Chapter 2681: super reward

10 hours later.

In a secret base in Xiangjiang city.

“““Everyone has a fire in their heart, but the people who pass by only see smoke.”” Miao kun said meaningfully, then turned to Zhao Yu and the others.””To be honest, I’ve seen the Royal Symphony Orchestra perform many times. Perhaps, if I recall carefully, I can still remember what this violinist looks like! ”

“““I didn’t expect him to be a serial killer!”” ”

“““Godfather,”” Ding Lan said,””I don’t think this case is urgent. The most important thing now is to deal with green and his criminal empire!”” ”

“““Don’t worry, hehe ... Everything is under control!”” Miao kun pointed to the door and said,””I’ve met Prometheus, who you just brought in! ”

“““When I attended a banquet at the Versailles Palace that year, I saw that fellow once! He has thick hair, so it’s not difficult to recognize him!”” ”

“““Oh? Is that so?”” Zhao Yu was surprised.””I thought that the shareholders would all live in seclusion and not show their faces in public!”” ”

“““Hehe, you’re thinking too much,”” Miao kun said with a smile.””The more mysterious a person is, the more he likes to show his face in public! ”

“““If I’m not wrong, I can’t remember his name, but ... I can guarantee that the identity Prometheus used to disguise himself as is a collector! ”

“““Furthermore, he’s a collector who specializes in collecting paintings. He has a lot of rare and valuable items in his hands!”” ”

“““Oh? Is that so?”” Zhao Yu’s eyes were filled with greed. ”

“““But ... Hehe ...”” Miao kun patted Zhao Yu on the shoulder.””Don’t think too much about it, Zhao Yu! We can’t be greedy, and those lost treasures have nothing to do with us!”” ”

“““Oh ...”” Zhao Yu grinned and thought to himself,””this old guy can read minds?”” ”

“““But, but, but ...”” Miao kun said, trying to keep him in suspense.””If a gentleman loves money, he will get it in the right way. If he doesn’t love it, he will give it away in the right way!”” ”

“““Officer li,”” he turned to Li Jing and said,””leak the information that Prometheus has a large number of precious paintings! Since his precious paintings don’t belong to us, then let the capable take them!”” ”

""You ..."" Zhao Yu wiped his sweat. ""Sly old fox! This move of yours is really wicked. You want the European Mafia to Rob them? ""

""But I like it!"" Zhao Yu gave him a thumbs up. ""You'll have to pay for what you've done. Prometheus 'hands are covered in blood. It's time for him to pay the price!"" "

""We're just returning the paintings to their rightful owners,"" Miao kun said. ""Let's see. If we make a big deal out of it, those paintings will be properly disposed of. We've done a good deed!"" "

""Yes, yes!"" Zhao Yu cupped his fists and said, ""father-in-law is wise!"" "

"Hearing Zhao Yu's words, the whole Hall burst into laughter. "

""Alright! Grimm should have woken up by now!"" Miao kun tidied his clothes and said, ""I have to catch up with my old friend!"" "

""Um ... One more thing, Zhao Yu ..."" Miao kun looked around and reminded him, ""I know that li Bencheng very well. Although he is the Father of my godgrandson, and my indirect godson, he is a very cunning person!"" "

""These few days, I'll send someone to keep an eye on him. We must keep a close eye on him!"" "

""Mm, father-in-law,"" Zhao Yu shook his head and said, ""I'll listen to you for everything else, but for li Bencheng, you should listen to me! "

""I believe that I've completely conquered him with my own charisma, excellent willpower, and unparalleled strength! "

""So, don't use the person you suspect, and don't doubt the person you use. You'd better not send people to monitor him! "

""Otherwise, I'm afraid it'll be counterproductive!"" "

""Well ..."" Miao kun crossed his arms. ""You've become even more shameless."" Why do I feel so cold?"" "

""Haha,"" Ding Lan laughed, ""Godfather, no matter how shameless my brother-in-law is, I believe that Lee Bencheng is completely convinced. Don't worry! "

""Whether it's out of admiration for Zhao Yu or out of respect for your God-grandson, Li Jie, he would never betray us!"" "

"Miao kun thought for a moment, then nodded and said, ""alright. Since you two have jointly recommended me, I'll listen to you!"" ""No matter what,"" he patted Zhao Yu's shoulder heavily, ""you've done a great job!"" "

""According to our plan, we were going to fight against this criminal group for the rest of our lives! I didn't expect you to end our plan early. Hahahaha ..."" "

""Father-in-law,"" Zhao Yu thought of something and asked, ""have we eliminated the hidden dangers of our overseas infrastructure projects?"" "

“Of course!” Miao kun didn’t say anything. Li Jing, who was next to him, said, “not only did we remove the explosives, but we also caught the saboteurs according to the information you provided!”

“Many of them are spies. They’ve been exposed!”

“Oh ...” Zhao Yu gave her a thumbs up. “Then, I’ve really made a great contribution! “Father-in-law, why don’t you ...” He said shamelessly to Miao kun, “just leave the money that was transferred from green to my account.” Can you treat it as a bonus?”

I’m down!

The office was instantly filled with people ...

.....

“Twenty minutes later, Zhao Yu came out of the bathroom. As he washed his hands, he was pleased with himself.”

“Of course, he knew that the money from the criminal empire could not be kept for himself.”

The amount of money was so huge that he could buy a few countries. Just the small change alone was enough for Zhao Yu to spend for ten lifetimes.

What made Zhao Yu feel proud was the rewards he had gained from this adventure!

“The completion of the “heaven and earth” hexagram was undoubtedly unprecedented. Zhao Yu had never obtained such a high score before.”

“It wasn’t that he hadn’t opened a heaven and earth hexagram before, but he had completed it perfectly this time!”

“With a completion rate of more than 5000%, he had obtained 2700 devices of various levels and 380000 adventure points!”

How could he not be overjoyed with such a rich harvest?

“Even now, he had not counted the number of devices. He could only see that there were at least 100 special and advanced devices such as emergency evacuation balls, invisibility spacesuits, aircraft, invisibility cloaks, and universal sight lenses.”

That was too awesome!

Zhao Yu had never expected that he would earn back almost all the devices that he had used in the side adventure.

“The adventure points that he had spent were all made up, and there was even a surplus!”

“Now, his total points had all been added up, and he was going straight for 600000 points. He was one step closer to the 1 million upgrade points.”

It was hard to imagine what new functions would appear after the system was upgraded again.

Could he really become Superman in the future?

Hahaha ...

“However, there were always losses to every gain. After the big heaven and earth hexagram ended, the system notified Zhao Yu that the hexagram area would be on cooldown for 150 days, and it could only be reopened after 150 days.”

Alright!

Zhao Yu was already mentally prepared for this outcome.

“Of course, after so much experience, Zhao Yu no longer relied on opening a hexagram, and was confident that he could handle it.”

Hu ...

“Zhao Yu looked into the mirror and let out a long breath. The ultimate battle had finally come to an end. Next, shouldn’t he start preparing for his personal affairs?”

Chapter 2682: Don’t act cool when proposing (1)

5 days later.

“At noon, in Yunzhou city, Yuezhou province, in an internet-famous restaurant called Yuelai yuehao.”

“““Aiya, why do you have to come to this kind of place to eat?”” Cui Lizhu crossed her arms and said anxiously, ““I made a reservation two days ago, but I still have to line up. I’m really impressed!”””

“““If I knew this would happen, wouldn’t it have been better if we went to another shop?”””

“““Cui, don’t worry! We’re just having a meal!”” Miao Ying laughed, ““I’m not hungry yet! I can control it and eat more later! Hehe ...”””

“Today, because they had just finished the press conference for the red bathtub case, Miao Ying was wearing a beautiful police uniform, which showed off her heroic bearing. She stood in the crowd and attracted the attention of everyone.”

“““It’s just that ...”” Wu Xiumin peeled off a milk candy and said, ““Ran Tao went to pick up Xi menna!”” He’s probably stuck in a traffic jam. “““

“““Yup!”” Zeng ke took Zhang Peipei’s hand and said, ““our heavyweight guests have not arrived yet! I don’t know where the team leader is now!”””

“““Aiyo, I haven’t seen you in a few days. I’ve really missed you, boss!”” Cui Lizhu urged, ““sister Miao, why don’t you call him and ask?”””

“““This meal was specially prepared for him, so he needs to pay for it! Otherwise, we won’t be able to afford it ...”””

Everyone wiped their sweat ...

""Coming, coming, coming!"" At that moment, Ran Tao's voice came from the door.""Look who's back!""

"Everyone looked over and saw a beautiful woman standing beside Ran Tao. It was Xi menna, who they had not seen for a long time!"

""Aiya ..."" Xi menna almost cried when she saw her family. She quickly ran over and hugged Miao Ying.""I missed you guys so much!""

""Sister Miao, I really want to solve this case with you!""

"After letting go, Xi menna hugged Cui Lizhu, Wu Xiumin, and the others, one after another. Even Zeng ke was not spared. Their intimate actions made Zeng ke blush."

""Nana, I haven't seen you in a few days and you've lost weight!"" ""You've slimmed down and become even more beautiful!"" Cui Lizhu said, a little jealous."

""Who said that?"" Xi menna turned to look at the restaurant's poster.""I'm so skinny that I'm going to turn into a stick!"" I really miss those delicacies!"

""How is it? what's good today? I can finally have a good meal!""

""Oh, oh ..."" Cui Lizhu dug her nose and said,""okay, I admit that you didn't miss us, but the food!"" I'll never forget how you looked when you ate the mutton giblets!""

""I've already heard that you solved the famous red bathtub case. That's amazing!"

""No wonder you're the master of cold cases. Mm ... Mm ..."" At this time, Xi menna walked around and realized that one person was missing. She quickly asked,""where is our Dear Team leader?"" Where did he go?""

""Don't worry, it's coming, it's coming ..."" Zeng ke looked at the location signal on his mobile phone and said,""our protagonist is about to make a grand entrance!""

"After Zeng ke finished speaking, everyone looked at the entrance of the restaurant. When they saw the male lead come in, their eyes widened!"

This was because Zhao Yu's appearance was different from usual.

Zhao Yu was also wearing a brand new police uniform!

And he was holding a bouquet of roses in his hand!

"Zhao Yu rarely wore his police uniform, so everyone looked a little awkward. Moreover, Zhao Yu was usually arrogant and domineering, but today he looked very quiet. It was a huge contrast."

""Boss! You ...""

""Team leader ...""

""Oh, my Dear Team leader, you've finally appeared ...""

"After seeing Zhao Yu, everyone quickly greeted him."

“However, Zhao Yu did not respond, but went straight to Miao Ying and handed her the roses in his hand.”

“““This ...”” Miao Ying was naturally very surprised. When they had met before, Zhao Yu had never been so ambiguous, especially in front of so many colleagues.”

“So, when she took the flowers, Miao Ying became a little nervous.”

“““Wow ...”” Cui Lizhu pulled Xi menna to the side and muttered,““boss ... Is this a proposal?”””

“Hearing cui Lizhu’s words, Zhao Yu lost his balance and almost fell to the ground.”

“He quickly held Ran Tao’s arm and stood up, then said to Miao Ying,““Meow Meow! I ... I’ve made more than a hundred plans, and ... And also imagined many scenarios and situations, but ...”

“““But ... You see ...”” Zhao Yu rubbed his hands nervously and said,““I think that we’ve been through so much together. No matter how good my idea is, it’s better to be more practical, right?”””

“““As for me, I’ve thought about solving the case, or practicing martial arts, or some other time, but ...”

“““I’ve thought about it for a long time. I still think that we should really, um ... Don’t you think so?”””

“Zhao Yu’s words not only confused Miao Ying, but also everyone else.”

“However, the smart cui Lizhu knew Zhao Yu the best. She immediately held Miao Ying’s arm and said to Zhao Yu,“““Boss, if you want to propose, how can you just have a bouquet of flowers?”

“““Didn’t you ... Didn’t you prepare anything special?”””

“““Ah?”” Zhao Yu was also a little confused, and he was already sweating profusely. He immediately asked,““what special thing?”””

“Just as Zhao Yu finished speaking, music suddenly started playing in the hall.”

Everyone quickly looked towards the source of the music and saw six or seven musicians in tuxedos playing their violin!

The song they were playing was the wedding march ...

“““Wow ...”” Zhang Peipei’s mouth was wide open as she grabbed Zeng ke’s arm and said,““team leader is so romantic!”””

“The sudden music also surprised everyone, and they all looked at the musicians.”

“Immediately after, a colorful balloon suddenly descended from the sky above the hall, followed by countless flower petals. Under the contrast of the flower petals and the balloon, a huge poster descended from the wall of the hall!”

“A beautiful woman was drawn on the poster, and there was a line of striking words on it:”

“““Marry me! You’ll always be my princess ...”””

“““Ah!”””

What was going on?

“In the beginning, when everyone saw the Grand proposal scene, they all thought that Zhao Yu had arranged it in advance.”

“However, when everyone saw the name “Xu huhua,” they were all shocked.”

““F \* ck ...” At this time, Zhao Yu couldn’t help but curse, “who the hell is this? Why are you stealing the show when you’re just proposing?””

“Of course, Zhao Yu’s cursing was not heard by the other guests.”

“As the huge poster fell, a woman in a green short skirt covered her face and cried. Then, everyone saw a fat man in a red T-shirt standing in front of the woman.”

“Then, the man knelt down on one knee and presented a small red box with both hands. The box opened, revealing a shiny diamond ring!”

““Xiao Li, marry me!” The man said affectionately, “I will definitely give you happiness!””

“When the girl heard this, she quickly wiped away her tears and took the ring, nodding shyly at the same time ...”

Whoosh ...

Thunderous applause immediately rang out in the hall ...

‘F \* ck ...’

“Zhao Yu covered his face in embarrassment, forgetting all the lines he had prepared.”

## Chapter 2683: Don’t act cool when proposing (2)

“As the girl named Xu huhua accepted the ring, the atmosphere reached a climax. ”

“In addition to the diamond ring, the man also handed over two Red House Books and a car key with the “BMW” ... ”

““Xiao Li, what’s mine is yours from now on. I’m willing to give you everything I have!”” ”

“The man made a passionate vow of love, and his friends at the scene were so touched that they started clapping again. There were even some girls who looked at him with envy and jealousy ... ”

Sigh ...

“Looking at this sudden proposal, Zhao Yu kept wiping his sweat. He couldn’t think of a bunch of words he had thought of before. ”

““Boss, boss ...” Cui Lizhu patted Zhao Yu and reminded him, “stop looking! It has nothing to do with you. It’s more important for you to do your own thing!”” ”

“““Yes, yes!”“ Xi menna was also worried for Zhao Yu.”“You can’t be distracted at this time! Hurry ... It’s time for you to show your sincerity!”“ ”

“After the two of them said that, Zhao Yu came back to his senses. He tried to search for the lines he had prepared, then said to Miao Ying again, ”

“““Right, I can’t let others affect me! ““Meow ... Meow Meow ...”“ Zhao Yu said excitedly.”“Although I didn’t prepare it carefully, I believe that you know me. You know that I’m the most sincere! ”

“““So ... I ... Um ... My feelings for you are definitely from the bottom of my heart ...”“ He said. ”

“Listening to Zhao Yu’s incoherent speech, cui Lizhu and Xi menna covered their faces in anxiety. ”

“At that moment, although Miao Ying’s face was red, she was obviously much calmer. She held the flowers in her hands and stared at Zhao Yu, wanting to see how Zhao Yu would perform! ”

“““We ... We went through fire and water together,”“ Zhao Yu stammered as he made the oath.”“You can understand my heart. We solved cases together, caught murderers together, together ...”“ ”

“““Aiya! I can’t take it anymore!”“ Cui Lizhu was really anxious. She immediately pressed on Zhao Yu’s shoulder and scolded him,”“there was already someone who demonstrated it just now, boss! ”

“““How can you stand there and say that?”“ She pressed Zhao Yu down and said at the same time,”“where’s the sincerity in your proposal? Why aren’t you taking it out and waiting for Lei min to come!”“ ”

“““Oh ... Oh, oh, oh ...”“ Zhao Yu felt like he had just woken up from a dream. He quickly took out a diamond ring from his pocket, then knelt on one knee in front of miss Miao and said sincerely,”“MeowMeow, I propose to you!!!”“ ”

“““I beg you to marry me! Oh, no... I’m not begging you, I’m begging you, Oh, no... Sigh ...”“ ”

“Although Zhao Yu stammered, Ran Tao and the others still quickly jeered,”“““Marry him, marry him, marry him ...”“ ”

“In the end, the crowd’s booing attracted the attention of other people, including the man who had successfully proposed to her. ”

“““Wow, that’s interesting. Did they discuss this beforehand?”“ Someone commented,”“there’s actually another proposal ...”“ ”

“““Oh my ... Look, it’s the police ...”“ ”

“““Wow!”“ Someone was surprised.”“Isn’t that female cop too beautiful?”“ ”

“Without comparison, there would be no harm. When everyone was amazed by Miao Ying’s Valiance and beauty, the previous suitor’s mentality gradually changed ... ”

“““Zhao Yu, what do you want me to say?”“ At this time, miss Miao said calmly,”“you usually talk so much like a hooligan. Why can’t you say it at the critical moment?”“ ”

“““I ...”” Zhao Yu held the diamond ring and said,“““this is my first time proposing, after all. I’ve never practiced this before, so I’m still not used to it ...”” ”

“““You make it sound like ...”” Miao Ying frowned.“““It’s not like it’s my first time!”” ”

“““Hahaha ...”” Zhao Yu laughed foolishly.“““Since it’s everyone’s first time, please be more forgiving!”” ”

“““No...”” Miao Ying waved her hand and said,“““it’s such a rare opportunity. I have to put forward a condition, right?”” ”

“““Ah? It can’t be, right?”” Zhao Yu was shocked.“““You’re not thinking of having a competition, are you? I won’t hide it from you, my power has increased greatly, you are no longer my opponent! I’m afraid I’ll hurt you ...”” ”

“““Hmph, what a boastful boast!”” Miao Ying glared at Zhao Yu and said,“““I wanted to say that you should take me with you when you go on missions in the future! ”

“““Well, since you have such a request, it’s not impossible for us to have a spar! As long as you can defeat me, I will marry you!”” ”

“““Waa!”” Upon hearing this, Xi menna was the first to get excited. She quickly pulled everyone to the side and said,“““quick, open the stage, open the stage. There’s a good show to watch!”” ”

“““I’m going to faint!”” Cui Lizhu quickly stood on her tiptoes and covered her mouth.“““Little Nana, are you crazy?”” ”

“““Miaomiao,”” Zhao Yu said bitterly,“““don’t joke around! It’s not like you don’t know my abilities!”” ”

“““That’s true, Zhao Yu is very powerful! “““How about ... Um ...”” Xi menna said,“““can sister Miao and I team up to fight you?”” ”

“““Crazy, crazy ... What are you doing?”” cui Lizhu quickly pulled Xi menna to the side. ”

“““MeowMeow, keep a low profile, keep a low profile ...”” Zhao Yu whispered.“““Today is our big day. I really don’t want to act cool anymore! ”

“““The reason why I didn’t do those fake things is to tell you that I’m the most sincere! ”

“““I will not say those empty words and irresponsible words. What I want is our real happiness! What I want is a solid relationship between us! ”

“““I know you’re the best girl, the most understanding girl. You definitely won’t blame me for my haste! Am I right?”” ”

“““You ...”” Miss Miao smiled.“““You’ve already learned how to block both sides ...”” ”

“““Hahaha ...”” Zhao Yu laughed and raised the diamond ring in his hand again.“““MeowMeow, marry me!”” Let’s go back and compare martial arts ...”” ”

“““You ...”” Miao Ying quickly shut up and said,“““alright! Since you’re so sincere, then I’ll accept your proposal!”” ”

Miao Ying reached out to take the diamond ring.

“Aiya ...” Xi menna said gloomily, “the proposal was successful so easily! He didn’t give Zhao Yu any difficulty at all, really ...”

“Hmph!” Suddenly, a discordant voice came from the side. The man who had proposed before said in an extremely unfriendly manner, “such a Grand proposal, but the ring doesn’t even come in a box. It was even taken out from the pocket of his pants. It’s too casual!”

“The man’s voice was very loud. When he said this, he immediately attracted everyone’s attention.”

“As the saying goes, it’s not like a family can’t get together.” The bride-to-be named Xu Huayi was filled with righteous indignation as she taunted, “Yeah, no house, no car, what kind of sincerity is this?”

“Look at how heroic our friendly company is ...” As she said this, she held the man’s arm in a delicate manner.

This ...

“Hearing this, Zhao Yu paused.”

“Don’t mind him ...” Miao Ying took the ring.

“Oh ... Congratulations, congratulations!” Ran Tao and the others quickly applauded, but their applause was still a little weak.

“Sigh ...” At this time, the man named youbang spoke again. “This is no wonder. How much money can they have as police officers?” It’s good enough to be able to afford a diamond ring!

“Eh? Hubby, the ring can’t be fake, right? it looks so exaggerated. It’s even pink, is it a pink diamond?” The woman said in a mocking tone, “hubby, you’re an appraiser yourself. Do you want to appraise them?”

## Chapter 2684: Don’t act cool when proposing (2)

“Is there a need to appraise this?” The man named youbang taunted, “such a big pink diamond. If it’s real, it can buy at least five houses in Yunzhou!”

“Tsk tsk ...” The woman pouted and said, “it’s really bad to meet people!” Using a fake diamond ring to fool people, I really shouldn’t have done that. I really feel bad for this female police officer ...”

“These two people’s voices were very loud, and it was already somewhat provocative.”

“Hey,” cui Lizhu was obviously not happy with that and immediately retorted, “I think you two are jealous, right? Why would our boss use a fake diamond ring to propose?”

“That’s right!” Ran Tao agreed with him indignantly. “Do you know who my boss is? It’s just a small diamond ring, it’s nothing to our boss!”

“Cui, Tao,” Miao Ying waved at them and said, “what does it matter if the ring is real or fake? As long as our relationship is real, even if it’s fake, I’ll still wear it!”

“Then, Miao Ying quickly pouted at Zhao Yu, meaning to say, ””Idiot, put it on for me! ”

“However, Zhao Yu was not in a hurry to put the ring on Miao Ying, but put his hand into his pocket and said, ”””Diamonds represent eternity, how can one be enough? ”

”””Here ...”” He suddenly took out a bunch of shiny diamond rings from his pocket and held them up in front of Miao Ying.””I’ve carefully prepared these for you!”” ”

”””I hired a famous diamond ring designer from Xiangjiang to have them custom-made. They basically cover the most popular styles. Take a look and see if you like them.”” ”

Waa ...

“After Zhao Yu took out a bunch of diamond rings, the audience was in an uproar. ”

Everyone was stunned. No one had ever seen such a weird proposal.

”””What is this ... It looks like a toy. Is it made of glass?”” ”

”””That’s right. This is too casual. There’s not even a gift box?”” ”

”””What a Xiangjiang designer. He’s so good at bragging ...”” ”

“From these discussions, it could be seen that no one believed that Zhao Yu’s Diamond ring was real. ”

“Even cui Lizhu and the others were dumbfounded. Although they knew that Zhao Yu was rich, it was hard to believe that the bunch of diamond rings were real! ”

”””Zhao Yu ... This ...”” Miao Ying looked at the diamond rings in Zhao Yu’s hands and said, ””these diamond rings are really beautiful! I like it ... But it’s a pity that I only have ten fingers. I can’t wear it all!”” ”

”””It’s okay, it’s okay ...”” Zhao Yu quickly came up with an idea.””You can just change it every day. I can guarantee that you won’t wear the same one for a year!”” ”

I’m down!

Zhao Yu’s arrogant words caused the crowd to explode again. Everyone looked at Zhao Yu as if he was a lunatic.

”””What the hell!”” The suitor named youbang couldn’t stand it anymore. He quickly turned to his friend and said, ””go to my car and get my toolbox. This is outrageous. I’m going to identify it on the spot. I’m going to give him a slap in the face!”” ”

His friend was just watching the show and quickly went out to get his toolbox.

”””Do you still need to test it?”” The woman named Xiaoli said, ””how can this be true? If it’s true, it’ll be at least a hundred million, right? Just that handful ...”” ”

”””I really don’t want to act tough today!”” At this time, the protagonist Zhao Yu spoke again, ””I know that my girlfriend doesn’t like extravagance and waste, and she doesn’t like to make a big deal out of it, so I just carefully prepared some diamonds! ”

“““Here ...”” Then, Zhao Yu reached into his other pocket and pulled out a large bunch of diamonds in front of everyone! ”

“““These are bare diamonds that haven’t been processed yet,”” Zhao Yu explained.””Because they were too big, the designers didn’t dare to cut them! ”

“““There are also some that aren’t suitable for rings. I’ll make them into necklaces for you later. I guarantee they’ll be the most beautiful ... ”

“““But then again, no matter how beautiful the diamond is, it’s not as beautiful as my ”

“Then, Zhao Yu poured all the shiny diamonds into Miao Ying’s hands, but there were too many of them, and Miao Ying couldn’t hold all of them. ”

“““Let me see, look at it ...”” Xi menna quickly went forward and helped Miao Ying hold the diamond while touching it to see if it was real or not. ”

“Of all the people present, only Xi menna herself believed that the diamond was real. ”

She remembered that her father had lost his life on the island of wondrous footprints in pursuit of a batch of diamonds that were as rich as a country’s wealth.

“““I’ll take a look too,”” cui Lizhu said.””I’ll see if they’re from Yiwu’s wholesale market ...”” ”

“At that moment, as Zhao Yu took out another bunch of bare diamonds, the crowd was once again in an uproar. ”

“This time, almost no one thought that Zhao Yu would take out a real diamond! ”

“Because a few of the diamonds were so big that they exceeded the range of normal knowledge. In everyone’s eyes, it couldn’t be real ... ”

“““Wait, wait ...”” At this time, youbang finally made his entrance with a toolbox. He came to Zhao Yu and Miao Ying and introduced them.””Bro, I’ve seen a lot of weird people, but this is the first time I’ve seen someone like you! ”

“““I’m telling you, you’ve walked right into my trap. Do you know what I do for a living? I happen to be a jewelry appraiser! ”

“““Do you dare to let me appraise your diamond?”” ”

Waa ...

“With such a ruckus from their ally, everyone’s curiosity to watch the show grew, and they all gathered around. ”

“““Who Do You Think You Are? You’ve interrupted my proposal today. I haven’t even found fault with you yet, and you’re ...”” ”

“Zhao Yu was about to flip out, but Miao Ying stopped him gently and said to her friends,””This appraiser, our proposal doesn’t seem to have anything to do with you, right? ”

“““Even if the diamond my boyfriend gave me was fake, it wouldn’t affect our relationship! What do you mean by appraisal?”” ”

“““That’s ...”” Cui Lizhu glared at her friend and said,““get lost!”” ”

“““Haha, haha ...”” Friendly laughed teasingly.““What did I say? You don’t even dare to appraise it, so it must be fake?”” ”

“““Yeah,”” the woman agreed.““They wouldn’t dare to let you appraise it!”” It’ll be so embarrassing when the test results are out, hahahahaha ...”” ”

“The woman laughed in a strange way, which made people feel extremely uncomfortable. ”

“““Alright then! Since you want to exchange pleasantries with me, then I’ll do as you wish!”” Zhao Yu reached out and took a diamond.““Come, appraiser, take a look!”” ”

“““Hehe, you don’t say. This thing looks quite real. At least it’s not fake.”” Friendly looked at the diamond that Zhao Yu brought over, then opened his toolbox and took out his Professional Identification tools. ”

“In the end, when he brought the diamond to the magnifying glass for examination, his expression suddenly changed, and then his hands began to shake ... ”

“““What’s wrong, youbang?”” Xiao Li realized that something was wrong and hurriedly urged,““how is it? Was it fake? You can’t tell?”” ”

“““This ...”” Youbang trembled as he put the diamond back. Then, he picked up other diamonds and diamond rings to check. After checking a few, he could no longer remain calm. ”

“His forehead was sweating and his face was tense. After he finished testing the pink diamond, he was so surprised that he fell to the ground ... ”

“Seeing the appraiser’s reaction, the crowd was even more curious. They all urged him to quickly tell everyone the results. ”

“““R-really!”” ““It’s incredible!”” Friendly excitedly roared to the sky.““It’s incredible!”” These diamonds ... Are all real, they’re all rare and authentic!”” ”

Chapter 2685: Keep it a secret for me

“““Hahaha ... Hahaha ...”” Cui Lizhu’s laughter could be heard from the private room.““That appraiser is really shooting himself in the foot!”” ”

“““Did you guys see his expression just now? I almost vomited blood!”” ”

“““Yup!”” Ran Tao said,““in this world, I have never seen anyone who can make fun of boss!”” ”

“““That’s right ...”” Zeng ke agreed.““This appraiser is really annoying. She proposed to our leader, but she has to make trouble for him!”” He really deserves it ...”” ”

“““I think,““ Zhang Peipei said,““he saw that sister Miao was so beautiful, a hundred times more beautiful than his own wife. Out of jealousy, he wanted to cause trouble for our leader!““““

“Wu Xiumin looked at the diamond ring on Miao Ying’s hand and said,““I’m thinking, if these diamonds are real, how much would they be worth?““““

“““When did our team leader become so rich?““““

“““Yup!““ Cui Lizhu said enviously,““all of these diamonds added up to a few hundred million, right? Boss actually gave all of them to sister Miao. From this, we can see how loyal boss is to sister Miao!““““

“While everyone was talking about it, Miao Ying smiled and didn’t say anything. Hearing cui Lizhu’s envy, jealousy, and hatred, she pointed at the bouquet of flowers and said,“

“““You’re wrong. I don’t care about diamonds! In my opinion, this bouquet of flowers is more important than diamonds!““““

“““Wow ... It’s so mushy ...““““

“The crowd was in an uproar, and miss Miao could not help but blush.“

“Seeing that the dishes had been served, Miao Ying quickly called out to everyone,““Alright, we’ve been waiting for so long. Everyone must be hungry, right? Let’s start eating!““““

“““Eh?““ After Miao Ying said that, cui Lizhu noticed that there were two people missing from the dining table. She quickly asked,““where’s boss and little Nana?““““

“““Hmm ...““ Ran Tao took a look, then stood up and said,““I’ll go and take a look!““““

“““No need, no need!““ Miao Ying waved her hand and said,““the two of them have something to say. Don’t worry about it! Let’s eat first!““““

“““Oh ...““ Hearing Miao Ying’s words, everyone had no choice but to start eating.“

“““Our big sister Miao is so generous!““ Cui Lizhu complimented,““she never quarrels with little Nana ...““““

“““Ahem,““ Miao Ying said indifferently,““the most important thing is trust! If Zhao Yu wasn’t worthy of my trust, we wouldn’t be together!““““

“““Yes, yes, yes.““ Everyone agreed and continued to eat ...“

“At the same time, outside the hotel’s bathroom, Zhao Yu was indeed talking to Xi menna.“

“““Here.““ Zhao Yu handed two beautiful bare diamonds to Xi menna and said solemnly,““your father lost his life because of this, so I’m giving you two as a memento!““““

“Xi menna took the diamond and touched it gently. She said emotionally,““““For these things, I actually dived to the bottom of the sea without any regard for my own safety. I was really stupid back then ...““““

“““Yes, your father is also possessed! ““Actually ...““ Zhao Yu said.““These are all part of Green’s plan ...““““

“““I don’t want it anymore!”“ ““It’s not mine. I don’t want it!”“ Xi menna handed the diamond back to Zhao Yu.”

“““This ...”“ Zhao Yu was surprised.”

“““Zhao Yu, I told you,”“ Xi Mengna said with red eyes,”“I don’t want anything. I just want to be with you! You ... Don’t ever abandon me like this again!”

“““Do you still remember what you promised me when we solved the female corpse under the bridge case?”““

“““Mm, don’t worry! I, Zhao Yu, always keep my promises!”“ Zhao Yu said,”“it’s fine now. The issue with the londee criminal group has basically been resolved! So ... Don’t worry, you will always be a member of our Special Investigation Group, I promise!”““

“““That’s great!”“ ““I’ve finally found someone worthy of my trust!”“ Xi menna hugged Zhao Yu tightly and kissed him on the cheek.”

“““Hey,”“ Zhao Yu quickly pushed the beautiful woman away and said solemnly,”“let me clarify one more time. It’s US, the Special Investigation Group, not me!”““

“““I just proposed to Miao Ying, you can’t ...”““

“““I know, I didn’t mean it that way,”“ Xi Mengna said, pulling on Zhao Yu’s arm.”“I told you, I won’t affect your relationship with your girlfriend!”

“““I just ... I’ll be satisfied as long as I can be by your side, solve cases, and complete missions with you. I’ll be satisfied as long as you don’t abandon me!”““

“““Hmm, no problem!”“ Zhao Yu pressed on Xi Mengna’s shoulder.”“In the future, I will apply to the higher-ups to let you become a formal member. You have to perform well in the future!”““

“““Yes.”“ Xi menna nodded vigorously.”“I will!”“ I won’t let you down!”““

Di di ... Di di ...

“Just then, Zhao Yu’s phone rang. Someone was calling him.”

“Zhao Yu looked at the caller ID, and his eyes flashed with a hint of displeasure, but he still answered the call.”

“““Hey, officer, how was my performance just now?”“ A man’s voice came from the phone.”

“““You still have the face to say that!”“ Zhao Yu said angrily,”“your expression at the end was a little too exaggerated, you know? Are you afraid that others can’t tell?”““

“““Ah? No? ““I think I did a good job ...”“ The man argued.”

“““Cough, you still have the nerve to say that,”“ Zhao Yu scolded.”“Don’t you know what we do? Alright, alright, that’s it, I’ll transfer the rest of the money to you later!”““

“““Oh, thank you, thank you ...”““

“Zhao Yu didn’t wait for the other party to finish speaking, and hung up the phone.”

“However, after he hung up, he saw Xi menna’s shocked face!”

““““Oh ... Oh ...”” Xi menna could tell.””So ... The proposal just now ... Was arranged by you. Zhao Yu, you ... You ... You ...””””

““““No,”” Zhao Yu corrected her,””their proposal was real. I just made them add a little drama ...””””

““““I’ll go!”” Realization dawned on Xi menna.””I was just saying! How could it be so coincidental? you proposed to me with a bunch of diamonds, and then an appraiser popped up. Zhao Yu, you’re so cunning ...””””

““““What cunning!”” Zhao Yu said seriously,””I’m just trying to show off my diamond, hehehehe...Otherwise, it would be too plain ...””””

““““You ... You said that you weren’t acting cool when you proposed!”” Xi menna said agitatedly,””in the end, you pretended to be such a weirdo. You ... I really don’t know what to say to you ...””””

““““If you don’t know what to say, then just shut up!”” Zhao Yu said,””although I think my MeowMeow has already seen through it, you have to keep it a secret for me, understand?””””

““““Aiya, you, you ...”” Xi menna said incoherently,””I regret it now. I should have accepted the diamond you gave me as hush money! Where are your diamonds? Give it to me ...””””

““““Hey, use your brain,”” Zhao Yu said casually.””If the appraiser is fake, does that mean the diamond is real?””””

““““Ah?”” Xi Mengna was stunned again, then slapped Zhao Yu’s shoulder hard.””You liar, big liar! Do you even have the truth in your mouth? You’re so mean, I’m going to tell sister Miao ...””””

“Then, Xi Mengna bounced towards the private room. Zhao Yu tried to stop her, but he couldn’t.”

Chapter 2686: main mission

“In the evening, in a room of the Shangri-La Hotel in Yunzhou. ”

““““In that case,”” Zhao Yu, who was wrapped in a bathrobe, said to Miao Ying as he sipped on his champagne,””we have to close the curtains. Who knows how many peeping drones are flying in from outside!”” ”

““““Everything has its advantages and disadvantages!”” Miao Ying reached out to close the curtains and said,””if it weren’t for the peeping drone this time, I’m afraid it would be difficult to get Zhang Shixiong to confess!”” ”

““““Tao is also a man with a story,”” Zhao Yu said.””This guy actually knows a lot about Peeping Tom. It seems that he has caught a lot of Peeping Tom before!”” Hahaha ...”” ”

““““Anyway, the red bathtub case has been completely solved,”” Miao Ying said.””Combined with the left ear case that you solved overseas, we can roughly restore the whole case! ”

““““I can’t believe that all of this was because of an unaccomplished doctor!”” ”

““““Yes, the doctor became a witch,”” Zhao Yu said.””Even if he didn’t kill anyone, his sins were no less than those of the murderer! ”

““““It’s a pity that there’s no way to find out where this person is ...”” ”

““““The wicked will have their retribution,”” Miao Ying said, pouring herself a glass of champagne.””I’m sure he won’t have a good end!”” ”

““““Meow ...”” Zhao Yu pulled the beauty into his arms and said earnestly,””the case has been solved! Londee’s criminal empire has also been resolved by me! ”

““““Next, we should properly handle our own matters!”” ”

““““Mm ...”” Miao Ying blushed.””What is it?”” ”

““““You can’t play dumb!”” Zhao Yu said,””you’ve already agreed to my proposal. Next, it’s time to prepare for the wedding! ”

““““I’m planning to go back to Qinshan in two days to get our marriage certificate and hold a wedding, okay?”” ”

““““Hey,”” Miao Ying said with a straight face,””your proposal is open for discussion! What proposal? look at you, what have you done?”” ”

““““Hehehe, I knew it. I didn’t need Xi menna to tell you. You’ve already guessed it!”” Zhao Yu laughed.””I was just trying to liven up the atmosphere. I was trying to show you that the things I gave you were the most authentic and precious things!”” ”

““““Oh, do you think I care about those diamonds?”” Miss Miao rebuked. ”

““““Isn’t it?”” Zhao Yu grabbed Miao Ying’s delicate hands and saw that she was wearing a shiny diamond ring on each of her fingers. ”

““““I ... I’m just wearing it for fun!”” Miao Ying said,””the appraisers are all fake. How can the diamonds be real?”” ”

““““Stop fooling around. The appraiser is fake, but the diamond is real!”” Zhao Yu said,””to be honest, these diamonds were all given to me by green. They were the raw diamonds that Xi Wei spent his entire life pursuing! ”

““““Actually, back at the detective salon, I found the diamond with my excellent ability, but I was kind enough to return it to the local government! ”

““““But, I don’t know what kind of amazing ability Grimm used, but he actually managed to snatch it back ...”” ”

“““Oh ...”” Miao Ying said.”“I was just wondering! That Aston Martin of yours was a reward from them, right?”” ”

“““Yes, yes!”” Zhao Yu scratched his head and analyzed the situation, then said,”“Hey, I’m lucky this time. The diamond is back in my hands, and the car was given to me for free. Hehe ...”” ”

“““Grimm ... Is he really that generous?”” Miao Ying asked,”“Zhao Yu, you haven’t told me the details of your trip to Fiji! Why don’t you ... Quickly tell me ... ”

“““Since the matter has already been resolved, letting me know isn’t a violation of the rules, right?”” ”

“““Of course, this is the most important task in my life. Of course, I have to tell my dear ...”” ”

“So, Zhao Yu finished his champagne and told Miao Ying about his magical experience on Miracle Island.”

“Of course, this version was what he had explained when he was in the Secret Service. Although there were still many parts that were a little exaggerated, they could basically be explained by normal knowledge. ”

“Miao Ying listened very carefully and nervously, her palms sweating. ”

“““This is unbelievable!”” After listening, Miao Ying said with a doubtful attitude,”“if Lee Bencheng helped you complete all these, no, even if it was Lee Bencheng, it would be impossible for him to knock them all out in front of Grimm ...”” ”

“““So you mean you don’t believe in my strength?”” Zhao Yu took a step back in order to advance,”“alright, I admit that I was bragging, okay?”” ”

“““The missile was shot down. Don’t you think that you’re lucky that you had a narrow escape this time?”” Miao Ying said with fear,”“it’s really hard to imagine what I would have done if I were in that situation. ”

“““And you, not only did you survive, you even caught up to londee’s plane. How can I believe that?”” ”

“““Because I can fly!”” Zhao Yu started to tell the truth,”“I flew over the sea like Superman, and I was invisible! Hehehe ...”” ”

“““It’s here again!”” Miao Ying shook her head and sighed.”“You make me worry every time. If I have the same task in the future, how can I be at ease?”” ”

“““Don’t worry, the situation is special this time, so I pretended to go missing!”” Zhao Yu said,”“I promise, it won’t be like this next time! I’ll definitely bring you along, okay? my dear, oh no, I should call you my wife, hahaha ...”” ”

“““Hmph, how many times have you said this? but every time it’s a critical moment, you don’t even bring me along! How am I supposed to believe you?”” ”

“““Don’t worry!”” Zhao Yu once again held Miao Ying and said,”“after experiencing the most important battle, londee’s criminal group has suffered a great loss, and even fell apart! ”

“““Green, we’ve captured the company’s shareholders and taken care of our biggest enemy. We won’t have many opportunities to go on missions in the future! ”

“““I think we should focus on case investigation in the future!”” ”

“““Hmm ... That’s true!”” Miao Ying finally let out a sigh of relief. She looked at the ring on her finger and said,““fortunately, green didn’t run away. If he had become the controller of the criminal empire, we would have been in trouble!”” ”

“““Yup!”” Zhao Yu said,““that old man was actually planning to return to his old base in Hawaii, and he was even planning to start a war. He’s really a madman ...”” ”

“““By the way,”” Miao Ying asked worriedly,““what about the Middle-Eastern woman? Someone who has a good relationship with you? Did you find her? She couldn’t have ... Been on the island of wondrous traces at that time, right?”” ”

“““No,”” Zhao Yu said.““We’ve been investigating her whereabouts for the past few days. According to Juliet, after she was extradited from the United States, she should still be in the United States! ”

“““As for us, we’ll find evidence that Amiola was framed and help her get away with it. It’ll probably take some time!”” ”

“““Oh ...”” Miao Ying asked again,““then ... What about the friends who were threatened? Are they all right? For example, Miss Li Zhen Zhu from Korea and that female police officer from Morocco?”” ”

“““They’re all fine, we’ve all confirmed it!”” Zhao Yu said,““you can say that our lives have all returned to normal! ”

“““Now,”” Zhao Yu hugged Miao Ying tightly and said sincerely,““my main task is to marry you as soon as possible ...”” ”

Chapter 2687: finally getting married (finale)

“Half a month later, at Qinshan city’s Hongtai Grand Hotel. ”

The sun was shining brightly and the wind was gentle.

Zhao Yu and Miao Ying’s wedding was held there as scheduled.

“Although Zhao Yu’s previous idea was to keep a low profile, how could he keep a low profile when it came to a big wedding? ”

“In addition to his friends and family, his old colleagues at the Qinshan police station, the criminal Division, and the leaders and colleagues of the secret services Department were all present. ”

“Of course, there were also some criminal investigation team leaders who had solved cases with Zhao Yu from all over the country who had heard the news and came to participate. ”

“Even some of his international friends had come from far away to congratulate Zhao Yu. Among them were Jeka from cosavia, Juliet France, Miss Li Zhenzhu from Korea, Masako Yangshan from Japan, and so on.”

“Although Lee Bencheng and Zhao Yu had a close relationship, because he was still a dead man, he could only hide in a corner and not meet the public.”

“However, before that, li Bencheng had already reunited with his son, Li Jie, and was naturally satisfied.”

“At that moment, as Zhao Yu and Miao Ying’s godson, Li Jie naturally had to attend the wedding and hold flowers for the two newlyweds.”

“This time, Zhao Yu had specially arranged for a simple Chinese wedding, so the bride and groom were both dressed in Chinese wedding clothes, and Miao Ying had a traditional red veil on her head!”

“At the beginning of the wedding, gongs and drums were first heard at the hotel entrance. Blondie Zhou Yang and the others personally beat the drums to cheer.”

“Soon after, the lion dance Team appeared and gave everyone a wonderful lion dance performance.”

“Then, the wedding car with the bride arrived!”

“The wedding car was readily available, which was Zhao Yu’s own Aston Martin ONE77!”

“The car itself was red, so it was perfect for a wedding car.”

“After the wedding car was parked, the emcee brought Zhao Yu three red Arrows and held the shooting ceremony.”

“The first arrow shot into the sky, representing praying for the blessings of the heavens;”

“The second arrow shot into the ground, representing eternity;”

“The third arrow was shot into the distance, representing a long and happy life ...”

“Originally, shooting arrows was just a formality, but it had been set up as an obstacle by the bridesmaids who had come with them.”

“The so-called bridesmaid, like the bridesmaids, was also dressed in a Chinese wedding dress and dressed like a maidservant in ancient times.”

“This time, Miao Ying’s four bridesmaids were cui Lizhu, Ding Lan, Xi menna, and Zhang Peipei.”

“Besides Zhang Peipei, the other three were so familiar with Zhao Yu that they would not let him have the beauty so easily. As soon as they got out of the car, they stopped Zhao Yu, not letting him shoot.”

“However, Zhao Yu was well prepared. He immediately gave each of them a super big red packet, and the four of them finally stopped.”

“Archery was a ceremony, so Zhao Yu quickly shot two arrows in a day. When he shot the third arrow, cui Lizhu had another trick up her sleeve!”

““Boss!”” Cui Lizhu stood in front of the arrow and said, ““you have to shoot far!”” ”

““Yup!”” Xi menna joined in. ““The further away we are, the happier we are!”” ”

““alright!”” such a small matter was not difficult for Zhao Yu. he used an accelerator and shot the arrow at the same time. before anyone could see it clearly, the arrow had already disappeared. ”

waa ...

“To everyone’s surprise, Zhao Yu opened the car door and welcomed miss Miao out. ”

“With Ding Lan’s help, Miao Ying, who was wearing a red veil, walked into the wedding sedan that was prepared in advance. ”

“The four people who carried the palanquin were Ran Tao, Zeng ke, Wang Can, and Xiao hang. The four of them lifted the palanquin and swayed all the way to the banquet hall. ”

““You four bad guys ...”” Ding Lan could tell that the four of them were shaking too hard. She immediately took out Miao Ying’s Red packet and was about to give it to them. ”

“However, Cui Lizhu had inherited Zhao Yu’s good tradition, which was called bad. ”

“She stopped Ding Lan and said to the four sedan carriers, ““““Hey, I’m warning you, our sister Miao is pregnant. If you dare to show her around, you’ll see how our boss will punish you!”” ”

““Ah!”” ”

“Hearing the threat, the four of them became obedient. ”

But Zhao Yu was puzzled. How come I didn’t know about such a big thing?

“Just like that, the four of them carried the palanquin all the way into the hall. ”

“Seeing the arrival of the wedding sedan, it immediately attracted the gazes of all the guests. ”

“Then, Ding Lan and Xi menna helped Miao Ying out of the sedan. They stepped on the tiles first, then over the brazier, which represented peace and prosperity. ”

“Then, Zhao Yu’s mother quickly came forward and gave her daughter-in-law a big red packet. ”

“Zhao Yu didn’t lack money. He had originally given his mother some money, but to show her sincerity, his mother had generously taken out all of her and his father’s savings. ”

“After that, under the host’s signal, the big wedding ceremony of the crazy detective officially began. ”

““First bow to heaven and earth!”” ”

“The host shouted, and Zhao Yu and Miao Ying both knelt down and kowtowed to the heavens and earth. ”

““Second, bow to the parents!”” ”

“After that, the two of them paid their respects to the high Hall. ”

“Zhao Yu’s parents, Miao kun, and Xu Qin couldn’t be absent from such a grand wedding. ”

Miao kun and Xu Qin were overjoyed to see the two newlyweds getting married. They even held hands.

“““Husband and wife bow to each other!”” ”

“After the two bowed to each other, the climax of the wedding finally arrived. Zhao Yu lifted the red veil of the bride. ”

“Miao Ying, who was already a natural beauty, looked even more beautiful at that moment. She was wearing a traditional wedding dress, but she still looked so valiant, which made Zhao Yu stunned! ”

“In his mind, he recalled the first time they met in the summer. She had bright eyes and white teeth, looking refreshing and beautiful, making him feel like he was bathing in the spring breeze ... ”

“Of course, what he remembered the most, in addition to Miao Ying’s heroic posture, was the battle between the dragon and the tiger in the training class, as well as the stumbling and falling in love after that ... ”

“Looking back on the past, not only did Zhao Yu feel emotional, but he also thanked the heavens for letting him live again. He also thanked his dear Miao Ying for letting him find the meaning of life ... ”

“Thinking of these past events, Zhao Yu couldn’t help but pull Miao Ying into his arms. ”

“““eh? it wasn’t time for the nuptial chamber yet? is the groom in a hurry?”” the host made a timely joke and said,““next, it’s the cross-cupped wine segment. serve the wine!”” ”

the emcee’s humorous speech caused the audience to burst into laughter.

miao ying’s face was also slightly red. she was embarrassed.

“after the cross-cupped wine, the wedding ceremony was over, and the wedding banquet was next. ”

“at the wedding, zhao yu saw many old friends he had not seen in a long time. li beini, lan bo, zhang jingfeng, liang huan, zhang yaohui, hu bin, peng xin, forensic doctor wang fei, bureau chief zhou andong and bureau chief luan xiaoxiao, as well as elder jin, liao jingxian and bureau chief hong from the city bureau, and his old friend su yang from the provincial bureau ... ”

“Seeing so many of his old colleagues, Zhao Yu was naturally very happy. He said that in the next few days, he would definitely drink a few more glasses with his old colleagues and reminisce about the past. ”

“Of course, other than his old colleagues, there were also his old friends, such as his goddaughter Jiang Xiaoqing’s family. They had also come to help very early. ”

“Jiang Dafeng even generously bought all the fruits for Zhao Yu’s wedding, which made Zhao Yu extremely touched. ”

“In addition, Jiang Xiaoqing also brought her dog, Daheng. Daheng was very excited to see its long-lost owner, and led Zhao Yu to the bathroom several times. ”

“To Zhao Yu’s surprise, Yao Jia and Hao gang’s son, Hao Jiajun, also attended the wedding. ”

“Moreover, they had come to congratulate him as a couple. ”

“It turned out that after the marriage crisis, miss Yao Jia still made her choice to be with Hao Jiajun, who had been pursuing her for a long time.”

“Now, when Zhao Yu faced Yao Jia again, he was no longer as unnatural as before. He also sincerely hoped that Yao Jia could find her own happiness.”

“Apart from Yao Jia, Zhao Yu also saw his disciple, su Jinmei, who had gone through life and death with him in the landing in New Zealand. Su Jinmei had come to attend the wedding with her father, Su Lin, who had come to congratulate Zhao Yu on behalf of Qinshan’s political circle.”

“After some small talk, Zhao Yu learned that his little disciple had become a good leader. She was now the Deputy Captain of the criminal Police, and could take charge of things on her own!”

“After meeting his good friends in Qinshan, Zhao Yu met with the leaders and colleagues from the criminal Division, including Division Chief Jiao Guofeng and the kun Peng couple, Section Chief MA runkui from the Foreign Affairs Office, Liaison Officer Chen Zhuo, as well as the great forensic doctor Gao Facai and Guo fengzhan.”

“Division Chief Jiao was full of praise for Zhao Yu and Miao Ying, while kun Peng kept mentioning Zhao Yu’s life-saving grace.”

The most interesting thing was that kun Peng had even sent Zhao Yu a big gift on behalf of someone.

“The person who gave the gift was called Xie ah, and he was the current leader of vakries.”

“Mr. Xie a had sent a congratulatory message to Zhao Yu on behalf of vakreya, wishing Zhao Yu a happy wedding! He had also invited Zhao Yu and his wife to visit vaklia, so that they could enjoy the best treatment as state guests.”

“Having received Mr. Xie A’s blessing, Zhao Yu was naturally very proud.”

“However, in addition to Mr. Xie, kun Peng also brought Zhao Yu another congratulatory video. This video was sent by Zhao Yu’s comrades who had fought side by side with him in vakries!”

“The commander Lu Kaixuan, the captain PU Jiayou, the female member Gao Shang, the sniper Guan Ying, and the member Wu diqiu ...”

“As the team members were still out of town on a mission, they couldn’t attend Zhao Yu’s wedding, so they could only send this congratulatory video.”

“As the saying goes, friends of life and death can not be forgotten. Zhao Yu had wanted to meet up with these old comrades of his for a long time, but everyone had their own tasks to do.”

“At that moment, Zhao Yu felt very happy when he saw their well wishes.”

“After that, it was the leaders and colleagues of the Secret Service, as well as their international friends.”

Zhao Yu had made careful arrangements and toasted everyone.

“After all, secret services was not an ordinary unit, so they did not meet too many people and only ate at a table in a separate private room.”

“According to Miao kun, green had completely given in. He had provided a lot of internal information about the criminal group, and secret services had disclosed the information to the relevant countries. ”

“The relevant countries were carrying out targeted clean-up, which also accelerated the collapse of the criminal empire. ”

“Therefore, this mysterious and powerful enemy had completely collapsed and was no longer a threat. ”

“After the wedding, Zhao Yu and Miao Ying were not in a hurry to see the guests off, but returned to their rented house on Shunfeng Street. ”

“As the rent had not stopped, Jiang Dafeng had been saving it for Zhao Yu. ”

“Returning to this place, Zhao Yu and Miao Ying couldn’t help but be filled with emotions as they recalled their detective experience. ”

“The bizarre cases, the sad murders, as well as the happy and sad reunions of the past, once again appeared in Zhao Yu’s mind. ”

“””Aiya ...”” Zhao Yu sighed as he pulled his wife, Miao Ying, to the balcony. He looked at the bustling Shunfeng Street in the distance and muttered,“””every time I stand here, I can remember the scene of old Jin handing me the yellow leather notebook!”” ”

“””I have to say, it was that notebook that changed me completely and made me embark on the path of a godly detective!”” ”

“””Yup!”” Miao Ying held Zhao Yu’s hand and looked at the sunset in the distance.””No one would have thought that Zhao Yu, a small police officer of the rongyang branch, would become a famous detective today!”” ”

“””No, no,”” Zhao Yu corrected her.””Being famous is not enough to describe my identity and status today. I’m now an International Detective whose name resounded throughout the universe, Wahaha ...”” ”

“””Moral conduct!”” Miao Ying rebuked,“””my master detective, we still have a long way to go!”” ”

“””Of course,”” Zhao Yu said solemnly,“””behind every crime, there is a liter of tears! ”

“””If the crime case isn’t over, our mission won’t be over!”” ”

“””En!”” Miao Ying leaned on Zhao Yu’s shoulder and said,“””it won’t end ...”” ”

“At that moment, Zhao Yu’s mobile phone suddenly rang. The caller ID showed that it was his father-in-law, Miao kun. ”

“””It can’t be?”” Miao Ying pouted.””What’s my dad doing? Don’t tell me there’s a new mission?”” ”

“””It’s possible!”” Zhao Yu wanted to answer the call. ”

“””No!”” Miao Ying’s eyes widened as she reminded him,“””remember, no matter what the mission is, you have to take me with you!”” ”

“””En!”” Zhao Yu nodded, then answered the call on speaker. ”

“““Hey...Zhao Yu, Zhao Yu, where are you?”” Miao kun’s anxious voice came from the phone. ”

“““What’s wrong? We’re at Shunfeng Street ...”” ”

“““Aiya, quickly come back! Come to the hotel!”” Miao kun said hurriedly,””sangroff is here! I want to ask you out for a fight ...”” ”

I’ll ...

Zhao Yu and Miao Ying both fell to the ground.
