Chapter 1181: The city Lord's mansion's reaction (1)

"City Lord is too kind, I'm just a small blacksmith." Leng Xiaoyu said disapprovingly.

"Hehe, you're too humble," Yan kun said with a smile, but he couldn't help but wonder in his heart, is there a little blacksmith that everyone in the divine continent knows? Furthermore, even in the divine realm, Leng Xiaoyu was quite famous. Who asked her to have a master who was the Deputy President of the armament Guild headquarters and was also a talented armament refining genius?

After hearing Yan kun's words, Leng Xiaoyu smiled but did not say anything. Her Starry Eyes kept sizing up city Lord Yan. City Lord Yan looked to be about fifty years old. Although he was approaching his middle age, it was not hard to tell that he was a handsome young man when he was young. Although he was only a mid level deity, he had a shrewd and capable look.

"Father, do we have a guest?" Suddenly, a clear voice entered Leng Xiaoyu's ears. She could not help but raise her head and see a young man walking in from the door.

The young man was about 20 years old and had a handsome face. Although he was only the young master of a small family, he had a calm and magnanimous appearance. His strength had already reached the middle level of the early divine realm. It was clear that Yan kun had spent a lot of effort on him.

This young man should be the city Lord Yan kun's second son, the one with the talent for refining weapons! Leng Xiaoyu thought to herself, but she looked at Bing Yao who had come with her without saying anything. Then, a faint smile appeared on her handsome face.

"Is this the city Lord's son?" Leng Xiaoyu asked despite knowing the answer.

"Hehe! It's my son. Tao'er, quickly come and greet her Excellency Leng Xiaoyu." Yan kun introduced with a smile.

"Yan tao greets Xiao Yu," When yan tao heard his father's words, he suppressed his excitement and bowed to Leng Xiaoyu respectfully.

"Young master Yan, you're too polite." Leng Xiaoyu said politely as she looked at the young man who was full of admiration.

"Hehe, you might not know this, but my son has loved refining weapons since he was young. Therefore, he has a special admiration for you. It's just that he has never had the chance to meet you." Yan kun explained with a smile. Although he really wanted to ask Leng Xiaoyu to stay in Yan Bei city for a few more days, he was afraid that it would be too abrupt and would make her unhappy.

"Oh, city Lord, I will be staying in Northern Yan city for a few days. If young master Yan is free, you can come to the inn and look for me. I can also give you some pointers." Leng Xiaoyu said, taking advantage of the situation.

"That's great. Thank you, Ms. Xiao Yu." Yan kun was overjoyed. If he could get close to Leng Xiaoyu, then his son would not be bullied in the city Lord's mansion in the future.

“Yan tao thanks Lady Xiao Yu for her love.” Yan tao was so excited that his eyes were filled with admiration for Leng Xiaoyu.

“Young master Yan, you don’t have to be so polite. It’s nothing.” Leng Xiaoyu was very calm.

“Actually, I’ve come here to ask for a favor from the city Lord.” Leng Xiaoyu said with a troubled expression.

“If there’s anything you need, just say it. As long as it’s within my power, I’ll do my best.” Yan kun said with great sincerity.

“It’s like this, two of my juniors were robbed on the streets yesterday, so I want to ask city Lord Yan to help me find them. I don’t know if this matter will make things difficult for city Lord Yan?” Leng Xiaoyu said, a little embarrassed. The reason why they had only come to the city Lord’s residence a day later was to make the city Lord feel that they had no one to look for, and had come to him for help.

“Who’s so bold as to steal a junior from Lady Xiao Yu?” Yan kun couldn’t help but be shocked and ask in disbelief.

“I don’t know him either. I heard from an insider that the one who snatched him was a young master. He even said that he was some tyrant of Northern Yan city. After all, we are outsiders, so we have no choice but to ask city Lord Yan for help.” Leng Xiaoyu said helplessly, his extremely handsome face showing his depression at the right time.

“Uh! Don’t worry, Your Excellency Xiao Yu, I’ll do my best to help you find the person.” Yan kun promised. However, he could not help but feel shocked, especially when Leng Xiaoyu mentioned the tyrant of Yanbei city. His uneasiness grew stronger and stronger.

“Then I’ll thank the city Lord first.” Leng Xiaoyu smiled as she expressed her gratitude.

“You’re too kind, Ms. Xiao Yu.” Yan kun quickly said.

After that, the two of them chatted for a while more before Leng Xiaoyu found an excuse and left with Bing Yao.

After sending off Leng Xiaoyu and the other man, Yan kun summoned the Butler with a gloomy expression and ordered him to find the eldest young master.

“Father, could it be that you suspect big brother of doing this?” Yan tao guessed.

“Hmph! Who else could it be if not him? Other than him, who else would dare to do as they please in Northern Yan city and call themselves a King?” Yan kun said, holding back his anger. In the past, he could turn a blind eye to his eldest son’s actions. However, he couldn’t do it now because his unfilial son had provoked Leng Xiaoyu. He even suspected that Leng Xiaoyu had already found out about this matter. Therefore, he had to deal with it properly.

“If it was really big brother’s doing, what does father plan to do?” Yan tao could not help but ask.

"Of course we'll hand him over to her Excellency Leng Xiaoyu. Our Yan family can not bring disaster to ourselves because of him." Yan kun said coldly. In fact, he didn't say anything. For the future of his second son, he had to hand over his eldest son. This was also a way of showing his goodwill to the other party.

Hearing his father's words, yan tao no longer spoke.

"Tao' er, don't you think that father is too heartless?" Yan kun looked at his second son and thought to himself, "this child is too kind. Sigh!"

"No, I know father is doing this for my own good." After a moment of contemplation, yan tao said. His words also made Yan kun feel quite comforted.

"It's good that you can understand father's painstaking efforts. " Yan kun let out a long sigh of relief.

At this moment, the eldest young master, who had received the Butler's order, also came to the living room unwillingly under the Butler's supervision.

"Father, why are you looking for me?" The Yan family's eldest young master asked unhappily as he sat down opposite Yan kun.

"Unfilial son, did I let you sit down?" Yan kun said angrily when he saw his eldest son's rascally appearance.

"Father, if you have something to say, just say it! I'm very tired. " The Yan family's eldest young master did not notice his father's anger and urged him on.

Chapter 1182: The city Lord's mansion's reaction (2)

"Unfilial son! Kneel down!" Yan kun roared, but the young master of the Yan family did not take it seriously. He continued to do what he wanted and even picked up the fruit on the table to eat.

"Butler, make this unfilial son kneel down!" Seeing that his eldest son didn't even take his words seriously, Yan kun couldn't help but become even angrier.

"Yes, city Lord." The Butler replied. Just as he was about to move, he was stopped by the Yan clan's eldest young master.

"Audacious slave, who dares to touch me!" The Yan family's eldest young master glared at him and roared.

"Eldest young master, your subordinate apologizes." The Butler said apologetically. Then, he kicked the eldest young master's stomach. The eldest young master's knees gave way and he knelt on the ground.

"Dog slave, you dare to offend your superior? I am the young master of Northern Yan city, and you dare to disrespect me!" The Yan family's eldest young master said in anger.

"I'm sorry, young master. I'm only following the orders of the city Lord. " The Butler didn't even look at the eldest young master as he spoke indifferently.

"Unfilial son, let me ask you, did you snatch people from the streets again?" Yan kun asked directly.

“So what if I am? It’s their good fortune to be liked by me.” Yan kun said disapprovingly. Tsk, he thought it was something big. It turned out that his father had called him over for such a trivial matter. This was really too much.

“Unfilial son, you’re really audacious. You actually dare to Rob anyone. You want our Yan family to be praised by you, don’t you?” Yan kun roared in anger.

“Father, please calm your anger!” Yan tao saw that his father’s expression was not right and quickly comforted him.

“Master, please calm down!” The Butler quickly said.

Only the Yan family’s eldest young master was unconcerned. He casually said, “Is it that serious? Father, you’re exaggerating!”

“Housekeeper, go and get the Family Law. Today, I will beat this unfilial son to death, so that he won’t bring disaster to our Yan family!” Yan kun was infuriated, especially when he saw the disapproving look on the young master’s face. He was so angry that he couldn’t keep this unfilial son of his alive any longer.

“Yes.” The Butler replied and turned to retrieve the Family Law.

The so-called family discipline was nothing more than a tool used by the great families to carry out punishment. When the Yan family’s eldest young master saw the stick in the housekeeper’s hand, which was thicker than his arm, his face turned green with fear. It must be known that this was not an ordinary stick, but a holy weapon passed down in the family. It was also specially made by a blacksmith hired by his father for the use of family discipline. As far as he knew, many people who had violated the Yan family’s rules had died under this stick. He did not want to be hit, nor did he want to be a dead soul under the stick!

“Execute!” Yan kun said emotionlessly, Hmph! The person he had offended this time was Leng Xiaoyu. For the good of the Yan family, he could not keep this son.

“Father! Don’t! Father! I was wrong, mother! Help me!” When the steward’s staff landed on the Yan family’s eldest young master, the young master let out an earth-shattering cry for help.

“Argh! It hurts so much, mother! Save me, father is going to kill me.” The Yan clan’s eldest young master howled. His howl had indeed attracted the attention of the servants, and some of them even went to inform the eldest young master’s mother, the lady of the city.

Not long after, the city Lord’s wife arrived. When she saw her son’s bloodied body, the anger in her heart exploded. Without thinking, she rushed forward and gave yan tao a slap ...

Yan tao, who had been slapped, did not say a word, nor did he Dodge. His pair of Starry Eyes stared straight at the city Lord’s wife.

“Damn you little B * stard, you didn’t even help when you saw the city Lord beating up your big brother.” The city Lord’s wife didn’t dare to blame the city Lord, so she could only vent her anger on yan tao, this son of a concubine.

"I wonder how aunty would like me to help?" Yan tao sneered and questioned.

"How dare you? is this how you speak to your elders?" The city Lord's wife bellowed. This was truly heaven defying. Never in her dreams would she have thought that the second young master who had always been cautious in front of her would actually dare to question her. This made her feel that her authority had been challenged.

"If you want others to treat you as an elder, then you have to act like one. Otherwise, no one will respect you." Yan kun looked at yan tao with heartache and said in a cold tone, Hmph! This woman was getting more and more out of control. He had tolerated her for so many years, but she kept challenging his bottom line. This was outrageous.

"What does the city Lord mean? Are you blaming me for hitting your precious son?" The city Lord's wife asked.

"Isn't tao'er your son? You gave him a slap the moment you came up, and you still want him to respect you?" Yan kun sneered.

"Isn't that Qi'er your son? How could you be so cruel!" The city Lord's wife retorted sarcastically, not showing any weakness. After she ran into the living room, the guests stopped the execution under the city Lord's eye signal.

"I've pampered him too much in the past, and now he's caused an irreparable disaster. If I don't give him a good beating, how am I going to explain it to the other party?" Yan kun said angrily.

"Hmph! You have the final say in this Northern Yan city. What kind of disaster can't be fixed?" Obviously, the mayor's wife didn't believe Yan kun's words. She even believed that Yan kun wanted to kill her son so that the little B * stard could get the mayor's position.

"You really are a woman with long hair and short knowledge. I am merely the city Lord of this little northern Yan city. In the entire divine continent and even the divine realm, there are many people that we can not afford to offend. Do you really think that I, as the city Lord, can do whatever I want?" Yan kun mocked.

"What did that Qi'er do? I can't believe I made you so angry." After hearing Yan kun's words, the mayor's wife's heart sank, but she also calmed down a bit.

"He snatched another woman yesterday." Yan kun glared at his unconscious eldest son and said.

"So what if I snatched a woman? At most, we'll just let him go!" The city Lord's wife said disapprovingly. In the past, Qi'er had done this kind of thing many times. After the city Lord found out, he only gave a small punishment, then gave the woman who was robbed some money and let her go. Therefore, she did not think that this kind of thing was a big deal.

"That's easy to say. Do you know whose girl he's snatching this time?" Yan kun said angrily.

Chapter 1183: The city Lord's mansion's reaction (3)

"Who's that?" The city Lord's wife's face was full of question marks, her mind constantly turning back and forth, and secretly thought, could it be that the girl who was robbed had a very big background? If that was really the case, it was no wonder that the city Lord would lose his temper!

“She’s a junior of her Excellency Leng Xiaoyu.” Yan kun growled.

“Leng Xiaoyu? Which Leng Xiaoyu?” The city Lord’s wife didn’t react for a moment.

“How many Leng xiaoyus can there be?” Yan kun roared.

“City Lord, are you sure it’s that Leng Xiaoyu? Are you a fake?” The mayor’s wife had a look of disbelief on her face. If it was really the famous Leng Xiaoyu, why would she come to a small place like the northern Yan city? She really couldn’t understand.

“Why don’t you try pretending?” Yan kun said in an unpleasant tone.

“What do we do now?” Hearing Yan kun’s words, the city Lord’s wife had no idea what to do. Although she was used to being domineering at home, she would definitely be the first to panic if something serious happened.

“You’re asking me, but who should I ask?” Yan kun said with his eyes wide open. In fact, he had an idea in his heart, but he would not say it out easily.

“Father, the most important thing right now is to send back the girl that big brother snatched. Otherwise, if Lady Xiao Yu blames us, our entire Yan family can’t afford to be punished.” Yan tao said calmly.

“Tao’ er is right, but sending her back won’t be enough to appease her anger. ” Yan kun said after a moment of silence.

“Master, what should we do? I only have one son, you have to save him!” The city Lord’s wife pleaded with tears in her eyes. At this moment, she had long lost her strength, and only had fear.

“Qi ‘er is my eldest son and the next city Lord of Yanbei city. Do you think I would want something to happen to him?” Yan kun sighed and said helplessly.

“Madam, since that girl was snatched by Qi ‘er, then I’ll have to trouble you to personally release that girl. You’re both women, so it’s easy for you to talk to each other. This way, we can also show our sincerity.” Yan kun said after thinking for a while.

“Alright, master, I’ll go now.” After the city Lord’s wife finished speaking, she left the living room in a hurry, not even caring about her injured and unconscious son.

Not long after the city Lord’s wife left, she came back dejectedly. Yan kun and his son looked at each other and understood.

“Madam, why are you back so soon? Has that young lady settled down?” Yan kun pretended to be confused.

“Master, I wanted to arrange for that girl to leave the city Lord’s mansion, but she still refused to do so.” The city Lord’s wife said gloomily. Actually, she still had one more thing to say. Not only did she say some nice things, but she had also threatened and bribed him. Who knew that he would not be moved at all and would insist that the city Lord uphold justice.

“What did the lady say?” Yan kun asked anxiously.

“She asked you to seek justice. The Yan family must give her an explanation. Otherwise, you will bear the consequences.” The city Lord’s wife said with an ashen face. She had always been a woman of her word in Northern Yan city, but now, a little girl was not giving her any face. How could she not be angry from embarrassment? however, due to the other party’s status, she had been holding back.

“Father, it seems like you have to make a trip down personally.” After hearing the city Lord’s wife’s words, yan tao spoke.

“Fine, I’ll go and meet this girl!” With that, Yan kun strode into the guest room.

When he first saw Wu, the first thing he felt was beauty! She was too beautiful. No wonder his incompetent eldest son wanted to snatch her back to his residence. However, this was a thorny beauty. How could she be so easy to snatch? if it was not resolved properly, he was afraid that all his years of business would be destroyed in one day. This was something that he absolutely could not tolerate.

“I am the city Lord of Yanbei city. May I know your name, young lady?” Yan kun said in a friendly manner.

“How can my family’s young lady’s name be casually revealed to others!” Wu did not say anything and just sat quietly on the chair. Lu Tao replied on his behalf.

“Uh! I’ve been presumptuous. ” Yan kun looked a little embarrassed.

“City Lord, my family’s young miss isn’t that easy to snatch! I’m afraid you can’t afford the price of snatching our young miss. ” Lu Tao did not waste any words and went straight to the point.

“Miss, please state your conditions. As long as it’s within my power, I will not let you down.” Yan kun said in a fawning manner.

“Oh, really? Since that’s the case, then hand over the pervert who stole my family’s young miss! As for the other conditions, we’ll let you know when we’ve thought of them. ” Lu Tao said after some thought.

“Master, you can’t hand the chess pieces over to them!” Upon hearing Lu Tao’s words, the city Lord’s wife quickly said. She was very afraid that Yan kun would hand over his son in order not to offend Leng Xiaoyu.

“It seems that the city Lord is not very sincere! Since that’s the case, there’s no need for us to continue our discussion. ” Lu Tao said with a hint of ridicule.

“You better shut up. How dare you threaten the city Lord? I think you must be tired of living. Let me tell you the truth. Except for the few of us, no one knows that you are being imprisoned in the city Lord’s mansion. If we kill you, no one will know. So, you’d better be tactful. Don’t blame me for being merciless if you annoy me.” The city Lord’s wife couldn’t help but threaten again. Her words made Yan kun’s face turn extremely ugly.

This d * MN, stupid woman! At this time, Yan kun really wanted to strangle her. However, as the saying goes, dirty laundry should not be spread in public, so he didn’t think it was a good time to deal with his first wife. However, he also couldn’t let his blind wife offend the two women in front of him.

However, before he could open his mouth, green peach spoke first, "Is the city Lord's wife threatening us? If we were to lose even a single strand of hair, I'm afraid that the entire Yan Bei city would be buried with us. That's right, I forgot to tell you that the other young lady in my family is the goddaughter of the current ning clan head in the divine realm. "

Hearing Lu Tao's words, Yan kun's heart, which was already in a state of panic, thumped even harder! All of a sudden, he sank to the bottom of the valley. At this time, he also had the heart to die. Wasn't it enough to offend Leng Xiaoyu? now, the master of the ning family was involved as well. Did he want to die? The ning clan was a great crocodile of the divine realm. How could a small clan like them afford to provoke them!

When the city Lord's wife heard Lu Tao's words, she was obviously stunned. Then, she laughed wildly and said, "Hahaha! Little girl, you're quite good at guessing. If you're the goddaughter of the master of the ning family, then I'm the goddaughter of the Divine Master!"

Obviously, the city Lord's wife didn't believe Lu Tao's words, but Lu Tao didn't mind. At least, she had achieved her deterrent effect, which was enough. She didn't expect the other party to believe her.

"You shut up!" Yan kun shouted after hearing his wife's words.

"Old master, these two are clearly liars. They actually used the master of the ning family to scare us. We can't let these two people live." The mayor's wife said to Yan kun with a murderous look.

"City Lord, you have to choose carefully!" Lu Tao also reminded with a faint smile, not a trace of anger on her beautiful face.

"I'm sorry, my wife's mental state is a little abnormal. I think her illness has acted up, I hope you two don't mind too much. " Yan kun quickly said after hearing green Peach's words.

"Master ..." The city Lord's wife was about to get angry, but she was knocked unconscious by Yan kun who suddenly attacked.

Looking at the city Lord's wife who was lying on the ground, Wu smiled and asked in confusion, "City Lord, what do you mean by this?"

"The words just now were all nonsense when Furen's illness acted up. I hope that the two of you do not mind too much." Yan kun said as he wiped the cold sweat off his forehead.

"Don't mind ... That's impossible. " He paused for a moment before speaking.

"Then how can young lady's anger be appeased?" Yan kun asked helplessly.

"Didn't my maidservant say that she wants you to hand over the person who snatched me? Of course, if the city Lord is unwilling, I will not force you. " Wu said calmly.

"Alright, I will hand that useless son over to the young lady to deal with." "Yes!" Yan kun agreed without hesitation.

“City Lord is a straightforward person, I am very satisfied. However, just this is not enough.” Wu You chuckled.

“What other conditions does miss have?” Yan kun couldn’t help but ask.

“The city Lord’s son snatched me away and caused serious damage to my body and mind. You should at least give me some compensation!” Wu said as a matter of course.

“Don’t worry, miss. I won’t let you down. ” Yan kun quickly promised.

“City Lord, I haven’t finished my words, don’t be too anxious.” “I understand the city Lord’s difficulties. I wonder if you have any thoughts of changing the current situation?” Wu said with a faint smile.

Wu’s words were very subtle, but he believed that Yan kun, who had been the city Lord for many years, would understand. Moreover, he did not want Yan kun to think that he was a person who would take things by force.

Although they were interested in Yanbei city, it was only for the sake of better management of the territory that they had chosen. After all, for them, if the only way to the nightmare forest was in their hands, then their safety factor would greatly increase. The reason why Lu Tao had revealed that they were related to the ning family was also to let the city Lord understand how big his power was. If he had chosen this place, he could still get it by force.

Sure enough, after hearing Wu’s words, Yan kun’s expression changed drastically, but he still remained calm and said, “I naturally want to change the current situation. However, Yanbei city is, after all, left behind by our ancestors. Therefore, I can’t be an unfilial descendant. Please allow me to consider it!”

Yan kun’s words were neither accepted nor completely rejected. They had made preliminary contact and had fully revealed their intentions to Yan kun. Now it was up to Yan kun to make his own choice.

After the initial contact between the two sides, Yan kun personally sent Wuhe green peach back to the hotel. Of course, his incompetent eldest son was also involved. However, he did not feel distressed. After all, in his opinion, it was a good deal to sacrifice his eldest son to keep the whole family safe.

After returning to the city Lord’s mansion, Yan kun locked himself in the study.

“Father, what happened?” Yan tao gently knocked on the door twice, then pushed it open and walked in, asking with concern.

“Tao’ er, the Yan clan is in big trouble this time. ” Yan kun said with a headache. Then, he told yan tao about the other party’s plan.

“Father, if the other party is really as powerful as you say, they could have killed us all and then occupied this Northern Yan city. However, they did not do so, which means that they are not bloodthirsty people. After all, the lives of the Yan family are the most important. ” Yan tao thought for a while and advised.

Chapter 1185: The storm at the Yan family (1)

“Tao’ er, how can I face my ancestors like this? Besides, I’ve kept the position of city Lord for you.” Yan kun said with a sigh.

“Father, our Yan family is not even worth mentioning in the divinity. If we really anger the other party, won’t the Yan family be the one to suffer? Moreover, it’s not the same if we give up the city of our own accord as if they’ve taken it away. After all, the divine world is ruled by the strong. If we don’t have the ability to defend our own territory, in the eyes of others, we’ll only be regarded as incompetent.”

“And my eldest uncle has always been eyeing Northern Salt City covetously. I admit that I am not cut out to be the city Lord. Rather than letting Northern Salt City fall into my eldest uncle’s hands, I would rather give it to an outsider.” Yan tao was very honest. In fact, he did think so in his heart. He did not want to be trapped in this city. He loved refining weapons the most, and once he became the Lord of a city, he would not be able to focus on being a Weapon Master. Moreover, he knew his uncle’s character. His uncle had planned for many years, how could he let the meat by his mouth benefit a bastard son like him?

“You don’t regret it?” Yan kun watched his 2nd son very seriously as he asked.

“Father, you should know that this is not my goal.” Yan tao said seriously.

“Alright then! Then we’ll do as you say, Al! If her Excellency Leng Xiaoyu is willing to accept you as a disciple, father will be even more at ease.” Yan kun said after thinking for a while.

“Dad, I’m already very satisfied that lady Xiao Yu is willing to give me pointers. Why would I be so greedy?” Yan tao said with a smile.

“Hehe, I was too greedy. Tao’ er, it’s rare that you can see it clearly, but you must grasp this opportunity! Remember to come to the inn more often when you’re free.” Yan kun reminded.

“Okay, I’ll go find her Excellency Xiao Yu tomorrow morning.” Yan tao said impatiently.

In the room of the inn.

Leng ruoxue looked at Wu, who was sitting opposite her, and teased, “Wu, no one took advantage of you, right?”

“Bad girl, do you really want me to be taken advantage of?” They all asked.

“Why would I?” Leng ruoxue laughed evilly before asking, “How do you plan to deal with the city Lord’s son?”

“I want him to suffer a fate worse than death!” Wu said through gritted teeth.

“Uh! Can I plead on his behalf?” Leng ruoxue chuckled.

Please reading on Myb oxn o ve l. com

“Of course not.” Wu glared at Leng ruoxue and said fiercely.

“Alright then! However, I still have use for that fellow. Don’t play him to death.” Leng ruoxue reminded.

“Yes, I know what I’m doing,” Wu nodded and left the room.

Not long after, Leng ruoxue and the rest heard a series of howls coming from the room next door. The howls were so miserable that it made their hair stand on end. The howls had also attracted the attention of the inn's manager, waiters, and even the guests who were staying in the inn.

Leng ruoxue and the rest heard the noise outside and walked out of the room. When the shopkeeper saw them, he immediately came forward to welcome them and said with some difficulty, "Miss, I wonder what happened in that room?"

"It's nothing. One of my subordinates' old illness acted up again. I'm really sorry to have disturbed the other people in the shop." Leng ruoxue looked at the people in front of her and said guiltily.

"Uh! May I know what illness young lady's subordinate is suffering from?" The shopkeeper asked with an awkward expression.

"He's crazy. He's always delirious and likes to talk nonsense. He even likes to bite people when he's crazy." Leng ruoxue explained with a smile.

"Argh! Miss, he won't run out of the room and scare the other guests, right?" When the innkeeper heard this, he couldn't help but feel a little scared. To be honest, he really wanted to ask this beautiful lady in front of him if she could ask that person to move to another place to stay. However, he didn't dare and didn't want to offend these people who didn't seem to be easy to deal with.

"Shopkeeper, don't be afraid. He won't run out of the room. It's just that when his illness acts up, his voice will be a little loud. However, it doesn't happen often. You can let the guests in the shop bear with it. Or, you can ask them to stay in another Inn." Feng Da put his arm around the manager's shoulder and suggested.

"I'll tell them." The innkeeper said with a long face. Wu...How could he let a guest stay in another Inn? wouldn't that be sending money to others? How could he be so foolish?

"Hehe! Long live understanding!" Feng Da chuckled. Then, Leng ruoxue and the rest closed the door and ignored the matter.

The next day, when Yan tao came to the door, he heard the miserable scream. The voice was familiar, but he ignored it. Instead, he went to Leng Xiaoyu and asked her for advice.

That afternoon, Yan kun came to visit Leng ruoxue and the others.

Sitting on a chair in the living room, Yan kun felt a little nervous when he was faced with the probing gazes of the crowd. The young woman sitting opposite him was especially nervous. He was so nervous that he broke out in a cold sweat. Needless to say, that woman was Leng ruoxue! This was his first time meeting Leng ruoxue.

Damn it, what was going on? although he didn't dare to say that he was knowledgeable, there was no need for him to be so nervous and uneasy about a little girl! This was really too strange.

"May I know why city Lord Yan has come to visit?" Leng ruoxue asked knowingly.

"Uh! A few days ago, that unfilial son of mine committed a mistake. As his father, I am willing to compensate him. Therefore, I am willing to give Yanbei city to all of you." Yan kun carefully thought of his words and then said.

“City Lord Yan, I really don’t care about such a small city. In fact, I’m interested in the nightmare forest and want to make it my territory. However, the cities around it are the main roads into the forest, so I have to control them.” Leng ruoxue spoke the truth. Since Yan kun had already made his choice, there was no need for her to hide her purpose. After all, she intended to take Yan kun in for her own use.

After hearing Leng ruoxue’s words, Yan kun’s eyes flickered. He did not reply immediately, but seemed to be deep in thought.

“Miss Leng, are you planning to take over the cities around the forest for your own use?” Yan kun asked after a while.

“Yes, I am.” Leng ruoxue nodded.

“Miss Leng, the nightmare forest is not a suitable place to be a territory. Otherwise, it would have been occupied by others long ago.” Yan kun couldn’t help but remind her and secretly thought, “this young lady has a big appetite!” He actually wanted to make that forest his territory. In fact, in the past millions of years, it was not that no one had ever tried to take that forest, but they had never succeeded.

Chapter 1186: The storm at the Yan family (2)

?

“Why not? because it’s dangerous?” Leng ruoxue asked with a smile.

“On one hand, it’s dangerous. On the other hand, many forces go there every year to train and explore. If miss Leng takes it as her private territory, I’m afraid it will cause opposition from all the major forces. At that time ...” Yan kun didn’t finish his words, but he believed that the young woman in front of him would understand.

“I am not a person who is afraid of trouble. Since I have decided to make that place my territory, I will not change my mind. City Lord Yan, I will now give you two choices. One is to leave Yan Bei city, and the other is to continue to manage the city for me. I will give you three days. Make your choice!” Leng ruoxue said directly.

“Of course, if you’re willing, I can also hand over Yannan city to you.” Leng ruoxue added.

Yan kun was shocked, but he did not say anything. He chose to leave and said that he would give Leng ruoxue an answer within three days.

After seeing Yan kun off, Feng Da looked at his lady with confusion and said, “Young lady, why are you treating Yan kun so differently? It’s not like we can’t find someone to manage this small city.”

“I told you to mind your own business, what are you doing?” Leng ruoxue rolled her eyes at Feng Da.

“Uh! I don’t care!” Feng Da waved his hand repeatedly, afraid that his young lady would give him this task. If that happened, he wouldn’t be able to follow the young lady. That would really be a loss that outweighed the gain!

“The Yan family has been living in Yan Bei and Yan Nan city for at least several thousand years. They have their roots here, so of course Yan kun would not be willing to leave. However, for the sake of the Yan family, he easily compensated us with Yan Bei city. If he continued to stay in Yan Bei city, wouldn’t

he become the uncrowned city Lord? how could I keep him here? the only chance for him to stay here is to continue to manage Yan Bei city for me. In the eyes of outsiders, Yan Bei city still belongs to the Yan family. We just need to be the Masters behind the scenes.” Leng ruoxue explained. Her ambition was not in Northern Yan city, so she would not spend too much effort on such a small city. However, she had to let Yan kun know that she was the true owner of Northern Yan city.

“Will Yan kun agree?” Feng Da asked curiously.

“He has no reason not to agree. He has deep feelings for Yanbei city, and he has put too much effort into this city. How could he not agree?” Leng ruoxue was sure that Yan kun would agree to this. Therefore, she stopped paying attention to the city Lord’s mansion.

At this time, Yan kun had also returned to the city Lord’s mansion and was sitting in his study. His mind was in turmoil. He had not expected that he could continue to be the city Lord. He could even take over Yan Nan city. Was this possible?

Yannan city was the main city of the Yan clan. Moreover, his elder brother would not hand over the control of the city so easily. If that was the case, wouldn’t the Yan clan in Yannan city be in trouble? One must know, looking at that miss Leng’s appearance, it was obvious that she was determined to get the few cities around the forest. Sigh! How could this be good! When he thought of this, he quickly summoned his confidant, gave him some instructions, and sent him to do something.

In the bracelet.

Leng ruoxue leaned into the evildoer’s embrace, enjoying the rare peace and quiet.

“Xue ‘er, it’s been two days, but Yan kun still hasn’t given us an answer.” The demon chuckled.

“It doesn’t matter. He’ll agree sooner or later anyway.” Leng ruoxue said disapprovingly. Everyone knew about the hidden heart, and Yan kun was no exception. In fact, Yan kun had sent his confidant out of the city, and her senior brother had found out about it and informed her. She had not wanted to pay attention to the Yan family’s situation, so she had to arrange for Qing Jue to observe the movements in the city Lord’s mansion.

“Sister.” Qing Jue appeared in front of Leng ruoxue and the demon.

“Qing Jue, what’s the matter?” Leng ruoxue lifted her beautiful eyes and asked with a smile.

“Sister, some people from Yannan city have come to the city Lord’s mansion. Yan kun is in trouble.” Qing Jue reported.

“Oh! Let me know when Yan kun’s life is in danger.” Leng ruoxue nodded.

“Uh! Did sister know that Yan kun’s life would be in danger?” Qing Jue’s face was filled with surprise.

“He cared about the Brotherhood, but unfortunately, the other party never treated him as a brother. So, he expressed the wrong feelings. This time, let’s just treat it as a lesson for him!” Leng ruoxue said with a smile. She was well aware of Yan kun’s intention. He wanted to persuade her brother to hand over Yannan city so as not to bring disaster to his clan. However, if he heard this, not only would he not thank

him, but it would also arouse his anger. However, since she had chosen Yan kun, she would not watch him be killed.

At the same time, the city Lord's mansion acted just as Leng ruoxue had expected.

Yan kun looked at his elder brother, his heart filled with disappointment.

Although his brother's character wasn't great, he didn't expect the other party to not care about the big picture at all. He was sending his clansmen to their deaths!

"Yan kun, how dare you collude with outsiders to betray the Yan family." The head of the Yan family roared with a righteous look.

This patriarch of the Yan family was about fifty years old. Although he looked upright, his slightly gloomy eyes revealed his true nature. He was a narrow-minded and jealous villain.

"Family head, not only did Yan kun betray the Yan family, but he also handed Qi'er over to the other party for a bastard. You have to seek justice for Qi'er!" Suddenly, a sobbing middle-aged woman ran up to patriarch Yan and began to complain.

"Yan kun, what do you have to say?" The patriarch of the Yan clan asked.

"I have nothing to say. Since big brother has made up his mind, I won't say anything more. I, Yan kun, have a clear conscience to the family." Yan kun said indifferently. He had already done what he needed to do. Therefore, he could no longer decide what would happen to the Yan family.

"Men, take Yan kun down and punish him according to the Family Law." The patriarch of the Yan family shouted after hearing Yan kun's words.

"I'll see who dares to move! Uncle, if you dare to touch a single hair on my father's head, I will make this woman die a terrible death!" Suddenly, yan Tao's voice rang in everyone's ears. The city Lord's wife, who had been crying and complaining, was now in his hand, and the bright knife was now held against the city Lord's wife's neck.

Chapter 1187: The Yan family's storm (3)

?

"Master, save me!" The city Lord's wife cried out in shock.

"Are you threatening me?" The Yan family head narrowed his eyes, his heart filled with anger. He had always thought that this kid was easy to manipulate. He didn't expect that he would reach out his claws today. In that case, don't blame him for being merciless.

The people of the Yan family who had come with the head of the Yan family were speechless when they saw that yan tao had actually grabbed their own stepmother to threaten the head. Had this yan tao gone crazy? he had actually grabbed their father's wife to threaten the head of the family. What was this? At this moment, they all subconsciously thought that yan tao had been scared silly.

"How would I dare to threaten Big Uncle? Big Uncle can't be like the others and think that I'm scared silly, right?" Seeing the reaction of the Yan family, he could guess what they were thinking. He was not

interested in this city, but he did not want it to fall into his uncle's hands. Therefore, he would rather give it to an outsider. Unfortunately, his father was too stupid. He cared about the safety of his family, but he was killed by his family. This was something he would never allow.

"What do you want?" The patriarch of the Yan clan asked with some anger. He hated yan tao so much that he was grinding his teeth.

"All of you, leave Northern Yan city immediately. This place no longer belongs to the Yan family. If miss Leng and the others find out about this, don't even think about returning to Southern Yan city alive," Yan tao warned. Unfortunately, his words didn't scare the Yan family. On the contrary, they were united against a common enemy.

"What young lady Leng? why would our Yan family be afraid of him?" Someone from the Yan family said. His words resonated with the others.

"Not afraid? You will regret this." Yan tao laughed coldly. He had been in contact with Leng ruoxue and the others for a few days and was very clear about how terrifying the identities of those people were. Unfortunately, his words carried little weight and no one took his words seriously.

"Tao' er, quickly leave this place." Seeing that yan tao had kidnapped his wife, Yan kun quickly said. It didn't matter if he died, but he only had one son and he couldn't die Here. Now it was obvious that the father and son were at a disadvantage. All the guards in the mansion had been subdued by his so-called elder brother.

"Father, if we're going to die, we'll die together. I won't leave here." Yan tao said stubbornly.

"Tao' er!" Yan kun was both angry and anxious. He knew that his son was very stubborn, but he did not expect Tao' er's temper to come up at this critical moment.

"Since you want to die together, I'll fulfill your wish." Hearing yan Tao's words, the patriarch of the Yan family said coldly.

"Master, save me!" At this time, the city Lord's wife shouted again.

"Sister-in-law, it's not that I don't want to save you, nor do I want to kill you. If you want to blame someone, blame your own husband and this little bastard!" The patriarch of the Yan clan said emotionlessly.

"You're the bastard! And a bastard who doesn't even let his own sister-in-law off!" Yan tao said with a look of disdain.

"What nonsense are you spouting?" The head of the Yan family was shocked to hear yan Tao's words. He had always kept his dignity and had a high prestige in the family. Naturally, he did not want any scandals about himself to spread out. Then, he turned his eyes to Yan kun. Seeing Yan kun's calm face, he could not help but wonder how much Yan kun knew.

"Uncle, am I talking nonsense? However, I'm quite impressed that you could disguise yourself for so many years. Aren't you tired?" Yan tao mocked.

“Aunty, it seems like the patriarch is planning to get rid of our family of three. Don’t you have anything to say?” Yan tao looked at the panic-stricken city Lord’s wife and asked.

“Master, I’ve done so many things for you, how can you be so heartless? even if you don’t care about me, you have to save your son!” The city Lord’s wife said sadly, as if she had aged ten years in an instant. She had thought that the man she had been thinking about was here to save their son! Who knew that they were actually here to seize the city? they had waited for so many years, could it be that they were still in a hurry?

“What are you talking about? Shut up!” The patriarch of the Yan clan roared in anger.

“Hehe, Big Uncle is really heartless! It seems that in your heart, your woman and son are not important. This Northern Yan city is the most important. It’s a pity that we have already given it away.” Yan tao chuckled.

“Damn it, what are you guys doing? Quickly execute these three traitors on the spot.” The patriarch of the Yan family was furious. After he finished speaking, he released his divine power and attacked yan tao and the governor’s wife.

In an instant, several rays of colorful divine power were released from different directions at the same time, and their targets were all yan tao and the city Lord’s wife.

“Tao’ er, be careful!” After Yan kun blocked the divine skill that was aimed at him, he saw several divine powers flying toward his son. He immediately shouted nervously.

However, his warning was still too late. Yan Tao’s hand was holding the city Lord’s wife, so his reaction was much slower than usual. Those divine skills were extremely fast, and in the blink of an eye, they arrived in front of yan tao and hit him and the city Lord’s wife ...

“Tao’ er!” Seeing yan tao fall to the ground, Yan kun’s heart ached. The hatred in his heart was ignited in an instant. He had endured for many years so that Tao’ er could grow up safely. However, he did not expect that today, he would still watch his only son die. At this moment, his heart was full of regret. Why did he have to send the message to the other party on account of the relationship between his clan? Originally, he wanted to avoid the casualties of his clansmen, but he didn’t expect that these so-called clansmen would turn around and deal with him. He gave up! Tao’ er was right, they were not worth it!

“I’ll send you and your father to hell to reunite!” The Yan family head said coldly. Then, he waved the knife in his hand and slashed at Yan kun ...

Suddenly, a bolt of lightning struck the saber in his hand. Then, an angry roar rang in everyone’s ears, “You killed my mother, I’m going to kill you!”

Suddenly, everyone saw Yan Qi holding a sword in his hand and stabbing straight at the head of the Yan family. However, Yan Qi had been ignorant and incompetent since he was a child. Naturally, he was no match for the head of the Yan family. In just one round, Yan Qi was knocked to the ground, then spat out blood and passed out.

“It’s said that even a vicious Tiger would not eat its Cubs. It seems that the head of the Yan family is even worse than a wild beast!” A faint mocking voice rang out. At this moment, the crowd finally noticed that there were still people beside Yan Qi. It was a pity that their attention was all on Yan Qi,

hence they did not notice the presence of these people. In fact, this was also because Leng ruoxue and the others had deliberately reduced their presence!

“Who are you people? This is the Yan clan’s family matter, so it’s best if you don’t meddle in other people’s business. Offending our Yan clan in this Northern Yan city will not do you any good.” The head of the Yan family looked at Leng ruoxue and the rest warily and warned them.

“Yan family head, are you planning to kill us?” Leng ruoxue understood. She really didn’t understand what was there to fight over between two small cities. They were actually trying to kill each other, even though they were not born from the same mother.

After observing in the dark for a while and using her mind-reading technique, Leng ruoxue was able to sort out The Grudge between the two brothers.

It was nothing more than the former head of the Yan family giving Yanbei city to the illegitimate son, which had caused the dissatisfaction of the first wife’s son. Therefore, the first wife’s son, who was the current head of the Yan family, had tried his best to take back Yanbei city. However, he had not expected that his plan of many years would be ruined by her. Yan kun had even advised his brother to be sensible and hand over the control of Yannan city to avoid bringing disaster to the family. This had angered the head of the Yan family.

However, who could say that Yan kun did not do it on purpose? However, he didn’t expect that the head of the Yan family would be even angrier than he had imagined. At the same time, he had also brought disaster upon himself.

“So what if I kill you? Yan Bei city is our Yan clan’s territory.” The Yan clan head said disapprovingly.

“Miss Leng!” Yan kun wanted to say something but stopped. The hatred on his face was obvious.

“You are the young lady Leng who wanted to take over the Yan clan’s city?” The patriarch of the Yan family narrowed his eyes and said angrily.

“Doesn’t this world respect the strong? There’s nothing wrong with me taking a fancy to your city!” Leng ruoxue said with a faint smile. It was obvious that she wanted to anger him to death!

“You will regret provoking the Yan family.” The Yan clan head said furiously.

“Oh, really? But we’ve already provoked him, what else can we do?” Leng ruoxue shrugged her shoulders and said nonchalantly.

“Everyone of the Yan family, hear my order. Kill all these people who want to take the Yan family’s property.” The head of the Yan family ordered angrily. The Yan family members he had brought with him swarmed forward. Feng Da and the others, who had been waiting impatiently, accepted the challenge.

In an instant, both sides were in a chaotic battle. However, in the blink of an eye, the Yan family was annihilated, leaving the patriarch of the Yan family alone.

Leng ruoxue looked at the Yan family head with a half-smile and asked, “Patriarch Yan, I’m sorry, but you’re all alone now. What do you plan to do?”

While Leng ruoxue was speaking, Feng Da and the rest surrounded the Yan family head.

“You ... Don’t do anything stupid. I’m the patriarch of the Yan family!” The patriarch of the Yan clan said with some fear.

Leng ruoxue didn’t even look at the Yan family head. She immediately released a red divine force and sent it flying towards him. In an instant, the Yan family head spat out a mouthful of blood and half-knelt on the ground.

“Miss Leng, can you hand him over to me?” At this time, Yan kun pleaded, his face full of shame.

“Sure.” Leng ruoxue was very generous. She had no interest in being the Yan family head, so she was naturally happy to do Yan kun a favor.

“Thank you, miss Leng.” Yan kun said gratefully. Then, he picked up the sword on the ground and stabbed it into the body of the Yan family’s patriarch. This was what he had wanted to do for a long time. Unfortunately, he could not bring himself to do it. Now that his only son had died in the hands of his elder brother, he had no more worries.

“Miss, yan tao seems to still be breathing.” Feng Da, who was cleaning up the scene, suddenly said.

“What?” Yan kun, who had just killed his enemy, was disheartened. However, after hearing Feng DA’s words, he immediately ran to yan Tao’s side and checked his breath ...

“He’s indeed angry. Miss Leng, I beg you to save my son. I’m willing to do anything for you and acknowledge you as my master.” Tao’ er’s injuries were too severe and couldn’t be treated with ordinary healing medicine. That was why he had to seek help from Leng ruoxue in this desperate situation.

“Feed him this pill.” Leng ruoxue took out a white pill from her ring and handed it to Yan kun.

Chapter 1188: Linjiang City (1)

“Thank you, miss.” Yan kun took the elixir and was surprised to find that the elixir was flowing with a seven-colored light. He could tell that it was extraordinary at first glance. Therefore, he stuffed the elixir into his son’s mouth without hesitation.

Not long after, yan tao slowly woke up. When he saw Yan kun, who was covered in blood, in front of him, his tears immediately flowed out and he cried out, “Father, why are you also ...”

Yan tao could not finish his sentence.

Yan kun looked at his son and chided him, “Silly boy, why are you crying? we’re not dead yet!”

“Argh! Really?” Yan Tao’s face was full of surprise. He thought he was dead for sure, but now that he knew he was still alive, his mood of ups and downs was really bad!

“Tao’ er, it was miss Leng who saved us. ” Yan kun said with embarrassment. If he didn’t care about the friendship of his clan, this kind of thing wouldn’t have happened in the city Lord’s mansion. At this moment, only the word “regret” could express his feelings.

“Thank you for saving my life, miss Leng.” Yan tao said gratefully.

“Young lady Leng, I’m willing to represent the Yan clan and recognize you as our master.” Yan kun said.

“Can city Lord Yan represent the entire clan?” Leng ruoxue asked with a smile.

“The branch of Yan Nan city has suffered countless casualties. Now that they are a group of Dragons without a leader, it is the best time to subdue them. As the head of the Yan family, after the head’s death, I will naturally be the head of the family. Therefore, I can make the decision.” Yan kun said confidently. In his generation, he and the patriarch had the highest prestige. Now that the patriarch was dead and those who could oppose him had gone with the patriarch, who could stop him?

“If that’s the case, then you and your father will follow Feng Da to conquer the Yan family in Yannan city! Those who submit will prosper, and those who resist will perish. Don’t disappoint me.” Leng ruoxue said indifferently.

“Miss, don’t worry. Yan kun knows what to do.” Yan kun promised.

After a while, the father and son of the Yan family followed Feng Da and the others to Yannan city, while Leng ruoxue and the others returned to the inn.

In the inn.

“Xue ‘er, can we trust this Yan kun father and son?” Leng Qingtian asked worriedly. Yan kun had brought this upon himself, so he didn’t feel any sympathy for him.

“Grandpa, don’t worry! He has already given up on the Yan clan in Yannan city. I have also saved his precious son, so he naturally has to perform well this time.” Leng ruoxue said.

“I hope so. However, if he dares to play any tricks, I will definitely not let him off.” Leng Qingtian huffed.

“Hehe! Grandfather, he doesn’t have the guts. Even if he did, I wouldn’t be afraid.” Leng ruoxue said confidently.

“That’s good.” Leng Qingtian was very assured of his granddaughter.

Three days later, Feng Da and Yan kun had finished dealing with the matters in Southern Yan city and returned to Northern Yan city.

In the living room, Feng Da was reporting to Leng ruoxue about the situation in Yannan city. Yan kun and his son were standing beside him. After Feng Da was done reporting, the father and son knelt down together and swore by their bloodline that they would forever be loyal to Leng ruoxue and would never betray her!

After the contract was over, the Yan family had officially become Leng ruoxue’s subordinates. Since the two cities of Yan Bei and Yan Nan had been United, Yan kun was still the city Lord. However, other than himself and some of master ning’s subordinates, no one knew that Yan kun and the others had already belonged to Leng ruoxue.

Their next plan was to conquer nether wind, Willow, and Linjiang.

“Miss, I’m a good friend of the city Lord of the dark wind city, and I also have business dealings with fuliu city. Why don’t you let this subordinate try out these two cities?” Yan kun quickly said after knowing the next step of the plan.

“Alright, I’ll leave these two cities to you.” Leng ruoxue nodded. She knew that Yan kun was eager to show off, so she was happy to give him a chance.

“Please wait for the good news, miss.” Yan kun turned around and left.

Half a month later.

Yan kun had brought back two people. They were none other than Ming Feng and the city Lord of fuliu city.

The first thing Yan kun did when he returned to Yanbei city was to bring them to the inn to see Leng ruoxue.

In the guest room of the inn.

The two of them sat on the chair with Yan kun. They looked at Leng ruoxue uneasily and were so nervous that they could not speak. Yan kun was also deeply affected by this scene because he was also very nervous when he first met Leng ruoxue.

“Yan kun has told you my conditions, right? Submit to me, and you’ll help me manage dark Wind and Willow trees. You’ll become my subordinates, and I’ll naturally not mistreat you. ” Leng ruoxue was the first to speak.

“Miss Leng, city Lord Yan has already spoken to us. After some discussion, we are willing to acknowledge you as our master. However, our family now has an enemy who is also eyeing dark wind city like a tiger watching its prey. So, I’m afraid that acknowledging you as our master now will only bring trouble to you, miss Leng.” The city Lord of the darknorth wind city, Qi mu, said with a troubled expression. In fact, he really wanted miss Leng to help him eliminate his enemies, but he couldn’t bring himself to say it! Moreover, he was also afraid that this devastatingly beautiful young lady would not be a match for his enemy.

In reality, he still did not know Leng ruoxue’s true strength. Yan kun did not tell him in detail either. He only told him that miss Leng was very powerful and it would not be wrong to acknowledge her as his master. At the same time, he was in a situation where he was trapped inside and outside. There were Tigers and wolves outside, and his clansmen were in a state of panic. Hence, he had no choice but to agree to acknowledge her as his master.

“Eh? What’s going on?” Leng ruoxue asked calmly, her beautiful eyes sizing up Qi mu. This city Lord of dark wind city looked to be in his forties, but he had an honest and honest look on his face. He was an upright person.

“Ah! A few days ago, my clan’s team that went to the nightmare forest for training accidentally discovered a heavenly treasure. I don’t know how, but the news somehow reached the enemy’s ears. The other party wanted to buy it by force, but I naturally refused. Therefore, the two sides were in a stalemate. In recent days, our Qi clan’s clansmen have been injured or killed for no reason, which made me suspicious. After investigation, I found out that it was the enemy’s doing. ” Qi mu said angrily.

“The enemy’s family is very powerful on the godly mainland. My Qi family is just a small family. Of course, we’re not their match.” Qi mu added. He had agreed to the master’s request only because he wanted to seek protection. However, after seeing Leng ruoxue, he was a little hesitant. Could such a delicate young lady protect their Qi family? He did not want to implicate Leng ruoxue because of the Qi family’s disaster.

Chapter 1189: Linjiang City (2)

“Is your enemy from the eight great divine regions?” Leng ruoxue chuckled as she asked.

“No.” After hearing Leng ruoxue’s words, Qi MU’s forehead was full of cold sweat. He thought to himself, “if the other party is from the eight great divine regions, no matter how unwilling I am, I would have to hand over the treasure with both hands. Moreover, the other party’s purpose is not just this.”

“What’s there to be afraid of?” Leng ruoxue replied nonchalantly. In reality, even if the other party was from the eight great divine regions, she was not afraid.

“Uh!” Qi mu was confused. Was he worrying for nothing?

“Qi mu, since you’re willing to recognize me as your master, your enemies are naturally mine as well. I’ll take care of them for you.” Leng ruoxue laughed.

“Thank you, miss. I, Qi mu, would like to represent the Qi family and recognize you as our master.” Qi mu quickly said. Then, he sent a blood contract to show his loyalty. After recognizing her as his master, the big stone in his heart was finally lifted. Since miss said that she would take care of the enemy for him, he had nothing to worry about.

After dealing with Qi mu, Leng ruoxue’s beautiful eyes turned towards the city Lord of fuliu city. She smiled and asked, “City Lord Liu, do you have any difficulties? Why don’t you tell me?”

“This subordinate does not have any difficulties.” City Lord Liu Yong hurriedly said as if he was a subordinate.

The Liu family was in a state of decline, so he wanted to find a backer. It just so happened that Leng ruoxue had sent Yan kun to negotiate with him. He had known Yan kun for many years and they were in a cooperative relationship. Therefore, he naturally trusted Yan kun’s judgment. After discussing with the clan members, he decided to recognize Leng ruoxue as his master.

Following which, Liu Yong also issued a bloodline contract, officially acknowledging Leng ruoxue as his master.

After subduing two more cities, Leng ruoxue’s only target was Linjiang City.

However, Leng ruoxue wasn’t in a hurry to take over Linjiang City. Instead, she planned to strengthen the defenses of the four cities that she had already taken over. Hence, she decided to add a defensive formation to each of the four cities. With the city Lord’s residence as the core of the defensive formation, its defensive capabilities would naturally be multiplied.

After spending close to a month’s time, Leng ruoxue had set up a defensive formation in four cities. The group then headed to the last city around the nightmare forest that had not been conquered, Linjiang City.

Linjiang City was located to the North of the nightmare forest. It was the largest city out of the five, but it was not the most prosperous.

The public security in Linjiang City was very poor. There were all sorts of people in the city. When Leng ruoxue and the others walked on the streets, they would see fights happening from time to time.

Please reading on Myb oxn o ve l. com

“Miss, the governor of Linjiang City is muddleheaded and incompetent. He’s not someone worth subduing.” Yan kun, who had accompanied Leng ruoxue and the others to Linjiang City, said.

“Oh! Let’s wait and see!” Leng ruoxue said calmly. If the governor of Linjiang City was as Yan kun had said, she would naturally choose another Governor.

The crowd immediately found a hotel. However, when they asked for the price, they were all shocked.

“How much do you think a night is worth?” Feng DA’s eyes were wide open as he asked in disbelief.

“One night’s stay will cost one top grade crystal stone.” The inn manager said as he rolled his eyes at Feng Da. He was secretly lamenting in his heart. Looking at the clothes of these people, they were clearly poor, so he naturally did not intend to entertain them well.

“Why is it so expensive? is there anything special about your Inn?” Feng Da looked at the decorations in the inn and found that they were quite ordinary, but the price was shockingly high.

“No, if you want to stay, pay up quickly. If you don’t want to stay, please leave. Don’t delay my business. There are so many people in Linjiang City now, I don’t have to worry about not having enough people to stay in my Inn.” The inn manager said confidently.

“Why are there so many people in Linjiang City?” Leng ruohan could not help but ask. On the street, Yan kun had said that there seemed to be more people in Linjiang City than usual. As for why, he did not know either. Now that the inn manager had said the same thing, he naturally wanted to ask.

“Don’t tell me that you’re not here for the city Lord’s daughter to choose a husband.” The inn manager asked in disbelief.

“We’re not! We just arrived at Linjiang City today.” Leng ruohan said honestly. He could not understand. Linjiang City was not that big. If the governor’s daughter wanted to find a husband, was there a need for so many people to come?

“Then you’ve come to the right place. Our city Lord is looking for a son-in-law for his daughter, so you should quickly go and register! Today is the last day.” The shopkeeper reminded.

“Why do we need to register?” Feng Da didn’t understand.

“Whoever marries the city Lord’s daughter will be the next city Lord of riverbank city. Such a good thing is like a pie falling from the sky. If it wasn’t for the fact that I didn’t meet the requirements, I would have signed up for it long ago.” The shopkeeper said with a face full of regret.

“Uh!” Feng Da was speechless. He was deeply ashamed of the shopkeeper’s thoughts. He couldn’t understand why so many men would covet a mere city Lord’s daughter. Could it be that men nowadays

have fallen to the point where they need to rely on women to achieve success? One had to know that he looked down on men who lived off women the most!

“Do you guys want to stay here or not? Don’t delay my business.” The shopkeeper couldn’t help but ask.

“Of course we’re staying, get us a room!” Leng ruoxue said.

“Alright!” Hearing Leng ruoxue’s words, the shopkeeper immediately beamed with joy. His expression changed so quickly that Feng Da and the others looked down on him.

After entering the room, Leng ruoxue took a look at Feng Da and the rest. She could not help but tease, “Whoever wants to be the son-in-law of Linjiang City can go and register! Today is the last day.”

“Uh! Miss, don’t joke with us. We won’t sign up!” Lin Yuan said with a bitter face. Not to mention that they still didn’t know whether the daughter of Linjiang City was round or flat, even if she was an absolute beauty, they didn’t want to live off a woman!

“Hehe, you guys do as you please! I’m going to rest.” After Leng ruoxue finished speaking, she pulled the evildoer into the room.

Feng Da and the others had nothing to do, so they took Yan kun as a guide and went for a walk on the street.

They didn’t return from the streets until evening.

When they saw Leng ruoxue, Feng Da and the rest could not wait to tell her what they had seen and heard on the street.

“Young miss, we went to the city Lord’s mansion today ...” Before Feng Da could finish his sentence, he was interrupted by Leng ruoxue.

“Are you going to register?” Leng ruoxue asked with an evil smile.

“Uh! Of course not, we’re just going to watch the show. The people who are registering in front of the city Lord’s mansion are lined up for almost two streets. I really couldn’t tell that the daughter of the governor of Linjiang City is so attractive.” Feng Da said, speechless.

“Those people aren’t after the city governor’s daughter, so they don’t care what she looks like.” Leng ruoxue said.

“My lady, the governor of Linjiang City is named Jiang Fan. He is a greedy and lecherous man. Although he has many wives and concubines, he only has one daughter. However, I really don’t understand. With the long lifespans of cultivators, why is he in such a hurry to find a husband for his only daughter?” Yan kun asked with a puzzled look.

“You don’t have to understand. This has nothing to do with us. Our target is Linjiang City. Therefore, we just have to find a way to make Linjiang City our own.” Leng ruoxue said disapprovingly.

“Miss, why don’t we just snatch it?” Lin Yuan suggested.

“Then aren’t we bandits?” Leng ruoxue retorted.

“Uh!” Lin Yuan was speechless. Could it be that miss is still counting on the city Lord of Linjiang City to hand over Linjiang City?

“Hehe, there’s no rush. Let’s observe for a few more days.” Leng ruoxue was very calm. Then, she ordered Yan kun, “Yan kun, go to the city Lord’s mansion tomorrow and see that Jiang Fan. Find out what his purpose is!”

“Yes.” Yan kun replied.

The next day.

Yan kun brought Feng Da to the city Lord’s mansion.

With his status as the city Lord of Yanbei city, the Jiang family’s steward invited him into the city Lord’s mansion with great respect. After sitting in the living room for a while, Jiang Fan appeared.

“Hehe! City Lord Yan has come to visit. Please forgive me for not welcoming you!” Jiang Fan said very politely.

Jiang Fan looked to be around 50 years old. He was slightly chubby, had ordinary facial features, and his steps were a little weak. It was obvious that he was addicted to beauty all year round.

“City Lord Jiang is too polite. Actually, I was just passing by, so I came to see you.” Yan kun said. In fact, he and Jiang Fan were only acquaintances who nodded at each other. It was a bit farfetched to say so.

“Oh.” Jiang Fan nodded and didn’t think much about it.

“City Lord Jiang, after I entered the city, I heard that you were going to choose a husband for your daughter? You even promised to give the city Lord’s position as a betrothal gift?” Yan kun asked out of curiosity.

“Yup! I should also find her a husband, and I can’t sit on this city Lord’s position forever, I have to find a successor.” Jiang Fan said matter-of-factly, and his words were also reasonable, so no one could find any fault with them.

“Why didn’t city Lord Jiang pass the position of city Lord to his daughter? Wouldn’t this mean that the Jiang family still owns the city?” Yan kun suggested. At the same time, he was testing the waters.

.

“Even if it’s passed down to my son-in-law, Linjiang City will still be the Jiang family ‘S. I won’t let Linjiang City fall into the hands of outsiders.” Jiang Fan said confidently.

“City Lord Jiang, don’t blame me for being meddlesome. I always feel that even if a man married into the family, he might not be of the same heart as miss Jiang. So, passing the city Lord’s position to his son-in-

law is really not a safe choice. If that man has other thoughts, city Lord Jiang would be raising an ungrateful Wolf.” Yan kun said worriedly. He didn’t forget to observe Jiang fan’s reaction as he spoke.

When he saw Jiang Fan only frowning slightly, the doubt in his heart deepened.

“Hehe! I’ve also thought about city Lord Yan’s considerations, but my daughter is not cut out to be a city Lord. I have no choice!” Jiang Fan said with a depressed look.

“Then city Lord Jiang should open your eyes wide and choose carefully.” Yan kun reminded.

“City Lord Yan, don’t worry. I still have good judgment.” Jiang Fan nodded seriously.

After a while, Yan kun and Feng Da left.

On the way back to the inn, Yan kun looked at Feng Da and couldn’t help but ask, “What do you think?”

“Isn’t the official Selection of son-in-law three days later? We’ll know when we go and take a look.” Feng Da said with a smile. He didn’t care who the son-in-law of the Jiang family was, but he didn’t mind watching the show.

Three days passed by quickly.

On the day of the selection, Leng ruoxue and the rest arrived early.

As the selection of the son-in-law was open to the public, Jiang Fan had specially ordered people to build a stage in the most lively city center. He had even posted a thread to the famous people of Linjiang City, inviting them to be judges. As the city Lord of Yanbei city, Yan kun was naturally among the invited.

As a judge, Yan kun naturally had to sit in the judge’s seat. As Yan kun’s companions, Leng ruoxue and the others also got better seats.

It was said that there were thousands of men who had signed up this time. After an initial screening by the city Lord’s office, only the most outstanding 200 were left, and the son-in-law of the Linjiang City Lord would be chosen from these 200.

The selection was divided into three days. The first day’s process was mainly self-introduction and the display of their best talents. Finally, the judges would decide the 100 men who could participate in the second day’s selection.

After the two hundred men had finished their self-introductions, green peach asked quietly, “Miss, who will win?”

“I don’t know,” Leng ruoxue said uninterestedly. She didn’t think that Jiang Fan would use the process of a beauty pageant to choose a husband for his daughter. It seemed like he placed a lot of importance on the selection of a husband.

“Hehe! I’m quite optimistic about that number three.” Lu Tao said with a smile.

“Because I’m handsome?” Leng ruoxue understood. Number three had a handsome face, and it was indeed very easy for women to be attracted to his appearance at first glance. However, he was a restless man, so Leng ruoxue did not have a good impression of number three.

“Yup! It’s only pleasing to the eye when you’re handsome!” Lu Tao said, unafraid of death.

“What’s the use of being handsome? he’s just a pretty boy.” When Feng Da heard Lu Tao’s words, he said with jealousy burning in his heart. He knew that Lu Tao was deliberately angering him because he was very curious about the appearance of the city Lord’s daughter.

“How is it useless? it’s good to see it.” Lu Tao said in an unpleasant tone.

“Green peach ...” Feng Da looked at green peach pitifully. His expression was as aggrieved as he could be.
