

## Crazy 301

### Chapter 301: The Golden Boy and Jade Girl

Zhao Yu knew if he did not investigate with all his heart, the “Gen” hexagram would not be easily achieved. So, he had to give his all regardless of whether if he got “Gen” hexagram to assist him.

Looking at the few whiteboards with information on the Bank Hidden Corpse Case, Zhao Yu felt nostalgic! Just like the Lost Hand Case back then, he felt that there was a clue right before him, but he had yet to find it!

“What...what is it? Is it... Is it about the motive? Murderer, why did you starve these people to death?” Zhao Yu wondered. “If the murderer was a bloodthirsty maniac, then...he would’ve chosen a gorier method in order to suit his needs. Why did he opt to starve the people to death? Tsk tsk...”

Zhao Yu dully looked at the photos of the corpse, but his mind was running trying to look for a new clue.

“Is it that... Did the murderer experience some sort of hunger games? He wanted the others to get a taste of it. They have some serious psychological issues... But...why did he choose these people?” Just as Zhao Yu was deep in thought, he suddenly seemed to have realized something.

Just then, the office door opened. Bureau Chief Luan, Secretary Song Chao, and Office Chief Lim walked in together.

“Bureau Chief Luan.” The detectives stood up to salute him.

The Key Case Investigation Unit was well informed. They had already heard some rumors. Due to Bureau Chief Luan’s good job handling the mess left by the previous bureau chief, and her good connection with the higher-ups, Luan Xiaoxiao was officially promoted as Rongyang Branch’s Bureau Chief.

“Comrades, thanks for the hard work!” Bureau Chief Luan greeted everyone with a smile. “You just solved the Bank Robbery Case, and you were supposed to take a good rest, but here you are, still investigating. I’m really sorry about that! Everyone is working too hard!

“Actually!” Bureau Chief Luan continued, “We were supposed to have a commendation ceremony to celebrate, but...as you already know,” she pointed towards the door, “this is a very crucial moment. Although we solved many significant cases and contributed so much, we have to work harder to prove our capability! If we solve this case before them, no one would dare to come around and challenge us!”

Clap, clap, clap! There was enthusiastic applause in the office. What Bureau Chief Luan said hit everyone’s heart, and it felt encouraging.

“I do not need to say anything more! I have full confidence in the Key Case Investigation Unit!” Bureau Chief Luan gave an impassioned speech, “The Mianling Case and Bank Robbery Case have been solved. I believe the Bank Hidden Corpse Case won’t be a problem wither!”

“Don’t worry, Bureau Chief Luan!” Miao Ying saluted her respectfully.

Bureau Chief Luan shook Miao Ying's hand and said, "Next, I have three pieces of good news that I need to announce! Xiao Song, are you ready?"

Song Chao was holding on a stack of documents when he nodded.

"Alright!" Bureau Chief Luan smiled and said, "The Mianling Case's cash reward is here! Five-hundred thousand cash reward, the highest in Qinshan Police history. We proudly claimed the honor! I've allocated the cash reward according to our usual rules. The allocation table is here. You will receive your cash reward this afternoon after you sign the acknowledgement form."

"Woohoo..." The police detectives were excited and cheering happily when they heard that they were collecting their cash reward.

"Secondly," Bureau Chief Luan looked at Zhao Yu and said, "due to Zhao Yu's outstanding performance, the higher-ups have decided to assign Zhao Yu as the temporary team leader for Team A, in order to solve the Bank Hidden Corpse Case with Team Leader Miao!"

"Wow!" Everyone was surprised at the promotion. Although some knew that Zhao Yu's promotion was only a matter of time, they thought that he was going to take over Miao Ying's position in Team B, and Miao Ying would be the captain of the Key Case Investigation Unit!

Who would have guessed that Zhao Yu would take over Team A straightaway! Team A had an official team leader! Plus, there were many experienced police detectives, such as Peng Xin, Liu Xueshan, etc. Zhao Yu was just a small potato that had just been recognized, but he climbed above them in rank. That kind of promotion was definitely the first.

"Congratulations, Zhao Yu!" Bureau Chief Luan immediately congratulated him after she announced the promotion.

Zhao Yu cringed and asked, "Mm...that...Bureau Chief Luan, what the hell is this temporary promotion? When do I get promoted officially?"

"Zhao Yu!" Miao Ying reminded Zhao Yu of his attitude when she saw him acting so shamelessly.

"Hehehe..." Bureau Chief Luan knew Zhao Yu well. She laughed and said, "Zhao Yu, I knew you were going to say that! If you solve this case and give us the spotlight again, an official promotion is inevitable, isn't it?"

"Oh..." Zhao Yu stood up straight and saluted her. "Don't worry! I, Team Leader Zhao, will complete the mission!"

Suddenly, Zhao Yu's shamelessness blew everyone away again...

"Miao Ying!" Bureau Chief Luan turned around and consoled Miao Ying, "Technically, you should be the captain, but...because of what happened a while back, it can't happen just yet! Be patient! It won't be too long before Mao Wei recovers!"

Oh... Everyone understood after Bureau Chief Luan explained. It seemed that when Mao Wei recovered and was discharged from the hospital, he would be the team leader for Team B! The day Mao Wei became team leader, Miao Ying would become the captain of Rongyang Key Case Investigation Unit!

“Hehehe...” Zhao Yu laughed and taunted Miao Ying, “Team Leader Miao, if you aren’t promoted, then...it means that we are at the same rank! Wahaha! Who knew it’d be like this!”

Miao Ying rolled her eyes at Zhao Yu, and he pushed again. “Hehehe, Team Leader Miao, your advice and comments are well appreciated! Bureau Chief Luan, don’t you worry! We, from Team A and Team B...mm...the Golden Boy and Jade Girl! When we are here, we are a formidable combination. Just you watch!”

Pfft! Listening to Zhao Yu’s shameless speech, all the detectives nearly fell on the ground. Those who were weak even felt nauseous.

“Yes! A formidable combination! Golden Boy and Jade Girl!” Bureau Chief Luan gulped as she was in shock too.

“Zhao Yu!” Miao Ying’s knuckles were cracking as she was trying to restrain herself.

“Oh, right! The third piece of news!” Bureau Chief Luan changed the subject at the most crucial moment. “The third announcement is also great! I just received a document from the higher-ups. Congratulation, Li Beini, you have completed your trainee probation and have officially become one of the members of the police force!”

“Wow!” Zhao Yu immediately gave her a warm applause and congratulated her. Li Beini was caught by surprise.

“Silly girl!” Zhao Yu held her shoulders and shouted at the detectives, “Let me tell you, Beini is my sister, and my sister has officially joined the squad! I am very happy! Tonight, we are going to Hanshen Hotel! It’s on me! Whoever’s not coming is my enemy!”

### **Chapter 302: Though I Know Missing You Is Painful**

“Though I know missing you is painful, I still think of you...” Hanshen Restaurant’s biggest specialty was the private karaoke rooms, letting the customers sing as they ate. At the moment, the Rongyang Key Case Investigation Unit members were all gathered in one huge room enjoying a feast as they sang. And the singer was the main character—Zhao Yu.

Zhao Yu shamelessly said that this feast was to celebrate Li Beini becoming an official investigator, and also, to celebrate his promotion to the team leader of Team A. Thus, he had to enjoy himself! Even though he was only a temporary team leader, Zhao Yu was quite proud and wanted to celebrate properly.

Also, he was also happy about the money he had gotten that day. The five-hundred thousand yuan reward money for the Mianling Case had been distributed. According to the allocation table, he made 190,000 yuan by himself. Quite a bit!

Hanshen restaurant was on the same level as Laoqinrenjia restaurant. Each meal could cost tens of thousands or even more. Yet, the generous Zhao Yu was not lacking money in the least. Not only did he order a luxurious feast, but he even invited Bureau Chief Luan, Secretary Chao, Office Director Lin,

Forensics Department Leader Wang Xing, and even Director Lu. The two large tables in the private room were filled with people! The scale of this feast was much bigger than what Mao Wei had offered.

But Bureau Chief Luan was still busy, and halfway into the meal she excused herself and left with Song Chao. Once the Bureau Chief had left, everyone became more open, and ate more freely.

Zhao Yu took the opportunity and chose the song "Though I Know Missing You is Painful", and was emotionally performing in front everyone.

"So many couples come and go, yet meeting you is one in a million!" When he got to that point, Zhao Yu purposely wagged his finger at Miao Ying as if he meant to say that he was singing this song for her.

When Miao Ying saw this, her expression went dark, and she started eating, no longer sparing a glance for Zhao Yu.

At first, Miao Ying had wanted to stop Zhao Yu. She said that this was a very important time during the case investigation, not good for parties. She suggested that he wait until the case was over. Yet, Zhao Yu persisted. He said that if they waited for the case to finish, there would be no more excitement! Besides, even if everyone was working their hardest, there was not much progress, right? So, why not relax a bit. Maybe then their minds would work better, and there would be new ideas.

Miao Ying could not win the argument, and could only go along with Zhao Yu's whim. But Miao Ying still warned him way ahead of time, even though it was a celebration, they still could not drink, because after dinner, they had to continue the investigation.

Even though it was less fun that way, Zhao Yu still agreed.

At the party, other than Zhao Yu, the happiest person was definitely Li Beini. The girl knew, based her current situation, it would have been difficult to become an official member. The reason for her promotion was all thanks to Zhao Yu. If it had not been for Zhao Yu taking her along and solving numerous big cases, she most likely would not have had a chance.

At the party, Zhao Yu treated her like his own sister, toasting her. This made Li Beini even more thankful. Even though she knew that Zhao Yu saw her as a sister, and that his relationship with her was completely platonic, when Zhao Yu flirted with Miao Ying as he sang, she still felt some jealousy.

But, out of everyone present, only Li Beini thought that way. All the other investigators had seen how terrifying Miao Renfeng was, thus, when they saw that Zhao Yu dared to flirt with her, everyone pitied him.

Zhao Yu was carried away by the atmosphere. Not only did he not fear the consequences, but he approached them boldly. As he sang, he shamelessly teased Miao Ying, "Team Leader Miao, you made me suffer so! I had nothing before knowing you, and now nothing can cure my love. Team Leader Miao, I was captivated by you, what to do..."

Bam! Miao Ying could not take it anymore and threw down her chopsticks.

This noise scared all the investigators stiff. They feared the explosion that was soon to come!

“Though I know missing you is painful, I still think of you...” Yet, Zhao Yu continued singing. He even handed the mic to Miao Ying. “Team Leader Miao, you should sing too! Once Team A’s leader finishes, it’s team B’s turn, right? Muwahhaa...”

At this point, all the people present wanted to start betting! The majority of them wanted to bet one-hundred yuan that in the next second, Miao Ying’s chopsticks would go through Zhao Yu’s head! Yet, they were wrong. Miao Ying did indeed pick up her chopstick, but only to pick up her food, not to kill someone.

Once Zhao Yu finished singing, dinner was almost done! Even though the food was great, everyone was still thinking about the case, and could not fully relax.

Thus, once Zhao Yu finished his song, no one touched the mic again.

Afterwards, everyone chatted for a while, and the celebratory dinner officially came to a close. Zhao Yu and Li Beini first sent all the officials off, then Zhao Yu went to pay the bill at the front desk.

After eating, Miao Ying and Zhao Yu had already split up their work. Tonight, some of the investigators would return to the police station and continue their work, while the rest of them would return home to rest.

Originally, Zhao Yu did not have much to do with what was happening at night, but since he had just been promoted to team leader, he was still high on his sense of accomplishment. Thus, he decided to return to the police station with Miao Ying.

But after paying the bill at the front desk, Zhao Yu could not find Miao Ying anymore.

“Huh? Where did she go?” Zhao Yu was a bit worried. Maybe Miao Ying was mad at him and purposely abandoned him.

“Senior.” At this time, Li Beini walked out from the restaurant. “Thank you for today, sincerely! How about this, I also got some reward money, so how about we split the cost for the party!”

“Hah! Bullsh\*t!” Zhao Yu yelled. “Don’t ever say that sort of thing on the street. That’s called slapping me in the face, got it?”

“What? Slapping you?” Li Beini was intimidated.

“If I said I’m paying, I’m paying!” Zhao Yu laughed as he patted Li Beini on the shoulder. “Did you forget what I said before? From now on your problem is my problem. Why would we split anything?”

“But...”

“No ‘buts’! Hurry up and go tell your parents the good news! Today you don’t need to work over time! Hehehe, from now on I’m your team leader, you have to listen to me!”

“Then,” Li Beini looked around, “where did Team Leader Miao go? How...are you going back to the police station?”

Zhao Yu wanted to speak up, but suddenly noticed a bunch of people gathered on one side of the restaurant. They were not strangers, but his own colleagues, including the tall Ma Wei.

Zhao Yu immediately looked up and noticed that beside the restaurant was a Taekwondo Dojo. The people gathered at the door of the Taekwondo Dojo seemed to be saying something.

What's up? Zhao Yu pondered. Today he had gotten the "Zhen-Dui" hexagram, he had been promoted and got his reward money. Were there any other adventures waiting for him?

Tsk, tsk... Since they were all people he knew, Zhao Yu obviously did not just watch them from the sidelines, but went to see what was going on. Li Beini saw and could only follow.

When he got there, Zhao Yu finally saw that in front of the investigators were a few people in Taekwondo uniforms. The two sides were yelling at each other. There seemed to be a conflict.

No way? Zhao Yu felt a bit helpless. These people had just fought with Wang Shengyao this morning, and now again?

### **Chapter 303: Why Didn't You Say Earlier?**

"It's okay, don't worry. They are one of ours! Hehe..."

When Zhao Yu and Li Beini walked closer, they heard a man's voice that sounded like a great bell. The one who spoke was a brawny man in his Taekwondo uniform among the crowd!

The man was one head taller than Zhao Yu. He had handsome long hair and was pretty good looking. He seemed like a powerful and prestigious man.

"Yes!" Miao Ying's hands were on her waist. She spoke to Zhang Yaohui at her side, "Yaohui, we have stuff to do, let's just forget it!"

"But...Team Leader Miao..." Zhang Yaohui resisted submitting.

"Hehehe, exactly, exactly!" The good-looking man said, "This is my junior apprentice. Who knew that she's a police officer now! Bravo, bravo!"

"Hmph!" There was a young man who was wearing the same Taekwondo uniform. He said scornfully, "What so amazing about the police? Can she fight well?"

"Hey, son! Don't just demand one thing after another! Who the hell are you?" Zhang Yaohui pointed at the guy and said, "You ran into my colleague and don't even know how to apologize. Where're your manners?"

"What is it? What the hell?" The other guy in the Taekwondo uniform shouted arrogantly, "Who knocked you? You need to grow a pair of eyes! You saw me walking and bumped into me! That's what you deserve! So how about now, police officer? Are we convicted of assaulting a police officer? Do you want to arrest us? Pfft..."

"You!" Ma Wei was burning with rage and roared, "Such a bad-mouther. Are you picking a fight?"

"Great!" The other side retorted, "If you dare, come into our studio and battle us! See who is the one crawling out later! Arrest us if you can. If not, f\*ck off!"

"You..." The detectives had never come across anyone so big headed, and they were only young brats that were puffed up with pride and arrogance. Everyone was so worked up that they were going to get in a fight.

"Lei Bin," Suddenly, Miao Ying shouted at the good-looking man, "is this how you teach your disciples? They show no respect at all!"

"Hehe, junior!" The man named Lei Bin laughed. "There are prerequisites for manners! You know what it's like in our field. We speak with confidence! You practiced the same thing, didn't you? Hey, listen up!"

Lei Bin shouted at his disciples, "Mind your manners! This female detective was Jen Yu! You have to call her your senior! Honor my words when I say this, you might not be able to beat her even if you fight her together!"

"Could it be, Master?" His disciples were shocked. "That's impossible! We are the province champions. It would be impossible for us not to win against a woman! I don't think so!"

"Hehehe..." Lei Bin walked in front of Miao Ying and smiled maliciously. "Junior, I am your senior! It's a bit rude calling me by name, isn't it?"

"Lei Bin, I have official duties to fulfill, don't waste my time!" Miao Ying said coldly. "Have your disciples apologize to our colleague and we shall let it slip!"

"What? Haha..." All of them laughed and someone said, "That's a joke! Why would we apologize? Senior, right? I do not believe in what Master said. If you dare, let's battle for one round and see who is greater?"

"Hey!" Lei Bin shouted at that disciple, "Who taught you to be so rude?! Stand back! Lei Bin roared and that disciple's expression changed. He obeyed and hid in the back.

"My Junior!" Lei Bin turned around and said, "What is it? Is it that your abilities have behind after you became an officer? Don't you...don't you want to take revenge for what happened back then?"

"You..." It was Miao Ying's turn to make a face, as though Lei Bin had revealed something.

"Hahaha... I don't think you have to courage to do that!" Lei Bin laughed and said, "If so, you apologize to my disciples then! You can leave after that!" Lei Bin's speech made his disciples even more snotty.

"Hey...do you know the immensity of heaven and earth?!" Zhang Yaohui took out the handcuffs and spat, "I can arrest you for obstruction of justice!"

"Sure!" One of the disciples said bossily, "Not only do we have surveillance cameras installed, but we also have the audio recording as well! Come on! Lock us up! We will see if you will make it to the front page of the newspaper!"

"You..." Miao Ying was burning with anger. She did not want to be pestered by these arrogant b\*stards but she could not just walk off either! "This is difficult... What should I do?" she wondered.

Just then, Zhao Yu appeared. Although he just got there, he pretty much understood the entire situation. Maybe their colleagues had caused a little friction with the Taekwondo troop, and they

wanted the other party to apologize, but the other party refused to do so, hence the anger. Then, this man named Lei Bin was most likely Miao Ying's former teacher, and they seemed to have some friction too.

Although he had not gotten the "Kan" hexagram that day, Zhao Yu could not let go of such amazing opportunity. If he were to fight for Miao Ying, the two of them might progress further.

He thought to himself, "Hmph...what Lei Bin? What, Taekwondo? I was here waiting for you villains to appear! Finally, you're here today. I guess I can only say it's your unlucky day! Hahaha..."

"My dear," to show that he had enough reason to fight for Miao Ying, Zhao Yu grasped her shoulders and said, "What happened? Did you run into some crazy ass dog again? Do you need me to clean it up for you?"

"Zhao Yu..." To be frank, Miao Ying had hoped that Zhao Yu would come over and help. To deal with b\*stards like Lei Bin, they would need a hooligan like Zhao Yu. But seeing Zhao Yu calling her "my dear", Miao Ying slapped Zhao Yu's hands away.

"Oh?! That's rare..." Lei Bin smiled and said scornfully, "You have a boyfriend? That's shocking! My junior's boyfriend, how many punches can he take?"

"Aiya!" Zhao Yu pretended to be shocked. "That's such a big dog! No wonder my little Miao Miao is so pissed! Don't be angry, my dear! I am here now, don't you worry, I had a rabies vaccination!"

Hearing Zhao Yu's speech, the police detectives started laughing.

"Hmph!" Lei Bin scoffed. "I knew Miao Ying's boyfriend would be someone mentally ill. Bro, what's your patient number at the asylum?"

"9527!" Zhao Yu replied without thinking. "And your mother is 9526. That crazy b\*tch runs to my bed everyday! You might even have a younger brother or sister by now!"

"You?!" Lei Bin lost control of his temper and shouted at Zhao Yu, "You...b\*stard..."

"F\*ck..." Zhao Yu proceeded with a number of curses. He was famous for his ability to swear in public. It was like he was singing a song as he spoke an essay of curse words.

Lei Bin was furious! The police detectives were all dumbstruck, let alone the Taekwondo troop.

"Bravo!" Lan Bo complimented him softly with the others. "Bro Yu is so amazing! This is god-level cursing..."

"Ugh!" Lei Bin was so furious that he threw a punch at Zhao Yu, who happily welcomed it in order to set him up. The moment Lei Bin hit him, the police detectives would have sufficient reason to arrest him for assaulting a police officer!

Lei Bin was not stupid either. Seeing Zhao Yu expect the punch, he quickly stopped! "Good one, son!" Lei Bin said angrily. "If you're a man, let's battle fair and square! If you're just a p\*ssy, go ahead with your swearing! See who's the one embarrassing themselves!"

“Hmph! My hands are itching!” Zhao Yu fondled with his fists and said, “I’m famous for my excessive strength. If I were to kill you, please don’t make your wife marry me!”

“You!” Lei Bin pointed at his Taekwondo studio angrily. “Let’s go! See who’s the one who’s gonna die!”

“Hmph! Let’s go then!” Zhao Yu took huge strides over.

“Zhao Yu...Zhao Yu...” Miao Ying quickly pulled him and said, “No way, you can’t!”

“Don’t worry!” Zhao Yu pressed Miao Ying’s hands and said sincerely, “Team Leader Miao, anyone who bullies you is doing the same to me. Even if you want to let this slip, I can’t!”

“No! Not that!” Miao Ying’s looked embarrassed. She pulled Zhao Yu aside and said softly, “Zhao Yu, it’s not that I want to let it slip, but...you can’t fight him! I...after I practiced martial arts, I hardly lost any battle. I lost ten in total! And of these ten, besides the one where we had a draw, the remaining nine were all lost to this Lei Bin! Believe me, you...you are no match for him!”

“What the f\*ck!” When he heard that, Zhao Yu was shocked. He complained in his head, “Miao, why didn’t you say that earlier?!”

### **Chapter 304: Unorthodox Fighting Style**

Zhao Yu finally realized why Miao Ying’s reaction was so bizarre! Based off of Miao Ying’s usual personality, these Taekwondo people would have already been beaten to a pulp, wailing for their parents! But due to the skilled Lei Bin, Miao Ying was between a rock and a hard place. If she forced him to apologize, she might embarrass herself; but, if they did not apologize, she would lose face as the team leader!

Zhao Yu was also too rash in his attempt to help Miao Ying out. He did not quite understand the situation. Lei Bin turned out to be an expert that even Miao Ying feared!

Thinking back to when he and Miao Ying fought in the police academy, even though it had been a draw, Zhao Yu knew himself. Had it not been for his shameless fighting strategy, he would have lost! If it really was a one-on-one battle, he would never beat Miao Ying! Now he was faced with this Lei Bin, who could even beat Miao Ying. How could he win, then?

But surrendering was not in Zhao Yu’s personality. Now that he had accepted Lei Bin’s challenge, obviously he could not just run away! Also, Zhao Yu had always been competitive and combative. Faced with a strong opponent, he suddenly found a long-lost feeling of excitement.

“Zhao Yu, listen to me,” Miao Ying tried to stop him, “don’t fight with him. Let’s just let this matter go!”

“Oh? Are you guys leaving or staying?” Lei Bin yelled arrogantly. “If you’re scared, then just call me your dad! It’s not shameful!”

“F\*ck off, you motherf\*cker...” Even if Zhao Yu could not beat the other in a fight, he was infinitely better at cursing. He immediately retorted and transitioned into a long smooth stream of cursing.

“Kid! You have quite the sailor’s mouth! Come!” Lei Bin spoke angrily, “Let our fists do the talking!”

“Zhao Yu...” When she saw that Zhao Yu was about to take the bait, Miao Ying worriedly grabbed his elbow, and shook her head. Then she yelled at Lei Bin, “Lei Bin, fine! If it’s like this, then I’ll fight you instead!”

“What?” Lei Bin crossed his arms. “You two are quite the lovebirds! Don’t worry, why don’t you guys come at me together?” As Lei Bin spoke, all the Taekwondo members laughed out loud.

“Team Leader Miao!” Zhao Yu smiled gently at Miao Ying. “I, Zhao Yu, can bear anything, but I can’t bear seeing a woman humiliated! Today, no matter what happens, even if I am beaten to death, just watch from the sidelines!”

“Zhao Yu...” Miao Ying pulled at him again, but Zhao Yu had already turned and left.

“Oh...oh...ooh...” Seeing that there would be a good show, all the members of the Taekwondo Dojo emitted all sorts of strange yelling. The investigators followed Zhao Yu and Miao Ying into the Taekwondo Dojo.

The Taekwondo Dojo was at its busiest. Hearing someone came picking a fight, everyone obviously crowded over.

“Hmph!” Lei Bin walked in and asked Zhao Yu, “Kid, tell me, what’s your style? Taekwondo, Sanshou, or free fighting?”

“Hmph!” Zhao Yu also huffed coldly, and said in disdain, “What style? As long as the other person can’t move anymore it works. How about it?”

“Zhao Yu...crazy...” Miao Ying muttered angrily.

“Fine! Fine!” Lei Bin clapped his hands proudly. “Kid, this is all on you, so don’t blame anyone else! Everyone here heard you, if I disable you, don’t blame me!”

“Don’t worry! Later, if I waste you, I also won’t touch your wife, since I already did!” As he spoke, Zhao Yu took everything off and handed it to his co-workers, then proudly stood in front of Lei Bin.

“Even at death’s door you still talk big! Fine! Come!” Lei Bin waved at Zhao Yu, then stood in a fighting stance.

“Hey? What are you trying to do?” Zhao Yu looked as if he was about to fight, then suddenly pointed behind Lei Bin. “Isn’t this a one-on-one? Why do you have a helper?”

“What?” Lei Bin was surprised, and immediately turned to look. Yet, Zhao Yu suddenly flew through the air with a kick!

Due to their close proximity, Zhao Yu had thought that his ambush would succeed. Yet just as he was about to hit his opponent, Lei Bin, who had realized he had fallen into a trap, immediately jumped up straight from the ground. Not only did he dodge Zhao Yu’s kick, but he also returned it with one of his own.

Zhao Yu had not expected the other’s incredible speed, and immediately dodged aside, barely avoiding the attack.

“Kid! Sneak attacks, huh?” Lei Bin had wanted to yell more, but Zhao Yu suddenly rushed towards him, kicking right at his weak spot. Lei Bin immediately lowered his hands to block Zhao Yu’s leg. Then, something Lei Bin could never have dreamed of happened. Zhao Yu spit on him!!

The spit was too fast, no one would have been able to avoid it, and it landed squarely on Lei Bin’s handsome face!

Woah! That spit shocked everyone present! No one would have imagined that Zhao Yu would use such an underhanded trick! Both the members of the Taekwondo team and the Key Case Investigation Unit were all stunned! Miao Ying’s eyeballs nearly bulged out of their sockets!

“Ah...” Lei Bin was going nuts. He had wanted to wipe it away, but Zhao Yu took this chance and punched. This was Zhao Yu’s special technique—kick at their groin, spit on them, then hit their nose! It targeted all of the opponent’s weak spot!

Lei Bin had always fought fair and square with others. He had never seen such an underhanded technique. He was immediately taken aback, and was put in a defensive position! Zhao Yu knew that he had to use this advantage to its fullest! Otherwise, once the other recovered, he would have no chance!

Thus, Zhao Yu immediately rushed forward, and started beating on the other endlessly, wanting to take him down. However, Lei Bin was still quite experienced. Even though he had fallen into a trap, he was not completely confused. As he avoided Zhao Yu’s attacks, he looked for a chance, then aimed a spinning kick right at Zhao Yu’s face!

Zhao Yu had not expected that Lei Bin would be so skilled. In his shock, he instinctively used his arm to block! But Lei Bin’s spinning kick was many times stronger than even Miao Ying’s. Even though Zhao Yu had blocked to the best of his ability, he was sent flying by the powerful kick.

Boom... Zhao Yu fell to the ground, but immediately climbed up.

“Arghh...” Lei Bin finally took this chance and wiped away the spit on his face. He yelled out in disgust, almost ready to skin Zhao Yu in rage.

“Ah?! D-d-don’t take your pants off!” Zhao Yu suddenly yelled at Lei Bin again. As Lei Bin was distracted, Zhao Yu rushed forward, wanting to land another kick. Yet, this time, Lei Bin had already predicted it. Even though he looked down, he was still carefully paying attention to Zhao Yu’s actions. Just as Zhao Yu readied his attack, he turned and did a powerful sweeping kick.

The sweeping kick was powerful and fast. Zhao Yu had no chance to dodge, and was immediately swept onto the ground. Lei Bin smiled fiercely as he saw the chance for a counterattack, and immediately readied a kick at Zhao Yu.

Zhao Yu rolled on the ground, but at the same time flailed his feet wildly through the air, not giving Lei Bin a chance to kick him.

Zhao Yu had everyone furrowing their brows. This sort of fighting was too rowdy, it was merely move made for survival!

“Hmph!” Lei Bin looked for the right opportunity, then grabbed Zhao Yu’s ankle. Then, expending some strength in his arms, he threw Zhao Yu!

Zhao Yu rolled on the floor then stood up, but felt everything was spinning around him. In the end, right as he found his balance, Lei Bin shot out a sidekick right into his chest!

### **Chapter 305: Don't Need to Feel Sorry for Me**

Zhao Yu was kicked onto the ground by Lei Bin and he felt tight in his chest. Lei Bin did not give Zhao Yu any chance to rest but landed another kick on Zhao Yu's face!

Zhao Yu raised both of his arms up to defend himself, but his opponent was too heavy and strong. Zhao Yu walked back while he blocked the kick. Lei Bin then punched his shoulders and Zhao Yu stumbled. After exchanging a few moves, Zhao Yu could tell that Lei Bin was indeed an expert! Whether it was in speed, strength, or skill, he exceeded Miao Ying! His ability was even stronger than the SWAT member Zhao Qing. Even if Miao Ying came to help, the two of them might not win against Lei Bin, let alone Zhao Yu himself.

Looking at the situation, Zhao Yu starting thinking of a plan as he could only win against Lei Bin using some other way! So when Lei Bin attacked again, he leaped forward and hugged him to buy time to think. But Lei Bin was much stronger than what Zhao Yu had expected. When Zhao Yu leaped, Lei Bin pressed on his shoulders and hit Zhao Yu's chin with an uppercut. Zhao Yu flew in the air and fell hard on the ground!

"Oh..." Zhao Yu felt a sharp pain in his chest and dizziness after the heavy landing.

"Ah-ya!" Lei Bin roared and kicked Zhao Yu again.

Zhao Yu did a few somersaults on the cushion, and there was blood on the corner of his mouth.

"Zhao Yu..." Miao Ying wanted to help but Zhao Yaohui and the others that were familiar with Zhao Yu's personality stopped her.

"Hmph! That's what you can do? How dare you challenge me! Such a joke!" Lei Bin smiled contemptuously and walked towards Zhao Yu.

Zhao Yu had two invisible invisibility suits. If he were to use one, even though he might not be able to seize victory through a surprise attack, he could use it to at least protect himself just like the fight with Mister Zhang last time. Zhao Yu had a strong will. He would rather use barbaric fighting methods like spitting than use any devices! He wanted to defeat his opponent using his own strength even though he knew that his opponent was extremely powerful.

Zhao Yu saw Lei Bin approaching him again. He quickly rolled over and stood up, then fought with him in a corner again. That time, Zhao Yu was still trying to get closer to Lei Bin by hugging him. But due to the spitting earlier, Lei Bin was extremely careful and would not let Zhao Yu to get close to him at all.

After a few rounds, Zhao Yu got in a few punches and kicks. The situation did not look good. At that time, Lei Bin was already familiar with Zhao Yu's fighting tactics. He could attack Zhao Yu at ease. He had defended against Zhao Yu's counterattack, cutting off the opportunity.

Dong! After a few rounds, Zhao Yu got punched in his face again. He was then on the ground with blood oozing out.

“No way! No way! Zhao Yu...” Miao Ying screamed. She wanted to rush over and rescue him but her colleagues would not let go of her.

“Hehe...” Lei Bin bent down and said with a poker face, “How about now? Can you get up? Do you want to surrender?”

“I...I’ll f\*ck your sh\*t up!” Zhao Yu cursed and stood up. Lei Bin was waiting for the chance. He gave him a welcoming kick right on his chest! Although Zhao Yu had been kicked, he punched Lei Bin’s legs really hard and sent him stumbling as well.

“Yo?” Lei Bin was surprised. He patted his thighs and attempted to kick Zhao Yu again, wanting to finish him off with one attack. But Zhao Yu seized the chance to go into a rage and grabbed onto his ankle! Zhao Yu wanted to replay the scene with Mister Zhang, to grab his ankle and run around! But Mister Zhang was nothing compared to Lei Bin. Lei Bin suddenly jumped up a meter high, raised his other leg up, and brought it down right on Zhao Yu’s head.

Dong! Zhao Yu flew back and slammed on the ground. There was a trail of blood that was flew out.

Oh... Zhao Yu’s head was already wounded before. Under the powerful attack, he felt dizzy and extreme pain on his wound. He wanted get up, but he had no strength.

“Zhao Yu...just surrender already!” Miao Ying shouted as she quivered.

“Hahahaha...” Lei Bin laughed maliciously. “Can you hear that, son? My junior asked you to surrender! Don’t worry! I will finish her up like how I’ll finish you! I will let the two of you regret fighting against me!”

“I... F\*ck you...” Just when Zhao Yu wanted to curse again, he heard the system speak in his mind, “Today’s adventure has been completed. Adventure completion pate is one-hundred and one percent. Congratulations! You have been awarded with an invisible device, please accept!”

“F\*ck! Why would it end now? What does it mean?” Zhao Yu thought to himself. He battled his exhaustion and opened up the device bar with great effort. The system introduced the item, “Energy booster. Level 1 Device. After activation, it will boost your energy from three to five fold with no side effects. The time limit is ten minutes.”

No way? Energy Booster?! Boost energy?

“He...hehe...” Looking at the device, it was Zhao Yu’s turn to laugh maliciously. He was thinking in his heart, “System, what is this? You felt sorry watching me get beat up? Oh, so you gave me an energy booster to see if I can turn the tables and win the battle?”

“Ow...” Sucking up the pain, Zhao Yu supported his body and stood up. Then, a devilish smile appeared on his face.

“Stupid! Fool! Don’t stand up. Don’t...” Miao Ying was panicking.

“Hehe...” Lei Bin laughed coldly and got in front of Zhao Yu. He used his right foot to trip Zhao Yu, and his right elbow to hit Zhao Yu’s chest. Zhao Yu fell to the ground again!

“He...hehe...” Zhao Yu was laughing maniacally on the ground. “System...thanks! But, you...and all of you...belittled me! I don’t accept charity. I endured so many fierce battles back then without falling! I won’t fall now either!” he thought.

“Haha...haha...” Zhao Yu laughed hysterically and Lei Bin was shocked. “What is it? Did I hit too hard and damaged your brain?”

“Hmph...” Zhao Yu wiped away the blood on his face and supported his body as he got back up once again.

“Don’t...don’t stand up! Zhao Yu...don’t stand up!” Miao Ying’s voice was growing hoarse.

“Alright then! You asked for it, don’t blame it on me!” Lei Bin clenched his teeth and raised his leg, prepared to finish Zhao Yu with that one last kick.

But just as he raised his leg, Zhao Yu suddenly dashed towards him! Lei Bin quickly kicked Zhao Yu’s stomach, but Zhao Yu did not seem to feel anything and continued running at Lei Bin. Lei Bin quickly raised his fist to punch Zhao Yu’s face, but Zhao Yu did not dodge, and raised his fist to hit Lei Bin’s face as well.

Dong! Both of them took each other’s punch at the same time but Zhao Yu was like the legendary Hunk. His eyes shimmered with brutality, and he continued to smash Lei Bin’s face continuously!

Lei Bin was stunned and quickly used his hands to block while he kicked Zhao Yu’s stomach again! Zhao Yu held on to Lei Bin’s thighs as he was kicked. Everyone was astonished when opened his mouth to bite Lei Bin on his thigh!!!

“Ahhh...” Lei Bin groaned in pain. It rang loud and clear across the whole Taekwondo studio. Zhao Yu’s gory bite took out a chunk of flesh through his clothing!

“Ah! Ah!” Lei Bin was groaning in pain and slapped Zhao Yu’s head repeatedly! But Zhao Yu could not feel anything so he leaped onto Lei Bin and the two of them rolled to the corner!

After rolling around, Lei Bin’s screamed again! Zhao Yu had bit Lei Bin’s shoulder! Lei Bin’s white Taekwondo uniform was dyed red on his shoulder.

“Ugh!” Lei Bin roared and pushed Zhao Yu away.

Zhao Yu’s atrocious methods had been revealed. He spit a mouthful of fresh blood onto Lei Bin’s face. Lei Bin was covered in blood. In the blink of an eye. He was thrown off balance and was screaming in fear!

“Pfft!” Zhao Yu spat and punched Lei Bin in the eyes so he could not see anything! “Pak!” Then another punch to Lei Bin’s nose bridge, breaking it!

Zhao Yu kicked Lei Bin to the floor and he started raining down punches. Even though Lei Bin defended himself, he was bleeding from all the ferocious punches that Zhao Yu landed on him. He had no more strength to fight back.

## **Chapter 306: Taking Advantage**

Zhao Yu's fighting style was very wild, very different from regular fighting methods! Even though Lei Bin was a martial arts expert, when he was caught by Zhao Yu, he did not know how to handle it. When the two fought, there was a big difference in perspective. Zhao Yu fought like his life depended on it—if he could not win, he would die. Thus, he put in all his effort and spared nothing! But Lei Bin was different. He had never faced this sort of person. Along with Zhao Yu's arrogance, Lei Bin was completely taken off guard by Zhao Yu.

Once Lei Bin realized the problem, it was already too late. In less than forty seconds, Lei Bin was already completely beaten down by Zhao Yu. His face was covered with blood as he wailed continuously.

All the members in the Taekwondo Dojo could not watch anymore, and immediately ran over to try and help Lei Bin. But obviously the investigators would not let them. They immediately blocked the group, and the two sides fought once again

“Hey! What's this? You guys are biting and spitting blood. That's playing dirty! Stop! Stop!”

“Hey! They agreed on no rules ahead of time! As long as he could beat the opponent it was fine. Who's playing dirty?”

In the heated conflict, one of the Taekwondo members rushed through the crowd, and kicked Zhao Yu! Yet, the equally angry Miao Ying could not hold it back anymore. With a tornado kick, she sent the other flying.

Then, Miao Ying immediately rushed forward broke the arms of two other taekwondo students who rushed over. This finally stunned them completely, and no one dared to try to rescue Lei Bin.

At the moment, Lei Bin's wail grew weaker and weaker, and the completely berserk Zhao Yu continued to swing his fists over and over at Lei Bin's face. Now, even the investigators could not just stand and watch. Zhao Yu would end up killing him!

Zhang Yaohui and the others went to drag Zhao Yu off. By the time they had gotten Zhao Yu out of the way, Lei Bin was covered in blood, moaning on the ground, unable to stand.

“Zhao Yu!” Miao Ying rushed forward and held Zhao Yu up. “Are you alright?”

“Hehe...” Zhao Yu was still laughing weirdly. Even though he managed to hold himself up, he was trembling all over. “Team Leader Miao, I won! I won...”

“Yes, you won!” Miao Ying nodded, her expression complicated. “Zhao Yu...go...I'll take you to the hospital!”

“Wai-wait!” Zhao Yu suddenly shouted at the students of the taekwondo dojo. “Hey! The one that ran into my friend, come out, apologize to my friend!”

“Ah?!” The members of the taekwondo dojo were all stunned. To think that he would still remember at a time like this!

“Yeah!” Zhang Yaohui immediately agreed. “Your boss was defeated! Apologize!” As it turned out, after the Key Case Investigation Unit had finished eating, and were walking past the Taekwondo dojo's door,

due to the narrow hall, a Taekwondo team member and Liu walked into each other. But when they collided, the rude Taekwondo student was purposely aggressive and pushed Liu onto the ground. It was clearly the Taekwondo student's fault, but they refused to apologize, and were quite rude, causing a conflict.

If you fight, you have to beat them into submission. That was Zhao Yu's motto.

At the moment, seeing their boss beaten down like this, the Taekwondo students were on the verge of a mental breakdown. No one dared to act up again. Soon, the person who ran into Liu unwillingly yelled out, "Sorry."

"F\*cking sh\*t!" Zhao Yu showed his bloody teeth and roared, "Hey! Louder, I can't hear!"

"Yeah, yeah, we can't hear!" Even though the investigators supported Zhao Yu, every one of them felt like it was already enough! Their dignity had already been restored by Zhao Yu's blood. The apology no longer mattered. Yet, Zhao Yu still would not let it go, and angrily said, "Kid, if you don't submit, then we can keep fighting! Your senior Miao looks like she's itching to fight!"

The person had just seen Miao Ying break the arms of his friends. He immediately shivered in fear, and bowed to Liu respectfully, yelling out, "I AM SORRY!"

"Ah, did you not eat yet? I can't hear..." Zhao Yu still refused to let it go. But Miao Ying was too worried about Zhao Yu's injury, and had long lost her combative spirit. With a gesture to the other investigators, everyone immediately rushed Zhao Yu out.

Only after the investigators left did the Taekwondo students let out a huge sigh of relief. They immediately went to help Lei Bin...

...

A few hours later, Zhao Yu had finally gained some sense in the hospital. His biggest specialty was his fortitude. Even though he had been beaten so badly by Lei Bin, he had not even broken any bones. But the old wound on his head had been ripped open again, and needed new stitches. Also, his face was bruised in many places.

At the moment, Miao Ying had already sent all the investigators away. Everyone still had the important case to investigate, and they could not waste too much time.

"Zhao Yu..." Miao Ying sat beside Zhao Yu tiredly, scolding him, "Why don't you ever listen to me? Why did you have to fight him? We...we could have used a different method to take care of it!"

"I live for pride!" Zhao Yu laughed. "You can kill me, but you can't humiliate me! Even if you humiliate me, it's fine, but not my woman!"

"Alright you little pervert! Who's your woman?" Miao Ying had already gotten used to Zhao Yu's free spirited nature, and immediately yelled at him, holding some bandages, "Sit up straight!"

Zhao Yu saw the bandages in Miao Ying's hand and thought that he still had blood on his face, and that Miao Ying was going to help him clean it up. Yet, just as he sat up, Miao Ying unexpectedly kissed him!!! This kiss was light, yet meaningful.

“Ah?!” Zhao Yu shrunk back in shock, in disbelief. “You...you’re acting...perverted?! Ah...my worldview!”

Miao Ying was blushing a bit originally, but after hearing such shameless words from Zhao Yu, she could not hold back her laughter.

Zhao Yu was experienced in this field. When he saw Miao Ying kiss him, he obviously wanted more. He rolled his eyes slyly, instantly coming up with a plan. He immediately yelled at the door, “Hey, you guys didn’t see anything, okay!”

“Ah?!” Miao Ying was still a girl. When she heard that someone was at the door, she turned bright red. She turned to see, yet, there was no one at the door. Yet, when she turned back, Zhao Yu had already leaned forward, and was kissing her deeply on her lips...

“Mm...!!” Miao Ying was shocked and tried to pull away. But Zhao Yu expended some strength, and forcefully continued to kiss her.

Suddenly, it was like Miao Ying had been shocked by electricity. Even though she struggled a few more times, but her resistance grew weaker and weaker... Their lips met and their passion ran high. Being able to kiss his crush made Zhao Yu infinitely excited. His hormones nearly overwhelmed him. But even though Miao Ying’s heart started beating fast, and her face turned red, ten seconds later, she pushed Zhao Yu back into the bed!

“Zhao Yu! Don’t just take advantage of the situation, okay?” As it turned out, in that moment of passion, Zhao Yu had put his sinful hands on Miao Ying’s chest, and was caught red-handed.

“What! We’re both adults! What’s there to be shy about?” Yet Zhao Yu was not even red or embarrassed. “If you think the hospital’s unacceptable, then let’s go to my house! A night of glory awaits!”

“Get out!” Miao Ying pressed down on him forcefully, and said seriously, “Zhao Yu! Let me tell you, that kiss just now was because I lost a bet. I’m only paying up!”

“What bet?” Zhao Yu acted confused.

“I keep my word. If I lost a bet, I lost!” Miao Ying spoke honestly. “Just in case you use this against me later!”

“Mm...but...” Zhao Yu pondered seriously. “Just now, when we did it, you were the first to use your tongue...oh? Wait, wait...” Miao Ying grabbed Zhao Yu’s ear, and Zhao Yu’s painful wailing came from the hospital room...

### **Chapter 307: A Peculiar Revenge**

“Don’t, don’t, don’t. It’s my fault. My bad. Don’t leave yet!” Miao Ying wanted to leave but Zhao Yu quickly pulled her hand. “Team Leader Miao, let’s talk about something serious. I promise I won’t act like a gangster, okay?”

“Serious? Since when you do serious?” Miao Ying replied, but she did not struggle when Zhao Yu held her hand.

"We are all detectives, so don't try to sweep things under the carpet," Zhao Yu said straightforwardly. "Tell me, why did you act so abnormal today?"

"Abnormal?" Miao Ying was confused.

"Hehe, don't tell me that there's nothing between you and Lei Bin. I am Sherlock Holmes! Tell me, what is going on?"

What Zhao Yu said struck Miao Ying, and she looked embarrassed suddenly.

"Team Leader Miao!" Zhao Yu caressed Miao Ying's hands and said, "There's no good in keeping it in. Sometimes it's better to let it out! Come on, tell me..."

"Sigh! I can never hide from you!" Miao Ying replied. "When I saw Lei Bin today, I just wanted to leave. I didn't want to be bothered! But...there was that conflict so I couldn't leave. Luckily, you were there!" Miao Ying sighed again before taking a trip down memory lane. "I was about thirteen-years-old back then. Lei Bin was my senior when we were training in Taekwondo. He was four years older than me! I have to admit, he was very good looking. Every girl taking Taekwondo was in awe of him, including myself..."

"This is the trauma that people talk about! As I was infatuated with him, I couldn't concentrate every time I fought against him. That's how I lost nine times! I never found out if I really couldn't win against him or if it was because I was secretly admiring him."

"Mm..." Zhao Yu asked, "What happened next?"

"Next?" Miao Ying said, "I was traumatized! When I saw him earlier, I recalled my immature self! Actually, I really wanted to fight him again, but there was too many distracting thoughts and worries!"

"F\*ck!" Zhao Yu could not help but say, "I...I thought the two of you...had something! So it was only about fighting?"

"Yeah, is that not good enough? For a martial arts practitioner, it's unacceptable to have some psychological hindrance! That's very embarrassing!" Miao Ying then recalled and asked, "Zhao Yu, what did you was going on? You are so dirty minded!"

"I...I didn't say anything." Zhao Yu laughed. "Don't worry. I am very forgiving. I do not care about your past! I only cared about your body, your money, and your Phaeton! When we are dating, can I drive the car?"

"Sigh! What's the point? What's the point?" Miao Ying rebuked, "You have a gangster's mind, there isn't much in your head!"

"Alright." Zhao Yu chuckled and was still pulling on Miao Ying's hand. "No matter what kind of trauma it was, I settled it for you! How are you going to thank me?"

"Thank you?" Miao Ying shook her head. "Instead of me thanking you, I'd rather just solve the case as soon as possible! If not, there may be a new victim! When people find out about the existence of such a killer, it will affect the masses! We need to give our all, either for public or personal reasons."

“Mm!” Zhao Yu released his grip on Miao Ying as he said about the case, “If so, we need to talk to the Missing Persons Department to have them pay close attention to the people who have gone missing recently.”

“I’ve informed them, Zhao Yu!” Miao Yu asked solemnly, “Regarding the case, I have no idea what are your thoughts are. Why don’t you tell me...”

“Hehe! Is what I think so important?”

“Nonsense! Which case in Rongyang Branch was not solved by you?” Miao Ying replied, “Like I said, I don’t like you, but I admire your capability!”

“Alright then. Let’s go home and roll around in bed. I shall tell you after that!” Zhao Yu replied playfully and Miao Ying pulled his ears. Then he quickly said, “I’m joking! Just joking! I’ll say, I’ll share it now...”

“Cough... What I think is!” Zhao Yu reorganized his thoughts as he said, “The only thing that I don’t understand is the motive. Why did he starve them to death? Why? An eye for an eye. If this were some common revenge, no one would use this kind of method!”

Miao Ying listened carefully. Zhao Yu could find a different perspective everytime.

“To starve someone to death, vacuum seal the body, and put them in the bank,” Zhao Yu analyzed, “is a rather long process. The murderer must be very patient! He also would need a location that wouldn’t be disturbed. Plus, the safety deposit boxes were paid for ten years in advance, so he must be filthy rich!

“Someone who is rich and free, and has a peculiar habit of starving people to death!” Zhao Yu asked, “Do you think that it makes sense?”

“We looked through the files,” Miao Ying replied. “At least in Qinshan, never once has anyone tried to starve the someone else to death!”

“Exactly! Why would you want to starve someone to death?” Zhao Yu started speculating. “Maybe the murderer was someone who valued food a lot? He didn’t like seeing anyone waste food, so he starved them?”

“I’ve thought about it before!” Miao Ying said, “Gong Xiuzhen and her spouse were janitors. The two of them lived a very poor and simple life. They should lived economically, never wasting food!”

“True!” Zhao Yu agreed. “Then, the victims should be people who are fat! If he wasn’t targeting people of a specific type, then that means he was getting revenge!”

“Getting revenge?” Miao Ying asked, “Didn’t you say no one would get revenge like this?”

“Yes! Not usually, but...I wouldn’t eliminate this being some special type of revenge!” Zhao Yu said.

“A special type of revenge?” Miao Ying was confused.

“Yes!” Zhao Yu guessed, “For example, maybe the murderer was held captive before and nearly died of starvation! So, he decided to take revenge by starvation.”

“But,” Miao Ying shook her head, “we couldn’t find any similarities between the six victims. They didn’t know each other at all!”

“Human trafficker!” Zhao Yu suddenly said. “How about human trafficking? If the six of them were human traffickers, they didn’t give him any food then, and now he turned the tables and took revenge.”

“Oh please!” Miao Ying shook her head. “When we place a file for investigation, we have to do a thorough background check. It would be impossible for us not to know if the suspect or the victims were involved in illegal activities. Plus, Tongyun was killed when she was twenty-three-years-old. If the murderer had been a victim of human trafficking, that it must have happened long ago! And Tongyun was just a kid back then!”

“Then, it must be the murderer’s son was had been the victim, and these people starved him to death. So the murderer took revenge!” Zhao Yu guessed again.

“Like I said, the victims are not human traffickers! Gong Xiuzhen and her spouse were honest janitors. How could they have been human traffickers?” Miao Ying objected. “Let’s think about it again. Could there be any other reason? I think, your guess might be close to the truth! If the murderer isn’t killing randomly, we might find him!”

“Yes! Let’s think... Let’s think...” Zhao Yu had the same feeling. Just as he was deep in thought, there was a breeze from the window and he sneezed.

“Ah-choo...” After sneezing, the Miracle System was activated and hexagram selection begun...

### **Chapter 308: My Mother!**

To Zhao Yu’s surprise, the Miracle System’s hexagram today was “Xun-Li.” Xun for wind and Li for fire. One represented familial relationship, and the other represented friendship!

“No way?” Zhao Yu thought. He was a bit doubtful. “At least give me a ‘Gen’ hexagram, or ‘Kan,’ that way, at least I can make some progress on the case, or my relationship with Miao Ying.” Yet, neither of the two hexagrams appeared, and he could not help but be a little disappointed. It seemed that he had not put his all in the case, and he had to work harder from now on.

Miao Ying was indeed quite busy. After chatting a bit with Zhao Yu about the investigation, she stood up and left for the police station. Obviously, the doctors wanted Zhao Yu to stay in the hospital longer to make sure he was okay, and Miao Ying tried to persuade him to stay in the hospital as well, but how could Zhao Yu stay in the hospital?

As soon as they took care of his wound, he left with Miao Ying.

Originally, Zhao Yu had wanted to return to the police station with Miao Ying, but Miao Ying insisted that he go home and rest. She said that the Bank Hidden Corpse Case was not a simple case, and it required all of their attention. Thus, as the team leader of team A and B, they had to rotate and rest up to preserve their energy.

Zhao Yu was finally convinced by Miao Ying, and went home to rest. Due to not having the “Kan” hexagram, Zhao Yu did not have any good excuse to try and make Miao Ying go home with him! Besides, based on the current situation, there was no way Miao Ying would go with him either.

Once they returned home, it was almost two in the morning, but Zhao Yu had no desire to sleep. Thinking back on that day's adventure, it had been quite intense! A completion rate of 101%, a first-class item that increased his strength, added with the intense, passionate kiss with Miao Ying, Zhao Yu considered his day quite successful. But he still felt like he was missing something! After pondering for a while, he realized that he was not lacking anything but the evidence to solve this case!

Just what was missing? Why was this Bank Hidden Corpse Case more and more difficult to investigate with every step?

Zhao Yu had another idea. He kept getting the feeling that the influence of the Bank Hidden Corpse Case would not be as large as what others were projecting. Actually, logically speaking, with already seven victims killed in such a cruel way, the scale and severity of this case had long surpassed the Mianling Case! But compared to the huge commotion caused by the Mianling case, there was not that much going on other than in the forensics office. Also, there were not many family members for the victims. Even though the police had a strict non-disclosure on all the information, they still told the victims' family members. Yet, not many came to retrieve the corpses.

Other than the many family members that came when they discovered Gong Xiuzhen's corpse, there were not many family members who came for the other victims. Not only that, but none of them were very outspoken. Was it because the police were avoiding publicity, or was there some hidden facet at work? Either way, this case kept giving Zhao Yu a awkward feeling, as if many there was a piece out of place. Just what was the truth behind this strange Bank Hidden Corpse Case?

After thinking about the case more, Zhao Yu once again started considering his and Miao Ying's relationship. Today, he had seen a more fragile side of Miao Ying, but it was because he had seen this fragile side of her that he felt Miao Ying was even more perfect. It showed that no one was perfect. Even as a martial arts expert, she still had her own worries and concerns. Especially when Miao Ying surprisingly kissed Zhao Yu! It made him even more eager, filled with hope for more.

Even though their relationship was not very clear, after the passionate kiss in the hospital, Zhao Yu felt like the day he would make Miao Ying his own was not far off anymore!

Zhao Yu really did like Miao Ying. When he was with Miao Ying, he felt the heart pumping sensation of love. Miao Ying's feisty wildness did not matter, nor her focus while at work or even her rebelliousness. Everything about her had Zhao Yu drunk and hungry for more. Just as he sang at the karaoke, "Though I know missing you is painful, I still think of you..."

...

Knock, knock... Knock, knock... Even though it was early in the morning, a rhythmic rapping on Zhao Yu's door roused him.

"Who is it!" Zhao Yu got out of bed groggily, muttering in annoyance, "So early in the morning too. Can I not sleep in peace?" Yet, when he looked through the peephole, he stopped as if he had been struck by lightning. The person who was knocking on his door was none other than his mother!!!

Zhao Yu's hometown was a small town in a small province near Qinshan. It was almost one-hundred kilometers away from the city. He had never imagined that his own mother would come to his house so early in the morning!

Zhao Yu still felt very ambivalent about the other Zhao Yu's parents, unsure of how he should approach this situation. Thus, for the longest time, he had delayed meeting with them with various excuses, like work or training. He had not even gone home for the Dragon Boat Festival.

Bam, bam, bam... The old lady continued to knock on the door without a word. Zhao Yu's mother was more than sixty-years-old, but due to the physical work she often did, she was very healthy. To have come this far, Zhao Yu obviously did not dare to keep her outside waiting. But once he opened the door, how would he face her? Even though Zhao Yu was very wild and bold, faced with his own mother, he panicked for the first time.

Just as the old lady knocked on the door, the door across from Zhao Yu's house opened. Huahua walked out in her pajamas, brushing her teeth as she asked Zhao Yu's mother, "Hey, can you stop knocking? Lady, who are you looking for?"

"Zhao...Zhao Yu! I'm looking for Zhao Yu. He's a police officer!" The old lady's eyebrows knit together as she spoke. Once Zhao Yu heard the exchange, he knew he could not hesitate anymore. He immediately opened the door.

Yet, as soon as the door opened, the first thing he heard was a dog barking. "Woof, woof, woof!" A dog nearly a meter tall rushed out from behind Huahua, and circled around Zhao Yu.

"Da...Daheng?" Zhao Yu first looked at the dog, then at the old lady, then yelled, "Mom! Why are you here?"

"My God, a dog inside the house? How could this be?" The old lady was shocked. She turned and looked at the scantily clad Huahua, then at her own son, at a momentary loss for words.

"Oh...it's auntie! Good day, auntie!" Huahua immediately put down her toothbrush and greeted the old lady, then turned to Zhao Yu. "Officer Zhao, Daheng's leg is already healed. As long as she doesn't move around too much, it'll be completely healed in a few days!"

"Oh...that's great! Thank you! Mm, mom," Zhao Yu pointed at Huahua and introduced her, "this is my neighbor...mm..." Yet, the old lady completely ignored Huahua and strode into Zhao Yu's house. Daheng did not know who the old lady was, so she immediately started hovering around the old lady.

"Go away!" The old lady roared. Daheng shrunk back in fear and immediately hid behind Zhao Yu.

"Mm..." Zhao Yu could tell that his mother was quite angry. He turned and shrugged at Huahua, then closed the door.

"I'm telling you!" As soon as the door closed, the old lady pointed in Huahua's direction angrily. "That kind of woman won't do, don't get too close to her! One look at that woman and I can tell she's not some good girl..."

"Mom!" Zhao Yu yelled, but felt like it was a bit awkward. The Zhao Yu from his previous life had been very distant from his parents. It had been a long time since he had called someone "mom."

"Hmph!" The old lady angrily stared at Daheng as she scolded, "My son, you're even closer to the dog than me, ah..." As she scolded, she looked up at Zhao Yu. Suddenly, the old lady jumped up and pounced. She exclaimed, "Ah! Son! You're hurt!!?"

### Chapter 309: What? Group Blind Date?!

“Hurry up, let’s go to the hospital!” Zhao Yu’s mother grabbed Zhao Yu’s hand and dragged him. “How could this be? Your head is bald, you have no hair! Your face is swollen! Oh, my son!” The old lady sounded dreadful. “Why did you have to be a policeman? I told you, run and hide when there’s danger. No wonder you didn’t even come back for the Dragon Boat Festival! Aiya, hurry up! Let’s go to the hospital in case there is something wrong with your head...” Zhao Yu’s mother was dragging Zhao Yu out and Daheng was barking at the old lady.

“Mum, Moooom...” Zhao Yu seemed flustered as the old lady bossed him around. “Listen to me, this was not from work. I accidentally fell, I swear! Don’t, don’t, don’t...I just came back from the hospital. I already saw a doctor! Hey, Daheng! That’s enough. Any more barking, and I will have some dog meat...” Suddenly, the house was in chaos. Zhao Yu was sweating all over.

After an acrimonious tussle, Zhao Yu finally forced the old lady to sit on the couch. But she had yet to sit tight for long before she started nagging, “Son, are you trying to live a hard life? Why did you leave the free dorms and rent a house here? It is such a good unit, the rent must be expensive!”

“No...no...” Zhao Yu had no idea how to answer. He had never felt so helpless even when he had been faced with criminals.

“Aiyo. Why did you send us so much money if you are renting a house! Son, quickly, do you have enough money? I brought some along...” She took out her purse and passed him some cash.

“No, no, no... I have enough...” Zhao Yu quickly stopped her. But hearing what the old lady said made him upset, and he felt like crying. It had been a long, long, long, time since someone cared about him so much! What the old lady said was simple, but it showed the love and care a mother had for her son. His emotions surged like the tides, and he had not felt like this for a very long time.

“Mom...I’m okay, really! I have money!” Zhao Yu choked out. Thinking of his past life, he had never received a mother’s loving care. What was happening in front of his eyes made him feel warm and fuzzy.

“Aiya...” Zhao Yu’s mother saw the wound on his head and said anxiously, “You, tell me, what should we do? What should we do? I already set up a date!”

“Mom, what do you mean what should we do?” Zhao Yu was excited but puzzled. He did not know what the old lady was panicking about.

“I’ve booked a slot for you. 8:15am at Ting Ting Coffee Shop for a blind date!” The old lady said anxiously. “But your head, what should we do about it? How about getting you a cap? Oh, right. I remember that policemen wear caps, right? Hurry up and go put it on!”

“What is this...” Zhao Yu was confused. “What blind date are you talking about? I have never heard you say anything about it?”

“My dear son, you have to listen to me this time!” Zhao Yu’s mother grabbed Zhao Yu’s hand and told him strictly, “I don’t care how busy you are, you have to attend the blind date! Ting Ting Coffee Shop, it

is a group blind date. I'm sure that you'll find someone! I guarantee that they'll be better looking than those b\*tches opposite..."

"F\*ck!" Zhao Yu patted Daheng's head and said dully, "Mom! To be frank, I really have a very important case to solve! I can't!"

"I knew you were going to play this card! Do you know how old you are now? Do you know that if you don't settle down with someone, your dad and I will go crazy? Alright!" The old lady took out a piece of white cloth and said, "If you are not going, I am going to make you a white robe for you to send me and your dad off to heaven! Aiyo! My poor life. So pitiful..."

"Aiya, Mum! Don't say that! You... F\*ck..." Zhao Yu pulled the cloth. His brain was buzzing. He thought, "Now I know where I got my foolishness from!"

"Eight o'clock! It's already seven now!" The old lady said, "Put on some clothes, put on your police uniform! Make yourself look good. Hurry up and go get me a daughter in law! Your brother already has two daughters. I am looking upon you to give us a grandson!"

"Oh my God!" Zhao Yu legs felt weak. "This...what the hell is this!!!"

"Bark... Bark..." Daheng did not know what was driving Zhao Yu crazy, but he joined in the chaos. Then, under the coercion of the old lady, Zhao Yu was forced to shave and wear nice clothes. He then had no choice but to follow her out. Zhao Yu wanted to get a cab but the old lady insisted on walking two kilometers to take a public bus.

On the bus, the old lady took out a booklet and showed Zhao Yu. There were all good looking men and women. "Son, take a look. Scout out a good one, then you will have a target later!"

"Mom! These are either photoshopped or they had plastic surgery. How can you believe this?" Zhao Yu complained.

"Wrong!" Zhao Yu's mother said, "I am not a three-year-old. I am very strict with people! Let me tell you, this group blind date was organized by your third uncle's daughter. If they were to fool us, they can't escape! And, and..." Then, the old lady flipped to a page where there was a woman wearing a yellow dress. "This one, I picked this one for you! I did a background check on her. She is the daughter of Auntie Xiao Qin's second aunt. An office lady, works in a big corporation. Look, look! Isn't she a beauty?" Zhao Yu took a glance. The lady dressed in yellow did look very beautiful, just like a celebrity.

"How about it?" Zhao Yu's mother continued, "Your Ba Zhi matches with hers too! Look at her face, she has broad cheeks, meaning she is a very forgiving woman; a full earlobe, meaning she could give birth to a son! And, and, look at her eyebrows, this is called the heartening eyebrows, it brings luck to the husband!"

Oh... Zhao Yu then recalled that his family picked up physiognomy passed down by their ancestors. His mother had been influenced at a very young age, so she could be considered somewhat of an expert. But...it did not seem to be that accurate...

Looking at the crowd, Zhao Yu panicked. He just wanted to get it over with so he could head back to investigate the case. "Such an early morning, why would it...oh..." he realized. He suddenly recalled, "Oh

yeah! I got a 'Xun-Li' hexagram. 'Xun' represents family, and so my mom came, but it turned out like this..."

At the beginning, Zhao Yu was worried that he would not be able to relax! But when he saw the old lady hustling and bustling, he had no worries. "No matter if it's this life or my last one, this old lady is my mother, an irreplaceable mother!" he decided.

The bus stopped right at the entrance of Ting Ting Coffee Shop. When Zhao Yu got off, he realized that it was located in the city center, and it was really close to the place where he had chased after Zhao Qing! He even passed by the same coffee shop!

The coffee shop was full of lively chatter, all young people who came for the group blind date. The air conditioner was on full blast and Zhao Yu sneezed when he entered!

"Oh man," he thought. Zhao Yu had a bad feeling about it. If he did not have flu, something bad must be happening. "Blind date, blind date! That's so weird!" He had never gone on a blind date. He found it interesting as he looked around, not knowing what to do.

"Son, quickly go register over there and take a number!" The old lady had done her homework well. She said, "Oh, and, when you register, see what Jin Yuanyuan's number is. Remember to look for her first! I have a feeling this girl will be my daughter in law!"

"Aiyo..." Zhao Yu was at loss of words. He wanted to curse but he could not do it in front of his mother, so he had to follow her order and register at the counter.

When he was registering, he found Jin Yuanyuan's registration information. Zhao Yu took a glance at her ID number and her birthdate. He smiled sadly when he realized that Jin Yuanyuan was nine years older than him! Zhao Yu smiled helplessly and wanted to tell his mother this news so that she would forget about this Jin Yuanyuan.

At that very moment, Zhao Yu's phone rang. Miao Ying was calling him,

"Zhao Yu, are you okay?" Miao Ying sounded really serious over the phone.

"Nothing, why? Is there any update?" Zhao Yu asked.

"Shouldn't I be asking you that?" Miao Ying said solemnly. "Zhao Yu, tell me, why did you go to the place?"

"Huh? What? Where?" Zhao Yu did not understand what Miao Ying meant. He was confused.

The host suddenly spoke over the microphone, "Ladies and gentlemen, the group blind date will start very soon, please complete your registration as soon as possible, and..."

"What? Group blind date?" Miao Ying heard and asked, "Zhao Yu, you...went for a blind date?!"

"No, it's my mom..."

"What? Your mom went on a group blind date?" He could tell that Miao Ying was furious over the phone. She said angrily, "Zhao Yu, I thought you went to the cake shop to find out something! Alright, go ahead with your blind date then!" She hung up the phone.

“What?!” Zhao Yu was so confused. “What is going on? Where did this cake shop popped out from?” he wondered.

“Cake shop... Cake shop.... Wait a minute...” Suddenly, Zhao Yu remembered something and he took a deep breath!

### **Chapter 310: Quite Miserable**

What, a cake shop?! How come Miao Ying suddenly mentioned the cake shop again? After some pondering, Zhao Yu finally understood what Miao Ying was trying to say. It seemed like Miao Ying had already seen his position on the GPS tracker, and saw that he was very close to the cake shop where he had caught Zhao Qing. Could it be that Miao Ying had thought that Zhao Yu was trying to find some evidence on Qu Ping’s murder at the cake shop? But the truth was Zhao Yu was here to attend a blind date. What...what kind of awkward misunderstanding was this?

But...yet...Miao Ying’s words suddenly reminded Zhao Yu, “That’s right!” he said to himself. “The cake shop...” When he remembered back to capturing Zhao Qing, he saw that Zhao Qing had left while holding a cake. But while trying to capturing him, the cake had suddenly disappeared! This was why Zhao Yu and Miao Ying had wondered if there was something special about the cake. But, in the end, they heard from Bureau Chief Liao that the special investigation team had already decided that the cake was normal.

At the time, Zhao Yu felt like he had been missing something. Now that Miao Ying mentioned it once again, Zhao Yu suddenly came to a realization! “Holy shit! The cake didn’t have any issues, but...what about the cake shop?! Zhao Qing was a murder suspect. To suddenly come to the busiest part of the city to buy a cake, isn’t that kind of weird? Could it be...there’s something suspicious about the cake shop itself?! Could it be...the headquarters of the criminal organization?! Woah!”

When he thought up to that point, Zhao Yu suddenly shivered. Maybe the cake shop was like the Depth of Breath gymnasium, a front for a criminal organization in a busy area? No...

Zhao Yu thought that he had to contact Liao Jingxian as soon as possible and tell him his theory, so he could investigate the cake shop. But his mother kept a close eye on Zhao Yu. He had to attend this blind date no matter what!

With no way out, Zhao Yu immediately told her about Jing Yuanyuan’s situation, and the old lady was stunned. He even took a picture of Jing Yuanyuan’s ID and showed it to his mother.

“Ah? No way? Nine years older? That’s...” The old lady was suddenly agitated. She immediately grabbed the phone and made a call. “Hello? Aunt Xiao Qing, what happened? How did you guys mess up the age? Jing Yuanyuan’s nine years older than our Yu! Hm...who? Jing Yuanyuan’s the daughter of your second aunt? Didn’t you say you found someone for my son? How could you guys do this? What? Disappeared?! Hmph! Disappeared or not, she’s still nine years older than my son! You guys...sigh! At least it’s a blind date, otherwise, I’d be arguing with your second aunt right now!”

As soon as she hung up, the old lady started comforting Zhao Yu, "Son, don't worry, if she's nine years older than you, then there's no way! Let's find another one. Here, look, I think number sixteen, nine, and twenty-three are all pretty good, you can pick one..."

God... At the moment, Zhao Yu's expression turned completely dark as he broke out in cold sweat. The situation was simply too awkward, none of the blind date attendees but him had their parents with them. He was the only one in here with a nagging old lady, and many people were rolling their eyes at him.

"I...I...I have to use the bathroom, okay?" Zhao Yu could only make an excuse

The old lady sighed. "Fine, come back soon. I'll pick someone for you..." Before the old lady even finished speaking, Zhao Yu had already disappeared. The restroom was upstairs. Zhao Yu had just arrived at the door of the bathroom when he ran into two tall ladies in evening dresses.

"Woah!" A lady dressed in blue was slightly shocked as she stared at Zhao Yu. "There's even police here...woah..."

Actually, Zhao Yu had not lied. He really did have to use the bathroom. Even though the two ladies were quite stunning, Zhao Yu did not have any desire to chitchat, and immediately moved to the side and squeezed into the bathroom. The door of the bathroom was not soundproof at all. Zhao Yu had just unbuckled his belt when he heard the ladies outside.

"That one's pretty good! Lin, didn't you say you always wanted a police officer as your husband?"

"Get away, if you ask me...Jing Yuanyuan's the one that needs a police officer for her husband!" The other lady continued, "Look, she's already disappeared for two to three days, right? Not even a corpse! See, if she manages to lose herself, doesn't she need a police officer?"

"Hehehe...look at you talk! But real talk, a boyfriend like him is quite attractive! It's just a matter of if he has money or not..."

Hearing the two ladies talk, Zhao Yu suddenly realized something. No way? This was the second time someone mentioned Jing Yuanyuan's disappearance within a few minutes! It...could not be a coincidence, right?

Could...this be related to the Bank Hidden Corpse Case? But...he did not get the "Gen" hexagram from the system. Could it really be a coincidence? Jing Yuanyuan had disappeared. Could...she be the next victim?!

No... Zhao Yu felt like regardless of what happened with Jing Yuanyuan, he still had to investigate just in case. He would rather be mistaken than let evidence slip away! Thus, after peeing, Zhao Yu immediately called Zhang Jingfeng and asked him to investigate Jing Yuanyuan. It was good that Zhao Yu had taken a picture previously, he sent it to Zhang Jingfeng right away.

After that, Zhao Yu then called Liao Jingxian and reminded him of the cake shop. Yet, Liao Jingxian's phone was dead. No one picked up even after many rings!

This guy was always missing during crucial times!

Zhao Yu was quite annoyed, then looked out the window of the bathroom. He noticed that there were many connecting pipes outside of the bathroom. If he followed the pipes onto the side street, he could leave the coffee shop. Could he?

Zhao Yu pondered. The Tingting Coffee Shop and the cake shop were only one door away. "Should I just go and investigate the cake shop?" he wondered. After he finished investigating, he could still come back and attend the blind date, right?

Right! There was no hesitation. Zhao Yu opened the restroom window and immediately hopped out, and stood on the pipes. The pipes were not maintained well; when Zhao Yu stood on it, the pipe shook gently. Zhao Yu grabbed at the wall, and carefully scooted forward.

Yet, even though he was very careful, he had forgotten something very important. Beside the men's room was always the women's, thus, he had only walked two steps on the pipe before he reached the female bathroom. But the window to the bathroom was wide open, and he could see what was happening inside.

Originally, the bathroom stalls were all separated, so Zhao Yu should not have seen anything. Yet, it was his unlucky day, and he could not avoid the awkward situation that followed. Inside the female's bathroom was a girl changing clothes, and she had just removed all of her clothing! Even more coincidentally, it was a young girl with incredibly large breasts. She had just removed her top, and before she could put on her new clothes, she looked up and locked eyes with Zhao Yu. It was as if time had frozen for one second, two seconds, three seconds...

It was on the fourth second that the girl with the afro finally reacted. Her face twisted, and she let out an explosive screech, "Ahhhhh!" The voice pierced through the heavens, the sound wave crashed towards Zhao Yu almost explosively.

"Ahhhh!" Zhao Yu's hand came loose, and the pipes under his feet started vibrating violently. He waved his hand through the air frantically, trying to maintain his balance, but still fell.

Boom... With a dull thud, the Zhao Yu was seeing stars as he raised his thumb. "Holy sh\*t, huge!!!!"
