

Crazy Wife 1501

Chapter 1501: The back mountain (1)

"I'm here to find someone." Leng ruoxue said with a faint smile. She didn't seem to have mentioned this to these two girls yet!

"Miss, do you know anyone in the ning family's divine realm?" Grape said with a face full of surprise. Wu ... Young miss really has a lot of secrets!

"Mm! My Godfather lives in the ning family's divine realm." Leng ruoxue laughed evilly and did not reveal the identity of her Godfather.

"Oh!" Grape nodded. So miss was here to find her family.

"Miss! When can we find your Godfather?" Grape could not help but ask.

"We should be able to find him once we reach the ning family's main city." Leng ruoxue said calmly.

"Miss! I don't know if I should say this." Grape hesitated, her beautiful face blushed even more.

"If you have something to say, just say it." Leng ruoxue rolled her eyes at him.

"Miss! It's not easy to enter the ning family's main city. It's the most important Center of the ning family. If we want to get in, I'm afraid it won't be easy." Grape sighed and told the truth.

"Don't worry! We will definitely be able to get in, big brother ning will lead us!" Leng ruoxue gave grape a consoling look.

"Yes." Although grape nodded, she was not as optimistic as Leng ruoxue. They were both from the eight great divine regions, but the ning family's main city was obviously much harder to enter than the yin family's main city.

"Grape! We've already arrived at the ning family's divine realm, and I won't leave easily until I find my Godfather. So, don't be so pessimistic anymore. Since you're here, you should take it as it is." Leng ruoxue consoled grape with a smile when she saw how uneasy he was.

"Miss! I just wanted you to be mentally prepared." Grape said, a little embarrassed.

"MMH! I'm prepared." Leng ruoxue said helplessly as she looked at the little housekeeper who loved to worry.

After staying the night at the inn, Leng ruoxue and the rest continued on their journey the next morning ...

Five days later.

They had finally arrived at the ning family's main city.

Ning Hai, Leng ruoxue, and the others showed their identity tokens and were about to enter the city. However, they were stopped by the city guards.

“Wait!” The guard shouted.

“What’s wrong?” Ning Hai looked at the guard who stopped them with a face full of question marks.

“You can go in, but they can ‘t!” The guard said.

“Why? They are my brothers. ” Ning Hai asked in confusion.

“It’ll be the acting family head’s birthday in a few days, so the checks on those who enter the city are much stricter. Apart from the ning family and those sent by other families to congratulate him, other people who don’t like him are not allowed to enter the city.” The guard said in a serious manner.

“The birthday of the acting patriarch?” Ning Hai understood, but the substitute master’s birthday hadn’t been so strict before.

“Mm! Don’t make things difficult for me. ” The guard looked at Ning Hai and said. The ning family’s tokens were also divided into three levels. The ordinary clansmen’s tokens were divided into three levels, namely primary, intermediate, and advanced. The token in Ning Hai’s hand was an intermediate level token, which also meant that Ning Hai still had a certain status in the ning family. Therefore, the Guard’s attitude towards him was quite good.

“Big brother guard! Can you make an exception? I can guarantee that they’re not bad people and won’t cause trouble at the substitute family head’s birthday. ” Ning Hai pleaded. At the same time, he secretly stuffed a piece of high-grade crystal into the Guard’s hand.

Seeing this, the Guard’s face revealed a trace of a smile, and said with some difficulty, “Although this is somewhat against the rules, since they are the people you brought here, you have to look after them well. Otherwise, I will not be able to explain it to you!”

“Don’t worry, big brother. I’ll keep a close eye on them. ” Ning Hai quickly promised.

“Since that’s the case, you can bring them into the city!” The guard let them through.

Ning Hai gave Leng ruoxue and the others a look, indicating that they should quickly follow him into the city, in case a long night would bring trouble.

After entering the city, before Leng ruoxue and the rest had the chance to take a good look at the city’s scenery, they were brought to a private residence by Ning Hai.

From the outside, the house didn’t look very big, and the appearance was quite simple. Through the door, one could see that the courtyard was very clean, and there were all kinds of flowers planted in the small courtyard, which looked very warm.

“Father, mother, little brother, I’m back.” After pushing open the door and entering, Ning Hai shouted at the top of his lungs. At the same time, a 16 or 17-year-old boy ran out of the courtyard and also shouted and threw himself into Ning Hai’s arms.

“Big brother! You’re finally willing to come back. ” The young man grumbled with a bitter expression.

“Hehe! Shan ‘er! I haven’t seen you for a few years and you’ve grown up. ” Ning Hai looked at his precious little brother and said happily.

“Big brother! Who are they?” After being intimate with Ning Hai for a while, Ning Shan realized that there were a lot of people behind Ning Hai, and he was suddenly embarrassed.

“They are my Good Brothers.” Ning Hai said proudly. Then, he turned to Leng ruoxue and said, “Ruohan! This kid is my younger brother, Ning Shan.”

“Hello, Shan ‘er!” Leng ruoxue said with a smile. However, she could not help but think to herself, ‘are big brother ning and Ning Shan really brothers?’ The two brothers didn’t look alike at all. Furthermore, the older brother was so tall and strong, while the younger brother still looked like a young man.

“Hello!” Ning Shan took a look at Leng ruoxue’s alluring beauty and lowered his head in embarrassment. He thought to himself, ‘this brother is too beautiful, even more beautiful than any woman I’ve ever seen.’

“Shan ‘er! Arrange a place for them to stay. I still have something to do, so I’ll be back later.” Ning Hai ordered, then turned to Chi Fei, “Young master Chi, shall I bring you to the main residence?”

“No need. I know the way. Young master ning has just returned home. It’s better to catch up with your family!” Chi Fei quickly said. In fact, the reason why he followed Ning Hai here was mainly to take his cousin away. He just didn’t know if the dark Tiger King would be willing to let her go.

However, as soon as his eyes landed on Meiling, he received a sharp glare from the Tiger King. He was so scared that he didn’t even dare to ask.

After calming down a little, Chi Fei gathered his courage and said, “Tiger King, can you return my cousin to me?”

When the dark Tiger King heard Chi Fei’s words, it only blinked and didn’t respond.

When Leng ruoxue saw this, she smiled and pleaded, “Tiger King! You’ve tortured miss Meiling a lot along the way. Why don’t you return her to your cousin?”

“If I return it just because you say so, how embarrassing would that be for me?” The dark Tiger King raised his eyelids and said in a slightly displeased tone.

“Then what do you want?” Leng ruoxue asked.

“She has harmed my wife and children to this extent. Although I promised not to kill her, if I let her go just like this, how can I answer to my wife and children?” The dark Tiger King asked with a frown. Then, its tone changed as it continued, “It’s not impossible for me to let her go, but you have to compensate for my wife and children’s mental damage and medical expenses. Their injuries can’t be in vain.”

Chapter 1502: The back mountain (2)

After hearing the dark Tiger King’s words, Leng ruoxue was already laughing in her heart! This Tiger King was quite similar to her. It actually knew to charge for mental damage and medical expenses, but how much was it going to charge?

As she thought of this, she looked at Chi Fei, then looked at the dark Tiger King, and said, "Young master Chi, what do you think?"

"This ..." Chi Fei was speechless. Along the way, the Tiger King had beaten and scolded his cousin. He had tortured his cousin to the point that she didn't even look like a human anymore. Now, he even wanted to ask for a ransom from him. What the hell was this? However, could he not care about his cousin's life? The answer was no.

"I wonder how much Tiger King wants?" Chi Fei had no choice but to ask carefully.

"My wife and children are priceless. Give them to me as you see fit!" The dark Tiger King said as if it did not care.

Give it as you see fit? Why did he give it to her as he saw fit? He told him to give it to him as he saw fit, and he even said that his wife and children were priceless? Wasn't this clearly planning to demand an exorbitant price?! Wu ... How did Beastie learn to be so cunning now? Chi Fei couldn't help but curse in his heart.

"Tiger King! I don't have much money on me." Chi Fei said, a little embarrassed.

"It's okay, you can write me an IOU." The dark Tiger King said calmly.

"Uh!" Chi Fei wiped the cold sweat on his forehead. F * ck! He didn't hear wrong, did he? This Tiger actually wanted him to write an IOU? Even if he wanted to write an IOU, it wasn't his turn to do it, right? It's not like my cousin doesn't have any relatives.

Thinking of this, Chi Fei helplessly opened his mouth again, "Tiger King, can you give me a few more days? I will send a letter to my uncle and ask him to send the ransom to my cousin."

"Yes! I just want to see the money. I don't care who gave it to me." The dark Tiger King said in an understanding manner.

"Then I'll take my leave first. Young master ning, we'll talk again when we have the chance." After Chi Fei finished speaking, he left as if he was running for his life. How could he still dare to bring up the matter of leaving with his cousin to the Tiger King! He didn't want to write an IOU for a Tiger. He would be laughed at.

After Chi Fei left, the dark Tiger King found a room for himself and used it as a temporary residence for his family of four. As for his little brothers, they would take care of themselves, so there was no need for him to worry.

Looking at the black Tiger who did not treat him as a guest at all, Ning Shan blinked and asked in a small voice in disbelief, "Brother! Is that Tiger a new Beastie you took in?"

"No! Shan 'er! That Tiger has the strength of a Godking. You must treat it well." Ning Hai warned. Now that Tiger was the master of the ning family, they couldn't mess with it!

"Yes, these two big tigers are really beautiful." Ning Shan's eyes were fixed on the two tigers, one black and one white, and he said very happily.

“They’re also very fierce, don’t anger them. ” Ning Hai couldn’t help but warn the dark Tiger King. His words naturally couldn’t be hidden from the Tiger King’s sensitive ears. However, the Tiger King didn’t care about them. Instead, it directly walked back to its room with elegant steps.

After that, Ning Hai personally arranged rooms for Leng ruoxue and the rest. Then, he returned to his own room to rest.

Leng ruoxue had originally planned to take a nap as well. However, before she could sleep, she was disturbed by a certain beast who had come uninvited.

Looking at the black Tiger lying on the chair in her room, Leng ruoxue said helplessly, “Tiger King, you’re not tired? Aren’t you going to rest?”

“I’m not tired! I want to ask you, why did you plead for that woman? I thought you were like me, wishing she was dead!” The dark Tiger King asked curiously.

“How can that be? Although she’s very annoying, she hasn’t provoked me yet. However, I know that you’ve always wanted to kill her, so I’m pleading for her. ” Leng ruoxue explained indifferently.

“You did it for me?” The dark Tiger King’s eyes widened in disbelief.

“It can be considered so! Actually, I think you’ve tortured her enough, so you can let her go. Besides, with her personality, even if you let her go, she won’t be grateful. Instead, she’ll deliberately try to take revenge on you. Then, you can kill her with a legitimate reason, right?” Leng ruoxue smiled as she reminded.

“Mm! You’re right. ” The shadow Tiger King nodded its large head. Even though it had tormented that woman quite a bit along the way, it still felt a little regretful that it had promised Leng ruoxue not to kill them. Now that Leng ruoxue’s words had reminded it, it seemed like it had made the right decision to give Leng ruoxue face and let them go. When it thought of this, the Tiger King could not help but feel proud of its own wisdom.

“Can you let me rest now?” Leng ruoxue asked.

“Yes! However, you have to do me a favor. ” The dark Tiger King said, a little embarrassed.

“What do you want me to help you with?” Leng ruoxue asked in confusion.

“Help me think about how much I should ask them for.” The dark Tiger King said, a little embarrassed.

“Didn’t you say that your wife and children are priceless? However, the Chi family will definitely not pay for her. ” Leng ruoxue understood. If Chi Fei was willing to interfere in this matter, he would not have fled.

“F * ck! Then wouldn’t I be unable to receive my money? That woman is really useless!” The dark Tiger King’s face was filled with disdain.

“Hahaha! Don’t worry, even if you can’t get the money, she’s still in your hands!” Leng ruoxue chuckled as she reminded him.

“What’s the use of her people? I can’t carry it on my shoulders or lift it with my hands! You’re even wasting food. How about I give her to you?” The dark Tiger King laughed evilly. It could tell that the woman had been coveting this fellow for a long time.

“Don’t give it to me. I also think that she’s wasting food.” When Leng ruoxue heard the dark Tiger King’s words, she was so frightened that she hurriedly replied.

“Hehe! If no one comes to redeem her, I’ll give her to you.” After the dark Tiger King finished speaking, he left behind a black-faced Leng ruoxue and disappeared with a whoosh.

Before she fell asleep, Leng ruoxue couldn’t help but wonder if the Tiger King would really give that woman to her! She didn’t want that!

After staying at big brother ning’s house for a few days, Leng ruoxue and the rest had become very familiar with Ning Hai’s family. At the same time, it was the birthday of the acting Master of the ning family.

In the courtyard.

Leng ruoxue sat on the stone chair and chatted with grape, lotus seed, and the others. These few days, she had not had the chance to leave this place, mainly because the city was more strict now. Who asked the substitute clan head to celebrate his birthday? she did not want to cause trouble for big brother ning, so she could only stay at home obediently. Anyway, she had already arrived at the ning clan’s divine territory, and she would see her Godfather sooner or later.

“Ruoxue! After the substitute master’s birthday is over, I’ll think of a way to bring you into the main residence.” At this time, Ning Hai walked in from outside and said. Now that there were no outsiders in the house, they called her ruoxue again.

Chapter 1503: The back mountain (3)

“Big brother ning! Don’t worry, I’m not in a hurry.” Leng ruoxue laughed.

“Hehe, since you’re here, of course you have to see the person you want to see as soon as possible. Oh right, ruoxue, what’s your Godfather’s name?” Ning Hai asked.

“Name? Big brother ning! I don’t know his name.” Leng ruoxue was taken aback as she replied in embarrassment.

“Uh! It’s not easy to find them without knowing their names!” Ning Hai frowned and said awkwardly. There were many direct descendants of the ning family. If they were to look for them one by one, it would probably take next year. Moreover, some of the direct descendants were not in the main city.

“Big brother ning! You definitely know who my Godfather is.” Leng ruoxue kept him in suspense.

“I definitely know?” Ning Hai was in a dilemma. Ruoxue was so confident that he knew her Godfather. Could it be that her Godfather was an important figure in the ning family? Could it be an elder of the ning family?

“Yes.” Leng ruoxue nodded.

“Ruoxue! Which elder is your Godfather?” Ning Hai asked curiously.

“He’s not an elder of the ning family.” Leng ruoxue hesitated. If she were to reveal her Godfather’s identity, would she scare big brother ning?

“Then who is he? If you don’t know his name, it’s fine to tell me his identity. At least this way, we can narrow down the scope and find him easier.” Ning Hai reminded.

“If I say that my Godfather is your ning family’s old ancestor, would you believe me?” Leng ruoxue laughed evilly. The moment she said this, not only Ning Hai was stunned, but even Lotus grape and lotus seed were stunned.

“Ruoxue! This is not a joke!” Ning Hai looked around cautiously. After making sure that there were no outsiders, he was relieved and said, “what kind of status does the ning family’s ancestor have? how can he just casually associate with her?”

“Big brother ning! I’m not joking, I’m telling the truth.” Leng ruoxue said with a serious expression.

“Ruoxue! You’re not joking, are you?” Ning Hai said with doubt.

“Yes.” Leng ruoxue nodded.

“Ruoxue! You said that you’re the goddaughter of our ancestor, but do you have any proof?” Ning Hai asked again.

“Proof?” Leng ruoxue pondered for a while before saying, “I recognize the guard beside him.”

“Ruoxue! With my status, I won’t be able to see the old ancestor’s guards.” Ning Hai couldn’t help but complain. Woo...Wasn’t ruoxue making things difficult for him? He was just a small shrimp in the ning family, how could he be qualified to see the old ancestor! He also could not see the guards by the old ancestor’s side.

“Big brother ning! Then tell me where the ancestor is and I’ll go find him myself.” Leng ruoxue said after some thought. With Xiao Budian around, even without big brother ning leading the way, she believed that she would still be able to see Godfather.

“Ruoxue, Are you sure?” Ning Hai was helpless. To be honest, he was worried about ruoxue going alone. However, he didn’t have the right to enter the place where the old ancestor lived, so he was afraid that he couldn’t help ruoxue.

“En!” Leng ruoxue smiled and nodded.

“Alright then! “However, don’t let anyone find out about this, or else ...” Before Ning Hai could finish his sentence, he was interrupted by Leng ruoxue.

“Brother ning, don’t worry. Even if I’m discovered, I won’t betray you.” Leng ruoxue promised.

“Ruoxue, that’s not what I meant. I’m just afraid that you’ll be in danger.” Ning Hai said. Actually, he still didn’t quite believe ruoxue’s words. After all, the old ancestor had taken in a mid level deity as his goddaughter. This matter was too mysterious.

“Big brother ning! Trust me, nothing will happen. ” Leng ruoxue promised once again.

After that, Ning Hai prepared a map of the main residence for Leng ruoxue. Actually, he had to take a risk by giving this map to Leng ruoxue. However, out of trust for Leng ruoxue, he still gave her the map. Furthermore, he had to hide this matter from his family, so as not to let them be worried.

After getting the map, Leng ruoxue and Ning Hai confirmed Godfather’s location. They then gave some instructions to grape and lotus seed, and planned to head to the ning family’s main residence.

“Miss! Are you really not going to take us there?” Before they left, grape said reluctantly, “Wu...How could miss leave us?” The young miss was really too evil.

“You two wait for me here. When I find Godfather, I will ask him to send someone to pick you up.” Leng ruoxue consoled. She had originally wanted to bring grape and lotus seed along, but she was afraid that Godfather would not be home. So, she had no choice but to let them wait for her here.

“Miss ...”

Grape and lotus seed’s reluctance to part made Leng ruoxue’s forehead fill with black lines. It wasn’t as if she wasn’t coming back, so why did they have to look like this! She hardened her heart and transmitted her voice to Xiao Budian in her arms, “Little guy, take me to my Godfather! Do you remember the location? Don’t go to the wrong place. ”

“Sister, don’t worry! Leave everything to me. ” With a flash of white light, when Leng ruoxue opened her eyes again, the scenery in front of her had changed.

“This is the back mountain?” Leng ruoxue could not help but ask as she looked at the fog in front of her.

“Yes, sister. This is the right place. You have to believe me.” The little guy promised.

After hearing Xiao Budian’s words, Leng ruoxue opened the map that Ning Hai gave her and pointed at the red dot on the map, “Little guy, I wanted you to bring me here. Where is this place?”

“Sister! I brought you here with this red dot!” The little guy said in an extremely aggrieved manner. Wu...How could big sister not believe him! It wasn’t a directional idiot, so it wouldn’t get lost.

“Are you sure?” Leng ruoxue’s beautiful eyes looked at Xiao Budian in disbelief.

“Yes, this is really the place that big sister wants to go.” The little guy nodded his head vigorously.

“But, why is there so much fog here?” Leng ruoxue didn’t understand. However, before she could figure it out, she and Xiao Budian were surrounded by a group of men in Black ...

“Who is so bold to break into the forbidden area of the back mountain of the ning family?” A tall black-robed man rebuked loudly, his voice carrying a hint of pressure. According to Leng ruoxue’s observation, this black-robed man was at least a divine Emperor. Furthermore, from the silver clan emblem on his clothes, he should be the captain of these guards.

The ning family’s clothes were embroidered with a clan emblem, and the color of the clan emblem was also a sign of their status in the ning family. Except for the family master, the highest level of clan

emblem was gold, followed by silver. The silver clan emblem on the guard captain's body indicated that his status in the ning family was very high.

However, no matter what status he had, Leng ruoxue was not afraid. She hugged Xiao Budian tightly and said with a faint smile, "I want to see your family head."

"You want to see the patriarch? Do you think the patriarch is someone you can meet whenever you want?" The captain of the guards raised his eyebrows and looked at Leng ruoxue arrogantly.

"Your clan head is my Godfather. As long as you help to inform him, he will definitely meet me. Tell him that Leng ruoxue is here!" Leng ruoxue said confidently.

Chapter 1504: Mediation (1)

"I'm sorry, the master is not here right now." The captain of the guards said without even thinking.

"Not here? Where did he go?" Leng ruoxue asked gloomily.

"He went to see an old friend. I don't know when he'll be back." When the captain of the guards heard Leng ruoxue's words, although he was still skeptical, he had heard that the old ancestor had indeed taken in a goddaughter. Moreover, it seemed that the old ancestor doted on that goddaughter very much. Hence, even though he had yet to confirm Leng ruoxue's identity, his attitude was much better.

"Then, is Ning Shan here?" Leng ruoxue asked again.

"You know Ning Shan? He's not here either." The captain of the guards quickly said. Since he knew Ning Shan, then Leng ruoxue's identity should be close to the mark. After all, Ning Shan was one of the old Grand Madame's most trusted people. Even though he was the captain of the guards in the old Grand Madame's forbidden area, he was not as favored as Ning Shan in front of the old Grand Madame.

"Where's Ning Yan?" Leng ruoxue continued to ask.

"Ning Yan's here." The guard Captain said. After hearing the two names, the leader of the Men in Black didn't dare to delay and quickly sent someone to invite Ning Yan.

Ning Yan was also a favorite of the old ancestor. Although his position in the forbidden area was only a housekeeper, his status in the ning clan was almost the same as an elder, and sometimes even more honorable than an elder.

Not long after, Ning Yan arrived in front of Leng ruoxue, surrounded by guards. When he saw Leng ruoxue, he was shocked. "Young miss Leng, you, why have you come to the divine realm?"

"Head butler, is this really the goddaughter that my ancestor acknowledged?" The captain of the guards asked in a low voice, and Ning Yan nodded his head slightly. The master often thought of this young lady! If he knew that she had come to the divine realm, he would definitely be very happy.

"It's been a long time, Ning Yan," When Leng ruoxue saw Ning Yan, she smiled and said, "it's good that I finally met someone I know."

“Why are you still standing there? Hurry up and invite miss Leng in. Oh right, send someone to inform the family head that miss Leng is here.” Ning Yan quickly ordered the captain of the guards.

“Yes! Please come in, miss Leng.” After the captain of the guards confirmed Leng ruoxue’s identity, his attitude immediately took a 180-degree turn as he spoke with a smile.

After Leng ruoxue followed Ning Yan into the forbidden area, she realized that there was a formation hidden under the mist. No wonder she couldn’t see the house before. However, with Ning Yan and the others leading the way, Leng ruoxue entered the forbidden area without any trouble.

The forbidden area in the back mountain where the ning family’s master lived was huge. The spiritual Qi there was much denser than in the main city. There were hundreds of courtyards in the forbidden area. According to Ning Yan, other than the old ancestor’s daily residence, this was also the place where the elite disciples and elders of the family cultivated in seclusion. Therefore, the security was extremely strict. If Leng ruoxue was not the old ancestor’s goddaughter and had not been treated specially by the old ancestor, he would never have dared to bring her here.

However, before they reached the courtyard where the head of the family lived, they met a group of people. When Ning Yan saw them, he sighed in his heart. How did I meet this guy? This guy was an old-fashioned man. Hopefully, he wouldn’t find trouble with miss Leng. After all, miss Leng was not someone to be trifled with.

“Ning Yan! Who is she?” A middle-aged man in the group stopped Ning Yan and asked. Leng ruoxue was not dressed as a woman, so even though he was stunned by her devastatingly beautiful appearance, he still had to treat her with caution.

“Second elder, she is the adopted daughter of the master.” Ning Yan said very respectfully. Although the second elder was a little old-fashioned, his character was not bad. In addition, he was respected by the clan members, so he was also a little arrogant.

“Goddaughter? Even if she’s the master’s biological daughter, the forbidden area isn’t a place she can enter as she wishes. Ning Yan, take her away from here.” The second elder shouted angrily.

“Second elder, she’s here to see the patriarch.” Ning Yan helplessly reminded him. The second elder even dared to chase away the family head’s most valued goddaughter, he really had guts! Furthermore, even though Leng ruoxue was only an adopted daughter, her position in the master’s heart was something that even his own daughter could not compare to! Unfortunately, this old-fashioned man actually turned a blind eye to it.

“The master isn’t here right now, so why did you bring her to the forbidden area? Have you forgotten the rules of the forbidden area? Even the ning family can’t come here casually.” The second elder reproached.

Then according to second elder’s meaning, where should I place young lady Leng?” Ning Yan sighed and asked for the second elder’s opinion.

“Since she’s master’s goddaughter, you can arrange for her to stay in the main house. However, there are too many guests in the main house these two days, so I’m afraid it can’t accommodate so many people. You can arrange for this young lady to stay in a courtyard! It’s very quiet there and won’t disturb

this young lady's rest." The second elder pondered for a moment before deciding on Leng ruoxue's residence, a side courtyard.

The courtyard that second elder mentioned was located on the outskirts of Lord ning's main city. It was indeed very quiet there as second elder had said, because there was almost no one there all year round. To put it bluntly, no one had lived there for a long time.

When Ning Yan heard that the second elder wanted Leng ruoxue to stay in a separate courtyard, he was a little unhappy. However, he did not show it. He only reminded her, "The courtyard is located in the suburbs. Isn't it inappropriate for a girl like miss Leng to live there?" AI! If the family head came back and found out that he let his precious goddaughter stay in a side courtyard, he would swallow him alive! Sob ... Second elder, even if you want to die, don't harm me!

"You can just send a few guards to protect her." The second elder said disapprovingly. In his opinion, the strength of the family head's adopted daughter was too low. He really didn't know how she had managed to hug the family head's thigh.

"This ..." Ning Yan was in a dilemma. The master and the great elder were not here, and the second elder was the most senior in the ning family. Even the acting Master had to listen to his orders. How could he, a mere Butler of the forbidden land, refuse the second elder's suggestion? He hesitated.

Just as he was hesitating, Leng ruoxue smiled and said, "Thank you for your kind offer, second elder. You know that I like peace and quiet. Ning Yan, please take me to the courtyard that the second elder has mentioned!"

"Young miss Leng, no one has stayed in the courtyard for a long time." Ning Yan reminded her in a low voice.

"It's fine." Leng ruoxue said nonchalantly. She really didn't want to get involved in the ning family's matters. Staying in the side courtyard could help her avoid a lot of trouble.

"AI! Alright then!" Ning Yan was helpless. He knew from the master that this young lady was a woman of her word.

After that, Ning Yan led Leng ruoxue to the ning family's courtyard on the outskirts of the city.

Leng ruoxue nodded in satisfaction as she looked at the tall courtyard walls and the Vermillion red Door. From the outside, this place looked pretty good. However, when she entered and saw the fallen leaves and cobwebs all over the courtyard, she could no longer remain calm!

Chapter 1505: Mediation (2)

How long did it take for someone to clean up the place like this? AI! No wonder the ning family didn't care about the environment here. The main residence was big enough, and they didn't need to live here at all.

"Miss Leng, why don't I bring you to a hotel?" Ning Yan suggested, a little embarrassed. If the master knew that his precious goddaughter had been treated like this in the ning family, would he fly into a rage?

“It’s alright, Ning Yan. Please send someone to clean up this place for me! I still have two maidservants living in someone else’s house. I’ll go pick them up.” Leng ruoxue said nonchalantly. After she finished speaking, she turned around and left the ning family courtyard. Ning Yan was worried that Leng ruoxue would go alone, so he immediately sent two guards to follow her.

Leng ruoxue walked all the way back to Ning Hai’s house.

Ning Hai and the others, who were worried about Leng ruoxue’s safety, were relieved to see her return safely.

“Ruoxue! Are you alright?” Ning Hai came forward and asked nervously. It would be fine if they didn’t find out that they were going to the forbidden area, but if they did, and they couldn’t show any evidence of her being the goddaughter of the old ancestor, ruoxue would be in danger.

“I’m fine! Big brother ning, don’t worry! After the second elder of the ning family knew that I was the goddaughter of your family’s ancestor, he arranged for me to live in a side courtyard. I came back to pick up the grapes and lotus seeds.” Leng ruoxue explained with a smile.

“A courtyard? No one has lived there for many years, why would the second elder let you live there?” Ning Hai frowned. It was better to continue living in his house than in that courtyard! Besides, his family also liked ruoxue.

“There are many guests in the main residence, so I was arranged to stay in the side courtyard. It’s not bad there, the environment is quiet and no one will disturb us. I’m very satisfied.” Leng ruoxue explained simply.

“Uh!” After hearing Leng ruoxue’s words, several black lines slid down Ning Hai’s forehead. Quiet environment? In his opinion, that place should have been in disrepair for a long time!

“Grape, lotus seed, let’s go!” After Leng ruoxue bade farewell to Ning Hai’s family, she said to the two maidservants.

“Yes!” Grape and lotus seed quickly responded.

“Little girl, you still have us!” All of a sudden, the dark Tiger King reminded her. It was as if it was afraid that Leng ruoxue would leave its family behind. After all, its wife and child’s illness still had to be treated by this little girl! So, wherever this little girl went, they had to follow!

“Mm! I won’t leave you behind.” Leng ruoxue chuckled. Then, she brought the dark Tiger King’s family of four and their little brother out of Ning Hai’s house under the reluctant gazes of Ning Hai and the rest.

When Ning Yan saw the group of people that Leng ruoxue had brought back, he couldn’t help but smile. Didn’t miss Leng say that there were only two maids? Why did he bring back so many people? That’s right, there were also beasts!

“Miss Leng! Who are they?” Ning Yan’s face was full of curiosity.

“They are my Beastie and my subordinates.” Leng ruoxue laughed. Before they came, they had already discussed that these beasts who had taken on human forms would temporarily act as her subordinates.

“Oh! Miss Leng, the room is almost ready. If there’s anything you’re not satisfied with, I’ll send people to do it. Time is tight, so we can only do this for now.” Ning Yan said guiltily. Master! I’ve let you down! He couldn’t help but wail in his heart for not taking good care of miss Leng.

“I’m very satisfied. Thank you.” Leng ruoxue looked at the refurbished courtyard and room. She was very satisfied with the efficiency of Ning Yan and the others.

“Miss Leng, I’ll take my leave first. I’ll send someone to deliver some daily necessities to you later.” Ning Yan turned around and left the courtyard.

After Ning Yan left, grape and lotus seed circled around the courtyard. After a brief look, grape pouted and said with a little displeasure, “Miss! You’re the goddaughter of the ning family’s old ancestor, and they let you live here. They’ve really gone too far.” She felt indignant for her young miss.

“What’s wrong with this place? People with no business will not come.” Leng ruoxue said in satisfaction. She had never liked crowded places, and this was exactly what she wanted.

“Hehe! That’s true!” Grape nodded with a smile. After following miss for a while, she was familiar with miss’s preferences and naturally knew what she liked.

The dark Tiger King’s family wasn’t picky about their accommodation. They found a room that was pleasing to the eye and settled down.

The two tiger cubs had grown up to about half a fist’s size after a period of meticulous care by the female White Tiger. Furthermore, the two little fellows had both opened their eyes. However, their favorite thing to do was to circle around Leng ruoxue’s feet like two little kittens.

However, because the two little fellows were too young, Leng ruoxue and the other two had to be especially careful when they walked to avoid accidentally stepping on the Tiger cubs. If that happened, the dark Tiger King would definitely fight them to the death. Even so, when the dark Tiger King saw how much his children liked Leng ruoxue, it was extremely jealous!

On the day that Leng ruoxue stayed in the courtyard, Ning Yan sent people to deliver all the daily necessities. The next day, Ning Hai, who was still worried, brought Ning Shan and his subordinates to visit Leng ruoxue and the others.

“Ruoxue, no one has lived here for a long time. Even if it’s cleaned up, it won’t be as comfortable as my house. Why don’t you move back to my house?” Ning Hai looked around and said with dissatisfaction.

“Yup! Big sister ruoxue, you should move back to our house! Father and mother also missed you!” Ning Shan echoed. He really liked this pretty sister. Seeing them live here made his heart ache. Unfortunately, his status in the ning family was not high, so he naturally didn’t have much say.

“Big brother ning, Shan ‘er, this place is not bad. I’m quite satisfied with it. Besides, your house isn’t that big. We can’t always trouble uncle and Auntie!” Leng ruoxue rejected.

“Ruoxue! You’re just like my sister, and my parents also treat you like their daughter. There’s no trouble at all.” Ning Hai’s face became serious, and he said with slight displeasure.

“Hahaha! Big brother ning! Godfather will be back in a few days. We won’t be staying here for long, so it’s better not to move around.” Leng ruoxue couldn’t help but laugh when she saw Ning Hai’s expression.

“Alright then! However, I’ll come and keep you company often.” Ning Hai thought for a while and said. There were very few people here, and he was really afraid that Leng ruoxue and the others would get into trouble. Although Ning Yan had arranged guards for ruoxue, he was still a little worried.

“We welcome you!” Leng ruoxue smiled helplessly.

Over the next few days, Leng ruoxue planned to treat the two little tigers. These days, the two little tigers’ bodies were getting stronger and stronger. Other than the meticulous care of the female White Tiger, Yan’er, Leng ruoxue’s timely special treatment for the two little fellows had also played a big role.

Chapter 1506: Mediation (3)

Leng ruoxue picked up the two furry little things with one hand each and observed them for a while. She then placed them on her lap and took out two pills to feed them. After they had consumed the pills, she stared at them intently, afraid that they would feel any discomfort.

After about fifteen minutes, the two little tigers had absorbed the medicinal effects of the pills and began to act coquettishly with Leng ruoxue. Seeing her babies’ lively and cute appearance, the female White Tiger Yan’er’s heart that had been hanging in the air finally settled down.

Then, Leng ruoxue passed a bottle of pills to Yan’er and told it to take one pill a day. Once Yan’er finished this bottle of pills, she would be fully recovered. She didn’t give it to him before because the medicine was too strong and Yan’er had to feed the two babies, so it wasn’t suitable for her to take it. However, now that the two little tigers had almost recovered, there was no need to worry about it anymore.

Seeing that his wife and son’s health had improved, the dark Tiger King was extremely happy. However, when it saw that its child was always around Leng ruoxue and was even closer to her than it was to her, it felt a sense of injustice in its heart.

“Tiger King! I’ve already fulfilled my promise.” Leng ruoxue rolled her eyes at the dark Tiger King, who was still immersed in the sea of vinegar, and reminded it with a faint smile.

“Well, you’ve done well,” The dark Tiger King praised him as if he was praising his subordinate.

When Leng ruoxue heard the dark Tiger King’s words, black lines appeared on her forehead. She thought to herself, ‘does this dark Tiger King treat me as a subordinate?’ Otherwise, why would he be so formal with her?

“Hehe! Little girl, I’ll give you that woman as a reward!” It had already been a few days, and no one from the Chi family had come to deliver the ransom. Hence, it guessed that the Chi family had most likely decided to give up on that woman. It had also promised Leng ruoxue not to kill them, and this naturally included that woman. Thus, it had been in a dilemma for the past two days. To it, Meiling was already as annoying as a hot potato.

"I don't want her. Why don't you reward her to your subordinates? They will need it more." Leng ruoxue suggested.

"We don't want that ugly human woman!" Upon hearing Leng ruoxue's words, the beastmen in their human forms replied in unison. They had never been so United before.

"Hahaha!" Upon hearing their words, grape could not help but burst out laughing.

Just then, Ning Yan walked into the courtyard and saw them laughing. He couldn't help but ask curiously, "What are you laughing at? You're so happy?"

"It's nothing! I suggested that the Tiger King reward his captives to his subordinates. However, no one was willing to accept them." Leng ruoxue explained with a smile.

"Oh! Miss Leng, is that young lady from the Chi family?" Ning Yan suddenly asked. He had seen the captive that Leng ruoxue was talking about before.

"Manager Ning Yan knows her identity?" Leng ruoxue raised her brows and asked calmly.

"I've only heard about it. In the past two days, a member of the Chi family has been asking for help from the acting family head. Moreover, the acting family head has also sent someone to investigate." Ning Yan frowned. In fact, he didn't agree with the idea of acting as the head of the family, especially when miss Leng was involved. It was even more inappropriate for the ning family to go on.

"Is it Chi Fei?" Leng ruoxue asked curiously.

"I don't think so." Ning Yan said after some thought.

"That's right, miss Leng, the clan head will be back in two days. He was very happy when he heard the news that you had come to the divinity, and even complained that you didn't inform him in advance. So, you'd better be mentally prepared, because the clan head might be angry!" Ning Yan reminded her with a smile.

"Head butler ning, I didn't have a choice!" Leng ruoxue laughed bitterly. She really did not want to come to the God World.

However, instead of master ning, another troublesome matter came to Leng ruoxue.

On the night that Ning Yan had informed her, she had been taken to the ning family's main residence by the ning family's guards.

After Leng ruoxue was taken away by the guards, grape and lotus seed started to panic. The two of them were at a loss as to what to do, and they spun around in circles on the ground, unable to think of a good way to save their young miss.

"Quickly go find that Butler ning! Why are you still standing there?" At this moment, the dark Tiger King's eyelids twitched as he indifferently reminded.

That's right! They were really confused by their concern! How could she forget that old man? he was master ning's butler! He had great power! However, the two of them weren't from the ning family, so they probably wouldn't be able to see that old man!

Ning Hai! That's right! They went to ask Ning Hai for help. Ning Hai was a member of the ning family, so it should be much easier for him to enter the main house than them. The two of them thought about it quickly, and they both thought of Ning Hai.

As they thought about it, the two of them rushed straight to Ning Hai's house.

After listening to what grape and lotus seed said, Ning Hai frowned and thought about it, but he didn't know what excuse to use to go to the main house. Because, as a branch of the ning family, without being summoned by the main family, or without working in the main house, he was not allowed to enter the main house at will. So, it was difficult for him to enter the main house, and he needed a good excuse.

"Brother! Didn't miss Wu in the main residence say that she wanted to eat mother's cooking yesterday? Why don't you let mother bring you in!" Ning Shan suddenly said.

"Look at my memory, how could I have forgotten about this? I'll go find mother now." After Ning Hai finished speaking, he went straight to his parents' room. Although his mother was only the daughter-in-law of the ning family, because she was good at cooking, she was often summoned by the main family and asked to cook for them. Therefore, his mother had a good relationship with some of the main family's direct relatives. If his mother were to plead for ruoxue, she would probably be fine.

At the same time, in the main hall of the main residence, the acting family head of the ning family sat on the main seat with an arrogant expression. There were dozens of elders sitting on both sides of him. After Leng ruoxue was brought in, she stood in the middle of the hall, allowing everyone to size her up.

The acting Master of the ning family and all the elders were sizing Leng ruoxue up. No one asked her to sit down, so Leng ruoxue could only rely on herself.

"How audacious! Who allowed you to sit down?" An elder shouted when he saw that Leng ruoxue had actually ignored their presence and sat down on a chair.

"May I ask if I'm a guest of the ning family or a criminal?" Leng ruoxue asked calmly with a faint smile.

"This ..." The elder who had spoken was at a loss for words. He had said that Leng ruoxue was a criminal, but she was staying in a side courtyard. Furthermore, he had heard that it was the second elder who had arranged for her to stay. However, the second elder had not revealed Leng ruoxue's identity to them. Otherwise, they would not have treated Leng ruoxue as an ordinary guest of the ning family and brought her here. If they had known about Leng ruoxue's relationship with their own old Grand Madame, they would not have dared to treat Leng ruoxue this way even if they had ten times the courage!

"If I were a guest, is this how the ning family treats its guests? The guests have been here for so long, and they're still allowing me to stand. If I'm a criminal, may I ask what crime I've committed? Did you steal something from the ning family?" Leng ruoxue let out a cold smile and thought to herself, 'it seems like there are quite a few good-for-nothings among Godfather's descendants.'

Chapter 1507: Mediation (4)

“Miss Leng, you’ve misunderstood. We invited you here to discuss something with you, and it’s not what you think.” After hearing Leng ruoxue’s words, the acting Master of the ning family, Ning Yuan, finally spoke.

“I wonder what you have to discuss with me, patriarch ning? I don’t seem to have much interaction with the ning family, do I?” Leng ruoxue smiled faintly and picked up the teacup on the table without any reservations. She took a sip of tea.

“Miss Leng, I heard that you have some misunderstanding with the Chi family? We’re just trying to be the middleman to help you mediate.” Ning Yuan’s smile was very kind. However, Leng ruoxue could tell at a glance that this fellow was a Smiling Tiger who hid a dagger behind his smile.

Ning Yuan looked like he was in his forties. He was very handsome and somewhat similar to the ancestor of the ning family. Moreover, although he was the acting Master, he was the descendant of his ancestor’s grandson. Therefore, there were many people in the family who were of higher seniority than him. Fortunately, the divine world was a world where strength was respected. Otherwise, he, as the divine Emperor, would have been aggrieved to death! However, even so, he still had many elders above him.

“I have a misunderstanding with the Chi family? How come I didn’t know about it?” Leng ruoxue looked at Ning Yuan with a face full of questions.

“Young lady Leng, someone from the Chi family said that you’ve captured their family’s Biao young lady. So, they hope that you can be magnanimous and let that Biao young lady off. Then, the Chi family will not pursue this matter.” One of the elders explained in an indifferent tone.

The elder who spoke looked to be in his forties. Although he was not very handsome, he was still considered handsome. Moreover, from the tone of his words, it was clear that he did not take it too seriously. It was just that the other party had come to beg him, so he was just making a small gesture.

“I’m afraid this elder is mistaken, I didn’t capture the Chi family’s Biao young lady.” Leng ruoxue was a little speechless. She thought to herself, “could the cousin that I caught be Meiling?” That guy was not her captive!

“Miss Leng, we’ve already investigated. The Chi family’s Biao young lady is indeed in your hands, and she’s being watched by your subordinates!” The elder said, and the other elders present did not interrupt.

“But she really isn’t my captive. Furthermore, have the substitute patriarch and the elders investigated why she was captured?” Leng ruoxue asked with a smile.

“This ...” Ning Yuan and the other elders didn’t know what to say. They only knew that Leng ruoxue had a cousin from the Chi family, but they didn’t know why. Their original intention was to mediate and get Leng ruoxue to hand over the cousin so that they could give the Chi family an explanation. Therefore, they didn’t care about the dispute between them.

“Acting family head, elders, I’ll make it clear to you now. Miss Meiling is not my prisoner. She was captured by the Tiger couple beside me. Moreover, the husband has made it clear that as long as the Chi family pays for the mental damage and medical expenses, they will return her. But I don’t understand

what they said to you. How did it become me who captured miss Meiling? If I didn't cure his wife and child, we would have been buried in the Tiger's mouth. Oh right, one of them is from your ning family. If you don't believe me, you can ask him what happened. His name is Ning Hai. " Leng ruoxue explained calmly.

"Hmph! Didn't you say that those Tigers are your Beastie? Since it's your Beastie, then what's the difference between it and you capturing a person? it's just a matter of your words. Besides, how would Beastie know to ask for mental damage and medical expenses from a person? it's clearly what you, the master, want. " At this time, another elder said in an extremely unfriendly tone.

"I'm sorry, they're not our Beastie, so I can't order them around. " Leng ruoxue said disapprovingly.

"So you were lying when you said they were your Beastie?! The elder who spoke continued.

"Did I tell you that they are my Beastie? How come I don't remember?" Leng ruoxue furrowed her brows as if she was reminiscing.

"Didn't you tell Butler Ning Yan?" The elder warned.

"Oh! In fact, I only said that for the safety of the road. Otherwise, if someone has ideas about them, it will cause us trouble. " Leng ruoxue told them the truth. She didn't think that Ning Yan was the one who had told them this. She guessed that they had probably heard it from the guards.

"You actually dared to deceive us?" The elder was enraged after hearing Leng ruoxue's words.

"Deceive you? Did I?" Leng ruoxue had a smile that was not a smile on her face. This was a heavy accusation. However, before she understood the elder's intentions, she would not say anything more.

"Of course there is! Our ning family can't be played like monkeys. " The elder continued.

"Al! I didn't say you were monkeys, nor did I play with you. However, if you really want to think that way, I can't object. " Leng ruoxue sighed and said helplessly.

When Ning Yuan heard Leng ruoxue's words, he felt his face burn. In fact, he was a little annoyed that nineteenth elder didn't know how to speak. In fact, he wasn't lying to them. After all, he wasn't saying this to them. Moreover, it was normal to tell white lies when one was outside. Therefore, he really didn't blame Leng ruoxue. He just didn't know what was wrong with nineteenth elder today. F * ck! Did he receive benefits from the Chi clan? He could not help but think to himself.

Actually, according to his original plan, he would just ask about the Chi family's matter. There was no need to take it too seriously. After all, the one who was arrested wasn't a proper young lady of the Chi family. As for Leng ruoxue, since the second elder had arranged for her to stay in the courtyard, she might have some background. Therefore, he didn't dare to make things difficult for her. However, he didn't expect that the nineteenth elder would hold onto her weak point and wouldn't let go. Thinking about this, he couldn't help but feel a little annoyed.

"You ..." Nineteenth elder was so angry that he couldn't speak. He didn't expect this little girl to have such a sharp tongue. It was preposterous. However, even though he was angry, he knew that he couldn't win against her. In addition, the acting family head kept shooting daggers at him, so he could only give in and stop.

“Miss Leng, actually, we don’t have any other meaning in asking about this matter. It’s just that our ning family and Chi family have a pretty good relationship, and they’ve come to beg us, so we want to mediate on your behalf. Can you let go of that cousin of the Chi family for the sake of our ning family?” At this time, Ning Yuan spoke. Moreover, his tone was very good and full of discussion.

“Master ning, although I really want to let her go, she’s not my captive, so I really can’t make the decision. Besides, the Tiger couple also said that as long as the Chi family pays for the mental damage and medical expenses, they will let her go. So, if the ning family wants to help, you might as well help urge the Chi family to pay for compensation! The earlier we redeem miss Meiling, the less she will suffer.” Leng ruoxue reminded him with a smile.

Chapter 1508: Fifth young lady of the ning family (1)

“Uh! I’ll pass this message to the Chi clan, but how much compensation do you want?” Ning Yuan asked curiously. This matter was truly strange. Beastie actually knew to compensate!

“The husband said that his wife and children are priceless, so let them see what they can do!” Leng ruoxue said with a smile.

“I see!” Ning Yuan was a little depressed. No wonder the Chi family was in such a difficult position. Anything that was priceless would cost a sky-high price. However, this matter had nothing to do with the ning family, so he didn’t feel pressured.

“Head of the ning family, I’ll have to trouble you with this. I thank you for your help on behalf of the victim’s family.” Leng ruoxue stood up and said gratefully. After she finished speaking, she patted her butt and turned to leave. Her words caused everyone to fall into a daze. For a moment, no one noticed her departure.

By the time they could react, Leng ruoxue had already disappeared ...

She walked out of the main hall as if there was no one else around. Just as Leng ruoxue stepped out of the courtyard, she saw Ning Hai wandering around outside the main hall like a headless fly. She chuckled and said, “Big brother ning, what are you doing here?”

“Argh! Ruoxue! You’re out? The acting patriarch and the elders didn’t make things difficult for you, right?” Ning Hai sized up Leng ruoxue, as if he wanted to see if she had been mistreated.

Looking at Ning Hai’s worried expression, Leng ruoxue laughed and said, “Big brother ning, you’re overthinking it. They didn’t make things difficult for me, they just want to mediate the matter between me and the Chi family.”

“The matter between you and the Chi clan? What’s the matter between you and the Chi family?” Ning Hai was confused.

“Hahaha!” Seeing Ning Hai’s expression, Leng ruoxue laughed happily. Then, she told Ning Hai about what had happened in the main hall.

“Ruoxue, I’ll go and explain this to the acting family head and the elders, in case they come and make things difficult for you again.” Ning Hai frowned.

“Big brother ning! You don’t need to go, they’ll come and ask you. Oh right, you haven’t told me why you’re here.” Leng ruoxue asked again.

“I’m just worried about you! My mother wanted to enter the main residence to cook for miss Wu, so I followed her in. I wanted to see Butler Ning Yan, but he’s been staying in the forbidden area and I can’t go there, so I could only stay here and see if I could find out anything.” Ning Hai complained.

“I’ll have to trouble big brother ning.” Leng ruoxue said apologetically.

“Silly girl, I treat you like a younger sister. What trouble? I don’t like to hear that!” Ning Hai deliberately put on a straight face and said with slight displeasure.

“Hehe! Big brother ning! I was wrong, but the head of the ning family and the elders are easy to talk to, so you don’t have to worry.” Leng ruoxue consoled.

“They’re only nice to you because of Butler Ning Yan. Besides, they don’t know who you are. Otherwise, they wouldn’t have been so polite to you!” Ning Hai pouted. Although he didn’t come to the main house often, he still knew the character of the elders. In fact, the Masters of the major families were all the same. They looked down on people.

“No matter what, it’s fine as long as I’m fine.” Leng ruoxue said with a smile.

“Mm! Ruoxue, let’s quickly leave this place! A long night may cause more trouble.” Ning Hai was still worried.

“Big brother ning! Aren’t you going to wait for Auntie?” Leng ruoxue asked with a smile.

“No need to wait for my mother, she is still cooking for fifth young lady! That fifth young lady is very difficult to serve, I estimate that it will take a long time.” Ning Hai said.

“Brother ning, you should at least tell aunty that I’m fine, right? I don’t want her to worry about me.” Leng ruoxue reminded. Ning Hai’s parents were both loyal and honest people. When they lived with her, they took care of her very well, so she also liked that couple very much. The news that she had been taken away by the main family of the ning family would definitely make them anxious. Hence, now that she was fine, she wanted to let Ning Hai’s mother know.

“What ruoxue said makes sense. I was too happy. I have to tell my mother about this.” Ning Hai patted his head and suddenly said. He had heard from his mother that he wanted to ask fifth miss for help. However, now that ruoxue was fine, he naturally didn’t need to ask fifth miss for help.

When Leng ruoxue and Ning Hai arrived at the courtyard where the fifth daughter of the ning family was staying, they could hear ‘ping, ping, ping, pang, pang’ noises coming from inside, as well as loud curses. The two of them looked at each other in confusion, then walked straight in.

After they walked in, they saw Ning Hai’s mother kneeling on the ground in a sorry state. Sitting in front of her was a beautiful woman in a red dress. The Beauty’s clothes were gorgeous and her appearance was extraordinary. At this time, her face was stern, showing that she was in a bad mood. The whip in her hand was hitting Ning Hai’s mother’s body from time to time.

Seeing this, Leng ruoxue understood that the person who hit her must be the fifth miss of the ning family. However, before she could react, Ning Hai had already rushed up to her ...

When Ning Hai saw his mother being whipped, he didn't care that the other party was the noble fifth miss. He rushed forward to snatch the whip from the Beauty's hand and threw it on the ground. Then, he helped his mother up and glared at the fifth miss of the ning family with an angry face. The anger in his heart rose even more ...

"Where did this dog slave come from? how dare you offend me?" The unparalleled beauty saw that someone had dared to snatch the whip from the Tiger's mouth, interrupting her pleasure of torturing people. She roared in anger. Her roar frightened the two maidservants beside her so much that they trembled all over. It was clear how powerful this fifth young lady was.

"What right do you have to hit my mother?" Ning Hai squinted his eyes and said in an unfriendly tone. Although he was not a direct descendant of the ning family, he was definitely not a slave of the ning family. However, some self-righteous people of the ning family liked to show their superiority and order these branch family members around like slaves. In fact, if he had not been traveling for many years, he would probably treat these direct descendants as gods and be respectful to them. Unfortunately, now that he had broadened his vision and seen more things, he also knew, These direct descendants merely had more noble birth than them. However, the divine realm spoke with strength.

Although his strength wasn't ranked among the ning family's powerhouses, in front of these direct descendants who had lived in luxury since young, he still had the qualifications to raise his head and stick out his chest. After all, his strength was there for all to see!

"So she's your mother, Hmph! Your mother's dishes don't suit my taste and annoyed me, so I only gave her a small punishment. What's the big deal?" Fifth miss ning said nonchalantly. Although she didn't care about this boorish man in front of her at all, she was still wary of the killing intent he was exuding. Moreover, his strength was clearly above hers.

"Hai 'er, shut up. It's mother's fault. That's why miss Wu is punishing her." Ning Hai's mother was afraid that her son would anger the fifth miss, so she quickly said this. She kept giving Ning Hai meaningful looks, telling him not to get involved in this matter. After all, she still wanted to ask the fifth miss for help in finding out about ruoxue. She could not make the fifth miss unhappy. Moreover, she was very clear about the fifth miss 'temper. It would be fine after she beat her up to vent her anger. Otherwise, the consequences would be even more serious.

Chapter 1509: Fifth young lady of the ning family (2)

"Mother! Even if you've done something wrong, she can't just hit and scold you, right?" Ning Hai shouted angrily. Besides, that fifth miss only said that her mother's food didn't suit her taste. Was that the reason for her to hit her?

"Auntie, brother ning is right." At this moment, Leng ruoxue, who had been observing the situation for a while, spoke up.

"Ruoxue, you're alright?" When she heard this familiar voice, ning hainiang suddenly turned around and saw Leng ruoxue standing not far behind her. Her heart was finally at ease.

“Auntie, I’m fine. I’m sorry for making you suffer.” Leng ruoxue couldn’t bear to see the people who treated her well being bullied, so this fifth miss of the ning family could be considered to have formed a grudge with her.

“It’s good that you are fine! It’s good that you’re fine!” Ning hainiang said happily.

“Auntie, quickly eat this pill.” Leng ruoxue saw that there were some wounds on ning hainiang’s body, and blood was seeping out. She quickly took out a pill and stuffed it into her mouth.

The pill melted in her mouth, and a faint fragrance still remained in her mouth. In the blink of an eye, ning hainiang’s injuries were healed, but her clothes were still stained with blood. Anyone who saw it would know that she had just been whipped.

“Who are you? You dare to meddle in other people’s business?” When the fifth miss of the ning family saw this, she roared in anger. Damn it, how could this woman be more beautiful than her? she had always been confident in her own beauty, but after seeing Leng ruoxue, she felt a blow. This unfamiliar woman in front of her was so beautiful that it made her feel inferior. How could she accept this?

“Fifth miss ning, please remember my name. I’m Leng ruoxue. Furthermore, I’m not a busybody. The person you hit is my Auntie. How do you think we should settle this score?” Leng ruoxue said with a half-smile. She hated people who used whips to hit people the most. Therefore, this fifth miss ning had definitely violated her taboo. This also meant that fifth miss ning would not have a good ending.

“What did you just say? You want to settle accounts with me? Hmph! You’re just an outsider who came out of nowhere, and you dare to speak rudely to me, a young lady of the direct line, in our ning family. You really don’t know what’s good for you. Capture this woman!” The fifth young lady of the ning family shouted angrily. The guards who heard her words hesitated and did not dare to step forward, because someone had already informed them that not only could they not provoke miss Leng, but they also had to take good care of her.

After fifth miss ning finished shouting, she saw that no guards were following her orders to arrest Leng ruoxue. She could not help but feel even angrier. She also felt that she had lost face. Damn it, what were these guards thinking? Of course, she did not know that the guards did not capture Leng ruoxue because someone had given them a heads up.

Leng ruoxue watched coldly from the side as the fifth daughter of the ning family jumped up and down like a clown. She smiled lightly at Ning Hai and mother Ning Hai, “Auntie, brother ning, let’s go back!” Now was not the time to deal with miss Wu. Besides, she had to give her Godfather some face. After all, she was his descendant!

“Mother, let’s go!” After hearing Leng ruoxue’s words, Ning Hai didn’t care if his mother was willing to leave just like that. He directly half-pushed and half-hugged his mother and ruoxue and left together. When the fifth miss of the ning family saw this situation, she wanted to stop them but couldn’t. She was so angry that she almost vomited blood.

Fifth miss ning could only helplessly watch as Leng ruoxue and the other two left. Since no guards were willing to help her stop them, she could not help but vent all her anger on the guards and the maidservants. After a round of scolding, she returned to her room in anger.

Walking on the main city's streets, ning hainiang's face was still filled with worry. From time to time, she would turn her head to see if the ning family's guards were chasing after them. When Leng ruoxue saw this, she could not help but smile and comfort her, "Auntie, don't worry. That fifth miss won't do anything to us."

"Little girl ruoxue, you don't understand fifth miss's character. She's very overbearing. This time, she's lost so much face that she won't let it go. She'll definitely find trouble with us in the future." Ning hainiang sighed, her face helpless.

"Mother! Since you've already provoked him, there's no use in worrying about him now! Just let nature take its course." Ning Hai advised.

"Al! You child, why were you so impulsive back then! It's fine if fifth young lady only finds trouble with us, but she will not let go of little girl ruoxue." Ning hainiang said worriedly. Ruoxue's strength was not high. If fifth miss really wanted to deal with her, wouldn't it be a piece of cake?

"Auntie, I'm not afraid. I don't care about that fifth miss ning at all." Leng ruoxue laughed.

"Little girl ruoxue, fifth young lady has been doted on since she was young and has never been so angry before. In addition, she has a bad temper, so anyone who is targeted by her will not have a good life. Don't go head to head with her." Ning hainiang couldn't help but remind her. Actually, she was so worried because she didn't know the relationship between Leng ruoxue and the ning family. She only knew that Leng ruoxue was here to find her Godfather, but she didn't know that The Godfather she was looking for was the old ancestor of the ning family. Ning Hai was afraid of scaring his parents, so he didn't dare to tell them about this. That was why she was so nervous.

"Good! As long as she doesn't provoke me, I won't take the initiative to provoke her." Leng ruoxue felt ning hainiang's care and promised with a smile. Actually, even if ning hainiang didn't say this, she wouldn't have taken the initiative to cause trouble. After all, she had to give Godfather some face. Otherwise, when Godfather came back and found out that she had taken care of his descendants, who knew how depressed he would be!

After sending Ning Hai and his mother home, Leng ruoxue immediately returned to the courtyard. After all, she had been taken away by the ning family very suddenly, and she was afraid that grape and Lianzi would be worried.

Just as she had expected, grape and lotus seed were currently pacing back and forth in the courtyard with anxious looks on their faces. Seeing their seemingly familiar actions, Leng ruoxue could not help but laugh out loud, "I'm back!"

"Miss! You're finally back. They didn't mistreat you, did they?" Grape sized Leng ruoxue up worriedly. After confirming that her young lady was not injured, she finally felt relieved.

"I'm fine! Who would dare to abuse me!" Leng ruoxue didn't know whether to laugh or cry. Besides, she didn't seem to have left for long!

"It's good that miss is fine. I was just worried that you would be bullied!" Grape said with a slight grievance.

“Grape, remember my words! I won’t take the initiative to bully others, but I won’t let anyone have the chance to bully me either.” Leng ruoxue said in a serious tone.

“Yes.” Grape and lotus seed nodded, but they were still worried when such a thing happened.

“I told you this little girl would be fine. You guys are just worrying for nothing.” At this moment, a loud voice reached Leng ruoxue’s ears. She didn’t even need to look to know who it was that had spoken.

Turning her head, she saw the dark Tiger King lying comfortably in the courtyard, basking in the sun. Leng ruoxue pretended to be displeased and said, “They’re concerned about me, unlike you who’s so inhumane! Although I’m fine, I’m still in shock! I didn’t see you come over to console me.”

“I know you’ll be fine, but since you’re talking about consoling me, I’ll give you that annoying woman as a consoling gift!” The dark Tiger King laughed evilly. It was in a hurry to get rid of the woman.

“Just a word of consolation is enough, there’s no need to prepare a gift.” Several black lines slid across Leng ruoxue’s forehead as she speechlessly said, “that miss Meiling really has the Heart of a Tiger, huh?” He wanted to send her away time and time again, sigh! Poor woman!

“It’s not sincere to not prepare a gift.” The dark Tiger King shook its head and said with a disapproving look.

“You really don’t have to prepare a gift. It’s fine as long as you’ve done your part. I won’t pick on your logic.” Leng ruoxue said hurriedly.

“Al! Alright then! However, I’ll always keep this gift for you.” The dark Tiger King said with some regret.

“Uh!” Leng ruoxue didn’t know what to say. Was this Tiger trying to cling onto her? She wasn’t at a waste collection station.

“Hehe!” When the dark Tiger King saw Leng ruoxue’s slightly depressed expression, he could not help but smile wretchedly. At this moment, the sound of footsteps could be heard from outside the door, followed by a voice, “Miss Leng, you’re back?”

Everyone turned around and saw Ning Yan standing at the entrance of the courtyard with a calm expression and a slight smile on his face.

“Miss Leng, I just heard that you were taken away by the people sent by the acting family head. I’m sorry for giving you a shock.” Ning Yan said politely, even though he did not think that Leng ruoxue would be afraid.

“Butler Ning Yan, do I look like I’m frightened?” Leng ruoxue laughed lightly as she teased.

“Uh! It doesn’t look like it.” Ning Yan wiped the cold sweat from his forehead and said speechlessly.

“The master will be back the day after tomorrow at the latest.” Seeing that there was nothing else to say, Ning Yan could only drag out the time of the master’s return.

“Yes.” Leng ruoxue nodded her head calmly and did not say another word.

“That ... The acting family head and elders don’t know miss Leng’s identity. If they have offended you in any way, I hope you can forgive them.” Ning Yan said apologetically.

“Don’t worry, Butler Ning Yan. I won’t cause any trouble before my Godfather returns. However, if someone tries to mess with me, don’t blame me!” Leng ruoxue put the ugly words out front so that Ning Yan wouldn’t be put in a difficult position and his Godfather wouldn’t feel awkward.

“I will increase the security of the courtyard.” Ning Yan said after some thought.

“Yes.” Leng ruoxue nodded. Although she didn’t think that Ning Yan’s actions would prevent any accidents from happening, she still had to appreciate his kind intentions.

“Butler Ning Yan, do you know who the fifth young lady is?” Leng ruoxue changed the topic and asked around casually.

“Fifth young lady? What’s wrong with her? Did you do something you shouldn’t have?” Ning Yan’s heart skipped a beat and he quickly asked.

“It’s nothing much. She just beat up an Auntie I acknowledge.” Leng ruoxue said casually.

“Uh! I’ll send someone to give her a warning. She shouldn’t dare to act recklessly.” Ning Yan promised. However, he had somewhat underestimated the extent of fifth miss ning’s tyranny.

When Leng ruoxue heard Ning Yan’s words, she also gave him some face and said, “With Butler ning’s words, I’m relieved. Actually, I don’t care if she finds trouble with me or not, but she better not find trouble with my aunt’s family. Otherwise, don’t blame me for being merciless.”

“Don’t worry, miss Leng. I will remind her.” Ning Yan promised again. However, Leng ruoxue was not very optimistic about his promise. She knew the fifth daughter of the ning family all too well. She was a woman who was loved and doted on. The fifth daughter of the ning family thought that she was of a noble status, so how could she listen to the words of a housekeeper? even if the housekeeper had a high status in front of the master, in the eyes of the fifth daughter, he was probably just a slave.

“I’ll have to trouble you, Butler Ning Yan.” Leng ruoxue gave him face.

“This is what Ning Yan should do.” Ning Yan said hurriedly. After the two of them exchanged some pleasantries, Ning Yan took his leave.

After Ning Yan returned to the ning family’s main residence, he personally went to find the acting Master, Ning Yuan, to explain the matter. He also asked him not to disturb Leng ruoxue. Although Ning Yuan was not fifth miss ‘father, he was fifth miss’s uncle. Furthermore, he had always doted on fifth miss. Otherwise, fifth miss would not have dared to be so arrogant and overbearing.

After Ning Yuan heard Ning Yan’s words, he was shocked and carefully asked about Leng ruoxue’s identity. However, Ning Yan did not give him a clear answer. He only kept telling him not to provoke Leng ruoxue and to treat her with respect. Ning Yuan saw that Ning Yan was so cautious and quickly promised that he would remember it.

After sending Ning Yan off, Ning Yuan went to the residence of the fifth miss of the ning family.

“Uncle! Why are you so free to come and see Xi ‘er today?” The fifth daughter of the ning family, Ning Xi ‘er, said happily when she saw Ning Yuan. In this family, her eldest uncle was her biggest backer. Without him, she would not have been so doted on in the ning family. Therefore, in the ning family, the first person she had to please was her eldest uncle.

“Hehe! Of course, eldest uncle misses Xi ‘er. ” Ning Yuan said with a kind smile when he saw the cute Ning Xi ‘er.

“Xi ‘er also misses eldest uncle. However, Xi’ er knows that eldest uncle is very busy. Even if Xi ‘er misses eldest uncle, Xi’ er doesn’t dare to rashly disturb eldest uncle.” Ning Xi ‘er’s beautiful eyes were filled with tears as she said pitifully.

“Xi ‘er has grown up and is more sensible now.” Ning Yuan said emotionally after hearing Ning Xi ‘er’s words.

Then, he asked Ning Xi ‘er about her recent life and told her about what Ning Yan had told him. After Ning Xi’ er promised that she wouldn’t cause any trouble, Ning Yuan left with a peace of mind.

After Ning Yuan left, Ning Xi’ er seemed to have changed into a different person. Her beautiful face became twisted, and the tea set beside her was smashed to pieces. After venting her anger, she yelled at the void, “Men! Go and find out who was the one who was talking nonsense in front of first uncle.”

Ning Xi’ er was furious. She could get whatever she wanted in the ning family, and in the eyes of the elders, she was a sensible person. She also thought that her private actions were very secretive. Rather than saying that those who had been bullied by her would not dare to complain, it would be more accurate to say that even if those people did, no one would believe them. However, what she did not expect was that what she had done today had reached the ears of her eldest uncle, and she had even received a warning from him. How could she not be angry?

Although Ning Xi’ er didn’t get any response after yelling at him, she knew that the person had already gone to help her investigate.

After a long time.

Ning Xi ‘er had gotten everything she wanted to know. Apart from Leng ruoxue, she also hated Ning Yan.

At this moment, Leng ruoxue, who was in the courtyard, had no idea that someone in the ning family already hated her to the core. After dinner, she went to bed early.

Late at night.

A black, ghostly shadow dodged the heavy guards and sneaked into Leng ruoxue’s room ...

Just as the black shadow was about to make a move on Leng ruoxue, who was lying on the bed, it was interrupted by a Black Tiger.
