

Crazy Wife 1071

Chapter 1071: Coaxing (3)

"It's settled like this, it's better to choose a day than the present, today you will do the marriage! I'll officiate your wedding!" First elder didn't care whether second elder and Yin rumei agreed or not and directly made the final decision.

"Great elder! How could this matter be decided so rashly?" The second elder said in a last-ditch struggle.

"Sloppy? AI! I'm doing this for your own good! Why don't you guys appreciate it?" The great elder sighed, his handsome face filled with disappointment!

"Master, I think the second elder and Vice President Yin are probably feeling shy. Actually, they're definitely willing." Mo Yan said with a smirk. Master was really too bad, he actually thought of such a trick. The older the ginger, the spicier it was indeed!

This morning, as soon as his master had arrived in yanhuo city, he had immediately reported everything that had happened recently to his master. Naturally, his master had been extremely angry after hearing this, so he had immediately gone to the little girl's residence and even called the second elder and Yin rumei over. It was clear that he wanted to settle this matter here, so as her disciple, he naturally had to cooperate.

"Shy? Hehe! This isn't the second elder's first time getting married, and Vice President Yin isn't a Virgin anymore, so what's there to be shy about?" The first elder teased with a smile.

"Grand Elder, I don't agree with this." Suddenly, Yin rumei's voice entered everyone's ears.

"You don't agree?" First elder shot a warning look at Yin rumei and spoke in a cold tone.

"I ... Of course I don't agree. I'm the armament Guild's Vice President, how can I be someone else's concubine!" Yin rumei suppressed the fear in her heart and shouted.

"After such a scandal, what do you want to do instead of being a concubine? A bed-warming servant?" First elder pretended to be confused and then added, "It's not impossible to be a bed-warming servant girl. Since this is your wish, I'll fulfill it. From now on, you're second elder's bed-warming servant girl."

"I'm the Vice President of the armament Guild headquarters." Yin rumei warned through gritted teeth. She almost vomited blood from anger at this old man who pretended to be crazy.

"Uh! It wasn't nice for the Vice President to be a bed-warming servant. On behalf of the craftsmen's Guild, I will demote you to an ordinary craftsman. This way, you can have no more worries." The first elder muttered to himself for a moment before continuing.

"Great elder, you can't do that! I didn't do anything wrong, how can you demote me?" Yin rumei shouted angrily. Although she had always been afraid of the great elder, this was a matter of great importance that concerned her status, so she had to fight for justice!

.....

As for the great elder, he closed his eyes as if he hadn't heard Yin rumei's words.

“Who said you didn’t make any mistakes? You did send people to kill us! Don’t you know what kind of crime it is to hunt down your colleagues?” At this moment, Liu Feng Yun spoke in a calm and casual manner.

“What evidence do you have? don’t talk nonsense without evidence!” Yin rumei’s attitude was very unyielding, as if she was very confident.

“Of course I have evidence. I have witnesses and physical evidence!” Liu Feng said with a smirk.

“Since you have evidence, then show it to me. If you can ‘t, I will ask the great elder to uphold justice.” Yin rumei said confidently.

“You should recognize these people, right?” Liu Feng took out an exquisite and small cage from his ring and waved it in front of Yin rumei’s eyes.

“I don’t know him! I don’t just recognize any Tom, Dick, or Harry. ” Yin rumei said disdainfully.

“Rumei, how can you be so cruel? As the saying goes, one night as husband and wife means a hundred Days of Love. We’ve spent at least a few nights together, which is at least enough for a year. You can’t be so heartless. ” In the cage, the leader of the Men in Black said with a sad face.

“What are you talking about? I don’t even know you!” Yin rumei’s beautiful face was flushed red. She was clearly very angry!

“Rumei, I know that you have a mole on your left thigh, one on your chest, and ...” The leader of the black-robed men wanted to spill everything he knew, but he was interrupted by Yin rumei.

“Shut up! What nonsense are you talking about?” Yin rumei was furious. If this man wasn’t still locked up in the cage, she would have chopped him into pieces! He actually dared to ruin her reputation, he really didn’t know what was good for him!

“I’m telling the truth. ” The leader of the Men in Black said in an extremely aggrieved manner.

“I can prove that boss is telling the truth.” At this time, another black-clothed person in the cage shouted.

“Can you prove it? How do you know what’s on Vice President Yin?” Liu Feng asked curiously.

“Because...Because, I have an affair with her too.” The man said bravely.

“Dammit, don’t talk nonsense! I don’t even know you!” Yin rumei’s heart was filled with anger, and she was so angry that she stepped forward to snatch the cage from Liu Feng’s hands. However, how could Liu Feng let her do as she wished? he dodged lightly and dodged Yin rumei’s snatching!

“Are you planning to silence me?” Liu Feng asked with a faint smile.

“Hmph! I won’t allow them to talk nonsense here!” Yin rumei’s anger shot up to the top of her head. At this moment, she was so angry that smoke was coming out of her seven orifices, and her whole body was trembling!

"I'm not talking nonsense. I still have the love token you gave me!" After the man finished speaking, he took out a pink woman's undergarments from his arms. There was a small "Mei" character at the hem of the clothes!

"I also have one!" The leader of the Men in Black also took out an identical, translucent, pink object and shook it in front of Yin rumei's eyes ...

When the rest of the Men in Black saw this, they also shyly took out the same thing from their clothes. It was obvious that these were love tokens that Yin rumei had given them.

"Why do you all have it?" Liu Feng's eyes widened as he spoke in disbelief.

"We ... We all had improper relationships with her." The dozen or so Men in Black said in embarrassment. After they finished speaking, they lowered their heads in unison. In the eyes of the crowd, they were clearly embarrassed.

"Hehe! I really didn't expect vice guild leader Yin to be so capable!" Liu Feng laughed very happily, but in his heart, he couldn't help but sigh. Seeing Yin rumei so angry that she was about to explode, he was overjoyed!

Chapter 1072: Coaxing (4)

"They're framing me! I don't even know them, let alone have any relationship with them!" Yin rumei argued, and she kept telling herself to stay calm! He had to stay calm! Although these people had her personal belongings, no one could do anything to her as long as she didn't admit it!

"Rumei, you're so cruel! You've eaten us clean and you're not going to admit it? If we didn't have such a relationship, would I have agreed to kill them on impulse? Although I know that one of the people you want me to kill is the Vice President of the armament Guild headquarters, His Excellency Liu Feng, but for you, I still agreed. Although we have failed, you can't be so heartless!" The leader of the Men in Black said in an excellent voice.

In fact, these words were taught to him by Liu Feng. Although he was extremely nervous and afraid now, His Excellency Liu Feng had said that if he didn't say this, he would immediately send them to hell, Wu Wu! And that devilish man had also warned him ...

"Rumei, you can't do this to us." The other Men in Black also agreed in unison.

"You guys ..." Yin rumei was so angry that she couldn't speak!

"Second elder, you should have received Vice President Yin's love token, right?" Liu Feng looked at the second elder and asked with a smile.

"No, I didn't!" The second elder was so angry that his chest heaved up and down. However, with the first elder present, he did not dare to vent his anger!

"Then, you should be very clear about the location of the mole on Vice President Yin's body, right?" Liu Feng asked with a smile.

"I don't know!" He didn't want to mention this matter at all, because he had never dreamed that Yin rumei would be such a promiscuous woman. In order to achieve her own goals, she didn't hesitate to do

such things with these people who licked blood on the edge of their blades. Just thinking about it made him feel dirty! At this moment, he really regretted it to death!

“Don’t tell me you guys always turn off the lights when you do things?” Liu Feng guessed.

“No, there’s nothing going on between Vice President Yin and me. Don’t listen to the nonsense that others are spouting.” The second elder started to deny his relationship with Yin rumei.

“How could this be? Didn’t someone see it with their own eyes? Second elder, you’re not being fair! You’re not going to admit it after eating it clean! This isn’t what a real man should do!” Liu Feng criticized with some dissatisfaction.

“Second elder, have you forgotten what you told me? Do you want me to repeat it in front of everyone?” Yin rumei was also a little angry at second elder’s words, so she blurted them out without thinking.

.....

“I didn’t say anything to you, don’t spout nonsense!” The second elder hurriedly said, and he kept giving Yin rumei meaningful looks. Unfortunately, the Furious Yin rumei didn’t care at all!

“You dare to say you didn’t say anything? You dare to say that you didn’t participate in the killing of Liu Feng? “You dare say ...” Yin rumei’s anger seeped into her heart, and she threw away almost all of their plans ...

“You stupid woman, shut up! I’m not familiar with you, don’t frame me!” Seeing this, the second elder hurriedly drew a clear line between them. At this moment, he hated Yin rumei, this woman who failed to accomplish anything but was good at causing trouble, to death!

“You’re so heartless, how dare you say we’re not close? You haven’t gotten out of my bed these past few days, and you’ve made so many promises to me. Do you want to go back on your word?” Yin rumei said through gritted teeth.

“You crazy woman, you’ve remembered the wrong person. Don’t blame it on me!” The second elder’s chubby face was red as he roared in displeasure.

“You remembered the wrong person? Then What is this?” After Yin rumei finished speaking, she quickly rushed to the second elder’s side and took out a pink female object from his chest. That object was exactly the same as the one the dozen or so black-clothed men had shown them!

“I picked this up.” The second elder said shamelessly. His words caused Feng Da and the others to burst into laughter.

“Hahaha! I didn’t think that the armament Guild’s second elder would have the hobby of picking up women’s personal belongings!” Feng Da laughed and mocked.

“I’m happy, what does it have to do with you!” The second elder roared.

“It’s none of my business. I’m just expressing my opinion. You don’t have to mind it.” Feng Da said with a smile.

Leng ruoxue saw that her plan had just begun, and Yin rumei and second elder were already in a dogfight. She didn't know what to say about their extreme cooperation. However, this also proved that an Alliance maintained by improper relationships wouldn't last long!

At the thought of this, Leng ruoxue smiled and said, "Grand Elder, now that the matter is clear, do you still need any other evidence?"

"No need." The first elder took a sip of tea and looked at Leng ruoxue with a profound look before he spoke softly.

"Great elder!" Yin rumei and the second elder said in unison. They had also realized what they had just said! Damn it, they actually coaxed each other! However, they both pushed the blame to each other and stared at each other ...

Chapter 1073: The bugs in the divinity are really powerful (1)

"If you have something to say, then say it!" The first elder raised his eyes and said in an extremely cold tone.

"Great elder, we were set up." Yin rumei and the second elder said in unison.

"Oh, really? I wonder who set you up?" The great elder chuckled as he looked at the two men who were struggling at death's door. He really didn't expect that these two people could be shameless to this extent. They could even blame the words that came out of their own mouths on others. This was really the case of "the most despicable person is invincible!"

"It's them!" Yin rumei pointed at Leng ruoxue and the others. Liufeng was naturally one of the people she was pointing at.

"Vice President Yin, you're really shameless to a certain extent! I just realized today that ruhua is nothing compared to you!" Leng ruoxue chuckled. Yin rumei's ability to bite back had truly reached the peak of perfection, leaving others in the dust!

"That's for sure. Although it's said that a great teacher produces a great disciple, ruhua obviously can't compare to her master. He wondered how ru Hua was doing. Snatching a man from your own master, I'm sure you won't have a good end!" Liu Feng agreed indifferently.

"Of course they won't have a good ending. With Yin rumei's personality, ruhua and Yao Yuan would have died long ago." Leng ruoxue said.

"Ah, so we're going to be unlucky?" Liu Feng said with a face full of fear.

"Yup! You have to be careful and don't be alone. Otherwise, Vice President Yin will definitely send people to kill you." Leng ruoxue reminded him out of the kindness of her heart. Her beautiful face was filled with a gloating smile.

"Little fox, you can't just leave me to die!" Liu Feng's eyes were filled with tears as he pitifully pleaded.

"I can't even save myself! Don't forget that I'm also Vice President Yin's target." Leng ruoxue said with a helpless look.

“Are we just going to wait for death?” Liu Feng’s handsome face had a trace of depression as he said in a sullen voice.

“No, I believe the great elder will uphold justice for us.” Leng ruoxue said calmly.

.....

“Are you sure?” Liu Feng said with a doubtful tone.

“Yes yes, everyone says that the armament Guild headquarters ‘great elder is the most just. So, he definitely won’t just stand by and watch us, the vulnerable group, be bullied by evil forces.” Leng ruoxue said, trying to please him.

“Cough cough!” Leng ruoxue’s words, which were suspected of flattery, caused the first elder, who was drinking tea, to spit it out! The great elder was also helpless against their tacit cooperation.

First elder looked at Leng ruoxue helplessly and thought to himself, ‘is this little girl really the one that my disciple has mentioned to me?’ Why was it different from what his disciple had said? However, this little girl is much more interesting than my disciple and those two stinky brats, hehe! It’s rare to meet a little girl who’s pleasing to the eye, so I’ll just cooperate with her!

“Little girl, if you have any grievances, just say it! For the sake of my grand-disciple, I’ll help you. However, what you say must be the truth and not lie to me.” The first elder said in an extremely cautious manner.

“First elder, don’t worry. I’m a good child. I won’t lie to the elderly.” Leng ruoxue promised with a smile.

“Actually, what I want to say is that the words came from Vice President Yin’s mouth, so why is it that she and second elder are saying that we’re framing them? It doesn’t seem like we’re the ones who said that!” Following that, Leng ruoxue laid out the facts that everyone already knew on the table.

“Vice President Yin, what do you have to say about this?” The first elder narrowed his eyes and looked at Yin rumei.

“First elder, I’m innocent!” Yin rumei had nothing to say and could only plead innocence.

“How are you innocent? You did say those words yourself. Are you going to say that we all heard it wrong?” The first elder asked curiously.

“I was so angry with second elder that my mind became muddled. That’s why I spoke nonsense. Those words can’t be taken as true.” Yin rumei’s mind whirred as she tried to quibble.

“Yup! It’s all my fault for angering rumei, Ai! Rumei, you have to change your temper. You can’t just talk nonsense when you’re angry!” The second elder chimed in upon seeing this. The way he addressed Yin rumei had also changed from ‘crazy woman’ to an even more affectionate rumei!

“Hehe! You guys are really following the husband’s lead! Since that’s the case, let’s find a time to hold your wedding!” The first elder said with a smile. He did not mention anything about the previous matter and the two of them quibbling.

“Uh! Many thanks, great elder.” The second elder braced himself and said. If he refused now, the great elder might not agree. However, if his marriage with Yin rumei could dispel the great elder’s doubts, he could only follow the great elder’s wishes.

“Where’s Vice President Yin? Do you have any objections?” The first elder asked in a democratic way.

“No... No, I didn’t,” Yin rumei said gloomily. Although she really wanted to object, she didn’t dare to disobey first elder’s wishes now. Otherwise, if first elder made an issue out of her previous words, no one would be able to protect her.

“If that’s the case, then your marriage will be set for tomorrow, Mo Yan! Help the second elder and Vice President Yin prepare, we must let our armament Guild’s Vice President get married in a grand manner. Furthermore, don’t forget to inform all the armament Masters in fiery city to attend the wedding.” The great elder was very thoughtful, and his orders did not allow anyone to refuse.

“Master, if the blacksmiths ask about Vice President Yin’s name, what should I say?” Mo Yan said awkwardly. Actually, what he wanted to ask was whether Yin rumei had married him as a concubine or as a bed-warming servant! However, he knew that Yin rumei wouldn’t be happy with either of the two titles!

“You can just tell the truth, I believe the artifact Masters will understand. Who asked the second elder to have a publicly acknowledged tigress in his house!” The first elder said with some sympathy.

“Alright, master, I’ll go prepare for this.” Mo Yan then left the main hall.

“Vice President Yin, second elder, you two can stay here for today! I’m also staying here, hehe! I have to keep a close eye on you two, in case you can’t stand the loneliness before the wedding. Also, don’t meet each other again before the wedding, so as not to ruin the Feng Shui.” After Mo Yan left, the first elder said this to the second elder and Yin rumei. By saying this, he had imprisoned the two of them separately.

Chapter 1074: The bugs in the divinity are so powerful (2)

“Yes.” Yin rumei and the second elder answered gloomily.

“Little girl, I’m going to borrow your place for two days.” The first elder looked at Leng ruoxue and smiled.

“There’s no problem. However, I have a lot of subordinates, so I only have one empty room left. It’s only enough for you. As for second elder and Vice President Yin, I’m afraid they’ll have to stay in the servants’ room.” Leng ruoxue laughed evilly.

“Oh! It doesn’t matter, they won’t be staying here for long anyway, so it doesn’t matter where they stay.” The first elder chuckled. He was even more satisfied with Leng ruoxue. What a smart little girl. He liked her!

“First elder, how can we stay in the servant’s room!” When the second elder heard that he had to stay in the servant’s room, he immediately began to complain.

“If you don’t want to stay, do you want me to stay there?” The first elder said with a smile that was not a smile.

"I don't dare! What I mean is that we can ask them to give two rooms to Vice President Yin and me." The second elder said matter-of-factly.

"Oh! Then you can talk to that girl yourself!" First elder nodded.

"Yes, immediately clear out two rooms for vice guild leader Yin and me." The second elder nodded and ordered Leng ruoxue arrogantly.

Unfortunately, Leng ruoxue couldn't even be bothered to look at him, let alone acknowledge him.

"Second elder, we are enemies. What reason do you think we have to give you a room?" Feng Da asked with a smile. Perhaps he was too ignorant! He thought he had seen many humans, but this was the first time he had seen people like second elder and Yin rumei. They were truly strange!

"Just because I'm the armament Guild's second elder, isn't this reason enough?" The second elder said angrily.

"What does that have to do with us?" Feng Da was a little speechless. They weren't from the armament Guild headquarters, so who would care who you were!

"The place you're living in now belongs to the craftsmen's Guild. You dare to disobey my orders?" The second elder roared in anger.

"Second elder, have you overindulged in your desires? are you still sleeping? Look carefully, this place belongs to my young miss. Do you want me to show you the house deed?" Although this courtyard belonged to the craftsmen's Guild, Mo Yan had already transferred it to his miss's name as compensation for Leng Xiaoyu's house being occupied.

"You ..." The second elder was so angry at Feng Da that his face turned red and his neck became thick. He stammered for a long time, but he couldn't even say a complete sentence.

"Second elder, we're guests, so we have to listen to the host's arrangements. Don't be so calculative. You're only staying for one night anyway." The first elder indifferently advised.

"Alright then! Find me the best servant's room, I want the cleanest one." Seeing that the first elder had spoken, the second elder naturally did not dare to continue arguing over this matter, so he could only take a step back and settle for the second best.

"I'm sorry, second elder. There's only one servant's room left. May I know which one of you or Vice President Yin will be staying there?" At this time, the Butler who had been hiding in the corner couldn't help but speak.

"What? And who are you?" "What?" the second elder was furious and immediately questioned him.

"I'm the Butler. I'm in charge of the guests' accommodation." The Butler said politely.

"Where do you want me and Vice President Yin to stay?" The second elder shouted with wide eyes.

"One of you can stay in the servant's room, while the other can only stay in the utility room. Of course, you can also set up a tent in the courtyard." The Butler gave them multiple choices, allowing the second elder and Vice President Yin to decide.

“Set up a tent for me! I’d rather live in the courtyard.” The second elder said after some thought.

“Sure, but you have to prepare your own tent. We’re not providing it.” The Butler continued.

“You ... Good! I’ll prepare my own!” The second elder’s heart was burning with anger. However, in front of the great elder, he didn’t dare to go too far. In addition to the previous incident, he always felt that the great elder had something on him, so he was even more careful in his words and actions.

“What about Vice President Yin?” The Butler asked again.

“I’ll stay in the tent too.” Yin rumei said, suppressing her anger.

“Alright, then please hand over your tents to me. I’ll send someone to set them up for you.” The Butler said with a smile.

“Here you go,” The two of them took out their tents from their rings and threw them to the Butler angrily.

The Butler took the tent and was about to leave this troublesome place, but he was stopped by someone.

“Wait,” The first elder said indifferently.

“Uh! Do you have any instructions for me?” The head butler said respectfully. His attitude towards the first elder was completely different from how he had treated the second elder and Yin rumei.

“Butler, move their tents further away from each other. Their wedding is tomorrow, so don’t let them see each other before the wedding.” The Grand Elder instructed.

“Yes.” The Butler replied and left with the tent.

Not long after, the Butler returned to the main hall and said to the second elder and Yin rumei, “Your tents have been set up.”

“Hehe! Since that’s the case, let’s go take a look at the second elder and Vice President Yin’s new residence!” The first elder said excitedly. Then, he ordered the Butler to lead the way and left the main hall first. Of course, he also took the second elder and Yin rumei away with him.

“Miss, should we go?” Feng Da said, eager to try.

“If you want to go, then go!” She was tired and wanted to go back to rest. Although she didn’t manage to deal with Yin rumei and second elder as she had hoped, she believed that the good show was yet to come.

With that, Leng ruoxue pulled the evildoer back to their room. However, she was stopped by Liu Feng.

“Little fox, aren’t you depressed?” Liu Feng said unhappily. That damn old man, there was clear evidence, but he still didn’t immediately deal with that adulterous couple. He was really infuriated.

“What’s there to be depressed about? don’t you think it’s interesting? It’s Yin rumei’s big day tomorrow, so we still have to show our support! Have an early rest!” Leng ruoxue consoled.

Chapter 1075: The bugs in the divinity are really powerful (3)

“You still want to support her? She’s really beautiful!” Liu Feng said in disdain.

“Hahaha! You can think of it as watching the fun. Maybe tomorrow’s wedding will be very lively!” Leng ruoxue said. With that old man’s Black-bellied personality, the wedding tomorrow would be very interesting. She was looking forward to it!

With that, Leng ruoxue held onto the evildoer’s arm and left. Feng Da and the rest naturally did not stay any longer. At once, Liu Feng was the only one left in the main hall.

Liu Feng was stunned for a moment, then he went to find the great elder.

The next day.

It was the day of Yin rumei’s wedding. Leng ruoxue and the others woke up early.

In the main hall, the great elder was already seated, and beside him was Mo Yan, who had a strange expression on his face. When he saw Leng ruoxue and the others, Mo Yan hurriedly greeted them, “Little girl, you’ve come.”

“Yes, today is Yin rumei’s big day. How can we miss it?” Leng ruoxue laughed evilly.

“Oh right, where’s the newbie?” Leng ruoxue couldn’t help but ask curiously when she didn’t see second elder and Yin rumei.

“They are still preparing!” Mo Yan said with a chuckle.

“Little girl, there seem to be a lot of bugs in your yard!” At this moment, the first elder, who had been staring at Leng ruoxue, suddenly spoke.

“Where there are flowers and plants, there will naturally be snakes, insects, rats, and ants. Isn’t this very normal?” Even though Leng ruoxue did not know why the first elder would ask such a question, she still answered very carefully.

“En, that’s true. It seems like we can only blame second elder and Yin rumei for being unlucky. I told them not to meet before marriage, but they didn’t listen. Now, it’s a tragedy!” The great elder sighed, his face full of regret.

“What happened to them?” Leng ruoxue asked curiously.

“They were bitten by bugs yesterday.” Mo Yan replied. Furthermore, he could tell from Leng ruoxue’s expression that she was not faking it. It seemed like she really did not know.

“Oh! It’s not a big deal to be bitten by a bug! It’s common to sleep in the wild.” Leng ruoxue replied nonchalantly. She wasn’t the one who was bitten anyway, so she didn’t care at all.

“It’s not just one bite, but a few!” Mo Yan held back his laughter and said, hehe! Since this little girl didn’t know, he didn’t want to reveal the truth for now. Anyway, they would naturally see it when the wedding was official.

“They’re all godkings. They won’t die even if they get bitten a few times. What’s the matter?” Leng ruoxue chuckled.

“Exactly! It’s fine to be bitten by a few bugs.” Feng Da also quickly agreed.

“Yes, they’re still alive and well.” Mo Yan also nodded in agreement.

At this moment, the Butler walked in from outside the hall and reported, “Sir Mo Yan, President Lu sent someone to say that everything is ready, and the guests are almost all here.”

“Oh! Then let’s go!” Mo Yan stood up and said with a smile.

The wedding venue was arranged to be at Yin rumei’s residence, and the bridal chamber was naturally Yin rumei’s own.

When Leng ruoxue and the others arrived at the wedding venue, Yin rumei’s courtyard was already packed with people.

Ugh! For such a Grand occasion, could it be that all the blacksmiths of fiery city had come? Leng ruoxue thought to herself, ‘look at the wedding scene today. Are we really just going to marry a servant girl to warm my bed?’

However, she was rather impressed by the great elder’s thinking. Second elder had taken in a bed-warming servant girl and had already arranged it so wantonly. She wondered what that famous tigress in second elder’s house would think if she found out.

Moreover, it was her first time knowing that a bed-warming servant could also have a wedding.

She just didn’t know how different this wedding would be from what she knew.

“Miss Leng, what a coincidence! I didn’t expect to see you here.” At this moment, a young man came forward to greet Leng ruoxue.

“Uh! You haven’t left fiery city yet?” Leng ruoxue looked at the man in front of her and asked in surprise. This man was the one they had met at the city gates. Including today, this should be the third time they had met.

“Not yet, but we’ll be leaving soon.” The man explained with a smile.

“Oh!” Leng ruoxue nodded.

“When does miss Leng plan to leave?” The man asked again.

“I don’t know. Maybe I’ll be staying here in the future, or I might leave at any time.” Leng ruoxue replied perfunctorily because she could already feel the sour smell around her.

“Miss Leng, if you have nowhere to go after leaving fiery city, you can come to my place as a guest. I will definitely treat you well.” The man said enthusiastically.

“Thank you, but I’m afraid we’ll have to stay here for a while.” Leng ruoxue declined.

“It’s alright. Whenever miss Leng and the others are free, I’ll welcome you at any time. This is my token. I’ll give it to miss Leng.” After the man finished speaking, he retrieved a black token from his ring and passed it to Leng ruoxue.

Leng ruoxue took the sign and saw that on the front of the sign was a Soaring Eagle with its wings spread out. On the back was the word "Chi" and on the lower right corner was the small word "Rui".

"I didn't expect young master to be from the Chi clan." Leng ruoxue asked in surprise. Although she had guessed that this man's identity was not simple, she did not expect him to be from the Chi family, one of the eight great divine regions. It seemed like they had not offended all of the eight great divine regions! Hehe!

"Hehe! My family is my family, and I am me. Miss Leng, you won't despise me as a friend just because of my family, right?" In fact, with his status, it was not easy to make true friends, so he was afraid that Leng ruoxue would reject him.

"Of course I won't," Leng ruoxue was very calm. In fact, she really wanted to say that they could not be considered friends.

Just as the two of them were talking in low voices, Chi Rui saw a woman walking in from the corner of his eye. He couldn't help but warn, "Miss Leng, something's going to happen. Don't get too close to the hall later!"

"What's wrong?" Leng ruoxue followed Chi Rui's gaze and saw a 30-year-old woman who was only at the God tier. She was walking into the courtyard with a righteous aura, and there was a hint of hostility on her body. Behind her were more than a dozen tall, strong, and powerful men. These men were all God kings, and from their posture, they didn't look like they were here to attend a wedding. They were more like here to cause trouble.

Chapter 1076: The bugs in the divinity are so powerful (4)

"That woman is the wife of the armament Guild's second elder. She's from the ning family." Chi Rui explained in a low voice. Although he had never seen the woman before, he had been taught by his family since he was young. Therefore, he was familiar with the family members of some of the big shots in the divine world.

"Oh! Then there's going to be a show to watch." Leng ruoxue said excitedly, hehe! The second elder's real wife had arrived so quickly!

"Miss Leng, that woman is not to be trifled with. I'm really afraid that we didn't get to see the show and instead got into trouble. Moreover, that woman will definitely ..." Chi Rui made a gesture of slitting his throat.

"Don't tell me she even dared to kill the head elder of the craftsmen's Guild? Is the ning clan already able to hide the sky with one hand in the divine realm?" Leng ruoxue asked out of curiosity.

"She doesn't dare to kill the great elder. I'm referring to those who don't have any backing. I'm afraid those people are going to be in trouble." Chi Rui said regretfully. Among the people who came today, there were quite a few blacksmiths! And they were destined to become that woman's tools to vent her anger!

"You underestimate the great elder too much. He won't just watch that woman kill all the craftsmen here. What's more, no matter how powerful the ning family is, I'm afraid they're not willing to be enemies with the craftsmen's Association!" Leng ruoxue was not worried at all. After all, the law could

not punish the majority. Even if that woman wanted to vent her anger, she would not dare to kill the weapon Master!

“Uh! It seems that I was too nervous. However, that woman’s notoriety in the divine realm is very well-known. Anyone who has offended her will not have a good end.” Chi Rui said fearfully.

“Would the ning family allow her to mess around?” Leng ruoxue raised her brows and asked indifferently.

“She’s master ning’s most beloved daughter, and her position in the ning family is definitely second only to one person and above everyone else. Except for master ning, no one dares to control her!” Chi Rui explained. If it wasn’t for the old man of the ning family, this woman wouldn’t have dared to be so lawless!

“Oh!” After listening to Chi Rui’s words, Leng ruoxue couldn’t help but secretly pay attention to this woman.

Not long after, the wedding officially began.

Leng ruoxue looked at the entrance of the courtyard and saw two round balls being supported by someone as they slowly walked in! She widened her beautiful eyes in disbelief. What was going on? Wasn’t it the second elder and Yin rumei’s wedding today? Who were these two spherical objects?

“Little girl, these two are the second elder and Yin rumei.” Mo Yan walked to Leng ruoxue’s side and said with a faint smile. Seeing the two of them like this, he felt particularly comfortable. Moreover, compared to this morning, these two seemed to be even rounder, hehe! It was really satisfying!

“Uh! Could it be that they gave up on themselves and ate too much? but, it’s impossible for them to get this fat in one night, right?” Leng ruoxue was still in a state of disbelief over what she had just seen.

“That’s not fat, it’s swollen. Didn’t I tell you that they were bitten by bugs last night?” Mo Yan reminded.

“Uh! The worms of the divine realm are really powerful.” Leng ruoxue was a little speechless. She never thought that the bugs from the God Realm would have such great power. Should she catch a few to raise? In the future, if anyone provoked her, she would release the bugs she raised to bite, hehe! She couldn’t help but think to herself wickedly.

“Yup! However, I didn’t expect that there would be so many bugs in the city. It seems that the city’s hygiene should be properly cleaned.” Mo Yan chuckled and teased.

“I’m afraid it has nothing to do with hygiene. It’s character. Otherwise, why didn’t those bugs bite anyone?” Leng ruoxue said disapprovingly.

“Yes, you’re right, little girl.” Mo Yan thought for a moment and said with a smile.

As the two of them bantered, the second elder and Yin rumei entered the wedding hall that had already been set up.

At this moment, the great elder was sitting high up in the main seat, acting as their elder and the marriage officiant and witness! President Lu was the host of the wedding. As for the ning family’s young

lady, the second elder's wife, who had just arrived at the wedding scene, she was hidden in the crowd and had not made any movements.

However, according to Leng ruoxue's guess, that woman probably couldn't hold it in for much longer. The reason why she didn't make a move now was probably because she was waiting for a good opportunity.

"Everyone, please calm down. I now announce the official start of the second elder and her Excellency rumei's wedding!" President Lu said loudly, trembling with fear. The cold sweat in his heart was pouring down. However, he also knew that there was no way out of this situation. He had also joined Mo Yan's pirate ship, so he had to be the host!

As President Lu finished speaking, thunderous applause rang out ...

"Everyone, be quiet! Now, the first thing to do is the wedding ceremony. Since the elders of both men and women are not able to attend, we will be represented by our headquarters 'great elder! Second elder, lady rumei, you may now bow to the Grand Elder." President Lu braced himself and said.

Chapter 1077: Killing with a borrowed knife (1)

?

"Bow!" When the two round balls heard that, their lungs almost exploded. F * ck! They were in such a state, yet he still wanted them to bow to the great elder! However, no matter how unwilling they were, they didn't dare to refuse.

The two balls held each other's hands and bent down slightly to bow. However, because their center of gravity was too forward, the two of them rolled directly to the floor.

The great elder looked at the two balls that rolled to his feet and said with satisfaction,""Second elder, Vice President Yin, you're really too polite. There's no need for such a big bow, haha!"

When the surrounding crowd saw the great elder on the main seat lying with his eyes open, they couldn't help but curse. He fell down, okay? he didn't want to give you such a big bow! However, they could also see that the great elder was deliberately making things difficult for these two people!

Most of the guests who had come to attend the wedding today had seen Yin rumei before, even if they had never seen the second elder before. As such, they were quite curious about Yin rumei's current figure. However, many people didn't dare to ask. Only after a few people with more background found out the reason for the second elder and Yin rumei's current appearance did the news slowly spread among the guests.

Mo Yan arranged for the servants to accompany the two newcomers and helped the second elder and Yin rumei, who were lying on the ground and unable to get up, up because they still had to bow to the great elder!

According to the customs of the immortal realm, the elders in the family, the marriage officiant, and the officiant all had to bow to show their gratitude. Therefore, after the two of them were helped up, they would fall down every time they bowed. Their comical behavior made the guests sneer secretly, but they didn't dare to laugh too loudly for the sake of the second elder and Yin rumei.

However, not everyone had such concerns. After seeing the second elder and Yin rumei's embarrassing state, Feng Da and the others couldn't help but burst into laughter.

Especially Liu Feng, he laughed so exaggeratedly that he almost rolled on the ground.

"Your Excellency, Liufeng, please pay attention to your image." Feng Da, who was standing beside Liu Feng, reminded him in a low voice. He had already seen many people looking at them.

"Hahaha! This is really too funny." Liu Feng laughed so hard that tears came out of his eyes. The second elder and Yin rumei had bowed nine times in total, and they had also fallen nine times. Seeing this scene, he really felt that his hatred had been vented! No wonder that old man said he was stupid! Why didn't he expect such an interesting thing to happen at the wedding? Ah! That little fox is so smart! It seemed like she had already expected this.

However, he believed that the good show was yet to come, because the tigress was coming! Hehe! This time, they didn't even need to do anything. The tigress would take care of everything for them.

"I now announce ..." After the second elder and Yin rumei had finished bowing with great difficulty, President Lu was about to announce that the ceremony was complete, but he was interrupted halfway!

"Wait," The second elder's wife, who had been hiding in the crowd for a long time, loudly said.

Her voice instantly attracted everyone's attention.

President Lu trembled in fear when he heard someone interrupt him. However, he kept his mouth shut when he saw the woman who obviously came with ill intentions.

The second elder's eyes were so swollen that they were only a slit. When he saw the familiar yet blurry figure in front of him, his round body trembled like a leaf in the wind. Moreover, he wasn't the only one. Yin rumei was also nervous and afraid. The two of them thought to themselves at the same time, "heavens!" Why was this tigress here? How did she know about this?

The second elder's marriage to Yin rumei was actually a plan they had secretly discussed. They had originally planned to wait for this matter to die down before separating. However, they didn't expect that tigress to find out about their matter and personally come to the divine continent. Now, they wouldn't be able to clear their names even if they jumped into the Yellow River.

"Yan ... Yan 'er, what are you doing here?" The second elder's voice trembled as he spoke.

"You really didn't want me to come?" Ning Yan narrowed her eyes and said in a cold tone. She kept scolding him in her heart. This heartless man, why did I fall in love with him in the first place?! She even wanted to try her best and even used her family's power to help him sit in a high position in the armament Guild headquarters. Now, great, he had power and influence. He even dared to marry a concubine home for her, and it was such a big deal! When she thought of this, the anger in her heart burned.

"How could that be!" The second elder forced out a smile and tried to please him.

"Hmph! This ugly woman is the concubine you want to marry?" Ning Yan ignored the second elder and turned to Yin rumei.

“Uh!” The second elder didn’t know what to say to Ning Yan. In front of the great elder, he didn’t dare to say that his agreement to the marriage was just a temporary stop-gap measure, otherwise the great elder wouldn’t let him off!

“I heard that Vice President Yin is a beauty. Seeing you today, you’re indeed extraordinary!” Ning Yan said with a mocking smile.

“Yan ‘er is here.” At this moment, the first elder sitting on the main seat said with a faint smile.

“Hello, great elder. I’m here to attend my husband’s wedding. If I don’t show up for such a big event like my husband marrying a concubine, how can the concubine enter our Yue family’s door!” Ning Yan said with a smile.

“MMM, well said. It’s my negligence. I saw that they were in love with each other and had done it as a married couple. I was afraid that it would affect Vice President Yin’s reputation, so I was in a hurry to arrange their marriage. Yan ‘er, please don’t blame me!” The first elder said apologetically.

“Great elder is too serious. This matter was indeed not handled properly by my husband. In fact, even if he wanted to take a concubine, he only needed to inform me. There was no need to be sneaky.” Ning Yan said hurriedly. In fact, she was quite afraid of the first elder, and her father had repeatedly warned her not to offend the first elder no matter who she offended, so even if she was angry, she had to be polite to this old man.

“Yan ‘er has misunderstood. The second elder is not marrying a concubine.” The first elder said with an evil smile.

“Don’t tell me she’s your equal wife?” Ning Yan ‘er was a little angry.

“Not really,” The great elder denied.

“What’s that?” Ning Yan ‘er was confused. Even if she wasn’t a common wife, she wasn’t a concubine, so she couldn’t be the main wife, right? That d * mned man didn’t have the guts to divorce her!

Chapter 1078: Killing with a borrowed knife (2)

?

“Bed-warming girl! Vice President Yin would rather be a bed-warming servant girl than marry second elder. I was touched by their love, so I arranged everything for them!” The great elder said in a well-mannered manner.

“So you’re marrying a bed-warming servant girl!” Ning Yan dragged out her voice.

However, anyone who knew her would know that this was a sign of her anger, and Ning Yan was indeed even angrier.

Never in her wildest dreams would she have thought that Yin rumei would rather be a bed-warming servant girl to marry her man. And that d * mned man, even though he clearly knew that she was only taking in a bed-warming servant girl, he still made such a big deal out of it. What did this mean? It meant that there were real feelings between them. Thinking of this, the jealousy and anger in her heart burned wildly. Right now, she really wanted to kill someone!

Yin rumei naturally bore the brunt of it and became the main target for her to vent her anger. She pointed at Yin rumei and ordered her subordinates, "Let this bed-warming servant girl kowtow to me, the matriarch of the house, and offer me tea!"

"Yes!" More than ten burly men said in unison. It was unknown who kicked first, but only a 'plop' was heard. Yin rumei rolled onto the floor.

"I want you to kneel and kowtow, not lie down." Ning Yan kicked Yin rumei in disgust.

"I ..." Yin rumei wanted to speak, but she couldn't say anything. She felt so aggrieved! Damn woman, isn't she just relying on her status as the eldest miss of the ning family! Hmph! Sooner or later, she would teach her a lesson. She would not let Leng ruoxue and the others off either.

"You what you! Make her kneel properly." Ning Yan shouted and ordered her subordinates.

"Kneel! Kowtow to my family's young miss and offer her tea. Otherwise, don't even think about entering my family's son-in-law's door!" A burly man grabbed Yin rumei's hair and lifted her up like a little chick. Then, he kicked Yin rumei's knees twice, and two crisp sounds were heard. Yin rumei knelt down ...

But at the same time, a howl that sounded like a pig being slaughtered reverberated through the entire Hall.

"Ah!" Yin rumei cried out in pain, but no one present dared to speak up for her.

Immediately after, the burly man brought over a cup of hot tea and stuffed it into Yin rumei's hands.

"Ah!" There was another scream, and a 'bang' was heard. The teacup fell to the ground, and the hot tea spilled all over Yin rumei's body. Her hands were red and swollen. One could only imagine how hot the tea had been.

"You're really trash, you can't even hold a cup of tea steadily." This gave her a reasonable excuse that Yin rumei hadn't offered her tea, so she couldn't enter the Yue family!

"You ... You ..." Yin rumei glared at Ning Yan angrily. Although the other party was the young lady of the ning family, she had been in a high position in the armament Guild for many years. Although she didn't dare to say that she could get whatever she wanted, she had never been humiliated like this. Thus, she now hated Ning Yan and secretly swore that as long as she escaped today, she would pay back this humiliation double in the future!

"I what?" Ning Yan lifted her eyes and said arrogantly.

"Great elder, I'm really sorry. I was originally happy to attend my husband's wedding, but I didn't expect this bed-warming girl to not serve me tea. So, this wedding can not be counted. I hope great elder doesn't blame me!" Ning Yan turned to first elder.

"Hehe, it's fine. However, they did have sex after all, so ..." First elder deliberately said half a sentence and left half a sentence.

"Since Vice President Yin is willing to be a bed-warming servant, I'll naturally grant her wish." Ning Yan was very open and generous.

“Good! Good! Everyone says that Yan ‘er is easily jealous, but I don’t think so! Yan ‘er is definitely a magnanimous matriarch!” The exchange between the two of them had decided Yin rumei’s future. Since Yin rumei had fallen into Ning Yan’s hands, she naturally wouldn’t have a good ending.

Just like that, the wedding came to an end, and the second elder and Yin rumei were locked up by Ning Yan.

Ning Yan ‘er was also temporarily staying at the craftsmen’s Guild. She was currently living in Yin rumei’s residence. Ever since she had moved in, the people of the craftsmen’s Guild would often hear screams from Yin rumei’s courtyard. They didn’t need to guess to know that this was the mistress of the house punishing the disobedient bed-warming servant girl.

At Leng ruoxue’s residence.

It had been three days since the wedding, and everyone was very relaxed. However, Liu Feng looked depressed and sad.

“Al!”

In the garden, after Liu Feng had sighed countless times, Leng ruoxue N who was napping on the deck chair, opened her beautiful eyes unwillingly. She couldn’t help but ask N N “What’s wrong with you?”

“Why hasn’t Yin rumei been played to death by Ning Yan yet? It’s such a pity.” Liu Feng said helplessly.

“You’re sighing non-stop just for this?” Leng ruoxue was a little speechless. Wasn’t this Liu Feng a little too boring?

“Yup!” Liu Feng nodded his head naturally, not feeling that there was anything wrong with his thoughts.

“You’re so boring!” Leng ruoxue said honestly.

“That’s right. You’re really too bored. Have you finished forging the equipment I asked you to?” At this time, the first elder’s voice suddenly rang in everyone’s ears.

“You stinky old man, I’ll do it if you ask me to! Then I’ll lose face!” Liu Feng said in a bad mood, Hmph! That damned old man actually handed Yin rumei over to Ning Yan to deal with, even though he knew that Yin rumei dying at Ning Yan’s hands was better than being killed by him!” It would be good if it fell, but he was not happy!

“I’m the head elder of the armament Guild headquarters. Do you dare to not refine the equipment I ask you to?” The great elder’s eyes widened as he roared.

“I’m also the Vice President of the armament Guild headquarters? Even if you’re the great elder, you can’t control me! Hmph!” Liu Feng refuted.

“You ... You little brat! I’m going to impeach you now! Do you believe me?” The great elder threatened like a child.

“Are you trying to abuse your power? Why didn’t I see you impeach second elder and Yin rumei when I was almost killed?” Liu Feng sneered. The implication was that you didn’t care about the evidence and instead, you threatened me.

Chapter 1079: Killing with a borrowed knife (3)

“Why should I impeach them? wouldn’t that be too easy on them? Now, we don’t need to do anything. Someone will take care of them for us!” The first elder said proudly. Why didn’t this little brat understand what he was thinking! He was really infuriated!

“Don’t make it sound so nice. You’re clearly a coward!” Liu Feng said in a bad mood. However, his words were obviously said in a fit of anger, and he was deliberately trying to anger this old man.

“You brat, you dare to say that about me? you really don’t want to live anymore!” The great elder roared. After he finished speaking, he began to chase Liu Feng in the garden.

“Master!”

“Grandpa!”

Mo Yan and Liu Yue shouted in unison, their faces filled with helplessness. This old man and young man were like two volcanoes, and as long as they met, they would create intense sparks. However, they enjoyed it and never got tired of it, so it was hard on them, the spectators.

“Little girl, you should quickly make them stop!” Mo Yan knew that he could not persuade his master, so he asked Leng ruoxue for help.

“Why did you ask them to stop? “Fighting is healthier. Besides, didn’t you realize that the more they fight, the better their relationship is? This is their special way of getting along, and others won’t understand.” Leng ruoxue said in understanding. Ever since she found out about their grandfather-grandson relationship, she had a clear understanding of the way they interacted.

However, after finding out about their relationship, Leng ruoxue actually felt some sympathy for the second elder and Yin rumei. Those two fools were so afraid of the great elder, yet they didn’t know that the Liu Feng she wanted to kill was actually the great elder’s grandson. He was really curious about what kind of expression they would have if they knew about this.

“But, is this really going to work?” Liuyue was a little worried. Her grandfather and younger brother’s tempers were exactly the same. They were both extremely stubborn.

“Don’t worry, no one will die.” Leng ruoxue consoled, but her words made Liuyue even more worried.

And reality proved that Liuyue’s worry was not without reason. Not long after, the old man and the young man who were chasing each other in the garden began to fight with real swords and guns.

“Little fox, make them stop. Otherwise, your garden will be destroyed.” Seeing this, Liuyue quickly reminded him.

“If even your grandson and disciple can’t do anything, how can I stop them? And as the saying goes, if the old is not gone, the new will not come. I have been dissatisfied with this garden for a long time, so I can take this opportunity to change it to a new one.” Leng ruoxue said with a smile.

“Uh!” After hearing Leng ruoxue’s words, Mo Yan and Liuyue’s hearts sank at the same time. They thought to themselves, ‘this little girl is planning to rip me off again!’

After a long time.

Liu Feng and the great elder were tired from the fight, so they lay down on the grass, and the originally beautiful garden was destroyed by them.

At this moment, Leng ruoxue stood up slowly and walked in front of the grandfather and grandson duo. She chuckled and said, "Are you guys done? Do you want to have another fight?"

"No, we've had enough." Liu Feng hurriedly said. When he saw Leng ruoxue's smile that clearly had ill intentions, he realized what he had done. He was done for. This little fox would not let him off!

"How about you? Great elder!" Leng ruoxue's beautiful eyes turned towards first elder.

"I've had enough too, sigh! I'm old! After chasing for a while, this little brat is tired." The first elder sighed. He had not known Leng ruoxue for long, so he clearly had not realized that he was being schemed against.

"Since you've had enough, you can pay now!" Leng ruoxue said with a smile. The sweet smile on her beautiful face made her look extremely harmless. However, the words she said made people feel like vomiting blood!

"Uh! Pay for what?" First elder asked in a daze. For a moment, he still couldn't understand.

"You destroyed my garden and injured my servants. Of course you have to compensate me!" Leng ruoxue replied matter-of-factly.

"I admit that we destroyed the garden, but when did we hurt your servant?" The first elder looked at the garden that was filled with wolves and couldn't deny it.

"That's right! Little fox, you can't wrong us!" Liu Feng also said. It was rare that he didn't oppose the great elder.

"Butler, come here." Leng ruoxue said to the Butler who was not far away.

"Miss." The Butler walked over with a bit of embarrassment.

"Your fight just now has injured the steward." Leng ruoxue pointed at the uncomfortable Butler.

"Which part of him is injured?" Liu Feng and the first elder looked the head butler up and down, but they could not find the spot where Leng ruoxue had said was injured.

"His face is injured, sigh! I hope you're not disfigured." Leng ruoxue pretended to be worried.

"Little fox, you call such a small wound an injury?" Liu Feng was speechless. The so-called wound on the Butler's face was at most two centimeters in size. Furthermore, it did not bleed much. It was just a small cut on his face, but Leng ruoxue had said it was an injury. This ... This was clearly a scam!

"The size of the injury doesn't matter. The steward's face injury isn't serious, but his heart is hurt. If he had taken one more step forward, I'm afraid he would have lost his life!" Leng ruoxue said in an exaggerated manner.

Her words made the housekeeper's heart jump and his face turn red. He couldn't help but think in his heart that the young miss was really too terrifying. How could he have been so blind to provoke this little devil? However, his previous master seemed to be in a worse state than him, because di Ren was still working hard to get his freedom! But in his opinion, di Ren had no hope of freedom.

"Little girl, how much do you want as compensation? name your price!" The first elder looked at Leng ruoxue with interest. Even though he was about to be ripped off by this little girl, he wasn't angry at all. After so many years, he had finally found a girl with the same temperament as him. Hehe! He suddenly felt as if he had met a kindred spirit, but unfortunately, his two grandsons were not so Black-bellied!

"With the status of the two of you, I don't dare to ask for an exorbitant price. I'll compensate you according to your net worth! After all, if I ask for too little, I'll be letting down your status!" Leng ruoxue said after some thought.

Chapter 1080: Killing with a borrowed knife (4)

After hearing Leng ruoxue's words, Liu Feng was furious. He thought to himself, 'she's indeed a greedy vampire. She told them to pay according to their value, but if they pay too little, this wretched girl will definitely say, 'so this is all you're worth!' In any case, they would not be able to gain any advantage.

"Hehe! Little girl, I really admire you. I'll pay for it. " The first elder laughed happily. Then, he took out a pile of multi-colored top-grade crystals from his ring and placed them in front of Leng ruoxue."This should be enough!"

"That's enough," Leng ruoxue smiled in satisfaction. Then, she kept the premium crystal stones and turned her attention to Liu Feng.

"I didn't bring that much money." Liu Feng gritted his teeth and said. Damn it, that old man was actually still laughing after being killed. He was really angry!

"It doesn't matter. You can write me an IOU. Of course, you can also sell your body to pay off the debt like di Ren. However, no matter what, I will still collect interest." Leng ruoxue laughed evilly.

"You really are a money-grubbing vampire!" Liu Feng said helplessly. He resignedly took out a few top-grade crystals from his ring and piled them on the grass.

"This should be enough!" Liu Feng said in an unpleasant tone.

"It's barely passable! Who asked you to only have this much net worth! I understand. " Leng ruoxue said in an infuriating manner as she kept the crystal stones on the ground into her bracelet.

"You" Liu Feng was infuriated. He took out some more top-grade crystals from his ring and pointed at the crystals while gritting his teeth,"you're not good."This should be enough!"

"Yes, yes." Leng ruoxue nodded her head in satisfaction. How could she not be satisfied with this unexpected gain?

Not far away, Mo Yan and Liu Yue saw this scene and shook their heads helplessly. They secretly made up their minds not to provoke this little girl in the future. Otherwise, they would probably die without even knowing how they died.

He stayed there for a few more days.

At this moment, the incident between the second elder of the craftsmen's Guild and Yin rumei had already spread throughout the entire firmament and had become a topic of gossip for the people in the firmament. When Leng ruoxue found out about this, she only smiled and said, "The people of the divine realm are also quite boring."

However, these gossips and scandals weren't within her scope of concern. What she was more concerned about was when miss ning would torture Yin rumei to death! As such, before Ning Yan left fiery city, they had been staying there. Apart from cultivating every day, she had also asked Qing Jue to keep an eye on the situation there.

Half a month later.

In the garden where Leng ruoxue and the others were staying.

Mo Yan, Liu Feng, and Liu Yue were sitting on the stone chairs in the garden and chatting. However, the three of them were obviously not in high spirits. In fact, ever since Leng ruoxue and the rest went into closed-door cultivation, this place was not as lively as usual.

"Ai! I don't know when they'll come out." Liu Feng sighed and said in a depressed tone. If the little fox was here, there would still be someone who could argue with him. But now, there was no one who could argue with him. And that stinky old man didn't have time to bother with him. He only knew how to hold onto his disciple all day long. He really couldn't tolerate it!

"If you're bored, you can go to Grandpa!" Liuyue teased.

"That old man doesn't have time for me now!" Liu Feng said weakly. He didn't want to embarrass himself!

"Three Sirs, something big has happened!" Suddenly, the Butler jogged to the garden and stopped in front of them, panting.

"What happened?" Mo Yan frowned and asked in confusion.

"Yin rumei, she ..." The Butler stuttered.

"She's dead?" Liu Feng quickly asked.

"Yes, yes." The Butler nodded repeatedly.

"Hahaha! That B * tch has finally gotten her retribution. This is great." Liu Feng laughed happily.

"No, I have to confirm it. That woman is too scheming. If it's not her, wouldn't I be overjoyed for nothing?" Liu Feng stood up and said very cautiously.

"Do you think she can escape from Ning Yan? You're overestimating her." Mo Yan said helplessly. However, they really had to go and take a look. After all, Yin rumei was a member of the craftsmen's Guild, so they had to put on an act.

“You guys go and see her! I’ll go inform Grandpa. ” Liuyue stood up and said. The internal affairs of the craftsmen’s Guild involved the ning family, so it was better for him not to get involved. Anyway, even if he didn’t go, Liufeng would tell him.

“Yes.” Mo Yan and Liu Feng nodded, and the three of them split up.

Mo Yan and Liu Feng arrived at Yin rumei’s residence together. At this time, the door to the courtyard was wide open, and the two of them walked in without any hindrance ...
