

Crazy Wife 1421

Chapter 1421: A bet (2)

"How do you know it won't?" Leng ruoxue asked with a smile.

"Miss! I'm not like those three from the Xiao family that I just met today. They only know how to freeload at the Yin family. If you want them to pay for compensation, the sun will rise from the west." Grape said with absolute certainty.

"Grape, why don't we make a bet?" Leng ruoxue asked with a smile.

"A bet? Miss! I don't have anything of value." Grape said honestly.

"I don't need anything. I just need to agree to one condition." Leng ruoxue explained.

"That's good! Let's bet! Miss! I bet that the Xiao family won't pay any compensation, and the Yin family will have to pay for it in the end." Grape said confidently. After all, this was not the first time such a thing had happened.

"If it's the Yin family paying the compensation, you win," Leng ruoxue said.

"Good! Hehe! Miss! I'm definitely going to win!" Grape said happily.

"Grape, it's too early to be happy! I've never lost a bet before! Don't underestimate your enemy!" Leng ruoxue reminded him with a smile.

"Miss! I know that family very well, and I won't lose." Grape said with confidence.

"That's good! Then let's wait and see!" Leng ruoxue laughed in an enigmatic manner.

After Xiao Lin and Yin Xuan left Mingxi garden, they went straight to the courtyard where Xiao LAN and the others were staying. However, when she told Xiao Hua and his wife about Leng ruoxue's condition and the method to cure Xiao Lan's injury, she did not see their gratitude as she had hoped. Instead, she was blamed and blamed by them.

"Sister! This woman was really too much. She clearly hurt LAN'er, so how could she put forward such a rude condition? This was really preposterous and bullying! Do you think there's no one in the Xiao family? Do you think our Yin family is easy to bully?" Ru Ping roared in anger.

"Aunt! What does this have to do with our Yin clan? They asked for it from you, not from us. Please don't casually mention our Yin family, otherwise, if the other members of the Yin family heard it, they would misunderstand." Yin Xuan reminded.

"The Adults Are Talking. Why is a child like you interrupting?" Hearing Yin Xuan's words, Ru Ping said unhappily.

"I'm no longer a child." Yin Xuan's face was red as she said loudly. She said this because it was not appropriate for her mother to say it, but the other party used her being a child as an excuse. It was really ridiculous. When Xiao LAN interrupted, why didn't she say that Xiao LAN was also a child?

“Sister! Xuan ‘er is really too unruly! When the elders are talking, it’s not her place as a child to interrupt, and she even talked back to the elders!” Seeing that Yin Xuan didn’t give her any face, Ru Ping turned to Xiao Lin and complained.

“How can my child not know the rules? Was there anything wrong with what she said? The yin clan is the yin clan, and the Xiao clan is the Xiao clan. They really shouldn’t be mixed together!” Xiao Lin didn’t want to argue with this sister-in-law. After all, it wouldn’t be nice if this kind of thing spread out, and it would also damage the yin family’s reputation. However, her mistake was that she shouldn’t have said that Xuan ‘er didn’t know the rules. Which parent would be willing to hear others slander their precious daughter?

“Sister! Don’t be angry, Ruping was too worried about LAN ‘er, that’s why she spoke without thinking. Please be magnanimous and don’t mind her.” Seeing that Xiao Lin was getting angry again, Xiao Hua quickly spoke up. He kept giving his wife a look, signaling her to shut up. In his opinion, his sister was his biggest backer, and he could not get into a conflict with her because of his daughter. It would not be good for his position in the Xiao family, and it would only benefit the other members of the Xiao family.

“I won’t argue with her, but I’ll make it clear to you today. I’m here to tell you this news out of goodwill, but it’s fine if you don’t appreciate it. However, this matter was caused by LAN ‘er, and now she’s asking for compensation before she’s willing to give you the little snake’s saliva. Our Yin clan won’t interfere in this matter, so don’t expect the yin clan to compensate you for this, Xuan ‘er! Let’s go!” After Xiao Lin finished speaking, she left Xiao Lan’s room with Yin Xuan expressionlessly.

After leaving the room, Yin Xuan said excitedly and exaggeratedly, “Mother! You really are my mother! I’m so touched!”

“Silly girl! When has mother not been on your side?” Xiao Lin said helplessly. There were some things that she didn’t say because of her brother, but her sister-in-law shouldn’t have accused her daughter of being unruly in front of her. This was something that no parent could tolerate.

“Mother! I feel that it’s not enough for us to only know about this matter. We have to tell father about it. Otherwise, if father is soft-hearted, he might help them pay the compensation. In fact, it’s not like they can’t afford the compensation that sister asked for.” Yin Xuan reminded.

Before she and her mother had left Mingxi garden, her elder sister had given them a list of the items that Leng ruoxue had requested for compensation. On that list, both of them had contributed a little because they had given their opinions. After all, no one knew better than them what the other party could offer. Shao Hua was not the head of the family yet, so there was a limit to what he could offer. Therefore, if Leng ruoxue’s request was beyond what they could afford, the yin family would be the one to pay the compensation. This was something that Yin Xuan did not want to see. Thus, after Yin Xuan expressed her thoughts, Leng ruoxue agreed to compensate Xiao Lan’s family as much as they could.

“Mm! I’ll find a chance to talk to your father.” Xiao Lin nodded.

“Mother! Don’t look for an opportunity, let’s go find father now and talk about this! Otherwise! If uncle and the rest were to get there first and father agreed, then we would have worked in vain.” Yin Xuan quickly said.

“You little girl, fine! Then let’s go find your father and tell him.” Xiao Lin said with a helpless smile.

“Hehe! I knew that mother is the best.” Yin Xuan said with a fawning smile.

Then, the mother and daughter went to Yin Ping’s study room. However, at this time, Yin ping was discussing some matters with the elders. When Yin ping finished his discussion and came out of the study room, he saw his beloved wife and daughter sitting on the stone chairs in the courtyard waiting for him.

“Sister Lin, Xuan ‘er, why are you guys here?” Yin ping said with some surprise.

Chapter 1422: A bet (3)

“Father! We’re here to talk to you.” Yin Xuan held Yin Ping’s arm and said coyly.

“Oh! What was it? You even came all the way here to find me?” Yin ping didn’t understand.

At this moment, a guard came over and reported, “Acting patriarch, Shao Hua has sent someone to invite you. He said that he has something to tell you.”

“What’s the matter?” Yin ping frowned and said with obvious displeasure. These few days, he had been annoyed to death by the couple. He had never thought that they would be so annoying before! However, he was getting more and more impatient with them.

Yin Xuan and her daughter saw Yin Ping’s expression and laughed in their hearts. It seemed that the other party also wanted to tell Yin ping about this matter, but unfortunately, they were the first ones to do so. With them around, Yin ping naturally couldn’t leave them to see Shao Hua. After all, his wife and daughter were the most important.

“The person didn’t say.” The guard also felt Yin Ping’s displeasure and quickly said.

“You go and tell the person that I have something to do now and will be there later.” Yin ping thought for a moment. He definitely couldn’t not go over. If he didn’t go over, Xiao Hua and his wife would keep sending people to find him. Now that his wife and daughter had something to tell him, he naturally had to take care of his wife and daughter first.

“Yes!” The guard replied and turned to leave.

“Sister Lin, Xuan ‘er, you can speak your mind now.” After the guard left, Yin ping spoke again. When his wife and daughter heard the Guard’s report, he didn’t miss the expression on their faces.

“Mother! You can tell father!” Yin Xuan said.

“Yeah.” Xiao Lin nodded, then told them about Leng ruoxue’s request and their visit to her.

After Yin ping heard this, his brows furrowed even deeper, and he didn’t say a word. It was unknown what he was thinking. Xiao Lin and Xuan ‘er saw his expression and didn’t disturb him.

After a while.

“If Shao Hua wants to see me, it’s also about this matter, right?”

“Yes.” Xiao Lin and Xuan ‘er nodded.

“Sister Lin! In the past, whenever Shao Hua had any problems, he would always ask me for help. If I don’t help him this time, I’m afraid he’ll have other thoughts.” Yin ping said with some difficulty. He understood the meaning of his wife and daughter. They wanted Xiao Hua and his wife to pay the compensation themselves. However, how could that couple be willing to pay the price?

“Father! It’s precisely because you’ve meddled too much in the past that we can’t meddle with them this time. This matter was originally cousin Lan’s fault and sister Xue ‘er has evidence. If the elders of the clan find out about this evidence, you can forget about convincing the public as the acting patriarch in the future.” Yin Xuan reminded.

“It’s that serious?” Yin ping said as he looked at his wife and daughter. He only knew that Xiao LAN had a conflict with the people living in Mingxi garden and was beaten up by their Beastie. However, he didn’t know the exact reason. Xiao Lan’s guards had all come to the same conclusion and insisted that it had nothing to do with Xiao LAN. That was why he was in a difficult position. If it had nothing to do with Xiao LAN, then it could only be the other party’s provocation. However, that woman was brought back by his father. If he didn’t say anything and just dealt with her, then it would be a big problem. He also had no way of explaining it to his father, the head of the family. Thus, he could not make up his mind.

“Yes.” Xiao Lin and Yin Xuan both nodded. They had seen the evidence in Leng ruoxue’s hands, so they were even more determined to not help Xiao LAN this time. Otherwise, their husband and father would be in trouble.

Seeing that his wife and daughter were so certain, Yin ping naturally made up his mind. However, he still said to Xiao Lin apologetically, “Sister Lin, although I really want to help LAN ‘er, this time ...” He said.

Before Yin ping could finish, he was interrupted by Xiao Lin, “Brother ping! You’ve already done enough. I can’t let you be blamed by your clansmen for what happened to the Xiao family.” She knew that Yin Ping’s protection of Xiao Hua’s family over the years had caused many clansmen to be dissatisfied. The reason why Xiao LAN dared to show off in the yin family was also because she had her husband’s support. Otherwise, how could she have such courage to not even put her own daughter in her eyes?

Xiao Lin was a very protective person. Originally, Xiao LAN was her niece, and she doted on her. However, Xiao LAN used her love to bully Xuan’ er. If she had not accidentally overheard the conversation between Xiao LAN and the maidservant, she would probably still dote on Xiao LAN as much as she did before!

Ever since then, she found Xiao LAN more and more unpleasant to the eye. Xiao LAN was so obedient in front of her, but she was so arrogant in front of others. She didn’t even care about her daughter. This was something she couldn’t tolerate.

“Sister Lin! Thank you for your understanding.” Yin ping was very touched because his wife was a sensible person. Over the years, although his wife had told him not to take care of Xiao Hua’s family, he still did his best to take care of them out of his love for his wife and the gratitude of Xiao Hua’s parents for raising his wife. He also knew that it was because of his protection that Xiao Hua’s family’s status in the Xiao family was getting higher and higher. Even in the yin family, no one dared to look down on them just because they were in-laws. At least on the surface, that was the case. He knew that some of the clan members were dissatisfied with Shao Hua and the others, but he ignored them. After all, they were his wife’s relatives!

“Brother ping! You’ve done enough for me. Shao Hua is already an adult, so let him handle the future matters by himself!” Xiao Lin said bluntly. This was also what she meant.

“Good! I’ll listen to you.” Yin ping said affectionately.

Seeing her parents looking at each other affectionately in front of her, even forgetting about her existence as a daughter, Yin Xuan was both happy and conflicted. She was happy that her parents had a good relationship and there were no group of annoying half-brothers and sisters at home, but conflicted that in front of her parents, she had become air. Sigh! Should she be more tactful and go to the side to play? Yin Xuan thought.

At the same time, Yin Xuan didn’t disturb her parents “love and quietly slipped away.

By the time Xiao Lin and Yin ping reacted, there were only the two of them left in the large courtyard. The two of them looked at each other and smiled, then went back to their rooms hand in hand.

After staying with Xiao Lin for a while, Yin ping unwillingly went to the courtyard of Xiao Hua and the others.

Chapter 1423: A bet (4)

“Brother-in-law! You’ve finally come.” As soon as Yin ping entered Xiao Lan’s room, Ru Ping cried with snot and tears.

Yin ping saw this and frowned slightly, then said indifferently: ““What happened to you?”

“Brother-in-law! You have to help our LAN ‘er! Was there any justice left in this world? They bullied my LAN ‘er and now they want us to compensate for their mental loss! They were really bullying him! Do you think our Xiao family is easy to bully?” Just as Yin ping asked this, Ru Ping began to speak in rapid succession.

If he had not heard his wife and daughter’s conditions beforehand, he would have thought that they had gone too far. However, he knew very well that Xiao Hua could afford the conditions. All these years, with his protection, Xiao Hua had taken a lot of money from his family. Now, they were crying and quarreling with him only because they wanted him to pay the compensation to save Xiao LAN. However, he had promised his wife and daughter that he would not interfere in this matter. Therefore, no matter how much they cried and quarreled, no matter how hard they tried, he would not care. It was all useless.

After crying for a while, Ru Ping’s heart sank when she saw that Yin ping didn’t say a word. Then, she cried again. “Brother-in-law! Xiao LAN is your most beloved niece, so her business is your business. You can’t just stand by and do nothing!”

“Are you done?” Yin ping, who was annoyed by the noise, roared. His roar scared Ru Ping so much that she didn’t dare to cry anymore.

“Brother-in-law! You have to help LAN ‘er.” Ru Ping sobbed and said softly.

"I've heard about this from sister Lin and discussed it with the elders of the family. The elders think that this matter was caused by LAN 'er, so you should deal with it yourself. Our Yin family will not interfere in this matter." Yin ping brought out the elders and said.

"Brother-in-law! How could this be! LAN 'er got into trouble in your Yin family. You also promised to give us an explanation. " Ru Ping and Xiao Hua quickly said.

"I said I'll give you an explanation because you told me this had nothing to do with LAN 'er. However, as far as I know, this was caused by LAN' er. Shouldn't you tell me the truth?" Yin ping asked indifferently.

"Brother-in-law! You've watched LAN 'er grow up. Don't you know what kind of child she is? How could she do such a thing?" Ru Ping quibbled guiltily.

"You know better than me whether she can do it or not. Let's not talk about this now. You'd better quickly prepare the compensation that the other party wants. Saving LAN 'er is more important. As for the other things, wait until LAN' er is better. You must gather all the items within three days. Otherwise, you will be responsible for the consequences. " Yin ping coldly reminded.

"Brother-in-law! They were the ones who injured LAN 'er, and now LAN' er has fainted from the pain. Why should we compensate them? This was simply too unreasonable! This kind of thing couldn't be explained anywhere, right? Besides, even if there's a need for compensation, they should be the ones paying us!" Ru Ping reminded him with dissatisfaction.

"The thing that can save LAN 'er is in his hands now. He wants you to compensate him. Can you refuse?" Yin ping said unhappily. He really didn't want to ask if they were close, but he had to remind them.

"Brother-in-law! Your Yin clan is one of the eight great divine domains and has a transcendent status in the divine realm. No matter what identity that woman has, since she's currently living in the yin clan, she'll have to obediently hand over the snake's saliva with just a word from you! We don't need to waste our time!" Ru Ping said with a fawning smile.

"That woman won't listen to me. You'd better do as she says. I can't help you with this." Yin ping didn't even think and rejected.

"Brother-in-law, what's the identity of that woman? Even you can't do anything to her?" Ru Ping asked curiously. She wouldn't say that the girl had an ambiguous relationship with Yin ping now, in case they annoyed him again. Then they wouldn't be able to come to the yin family in the future. Yin ping was their big backer, so they couldn't offend him.

"It's none of your business who she is. In short, don't mess with her. Prepare the compensation she asked for in three days. The most important thing is to save LAN 'er. " Yin ping once again reminded him. Before knowing his father's intentions, he didn't dare to touch that girl. He had already said what he needed to say. As for whether Xiao Hua's family would do as he said, that wasn't something he could control.

Three days later.

Leng ruoxue didn't receive compensation from the other party as she had hoped. However, she didn't seem to be in a hurry. She continued to lie on the deck chair leisurely and bask in the sun. Seeing this, grape chuckled and teased, "Miss! You've lost our bet!"

Chapter 1424: True colors revealed (1)

“Grape! I didn’t lose, and you didn’t win! Don’t forget who we’ve bet on paying the compensation. The Xiao family hasn’t paid the compensation yet, and the yin family hasn’t paid for them either, so our bet isn’t over yet!” Leng ruoxue chuckled.

“But miss! It’s already been three days.” Grape reminded.

“Yes, I asked them to send the compensation and the money to buy small fire’s saliva within three days, but they refused to send it over, so we can’t do anything about it! So, our bet isn’t over yet.” Leng ruoxue laughed.

“Miss, do you mean that the bet will continue?” Grape asked with some uncertainty.

“Why not continue? They’ll definitely send the compensation over, it’s just a matter of a few days.” Leng ruoxue said confidently. She could even guess the main reason why the other party was not willing to follow her instructions and send the compensation over. It was because Xiao Lan’s injuries were showing signs of improvement.

The truth was just as Leng ruoxue had guessed. Ever since Leng ruoxue had stated her conditions, Xiao Hua and his wife had discussed for a long time. They had even looked for Yin ping a few times, hoping that the other party would compensate them. However, Yin ping had not relented. At the same time, Xiao Lan’s injuries had also shown signs of improvement, so they had not thought much of it.

In three days, the swelling on Xiao Lan’s face had subsided, and the festering parts had begun to form knots. Her appearance was slowly recovering. Seeing this, Xiao Hua and his wife were even more relieved. As for Xiao Lin’s warning and warning, they had completely forgotten about it.

In the room, Xiao LAN sat in front of the dressing table! Looking at her restored appearance in the mirror, she was very happy. That damned snake and woman had caused him to suffer for so many days. He would definitely not let them off! Thinking of this, she summoned the maidservant and whispered something in her ear before the maidservant left the room.

“LAN ‘er! What did you just say to the maidservant?” Sitting by the bed and looking at her daughter, Ru Ping asked curiously.

“It’s nothing! I told her to send people to help me keep an eye on the three people from Bright Stream garden. If there’s a situation, immediately come and tell me! Hmph! They caused me to suffer for so many days. If I let them go, would I still be Xiao LAN?” Xiao LAN said viciously, a sinister look flashing across her beautiful face.

“LAN ‘er! After all, this is the yin family. Because of you, we have already made them unhappy. If we cause any trouble at this time, it will not be good for us.” Ru Ping reminded.

“Mother! I know what to do! You still don’t trust me!” Xiao LAN said in a spoiled manner.

“Of course, I’m at ease with LAN ‘er! “But your father ...” Ru Ping stopped halfway, for she suddenly remembered that LAN ‘er had just recovered from her injury. She didn’t want to tell her about this, or she would be annoyed.

“Mother! Are you trying to say that aunt and uncle are a little dissatisfied with you?” Xiao LAN said. Although she had been in a daze most of the time these past few days, she could still hear some of their conversations.

“Yup! Your father went to look for Xiao Lin many times, but Xiao Lin didn’t see him, and Yin ping didn’t either! They had really gone too far! Is this what an elder sister and brother-in-law should do?” As soon as she thought of the cold treatment she had received in the past two days, Ru Ping had a stomach full of complaints. Originally, it was fine if her daughter didn’t know. She didn’t intend to say it now to annoy her daughter. But since her daughter knew, there was no harm in saying it.

“Mother! You shouldn’t be complaining. We should be thinking about how to make aunt and uncle treat us the same as before. After all, we can’t do without their support.” In contrast to Ru Ping’s anger, Xiao LAN was still very calm. She knew very well that without the support of her aunt and uncle, her family would never have the status they had today. Therefore, she was not willing to give up such a backer no matter what. Who asked her to still think about the position of the future mistress of the yin family?

“Of course I know that! But they don’t even want to see us now.” Ru Ping couldn’t help but Mutter.

“That’s why we should think about how we can salvage the situation! Mother! Come with me to visit aunt and uncle later! My injuries have healed, so I have to thank them properly. They won’t reject this reason again, right?” Xiao LAN said with a smile.

“Mm! What LAN ‘er said makes sense!” Ru Ping nodded. Even if Xiao Lin and Yin ping were dissatisfied with the couple, they wouldn’t refuse to see LAN ‘er. After all, LAN ‘er had been doted on since she was a child. With LAN ‘er around, their relationship would definitely improve, she thought confidently.

After Xiao LAN had dressed herself up in front of the dressing table, she took Ru Ping to the courtyard where Yin ping and Xiao Lin lived.

As soon as they arrived at the courtyard, they heard a faint laughter coming from inside. Xiao LAN immediately felt a little upset because she was very familiar with this voice. It was her cousin’s voice. She was laughing so happily now, so she must be chatting with her aunt! In the past, when she chatted with her aunt, she would also smile very happily. However, she didn’t know when it started, but their relationship became colder and colder. Although she kept trying to please her aunt, her aunt was always indifferent to her. This made her puzzled no matter how much she thought about it. She really couldn’t remember what she did wrong to anger her aunt.

After entering the courtyard, Xiao LAN saw her aunt sitting on a stone chair in the garden! Yin Xuan was talking to her in a very low voice, and she even laughed happily from time to time. Immediately, jealousy welled up in her heart. Why was Yin Xuan so happy? All of this should have been hers! However, it was taken away by Yin Xuan! No! She had to regain her position in her aunt’s heart. She couldn’t let Yin Xuan be so proud.

After she made up her mind, she quickly walked in front of Xiao Lin and bowed respectfully. She then slowly said, “Aunt! LAN ‘er is here to visit you.”

“LAN ‘er is better? He should be resting in his room, how can he run around!” Xiao Lin looked at Xiao LAN and said with a faint smile. In fact, what she meant was, don’t run around the yin family and don’t

come to her place. However, she knew that Xiao LAN would definitely not understand the hidden meaning of her words. Even if she did, she would pretend not to know.

Chapter 1425: True colors revealed (2)

“Thank you for your concern, aunt. Your niece’s body is fine now.” Xiao LAN stood next to Xiao Lin very politely and even tried to fill Xiao Lin’s Cup with tea. However, the teapot was snatched away by Yin Xuan.

Yin Xuan smiled. “Cousin’s body has just recovered. It’s not good for her to overwork herself. Just leave this kind of rough work to me.”

“Younger Biao sister is thoughtful.” Xiao LAN said as she suppressed her anger.

“LAN ‘er, if there’s nothing important, you can go back to your room and have a good rest! I won’t be sending you off.” Xiao Lin said.

“Aunt! LAN ‘er is here to see you.” Xiao LAN said in a slightly aggrieved tone, and a layer of mist appeared in her beautiful eyes.

“Yup! Sister! LAN ‘er’s injury has just recovered, and she’s in a hurry to see you. Look at how filial she is!” Ru Ping also chimed in.

“I know that LAN ‘er is filial! I appreciate it! However, LAN ‘er’s body has just recovered, and I can’t bear to see her overwork herself, so I’d better let her go back to her room to rest!” Xiao Lin said with concern.

“This ...” Ru Ping seemed to want to say something, but she was pulled back by Xiao LAN, so she kept quiet.

“I’m really grateful for aunt’s care and concern. I’ll go back first. I’ll come back to see you in a few days.” Xiao LAN said in a very understanding manner. After she finished speaking, she bowed to Xiao Lin, then turned around and left with her mother.

Out of the yard, Ru Ping asked unwillingly, “LAN ‘er! We’re leaving just like that?”

“What else can we do? Let’s go and see uncle!” Xiao LAN suggested. Ru Ping nodded and then the two walked toward Yin Ping’s study.

However, when they reached the door of Yin Ping’s study, they couldn’t go in because the guard at the door told them that the substitute family head had important things to deal with and wouldn’t see anyone! The two of them had no choice but to return to their own residence.

In fact, Yin ping didn’t go to the study room today. He stayed in his room and watched his wife and daughter talking and laughing in the garden. When Xiao LAN and her daughter came, he saw them, but he didn’t go out. After they left, Yin ping opened the door and walked into the garden.

“Father! You’re finally willing to come out.” Yin Xuan, who was chatting with her mother, teased Yin ping after seeing him.

“You little girl, you even dare to tease your own father! You’re really looking for a beating!” Yin ping patted Yin Xuan’s head as a token gesture.

“Mother! Look, father actually hit me! You have to make the decision for me!” Yin Xuan pouted her pink lips and complained.

“Bad girl, you’re getting naughtier the older you get, good hit!” Xiao Lin said with a smile.

“Mother! How can you forget your daughter when you’re with her?” Yin Xuan’s mouth pouted higher and higher! He pretended to be dissatisfied.

“Hahaha!” Hearing Yin Xuan’s complaint, Yin ping and Xiao Lin couldn’t help but laugh.

“You guys are too bad. I’m going to ignore you guys. I’m going to find my sister to play.” Yin Xuan stomped her feet, turned around, and ran out of the courtyard.

After Yin Xuan left, Yin ping furrowed his brows and said, “Sister Lin, has LAN ‘er’s injury really recovered?” He hadn’t visited Xiao LAN in the past few days, but he had heard that Xiao Lan’s injuries were slowly recovering. He didn’t see it clearly in the room just now, so he asked.

“Alright! However, that’s only on the surface.” Xiao Lin sighed helplessly. Xiao Hua and his wife’s shortsightedness had harmed Xiao LAN, and Xiao LAN had brought this upon herself. Therefore, she would have to bear this bitter fruit alone.

“Then can we trust Leng ruoxue’s words? Are you lying to us?” Yin ping still had some doubts. To be honest, he had never seen such a poison in his life! Not only could it heal on its own, but it was also said that if it relapsed, it would become more and more serious. If that was really the case, then wasn’t this poison very terrifying and a little too vicious?

“I believe her. She has no reason to lie to us. If it’s only for money, it’s even more impossible. Besides, the poison in Xiao Lan’s body has indeed been cured as she said. As for what will happen in the future, we can only take it one step at a time.” Xiao Lin said softly.

“Ai! We’ve watched LAN ‘er grow up, and I really don’t want her to be like what you’ve said. So, I’d rather that Leng ruoxue was lying to us than let LAN ‘er suffer for the rest of her life.” Yin ping couldn’t bear to say.

“Brother ping! I understand how you feel, but we’re not related to Leng ruoxue in any way. She has no reason to lie to us about such a matter. Furthermore, I believe that Leng ruoxue isn’t that kind of person, even though I haven’t spent much time with her.” Xiao Lin comforted her gently.

“Yes.” Yin ping nodded his head. He could choose not to believe Leng ruoxue, but he had no choice but to believe his own wife.

“Brother ping! I’m now a member of the yin family, so I don’t plan to care about the Xiao family’s Affairs anymore. What will happen to Xiao Hua’s family in the future will be up to them.” After thinking for a while, Xiao Lin spoke in a serious tone.

“Sister Lin! I understand!” Yin ping gently pulled Xiao Lin into his arms, but he didn’t say anything. The two just kept hugging each other, and a faint warmth surrounded them.

At this moment, Leng ruoxue was still basking in the sun in the garden as usual. Yin Xuan's voice could be heard from afar.

"Sister! I'm here to see you!" Before they even entered Mingxi garden, Yin Xuan had already called out loudly. As soon as she ran into the garden of Mingxi garden, she saw Leng ruoxue lying comfortably on a recliner with two beautiful maidservants serving tea and water.

"Sister! Your life is so comfortable! I'm starting to envy you." Yin Xuan said with a hint of jealousy. Living in such a family clan, there was no way one could live as they wished. Therefore, she was really envious, jealous, and hateful of Leng ruoxue's carefreeness!

"If you want to, you can be as free as me." Leng ruoxue opened her beautiful eyes and smiled.

"Al! It's easier said than done!" Yin Xuan sighed and said helplessly.

"The key is whether you want to be carefree or not. How strong is your desire to be carefree?" Leng ruoxue reminded.

"Sister! Of course I want to be like you, but I have too many things I can't let go of, so I can't do what you're doing." Yin Xuan said with a bit of distress. Although she was still young, her future had already been arranged, and she had no choice.

Chapter 1426: True colors revealed (3)

"Xuan 'er! You're still young, don't think about these annoying things. What's the matter?" Leng ruoxue changed the topic.

"Sister! Can't I just come and find you for no reason?" Yin Xuan pouted her little mouth and pretended to be dissatisfied.

"You haven't been here for a few days. There must be something going on today." Leng ruoxue said with absolute certainty, a faint smile on her beautiful face.

"Hehe! I'm really here for something today." Yin Xuan felt a little embarrassed when she heard Leng ruoxue's words.

"What's the matter? speak!" Leng ruoxue's face was full of 'see, I was right!' . .

"Sister! The wounds on Xiao Lan's face have all healed, and she's no different from before. What's going on?" Yin Xuan asked, somewhat puzzled.

"Didn't I tell you? She has to take a pill to detoxify her injuries within three days. Otherwise, even if she recovers, it will relapse. Once it reoccurs, it will become more and more serious, and there will be no medicine to cure it." Leng ruoxue laughed evilly. The Xiao family would not be willing to fork out the money for the next three days, so they would have to bear the consequences themselves.

"Sister! Then when will her injury relapse?" Yin Xuan asked curiously.

"This is hard to say! However, it's best for her not to eat some stimulating food, or else the relapse will be faster." Leng ruoxue said with a smile.

“Stimulating food? What do you mean, sister?” Yin Xuan asked with a face full of question marks.

“It’s best not to eat fish and the like.” Leng ruoxue said after some thought.

“Argh! Xiao LAN loves to eat fish, and she would eat it almost every two or three days. If I don’t let her eat fish, she won’t be able to take it.” Yin Xuan exclaimed.

“Oh! I think you can kindly remind her not to eat fish.” Leng ruoxue smiled indifferently as she suggested.

“Why? I don’t want to!” Yin Xuan immediately objected. She couldn’t wait for Xiao Lan’s injury to relapse! Who cared what she ate!

“She’s your cousin, after all. If you show her some concern, you can show your kindness. Sometimes, we still have to act.” Leng ruoxue reminded.

“What if she doesn’t eat fish anymore after I remind her?” After hearing Leng ruoxue’s words, Yin Xuan said in distress.

“She’ll listen to you? If she listens to you and stops eating fish, the poison will take longer to take effect, but it’s not impossible for it to relapse. What are you worried about?” Leng ruoxue said with a smile. She could tell that Yin Xuan did not just hate her cousin. In fact, the reason why she had asked Yin Xuan to remind Xiao LAN was not only to give Yin Xuan a chance to show her affection, but also because she was sure that miss LAN would not listen to Yin Xuan. Instead, she would think that Yin Xuan was deliberately trying to provoke her and make her remember the painful experience.

Xiao LAN was such a self-righteous and ungrateful person. No matter what she did, she would always think that she was not in the wrong and that the fault was always with others. If others’ words or actions did not suit her, they would be going against her. She had seen people like Xiao LAN before, but it was rare to see someone as outrageous as her.

“Hehe! What my sister said makes sense. Since that’s the case, I’ll do her a favor! However, she won’t be grateful to me.” Yin Xuan said, clearly aware of the situation.

“It’s her business whether she’s grateful or not. You just have to do what you should do.” Leng ruoxue said calmly.

“Sister! You’re so bad! But I like it.” Yin Xuan said softly. After she finished speaking, she chatted with Leng ruoxue for a while more before leaving Mingxi garden impatiently to return the favor.

Watching Yin Xuan’s back, grape asked in confusion, “Miss! Why was Little Miss so happy? Isn’t it just to deliver a letter?”

“She’s gloating over my misfortune.” Leng ruoxue said in understanding. She then instructed lotus seed, “Lotus, go and tell the guards outside the courtyard that there seems to be suspicious people near Bright Stream garden and have them pay more attention.” Ever since the matter of miss LAN had occurred, the head butler of the yin clan had arranged for guards to be stationed outside Bright Stream garden. In the name of protection, it was actually to prevent the same thing from happening again. Who asked her to have such a powerful little snake?

“Yes! Miss!” Lotus seed replied. After bowing, she turned and left.

“Miss! How do you know that there are suspicious people outside?” Grape’s face was full of admiration. Miss didn’t even leave the house and still knew that someone was secretly monitoring her outside. She was really amazing.

“Weren’t you the one who told me?” Leng ruoxue raised her eyebrows and teased.

“Did I?” Grape’s face was full of question marks. She couldn’t remember saying such words to Miss. Besides, she didn’t have any evidence.

“Of course I do.” Leng ruoxue nodded with certainty. The truth was, Grape had never told her about it. She could only tell from Grape’s face. Who asked this girl to go out once and come back with a long face? It made it impossible for Leng ruoxue to pretend that she did not see it. Moreover, she did not think that it was a big deal to be monitored outside. The people sent by the head butler were also monitoring her brazenly!

“I’ve forgotten.” Grape said gloomily.

“It’s okay, everyone has times when they forget things.” Leng ruoxue was laughing in her heart, but she still spoke in a comforting tone.

At this time, Lotus seed walked in from outside, accompanied by the guard outside Bright Stream garden. In the Guard’s hand was a short, ordinary-looking man. The man’s face was full of fear and guilt.

“Miss! We’ve caught him.” Lotus seed said happily.

“Oh! You’ve caught him so quickly?” Leng ruoxue was a little surprised. She really didn’t know if it was because the Yin family’s guards were highly efficient, or if the person monitoring them was too stupid. How could they be caught so easily? She didn’t feel a sense of accomplishment.

“Miss! He’s too stupid, hiding in the tree in broad daylight and wearing such eye-catching clothes. It’s impossible for us to pretend not to see him.” Lotus seed helplessly pointed at the man’s white clothes.

“Pfft!” Hearing Lotus seed’s words, Grape could not help but laugh.

Al! It seemed that the other party was really too stupid. Leng ruoxue was also very helpless about this. So the other party had sent this person here to add to their laughingstock!

Chapter 1427: True colors revealed (4)

“Let him go!” Leng ruoxue’s forehead was dripping with cold sweat as she spoke indifferently.

“Miss! How can we let him go so easily?” Lotus seed was somewhat puzzled. Didn’t Miss send her out to catch this person? Now that they’ve been caught, why are they letting them go without even asking?!

“If we don’t let him go, are we still going to let him stay for dinner?” Leng ruoxue reminded.

“Uh! Then let him go!” Lotus seed understood. Miss was disdainful of this person for being useless!

When the guard heard Leng ruoxue’s words, he gave a slight bow and left with the man who was so frightened that his face had turned pale.

After they left, grape could not help but ask, ""Miss! Do you know who sent that person?"

"Do you still need to ask?" Leng ruoxue asked with a smile.

"But, it's also possible that they were sent by someone else from the yin family." Grape reminded. Because of Xiao Lan's incident, many people in the yin family knew about the existence of the young lady and were very curious about her identity. So, wasn't it normal to send people to monitor her?

"If the yin family wants to know my identity, they can just ask your head butler. However, they will not be interested in my every move." Leng ruoxue was very certain.

"Then what did Xiao LAN want to do by sending people here? Right now, she can't enter Bright Stream garden, and the young lady can't leave." After hearing Leng ruoxue's words, grape frowned and said in a conflicted manner.

"Why are you thinking about this? No matter what her goal is, she will only reap what she sowed in the end." After Leng ruoxue finished speaking, she lay back on the recliner and closed her eyes.

At the same time, Yin Xuan also went to Xiao Lan's residence.

In the room.

Xiao LAN indifferently looked at Yin Xuan and coldly said, ""Xuan 'er, why did you suddenly think of coming to see me? back in the garden, you clearly didn't want to see me."

"Cousin, you're right. I don't want to see you. However, I've received some news that has something to do with you, so I'm here to tell you. We're relatives after all!" Yin Xuan said with a smile.

"What news?" Xiao LAN was a little puzzled. She didn't think that her cousin, who had hated her since she was young, would tell her anything useful.

"Cousin! Didn't uncle and aunty tell you that your injuries are only temporary? It'll relapse after a while, and it'll get more and more serious each time?" Yin Xuan asked curiously. In fact, she knew that her uncle and aunt wouldn't tell Xiao LAN about this, so she asked this on purpose.

"What are you talking about? Are you cursing me?" As expected, Xiao LAN said angrily after hearing Yin Xuan's words.

"Cousin, I'm telling the truth. How could I curse you? Originally, your injury could have been completely healed, but unfortunately, uncle and aunt can't bear to part with money, so I'm afraid that there's no way to detoxify your poison forever. However, as long as you don't eat stimulating food, the speed of the relapse should be slower." Yin Xuan said with a faint smile.

"Don't you talk nonsense in front of me! I know you're jealous of me, so you're trying to make me angry, right? I won't fall for your trick! Yin Xuan! You're just a little girl, how could you possibly win Against Me! Aunt and uncle love me the most. If I tell them these words, which side do you think they will stand on?" After calming down a little, Xiao LAN suppressed her anger and said. Although Yin Xuan's words made her very angry, she could not be fooled by Yin Xuan. She would not believe Yin Xuan's words.

“Cousin! Since you don’t believe me, then I have nothing to say. However, I still have to tell you, don’t eat fish and other stimulating food! Otherwise, your face will still rot.” Yin Xuan reminded him again, but she was secretly laughing in her heart. Her sister was right. Xiao LAN didn’t believe her.

“Pa!” As soon as Yin Xuan’s voice fell, her lovely face was slapped, and half of her face immediately swelled up. At this time, Xiao Lan’s door was suddenly opened.

Seeing Xiao Lin, Yin ping, and her parents appear in her room, Xiao LAN was stunned. She even forgot to take back her hand that was raised in the air.

“Aunt, uncle! You guys, why are you guys here?” After coming back to her senses, Xiao LAN quickly withdrew her hand and asked with an embarrassed expression. She didn’t expect to be caught red-handed when she hit Yin Xuan. What should she do? Her mind turned quickly and she was extremely anxious.

Chapter 1428: As a witness (1)

“We’re here to see you, LAN ‘er. But we didn’t expect to see this!” Xiao Lin said coldly. Then, she walked to Yin Xuan and said with a distressed look, “Xuan ‘er! Poor child! You don’t have to come and see her anymore.”

“Aunt! This is all a misunderstanding! It’s none of my business! It was younger cousin sister who provoked me, so I accidentally hit her.” After Xiao LAN heard Xiao Lin’s words, she quickly explained. However, it might have been better if she didn’t explain. After she explained, Xiao Lin became even angrier.

“Misunderstanding? You dare to hit her for a mere misunderstanding! If it wasn’t a misunderstanding, wouldn’t you have killed her?” Xiao Lin said angrily. She knew that LAN ‘er always bullied her daughter in private, but she had never found any evidence. She didn’t expect to catch it this time. How could she let go of such a rare opportunity? therefore, from the beginning, she didn’t plan to let Xiao LAN off easily.

“Aunt! How would I dare! I know that my younger cousin is your precious, how would I dare to bully her! I was really angry this time, and I made a mistake! Aunt, uncle, please don’t be angry with me. I’ll apologize to my younger cousin.” Xiao Lan’s voice was choked with sobs, and her beautiful eyes were filled with tears. After she finished speaking, she knelt on the ground with a ‘plop’ and looked up at Xiao Lin and Yin Xuan.

“Cousin, please forgive me. I didn’t mean it.” Xiao LAN said to Yin Xuan.

“Cousin! What are you doing? Hurry up and get up! I can’t afford it.” Seeing this, Yin Xuan also quickly said and bent down to help Xiao LAN up, but Xiao LAN refused to stand up.

Yin Xuan had no choice but to give up. However, she wouldn’t let Xiao LAN put on a show of self-pity, Hmph! Did he think that he would be fine after hitting her and kneeling down? How could it be so easy! This time, she wanted to settle both old and new scores.

Thinking of this, Yin Xuan said with a heavy heart, "Cousin, are you forcing us to forgive you? Although you've always bullied me in private in the past and even hit me this time, I really don't blame you. Who asked you to be in a bad mood? I can understand, but you've already beaten us. If you force us like this, even if we forgive you this time, we'll still feel uncomfortable. Why do you have to do this?"

"What's more, I'm telling you the truth. I'm telling you this with good intentions, but not only did you not believe me, you even hit me." Yin Xuan's cute face was full of grievances.

"Xuan 'er, what are you going to tell her?" Xiao Lin heard Yin Xuan's words and quickly asked. Before, when they had just walked into the room, they had heard the sound of a slap coming from inside, so they had quickly pushed the door open and entered, so they were not very clear about what had happened.

"Didn't I go to see my sister? She told me that cousin's injury would relapse again, but if she ate stimulating food, the relapse would happen even faster. After I heard this, I immediately came to tell cousin, but she didn't believe me! She even said that I was cursing her! Then, he hit me." Yin Xuan also said with tears in her eyes.

"LAN 'er! Was what Xuan 'er said true? This is the misunderstanding you were talking about?" Xiao Lin glared at him and questioned him loudly.

"Aunt! My injury has just recovered and younger Biao sister came to say such things. If it was anyone else, they would be angry!" Xiao LAN explained in a low voice.

"Yup! Sister! No one can stay calm when it comes to this kind of thing. LAN 'er didn't mean it, so please forgive her!" Ru Ping tried to smooth things over. She was afraid that this matter would anger Xiao Lin and her husband. Without their protection, the Xiao family would step on them. They were used to being arrogant in the Xiao family. Without their support, the Xiao family would take the opportunity to hit them when they were down!

"Aunt, cousin, I know it's my fault this time. I wasn't calm enough. Cousin, beat me up to vent your anger! As long as you're willing to forgive me for my unintentional mistake." Xiao LAN said with a sincere expression.

"Cousin, if you think that I can make up for your unintentional mistake by hitting you back, then you're gravely mistaken. If a dog bites you, can you bite the dog back?" Yin Xuan said with a faint smile. Hmph! Since Xiao LAN kept saying that it was an unintentional mistake, then she could only treat Xiao LAN as a dog. However, wasn't this a little sorry for the cute dog? Her heart was filled with regret.

"Xuan 'er's right. This matter isn't about you slapping Xuan 'er and Xuan 'er returning a slap to you. We already know the cause of this matter, and LAN 'er, I also want to tell you that everything Xuan 'er has said to you is true. I've said these words to your parents before, but they don't believe me and even hope that they'll be lucky. As a result, you can only bear the consequences yourself." Xiao Lin's tone was very cold. After that, she took Yin Xuan and turned to leave Xiao Lan's room.

"Aunt!"

"Sister!"

Xiao LAN and Xiao Hua shouted in unison, but Xiao Lin didn't even turn around.

“Brother-in-law! Look at this, it’s just a fight between children, please don’t take it to heart!” Shao Hua saw that Yin ping was still there and said with an embarrassed expression.

“What a good fight between children! LAN ‘er, Xuan’ er said you used to bully her in private, is that true?” Yin ping asked with a cold smile.

“Uncle! How, how could this be possible! You also know how willful younger Biao sister is.” Xiao LAN said nervously. She didn’t even dare to look at Yin ping. If it was before today, she might have been able to deny it. However, after she was caught red-handed hitting Yin Xuan, she wasn’t so confident.

Seeing Xiao Lan’s guilty expression, Yin ping already knew what was going on. He never thought that the Xiao LAN who was always so well-behaved and sensible in front of him would always bully his daughter in private. He still remembered that every time Xuan ‘er complained to him, he would always side with Xiao LAN. Now that he thought about it, he was already so old, but he was still being played around by a little girl. It was really embarrassing. Besides, he also felt a little sorry for his daughter.

Thinking of this, Yin ping said, “LAN ‘er’s injury doesn’t seem to be a big deal now, so you can pack your things and go back to the Xiao family tomorrow! Don’t come here anymore.”

“Brother-in-law! How could you do this? Are you trying to drive us away? Don’t forget, you said you would give us an explanation.” When Ru Ping heard that they had to leave, she immediately roared in dissatisfaction. Xiao LAN, on the other hand, didn’t say a word and kept crying.

Chapter 1429: As a witness (2)

“What kind of explanation do you want from me? Haven’t I taken enough care of you all these years? But how did you repay me? I haven’t even gotten an explanation for bullying my daughter in private! Don’t you think you should give us an explanation? I don’t think you need to wait until tomorrow. Pack your things and leave now!” After Yin ping finished speaking, he turned around and left without looking back.

After receiving Yin Ping’s orders, the yin family’s guards personally watched as Xiao Hua and his family of three packed up their things and personally sent them out of the yin family’s main residence.

After Yin ping left Xiao Lan’s room, he went straight back to his own residence.

Seeing that Yin Xuan and Xiao Lin were talking and laughing in the room, and their mood was not affected, Yin Ping’s heart was finally at ease. Seeing that her daughter had really grown up, she would probably be crying right now if it was the old her!

“Xuan ‘er! How was it? Does your face still hurt?” Yin ping had just stepped into the room when he asked with a face full of concern.

“I’m fine now, father. Mother has applied some medicine on my face.” Yin Xuan said with a smile, obviously in a good mood.

“What are you two talking about? why are you smiling so happily?” Yin ping saw that the swelling on his daughter’s face had indeed subsided, so he changed the topic.

"I don't know where Xuan 'er heard this joke from, but she's telling it to me right now!" Xiao Lin said with a smile.

"Oh! Xuan 'er should tell father about it too!" Yin ping said.

"Father! That joke doesn't suit you. By the way, how's uncle's family doing?" Yin Xuan asked curiously. Xiao LAN had been caught red-handed when she hit her, so her father wouldn't let them off easily, right?

"I've already invited them back to the Xiao family. They don't have to come here anymore." Yin ping said indifferently. After he finished, he looked at Xiao Lin with some worry and said, "Sister Lin won't blame me, right?"

"Brother ping! Why would I blame you? You've taken care of them enough, but they're not satisfied and want more. Besides, I know that LAN 'er has bullied Xuan' er a lot in the past, but LAN 'er is too scheming, and I've never been able to find any evidence against her. This time, even if brother ping doesn't chase them away, I can't tolerate them anymore." Xiao Lin was still a little angry. After she finished speaking, she glared at her daughter resentfully. This girl had just told her that she could have avoided Xiao Lan's slap, but she deliberately did not do so to leave evidence.

"Sister Lin, since you knew that LAN 'er bullied Xuan' er a lot, why didn't you tell me?" Yin ping grumbled.

"Father! I've complained to you a lot when I was young! However, you've never sided with me, and mother doesn't have any evidence. You also dote on Xiao LAN so much, so even if we tell you, you won't believe us." Yin Xuan reminded her with an evil smile. She knew her father too well. No matter what her father did, he would always pay attention to evidence. Therefore, if she wanted him to stand on her side, she must have evidence. Otherwise, it would be useless no matter what she said. And Xiao Lan's previous efforts would all be in vain because of the irrefutable evidence this time. Xiao LAN would probably be very angry! When she thought of this, her mood became extremely excited. She felt that the slap was worth it.

"Uh! In the past, I was wrong. Who would have thought that Xiao LAN, who looked so well-behaved on the outside, would always bully my daughter in private!" Yin ping said with an embarrassed face.

"Father! I'm not the only one she's bullying! Many clansmen of the yin family have been bullied by her, but those clansmen don't have a father who is the current patriarch or a brother who is the young master, so they all dare not speak out." Yin Xuan said honestly.

"This kind of thing won't happen again. Father will never let them come to our house again." Yin ping promised.

"Hehe! This is great." Yin Xuan nodded happily. She would never see Xiao LAN at home again, and this fact made her feel particularly good.

Just as Yin Xuan's family of three was chatting, a guard suddenly walked in and whispered a few words to Yin ping. After Yin ping heard this, his face immediately became ugly.

After the guard reported, he turned and left. Seeing this, Xiao Lin and Yin Xuan both asked in confusion, "What happened?"

“Xiao Hua’s family followed Yin bang to the second branch’s courtyard to stay.” Yin ping sighed.

“What? What did Shao Hua and the others want to do? Don’t they know what the second household is planning?” After Xiao Lin heard this, she growled angrily.

The yin family’s first branch and second branch had been at odds for a long time. The first branch was led by his husband, while the second branch was led by Yin bang. Although Yin bang was a concubine’s son, he had always believed that his aptitude and ability were no less than his husband’s. Why should his husband be the substitute head of the family while he could only obey because of his lower status? This fact made Yin bang rather angry. She had been secretly trying to make things difficult for her husband. Xiao Hua and the others were aware of this, but now they were involved with them. Suddenly, Xiao Lin felt a deep disappointment in her heart. She felt that she had raised an ungrateful Wolf who had betrayed her husband.

“Mother! They’ve always been that kind of people. It’s not worth it to be angry with them. Don’t be angry and harm your health.” Yin Xuan saw her mother’s expression and knew that her mother was angry. However, her uncle’s family was not sensible people and her uncle could not make any decisions at home, so she was not surprised at all that they could do such a thing.

“Yup! Sister Lin! Don’t be angry! Although Yin bang always opposed me, Xiao Hua probably has no value to them. The only thing they can do is to sow discord between you two, but after Xiao LAN hit Yin Xuan and I kicked them out, there’s no longer any friendship between us. Xiao Hua’s family probably hates us because of this, so even if Yin bang wanted to destroy it, he wouldn’t have the chance.” Yin ping consoled her in a gentle voice.

In truth, when he first heard the news, he had felt very uncomfortable. Although he had chased Xiao Hua and the others out and even told them not to come back here in the future, if Xiao Hua really had some difficult things to do and needed his help, he would still help them. After all, he was his wife’s brother! He just didn’t think that Shao Hua and the others would be so disappointing to get together with Yin bang, and Yin bang’s goal was obvious.

Chapter 1430: As a witness (3)

“Brother ping! This was their fault to begin with, and it was fine if they didn’t know how to repent, but how could they get together with Yin bang and the others? Don’t they know what kind of person Yin bang is?” Xiao Lin said with disappointment.

“Sister Lin, since things have come to this, there’s no point in getting angry. We can only take one step at a time. I hope they don’t do anything that can’t be undone.” Yin ping said helplessly.

“Al! I hope he can take care of himself.” Xiao Lin sighed.

“Father, mother! Let’s not think about these unhappy things. What will happen to uncle’s family in the future can only depend on them. We can’t always help them like this! They’re not kids anymore, they know what they’re doing.” Yin Xuan also reminded.

“Hehe! Xuan ‘er has really grown up, to actually be able to say such a thing.” Hearing Yin Xuan’s words, Xiao Lin couldn’t help but smile.

“Yup! Xuan ‘er is much more sensible than before.” Yin ping also laughed.

“Father, mother! I’ve always been so sensible! I’m not going to talk to you guys, I’m going to play with my sister.” Yin Xuan said, a little embarrassed. After that, she turned around and ran away.

Looking at Yin Xuan’s back, the two looked at each other and smiled.

Yin Xuan was like a happy bird as she flew into Mingxi garden.

“Sister! I’m here to see you.” Yin Xuan shouted excitedly.

Leng ruoxue, who was napping on the deck chair, lifted her eyelids and looked at the happy Yin Xuan. She smiled and said, “If I didn’t remember wrongly, Xuan ‘er seemed to have left not too long ago. Why did she come back so quickly?”

“Sister! Don’t you welcome me?” Hearing Leng ruoxue’s words, Yin Xuan said with an aggrieved expression.

“You are the yin family’s most pampered little princess. How could I not welcome you!” Leng ruoxue chuckled as she teased.

“That’s more like it! Hehe! Sister! I’m here to tell you the good news.” Yin Xuan’s face was mysterious.

“Could it be that miss Lan’s injuries have relapsed? It can’t be that fast!” Leng ruoxue guessed suspiciously.

“Of course not. When I listened to elder sister’s words and went to tell her about this, she was so embarrassed that she hit me. My parents happened to see her, so my father asked uncle’s family to leave the yin family.” Yin Xuan said with a proud smile.

“And then?” Leng ruoxue waited for her reply.

“Who knew that when they were leaving, one of my uncles, Yin bang, would invite them into his courtyard?” When Yin Xuan thought of this, she became a little distressed. Although they didn’t want their uncle to be with Yin bang, they couldn’t go to Yin bang’s yard to chase him away, so they could only let nature take its course.

“That Yin bang has a conflict with you?” Leng ruoxue said.

“Yes.” Yin Xuan nodded. In fact, it was all her ancestor’s fault. Her grandfather, who was many years older than her, had married too many women. That was why there were so many descendants and it was so troublesome. However, she only dared to complain in her heart and did not dare to say it out loud.

“Don’t worry, it should be fine.” Leng ruoxue consoled.

“Al! I hope so!” Yin Xuan sighed, her face filled with helplessness.

“Little girl, you’ve learned how to sigh at such a young age.” Leng ruoxue laughed as she scolded.

“Sister! I’m really worried! Although uncle looks mighty outside, he has to listen to aunt and cousin when he’s home. So, I’m afraid that uncle will be affected by those two women and hurt my mother.”

Yin Xuan said worriedly. Don't look at how she pretended not to care in front of her mother, but in reality, she was still very worried, mainly because she was afraid that her mother would be hurt.

"Madam Yin is not as weak as you think. Don't worry!" Leng ruoxue laughed. This little girl was really too concerned! In her opinion, Xiao Lin was a successful career woman. She wouldn't be defeated so easily.

"I hope I'm just too nervous." Yin Xuan said, a little embarrassed.

"Hehe! This is normal." Leng ruoxue admired Yin Xuan's protective heart towards her mother.

Just as the two of them were chatting, a few guards suddenly walked in from outside the courtyard. When they saw Yin Xuan, the guards bowed respectfully and said to Leng ruoxue, "Miss Leng, right? Grape and lotus seed have violated the Yin family's rules and are now in prison. We are under orders to bring you to be a witness."

"What witness? The grapes and the Lotus seeds are just going to take the things your head butler gave me, what kind of family rules have they broken?" Leng ruoxue sneered as she questioned him. He was really trying to frame her! No wonder grape and lotus seed had not returned after such a long time. They had been locked up.

"Who sent you? Don't you know that elder sister can't leave Bright Stream garden?" Hearing the Guard's words, Yin Xuan also quickly asked. She was very sure that this order was not given by her father. Fortunately, she was here, otherwise, her sister would definitely misunderstand her father.

"It was the elders who gave the order." The guard replied.

"Which elders?" Yin Xuan asked. Although the major matters of the family needed to be discussed with the elders before the final decision could be made, the daily affairs of the family were basically decided by her father, and a small matter like arresting a few clansmen who had violated the family rules didn't need the elders to come forward at all. What's more, this order was given by the elders, so did it mean that they had hidden this order from her father? Thinking of this, she was even angrier. These people clearly didn't put her father in their eyes! This was preposterous.

"This order was given by elder bang and the others," The guard saw that Yin Xuan was a little angry and did not dare to hide it. Moreover, this kind of thing could not be hidden.

"Yin bang! He was really bold! Does my father know about this?" Yin Xuan said angrily. She didn't think that Yin bang would come looking for trouble so quickly.

"I don't know if the acting clan head knows." The guard quickly said. He was not willing to become cannon fodder in the battle between the direct descendants of the Yin family, so he was quite cooperative with Yin Xuan.

"Then do you know that Grandpa patriarch doesn't allow elder sister to leave Bright Stream garden?" Yin Xuan asked again.

"I don't know about that. I'm only here on orders to invite miss Leng to be a witness. I hope miss Xuan won't make things difficult for me." The guard said with a bitter face. He didn't expect miss Xuan to be here. He was afraid that he couldn't complete his mission.

"If you can take me out of Bright Stream garden, I don't mind being a witness." Leng ruoxue said indifferently, her tone turning colder.

"Miss Leng! We're here to invite you because we're confident in our chances. Please come with us!" The guard spoke and kept his head lowered, not daring to look at Leng ruoxue.

"If that's the case, then I'll go with you!" Leng ruoxue stood up from the deck chair and was about to leave with the guards when she was pulled back by Yin Xuan.

"Sister! Don't go with them yet, I'll go and tell father." Yin Xuan said, a little worried.

"Don't worry! I'm only going to be a witness. That elder bang won't do anything to me!" Leng ruoxue said confidently. She was getting tired of waiting for miss LAN to make her move these few days. It was a good time to go out for a walk and stretch her muscles. Besides, she wanted to show some people that Canary had a temper too.

"Lead the way!" Leng ruoxue turned around and said to the guards.

"Miss Leng, please!" The guard said solicitously. When they had come, elder bang had said that they had to be polite to this miss Leng and not use violence.

Seeing Leng ruoxue leave with the guard, Yin Xuan was stunned. After she regained her senses, she remembered that she had to quickly tell her father about this. Immediately after, she ran out of Bright Stream garden.

Leng ruoxue followed the guards out of Mingxi garden's main entrance without any hindrances. When she saw this scene, she could not help but chuckle in her heart. It seemed like elder bang had long prepared for this! This was even better. She did not like opponents who were too weak, and she hoped that elder bang would not disappoint her.

The guards led Leng ruoxue to a side courtyard and left her there before turning to leave. Leng ruoxue went with the flow and found a place to sit down. Her beautiful eyes kept on sizing up the scenery in the courtyard.

This courtyard couldn't be compared to the Mingxi garden she lived in, because this was clearly an abandoned courtyard. Other than a few stone benches, there were only some trees and weeds that weren't very dense.

"Miss Leng is really calm!" All of a sudden, a slightly teasing voice rang in Leng ruoxue's ears. When she heard the voice, she turned around to look at the owner of the voice.

The owner of the voice was a man who looked to be in his early thirties. The man was very handsome and tall, but his pair of slightly dark eyes destroyed his overall temperament. This man had some similarities with the master of the yin family, so it was not difficult to guess the relationship between the two.

If she had not guessed wrongly, this person should be the elder bang that the guard had mentioned. Furthermore, this elder bang had the strength of a Godking. As expected of someone from the eight great divine regions.

“Miss Leng, have you seen enough? Are you satisfied with me?” When Yin bang saw that Leng ruoxue was only sizing him up without saying anything, he couldn’t help but tease her. What a pity! His father had taken a fancy to this woman. Otherwise, he would have definitely snatched her away. However, he would not dare to touch his father’s woman even if he had ten guts. Therefore, he could only satisfy his craving with his eyes.

“Who are you?” Leng ruoxue ignored the teasing in the other party’s words and asked, even though she knew what was going on.

“I’m Yin bang, one of the elders of the Yin family.” Yin bang introduced himself.

“Oh! Didn’t you say that you wanted me to be a witness? This is the Yin clan’s prison?” Leng ruoxue had only just heard of Yin bang’s name from Xuan ‘er’s mouth when she was playing dumb. To see him in person so quickly, this member of the Yin family really couldn’t help but think about him!

“How could this be the Yin clan’s prison!” Yin bang said helplessly.

“Since this isn’t a prison cell, why did those guards bring me here? You clearly told me to be a witness, but I don’t know what rule grape and lotus seed have broken, and you still want me to be a witness.” Leng ruoxue asked curiously.

“It was my idea to invite Miss Leng here. Before we go to the prison, I have a few words to say to Miss Leng.” Yin bang said with a smile.

“If you have something to say, please speak.” Leng ruoxue suppressed the impatience in her heart and replied politely. Even though she did not know what Yin bang was up to, she was certain that it was not something good. Otherwise, why would he have sneakily asked someone to bring her to such a remote courtyard? This fellow clearly had no good intentions! She was on high alert.
