

Crazy Wife 1311

Chapter 1311: Miss Yan (1)

When Bai Xu appeared, it was in its mimicry state. It jumped into Leng ruoxue's arms and its dark green eyes glanced at the couple before it lowered its head and started playing with its claws.

When Leng ruoxue saw Bai Xu's expression, she knew that this proud little fellow was doing this on purpose. He probably knew that the four great divine beast clans with high status would not look down on a Clansman from the Ling wind continent. Thinking of this, she couldn't help but snicker to herself.

Bai Xu was really narrow-minded! Actually, she felt that it was normal for The White Tiger couple to have such thoughts. After all, The White Tiger clan had always lived in the divine realm, so how would they know of the existence of such a 'lost' White Tiger like you!

"You, you ..." Although Bai Xu did not pay attention to the couple, the couple was shocked when they saw Bai Xu because Bai Xu actually had a pair of dark green eyes that represented the Royal bloodline. This was really too inconceivable. One should know that The White Tiger King clan had been sealed away tens of thousands of years ago because they had offended an important figure in the divine realm. Then, what was going on with this White Tiger with the Royal bloodline? They couldn't understand it!

"What's wrong?" Leng ruoxue pretended to be confused when she saw The White Tiger couple's expressions.

"Miss, is this White Tiger really from the lower realm?" The man said in disbelief.

"Yup! Is there something wrong?" Leng ruoxue played dumb.

Miss, to tell you the truth, in our White Tiger clan, only the royal family will have dark green eyes. Therefore, I suspect that it has the Royal bloodline!" The man thought for a moment and said very seriously.

"Oh! So What if I do?" Leng ruoxue said disapprovingly.

"Young lady, the current Emperor of The White Tiger clan does not have the Royal bloodline. Therefore, if this White Tiger were to appear in the divine world, it would definitely cause an uproar in The White Tiger clan. I'm afraid that The White Tiger emperor will not let it go." The man said worriedly. At the same time, he was reminding Leng ruoxue to be more careful. This White Tiger with the Royal bloodline should not appear in front of the world before it had sufficient strength.

"Then where did The White Tiger clan's Royal clan all go?" Leng ruoxue asked curiously.

"Tens of thousands of years ago, the Royal clan somehow offended an important figure in the divine world. Therefore, they were all sealed away. The current Emperor was also supported by that important figure. Therefore, the current internal strife in The White Tiger race is extremely serious. Xiang 'er and I were implicated and severely injured because of the internal strife in The White Tiger race." The man explained.

“Where is the royal family sealed?” Bai Xu raised his head and asked indifferently. He did not show much excitement when he heard the man’s words, but his heart was definitely not calm. This was because the royal family that the man had said was sealed was his family.

“The abandoned land of the divine realm.” The man said.

“The abandoned land? What was that place? How come I’ve never heard of it?” Bai Xu’s face was filled with question marks. When he left the divine realm back then, he had never heard of any abandoned land in the divine realm.

“The place where The White Tiger King race is sealed is known as the abandoned land in the divine realm. Furthermore, not only The White Tiger King race, the Phoenix race, the Dragon race and the Qilin race’s King race are also sealed.” The man said.

“They were sealed together?” Leng ruoxue raised her brows and asked indifferently. She had heard from Feng Zhan that the Phoenix Clan had been sealed. As for the other clans being sealed as well, this was the first time she had heard of it.

“No. They were sealed in the East, South, West and North of the divine world. The clansmen of our four clans who have always been loyal to the royal family have never given up on trying to rescue them. Unfortunately, they have never succeeded.” The man said with a sigh.

“Oh! They’re kind.” Bai Xu said indifferently, then added, “I’m a member of the royal family. However, I’ve left the divine realm for many years. Therefore, it’s normal that no one in my family knows me.”

“Your Highness!” The man was stunned for a moment, but he reacted very quickly. Since the other party was a White Tiger King, then they naturally had to address the other party as Your Highness.

“Your Highness.” The woman also hurriedly bowed.

The ranking of beasts had always been very strict, and bloodline was Supreme. Therefore, in front of this little white tiger, the two of them had to consider themselves as subordinates, even if the royal family was currently sealed.

“Yes, master, since they want to recognize you as their master, then you should take them in!” Bai Xu nodded his head and said to Leng ruoxue.

“Alright,” he said. Leng ruoxue agreed.

Now that Leng ruoxue had agreed, The White Tiger couple did not know what to do. It was an honor for any White Tiger to have the same master as His Highness. However, it was also because of this that they were hesitant.

Logically speaking, in front of His Highness’s master, they could only be slaves. Even if His Highness had agreed, they would not dare to acknowledge Leng ruoxue as their master. At the thought of this, the man and his wife exchanged glances and said, “How would we dare to share the same master with Your Highness? we are willing to be your slaves and servants to serve Your Highness and young miss forever.”

“If I tell you to admit it, then admit it. Why do you have so much nonsense to say?” Bai Xu squinted his eyes and said unhappily, Hmph! Why were the subordinates of that damn bird so obedient, while his

two clansmen were so stubborn? Wasn't it just acknowledging a master? Was there a need to think so much?

"Yes!" Their legs trembled, and they almost knelt on the ground. Although The White Tiger with the Royal bloodline was in a mimicry form, the pressure from its natural bloodline was something they could not resist, even if they were also members of The White Tiger race.

After The White Tiger couple carefully acknowledged their master, they told Leng ruoxue and Bai Xu about the current situation of The White Tiger race without holding back. However, the most they said was that Bai Xu should not show himself easily before he had enough strength. Otherwise, if he was discovered by the current tiger emperor, he would not let him off.

Bai Xu was a little impatient from being repeatedly urged. He only indifferently glanced at The White Tiger couple who were talking non-stop and said, "I'm much older than you, so don't treat me like your son!"

After he finished speaking, he laid in Leng ruoxue's arms and fell asleep.

Looking at Bai Xu's smug expression and the dumbfounded White Tiger couple, Leng ruoxue could not help but laugh.

Chapter 1312: Miss Yan (2)

"Master, you're still smiling!" The woman, Xiang 'er, couldn't help but complain in a low voice.

"Hahaha! Should I cry if I don't laugh? I know you have good intentions, but as my Beastie, if it can't even protect itself, then it's too useless. So, you don't have to worry about its safety." Leng ruoxue reminded them, feeling a little amused. Her beasts were each more astute than the other. Any one of them would be able to fool everyone outside. Therefore, she was not worried that they would be schemed against or encounter any danger because the chances of that happening were too low.

"Yes." The couple said in unison.

"Bai Xian, you guys go and see Roly Poly!" Leng ruoxue smiled as she spoke to The White Tiger couple.

"Yes." Bai Xian and his wife nodded and turned to see their child.

After they left, the demon smiled at Leng ruoxue and said, "Xue 'er, what are your plans?"

"As for the current plan! Of course, I'm going to raise my strength first." Leng ruoxue chuckled.

"Yes, improving our strength is indeed a top priority. Why don't we continue our closed-door cultivation?" The demon said after some thought. If he stayed on the divine mainland, his strength would not be able to continue increasing. Therefore, he could only protect Xue 'er better by going to the divine world. However, the divine world was more dangerous than the divine mainland, so he was a little conflicted.

"Alright. However, we have to make a trip to Northern Yan city before we go into closed-door training." Leng ruoxue laughed.

“When are we going?” The demon asked with a faint smile.

“Let’s do it now!” Leng ruoxue lowered her head and thought for a moment.

The demon nodded. Then, the two of them greeted Zi Yu and went straight to the city Lord’s mansion in Yanbei city.

When they arrived at the city Lord’s residence, Leng ruoxue directly stated her purpose for coming. Yan kun was stunned after hearing her and complained, “Why is young miss going into seclusion again? You haven’t been in closed-door cultivation for long!”

“I need to quickly increase my strength. That way, I’ll be able to come and go as I please in the divine realm,” Leng ruoxue said honestly.

“My lady, the divine realm is much more dangerous than the divine continent.” Yan kun couldn’t help but remind him.

“I know, but I can’t just stay in the divine continent and not improve just because the divine realm is dangerous! Moreover, the divine realm still has important things waiting for me to do!” Leng ruoxue explained.

“I’m afraid we don’t know when miss will come out of her closed-door cultivation. Why don’t you stay in the city Lord’s mansion for a few days?” Yan kun said enthusiastically.

“Yes, we’ll be staying here for a few days.” Leng ruoxue nodded.

“Miss, I’ll have the Butler take you to your residence first! I’ll accompany you to the city tomorrow.” Yan kun suggested.

“Yes.” Leng ruoxue nodded. Then, Yan kun ordered the Butler to bring Leng ruoxue and the evildoer to the fallen swallow residence.

The last time they came to the city Lord’s mansion, they stayed in the fallen swallow residence, so they could be considered familiar with the place. When they arrived at the entrance of the fallen swallow residence, they sent the housekeeper away.

The two of them stayed in the same room as last time. In the evening, Yan kun sent people to bring them a lot of delicious food. However, Yan kun did not accompany them for dinner. According to the steward, there was a guest in the city Lord’s mansion. The city where the guest lived had always maintained a good cooperative relationship with Yanbei city. The city Lord knew that the two of them did not like to meet with messy people, so he accompanied them alone.

The Butler was afraid that Leng ruoxue would be angry, so he kept apologizing.

“Butler, you’ve already apologized dozens of times.” Leng ruoxue was a little speechless as she asked. She couldn’t help but wonder, ‘could it be that I’m such a calculative person in the Butler’s heart?’

“Miss, are you really not angry?” The Butler was still a little worried. Although he didn’t agree with the city Lord accompanying an outsider, he was the Butler who served the young lady. After all, in his heart, the young lady was much more important than that person.

“This isn’t a big deal. What’s there to be angry about?” Leng ruoxue laughed. Actually, what she did not say was that if Yan kun really came, she might even find him annoying!

“Hehe! I’m at ease then.” The Butler heaved a sigh of relief. After hearing Leng ruoxue’s confirmation, he finally felt at ease.

The next day.

Yan kun, who was supposed to accompany Leng ruoxue and the evildoer for a walk around the city, could not make it as scheduled. However, he sent the steward to explain. When Leng ruoxue heard this, she did not say much. She only told the steward to tell Yan kun to accompany the guests and not to worry about her!

“Xue ‘er, do you want to go around the city by ourselves?” The demon suggested.

“If you want to go, then let’s go! I’m fine with it.” Leng ruoxue chuckled.

“Then we won’t go, let’s go back to the room!” The demon laughed evilly, clearly harboring ill intentions.

“Tsk! I’ll go back! Who’s afraid of you!” Leng ruoxue refused to be outdone. Following that, she took the initiative to pull the demon back to her room ...

After a long time.

Qing Jue interrupted the lovey-dovey couple in the bracelet.

“Sister, there’s someone challenging us outside.” Qing Jue said as if he was afraid that the world would not be in chaos.

“Uh! What kind of challenge?” Leng ruoxue was bewildered.

“Hehe! There’s a woman who came out of nowhere and has her eyes on this place. She wants to stay here and even ordered us to move out!” Qing Jue explained happily.

“Oh! Just ignore it!” Leng ruoxue couldn’t be bothered to deal with this kind of insensible and spoiled woman!

“Sister, that woman has started to smash things. All of them are money! And it’s your money! You really don’t feel bad?” Qing Jue asked with a look of disbelief. Hehe! The city Lord’s mansion’s money was his sister’s money, so he wasn’t exaggerating!

“You still dare to smash things?” Leng ruoxue squinted her beautiful eyes, her tone clearly showing her displeasure. Hmph! She could ignore the noise, but she couldn’t smash things. It would be a waste!

“Yes, they’ve already started to smash it. If elder sister doesn’t appear, the falling swallow residence will be destroyed.” Qing Jue reminded.

“Demon, it seems like we won’t be able to enjoy a few days of peace before we go into seclusion. Why is there always trouble?” Leng ruoxue sighed helplessly. This matter should have been handled by Yan kun, but he was not in the residence at the moment.

Chapter 1313: Miss Yan (3)

"It doesn't matter, it's good to have some fun before going into closed-door cultivation." The demon said indifferently.

After that, the two of them took out their bracelets and went to the courtyard.

At this moment, the courtyard was in a mess. The originally beautiful flowers in the garden had all become Broken Flowers and wilted Willows. The petals had all fallen to the ground, and the flower branches drooped their heads, as if they were telling the story of the violence they had been subjected to.

There was a beautiful Lady in Red standing in the courtyard, directing her subordinates to smash things. The housekeeper was constantly trying to stop them, but he was pushed to the ground by his Wolf-like subordinates without any hesitation. Seeing this scene, Leng ruoxue's heart was filled with anger.

"Stop!" Leng ruoxue's voice rang in everyone's ears. Even though it was not loud, everyone could hear her clearly.

Everyone raised their heads and looked in the direction of the voice. They could not help but stop what they were doing. When the steward saw Leng ruoxue, he crawled up from the ground in a sorry state and ran to Leng ruoxue's side.

"Young miss, they ..." The Butler was about to explain but was interrupted by Leng ruoxue.

"You don't need to say anything, I have my own plans." Leng ruoxue smiled as she turned to look at the lady in red.

The lady in red was extremely beautiful and had an extraordinary temperament. It was a pity that she had an arrogant look on her face. Leng ruoxue hated this kind of lady the most. In addition, this lady had ordered people to destroy the fallen swallow residence that she was currently staying in. Hence, her impression of this lady was extremely bad.

When the Butler heard Leng ruoxue's words, he didn't know why, but he felt nervous. Actually, he wanted to tell Leng ruoxue about the woman's identity, but the young miss didn't let him finish his sentence. He felt a little uneasy.

"Who are you? how dare you cause trouble in the city Lord's mansion?" Leng ruoxue ignored The Butler's Dilemma and questioned him coldly with her beautiful eyes half-closed.

"We're the city Lord's mansion's honored guests, Who are you?" The lady in red glanced at Leng ruoxue, her beautiful eyes burning with jealousy. She had always thought highly of her own beauty, and now that she had seen the devastatingly beautiful Leng ruoxue, her heart immediately felt unbalanced.

How could there be such a beautiful woman in this world? Her heart was instantly filled with dissatisfaction, and when she saw the evildoer beside Leng ruoxue from the corner of her eyes, the sour water in her heart kept pouring out.

Damn it, why did all the benefits go to this annoying woman? Not only was he more beautiful than her, but the man beside her was also so handsome and outstanding? Hmph! Such an outstanding man should be by her side, right? Was she the only one who was worthy of that man? Thinking of this, she

deliberately flirted with the demon. Unfortunately, the demon didn't even look at her, which made her even more embarrassed and angry!

"Since you're a guest, you should be polite. What do you mean by ordering people to smash the host's things? Is this the way your family taught you?" Leng ruoxue laughed and mocked.

"How audacious! How dare you say that about me? Do you know who I am? Hmph! Didn't I just order people to smash some junk? If it wasn't for this damn old man who insisted on stopping me and not letting me stay here, would this young lady need to go through so much trouble?" The red-clothed woman said in an extremely overbearing manner, as if it was natural for her to order people to smash things and that it was the other person's fault for stopping her.

"Junk? Do you know how much your so-called junk is worth? I'm afraid you can't afford it even if you sell yourself!" Leng ruoxue laughed coldly. She was truly a spoiled young miss! How could she say such ignorant words? It must be known that there were many flowers and plants in the fallen swallow residence that she had moved out of the bracelet last time and ordered people to plant them. Many of them were good things that money couldn't buy. Now, they had been smashed to pieces by this willful young miss, so it was impossible for her not to be angry.

"You really deserve to die! You actually said I can't compare to these pieces of trash, Hmph! Just you wait, I won't let you off!" The lady in red was enraged. She took out the whip from her waist and lashed it at Leng ruoxue. However, in mid-air, the whip was split into two by a black divine energy and fell to the ground.

The lady in red was even more annoyed when she saw this. She glared at Leng ruoxue with fire in her eyes and said, "Hmph! What kind of skill is it to hide behind a man? Let's have a one-on-one fight if you have the ability?"

She knew that her whip had been slapped away by the man beside Leng ruoxue, which made her even more jealous. That was why her tone was filled with jealousy.

"Shouldn't a woman hide behind her man and be protected by him?" Leng ruoxue smiled and said matter-of-factly.

"Hmph! He's your man?" The woman in red pointed at the evildoer and questioned him with jealousy.

"Yes, I am." Leng ruoxue chuckled, deliberately showing a trace of pride on her face.

"Don't be too pleased with yourself, he won't be one very soon!" The red-clothed woman said, unwilling to show weakness.

"Why not? He's my man in life and my ghost in death! Whether it's life or death, they can only belong to me. As for some random person, they can forget about it." Leng ruoxue laughed evilly. In her heart, she could not help but sigh. It wasn't a good thing for her man to be too outstanding. At least, there were always people who overestimated themselves and wanted to spy on him. It was really annoying!

"What if you die first?" The red-robed woman asked calmly.

"You mean you want to kill me?" Leng ruoxue said.

“Hmph! You’re the one who’s looking for death!” The woman in red didn’t deny it. She really wanted to kill this eyesore.

“Alright! I’m just an eyesore, but are you sure you can kill me?” Leng ruoxue asked with a light smile. She had seen many arrogant women before, but this was the first time she had met someone who wanted to kill her so blatantly.

“Hmph! How would you know if you don’t try? all of you, go and kill this woman!” The woman in red was determined. Since the other party had already guessed her thoughts, there was no need for her to hide it anymore. She might as well get rid of this woman in one or two. In this way, the man would be easy to capture.

Leng ruoxue would never let go of a woman who wanted to kill her and had evil intentions at the same time. Even though she did not know the woman’s identity, she was definitely going to die today no matter who she was!

Chapter 1314: Miss Yan (4)

After the two of them had made up their minds, the battle began. The housekeeper was so anxious that he was running around in circles. Wu ... The woman in red was not to be trifled with, but his young lady was even more so. However, he could not let these two people really fight, because no matter which one of them was injured, the consequences would be very serious.

“Miss, miss Yan, we’re all on the same side. Let’s talk things out. Please don’t fight!” The Butler cried out in panic but was ignored by Leng ruoxue.

The red-robed woman said disdainfully, “Hmph! Who was on her side! Our Yan clan isn’t a place that just anyone can get close to.”

“The Yan family?” Leng ruoxue smiled and thought to herself, “could this woman be related to Yan kun?” Otherwise, why would they call themselves the Yan family? However, this relative of Yan kun was too arrogant and domineering. Not only was he rude, but he also wanted to kill her! Hmph! No matter who miss Yan was to Yan kun, she would not let her go.

“Of course! Our Yan family isn’t something you can afford to offend, so I advise you to surrender without putting up a fight. Perhaps this young miss will spare your life if I’m in a good mood.” The red-robed woman said confidently, the arrogance on her beautiful face growing more and more intense.

“You will spare my life? Unfortunately, I won’t let you off for the sake of the Yan family!” Leng ruoxue said emotionlessly.

“You’re looking for death! You can’t blame me!” The red-robed lady was enraged after hearing Leng ruoxue’s words. After she finished speaking, she continued to order her subordinates to attack.

Leng ruoxue looked at the other party’s subordinates, who were eyeing her covetously, and chuckled as she moved Xue Ying out of her bracelet.

The appearance of the huge Fox gave everyone a shock. Its tail, which was constantly wagging, brought up a strong wind, blowing on everyone’s faces, making them feel a burning pain.

Seeing the huge snow fox, the red-dressed lady's subordinates started to cower. Putting aside the fact that the Fox's strength was above theirs, even if it was not as strong as them, they were not willing to fight against a large beast. Just look at its huge claws, it could crush them into meat paste in an instant! However, they did not dare to disobey the young miss's orders. Who asked their young miss's method of torture to make people tremble with fear just by thinking about it!

"Little Yingying! I'll leave these small fries to you." Leng ruoxue laughed evilly.

"En, these guys are too few, not even enough to fill the gaps between my teeth!" Xue Ying said in dissatisfaction.

"I'll make do with it!" Leng ruoxue rolled her eyes at Snow Shadow, who was still trying to act innocent even after getting an advantage. If it wasn't for the fact that this fellow had been clamoring to come out and move around, she wouldn't have moved it out of the bracelet at all!

.....

"Alright then!" The snow Shadow nodded its big head in grievance, and with a slight disdain, it used its tail to roll up the person closest to it and threw him into the air. When the person fell, it caught him and continued to throw ...

After repeating this a few times, the unlucky guy who was thrown around like a ball by Xue Ying directly fainted with white foam coming out of his mouth.

Seeing this, Xue Ying directly sat on the person's body. Then, he looked at the others provocatively.

"Who's going first?" Xue Ying said calmly.

When the red-clothed woman's subordinates heard Xue Ying's words, none of them dared to make a sound. They all took a step back in tacit understanding so that they would not be used as a ball by the Fox. They did not want to be like their previous companion, who was unconscious and still sat on like a meat cushion.

"Ugly freak, since no one is going to answer me, then you do it!" Xue Ying said as he turned to the red-clothed woman with an evil smile.

"Ugly? Who are you talking about?" The red-clothed woman thought she had heard wrong and couldn't help but ask.

"Other than you, is there anyone else who is so ugly?" Xue Ying stared at the red-robed lady with a serious look on his face. As he looked at her, he kept shaking his big head.

"Dammit! How dare you call me an ugly monster? What kind of taste do you have!" The lady in red was furious. She had always been proud of her looks. After suffering a blow from Leng ruoxue, she was now called an ugly monster by a Fox. How could she tolerate this? immediately, she threw the divine power in her hand towards Xue Ying ...

The snow Shadow dodged the attack calmly. Then, it stretched out its huge claws and effortlessly caught the red-robed woman in its hands. As it looked at the struggling red-robed woman, the snow Shadow's clear eyes emitted a mocking light ...

“With your little strength, you still dare to call for a fight? You really don’t know your place!”

Chapter 1315: The Dark Clan (1)

After Xue Ying finished speaking, he unceremoniously threw the red-robed lady in his hand high up into the air ...

“Stop! Beast! You’re so bold!”

With a furious roar, a figure as fast as lightning jumped up and caught The Falling Woman in red.

After the two of them landed on the ground, the woman in red was so frightened that she started crying loudly. The middle-aged man who was holding the woman in red also raised his head in anger and glared at the big snow-white fox.

“Evil creature! How dare you hurt my daughter!” The middle-aged man was furious. If he hadn’t happened to come back and see this scene, he was afraid that his daughter would have died here.

“Chi You brought this upon himself, she can’t blame anyone else!” The snow Shadow said disapprovingly, and its nonchalant attitude made the middle-aged man even more furious.

“What a good Chiyou! Hmph! My daughter has always been well-behaved and sensible, but you’ve bullied her like this. I won’t let you off!” The middle-aged man said fiercely.

After hearing the middle-aged man’s words, Leng ruoxue was speechless. It seemed like it was indeed better for the child to come from her own family! Such an unruly, willful, and reckless woman was actually obedient and sensible in her father’s eyes? She really wanted to ask, “your daughter is always shouting to kill at the drop of a hat. How is she obedient and sensible?”

At this moment, Yan kun, who was behind the middle-aged man, had also rushed over. He nodded his head slightly when he saw Leng ruoxue. Then, he walked to the front of the middle-aged man and asked with some confusion, “Brother Yan, what happened? Why did you leave in such a hurry?”

“Hmph! If I hadn’t come in time, my daughter would have lost her life here. City Lord Yan, are they your people? You must give me an explanation for this matter. Otherwise, there’s no need for our cooperation to continue.” The middle-aged man snorted and threatened.

His words made Yan kun unhappy, but he did not show any dissatisfaction. He just asked, “Brother Yan, I’ve been with you the whole time and I don’t know what happened. How do you want me to explain it to you?”

“They are your people, right? This evil beast almost killed my daughter. I want you to kill this Fox now and avenge my daughter!” The middle-aged man’s eyes were filled with ferocity as he spoke viciously.

“This ...” Yan kun looked at Leng ruoxue and did not know how to continue. Putting aside the cause of the incident, he could not kill the Fox in front of him. Moreover, he could not kill the Fox. The Fox was fierce! And it was his miss ‘s. Even if he had ten guts, he wouldn’t dare to make a move!

.....

Besides, he knew his young miss quite well. He knew that she would not take the initiative to cause trouble, so it must be miss Yan who had annoyed his young miss, and that was why she had been taught a lesson. After thinking about it a few times, he could roughly guess what had happened.

“Brother Yan, you know that I’ve just returned, so you have to give me some time to understand what happened! Don’t worry, I’ll give you an explanation.” Yan kun said after thinking for a while.

“What else do you know? If I hadn’t come in time, my daughter would not be in this world now. Isn’t this clear enough? I’m only asking you to kill a beast, and you’re already making so many excuses. Do you not want to work with our Yan clan anymore?” The middle-aged man could not help but threaten Yan kun again when he saw that Yan kun had not made a move.

“Brother Yan, although you’re here on behalf of the Yan clan, I’m afraid you can’t make the decision to cooperate with me! If you really don’t want to work with our Northern Yan city, then please come and talk to me personally, Yan family head!” Yan kun, who had been in a pleasant mood all this time, was also enraged when he heard the middle-aged man’s words.

The cooperation between him and the Yan clan had always been on an equal footing, especially after he had recognized Leng ruoxue as his master. Yanbei city rose with the tide. Although not many people knew that Yanbei city belonged to Leng ruoxue, the ning clan and Chi clan of the eight great divine regions were on good terms with Yanbei city, not to mention the other clans. It was precisely because he had been working with the Yan clan for so many years that the Yan clan was able to suppress the other cities and continue to work with him.

However, from the looks of it now, this old master Yan clearly did not know his own identity. He thought that Yanbei city was still the same as before. Although he had only been here for two days, he had displayed his superior status everywhere. Not only did he order him around, but he was also ordering him around. This was really preposterous.

“Hmph! Who Do You Think You Are, to trouble my father with a small city like Yanbei city?” The middle-aged man’s face was full of disdain. Before he came, his father had repeatedly urged him to treat Yan kun as an equal, and he had readily agreed. However, deep down, he still looked down on Yan kun. Now that such a thing had happened and Yan kun did not follow his orders, he naturally did not want to be nice to Yan kun.

“I’m the city Lord of Northern Yan city, and you’re just the young master of the Yan clan!” Yan kun sneered. If it wasn’t for the old man from the Yan family, he wouldn’t even give this kind of hedonistic son a second glance.

“Yan kun! What do you mean by that?” The middle-aged man was furious when he heard Yan kun’s words. He hated it when people called him the first young master of the Yan family because he wanted to be the head of the family. However, his father had not decided on a candidate for the future head of the family. As a result, he had been called the first young master for decades. Therefore, he would turn hostile whenever he heard the words “first young master”.

“Exactly what I said. I heard that the reason why master Yan hasn’t appointed a young master yet is because his son is not up to standard. So, he’s waiting for his grandson to grow up.” Yan kun didn’t forget to rub salt on the young master’s wound. Among the many sons of the Yan family’s master, only

this young master had a daughter. The others all had sons. What he meant was that he would not be the future young master's father.

"Yan kun! I think you're tired of living?" The young master of the Yan family roared in anger. If he could, he would kill this hateful Yan kun right now. However, he could not do so because this was someone else's territory. No matter how arrogant he was, he would not dare to attack his master in someone else's territory! That was no different from seeking death!

"Who said that! I haven't lived long enough! And I'll definitely live longer than you!" Yan kun said nonchalantly. If it wasn't for the Yan family head, he really didn't want to deal with this clown. However, with this incident, he was afraid that their cooperation with the Yan family would be ruined. In that case, he didn't have any other concerns.

Chapter 1316: The Dark Clan (2)

"Oh, really? Let's wait and see!" The middle-aged man threw out these harsh words and wanted to leave with the red-robed lady in his arms. However, he had only taken two steps when he was stopped by Leng ruoxue.

"Wait!" Leng ruoxue suddenly said.

The middle-aged man looked at his daughter who was still in a daze in his arms. He turned his head and glanced at Leng ruoxue. He spoke with slight displeasure, "City Lord Yan, how can your maid be so rude? How dare you block my way? how does your city Lord's mansion discipline you?"

When the middle-aged man saw that Leng ruoxue was dressed in ordinary clothes, he assumed that she was a maidservant from the city lord's estate. However, what surprised him was that the maidservant from the city lord's estate was so beautiful. No wonder his daughter had a conflict with them here. It must have been because of this woman. When he thought of this, he made up his mind to ask for this outrageously beautiful maidservant so that his daughter could deal with her as she pleased.

Previously, his attention was all on his daughter and that big fox. In addition, half of Leng ruoxue's body was hidden behind that devilish man, so he did not notice Leng ruoxue's existence. Now that Leng ruoxue had suddenly spoken, he realized why his daughter had come into conflict with the people from the city lord's estate. Naturally, he had to avenge his daughter.

A maidservant! Hearing the middle-aged man's words, cold sweat started to drip down Yan kun's forehead. He couldn't help but think to himself, "young master Yan, what kind of taste do you have? Could it be that she was a maidservant if she wasn't well-dressed? That's my master! However, after sneaking a glance at Leng ruoxue and seeing that she did not have much of a reaction, Yan kun did not continue the conversation. Otherwise, wouldn't it be his fault if he were to spoil the young lady's plans?"

Although the middle-aged man's words made Leng ruoxue speechless, she didn't feel the need to explain so much to a passerby. Since that man thought she was a maidservant, then she would just let him think so.

Seeing that Yan kun and the maidservant did not refute, the middle-aged man felt that he had guessed correctly and continued, "City Lord Yan, if I'm not wrong, today's incident should be caused by this maidservant. So, as long as you let me deal with this maidservant, I will let bygones be bygones!"

The middle-aged man thought that he was very generous. After all, he only asked Yan kun to give the maidservant to him. He thought that Yan kun would not be reluctant to do so. As for the big fox, he would deal with it in the future when he had the chance! He knew very well that if he wanted both, Yan kun would definitely not agree, and that woman was obviously an eyesore to his daughter!

Let bygones be bygones? You wish! Yan kun cursed in his heart, but he put on a grateful expression and said, "Young master Yan, you're so generous! However, I can't hand this 'maidservant' to you! I don't have that right!"

"You don't have the right? Could it be that she's not a maidservant of your residence?" The Yan clan's first master said with a puzzled expression.

"Indeed not!" Yan kun sighed and said helplessly, "Wu...What did the Miss mean by giving him that look?"

"Since she's not, I'll take her away!" The middle-aged man said impolitely.

.....

Just as Yan kun was about to say no, he was interrupted by Leng ruoxue.

"Alright! I'll go with you, but I have to bring my man and Beastie!" Leng ruoxue requested.

"You're just a prisoner, you don't have the right to make any requests! However, I'll allow you to bring them along!" After the middle-aged man gave a warning, he changed the topic and agreed. He couldn't help but feel proud in his heart. This time, it really didn't take any effort at all! Not only did he take away the maidservant, but he also took away the big fox who had almost killed his daughter!

After he finished speaking, the man held onto his daughter and walked arrogantly to the front. The Yan clan's subordinates were assigned by him to watch over Leng ruoxue, the demon, and the snow-white fox as they followed behind.

Yan kun was a little dumbfounded as he watched his young miss leave with the Yan family's master. He felt depressed. Wu.....What the hell is this? Why would the young miss take the initiative to leave with the Yan clan's first master? Based on his understanding of his young miss, shouldn't she order him to keep the Yan family's old master and the others behind, and then send someone to the Yan residence to get them to come and take the opportunity to ask for a huge sum of compensation? Why was it different from what he had imagined?

"City Lord, what do we do now?" Seeing his master being taken away, the Butler was extremely depressed. Wu ... What was the young miss playing at? The Butler's fragile little heart could not take the shock.

"You're asking me, but who should I ask? By the way, tell me, what's going on?" Yan kun asked in a bad mood.

"City Lord! It's like this ..."

The steward reported the matter in detail to Yan kun. After listening to it, Yan kun thought for a while and said, "Butler, send someone to the main residence to inform them that miss has something to do at the last minute and won't be going back for the time being."

"Oh! Alright! City Lord, what about the young miss? That young master of the Yan family wouldn't bully our miss, right?" The Butler said worriedly.

"Who knows who's the bully! When have you ever seen the young miss being bullied?" Yan kun glared and roared. If he was not the city Lord, he would also want to follow the young lady to watch the show. Unfortunately, he could not leave Northern Yan city so easily.

After the Butler had sent people to the nightmare forest, Zi Yu and Yue Qing had brought Bai Xian and his wife over.

In the living room of the city Lord's mansion.

The moon eye glared at Yan kun and roared, "That damned Yan kun! Why didn't you stop them? That bullsh * t master Yan and miss Yan actually wanted to kill my master, Hmph! I won't let them off!"

"Great aunt Yue Qing, it's the young miss who wants to leave with her. Do you think I can stop her?" Yan kun said with an aggrieved expression. Wu...The people around master are so fierce! He was so scared!

"Who told you to stop young miss? I told you to stop that old master Yan! "You should have left them in Yanbei city so that we could have a good show to watch. Now that they've left, where are we going to watch the show? By the way, where's their base? Let's just go straight to their nest!" Yue Qing said after thinking.

"Uh!" After Yan kun heard Yue Qing's words, his forehead was full of black lines, and he couldn't help but feel disgusted. So you're not afraid that the young miss will be in danger, but just want to watch the show! Lair? If the Yan clan knew that you called their territory that way, they would definitely vomit blood in anger. After all, they were humans and not beasts. Who would like to hear their own home being called a nest? However, he only dared to think about it in his heart. He didn't dare to say it out loud in front of the violent mother beast, or he would be the one in trouble.

Chapter 1317: The Dark Clan (3)

"Moon eye! Calm down!" Zi Yu reminded him with a helpless smile. Then, he turned to Yan kun with a smile and said, "City Lord Yan, is that young master Yan your relative?"

"Of course not. Although our surnames are all Yan, we're not exactly the same. Other than our many years of working relationship, we're not even close." Yan kun quickly explained to avoid any misunderstanding.

"That's good. Otherwise, we won't be able to do as we please when we fight." After hearing Yan kun's words, Zi Yu said in relief.

"Uh!" Yan kun didn't know what to say. It seemed that no one around the Miss was easy to deal with!

"City Lord Yan, what is that Yan family?" Yue Qing asked anxiously.

“The Yan clan is nothing.” Yan kun was sweating. This young miss was really good at talking!

“Yes, I know the Yan family is not a good thing!” Yue Qing said in agreement.

“Uh!” Yan kun was depressed. In fact, he didn’t mean it that way. Wu...Okay! It was a slip of the tongue!

“Have you heard of the Dark Clan?” Yan kun said after taking a deep breath.

“Dark clan? Could it be that the Yan clan is also a dark clan?” Zi Yu asked with a face full of shock. The dark generation could be considered as another power in the divine realm apart from the eight great divine domains. However, one was in the open while the other was hidden in the dark.

Although the members of the dark generation rarely walked in the divine world, no one dared to look down on them. Their temperaments were unpredictable and they were temperamental. Furthermore, they would definitely take revenge if there was any. If the Yan clan was really a member of the dark generation, then it would be troublesome for the young lady to deal with them. Because the dark generation would not stop until one died in order to take revenge. Unless one could kill all of them, they would never stop looking for you.

“Yes, the Yan clan is one of the dark clans. However, the Yan clan that I know is only a branch. Their main clan is in the God Realm.” Yan kun nodded.

“How do you have business with the Dark Clan?” Zi Yu frowned and said disapprovingly. The words “dark clan” also represented trouble. Therefore, generally speaking, very few clans were willing to do business with them in the open. Of course, it was hard to say it in the dark.

.....

“I didn’t know that the Yan family was one of the dark families. I only found out when their master was drunk. However, our business was already very close at that time, so it was impossible for me to leave. Thus, my business with the Yan family continued until now. In fact, the Yan family master is a good person, but this young master is a little self-righteous.” Yan kun explained. If it wasn’t for the fact that he felt that the Yan family head was a person he could befriend, he wouldn’t have tolerated the Yan family’s young master so much. However, after offending his young lady, the Yan family’s young master would not be able to live a good life anymore. He just didn’t know how the Yan family head would view this matter.

“Then you should know where the main residence of the Yan family is, right?” Zi Yu asked with a faint smile.

“Yes, I know.” Yan kun nodded. Master Yan had invited him there before. Although it was hard to find, he still remembered it clearly.

“Tell us the location of the Yan family’s main residence. We’ll go look for the master!” Zi Yu said calmly.

“Right! We’re going to find master!” Yue Qing quickly echoed, her beautiful face full of excitement.

“Uh! How about ... I bring you there? Yan family head should give me some face!” Yan kun probed.

“No! You have to stay here and look after the house!” Zi Yu refused without even thinking. He was very clear about Yan kun’s thoughts, but he could not let him leave. Otherwise, wouldn’t the northern Yan city be without a leader?

“Al! Alright then!” Yan kun nodded unwillingly. Wu...Why was it that he could not join in the fun? Now, he really regretted not stopping the Yan family’s eldest young master and his group!

After telling Zi Yu the location of the Yan residence, he was afraid that they wouldn’t be able to find it, so he specially drew a map for them, and then, he reluctantly watched the four of them leave.

Seeing his city Lord’s resentful expression, the steward couldn’t help but comfort him, “”Master, don’t be sad. They will come back!”

“You don’t need to tell me that!” Yan kun said angrily. After he finished speaking, he glared at the housekeeper and turned back to his room to sulk.

At the same time, the eldest master of the Yan clan was on his way back to the Yan clan with Leng ruoxue, two men, and a beast.

After leaving the city Lord’s mansion in Northern Yan city with Leng ruoxue and the Beast, he was afraid that any delay would bring more trouble and that Yan kun would stop him. Thus, he left immediately without delay.

Originally, they wanted to ride their flying beasts back, but for some reason, after their flying beasts appeared, they all trembled and ran back to the beast space on their own. They didn’t even listen to their Master’s words. This made the Yan clan’s first master extremely vexed, but he couldn’t do anything about it, so they could only choose to walk.

Even though they were walking, the young master of the Yan clan could not possibly walk on foot. Furthermore, his daughter was still in a state of shock. Hence, he ordered his subordinates to buy a beast carriage for him and his precious daughter to ride on. As for his subordinates, Leng ruoxue, and the rest, they would naturally have to walk!

However, because the beast carriage was expensive and their funds were limited, this subordinate could only buy the cheapest beast carriage for the Yan clan’s first master. Because of the price, the beast pulling the carriage naturally could not be too good. Thus, they slowly advanced at the speed of a snail.

“Xue ‘er, are you tired? Let’s take a break!” Evildoer, who was walking behind the beast-drawn carriage, said to Leng ruoxue considerately.

“We’ve only been gone for a while! I’m not that pampered.” Leng ruoxue laughed, but she couldn’t help but complain in her heart. At this rate, when would they be able to reach this guy’s house? Or did this guy want to kill her and Xue Ying outside? Oh! It’s not impossible!

“I’m just worried about you! We haven’t walked for so long, I’m afraid you won’t be used to it.” The demon said affectionately.

“I know,” Leng ruoxue leaned into the evildoer’s embrace, her beautiful face filled with happiness.

Chapter 1318: The Dark Clan (4)

“Dammit! Who allowed you to rely on him? Get away from him!” At this time, the young lady of the Yan family who had just lifted the curtain of the beast carriage to look outside saw this scene and couldn’t help but roar with jealousy.

She had just woken up when her father told her that he had brought back the maidservant who had made her angry, along with the stinky Fox who had almost killed her and the devilish man who made her drool. When she heard that, she was extremely excited. She couldn’t care less about her slightly painful head and wanted to see it with her own eyes. Who knew that she would see this scene? suddenly, the anger in her heart rose!

Leng ruoxue rolled her eyes at the young lady of the Yan family who was glaring at her through the curtain. Then, she turned her head back to the evildoer. The two of them continued to be sweet to each other as if there was no one else around. They did not take the woman’s words seriously at all!

“Dammit! I’m talking to you! You dare to pretend you can’t hear me?” The young lady of the Yan family roared in anger.

Seeing this, the Yan clan’s first master hurriedly consoled, “My good daughter, she’s just a maidservant. Why are you angry with her? if you don’t like her, just kill her.”

“Father! Then I’ll kill her now! I don’t want to see her again!” The young lady of the Yan family said in an overbearing manner.

“Ling ‘er, there are so many people coming and going here. If we were to kill someone here and someone were to meddle in our business, wouldn’t that spoil our plans? moreover, her beast pet almost killed you. Are you willing to let her die so easily?” The Yan clan’s first master reminded. Actually, he was a little reluctant to let such a beauty give up her life in vain. Who asked him to always have tender feelings for women?

“Father is right. We’ll torture her to death when we get back to the Yan family! Hmph! I won’t let her have an easy time, and that stinky Fox too!” Yan Ling ‘er said with a vicious expression.

Xue Ying, who was walking beside Leng ruoxue, saw the fierce look in miss Yan’s eyes and said with a face full of fear, “Xue ‘er, that woman is trying to get her hands on us! I’m so scared!” After he finished speaking, he even intentionally leaned towards Leng ruoxue’s side. However, he was still kicked out by the demon.

“Why don’t you know how to love little animals at all!” Xue Ying crawled back again with tears in his eyes, accusing the evildoer of his atrocious acts in an extremely aggrieved manner.

“Are you a small animal?” The demon glanced at Xue Ying’s huge body and said speechlessly. He really couldn’t see how this Fox was small. When most beasts appeared in their beast form, they would basically mimic it. Only this fellow didn’t like it. It always appeared in this form that was almost the same height as its original body. It was clearly doing this on purpose, deliberately trying to give others pressure!

“Of course I am. Have you ever seen such a cute fox like me?” Xue Ying said arrogantly, and kept throwing charming eyes at the demon, which made the demon feel disgusted.

“Xueying, are your eyes cramping?” Leng ruoxue said, amused.

.....

“Uh! Of course not, I’m just throwing seductive eyes at your man! It’s a pity that your man doesn’t know how to flirt!” Xue Ying grumbled helplessly.

“He’s not interested in male beasts, but if you’re in heat, I don’t mind you seducing that lady.” Leng ruoxue suggested with an evil smile.

“I’m very sorry! I’m not interested in her!” Xue Ying said with a look of disdain.

“But she wants to kill us. If you don’t make the first move, we’ll be the ones to die.” Leng ruoxue reminded.

“It’s my honor to be able to go to the netherworld with you!” Xue Ying said with a smirk, unconcerned.

“You wish! If you want to go, you should go to the netherworld yourself! “Xue ‘er can only be with me!” The evildoer roared as he suppressed his anger.

“Shh! Lower your voice, others will hear you!” When Snow Shadow heard the demon’s loud voice, he hurriedly dissuaded him.

“It’s too late.” Leng ruoxue looked at the young lady of the Yan family, who had already alighted from the beast carriage, and said with an innocent expression.

“Aiya! A fiend has come, what should we do!” Xue Ying shouted in an exaggerated manner.

“Stinky Fox, who are you calling a fiend?” Yan Ling ‘er walked in front of them and asked loudly.

“Other than you, who else could it be?” Xue Ying rolled his eyes and said speechlessly, ‘this woman’s comprehension is terrible!’ Even a fool could tell that it was her, but she had to confirm it! Al!

“Stinky Fox! How dare you! I won’t let you off!” When Yan Ling ‘er heard Xue Ying’s words, she roared in anger.

“Miss Hong, you’ve said this many times, right? If you want to kill me, then come! Why are you talking so much nonsense!” Xue Ying said impatiently. Sigh! If it wasn’t for the fact that Xue ‘er wanted to enter their nest, it wouldn’t want to waste its breath on these stupid humans!

“Who is miss Hong?” Yan Ling ‘er was attracted by the words’ miss Hong ‘and couldn’t help but ask foolishly.

“You!” Snow Shadow said very clearly.

“Damn it, my surname is not Hong, my surname is Yan! I’m Yan Ling ‘er!” Yan Ling ‘er was very angry and shouted, “F * ck!” Why did she have to be associated with that woman from the Hong family? one had to know that the one she hated the most was that woman from the Hong family.

“Who said your surname is Hong? I’m talking about the lady in red. Aren’t you wearing red?” Snow Shadow said in realization.

“Dammit! You’re playing with me?” Yan Ling ‘er’s anger rose again after hearing Xue Ying’s words.

"I'm so wronged!" Xue Ying's eyes were filled with tears, and her face was full of grievance.

"Hmph! Just you wait, I'll deal with you when I get home! And you! Stay away from him, you're not allowed to come within three meters of him!" Yan Ling 'er looked at Leng ruoxue and warned her. As for the 'him' she was referring to, she was obviously referring to the demon!

"He's my man!" Leng ruoxue reminded her speechlessly. She had to admit that she had seen many brainless women, but Yan Ling 'er was one of the most outstanding ones. Up until now, no woman had ever ordered her to stay three meters away from her man in such a domineering manner. Today, she could be considered to have broadened her horizons.

"So what? You won't be very soon." Yan Ling 'er said confidently. Then, she worriedly called for the guards and ordered them to guard them closely, not allowing the two of them to get close.

The guard agreed. When he saw his miss returning to the beast-drawn carriage, he whispered to Leng ruoxue, "Uh! I'm just following orders, so don't blame me!"

The guards were not stupid. Many of them could tell that the two humans and one beast that the eldest master had brought back were tough people. Hence, they did not make things difficult for Leng ruoxue in private. On the contrary, they would take care of her when they could in order to obtain good karma. After all, they were only guards! Sir system dared to offend them, but they did not!

Chapter 1319: The Dark Clan (5)

"I understand!" Leng ruoxue smiled faintly. She wouldn't make things difficult for a few errand boys, so she naturally wouldn't listen to miss Yan's words.

After she finished speaking, she took the evildoer's arm, and the guard beside her also opened one eye and closed the other, as if he did not see anything.

The beast carriage moved slowly. Seeing that the sky was getting dark and they were in the wilderness, they could only set up a tent and spend the night outside.

The guards of the Yan residence were busy, while Leng ruoxue and the demon found a place to sit down! Xue Ying lay beside them, her eyes fixed on every movement in the beast carriage! The young lady from the Yan residence had said that she would be staying in the carriage tonight. It didn't know how the father and daughter would distribute the beast carriage, so it was really curious.

Not long after, Xue Ying saw the Yan clan's first master walking down from the beast carriage, clearly intending to leave the beast carriage to his precious daughter.

The guards of the Yan clan prepared the food and specially sent some over to Leng ruoxue and the rest. However, they were all rejected by Leng ruoxue.

"Thank you! We have food!" As soon as Leng ruoxue finished speaking, she took out a steaming hot roast chicken from her bracelet and passed it to Xue Ying. Then, she took out another one to share with the demon. She had asked Qing Jue to roast these two chickens in the medium. Naturally, she had used the chickens that were raised in her bracelet and were full of spiritual energy. Therefore, the meat was exceptionally delicious. Even she, who did not particularly like to eat chicken, could eat a lot of it!

When the guard smelled the chicken in Leng ruoxue's hands, he couldn't help but swallow his saliva. They were both chickens, but why did they taste so different? Just look at how fragrant it was! However, he could only drool.

At this time, Yan Ling 'er's voice rang out from the beast carriage again,""What are you roasting? let me have a taste!"

When the guard heard Yan Ling 'er's words, he directly gave the roast chicken in his hand to Yan Ling' er.

"Xue 'er, do you think that annoying woman will go crazy if she finds out that the fragrance she smelled just now was from our food?" Xue Ying, who was eating very elegantly, asked curiously.

"She won't know. She'll only think arrogantly, why didn't the meat in her mouth smell as good as it did!" Leng ruoxue said.

"Hmm, that makes sense! But, where are we sleeping tonight? You're not really planning to let us sleep in the wild, are you?" Xue Ying looked at Leng ruoxue and asked with a puzzled expression. They did not have a tent and could not take out the house. Wu...What should they do?

.....

"I thought you would be used to sleeping in the wild!" After hearing Xue Ying's words, Leng ruoxue replied as a matter of course," Didn't Beastie always go with the flow and sleep wherever they encountered?

"That was in the past. Now, I'm used to sleeping on a bed. If you make me sleep in the wilderness, I won't be able to adapt." Xue Ying said with an innocent look on his face. Wu ... It was no longer a wild fox. Now, it was raised at home, so it had to sleep in a bed!

"Let's set up a tent later and sleep inside!" Leng ruoxue chuckled. Actually, she was just teasing Xue Ying earlier.

Leng ruoxue, the two humans and the Beast quickly finished their meal and set up the tent. After greeting the guards who were watching over them, the two humans and the Beast entered the tent together.

Ugh! The guards who saw their actions were so curious that they felt as if a cat was scratching their hearts. Two people and one beast had only set up one tent, and all of them had entered. Wasn't it crowded?

Never in his dreams would he have thought that the tent was just Leng ruoxue's smokescreen. They had long since entered the bangle. Hence, he had done his job and stood guard outside the tent for the entire night, preventing them from sneaking away.

The next day.

Leng ruoxue, the two of them and the Beast walked out of the tent in high spirits. When they saw the guards outside the tent, Leng ruoxue even showed them some sympathy and concern. "What's wrong? Didn't you sleep well last night?"

“Yup!” The guard said with a smile, but he couldn’t help but complain in his heart. It would be a wonder if you slept well. I have to guard you, how could I dare to sleep! If he let you run away, young miss would skin him alive!

“It’s really hard to be a guard! I’ll talk to your miss and ask her to increase your salary.” Leng ruoxue said with a smile.

“Don ‘t! Please don ‘t!” When the guard heard Leng ruoxue’s words, he was so frightened that he hurriedly spoke. If this woman were to make such a request to the young lady, the young lady would definitely think that he was in cahoots with this woman. At that time, he would not have it easy.

“Hehe! Don’t be afraid! I was just saying! Your miss won’t listen to me!” Leng ruoxue laughed evilly.

“MMH! The young lady will not listen to anyone.” The guard hurriedly nodded.

“Can we be on our way now? By the way, where is the Yan clan? How long do we have to walk if we keep going this way?” Leng ruoxue asked casually.

“We can go now. It’ll probably take us at least half a month to reach the Yan residence.” The guard said softly. However, he did not answer Leng ruoxue’s question about where the Yan clan was.

“Oh!” Leng ruoxue nodded and thought to herself, ‘looks like the Yan family is quite far from Yanbei city!’ However, when she arrived at the Yan clan’s base camp, she realized that it was not that the Yan clan was far from Yanbei city, but that their speed was simply too slow.

After having a simple breakfast, the Yan clan’s first master and his party continued on their way.

At this moment, Zi Yu and the others were also on their way to the Yan clan.

After flying for nearly two days, the four of them finally found the Yan residence.

The Yan clan was located in a small mountain to the North of Yanbei city. On the mountainside of the small mountain, there were two large characters, ‘Yan city’.

Seeing these two words, Zi Yu’s forehead was filled with black lines. She thought to herself, “as expected of the Dark Clan!” He actually knew how to occupy a mountain as a city.

“It seems that the Yan clan is quite similar to our master in some ways. They both like to live in the mountains.” Bai Xian sighed as he looked at the small mountain in front of him.

“Same, my ass! How can the Yan family be compared to our young miss!” Yue Qing said with some anger. Right now, as long as she thought of the Yan family, she would have the urge to fight. Hmph! He dared to touch her young miss, he really didn’t want to live!

“Uh! I was wrong!” Bai Xian saw that the tigress had gone mad and quickly admitted his mistake. Boohoo ... He didn’t dare to provoke an adult soul-gnawing beast. Wasn’t that courting death?

“Hmph! I don’t plan on letting this Yan family off, you guys decide for yourselves!” The moon eye roared furiously.

“Yue Qing, calm down! We have to see the young lady first before we can make any plans. Don’t be impulsive!” Zi Yu advised helplessly.

“Okay, let’s go then!” Yue Qing said while holding back her anger.

The four of them came to the mountain Gate and handed over the invitation that Yan kun had given them to the city guard. They were then invited into Yan city to wait for the city Lord to meet them.

In the Yan residence’s living room, Zi Yu and Bai Xian sat quietly at the side, drinking tea. As for Yue Qing, she was pacing back and forth in frustration. As soul-gnawing beasts, their tempers were naturally explosive. After following the young miss for a few years, her temper had been restrained a lot. However, for some unknown reason, after knowing about the young miss’s matter this time, her temper had actually gone out of control. Other than wanting to watch the show, she was also anxious to see her young miss, because she could only be by the young miss ‘side. Only then would she be able to calm down. Miss seemed to have the ability to calm people down, and that feeling made her very comfortable.

After waiting for a while, the Yan family’s steward brought in a middle-aged man who looked to be in his early forties.

When Zi Yu and the others saw the middle-aged man, they all knew that he was not the master of the Yan family. Therefore, no one had any intention of getting up, and they just sat in their chairs ...

Chapter 1320: The Yan family’s enemy (1)

“Everyone, this is the second master of our family.” The Butler introduced with a smile.

However, Zi Yu and the others didn’t say anything. Seeing this, Yue Qing sneered, “Housekeeper, we want to see your family head, not some second master! Did you misunderstand what we meant?”

“I’m sorry, everyone. The family head has something to attend to, so he sent the second master to receive you. I hope you can forgive him!” The Butler said with a smile.

“We have important matters to discuss with your clan head. Are you sure he can’t see us now? Or perhaps this second master can make the decision for your Yan clan?” Yue Qing sneered. Hmph! Did the Yan family take them for fools? What do you mean by something happened to the master? She didn’t believe it! He was clearly trying to avoid them.

“Miss, the master is indeed busy. Why Would I Lie to You?” The Butler wiped the cold sweat from his forehead and said helplessly, “Wu...Why is this woman so difficult to deal with!”

“Only you know whether I’m lying or not. Ziyu, since he’s so insincere, let’s leave!” Yue Qing turned her head and said to Zi Yu.

“Yes.” Zi Yu nodded. The three of them stood up and prepared to walk out of the hall.

However, he had only taken two steps when he was stopped by the middle-aged man.

“I’m sorry, everyone. My father really has something to do and can’t leave. Please don’t take offense!” The middle-aged man said courteously.

“I wonder when Yan family head will be able to see us?” Zi Yu asked indifferently.

"It'll be a few days. Why don't you all stay at my Yan residence for the time being? when my father is done with his work, I'll personally invite you all." The middle-aged man said.

"That's good too." Zi Yu nodded her head in understanding.

.....

After that, the middle-aged man instructed the Butler to arrange guest rooms for Zi Yu and the others. He had intended to arrange for someone to serve them, but they refused.

In the guest room.

Yue Qing kept walking back and forth. Seeing her appearance, Zi Yu couldn't help but laugh, "Yue Qing, calm down."

"How can I be calm? We still haven't found the young lady's whereabouts, and that Yan family head is not willing to see us." Yue Qing couldn't help but complain.

"Nothing will happen to the young lady. As for that Yan family head, he most likely ran into some trouble. Otherwise, with the friendship between Yanbei city and him, he would not refuse to see us." Zi Yu calmly analyzed.

"So what if we have a friendship? Now that the master of the Yan clan has taken away our young lady, and we don't even know if he's Dead or Alive, can the Yan clan and Yan northern city still continue their friendship?" Yue Qing said unhappily. She didn't care what happened to that Yan family head! In short, it was enough for her to see the young lady, Hmph! If the young miss lost a single strand of hair, she would definitely destroy the Yan clan. She didn't care what kind of dark clan the Yan clan was!

"I think Yue Qing's words are very reasonable. That old master from the Yan clan took our young miss away, so young miss will definitely not let him off. Our enmity with the Yan clan is also set in stone. Since that's the case, we don't have to be too polite to the Yan clan. It's better for us to make the first move." Bai Xian said, wishing for the world to be in chaos.

"Why are you all so violent? I think we should still meet the Yan family head, there might be a good show to watch." Zi Yu said with a mysterious look.

"Uh! What's the meaning of this?" Bai Xian's curiosity was aroused.

"Don't you smell the faint scent of blood in the Yan residence? "If I'm not wrong, the reason why master Yan refuses to see us is probably because he's injured, or something has happened to the Yan family, so that master Yan can't attend to many things. Don't forget that Yan kun once said that he has a good relationship with master Yan. Since they have a good relationship, and we have Yan kun's notice, even if he doesn't treat us as distinguished guests, he should at least meet us in person! However, he only sent his own son. Doesn't this show that there's a problem?" Zi Yu said with a faint smile.

"Now that you've mentioned it, it does seem a little suspicious!" Bai Xian lowered his head and pondered for a while.

"What do we do now?" Yue Qing said impatiently.

“We’ll wait,” Zi Yu said. When he said that he wanted to leave earlier, it was just a pretense. In fact, he also wanted to see the Yan clan’s reaction. Since they were now being held back, there was naturally no need to leave so easily.

“But we still haven’t found the young miss.” Yue Qing said with a frown.

“We’ll find out when we get the chance.” Zi Yu reminded. After the housekeeper brought them to the guest room, he left in a hurry. No one knew if he was really in such a hurry or if he was afraid that they would eat people! Ai!

“I’ll go out and ask around!” Yue Qing said, unable to sit still. After saying this, he stood up and left the guest room.

“Xiang ‘er, you should also go and take a look!” Zi Yu looked at Yue Qing’s back and said with some worry.

“Alright,” he said. Xiang ‘er stood up and left after Yue Qing.

“Ziyu, what should we do?” Bai Xian couldn’t help but ask. They couldn’t just wait here!

“Just wait patiently!” Ziyu said with a smirk, as if she knew what was on Bai Xian’s mind.

“Uh! Then let’s wait!” Bai Xian was helpless.

At the same time, in the main courtyard of the Yan residence, the second master of the Yan clan was reporting the situation of the guests to his Lord father.

“Father, is that Yan kun really that important? Why do we have to accommodate them?” The second master of the Yan clan asked in confusion. Based on his temper, if they wanted to leave, they could just leave. However, his father had specifically ordered him to treat them well. This made him very puzzled.

“Yan kun and my father have been friends for many years. Their relationship has always been good. In recent years, Yan kun seemed to have met with some kind of lucky encounter. His momentum has been out of control. The ning clan, Chi clan, and some other top clans have repeatedly expressed their goodwill to him. Therefore, our Yan clan naturally can not fall behind. You know the current situation of our Yan clan. We really need allies. Otherwise, the Hong clan alone can force our Yan clan into a desperate situation!” Yan family head coughed a few times before he continued.

“Father, I understand.” The Yan clan’s second master nodded.

“Since you understand, you must take good care of them. Remember not to neglect them.” Yan family head warned.

“Yes, but they want to see father. I’m afraid I don’t have that kind of weight.” The Yan clan’s second master said worriedly.
