

Crazy Wife 1431

Chapter 1431: You're sitting in my seat (1)

"It's like this. Grape and lotus seed stole the things that the clan had given to young lady Leng and were caught by us. However, those two maidservants stubbornly said that you gave them. Therefore, I specially sent someone to invite young lady Leng to be a witness. I know that young lady Leng is kind-hearted. Although they have been serving you these days, I don't hope that young lady Leng will shield them. Otherwise, I can't explain it to the clan. If everyone in the clan follows suit in the future, wouldn't the yin clan be in chaos?" Yin bang said, his heart aching.

"What did they steal?" Leng ruoxue had a puzzled look on her face. Based on her understanding of the two maidservants, they shouldn't be such people! Besides, even if they really liked something, they didn't have to steal it! Basically, the things that they took from the head butler, the things that they didn't need, were all given to them!

"When the time comes, miss Leng will know. The reason why I told miss Leng these things in private was that I hope that miss Leng would not cover up for them out of goodwill. If that were the case, I would not be able to answer to my clansmen." Yin bang reminded with a smile.

"Don't worry! If they really did take something I don't know, I won't cover for them." Leng ruoxue promised. She finally understood what elder Yin was trying to say. He was telling her not to cover up for them. However, this fellow was not willing to reveal what they had taken. Wasn't this too strange?

"Since miss Leng has said so, I am relieved." Yi bang said.

"Since elder Yin is at ease, can you take me to see my two maidservants now?" Leng ruoxue said with a smile.

"Of course! This way please, miss Leng." Yin bang invited him in a gentlemanly manner, and the two of them walked towards the prison cell.

When they arrived at the prison cell, Leng ruoxue did not even look at Yin bang and walked straight in.

The yin family's prison cell was located to the North of the yin family's main residence. The prison cell could be considered clean, but there was still a faint smell.

There weren't many people locked up in the cell at the moment. Leng ruoxue didn't ask Yin bang where grape and lotus seed were locked up. She searched from the beginning. After searching through a few cells, she only found traces of grape and lotus seed when she reached the tenth cell.

"Grapes and lotus seeds!" Leng ruoxue looked at the two men who were tied to the wooden pole and covered in wounds. The anger in her heart was instantly ignited. Damn it, who was the one who hit them? Before things were clear, they had been beaten to such a state. At this time, lotus seed had already fainted, and grape only had a trace of consciousness left. The clothes on the two of them had long been torn and tattered, and the skin on their bodies was not in good condition.

After hearing Leng ruoxue's voice, grape endured the pain and opened his eyes that were swollen like peaches. He called out weakly, "Miss! What are you doing here? Quickly leave this place! This is a trap." After that, grape also fainted.

When Leng ruoxue heard grape's words, she turned around and looked at Yin bang who had already walked to her side. She said with a half-smile, "Elder bang, why did you beat up the two maidservants who served me? What crime did they commit to deserve such a heavy punishment?"

"Men! Who did this?" When Yin bang heard Leng ruoxue's question, he hurriedly called for the guards and asked. To be honest, he didn't order anyone to beat up the two maidservants. Therefore, after seeing their injuries, he was extremely puzzled. He didn't want to be misunderstood by this beauty in front of him, so he naturally had to clarify everything.

"This ... It should be miss LAN." The guard said with a little fear. The two maidservants had suffered such heavy injuries, and as guards, they had failed in their duties. Therefore, they were very afraid that they would be punished, so they naturally did not hide the truth for Xiao LAN.

"Miss LAN? Could it be that young lady Lan's authority in the yin clan is so great that she can enter and leave any place she wants, and can beat the yin clan's maidservants as she wishes?" Leng ruoxue sneered. This was clearly incited by someone. At this time, that person still dared to play dumb in front of her. Did he really think she was a three-year-old child?

"This ..." Leng ruoxue's sharp questioning made Yin bang break out in a cold sweat. He knew that Xiao LAN had used his name to enter the room. However, he had warned Xiao LAN not to act rashly before he had convicted the two maidservants. He did not expect that Xiao Lan's desire for revenge was so strong that she had ignored his warning and sneaked into the prison. She had even beaten them up so badly. Now, he had no way of explaining it to the elders. Sigh! This was big trouble! At this time, he really hated Xiao LAN, that woman who failed in her work and was good at causing trouble! She was really a big-breasted but brainless person!

"Elder bang, do you have nothing to say? Although I'm not from the yin clan, these two maidservants were arranged for me by your clan head, so they're my people. Now that you've seriously injured my maidservants without even knowing the reason, you must give me an explanation for this matter, or rather, are you trying to force a confession out of me?" Leng ruoxue continued to ask.

"Miss Leng! I really don't know why Xiao LAN would come here." Yin bang explained guiltily. Now that everyone in the yin family knew that Xiao LAN was staying with him, his words were not very convincing, especially under Leng ruoxue's burning gaze. His heart felt weak. This woman seemed to be even more beautiful and soul-stirring when she was angry!

"You don't know? I've heard that elder bang has brought Xiao Lan's family to his own home, and now you're telling me you don't know?" Leng ruoxue couldn't help but laugh. Her beautiful face was filled with mockery.

"This ... I also saw that they were quite pitiful after being chased out by the acting clan head, so I kindly took them in temporarily. I really didn't expect Xiao LAN to come to the prison and beat up these two maidservants." Yin bang racked his brain for an excuse, so anxious that his forehead was covered in sweat.

“Elder bang is really kind-hearted. I wonder if there are any homeless people in the divine realm. Why don't you bring them all to live with you, elder bang?” Leng ruoxue suggested with a smile.

“This, how can this be the same!” Yin bang said, wiping the cold sweat from his forehead.

“What's different? Xiao Lan's family didn't seem to need elder bang's help, right? If elder bang is so enthusiastic about helping them, then we should do even more for the other homeless people.” Leng ruoxue said with a light smile.

Chapter 1432: You're sitting in my seat (2)

“Xiao Lan's family is in-laws after all, and those homeless people have nothing to do with me.” Yin bang explained helplessly.

“In-law? They don't seem to be your in-laws! Since it has nothing to do with you, yet you're still so enthusiastic, you must be a kind-hearted person. In that case, help more homeless people!” Leng ruoxue suggested.

“Miss Leng! “This ...” Yin bang was about to explain, but before he could, he was interrupted by a furious roar.

“Yin bang! Were you the one who ordered the arrest?” Yin Ping's tall figure appeared at the door of the cell. After seeing Yin Ping, he immediately shouted.

When Leng ruoxue and Yin bang heard the roar, they looked in the direction of the sound at the same time. Yin bang's face darkened while Leng ruoxue's face was filled with curiosity.

“Sister! This guy didn't do anything to you, right?” At this moment, Yin Xuan, who was behind Yin ping, ran to Leng ruoxue's side and held her hand to check it up and down, as if she was afraid that Yin bang would hurt her. Leng ruoxue could not help but laugh when she saw this. It was already good enough that she did not bully others. That would give others the chance to bully her!

“Xue 'er! Are you alright?” Xiao Lin also walked over and asked with concern.

“Madam Yin! Xuan 'er! I'm fine, elder bang was quite polite to me.” Leng ruoxue's tone was gentle, unlike how she had been aggressive towards Yin bang.

“That's good!” Xiao Lin and Yin Xuan nodded in relief. Then, they turned to glare at Yin bang and said fiercely, “Elder bang, what are you trying to do?”

“Mistress! It's not that I want to do anything, but these two maidservants have violated the clan rules, so I had no choice but to order people to lock them up. I invited miss Leng here only to let her be a witness, why are you so nervous!” Yin bang said with a smile.

“Why didn't I, the acting head of the family, know that they broke the family rules?” Yin ping walked over and asked coldly.

“This matter was decided at the last minute after a discussion between several elders. If the acting patriarch has any questions, you can ask the other elders. I’m just an executor.” Yin bang said, pushing the matter away.

“Why don’t the elders need to go through me, the acting Master, for their decision? Are you guys not putting me in your eyes?” Yin ping half squinted his eyes and said with slight displeasure.

“Acting patriarch, this is only a small matter. Why are you so calculative?” Yin bang said with a smile that didn’t reach his eyes.

“I can see from this small matter that you don’t care about the acting family head at all.” Leng ruoxue smiled faintly.

“Miss Leng, of course we can’t take the acting family head seriously. We do take him seriously.” Yin bang said, holding back his anger. He was furious that Leng ruoxue had added fuel to the fire. However, he had no choice but to hold it in because Leng ruoxue was the master’s subordinate.

“Oh, really? How come I didn’t feel it? Clan head Yin Dai, grape and lotus seed are now considered my people, but elder bang locked them up in prison without any explanation and even had people beat them until they were on the verge of death. Shouldn’t your Yin clan give me an explanation for this?” Leng ruoxue turned her gaze towards Yin ping.

“These two maidservants are from our Yin clan, how could they be your people!” When Yin bang heard Leng ruoxue’s words, he quickly reminded her.

“Didn’t I tell you that they were sent to me by your master? of course, they’re my people. However, when you arrested them, you didn’t ask for my permission. You even ordered them to be tortured and forced to confess. You have to give me an explanation for this. Otherwise, I’ll have to go to your master to judge.” Leng ruoxue threatened calmly.

“I didn’t ask anyone to hit them.” Yin bang quibbled.

“You didn’t order anyone to beat them, so how dare the guards let Xiao LAN in? Xiao LAN now has you backing her up, so I don’t think those guards would dare to offend you!” Leng ruoxue asked with a look of understanding.

“Xiao LAN hit them?” Yin Ping’s eyes followed the prison door and looked in. Sure enough, he saw two unconscious servant girls, their bodies covered in wounds, not one was intact. Suddenly, the anger in his heart surged up.

“Yes, I am!” Leng ruoxue nodded.

“How did cousin LAN get into the prison?” Yin Xuan asked in a cold voice. These days, she often went to Mingxi garden, so she got along quite well with grape and lotus seed. Now, seeing them on the verge of death, she was a little angry. According to reason, unless there was an elder or her father’s order, even the clansmen could not easily enter the prison of the yin family. However, looking at the current situation, not only did Xiao LAN enter, but she also almost beat them to death.

“We’ll have to ask elder bang about this.” Leng ruoxue laughed coldly.

“This is none of my business! Hurry up and explain to the acting patriarch clearly, how did Xiao LAN get in? Don’t you know the rules of the yin clan? How can you let Xiao LAN in!” After hearing the conversation between Yin Xuan and Leng ruoxue, Yin bang shouted angrily at the guard.

“Elder bang, miss Xiao has your token in her hand. She said that you asked her to interrogate the two maidservants, so I let her in.” The guard quickly told the truth.

“So that’s how it is! Now, elder bang had nothing to say! I only found out today that the members of the yin clan who committed a crime could be interrogated by outsiders! I’ve really learned a lot. ” Leng ruoxue smiled faintly, her beautiful face full of admiration.

“How could I give Xiao LAN any token, let alone let her interrogate the people of our Yin clan! Do you have any brains?” Yin bang berated the guard. Then, he smiled at Leng ruoxue and the rest, “She must have stolen my token and come to the prison to take revenge. This has nothing to do with me. You must believe me!”

“Does it matter if we believe it or not? Elder bang, Xiao LAN is one of your people, and now she has used your token to injure my maidservant. You must give me an explanation for this, or else! I won’t let this go. ” Leng ruoxue’s beautiful face darkened.

“I’ve already said that this matter has nothing to do with me. Furthermore, Xiao LAN is not one of my people. She’s the niece of the acting clan head.” Yin bang said.

“Elder bang! Are you even a man! As everyone knows, Xiao LAN is currently living at your place. If she’s not yours, then who is? As a man and an elder of the yin family, if he didn’t take responsibility, how would he convince the public in the future? The many clansmen of the yin clan will be disappointed in you. ” Leng ruoxue smiled as she reminded him.

Chapter 1433: You’re sitting in my seat (3)

“Sister is right! My father had already asked my cousin’s family to leave the yin family, but you brought them back. Now that something has happened, you want to push it all away? no way!” Yin Xuan said angrily.

“Elder bang, since you’ve invited me here to be a witness, I want to know what mistake they’ve committed. What did you steal from me again?” Leng ruoxue continued to ask.

“The two of them are not clean. They secretly hid the spirit mist fruit that the head butler gave to miss Leng.” Yin bang said, feigning calmness.

“Spirit mist fruit? The spirit mist fruits in their hands were given to them by me. However, they have never been willing to eat them. I can’t even reward the maidservant with something that was given to me?” Leng ruoxue asked coldly.

“Miss Leng! Do you know how expensive the spirit mist fruit is? How could he give it to two maidservants! I know you’re kind and want to protect them, but this matter can’t be settled just by admitting it. ” Yin bang reminded. Right now, he was already a little angry with Leng ruoxue. Leng

ruoxue had clearly promised that she wouldn't shield them, but now, she was still standing on the side of the two maidservants. This made him feel a little embarrassed and angry.

"I already said that I gave it to them, and this is not allowed? It seems that elder bang wants to kill those two maidservants. I really don't know what kind of deep hatred elder bang has with grape and lotus seed. They are just two maidservants of the yin clan. They shouldn't be able to offend you! Of course! If you want to stand up for miss Xiao LAN, then it's another matter. However, the one who bit Xiao LAN was my Beastie, so if you want her to take revenge, she should come at me instead. What kind of skill is it to use your own maidservant as cannon fodder?" Leng ruoxue's face was full of disdain, and her beautiful eyes that were spitting fire made Yin bang's heart beat wildly.

"Miss Leng! You've misunderstood me. Xiao LAN isn't anyone to me, so why would I stand up for her?" When Yin bang heard Leng ruoxue's words, he looked at Yin ping nervously before explaining.

"Clan head Yin Dai, what do you say about this?" Leng ruoxue ignored the irresponsible Yin bang and turned to Yin ping.

"I'll call for a meeting of the elders, and we'll make a fair decision." Yin ping suppressed the anger in his heart.

"Yes! However, this matter involves me and my two maidservants, so I request to participate in your elder's meeting." Leng ruoxue said after some thought.

"You're not a member of the yin family, so how can you participate in our Yin family's elder meeting?" Yin bang said disapprovingly.

"Even Xiao LAN can enter and exit the yin family's prison cell as she pleases. Why can't I participate in the yin family's elder meeting?" Leng ruoxue asked with a smile.

"I've said it before, my token was stolen. I didn't let her in." Yin bang's forehead was covered in cold sweat as he explained. He was quite annoyed that Leng ruoxue would not let go of this point.

"Elder bang has a mouth, so he can say whatever he wants. Besides, you said that your token was stolen, but do you have any evidence? Have you reported it? Or perhaps, the theft of the token is not a big deal in your Yin clan, and there is no need to report it?" Leng ruoxue chuckled as she retorted.

"The elder's token has been lost, we must report it!" Yin ping, who had been listening to their conversation, suddenly said.

"I heard from the guard that Xiao LAN took my token and entered the cell. That's when I found out that the token was lost, and I didn't have time to report it!" Yin bang quickly said.

When Leng ruoxue heard Yin bang's words, she didn't say anything. She only looked at Yin bang with a smile that wasn't a smile. Her gaze made Yin bang's hair stand on end because her gaze was too sharp.

"Substitute clan head, I request to attend your elder's meeting." Leng ruoxue said to Yin ping.

"Alright," he said. Yin ping nodded his head as he sized up Leng ruoxue. This was probably the first time he had seen a woman that his wife and daughter had praised so much. It was just as they had said, she was a rather impressive woman. Not only did she have a beautiful face, but she was also so eloquent

that it made one feel fear. However, when he saw Yin bang being dumbfounded by her questioning, he was extremely happy.

“Acting clan head! How could this be! She’s an outsider.” Seeing that Yin ping had agreed, Yin bang quickly reminded him. Leng ruoxue was too powerful. He didn’t dare to imagine how she would force the elders to attend the elders’ meeting.

“Xiao LAN is also an outsider. She’ll also be attending this meeting.” Yin ping said indifferently.

“Why did you let Xiao LAN participate? She doesn’t have the qualifications!” When Yin bang heard that Xiao LAN was going to participate, he immediately became anxious.

“Elder bang, don’t be anxious! Didn’t your token get stolen? Let’s question him face to face and see what’s going on! In case someone confesses under torture again.” Leng ruoxue said with a smile.

Then, she said to Yin ping, “substitute family head Yin, please release these two maidservants first!” I can prove that they did not steal anything. If the things that elder bang said they stole were the spirit fog fruits, then those fruits were given to them by me.”

“Alright!” Yin ping nodded his head and immediately motioned for the guards to carry the two maidservants who were covered in injuries out of the cell.

Seeing this, Yin Xuan took out two healing elixirs and wanted to feed them to the grape and lotus seeds. However, she was stopped by Leng ruoxue, “Xuan ‘er! Don’t treat their injuries first, these injuries are all evidence. I just want to let the yin family see how serious the crime they have committed is to be beaten up like this!”

“Yes.” Yin Xuan nodded her head and kept the pill. She knew that her sister was really angry.

After ordering the guards to use a single rack to carry the grapes and lotus seeds, Leng ruoxue and her group left the cell and walked towards the yin family’s meeting hall. On the way, Yin bang tried to find an excuse to leave several times, but Leng ruoxue kept a tight watch on him. He could not leave even if he wanted to, and could only worry in his heart.

Seeing how anxious Yin bang was, Yin Xuan and Xiao Lin couldn’t help but laugh in their hearts. He deserved it! Who asked him to come up with such a thing? of all people to provoke, he had to provoke Leng ruoxue. One must know that from the first time they saw Leng ruoxue, they knew that this lazy-looking woman who seemed to be indifferent to everything was not someone to be trifled with.

After everyone walked to the meeting hall, Yin ping ordered his subordinates to invite the elders in the main residence to come for a meeting. Of course, he did not forget to send someone to bring Xiao LAN.

In the meeting hall, Leng ruoxue casually found a chair and sat down, waiting for the elders to arrive.

The seat she was sitting on was the second seat to Yin Ping’s left. According to the yin family’s ranking arrangement, that should be the seat of the elder who was ranked third in the elder Council. However, now that she had sat there, the elder who was sitting there naturally had to change his seat.

Initially, Yin ping wanted to remind Leng ruoxue when he saw her sitting there. However, he remembered that the third elder and Yin bang had always been in the same boat, so he didn’t bother to say anything. Besides, he also wanted to see what kind of ability this mid level deity woman had to make

his father bring her back. Since he didn't raise any objections to Leng ruoxue's position, Xiao Lin and Yin Xuan naturally wouldn't say anything.

However, just because they didn't say anything, it didn't mean that others wouldn't. When Yin bang saw Leng ruoxue sitting in the third elder's seat, he reminded her, "Miss Leng, there's someone sitting there."

"Oh, really? I've taken a fancy to this seat, get him to sit somewhere else!" Leng ruoxue said in an overbearing manner.

When Yin bang heard Leng ruoxue's words, he could not catch his breath and almost passed out. Where did this woman come from? it was fine if she didn't put him, a God King, in her eyes, but who asked her to be his father's woman! However, even third elder did not take her seriously. Wasn't Leng ruoxue a little too bold? One had to know that third elder's seniority in the clan was much higher than the acting family head, Yin ping. This woman was simply too arrogant! However, her domineering aura was really pleasing to the eye no matter how he looked at it. It was as if she was born like this. This was really too strange.

"Who's so bold as to ask me to change seats?" All of a sudden, a loud roar was heard outside the meeting hall. Then, the door of the meeting hall was pushed open and dozens of elders walked in. Most of these elders were men, and the words just now were spoken by a man who was surrounded by them.

This man looked to be in his forties. Compared to the other members of the Yin clan, he was not considered very handsome. However, his aura and strength were not low. According to Qing Jue's voice transmission to Leng ruoxue, this man had the strength of a divine Emperor. His strength was definitely one of the best among the elders. Furthermore, he had deliberately added his own pressure to his words. It was clear that he wanted to use this to frighten Leng ruoxue.

However, what surprised him was that the woman sitting in his seat seemed to not feel his pressure and still sat in the chair, which made him a little embarrassed. Moreover, he was very sure that he had added pressure in his words. Looking at Yin Xuan's pale face, he knew that if it was not for Yin ping protecting her, Yin Xuan would definitely have suffered internal injuries.

"Third elder! You've really gone too far." Leng ruoxue didn't have much of a reaction. Instead, Yin ping was the first to get angry because his daughter's cultivation wasn't high. If it wasn't for him by her side, how could she have withstood the divine sovereign's pressure?

"Acting patriarch, can't you tell if it's me or someone else who's going too far? Since when did our Yin family let a woman ride on our heads? and she's a woman who came out of nowhere." The third elder glared at Yin ping with a venomous snake-like gaze. As a deity Emperor, his divine consciousness was naturally incomparably powerful. If he had the intention to observe, everything that happened in the Yin family would not be hidden from him. Therefore, everything that happened in the prison was within his grasp, including the meeting hall. Thus, before he even walked in, he added his own pressure into his voice in anger, so as to give Leng ruoxue, Yin ping, and the others a chance to back down! However, he still miscalculated.

“Third elder, no matter what dissatisfaction you have, you shouldn’t have added pressure into your voice. If she and Xuan ‘er were to be harmed in any way, the family head will not let you off.” Yin ping knew that he wasn’t third elder’s match, so he could only bring up his own father.

“Then the family head can’t just watch me, the third elder, be bullied by an outsider!” The third elder said coldly.

“Is this the third elder? I wonder how I’ve bullied you?” Leng ruoxue asked with a pure and innocent look.

“You’re sitting in my seat,” The third elder warned.

Chapter 1434: Hostage exchange (1)

“This is considered bullying you?” Leng ruoxue laughed. In her entire life, this was the first time she realized that sitting in someone else’s seat was considered bullying! Even though she was sitting there on purpose.

“Our Yin clan is a clan that places great importance on rules and etiquette. You, a junior, actually dare to be so arrogant in front of an expert. This is really preposterous!” The third elder growled as he suppressed his anger. If this woman wasn’t related to the patriarch, he would have ...

“What the yin clan values has nothing to do with me. Although I’m much younger than you, it has nothing to do with you even if I’m a junior. So, don’t call yourself an expert in front of me. You’re only a divine Emperor, not an expert. If you want to be an expert, wait until you become a reverent God or a Divine Master!” Leng ruoxue said with a look of disdain. The moment her words left her mouth, it immediately caused a series of gasps.

No one from the yin clan, including Yin Ping’s family, had thought that Leng ruoxue would be so arrogant. Even though the yin clan did not dare to claim that the third elder could control the sky with one hand, he could almost call the wind and summon the rain. However, in the eyes of this woman, he was actually worthless. Not to mention the Emperor God, anyone else would be furious if they were in her place.

As expected! The moment Leng ruoxue finished her sentence, the red-faced third elder roared in anger, “What an ignorant junior! Today, I’ll let you witness this elder’s strength!”

With that, the third elder raised his hand. A trace of divine power gathered in his palm and he was about to attack Leng ruoxue when a red light flashed. He felt a numbing sensation in his hand and his arm drooped down. It was only then that the crowd could see clearly that the red light that had flashed past Leng ruoxue’s wrist was a fiery red, crystal-clear snake. It turned out that the third elder had been bitten by the snake. In an instant, everyone could only watch as the third elder’s arm turned black. This was clearly a sign of poisoning.

Seeing this, the third elder hurriedly used his divine power to force the poison out of his arm through the wound. By the time the poison had subsided and his arm had slowly returned to its original color, he was already drenched in sweat and panting.

The third elder, who had forced out the poison, was extremely shocked. He kept cursing in his heart. What kind of venomous snake was this! The poison was actually so powerful. Even though he had managed to force the poison out, his arm was still numb and he could not feel anything. However, because of his fear of the little snake, he did not dare to attack Leng ruoxue rashly.

However, Leng ruoxue's next words almost angered him to death.

"Little fire! Are your teeth hurting? That person's skin is rough and thick, so it's not easy to bite him!" Leng ruoxue gently stroked fiery's soft scales as she asked with a smile.

"En, en. My teeth almost fell off. The divine Emperor's skin is indeed thick enough, and his meat is not delicious." Little fire nodded its little head and said in an extremely serious manner.

"Hehe! In that case, try to bite less divine emperors in the future. I think it should be easier to bite divine kings." Leng ruoxue's beautiful eyes glanced at Yin bang as she spoke. When Yin bang heard her words and felt her gaze, he subconsciously lowered his head to hide his presence. His heart was constantly muttering, 'F * ck!' This woman was beautiful, but why was her heart so vicious?! He actually wanted that snake to bite him. That was really too evil!

"Women! The strength of a Divine King is too low, so I can't satisfy myself by biting him. Although the skin of a divine Emperor is a bit thick, it's still a challenge for me. So, I'll bite the divine Emperor!" Fiery thought for a moment and said.

"Hmm, then bite the Emperor God! There seems to be quite a few deity emperors in the yin clan that are enough for you to bite. However, little fire! We can bite people, but we have to run immediately after biting them! Otherwise, if they catch you, they'll definitely make you into soup." Leng ruoxue reminded him with an evil smile.

When the crowd heard the conversation between the man and the Beast, they were so angry that they almost vomited blood. There were many deity emperors among the crowd, and Leng ruoxue had clearly incited her beast to bite them. Furthermore, it was the kind of beast that would run away after biting them. With the little red snake's speed, even if they were deity emperors, it would not be easy for them to catch it. Otherwise, third elder would not have been bitten.

Although they were all divine emperors, there were differences in their strength. The third elder might not be the strongest among the divine emperors, but he was definitely one of the best. If even he could not do anything to the little red snake, then wouldn't they all be waiting to be bitten?

At the thought of this, all the immortal Emperor elders became depressed. They couldn't help but glance at the third elder, hoping that he could stand up for them. After all, among all the elders, the first elder was always in closed-door cultivation, and the second elder was also in closed-door cultivation. The third elder was the most powerful and most powerful one. Therefore, they could only pin their hopes on him.

Third elder, who was alone in his depression, felt the eager gazes of the other elders, but he didn't want to get involved at this time, so he could only choose to ignore them.

When Yin ping heard Leng ruoxue's words and saw the expressions of the elders, he felt a heartfelt admiration for Leng ruoxue. However, due to his status, he didn't dare to show it. He could only sigh in his heart. This woman was indeed brought back by father! Truly too formidable, not only was he able to

maintain a straight face in front of the third elder, who had the strength of a peak grade deity Emperor, he even agreed for his own Beastie to bite the other elders, Wu! If it was someone else, they definitely wouldn't have the guts to do this. After all, this was the yin residence!

Although Yin ping did not dare to show his admiration for Leng ruoxue, Yin Xuan did not have such concerns. Her eyes were fixed on Leng ruoxue and xiaohuo, not even blinking. If it was not for Xiao Lin who gently pushed her, she would have rushed to Leng ruoxue and xiaohuo and exclaimed, "idol!" However, it was better to keep a low profile in such a tense moment.

Even though Leng ruoxue was talking to xiaohuo, she did not miss the expressions of any of the yin clan's members. She glanced at the silent third elder of the yin clan and smiled faintly, "Third elder, can you give this position to me? Weren't there two better seats in front? You can sit there." She suggested kindly.

Chapter 1435: The confrontation (2)

Ugh! When the elders heard Leng ruoxue's suggestion, a few drops of cold sweat dripped down their foreheads. They thought to themselves, 'this woman is really too evil. Can she just sit on those two seats?' If third elder really sat down, it wouldn't take long for news to spread that third elder had the intention to replace first elder and second elder. If this reached the ears of those two, third elder's good days would probably come to an end. She was clearly bullying third elder! I really don't know how third elder provoked her, sigh! No wonder people often say that only women and villains are difficult to raise! It seemed that he could offend anyone but a woman!

All the elders were sighing in their hearts. When third elder heard Leng ruoxue's suggestion, he could not catch his breath and almost passed out. Third elder coughed non-stop, and his face had turned dark red.

Seeing this, Leng ruoxue quickly instructed Yin bang, "Elder bang, the third elder doesn't seem to be in a good condition right now. You should quickly go and help him! This is a great opportunity for you to perform! Don't miss it."

Leng ruoxue's words made Yin bang roll his eyes. He thought to himself, 'with your words, I can't help even if I wanted to!' Otherwise, others would think that he was taking the opportunity to show off. Such rumors were not good for his reputation.

Seeing that Yin bang did not move, Leng ruoxue's beautiful eyes gently swept towards the other elders. When the elders received her gaze, they actually all turned their heads away in unison. It was obvious that no one had any intention of doing anything good at this time. Seeing this, she smiled faintly and said, "It seems that the third elder is not very popular! You're in so much pain right now, but no one is willing to help you! Ah! Poor thing!"

Leng ruoxue's sarcastic words caused third elder to cough even harder. In order to prevent third elder from losing his temper, Yin ping hurriedly gave a look to the guards beside him. The guards understood and helped third elder, who was coughing badly, to find a seat and sit down.

"All the elders, please sit down!" Yin ping said indifferently.

The third elder's seat had been taken by Leng ruoxue, and third elder had taken another elder's seat. Hence, the elder who had taken the seat could only swallow his anger and stand to the side. Who asked him to not offend either the third elder or Leng ruoxue?!

Third elder's strength and status were both above his, so he naturally didn't dare to offend him. As for Leng ruoxue, even if she didn't have the family head's support, she could still rely on that little snake that could even bite third elder to the point where he couldn't even fight back. This was enough to make his heart tremble with fear! Who would dare to provoke this tigress!

After the elders sat down, Yin ping slowly opened his mouth again, "I've gathered all the elders today mainly because I have a few things to discuss with all of you. As for how to deal with it, we'll still follow the old rules. The minority is subordinate to the majority."

"Acting patriarch, what is it?" An anxious elder couldn't help but ask.

"First of all, elder bang said that he lost his token. I've only just found out about this. He didn't report it to the clan immediately after he lost his token. How do you think we should handle this, elders?" After a pause, Yin ping continued.

"Master! I only just found out that I lost my token. I told you immediately after I found out. How can you say that I didn't report it?" Hearing Yin Ping's words, Yin bang quickly defended.

"Elder bang! You even lost your personal token. You're too careless. I wonder where you lost it?" Leng ruoxue's voice rang indifferently in elder bang's ears.

"What does this have to do with you? This is our Yin clan's internal affairs, don't interrupt!" Yin bang roared in anger.

"I'm just raising my own doubts! Since I'm able to attend your Elder Council today, it means that I have the right to speak, right? The head of the clan!" Leng ruoxue smiled as she asked Yin pingdao, who was sitting on the main seat, hehe! This Yin ping wasn't stupid! He knew that if he took Yin bang's token first, he would not be able to explain himself.

"En!" Yin ping nodded and then said to Yin bang, "Elder bang, please answer miss Leng's question truthfully. I also want to know where you lost the token, and how did you lose it?"

"Acting clan head! My token can't be considered lost, it should have been stolen by someone when I was unprepared." Yin bang thought for a moment, his heart filled with hatred towards Yin ping and Leng ruoxue. These two were obviously trying to get him to reveal the whereabouts of the token. How despicable. Now, he was very clear that no matter what he said, he would be found by these two and further lure him into the trap.

"Who stole it?" Yin ping asked despite knowing the answer.

"Shouldn't the acting family head be very clear about who stole it?" Yin bang said with a smile.

"Elder bang, we don't care if you lost or stole your token, or if you gave it away. I just want to know who could have stolen the divine King's personal token. If it was lost, what else did you lose, elder bang? Did you lose your storage ring?" Before Yin ping could speak, Leng ruoxue rushed to question him.

The moment Leng ruoxue's words left her mouth, all the elders present started to secretly discuss in hushed voices.

"Yup! This matter is strange!"

"You think it's abnormal too?"

"It's more than abnormal! The tokens are all kept in the storage ring. Can't you see that elder bang is still wearing that storage ring? How could he have lost the token! He probably lent it to someone else." The elders whispered to each other, and no matter how soft their voices were, they couldn't escape the ears of the people present. When Yin bang heard the suspicions of the elders, his face turned red and white in anger, and he panted heavily.

"Elders, please calm down. Today, something strange happened in your Yin family's prison." Leng ruoxue smiled as she spoke.

"What is it?" An elder asked cooperatively.

"Xiao LAN, who has been invited out of the yin clan by your acting patriarch, actually entered the cell with elder bang's personal token and tortured the two maidservants who served me. According to the guard, she was interrogating the people who had made mistakes on behalf of the yin clan. Although the two maidservants don't have much status in the yin clan, they are still part of the yin clan. I want to know if the people who have broken the clan rules are interrogated by outsiders?" Leng ruoxue asked the elders with a face full of doubt.

Chapter 1436: The confrontation (3)

"How is this possible? How could Xiao LAN be so bold? who's supporting her?" After hearing Leng ruoxue's words, one of the elders immediately shouted angrily.

"Xiao LAN is the substitute clan head's maternal niece. The people who will support her are, of course, the substitute clan head and the mistress." An elder reminded. The person who said this was naturally someone who had a good relationship with Yin bang and knew the truth. The purpose of his words was to drag Yin ping into the water and reduce the dissatisfaction and suspicion the elders had towards Yin bang.

"Elder, did you not hear what I said? I've already said that Xiao LAN has been asked to leave the yin clan by your acting clan head. As for where she is now, if you don't know, you can ask elder bang. He will tell you." Leng ruoxue reminded him with a half-smile.

Xiao Lan's family had been invited by Yin bang to stay in their own courtyard temporarily. This matter was no longer a secret in the yin family, so Leng ruoxue did not believe that the person who had just spoken was not aware of it. However, whether he was really stupid or pretending to be stupid, it was useless in front of her.

"This ..." The elder who spoke was speechless. How could he continue with this? Al! Elder bang! It's not that I don't want to help you, but this woman is too powerful. I can't do anything about it! You're on your own! At the thought of this, he obediently shut his mouth.

“Elder bang, where is Xiao LAN now?” Seeing that the elder had stopped talking, Leng ruoxue turned to Yin bang and asked.

“Elder bang! Did you really bring Xiao LAN to your own residence?” An elder asked in disbelief. He had also heard some rumors about this matter, but he had not seen it with his own eyes. Now that everyone was curious, he might as well ask.

“Mm! I took pity on her, so I took her in out of kindness, but I didn’t expect that she would steal my token and injure the two maidservants in the prison.” Yin bang said with regret.

“Elder bang! You’re a god King, right?” Leng ruoxue asked with a smile.

“So what if I am?” Yin bang coldly replied.

“Although godkings are not the strongest in the divine realm, they are still one of the strongest. You were actually able to let a woman who was not as strong as you steal your token. Could it be that your storage ring has developed intelligence and knew how to betray you with Xiao Lan’s help?” Leng ruoxue asked with a face full of curiosity. Her beautiful eyes kept glancing at Yin bang’s storage ring, as if she was trying to see if the ring had developed a spirit.

And her words made Yin Xuan couldn’t help but laugh out loud, haha! My sister is so amazing! She’s my idol! Her heart was filled with excitement. Her eyes were fixed on Leng ruoxue, afraid that she would miss out on any interesting scene.

“Elder bang, what is your explanation for this lady’s words?” Seeing that Yin bang did not respond for a long time, an anxious elder could not help but ask.

“I ...” Yin bang didn’t know how to explain. It seemed useless to say that Xiao LAN was Yin Ping’s niece. These elders weren’t stupid. How could they believe him so easily? Ai! He was really depressed and conflicted.

“Don’t make things difficult for elder bang. He’s so embarrassed to say it, so I guess this matter is also quite embarrassing for him. It’s possible that Xiao LAN used a honey trap, and elder bang fell for it when he wasn’t paying attention.” Leng ruoxue laughed.

Why were they the ones making things difficult for elder bang? the one who had made things difficult for elder bang and left him speechless was clearly this woman in front of him! When the elders heard Leng ruoxue’s words, they couldn’t help but curse in their hearts. However, at this time, there were fewer and fewer elders who wanted to speak up for Yin bang. Even elder bang, who had always been eloquent, was rendered speechless by Leng ruoxue’s questioning. Of course, they couldn’t take the initiative to give themselves up to be questioned by others. Furthermore, they were very sure that they would definitely not be able to win against Leng ruoxue.

“Sister! Whether Xiao LAN used the honey trap or not, and how she obtained the Grand elder’s medallion, we can just find out by asking her, right?” At this time, Yin Xuan, who had not said a word, reminded him.

“Xuan ‘er’s words make sense. Clan head Yin, can you invite Xiao LAN in now? However, it’s best for elder bang to avoid it. After all, you’re the person involved!” Leng ruoxue said with a smile.

“Mm! Bring Xiao LAN in! Elder bang! You can stay in the inner hall. Without my permission, you are not allowed to come out.” After Yin ping finished speaking, he gave a look to the guard beside him. Following that, the guard respectfully invited elder bang into the inner hall.

The so-called inner hall referred to a closed single room in the meeting hall. The purpose of this room was to prevent the weaker party from being threatened by the other party and telling false information when such a thing happened. In the inner hall, even a reverent God couldn't know what was going on outside, let alone threaten the other party through voice transmission. This was also a kind of protection for the weaker party!

After Yin bang was unwillingly invited into the inner hall, Xiao LAN was brought up by a guard.

Seeing that the meeting hall was filled with elders, the confused Xiao LAN was shocked. She did not know why she was here. Her beautiful eyes searched for elder bang's whereabouts but found nothing. Then, she suddenly noticed Leng ruoxue and could not help but be filled with anger.

“What are you doing here?” Xiao LAN looked at Leng ruoxue as if she had seen her father's murderer. She immediately rushed in front of Leng ruoxue and questioned her angrily.

“I'm here because of the opportunity miss LAN gave me! Miss LAN! Don't just stand there, please take a seat!” Leng ruoxue pointed to the seat beside her.

“Hmph! You're tactful!” Xiao LAN did not even think twice before taking the seat that Leng ruoxue had pointed out. When the elders saw this, they could not help but take a deep breath. They did not know what to say because that seat belonged to the great elder. Until now, no one had dared to sit there!

“Xiao LAN! You can't just sit there, get up!” Seeing that Xiao LAN had really sat down, Yin ping couldn't help but roar in anger. She was really brainless. No wonder Leng ruoxue didn't even care about her. He had always thought that Xiao LAN was quite smart, but why did she seem so stupid when compared to Leng ruoxue? It was really too strange!

“Why do you want me to get up? If she can sit here, why can't I?” When Xiao LAN heard Yin Ping's words, she said angrily, Hmph! And he's my uncle! He actually caused her to be embarrassed in public. At this moment, she even hated Yin ping, who she had been trying to please.

“That's the seat of the great elder, you can't sit there!” Yin ping gritted his teeth.

“Oh!” When she heard that it was the seat of the great elder, Xiao LAN did not dare to continue sitting there. However, she remembered that it was Leng ruoxue who had asked her to sit there, and the anger in her heart rushed up again, “Dammit! You actually framed me?”

“How did I frame you? I'm kind enough to let you sit down, yet you're blaming me! Ai! My good intentions really don't get rewarded!” Leng ruoxue sighed with a face full of hidden bitterness.

“This is the seat of the great elder, and you're asking me to sit here? If this isn't a trap, then what is?” Xiao LAN asked angrily.

“I'm not a member of the yin family, how would I know whose seat it is? I only saw that it was empty. It's fine even if it's empty, it doesn't matter who's sitting! If you don't want to sit here, you can just sit there.” Leng ruoxue pointed to the seat opposite her.

"That's the seat of the second elder, you can't sit there either." Before Xiao LAN could sit down, Yin ping felt a headache coming on and quickly said, "He could tell that Leng ruoxue was clearly toying with Xiao LAN! It was a pity that Xiao LAN, who thought she was smart, didn't know."

"You're framing me again!" Xiao LAN said angrily after hearing Yin Ping's words.

"I'm sorry, I didn't know that was the second elder's seat. All the seats are full now, why don't you stand for a while?" After Yin bang was brought into the inner hall of the meeting hall, there was originally an empty seat. However, it just so happened that the elder who was standing had taken it, so there really wasn't any space for Xiao LAN to sit. However, it was obvious that she thought it would be better for Xiao LAN to stand. After all, she had brought Xiao LAN here to confront her!

"Stand up, I want to sit in your seat." Xiao LAN ordered in an overbearing manner.

"My seat was given to me by the third elder. If he agrees, I can give this seat to you." Leng ruoxue said with a light smile.

"Do you think I'm that easy to fool? How could the third elder possibly give his position to you?" Xiao LAN said with a look of disbelief. Although she didn't believe it, she didn't dare to ask the third elder.

"It's up to you to believe it or not." After Leng ruoxue finished speaking, she turned her head and ignored Xiao LAN, who was stomping her feet in anger.

When they heard Leng ruoxue's words, the elders present had a tacit understanding not to make any comments, lest they anger the depressed middle third elder.

Xiao LAN glared at Leng ruoxue for a long time before turning to look at the elders present. Finally, she fixed her gaze on Xiao Lin and said with a wronged expression, "Aunt! How can you just watch me get bullied by outsiders?"

"Cousin LAN, I invited you to the meeting hall to discuss a matter. So, it's better for you to stand." Yin Xuan couldn't stand it anymore and said, hehe! Her father's impression of Xiao LAN should be even worse now! His sister was really amazing. With just a few simple words, she was able to make Xiao LAN reveal her true colors.

"A hostage? What confrontation?" Xiao LAN was confused.

"You went to the prison and tortured my two maidservants, right?" Leng ruoxue asked with a calm smile.

"So what if I am? They violated the yin clan's rules, and I went to interrogate them on behalf of elder bang. However, they were too stubborn and insisted that you were the one who rewarded them. I had no choice but to use torture." Xiao LAN said disapprovingly.

"You used elder bang's token to enter the prison, right? I'm very curious, how did elder bang's token end up in your hands?" Leng ruoxue did not argue with her and continued to ask.

However, her question caused some of the elders present to feel anxious. Just as they were about to open their mouths to warn Xiao LAN not to speak nonsense, they were suddenly attacked by a red light that flew past them at high speed. Immediately, their mouths swelled up. They mumbled for a long time, but they could not say a complete sentence.

After the red light finished attacking the unlucky elder, it flew back to Leng ruoxue's wrist and wagged its little tail happily, as if it was very satisfied with its work.

Leng ruoxue gently stroked xiaohuo's soft scales as her beautiful eyes swept across the elders present. Just a casual glance had caused the pressure on them to increase. This was really too strange. None of the elders could understand why the other party, who was only a mid level deity, would cause them to feel pressured. And this kind of pressure seemed to be innate ...

Chapter 1437: Self-righteous (1)

Due to the pressure that Leng ruoxue was giving them, all the elders present did not dare to speak. After Xiao LAN heard Leng ruoxue's words, she said disapprovingly, "That's right! I used elder bang's token to enter the prison."

"How did his token end up in your hands?" Leng ruoxue asked with a light smile. Her tone was as if she was just having a casual conversation.

"Of course he gave it to me. Otherwise, how could I have gotten it?" Xiao LAN replied with a disdainful look, as if she was saying, "do you even need to ask such a simple question?"

"Substitute clan head, elders, you've all heard it, right?" Leng ruoxue asked with a light smile.

"I heard it." Some of the elders replied. However, a considerable portion of the elders didn't say anything because they didn't know what to say.

"What's the meaning of this? What do you want to do?" After Xiao LAN heard what they said, she looked at the gloomy expressions on the elders' faces. She was puzzled. What was going on?

"Cousin! Why did elder bang give you the token?" Seeing no one speak, Yin Xuan couldn't help but ask curiously.

"Of course ... Why should I tell you?" After saying a few words, Xiao LAN felt that something was wrong, so she changed the topic and questioned him.

"I advise you to answer Xuan'er's question, because elder bang said that his token was stolen by you." Leng ruoxue chuckled as she reminded him.

"How is this possible? There's no way he would say that. I don't believe it!" Xiao Lan's eyes were wide open as she shouted in disbelief.

"Al! Poor guy, even after being betrayed, he's still helping others count their money! You went to the prison and injured the yin clan's maidservant, which in itself is considered overstepping your boundaries. Do you think the yin clan will tolerate such a thing? Your actions are clearly a challenge to the yin clan's authority. Because of the token, elder bang can't even protect himself, do you think he still dares to speak for you? Don't be silly, in order to protect his position, the first person he betrayed was you." Leng ruoxue said, gloating.

"I don't believe what you're saying. You're lying!" Xiao LAN couldn't help but shout. The current her didn't have the demeanour of a well-educated and polite young miss from a large family.

“Why else do you think the yin family head ordered you to be brought here? Do you really not understand, or are you just playing dumb?” Leng ruoxue said with a hint of mockery.

“Cousin! What big sister said is true. I did bring you here to have you confront elder bang. Moreover, he has already admitted in front of so many of us that his token was stolen, and he even said that you were the one who stole the token! However, he’s a Godking after all. I’m very curious as to how cousin managed to steal the token from his hands.” Yin Xuan asked with an innocent look.

“I didn’t steal it! I didn’t steal his command token, he gave it to me and said that with this command token, I would be able to move unimpeded in the yin clan, and no one would dare to stop me wherever I want to go.” When Xiao LAN heard Yin Xuan’s words, she looked at the disappointed expressions on her aunt and uncle’s faces and quickly said, “Hmph! If Yin bang wanted her to take the blame alone, there was no way he would! Even if she were to die, she would drag Yin bang down with her! She thought to herself with endless hatred.

“But what elder bang said is different from what you said. Which one of you is speaking the truth?” Yin Xuan’s face was filled with confusion, as if she had been confused.

“Elders, who do you think is telling the truth?” At this moment, Leng ruoxue’s evil intentions once again shifted the topic to the elders present.

“Elder bang’s words must be true. This woman has been chased out by the acting patriarch, so she must hate our Yin clan. Therefore, we can’t believe everything she says.” Upon hearing Leng ruoxue’s question, the elder who was on good terms with Yin bang quickly replied.

“Oh, really? Miss Xiao LAN! Did you hear what this elder just said?” Leng ruoxue looked at Xiao LAN and said with a smile that was not a smile. If Xiao LAN was not stupid to a certain extent, she would not let go of Yin bang. Otherwise, the yin family, especially Yin bang, would not let her off.

“Why should I hate the yin family? Yin bang said he would take revenge for me, so I promised him my body. You’ve obtained my body, and now that something has happened, you want to blame it all on me? I’m telling you! No way! You! And you! Don’t think I don’t know that you and Yin bang are in the same boat. I know all the things you’ve been discussing behind your back. At most, we’ll fight to the death, and none of you will be able to escape!” In her anger, Xiao LAN did not let Leng ruoxue down. She revealed the few elders who were close to Yin bang. Hmph! She wasn’t someone who could be easily used. If she didn’t have something on them, how would she dare to show off in the yin family and act like a tyrant for so many years? she couldn’t help but be a little proud in her heart.

“Don’t talk nonsense! When did we ever discuss anything behind our backs?” One of the elders who was pointed out by Xiao LAN shouted in a low voice while trembling.

“Elder lang, is your memory that bad? Weren’t you guys drinking together the day I arrived at Yin bang’s courtyard? Oh, and you insisted on having me drink with you. You even took advantage of me after getting me drunk. I still remember that!” Xiao LAN sneered.

“Aren’t you drunk? How did you know that we took advantage of you? Your words are clearly contradictory.” The man who was called elder lang was so angry that his face turned pale and he couldn’t help but roar.

"I'm just pretending to be drunk. Otherwise, I don't know how much more wine I would have to drink! I still remember what you guys said after I pretended to be drunk! Do you need me to remind you?" Xiao LAN said proudly.

As soon as Xiao LAN said this, elder lang didn't dare to speak anymore. He couldn't help but wipe the cold sweat on his forehead and his heart was beating nervously.

"You two, we're not interested in the gossip between the two of you. Right now, we only want to know how elder bang's token ended up in miss Xiao Lan's hands. It was miss Xiao LAN who stole it." Leng ruoxue saw that the time was right and spoke again.

"Of course he gave it to me. If you don't believe me, you can ask elder lang and the others. They were also present at the time." Xiao LAN glared at the somewhat guilty elder lang and loudly said.

"Elder lang, is what Xiao LAN said true?" When Yin ping heard this, he also opened his mouth.

Chapter 1438: Self-righteous (2)

"It, it's true! It was elder bang who gave the token to Xiao LAN." In front of everyone, elder lang had to betray Yin bang in order to clear his name. He didn't want to be implicated by Yin bang because of this. He could tell that these women were not to be trifled with! He had to remember to stay far away from women in the future.

"Patriarch Yin, didn't miss Xiao LAN say that elder lang and Yin bang weren't the only ones? For the sake of fairness, I think you should also ask the other elders. Right, the third elder's opinion is also very important." Leng ruoxue chuckled as she reminded him.

"Mm! Miss Leng's words are reasonable." Yin ping nodded in agreement, and then his eyes turned to the few elders who had been pointed out by Xiao LAN.

"Acting patriarch, what elder lang said is true. The token was indeed given to Xiao LAN by elder bang. We can be witnesses." The few of them were so frightened that they hurriedly said in unison.

"Why didn't you tell the truth before? A dignified elder actually allowed others to wrongly accuse an innocent woman, is this something an elder should do?" Leng ruoxue asked with a cold smile.

"It is! Why didn't you say so earlier? you even caused me to be wrongly accused!" Xiao LAN questioned Leng ruoxue after hearing her words.

"We, we are also trying to protect elder bang's reputation." The elders looked at each other and whispered. From that look, they had already made the decision to give up on Yin bang. Otherwise, they would not be able to protect themselves.

"In order to protect elder bang's reputation, you want someone else to be the scapegoat? Isn't your behavior really chilling? If the entire Yin family knew that there was such a scam among their elders who could betray others at any time for the sake of their reputation, I wonder if they would still respect you as they always did?" Leng ruoxue's words were like a sharp knife cutting into their bodies, causing a chill to rise in their hearts. At this moment, the third elder, who had been angered to the point of being half-dead, had actually closed his eyes and pretended to be asleep.

“Uncle! You have to uphold justice for me! They actually dared to humiliate me like this! I don’t want to live anymore!” Leng ruoxue’s words gave Xiao LAN a huge inspiration, so she immediately knelt in front of Yin ping and started crying like a Pear Blossom bathed in rain.

“You get up! Don’t embarrass yourself here.” Yin ping looked at Xiao LAN with some disgust, sigh! Why did he think that Xiao LAN was obedient and sensible in the past? He had really misjudged her. This must be Xiao Lan’s true face!

Xiao LAN could hear the displeasure in Yin Ping’s voice. She sobbed as she stood up from the ground, not daring to say anything else. She knew that she had already provoked her uncle’s hatred. Her many years of planning had been destroyed in a day, and it was all that damned woman Leng ruoxue’s fault. She hated her in her heart, but now was not the time to be angry with Leng ruoxue. She was still counting on Leng ruoxue to help her deal with Yin bang and the others!

Seeing that the elders did not speak, Xiao LAN seemed to have stopped. Leng ruoxue’s beautiful eyes turned towards Yin ping and said indifferently, “Clan head Yin, it should be clear that miss Xiao LAN didn’t steal elder bang’s medallion, but was given to her by elder bang. Does anyone have any objections? You can bring it up now.”

Even though Leng ruoxue’s words were directed at Yin ping, she was asking all the elders present. At this moment, none of the elders dared to speak.

“Mm! I have no objections.” Yin ping said, holding back his laughter. He was full of praise in his heart. This Leng ruoxue was really smart and ruthless. With just a few words, she had actually helped Xiao LAN clear her suspicion of stealing the token. However, would she be so kind? Or did she have another move?

Yin ping was looking forward to Leng ruoxue’s next performance because he didn’t believe that Leng ruoxue would be so kind as to help Xiao LAN! One must know that ever since they had sat here, Leng ruoxue had almost never mentioned the two servant girls who served her. He remembered very clearly that Leng ruoxue had requested to attend their elder’s meeting because of those two servant girls.

“If any of you have a different opinion, you can raise it now. Otherwise, once the matter is settled, there will be no room for turning back.” Following that, Yin ping reminded the elders.

“Acting patriarch, I have no objections.” An elder spoke first.

“We don’t have any either!” After most of the elders expressed their opinions, the elders who were closer to Yin bang also quickly followed.

“Does third elder have any objections?” Leng ruoxue asked curiously when she saw that third elder had yet to speak.

After hearing Leng ruoxue’s words, Yin Ping’s forehead started to drip with cold sweat. He couldn’t understand why Leng ruoxue would have her eyes on third elder. Al! Poor third elder! You’re on your own!

“You’ve taken my seat, so you’re the third elder, so you don’t need to ask me.” The third elder, who was pretending to be asleep, said in a bad mood. However, as soon as he said this, all the elders’ foreheads were filled with black lines, and they all sighed in their hearts at the same time. It looked like

the third elder had gone mad with anger! To actually say such words! Did this sound like something a normal person would say? Don't tell me that whoever takes your position will be the third elder? Then if someone sat in the position of great elder, wouldn't he also become a great elder?

"Since third elder is so modest, then I will not refuse." Leng ruoxue laughed and replied without any trace of politeness.

"You're welcome!" The 3rd elder suddenly opened his eyes and shouted while suppressing his anger.

"The first three elders are so angry! Anger is harmful to the body, especially at your age, you have to take care of your health!" Leng ruoxue emphasized the word 'front', angering third elder so much that he couldn't speak. He could only sit on the chair and stare. If looks could kill, Leng ruoxue would have died a thousand times over.

When the other elders heard Leng ruoxue's words, they immediately raised her to the level of an idol. What was this woman's background? she actually dared to speak to third elder in such a manner and even drove the usually calm third elder mad. Otherwise, third elder wouldn't have said that she was the third elder. One should know that the position of an elder wasn't just for anyone. Other than having strong abilities, one had to make contributions to the family or have an important position and prestige in the family. In short, someone like Leng ruoxue, who had an unknown background, had to have a strong background. A woman with an unknown identity was definitely not qualified to become an elder, even if she was just an ordinary elder.

Chapter 1439: Self-righteous (3)

"Cough cough!" Yin ping saw that the atmosphere was a little stiff and coughed lightly twice, pulling the elders' minds back.

"Clan head Yin Dai, the elders have no objections. You can decide how to deal with this matter." Leng ruoxue chuckled in a good mood. Her participation in the elder's meeting this time was not in vain. Not only did she get the position of third elder for no reason, but she also took the opportunity to deal with Xiao LAN and Yin bang, the two villains who colluded with each other. Her hard work in acting was not in vain.

"Since the elders have no objections, I will now announce my decision on Yin bang! First, remove elder Yin bang from his position and inform the entire clan. Second, banish the entire Yin bang clan to Flowing Wind Valley, never to return to the main city. If there are no objections, then I will announce these two decisions on behalf of the patriarch and the elder Council." Yin ping looked at the elders present and said.

"Master! Yin bang only lent the token to Xiao LAN. Isn't this punishment a bit heavy?" An elder who had a good relationship with Yin bang looked at Yin Ping's expression and said carefully.

"Heavy? What was Yin bang's purpose in lending out the token? Don't you know how serious the consequences are?" Yin ping asked coldly. He didn't believe that these elders, who shared the same pants as Yin bang, didn't know what Yin bang's goal was and what Xiao LAN had done! This was the best

opportunity to get rid of Yin bang, so he would not let it go. This time, Yin bang could forget about turning the tables.

“Substitute patriarch Yin, there’s no need for you to be so angry. I’m sure many of the elders present don’t know what kind of consequences elder bang’s token has caused. Why don’t you order someone to bring the consequences in?” Leng ruoxue laughed coldly.

“Good! Bring in the grapes and lotus seeds.” Yin ping nodded his head and ordered the guards beside him.

The guards received the orders of the acting family head and soon carried two stretchers into the meeting hall. The elders who were sitting looked at the two bloody women on the stretchers, whose faces could not be seen, and were shocked! Ugh! Were these two the grape and lotus seed that the acting family head had mentioned? How did he end up like this? Among those present, other than a portion of the elders who understood the truth, many of the elders were confused.

Previously, they had heard from Leng ruoxue and the others that Xiao LAN had tortured the two maidservants of the yin family. However, they did not expect Xiao LAN to be so harsh. One should know that even the yin family would not torture their clansmen who had committed a crime. At most, they would send them to a remote place and let them fend for themselves. However, Xiao Lan’s methods were clearly beyond their understanding, which made them a little angry.

The yin family had made a mistake, but they themselves were not willing to take action! Now, the two maidservants in the prison had been beaten by an outsider. This was a huge humiliation to the yin family. Therefore, in an instant, the anger in their hearts was ignited.

“Clan head, Xiao LAN actually beat up our clansmen like this. We can’t just let this matter go. We must punish Xiao LAN severely.” An elder shouted with righteous indignation.

“Right! Punish Xiao LAN severely. Since when did outsiders have the right to attack our Yin clan’s people! This is preposterous!” A single stone caused a thousand ripples. After seeing the two maidservants covered in injuries, most of the elders were furious.

Leng ruoxue watched all of this coldly from the side and laughed coldly in her heart. This was exactly the result she wanted. She wanted to clear Xiao LAN of the suspicion of stealing the token so that Yin bang would be dragged into this mess as well. The token in Xiao Lan’s hands was not stolen, so Yin bang would be charged with the crime of betraying others and colluding with outsiders to harm his clansmen. In this way, Yin bang’s reputation would be ruined, and his clansmen would all cast him aside! Oh! Could this be considered as indirectly helping Yin ping, the acting family head?

Seeing the fierce looks on the elders’ faces, Xiao LAN was a little scared. Her beautiful eyes were filled with tears as she cried, “It’s not my fault. Yin bang gave me the token, and he was the one who asked me to interrogate these two maidservants.”

“You’re just an outsider. What right do you have to question our Yin clan’s people? even if it’s just two servant girls who made a mistake, you don’t have the right!” A tall and fierce-looking elder angrily rebuked.

“There’s no need for this elder to be so angry. In truth, my two maidservants did not do anything wrong, but Yin bang insisted on accusing them of stealing the things your head butler had given me. He even domineeringly locked them up and incited miss LAN to torture them. The true cause of this incident was my beast that had bitten miss LAN. Yin bang wanted to avenge her, so these two maidservants are completely innocent. They should not have been treated like this.” Leng ruoxue said with a pained expression.

Her words caused many of the yin family’s elders who were considered upright to fall silent. After all, this kind of thing was not uncommon in large families, and it was rare for people to bring this matter up in public because of the two maidservants. However, Leng ruoxue had revealed the truth behind the scenes today, so they had no choice but to take it seriously. Even the elders who had thought that the punishment given to Yin bang by the substitute family head was too heavy did not dare to make a sound.

After a moment of silence, Leng ruoxue smiled and said, “The truth of the matter is already known to all the elders. If you have any opinions or thoughts, everyone can speak freely.”

“Acting patriarch, I think Yin bang’s punishment is a bit light! He’s such a traitor, and he doesn’t care about the morality of his race. We can’t let him off easily! We should expel him from the clan and inform the entire divine realm!” An elder suggested.

“I agree!”

“I also agree!” As soon as this elder spoke, it immediately received the response of many elders.

“I’ll consider your opinions, but expelling Yin bang from the clan is no small matter. I’ll have to ask the patriarch for instructions before I can make a final decision. As for Xiao LAN, you can deal with her however you want. There’s no need to give us face.” Yin ping thought for a while and said. He didn’t want the elders to let Xiao LAN go just because of their relationship with her. In this way, he would have something to criticize in the hands of the elders. Now that he had lost his previous good impression of Xiao LAN, he naturally wouldn’t care about her life or death. Moreover, what Xiao LAN had done was indeed intolerable to the yin family.

“Uncle! You can’t leave me alone! It was Yin bang who made me do it! He said that he would think of a way to avenge me and even said that he would hand Leng ruoxue and the two maidservants over to me to deal with. I was also eager to take revenge, which was why I got involved with him! Uncle! Please help me!” After hearing Yin Ping’s words, Xiao LAN, who was already a little scared, became even more nervous. It was as if the end of the world had arrived. Her face was covered in tears, and she looked as pitiful as she could be.

However, not many of the elders present would pity her! Who asked her to do something that had already exceeded the yin family’s bottom line? As one of the eight great divine regions, how could the yin family tolerate an outsider riding on top of their own family?

“Clan head Yin Dai, Xiao LAN has injured my two maidservants so severely. Shouldn’t you give them an explanation?” Leng ruoxue smiled and said.

“What kind of explanation do you want?” Yin ping was a little surprised. He knew that Leng ruoxue wouldn’t let Xiao LAN off so easily, but he didn’t know how she was going to deal with Xiao LAN.

"I like to give her a taste of her own medicine. Since Xiao LAN has severely injured my maidservant, there's no reason for her to be alive." Leng ruoxue said without a trace of emotion.

"Then I'll leave Xiao LAN to you." Yin ping sighed lightly and said straightforwardly. He didn't expect that Leng ruoxue would actually be willing to stand up for two maidservants. One must know that these two maidservants were members of their Yin clan! As the acting clan head of the Yin clan, even though he could not act as he pleased like Leng ruoxue, he still had the authority to hand over Xiao LAN to them.

"Then I won't hold back. After grape and Lianzi are done with their revenge, I will return Xiao LAN to you." Leng ruoxue smiled in satisfaction.

"Yes." Yin ping nodded his head. Although he really wanted to say that he didn't need to return it, he didn't say it out loud.

"No! Uncle, don't give me to her!" When Xiao LAN heard that Yin ping wanted to hand her over to Leng ruoxue, she panicked and cried out in alarm. However, she was ignored by Yin ping.

"Aunt! Don't let uncle hand me over to someone else! I'm begging you! Aunt!" Seeing that her uncle wasn't even looking at her, Xiao LAN had no choice but to ask Xiao Lin for help. However, Xiao Lin had also turned her head and looked to the other side.

At this moment, Leng ruoxue stood up from her seat and took out two pills from her bangle. She stuffed them into grape and Lotus's mouths. Not long after, the two maidservants stood up from the rack. Even though their clothes were still stained with blood that caused one's heart to palpitate, the two of them knew very well that their injuries had all healed. It was just that their clothes were still a little scary.

"Miss!" After the two of them stood up, they looked at Leng ruoxue gratefully. Even though their minds were not very clear, they had heard the contents of the confrontation intermittently and knew that Leng ruoxue had done a lot for them. Hence, at this moment, their hearts were filled with gratitude and admiration for Leng ruoxue.

"The substitute clan head has already agreed to let you take revenge on Xiao LAN. Why don't you quickly thank him?" Leng ruoxue pointed at Xiao LAN, who was still struggling on her deathbed, and said to the two maidservants.

"Thank you for acting patriarch's fairness and severity." Grape and Lotus bowed and said.

"You have been wronged. The family should seek justice for you." Yin ping said with some shame.

"Acting family head, we really didn't take anything from the young lady. The young lady would give us anything she has. Why should we steal it?" Grape thought for a while and said.

"I know! I'm already clear on this matter." Yin ping said helplessly. He was already cursing Yin bang in his heart.

"House master Yin Dai, elder bang can be released from the inner hall." Leng ruoxue reminded him with a faint smile.

"Yes, go and invite Yin bang out." Yin ping ordered the guard beside him.

Yin bang, who was in the inner hall, was worried that Xiao LAN would expose what had happened between them. However, when he saw that the guard who had gone to invite him out was still respectful, he was slightly relieved.

When he came out, he saw that the elders' expressions were normal, and Xiao LAN was standing at the side like a wooden block. He felt more at ease.

"Xiao LAN! How dare you steal my token! You really don't want to live anymore!" Yin bang shouted, trying to prove his innocence.

Chapter 1440: Meeting the little one again (1)

As soon as Yin bang spoke, the elders' expressions turned strange. However, he did not mind it because he knew that many of these elders would stand on his side. Therefore, he did not care even if some of them believed Xiao Lan's words. After all, Xiao LAN was an outsider, and it was almost impossible for the elders to stand on her side. Unfortunately, he had underestimated Leng ruoxue's role in this.

Leng ruoxue watched Yin bang's excellent performance with cold eyes and slowly opened her mouth to speak, "Elder bang! Oh! It was wrong! You're no longer an elder of the yin clan, so I should be calling you Yin bang."

"What did you just say? How can I not be an elder of the yin clan?" Before Leng ruoxue could finish her sentence, Yin bang stomped his feet in anger and roared.

"Oh! That's right! You don't know about this yet!" Leng ruoxue said with a smile.

"You're no longer an elder of the yin clan, and you'll be sent to some flowing Wind Valley. The name flowing Wind Valley sounds pretty good, but I don't know if it's as beautiful as its name. I wish you a happy life there!" Leng ruoxue laughed.

"Flowing Wind Valley? I've been banished? This was impossible! You're lying to me!" Yin bang did not believe Leng ruoxue's words at all. His first reaction was that Leng ruoxue was lying to him!

"Patriarch Yin, you should tell Yin bang the good news!" Leng ruoxue suggested with a smile.

"Yes." Yin ping nodded and then said to Yin bang, "Yin bang! After the discussion between me and the elders, you have been stripped of your position as an elder and will be sent to the flowing Wind Valley from today onwards. However, in view of the serious consequences caused by your actions, the elders have proposed to expel you from the family. I will make an announcement after reporting this matter to the family head."

"Yin ping! Can you repeat that? What right do you have to do this? I know that you've always found me an eyesore, but what mistake have I made for you to treat me like this? If the head of the family knew that you treated your brother like this, he would not let you off." Yin bang said angrily after hearing Yin Ping's words. He was so angry that he didn't even address him as the acting family head.

"Yin bang! Don't you know what you've done? You keep saying that your token was stolen, but after investigation, we've found out the truth. You gave the token to Xiao LAN and even promised her that you would take revenge for her. What else do you have to say?" Yin ping sneered as he questioned.

“This ... How could you all believe Xiao Lan’s one-sided story! She’s your niece!” Yin bang reminded after hearing Yin Ping’s words.

“She is indeed my niece, but everyone knows that she is staying at your place now. Moreover, the proof that you gave her the token is not just based on her one-sided statement. The elders who are close to you have also confirmed that you did give the token to Xiao LAN. They were all present at the time. Now, there are witnesses and physical evidence. Do you have anything else to say?” Yin ping said with a faint smile.

“This is impossible!” Yin bang couldn’t believe Yin Ping’s words and turned to look at elder lang and the others. However, those elders actually turned their heads in unison.

“Yin bang! We’re all clear about what happened, and we have no opinion on your punishment, so you should accept it!” At this moment, an elder spoke indifferently. After he finished speaking, he couldn’t help but sigh.

“What do you know? I didn’t ask Xiao LAN to torture the two maidservants in the prison. It was Xiao LAN who acted on her own. What does this have to do with me?” Yin bang quibbled, not mentioning the token at all.

“Yin bang! If she didn’t have the token you gave her, would she have been able to enter the prison? Even if you didn’t send her to prison, you created the conditions for her to go to prison. This matter started because of you, so you can’t shirk it. As for what your goal is, you know it better than anyone else.” Leng ruoxue laughed coldly.

“This is our Yin clan’s matter. How can an outsider like you interrupt!” Upon hearing Leng ruoxue’s words, Yin bang, who was still holding on to a glimmer of hope, was even more furious. This woman was clearly adding insult to injury! I really don’t know how I’ve offended her! Why did she have to go against him? He could not understand!

“Am I an outsider? Your Yin clan’s third elder has already given his position to me. I’m now your Yin clan’s third elder.” Leng ruoxue reminded Yin bang of this fact calmly.

“What? How is this possible?” Yin bang asked in disbelief. The third elder couldn’t have done something like this. How could the position of an elder be given to someone else just like that?

“If you don’t believe me, you can ask the first three elders!” Leng ruoxue smiled as she reminded him.

“Third elder! Is this woman telling the truth?” The moment Leng ruoxue finished speaking, Yin bang asked hurriedly.

“It’s true!” The Furious third elder said in an unpleasant tone.

“Third elder! How could you do this!” The third elder’s words infuriated Yin bang. He even forgot his own status and roared at the third elder.

“What I want to do is my own business. You, a sinner who is about to be expelled from the yin family, have no right to question me!” When the third elder heard Yin bang’s words, his already unsightly expression darkened even more.

"I ... I didn't question you! I just don't understand." Yin bang said with a smile. The third elder was his biggest backer, and he would never dare to offend the third elder!

"There's nothing I don't understand. In any case, I'm just an empty third elder. No one respects me at all. Since that's the case, why don't I give it to someone else?" The moment he finished speaking, the faces of everyone present, including Yin ping, instantly turned ugly. This was because the third elder's words weren't only meant for Leng ruoxue to hear. He had clearly included everyone present in his calculations.

"Third elder has a high status in our Yin clan. Who would dare to disrespect you! If anyone dares to look down on you, I'll be the first to not forgive him!" Yin bang quickly said.

"It's too late for you to say all this now. You won't be a member of our Yin clan very soon, and I won't be the third elder." The third elder lightly raised his eyes and indifferently reminded.

"Well said, acting patriarch! Can you order your men to take Yin bang away? they still have to pack up and head to windflow Valley!" After hearing third elder's words, Leng ruoxue laughed nonchalantly.
