but it didn’t budge. He had no choice but to use both of his arms to hold on to the iron chain tightly and pull it with all his strength.”

“At that moment, gunshots were heard from the cabin. The armed men who had rushed in from the main door had already arrived.”

“Seeing that the situation was not good, Tony quickly shot back and fought with the armed men below.”

“Zhao Yu once again exerted his strength. Under the violent force, the railing that was wrapped by the iron chain broke with a bang, and one of the iron railings was pulled down!”

Oh ... Alright!

“Zhao Yu pulled the chain with one hand and pulled Lee Bencheng with the other to the deck. The railing behind them slid across the ground, making a squeaking sound.”

“However, the railing was so large that when he passed through the cabin door, it got stuck again!”

“Zhao Yu was anxious. He shouted and pulled the iron chain again, pulling out the door frame of the metal cabin door. Just like that, the chain jingled as he rushed to the center of the deck.”

“Originally, Zhao Yu’s plan was very simple. He would punch Lee Bencheng into a daze, then take one flying device each and fly far away!”

“However, when he used the flying device on Lee Bencheng, the system sent out an alert, telling Zhao Yu that the target was overweight and that it was ineffective!”

F * ck!

Zhao Yu was dumbfounded. He didn’t expect that there would be an over-weight device.

“Moreover, it can’t be strengthened?”

Can’t you fly even if you spend some points?

Depressed!

“Zhao Yu looked down and saw that the heavy iron chain, the metal railings, and the metal door frame were indeed a little too much ...”

What should he do?

How about ...

“In a moment of desperation, Zhao Yu really had the thought of stomping his foot, but when he thought about how Lee Bencheng was missing a foot, he couldn’t bring himself to do it.”

“Even if he could reattach it in the future, it would probably not be flexible anymore, right?”

And ... I didn’t bring my machete with me.

Tap tap tap tap ...

“At this time, the gunshots in the cabin became more intense. In the blink of an eye, Tony rushed out from inside and said to Zhao Yu anxiously,”” ”

“””Hurry, hurry! Don’t wait for the plane, just jump into the sea!”” ”

“After saying that, he didn’t think about anything and rushed directly to the railing on the deck. After a little observation, he actually jumped down! ”

Alright!

“Zhao Yu looked at Tony jump into the sea, and he quickly pulled Lee Bencheng to the railing. ”

“However, after running a few steps, he felt a huge resistance. He looked back and smacked his head. ”

Wasn’t he stupid?

“If you can’t fly into the sky with such a heavy thing, you definitely can’t enter the sea, right? If he really jumped down, wouldn’t he directly sink to the bottom? ”

Eh?

“In the end, just as Zhao Yu was in a daze, he suddenly saw hope. He saw that there was a row of lifeboats on the side of the cargo ship! ”

“Moreover, the lifeboat even had a motor on it. If it fell into the water, it would be a speedboat! ”

There was!

“As soon as he saw the lifeboat, Zhao Yu suddenly had an idea. He quickly opened the skills bar on the system interface and searched for the sailor’s skills. ”

“It only cost him 700 points to use this skill, so he used it without hesitation. ”

“As his mind cleared up, he immediately understood the steps to release the lifeboat. ”

“He quickly ran to the lifeboat. After a series of operations, a lifeboat was immediately released from the lock and began to slowly descend to the sea. ”

“However, the speed of descent was too slow. Before the lifeboat reached the water, the pursuers behind would have caught up. ”

“Hence, he directly broke the last safety brake, and the lifeboat instantly fell from a high altitude, smashing into the sea surface with a bang. ”

“””Come on! Let’s go!”” ”

Zhao Yu didn’t have time to think. He grabbed Lee Bencheng and pushed him off the boat!

“””Ah ...”” ”

“Even though li Bencheng was not in his right mind, he still let out a shrill scream. ”

“However, Zhao Yu had his roots. When Lee Bencheng fell, he firmly grabbed the iron chain under Lee Bencheng’s feet. When Lee Bencheng was about to fall into the water, Zhao Yu pulled with both hands, and Lee Bencheng was suspended in the air. ”

“At that moment, Tony, who had already seen the opportunity, climbed onto the lifeboat. When he saw Lee Bencheng hanging upside down, he quickly helped to place Lee Bencheng on the lifeboat. ”

“However, just as Zhao Yu settled down Lee Bencheng, there were pursuers behind him. An armed man rushed to the deck, and upon seeing Zhao Yu, he immediately raised his gun and shot at him. ”

“Zhao Yu didn’t want to continue fighting with him, but threw the iron chain, the railing, and the door frame into the sea. Then, he jumped onto the railing and jumped directly into the lifeboat below! ”

“““Hey, hey, hey ...”” Tony, who was putting the iron chain back into the lifeboat, screamed in shock when he saw Zhao Yu jump straight into the lifeboat. ”

“In the blink of an eye, Zhao Yu landed on the lifeboat. ”

“““Hurry up!”” Zhao Yu roared, ““set sail!”” ”

“Tony was dumbfounded and said in surprise, “““Is this the legendary Qinggong?”” ”

“Zhao Yu’s sailor skills hadn’t disappeared yet, so he knew how to start the speedboat’s motor. He immediately found the starting rope and pulled hard, and the motor suddenly buzzed and started running! ”

“At the same time, the enemies on the deck had already come to the railing and fired at Zhao Yu and the others. ”

“However, with the humming of the engine, the lifeboat gradually accelerated and left the cargo ship in the blink of an eye ... ”

Chapter 2567: Chapter 2562-painting

“““Something’s wrong ...”” ”

Ran Tao’s voice came from the Special Investigation Group’s office in the Yunzhou police station.

“““Team leader Miao, I’ve checked. In the week before the incident, Zhang Qile’s car was never moved, and at that time, she was still in contact with us. She even appeared in the gallery ...”” ”

“““Oh?”” Miao Ying was stunned. ““So, I was wrong?”” ”

“““I think so,”” Ran Tao said. ““Zhang Qile should have been kidnapped from somewhere else!”” ”

“““If she doesn’t take a train for a week, then ...”” Miao Ying asked, ““does she take the bus? Why do I feel like she’s not that kind of person?”” ”

“““Yes,”” Ran Tao said.””Some people in the gallery saw that Zhang Qile had been in a BMW many times recently. Cui is investigating it, so we should be able to find out soon ...”” ”

“““It seems that ...”” Miao Ying sighed,””this teacher Zhang’s private life is indeed very casual ...”” ”

“At this time, Zeng ke reported,””sister Miao, we have checked Zhang Qile’s call and chat records, and there are indeed many men who have been in an ambiguous relationship with her. I’m afraid it will take a long time to check them one by one!”” ”

“““It doesn’t matter,”” Miao Ying said.””We’ll start with the most recent contact and figure out her whereabouts before she disappeared!”” ”

“““Brother Tao,”” Miao Ying said to Ran Tao,””as usual, send someone to look for Zhang Qile’s recent videos. The kidnapper was so meticulous, so he must have done something to Zhang Qile. See if there are any suspicious people in the videos!”” ”

“““I understand, I understand,”” Ran Tao said.””I’ve talked to Captain Shao, and I’ve already sent someone to investigate ...”” ”

“At this time, Wu Xiumin came forward and reported,””team leader Miao, we found out that the real estate developer who had a conflict with Zhang Qile before.”” ”

“““Just as the assistant said, the developer had a good relationship with Zhang Qile and invested in his gallery. Later, he was in a financial crisis and wanted Zhang Qile to return him some money, but he was rejected, so he hit Zhang Qile ...”” ”

“““However, this person has been completely ruled out of suspicion. Because of bribery, this person has already been sent to prison and is still in there ...”” ”

“““Oh ...”” Miao Ying sighed and said,””then, we’ll follow our previous plan and find everyone who is related to Zhang Qile. We’ll ask them one by one!”” ”

“““Understood!”” Cui Lizhu accepted the order. ”

“““This case ...”” Miao Ying turned to look at the white board and murmured,””there are no traces left at the scene, the time and place of the kidnapping are unclear, and the interpersonal relationships are so complicated ... Tsk tsk ...”” ”

“As she pouted, Miao Ying couldn’t help but think of Zhao Yu. She was thinking, if it were Zhao Yu in charge of solving the case, what would she do? ”

Would he do better than her?

.....

“It was another night, and the intense investigation work was still going on. In order to make the best use of time, they didn’t go out for dinner, but asked Captain Shao to send someone to deliver a simple work meal. ”

““Zhang Qile’s family has been informed,”” Wu Xiumin said.”“But ... The old grudge is too deep, and his family doesn’t seem to be very enthusiastic. They said that they would drive over tomorrow to retrieve the body!”” ”

““Is that so?”” Miao Ying smiled faintly.”“That’s because they don’t know how much wealth Zhang Qile has! If he knew, he probably wouldn’t have this attitude ...”” ”

““Yes,”” Wu Xiumin said.”“A painting worth hundreds of thousands of Yuan is quite rich. Moreover, her operation team is very familiar with the routine. Even at such a high price, it is still difficult to find a painting. Basically, you have to wait until the auction to buy it ...”” ”

““Team leader Miao, we found out ...”” While they were talking, Captain Shao suddenly appeared in the office. He excitedly reported to Miao Ying,”“we found out that before the incident, Zhang Qile was in contact with a man named Bao Yicheng!”” ”

““We found out that two days before the incident, Zhang Qile left Bao Yicheng’s residential area and disappeared without a trace ...”” ”

““Bao Yicheng?”” ““Who is it?”” Miao Ying asked. ”

““He’s a high-ranking official of Yunzhou airlines. He can be considered a celebrity in Yunzhou,”” Captain Shao said.”“It has been confirmed that the BMW that picked up Zhang Qile was his!”” ”

““Then ... Where are they?”” Wu Xiumin asked. ”

““I’ve already sent someone to question him,”” Captain Shao said as he looked at his watch.”“He’s almost there!”” ”

““But ...”” Miao Ying caught the main point and asked,”“you just said that she disappeared after leaving Bao Yicheng’s house? She’s alone?”” ”

““Yes. We pulled up the surveillance cameras near Bao Yicheng’s house. At 10:17 pm, Zhang Qile left Bao Yicheng’s house alone and went to Gu Dong road outside the main entrance. Then, he disappeared ...”” ”

““It’s midnight, past 10 O’ clock, and you’re alone?”” Wu Xiumin pondered for a moment and asked,”“did they have a conflict? ”

““If it’s an emergency, why didn’t Bao Yicheng drive her?”” ”

““Since she’s alone,”” Miao Ying said,”“she must have taken a taxi, or an online taxi, right?”” ”

““We’re still looking into it, and we’ve already ruled out the possibility of an online car booking,”” Captain Shao said.”“We found that there was no record of an online car booking on Zhang Qile’s mobile phone ... The possibility of him renting a car is higher!”” ”

““That night, Zhang Qile might have wanted to return to the gallery, but ...”” Miao Ying pondered for a moment, then said,”“he was kidnapped by the murderer? ”

““If we can find out the means of transportation the murderer used, we might be able to find out the murderer’s identity!”” ”

“““I know,”” Captain Shao said quickly.”” I have sent more people to all the intersections near Bao Yicheng’s house to check. The surveillance cameras there are more dense, so it should be easy to find them!”” ”

Di di ... Di di ...

“While he was talking, Captain Shao’s cell phone rang. ”

“Captain Shao looked down and quickly took out his phone. He said to Miao Ying and the others,”” My men have already arrived at Bao Yicheng’s house and are currently questioning him ...”” ”

“As he spoke, he raised his phone and everyone immediately saw the scene. ”

“““Yes, we had a fight. About this ... Um ... I hope that you can help me keep this a secret,”” Bao Yicheng pleaded with a bitter expression.”” About Qi le and I, we were ... We were in that kind of relationship, you know ...”” ”

“““Bao Yicheng has a wife,”” Captain Shao explained,”” his child is already in University!”” ”

“““What’s the reason for your conflict?”” The agents at the scene asked. ”

“““Oh, it’s just that ... Qi le has an important art exhibition next month, and she asked me to invite some famous people to come and support her. You guys know that I can invite famous people, but if I do that, my wife will find out too, so I didn’t agree to her request! ”

“““So ... She got angry and slammed the door that night ... But ...”” Bao Yicheng said in distress,”” I didn’t expect that she would get into an accident ...”” ”

“““Oh my God!”” ”

“While everyone was listening to Bao Yicheng’s story, Zeng ke, who was on the other side of the office, suddenly stood up from his seat and exclaimed,”” “““You ... You guys, come over and take a look!”” ”

Eh?

“Everyone was curious, not knowing what Zeng ke had found, so they quickly put down Captain Shao’s mobile phone and came to Zeng ke’s desk. ”

“In the end, when everyone looked at Zeng ke’s computer screen, they were all shocked. ”

“There was a blood-red painting on the screen, and the content of the painting was almost the same as the scene of the red bathtub case! ”

“““How did this happen?”” “““Where did you get this painting?”” Miao Ying asked. ”

“““This ...”” Zeng ke trembled as he explained,”” this painting ... Is Zhang Qile’s work!”” ”

Chapter 2568: Chapter 2563-lacking talent

Whoosh ...

“In the midst of the roar, Zhao Yu and the others’ lifeboats were already far away from the cargo ship.”

“However, Zhao Yu knew that the enemy was powerful, and they were still in danger.”

“The night in Hawaii was extremely hot, and the city was brightly lit. Zhao Yu noticed that there was a road not far from the dock. He didn’t think much about it, but drove the lifeboat directly to the side of the road and stopped at the shore.”

“Then, he and Tony carried the burden on Lee Bencheng’s feet to the shore. After they got ashore, Zhao Yu once again pulled the lifeboat motor, driving the lifeboat towards the deep sea, in order to attract the pursuing enemies.”

“After the previous struggle, the iron bars and metal door on the chain were gone, and Lee Bencheng was much more relaxed.”

“Moreover, after this thrilling escape, li Bencheng seemed to have recovered something. He was no longer as flustered as before, and his steps were more stable.”

“However, he still couldn’t recognize Zhao Yu, and his eyes were still a little unfocused.”

“The three of them staggered to the side of the road, and Tony extended his hand to Zhao Yu again.” “Come on, let me make another call. Let’s see if they can still send people to pick us up!”

“No!” Zhao Yu said, “this place is too close to the cargo ship, and it’s still in danger. What we need to do is to find a car and get out of here!”

“No!” Tony pointed at the chains on Lee Bencheng’s feet. “He’s too conspicuous like this, and the taxi driver will reject him! Besides ... It’s the middle of the night, so there shouldn’t be any taxis.”

“Who said I’m taking a taxi?” Zhao Yu pointed to the side of the road. “There are plenty of taxis here!”

He looked over and saw that the parking lots by the road were almost full of all kinds of cars.

“But ...” Tony scratched his head. “I’m not a thief. I don’t know how to steal cars.” “My little brothers will ...”

Zhao Yu could have easily opened the door and started the car with the master key.

“However, the master key was gone, and all of it had been used on Lee Bencheng’s chain.”

“However, this difficulty obviously wasn’t a problem for Zhao Yu. He immediately spent 4200 points to buy a “car thief” skill.”

“He had discovered this “car thief” skill a long time ago. At that time, he had thought that this skill was useless and expensive, but he didn’t expect it to come in handy today.”

“However, what surprised everyone was that after using the skill, he actually picked up the chain on Lee Bencheng’s feet and directly smashed the window!”

“F * ck!” Zhao Yu was so angry that he cursed. If he had known that he would use violence, I...I would have been so full that I would have gone crazy. I would have bought such a skill ... ”

“However, this skill was not completely useless. After entering the car, he successfully found the screwdriver, and after a series of skillful operations, the car started with a bang! ”

“Wow, that’s awesome. What do you do?” Tony was stunned again. ”

“It was unknown whether the “awesome” he said was a noun or an exclamation. ”

“Seeing Zhao Yu start the car, Tony thought that Zhao Yu would drive himself and was about to help Lee Bencheng get into the car. ”

“Unexpectedly, Zhao Yu grabbed his collar and asked,” ”

“Tony, I saved your life. Shouldn’t you repay me?” ”

“This ...” Tony was surprised and asked timidly,”what are you doing?” ”

“The group of people who imprisoned you recently captured five Chinese agents,” Zhao Yu said.”Do you know about this?” ”

“I ... I’ve been locked up in there for three months,” Tony replied with a trembling voice.”How could I know what happened recently? ”

“But ... I can help you ask around, but ... Now doesn’t seem to be the time, right?” ”

“Alright then,” Zhao Yu thought for a while, then pointed at Li Bencheng and said,”you send my friend to a safe place first, and you have to ensure his safety, understand?” ”

“Oh ... That’s not a problem,” Tony said, understanding what Zhao Yu meant.”You ... You’re not coming with us?” ”

“I still have things to do!” Zhao Yu said,”when I’m done, Where can I find you?” ”

“Hmm ... Hmm ...” Tony thought for a moment and said,”Franklin commercial building, wait at the Fountain Square. We’ll know!” Or ... You can remember a phone number!” ”

“After that, Tony quickly said a series of numbers. ”

“Alright, I’m done!” Zhao Yu let Tony sit in the driver’s seat, then pushed Lee Bencheng and the iron chain into the car. ”

“However, Zhao Yu was also careful. When he contacted Li Bencheng, he put the locator that he had prepared in advance into Li Bencheng’s pocket. ”

“Great,” Tony said with concern.”No matter what you do, you’d better come back alive. Talents like you are too rare!” You ... What are you going to do?” ”

“Let me ask you another question,” Zhao Yu said.”You have to know who the group of people who locked you up are, right?” ”

““Of course,”” Tony said.”“They’re probably from the cancer because we’re both in the arms business. We’re enemies!”” But ... I don’t think I can afford to offend him. He has a powerful background ...”” ”

““Alright then!”” ”

“Zhao Yu sighed. He had never heard of the name ““cancer.”” He guessed that he was probably one of the heads of the longdi group. It seemed that he could only wait for the time being to slowly ask. ”

“Then, Zhao Yu closed the car door and motioned for Tony to leave with Lee Bencheng. ”

“Tony snapped his fingers, stepped on the accelerator, and drove the car onto the road. ”

“Zhao Yu took advantage of the fact that the car thief’s skill had not yet disappeared, so he quickly went to another black car and started the engine of another car. ”

“Then, he turned the car around and drove back in the direction of the dock. ”

“On the way back to the dock, he saw a few black Jeeps, all of which were armed men with guns. ”

“However, they didn’t seem to have noticed Zhao Yu, nor did they notice him when they passed by. ”

“From the enemy’s point of view, they thought that Zhao Yu and the others had escaped with great difficulty, and could only escape to a place far away from the dock. How could they have expected that Zhao Yu would come back? ”

“Of course, Zhao Yu didn’t really want to ““kill”” them, but he wanted to come back and observe them carefully, because he still had a big issue to solve. ”

“Just as he approached the dock, he released an invisible drone and let it fly over the dock to check the situation there. ”

“Then, he stopped the car, found a quiet and safe place, and began to observe in secret. ”

“In the end, he quickly saw a familiar face. It was the Walker that he had disguised as earlier. He had already appeared in the crowd. ”

“At this moment, the real Mr. Walker was dumbfounded. He had never expected such an earth-shattering event to happen at the dock! ”

Hmm ...

“Zhao Yu squinted his eyes. He quickly realized that Walker must be an important figure in the enemy’s camp. Keeping a close eye on him, he might be able to find something new. ”

“At that moment, Zhao Yu saw Walker’s phone ring. He was talking on the phone with a serious face. ”

“The invisible drone could only see images and not sound, so Zhao Yu had to use other devices. ”

“In his device bar, there was an item called a long-range listening device. Obviously, this thing could be used as a clairaudient. ”

“Hence, Zhao Yu used it immediately and quickly heard Walker’s conversation. ”

“““I don’t know. We didn’t shoot it down,”” Walker reported to the person on the phone.”“The pilot was a fool. He didn’t see the crane hanging high above the deck. The propeller hit it, so it crashed ...”

“““Yes, we’re still investigating. We don’t know who’s flying the plane, but we can be sure that the plane hasn’t picked up anyone yet ...”

“““I know, Sir, I know ...”” Walker wiped the sweat off his face.”“I know what to do. I will catch the escapees. Yes ... Yes ...”” ”

“““Don’t worry, those five people aren’t locked up here. They won’t delay your big plan. Don’t worry ...”” ”

Oh?

“Upon hearing this, Zhao Yu suddenly perked up. ”

“Firstly, he had finally found a lead on the five agents. ”

“Secondly, could the person on the phone with Walker be the mysterious successor? ”

Chapter 2569: The painting (2)

Everyone in the Special Investigation Group’s office was shocked.

“““How did this happen?”” Captain Shao was shocked.”“This case ... Is really unprecedented! Zhang Qile ... How could he have drawn such a painting?”” ”

“““So,”” Miao Ying rubbed her palms and said,”“Zhang Qile’s death could also have been caused by this painting?”” ”

“““The point is, this painting ...”” Wu Xiumin frowned as she stared at the oil painting on the screen and said,”“it’s so weird.”” ”

“““Yup!”” Zeng ke trembled as he said,”“the content of this painting is almost exactly the same as the red bathtub case. If it was really drawn by Zhang Qile, then ... Could Zhang Qile be ... Related to the red bathtub case?”” ”

“““Zhang Qile is 29 years old,”” Wu Xiumin said.”“The red bathtub case happened 40 years ago, so how could they be related?”” ”

“““Then ... There’s only one possibility left!”” Miao Ying looked at Captain Shao and said,”“your case file was leaked, and Zhang Qile saw the photos of the crime scene!”” ”

“““No... No way?”” Captain Shao swallowed his saliva and defended himself,”“these are all confidential. As a police officer, how can you knowingly break the law?”” ”

“““Captain Shao, I’m not blaming you, but did you notice that,”” Miao Ying pointed to the oil painting,”“the composition of this oil painting is very similar to the photos taken at the crime scene?”” ”

""Ah? ""You ... You mean ..."" Captain Shao's lips trembled as he said, ""someone leaked this photo to Zhang Qile?"" "

""Not only that ..."" Miao Ying said. ""Maybe there are other possibilities. For example, the police officer who took the photos at the scene that year. Can you check if he has any relationship with Zhang Qile?"" "

""Oh ... I ..."" Captain Shao had just taken out his mobile phone, but he suddenly remembered something and said, ""the last time I reported, cui Lizhu's colleague mentioned this problem. So, after I reported it, I investigated it!"" "

""Zhang Shuai from the forensic science department was the one who took the photos. He ... He's already dead ..."" "

""Zhang Shuai, surnamed Zhang, "" Wu Xiumin caught the words and said, ""Zhang Qile's surname is also Zhang ..."" "

""No, no, no, "" Captain Shao quickly waved his hand. ""No, I've checked. They have no relationship!"" "

""When did Zhang Shuai pass away?"" Miao Ying asked. "

""It was a long time ago, "" Captain Shao said. ""When the red bathtub case happened, he was about to retire. A few years after his retirement, he died of illness!"" "

""Then ..."" In order to not miss out on any details, Miao Ying continued, ""let's compare it with the other crime scenes that he had shot before!"" "

""Yes!"" Captain Shao nodded in agreement. "

""Now, let's talk about the painting!"" Miao Ying turned around and asked Zeng ke, ""when was this painting drawn?"" "

""In 2013, "" Zeng ke pointed at the computer and replied, ""at that time, Zhang Qile had just graduated from the Academy of Fine Arts. She was in the first batch of works that she had created after graduation. I just checked, and this work has already been bought!"" "

""Bought it ..."" Miao Ying quickly asked, ""who bought it?"" "

""I'm not sure, "" Zeng ke replied. ""As for who bought it and how much it was sold for, we haven't found out yet ..."" "

""Then hurry up and check!"" ""We need to know everything about this painting!"" Miao Ying said excitedly. "

""Leave ... Leave it to me!"" Captain Shao took the initiative to volunteer. ""I'll also send someone to Yunzhou Academy of Fine Arts to ask ..."" "

""Okay, "" Miao Ying agreed, ""then I'll leave it to you, Captain Shao!"" Also, remember to check if anyone has touched the files of the red bathtub case in recent years!"" "

""Yes!"" Captain Shao accepted the order. "

“““By the way, Bao Yicheng ...”” Miao Ying pointed to Captain Shao’s phone. ”

Captain Shao understood what Miao Ying meant and quickly called the police detective in charge of questioning Bao Yicheng.

“The police detectives replied that there was basically no new information on Bao Yicheng’s side. He claimed that after he had a fight with Zhang Qile, Zhang Qile had left on her own. After that, he had called Zhang Qile, but his phone could not be connected ... ”

“““Team leader Miao ...”” Wu Xiumin suddenly realized a problem.””If Zhang Qile was really kidnapped when he left Bao Yicheng’s house, then ... Isn’t there a contradiction in the situation?”” ”

“““Mm ...”” Miao Ying understood what Wu Xiumin meant, so she nodded and said,””from the whole process of the murderer’s crime, the red bathtub case was premeditated and carefully planned! ”

“““If that’s the case, the murderer should have targeted Zhang Qile long ago. But ... How did he know that Zhang Qile would quarrel with Bao Yicheng and leave Bao Yicheng’s house in the middle of the night to go home alone?”” ”

“““Yes,”” Wu Xiumin said.””There is only one possibility that makes sense. That is, after the murderer confirmed the target, he had been following Zhang Qile!”” ”

“““If Zhang Qile had stayed at Bao Yicheng’s house that night, the murderer wouldn’t have made his move that day ...”” He said. ”

“““If that’s the case,”” Captain Shao said hurriedly,””then we only need to carefully investigate Zhang Qile’s surveillance data, and we will definitely be able to find the murderer?”” ”

“““There’s one more thing that’s worth noting,”” Miao Ying said.””It’s a matter of time. Zhang Qile went missing a day before he was killed! ”

“““If she was really kidnapped on the night she left Bao Yicheng’s house, then the murderer must have imprisoned her for a whole day before going to morning sun residence to make a move ... ”

“““Then ... Where would the murderer imprison Zhang Qile?”” ”

“““I understand,”” Captain Shao said.””I’ll send someone to investigate it carefully. This person can’t run away!”” ”

“After that, Captain Shao immediately arranged the investigation work. ”

“““Team leader Miao,”” Wu Xiumin said, still frowning,””there are many questionable points in this case! I’m getting more and more confused about the murderer’s goal!”” ”

“““Mm ...”” ”

“Miao Ying sighed, as well as Wu Xiumin. ”

“Originally, this case could be characterized as a random selection of victims, either for revenge, or simply an imitation of the red bathtub case. ”

“However, with the appearance of that mysterious painting, all of his previous assumptions had undergone a huge change!”

The attention of the investigation had no choice but to shift to this painting.

Why did the murderer want to kill Zhang Qile? was it really because Zhang Qile had drawn that painting?

And how did Zhang Qile manage to draw a painting that was exactly the same as the red bathtub case?

What was her purpose in drawing this painting?

Tsk tsk ...

“At that moment, Miao Ying could finally understand Zhao Yu’s complicated feelings.”

“He could clearly see a lot of clues in the case before him, but through these clues, not only was the case not clear, but it became even more blurred!”

“Thinking of this, Miao Ying looked at the strange painting on the display again.”

“The painting was mostly painted in red, which made the crime scene look even more bloody and terrifying ...”

“Without a doubt, this painting was the key to solving this case!”

Miao Ying really couldn’t understand why Zhang Qile would want to draw this.

Was she trying to be a hot topic in the red bathtub case?

“Or, was there some unspeakable secret hidden in this ...”

Chapter 2570: Chapter 2564-feast

“In the center of the Cahuluy business district, the VastSea company building.”

“At two o’ clock in the morning, a black Cadillac stopped in the underground parking lot. Walker, who had just returned from the dock, got out of the car.”

“Exhausted and frightened, he asked his subordinate to light a good cigar for him.”

“After lighting it, he took a few deep puffs before he managed to calm himself down.”

“Then, he entered the elevator with his five Men in Black.”

“However, the elevator did not go up. Instead, it went down another floor and arrived at a dimly lit basement.”

“When the elevator door opened, two strong men with weapons immediately came forward to check. After seeing that it was Mr. Walker, they relaxed their guard.”

“Soon, a man with shiny hair and wearing a white shirt appeared in front of Walker.”

""What happened, boss?"" the White-shirted man asked. ""Did something really happen at the dock?""

”

""Yes ..."" Walker said tiredly, ""a few important people ran away!"" ”

""No way? This is ...""The White-shirted man was surprised. "" Is there a traitor?"" Shouldn't we look into it? Oh ... By the way, have we caught the people who escaped?"" ”

""No..."" Walker sighed and took two more puffs of his cigar. ”

""Oh no, if that's the case ..."" The White-shirted man said worriedly, ""I'm afraid the higher-ups are going to give us some eye drops again!"" We can't afford to offend this cancer guy!"" ”

""Yeah, "" Walker pointed inside and said, ""he already scolded me earlier. Is the person inside okay?""

”

""No, no, don't worry, I'm safe!"" The White-shirted man answered quickly. ”

""That's better. The cancer cells specifically told me that if anything happens to these five people again, we can forget about living!"" The man in the white shirt cursed, ""we're so F * cking unlucky. Nothing has happened at the dock for so many years. Why is it that today ... A ... A helicopter came ... And it exploded ... ”

""If it wasn't for my good relationship with the chief Superintendent, I'm afraid this matter wouldn't be able to be kept a secret anymore ... If this is the case, I wonder how the news will report this tomorrow!"" ”

""Then ..."" The White-shirted man quickly said, ""do you need me to help you deal with it? I know a lot of people from the media, we have to make up a reason ..."" ”

""There's no need, "" Walker said. ""I've already arranged these things. Your main task is to look after those five people. If you really can't do it, cut off one of their legs first. This way, even if someone comes to save them, they will have to bring a stretcher ..."" ”

""This ..."" The White-shirted man swallowed his saliva. ""The cancer cells said that they must live. If we saw their legs ..."" ”

""It's not like we'll die from sawing his legs, "" Walker said angrily. ""It's not the first time we've done this, and we can't say anything even if we're cancer ..."" ”

""Then ... Alright!"" The White-shirted man nodded in agreement. ""In that case, I'll get it done now! It just so happens that they're not willing to tell me anything. I'll kill the chicken to warn the monkeys and make them lose hope ..."" ”

""If you can get some important information, "" Walker took a few more puffs and said, ""maybe you can make up for it. I'll give you a suggestion. The first one starts from the ankle, then up, and the last one ends from the thigh. This way, I don't believe they won't open their mouths!"" ”

“Upon hearing this, the White-shirted man's eyes revealed a ruthless look and he immediately snapped his fingers. ”

“Originally, Walker had wanted to turn around and leave, but after thinking about it carefully, he decided to stay in order to ensure that nothing would go wrong.”

“Or perhaps, he was a bloodthirsty and bloodthirsty person, and he also wanted to see the scene of the leg being cut off.”

“Soon, the White-shirted man and Walker walked deep into the basement and came to an old iron door.”

“Here, someone handed them a Batman mask. After the two put it on, they opened the iron door and entered the room.”

“The damp room was filled with a fishy smell, and there were all kinds of metal tools in the room. It was just like a cruel confession room.”

“Very quickly, the subordinate in the white shirt brought over five men who were tied up.”

These five people all had Asian faces. They were already covered in wounds and had obviously suffered a lot.

““To be honest,”” the White-shirted man took a hacksaw from the shelf and said,””this is my favorite part!”” ”

“After that, he took out a waterproof Isolation Suit from the cabinet and put it on.”

“After he was done, he turned to Walker and asked,””””Do you want to wear it? Later, blood will be flying everywhere!”” ”

““No need!”” Walker took another puff and took a few steps back.””I thought you would use an electric saw!”” He said jokingly. ”

““NO!”””The saw is too fast,”” the man in the white shirt said.””I can’t enjoy the process! Furthermore, the person being sawed will feel numb for a moment, and will not have that stimulating pain experience ...”” ”

“With that, the man in the white shirt tilted his head and two men immediately went up. One of the men was carried to the operating table in the middle and his limbs were pressed down.”

““I know you are all professionally trained agents, so I won’t waste time with you. I’ll only say this once,”” the White-shirted man said coldly.””The first person is lucky, I will only amputate one of your feet!” ”

““However, I won’t be so lucky in the future. I’ll get higher and higher, higher and higher ...”” ”

“As he spoke, he gestured at the man’s body.”

“However, this man was definitely a man. He was unmoved and did not say a word.”

““Alright then!”” The White-shirted man looked at the man on the stage, then at the others, and said,””if you can’t stand it anymore, you can speak up for him!” ”

“““As long as I believe that the information you have provided is true and effective, and that some of it is extremely important, I will stop. How about it?”” ”

“As he spoke, he picked up his right arm, pulled up the man’s trousers, and drew a line on his ankle. ”

“““Trust me, I’m very skilled,”” the man in the white shirt smiled and said,””I think I can cut it off with 200 cuts!”” ”

The White-shirted man’s men burst into laughter.

“““Stop laughing,”” Walker reminded them.””You guys should be prepared to stop the bleeding. We can’t let him lose too much blood or bite his tongue and die ...”” ”

“Upon hearing this, everyone hurriedly went to the chef to get the hemostatic supplies. Someone else stuffed a cotton cloth into the man’s mouth ... ”

“““Alright, if you don’t want to say anything before you see blood,”” the man in the white shirt looked at the others and threatened,””then I’m going to start eating!”” Welcome this bloody feast, hehehe ...”” ”

“Hearing the White-shirted man’s words, the others were all worried for their colleague. However, they had iron discipline and no one would yield. ”

“At this time, the White-shirted man placed the hacksaw on the man’s ankle, ready to start the saw at any time! ”

“At that moment, the lights in the room suddenly went out! ”

“Immediately after, several flashes of lightning flickered in the darkness, followed by the crackling of electric currents, and soon, a series of screams rang out ... ”
