

Crazy Wife 1331

Chapter 1331: Being framed (2)

"If she doesn't listen, I'll kill her! At that time, your contract can still be terminated!" Hong Xin said in an overbearing manner.

"Miss Lü, if you kill my master, I will die as well." Xue Ying rolled his eyes and said helplessly, sigh! This woman really didn't have much common sense. All the beasts knew that after signing a master-slave contract, if the master died, the beasts would also die.

"I see! Then I'll force your master to break your master-servant contract." Hong Xin thought and said.

"If you have the ability, then go ahead!" Xue Ying said in an unpleasant tone.

"Hmph! You will definitely be mine!" Hong Xin said confidently.

"I'm looking forward to it!" Xue Ying was too lazy to respond to Hong Xin. After saying these few words, he didn't say anything else.

Xue Ying did not say anything, and the demon did not even bother to look at the two sisters. The two sisters stood there like fools for a while, then left embarrassedly. If they did not leave, everyone's attention would be attracted to them. However, as they left, the two of them could not help but secretly complain about the demon's lack of romantic feelings.

"What do you think they'll do next?" Snow Shadow said, as if he was waiting to watch a good show. Hehe! Although on the way to Yan city, there was a time bomb that could explode at any time, it was quite interesting to watch the two sisters "fight for a husband".

"You'll have to ask them." The demon said coldly, the cold Qi on his body growing thicker.

"But, it seems that there are more than two women who are interested in you!" As Xue Ying spoke, he also stole a glance at Yan Ling'er, who was in the prison carriage not far away from them. The father and daughter of the Yan family were currently locked in the prison carriage that was filled with slaves, and the possibility of escape was zero. Their subordinates were also tied up and slowly following behind the carriage.

"So what?" The demon lifted his eyelids and asked indifferently.

"Will they start a fight?" Xue Ying's face was filled with curiosity.

"I don't know," The demon said with a lack of interest. After he finished speaking, he left Xue Ying behind and walked towards Leng ruoxue's beast-drawn carriage. He lifted the curtain and entered.

.....

Hehe! This man finally couldn't take it anymore. He clearly didn't want Xue'er to sit in that car, but he still pretended to be generous. Sigh! Wasn't it tiring?

Xue Ying looked at the back of the demon and muttered to himself.

However, it didn't follow them. Instead, it quietly walked to Hong Xin's side and said something to her. Then, it saw Hong Xin angrily walking towards Yan Ling 'er's prisoner carriage ...

Not long after, Yan Ling 'er's howls and curses were heard, but they were ignored by everyone present.

The evildoer who had just entered the beast carriage was about to say a few words to Xue 'er when a woman's painful howl came from outside. He frowned and felt a little resentful that the voice came at the wrong time and disturbed his time with Xue' er.

"What's going on outside?" Leng ruoxue asked curiously. This voice should be Yan Ling 'er's, but why was she screaming so miserably?

"I don't know. There's no need to care about those irrelevant things." The demon pulled Xue 'er into his arms and said indifferently.

Yue Qing and Xiang 'er, who were originally in the carriage, left the moment they saw the evildoer enter. Otherwise, Leng ruoxue would not have allowed the evildoer to do whatever he wanted! However, in the car, the most he could do was hug her.

"Oh! The team has stopped?" Leng ruoxue asked again.

"Yes, he said he wanted to rest and prepare lunch." The demon said, a little speechless.

"Uh! They really know how to enjoy themselves." Leng ruoxue didn't know what to say. She didn't seem to have walked much in the morning! Why are you resting so soon?

"Yup! By the time they arrive at the Yan clan, the Yan clan would have received the news and made preparations." The demon laughed evilly.

"Yes." Leng ruoxue nodded. Previously, she had specially asked Yue Qing to secretly return to Yan city and leak the news. The Yan clan should be making preparations by now.

At this moment, the voice of the Hong family's master suddenly rang in their ears. They looked at each other and saw the impatience in each other's eyes.

"Master Hong, what's the matter?" Leng ruoxue and the demon opened the curtains and walked out unwillingly.

"Young miss Leng, I've ordered my subordinates to prepare lunch. Let's eat together!" The master of the Hong family smiled very affably. Although the man in front of him was an eyesore, he couldn't show it because of his demeanor.

"Thank you, master Hong. However, I've already asked the maidservants to prepare the food, so we won't be eating with you." Leng ruoxue declined.

"Alright then!" After hearing Leng ruoxue's words, the master of the Hong family did not force her. He nodded his head slightly and turned to leave.

"Miss, the food is ready." Yue Qing, who had been paying attention to their movements, suddenly shouted. Then, he took out a table from his storage ring and placed the food on it.

“Yes.” Leng ruoxue chuckled as she walked to the table and pulled the evildoer to sit down with her. Yue Qing, Xiang ‘er, and Xue Ying sat down beside them.

“Xue ‘er, I feel a very unfriendly gaze! Oh! Not just one, at least two, at most three!” Xue Ying smiled as he spoke in a tongue-twister-like manner.

“Can’t you stuff your mouth with food?” Leng ruoxue rolled her eyes at Xue Ying and said helplessly.

“Hehe! I’m just reminding you to be careful!” Xue Ying chuckled, his face clearly showing that he wanted to watch a good show.

“Don’t you think you’re too free? Do you want me to cancel the ‘master-servant’ contract between us and throw you to that miss lü?” Leng ruoxue raised her brows slightly and teased. She had heard everything they had said outside, so she naturally knew how Xue Ying had replied.

“Don ‘t! I’m in the wrong, alright!” Xue Ying said with a face full of fear, and secretly made up his mind. If Xue ‘er really threw him to Hong Xin, then he would go all out and kill that woman, Hmph! It can do it! It wasn’t a kind Fox to begin with.

Chapter 1332: Being framed (3)

“It’s a great virtue to know one’s mistake and change for the better. However, you have to tell me, what did you say to Hong Xin just now? why did she turn around and look for trouble with Yan Ling ‘er?” Leng ruoxue asked curiously.

“Xue ‘er, curiosity killed the cat.” Snow Shadow reminded.

“I’m not a cat, so I’m not afraid!” Leng ruoxue said disapprovingly.

“That’s good! Then I’ll tell you! Actually, I didn’t say anything! However, when she told Hong Xin that Yan Ling ‘er was also having ideas about someone, she exploded in anger. So, Yan Ling ‘er was unlucky! Xue ‘er, I’ve taken revenge for you!” Xue Ying said with a fawning expression.

“Why don’t you tell Hong Xin that Hong Lian is also thinking about the demon!” Leng ruoxue asked out of curiosity.

“Tsk! Even if I told her, Hong Xin wouldn’t believe me, unless she sees the truth with her own eyes!” Xue Ying said in understanding, and his gaze involuntarily turned to the demon.

“Don’t even think about it, I can’t be bothered to put on an act with them!” The demon warned coldly.

“Hehe! How would I dare to have any ideas about you! I just want to borrow the Beastie that can set up illusions from Xue ‘er.” Xue Ying quickly clarified.

“You said confusion?” Leng ruoxue asked in surprise. It seemed like Xue Ying was quite familiar with her Beastie!

“Yes yes, lend it to me!” Snow Shadow requested.

“Alright then!” Leng ruoxue nodded. With a thought, she took out a small, snow-white Snake from her bracelet.

“Master.” The moment the charm appeared, it took the initiative to climb onto Leng ruoxue’s wrist.

“Hey, hey! You little snake, why do you only have eyes for your master? don’t tell me you didn’t see us?” Seeing that he had been ignored, Xue Ying could not help but say with some envy and jealousy.

.....

“Shouldn’t a Beastie only have its master in its eyes?” Huo said matter-of-factly.

“Uh! Alright! You’re right! But you can’t just ignore the rest of us! You should at least inform us!” Xue Ying said, somewhat unconvinced.

“You’re not even human!” Huo mumbled softly, then buried his head under his body, ignoring the bored Fox.

“Hahaha!” Seeing Xue Ying’s depressed expression, Leng ruoxue couldn’t help but smile happily. Her spiritual beasts were really too cute.

“Xue ‘er, your Beastie is too good at bullying people.” Snow Shadow accused.

“You’re not a human, you’re a Fox. ” Leng ruoxue mimicked the tone of confusion.

“Hahaha!” Hearing Leng ruoxue’s words, Yue Qing and Xiang ‘er couldn’t help but chuckle softly, while Xue Ying was even more depressed.

Burying his head in his food, Xue Ying was so depressed that he didn’t want to bother with bad people like Leng ruoxue. Seeing this, Leng ruoxue took the initiative to place the bewitching God on Xue Ying’s claws and said, “Take it and play!”

“You’re the one who let me play with this!” Xue Ying raised his head and said excitedly. There was no trace of gloominess on his face!

“Yes.” Leng ruoxue nodded her head helplessly.

After lunch, the group from the Hong family continued on their way.

In the evening, they specially found a spacious area to set up their tents. Master Hong wanted to help Leng ruoxue and the others set up their tents as well, but he was rejected.

After dinner, Leng ruoxue brought the evildoer, Yue Qing and Xiang ‘er into the bracelet to rest while Xue Ying sneaked out of the tent ...

The next morning.

Leng ruoxue and the rest had just left the tent when they felt that the atmosphere was not right. However, she did not think too much about it.

“Miss Leng, can I have a word with you?” Just as Leng ruoxue was about to eat her breakfast, master Hong walked over with a serious expression.

“Master Hong, if you have anything to say, just say it! They’re not outsiders!” Leng ruoxue chuckled.

“I want to talk to you in private.” The head of the Hong family said.

“Uh!” Leng ruoxue glanced at the evildoer. Seeing that he did not object, she nodded her head unwillingly. Following that, she followed behind master Hong ...

Watching them walk away, Yue Qing couldn’t help but worry, “That guy wouldn’t have any bad intentions towards young miss, right? What can’t you say in front of us, why must you say it in private? Hmph! He definitely doesn’t have any good intentions!”

“Don’t talk nonsense! Maybe that master Hong really has something to discuss with our young miss! Can’t you see how cautious he is?” Xiang ‘er sneaked a glance at the evildoer and pulled Yue Qing’s sleeve as she reminded him.

“Uh! That’s true! If he dares to have any ill-intentions towards miss, then he’ll definitely be the unlucky one!” Yue Qing hurriedly said, her heart couldn’t help but beat wildly! Hu! That was close! Fortunately Xiang ‘er reminded her, otherwise, if she continued to speak, leader ye would definitely fly into a rage!

At this moment, Leng ruoxue had followed master Hong out of the line of sight. Seeing that he had no intention of stopping, she said directly, “Hong family head, are you planning to walk back to Hong city? If you have anything to say, say it here!”

“Alright!” The master of the Hong family nodded and said awkwardly. In fact, he just wanted to stay away from his family’s team, but he didn’t expect to walk so far by accident.

“Miss Leng, didn’t you hear anything last night?” The head of the Hong family couldn’t help asking.

“Should I have heard something? I’m sorry, I slept too deeply last night and didn’t hear anything. However, does this have anything to do with what the Hong family’s head is talking about?” Leng ruoxue’s face was filled with bewilderment. She was extremely annoyed by the master of the Hong family’s nonsense!

“Last night, the man beside you seduced my two daughters and caused them to turn against each other. Shouldn’t miss Leng give me an explanation for this matter?” The master of the Hong family took a deep breath and said with some difficulty.

“Master Hong, do you know what you’re saying? He was with me the entire time yesterday. How could he have the chance to seduce your daughter?” Leng ruoxue laughed coldly as she retorted, Hmph! It wasn’t the first or second day that the Hong sisters had been coveting the evildoer, so why would they need to specially seduce him? If she didn’t seduce him, she would probably take the initiative to pounce on him.

“Miss Leng, Are you sure? There’s no man who doesn’t like to play around. Maybe he sneaked out while you were asleep, so you didn’t know. ” The head of the Hong family reminded.

“Master Hong, I know my man better than anyone else. He would never do such a thing. If you want to sow discord, I’m afraid you’ve found the wrong person!” Leng ruoxue’s beautiful face was filled with mockery.

Chapter 1333: Being framed (4)

“Miss Leng, please don’t be angry. He was indeed the one who did something good yesterday. We all saw it.” The head of the Hong family said with a pained expression. Actually, his words were indeed trying to sow discord. However, for the sake of the three of them, he had no choice but to say these words. However, he didn’t want Leng ruoxue to misunderstand him. Otherwise, it would be counterproductive!

“Master Hong, you said he did a good thing! He also said that you all saw it! Then can you tell me what good things he has done?” Leng ruoxue asked a little impatiently. This man had been talking for a long time, but he

Gong Fan took a sip of his tea and frowned. He put it aside and stopped drinking.

Gong Jie was surprised to see this. “What’s the matter?”

“Too much sugar.” After a pause, the boy said, “It’s too sweet.”

Gong Jie did not expect to hear this, and his expression grew increasingly complex.

...

“I recently took on a patient with multiple personalities.”

Gong Jie sat on the sofa cross from Alice. As she poured tea for him, she said faintly, “This patient has six personalities and each is independent.”

“Are you diving deeper into this area of work now?”

“If it weren’t for your dear nephew, I wouldn’t have taken over this patient.” Alice sat down with a rather heavy sigh.

“There aren’t many patients with multiple personalities around. The incidence of occurrence of this condition is also very small. However, most of the more complicated conditions are handled by authoritative research institutes. In short, they’re test subjects. These patients have been tortured by multiple personalities for a long time and have been controlled. Generally, the underlying cause of multiple personalities is a loss of sense of self-unification due to self-identification disorders. Two or more distinct personalities develop as a result. When one personality appears, the others automatically exit. Generally, it’s the primary personality that dominates. As far as I know, the person with the most number of personalities in the world currently being investigated is Billy Milligan.”

“Billy?”

.....

“Well, his story was also made into a movie. Originally, he committed three cases of rape in Ohio State, but he was diagnosed as a rare multiple-personality schizophrenic and acquitted.”

Gong Jie nodded. “I’ve heard of him.”

This man was the only felon in the history of M nation to be exonerated for multiple personalities.

“After he committed the crime and was arrested, he had no idea what kind of crime he had committed. He underwent a psychological test assessment before he was diagnosed with schizophrenia.” Alice took a sip of tea and continued. “After he was exempted from punishment, he began a lengthy period of treatment. Two doctors separately found out that he had a total of 24 personalities. However, through treatment, the doctors discovered that the dissociation of these personalities was inseparable from his childhood.”

“How so?”

“Billy’s mom, Dorothy, grew up on a farm in Ohio, and subsequently lived with her husband, Dick, when she came of age. They later divorced and Dorothy moved to Miami and became a singer-songwriter. There she moved in with a married Jewish comedian named Morrison. Dorothy and Morrison had three children together, and the second son, William, was Billy. A few years later, Morrison committed suicide because of gambling debts and alcoholism, following a previous suicide attempt. After that, Dorothy left Miami with the kids and returned to Ohio.”

“Dorothy met Chalmer. This man was the cause of Billy’s schizophrenia.”

Chapter 1334: Being framed (5)

Just as Leng ruoxue’s thoughts were running wild, Hong Xin suddenly ran over and shouted, “How can you do this to me? I’m already pregnant with your child!”

As soon as Hong Xin’s words came out, the entire place fell silent. Everyone didn’t even dare to breathe, and they all looked at Hong Xin in disbelief.

When Leng ruoxue heard Hong Xin’s words, she felt as if she had been struck by lightning. Black lines appeared on her forehead, and she felt as if her strength was not in her heart. She could not help but sigh in her heart. It seemed that Hong Xin had gone crazy to be able to say such words. However, when she saw Hong Lian standing not far away with a smug expression, she understood.

It looked like Hong Lian was planning to use Hong Xin as a weapon. First, she would force the evildoer to agree to be responsible for the daughter of the Hong family. The next step would probably be to think of a way to get rid of this eyesore of a younger sister. Poor Hong Xin! He was actually happy to be used by his sister! How lamentable!

“Miss Hong, are you sure the child in your stomach is mine? Or rather, it could be said that miss Hong was sure that there was a child in her stomach? Don’t accuse me! I’ll be angry.” The demon laughed nonchalantly.

Although the evildoer was smiling, for some reason, in Hong Xin’s eyes, his smile did not make her heart palpitate. She even felt a chill in her heart. She was about to retreat, but Hong Lian’s voice rang in her heart again ...

“Xin ‘er, do you want to waste all your efforts? This is the best opportunity!” Hong Lian sensed Hong Xin’s fear and quickly warned him.

“But! He makes me so scared!” Hong Xin said timidly.

“Don’t be afraid. Think about the feeling of being held in his arms. Isn’t that what you want?” Hong Lian tempted.

“Yes.” Hong Xin subconsciously nodded. Yes, she was really jealous of that woman who could be unscrupulous and be held in the arms of that god-like evil man. She also wanted to be like that. Therefore, after hearing Hong Lian’s words, she made up her mind to persist until the end.

“Of course it’s yours. Don’t tell me you don’t want to admit it?” Hong Xin said angrily, her body trembling slightly. People who didn’t know what was going on would think that she was angry, but in fact, she was afraid.

“Since it’s mine, then you should give birth to it!” The demon nodded.

“You’re willing to acknowledge this child?” Hong Xin’s face was full of joy. She didn’t expect things to be so easy. She had planned to die until the end! Who knew that the man she liked would actually ask her to give birth to this child? but then she realized a very serious problem, because she didn’t have a child at all, so how could she get a child that was made up! Sob ... What should I do? She was depressed.

.....

“Of course, I’ll acknowledge my child.” The demon laughed evilly. There was one more sentence that he did not say out loud, and that was, ‘if it’s not my child, don’t even think about framing me!’

“Since you’re willing to acknowledge her, then quickly marry my daughter!” The master of the Hong family continued the conversation, somewhat impatiently.

“Master Hong, what’s the hurry? we’ll talk about this after the child is born!” The demon laughed.

“You ... What do you mean by this? Didn’t you already acknowledge this child?” The master of the Hong family didn’t know what was going on. He thought that the matter had already been settled, but who knew that she would only be willing to marry after the child was born? How could xiner have a child? Even if the other party believed him, he wouldn’t!

“Master Hong, we’re all men. You should know that you can’t just randomly acknowledge a child. Otherwise, you’ll be depressed to death if you raise someone else’s child!” The demon raised his eyebrows.

“Uh! Then what do you want?” The head of the Hong family sighed helplessly. It seemed like this man wasn’t as easy to fool as he thought!

“Miss Hong, didn’t you say that you have a child? I want to see the child. It’s that simple!” The demon said matter-of-factly.

After he finished speaking, he carried Leng ruoxue and turned around to return to the tent.

After entering the tent, Leng ruoxue had a change of heart and brought the evildoer into the bracelet.

Sitting on the stone chair in front of the purple bamboo house, the demon stared unblinkingly at Leng ruoxue. After a long while, he said, “Xue ‘er, shouldn’t you tell me what the patriarch of the Hong family told you?”

“Uh! That’s what I’m talking about. I didn’t dare to tell you because I was afraid you’d be angry.” Leng ruoxue said guiltily.

“You’re afraid I’ll be angry? Are you not angry?” The demon could not help but ask.

“What’s there to be angry about? we’ll just treat it like we’re watching a bunch of clowns. They’ve managed to entertain us anyway, haven’t they?” Leng ruoxue said disapprovingly.

“But I’ve been wronged. I’ve been wronged for having my child.” The demon had an aggrieved look on his face, and there were tears in his eyes. It was obvious that he wanted Leng ruoxue to take responsibility for him.

“Uh! Didn’t you also make them conjure up a child? I think they should be the ones worrying now. I’m sure they’ll be racking their brains for this child!” Leng ruoxue patted the evildoer’s head like she was petting a puppy as she comforted him.

“Xue ‘er, I’m not your baby.” The demon said with some dissatisfaction. He pulled Xue ‘er into his arms and started to eat ...

After a long time.

The demon was satisfied, but he still remembered what had happened. He roared into the void, “Snow Shadow! Get out here!”

After waiting for a while, he did not see the big snow-white fox.

“I’ll count to three. If you don’t get the hell out, you’ll have to bear the consequences!” The demon threatened the void. Just as he was about to count, he saw a snow-white figure walk out from the dark unwillingly ...

Xue Ying carefully and fearfully nudged his small steps until the demon’s patience ran out and he roared again, “You’re a Fox, not a snail. If you continue to be so slow, I’ll roast you!”

“I’m coming!” When Snow Shadow heard this, he hurriedly ran in front of the evildoer to please him, his face full of solicitousness!

“What did you do last night? Is the child in Hong Xin’s stomach yours?” The demon asked loudly with a cold face.

When Leng ruoxue heard the demon’s question, she had to suppress her laughter! This demon was really too evil. He clearly knew that it was a child that didn’t exist, yet he still used it to ask Snow Shadow. He was clearly trying to scare it! However, she was also clear that Xue Ying must have done something last night. Otherwise, the Hong family members’ expressions this morning would not be so strange!

“No! Absolutely not! I haven’t even touched that woman’s hand, how could she have a child!” When Snow Shadow heard the evildoer’s words, he quickly shook his head and explained, “wuu ... It’s a Fox that keeps its body as pure as Jade, you can’t wrong it like this!”

“Then what did you do last night? Tell me the truth!” The demon half-squinted his eyes and ordered.

“Yes! I’ll explain! “Actually, I really didn’t do anything bad last night. I just asked Huo to transform into your appearance and went out alone. Then, that Hong Lian came to confess to me. After that, Hong Xin also came. They just happened to bump into each other and started fighting. I saw that my goal was achieved, so I ran away. That’s all!” Xue Ying said honestly, but he felt wronged in his heart. He really didn’t expect things to turn out like this. If he had known earlier, he wouldn’t have looked for trouble! It was so regretful now that its intestines had turned green. Its only hope was that this petty man would not make things difficult for it because of this matter!

At the thought of this, its pleading gaze drifted towards Leng ruoxue. Its eyes were red as if it was saying, ‘Xue’ er, I’ve done everything according to your instructions! You can’t just leave me!”

When Leng ruoxue saw Snow Shadow’s pleading expression, she could not help but laugh in her heart. Actually, the demon was just scaring it. Why would he really be angry over this matter? After all, in their eyes, the things that the Hong family had done were just a big joke. They didn’t take it to heart at all! However, since the Hong family was trying to frame them, they naturally wouldn’t be polite. They had to return the favor with a generous gift. It could be considered as returning the favor!

Chapter 1335: Foxes don’t eat fish (1)

At the thought of this, Leng ruoxue pretended to be unhappy and said, “Xue Ying, although this matter can’t be completely blamed on you, this matter was still caused by you. So, you have to be responsible for the aftermath!”

“Uh! How do I deal with the aftermath?” Xue Ying was confused.

“Think of it yourself!” Leng ruoxue said irresponsibly. After she finished speaking, she pulled the demon back to the purple bamboo house, leaving the distressed Xue Ying alone in a daze.

Xue Ying stood in place with a depressed look on his face. He thought for a long time but could not come up with a good idea.

Looking at Xue Ying’s sighing appearance, Yue Qing and Xiang ‘er walked out from the dark while holding back their laughter. They pretended to be puzzled and asked, “Xueying, what’s wrong with you? Do foxes have troubles too?”

“Why can’t a Fox have troubles? Don’t look down on the Fox!” Snow Shadow said unhappily. Right now, he was very annoyed!

“Hahaha! Who could he blame then? You’re the one who started this!” Yue Qing said without the slightest bit of sympathy.

“How can you blame me for this? “If you want to blame someone, you can only blame that devilish man for being too charming, Wu ...” Xue Ying’s face was filled with grievance. Although this matter was his doing, if it wasn’t for that devilish man’s great attraction, it wouldn’t have gotten out of hand!

“In fact, if you want me to say, this matter has nothing to do with you at all. If you want to blame someone, you can only blame that pair of sisters for overthinking things and really thinking that they are

hot cakes. Do men have to like them?” Xiang ‘er said disdainfully. Although she was a Beastie, she also hated women who thought they were all right.

“Xiang ‘er is right, Wu ... You understand me!” When Xue Ying heard Xiang ‘er’s words, she was touched, and tears welled up in her eyes.

“Alright! Don’t act, miss isn’t here, you should think about how to deal with this matter! Otherwise, if we let them continue like this, guild leader ye will definitely fly into a rage!” Yue Qing kindly reminded.

“I’ve been thinking about it for a long time, but I can’t think of any good ideas. Why don’t you help me think of one?” Snow Shadow asked for help.

“Directly cut off the father and daughter trio, saving time and effort! What do you think?” Yue Qing didn’t even think and directly said.

.....

“Uh! This won’t do. If they suddenly die, the Hong family will definitely suspect the demonic man. At that time, I’ll definitely be the one in trouble! I’m not doing it!” Xue Ying said with a face full of fear, but in his heart, he was secretly sighing. This violent female beast, the moon eye! Why do you only know how to kill people!

“We can’t keep them around and cause trouble for miss and commander ye!” Yue Qing said with a frown.

“Aren’t they going to the Yan residence to cause trouble? Just let the Yan clan take care of them. That way, we won’t have anything to do with them. Even if the Hong clan wants revenge, they’ll find the Yan clan, not us.” Xiang ‘er thought for a moment and said.

“Hehe! Xiang ‘er is still the smart one!” Xue Ying heard Xiang ‘er’s idea and said with a fawning expression.

“Smart? Isn’t this what we’ve been planning all along? It’s just that there’s a bit of trouble now, so I have to change the plan a little.” Their original plan was to watch the Yan clan and the Hong clan fight for the clam crane. However, since the Hong clan had come up with such a move, there was no need for the father and daughter trio to exist anymore. They would just let the Yan clan deal with them so as to not dirty their hands! As for the Yan clan! After getting rid of the Hong family, they would also suffer a great loss. In addition, they would have to be on guard against the Hong family’s revenge at all times. Therefore, this was much more satisfying than directly killing them! The effect would also be better!

“That’s because you reminded us!” Xue Ying said with a smile.

“Alright! Since you’ve said so, I’ll take the credit.” Xiang ‘er said helplessly.

“Yes, yes.” Snow Shadow nodded happily.

In contrast to Xue Ying’s gloominess, the people from the Hong family were completely in a state of madness.

In the Hong family’s tent.

The head of the Hong family looked at his two daughters who were kneeling on the ground and felt a surge of anger in his heart. The other elders sitting there also had ugly expressions.

“Father! You have to help me!” Hong Xin cried like a Pear Blossom with tears and said pitifully.

“What do you want me to make the decision for? Hmph! Why didn’t you think of asking me when you said those things?” The head of the Hong family said angrily. Although he had supported his daughter at that time, there were no outsiders here now. Naturally, he would not help this daughter who failed in her task and was good at causing trouble like before. From the moment she asked him to give birth to the child, he knew very well that she did not believe his stupid daughter’s words at all.

Al! Not to mention outsiders, even he, as the Father, could not believe it. Xin ‘er had only known them for a few days, and they had not even spoken to her alone. How could she suddenly have a child? This daughter was really not an ordinary kind of stupid. She wanted to rely on him, but she couldn’t think of a better reason. She just had to come up with the worst one, causing their Hong family to lose face. The elders were all dissatisfied. This time, their Hong family’s face could be considered to have been completely lost by this daughter.

“Father! It was my sister who told me to say that. ” Hong Xin told the truth. In fact, she was a little scared, so she gave up her sister to get her help.

“Xin ‘er! I know you hate me! But, you can’t wrong me like this! When did I ask you to say such things?” After hearing Hong Xin’s words, Hong Lian quickly retorted. Her beautiful face was still filled with disappointment towards her sister.

“Sister! You were the one who sent me a voice transmission to tell me that you had a child. How can you deny it?” Hong Xin said somewhat angrily. Since young, she had always listened to her sister’s words. This was because her sister had always thought for her and helped her come up with ideas. Hence, she had an unusual trust in her sister Hong Lian. Although they both liked the same man and had an unpleasant encounter last night, she still instinctively believed in Hong Lian’s words. However, she did not expect that Hong Lian would not admit it. This made her somewhat at a loss.

“Father, you have to believe me. How could I let Xin ‘er say such brainless words!” Hong Lian’s face was full of grievance, his face was filled with a pitiful expression.

“Father! It was sister who told me to say it, you have to believe me!” Hong Xin roared, not willing to show weakness.

Chapter 1336: Foxes don’t eat fish (2)

“All of you shut up! I don’t care who came up with this idea, but I’ll just ask you one thing. How do you plan to deal with this matter?” The head of the Hong family said with a headache. In fact, he knew very well that Xin ‘er couldn’t think of such an idea to frame her, but he also resented her for being brainless, so he deliberately didn’t help her!

“Father! You have to make the decision for me. Now that things have come to this, you must force him to marry me!” Hong Xin quickly requested as soon as he heard his father’s words.

“How about you?” Master Hong’s gaze turned to Hong Lian. He felt a little more loathing towards this daughter who even schemed against his own sister. However, he did not show it on his face.

“I will listen to you, father.” Hong Lian said softly. Actually, she was a little timid.

The master of the Hong family listened to his two daughters’ answers and didn’t say anything for a long time. However, his eyes kept sizing them up, making Hong Xin and Hong Lian feel very uneasy.

“Hmph! One of you wants me to make the decision, and the other wants you to listen to me. Since that’s the case, I’ll tell you now that I can’t do anything about this matter. Unless you can immediately conjure up that man’s child, otherwise, don’t even think about him marrying you!” After a long while, the head of the Hong family said coldly.

“Father! He doesn’t even bother to look at me, how am I supposed to get his child!” Hong Xin said with a bitter face.

“Don’t you have your own ideas? Then I’ll have to find a way myself! But there’s one thing you have to remember, our Hong family’s face can’t be lost anymore!” The head of the Hong family reminded.

“Yes! Father!” Hong Xin heard her father’s words and didn’t dare to say anything. She knew that her father was angry.

“And you! Also, remember, the one you like is the fifth young master of the Yan family. Don’t let others think that you’re a promiscuous woman!” The head of the Hong clan warned Hong Lian again. Right now, everyone in the outside world knew that the person Hong Lian liked was the fifth young master of the Yan clan, and their Hong and Yan clans had fallen out because of the unsuccessful marriage. Therefore, if the matter of Lian ‘er confessing to another man were to spread, wouldn’t their enmity with the Yan clan become a joke? In this case, how could he go to the Yan family to seek justice?

“Yes!” Hong Lian also replied softly.

After that, the master of the Hong family sent the two daughters out. Then, he talked nicely to the elders who were sitting there. Only then did the elders not pursue the matter. However, the elders of the Hong family had made a promise in advance and asked the master to guarantee that their two daughters would not cause any more scandals.

After that, the group from the Hong family continued on their way.

.....

A day later.

The group from the Hong clan had arrived outside Yan city. For the past day or so, the two sisters from the Hong clan had been extremely cautious and did not continue to pester the demon. Seeing this, Leng ruoxue was a little worried. This was too abnormal. At least, it did not match her understanding of the two sisters.

“Xue ‘er, What are you looking at?” The demon looked at Xue ‘er looking out through the curtains of the beast carriage and couldn’t help but ask curiously. At the same time, he was a little dissatisfied. Could it be that the scenery outside was better than his? Why didn’t Xue ‘er take a good look at him?

"I'm looking at the Hong sisters." Leng ruoxue spoke the truth. After yesterday's incident, their relationship with the Hong family had become a little awkward and delicate. So, along the way, although they were in the middle of the Hong family's group, both sides had almost no communication. The Hong family's head also did not come over to curry favor.

"What's there to see about them? you'd better take a good look at me!" The demon turned to Leng ruoxue and complained.

"Hehe! They haven't appeared in front of us for a day. Aren't you curious about what they're up to?" Leng ruoxue asked with a smile.

"I'm not curious, because it doesn't matter what they think. You'll protect me." The demon said coyly.

"Yes, yes. It's good that you know." Leng ruoxue touched the demon's head and praised him.

"Xue 'er, I'm not Baobao and the others." Seeing that his head had been touched again, the demon was a little unhappy. Wu ... He was not a Beastie.

"But sometimes, you're even better at acting coquettishly than them!" Leng ruoxue said helplessly. However, she had no intention of taking her hand down.

"Miss, the Hong family is going to set up camp outside the city." Suddenly, Yue Qing's voice rang out. Ever since commander ye had taken over the beast carriage, she and Xiang 'er could only follow behind the carriage on foot.

"Oh!" Leng ruoxue responded softly and pulled the demon down from the beast carriage.

After she came down, she saw that the Hong family had already started setting up the tent. Furthermore, the fire had already been raised. It looked like they were preparing to cook.

Leng ruoxue raised her head and looked at the sky. It was afternoon now, and there was still some time before evening. It was already past lunch time, so she really didn't know if what they were having was considered lunch or dinner. However, the members of the Hong family had been so agitated for the past two days that they were a little distracted. It seemed normal to have a meal at this time, so she tried to help them out in her heart.

At this moment, the master of the Hong family finally walked over and pointed at a small mountain peak not far away. He smiled and said, "Miss Leng, that's Yan city. Our common enemy, the Yan clan, is in that city."

"Oh!" Leng ruoxue replied softly and looked at the two words 'Yan city' on the mountainside. She couldn't help but think to herself, 'it's not like I can't read. This master Hong is just trying to find a topic!' Previously, she was still wondering when the Hong family would appear in front of her again. She didn't expect this master Hong to be so insistent on it. Furthermore, he even classified the Yan family as their common enemy. When she heard such words, she had to hold back her laughter.

In fact, in her eyes, the Yan family was not a real enemy at all. It was just that two blind people from the Yan family had annoyed her. Naturally, she would not let the entire Yan family die with her because of such a small matter. However, the premise was that it would depend on the Yan family's performance.

"How does master Hong plan to deal with the Yan clan?" Leng ruoxue asked, pretending to be curious.

“Does miss Leng have any good plans? Why don’t you tell me?” The head of the Hong family said expectantly.

“I’m a woman who has never seen the world. What kind of plan can I have? besides, these fights and killing are all men’s Affairs. I won’t get involved!” Leng ruoxue chuckled, obviously waiting for a good show.

Chapter 1337: Foxes don’t eat fish (3)

However, when he heard Leng ruoxue’s words, not only did master Hong not feel any dissatisfaction, but he was even pleased with himself. A woman was a woman after all. Other than hiding behind a man, there was nothing else she could do. Hmph! He would let the woman in front of him know that he was a very powerful man and not an embroidered pillow with only an appearance. Because in his heart, evildoers were classified as embroidered pillows by him.

He would soon prove that he was definitely more than a hundred times stronger than that man! The master of the Hong family was full of confidence and secretly pleased with himself. Even his eyes were filled with contempt as he looked at the evildoer.

However, his smug and disdainful gaze was ignored by Leng ruoxue and the demon. In their eyes, the master of the Hong family was just like a clown.

After the head of the Hong family left, Yue Qing looked at his back angrily. She couldn’t help but curse in a low voice, “Look at how smug he is. I really hate him. I really want to cut him into eight pieces and throw him into the sea to feed the fish!”

“Uh! Don’t you want to eat him?” Xue Ying stretched out his big furry head and winked as he said.

“Why should I eat him?” Yue Jing’s face was filled with question marks.

“You’re a soul-gnawing beast!” Xue Ying reminded him as if it was a matter of course.

“Although I’m a soul-gnawing beast, soul-gnawing beasts are also picky eaters. They won’t eat anything unclean. Of course, souls are an exception!” Yue Qing said very cautiously.

“Then you can eat his soul and make him disappear from this world! This is a matter of boundless merit!” Xue Ying said with a smile.

“Let me consider it!” Yue Qing said somewhat unwillingly. After following the young miss for a few years, she had become used to eating vegetarian food and was even more picky than before. If it was in the past, she might have agreed without hesitation, but now she didn’t want to eat that much. Moreover, if she ate an unclean soul, she didn’t know if it would cause her to have diarrhea.

“Is there a need to consider this? You’re a soul-gnawing beast!” After hearing Yue Qing’s words, Xue Ying said in an extremely speechless manner. Which soul-gnawing beast would not like to eat souls? now that it was delivered to her mouth, she was actually still complaining about this and that. She was really too much!

“So what if it’s a soul-gnawing beast? As a soul-gnawing beast, can’t I have my own preferences? I’m telling you very seriously right now, I don’t like to eat souls anymore!” Yue Qing said disapprovingly. She had originally wanted to consider it, but after hearing what Xue Ying said, she didn’t want to eat it anymore!

“Ai! It’s going to rain, mother is going to get married, and the soul-gnawing beast is no longer eating souls. Is the world changing?” Endless snow Shadow lamented. Its antics had made Leng ruoxue and the others laugh!

.....

“You’re getting more and more mischievous. Hurry up and start a fire to cook. We’ll eat too.” Leng ruoxue tugged at Xue Ying’s long hair and ordered helplessly.

“Xue ‘er, image! My image! I’m a noble Fox, can you not grab me like you’re grabbing a puppy? This will damage my tall image!” Xue Ying growled in a low voice with a bitter expression.

“Hurry up and go!” When Leng ruoxue heard Xue Ying’s words, she didn’t know whether to laugh or cry as she patted Xue Ying’s butt and urged him.

“Argh! Xue ‘er! You, how can you touch my butt? Wu...My pure body! “I’ve been tainted by you just like that ...” Xue Ying’s eyes were filled with tears as she complained tearfully, looking like a little wife who had been bullied.

Xue Ying’s words caused Leng ruoxue and the rest to be filled with black lines. The evildoer was so angry that he wanted to beat Xue Ying up. Xue Ying quickly hid behind Leng ruoxue when he saw this and even chided her with an aggrieved expression, “Your woman touched my butt and you want to kill me! Wu...Why is my life so bitter! I’ve met you two bad guys with ulterior motives! You’re all bullying me!”

After Snow Shadow finished speaking, he ran away with tears in his eyes without looking back ...

“Uh! Miss, should we go and find it? It would be terrible if it was caught by someone else. ” Xiang ‘er said with a worried look.

“En, you and Yue Qing should go and find it!” Leng ruoxue’s face was solemn, and she would look in the direction that Xue Ying had left from time to time.

“Then we’ll go.” After Yue Qing and Xiang ‘er finished speaking, they also chased in the direction that Xue Ying had left.

“Miss Leng, what happened?” At this moment, the head of the Hong family walked over and asked with concern.

“My beast pet threw a tantrum with me and ran away from home! Ai!” Leng ruoxue sighed as she spoke, her beautiful face filled with helplessness! However, she couldn’t help but think, didn’t you all see it? Still asking!

“Miss Leng, this is not a joke. I’ll send someone to help you find it! Otherwise, it would be terrible if it was caught and used to threaten you. ” The head of the Hong family reminded.

“Then I’ll have to trouble you, master Hong.” Leng ruoxue said gratefully.

"It's no trouble at all. You came with me. Now that something has happened, I should help." The head of the Hong family said matter-of-factly.

After that, he ordered the Hong family to split up and search for the big snow-white fox. However, they did not find Xue Ying's whereabouts even after searching several times in the vicinity by the time it was dark.

Looking at the anxious Leng ruoxue, master Hong could not help but comfort her, "Miss Leng, don't be too anxious. We'll find it."

"Master Hong, you're more familiar with this place, so where do you think they'll go? Could he have run into Yan city?" Leng ruoxue asked in a daze.

"I don't think so! That Fox is heading in the direction of Yan city. If I'm not wrong, it should be hiding in the forest near Yan city." The head of the Hong family analyzed.

"Although that forest is not big, but to find a Beastie, it is not a matter of a short time. So, miss Leng must not be anxious. Tomorrow at dawn, I will send people to look for it!" The head of the Hong family said again, secretly pleased with himself. Hehe! At this point, Leng ruoxue should know the benefits of having more subordinates! Even though the man beside her was quite good-looking, it was a pity that he had no one to rely on when faced with such a situation. He could only watch helplessly. Hence, he believed that after this incident, Leng ruoxue would definitely be able to compare who was better between him and that man and make the best choice.

"Then I'll have to trouble you, master Hong." Leng ruoxue said softly. After she finished speaking, she pulled the evildoer to sit at the side. Her face still looked troubled.

Chapter 1338: Foxes don't eat fish (4)

As for Xue Ying, who had been turned upside down by the Hong family but could not be found, she was currently sitting in the Yan family's main residence in Yan city, drinking tea and eating snacks!

In the guest courtyard of the Yan clan.

Four outstanding men and women, as well as a huge Fox, were sitting in the room and chatting.

"Miss, do you have any instructions?" Zi Yu said helplessly as she looked at Xue Ying, who was only focused on eating. In her heart, she was secretly sighing. How long had it been since this Fox had eaten? why did it look like it was starving to death?

"No, I didn't!" Xue Ying mumbled, his claws still holding on to the snacks as he kept putting them into his mouth.

"Can't you eat later? If you don't know, you'll think that miss mistreated you and didn't give you anything to eat!" Bai Xian said helplessly, beads of sweat rolling down his forehead.

"Xueying, don't embarrass the young lady anymore, alright? We didn't let you starve!" Yue Qing said somewhat angrily.

“But I’m hungry! The Yan family’s food is quite delicious.” Snow Shadow praised as he ate.

“They don’t even care how delicious the food is now!” These few days, the Yan clan had been making preparations for the Hong clan’s upcoming arrival. Everyone was overwrought with work, and even they had been given the cold shoulder. In the past, the second master of the Yan clan would frequently come to accompany them, but now, he had not appeared for several days.

However, Leng ruoxue’s presence outside the city was good news to them. After hearing this news, he couldn’t wait to grow wings and fly over to see the young miss. However, he was stopped by Xue Ying.

“When will we be able to see the young lady?” Zi Yu couldn’t help but ask.

“You should be able to see it when the Hong clan attacks the Yan clan.” Xue Ying said.

“Then when does the Hong clan plan to make their move?” Zi Yu could not help but ask.

.....

“I don’t know. That master Hong is more concerned about Xue ‘er, and his two daughters are more concerned about that demonic man, so I’m guessing that they most likely don’t have the mood to deal with the Yan family now!” Xue Ying laughed evilly.

“Since that’s the case, I’ll go out of the city to see miss first! I haven’t seen her in a long time!” Zi Yu said.

“Don’t! You can’t go see her now!” Xue Ying hurriedly said.

“Why can’t I? Give me a reason! Otherwise, I’ll leave the Yan residence right now to see the young lady!” Zi Yu threatened. This damned Fox only said that he couldn’t see the young miss now, but didn’t tell him the reason. He was really worried to death!

“I guess she’s receiving some kind of punishment now!” Xue Ying laughed in a very wretched manner.

“Why? Who would dare to punish miss? Don’t you want to live?” Zi Yu heard Xue Ying’s words and shouted angrily.

“Other than that demonic man, who else would dare to punish Xue ‘er!” Snow Shadow said matter-of-factly.

“Uh! Why did commander ye punish the young miss?” Zi Yu said, a little puzzled. However, he was about to go crazy from how Xue Ying kept him in suspense!

“Because Xue ‘er touched my butt!” Xue Ying laughed smugly.

“How is this possible?” Zi Yu’s face was filled with disbelief.

“Of course not. Miss, that’s hitting, not touching, okay?” Yue Qing said speechlessly. Miss clearly hit its butt, but why did it become touching in this Fox’s mouth? Or was this Fox naturally lacking in love and was looking to be touched?

“That was a light touch, it was obviously a touch! Besides, you all know that it was just an act, so how could Xue ‘er really hit me? Since he didn’t beat me up, he definitely touched me!” Xue Ying said proudly.

“You’re beautiful! If you continue to say that the young miss touched your butt, guild leader ye will not let you off.” Yue Qing said with a smirk.

“You’re obviously touching me, but you won’t let me say anything!” Xue Ying pouted in dissatisfaction.

“If you’re not afraid of death, then just say it. We won’t stop you!” Zi Yu also said with a smile. Now that they knew the reason, it was really not good for them to go and see the young miss. Otherwise, if they were treated as cannon fodder by the leader ye, Oh! Just thinking about it was terrifying!

“Alright! I won’t say it! By the way, can you help me find a beggar or someone who’s in a bad state in Yan city?” Xue Ying was no longer joking, and he said seriously.

“Why do you want a beggar? It’s not easy to find a beggar in the immortal realm. However, it shouldn’t be a problem to find a beggar who’s in a bad state. I’ll go look for second master Yan later and ask for his help to look for her!” Zi Yu said after thinking for a while.

“You can go to him now! I need it urgently!” Xue Ying urged impatiently.

“What do you want?” Zi Yu’s face was filled with curiosity.

“You’ll know when the time comes, hehe!” Snow Shadow kept him in suspense again.

“If you don’t tell me, I won’t care about this anymore!” Zi Yu said with a smile.

“Wuwu...You’re threatening me too! You’re all bad guys! Alright! I’ll just tell you!” Xue Ying had no choice but to admit defeat. Sigh! Although it was a Fox, in terms of slyness, these guys were the real foxes! It admitted defeat!

Xue Ying unwillingly pulled Zi Yu’s head over and whispered a few words into his ear. Then, Zi Yu revealed an evil smile and looked at Xue Ying with a very strange expression.

“Now you know! Hurry up and help me find her!” After the whisper, Xue Ying urged again.

“Yes.” Zi Yu nodded, stood up from her seat, and walked towards the door.

Not long after, Zi Yu returned, followed by a man who was covered in dirt and mud.

The man’s face was full of beard, and it was impossible to tell his age. His eyes were chaotic, and his mind seemed to be a little unclear. Saliva was dripping from the corner of his mouth, and he was giggling.

When Xue Ying saw the man that Zi Yu had brought back, she was so shocked that she immediately stood up from her chair and walked around the man a few times. She even exclaimed in surprise, “Where did you find this man? It’s really of the highest quality!”

“The Yan family’s prison. I thought that this man was silly and should be easier to manipulate. That’s why I specially chose him!” Zi Yu said with a slight smugness. Many of the prisoners locked up in the Yan clan’s prison were extremely vicious and evil. However, he didn’t pick any of them, and only chose one who was not in his right mind. This was because his excuse to the Yan clan’s second master was that he wanted to find someone to test the medicine. The Yan clan’s second master thought that there was an Alchemist among them, so he naturally cooperated with all his might! Those who could be locked up in a

cell would definitely not be able to leave, so it was most suitable to use them as test subjects. After all, test subjects might be more painful than death!

Chapter 1339: Foxes don't eat fish (5)

"Yes, yes, it's good to be silly!" Snow Shadow kept nodding its head. If it wasn't stupid, it would have to think of a way to make it stupid. However, it hoped that this man was not pretending to be stupid. Sigh! Forget it, for safety's sake, I'd better give him some medicine! After Xue Ying made up his mind, he threw an elixir into the man's open mouth. The man thought it was food and instinctively swallowed the elixir.

Seeing that the man was so cooperative, Xue Ying was very satisfied. After bidding Zi Yu and Bai Xian farewell, they took the silly man and left the Yan family's main residence.

When Xue Ying and his beast returned to the Hong family's estate, the head of the Hong family was excitedly instructing his subordinates on what to do the next day, which was to go out and find the fox that had left home early in the morning. Therefore, when he saw Xue Ying return, he pointed at Xue Ying as if he had seen a ghost and said, "W-why are you back?"

"Master Hong, do you really hope that I won't come back?" Xue Ying's face was filled with hidden bitterness as he spoke. The tears in his eyes seemed as if they would fall at any moment.

"No, I didn't mean it that way. What I meant was, how could you run away from home just because you quarreled with master? What if they were caught by the bad guys? Your master is very worried about you!" The master of the Hong family quickly pulled back his words, and the cold sweat on his forehead dripped down silently. In fact, he was quite depressed because he had already made preparations to find this Fox and had even made arrangements. However, this damn Fox suddenly returned by itself. In this way, didn't everything he had done go to waste?

It was his chance to show off! Just like that, it was destroyed by this damned Fox. When the head of the Hong family thought of this, his heart was filled with hatred.

Looking at the head of the Hong family gritting his teeth, Xue Ying was extremely happy. He couldn't help but mutter to himself, hehe! This was only the beginning. What would make him vomit blood was yet to come! However, he did not know if a certain someone would cooperate! He was looking forward to it!

At the same time, Leng ruoxue and the demon who had heard Xue Ying's voice walked out of the tent.

"Snow Shadow!" Leng ruoxue called out softly.

"Master!" Xue Ying's eyes were filled with tears as he looked at Leng ruoxue with fear, but he did not dare to walk over.

Seeing this, the master of the Hong family considerately advised, "Quickly go and beg for your master's forgiveness! She's been worried about you the whole night!"

“Yes.” Xue Ying nodded obediently. Then, with small steps, he inched closer to Leng ruoxue’s side. He even stretched out his big furry head and leaned on Leng ruoxue’s shoulder, acting coquettishly, fully expressing the dependence of a beast pet on its master.

“Master! I miss you so much!” Xue Ying said gently.

.....

However, its coquettish and intimate actions made the evildoer extremely dissatisfied and secretly hated it.

That damned Fox, it was just an act and he actually dared to take advantage of Xue ‘er, Hmph! Let’s wait and see! The demon thought to himself and thought of thousands of ways to torture this Fox to vent the hatred in his heart!

Xue Ying, who was resting its head on Leng ruoxue’s shoulder, felt a cold gaze on its back. Its heart trembled, and it was so frightened that it quickly lifted its head from Leng ruoxue’s warm shoulder. Wuu ... It was so engrossed in its acting that it had forgotten that there was a big vinegar jar beside Xue ‘er! What should he do?

Just as Snow Shadow was secretly on edge, master Hong’s timely voice helped him resolve some of the awkwardness.

“Miss Leng, your beast pet has returned safely. You can rest assured now.” The head of the Hong family forced a smile.

“Yes, thank you for your concern, master Hong.” Leng ruoxue said gratefully. She even touched Xue Ying’s soft long fur, causing Xue Ying’s heart to tremble in fear. Wu ... Don’t touch me! Someone would be jealous!

Leng ruoxue looked at Xue Ying’s timid little appearance and felt playful. She began to move her hands up and down Xue Ying. It felt really good!

The evildoer beside him saw this and hated him in his heart. However, in front of outsiders, he could only endure it. Hmph! I’ll deal with that Fox later!

Leng ruoxue could feel the cold air around her getting heavier and heavier. She didn’t dare to go too far and stopped when she was ahead. Xue Ying, who had been on tenterhooks, also slowly put down his little heart and looked at her with a face full of hidden bitterness, as if to say, ‘didn’t you just touch my butt? You don’t have to do this to me!’ At this moment, Xue Ying wanted to cry but had no tears. He could only swallow the blood from his teeth! However, it kept praying in its heart, “just ignore it!” Wuu ... Just pretend it doesn’t exist!

“Xueying, you’re back so late, you must be hungry! Let’s go! I’ll go roast some meat for you!” At this time, the evildoer said with a smile.

“Roast meat? No! I’m not hungry! And I don’t want to eat barbecued meat!” When Xue Ying heard the word ‘roasted meat’, he was a little afraid. Wu ... He said roasted meat, but could it be his own meat? It did not forget that this evil man had said more than once that he would roast it. Therefore, it would never dare to eat the meat that this man had roasted. It should be known that a jealous man was not

only unreasonable, but he might even try to get rid of his love rival. Although it was not considered a love rival, in the eyes of this evil man, it was probably an enemy that could not be let go.

Xue 'er! You've really hurt me. Why are you touching me for no reason? Snow Shadow wailed in his heart. However, the demon did not allow him to refuse. He directly grabbed the thick fur behind his neck and dragged him away. He even specially brought him to the fire.

"Sit down! Let's roast some meat!" The demon said fiercely. After he finished speaking, he forcefully pulled Xue Ying to sit on the ground with him.

"I'm not hungry, and I don't want to eat barbecued meat!" Xue Ying lowered his head and said in a low voice.

"No! If you're hungry, Xue 'er will be heartbroken!" The demon patted Snow Shadow's head and said worriedly.

"Yup! You have to eat something. You've been out for an entire afternoon, and you probably haven't caught any prey! Ai! How pitiful! You've actually slimmed down!" The head of the Hong family, who thought that he was very familiar with the situation around him, interjected with a concerned expression.

Rolling his eyes at the head of the Hong family, Xue Ying's eyes were still looking at the evildoer with great vigilance. However, he was cursing in his heart. Which part of it had lost weight? It had only been an afternoon. Even if it had lost weight, it was impossible to tell so quickly!

"Look at how much master Hong cares about you! We all know that you've lost weight. You have to eat more and get chubby." The demon laughed.

What's the point of raising her white and fat? Do I fatten it up so that you can roast it and eat it? Wuwu...It didn't want to! It would rather be hungry than be fattened up to be slaughtered! Xue Ying howled in his heart.

Seeing that Snow Shadow didn't say anything, the evildoer had no choice but to say to the Hong family head apologetically, "Master Hong, I'm sorry. This little fox has been spoiled by Xue 'er and doesn't know her manners! I hope you don't mind!"

"I won't! I won't!" The head of the Hong family hurriedly waved his hand and couldn't help but sigh. That Fox wasn't the only one who didn't know etiquette! You should be the ones who don't understand!

"Hehe! Master Hong, let's sit together!" The demon warmly invited.

Seeing the abnormal enthusiasm of the evildoer, Xue Ying became more and more vigilant. What was this evildoer up to? This was too abnormal.

"Alright, then I won't stand on ceremony." After the master of the Hong family finished speaking, he sat down next to Xue Ying.

At this moment, the evildoer took out a few more fish from his storage ring and roasted them over the fire. The master of the Hong family even diligently helped to flip them over. The two of them cooperated tacitly, and after a while, a fish was roasted first.

“Eat!” The demon handed the fish to Snow Shadow.

“I don’t like to eat fish!” Xue Ying looked at the fish, but he didn’t dare to reach out his claws to take it. Wu...What if that demon wanted to mess with him and drug the fish? It was afraid!

“A picky eater is not a good child!” The demon coaxed.

“Foxes don’t eat fish!” Snow Shadow reminded.

“Who said that! Our Fox can eat anything, be good! Hurry up and eat! Don’t be picky!” The demon deliberately said with a straight face.

Suddenly, the fish that master Hong was roasting in his hands started to spark ...

Chapter 1340: Shameless (1)

The spark was so small that no one noticed it at all. However, the spark happened to float onto Xue Ying’s body. In an instant, the small spark suddenly grew bigger and ignited in an instant. It flew rapidly on Xue Ying’s body like a Prairie Fire. In the blink of an eye, most of the fur on Xue Ying’s body was burned off ...

“Argh! My fur!” Xue Ying screamed and instinctively pounced on the master of the Hong family who was closest to it. The master of the Hong family was caught off guard and the two of them rolled on the ground. The flames on Xue Ying’s body also set master Hong’s clothes on fire. When everyone saw this, they were dumbfounded for a moment. However, they quickly reacted and ran forward to help put out the flames on the two of them.

Hearing Xue Ying’s voice, Leng ruoxue, who had already returned to her tent, ran out in a hurry. When she saw that Xue Ying’s originally snow-white fur was now charred black, her heart ached. Woo.....What beautiful and nice fur! But now ... What a pity!

When Leng ruoxue saw Xue Ying sitting on the ground in a daze, she quickly walked over to it and asked with concern, “Snow Shadow! Are you alright? Are you hurt?”

Xue Ying didn’t respond, but sank into his own thoughts.

“Xue Ying, say something!” When Leng ruoxue saw Xue Ying’s state, she could not help but feel anxious. This big fox wouldn’t take it too hard just because its fur was burnt, right? She couldn’t help but let her thoughts run wild.

“Xue ‘er, don’t worry. It’s just a little bit of fur. It’ll be fine.” At this moment, the evildoer came forward and comforted the anxious Xue ‘er.

“How did this happen?” Leng ruoxue asked in confusion. Wasn’t he supposed to be eating barbecued meat? Why did it become a roasted Fox?

“Master Hong didn’t do it on purpose. The sparks from the fish he grilled splashed on Xue Ying, so it caused the fire. Fortunately, it was put out in time, so they didn’t suffer any serious injuries.” The demon explained.

“Oh!” Leng ruoxue nodded, then looked at master Hong, who was surrounded by the members of the Hong family. She walked over to him to express her concern. However, master Hong had also suffered quite a shock, and he was in a daze.

“Wuu ... My fur! My beautiful fur!” Suddenly, everyone heard Xue Ying’s sorrowful and agonized cries. Leng ruoxue quickly returned to Xue Ying’s side.

“Snow Shadow! You must calm down! The hair will grow back.” Leng ruoxue didn’t know how to comfort Xue Ying anymore. Usually, this Fox only knew how to sleep and eat. It didn’t seem to care much about its beauty! Why did he care so much about his fur being burnt?

“My fur!” Xue Ying’s eyes were filled with tears as he kept repeating this sentence.

.....

Seeing this, Leng ruoxue could only order Yue Qing and Xiang ‘er to help bring it into the tent. Then, she moved them into the bracelet.

After entering the bangle, Leng ruoxue fed Xue Ying a pill. In an instant, all the burnt fur on Xue Ying’s body fell off and regrown. The new fur was thicker and thicker than before. It was also whiter and more beautiful!

However, Snow Shadow was still thinking about the fur that had abandoned it.

“Xueying, the fur on your body has regrown, and you’re even more beautiful now. Don’t be sad anymore!” Leng ruoxue reminded.

“That body of fur has accompanied me for over a hundred years. I have very deep feelings for it. Now, it has left me just like that, sob ...” Xue Ying said with a sad expression.

“Why are you crying? Don’t you shed your fur? That body of fur will abandon you sooner or later, but it’s just ahead of schedule now, so there’s nothing to be sad about. Besides, haven’t your fur already grown out? Don’t act pitiful!” Yue Qing said unhappily. As a Beastie, she really couldn’t understand why Xue Ying would hurt his heart for a little bit of burnt fur! In fact, they would naturally grow a new body of fur after a period of time, and every time they shed fur, their defensive ability would also increase. Therefore, shedding fur was a good thing for them!

“It’s different this time. You’re mentally prepared for a normal shedding, but not this time.” Xue Ying quibbled, his heart still silently mourning for the fur that had passed away.

“You can just treat it as shedding your fur in advance!” The moon eye said disapprovingly. This was not a big deal at all!

“Yup! Xueying, aren’t you fine now? Compared to you, the head of the Hong family seems to be in an even worse state! He didn’t have thick fur to cover his body, so he was burnt.” Xiang ‘er laughed.

“He only had himself to blame for that!” Xue Ying said hatefully. If it wasn’t for him creating the sparks, how could the fur on his body have been burnt? Although it had some suspicions that the evil man had done something, there was no evidence. Therefore, it could only put all the blame on the master of the Hong family.

“That’s right, he asked for it! He’s the one who harmed you, so we can’t let him off!” Xiang ‘er agreed.

“Mm! I won’t let him go!” Xue Ying said through gritted teeth.

“Snow Shadow! Now that you’re fine, you should rest early!” Leng ruoxue sighed softly and said to Xue Ying.

After he finished speaking, he left Xue Ying’s residence with Yue Qing and Xiang ‘er.

Back at the purple bamboo house, the demon was sitting on a chair, waiting for Leng ruoxue.

“Xue ‘er, is that Fox alright?” The demon said.

“Well, why don’t you go and comfort it?” Leng ruoxue asked curiously. After such a thing had happened, why didn’t the demon show himself? it was really too strange.

“It doesn’t want to see me now.” The demon laughed evilly.

“Uh!” Leng ruoxue didn’t know what to say anymore. Could it be that this whole thing was planned by that demon? If that was the case, then wasn’t it all because of her? she touched Xue Ying’s fur, so the evildoer thought of a way to burn Xue Ying’s fur. However, the evildoer would not do such a stupid thing because even if Xue Ying’s fur was burned, it would immediately grow back after eating a pill. Wasn’t that unnecessary?

“This matter has nothing to do with me, although I’ve also thought of burning its fur!” The demon explained indifferently.
