

## Crazy Wife 1391

### Chapter 1391: The mysterious Valley (2)

However, when the rain passed and Yin Xiao woke up, he found that the one beside him was not uncle Zhong, but a furry little beast. The little beast was curled into a half-sphere and its head was buried under its body. Judging from its size, it should not be very big. However, the little beast's fur was still half wet and stuck to him, so his clothes were also affected. The wet and sticky feeling made him very uncomfortable.

"Uncle Zhong!" Yin Xiao extended a finger and poked the little Beastie's body. He was still calling uncle Zhong, but he was referring to this little Beastie. At the same time, he couldn't help but think, "Wuwu ... How did uncle Zhong become a little Beastie?" "Is uncle Zhong not a human being?"

Just as Yin Xiao's imagination was running wild, the real Uncle Zhong walked in. Uncle Zhong happened to hear Yin Xiao calling the little beast uncle Zhong, who was snuggling up to him. He didn't know whether to laugh or cry as he stood still. He wanted to see what else the young master would say!

"Uncle Zhong, how did you turn into a little beast? Are you not human?" Seeing that 'uncle Zhong' didn't respond for a long time, Yin Xiao couldn't help but say what he was thinking.

After hearing that, uncle Zhong couldn't help but burst out laughing.

When Yin Xiao heard the laughter, he quickly turned his head and saw the uncle Zhong from his memory standing at the door, looking at him with a helpless smile.

"Uncle Zhong!" Seeing uncle Zhong in person, Yin Xiao knew that he had made a huge mistake. His face instantly turned red from head to toe. At this moment, he really wanted to find a hole to hide in. Wu.....How could he do such an embarrassing thing? His words were heard by uncle Zhong, he was too ashamed to face anyone!

"Hehe! Young master! Uncle Zhong is not a non-human being!" Uncle Zhong was neither angry nor annoyed, but he said happily. It was rare to see such a lovely appearance of the young master, so of course he had to tease him!

"Uncle Zhong!" Yin Xiao felt so embarrassed that he couldn't face anyone anymore. However, what was up with this little beast that had caused him to misunderstand? His face was full of question marks.

"Who is it?" Yin Xiao pointed at little Beastie.

"I don't know. I don't even know how it got in." Uncle Zhong shrugged as he said helplessly.

"Uh! What do we do now?" Yi Xiao was speechless. Not only was the little beast's fur half wet, but its body was also dirty. His clothes were not spared either.

"I'll throw it out!" Uncle Zhong said after thinking for a while. Although he didn't know how this little beast came in, he thought it must be to take shelter from the rain. Now that the rain had passed, of course, it was unnecessary for this little guy to stay here. He even called it 'uncle Zhong'.

.....

After saying that, uncle Zhong walked to the little Beastie's side and was about to pick it up and take it out of the tent. Unexpectedly, the curled-up little Beastie suddenly raised its head and opened its eyes to look at them.

Ugh! Uncle Zhong became stunned at a stroke because this little beast had a pair of fiery eyes, which were as beautiful as two pieces of top-quality rubies. Additionally, its eyes were crystal clear and misty. Apparently, it had heard all the words between uncle Zhong and the young master.

For a moment, uncle Zhong didn't know what to do.

"Little fellow, since you're awake, why don't you tell us where you came from? Why are you in my tent?" Yin Xiao looked at the pitiful, Ruby-like eyes and hardened his heart. This little beast's appearance was too strange, so he had to find out.

The little Beastie blinked its eyes but didn't say anything.

"Little thing! It's useless to pretend to be deaf!" Yin Xiao looked at little Beastie, who was staring at them without saying a word, and reminded.

"Young master! This little fellow probably can't speak yet!" Uncle Zhong said after observing it for a while.

Uncle Zhong's words were immediately answered by little Beastie. It nodded its head excitedly, its eyes glimmering with light, showing its excitement.

"It seems that uncle Zhong is right." Yin Xiao said helplessly when he saw the little Beastie's fawning look. Was a Beastie that couldn't speak considered a young one? In the immortal realm, as long as a young beast with a noble bloodline was born, the weakest one was basically a Holy beast, and looking at the clever appearance of this little beast, it naturally couldn't be the lowest level spirit beast, so it was really inconceivable that it couldn't speak, and was different from the rest!

Little Beastie nodded its head at Yin Xiao's words.

"Uncle Zhong, what should we do with this little beast?" Yin Xiao looked at uncle Zhong and asked.

The moment it heard the word "handle," the little Beastie clutched Yin Xiao's sleeve tightly, its fiery red eyes revealing a pleading look.

"There's no point in acting pitiful. We can't keep you here." Yi Xiao said, sigh! He didn't have the habit of taking care of children. Although Beastie was very independent from a young age and almost didn't need special care, it was still a very troublesome thing to take care of an underage little beast of unknown species.

After hearing Yin Xiao's words, the little Beastie actually began to cry. Bean-sized teardrops kept rolling down from its beautiful red eyes.

"Uh! Don't cry!" Yin Xiao said helplessly. Damn it, if it cried like this, people who didn't know the inside story would think that he had bullied this little beast! Fortunately, there were no outsiders here. Otherwise, his reputation would be in jeopardy.

“Young master! Let’s keep it for the time being! When we leave, we’ll just give it to miss Leng. ” Uncle Zhong suggested helplessly. They did not have a fixed residence, so it was really not suitable for them to bring such a small beast on the road. Moreover, he had observed it for a long time but could not figure out what kind of species this Fox-like little beast was. It was really too strange. Therefore, he wanted to keep this little beast for further observation.

With uncle Zhong’s words, the little Beastie that had suddenly appeared was left behind. After knowing that it wouldn’t be driven away, the little Beastie’s mood became more relaxed, and it stuck even closer to Yin Xiao.

Wherever Yin Xiao went, the little beast would follow. It did not leave his side at all. After Yin Xiao ordered his men to clean the little beast, he was surprised to find that it was quite beautiful. It had long, snow-white fur and a pair of Ruby-like eyes, making it stand out.

After being trapped in the bewildering formation for three days, they had already walked around the entire formation. However, none of them were familiar with the formation. Thus, even if they walked through the entire formation, they could not find the formation’s eye, and naturally could not leave the bewildering formation.

### **Chapter 1392: The mysterious Valley (3)**

Sitting by the fire, Yin Xiao didn’t say a word. However, his heart was filled with Leng ruoxue’s forsaking of friends after seeing a lover! Wu ... Why hasn’t Xue ‘er come to find them yet? could she have forgotten about them?

Little Beastie, who had been with Yin Xiao for a few days, could feel its temporary master’s low mood. It jumped into his arms and rubbed against him to comfort him. Then, it jumped away from Yin Xiao’s arms and ran a few steps forward. It turned around and looked at Yin Xiao and the others.

“Haven’t you spun enough? You still want to go out?” Yin Xiao looked at little Beastie, who clearly wanted them to follow him, and said helplessly.

Little Beastie nodded and stared at Yin Xiao with its fiery red eyes.

“Little guy! It’s going to get dark soon, so we’re not going out today. ” Yin Xiao reminded. Xiao Budian was the name he had given this little beast. Who asked it to be so small? Although little Beastie had protested, he had ignored it.

Seeing this, little Beastie didn’t give up and ran back to Yin Xiao’s side. It bit his pants and dragged him forward.

Looking at the little Beastie’s reluctance to part, uncle Zhong smiled helplessly and said, “Young master! Since the little guy is so persistent, he might have discovered something. Why don’t we follow him and take a look!”

“Alright then!” With uncle Zhong interceding for Xiao Budian, Yin Xiao naturally wouldn’t refuse. When the little Beastie heard its temporary master agree, it meowed at uncle Zhong, as if to say, “thank you for interceding for me.”

“Hahaha! This little one is quite interesting!” Uncle Zhong said with a big smile at the sight of Xiao Budian.

“Yup! This little fellow is very cunning. ” Yin Xiao said helplessly. Don’t think that this little thing can’t talk, she’s very smart!

Following that, Xiao Budian walked in front and led the way while Yin Xiao and the rest followed behind.

Xiao Budian brought Yin Xiao and the others to a cave that was half the height of a person. He indicated for them to enter while he ran in first.

“Little guy! Don’t run around!” Seeing Xiao Budian run in, Yin Xiao hurriedly called out.

.....

“Young master! Let’s go in and take a look!” Uncle Zhong said.

“Yes.” Yin Xiao nodded his head. Even though he had not spent much time with Xiao Budian, he still liked this little thing. If he were to encounter any danger in the cave, his heart would still ache for him.

Immediately after, Yin Xiao left two subordinates outside the cave to receive them while he brought uncle Zhong and the others into the cave ...

The two loyal subordinates stood guard outside the cave. However, Yin Xiao and the others did not come out until the next morning. This made the two of them anxious.

“Why haven’t the young master and the others returned yet? It’s been an entire night. ” A subordinate said.

“I’ll go in and take a look, you stay here and guard. ” After another subordinate finished speaking, he was about to walk into the cave.

“Wait! I’ll go with you!” The previous subordinate said. He was not willing to stay outside alone in fear. Moreover, he did not dare to imagine how furious the family head would be if something happened to the young master and the others. He was afraid that he would not be able to explain it to the family head even if he died.

“If we both go in, who’s going to report to the master?” The subordinate who was about to go in warned with his eyes wide open.

“Then be careful!” The subordinate from before warned.

“Yes.” The subordinate who was about to enter nodded. However, before he could enter, he heard a familiar voice.

“Where did big brother Yin go?” Just as Leng ruoxue finished her sentence, she had already arrived in front of them.

She brought the demon and the rest into the maze to look for brother Yin and the rest. However, they only saw the tents that they had set up but they were nowhere to be seen. After searching for a while, they only found brother Yin’s two subordinates.

“Miss Leng, the young master and uncle Zhong brought people into this cave. Before they went in, the young master ordered us to guard here. However, it has been a night and they have not come out.” One of his subordinates explained worriedly.

After hearing what brother Yin’s subordinate said, Leng ruoxue lifted her beautiful eyes and sized up the unremarkable cave. From the outside, there was nothing special about this small cave. Furthermore, it was obvious that it had been abandoned for a long time. Why did brother Yin suddenly come here? She really couldn’t understand it.

“Big brother Yin, what are you doing in this cave?” Leng ruoxue asked with a face full of question marks.

“Young master didn’t want to go in at first. It was a small beast that brought us here. That small beast ran in, and young master and the others followed it in.” The subordinate explained.

“Aren’t there many little beasts here? Is it not enough for you?” Leng ruoxue’s beautiful face was filled with puzzlement. She had lost her way while chasing after her prey. In her memory, no one else had ever done such a thing except for big brother Yin.

“Uh! It’s not a little Beastie that eats! It’s a little beast that the young master has adopted.” The yin family’s subordinate saw that Leng ruoxue had misunderstood and quickly explained.

“Oh!” Leng ruoxue finally understood. It seemed that brother Yin and the others were really enjoying themselves as the evildoer said! He was trapped in the bewildering formation, but he still had the heart to take care of the little Beastie!

“Miss Leng, young master and the rest have gone in for a long time and have not come out. What should we do?” The yin family’s subordinate asked helplessly.

“Let’s go in and take a look!” Leng ruoxue glanced at the demon.

“Then let’s go in together!” The other subordinate hurriedly said.

“En!” Leng ruoxue nodded and pulled the demon in.

The light in the cave was very dim, and the smell of dry soil inside reminded everyone that this place had been deserted for a long time.

Leng ruoxue lit up a flame and lit up the cave in an instant. It was only then that everyone realized that there were many totems carved on the stone walls of the cave. Each of the totems had a few beasts that looked like foxes carved on it. These beasts were huge in size and although they had different forms, they all looked extremely arrogant. Their eyes had an aura that seemed to look down on the world. The beasts on the totems were of different colors, but they all had one thing in common. That was, every Beastie had a pair of beautiful fiery red eyes.

If she hadn’t come here, Leng ruoxue would never have thought that there would be a place like this in her territory. If she wasn’t wrong, there should have been a group of beasts living here. From the looks of it, the beasts that had once lived here had either moved away or gone extinct. Other than that, there was no other possibility.

#### **Chapter 1393: The mysterious Valley (4)**

“Do you guys know what kind of Beastie this is?” Leng ruoxue asked Zi Yu and the others as she observed the stone wall.

“She looks like a fox.” The moon eye said as it looked at Xue Ying.

“They’re not foxes.” Xue Ying was very certain. Although the beasts on the stone walls were only totems, they gave off an extremely powerful aura. The Fox race rarely had such an aura. They were more skilled in charm and confusion techniques.

“Then what are they?” Yue Jing’s face was filled with curiosity. As a soul-gnawing beast with inherited memories, she was extremely ashamed. Because, she did not recognize these beasts on the stone wall. In her eyes, they were all foxes.

“Young miss Leng, the beast on this stone wall is a little similar to the little beast that brought my young master and the others in.” At this time, the yin family’s subordinate finally spoke after recovering from his shock.

“Are you sure?” Leng ruoxue raised her brows and asked calmly.

“Yes. However, the little beast that brought young master and the others here should not be an adult yet. It doesn’t have the aura that these beasts in the totems have.” The subordinate said.

“Xue ‘er, since this is the little beast’s territory, let’s continue walking in!” The demon suggested after hearing the yin family’s subordinate’s words.

“Alright!” Leng ruoxue replied. Then, the group continued to walk deeper into the cave.

Unknowingly, they walked further and further, and there were more and more totems on the stone walls. However, they were all about the beast race. Although the totems were carved very vividly, there were many that they could not understand.

After walking for an unknown distance, Leng ruoxue and the rest finally arrived before a huge Golden Door.

Looking at the tightly shut Golden Door, Leng ruoxue hesitated for a moment. In the end, she pushed the door open and walked in, while the others followed closely behind.

With a flash of white light, Leng ruoxue and the rest were transported to a courtyard. At this moment, everyone suddenly realized that the Golden Door was actually a transportation array. But where were they?

.....

They were currently in a Valley filled with the chirping of birds and the fragrance of flowers. The scenery in the valley was extremely beautiful, and the climate was pleasant. The warm and gentle wind blew on everyone’s bodies, making them feel extremely comfortable.

Not only that, but the little beasts in the valley didn’t seem to be afraid of people. After seeing them, they only sniffed them curiously and ignored them.

Moreover, this Valley was very large, and one could not see the end of it.

“Let’s go over there and look for it!” Leng ruoxue pointed to a small path on her left. Even though she did not know if brother Yin and the rest were in the valley, they could not return empty-handed. Furthermore, the strange thing was that green vessel was unable to monitor this place. Naturally, it would be impossible for them to investigate the situation here.

“Yes.” No one had any objections to Leng ruoxue’s decision.

The group walked along the small path on the left. Leng ruoxue saw that there were quite a number of herbs here, so she moved QiuQiu out of her bracelet. Once QiuQiu was out, it flew around the valley very happily. However, when it encountered precious natural treasures, it would not forget to remind them.

“Miss, this place is so big! When can we reach the end?” After a long time, Yue Qing couldn’t help but complain.

“Calm down, we’ll be at the end soon,” Leng ruoxue consoled him helplessly. Actually, she didn’t know how long she had been waiting for them to leave. However, it was a good thing that there were many herbs that she really needed growing here. Otherwise, she would have been frustrated as well.

Not long after Leng ruoxue finished speaking, a house appeared before everyone’s eyes, as if to verify her words.

The exterior of the house was made entirely of stone, but the interior was rather luxurious. The entire floor was paved with polished black crystal stones. The black crystal stones emitted a dense spiritual Qi, so Leng ruoxue could tell with a single glance that they were dark-attribute crystal stones. Furthermore, they were of the highest quality.

The surrounding walls were all colorless and semi-transparent crystals, also emitting a strong natural energy.

Leng ruoxue squinted her beautiful eyes and looked at the semi-transparent walls around her. She was speechless. If she remembered correctly, the crystal stones on the walls should be the attribute-less crystal stones that were long extinct as mentioned in the information left behind by her master. All these crystal stones were of the highest quality.

He really didn’t know what kind of people or beasts once lived here. It was really too extravagant.

Even though she had quite a few good things in her hands, she was not willing to use top-grade crystals as the floor or the wallpaper. It seemed that compared to the previous owner of this place, she was still very poor. Sob ... When she thought of this, Leng ruoxue felt depressed ...

### **Chapter 1394: An unusual path (1)**

Why am I so poor? Leng ruoxue thought to herself with a tinge of sadness, ‘I wonder if there’s anything that I can take with me?’ I really, really want to take all of them away, but I wonder who the owner of this place is? Oh! If he ransacked someone’s house, would he be hunted down? She started to let her imagination run wild.

At this moment, a voice suddenly rang out in the originally empty room, ""You guys are here?"

The few of them were stunned and looked at each other. Their confused eyes were filled with countless question marks. Who was this voice talking to?

The gazes of Leng ruoxue and the rest could not help but land on the two guards from the yin clan. The two guards' hearts trembled as they looked at them.

"It wasn't me! We don't know him!" One of the guards hurriedly said under the pressure of Leng ruoxue and the others' gazes.

"We don't know him," Leng ruoxue said with a smile.

"Al!" The voice sighed and said helplessly, ""Little girl, I'm talking to you!"

Since the owner of the voice had already identified the gender, the few men naturally wouldn't let their imagination run wild. As the only three women present, Leng ruoxue, Yue Qing, and Xiang'er also ignored the voice and raised their heads to look at the sky.

No one was stupid. This was not the first time they had encountered such a fortuitous encounter. In everyone's understanding, anyone who started off by saying, 'you guys are here?' Usually, it would not be a good thing. They were either asked to work like cows and horses or to complete some mission. If the reward of the mission was good, it would be worth it. However, if it was some garbage, they would have no way to reason with it. After all, the mission had already been completed.

Therefore, they all subconsciously avoided the words of this voice.

"Little girl, it's useless for you to play dumb. Since we're here, it means that we're fated to meet. Sigh!" The owner of the voice sighed when no one responded.

"Little girl, I do have a favor to ask of you. However, if you're not willing, I won't force you. But if you don't agree to my request, you won't be able to continue forward, and you won't be able to see the friends who came here before." The voice continued.

"Big brother Yin and the others are here?" After Leng ruoxue heard the voice's words, she finally had some reaction. However, she was a little annoyed in her heart. Damn it, this voice said that it wouldn't force them, but in reality, if they didn't accept this voice's mission, they wouldn't be able to continue forward. How infuriating!

.....

"If the Big Brother Yin you mentioned is the group of people who passed by here before, then they are indeed here." The voice said.

"Why can they pass through here?" Leng ruoxue couldn't help but ask. There was something else that she didn't say out loud, and that was 'why do we have to complete your Commission?'

Although it was called a request, Leng ruoxue was very clear that the previous owner of this place must have left behind some kind of test, or rather, it could be said to be their last wish. After someone discovered this place, they had no choice but to complete it. Otherwise, they would have to return the way they came.

“They are not the ones we have chosen. Moreover, they have a junior from my clan to lead the way. Therefore, they can naturally pass through this place directly. However, you can’t.” The voice explained.

“Oh! Since that’s the case, we won’t be going over.” Leng ruoxue chuckled. Her answer not only stunned her voice, but even Zi Yu and the others were surprised.

After all, they had come in to find someone, but now, because this voice wanted them to do something, their mission was suddenly not going, uh! This didn’t seem like his young miss’s character.

“Not going over? Are you sure? Didn’t you guys come here to find those people?” The voice asked a few questions in a row, its tone full of disbelief.

“We’re indeed here to find those people, but since they have a junior from your clan to lead the way, we naturally don’t need to find them. We’ll just wait for them at the door.” Leng ruoxue spoke the truth. She didn’t know who the owner of this voice was, so she really didn’t dare to lie to him. If he were to expose her, it would bring trouble to them, brother Yin, and the others. That wouldn’t be the outcome she wanted.

“Little girl, they were brought to the Holy Land of my clan by a junior of my clan. There are many souls of my clan that have yet to rest in peace, so it will be dangerous for them to go there. If you can’t save them in time, I’m afraid you will never see them again.” The owner of the voice seemed to be in a very bad mood.

“What did you just say?” Leng ruoxue’s voice turned cold as she questioned him.

“I said you must save them. Otherwise, they will be in danger.” The voice repeated.

“You’d better make yourself clear.” Leng ruoxue warned.

“Little girl, this was originally the habitat of my clan. However, a great disaster several tens of thousands of years ago caused this place to become a nightmare for my clan. That great disaster was a fatal blow to my clan. My clansmen died one after another, but their souls were trapped in my clan’s Holy Land and could not rest in peace. After so many years, their originally calm souls have become more and more violent. If they are not controlled or purified, they will become the source of a disaster for the entire divine realm. And the only one who can do this is you!” This time, the voice directly stated that the person he was waiting for was Leng ruoxue. Leng ruoxue could no longer continue to act dumb.

“What makes you think I can do all this? I’m only a mid level deity, I’m afraid I can’t take on such a heavy responsibility.” Leng ruoxue declined politely. She didn’t want to be a Savior. She was just a small deity. For such a matter of saving people in distress, there would naturally be powerful experts who would step up. Therefore, she didn’t think that such a matter would be up to her.

“Little girl, your flame has the ability to purify. It can let the souls of my clansmen rest in peace. Therefore, they really need your help. If you are willing to help, my clan’s collection that has lasted for tens of thousands of years will all belong to you. Also, the only surviving junior of my clan can also recognize you as its master. My clansmen have some special abilities that will be very useful to you.” The voice coaxed.

## **Chapter 1395: An unusual path (2)**

“You should know by looking at this house that our clan has many good things! You won’t be at a disadvantage.” The voice helplessly reminded.

“Your Commission is for me to help purify the souls of your clansmen?” Leng ruoxue probed. Even though she was tempted by the things here, she had to be alive to enjoy them! She didn’t want to do something she couldn’t do for these good things. It was no different from suicide.

However, it seemed that the purification that she knew of was usually directly burned by fire, and those so-called souls would naturally all turn into ashes.

“Yes! My clansmen have all been dead for tens of thousands of years. If they don’t rest in peace, they’ll probably turn into vengeful spirits. So, please save them.” The voice pleaded.

“I’ll try! However, I can’t guarantee that I can do it, but you have to promise me that even if I can’t do it, you can’t stop me from taking brother Yin and the others out of here.” Leng ruoxue started to talk about her conditions. Actually, she felt that the voice was probably lying when it said that they would be in danger if she couldn’t rescue them in time. This was because the voice was certain that she wouldn’t just stand by and watch. If not, why would they come all the way here? however, they were using brother Yin as bait, and she couldn’t help but fall for it. Thus, she could only state her conditions clearly.

Regardless of whether brother Yin and the rest were really in danger, she was going to take them away. If she could purify the clansmen mentioned by the voice and obtain their many years of collection, it would be a good thing. However, she could not be too sure about such things. Therefore, she would never make any promises to the voice.

“You can definitely do it.” The voice replied confidently after hearing Leng ruoxue’s words.

“We’ve agreed to your Commission. Can you let us through now?” Leng ruoxue couldn’t help but ask. This house had appeared on the road they had come from. Hence, the road ahead was completely blocked by the house. Hence, they could only continue on after the house let them through.

“Not only will I let you go, but I’ll also take you to my tribe’s Holy Land.” The voice was filled with joy. After he finished speaking, a translucent white beast that looked like a fox appeared in front of Leng ruoxue and the others.

Leng ruoxue lifted her beautiful eyes to size up the almost transparent little beast in front of her. She was secretly shocked. This little beast was actually a spirit as well. However, this little beast’s mind was unusually clear. Its fiery red eyes also flickered with the light of wisdom. It looked like an extremely intelligent little beast.

“What kind of Beastie are you?” Leng ruoxue asked curiously.

“I’m a Fox.” The little translucent beast replied shyly.

“Fox?” Leng ruoxue furrowed her brows and thought for a while, but she realized that she had no information on this type of beast.

.....

“You’re really a Fox?” Suddenly, Xue Ying shouted, his fluffy face full of disbelief.

“What’s wrong?” Leng ruoxue and the rest looked at Xue Ying in confusion.

“Xue ‘er, according to the historical records of our Fox clan, a long, long time ago, the term ‘Fox’ referred to two types of beasts. One was a Fox, and the other was a raccoon. Not only do we look similar, but we are also related by blood. Moreover, the raccoon’s strength was one of the best in the divine realm. As such, the Fox clan could definitely be compared to the Kings of the dragon and phoenix clans in the divine realm. However, ever since the raccoon clan went extinct, our Fox clan declined ...” Xue Ying said with a hint of sadness.

In fact, what it didn’t say was that the Fox clan was once strong because of the existence of the Fox. Moreover, the Fox clan was good at charm, while the Fox was good at fighting. In addition, the Fox also had a very enviable innate skill, which was transmigration! To put it bluntly, fox could travel to any place they wanted to go, as if they were entering a no man’s land. And fox whose strength had reached the Hierarch level could even travel through time and space! However, now that there were outsiders, it naturally couldn’t say this out loud. The civet cats that the major families knew were probably the ones it had said before.

“Yes! Little fox, I didn’t expect you to know about this.” The little white beast’s fiery red eyes were filled with tears as it spoke with excitement.

Little fox? When Snow Shadow heard this form of address, he was extremely depressed! After all, it had lived for many years and had always been the one calling others little fellow. Now, it was being called little fox by a soul that had been dead for who knew how many years. This was really a little strange!

“Hahaha! Although I’m already dead, I’m probably much older than the current leader of your Fox clan. It’s not a loss for you to call you a little fox, right?” The little translucent beast, who had seen through snow Shadow’s thoughts, said.

A palm-sized little beast had called the gigantic Xue Ying a little fox. Not only Xue Ying could not bear it, even Leng ruoxue and the rest felt that it was a little strange. However, out of consideration for Xue Ying’s face, they were kind enough not to laugh out loud.

“You can call me Xueying.” Snow Shadow gritted his teeth. However, he couldn’t possibly argue with a dead person who was considered half his ancestor. However, it was still very unhappy!

“Alright then! Snow Shadow! Little girl, I’ll take you to my clan’s Holy Land!” The little white beast said to Leng ruoxue.

“You can call me Leng ruoxue or Xue ‘er.” Leng ruoxue reminded. When she heard this voice calling her a little girl, she didn’t feel anything. However, now that the owner of the voice had appeared, that slightly mature voice, coupled with such a small body, hearing the words ‘little girl’ from its mouth, she couldn’t take it anymore.

“Alright then! Xue ‘er!” The little white beast seemed to be very aggrieved. After it finished speaking, it enveloped Leng ruoxue and the others in a white light. Then, Leng ruoxue and the others watched as they passed through the wall and came to the other side of the road.

Ugh! Was this considered a wall-crossing technique? He really didn't think that a small beast like the fox would have such an ability. It was really too heaven-defying. If he had such a small beast, stealing things would be like entering a no man's land! Leng ruoxue looked at the Little Snow-White beast, her beautiful eyes glowing as her imagination ran wild.

In fact, not only her, even Zi Yu and the others had the same thought. The two guards of the yin family were so surprised that they fell into a daze, unable to come back to their senses for a long time.

### **Chapter 1396: An unusual path (3)**

"Little li, where is your sacred ground? Hurry up and bring us there!" Leng ruoxue looked at the sky and urged.

"Little tanuki?" Hearing Leng ruoxue's form of address, the little white beast was taken aback. It thought to itself, "who is this little girl calling?"

"It's you." Leng ruoxue looked at the little white beast's dazed expression and knew that it had yet to react.

"I'm not called little tanuki." The little white beast sighed helplessly. It seemed that this little girl was a lazy person! She didn't even ask for its name and just called it little tanuki.

"Oh!" Leng ruoxue gave a light reply and did not continue.

The little white beast, who had been waiting for Leng ruoxue to ask for its name, saw that she did not continue to ask as it had expected. It then asked in confusion, "Why didn't you ask for my name?"

This little girl's reaction was really too different. It seemed that it was not easy to guess her thoughts! Sob ... Why did the heavens send such a difficult little girl to solve the problem of their clan? This little girl was clearly not someone who knew her place. At this moment, the little white beast made an important conclusion to Leng ruoxue.

"The name is not important. If you want to tell us, we will ask you even if we don't. If you don't want to tell us, it's useless for us to ask." Leng ruoxue said in a tongue-twister-like manner.

"Uh! I'm Mo Li." The little white beast introduced itself.

"Mo Li? You're Clearly White. Why are you called Mo Li? It's so strange." Before Leng ruoxue could say anything about Mo Li's name, Yue Qing asked curiously.

"Uh! My name doesn't seem to have anything to do with my color. Our leopard cat race doesn't name ourselves according to color." After hearing the moon eye's words, the little white beast's forehead was filled with black lines, and it couldn't help but secretly sigh in its heart. When did soul-gnawing beasts become so stupid? It really didn't dare to imagine how the soul-gnawing beast clan had managed to survive until now. Could it be said that they were just too lucky?

"Oh! Little black! Hurry up and bring us to your race's Holy Land!" After hearing Mo Li's explanation, Yue Qing urged him with embarrassment.

The little white beast, Mo Li, let out a sigh. He was completely depressed. He had already said that his name was Mo Li. Did he still need to emphasize that his name was not little black? He didn't know if this soul-gnawing beast was really stupid or was deliberately toying with him. It was really infuriating! However, it was the little girl who needed its help now, so it naturally couldn't get angry at them over such a small matter. So, after thinking about it, it held back.

.....

However, it still couldn't help but remind him, "Please call me Mo Li, not Blackie." Although the meaning of black and ink was similar, black was black, and ink was ink. They definitely could not be mixed together! Mo Li insisted on this.

"Alright! Li! Hurry up and bring us there!" Yue Qing said disapprovingly. Since this little beast was not satisfied with little black, then she would just change the way she addressed it. It was not a big deal.

"Let's go!" Mo Li sighed and decided not to argue about the name anymore. Otherwise, it would be so angry that its soul would fly out of its body.

Following that, the white light enveloped Leng ruoxue and the rest. They were teleported to the gate of the Holy Land that Mo Li had mentioned.

The so-called Holy Land was actually an unusually large and gorgeous Palace. The top of the palace reached into the clouds, and it was impossible to see the end. One could only imagine how large the palace was.

"Go in! There's a lot of space inside, and there are many passages. You must follow me closely and don't run around! Otherwise, if you end up trapped here, I won't be able to save you." Mo Li reminded. This Palace was the crystallization of the Fox clan's wisdom. It was full of traps and mechanisms. Since no one had been in control of the palace for many years, it was similar to an ownerless Palace. However, this ownerless Palace would automatically set up defenses, especially when it sensed an aura that did not belong to the Fox clan. Therefore, it was impossible for any outsider to leave the palace alive unless they were led by a member of the Fox clan.

"Which path leads to the sacred land's core?" Leng ruoxue asked as she looked at the numerous paths in front of her, which were covered with top-grade black crystals and were so bright that they could reflect a person's image.

"Hahaha! Xue'er, don't worry! None of these paths were! Follow me," Mo Li pushed open the door of the room closest to them and walked in.

Leng ruoxue and the rest followed him in, only to realize that the room was completely empty. There was nothing at all.

Mo Li smiled mysteriously when he saw the confused expressions on Leng ruoxue and the others' faces. Then, he raised his little paw and a white light covered Leng ruoxue and the others again. Then, he brought them through the wall.

She could only watch as she passed through wall after wall. The walls were all made of crystals, so one could imagine how hard they were. Furthermore, she had never experienced such an experience before. Leng ruoxue felt extremely strange, and she did not know what kind of feeling lingered in her heart.

However, she was now certain that these legendary beasts like the fox didn't like to walk the ordinary path, and the paths they saw just now were probably just a smokescreen. Who asked them to have such a heaven-defying skill? This was a talent that could not be envied.

They didn't know how many walls Mo Li had brought them through. When Leng ruoxue and the others felt a little dizzy, they finally arrived at their destination.

The so-called core of the Holy Land was actually the center of the entire Palace, and just by standing outside the door of the core, they could feel the dense spiritual energy emitted from inside.

"Xue 'er, this is the place." The ancestor who built this Holy Land was one of the oldest and most famous ancestors of the Fox Tribe. In the eyes of the Fox Tribe, the ancestor's wisdom was definitely above that of humans. Otherwise, this Holy Land would not have been built so beautifully. It must be known that such a Palace was unique even among the beast tribe.

"Can we go in?" Leng ruoxue asked for Mo Li's opinion.

"Yes." Mo Li nodded, but his little body kept trembling. Obviously, he was a little nervous. After all, he hadn't come back for a long time. He was like a child who hadn't come home for a long time and was afraid of his home!

With Mo Li's permission, Leng ruoxue pushed open the heavy door with her slender hands. Then, a strong spiritual Qi gushed out.

Leng ruoxue and the rest walked in and looked at the place that was known as the core of the Holy Land. How should he put it? This was considered a room, but it was not completely a room because the area of this room was too large. Many open spaces were planted with all kinds of flowers. If she didn't know that this was the Holy Land of the Fox race, she would definitely think that this was the residence of some senior.

The room was completely open and there were no windows. Sitting in the inner room, one could see the scenery outside. There were a few praying mats placed in the middle of the room. A small table was placed in the middle of the praying mats. When Leng ruoxue saw this, she guessed that this was the place where the clan leader or elder of the leopard cat clan discussed matters.

However, it was obvious that the souls of the members of the Fox clan that Mo Li had mentioned were not here.

"Mo Li, where are the souls of your people?" Leng ruoxue could not help but ask.

"You guys follow me, be careful!" Mo Li, who was reminiscing about his family's elders, came back to his senses and said.

Following that, it brought Leng ruoxue and the rest to the garden.

In an unremarkable corner of the garden, there was a translucent wall. Through the wall, Leng ruoxue and the others could clearly see countless translucent souls like Mo Li floating there. However, some of the souls had gradually turned gray. When those souls turned completely black, they would become real vengeful spirits. By then, even the wall would not be able to stop them.

“This wall contains the souls of our ancestors. Therefore, it can prevent these souls from breaking through the wall. However, tens of thousands of years have passed, and the deterrence of the souls of our ancestors has become weaker and weaker. It won’t be long before they cross the wall and wander around the entire divine world. It will be a disaster for the divine world!” Mo Li said with concern.

“Since their souls haven’t been destroyed, why didn’t they reincarnate?” Leng ruoxue asked in confusion. From what she knew, other than reverent-god level cultivators, it seemed that anyone below the God King level could be reincarnated as long as their soul did not dissipate. The reason why these souls existed was proof that their souls were intact. At least, they did not look like they had any problems on the surface. If that was the case, why were they trapped here? She could not figure it out.

“They’re all cursed and can’t be reincarnated.” Mo Li said with some difficulty. The cursed clansmen were sometimes clear-headed and sometimes confused. Once they were not clear-headed, they would attack each other’s souls. As time went by, the clansmen who were always defeated would become more and more resentful. Therefore, they would gradually turn into resentful spirits. Once one Clansman turned into a resentful spirit, it would devour the other clansmen. It could definitely devour one or more vengeful spirit Kings, and even give birth to a vengeful spirit Emperor! To the divine realm, that would definitely be a great catastrophe of destruction!

“Why are you fine?” Leng ruoxue looked at Mo Li and asked curiously. According to the records, although the soul could retain its consciousness, it would not be as clear as Mo Li’s. The soul and the divine consciousness were different. The soul was very fragile and could only remember a limited number of things. However, the divine consciousness could remember everything about its master, including the tasks that its master had assigned to it. Therefore, before Mo Li showed up, she had thought that it was someone’s divine consciousness that was talking to them. It had never crossed her mind that it was someone’s divine consciousness. The one who wanted them to complete the mission was actually a soul.

“In order to keep my mind clear at all times, the clan leader sacrificed himself. Otherwise, I would be no different from the soul locked up here.” Mo Yan lowered his head and said with tears in his fiery red eyes.

The disaster tens of thousands of years ago had caused many of the members of the leopard cat clan to die or be injured. Even after their deaths, the clansmen could not rest in peace and could not be reincarnated. However, the powerful ancestors of the clan might not have died if they had not sacrificed themselves for the sake of their clansmen. Unfortunately, even if they had sacrificed themselves, they could not save these cursed clansmen. The only person who could save the members of the leopard cat clan was this beautiful human girl in front of them ...

### **Chapter 1397: The soul of the Fox Tribe (1)**

“Oh! Then what do you want me to do?” Leng ruoxue raised her eyebrows and asked calmly after hearing what Mo Li said. She looked into the room through the translucent wall, but she didn’t see brother Yin and the others.

“Purify them, let their souls rest in peace.” Mo Li said expectantly.

“But, the purification that I know of is to burn with fire. By then, I’m afraid that not even ashes will be left of your clansmen.” Leng ruoxue said innocently.

“Uh!” Leng ruoxue’s words made the little Mo Yan’s mouth Twitch unnaturally. He was speechless. Did the old ancestor count the wrong person? Could this beautiful human girl really solve the crisis of their race? It was very suspicious now.

“I really don’t know how to purify souls and let them rest in peace. If you want them to disappear from this world, it’s not difficult to do.” Leng ruoxue chuckled. Actually, she had said that on purpose. However, when she saw the little beast’s mouth twitching, she was speechless. Could a soul do such a thing? It really wasn’t easy!

“You just need to control the temperature of your flame.” Mo Li said with a sigh.

“Good! Then tell me, what’s the temperature to control?” Leng ruoxue asked shamelessly.

” 70% will do. If it’s any higher, my people will be roasted dry.” Mo Li reminded him.

“Oh! Your requirements are a little high, so I can only guarantee that the temperature will be controlled at about 70 degrees. As for whether it’s high or low, I can’t control it. ” Leng ruoxue said helplessly. In fact, with her current ability to control fire, it was not difficult for her to control the temperature of the fire at 70 degrees. However, she did not want Mo Li to think that it was easy. If that happened, this cunning little beast would not cherish the fruits of his labor!

As expected, Mo Li was a little upset after hearing Leng ruoxue’s words. However, he still said considerately, “It doesn’t matter, just do your best.”

“En, that’s right, where are big brother Yin and the others? Why don’t I see them?” Leng ruoxue asked in confusion. She had not forgotten the reason why she was here.

“They’re inside. ” Mo Li pointed at the translucent wall and said.

“Inside? Isn’t it dangerous inside? Was it a junior from your clan who brought them in?” Leng ruoxue said. She felt anger rising in her heart. Damn it, if brother Yin and the others were to lose even a single hair, she would have turned these souls into ashes.

.....

“With the protection of my clan’s juniors, they are temporarily safe. However, it’s hard to say for sure after a long time.” Mo Li lowered his head and said in embarrassment.

“Oh, really? “You’d better make sure that they’re safe, or else ...” Leng ruoxue deliberately said half a sentence and left half a sentence behind. Mo Li understood what she meant, so he could only smile bitterly.

“I’ll bring you in!” Mo Li said.

“Yes.” Leng ruoxue nodded. Then, Mo Li covered them with the white light again and brought them through the wall. With the protection of the white light, the souls inside the wall miraculously didn’t get close to them. They just watched from a distance.

Slowly, some souls started to float over. However, they only surrounded the white circle of light and looked at them curiously.

Mo Li led them to a small building with only two floors. They didn't know how long they had been walking.

The small building was not tall, and its appearance was very simple. Although there were many souls floating around, the number was negligible compared to the ones they had seen along the way.

"Your friend is inside." Mo Li pointed at the two-story building in front of them.

"Bring us in!" Leng ruoxue said impatiently.

"Yes." Mo Li nodded and entered the building with Leng ruoxue and the others.

After entering, Leng ruoxue was surprised to find that there was not a single soul inside. She was puzzled. Didn't those souls know how to pass through walls? Why didn't any soul enter?

"There are also the souls of my clan's old ancestors here, they can't enter." Mo Li explained as he saw through Leng ruoxue's thoughts.

"Oh!" Leng ruoxue nodded. No wonder there were no spirits here. If big brother Yin and the others were here, they should be safe for the time being. However, why did the little beast by big brother Yin's side bring them here? Hmph! When she saw that little beast, she would definitely interrogate it properly!

He brought Leng ruoxue and the rest up to the second floor. After they entered a room, a familiar voice rang out, "Xue 'er! Why are you guys here?"

Leng ruoxue didn't need to look to know that the person who spoke was brother Yin. However, she still had to put on an angry look and said, "Of course we're here to save you! Big brother Yin! You don't even know where this place is, so how can you just barge in!"

"I'm sorry!" Yin Xiao lowered his head guiltily. He knew that they had made Xue 'er worried.

"Young master! It's a good thing you're alright, otherwise! How are we going to explain this to the head of the family?" When the two Yin family guards saw Yin Xiao, they could not help but cry out. If it was any other time, they would not have said such things. However, this time, they were really too anxious and thus, they could not help but blurt out these words.

"I didn't expect that we wouldn't be able to get out of this place." Yin Xiao said gloomily. They had indeed followed Xiao Budian here out of curiosity, but after entering the building, they realized that they were trapped inside. However, they couldn't get out, and the ferocious spirits outside couldn't get in either. Thus, they were temporarily safe.

"It's normal that it can't get out. This Fox is still underage, so it naturally can't break through the restrictions set by the ancestors." At this moment, Mo Li couldn't help explaining. As soon as he opened his mouth, everyone's attention was drawn to him.

Looking at this soul that could speak, Yin Xiao knew that it was different from the ones outside. Compared to Xiao Budian, who couldn't speak, he would rather talk to this soul.

Al! Along the way, he asked the little guy a lot of questions. However, apart from acting cute, the little guy simply couldn't answer them. Not only that, he even brought them here and trapped them here! Thinking of this, he felt extremely depressed.

### **Chapter 1398: Souls of the leopard cat tribe (2)**

"What is this place? Why are there so many souls here?" Yin Xiao looked at the translucent Fox-like creature in front of him and asked in confusion.

"This is the Holy Land of my clan. They are the dead clansmen of my clan." Mo Li gave a simple answer.

"Then why are they ..." Yin Xiao had wanted to ask why they were trapped here, but he was embarrassed to ask when he saw Mo Li's excited look. It must be something sad.

"They're cursed and can't reincarnate! My ancestors were afraid that they would go out and cause trouble, so they trapped them here. However, they can't be trapped here for long." Mo Li stared at Leng ruoxue with his fiery red eyes after he finished his words.

"Then why are you fine?" Yin Xiao couldn't help but ask again. The soul in front of him was obviously different from the ones outside.

"I'm special." Mo Li said with tears in his eyes. It was special because it was chosen by the ancestors to wait for the messenger who could save their entire clan. Therefore, the ancestors did not hesitate to consume their own divine power to keep its spiritual consciousness clear.

When Yin Xiao heard her say 'I'm special', he knew that he couldn't ask any more questions. He was afraid that he would get into Leng ruoxue's Secret. Thus, he turned his gaze to Leng ruoxue. Just as he was about to change the topic, he realized that Xue 'er wasn't even looking at him. Instead, she was focused on the little white beast in his arms.

Ugh! Xue 'er's gaze was very unfriendly. She wouldn't do anything to this little one, right? Just as he was thinking about this, Leng ruoxue walked to his side and took the little one away from his arms ...

"Little thing, how should I teach you a lesson?" Leng ruoxue raised the palm-sized little beast into the air and spoke in an unfriendly tone.

However, not only did Leng ruoxue's actions not make Xiao Budian afraid, she even acted cute. Her little head rubbed against Leng ruoxue's snow-white wrist, making her not know whether to laugh or cry.

It seemed that this little thing was a smart fellow. She actually thought that she could just act coquettishly. Thinking of this, Leng ruoxue freed one hand and slapped Xiao Budian's chubby little butt. This slap was definitely not light. However, Xiao Budian only gritted his teeth in pain. Immediately after, tears welled up in his eyes and he looked at Leng ruoxue with an aggrieved expression.

"It's useless to act pitiful." Leng ruoxue chided.

"Wuu ..." Xiao Budian sobbed, but no one present interceded for him. When he saw this, he couldn't help but turn to look at Yin Xiao. The pleading in his eyes was self-evident. However, he knew that he couldn't provoke Leng ruoxue when she was angry, so he didn't dare to plead on Xiao Budian's behalf.

Furthermore, his crime didn't seem to be pardoned! In this way, he did not dare to speak up for the little guy. Wu! Little fellow, take care of yourself and pray for good luck! He prayed in his heart.

.....

"Pa pa!" Following a few crisp sounds, Xiao Budian's fat butt also received a few slaps. However, Xiao Budian didn't dare to be angry, nor did he dare to speak! Ugh! The main thing was that he couldn't speak! However, Leng ruoxue had already left a vicious impression in its young heart. Hence, from now on, it was extremely obedient in front of Leng ruoxue.

Seeing that his junior was being beaten up and no one was pleading for him, Mo Li finally couldn't help but say,"Xue 'er, it already knows its mistake. Please spare it!"

"Yes, yes." Xiao Budian kept nodding his head after hearing Mo Li's words. His red eyes were full of tears. He looked so pitiful.

However, Leng ruoxue would not be soft-hearted towards a small beast that had put big brother Yin and the rest in danger. Hence, no matter how cute this small beast was, it was useless.

"Pa pa!" The sound of slapping continued to ring out. Seeing that acting cute and acting cute were of no use, the little guy simply began to wail ...

When the people present heard the cry, they all turned their heads in tacit understanding.

After a long time.

Leng ruoxue stopped and looked at the little Beastie that was bawling its eyes out. She was speechless. Was it that painful? She felt that she had already shown mercy. If she really wanted to beat it up, how could its small body withstand it?

Actually, she didn't expect the little beast that brought brother Yin and the rest to this place to be so small. However, no matter how small it was, it still had to be taught a lesson. Otherwise, it would be lawless in the future!

"Don't cry anymore, or I'll throw you to the wolves," Leng ruoxue threatened.

However, her threatening words caused Zi Yu and the others to be filled with black lines on their foreheads. They couldn't help but secretly think,"miss, a Wolf might not eat this little thing. In the beast clan, the bloodline of beasts is of different levels, and this little Fox's bloodline level is very high. After all, its ancestors were once comparable to the Kings of the beast clan, such as dragons and phoenixes. Let me ask you, can a Wolf eat such a small beast?" Although the wolf clan's bloodline wasn't low, it was still slightly inferior to a Fox 's.

Although everyone present felt that Leng ruoxue's threat was unbelievable, Xiao Budian did not dare to cry anymore. He could only cry in his heart. Wuwu ... This big sister was so fierce! It was so scared!

"Xue 'er, you'd better hurry up and purify my clansmen! In fact, this little fellow brought them here to save our clansmen. It's just that it's too young and doesn't understand these things. Good intentions end up in bad things. " Seeing that Leng ruoxue had finished venting her anger, Mo Li defended Xiao Budian.

“It doesn’t understand! Don’t you understand? Since you know that not only can’t brother Yin save them, but you will also be in danger, why did you let them come?” Leng ruoxue asked angrily after hearing what Mo Li had said. In fact, she had wanted to ask these questions for a long time, but she had not seen brother Yin and the others yet, so she had held back.

“Xue ‘er, I know you’re angry, but I can’t do anything about this! This is all determined by the innate talent of my race.” Mo Li said helplessly. Their race was gifted with the ability to travel through time. Therefore, his juniors could take the little girl’s friends through the room without any obstacles. As a soul, it could not stop them. After all, it had its own mission. It could not leave the room until someone could save its people.

### **Chapter 1399: The soul of the Fox Tribe (3)**

After hearing what Mo Li said, Leng ruoxue was a little depressed. She thought of the wall-passing technique. Indeed, one could enter uninvited without permission. This talent was quite annoying when he thought about it.

Who would be able to tolerate a small beast entering and leaving their own place as if no one was there? It seemed that she had to educate this little Beastie properly. Otherwise, it would cause trouble for her and the others if it ran around like this.

“Little girl, hurry up and purify the souls of my clansmen! That way, we can leave this place and all of my clan’s collections will belong to you, as well as this little beast.” Mo Li reminded him.

“This little beast is big brother Yin ‘s, I don’t want it.” Leng ruoxue said with a look of disdain.

“Uh! Xue ‘er, I’ve been wandering all over the world and can’t bring along such a small Cub, please take it!” Yin Xiao hurriedly replied. He had originally wanted to keep this little beast with Leng ruoxue, but now that she said she didn’t want it, he was a little anxious. He was a grown man, and if he brought such a small beast with him, he would be a joke. If this was an adult beast, he might have considered it.

“But I don’t want it either!” Leng ruoxue’s face showed nothing but disgust, which made Mo Li speechless. However, he felt more helpless, because he could already predict the difficult process of his junior recognizing a master. Sob ... Only by following this little girl could the leopard cat clan have a future and regain its former glory. Therefore, he had to make this little girl accept his junior.

Thinking of this, Mo Li said, “Little girl, my clan’s talent is extremely heaven-defying, and it will be very helpful to you in the future. So, you should accept it!”

“Yup! Xue ‘er! This little thing is pretty and cute, and has great talent. You should take it!” Yin Xiao pleaded again. Even though this little fellow’s talent was extremely envious, he didn’t dare to keep this little thing by his side. If that happened, wouldn’t he lose all his privacy? Ever since he knew that the little guy could go through the wall, he understood how this little guy entered his tent without being discovered.

“Big brother Yin! It was originally your Beastie, and I also feel that you two are quite compatible. As the saying goes, a gentleman does not take away what others love, so how can I accept it!” Leng ruoxue’s beautiful face was filled with embarrassment.

“Xue ‘er! It’s not my Beastie, I’m only temporarily taking it in! It was true! If you don’t believe me, you can ask uncle Zhong!” Helplessly, Yin Xiao could only use uncle Zhong as a shield.

“Yup! Young lady Leng, young master had originally intended to give this little beast to you.” Uncle Zhong sighed and said helplessly. In his heart, he kept complaining, “young master, even if you don’t want this Beastie, you don’t have to drag him into this!”

“Even if big brother Yin wants to leave it to me, it seems that this little beast is not very willing! Why don’t we respect this little fellow’s opinion?” Leng ruoxue noticed the fear and uneasiness in the little Beastie’s eyes from the corner of her eyes and smiled.

“Little guy, are you willing to follow me?” Leng ruoxue raised little Beastie before her eyes again and asked seriously. Her solemnness frightened little Beastie so much that it did not dare to respond. Woo...This sister was too fierce! It didn’t want to be with her! However, it couldn’t shout out these words, because it couldn’t speak! It felt aggrieved!

.....

“Big brother Yin! This little thing is not willing!” Leng ruoxue saw that little Beastie had no reaction and quickly added.

When Yin Xiao heard Leng ruoxue’s words, he was speechless!

Even if that little Beastie can’t speak, you don’t have to bully it like this! He couldn’t help but sigh in his heart. He could tell that the little guy was already scared silly by Xue ‘er’s fierceness. Under such circumstances, which Beastie would say yes ah! However, this matter could not go as Xue ‘er wished, because he had already decided to throw this burden to Xue ‘er!

“I have such a good master! How could it not be willing?” At this moment, Mo Li came to the little beast and said, blinking his eyes.

In fact, it was sending a message to the little beast. However, its strength was limited after becoming a soul. If it was too far away, it wouldn’t be able to transmit everything it wanted to say into the little beast’s heart.

The little Beastie nodded hesitantly after hearing its ancestor’s words. However, the expression on its little face was very unwilling. Naturally, its expression could not be hidden from the people present.

Seeing the little Beastie’s reluctance and its posture of being driven to a corner, Zi Yu and the others were deeply speechless. One must know that their miss’s affinity with beasts had always been so good that it made people jealous. This was the first time they had seen a little Beastie so unwilling to follow their miss! They couldn’t help but feel curious. However, everyone knew that this was most likely related to the fact that their miss had previously beaten its butt.

“You’re really willing?” Leng ruoxue’s eyes were half-closed as she asked coldly.

The chill in her words made the little Beastie shiver. It curled up its little body and nodded unwillingly. Tears kept welling up in its fiery red eyes. It wanted to cry but did not dare to.

“But you don’t look very willing!” Leng ruoxue observed the little beast in her hands carefully.

“Xue ‘er, it can’t speak. Didn’t it nod? Why wouldn’t I be willing!” Yin Xiao hurriedly said.

“Yup! Xue ‘er! It’s very willing. ” Mo Li agreed.

“Since you all say so, then I’ll take it.” Leng ruoxue said helplessly as she looked at the man and the Beast soul who were lying through their teeth. In her opinion, it did not matter if she had one more beast or one less. Therefore, it did not matter much to her whether she accepted it or not. However, seeing how brother Yin and Mo Li were trying their best to promote this little beast, she would feel sorry for them if she did not accept it.

“Xue ‘er! You’ve made a wise decision. ” Yin Xiao seemed to heave a sigh of relief. I’ve finally gotten rid of this little fellow.

“Xue ‘er! You won’t regret this. ” Mo Li said with joy. Now that the problem of the only junior in the clan had been solved, it was time for the souls in his clan who could not be reincarnated. He was excited at the thought of this! It had been waiting for this day for a long time!

Looking at the man and beast in high spirits, Leng ruoxue felt a little regretful. Could she return the goods now? This was clearly a forced purchase! Because whether it was her or that little beast, they were both not very satisfied with each other. The little beast was angry but did not dare to speak up, but she was indifferent!

“Xue ‘er! Now, you can purify the souls of my clansmen!” Mo Li urged impatiently.

“I can, but they’re too scattered. Do you have any way to gather them together?” Leng ruoxue asked. Her soul was too scattered. If she were to purify it, she did not know how long it would take. She would die from exhaustion!

“Hmm, I’ll try! Xue ‘er! You just need to come out with me! The rest of you can stay here!” Mo Li said after some thought.

When Xiao Budian heard his own grand ancestor’s words, he struggled a few times in Leng ruoxue’s hands. His intention was clear-he wanted to go out too. However, Leng ruoxue would not give this little guy the chance to go out and cause trouble! He threw it into Zi Yu’s arms and gave Mo Li a look. Then, the man and the Beast left the room.

In the yard, Mo Li roared into the air. This roar was the unique sound of the Fox clan when they called for their companions. Although the members of the Fox clan had become souls, this sound was deeply engraved in their souls. However, Mo Li did not know if his people would still respond to the call.

However, its worry was obviously unnecessary because before the end of its roar could be heard, countless translucent souls flew over from all directions. Although the souls ‘eyes were filled with confusion, they would never forget the voice.

Some of the souls who were still conscious even nodded at Mo Li in a friendly way.

“Mo Li! Why have you summoned us?” A similarly translucent soul said.

“You can all be free now.” Mo Li said with excitement.

“Really?” The soul that spoke could not believe it. It thought it had heard wrong.

“Yes, she’s here to purify you.” Mo Li pointed at Leng ruoxue and said.

The soul started to size Leng ruoxue up with its red eyes after hearing what Mo Li said.

Could this human woman really save them? It couldn’t believe it, because in its eyes, this human woman was so weak.

While the soul was sizing her up, Leng ruoxue didn’t forget to look at it as well. This soul’s aura seemed to be even stronger than Mo Li’s. No wonder it was able to maintain consciousness like Mo Li. However, on its translucent chest, there was a gray area the size of a fist, which Mo Li didn’t have.

However, this soul seemed to be the king of souls in this place. Because of its presence, some souls that drooled at her did not dare to approach her, even if those souls were very envious of her.

“Little human girl, I thank you on behalf of the leopard cat race.” It looked at Leng ruoxue’s soul and said slowly after a long while. It knew Mo Li’s mission very well. Since this woman was brought here by Mo Li, it must be right.

“You’re thanking me a little too early. I don’t have the confidence to purify you. If I accidentally burn you into ashes, don’t blame me!” Leng ruoxue said the ugly words first.

“Hahaha!” After hearing Leng ruoxue’s words, the soul could not help but burst out laughing. After it was done laughing, it spoke again, “What an interesting little human girl. I’ve never seen a human like you! In fact, you don’t have to say that because even if you really annihilate us, no one will take revenge on you. Our Fox clan no longer exists.”

Even though the soul spirit was smiling as it spoke, Leng ruoxue could hear the self-mockery and sadness in its words. However, this soul spirit of the leopard cat race with a straightforward temperament had left a very good impression on her. At least when it heard her words, it did not become angry from embarrassment. Instead, it knew how to laugh at itself to get out of trouble. This was enough to show that the intelligence of the leopard cat race was very high.

“Little human girl, my clansmen have been waiting for too long. Let’s begin the purification!” The soul said.

“Good! Gather them! I might need to purify them in batches.” Leng ruoxue ordered. There were so many souls that it was impossible to purify all of them at once. However, the Fox’s words seemed to be more effective than Mo Li’s. Therefore, she had to find someone who could talk.

#### **Chapter 1400: The headache-inducing Xiao Budian (1)**

Seeing Leng ruoxue ignore him and order the soul of the leopard cat race, who he had only met once, to do what it was supposed to do, Mo Li’s heart felt unbalanced.

This hateful little girl was clearly burning the bridge after crossing the river! How could he treat it like this? “What a realistic little fellow,” Mo Li thought to himself angrily. He also looked at Leng ruoxue with resentment, but Leng ruoxue ignored him.

Then, the soul of the Fox race said something to the souls around it, and the souls that were not very dense gathered together automatically.

“Little human girl, you can start now.” The soul of the leopard cat said with great reluctance. Its fiery red eyes carried a trace of nostalgia.

“Alright,” he said. Leng ruoxue nodded. Immediately, a small flame that was glowing with a purple light appeared on her fair fingertips. Although the flame was small, its temperature was extremely high. The moment the flame appeared, the souls of the leopard clan members started to tremble uncontrollably. The flame made them feel fear. It made them instinctively afraid. However, they knew that they could not retreat.

Taking in their expressions, Leng ruoxue waved her hand gently. The flame on her fingertip flew towards the gathered souls. In an instant, a purplish-red light lit up the sky. The small flame suddenly grew bigger and enveloped the gathered souls within it. Not long after, painful howls could be heard from the flame ...

“Argh! It hurts!”

“Argh! I’m finally free!”

At the moment the flames burned their souls, the souls of the leopard cat race, which were not very clear-headed, regained their consciousness for a moment.

Although the flames were extremely painful to them, they knew that they would only be able to truly escape if they could withstand the heat. Otherwise, they would be reduced to ashes.

Leng ruoxue used her mind to control the temperature of the flames, feeling the souls within the flames. Even though many souls were trying their best to hold on, there were already some souls who were not strong-willed and could not withstand the high temperature, turning into ashes.

After a while, the painful wails grew weaker and weaker. Slowly, the moans of comfort rang out continuously. Leng ruoxue knew that this was the sign of the soul’s purification. After being burned by the flames, the souls that had survived to the end could be reincarnated. The curses on their bodies had also been completely burned away by her Natal flames.

After that, Leng ruoxue retracted her Natal fire. The souls that were wrapped in the flames gradually revealed their pure, translucent looks. The fiery red eyes of the souls were filled with gratitude. After bowing slightly to Leng ruoxue, they looked at each other and started to mumble to themselves ...

.....

Leng ruoxue could not understand the mumbling of the souls. However, as the souls spoke, specks of light began to float in the air. Following that, the specks of light floated towards Leng ruoxue and enveloped her within.

The light spots were extremely warm and comfortable. Leng ruoxue bathed in the light spots and felt extremely comfortable. Although she did not know what the light spots were, she could clearly feel that the divine power in her body was becoming more and more abundant. This made her pleasantly surprised. She guessed that the light spots were the souls of the leopard clan expressing their gratitude.

As the light spots on Leng ruoxue's body slowly disappeared, the souls of the Fox race who were mumbling to themselves also slowly disappeared into the air. Leng ruoxue knew that they had gone to another world, so she was happy for them.

Following that, Leng ruoxue repeated the process of purifying the souls of the Fox Tribe members in batches. Every time she purified them, there would be souls that could not withstand the burning flames and would turn into ashes. The souls that remained would express their gratitude to her in the same way.

After a long time.

Mo Li was the only one left in front of Leng ruoxue.

She raised her beautiful eyes and looked at Mo Li, who was reluctant to leave. She couldn't help but say, "Mo Li! What are your plans?"

"Xue 'er! I'm going to reincarnate as well. Although I don't know what I'll become in my next life, I'll always remember the kindness you've shown to our leopard cat tribe. You'll always be our leopard cat tribe's friend! I give you my blessings!" Mo Li said sadly. Then, he mumbled to himself like the soul of the Fox race. Then, countless light spots flew toward Leng ruoxue.

Then, Mo Li's half-transparent body disappeared in front of Leng ruoxue.

Seeing Mo Li disappear with her own eyes, Leng ruoxue did not feel good. Although she had not spent a long time with this Fox, they knew each other. Even though they were not close, she still felt sad.

When the demon and the rest walked out of the building, they saw Leng ruoxue standing alone in the courtyard in a daze. They had seen everything that Xue 'er had done in the room. When they saw so many cursed souls that could not be reincarnated, many of them felt sympathy for the Fox clan.

"Xue 'er, let's leave this place!" The evildoer came to Leng ruoxue's side and pulled her into his arms.

"Still not enough!" Leng ruoxue, who had regained her senses, grabbed Xiao Budian from Zi Yu's arms and said, "Little thing, Mo Li must have told you the location of the Fox clan's collection for many years! Quickly bring me there!"

Damn it, she had forgotten to ask for payment from Mo Li. She didn't remember it until he had disappeared. Oh ... What a mistake! When did she become so emotional? Seeing the members of the leopard clan disappear, she felt sad. In fact, it was a good thing that they had left this place because it meant that they were reborn. However, it was not a good thing for her that they had all left! She hadn't even asked for her reward!

When Yin Xiao and the rest heard Leng ruoxue's words, their foreheads were filled with black lines. They were helpless! However, they were also a little suspicious. Would the little guy really know where the Fox race's treasure was hidden? They did not think that Mo Li would tell Xiao Budian the location of the Fox clan's treasure. However, they did not dare to say it in front of Leng ruoxue.

As for Xiao Budian, he was being held in Leng ruoxue's hands. His tiny body was so frightened that he could not stop trembling. The tears in his fiery red eyes were also dripping down drop by drop.
