

Crazy Wife 1441

Chapter 1441: Meeting the little one again (2)

“Mm, bring Yin bang back to his residence and watch them pack up! They are not allowed to take a single needle or thread out of the yin family’s master’s residence.” Yin ping nodded and ordered the guards beside him.

“Yes!” “Yes, master!” The guard replied, then grabbed Yin bang’s arm and led him out of the meeting hall.

“Let go! You guys let go! I’m an elder of the yin family, you can’t treat me like this! I won’t let you off!” Yin bang cried out in alarm. His voice was still reverberating in the meeting hall, but he had already been dragged out of the meeting hall by the guards.

“You can also take Xiao LAN with you.” Yin ping turned to Leng ruoxue and said.

“Alright,” he said. Leng ruoxue nodded. She then turned to grape and Lianzi, “Let’s go back to Bright Stream garden! Xiao LAN is now your exclusive property, so you can play with her however you want.”

“Uh!” Hearing Leng ruoxue’s words, grape and lotus seed’s foreheads were filled with black lines. Miss’s words really made it too easy for people to have their own thoughts. Furthermore, they were not interested in Xiao LAN. They hoped that no one would misunderstand.

“Don’t just stand there, take Xiao LAN and let’s go back to Bright Stream garden!” Leng ruoxue saw that grape and lotus seed were still standing there stupidly after hearing her words. She couldn’t help but remind them with a smile.

“Oh!” “Yes,” grape and Lotus replied, slightly embarrassed. Then, the two of them grabbed Xiao Lan’s arms and followed Leng ruoxue back to Mingxi garden.

When they arrived at Mingxi garden, grape looked at Xiao LAN, who was an eyesore, and asked with a look of disdain, “Miss, what should we do with this woman?”

“She’s yours now, so you can do whatever you want with her. Also, you can rest assured that the acting Master of the yin family will not blame you.” Leng ruoxue was afraid that they wouldn’t dare to make a move because of Yin ping, so she gave the two of them a calming pill.

“Yes, we know.” Grape and lotus seed quickly nodded. With the young miss around, how could the acting family head be dissatisfied? They could see that the yin family’s elders couldn’t do anything to the young lady. Moreover, they seemed to be quite afraid of Xiao Huo. However, what surprised them even more was that the third elder would actually give up the position of elder to the young lady in a fit of anger. This, this was really too inconceivable.

“Since you know, take Xiao LAN down and treat her well! We must make her feel at home.” Leng ruoxue laughed evilly.

“Yes.” Grape and lotus seed looked at each other, feeling very satisfied. They didn’t expect Xiao LAN, who had always been arrogant in the yin family, to have such a day. It seemed that sometimes, one

should not be too cocky, or else, one would suffer retribution. Xiao Lan's failure this time would definitely make the people in the yin family who had been bullied by her very happy, and they were naturally included in this group.

The two of them took Xiao LAN to the storeroom and tied her up with a rope. Xiao LAN, who had been in a daze, slowly came back to her senses. After seeing her condition, she shouted again, "How dare you! Do you know who I am? You actually dare to treat me like this! Aunt and uncle won't let you off."

"Miss LAN, it was on behalf of the family head who handed you over to us to deal with. Have you forgotten?" Grape said with a very kind smile.

"You're wrong! You must be mistaken." It was unknown whether Xiao LAN was really scared out of her wits or her mind was in a state of confusion, but she kept repeating the words 'you've made a mistake'.

Seeing that she was talking non-stop, grape and lotus seed had no choice but to use a piece of rag to block her mouth.

"It's finally quiet now. If you disturb the young lady's sleep, we'll teach you a lesson." After grape warned him, she pulled lotus seed along and left the storage room.

For the next few days, grape and Lotus went to the storeroom to entertain Xiao LAN while Leng ruoxue was taking a nap. After a few days of their warm hospitality, Xiao Lan's body was covered in wounds and it was a terrible sight. However, they would not be soft-hearted to Xiao LAN because they had been tortured by her in the past. Now, they were just returning everything that Xiao LAN had done to her.

The yin family had temporarily calmed down after the incident with Yin bang and Xiao LAN. At the same time, the yin family had also realized that they could not offend the women living in Mingxi garden, nor should they have any ideas about the people around her. Otherwise, they would die without even knowing how they died. Weren't Yin bang and Xiao LAN the best examples?

Yin bang had not only been stripped of his position as an elder for helping outsiders bully his own clansmen, but he had also been sent to windflow Valley to fend for himself. He had even been expelled from the yin family with the approval of the patriarch. No one had ever thought that such an outcome would happen. There was also the depressed third elder who had lost his position as an elder because of a single angry word he had said. The great ancestor of the yin family had actually agreed to this. Now that Leng ruoxue was the genuine third elder of the yin clan, even though many people had doubts about this decision, no one dared to question the old ancestor.

The current Leng ruoxue was definitely living a carefree and free life in the yin clan. Furthermore, her status as an elder gave her even more special privileges. At least, that old man no longer forbade her from staying in Bright Stream garden.

After a few days, grape and lotus seed brought Leng ruoxue around the yin residence. Leng ruoxue had also become familiar with the yin residence. At least, most of the clan members recognized her. However, there seemed to be something else in the eyes of the clan members and the elders ...

After learning that the yin family's main residence was much bigger than she had imagined, Leng ruoxue returned to Mingxi garden and did not step out of the house. However, Yin Xuan would come and disturb her from time to time.

Looking at Leng ruoxue lazily lying on the reclining chair, grape and lotus seed couldn't help but feel worried. These days, no matter what their young miss did, she didn't seem to be interested. They really didn't know what was wrong with her.

"Miss! How should we deal with Xiao LAN?" Grape asked Leng ruoxue, who was pretending to be asleep.

"If you've had enough fun, you can return her to the yindai clan head. You don't need to ask me about this kind of thing." Leng ruoxue replied indifferently without even opening her eyes.

"Oh!" Grape replied in disappointment. Can't miss talk to them more?

"Miss! I heard from the head butler that the person who came to save Xiao LAN yesterday has yet to be caught." Lotus seed continued after seeing grape's failure.

Chapter 1442: Meeting the little one again (3)

"Tell the head butler that there's no need to look for them anymore. Those people have all been bitten by xiaohuo. Even if they're alive, they'd rather die." Leng ruoxue's tone was still calm, and no one could hear the anger in her words.

"Yes!" Lotus seed replied. Then, she exchanged a look with grape. The two quietly walked to the side and began to discuss in a low voice.

"Grape, what's wrong with miss?" Lotus seed asked worriedly.

"I don't know. Could it be that you're tired of staying here and want to go out for a walk?" Grape could not help but guess.

"Haven't you been outside for the past few days? Could it be that young lady is tired?" Lotus seed guessed.

"That's impossible, right? We're all cultivators, how can we get tired so easily!" Grape refuted. The young miss had saved their lives, so they had long treated Leng ruoxue as their master. Now that they saw Leng ruoxue's listless appearance, they were naturally very worried.

"You stay here with the young miss. I'll go outside and see if there's any good way to make the young miss happy." Grape said to Lianzi after some thought.

"Yes." Lotus seed nodded and watched as grape left Mingxi garden. She then returned to Leng ruoxue's side.

For the next few days, Leng ruoxue had yet to see the grapes. She couldn't help but feel curious, "Where did the grapes go? What are you busy with?"

"This ... I'm not too sure." Lotus seed told the truth. He did not tell her what grape was doing. Therefore, she was very curious about grape's mystery. Moreover, grape was not willing to tell her, which was really strange.

“You don’t know?” Leng ruoxue said with a slight frown. She had been thinking of an excuse to leave the yin clan for the past few days, so she had not paid much attention to grape’s behavior. However, it was a little abnormal that even lotus seed did not know what the grapes were doing.

As the two of them were talking, grape sneakily walked in from outside the courtyard. When he saw Leng ruoxue, he ran to her with a face full of joy and presented her with a treasure, “Miss! Look what I’ve brought you!”

“What?” Leng ruoxue lifted her beautiful eyes and saw that grape’s chest was bulging. There was even a hint of white, like the fur of some kind of beast.

“Miss, is this your Beastie?” Grape took out little Beastie, which she had hidden in her arms, and whispered.

“Little guy!” Leng ruoxue looked at the aggrieved and teary-eyed Xiao Budian and suppressed the anger in her heart.

“As expected, miss recognizes it.” When grape saw Leng ruoxue call out the little beast’s name, he said happily. It seemed like her efforts these few days had not been in vain! Look at how happy miss is now.

“Yes, I recognize it! It was all thanks to it that I was able to be brought to the divine realm! Where did you find it?” Leng ruoxue gritted her teeth.

“Uh!” Looking at Leng ruoxue’s clenched teeth, grape wiped the cold sweat off his forehead and thought to himself, ‘could she have misunderstood?’ Why was it that when the young miss saw this little thing, it was as if she had seen her enemy?

“I found it by a well in the main house. At that time, it was being bullied by the children of my clan. It was very scared when it saw me, thinking that I would also want to bully it like those children. I saw that it looked a little like the Beastie that miss had mentioned, so I spent a few days trying to please it. Finally, it was willing to come back with me.” Grape explained.

Actually, she had gone out of her way to look for this little beast because she had heard Leng ruoxue mention this little beast before. She had taken the initiative to think that this little beast was very important to Leng ruoxue. Unfortunately, this little beast had always been staying in the master’s main courtyard, which was not a place she could enter often. Therefore, she had been wandering around outside the main courtyard for the past few days, wanting to see if she was lucky enough to meet this little beast. The young miss would definitely be very happy.

However, after walking around the main courtyard for a few days, no beasts came out. She had planned to return in disappointment but accidentally found this injured little beast by a well. She saw that the little beast looked like a fox and wanted to bring it back. Who knew that although the little beast was not big, it was very fierce. As long as she wanted to get close to it, the little beast would show its sharp teeth to scare her. Afraid of being bitten, she had to spend a few days coaxing the little beast. Thus, it was only today that she was able to bring this Cub back to Bright Stream garden. Moreover, seeing that the young miss truly knew this Beastie, she felt that everything she had done these past few days had been worth it.

“Grape, you’re so considerate.” Leng ruoxue said.

“Miss, this is what your subordinate should do.” As soon as grape finished speaking, she wanted to hand the little Beastie over to Leng ruoxue. However, when the little Beastie saw Leng ruoxue, it was extremely resistant and kept retreating into grape’s hand.

Seeing that Xiao Budian was still so afraid of her, Leng ruoxue immediately took Xiao Budian from grape’s arms and pulled him into her embrace. Seeing the way Xiao Budian was looking at her pitifully, she could not help but chuckle, “Don’t be afraid! I won’t hit you, even though you betrayed me.”

“Really?” The little guy timidly asked. Ever since he sneaked out from that old man’s side to play, there wasn’t a single person that didn’t bully him. The only kind-hearted big sister even handed him over to this demon! Sob ... As the last Fox of the Fox clan, why was his life so bitter! It couldn’t help but wail in its heart.

“Mm! As long as you listen to me obediently, you will do whatever I tell you to do! Otherwise, I’ll make you go and accompany your ancestor.” Leng ruoxue smiled and threatened.

This little thing was really too disobedient. If he didn’t discipline her while she was still young, wouldn’t she rebel against the heavens in the future? Besides, she couldn’t let this little guy continue to think of her as a bad person! If it were to double-cross her a few more times, she would lose her little life in its hands sooner or later. Thus, she decided to adopt the strategy of seeking Xiao Budian’s safety. From now on, she would let Xiao Budian stay by her side obediently and not go anywhere, in case he caused any more trouble.

“You’re threatening me! You’re a bad person.” When the little guy heard that this terrifying demon actually wanted him to accompany his ancestors, his little heart trembled non-stop. His leopard cat clan only had one leopard cat left, and if he went to accompany his ancestors, wouldn’t the leopard cat clan disappear from this world? No! This was absolutely not allowed! Although the old ancestor’s last words had instructed him to follow this destined master well, this master was really too bad! Can it change owners?

When grape and lotus seed heard Leng ruoxue’s words and saw the little guy’s appearance, they were a little puzzled. Wasn’t it better to accompany the old Grand Madame? Why did that little beast look as if it had suffered a great grievance? one had to know that in their Yin clan, there were countless people who wanted to be by the old ancestor’s side, but unfortunately, they didn’t have the chance. This little beast actually didn’t know how blessed it was, and the two of them couldn’t help but curse in their hearts.

“As long as you’re obedient, I’ll naturally dote on you.” Leng ruoxue coaxed.

“Really?” The little guy’s face was filled with doubt.

“Yes, you have to believe in my words. I’ve never lied to Beastie, but you’re not allowed to betray me!” Leng ruoxue warned.

“I didn’t betray you.” The little guy said in a small voice.

“Then why did I come to the divine realm?” Leng ruoxue questioned. This little thing actually dared to deny it. She really couldn’t be taught!

“It was that old man who brought you here.” The little guy lowered his little head and said.

“If you didn’t bring him out of the ‘nightmare forest’, how would I have been brought to the divine realm by him?” Leng ruoxue said in an unpleasant tone.

“I thought he was playing with me! That’s how we’ve always been playing.” The little guy explained with some grievance. Although he was young, he was not stupid. After seeing that the old man brought this female demon to the divine world, he knew that he had become an accomplice. Furthermore, he was also afraid that this demon would not let him off, so he had always stayed in that old man’s residence. After all, compared to this demon, that old man was still quite good to him. However, after staying for a long time, he became a little bored, so he sneaked out. Who knew that the outside world would be so terrifying? Even such a cute Beastie was being bullied, Wu.....Compared to those hateful children, the female demoness was still considered kind.

At the thought of this, it snuggled in Leng ruoxue’s arms and found a comfortable position to lie down. It even closed its eyes.

Seeing Xiao Budian in this state, Leng ruoxue sighed helplessly and carried him back to the room.

After the little guy stayed in Mingxi garden for a few days, he began to like the life here. Hehe! Not only were there people who served him well every day, but after spending time with the female demon for a few days, he was surprised to find that the female demon didn’t seem to be as scary as before. Sometimes, she would even play with him. This also slowly improved his impression of Leng ruoxue.

In the garden, the little guy excitedly scuttled around in the flower bushes. In a moment’s time, the originally beautiful flowers in the garden had become wilted.

Seeing this, Leng ruoxue had no intention of stopping it. After all, the flowers and plants here did not belong to her, so even if they were destroyed, she would not feel any heartache. Furthermore, this was a good time for her and the little guy to get closer to each other, so she could not miss it. After all, she was still counting on the little guy to use his talent to bring her out of this place! She really had enough of being a Canary. She didn’t know what the old man’s motive was for bringing her back. He actually didn’t show his face all this time. However, it seemed that the old man didn’t hide what happened in the yin family. But, what was the meaning of him hiding and not showing his face? She couldn’t figure out what the old man was thinking.

“Sister! Come and play with me!” The excited Xiao Budian looked at Leng ruoxue who was not too far away and shouted. Over the past few days, his title of Leng ruoxue had changed from “demon” to “big sister.” It could be seen that the relationship between the man and the Beast had grown much closer.

“I’m not in the mood to play, you can play by yourself!” Leng ruoxue said with a face full of hidden bitterness. She became listless again. Seeing this, grape and lotus seed, who were by her side, did not change their expressions. They seemed to have gotten used to it.

“Sister, you’re in a bad mood? What’s wrong?” Xiao Budian ran to Leng ruoxue’s side from the flowers and asked with concern.

“I’ve been here for almost a month. If I stay any longer, I’ll become stupid. I really don’t know how long that old man wants to keep me locked up!” Leng ruoxue said in an exaggerated manner.

“That old man is even more cunning than a Fox. However, if elder sister wishes to leave, I can help you.” The little guy spoke with a sense of loyalty. From this, it could be seen how successful Leng ruoxue’s abduction was.

Chapter 1443: Meeting the ning family (1)

“You’re really willing to help me?” Leng ruoxue confirmed, but she couldn’t help but chuckle in her heart. What an easily deceived little fellow! It was no wonder that she was deceived by the old man. Moreover, after spending these few days together, she also discovered that this little thing was actually a child who really needed someone to coax and accompany him. Even just giving him a little benefit could make him so happy that he couldn’t find his North. So, her attitude towards the little guy had improved a lot these days.

“Yes, yes. I don’t want to stay here anymore. There are so many bad people here who like to bully me.” The little guy said with the same feeling.

“Then take me out of here!” Leng ruoxue deliberately thought for a while before she replied.

“Alright,” he said. The man and the Beast quickly reached a consensus. However, their conversation made grape and Lotus, who were not far away, feel puzzled. They had no idea what they were talking about.

In their eyes, how could this little beast possibly have the ability to bring Leng ruoxue away from this place! Not to mention that the yin residence had always been heavily guarded, and one had to go through layers of checks if they wanted to leave. Young miss could not leave the main residence without the consent of the master. Therefore, they did not really believe what they had not pointed out. However, looking at young miss’s serious expression, the two of them were a little confused.

“Miss! You can’t leave the main residence without the permission of the master.” Grape kindly reminded.

“Who said that I can go anywhere I want with the little one, right? Little guy!” Leng ruoxue carried Xiao Budian into her arms with a hint of pride.

“Yes, that’s right! With me, big sister can go anywhere she wants.” The little guy excitedly nodded his little head.

“Grape, lotus seed, you’ve served me for so long, so I won’t make things difficult for you. Before I leave, I’ll knock you out so that you won’t be implicated. However, don’t try to stop me from leaving, I don’t want to stay here any longer.” Leng ruoxue looked at the two maidservants and deliberately made her words very clear.

“Miss! We know that we can’t stop you. However, the divine realm is very dangerous. It’s not suitable for you to walk in the divine realm with your current strength.” Lotus seed said in a very reserved manner. In fact, she was very reluctant to let Leng ruoxue leave. However, she knew very well that Leng ruoxue had made up her mind to tell them this. Furthermore, the young miss had thought about it very thoroughly. However, she still felt very uncomfortable in her heart.

“Miss! You want to abandon us?” Grape was an impetuous person, and he was more direct than lotus seed.

Ugh! Grape’s words made Leng ruoxue’s forehead fill with black lines. What did she mean by wanting to abandon them? they were not her maidservants to begin with, alright? How did leaving them in the yin family become abandoning them!

“I never thought of abandoning you.” Leng ruoxue said helplessly as she looked at grape, who had a serious and resentful expression on her face.

“Miss wants to leave this place, but she wants us to stay. If she isn’t abandoning us, what is she?” Grape complained.

“You’re from the yin clan, I can’t possibly kidnap you all! Of course, you have to stay. ” Leng ruoxue wiped away the cold sweat on her forehead as she reminded him.

“Why can’t you take us away together, miss! I’m going to leave with you. You’re not familiar with the divine realm, so I can protect you if we meet any bad guys. After all, I’m a deity. ” Grape said very seriously.

“Uh! Alright! You’re stronger than me now! However, if I really encounter a bad person, I’m afraid you won’t be able to protect me!” Leng ruoxue could not help but remind him.

“There’s strength in numbers! Moreover, I don’t dare to say that I’m very familiar with the divine world, but I can still be a guide for young lady. There are many dangerous places in the divine world that you can’t go to, at least with young lady’s current strength. ” Grape said very responsibly.

“Miss! I also want to leave with you. From now on, we’re your people. ” Upon hearing grape’s words, lotus seed hurriedly added as if she was afraid that Leng ruoxue would abandon her. Previously, she did not dare to make such a request because she was afraid that Leng ruoxue would reject her. Now that grape had already brought it up, she naturally did not want to be left behind.

In reality, ever since Leng ruoxue had saved them the last time, they had already given up on her. However, due to their status, they did not dare to say these words out loud. However, now that the young miss had decided to leave, if they did not say these words now, they might not have the chance anymore.

“Miss! Lotus seed and I are willing to be loyal to you forever and serve you for the rest of our lives. ” Grape and lotus seed looked at each other. Then, the two of them knelt down in tacit understanding and issued a loyalty contract. With this, Leng ruoxue could not refuse even if she wanted to.

Leng ruoxue looked at the two of them and sighed softly before saying, “Since you’re willing to follow me, then the yin family will have nothing to do with you in the future.”

“Don’t worry, miss! Lotus seed and I are both orphans. Our parents have passed away a long time ago, and we don’t have any relatives in the yin family. We will never betray young lady. ” Grape understood Leng ruoxue’s words and quickly promised.

“You’ve already issued the loyalty contract, so I naturally believe you. In the future, don’t just kneel down in front of me. I don’t like this subordinate. ” Leng ruoxue chuckled. She didn’t expect that before

leaving the yin family, she would be able to abduct two maidservants from the yin family. This would be the interest that the old man gave her! As for the emotional damage, he would settle it with the old man in the future.

“Yes.” Upon hearing Leng ruoxue’s words, grape and lotus seed quickly stood up.

“The two of you, go and pack your things. We’ll leave immediately.” Leng ruoxue continued.

“Miss! We don’t have much to pack.” The two of them quickly said.

“Then let’s go now! Little guy, I’m counting on you! Take us to a good place!” Leng ruoxue instructed. She was extremely excited. She was finally leaving this place and no longer had to be a Canary.

“Yes, yes.” Xiao Budian nodded his little head vigorously. Following that, he used a white light to envelop Leng ruoxue and the other two within it. The eye-piercing white light caused the three of them to close their eyes involuntarily. When they opened their eyes again, the three of them and the Beast had already left the yin clan.

Grape and lotus seed looked at the scene in front of them in disbelief. They never thought that in the blink of an eye, they would leave the yin family’s main residence. This was truly too inconceivable. They never thought that the little guy would actually have such abilities. No wonder the young miss wanted to find him. Now, they finally understood why the young miss had asked for the little guy’s whereabouts the moment she opened her eyes when she first arrived at the yin family.

Chapter 1444: Meeting the ning family (2)

“Miss! Have we really left the yin family?” Lotus seed felt as if everything was a dream. It was so unreal. Before this, she was still thinking about how to bring Leng ruoxue through the yin family’s many obstacles! I didn’t expect him to leave so easily, uh! This made her a little uncomfortable. But where was this?

Grape, who felt that she had some understanding of the divine world, also had the same doubts. Looking around, the three humans and one beast were in the middle of a tall mountain. Moreover, this mountain was a barren mountain. Although the trees on the mountain were tall and straight, many of them had already withered. Not far away, the grass that was half the height of a person made people have no desire to go in and explore. This place ... Was really too desolate.

“Where is this place?” Leng ruoxue looked at the overgrown grass in front of her, and her expression turned uglier. She clearly wanted Xiao Budian to find a good place, but where did Xiao Budian take them? A barren mountain or a barren forest? Other than the three of them and the Beast, there probably wasn’t even a single insect to be found! She couldn’t help but complain.

“Miss! I don’t know this place either.” Grape said, a little embarrassed.

“It doesn’t matter! We should be out of the yin residence by now, but we have to find a way out of here.” Leng ruoxue consoled.

At this moment, Xiao Budian, who knew that he was brought to the wrong place, buried his head into Leng ruoxue’s arms without saying a word and did not dare to make a sound.

Leng ruoxue's beautiful eyes scanned the surrounding environment, trying to find a way out. However, all she could see was grass that was half the height of a human. The only way they could leave was to create a path for themselves.

"Miss! Let the little guy take us out of here! Doesn't it know how to teleport?" Grape suggested.

"I, I can't take you guys out of here anymore. I'm still young, and I've traveled a long distance this time, so I don't have any strength left." When the little guy heard grape's words, he raised his little head and explained. Wu ... He was so tired right now! This time's transmigration had consumed all of its physical strength. It was a pity for its small body, it was really exhausted.

"Why were you so energetic when you were on the godly mainland?" Leng ruoxue couldn't help but ask. Back then, Xiao Budian would always appear and disappear like a ghost. He would appear wherever he wanted to go, and they couldn't guard against him.

"That's different! As long as it's not a long distance travel, it won't consume much of my energy. However, this is probably the longest distance I've traveled since I was born. I'm really exhausted." The little guy pitifully said.

"How long will it take for you to recover?" Leng ruoxue asked again.

"At least half a month!" The little guy thought for a bit and said.

"It seems like we'll have to stay here for half a month." Leng ruoxue said helplessly. Without Xiao Budian's help, it wouldn't be easy for them to leave this place. In addition, most of her spiritual beasts were in closed-door cultivation. Therefore, even if she wanted to use her flying beasts to fly away from this place, there was no way. However, since she was already here, she should just take things as they were. This godforsaken place could just be considered a part of her life in the God World!

"Miss! Then let's set up the tent first!" Upon hearing Leng ruoxue's words, grape also became more at ease.

"Yes." Leng ruoxue nodded and watched as grape and lotus seed set up their tents. She found a place to start a fire. Their current location should be at the highest point of a mountain or forest. In addition to the fact that the sky was getting dark, it had become unusually cold.

"Miss! We'll do the hard work. The tent has been set up, so you can go and rest." After grape and lotus seed had finished setting up their tents, they saw Leng ruoxue preparing food and quickly said.

"I'm not as delicate as you think. Besides, it's not hard work. Cooking is a rare pleasure." Leng ruoxue chuckled.

"But with us here, how can we let young miss do this! Could it be that young miss dislikes the food we make?" Grape pursed her lips on purpose and said in a slightly dissatisfied tone.

"I'm scared of you. You guys do it, okay?" Leng ruoxue said helplessly. During this period of time, these two maidservants' cooking skills had gotten better and better under her training. Therefore, they always wanted to rush to cook. After they were done, they would look at her with eager eyes and wait for her praise. She really didn't know whether to laugh or cry at their childish behavior.

“This is our job to begin with. Miss, you can’t snatch it from us.” The grape still acted like a good girl after getting a bargain, and her beautiful face even revealed a Fox-like smile.

“Alright! Then I’ll just be a hands-off shopkeeper!” Leng ruoxue sighed softly. Having two hardworking maidservants was both a good and bad thing! The good thing was that these two maidservants would take the initiative to do what they saw without her instructions. However, this way, she had nothing to do.

“Yes.” Grape and lotus seed nodded happily.

After the three of them had dinner, they returned to their tents to rest.

In the next few days, Leng ruoxue and the other two wandered around the area where the tent was set up. They gradually found out where they were.

The place they were standing on was indeed a very magnificent mountain, but this mountain had been abandoned for a long time. Looking at the dense weeds, it was clear that no one had come here for a long time. After clearing the weeds behind them, they looked down and saw a vast blue sea. They were at the top of the mountain, and if they accidentally fell, they would be buried in the stomachs of the fish.

The three of them spent a few days investigating the terrain. They then obediently stayed in the campsite and waited for Xiao Budian to recover his strength. At this moment, Xiao Budian had already been sent into the bracelet by Leng ruoxue and was absorbing the spiritual energy within the bracelet to his heart’s content.

“Miss! The little guy has been resting for ten days, right?” Grape said as he sat in front of the tent and counted the days.

“Yes, why? are you anxious?” Leng ruoxue asked in amusement.

“Yup! I don’t even see an insect here, I don’t know what I’m doing every day. ” Grape sighed.

As soon as she finished speaking, there was a sudden commotion in the grass. The three of them immediately turned their attention to it and became alert.

Grape and lotus seed subconsciously shielded Leng ruoxue behind them and watched every movement in the underbrush without taking their eyes off it.

Chapter 1445: Meeting the ning family (3)

After a while, a group walked out from the grass. The leader was a man with a full beard. His age could not be seen, and he was tall. There were more than ten people following behind him. There were both men and women, and their bodies were covered in a travel-worn aura. It was obvious that this was a group on an expedition. When those people saw Leng ruoxue’s group of three, they were rather surprised. They did not expect to see anyone else in this barren mountain, and they were three beautiful women. For a moment, both sides were stunned.

“Who are you people?” Grape asked loudly, her beautiful face still full of vigilance.

“We should be the ones asking that! Who are you? Where did he come from?” At this time, a woman in the other party’s team also asked in a very dissatisfied tone.

“We were the ones who came here first, okay?” Grape rolled his eyes and could not help but remind him. This woman was really too annoying. She was comparable to some of the annoying direct relatives in the big families. He just did not know which family this person was from and whether she had such a big background.

“So what? We’ve been here for almost a month and we haven’t seen a single person. There must be something wrong with you guys suddenly appearing here!” The woman said disapprovingly.

“Miss, we were doing well here. It’s you who suddenly appeared, okay?” Grape was so speechless that he wanted to laugh at this woman’s unreasonable behavior. This should be what the young miss always said about how big the world was and how there were all kinds of strange things!

“Grape! Don’t quarrel with her!”

“Philip! You shut up!”

Leng ruoxue and the man with the full beard spoke at the same time.

After he finished speaking, the man even took a special look at Leng ruoxue. After taking a look, he was rather surprised. This woman was beautiful, but her cultivation was so low! She’s only a mid level deity and she actually dares to walk around in the divine world, could it be that she’s not afraid of being robbed by some lecherous person? Based on her cultivation level and the fact that she lived in the God World, the man concluded that Leng ruoxue must have come from a powerful family. Otherwise, it would be difficult for deities below the deity realm to survive in the God World.

However, strength spoke for itself in the divinity. This woman was so beautiful and her strength was so low. He wouldn’t be surprised if she was robbed. Furthermore, there were many powerful clans in the divinity. Even if this woman’s clan was extremely powerful, if she was really robbed, it would be a long story. Besides, he was more curious about why Leng ruoxue and the other two would appear here.

It was obvious that the three of them had a master-servant relationship. Hence, the man bowed slightly to Leng ruoxue and said, “I’m Ning Hai. Please forgive me for being so presumptuous.” The ‘presumptuous’ he was referring to was his sudden appearance here with his team, which had given the three of them a shock. In his eyes, they were all women, so it was normal for them to be afraid.

“It’s alright, I’m Leng ruoxue. I wonder if big brother ning has any relationship with the ning family of the eight great divine regions?” Leng ruoxue didn’t expect this bearded man to have the surname ning, so she couldn’t help but ask curiously.

“Our Captain is naturally from the ning family!” The woman named Fei Li said proudly. However, her eyes were filled with disdain for Leng ruoxue. Brother ning? Hmph! He clearly knew the captain’s identity and wanted to get close to him! With her around, this woman could forget about getting her way.

“Hehe! Although I’m a member of the ning family, I’m not a direct descendant of the ning family, and I don’t have much status in the ning family, so don’t keep any distance from me.” Ning Hai said with a little embarrassment. He was very clear about the status of the ning family in the divine world, and the

friends he knew, after knowing that he was a member of the ning family, there would only be two kinds of reactions. One was to try their best to curry favor with him, and the other was to distance themselves from him unconsciously. This made him quite conflicted in his heart.

“I won ‘t!” She had a good impression of this tall man. Furthermore, he was a member of the ning family. She felt a sense of familiarity to be able to meet Godfather’s junior in the wilderness. Furthermore, this man was already a divine Lord, yet he kept saying that he had no status in the family. It seemed like Godfather’s junior was full of talents! No wonder he could become the leader of the eight great divine regions.

“Little sister ruoxue, why are the three of you here?” Ning Hai was also very curious, but he wouldn’t question her as aggressively as Philip. Besides, since the woman in front of him had called him brother ning, there was nothing wrong with him calling her sister ruoxue!

“Our flying beast was injured, so after dropping us here, it went into the beast space to heal. To be honest, we don’t know where this is, but without the flying beast, we can’t leave, so we can only stay here temporarily.” Leng ruoxue furrowed her brows and pretended to be conflicted.

When grape and lotus seed heard Leng ruoxue’s words, they could not help but snicker in their hearts. Miss really didn’t even need to draft a draft when she told lies! Moreover, the depressed expression on miss’s face made it hard for people not to believe it!

“So that’s how it is! Little sister ruoxue, actually, we don’t know where we are either. We also came here by accident. Since your flying beast is injured, then come with us! Moreover, with your current strength, you’re really not suited to walk in the divine realm. If you encounter a lecherous person, he’ll definitely snatch you back. At that time, even if someone wants to save you, it’ll be too late.” Ning Hai said worriedly.

“Thank you, brother ning. Actually, you’re right. I was indeed robbed, and it took me a lot of trouble to escape.” Leng ruoxue said with a face of hidden bitterness.

“It’s a good thing you escaped. Otherwise, your innocence would have been ruined.” Ning Hai said with fear.

Listening to their conversation, grape and Lianzi’s foreheads were filled with black lines, and they couldn’t help but feel disgusted in their hearts! The person that young miss said snatched her away, could it be the old ancestor of the yin family! Poor old ancestor! This time, your reputation is at stake.

The time they had spent with Leng ruoxue could not be considered short. The two of them were already very clear about the reason why Leng ruoxue had come to the God World. However, they did not think that the old ancestor had brought the young miss to the God World because he was lecherous. They believed that the old ancestor had other plans. However, as members of the yin clan and Leng ruoxue’s subordinates, they would not speak of such things without any evidence.

“Yes, big brother ning, I’ll have to trouble you for the time being.” After Leng ruoxue found out that he was from the ning family, she decided to go with them. Who asked her to be in Godfather’s territory? If he didn’t look for his Godfather, who else could he look for? To put it bluntly, she couldn’t find anyone else, and there happened to be a ning family member in front of her. In addition, she had a good impression of this ning family member, so she wanted to hitch a ride from him to the ning family.

"It's no trouble at all. We're planning to leave this place tomorrow, so we'll bring you along." Ning Hai looked at Leng ruoxue's fragile appearance and couldn't help but feel tender love in his heart.

"Captain! How could he bring them along! They'll only drag us down." When Philip heard that Ning Hai was really going to bring Leng ruoxue and the other two along, he was filled with jealousy and immediately objected.

"You don't need to care about them, I'll take care of them, okay?" Ning Hai said helplessly. He thought that Philip was not willing to take care of Leng ruoxue and the other two, so he directly took on this task. Little did he know that his words had made Philip even angrier!

"We will take care of our young miss. We won't trouble you." Grape saw Philip's hateful look and quickly said.

"You said it yourself. You should know that we are a team of adventurers. It's common for us to encounter danger. Don't drag us down when the time comes, and don't expect us to have the chance to save you." Philip warned. She knew very well that once the captain had decided on something, he would not change his mind easily. Therefore, no matter how dissatisfied she was, she had no way of convincing the captain not to bring them along. However, as long as they did not have the captain's protection, it was impossible for the three of them to travel with them unscathed with their strength. She could not help but think to herself smugly.

"Philip, what are you saying? since I've agreed to bring them along, they will be a part of our team in the future. If they really encounter any danger, how can we just stand by and watch? However, it's up to you whether you want to help or not. I can't force you, but I definitely won't just stand by and watch them encounter danger." Ning Hai frowned, obviously not agreeing with Philip's words.

"Captain! I didn't mean it that way! I just hope that they can understand the dangers of traveling with us. We can't just be her bodyguards forever! Most of the time, they still have to rely on themselves." Seeing that Ning Hai was angry, Philip quickly explained.

"But we can't just leave him to die!" Ning Hai was a little annoyed.

"Big brother ning! You don't have to feel embarrassed, and you can also rest assured about this miss Philip. Although we will be traveling together, if we really encounter danger, I don't need any of your help. We can handle it." She was very touched by Ning Hai's protection, but she didn't want to cause an internal conflict in the team because of her and the others. She could see that Ning Hai cared a lot about the unity of the team, and she was just a passerby.

"Little sister ruoxue, since you call me big brother, you are my biological little sister. As your big brother, how can I watch you all be in danger and not help? Then am I still a human?" When Ning Hai heard Leng ruoxue's words, he was both pleased and angry.

"Big brother ning! I have the ability to protect myself, and I'm not as weak as you think. You should believe me." Leng ruoxue said with a smile.

"Little sister ruoxue, I don't care if you have the ability to protect yourself. Since I'm bringing you along, I must ensure your safety. So, there's no need to say anything else. Just listen to me when the time comes." Ning Hai said with a domineering face.

After hearing Ning Hai's words, Leng ruoxue only smiled and didn't say anything. Philip saw that Ning Hai was really angry, so he naturally shut his mouth.

After a peaceful night, Leng ruoxue and the rest had their breakfast the next morning. They packed their things and prepared to leave.

Ning Hai's flying beast was an extremely huge Grey Eagle. That Eagle had the strength of a sixth level sacred beast. It had an arrogant expression on its face. Other than Ning Hai, who was its master, it did not care about anyone else. However, when it saw Leng ruoxue, it showed an extremely solicitous expression ...

Chapter 1446: The missing Philip (1)

When Leng ruoxue was about to sit on the Grey Eagle's back, it obediently half-squatted down so that Leng ruoxue could sit on its back. However, when others wanted to sit on it as well, they were not given the same treatment. Seeing this, Philip was furious!

"Damned perverted bird! You're really looking for death!" Philip mumbled softly and even took the opportunity to kick the Grey Eagle. However, the Grey Eagle did not seem to care and continued to look forward.

"It's not bird color! It's just that your character isn't good, and even a bird isn't willing to give you a ride." Grape, who was the closest to Philip, said. Although Philip's voice was very soft, she still heard every single word.

"What does it have to do with you? Your master must have seduced this perverted Eagle!" Philip shouted in a rather unreasonable manner. Her words caused her companions to secretly shake their heads and reveal disapproving expressions. One had to know that this Eagle belonged to their team leader, and now Philip actually wanted to vent her anger on the team leader's beloved pet. It was only because the team leader had a good temper that he could tolerate her. If it were anyone else, they would have kicked her out of the team.

"People who can't recognize reality are really sad. My family's young miss has a good character, and even Beastie is very friendly to her, unlike you! You can't even handle a bird." Grape's face was full of contempt.

"What did you just say?" Philip was infuriated as he loudly questioned.

"Stop arguing! Philip! Do you still want to leave?" Ning Hai was a little speechless. This Philip was getting more and more out of hand. He didn't even let them stop before they set off.

"Of course!" Seeing Ning Hai's face turn ugly, Philip quickly acted like a little wife and said.

"Then hurry up and come up!" Ning Hai said coldly.

"Oh!" Feeling depressed, Philip quickly jumped onto the back of the giant Grey Eagle.

"Let's go!" Ning Hai patted the Grey eagle's head and said.

“Yes! Master!” The Grey Eagle nodded, then flapped its wings and flew into the sky ...

Leng ruoxue and the rest flew in the sky for two days and nothing happened. However, on the third day, they were caught in the turbulence in the sky. Philip was unable to control his balance and fell from the sky. When they finally stabilized themselves and landed on the ground to look for Philip, he had long disappeared.

“Captain! I didn’t find Philip.” The teams that Ning Hai had sent out to search for Fei Li had returned one by one. However, they could not find Fei Li’s whereabouts. When the giant Grey Eagle that was lying beside them heard the news, it actually revealed a half-smile, which was caught by Leng ruoxue.

Leng ruoxue walked to the Grey Eagle’s side and stroked its soft feathers. She said softly, “It couldn’t have been your doing, right?” When the turbulence occurred in the air, the Eagle’s body began to shake violently. However, the others did not fall from its back, but Philip did. Philip had offended this Eagle before, hehe! It seemed that this Eagle was also a vengeful guy! She laughed in her heart.

“I’m not.” The Grey Eagle whispered. Its big, black eyes were wet as it peeked at Leng ruoxue shyly. Its face was full of grievance.

“It doesn’t matter if it’s you, you did well.” Leng ruoxue praised. She liked Beastie who would take revenge for its enemies.

“If master knew about this, he would scold me.” The grey giant Eagle rubbed its furry head against Leng ruoxue as it spoke in a coquettish manner.

“I have a way to make him not blame you, but instead stand on your side. However, you have to tell me where that Philip is first.” Leng ruoxue chuckled. The Eagle clan’s vision was one of the best among the beasts. When the turbulence struck earlier, they might not have been able to see the exact location where Philip had fallen. However, they could not hide it from this Eagle. Although they could not be sure if it really knew, the location that it knew was definitely more accurate than theirs.

“She should be hanging on a tree a kilometer away! I was going to let her hang for two more days.” The grey giant Eagle leaned its head into Leng ruoxue’s embrace and spoke in a voice that only they could hear. When that hateful woman fell down, it had already locked onto her position. However, it did not reveal its evil intentions.

“Then let her hang there for two more days, as long as her life is not in danger.” Leng ruoxue said with a smile.

“Mm! She won’t die, she’ll just be hungry for a few days.” The Grey Eagle said with regret.

“Hehe! You’re pretty cute.” When Leng ruoxue heard Gray Eagle’s words, she could not help but chuckle.

“Ruoxue! What are you guys talking about?” Seeing Leng ruoxue and his Beastie chatting happily, Ning Hai couldn’t help but walk over and ask. When did his Beastie’s relationship with Leng ruoxue become so good? it was simply too unbelievable. One must know that his Beastie would only show him some respect. He had always been disdainful towards others. However, he was different towards Leng ruoxue. How could he not be surprised?

"It's nothing! Big brother ning! Your Beastie is quite cute. " Leng ruoxue laughed.

"Hehe! Only you would say it's cute! However, it really treats you differently from other people. " Ning Hai said with deep feelings.

"I have affinity with beasts, but I don't have affinity with women! Most of the women see me as if I'm their enemy. Big brother ning! You still haven't found Philip?" Leng ruoxue asked despite knowing the answer.

"No, I didn't! He did not know how Philip was now, whether he was Dead or Alive! AI!" Ning Hai couldn't help but sigh.

"Don't worry! Big brother ning! We'll find it. Why don't we stay here for a few more days and look for it?" Leng ruoxue said as she looked at the surrounding terrain. The place that Gray Eagle had chosen was quite suitable to be used as a campsite. It was big and spacious enough, and there were not many pedestrians on the nearby roads.

"Mm! That's the only way. " Ning Hai said helplessly.

After searching for almost a day, everyone felt a little tired. After dinner, they went to bed early.

In the tent.

Grape looked at Leng ruoxue with a face full of curiosity. He wanted to say something but stopped himself.

"Grape! What do you want to say?" Leng ruoxue looked at grape's expression and asked in amusement.

"Miss! What did you talk about with the Grey Eagle this afternoon?" Grape was very curious. However, at that time, she and lotus seed were quite far away, and miss and the Eagle had deliberately lowered their voices, so they did not know what the man and the Eagle were talking about. The only thing they saw was that the Eagle was taking advantage of her miss.

Chapter 1447: The missing Philip (2)

"Hahaha! I'm trying to get some information from that Eagle. " Leng ruoxue said with a smile.

"Does it know where Philip is?" Grape's eyes were wide open as he said in disbelief. What a petty Eagle! Just because Philip had scolded it earlier, it knew Philip's whereabouts but refused to tell him, hehe! This Eagle is really cute! She liked it!

"Mm! Philip should be hanging on a tree right now!" Leng ruoxue laughed evilly.

"Miss! You're not allowed to be kind enough to reveal Philip's whereabouts! Without that woman, we can still rest for a while. " Grape reminded him with a serious face.

"Grape! You really don't understand me. Do you think I'm that kind of person?" Leng ruoxue pretended to be unhappy.

“Hehe! Miss! I’m just reminding you! After all, we’re with Ning Hai now. I’m afraid you’ll tell him about Philip’s whereabouts for his sake.” Grape told the truth, and secretly decided to add more food for the Grey Eagle tomorrow!

“I’m not that kind. Not to mention that big brother ning and Philip don’t have any relationship, even if they do, I won’t easily tell him Philip’s whereabouts.” Leng ruoxue said indifferently.

“Miss, you mean you’ll tell Ning Hai about this?” Grape asked in a low voice.

“I’ll definitely tell him, but I’ll have to be careful with the method.” Leng ruoxue laughed evilly.

“Hehe! Miss! Don’t tell Ning Hai too early!” Grape suggested.

“Mm! Don’t worry! I’ll have Philip and that tree get closer.” After Leng ruoxue promised.

After receiving her assurance, grape and lotus seed had a good night’s sleep, their faces filled with excitement.

The next morning, the three of them walked out of the tent feeling refreshed. However, they felt an unfriendly gaze on them.

“Ruoxue! Come and have breakfast!” When Ning Hai saw Leng ruoxue and the other two, he quickly greeted them.

“Thank you, big brother ning!” Leng ruoxue did not stand on ceremony at all. She brought the grapes and lotus seeds and found a place to sit down.

“I didn’t bring you breakfast! If you want to eat it, go get it yourself.” At this moment, a woman who looked similar to Philip said angrily.

The woman who spoke was Philip’s younger sister, Faye. Although they did not have a good relationship, after Philip’s disappearance, all the people in their team had gone out to look for him. They were exhausted every day, while the three women stayed in the camp comfortably. This made her very unhappy. They were all women, so why did they enjoy such treatment while she had to go out and work hard to find him? this made her extremely unbalanced. Not only that, she had to get up early every day to prepare food with her companions, but the three women in front of her were like young ladies from rich families, only waiting to eat. How could there be such a good thing in the world!

The accumulated resentment finally exploded when everyone was about to eat breakfast.

“FEYE, what are you talking about?” Hearing Fei Ye’s words, Ning Hai was furious! Fei Ye was usually an obedient girl. Why did she become like Philip after he went missing? was her gentleness and obedience all an act? Ning Hai couldn’t help but wonder.

“Captain! I’m telling the truth. Why do we have to work so hard to find them while these three women can stay in the camp comfortably? we’re already very tired and have to prepare three meals, but they don’t have to do anything but wait for food. Is this fair to us?” Fei Ye shouted angrily.

“What’s wrong? You’re not even willing to look for your own sister? Big brother ning didn’t arrange for us to look for them because we’re too weak. If we run into danger while we’re looking for them, can you save us?” Leng ruoxue asked with a cold smile.

"I, why wouldn't I be willing to go out and look for my sister? I just saw that you guys were too free, so I couldn't help but say it! Besides, even if you're weak and can't go out to find people, you can at least cook for us!" FEYE argued. In fact, she really did not want to go out and look for someone so hard. Since she was born, she had been living in her sister's shadow. Philip was better than her in every aspect, and the reason why the captain was willing to let her join the team was also because of Philip. Therefore, although she appeared to respect her sister very much on the surface, she was very disdainful of this sister who was only a superficial person.

"You want my young miss to cook for you? are you worthy? Let me tell you! Not only will we not help you find that sister of yours, Philip, but we will also not cook for you! As for the food that you have prepared, if you don't want us to eat it, then we won't eat it! It's no big deal." Grape roared angrily. Although the young miss was not a true member of the yin family, she was still the third elder acknowledged by the family head! She wouldn't be happy if a noble lady were to cook for them every day. Besides, there were quite a number of these people who looked down on them. There was no way they would cook for someone who hated them!

"Miss! Please wait a moment, I'll go make breakfast!" Grape turned to Leng ruoxue and said gently,"

"Yes." Leng ruoxue nodded.

"Ruoxue! Don't let the grapes do it, I'll bring your share!" Hearing grape's words, Ning Hai quickly stopped her, his face still full of an apologetic expression.

"It's okay, brother ning! I'm already very grateful that you're willing to take us with you. How can I let you worry about our three meals? Also, don't cause disharmony in your team because of the three of us, or I'll be a sinner." Leng ruoxue reminded him nonchalantly. To be honest, although she couldn't say that every meal with them was dry, it was almost enough. Although she didn't really want to eat it when Ning Hai gave it to her, she was too embarrassed to reject Ning Hai's enthusiasm, so she could only force herself to eat it. If she could use this opportunity to separate her food from theirs, it might not be a bad thing.

"Ruoxue!" Hearing Leng ruoxue's understanding words, Ning Hai didn't know what to say. He felt guilty. He wanted to take good care of this delicate little sister, but unfortunately, some people in the team ...

"Big brother ning! It's okay!" Leng ruoxue said with a smile, but in her heart, she apologized to Ning Hai.

Chapter 1448: The missing Philip (3)

"Big brother ning! Hurry up and eat your breakfast! Don't we still have to go find Philip after dinner?" Leng ruoxue saw that the atmosphere was a little heavy, and no one dared to move their chopsticks, so she smiled and urged them on.

"Al! Everyone, let's have breakfast!" Ning Hai sighed and said helplessly.

While they were eating, Leng ruoxue went to the side of the Grey Eagle that was lying under the tree and sat down.

Seeing the Grey Eagle gnawing on the dried food, Leng ruoxue took out a piece of dried meat from her bracelet and placed it in front of the Grey Eagle's mouth. The Grey Eagle sniffed and gobbled up the dried meat. After it finished eating, it looked at Leng ruoxue expectantly. Its pitiful look made her laugh.

Following that, Leng ruoxue took out another piece of dried meat and sent it to the Gray Eagle's mouth. The Gray Eagle opened its mouth and swallowed it immediately. After it finished eating, it even rubbed against Leng ruoxue's arm enthusiastically. At this moment, grape walked over and said, "Miss! Breakfast is ready."

"I've also prepared your share!" Grape touched the Gray eagle's head and said.

After the Gray Eagle heard grape's words, he looked at grape with a glimmer of anticipation in his eyes.

However, when grape and Lotus placed the breakfast that they had prepared in front of her, Leng ruoxue was a little speechless. These two petty girls were clearly doing it on purpose! Seeing that others had made some porridge, they also made porridge, and they made more than one kind. On top of that, they also made a variety of side dishes. This breakfast was so rich that she had nothing to say.

With a smug look on his face, he filled a bowl of grapes for Leng ruoxue and Hui Ying, then specially sent some to Ning Hai. After that, he sat down with lotus seed and started eating breakfast.

After breakfast, Leng ruoxue and the others, as well as Hui Ying, watched as Ning Hai and the others went out to look for Fei Li. At first, Fei Ye wanted Hui Ying to go out and help them find Fei Li, but Ning Hai was afraid that Leng ruoxue and the other two would meet with bad people, so he stubbornly asked Hui Ying to stay. His actions made Fei Ye hate Leng ruoxue and the others even more!

"Little grey! Don't worry, as long as we're here, we'll take care of your three meals. We won't let you eat dry food." After seeing Ning Hai and the others leave, grape patted the Gray eagle's head and promised.

"My name is Hui ao, don't call me Xiao Hui, it's too lacking in aura." The Grey Eagle complained.

"Hehe! Little grey is our pet name for you!" Grape said with a smile.

"Ai! Alright then!" Hui ao accepted his fate. Who asked them to be his livelihood for the next few days! The food they made was really delicious. For the sake of the food, he would allow them to call him that!

"Hehe! That's a good girl! That's right! Can you see how that Philip is doing? Are you still alive?" Grape's face was full of curiosity.

"Yes, he's still alive. He's just a little Haggard." Hui ao nodded and said. That distance may be difficult for humans, but it was not difficult for it!

"He's still alive! It's such a pity." Grape's face was full of disappointment.

"Silly girl, that woman can't die. Otherwise, brother ning will definitely feel guilty." Leng ruoxue smiled as she reminded him.

"It's none of his business, so why should he feel guilty?" Grape did not understand.

"My master is a very responsible man. He values everyone in the team, even though he knows that some people are just using him!" Hui ao lowered his head and said gloomily.

“Don’t worry! Good people will be rewarded. Although some people are ungrateful, brother ning will definitely be rewarded.” Leng ruoxue smiled as she consoled him.

“I hope so!” Hui ao was a little dejected.

After searching for a few days, Ning Hai and the others went out early and returned late every day, but they still couldn’t find Philip. However, he still felt warm in his heart when he came back every day to eat the hot food prepared by Leng ruoxue and the others. However, Leng ruoxue and the other two only prepared food for those who were close to them, which made him quite helpless. However, he had no reason to ask them to prepare food for all of them, so he could only apologize to some people.

Seeing Ning Hai and the others gobbling down the food, Leng ruoxue’s forehead unconsciously dripped with cold sweat. How long had it been since they last ate? You can’t be this hungry, right?

“Big brother ning! You guys eat slowly, there’s still a lot more!” Leng ruoxue was afraid that they would choke, so she quickly reminded them.

“I know! Ruoxue! The cooking skills of your two maidservants are really good. It’s really worth it to be able to eat such a meal while traveling outside.” Ning Hai sighed.

“Uh! Big brother ning! Do you have to make it sound so pitiful!” Leng ruoxue asked, feeling a little speechless.

“Ruoxue! I can tell that this is your first time leaving home! It’s not easy for adults like us who have gone out to gain experience to eat a hot meal, let alone so many delicious dishes.” Ning Hai said pitifully.

“Yup! “Most of the time, we can only eat dry food. Sometimes, we can have meat to eat,” a man who was eating happily said with tears in his eyes.

“Uh!” Hearing how pitiful they sounded, Leng ruoxue was too embarrassed to provoke them and could only change the topic.

“Big brother ning! Don’t you have any leads on Philip? Where are you?” Leng ruoxue asked calmly.

“Al! Don’t even mention it, we’ve searched the entire hundred li radius, but we can’t find a trace of Philip.” Ning Hai said gloomily.

“Could it have been eaten by some Beastie?” Grape interrupted with a smirk.

“Uh! It can’t be!” Ning Hai listened to grape’s words and started to think very seriously.

“Big brother ning, don’t worry! No Beastie will eat her.” Leng ruoxue said with a smile.

“I thought so too.” Ning Hai said seriously.

However, as soon as he said this, everyone couldn’t help but laugh. Ning Hai scratched his head in embarrassment. He knew why everyone was laughing. Thinking of the meaning of his words, even he couldn’t help laughing.

“Big brother ning! Have you searched all the places?” Leng ruoxue asked again when she saw that her question had been diverted.

“We’ve searched all the places we can.” Ning Hai frowned.

“Are there any mountains or forests nearby? If she fell there, it would not be easy to find her.” Leng ruoxue reminded.

“There are no mountains or forests here, but there are quite a few trees.” Ning Hai thought for a while and said.

“You didn’t look up the tree?” Leng ruoxue’s face was filled with question marks.

“On the tree? You’re saying that she might have fallen into a tree, and that’s why we didn’t notice?” Ning Hai said with a look of realization.

“I’m not saying that she might have fallen into a tree. I just feel that a living person can’t just disappear for no reason, right? Even though we don’t know if she’s Dead or Alive.” Leng ruoxue chuckled.

“Ruoxue’s words make sense. Now that I think about it, those trees are quite tall. If there’s really someone hiding up there, it won’t be easy for them to discover.” Ning Hai said after thinking for a while.

“Captain, since we only haven’t searched the trees, let’s look up the trees tomorrow! If he still doesn’t have it, then there’s nothing we can do. After all, we’ve tried our best after searching for so many days.” A young man said after some thought.

“Hmm, then let’s search for another day tomorrow! If we still can’t find it, let’s leave!” Ning Hai said unhappily. Although Philip was not very popular in the team, he was still one of them. Unless he was forced to, he was not willing to give up.

“En!” The few of them nodded. After dinner, they immediately returned to their tents to rest.

The next day, Ning Hai left the camp early with his men. However, before noon, everyone came back together. Naturally, Philip, who had been missing for many days, followed them.

She saw that Philip was in a sorry state. The clothes on his body had become wrinkled and he looked extremely Haggard. If it wasn’t for the fire in his eyes that proved that he was in a good state, Leng ruoxue would have thought that this woman had learned her lesson! Now, it seemed that Philip was not going to stop.

Sure enough, just as Leng ruoxue’s thoughts formed in her heart, Philip rushed to Hui ao with a face full of anger. He waved his fist, wanting to hit Hui ao, but Ning Hai grabbed her hand.

“What are you doing?” Ning Hai said unhappily. If it wasn’t for the fact that Fei Li had suffered a lot these days, he wouldn’t have let her off just because she wanted to beat up Hui ao! It should be known that Hui ao was his most important companion and relative. Hui ao’s position in his heart was even more important than his teammates. Therefore, he would rather Philip vent his dissatisfaction on him than let her touch a single feather on Hui ao.

“Captain! It’s all this stinky bird’s fault that I fell down, don’t stop me! I’m going to get my revenge today!” Philip roared in anger.

“Master! Let her hit me! Although I didn’t want to encounter turbulence, it was indeed my fault that I didn’t let her sit properly.” Hui ao raised his head, tears rolling down his bright black eyes. The expression on his face was pitiful, and everyone could not bear to see it.

“No! Philip! If you want to vent your anger, you can hit me. I won’t allow you to touch Hui ao!” After hearing Hui ao’s words, Ning Hai was also furious! F * ck! This clearly had nothing to do with Hui ao, so why should Hui ao be the one being wronged! Since the other party had blamed his own Beastie for his fall, then as the master, he should suffer for Hui ao.

“Big brother ning! The turbulence was an accident. It could not be blamed on Hui ao at all. Moreover, Hui ao was also trying hard to control his balance at that time. You see, we were all fine! Why is she the only one who fell?” Leng ruoxue smiled as she voiced her doubts.

“It is! It was obvious that she did not hold on firmly and fell down, yet you still blame it on Hui ao. I’m telling you! Don’t think that you can bully Hui ao just because he’s a Beastie! I’m here! Don’t even think about hitting it!” After hearing Leng ruoxue’s words, grape immediately stood in front of Hui ao like an old hen protecting its chicks and roared.

“You ... Are you all still being reasonable? I’m the victim here. It was this thing that caused me to fall down.” Philip roared in anger.

“What a joke. At that time, we were all on Hui ao’s back. Why didn’t we fall down? you, who was sitting in the middle of the crowd, fell down. You fell because you didn’t hold on tight enough.” Grape roared back, unwilling to be outdone. He was even more upset in his heart. Hmph! Is it a competition of volume? Today, they wanted to make Philip suffer in silence. Of course! It would be even better if she could be angered to death.

Chapter 1449: beating them at their own game (1)

“It’s not that I didn’t grab it properly, it’s clearly this damn bird doing it on purpose.” Philip said angrily. Damn it! Why didn’t anyone believe her? Moreover, seeing that big brother ning seemed to be very angry, she really didn’t know what she had done wrong.

“Alright! Don’t quarrel! Fei Li, this was a complete accident. Although you did not suffer any serious injuries, you were still shocked. I apologize to you on behalf of Hui ao. I hope you will not pursue this matter anymore. I can only say sorry.” Ning Hai said with a headache. Although he had already expected this to happen when he brought Philip back, the current situation was obviously beyond his expectations, and he had had enough of Philip’s ruckus. Therefore, the implication of his words was very obvious. If Philip kept harping on this matter, he would have to ask the sisters to leave the team.

“Captain! I’m sorry, I was too excited. I won’t pursue this matter.” Fei Li was a woman who knew how to judge the situation, and she understood what Ning Hai said. However, she would not leave the team easily, and she would not give anyone an excuse to drive her away. Ning Hai was the rich man she had set her eyes on. How could she give him up to another woman?

“I know you’re frightened. I won’t blame you. I hope you’re on your own.” Ning Hai said in a light tone. After that, he comforted the pitiful Hui ao and turned to leave.

After Ning Hai left, Philip glared at Leng ruoxue and the other two for a long time before he asked, "Why didn't you guys go out to look for me?"

When Leng ruoxue and the other two heard this, they could not help but laugh.

"Miss Phili, if you haven't woken up from your dream, go and sleep for a while!" Leng ruoxue said with a faint smile. This Fei Li could also be considered a top-grade person. Not to mention that they didn't have any friendship, even if they did, it would have to be based on their own abilities! Asking her to look for someone was no different from putting herself in danger. Although she had a lot of cards up her sleeve, they were not easy to show, otherwise, she would definitely cause trouble.

"You, what do you mean by this?" Philip roared in anger.

"I mean, we don't have any friendship." Leng ruoxue said coldly. She wasn't a good person, and she wouldn't risk her life for a woman who didn't like her and was hostile to her. So, not to mention that big brother ning didn't ask her to go out and look for Philip, even if he did, she wouldn't go.

"It is! My family's young miss "strength is too low. If she were to encounter danger while searching for you, would you be able to take responsibility? How can your life be worth as much as my family's young miss?" Grape said arrogantly on purpose, raising her proud head high.

"You guys ..." Philip was so angry that he couldn't speak. He could only glare at Leng ruoxue and the other two with a red face.

"Sister! Don't bother talking to them, they don't know what team spirit is." Fei Ye had once again placed a high hat on Leng ruoxue and the other two. She couldn't help but reveal a look of disdain.

"Miss Phillie, if I remember correctly, you said that when we are in danger, don't count on you to save us. I'll return those words to you now. When you are in danger, we will also not help you." Leng ruoxue chuckled.

However, her words sounded like a joke to the sisters.

"If there's really danger, it'll be good enough if you can protect yourself. Who can count on you to save us? This is really too laughable! Why don't you take a look at your own strength! With your strength, I'm afraid you can't even protect yourself on the godly mainland!" Philip said with a look of disdain.

"Miss Phillie is right. We're indeed weak, but we'll protect ourselves. Miss Phillie doesn't need to worry about our safety." After Leng ruoxue finished speaking calmly, she brought grape and lotus seed back to the tent. Hui ao lowered his head, hiding the flash of disdain in his eyes.

Seeing that Hui ao was not going to pay attention to her at all, the anger in Philip's heart had no way to vent. After giving Hui ao a hard kick when no one was looking, she turned around and left angrily.

Hui ao looked at the bright footprints on his body, and a smug smile appeared on his face.

During dinner, grape was preparing to deliver food to Hui ao as usual. However, when she walked to Hui ao's side, she found that there was already a lot of food beside him.

"Little grayley, where did you get these things?" Grape asked curiously.

"It's from that woman," Hui ao gently lifted his eyelids and said indifferently.

"She's that kind?" Grape's face was full of doubt.

"Definitely not. There's something inside." Hui ao said with a sneer. When the woman brought the food over, he had already discovered that there was another smell in it. That was why he was hesitating whether to eat it or not. In fact, the Eagle Clan not only had good eyesight, but their sense of smell was also top-notch. However, many people were not aware of it.

"Then don't eat it. That woman is so evil. She actually used such a dirty trick." Grape growled angrily.

"What do you mean you don't want to eat?" At this moment, Leng ruoxue happened to walk over and asked.

"Miss! Philip sent food to little grayley but he drugged it." Grape immediately complained.

"Oh! Little grey, hurry up and eat this food!" Leng ruoxue laughed evilly. This was a good opportunity! It must be known that Philip's previous argument was not enough for brother ning to drive her out of the team, but the crime of drugging his beloved pet, brother ning absolutely could not tolerate it.

"Alright," he said. After hearing Leng ruoxue's words, Hui ao nodded unwillingly. Then, he lowered his head and gobbled up the food that Philip had brought. It was not that the food Philip brought was delicious, but the food was simply too unpalatable. He had no choice but to swallow it in big mouthfuls without even chewing.

After finishing the food that Philip brought, Hui ao's big, wet eyes were still staring at the food in grape's hand. His meaning was self-evident.

Looking at its pitiful appearance, grape was about to give the food in his hand to Hui ao but was stopped by Leng ruoxue.

"Little grey! You can only eat the food from Philip today! If they eat us, then all our efforts will be in vain." Leng ruoxue reminded him with a smile. If Hui ao ate the food they prepared at the same time, Philip would definitely argue that there was no problem with his food. Naturally, she would not give Philip that chance.

Chapter 1450: beating them at their own game (2)

"Yes." Hui ao nodded his head resentfully. He understood Leng ruoxue's meaning. However, it did not feel good to only be able to look but not eat.

"Grape! Leave the food here and let's go back to the tent!" Leng ruoxue looked at Hui ao's expression and laughed.

"Miss! Didn't you forbid little grayley from eating our food? Why are you still here?" Grape asked, puzzled.

“During this period of time, we have been sending food to little grey every day. If we don’t send it today, it will make people suspicious. But if we leave the food here and something happens to Hui ao before he can eat it, even if Philip wants to deny it, he can’t.” Leng ruoxue chuckled as she explained.

“Miss! You’re so cunning!” Grape’s face was full of admiration as he stared at Leng ruoxue with bright eyes.

Hearing grape’s words, Leng ruoxue’s forehead was filled with black lines. She thought to herself, ‘is grape complimenting me?’

“Grape! Let’s go back!” Leng ruoxue said as she wiped the cold sweat off her forehead.

“Yes, little grey! You’re not allowed to eat it! Otherwise, all our efforts will be in vain.” After placing the food next to Hui ao, grape worriedly reminded him again.

“I know.” Hui ao was very depressed! Extremely depressed! However, thinking of the pain it was about to suffer, it endured it.

Not long after Leng ruoxue brought the grapes back to the tent, she saw Ning Hai running over with sweat all over his head. He asked while panting, “Ruoxue! Something happened to Hui ao! What did you feed it?”

“Big brother ning! So what if it was Hui ao? We’re giving it the same food as usual!” Leng ruoxue played dumb.

“Hui ao seems to have been poisoned and is rolling on the ground in pain! Ai! What do we do now?” Ning Haichou’s brows were knitted together. Of course, he did not believe that Leng ruoxue and the others would harm Hui ao. After all, Hui ao got along well with them. However, this place was far from the city. Even if he wanted to find an Alchemist to treat Hui ao, he would not have the chance. This was because the other people’s flying beasts were not fast enough. By the time they found The Alchemist, Hui ao would be in so much pain that he would die!

“How did you get poisoned?” Leng ruoxue asked with a puzzled look.

“Someone said that after you delivered the food to it, Hui ao was poisoned.” Ning Hai found it difficult to say. Then, he was afraid that Leng ruoxue would misunderstand him, so he quickly added, “No matter what other people say, big brother ning absolutely believes that this matter has nothing to do with you.”

“Big brother ning! As long as you believe us, we don’t care about what others say. Besides, if I’m not wrong, the person who said that should be miss Philip!” Leng ruoxue asked with a cold smile.

“Yes.” Ning Hai nodded, his face full of helplessness.

“Big brother ning! Since some people suspect that Hui ao’s poisoning is related to us, then we should go and clarify it. Moreover, I know a little about alchemy, let me take a look for Hui ao!” Leng ruoxue said indifferently.

“Ruoxue! You know alchemy?” Hearing that Leng ruoxue knew how to refine pills, Ning Hai was overjoyed and quickly asked.

“Yes, I know a little. However, I have to see Hui ao’s condition first before I can decide if there is a way to save him.” Leng ruoxue said with a faint smile. In fact, the reason why she let Hui ao eat the food that Philip served was because she was confident that she could save Hui ao. However, in front of Ning Hai, she would not be too confident.

“Ruoxue, regardless of whether you can save Hui ao or not, I’ll thank you first.” After hearing what Leng ruoxue had to say, Ning Hai quickly said.

“Big brother ning, don’t worry. I’ll do my best.” Leng ruoxue promised.

Then, Leng ruoxue and the other two followed Ning Hai out of the tent to check on Hui ao.

Just as he walked to Hui ao’s side, Philip shouted at the top of his voice, “They’re the ones who harmed the captain’s Beastie. They’re such ungrateful guys. The captain was so good to them, and Hui ao often drove them, but they actually dared to do it! This is really too despicable, Captain! Don’t let them off! If they can harm Hui ao today, they might be able to harm us tomorrow! We can’t have such a dangerous person in our team, don’t you think?”

Philip tried to stir up the crowd’s emotions, but she realized that the crowd was rather cold to her words, which made her a little puzzled.

What was going on with these people? How could he be so indifferent to this matter? Were they not afraid? What if they were the ones who were poisoned next time?

“Philip! Shut your mouth! Don’t talk nonsense before the matter is cleared up.” Ning Hai heard Philip’s words and warned him unhappily. He was getting more and more dissatisfied with Philip.

“Captain! The one who was poisoned was your Beastie! How can you be so cold?” Philip’s face was filled with disbelief.

“Do you want everyone to accuse others without any evidence or truth, just like you? What I want is evidence. If you can produce evidence to prove that Hui ao was poisoned after eating the food brought by ruoxue and the others, I will believe your words.” Ning Hai said coldly. His words were not only for Philip, but also for everyone present.

“Captain! I believe that miss Leng and the others would not poison Hui ao. They don’t have any conflicts with Hui ao. Moreover, we often eat the food they prepare. How come nothing happened to us?” A young man who had a good relationship with Leng ruoxue and the rest spoke.

“Captain! I also believe in miss Leng and the others. They have no reason to harm Hui ao. If we have to talk about the person who has a grudge with Hui ao, it’s actually Philip.” Someone echoed.

“Yuexi! What do you mean by that?” Hearing this, Philip immediately exploded.

“I’m telling the truth! We all know that among all the people here, only you have a grudge against Hui ao. The first thing you wanted to do when you came back was to beat it up!” The man called Yue Xi said with a faint smile.

“Yuexi! Don’t spout nonsense! Why would I do that? Hmph! It’s obvious that you’ve taken a fancy to this Vixen and wanted to please her, so you’re deliberately framing me!” Philip’s face turned red as he roared.

“Philip, do you think that everyone is as ignorant as you?” Yue Xi laughed sarcastically. He did not deny that he had a good impression of Leng ruoxue, but that was only limited to his appreciation of beautiful things. He knew very well that a woman like Leng ruoxue was not someone an ordinary man like him could have. So, naturally, he would not have any improper thoughts about Leng ruoxue.
