Chapter 2601: lock

""This must be the back door of Chenyang residence!"" Cui Lizhu pointed to an old iron door and said, ""last time, when we went to Chenyang residence to check the scene, we were here!""

""Captain Shao said that this iron door can only be opened from the inside, and there is no lock on the outside!"" Miao Ying came to the door and asked, ""if Zhang Shixiong really went in from here, how did he open the door?""

""Instead ..."" Cui Lizhu shrugged her shoulders. ""For me, it's a piece of cake. I just have to climb over the wall and open it from the inside!""

""This wall ..."" Miao Ying looked up, pointed to the tall wall, and said, ""this wall is not short. Ordinary people can't climb over it, right?""

""Of course, "" cui Lizhu said smugly. ""We need professional equipment!"" We also need to avoid all the surveillance cameras. However, I've already checked earlier, and there's only one back door. After we get up the wall, we need to adjust the angle ...""

""You can, but ... How can Zhang Shixiong?"" Miao Ying looked around and said, ""even if you parked the car under the wall and stepped on the car, it would still be difficult to climb up, right?""

""Unless ... There's a tall car ... Or ..."" She pointed to a big tree and said, ""climb up the tree?""

""No..."" Cui Lizhu said. ""It's very difficult to climb the trees. These are all cypress trees that are less than ten years old. The branches can't hold an adult!""

""Then ..."" Miao Ying frowned, ""how did he open the back door?"" He had to open the back door to bring the victim in!"

""If we take a detour to the main entrance, we'll definitely be caught by the surveillance cameras on the main road!""

""Let me think ..."" At this time, cui Lizhu thought of something. She came to the front gate and carefully examined the iron door. At the same time, she said, ""this door used the most common hidden lock. After locking it, you can turn the key twice and put two safeties in. ""

""This way, people without the key, no matter if they are inside or outside, can't open the door!"

""The murderer ... Had the full set of keys to house of morning and sun, which should include the back door ...""

""Then ..."" Cui Lizhu turned to look at Miao Ying. ""Sister Miao, I think there's a possibility that the murderer had entered Chenyang residence from another place before. He took advantage of the fact that no one was paying attention to him, went to the back door, and used the key that he had made in advance to unlock the two Safety Locks!""

““““This way, he only needs to use a small knife to open the door from the outside. For example ... Like what I’m doing now ...”““““

“As she spoke, Cui Lizhu pulled out a small knife as if she was performing magic, and inserted the blade into the gap of the iron door ...”

““““Is that so?”“ Miao Ying thought for a moment and said,““““why didn’t we pay attention to this detail before? If ... The murderer really did as you said, opening the two Safety Locks in advance, then ... When he left, he only needed to close the door?”““““

““““So,”“ Cui Lizhu said, picking up the blade.““““If I can pry the lock open, then our inference will be valid!”“““

“However, she could only shake her head helplessly after trying to pry it open a few times.”

““““It can’t be opened?”“ Miao Ying guessed,““““maybe the murderer thought of this when he closed the door the last time, so he left through the main door?”“

““““Or ... Other places?”“““

““““Right!”“ Cui Lizhu said,““““there are potted plants in the yard. If he steps on the potted plants, he can climb up the wall!”“““

““““Sister Miao, I think our reasoning is correct! Don’t forget, the murderer took away all the surveillance hard drives. The reason he did this was not only to erase the footage of the crime that day, but also to erase the evidence that he had been to Chenyang residence and secretly opened the back door!”“““

““““Tsk tsk ...”“ Miao Ying pouted and sighed.““““According to what you said, the murderer is not an ordinary person! He knows how to use anesthetics, how to kill people, how to duplicate keys, and how to deal with the surveillance cameras. Why do I feel that Zhang Shixiong doesn’t seem like it?”“““

““““Is that so?”“ Cui Lizhu frowned and said,““““I don’t think so. Didn’t you notice?”““ There are many things that we think are the police’s secrets, but they can be found on the internet!”

““““There’s even a prison Break tutorial!”

““““Zhang Shixiong loves the internet so much. If he wants to learn, it shouldn’t be particularly difficult, right?”“““

““““Okay,”“ Miao Ying said, nodding.““““I’ll tell Zeng Ke to check Zhang Shixiong’s online records and see what he has been looking up recently ...”“““

““““Alright!”“ Cui Lizhu said,““““boss always says that I shouldn’t trust my instincts! But this time, my intuition tells me that Zhang Shixiong must be related to the red bathtub. Even if he’s not the murderer, he must be an important insider!”“““

““““Right!”“ Miao Ying said,““““we also have to carefully investigate his WeChat moments. If this case is really related to the red bathtub case, then Zhang Shixiong must have come into contact with people related to the old case!”

“““This person could be a witness from back then, or he could be the police officer in charge of the investigation! All in all, he had to have seen the scene of the old case before he could commit such a highly similar imitation case!”““

“““Yes, I am!”“ Cui Lizhu agreed,““of course, this person could also be Zhang Qile. After all, Zhang Qile has drawn a red bathtub before!”““

Di di ... Di di ...

“Just as the two were discussing, Miao Ying received a message from Zhang Peipei, saying that Zhang Shixiong’s family had finished the first investigation and could enter the scene to check!”

“So, the two returned to Zhang Shixiong’s two-story building and entered his home.”

“The house had a strong ancient aura. Although it had been renovated a few times, one could still feel the vicissitudes of life.”

“Although the house was a two-story building with no shelter, it felt damp and dark inside. It was unknown if it was because of the structure, but there was also a moldy smell that only rotten wood could give off.”

“In addition, this house was not in the north or south direction. It was located in a slightly remote location, and the house was not very square. The second floor was almost a triangular house, and it felt particularly sullen.”

“However, when he thought about the history of the house, it was understandable. After all, this place used to be a place where servants from rich families lived.”

“The house wasn’t big, so Miao Ying and Cui Lizhu quickly looked around. They found that Zhang Shixiong was probably an otaku who loved to play games. His computer desk was full of snacks and drinks, and he didn’t even fold his quilt. It was very messy.”

“In Zhang Shixiong’s bedroom, they saw a group photo of Zhang Shixiong and his girlfriend. The woman in the photo should be the girlfriend that Zhang Shixiong had just broken up with!”

The police had confirmed that his girlfriend was safe and was having fun at her new boyfriend’s house ...

“““Sister Miao,”“ Zhang Peipei came over and reported,““so far, we haven’t found anything suspicious. We have only found some hair. It looks like a woman’s long hair, but we still need to run some tests to know if it belongs to Zhang Qile ...”““

“““Mm ...”“ Miao Ying said.““Remember to bring his computer back! Check it carefully ...”““

“““Understood!”“ Zhang Peipei immediately led her people to deal with the computer.”

“At that moment, Miao Ying received a new message on her phone. Wu Xiumin had already interrogated her about the game.”

“Zhang Shixiong himself claimed that he had made an appointment with his teammates to play games that night, but because he was too tired when he returned home that night, he did not join them!”

It was also because of this that he decided to change shifts with his colleagues the next day to have fun!

“On the second day, he had been playing games for the entire day, all the way until 10 pm. He was so tired that he finally went to sleep ...”

“““Hey? Isn’t this answer a little too perfunctory?”” Cui Lizhu said,““he said that he was too tired on the first night, but can we take it that he had to deal with Zhang Qile, so he didn’t have time to play games with us?””

“““The next night, he said that he was tired from playing and went to sleep. Does that mean that he brought Zhang Qile to Chenyang residence and killed her there?”””

“““Well, it’s understandable,”” Miao Ying said helplessly.“““But if you look at these confessions in reverse, it means that even if Zhang Shixiong doesn’t have an alibi, we can’t do anything to him!”””

Chapter 2602: I’m police officer Yu (1)

“““How advanced!”” After Zhao Yu got out of the car, he looked up at the towering skyscraper and said into the communication device in surprise,““I thought it was a detached villa, but it’s actually such a big building!”””

“““The top floor, E Block, is Sato ‘s, 1000 square meters ...”” Lee Bencheng said,““the market value is 15 million US dollars, but when Sato bought it, he only spent 8 million US dollars ...”””

“““Okay,”” Zhao Yu looked around and asked,““where did you hide it? How come I can’t see you?”””

“““You don’t have to worry about that. I need to maintain a sense of mystery!”” Lee Bencheng teased,““the one who called you was Zhen Zhu. Tell me honestly, you didn’t hit on her when you were in Seoul right?””

“““Why do I feel that your conversation is a little ambiguous?”””

“Just as Lee Bencheng was complaining, Zhao Yu had already arrived at the lobby of the building.”

“The security in the hall was tight, and all residents had to go through security checks and identity verification.”

“It was impossible for Zhao Yu to verify it, so he immediately set up the simultaneous translator and went to the security guard, showing them the fake ID that Li Bencheng had made for him.”

“““I’m from the secret search division,”” Zhao Yu said as he handed his id to the security guard. He then lifted his shirt and showed them the pistol in his holster.““I want to visit Mr. Sato’s house on the top floor ...”””

“When the security guard saw the gun, he immediately became nervous.”

“As they checked the documents, they whispered to each other. It was obvious that they had never encountered such a situation before and did not know how to deal with it.”

“While waiting, Zhao Yu turned on the translator to the Korean language channel and scolded Lee Bencheng, “You B * tch, I, Zhao Yu, am a righteous man. Why would I do such a dirty thing as you think?”

““Let me tell you, miss Zhen Zhu has been completely subdued by my personal charm ...””

““Alright, say whatever you want ...” Lee Bencheng said, “but, you must not tell her that I’m still alive. The reason why I fell into londee’s trap last time was most likely because I was betrayed!”

““When I go back, I still have to solve it ...””

““You don’t have to tell me that,” Zhao Yu said. “But I can guarantee that miss Zhen Zhu is absolutely innocent. She admires you a lot and said that you were her senior and her first teacher. She hasn’t found a boyfriend for so many years all because of you ...””

““Ah Xi, between the two of us, who’s the busybody!” Lee Bencheng blushed, “you should be more serious and focus on your matters. If they don’t let you in, what are you going to do?””

““Baka!” Hearing this, Zhao Yu immediately switched the channel back to Japanese and fired at the security guard. “If you guys dawdle like this, who’s going to be responsible for delaying the police’s work?”

““I might as well tell you that Mr. Sato is in danger!” “Get out of the way!” Zhao Yu shouted.”

“However, Zhao Yu’s rudeness did not get the desired effect.”

“The few security guards were still hesitating, but after seeing Zhao Yu’s aggressive attitude, they became more cautious and immediately said, ““How about this, officer? we’ll contact Mr. Sato now. If we can get his permission, we’ll let you through. Is that okay?””

“Zhao Yu thought about it for a moment, then nodded in agreement.”

“Next, the security guard picked up the phone and connected to the top floor. After waiting for more than ten seconds, the other party finally picked up the phone.”

“Then, the security guard quickly explained Zhao Yu’s purpose of visit, and carefully asked Mr. Sato if he had an appointment. Or maybe she knew Zhao Yu ...”

“Looking at this situation, Zhao Yu was about to take the phone and tell Sato why he was here.”

He felt that Hidekazu would agree to his request once Hidekazu knew that he was here for the sunflower case.

“However, the reality was much smoother than he had imagined. The security guard had just explained his purpose of visit when he received Sato’s permission.”

“He put down the phone and said to Zhao Yu, ““Hello, Mr. Sato has agreed. Please follow me! I’ll Take You There. I’m really sorry for making you wait ...””

“Then, the security guard opened a temporary passageway and brought Zhao Yu to the main hall.”

“““It’s not that we don’t trust you ...”” The security guard was still apologetic as he walked to the elevator. “““It’s just that the search department used to take a large group of people. It’s rare for you to be alone!”””

“““I’m not handling a case!”” Zhao Yu emphasized, “““I just want to discuss with Mr. Sato, or ... Remind him ...”””

“““Ahem!”” The security guard nodded his head, his attitude extremely sincere.”

“Soon, he used his security card to open the elevator and selected the floor. Then, he introduced, “““The elevator will take you directly to E Block where Mr. Sato is. After you arrive, you just need to go straight and press the doorbell!”””

“““Oh, then thank you!”” Zhao Yu thanked her politely and walked into the elevator.”

“““Zhao Yu, be careful ...”” At this time, Lee Bencheng’s reminder came through the communication device, “““I think something is wrong, Sato seemed to know that you were coming ...”””

“““I know,”” Zhao Yu said calmly. “““If the situation is bad, remember to come and save me!”””

“““Don’t worry!”” Li Bencheng said, “““I’m looking forward to returning the favor! However, you must act within your means. If there’s really danger, don’t act rashly ...”””

“““Mm,”” Zhao Yu said. “““I know ...”””

Ding dong ...

“The elevator moved very quickly, and they reached the top floor in no time.”

“When they got out of the elevator, they were greeted by a luxurious Hall that was well-decorated.”

“He walked along the elevator, and a magnificent door appeared in front of him.”

“However, unlike what the security guard had said, there were two burly bodyguards in black standing on both sides of the door. Zhao Yu obviously didn’t need to ring the doorbell.”

“The two security guards came in front of Zhao Yu, stretched out their hands, and ordered, “““No weapons are allowed here, please understand!”””

“““Oh ...”””

Zhao Yu had never expected Sato to be so ostentatious. It seemed that he was not an ordinary business tycoon. Perhaps he was in the underworld business.

“However, the guest did as the host pleased. Zhao Yu was bold, and he immediately took out his pistol without hesitation and handed it to one of the bodyguards.”

“After taking the gun, the two bodyguards searched Zhao Yu’s body very professionally. After confirming that there was no danger, they signaled for Zhao Yu to enter the house!”

“The interior of the house was luxurious, but the decoration style was still very Japanese. Zhao Yu saw the tatami as soon as he entered the door, so he had to take off his shoes.”

There were a few bodyguards in black in the room. They stood upright with their hands behind their backs and did not move ...

No way?

Zhao Yu was shocked. Was the security so strict?

Could it be ... Did Hidekazu cause any trouble recently? Was he afraid that someone would come for revenge?

““““Mr. Police officer, please come this way ...”“““

“Suddenly, a person in a white suit, who looked like a butler, waved at Zhao Yu from the far end of the living room.”

Zhao Yu then walked into the living room of the Sato family’s house and saw a middle-aged man with a small mustache sitting on the sofa in the middle.

“Because he had seen the photo, Zhao Yu recognized that this was the owner of the house, Mr. Sato.”

“Hidekazu waited for Zhao Yu to come up to him, then slowly stood up from the sofa and asked,”“Officer, the security guard downstairs said that you have something to tell me. I wonder ... What is it?”“““

Chapter 2603: none of the three

““““No, I didn’t!”“ The next morning, Zeng ke’s helpless voice came from the Special Investigation Group’s office.”“Sister Miao, I’ve looked up Zhang Qile and Zhang Shixiong’s information, but I couldn’t find any related contact between them!”

““““We’re not from the same hometown, not neighbors, not classmates, not friends, not colleagues, and we don’t even have any business dealings. In fact, we don’t even know each other!”

““““One is an artist, and the other is an ambulance driver. The two of them seem to be in two different worlds. I can’t find any intersection point!”“ “

““““It can’t be?”“ Cui Lizhu frowned.”“In that case, could it only be a coincidence?”“ “

““““Zhang Shixiong randomly chose Zhang Qile, and Zhang Qile happened to have drawn a red bathtub before?”“ “

““““No!”“ Zeng ke asked,”“ could it be ... That Zhang Shixiong killed him because Zhang Qile had drawn the red bathtub?”“ “

““““But ...”“ Cui Lizhu waved her hand and said,”“Zhang Shixiong was only 27 years old. At such a young age, he had never been involved in the red bathtub case from 40 years ago. Why would he kill someone for a painting?”“ “

“““Team leader Miao ...”“ At this time, Captain Shao came to report,““Zhang Shixiong’s ex-girlfriend is here. What do you think ...”“ ”

“““Oh, sis Wu interrogated Zhang Shixiong the whole night. Let her rest!”“ Miao Ying ordered,““use your men to interrogate him. Ask for more details and see if his girlfriend knows about Zhang Shixiong and the red bathtub.”“ ”

“““Understood!”“ Captain Shao accepted the order and left. ”

“““Sister Miao,”“ Zeng ke said.”“Although, according to my information, I didn’t find any relationship between Zhang Shixiong and Zhang Qile, that doesn’t mean it’s absolute! ”

“““Today, I’ll send two groups of people down to investigate more carefully!”“ ”

“““Right!”“ “I think so too,”“ Miao Ying said.”“If they didn’t know each other, Zhang Qile wouldn’t have gotten into the ambulance so easily that night!”“ ”

“““Sister Miao, sister Miao ...”“ At this time, Ran Tao Ran over and reported,““we contacted Zhang Shixiong’s teammates who were playing games with him and confirmed his statement. ”

“““Also, the technical team found out the details of his account. It’s just as he said. On the day of the incident, he played League of Legends for the whole day and went offline at Teno’ clock in the evening ...”“ ”

“““I’ve also tracked the IP address, it’s in his house ... ”

“““In addition, we also confirmed through the video that Zhang Shixiong did not go out that day ...”“ ”

“““Alright!”“ Miao Ying smacked her lips and said,““Tao, go and do one more thing, oh no, two things! First, send the forensic Department to Chenyang residence to check it thoroughly, especially the damage to the surveillance cameras. I want to know the details!”“ ”

“““Oh!”“ Ran Tao nodded. ”

“““Second,”“ Miao Ying said,““call Zhang Shixiong’s parents to the police station for questioning. After all, the red bathtub case is an old case. Maybe his parents can provide some clues!”“ ”

“““Yes! “Well ...”“ Ran Tao whispered,““team leader Miao, Zhang Shixiong still goes to his parents ‘house on weekends, so should we search that place?’“ ”

“““Let’s wait a little longer,”“ Miao Ying said.”“Let’s wait for the results from Zhang Peipei’s side!”“ ”

“““Alright!”“ After that, Ran Tao left. ”

“Less than ten seconds after Ran Tao left, Zhang Peipei rushed into the office. ”

“At this moment, Zhang Peipei was undoubtedly the person everyone paid the most attention to. She was surrounded by everyone as soon as she entered. ”

“However, after Zhang Peipei’s report, everyone looked worried. ”

“““No, I didn ‘t!”“ Zhang Peipei said,““we didn’t find Zhang Qile’s hair or skin tissue in Zhang Shixiong’s car. Zhang Shixiong’s house was also ...”“ ”

Hu ...

“The atmosphere suddenly fell, and everyone stopped talking. ”

“If they couldn’t find Zhang Qile’s biological information from these two places, it meant that the police could no longer detain Zhang Shixiong and could only release him. ”

“Of course, this also indicated that the police might have caught the wrong person! ”

Zhang Shixiong was innocent ...

“““But ...”” Zhang Peipei said again,““we found the detergent in the trunk of Zhang Shixiong’s car. He must have cleaned the trunk recently ...”” ”

“““Also, we found some medical supplies at his residence, such as disposable gloves, surgical caps, surgical gowns, and so on ...”” ”

“““This ...”” Everyone looked at each other. ”

“““This doesn’t seem to prove anything, right?”” Cui Lizhu said,““it looks like he wants to clean the trunk and destroy the traces, but he can say that I washed the car normally! ”

“““Also, he drives an ambulance and works in a hospital. It’s normal for him to have those medical supplies, right?”” ”

“““Yup!”” Zhang Peipei said regretfully,““now, we can only place our hopes on the ambulance. The technical team has finished the collection. They found some hair in the passenger seat of the ambulance. There might be hope. I will test it out as soon as possible!”” ”

“““Alright then!”” Miao Ying nodded.““Thank you for your hard work!”” ”

Zhang Peipei handed the report to Miao Ying and turned to leave the office.

“As soon as Zhang Peipei left, Cui Lizhu couldn’t help but complain,““““In my opinion, even if Zhang Qile’s hair was found in the ambulance, it wouldn’t be of any help to the case. ”

“““Because we can’t be sure that the hair must have been left behind by Zhang Shixiong when he was driving.”” ”

“““You can’t say that,”” Miao Ying said.““If we can really find him, it at least means that our previous deduction was correct. Zhang Qile was indeed taken away by the ambulance! ”

“““If the ambulance can’t find anything, it means that we’ve really arrested the wrong person!”” ”

“““No, no!”” Cui Lizhu shook her head and said,““I don’t think so. I think there must be something wrong with this Zhang Shixiong!”” He was just ... Too cautious ... ”

“““Boss said that the more cautious a criminal is, the more likely he will make mistakes. I don’t believe that he has no flaws at all!”” ”

“““Zhang Shixiong and Zhang Qile have no relationship. There is no information about Zhang Qile in Zhang Shixiong’s car and home. Now, we don’t know what these two people have to do with the red

bathub case. These three don't have anything. This is really frustrating!" Miao Ying sighed heavily." "Could there be ... Other possibilities?" " "

" "Sister Miao, we have nothing to do anyway," cui Lizhu suggested." "Why don't we go and see who's asking? Let's see what Zhang Shixiong's ex-girlfriend looks like. " " "

" "Mm ... " Miao Ying nodded. "

"Although they could see the live broadcast on the big screen in the office, Miao Ying and cui Lizhu still wanted to take a walk, so they walked to the interrogation room. "

"The interrogation room was different from the interrogation room, but it was also connected to the monitoring room. As soon as the two entered the monitoring room, they heard the voice of Zhang Shixiong's girlfriend," " "

" "Officer, how is driving an ambulance considered an official job?" The woman said," "how are we going to live with the salary he earns? Although he has two houses, one of them was left behind by his aunt, not theirs ... " " "

" "You ... Have you seen this woman before?" The police officer showed Zhang Qile's photo. "

" "Ah? It can't be, right?" The woman was shocked." "He ... He actually carried me on his back. Did he cheat on me too?" " " "

"After saying this, she knew that she had gone back on her word and quickly covered her mouth. "

" "Please, don't talk so much nonsense, okay?" The police officer pointed at the photo and emphasized," "take a closer look. Do you recognize it?" " "

" "Um ... I don't know her, but ... She looks a little familiar," the woman said as she stared at the photo." "Wow, this woman's bag is so cool. She should be a rich woman, right?" " " "

" "Could it be ... That she'll take a fancy to Zhang Shixiong?" " " "

Chapter 2604: I'm police officer Yu (2)

"Hidekazu wasn't young anymore, so when he stood up to welcome Zhao Yu, his body was trembling a little, like a papinson."

"The most interesting thing was that although Sato was talking to Zhao Yu, he did not look Zhao Yu in the eye. Zhao Yu wondered if it was because of his bad eyesight or some other reason."

"Although Hidekazu was at home, he was still dressed formally as if he was about to meet an important figure."

" "You can just call me officer Yu!" Zhao Yu introduced himself, then explained why he was there. He said that he wanted to know more about the sunflower case from Mr. Sato."

“““What a surprise ...”” After knowing Zhao Yu’s intentions, Hidekazu was surprised.”“That case happened in 1991, right?”” he asked.”

“““The prosecution period has passed, but ... There are still people investigating?”””

“““Yup!”” Zhao Yu said,““I’ve recently received instructions from the higher-ups to re-investigate all pending cases. I’m in charge of the sunflower case!”””

“““Is that so?”” Hidekazu was a little suspicious,““a few days ago, I was eating with the director! Why didn’t I hear him mention it?”””

“““I heard that ...”” Zhao Yu ignored the other party’s reason and complimented Hidekazu,““Mr. Hidekazu was the most responsible and hardworking person in the investigation of this case. So, I came here today to ask you for advice!”””

“““Ahem!”” Hidekazu gestured for them to take a seat and the two of them sat on the sofa.”

“Then, under Hidekazu’s instructions, a servant went to the kitchen to pour tea.”

“Zhao Yu observed his surroundings and found that there were four bodyguards standing in the room. They were on either side of Sato, while one of the other two was in the living room, and the other was in the corridor leading to the bedroom.”

“In addition, the Butler was also standing on the other side, waiting for his master’s instructions.”

Zhao Yu had never thought that an ordinary police officer in the past could have such a presence today!

“““I don’t know where officer Yu heard it from,”” Hidekazu put his hands on his knees and said objectively,““but the truth is, I was only a Deputy Section Chief of the Criminal Investigation Division at that time. I’m not the most hardworking one!””

“““However, I’m also ashamed to say that although we investigated for a long time, we still couldn’t find the murderer. We really let down the expectations of the victim’s family!””

“““I remember that the girl who was killed was very young. Her name was ... Xinjia of Ping Cheng, right?”””

“““Yes,”” Zhao Yu said.”“Since you still remember, I won’t beat around the bush. We’ve investigated a few people who knew about it, and they all mentioned that before the victim was killed, she was very close to a foreign man. I wonder if you know about this?”””

“““Oh? Are they foreigners?”” Hidekazu tried his best to recall and asked,““what ... What kind of foreigner was he?”””

“““A white man with curly hair, about 1.85 meters tall, driving a luxury car ...”” Zhao Yu described the man’s information.”“A witness saw that Ping Cheng’s Xinjia got out of his car, and the two of them acted very intimate!”

“““But we didn’t see such an important suspect in the file. I wonder why?”””

“““Oh ... I remember now. Indeed, there was such a thing ... Right ...”””

“For some reason, Mr. Sato’s eyes were shifty when he spoke. He seemed a little absent-minded as if he was waiting for someone.”

“”“Oh? You still remember?”“ Zhao Yu was pleasantly surprised.”“That foreigner, who is he? Why was his name erased from the dossiers?”“”“

“”“Well ... The Prime Minister’s Office has given the approval. Can we disobey?”“ Hidekazu showed a bitter expression.”

“”“Ah?”“ Zhao Yu was even more surprised.”“This person, is he that powerful?”“”“

“”“Who is he? how would we know?”“ Hidekazu calmed himself down and said,”“back then, when I was investigating the case, I was also in charge of investigating this person’s information. However, I haven’t even started yet!”

“”“The higher-ups sent an order for me to stop investigating this person! I still remember that the car he drove was a Lincoln. That car ... I think it was given to us by the US President during his visit ...”“”“

“”“No more investigation, why not?”“ Zhao Yu was even more curious.”

“”“Because that person can’t be the murderer!”“ Hidekazu said,”“the time of Xinjia’s death was between 9 p.m. And 11 p.m. At that time, that person was attending a banquet at an city’s Hot Springs Resort, which was hundreds of kilometers away. Even the Prime Minister can testify for him!”“”“

“”“Oh? It’s actually ... Like this?”“ Zhao Yu frowned.”“Don’t you think it’s strange? Since there’s nothing wrong with this person, why don’t you write his name on the dossiers?”“”“

“”“Celebrity, celebrity effect ...”“ Hidekazu said.”“I didn’t understand it at first, but later I understood. Celebrities like them need to be decent and have no scandals. If that person’s name is related to a murder case, then it will affect his reputation ...”“”“

“”“Besides, we still have to negotiate with the Embassy. It’s very troublesome, so we don’t have any records of him ...”“”“

“”“Then ... Since he’s such a Big Shot,”“ Zhao Yu asked again,”“Mr. Sato, you must have some speculation?”“ Do you know who he is?”“”“

“”“No, I don’t know ...”“ Hidekazu shook his head and said,”“the higher-ups said that he is fine, so he is fine! Although I’ve tried to guess his identity, the country is so big and there are so many important people. It’s impossible to guess ...”

“”“Besides, these big shots are sometimes not famous celebrities. They may be special envoys or secret envoys sent by other countries. We, the small police officers, have no chance of coming into contact with them ...”“”“

“”“Oh?”“ Zhao Yu pondered for a moment, then asked,”“so, regarding the sunflower case, do you have any other speculations? Back then, did you find any other suspects?”“”“

“”“We’ve investigated many suspects, but we’ve ruled them out!”“ Hidekazu replied,”“as for that case, we didn’t think it was a case at first because the characteristics were obvious. We thought it would be a serial murder!”

““““But, we didn’t find any other similar cases, and after that, there were no similar cases ...”“”

““““By the way, if you want to talk about speculations, I remember that our Section Chief thought that the sunflower case might be related to some evil cult, because at the scene of the crime, some things like white candles or charcoal were found!”

“Hidekazu then said,“““it feels like the murderer performed some kind of sacrificial ceremony when he committed the crime ... But, there aren’t many clues left at the scene, so it’s difficult for us to find out ...”“”

““““I still remember that for this, we consulted many experts in the sect and asked if they had similar blood sacrifices or legends, but we didn’t find anything ...”

““““In the end, because of the sunflowers and the missing left ear,““ Hidekazu said,“““it was labeled as Van Gogh’s murder case by the newspaper, and it was spread all over the country. Seriously ...”“”

Chapter 2605: more and more suspicious

““““Yes, he’s a typical otaku. He’s a blockhead. I don’t even know what I saw in him back then.”“” In the interrogation room, Zhang Shixiong’s ex-girlfriend continued to talk about her views on Zhang Shixiong in a Philistine manner.“““I thought that his parents were both educators from a family of scholars, so it would be good for him to have a bit of literary temperament. ”

““““But he just loves to play games, and he can forget everything when he’s playing. How can I continue to date such a person?”“” ”

““““Zhang Shixiong ... Well ...”“” The police officer in charge of the questioning asked cautiously,“““did he talk to you about the red bathtub case?”“” ”

““““Ah? Red bathtub? “““It’s a mess,““ the woman said in a Cantonese dialect.“““You caught him, don’t tell me...Don’t tell me it’s because you suspect him of being a murderer? ”

““““Monkey Man (impossible)! “““That’s impossible,““ the woman said, waving her hand.“““Although Zhang Shixiong works in the hospital, it’s absolutely impossible for him to kill someone!”“” ”

““““He’s a coward, he doesn’t even dare to watch, let alone kill ...”“” ”

““““Sister,““ the police officer said in Cantonese,“““I’m not asking you this question. Try to recall if Zhang Shixiong has ever talked to you about the red bathtub.”“” ”

““““Red bathtub ... We ... Um ...”“” She rubbed her temples hard and thought for a moment before saying with uncertainty,“““we’ve watched TV shows together and talked about it ... But ... It doesn’t seem to be anything special, right?”“” ”

““““Think again ...”“” The interrogator reminded him.“““What did he say to you at that time?”“” ”

“““The killer is a foreigner. This case is well-known in Yunzhou, but at that time, we weren’t even born yet ...”” The woman said vaguely.””Zhang Shixiong liked to watch it. I remember that I saw an old photo of the red bathtub in his notebook or computer ...”” ”

“““But ... That’s all ... There’s really, really nothing special ...”” ”

“““An old photo?”” The interrogator was puzzled.””Why would the old photo be in the notebook?”” ”

“““Oh, that’s true!”” The woman tried to recall.””That is ... On the computer!”” ”

“““Which computer is it on?”” The interrogator asked. ”

“““You must have thrown it away long ago, right?”” The woman said,””Zhang Shixiong is very stingy with me. He’s very generous when it comes to changing computers. I often criticize him. I’m just his little girlfriend, and the computer is his big girlfriend ...”” ”

“When they heard the news, Miao Ying and cui Lizhu, who were in the monitoring room, looked at each other. Cui Lizhu quickly took out her phone and wrote it down. She would definitely check Zhang Shixiong’s computer later. ”

“““Then ...”” The interrogator asked again,””how much do you know about Zhang Shixiong’s family and work? Tell us about it!”” ”

“““Oh ... Okay, okay. I have to say that his parents are very good people. They are honest and kind ... After we broke up, they even came to me and begged me to get back together with Zhang Shixiong ...”” ”

“Just like that, the woman continued to tell them everything she knew. Miao Ying and cui Lizhu stopped for a while, feeling that there wasn’t a lot of information, and then they walked out of the monitoring room. ”

“““Sister Miao, it’s almost time,”” cui Lizhu said, looking at her watch.””If there’s only this little evidence, we have to let her go!”” ”

“““I know,”” Miao Ying said.””It doesn’t matter. Let’s follow the procedure first! Although he had been released, he had to be watched at all times. Xiao Cui ... You’ll be in charge of this! ”

“““If Zhang Shixiong is really the murderer, then this person is very scheming and not easy to deal with!”” ”

“““I understand. Don’t worry, I’ll definitely keep an eye on him! ””But ...”” Cui Lizhu said worriedly,””sister Miao, have you ever thought about the possibility that Zhang Shixiong is not the red bathtub killer? that would be a big problem! ”

“““In that case, it is likely that a new red bathtub case will happen, and that would be ...”” ”

“““Tsk tsk ...”” Miao Ying was worried about this as well. She was also starting to lose her mind. ”

“After handling cases for so many years and experiencing so many ups and downs, in the past, after locking on to a suspect, they could basically judge whether the suspect was a criminal! ”

“However, the situation that Zhang Shixiong had reflected was still uncertain. ”

“Although Zhang Shixiong seemed to be related to Zhang Qile’s murder and the red bathtub case, they had not found any substantial evidence after such a long investigation! ”

[What ... Is going on?]

Could it be ... That he really wasn’t the murderer?

“The two of them were about to return to the office, but as they were walking, Miao Ying pulled Cui Lizhu to the other side of the corridor. ”

“Cui Lizhu had wanted to ask, but she thought about it and suddenly understood. ”

On the other side of the corridor was a regular interrogation room. A person was detained in the interrogation room. It was Zhang Shixiong!

“Miao Ying and Zhao Yu knocked on the door, and a police officer immediately opened the door and welcomed them in. ”

“At this time, Wu Xiumin, who had been fighting for a long time, was also in the monitoring room. After seeing Miao Ying and Cui Lizhu, Wu Xiumin shook her head and sighed, ” ”

“““This Zhang Shixiong is really hard to guess, ” ” Wu Xiumin said, pointing to the still picture on the screen. ” ” From some of his subtle movements, Zhang Shixiong seems to be extremely nervous, and he should be trying to hide something! ” ” ”

“““But, his answer was flawless ... ” ” Wu Xiumin said regretfully. ” ” If we didn’t have any evidence, we would have had to let him go at 12 noon! ” ” ”

“““Well ... ” ” Miao Ying didn’t say much, but came to the one-way glass and carefully observed Zhang Shixiong in the interrogation room. ”

“At this moment, Zhang Shixiong was extremely exhausted. He was resting on the table. It was unknown if he was pretending or really asleep, but he didn’t move at all ... ”

“““Then, ” ” Wu Xiumin continued, ” ” I will do a complete data analysis based on Zhang Shixiong’s confession to see if this person is lying! ” ” ”

“““I think, ” ” Cui Lizhu said, ” ” if Zhang Shixiong is really the murderer, then ... What about the weapon? ” ” What about the sacrificial items? What about Zhang Qile’s personal belongings? ”

“““After killing someone, shouldn’t he be dealt with? ” ” So, ” ” Cui Lizhu said, ” ” let’s continue to use the surveillance cameras to watch him and see where he went after that. ”

“““If we can find those things, won’t we be able to solve the problem? ” ” ”

“““Tao is working on it, but ... ” ” Miao Ying shook her head and said, ” ” Zhang Shixiong drove an ambulance. Those things could be taken care of in his spare time, or even during working hours. It’s too difficult to find them! ” ” ”

“““Besides, we can’t be sure if Zhang Shixiong is the murderer ... ” ” ”

“““No matter how difficult it is, we still have to investigate!”” Cui Lizhu said, ““boss said that even if there was a one in a million chance, we must fight for it!””

“““He might come out one day, we can’t be looked down by him! It can’t be that we can’t solve the case without him, right?”” ”

“““En!”” Miao Ying nodded and said, ““I’ll ask brother Tao to send more people to follow up on the investigation!””

“““Also, I’ll apply for a search order later. Let’s search Zhang Shixiong’s parents’”” house as well! And his unit ...”” ”

“““Alright!”” Cui Lizhu said, ““after Zhang Shixiong is released, I’ll be in charge of keeping an eye on him!”” ”

Di di ... Di di ...

“At the critical moment, the phone would ring.”

Miao Ying opened the phone and saw that it was Zeng ke.

“““Hello, team leader Miao,”” Zeng ke’s excited voice came from the other side of the phone.””A miracle happened!”” Do you still remember Zhang Qile’s ex-boyfriend, Ma Jia?”” ”

“““Oh? What’s wrong?”” Miao Ying was surprised, not knowing why Zeng ke had mentioned this person.””

“““We just sent him a photo of Zhang Shixiong,”” Zeng ke said.””Ma Biao said that he saw Zhang Shixiong seven years ago!””

“““Moreover, at that time, Zhang Shixiong and Zhang Qile seemed to be arguing about something. So, Zhang Shixiong and Zhang Qile, the two of them might know each other!”” ”

Chapter 2606: I’m police officer Yu (2)

“““I forgot which direction it was. The corn field is gone. Oh no, I’m wrong. It’s ... It’s sunflowers,”” Hidekazu stammered.””I’m sorry, you don’t see any sunflowers in Tokyo these days ...”””

“““However, I can remember that the crime scene was very close to the village. So, Xinjia from Ping Cheng should have been attacked on his way home from work. He was then dragged by the robbers more than 200 meters into the sunflower field before the murder was carried out!””

“““That era, that place was very remote,”” Hidekazu recalled.””We investigated almost all the residents of the village, but we found nothing ...”””

“““Then ... What about human relationships?”” Zhao Yu asked again, ““does Ping Cheng’s Xinjia have any enemies?”””

““No,”” Hidekazu said with certainty. ““That little girl is a kind person, sunny, and loves life. She has a good relationship with her family and friends ...”””

““Then ... Is there anything left behind from that case? For example, using the remaining white candles and charcoal?”” Zhao Yu asked again.”

““I don’t know about that. It should be sealed in the archives, right?”” Hidekazu replied with uncertainty.”

““Then ... What about the murder weapon? Also, the crime scene was a field of sunflowers, could there be no footprints?”” Zhao Yu continued to ask.”

““Yes, there are footprints. It’s impossible not to leave any footprints on that soft ground,”” Hidekazu said. ““We have extracted several complete footprints. We suspect that the murderer is a man between 1.80 to 1.85 meters tall, and he weighs about 180 pounds, but we didn’t find any fingerprints.”””

““In that era where technology was not yet developed, footprints and fingerprints were the most important means ...”””

““Ping Cheng’s Xin Jia was working at a real estate company at that time,”” Zhao Yu asked again, ““have you investigated her colleagues and leaders?”””

““Of course we investigated,”” Sato said. ““There were only a few male employees who met the requirements, and they all had alibis, so they were all ruled out ...”

““Mm ... Officer Yu ...”” Sato recalled for a moment and said, ““at first, when we were analyzing the case, we reached a consensus that the sunflower case gave us the feeling that it was more like a random crime!”””

““Oh? Randomly commit crimes?”””

““Yes,”” Hidekazu said. ““The murderer’s goal was to kill a girl in the sunflowers. That day, he just happened to run into Xinjia of Ping Cheng, who was coming home from work late at night!”

““The remains of a ritual, the cutting of an ear, an X-shaped wound, and no signs of invasion. These are all typical symptoms. The murderer seems to be completing some kind of murder ritual!”

““That’s why I mentioned to you before that we suspected this might be a serial murder case ...”””

““Oh ...”” Zhao Yu nodded silently. His analysis made sense.”

“After all, he had already learned that a similar case had happened in han city, Korea, in the same year.”

“If it could be confirmed that it was done by the same person, it could be said that Ping Cheng’s Xin Jia was just one of the International serial murders!”

“Therefore, the investigation of the interpersonal relationship of Ping Cheng’s Xin Jia was no longer important!”

“If that was the case, then the difficulty of solving this unsolved case would increase greatly. If the murderer moved to another country after the murder, how could the case be solved?”

““““In that case ...”” Zhao Yu pondered for a moment, then asked,““““excuse me, do you know anyone who knows the identity of the foreigner?””

““““I’m thinking that even if the foreigner is not the murderer, he has a close relationship with Ping Cheng’s Xin Jia. Perhaps he can provide some clues?””””

““““I’m afraid that’s very difficult,””” Sato said.““““At that time, only the director, the director, the Prime Minister’s Office, and the Prime Minister himself knew the identity of the foreigner!””

““““However, most of these people are no longer around. If you want to know the identity of the foreigner, I’m afraid ... You’ll have to ask the Prime Minister at that time, right?””””

““““Oh, alright!””” Zhao Yu nodded and said,““““no matter what, I still have to thank you for the information! I’ll continue to work hard to solve this case ...””””

““““Okay.””” Sato got up from the sofa and shook hands with Zhao Yu.““““I also hope to see the murderer being brought to justice in my lifetime ...””” He said.”

Eh?

“At the moment of shaking hands, Zhao Yu suddenly realized that Sato’s fingers were not very obedient. While they were shaking hands, Sato’s fingers made a few deep cuts on Zhao Yu’s palm.”

Oh ...

No way?

“Zhao Yu’s senses were sharp, and he immediately noticed Hidekazu’s abnormality. Hidekazu had drawn an English ““S”” on his palm!”

S.....

SOS?

Could it be ...

Pfft ...

“In the end, just as Zhao Yu was about to let go, Sato’s head burst out with blood, and his dead body fell to the ground!”

What the f * ck?

“Zhao Yu was shocked, and he immediately put on the invisible bullet proof suit.”

“When he looked up again, he saw that the person who fired the gun was none other than one of the bodyguards who had been standing behind the sofa!”

Why?

How did this happen?

“Zhao Yu looked at Sato, who was lying on the ground. He was obviously dead! Fresh blood flowed out and dyed the tatami red ...”

“Earlier, Zhao Yu had used his invisible detector and found that all the bodyguards in the house were armed.”

“Moreover, he noticed something amiss through Hidekazu’s evasive gaze and nervous speech.”

“However, he did not think of anything else. He only thought that Hidekazu had gotten into trouble, was being held hostage, or was about to carry out an important operation.”

“However, he had never thought that Hidekazu would be killed by his men in an instant!”

“From this point of view, could it be that these people were not Hidekazu’s men?”

“As expected, after Sato was killed, the four bodyguards in the room immediately surrounded Zhao Yu and aimed their guns at him!”

“Zhao Yu was wearing a bullet proof suit, so of course he had the ability to fight back immediately.”

“However, the situation was so sudden, and out of a detective’s curiosity, he stood still.”

“The next second, the Butler, who had been standing in the distance and looked harmless, suddenly walked over to Zhao Yu.”

‘F * ck ...’

The Butler’s face darkened and he turned into a demon in the blink of an eye!

“““What ... What’s going on?”” Zhao Yu asked in Japanese, ““is there a misunderstanding?”””

“““Yes, I also think that there is a big misunderstanding between us,”” the Butler said in fluent Chinese. He stared at Zhao Yu and said, ““Mr. Zhao Yu!!!”””

Fine ...

Zhao Yu’s heart sank. It was obvious that the other party was after him!

I really didn’t expect them to use such a method. Isn’t this a little too Grand?

“However, Zhao Yu knew very well that if the other party’s purpose was only to kill him, then they wouldn’t even need to talk so much nonsense with Sato. They could have killed him the moment he entered the room.”

“Therefore, now that he was still safe, he could take advantage of this opportunity to gather some information.”

“““Officer Yu, that’s a pretty good name!”” The housekeeper came to Zhao Yu and stared at him. ““You’re really a famous detective. You arrived a day or two earlier than we expected!””

“““We thought that we would only meet tomorrow or the day after!”””

“““Yup! ““Haha ...”” Zhao Yu laughed and said casually, ““I thought you Yakshas were all dead, and we would never meet again!”””

Whoosh ...

“As soon as Zhao Yu said this, the atmosphere in the room suddenly became tense and oppressive, and everyone’s faces changed color.”

Chapter 2607: -ominous premonition

“““I’m very good at recognizing people. Although I’ve only seen him once, I have a deep impression of him. And ...”” Ma Jia’s voice recording came from Captain Shao’s phone.””At that time, I hadn’t broken up with Zhang Qile yet! He’s talking to Qi le like that, I should at least pay attention to him, right?”” ”

“““Then ...”” The police officer asked,”” can you tell us the details of the situation?”” ”

“““Oh ... It’s very simple,”” Ma Jia said.””Zhang Qile and I went to see an art exhibition. Outside the cultural Palace, when I went to buy water, I saw a handsome young man stop Zhang Qile. This young man was the one in the photo! ”

“““At that time, he looked very angry. As soon as he rushed out, he started arguing with Zhang Qile. There were quite a lot of people, and I only heard things like ‘who am I’ and ‘you shouldn’t treat me like this’ ... ”

“““Think about it. When I saw this situation, of course I couldn’t just sit back and do nothing. So I rushed up and grabbed his collar,”” Ma Jia said.””I wanted to ask him clearly and then beat him up, but Zhang Qile pulled me away! ”

“““Later, Zhang Qile explained to me that the man was her neighbor and that there was something wrong with his brain. I didn’t know if he was trying to court her or something else, but he was very annoying ... ”

“““Of course, I’m not an idiot. Of course, I don’t believe Zhang Qile’s explanation. But, I understand Zhang Qile’s temper. If I continue to ask, I’ll only end up asking for trouble! ”

“““At first, I went along with what she said and wanted to argue with that young man, but Zhang Qile persuaded me that she was going to move soon, so it wasn’t worth it, and then...We just let it go!”” ”

“““Are you sure that Zhang Qile said that the man was her neighbor?”” The police officer repeated and asked,””Zhang Qile, where were you staying at that time?”” ”

“““Oh, she lived on road of success,”” Ma Jia said without hesitation.””At that time, she had just graduated and didn’t have a good relationship with her family. She also found the rental house expensive, so she rented a house there with her two roommates! ”

“““However, they didn’t stay for long. Not long after, Zhang Qile sold all of his paintings. With the money, he moved out and rented his own house!”” ”

“““Then ...”” The police officer asked,”” can you tell me how long she has been living there?”” ”

“Seven years ago, about half a year?” Ma Jia said, “in general, it wasn’t a particularly pleasant stay. She always complained that her roommates often brought men back home, and the water supply often stopped ...”

“Can you tell me the exact location and the unit number?” The police officer asked again. ”

“Okay, okay, I should be able to remember,” ma su recalled. “It should be No. 153, road of success. Yes, that’s right!” At that time, I often went to pick her up on my motorcycle. There were two beautiful women in the house, so it was not convenient for me to go in. I could only wait at the door, so I remembered the house number clearly ...”

“Upon hearing this, Captain Shao turned off the recording on his mobile phone and said, “There’s no more important information after that! Team leader Miao, it seems like Zhang Shixiong and Zhang Qile are related?”

“What am I? “You shouldn’t have treated me like this ...” Cui Lizhu repeated the words in the recording and said, “only close people would say such things. So ... Their relationship must be more than just a normal relationship!”

“Neighbor, she’s actually a neighbor ...” Zeng ke rubbed his forehead and said gloomily, “in Zhang Qile’s information, there was no information that she had lived on success road, so ...”

“Zeng ke, hurry up and check on number 153!” Miao Ying said, “if I remember correctly, No. 153 should be the opposite of Zhang Shixiong’s house. It’s also a small two-story building ...”

“Yes!” Zeng ke agreed. ”

“And the two girls that Zhang Qile rented together,” Miao Ying said. “Find out more about them. If they are really Zhang Qile’s neighbors, then they should know more!”

“Yes!” Zeng ke promised again. ”

“Why do I feel like ...” Cui Lizhu swallowed her saliva and said, “that teacher Ma Jia must have been made a cuckold at that time?”

“Zhang Qile is such an open-minded woman. Could it be that ... She had sex with Zhang Shixiong? “Don’t say ...” Cui Lizhu murmured. “Zhang Shixiong is so good-looking, he’s really handsome!”

“Yeah,” Captain Shao agreed. “Maybe, Zhang Qile and Zhang Shixiong had sex. To Zhang Qile, it was just a very normal thing, but to Zhang Shixiong, who had just started to love, it was completely different!”

“Seven years ago, Zhang Shixiong was only 20 years old!”

“Right! “Yes ...” Cui Lizhu said. “It’s a common scene in movies. Zhang Shixiong took Zhang Qile seriously, thinking that Zhang Qile had deceived her or betrayed her. So, after losing contact with her, he made Zhang Qile his target for revenge!”

“Wait!” Miao Ying’s eyes suddenly lit up. “Do you remember Zhang Qile’s Red bathtub painting? That painting was also painted seven years ago, and Zhang Shixiong moved into his aunt’s house seven years

ago. It was also seven years ago that Zhang Shixiong went to argue with Zhang Qile. Could it be that the dispute between them ... Was not just because of their feelings?" "

""It can't be?" Cui Lizhu tried to keep up with the rhythm and said, ""sister Miao, you mean that the reason why Zhang Qile drew that painting was related to Zhang Shixiong? "

""But, Zhang Shixiong is just a little brat. How could he be related to the old case of the red bathtub?" "

""I've checked," Zeng ke said. ""Zhang Shixiong's family really has nothing to do with the red bath tank case from 40 years ago!" "

""I ... I have a bad feeling about this ..." "

"Suddenly, Miao Ying thought of something important. She walked in front of the whiteboard and began to carefully observe the information recorded on it. "

""An ominous premonition?" Cui Lizhu pouted and said, ""don't scare me. Are you trying to say that there will be a second red bathtub case?" "

""It shouldn't be, right?" Captain Shao was shocked. ""We have found the relationship between the suspect and the victim. Now it seems that Zhang Shixiong is the most likely red bathtub killer, right?" "

""Yeah?" Cui Lizhu was puzzled and asked Miao Ying, ""although he is about to be released, as long as we keep an eye on him, how can he do anything?" "

""No... No..." Miao Ying shook her head and said, ""I didn't mean that when I said it was an ominous feeling! It's not something that's about to happen, but ... Something that has already happened!" "

""It already happened? What's happening?" Cui Lizhu was even more confused. "

""We searched Zhang Shixiong's house," Miao Ying said, looking at the whiteboard. ""That house was left behind by his aunt. The house has never been rented out, and it has been cleaned and repaired by Zhang Shixiong's parents. Then ... Seven years ago, Zhang Shixiong moved in!" "

""Then, Zhang Qile drew that painting ... "

""Don't tell me ... You guys didn't notice a problem?" Miao Ying turned around and looked at Cui Lizhu and Captain Shao. "

""Problem? What's the problem?" Cui Lizhu asked. "

""Where are his aunt's things? Why ... Did we not see a single thing?" "

Chapter 2608: awkward lobbying

""Amazing ..."" The Butler, who was wearing a white suit, still stared at Zhao Yu and said, ""you guessed it so quickly?" "

““Hmph!”” Zhao Yu smirked. ““I didn’t guess it, I was just bluffing. I didn’t expect that I would be right!”” ”

““Bluffing?”” Although the other party spoke fluent Chinese, he did not seem to have a deep understanding of the words ““Bluff”” and ““Meng”” . ”

““Alright, since your identity has been exposed, let’s stop talking nonsense!”” Zhao Yu said, ““tell me, what do you want to know?”” ”

“Although Zhao Yu said that, he actually wanted to take the opportunity to find out more. ”

““Before I came here, someone warned me that you were an extremely difficult person to deal with,”” the Butler narrowed his eyes and said fiercely. ““It seems that I really can’t be careless!”” ”

““You talk a lot of nonsense. Haven’t you heard that all villains die because of your long-winded talk?”” Zhao Yu urged, ““hurry up, if you have something to say, say it. I’m quite busy, I still have to investigate the case!”” ”

“.....”

“Zhao Yu’s unconventional moves caught the other party off guard, and he couldn’t recover for a long time. ”

““Don’t tell me that this is another cliché story.”” Zhao Yu glanced at the Butler and said, ““you and the Dragon King are good friends, and you’re taking revenge for him!”” ”

““Or, if you want to get top-secret information from me, can you get something new?”” ”

““You ... Um ...”” The Butler finally panicked and shouted in English, ““hey, can we speak English?”” ”

“After saying that, he suddenly realized that they were holding guns in their hands, so how could Zhao Yu have stolen the limelight? ”

““B * stard,”” the Butler scolded, then said to Zhao Yu fiercely, ““you’re overthinking it. We’re not killing you, we just want to torture you!”” ”

“After saying that, he gave a look, and one of his men immediately took out a syringe. ”

Their intention was obvious-they wanted to drug Zhao Yu.

““No way? You’re Yakshas, how come you’ve become so low-class and boring?”” Zhao Yu expressed his helplessness. ““Is there nothing more advanced?”” ”

““You ... You have a really foul mouth!”” The Butler cursed again and motioned for his men to come forward and inject Zhao Yu. ”

““Wait a moment!”” Zhao Yu shouted, then raised his head and said, ““you guys can’t be that stupid, right? Haven’t you realized that you’ve been used?”” ”

““Fake,”” the Butler was going crazy, ““what do you want? You just said that villains die because they talk too much! Don’t you talk a lot?”” ”

“““Listen, listen,”” Zhao Yu said.““I’ll tell you, listen, isn’t that right? If I’m wrong, it’s not too late for you to kill me!”” ”

“““Oh? Oh?”” The Butler didn’t understand.““What do you mean?”” ”

“““Alright,”” Zhao Yu had no choice but to switch the translator to English mode, then explained to him,““you used to listen to londee. Now that londee is dead, you must have been sent by your successor to arrest me, right? ”

“““But Did you know? Why did I come here? Because it was the inheritor who led me here, and he also revealed to me that you were lying in ambush here! ”

“““That’s why I knew who you were the moment I came up!”” ”

“““You ... Are you a lunatic?”” The Butler and his accomplices were all dumbfounded. The Butler glared at them with his blood-red eyes and said,““you knew we were lying in ambush here, yet you still came to die?”” ”

“““No, that’s not true. I’m not here to die,”” Zhao Yu lied.““Of course I’m prepared. I’ve already set up a sniper. If any of you dare to move, you’ll be shot on the spot!”” ”

“The moment he said that, the robbers were shocked and looked out of the window vigilantly. ”

“There was indeed another tall building outside the window. If there was really a sniper, he could really shoot into the room. ”

“““Is that so?”” However, the Butler didn’t believe him. He took a step forward and said fiercely,““since you know that we are Yakshas, you should have known that we are not unprepared!”” ”

“““Idiot,”” Zhao Yu had a bullet proof suit on him, and with Lee Bencheng backing him up, he was naturally not afraid. He continued,““my point is not to compare who is better prepared, but why should we be led by the nose by others? ”

“““All of you should already know that londee’s successor is reshuffling, right? ”

“““He’s trying to use me to kill you all!”” ”

“““You’re really full of yourself. No wonder people call you a crazy detective,”” the Butler said.““Why can’t we just use our hands to kill you?”” ”

“““Fuck!”” Zhao Yu was so angry that he cursed,““at a time like this, you’re still fussing over these useless words? More importantly, we were all used! ”

“““Can’t our two families cooperate? Why are you willing to be their lackeys? After you kill me, you will be immediately killed by your inheritors! ”

“““I’m here to save you! I’m sincerely trying to save you!”” ”

“““ ...”” This time, the Butler was speechless again, and the other assassins at the scene also looked embarrassed. ”

“““Oh ...”” Suddenly, Zhao Yu understood something and asked in surprise,““so, you are all soldiers?”” You can’t make the decision? ”

“““Then hurry up and call your boss over. Let’s discuss the cooperation, okay?”” ”

* Squeak ... *

“Just as Zhao Yu was trying to persuade them, he suddenly heard an ear-piercing sound. ”

It was only then that he realized that the communication device that he had been hiding in his ear had not sent him any messages for a long time.

“Logically speaking, he should be able to hear li Bencheng’s voice since the communication device was always on. However, after such a long time, why didn’t li Bencheng say anything when the Sato family was in such a state? ”

Could it be ...

F * ck!

Zhao Yu then realized that his communication device’s signal had been blocked.

In that case ... The signal was blocked by the Yaksha?

“However, Zhao Yu found that the Butler and the killers had also covered their ears subconsciously. It seemed that their signal had also been interfered with. ”

“In the end, just as Zhao Yu was about to say something, the glass of the floor-to-ceiling window shattered! ”

A bullet accurately hit the confused Butler!

“The bullet was sharp, and the Butler fell to the ground, dead on the spot! ”

Whoosh ...

“As soon as the Butler died, the room was in chaos. The bodyguards, who were confused, could only think that it was Zhao Yu’s men who had fired the first shot! ”

“So, they also pulled the trigger and shot at Zhao Yu. ”

“At such a close distance, it was impossible for Zhao Yu to Dodge, but he had an invisible bullet proof suit on him, so there was nothing to be afraid of. ”

He leaped like a fish and hid behind the sofa.

“At that moment, the sniper rifle outside rang again! ”

The bullet pierced through another French window and killed a killer on the spot!

“Immediately after, the sound of the sniper rifle rang out again and again, causing the house to be in chaos. The killers no longer dared to show their heads and all found cover to hide. ”

“It shouldn’t be ... Li Bencheng, this grandson, right? ”

“Although the sniper didn’t intend to shoot at him, Zhao Yu recalled that it was impossible for li Bencheng to have a sniper rifle. ”

“And even if he did, he wouldn’t have fired so rashly, right? ”

What ... What the hell was going on?

Chapter 2609: Premonition came true (1)

“At 10 pm, in the interrogation room of the Yunzhou police station.”

“””My aunt ‘s?”” When the interrogator asked this question, Zhang Shixiong was stunned at first, then he lowered his head and pondered. Finally, he said,””my aunt’s things should be with my parents, right?””

“””When we moved ... I might have gotten rid of some ...”””

“””Then ... What did your aunt leave behind?”” The interrogator asked again.”

“””Oh, they’re all things from my old age. A comb, a cheongsam, and some photos!”” Zhang Shixiong replied,””my aunt used to work for a foreign company and her income was very high. She even knows some celebrities in Yunzhou and has taken photos with many big shots!””

“””Officer, I don’t understand. What do you want to know?”” Zhang Shixiong asked timidly,””why are you so interested in my aunt again?”””

“””Also, how long are you going to detain me? when can I leave? I still have to ... Go to work!”””

“””Zhang Shixiong, don’t you know your own situation?”” The interrogator placed Zhang Qile’s photo in front of Zhang Shixiong and said sternly,””I’ll ask you one more time. Do you know this woman?”””

“””This ...”” Zhang Shixiong was stunned for a moment. After looking at the photo carefully, he replied timidly,””I just think this woman looks familiar, but I really don’t know her.”””

“””You still say you don’t know her? tsk tsk ...”” The interrogator shouted.””We have found evidence that not only do you know this woman, but you also have an unusual relationship with her!”””

“””One day seven years ago, someone saw you and Zhang Qile arguing outside the cultural Palace. You even said things like ‘who am I’. Don’t tell me you don’t remember?”””

“””What? A woman ... From the cultural Palace?”” Zhang Shixiong took another look at the photo and said,””is this the woman in the photo? Are you sure ... It’s me?””

“””Why ... Why don’t I have any impression of it?”””

“In the monitoring room, cui Lizhu couldn’t stand it anymore. She pointed to Zhang Shixiong behind the one-way glass and said,”””Dodging eyes, twitching eyelids, trembling hands, and stuttering-these are all typical lying characteristics!””

“Zhang Shixiong definitely knows Zhang Qile. He ... He doesn't dare to admit it because he's afraid that we'll find out about their relationship and assume that he's the red bathtub killer!”

“You're right, but ...” Wu Xiumin shook her head and sighed. “It doesn't help the case!” If Zhang Shixiong insisted that he didn't know Zhang Qile, then we wouldn't be able to make a judgment based on ma SU's memories from seven years ago!”

“Where are the two girls that Zhang Qile is living with?” Cui Lizhu asked anxiously, “did you find it? Those two people must know something, right?”

“I found it, I found it!” Captain Shao said regretfully, “the two girls are now abroad. We just had a video call, but the two girls claimed that they don't know Zhang Shixiong!”

“Also, they don't have any impression of the neighbor who lived opposite them back then ...”

“No way? So unreliable?” Cui Lizhu was depressed. “Zhang Shixiong is also a handsome guy. Don't you remember him?” Or are these women neighbors who are nocturnal and can't be worshipped?”

“...” Wu Xiumin wiped her sweat and reproached, “cui, can't you say less?”

“Captain Shao,” Miao Ying ordered, “send Zhang Shixiong's photo to everyone who knows Zhang Qile and see if anyone else can recognize him.”

“Yes!” Captain Shao accepted the order.”

“Wu Xiumin,” Miao Ying said to Wu Xiumin, “go through the formalities and let her go!” “Cui,” she said, pointing at Cui Lizhu. “You go and keep an eye on them!”

“Yes!” The two of them answered in unison.”

“At this time, the door of the monitoring room was pushed open, and ran Tao's voice came from outside.” Team leader Miao, team leader Miao, the search of Zhang Shixiong's parents' house has been completed, but we didn't find anything directly related to the case. The forensics department found some hair, and they're already doing a test!”

“And,” he pointed in another direction and said, “Zhang Shixiong's parents have been invited. They're in the interrogation room, um ...”

“Miao Ying looked around and found that everyone was busy with their own work, so she nodded and said, “Alright, I'll ask him personally!”

“A few minutes later, Miao Ying came to the interrogation room and saw Zhang Shixiong's parents.”

“The two old men were obviously very worried. As soon as they met, they anxiously asked what had happened to Zhang Shixiong. Is it important?”

“Seeing how anxious the two elders were, Miao Ying had no choice but to give them a formal explanation, saying that the police were only looking for her to investigate the case.”

“Zhang Shixiong's parents looked more honest. They kept their heads down and their faces were full of worry, but they didn't dare to talk.”

“““Don’t worry!”” Miao Ying said,““we just want to know more about the situation. May I ask ...”” The first victim was obviously the victim, so Miao Ying took out Zhang Qile’s photo and asked,““have you seen this woman?””

“Upon hearing this, the two elders quickly took the photo and looked at it carefully. Zhang Shixiong’s old father even specially put on reading glasses.”

“““No... I don’t know him ...”” After identifying him, the two of them shook their heads, indicating that they had never seen him before.”

“““Then ...”” Miao Ying asked again,““has your son been acting strange these few days?””

“““Abnormal?”” After hearing this, mother Zhang quickly said,““yes, yes. He’s been out of love and has been in a bad mood these days! Last month, he drank too much at the restaurant, and we were the ones who brought him home!”

“““Shixiong is too introverted and not good at expressing himself. He’s really devoted to his girlfriend, but unfortunately, she still doesn’t like him ...””

“““Did you drink too much?”” ““Who did you drink with?”” Miao Ying asked.”

“““He was alone,”” Mr. Zhang said.““Shixiong didn’t have many friends, and he didn’t drink much. He was really sad that day!”” Sigh ...””

“““However, he’s much better these days!”” Zhang Heng’s mother added,““I feel that he has already recovered from the breakup ...””

“““Um ... Okay ...”” Miao Ying took down notes in her notebook, then moved on to the next topic.““I would like to ask, do you know about the red bathtub murder case in Yunzhou forty years ago?””

“““Ah? ““The red bathtub.”” The two elders looked at each other, and Mr. Zhang nodded first and said,““it’s a household name. For our generation, it’s a household name. How can we not know about it?””

“““Yes, yes,”” mother Zhang said.““We also know that the murderer is a foreigner, a famous architect!”” He designed many of the buildings ...””

“““Yes, yes,”” Mr. Zhang said.““For our family, that’s even more so, because my sister and that foreigner are in the same company!””

Whoosh ...

There was a dead silence inside and outside the inquiry room.

“Mr. Zhang’s words didn’t seem to be anything special, but when Miao Ying and the others heard it, they were absolutely terrified!”

“““You mean ...”” Miao Ying suppressed her inner impulse and repeated,““your sister, who is Zhang Shixiong’s aunt, is in the same company as the murderer Peter?”” They ... Do they know each other?””

Chapter 2610: Two choices

Hidekazu's house was in chaos. The Men in Black were either shot or had to Dodge.

“““Hey, can you understand what I'm saying?”” At this moment, Zhao Yu was lying behind the sofa, chatting with a Man in Black who was shot in the chest.”“Hey, bro, tell me, are you really Yakshas? I don't think so. “” ”

“““Oh ... Wu ...”” The Man in Black wanted to say something, but when he opened his mouth, blood kept spurting out. ”

“““Don't worry,”” Zhao Yu reminded her.”“You just need to nod or shake your head. Save your energy and die later, okay?”” ”

“““Wu ...”” In the end, the black-clothed man became even more anxious. After spitting out a few more mouthfuls of blood, he no longer moved. ”

Depressed!

“Zhao Yu looked at the dead body, then raised his head to look at the building opposite him. The unknown sniper was still shooting into the building. ”

“In an instant, many thoughts flashed through Zhao Yu's mind. ”

“He believed that since the successor had already negotiated the rules of the game with him and let him come to Tokyo to solve the case, there was no need to arrange a team to assassinate him! ”

“Therefore, there were many possibilities for this group of enemies to appear in the Sato family. ”

“They might really be the remnants of the Yaksha's forces. He didn't know where they got the news, so they were lying in ambush here to capture him and avenge the Dragon King and the others who died in the multi-millionaire's building. ”

“However, their actions had been discovered by the successor, so the successor had also sent someone over, and this person was likely to be the sniper on the other side! ”

“Since the game was still going on, did that mean that the sniper would not hurt him? ”

Perhaps the successor was also very eager to eliminate the Yakshas?

And ...

The Butler just now stammered. It was obvious that he wasn't their leader. Then who was their leader?

“Also, also ... ”

Where did that damn Lee Bencheng go?

Didn't he say that he would protect her?

Or was the sniper Lee Bencheng?

He ... Where did he get the sniper rifle?

Bang! Bang!

Bang ...

“If it wasn’t for the invisible bullet proof suit, Zhao Yu would have been injured. ”

“It turned out that the Men in Black were already certain that Zhao Yu and the sniper were in cahoots, so they started shooting at Zhao Yu. ”

“Even if Zhao Yu was just pretending, he had to hide, so he crawled a few steps on the ground and hid behind the sofa. ”

“He pressed on the communication device in his ear, wanting to contact Li Bencheng, but there was still no response. ”

He had no choice but to click on the common device bar and use a model enhancer!

“However, what made him depressed was that even though the signal had been enhanced, he still could not contact Li Bencheng. There was still no response from the communicator. ”

Fine ...

“““Not good!”” Zhao Yu thought to himself. It seemed like li Bencheng was nearby, and his communication device was blocked! ”

“Or, li Bencheng had already been killed ... ”

No!

“Zhao Yu pouted and thought to himself, old Li, you have to live. You still have to see your son! ”

“I’m the one who brought you to Tokyo, so I should be responsible for you, right? ”

“Then, Zhao Yu ran to one of the bodies and picked up the gun that had fallen on the ground. ”

“Then, he jumped up from the ground and rushed out of the sofa! ”

“Bang, bang ... ”

“Zhao Yu fired a few shots at the Men in Black who were hiding, then went straight to the main door. ”

“At that moment, there were only two enemies left in Sato’s room. Both of them were well-trained killers. When they saw Zhao Yu rushing out, they immediately raised their guns and shot at each other! ”

“However, they didn’t know that Zhao Yu was bulletproof. Their bullets had hit the target, but the other party was unharmed. ”

“Zhao Yu had originally planned to shoot a few times, but he didn’t expect that his unintentional shot would bring down a killer. ”

“At the same time, the sniper on the opposite side fired again. The bullet seemed to have grown its eyes, and it actually pierced through a plaster wall and hit the second killer! ”

""Ah ..."" "

The killer fell to the ground and cried out in pain. He had only been hit in the thigh and was not in danger of dying.

"Zhao Yu could have left without a hitch, but seeing the killer wailing in pain, he felt pity for him. He bent down and pulled him to the safety of the main entrance. "

Bang ...

Another bullet shot through the plaster wall and hit the killer's shoulder!

"Blood splattered everywhere. Zhao Yu's grip loosened, and he fell to the ground. "

""Ah ..."" "

The killer wailed again and crawled to safety with all his might.

Bang ...

"After the third bullet was shot, the plaster wall was broken and the bullet hit the killer's back, causing blood to spray out ... "

F * ck!

"Zhao Yu gave the sniper the middle finger, then dragged the heavily injured killer into the living room. "

"The door was not facing the window, so it was obviously a safe zone. "

""Oh ..."" The killer twitched in pain, and he looked like he was about to die. "

""Brother,"" Zhao Yu asked,""are you really Yakshas?"" "

""Mm ... Mm mm ..."" In the end, the killer actually nodded, and there was even a pleading look in his eyes. However, what he said next was a whole bunch of foreign words that he could not understand. "

"Zhao Yu could tell that he was speaking in a Southeast Asian dialect, which was similar to the language used by the Yakshas. "

"Hence, Zhao Yu quickly switched to the real-time translator, wanting to hear what he was saying. "

"At this moment, the door of the Sato's house opened and two Men in Black rushed in. "

"After the two men saw Zhao Yu, they immediately opened fire. "

F * ck!

It was so F * cking chaotic!

"Zhao Yu didn't know who was coming, but he couldn't just take it head-on. There was also a time limit and requirements for the bulletproof vest. Therefore, he also raised his gun and fired back! "

Bang Bang Bang ...

“Bullets flew in the hall, and lightning flashed. After a round of shooting, the two men in Black who had just broken in were shot and fell to the ground, while Zhao Yu stood up from the ground, unscathed.”

“But, when Zhao Yu looked again, he realized that the killer was already dead!”

Depressed!

Zhao Yu was so angry that he aimed his gun at the two people who were lying at the door.

“Zhao Yu had only shot the two in the thigh and shoulder, so they obviously wouldn’t die.”

“However, seeing that they had lost the upper hand, the two men nimbly pressed their guns to their chins and fired ...”

I’ll go!

“Zhao Yu wanted to stop them, but it was too late. The two killers committed suicide on the spot, no longer alive.”

Al!

Zhao Yu could only sigh. He didn’t expect the two of them to be so cruel to him!

Alright!

“Since it was so difficult to find a survivor, it was better to leave this troublesome place first!”

“Thus, he rushed out of the door and went to the electric elevator Hall outside.”

Hu ...

“Zhao Yu saw that he was covered in blood, so he immediately adjusted his breathing.”

“After experiencing so many life and death battles, he was no longer a rookie.”

He calmed himself down and began to think about the situation before him.

His top priority was naturally to find Li Bencheng and confirm his safety.

“Old Li’s signal was also blocked, which meant that he should be nearby. Then ... Where was he?”

But what if he didn’t go to Lee Bencheng?

“Zhao Yu frowned and suddenly thought, “if I go to the opposite building now, can I catch the shooter?””

“The gunman was likely to be sent by the successor. If they caught the gunman, would they be able to know who the successor was?”

Tsk tsk ...

“Thinking of these two options, Zhao Yu was in a dilemma. Which should he choose?”
