Chapter 1251: The truth about the secret realm (2)

In the eyes of the ning family, the huge snow fox here was dangerous. The ning family members who were not as strong as it felt a faint pressure being released from the snow Fox's body, which gave them a sense of oppression.

When the snow fox walked to Leng ruoxue's side, she could not help but stretch out her fair and tender little hand to caress its snow-white fur, which was as soft as silk. It felt really good! However, before she had the time to sigh at this beautiful touch, she was Thunderstruck by the snow Fox's bold and confident words.

"Only my woman can touch me." The huge snow fox looked at the soft little hands that were touching its body and said with a calm and serious expression.

"Uh!" When Leng ruoxue heard these words, she instantly felt as if she was struck by lightning. Her hand was fixed on the snow Fox's body, and she did not dare to move at all. Furthermore, as she was so shocked, she even forgot to retract her hand from the snow Fox's body.

"It just so happens that I don't have a woman that I'm interested in. Since you like me, then I'll devote my body to you." The snow fox continued, but in its heart, it could not help but laugh. It was quite interesting to tease this woman.

"No need! No need!" Cold sweat broke out on Leng ruoxue's forehead. It was only then that she suddenly remembered that her hand was still on the snow Fox's body. She was so frightened that she quickly retracted her hand and carefully looked at the demon. Seeing that his expression was normal and did not show any signs of displeasure, her heart finally calmed down a little. Sob ... It was simply too dangerous. Stinky Fox, how dare you play with her!

Leng ruoxue, who had regained her senses, naturally knew that the snow fox was just teasing her. However, the evildoer was a jealous person, and there was no reason for him to be jealous. Hence, even though she saw that the evildoer's expression did not change, she had no choice but to carefully move closer to him. She looked at him with a fawning expression and said, "Let's eat!"

"Alright," he said. The demon smiled and looked at the snow fox not far away with a profound meaning. His dark Starry Eyes contained a hint of warning, but no one noticed it.

After finishing her dinner with her heart in her mouth, Leng ruoxue pulled the demon back to her room early in the morning. However, before she returned to her room, she took out the charm, baby, and Chi from her bracelet so that the snow fox would not feel lonely.

In the garden, the huge snow fox looked at the three small and cute foxes in front of it and said with certainty, "You guys aren't from the divine realm, are you?"

"How did you know?" The Mei asked calmly. Although they were both snow foxes, they were of a different species. This was because the snow fox in front of them was the one that lived in the snow mountains. As for the Mei, although it was also a type of snow fox, it lived in the forest.

“There are no purple eyed snow foxes in the Fox clan of the divine realm. Not only that, but the number of snow foxes is also very small.” The gigantic snow fox explained. In the Fox race, the snow fox race was considered a Royal race. The purple-eyed snow fox was undoubtedly the king among them. However, snow foxes that possessed the purple-eyed bloodline no longer existed. Therefore, the king of the Fox race was now an ordinary snow fox.

“We are indeed not from the divine realm.” Mei chuckled.

.....

“If you were living in the divine realm, you would have been dead long ago. The Fox King will not let you go.” The huge snow fox said in an understanding manner.

“Thank you for your reminder, but I don’t have any plans to return to the Fox race.” The Mei indifferently said.

“You’ve all recognized a master?” The huge snow fox understood.

“Yes, our master is Leng ruoxue.” The Mei explained.

“Does she treat you well?” The gigantic snow fox asked in concern.

“Of course! Our lovely master is the best master in the world. Why don’t you also recognize our master as your master?” Before the Mei could answer, the treasure had already snatched it. Furthermore, the treasure even had the intention to abduct her.

“I don’t have any plans to recognize a human as my master.” The gigantic snow fox said softly. It still had its own mission.

“You’ll regret not recognizing my lovely master as your master. ” Baby’s face was full of regret.

“Oh, really? I really want to know how I’ll regret it. ” The huge snow Fox’s curiosity was piqued.

“I can’t eat anything delicious, and I can’t eat my cute master’s soft tofu!” Baby’s face was full of yearning. At least, these two things were what it liked the most. However, there was a demon guarding its lovely master, so even if it wanted to take advantage of its master, it had to do it without leaving a trace. Otherwise, if it was caught, it would be waiting for the demon’s revenge!

“Uh!” After hearing baby’s words, the huge snow Fox’s forehead was filled with black lines and it secretly sighed. Look at this Purple Fox’s future prospects, it actually treated eating and taking advantage of its master as the most important thing. Can’t it have a bigger goal!

“Tsk! Don’t look down on my dream, it’s very important to us beasties. You don’t know how many beasties my lovely master has to fight for her favor!” At the thought of this, baby was a little depressed again. There were a lot of Beastie who loved their master, so if they were to divide it evenly, they would have very little time!

“I’m not looking down on your dreams. My name is Xue Ying, what about you guys?” The snow fox changed the topic and introduced itself. It helplessly sighed. It could only say that each Fox had their own ambitions.

The charm, baby, and cheese also introduced themselves. Then, the four foxes started to chat.

The next morning.

When Leng ruoxue and the rest walked out of the room, they saw four foxes, one big and three small, snuggling together in the garden, sleeping soundly.

When they heard the noise, Xue Ying was the first to wake up. Following that, Mei, baby and Phoenix woke up as well. When they saw Leng ruoxue, the three of them pounced into her arms and rubbed against her coyly.

When Xue Ying saw that the three of them were getting along so well with their master, he was happy that they had found a good master. After all, after a night of interaction, he had already regarded these three little Foxes as his juniors. Therefore, he naturally hoped that they would live well.

At the thought of this, Xue Ying stood up from the ground and walked to Leng ruoxue. He introduced himself, "I'm Xue Ying. I thank you on behalf of the Fox clan."

Xue Ying's words of gratitude were due to her good treatment of Mei, Bao Bao, and Mo. Leng ruoxue was very clear about this. This was also the main reason why she had removed Mei and the other two little Foxes from her bracelet. After all, they were of the same clan and it would be easier for them to get along with each other. It would also lower the snow Fox's guard against them. From the looks of it now, those three little fellows had performed well.

Chapter 1252: The truth about the secret realm (3)

"They are my Beastie. It's my duty to treat them well. You don't need to thank me." Leng ruoxue said nonchalantly.

"Not every master will treat Beastie well, so I still have to thank you." Xue Ying said stubbornly.

"If you want to thank me, then take me to pick more herbs from the snow Mountain!" Leng ruoxue said after some thought.

"No problem," he said. Xue Ying replied readily. Although he had promised Leng ruoxue that he would bring her to pick herbs yesterday, he had planned to simply bring them to pick herbs before sending them down the mountain. Now that he had the three little Foxes as a bridge, he naturally had to take this seriously. Of course, he was still not clear about Leng ruoxue's true motive. In fact, Leng ruoxue's intentions were not in the wine!

Xue Ying was a man of action. After the group continued on their way, he brought them to the place with the most medicinal herbs in the snow Mountain. Furthermore, at Leng ruoxue's request, he brought them to places where ordinary medicinal herbs grew densely. These were places that QiuQiu could not sense. After all, that little fellow was most interested in natural treasures.

After a few more days of herb-picking, Xue Ying, Leng ruoxue, and the others had become familiar with each other. Furthermore, it was not stingy to talk to them about the situation in the snow Mountain. After all, it had lived in the snow Mountain for many years. Although it did not dare to say that it knew every place in this place like the back of its hand, there was no difference between them.

In the garden, a huge snow-white fox was chatting with everyone. Suddenly, an elder of the ning family asked, "Xue Ying, do you know about the secret realm that suddenly appeared in the snow Mountain?"

As soon as this elder of the ning family said this, everyone in the ning family stared at Xue Ying without blinking, and Xue Ying was silent for a long time.

In fact, the reason why this elder asked this question at this time was also incited by the ning family's first elder. After all, with such a local snake here, if they didn't take the opportunity to ask clearly, wouldn't they regret it?

After a long while, Xue Ying opened his mouth and said indifferently, "It's very dangerous there. Don't even think about it. I've brought you to gather enough herbs these few days. You should leave the mountain early!"

"How dangerous is it?" The ning family elder received the great elder's gaze and continued to ask shamelessly.

"That place is not a so-called secret realm, but an illusionary realm. Those who are trapped in the illusionary realm will lose their nature if their will is not strong enough. They will want to kill each other, so I advise you not to go." Xue Ying explained softly.

"You've been inside?" Leng ruoxue grasped the key point and asked.

.....

"Yes, we Shoushou are the same as you humans. We also need natural treasures to aid our cultivation. So, when we hear about the secret realm, we are naturally interested. Moreover, the secret realm is located in the snow Mountain. It can be said that we are in a favorable position, so how can we not enter?" Xue Ying said with a bitter expression.

"You've been in the snow Mountain for a few days, haven't you noticed that there are pitifully few beasts here? Except for those rabbits, who couldn't enter the secret realm because of their low strength, most of the beasts entered the secret realm. Later, many adventurers came after hearing the news, and now, all the people and beasts are trapped in the so-called secret realm." Snow Shadow continued.

"Then how did you escape?" Hearing Xue Ying's words, the ning family's great elder pondered deeply and asked with a frown. If the mystic realm was really as dangerous as Xue Ying had described, he really didn't know how many people from the ning family would still be alive. Sigh! Thinking of this, he started to worry.

"The talent of our snow fox race can resist some of the power of the illusion. However, I was able to escape because I was seriously injured. You saw it that day." Snow Shadow reminded.

"How did you get injured? Attacked by an illusion, or?" Leng ruoxue asked indifferently.

"Although the attack of the illusory realm is very powerful, it is still manageable for our snow fox race. However, I am unable to deal with the siege of three high level deities at the same time. Moreover, the three people who besieged me did not only have the strength of a high level deity. They should be from

the divine world.” Although it was only a guess, Xue Ying was very sure that his guess was close to the truth. After all, no high-level deity could easily use so much divine power.

“From the divine realm? If that’s the case, miss Leng, I’m afraid this matter is not something we can solve. Why don’t we report this to the main family?” The ning family’s first elder suggested. Right now, he was very glad that he had firmly followed in the footsteps of Leng ruoxue and the others. Otherwise, wouldn’t they also be trapped in that detestable secret realm?

“I’ll inform Godfather!” Leng ruoxue said after some thought. Although she was not afraid of this so-called secret realm with the power she had, she did not want to reveal her full strength too early. Therefore, she could only rely on her Godfather this time.

“Alright!” When the first elder of the ning family heard Leng ruoxue’s words, he was overjoyed. He knew that if he was the one to inform the main family, it would be hard to say whether the main family would truly value him. However, if Leng ruoxue were to contact their old ancestor, the main family would definitely not dare to neglect him.

Following that, Leng ruoxue returned to her room and contacted master ning. She told him everything that had happened, but master ning did not play by the rules. Not only did he not take this so-called Mystic realm seriously, but he even secretly complained that Leng ruoxue had not informed him as soon as she had come out of seclusion. This made Leng ruoxue not know whether to laugh or cry.

After cutting off contact with the master of the ning family, Leng ruoxue went to the garden.

“Miss Leng, what did the old ancestor say?” The ning family’s first elder saw that Leng ruoxue had returned and asked impatiently.

“Godfather said he knows.” Leng ruoxue relayed.

“That’s it? Did the ancestor say when he would send someone?” The ning family’s first elder was a bit disappointed and couldn’t help but ask.

“No, I’ve already told Godfather our location. Let’s wait here for a few days! Don’t worry, Godfather will send someone over.” Leng ruoxue promised.

“That’s the only way.” The first elder of the ning family said helplessly.

“Are you really planning to enter the secret realm?” Xue Ying, who had been silent for a long time, could not help but ask, sigh! Looking at these people, it knew that it couldn’t stop them. However, it really couldn’t watch them die!

“Yes, my family and subordinates might be trapped inside, so I have to go save them.” Leng ruoxue nodded. Even though she knew that her grandfather and the others were still alive, she couldn’t remain calm after knowing that it wasn’t some secret realm. She had to make a trip to the secret realm personally. If she couldn’t confirm whether her grandfather and the others were inside, she wouldn’t be able to calm down. If her grandfather and the others were really inside, she had to save them.

“It’s very dangerous there. Even if your will is strong enough, you may not be able to resist the influence of the illusion. And if you stay there for a long time, no matter how strong your will is, I’m afraid you will collapse.” Xue Ying said with some worry.

“Then all the more I must go.” Leng ruoxue said stubbornly.

“Ah! Alright! Then I’ll go with you!” Xue Ying said helplessly. Even though he wanted to keep his life and do what he had to do, he could not just watch Leng ruoxue and the rest die. Who asked her to be the master of the three little Foxes? It was so conflicted.

“Then I’ll thank you in advance.” Leng ruoxue said with a faint smile. Although she wanted to find out more about the mystic realm from Xue Ying, she had no intention of letting him accompany her and the others to their deaths. Now that he had taken the initiative to ask, she had to accept this favor.

“It’s not too late to thank me if we can come out alive.” Xue Ying said indifferently.

“Little fox, you’re too pessimistic. If you can escape from that so-called secret realm by yourself, why can’t so many of us come out?” The demon laughed, his handsome face filled with mystery.

“I don’t have any burden on me, so I’ll naturally try my best to escape, but ...” Snow Shadow glanced at the ning family from the corner of his eye. He didn’t finish his sentence. In fact, he wanted to say that he was a burden! After all, in its eyes, other than the few elders of the ning family, the rest of the ning family were too weak. As for Leng ruoxue and the others, it did not comment on them!

“Other than us, there are also a few elders of the ning family. No one else is allowed to enter the secret realm.” Leng ruoxue gave the final word.

The ning clan did not dare to have any objections to Leng ruoxue’s decision. In reality, after knowing that this Mystic realm was not the same Mystic realm, no one was willing to enter. However, no one dared to say that they would not enter either. Hence, Leng ruoxue’s decision was exactly what they wanted.

“However, we still have to wait for a few more days.” Leng ruoxue said after seeing the reaction of the ning family.

“Wait for reinforcements?” Xue Ying asked indifferently.

“Yes.” Leng ruoxue nodded.

For the next few days, Leng ruoxue and the rest stayed in the house and bided their time. Furthermore, she did as Xue Ying had instructed and made some preparations.

Three days later.

The master of the ning family personally led a team to the snow Mountain. Along with him were the first elder of the craftsmen’s Guild, Mo Yan, Liu Feng, and Liu Yue. Her senior brother Bing Yao had also come.

When master ning and the rest saw Leng ruoxue, they naturally exchanged pleasantries and got closer to her.

They saw a few extremely handsome men in the garden, pulling Leng ruoxue and asking her all sorts of questions. When the ning family saw this scene, they did not even dare to breathe loudly. Because, none of these people could be provoked.

“Why are you all here? Senior brother, do you know where second senior brother is?” Leng ruoxue looked at the familiar face in front of her and could not help but ask curiously.

“My disciple might be trapped in that secret realm. How could I not come?” Liu Feng was the first to speak.

“Yes, my disciple might be in there too.” Mo Yan said.

“I’m here to help,” Liuyue said with an elegant smile.

“I’m here to help you save people, so your family and subordinates are naturally mine. We can’t distinguish between each other!” The first elder said with a smile.

“The same logic! I haven’t found any clues about my Junior Brother, so I came back to help you save him!” Bing Yao explained.

“Xue ‘er, when are we leaving?” The master of the ning family said impatiently. He really wanted to see what kind of secret realm it was that could actually deceive so many people. Hmph! Those who dared to lie to him had to pay the price.

Chapter 1253: Entering the secret realm (1)

“Now! Godfather, didn’t you inform the other families in the eight divine domains?” Leng ruoxue chuckled as she asked.

“I did, but I can’t decide if they’ll send anyone here. Let’s go, girl!” The master of the ning family urged.

“Yes.” Leng ruoxue nodded. Then, they walked towards the mystic realm together. As for the ning family members who were too weak, Leng ruoxue asked them to stay in the house.

After walking for close to an hour, Leng ruoxue and the rest arrived at the secret realm under the guidance of Xue Ying.

Standing at the entrance of the mystic realm, he looked at the shining teleportation gate. On the right side of the gate were two bright words, Mystic realm! Leng ruoxue was speechless.

This was the first time she had found out that the entrance of the secret realm that had appeared out of thin air had words written on it. Was it because they were afraid that others wouldn’t know where they were? The words ‘secret realm’ were clearly marked on the map. Did no one suspect that something was wrong with this place? Or were people’s curiosity really that strong? If it was her, she would definitely not go in.

“Just because it’s written that it’s a Mystic realm, it’s a Mystic realm?” The master of the ning family looked at the two big words next to the portal of the secret realm, and his forehead was full of black lines. He couldn’t help but say.

“Little fox, was this how you were tricked into going in?” The great elder asked in surprise and exaggeratedly wiped away the cold sweat on his forehead.

“Uh! That’s right, everyone was too excited at the time and no one thought about it that carefully.” Xue Ying was extremely embarrassed. Ever since he found out that this was not the so-called secret realm, he had also discovered many loopholes. However, they had discovered it too late.

“Al! You’re too gullible to have been fooled by just two words!” Liu Feng’s face was filled with disappointment.

“Yup! We’re all too stupid.” It knew that the helpers that Leng ruoxue had found were all very powerful. At the very least, it could not tell their cultivation level. Hence, it had full confidence in this trip to the mystic realm. After all, it also wanted to find out the true purpose of the mystic realm’s appearance.

“Let’s go in!” Leng ruoxue chuckled before taking out a few pills and distributing them to the crowd.

“Xue ‘er, what kind of pill is this? The taste is so special!” The master of the ning family looked at the Emerald pill in his hand, which was emitting the smell of grass, and asked curiously.

.....

“Could this be the spirit Awakening pill?” Liuyue sniffed the elixir and exclaimed in surprise. Although the elixir in his hand was only a low-rank divine elixir, the ingredients to refine the refreshing elixir were extremely difficult to find. As a result, the price of the refreshing elixir was much higher than the average low-rank divine elixir.

“Refreshing pill? Little girl, you took out so many refreshing pills at once, you are really generous! This awakening pill is extremely useful for cultivators of your level. You can keep it for yourself!” The first elder looked at the spirit Awakening pill in his hand and said to Leng ruoxue. He was very confident in his own cultivation and he was slightly familiar with arrays. Therefore, he believed that this illusion wouldn’t be able to trap him.

“Great elder, this medicine is for you in case of an emergency. If we get separated inside, we won’t lose our minds when we’re trapped in the illusion.” Leng ruoxue chuckled as she explained. After listening to Xue Ying’s explanation of the situation in the mystic realm, she began to concoct the spirit Awakening pill. After all, the spirit Awakening pill’s greatest use was to allow one to remain conscious and not be affected by the illusion and do anything wrong. This Spirit Awakening pill could be considered as the sister pill of the spirit congealing pill because the main ingredient of these two pills was agarwood. Therefore, the spirit Awakening pill, which might be extremely precious to others, was nothing to her.

“That’s right, just take it. If you get lost inside, it’ll be good for everyone to defend themselves. Why are you being so wishy-washy?” The master of the ning family shouted angrily. It was a gift from his goddaughter, so there was no need to be polite. Although the awakening pill was not particularly useful to him, it was a kind gesture from Xue ‘er, so he could not reject it.

“I’m not being shy!” The great elder said with an angry face. He couldn’t help but curse in his heart. Did this damn thing know how to speak? she actually said that he was being shy. He wasn’t a young lady, so why was he being shy?

“Hehe! That’s just an adjective, meaning that you don’t have to be polite.” The master of the ning family said with a smile.

“Godfather, first elder, let’s go in!” Seeing that the two of them were about to start quarreling again, Leng ruoxue quickly interjected.

“Yes.” Everyone nodded in agreement.

“Wait,” Everyone was about to enter, but they were stopped by Xue Ying.

“What’s wrong?” Leng ruoxue asked in confusion.

“That illusion is very powerful. Those who are below the high level divine realm should take a Spirit Awakening pill first!” Xue Ying said. After he finished speaking, he ate one first. His words were clearly directed at the ning family’s elders, because in his eyes, the strength of the ning family’s elders was the lowest.

“Yes.” “Yes.” The ning family’s first elder nodded and then ate a Spirit Awakening pill. The other elders of the ning family also quickly ate one.

“Go in! If we are separated after entering, everyone should adapt to the situation!” Leng ruoxue instructed worriedly. After she finished speaking, she took the lead and walked through the glowing portal.

After entering the portal, everyone was separated.

Only demon, Yue Qing, Zi Yu, and Xue Ying were by Leng ruoxue’s side. The master of the ning family and the great elder were nowhere to be seen. However, she was not worried about the safety of her Godfather and the rest. As for the elders of the ning family, they could only pray for their own good luck.

As she looked at the many paths in front of her, Leng ruoxue realized that this was not just an illusion, but a maze as well. There were simply too many paths in front of her, so many that she had no choice. She did not even know which path was the safest. Furthermore, within this Mystic realm, Qing Jue was actually unable to investigate the situation here.

“Snow Shadow! Which way should we go?” Leng ruoxue asked for Xue Ying’s opinion.

“I don’t know either. I’m afraid the result will be the same no matter which path we take. Let’s just take any one!” Xue Ying said helplessly. This secret realm was a scam to begin with, so there was no safe path.

“Then let’s take this one!” Leng ruoxue pointed at the path closest to her.

“Yes.” The few of them nodded and did not have any objections to Leng ruoxue’s decision.

Chapter 1254: Entering the secret realm (2)

After that, Leng ruoxue and the rest followed the path they had chosen.

When they first started walking, there was nothing unusual about the path. However, as they walked, Leng ruoxue and the rest realized that the path in front of them had changed. It had become wider and the cold wind was blowing towards them, bringing with it a dark aura.

“Master, why did it suddenly become so cold?” Yue Qing asked, somewhat puzzled.

“It should be the illusion. Be careful and don’t stray too far from me.” Leng ruoxue warned.

“Yes.” The three of them quickly nodded.

However, just as they finished speaking, countless Men in Black appeared out of thin air. These Men in Black held sharp weapons in their hands and glared at Leng ruoxue and the others with a murderous look.

In an instant, the Men in Black charged towards Leng ruoxue. With a wave of their hands, the Men in Black fell to the ground ...

Leng ruoxue was holding a treasured sword as thin as a cicada’s wing. The sword was emitting a heart-palpating aura. On the blade, a fiery red divine power was circulating around it, wantonly showing off.

Zi Yu and Yue Qing had long since gotten used to Leng ruoxue’s attacks. This was because they had sparred with Leng ruoxue back at the Leng family’s main residence. Even with Zi Yu’s deity Emperor level strength, she was unwilling to fight with Leng ruoxue. From this, it could be seen how difficult she was to deal with.

Although Xue Ying had heard the three little Foxes talking about their master’s perversion, this was the first time he had seen Leng ruoxue in action. To be honest, he was really shocked.

Leng ruoxue’s attacks were ruthless, accurate, and fast. The speed at which she had killed those Men in Black was just the blink of an eye. Even though a Beastie’s strength was much stronger than a human at the same level, it was not confident that it could defeat Leng ruoxue even if Leng ruoxue’s strength was not on par with it. At this moment, Leng ruoxue’s status in its heart had already risen to the level of a pervert. This was because it was very self-aware and knew that it had no way of Insta-killing those Men in Black.

After the Man in Black fell to the ground, Leng ruoxue and the others watched as the dead man in Black turned into a puff of smoke and disappeared before their eyes. They were extremely shocked.

“They’re not real humans?” Leng ruoxue looked at Xue Ying and said in understanding, “this illusionary realm is really brilliant!” The Men in Black that were created by the illusion were all at the high level of the divine realm. In the divine mainland, they were definitely unrivaled. After all, even the ning family, the leader of the eight great divine realms, could not bring out so many high level of the divine realm at once. No wonder so many forces and beasts were trapped in the illusion. She believed that this was only the beginning.

“Yes, they were created by an illusion. Moreover, they can’t be killed at all!” Xue Ying said helplessly. Just as it finished speaking, Leng ruoxue and the rest saw countless Men in Black appear once again ...

“Can’t you kill him? I’d like to try and see if they really can’t be killed!” Leng ruoxue held the ‘cold shadow’ in her hand as she spoke coldly.

Then, several fiery red meteors pounced toward the Men in Black. In an instant, many of them were turned into ashes.

The demon, Zi Yu, and Yue Qing were not to be outdone, and they also attacked one after another. Not long after, the black-clothed men who had appeared all disappeared.

Xue Ying looked at the combat power of the four of them and was so shocked that he could not speak. Fuck, was this what they called 'humans will be infuriated by comparisons, beasts will be infuriated by comparisons'? At that time, it had spent a lot of effort to kill these Men in Black, and these annoying Men in Black kept appearing in a cycle. So, at that time, it had killed for a few days before it finally killed a bloody path. However, looking at the situation in front of them, it seemed that they would be able to walk out of this place in a few days.

"Xue Ying, what are you doing? You can't be lazy!" The moon eye chuckled and teased when it saw Xue Ying standing there stupidly.

"Hehe! I'm just scared by you guys." Xue Ying spoke the truth, his heart dripping with cold sweat. Right now, he was very glad that he was not their enemy. Otherwise, he would probably die without even knowing how he died.

"You still need more training! Hurry up and do it! Let's leave this place as soon as possible." Zi Yu said with a smile. He had long been used to being beaten by his own young miss, so he understood Xue Ying's feelings very well.

"Yes." Snow Shadow replied, and then joined the battle.

The Men in Black appeared again and again. Leng ruoxue and the others killed as many Men in Black as they appeared. After about four hours, the Men in Black finally stopped appearing.

After waiting for a while, Leng ruoxue saw that the Men in Black did not appear again. She then said to the demon and the rest, "Let's continue our journey!"

"Yes." Everyone nodded and continued to move forward.

"Miss Leng, there might be some dark creatures in front of us. So, everyone, be careful." Snow Shadow reminded them after they reached the fork in the road.

"What kind of dark creatures?" Leng ruoxue was very curious. From what she knew, dark creatures should be synonymous with hell, right? How could it appear in the divine realm?

"I can't tell. The dark aura of those guys is very strong, and it's very corrosive. So, don't get close to them." Snow Shadow explained.

"I'd like to see what kind of dark creatures dare to come to the divine realm. By the way, are those dark creatures just illusions like the Man in Black?" The demon also asked.

"No, those dark creatures are real. Furthermore, they are all very powerful. Each of them has the power of a high level deity." Snow Shadow said after some thought.

"Since he only has the strength of a high level deity, then there's nothing to be afraid of. Xue 'er will be able to settle it with a fire." The demon said disapprovingly.

"The number of dark creatures is not much less than the Men in Black." Xue Ying said.

"Hehe! It doesn't matter, the more the better, just enough for us to kill to our heart's content." The demon smiled indifferently.

“Well, let’s just take a random road!” Leng ruoxue suggested as she looked at the numerous small paths in front of her.

“Master, let’s go this way! I have a good impression of this place.” The moon eye pointed at the road to her left.

“Then let’s go!” Leng ruoxue replied nonchalantly.

When Snow Shadow heard Moon eye’s words, his forehead was covered in cold sweat. He thought to himself, ‘in fact, the result is the same no matter which path we take. That’s why, no matter how good I feel about them, I’ll still encounter those annoying dark creatures.’

Chapter 1255: Entering the secret realm (3)

Sure enough, not long after they left, the dark creatures that they had been waiting for appeared in batches.

These dark creatures had huge bodies and strange shapes. They came in all shapes and sizes, and many of them had no eyes. To be more precise, he didn’t know where their eyes were.

Leng ruoxue looked at the dark creatures in front of her and felt extremely disgusted. What the hell were these things? not only were they ugly, their bodies were also flowing with a dark green liquid and giving off a strong stench. No matter how she looked at it, they were comparable to the vengeful spirits they had encountered before. No! It was more disgusting than those vengeful spirits.

Meanwhile, the demon’s pitch-black Starry Eyes were staring at the dark creatures that had appeared in the firmament. He was filled with anger.

“Xue ‘er, you can’t let any of these things live.” The demon said calmly.

“Yes, let’s start!” With Leng ruoxue’s order, the few of them who were already prepared immediately started to attack.

Leng ruoxue was in charge of purifying these dark creatures. The few of them worked together and worked together tacitly. Not long after, many of the dark creatures were exterminated.

“Let’s continue forward!” Xue Ying said.

“Will these dark creatures appear again?” Leng ruoxue asked out of curiosity.

“I don’t think so. Last time, I only came this far. I’m not sure what’s in front of me.” Xue Ying said, a little embarrassed.

“Then let’s continue! Since we’re here, we must figure out the secret behind this secret realm.” Leng ruoxue said.

“Yes.” No one had any objections.

After that, everyone continued on their journey.

After walking around the secret realm for half a day, other than the occasional black-robed man, Leng ruoxue and the rest did not see any dark creatures or other strange things. However, none of them dared to let their guard down.

As they walked, Leng ruoxue and the others came to a garden. The garden had a Hundred Flowers in full bloom and a hundred birds chirping. The scenery was extremely pleasant.

Even Leng ruoxue and the rest were mesmerized by the beautiful scenery in the garden.

They found a stone chair in the garden and sat down. Then, two beautiful maidservants came out of nowhere and served them tea.

“Please don’t stand on ceremony. For you to be able to come here, it’s also fate that you have with my master.” One of the maidservants said with a smile.

“May I know who your master is?” Leng ruoxue’s beautiful face was filled with curiosity.

“Young miss, don’t worry. Master is busy now and can’t meet you in person. When he’s done, he will naturally meet you.” The maidservant quickly said.

“Oh! You mean we have to wait here for your master?” Leng ruoxue chuckled as she asked.

“Hehe! The scenery here is so beautiful, so it’s not impossible for you to stay here!” The maidservant reminded.

“That’s true.” Leng ruoxue nodded in agreement.

“Everyone, please don’t stand on ceremony. My master has specially ordered me to prepare these for you. Don’t let down my master’s good intentions!” The maidservants urged Leng ruoxue and the rest to eat. However, no one moved. They only smiled at the two maidservants.

“Your master is so hospitable. How should we repay him?” Leng ruoxue asked with a smile.

“Hehe! My master has always been a good host. He doesn’t need you to repay him, as long as you’re grateful.” The maidservant said.

“Oh!” Leng ruoxue responded softly, but she couldn’t help but sneer in her heart. She was just treating them to a meal and she wanted them to be grateful? Did these people think they were fools?!

“You guys should eat quickly! Don’t be polite.” Seeing that Leng ruoxue and the rest were still not making a move, the maidservant could not help but ask anxiously.

“Let’s put it there first! We’re not hungry yet. We’ll eat when we’re hungry.” Leng ruoxue chuckled.

“All of you can leave first! We’ll call you if we need anything.” Leng ruoxue then said impolitely, hehe! It was these two maidservants who told them not to be polite, so she would naturally treat them like servants.

“Then we’ll take our leave first. If miss and the others need anything, you can call us at any time.” One of the maidservants said with a difficult expression. She was very anxious in her heart, but since the other party was not willing to eat, they could not force him to eat!

Seeing the two maidservants leave the garden unwillingly, Zi Yu secretly sent a voice transmission to Leng ruoxue, "Miss, this place is too abnormal. We have to be more careful."

"Well, the two maidservants just now are not real human beings, so I'm really curious about what kind of thing their master is. Since they are so hospitable, let's stay here for the time being!" Leng ruoxue transmitted her voice to everyone.

Following which, Leng ruoxue and the rest settled down in this mysterious place.

Three days later.

The maidservant came to pass on a message, saying that their master could see them.

They followed the maidservant to the study room. Leng ruoxue and the rest finally met their mysterious master.

In the study room, a young man was sitting on a chair and smiling at them. The man looked to be in his early twenties and was extremely handsome. On the surface, he seemed to be a high level deity.

After seeing them, the man stood up and warmly invited them to sit down.

After that, everyone began to chat.

However, when Leng ruoxue asked him what this place was, the man tried to avoid the topic and changed the topic skillfully.

"Young master Wang, you still haven't answered my question!" Leng ruoxue chuckled. The man in front of them claimed that his surname was Wang and he was from the Wang family of the God World. However, they had never been to the God World before, so they naturally had no way of judging the authenticity of this man's words.

"Miss Leng, to be honest, I don't know where this is either! When I woke up, I was already here." The man explained.

"Oh! Did this mean that young master Wang had sleepwalked to this place? Or are you still in a dream?" Leng ruoxue asked, unwilling to let him go.

"What is sleepwalking?" The man who claimed to be surnamed Wang asked with a question mark on his face.

"I just fell asleep and ended up here." Leng ruoxue's forehead was full of black lines. It seemed that the people of the immortal realm didn't know what dream-walking was! Even though the person in front of him might not be human.

Chapter 1256: Entering the secret realm (4)

"Oh! Then I should be considered to have sleepwalked!" The man said with certainty.

"Then does young master Wang know how to return to the divinity?" Leng ruoxue probed.

"Why should I return to the divine realm? Isn't this the divine realm?" The man said in shock.

“This is the godly land.” Leng ruoxue was very honest.

“How is this possible?” The man’s handsome face was filled with disbelief.

“What’s impossible about it? besides, it’s said that this is a secret realm! However, apart from some nauseating things, we didn’t find anything like a secret realm. ” As Leng ruoxue spoke, she observed the man’s reaction. She also noticed that when she mentioned the nauseating things, the man’s expression was a little unnatural.

“Oh, really? Although I’ve been living here for a few days, I’ve rarely left this garden. Miss Leng, when you leave, I’ll go with you! I also want to see what this secret realm looks like. ” The man’s face showed a strong curiosity.

“Alright, let’s leave now! This secret realm doesn’t look small, and there are many places I haven’t been to!” Leng ruoxue said impatiently.

“Okay, then I’ll go pack my things.” After the man finished speaking, he stood up and left the study.

As she watched the man’s back, Zi Yu transmitted a message with some worry, “”Miss, are we really bringing him along?”

“Aren’t you curious about what he is? Didn’t we wait for a few days just to figure out his identity? What a great opportunity this was! If I don’t bring him along, I don’t know when I’ll be able to meet a decent human next time. I don’t want to communicate with those disgusting creatures. ” Leng ruoxue laughed evilly.

“Of course I’m curious, but I feel uneasy bringing him along.” Zi Yu said worriedly.

“What are you afraid of? We’ll deal with whatever comes our way. No matter what he is, he won’t be able to escape our grasp. ” Leng ruoxue said confidently.

Seeing her lady so confident, Zi Yu didn’t say anything more. After all, he was a divine Emperor! If miss wasn’t afraid, then he wouldn’t be afraid either. However, it was necessary to be more vigilant.

After a while, the young man had finished packing and returned to the study room. He smiled at Leng ruoxue and the rest, “”Miss Leng, I’ve packed everything. Let’s go!”

“Alright,” he said. Leng ruoxue and the rest acknowledged. Following that, they stood up and left the Fairyland-like garden. Along the way, they had gained a few more ‘companions’.

After they left the garden, Leng ruoxue and the rest walked in front while chatting and laughing. Young master Wang and his two maidservants followed closely behind them. Seeing this, Leng ruoxue turned around and smiled at the young man, “”Young master Wang, why are you all walking so slowly? Could it be that you’ve been attracted by the beautiful scenery on the road?”

“Hehe! Miss Leng really likes to joke, this road is so bare that not even a tree can be seen, where is the beautiful scenery to admire ah!” The man’s face was full of smiles as he calmly replied.

“You’re right. However, you’re walking too slowly. If you continue like this, I’m afraid we’ll have to spend the night on this road.” Leng ruoxue reminded him with a smile.

“Miss Leng, it’s getting late. Why don’t we find a place to spend the night? It doesn’t matter if I’m a man, but I can’t let you women sleep in the wilderness!” The man said considerately.

“Alright!” Leng ruoxue nodded in agreement.

This so-called secret realm was divided into day and night. The Men in Black and the dark creatures that they had encountered when they first entered the secret realm appeared during the day. As for what would appear at night, they were very curious. After all, they had stayed at the man’s place for three days and had been safe and sound.

The group found a relatively spacious and clean place to set up their tents. The young man then instructed his two maidservants to prepare some food. However, Leng ruoxue and the rest did not dare to eat the food they prepared.

After giving an excuse that they were not hungry, Leng ruoxue and the rest prepared to return to the tent.

Their tent was large enough to accommodate all of them and the huge Fox. Seeing that they were about to enter the tent, one of the maidservants couldn’t help but speak up.

“You’re all going to live in the same tent?” The maidservant’s eyes widened as she asked in disbelief.

“Is there a problem?” Leng ruoxue chuckled as she retorted.

“That’s not very appropriate!” The maidservant said softly. In her heart, she despised Leng ruoxue and the rest’s behavior. In her opinion, these humans were too messy. How could they all live together? There was even a Fox among them.

“What’s inappropriate about that? they’re all my people and my beasts, and they have to serve me at night! It’s more convenient to live together.” Leng ruoxue laughed evilly, but she couldn’t help but think in her heart, ‘if we don’t live together, it’ll be so convenient for you guys to take action!’ And she would not let these people succeed so easily.

Chapter 1257: Walking into the trap (1)

When the maidservant heard Leng ruoxue’s words, she was a little angry. However, she could not say anything to refute her. After all, she was only a maidservant.

When Leng ruoxue saw that no one was stopping her, she led the evil demon and the rest into the tent.

Looking at Leng ruoxue and the rest’s back view, the maidservant had a depressed look on her face. She could not help but ask, “What do we do now? They’re too careful, they won’t fall for our tricks.”

“We can only wait,” The man said with a frown.

“You’d better deal with these people quickly. Otherwise, if master blames you, you’ll have a good time.” The maidservant seemed to have changed into a different person as she ordered.

“It’s been a few days, and you guys don’t have any good ideas, do you? We’re on the same boat now, if master blames me, do you think you can escape?” The man suppressed his anger and reminded.

“We’re just cooperating with you. You’re in charge of this matter, so don’t try to push the blame on us.” The other maidservant said.

“No matter how you quibble, you are all tied to me. No one can escape this responsibility.” The man reminded.

“Let’s not quarrel anymore. Let’s think of a good way to lead them to the master!” The man said.

“Will they be fooled? They don’t even want to touch our food.” The maidservant’s face was clouded with worry. She hated Leng ruoxue and the others to the core. Initially, they had wanted the other party to eat the food so that they could bring the few of them to their master. However, the other party did not fall for it at all. Furthermore, those people were always together, causing them to not have the chance to sow discord even if they wanted to.

“If we really can’t do it, we’ll wait for them to fall asleep, then we’ll ...” The man whispered to the two maidservants, as if he had made a decision.

“This won’t do! Have you forgotten what master told you to do?” The maidservant reminded them disapprovingly. Their master had told them all that anyone who came in had to be alive. This way, the effect would be better. Therefore, no matter how powerful the black-clothed men and dark creatures in this secret realm were, they would not harm their lives. At most, they would be exhausted and unable to escape, and would be trapped inside.

However, they had other ways to deal with people like Leng ruoxue who were strong.

Their motive for getting close to Leng ruoxue and the others was to gain their trust and to lure them to their master. Unfortunately, the master did not follow their plan.

“I didn’t want to kill them, I just wanted to knock them out. What are you thinking?” The man explained.

“That won’t do, right? Master wants him to be clear-headed.” The maidservant said. The knockout powder given by their master was not allowed to be used unless they were forced to. She knew how terrifying and vicious her master was, so she did not dare to disobey her Master’s words.

“Let’s bring them to master’s place first. They’ll naturally wake up in a few days.” The man reminded, but in his heart, he was full of contempt for the so-called master. He said that they were not allowed to kill people and not allowed to knock people out easily. However, were there few people who died in this secret realm? How many people had killed each other because of the illusion? why didn’t master think of not letting those people die at that time? To put it bluntly, wasn’t it because master despised those people’s low strength and didn’t get many benefits from them? otherwise, how could he bear to let them die!

“Alright then! That’s the only way.” The two maidservants looked at each other and said helplessly, sigh! The people they had encountered were too difficult to deal with. Otherwise, they wouldn’t have used such an extreme method.

The three of them sat outside the tent and waited until late at night. They estimated that Leng ruoxue and the rest should be asleep by now, so they threw a pill into the tent. After waiting for a while, the three of them barged into the tent and tied Leng ruoxue and the rest up. Following that, one of the

maidservants shot a signal flare into the sky. Not long after, a group of men in Black arrived, lifted Leng ruoxue and the rest up, and left the place.

When Leng ruoxue and the others slowly woke up, they realized that they were all in the prison. They looked at each other and joy flashed in their eyes.

“Master, where is this? I’m so scared!” Yue Qing tugged at Leng ruoxue’s arm and said with a fearful expression.

“Don’t be afraid, I don’t know where we are either!” Leng ruoxue calmly consoled Yue Qing, but she couldn’t help but laugh in her heart. She didn’t expect Yue Qing’s acting skills to be so good. It seemed like the beasts around her all had a talent for acting!

“I’m also scared!” Seeing this, Xue Ying’s fluffy head moved closer to Leng ruoxue’s side. Just as he was about to rest his head on Leng ruoxue’s shoulder, he was stopped by a pair of large hands.

The demon stared at Snow Shadow, and the two of them communicated silently with their eyes.

“That’s my woman, stay away!” The demon warned with his eyes.

“I’m scared!” Snow Shadow replied with its eyes, feeling very wronged. In other words, it only wanted to seek comfort.

“That won’t do either, you’ll have to rely on someone else!” The demon replied.

Looking at the two’s flickering eyes, the others tactfully turned their heads away.

The demon directly pushed Xue Ying into Zi Yu’s arms and said, “It’s scared. You should comfort it.”

“Uh!” Zi Yu looked at the huge furry snow fox that was half-lying in her arms, and her forehead was full of black lines. After she came back to her senses, she hurriedly pushed Xue Ying out of her arms.

“You guys are too unsympathetic.” Seeing that Zi Yu was disdainful of her, Xue Ying said with tears in his eyes.

“I’m not interested in male beasts.” Zi Yu said, a little speechless. So be it if you’re afraid! Why are you in someone else’s arms! It was so mushy!

“Please comfort me!” Xue Ying looked at Leng ruoxue with tears in her eyes.

“Be good! I’m not afraid! I’ll buy you some candy later!” Leng ruoxue patted Xue Ying’s head like she was petting a puppy as she consoled her.

“Pfft!”

“Hahaha!”

When they heard Leng ruoxue’s words, the demon and the rest could not help but laugh.

“Yes, yes. Big brother will buy you candy later.” The demon laughed evilly. As for whether his candy was edible or not, it was none of his business!

“You guys look pretty calm!” Suddenly, a woman’s voice rang in their ears. Without even looking, Leng ruoxue and the rest knew that the owner of the voice was one of the two maidservants.

Chapter 1258: Walking into the trap (2)

“What can I do if I’m not calm?” Leng ruoxue raised her beautiful eyes and smiled.

“That’s true! My master wants to see you. Come with me!” The maidservant looked down at Leng ruoxue and opened the cell door.

“Alright,” he said. Leng ruoxue and the rest stood up and were about to follow the maidservant. However, they were stopped by the maidservant.

“My master only wants to see Leng ruoxue. As for the rest of you, you’d better stay here obediently!” After the maidservant finished speaking, she pulled Leng ruoxue out of the cell. Then, another ‘bang’ was heard. He closed the cell door, which was automatically locked.

Leng ruoxue turned around and gave evildoer and the rest a consoling look. She then followed behind the maidservant and went to meet her so-called master.

After following the maidservant and making a few turns, Leng ruoxue was finally brought to a resplendent and Grand Hall.

The hall was majestic and imposing. The guards at the entrance were all wearing shiny golden armor. They were all advanced gods, the top cultivation on the godly mainland.

Following the maidservant into the main hall, Leng ruoxue saw an extremely handsome young man sitting on the throne in the middle of the main hall. This young man looked to be in his early twenties and his powers were unfathomable. His bright, Starry Eyes were looking at her with deep emotions.

Leng ruoxue looked at the man in front of her. For some reason, she felt that he looked familiar. However, she was certain that she had never seen him before.

“Miss Leng, please take a seat!” The young man said with a warm smile.

“I didn’t expect you to have a new master so soon!” Leng ruoxue glanced at the maidservant who had brought her here and spoke indifferently. Then, she randomly found a seat and sat down. Of course, she had deliberately chosen the seat that was furthest away from the man.

“Miss Leng, you’ve misunderstood. I’ve never changed my master. The one you saw before was just my partner.” The maidservant explained.

“Oh! This must be your real master!” Leng ruoxue confirmed. She didn’t want to waste her efforts. After all, it wasn’t easy to meet the person behind this secret realm.

“Yes, I am.” The maidservant nodded.

“You can leave first.” The young man said to the maidservant, unwilling to be ignored.

“Yes.” The maidservant replied and quickly left the hall.

Leng ruoxue watched as her maidservant ran away as if she was running for her life. She lifted her beautiful eyes and looked indifferently at the young man on the throne. She did not speak for a long time, and the young man was waiting for Leng ruoxue to take the initiative to speak.

In an instant, the atmosphere turned heavy. The man's Starry Eyes were fixed on Leng ruoxue, but Leng ruoxue was only looking at the ground. This made the man a little angry.

"Miss Leng, aren't you curious about where this place is?" The young man couldn't help but ask with a faint smile.

"I'm not curious." Leng ruoxue said disapprovingly. What did this place have to do with her? She only needed to find the person behind the scenes and rescue her grandfather and the others who might be trapped here.

"Uh!" Leng ruoxue's words left the young man at a loss as to how to continue. He was secretly angry. Why didn't this woman play by the rules? Couldn't she just go along with what she said? How was he supposed to answer her with such an answer?

"Then aren't you curious about what kind of treatment you and the others will receive?" The young man asked again, unwilling to give up.

"If you want to tell me, you will tell me. If you don't want to tell me, I won't force you!" Leng ruoxue replied calmly.

"I'll show you something good." The man didn't want to keep her in suspense any longer. He spoke to Leng ruoxue directly because he knew that he couldn't do anything to this woman. Leng ruoxue would never follow his arrangements.

"Yes." Leng ruoxue nodded. He was a standard good kid who would do whatever he was told to do. Furthermore, he didn't have any objections.

The young man waved his hand gently and a few huge screens appeared in front of Leng ruoxue. The screens displayed the situation in the mystic realm and the ning family's master and the rest were among them.

On the screen, master ning and the rest were trying their best to kill the Men in Black. On the other screen, the great elder had already begun to kill the dark creatures. However, they were obviously exhausted, while the Men in Black and the dark creatures kept appearing again and again ...

"Miss Leng, you must know these people on the screen, right?" The young man asked with a faint smile.

"So what if you know him? So What if I don't know him?" Leng ruoxue asked instead of answering.

"If miss Leng knows them, I can let them live. Otherwise, they can only die." The young man said matter-of-factly.

"Oh! You're willing to kill them?" Leng ruoxue asked curiously.

"Why not? I don't quite understand what you mean, miss Leng?" The young man had a face full of question marks, but his heart was filled with uncertainty. Could he have given himself away and let Leng ruoxue see that he would not kill these people?

"I heard from your maidservant that you want to capture us alive. You have other uses for us." Leng ruoxue chuckled. Her words were half true and half false. She knew that these people really wanted to capture them alive, but as for what they would do after capturing them, she had yet to figure out!

"Hahaha! I didn't expect that I would be betrayed by a little maidservant. Originally, I wanted to make miss Leng owe me a favor!" The young man said with a smile on his face. In fact, he was extremely resentful.

"Since miss Leng knows that I won't kill them, then do you want to know what I want to do with them?" The young man asked again.

"I'll still say the same thing. If you want to say it, then say it. If you don't want to say it, I won't force you." Leng ruoxue said disapprovingly.

"Miss Leng, you really do understand my heart. Alright! I'll tell you." The young man sighed and said helplessly.

With that, he raised his hand again, and the scene on the screen in front of Leng ruoxue changed.

The screen in front of her showed the people who were trapped in the secret realm. Many of them looked like they were in great pain. Not only that, but their spirits were also very dispirited and their faces were frighteningly pale. Their bodies looked very weak, and the divine power in their bodies was constantly being sucked into a huge round ball. Their blood was flowing into the pool made of white jade not far away. The blood had only filled up one-third of the wound.

Chapter 1259: Walking into the trap (3)

What infuriated Leng ruoxue was that her grandfather and the rest were also in the light screen. However, compared to the others, their condition was still considered better. At least, their minds were completely clear. As for the others, their eyes were in a daze, clearly not knowing what they were doing.

"What are they doing?" Leng ruoxue suppressed the anger in her heart and pretended to be confused.

"Miss Leng, can't you tell? I'm collecting their divine power and blood." The young man said with a smile, as if he was saying 'today's weather is very good'.

"Of course I can see that. What I mean is, what's the use of you collecting their divine power and blood? Could it be that you want to absorb it yourself?" Leng ruoxue asked curiously.

"Hahaha! Miss Leng is finally curious." When the young man heard Leng ruoxue's words, he was extremely happy.

"Everyone knows their curiosity. If you don't want to say it, I naturally won't force you." Leng ruoxue was very calm.

"If I tell you, what do I get in return?" The young man asked with a faint smile.

"No, I didn't," Leng ruoxue was a little speechless. She thought to herself, 'is there something wrong with this guy? he's actually asking for benefits from me?'

“Miss Leng, do you have to be so direct? I’m so sad.” The young man’s handsome face revealed an aggrieved expression as he complained.

“I don’t like to beat around the bush.” Leng ruoxue answered honestly.

“Ah! Alright then! Let me tell you, it’s my master who needs their divine power and blood. I’m just following orders.” The young man explained with a helpless expression.

“You have a master?” Leng ruoxue was depressed. After all this, this man was still not the biggest mastermind! When she thought of this, she was a little reluctant to deal with this man. She secretly contacted Qing Jue and her baby.

“Sister, do you want to read his mind?” Qing Jue transmitted his voice. His cute little face was filled with certainty.

“Yes, let baby search his soul. I want to know who his master is. What’s their purpose in doing all this?” Leng ruoxue said. Initially, she didn’t want to let Baobao and Qing Jue do anything. After all, they didn’t know anything about this place. If they were found out, it would be bad. However, after unknown that the man in front of her wasn’t the real mastermind and seeing the torture that her grandfather and the others were going through, she changed her mind. She wanted to save her grandfather and the others as soon as possible. Therefore, she didn’t have the patience to pretend to be nice to this man.

“Alright,” he said. “Yes,” Qing Jue replied. Then, he used his mind-reading technique to peek into the young man’s mind. However, to his disappointment, he did not find any useful clues. Instead, he saw that this man was trying to hit on his sister. This made him secretly angry.

After that, he handed over the task that his sister had given him to the baby.

Through the bangle, a cold light flashed in the baby’s eyes, and the soul-searching skill was activated ...

After a while.

Baobao panted heavily, and the fur on its body was drenched in sweat. It was not strong enough now, so it was a little difficult to perform the soul-searching technique. This man’s strength was above its own, so it was even more difficult to search the soul. Fortunately, it had completed its task.

Baobao informed Leng ruoxue of the results of its investigation and then returned to its own residence to rest. It had used up too much energy and needed a good sleep. This was also one of the reasons why Leng ruoxue did not want it to search its soul so easily.

“Yes, my master is great. Are you interested in serving my Master?” The young man suggested with a smile.

“No, I didn’t,” Leng ruoxue rejected him without even thinking. Hmph! She didn’t think that a person who could come up with such an evil method could be great. She was afraid that if she pledged loyalty to such a master, she would die without a complete corpse. Moreover, she didn’t need a master.

“You’ll regret it. I really don’t want you to die slowly like these people.” The young man looked regretful. It was a pity that everything here was under the master’s surveillance. Therefore, even if he wanted to do something, it was impossible to protect the woman in front of him. He really didn’t want to see such a beautiful woman slowly grow old until she passed away.

"I won't die if I pledge my loyalty to your master?" Leng ruoxue asked with a calm smile.

"At least I can save your life." The young man said.

"Please send me back to my cell! Those who walk different paths can not conspire together!" Leng ruoxue didn't want to waste any more time with this man. In any case, she already knew what she wanted to know.

"I'll give you a few days to think about it!" The young man couldn't bear to say this.

"No need. I don't think your master will like me." Leng ruoxue rejected him once again.

"Someone, escort miss Leng back to her cell." The young man did not answer Leng ruoxue. Instead, he instructed the guards outside.

"Yes!" "Yes, master!" The guard replied and escorted Leng ruoxue back to her cell.

After Leng ruoxue returned to her cell, she did not say anything. When the others saw this, they naturally did not ask anything either. Just like that, they spent five days in the cell. During these five days, no one came to disturb them.

The morning of the sixth day.

Before Leng ruoxue and the rest could open their eyes, the young man's servant girl had already arrived.

The maidservant looked at Leng ruoxue and the rest arrogantly and asked, "Miss Leng, master asked me to ask you if you have considered the matter he asked you to consider?"

"There's no need to consider. I won't agree." Leng ruoxue said with a smile.

"Hmph! You're refusing a toast only to drink a forfeit! If that's the case, then don't blame my master for being merciless." The maidservant said viciously. Immediately, she ordered the Men in Black to bring Leng ruoxue and the rest away ...

Leng ruoxue and the rest had their hands and feet bound. They were escorted by the Men in Black to a secret room. This secret room was the one that Leng ruoxue had seen through the light screen.

The secret chamber was huge and contained hundreds of people. Many of them had already passed out, but they were still alive.

The detestable thing about these Men in Black was that they would not let the trapped people die easily. Unless they extracted all the divine power and blood from the trapped people, they would not let the matter rest. Leng ruoxue also knew the purpose of the Men in Black Collecting the Divine power and blood. Hence, she felt even more disgusted by their actions.

Chapter 1260: Walking into the trap (4)

However, what was even more unforgivable was that these people had imprisoned her grandfather and her subordinates. Therefore, these Men in Black must die. As for their master behind the scenes, she was afraid that she could only wait for the future because she was not that person's opponent now.

The leader of the Men in Black who was in charge of watching over the trapped men in the secret chamber was overjoyed when he saw Leng ruoxue and the rest. He could not help but size them up and said, "These newcomers are pretty good! Such a beautiful woman, how could master bear to let her suffer here?"

"She refused a toast and wanted to drink a forfeit. Master had no choice. However, master said that you should take care of her and not let her die too quickly." The maidservant who had come with Leng ruoxue and the others said with a hint of jealousy.

"Don't worry, I'll definitely take good care of her. I like to have tender and protective feelings for women the most." The black-clothed man said with a squint.

"Hmph! Take care of yourself. Don't forget that everything here is within master's control." The maidservant warned. With that, she turned and left the secret room.

After the servant girl left, the black-robed man loudly ordered the other black-robed men, "Take this Fox and the two men over there. I'll look after the two women myself."

"Yes." "Yes," the other Men in Black replied. Then, they pushed the snow Shadow, indicating for it to walk faster.

"Don't touch me! I'll bite you!" Xue Ying roared in anger. F * ck, was this considered as a Fox falling into the peaceful sun and being bullied by a dog? If they didn't want to get into this place, they wouldn't have to suffer like this! Hmph! After saving the people, it would definitely teach these Men in Black a good lesson.

"Damn it, a stinky Fox dares to scare me!" When the Man in Black heard Xue Ying's words, he couldn't help but curse loudly. After cursing, he even raised his leg to kick Xue Ying. However, Xue Ying dodged it nimbly and the Man in Black's kick landed on his companion's body. Because he had used too much force, he fell flat on his face!

"Hahaha! Grandson, you don't have to give me such a big bow. I appreciate it." Looking at the black-clothed man who had just fallen in front of him, Xue Ying laughed out loud.

"F * ck! Stinky Fox, if I don't teach you a lesson today, I'll change my surname to yours!" The Man in Black was furious. The consequences were very serious. He held a knife that emitted a cold light and chased after Snow Shadow without caring about his image ...

Although the snow Shadow's hands and feet were bound, it was unusually agile. It dodged left and right, and the black-clothed men who were chasing it could not get close to it at all. When the other black-clothed men saw this, they also helped to surround and block it. The snow Shadow's thick tail gently swept, and suddenly, the black-clothed men fell to the ground.

"You're really useless. My hands and feet are bound, and you can't even catch me. What's the use of keeping such trash like you around! You should commit suicide as soon as possible to atone for your sins!" Xue Ying said with a face full of ridicule. After saying that, his large tail began to sweep in all directions. In an instant, a gust of wind blew in the secret room. Those humans and beasts that were sucked in by the huge ball were also affected and lost their connection with the ball. The weak ones directly fainted on the ground, while a portion of those with relatively strong willpower recovered a part

of their consciousness. However, they still had a confused expression, as if they could not remember where they were at all.

Leng ruoxue looked at the man in Black who was hopping mad and secretly gave Xue Ying a look. Xue Ying understood and immediately jumped around even more happily. Not long after, the entire secret chamber was in a mess because of it. More and more people and beasts broke free from the sphere's control.

Leng ruoxue took advantage of the chaos to approach her grandfather and the rest. She called out softly, "Grandpa, are you guys still able to hold on?"

"Xue 'er, why are you here? leave this place quickly. These people are all demons!" The weak Leng Qingtian saw his precious granddaughter and quickly whispered.

"I'm here to save you. Don't make a sound." Leng ruoxue reminded. With that, a cold light flashed on her hand and cut off the connection between her grandfather and the others and the giant ball. Then, with a thought, she kept her grandfather and the others into her bracelet.

After silently doing all this, she returned to the side of the evildoer and the rest as if nothing had happened. Then, she winked at them and everyone started to enjoy the show of Xue Ying toying with the Man in Black ...

After a long time.

Seeing that the secret room was almost destroyed by it, the snow Shadow stopped and no longer ran around. The Men in Black who had fallen to the ground because of the exhaustion from chasing it were directly kicked into the White jade blood pool ...
