### Chapter 1551: The smiling Celestial Emperor (1)

"You're a human?" Ning Yan sized up the dolphin in front of her curiously, her eyes full of question marks and surprise.

"You ..." Dolphin was so angry at Ning Yan that she was speechless. She turned her head and looked at Leng ruoxue. "Girl, as long as you're willing to help me, I'll definitely repay you."

The Dolphin's words caused Leng ruoxue to feel a little flustered. Even though this was not the first time a Beastie had called her 'girl', she still found it hard to get used to hearing such words from a Dolphin.

"How do you want me to help you?" Looking at the Dolphin's face that was filled with anticipation, Leng ruoxue decided to ignore the word 'girl' that it said.

She had always been enthusiastic about helping animals. Moreover, dolphins were one of her favorite animals. Now that this talking Dolphin was begging her, as long as it was within her ability, she would not refuse.

"Help me get rid of the fishing line first!" He said. Dolphin requested.

"Yes." Leng ruoxue nodded and walked forward to untie the fishing line around the dolphin.

After the dolphin regained its freedom, it immediately transformed into a human. Instantly, an extremely beautiful man appeared in front of everyone.

This beautiful man was tall and had long, light blue hair that reached his waist. His pair of bright, Starry Eyes flickered with an alluring light. When he looked at Leng ruoxue, there was a faint electric current flashing through his eyes. His pink lips opened slightly, and a soul contract was uttered from his mouth. As the contract's rules descended, it enveloped him and Leng ruoxue within it ...

Upon seeing this scene, everyone present was dumbfounded. None of them had expected that the dolphin would sign a soul contract of its own accord without even asking for Leng ruoxue's opinion.

After the rules of the contract disappeared, Leng ruoxue received looks of sympathy from Ning Yan, grape, and Lotus. She did not know whether to laugh or cry. When she turned to look at the culprit, she saw that the culprit was looking at her with a shy expression. Cold sweat immediately broke out on her forehead.

Although she was already used to the fact that there were always beasts who would automatically form contracts without her permission, this did not mean that she would not be angry.

"You ..." Just as Leng ruoxue said one word, she was interrupted by the handsome man in front of her.

"You said you would help me, so you can't go back on your word!" The dolphin Man reminded her with a smirk.

Leng ruoxue glared at the handsome man in front of her in frustration. She took a deep breath and said in an unpleasant tone, "But I didn't ask you to recognize me as your master!"

“How can you help me if you don’t recognize me as your master?” The beautiful Dolphin Man smiled and asked in return. Then, he said to Leng ruoxue earnestly, “Didn’t I say before that someone wanted to capture me as a contracted beast? I’m afraid I’ll be taken away, so I might as well find myself a master first. I like you, so this kind of good thing has fallen into your hands. Others don’t have the chance to want me!” When he said this, he glanced at Ning Yan as if to say, “I’m talking about her.”

As expected, Ning Yan had a strong reaction to the dolphin man’s words. She widened her eyes and glared at the man in front of her. “You want to recognize me as your master, but I’m not willing! Unless I’m an idiot, I wouldn’t accept a useless Beastie. ”

“I’m useless? My strength is equivalent to a human Godking!” The dolphin beauty was so angry that smoke was coming out of his head as he roared.

“So what? Can you defeat a god King on the ground? Do you really think that humans would be stupid enough to fight you in the sea?” Ning Yan’s face was full of contempt.

“You’ll regret it if you look down on me. ” The beautiful Dolphin Man said indifferently. Then, he looked at Leng ruoxue with a face full of resentment, as if he had suffered a great grievance.

When Leng ruoxue saw the beautiful Dolphin man’s expression, she was speechless. Not only that, but the Dolphin’s words had also driven her mad. It turned out that he was afraid of being captured, so he recognized her as his master in a moment of desperation. This had hurt her pride a little.

“Master! Although I haven’t seen many humans, you’re the one I have the best impression of. ” Sensing Leng ruoxue’s thoughts, the dolphin-like handsome man blinked his big, black eyes that were as bright as diamonds. He walked to Leng ruoxue’s side and tried to please her.

Even though the beautiful Dolphin Man had said so, Leng ruoxue still felt a little upset, so she remained silent.

“Master! I really like you. ” Upon seeing this, the dolphin beauty could only continue to work hard to please Leng ruoxue.

“What do you like about me?” Finally, Leng ruoxue was willing to pay attention to him. She made the beautiful Dolphin-like man so beautiful that his tail was about to rise to the sky.

“I don’t need a reason to like someone. Otherwise, why would I choose you to be my master with so many people here?” Dolphin replied matter-of-factly, but his words were met with contempt from Ning Yan, grape, and lotus seed.

“Moreover, you won’t suffer a loss if you take me in as a Beastie. There are many rare treasures in my hometown. It’s almost impossible for you humans to get them easily, but for me, it’s as easy as flipping my hand.” The dolphin-like man continued to coax her while blinking his bright eyes. He would occasionally throw a charming glance at Leng ruoxue.

“It sounds like there are many benefits to accepting you as a Beastie.” Leng ruoxue said with a smile.

“MMH! That’s a must!” Dolphin was very proud.

“But I’m still a little angry, what should I do?” Leng ruoxue said with a conflicted expression.

“Master! Why don’t you hit me!” After the beautiful Dolphin finished speaking, he took out a long whip out of nowhere and handed it to Leng ruoxue.

Leng ruoxue looked at the whip and could not help but frown. Putting aside where the Dolphin’s whip came from, the fact that he had taken out the whip for her to hit him was strange no matter how she thought about it. That ... She did not want to let her thoughts run wild, but she could not control her thoughts. This beautiful man transformed from a Dolphin had red lips and white teeth. His skin was delicate and smooth, and he looked fragile. He really had the potential to be a little beast!

“Master! I’m already your little Beastie.” The beautiful Dolphin Man who was connected to Leng ruoxue’s heart laughed evilly. After he finished speaking, he even stuffed the whip into Leng ruoxue’s hands. Then, he found a huge green rock and lay down.

His meaning was clear.

“Master! Come and whip me! I won’t resist.” The dolphin-like handsome man’s face was filled with shyness, as if there was a trace of anticipation.

Seeing his actions, the black lines on Leng ruoxue’s forehead deepened. Ning Yan, grape, and lotus seed also stared with their mouths wide open, not knowing what to say. It was obvious that the Dolphin’s actions were beyond their expectations. However, the dark Tiger King and his wife were very calm, as if they were used to it.

“Master! Don’t make me wait too long.” The beautiful Dolphin man’s words were already enough to make one’s imagination run wild. In addition, he kept throwing charming eyes at Leng ruoxue. For a moment, Ning Yan and the others all looked at Leng ruoxue with very ambiguous gazes.

## **Chapter 1552: The smiling Celestial Emperor (2)**

“Hurry up and stand up. It’s broad daylight and you’re already like this. What’s wrong with you?” Cold sweat trickled down Leng ruoxue’s forehead, causing her to be incoherent.

“Master is right. It’s not good to be like this in broad daylight. Then you can hit me at night when there’s no one around!” The dolphin-like man gave Leng ruoxue an ‘I understand’ look, causing Leng ruoxue to almost go crazy.

Sob ... That was not what she meant, okay! Leng ruoxue was so depressed that she almost vomited blood. That damn Dolphin, how dare it misinterpret her words. However, she could only deal with this Dolphin’s ambiguous words coldly and ignore it. Otherwise, Ning Yan and the others would definitely think that she was angry out of embarrassment and wanted to kill it to silence it. She couldn’t let them think that way, so she could only pretend that nothing had happened.

“Master! Let’s leave this place first, okay?” Seeing that Leng ruoxue was silent for a long time, the beautiful Dolphin Man took the initiative to speak again. Actually, he was afraid that the person would chase after them. That person’s strength was above them, and if he really caught up, it would be quite troublesome for them. However, he did not dare to make things too clear, because he was afraid that Leng ruoxue and the others would be afraid.

“What’s the hurry? we just came out. ” Before Leng ruoxue could say anything, the dark Tiger King spoke first with a hint of dissatisfaction. It had already smelled the fragrance of the fish. It was obviously impossible for it to leave without eating a single one.

After hearing the dark Tiger King’s words, the dolphin Man was so angry that he wanted to open its head to see what it was made of. How could it be so stupid? AI! He hoped that his master would understand his hint.

“Little girl, I also want to eat fish!” The dark Tiger King ignored the beautiful Dolphin man’s flirtatious gaze and spoke to Leng ruoxue.

“I’ll roast it for you when we get back!” Leng ruoxue said after some thought. She could hear the Dolphin’s words and understood its concerns. After all, a person who could chase a Dolphin with the strength of a God King to the point that it had no choice but to flee from its hometown must be an unparalleled expert. She could not afford to offend such a person now.

“Right! Right! I’ll roast it when I get back!” The dolphin nodded.

Following that, Leng ruoxue and the rest packed their things and prepared to leave. All of a sudden, the water in the frosty Lake churned and a powerful pressure enveloped them. Leng ruoxue and the rest instantly found it difficult to breathe and in the blink of an eye, their faces turned pale.

Upon seeing this, Leng ruoxue and the rest knew that they had encountered an expert. Furthermore, this expert might be the one who wanted to contract the dolphin.

Almost instantly, a young man’s figure appeared in the middle of the waves. This man was dressed in white and had a handsome face. When his shrewd eyes saw Leng ruoxue and the others, they flickered for a moment before returning to normal.

Immediately after, he retracted his aura and looked at Leng ruoxue and the rest with an apologetic expression. He said, “I’m sorry for being impolite,”

“May I ask who you are?” Ning Yan asked first, trying to calm herself down.

“I’m Xiao Bing, may I know who you are?” Xiao Bing introduced himself, then politely asked for Leng ruoxue and the others ‘names.

“I’m Leng ruoxue, and she’s my elder sister. They’re my maidservants and subordinates. ” Leng ruoxue didn’t give Ning Yan a chance to speak and introduced him first. Just now, the dolphin had already sent her a voice transmission, saying that this man named Xiao Bing was the one who had been chasing after him and wanted to form a contract with him. So, she naturally had to be careful. Ning Yan’s name would make people think of the ning family. Before she could figure out this man’s identity, she naturally didn’t want to drag the ning family into this.

After the introduction, Leng ruoxue sent a voice transmission to Ning Yan, “Sister Yan! This person is the one who chased the dolphin and wanted to form a contract with it. ”

“Oh! Little sister ruoxue, if I remember correctly, this person should be from the Divine Master’s estate. The Divine Master’s estate has a divine Emperor called Xiao Bing. However, I hope that this Xiao Bing is not the one from the Divine Master’s estate. ” Ning Yan replied worriedly.

“Why?” Leng ruoxue was confused.

“Sister ruoxue, you may not know this, but Xiao Bing from the Divine Master’s estate is not the strongest in the Divine Master’s estate. However, he is a sinister man who likes to play dirty tricks behind people’s backs. Therefore, the people in the divine world gave him the nickname ‘smiling divine Emperor’. In addition, many people would rather offend a divine Emperor who is stronger than him than to provoke Xiao Bing, mainly because Xiao Bing is too difficult to deal with. Anyone who is entangled with him will be driven crazy by him. Sigh! We have to be careful and not let him find out where that stinky Dolphin is. Otherwise, I’m afraid our good days will come to an end.” Ning Yan said gloomily, cursing the dolphin in her heart. It was the Dolphin’s fault that Xiao Bing was provoked.

“Yes.” Leng ruoxue nodded her head slightly without a change in expression. The conversation between the two of them had only lasted for a few seconds. However, in order to not let the man in front of her notice anything amiss, she had to smile when she was communicating with Ning Yan.

“Hello, miss Leng. It’s a pleasure to meet you.” Xiao Bing smiled faintly, but his sharp eyes seemed to be sizing up the others.

After a long while.

“Are The White Tiger and the dark Tiger King miss Leng’s Beastie?” Xiao bingcai asked.

“Yes, I am!” Leng ruoxue nodded. Before she understood Xiao Bing’s intentions, she didn’t intend to say too much.

“I really didn’t think that miss Leng’s Beastie would have such strength.” Xiao Bing exclaimed in admiration with an envious look on his face, while he was trying to guess Leng ruoxue’s identity.

This was clearly the ning family’s divine realm. If this young lady was from the ning family, it would make sense for her to have two powerful beasts. However, this young lady’s surname was Leng, which made him suspicious.

In the entire firmament, he did not dare to claim that he knew all the clans of various sizes like the back of his hand. However, he was also very clear that among the clans of medium-grade and above that he knew, there was no clan with the surname Leng. Furthermore, a clan that could own a Godking-level beast would definitely not be a small and unknown clan. Furthermore, Leng ruoxue’s strength was extremely low. If she did not come from a top-notch clan, it would be impossible for her to live in the firmament with her strength.

In the divinity, only reverent-god level cultivators could create their own small world. Hence, only the younger generation of clans with reverent-god level cultivators could live in the divinity. Hence, even though he could not figure out Leng ruoxue’s background, out of careful consideration, he would not rashly ask about her background. However, at the same time, he was also suspicious that Leng ruoxue had given him a fake name.

“I’m just lucky to have them.” Leng ruoxue chuckled as she explained.

“Master! I want to eat grilled fish, quickly grill it for me!” At this moment, the dark Tiger King interjected at the right time, fully displaying the fact that it was a Beastie that was extremely dependent on its master. Yan ‘er, who was by its side, also had an expression of anticipation.

Having lived for so long, the shadow Tiger King had long since become a demon. When it heard Leng ruoxue say that the couple were her beasts, it immediately realized that there was something wrong with this man. Moreover, this man had emerged from the frostlake, and the dolphin had also emerged from there. Thus, after some thought, it guessed that this man might be the person who had chased the dolphin to make a contract with it.

### **Chapter 1553: The smiling Celestial Emperor (3)**

Unless there was no other choice or by chance, there was almost no one among the Beasties who would foolishly acknowledge a master on their own accord. And towards humans who wanted to capture them and force them to form a contract, the Beasties had always shared a common enemy. Therefore, although they did not have much of a friendship with that Dolphin, but on account that everyone was beasties, it was still very willing to help him. Moreover, that Dolphin had now acknowledged that little girl as its master, and that little girl had done its entire family a great favor. It naturally couldn't just stand by and watch.

"You're a foodie, you only know how to eat." Leng ruoxue patted the shadow Tiger King's Head as she said this, pretending to be helpless.

Then, she turned to Xiao Bing and said apologetically, "I'm sorry, I've made a fool of myself."

After that, she took out the fish that she had kept earlier and handed them to grape for her to clean up. Lotus seed took the initiative to relight the fire.

Looking at the familiar-looking fish, Xiao Bing said, "Miss Leng and the others are here to fish?"

"Yup! After fishing for the whole morning, I only managed to catch a few. I wanted to take them home to eat, but who knew that I, this glutton Beastie, couldn't hold back." Leng ruoxue explained with a smile. Since she didn't leave, she wasn't in a hurry to leave, in case Xiao Bing noticed something.

"Hehe! I've also heard that the fish in this cold pond are very delicious. Why don't I make some more and we can roast them together!" Xiao Bing said enthusiastically.

After he finished speaking, he did not give Leng ruoxue a chance to reject him. He used his divine power to form a one-meter wide fishing net and threw it into the water ...

Seeing this, Leng ruoxue looked at Ning Yan and transmitted her voice, "Sister Yan, I'm using a fishing net."

"So what? Fishing rods had their own fun! Furthermore, even if he uses a net, he might not be able to catch the fish. Otherwise, the fish here wouldn't be so difficult to catch." Ning Yan said disapprovingly.

"Uh! Alright! You're right." Leng ruoxue saw that Ning Yan was looking down on Xiao Bing's fishing net, so she tactfully stopped talking about it. After all, the result would be clear.

After waiting for a while.

When Xiao Bing lifted the net, there was not a single fish in sight. There were only a few stalks of seaweed in the huge net. Seeing this, Ning Yan was extremely pleased.

Leng ruoxue ignored Ning Yan's smugness and focused on roasting the fish in her hands. Xiao Bing, on the other hand, was unwilling to give up and cast the net again.

"Mr. Xiao Bing, you need a fishing rod to catch the fish here." Ning Yan reminded him kindly.

"A fishing net is fine too, I've fished it before! However, you have to be patient." Xiao Bing said calmly, his gaze fixed on Leng ruoxue, who was concentrating on roasting the fish.

"Then I wish you success." Ning Yan ignored Xiao Bing and sat beside Leng ruoxue after she finished speaking.

After a long time.

Xiao Bing pulled in the net for the umpteenth time and finally caught more than ten fish.

"The net can really catch them." Ning Yan mumbled to herself as she looked at the dozen palm-sized fish.

"Of course you can, but you need to be patient." Xiao Bing said with a smile, then found a place to sit down.

Leng ruoxue passed Xiao Bing a fish. Xiao Bing didn't stand on ceremony. After saying his thanks, he started to gnaw on it elegantly.

Everyone ate and chatted, and in just a short while, they became familiar with each other.

Xiao Bing saw that the time was right, so he coughed lightly and slowly explained the reason.

"Hehe! You must be very curious as to why I came out of the water!" Xiao Bing said with a smile.

Leng ruoxue and Ning Yan looked at each other and nodded. However, neither of them continued the conversation.

Xiao Bing didn't mind and continued talking.

"Actually, I'm chasing after a Dolphin." Xiao Bing said, then continued, "That Dolphin used to be a guard of the God lord's estate. Because he made a mistake, he was punished by the God Lord. He was not willing to be punished, so he injured the guard who was watching him and escaped from the God lord's estate. I was ordered to hunt him down."

"I chased him to the endless ocean, and he used his familiarity with the sea to escape from a sea eye in the endless ocean. I followed the sea eye and came here. If you know where he is, tell me, and the Divine Master will definitely reward you." Xiao Bing continued.

"You're from the Divine Master's estate!" Ning Yan pretended to be surprised, and her expression turned into one of admiration. As for Xiao Bing's question, she ignored it.

"Mm! Did you guys see a Dolphin appear here? If you do, please tell me where he is. The God lord's estate will definitely not mistreat you." Xiao Bing repeated with a nod.

"I'm sorry! We didn't see any dolphins, but you can tell us what he looks like. We'll definitely let you know when we find his tracks." Ning Yan said very seriously.

“Sister Yan is right. Tell us what the dolphin looks like. We’ll inform you as soon as we know where it is,” Leng ruoxue chimed in as well, her beautiful face filled with anticipation.

Even though the Dolphin’s story was different from Xiao Bing’s, she still chose to believe it. Other than the fact that the dolphin was already her Beastie, the main reason was that Xiao Bing’s story was full of loopholes.

He had said that the dolphin was a guard of the divine lord’s estate. However, the dolphin was right in front of him, and he had not recognized it. How could he have the nerve to say that the dolphin was a guard of the divine lord’s estate? Wasn’t this making others laugh their heads off!

However, she didn’t expect Ning Yan to be so good at acting, which was a little beyond her expectations.

“You guys really didn’t see it?” Xiao Bing couldn’t quite believe it, because in his opinion, the Dolphin’s speed shouldn’t be much faster than his. If these people had been fishing here all this time, how could they not have seen the dolphin?

“En!” Leng ruoxue and the rest nodded.

“Haven’t you been here the whole morning?” Xiao Bing asked the question in his heart.

“Yup! “However, we didn’t stay by the pond all the time, so ...” Leng ruoxue stopped halfway through her sentence and decided to let Xiao Bing make his own guess!

“I see.” Although Xiao Bing was still suspicious of Leng ruoxue’s words, he thought about it carefully. These women didn’t seem like people who had the patience to stay still and fish. When he thought about this, he put down the doubts in his heart.

After Leng ruoxue and the rest finished their fish, they planned to leave. However, Xiao Bing did not leave just like that. Instead, he wanted to follow them. In his own words, he was not very familiar with the ning clan’s divine realm, and it would be good to have company if he went with them.

His thoughts made Leng ruoxue and the rest suffer in silence. If it wasn’t for the dolphin, Leng ruoxue would have told him directly that she didn’t like to hang out with strangers. However, she couldn’t say it out loud now. Who asked the other party to not dispel their suspicions!

#### **Chapter 1554: The smiling Celestial Emperor (4)**

“Sister Yan! What do we do now?” Leng ruoxue sent a message to Ning Yan.

“Sister ruoxue, why don’t you bring him to the ning family? With dad around, Xiao Bing won’t be able to do anything.” Ning Yan said after some thought.

“Sister Yan, Xiao Bing is from the Divine Master’s estate, it’s not good to drag the ning family into this.” Leng ruoxue didn’t agree with Ning Yan’s opinion. In her eyes, Xiao Bing was definitely not a friend. Once Xiao Bing found out that the dolphin she was looking for had already recognized her as its master, he would probably fly into a rage out of humiliation. Now, she obviously didn’t want the ning family to have any conflict with the Divine Master’s estate.

“Then what do we do?” Ning Yan was in a dilemma. She didn’t want the ning family and the Divine Master’s estate to fight each other.

“Sister Yan, how about ... We split up! Take the grapes, lotus seeds, and the dolphin back to the ning family first. Also, help me tell Godfather that I have something to do and will be back late. I’ll take Xiao Bing, Tiger King, and his wife to take another route. After shaking him off, I’ll go back to the ning family.” Leng ruoxue thought for a moment. This should be the best solution she could think of.

“No! That Xiao Bing might look decent, but he was actually very sinister! How can I let you leave with him? Besides, it’s hard to say whether he’ll follow you or not. He’s not someone who’ll be manipulated by others.” Ning Yan objected.

“Sister Yan, there’s no other way. I don’t want to drag the ning family into this. Take grape and leave. I have my ways to deal with this Xiao Bing.” Leng ruoxue consoled.

“Little sister ruoxue, do you think that we are holding you back?” Ning Yan said aggrievedly, feeling very unwilling in her heart.

“Sister Yan! It’s good that you know.” Leng ruoxue had no choice but to follow Ning Yan’s lead.

“Little sister ruoxue, I’m sad.” Ning Yan’s resentful eyes followed Leng ruoxue. She thought to herself, “sister ruoxue is too honest. Even if she really had such thoughts, she shouldn’t have said it out loud!”

“Sister Yan, you should know that I have no choice. If I bring Xiao Bing to the ning family and something happens, the ning family won’t be able to hold him back.” Leng ruoxue tried to persuade him. Actually, the ning family might not be afraid of Xiao Bing, but the Divine Master’s estate that Xiao Bing represented was very troublesome. Now was not the time to start a conflict with the Divine Master’s estate. In short, the time was not right!

“Alright then! However, your maidservant and that Dolphin may not leave with me!” Ning Yan compromised.

“I’ll tell them.” After Leng ruoxue was done speaking, she sent voice transmissions to grape, lotus seed, and Dolphin. Although they were unwilling, after Leng ruoxue emphasized that they would drag her down, the three of them kept quiet.

After settling their matters, Leng ruoxue said to Xiao Bing, “Mr. Xiao Bing, my sister has something else to do, so we’ll have to split up for a while. Which way do you plan to go?”

Not far from the frostlake, there were two roads leading to the other side. When Leng ruoxue said this, she wasn’t sure if Xiao Bing would go with her, so she decided to let Xiao Bing choose first. In any case, she had already made up her mind. Whichever road Xiao Bing took, she would follow. She didn’t believe that Xiao Bing would have any way to follow them.

“Miss Leng, which path do you plan to take?” Xiao Bing asked instead of answering.

“I’m planning to take the left path to the nightless city.” Leng ruoxue said with a smile.

“What is miss Leng going to the nightless city for?” Xiao Bing’s face was full of question marks.

“Look at the fireflies! I heard that the fireflies in the nightless city are at their most beautiful right now. I want to see them.” Leng ruoxue asked curiously.

“What about this miss Leng?” He pointed at Ning Yan and asked.

“Younger sister is going to the nightless city, so I naturally have to go to the ning family’s divine realm to handle some matters.” Ning Yan said matter-of-factly.

“I wonder what miss Leng is going to do in the ning family’s divine realm?” Xiao Bing asked again.

“Mr. Xiao Bing, do I need to report to you what I’m going to do in the ning family’s God Realm? What I’m going to do is naturally a family matter, which is also a secret of our family. Please forgive me for not being able to disclose it.” Ning Yan’s face turned serious and she said angrily.

“Miss Leng, you’ve misunderstood me. I’m just a little curious. Please forgive my rudeness.” Xiao Bing’s attitude was very good, and he was not annoyed by Ning Yan’s words.

“It’s okay. I know this is an occupational disease of the divine Lord’s residence.” Ning Yan was also very generous, but her words made Xiao Bing a little unhappy.

“Sister! Didn’t you have something to do? Let’s go quickly! Don’t delay the important things.” Without giving Xiao Bing a chance to react, Leng ruoxue urged him on.

“En!” Ning Yan nodded and summoned crane, then flew towards the ning family’s divine realm with grape and the other two.

The moment they left, only Leng ruoxue, Xiao Bing, and the two tigers were left.

After Ning Yan and the rest had disappeared, Leng ruoxue turned to Xiao Bing and said, “Mr. Xiao Bing, where do you plan to go?”

“I’ll go with you to the nightless city to see fireflies!” Xiao Bing said with a smile.

“Good! Then let’s go!” After Leng ruoxue finished speaking, she walked towards the road leading to the nightless city.

As he walked, he transmitted his voice to the fellow in the Beastie dimension.

“Why did you come back? Don’t you know that Xiao Bing is looking for you?” Leng ruoxue’s head was hurting. She had finally let Ning Yan take them away, but who knew that this Dolphin would sneak back and enter her beast dimension without a sound?

“I’m worried about master! Of course, I have to stay by master’s side to protect you.” Dolphin said in an aggrieved voice.

“Protect me? It’s already good enough that you didn’t come back and add to my troubles.” It was clear that Leng ruoxue didn’t think highly of him, and this hurt the pretty Dolphin man’s self-esteem.

“Master! I’m very strong.” Dolphin reminded.

“Yup! He’s so strong that he’s being chased around and hiding.” Leng ruoxue used her divine sense to look at the small Dolphin that was standing tall in the beast dimension.

“He’s stronger than me. If I don’t run, I’ll be caught by him.” The Dolphin’s face was full of resentment. It didn’t want to become a slave to humans! Of course, the owner it found was an exception.

“If you’re afraid of being caught, then you’d better behave. I, your master, am weak and can’t protect you.” Leng ruoxue reminded.

“Mm! I just want to stay by master’s side obediently, I won’t drag master down.” Dolphin promised.

“That’s good!” After Leng ruoxue finished speaking, she cut off the connection with the dolphin.

That was because Xiao Bing was talking to her!

Leng ruoxue lifted her beautiful eyes and said in embarrassment, “What did Sir Xiao Bing just say? I was a little distracted and didn’t hear you clearly.”

“I’m asking if miss Leng is planning to go to the nightless city by foot?” Xiao Bing chuckled.

“Yup!” Leng ruoxue nodded her head and thought, you better not want to leave! This way, they could part ways. God knew how much she didn’t want to pretend to be nice to Xiao Bing!

### **Chapter 1555: The smiling Celestial Emperor (5)**

“Miss Leng doesn’t have a flying beast?” Xiao Bing asked again.

“There is! However, my flying beast is in closed door cultivation, so I can only trouble my two legs.” Leng ruoxue said helplessly. She was speaking the truth! Because his flying Beastie was indeed in seclusion!

“I see, then use mine! Otherwise, I don’t know when we’ll be able to reach nightless city.” Xiao Bing didn’t doubt him this time, but suggested.

“I’m sorry, I’m sick of flying beasts.” Leng ruoxue’s beautiful face was filled with apology.

Her words made Xiao Bing! Little angry. In his entire life, he had never heard of cultivators who could make their flying beasts unconscious. Hence, he did not believe Leng ruoxue’s words at all. However, since Leng ruoxue had already said so, he could not possibly force her to sit on his flying beast! Although he really wanted to do that, he did not want to ruin his relationship with Leng ruoxue. However, he was also feeling rather depressed. After all, he was still a divine Emperor! He also had the God lord’s estate as his backing. He had never received such treatment before!

However, even though he was angry, as he looked at Leng ruoxue’s beautiful face, he could not vent his anger no matter how much he wanted to. Her beauty was misleading!

Following that, Xiao Bing walked side by side with Leng ruoxue without saying a word. The dark Tiger King and his wife followed behind them.

In the evening, Leng ruoxue saw that the sky was already dark and suggested that they find a place to camp.

Although Xiao Bing was depressed, he did not object. However, he did not know when they would reach nightless city at their current speed.

Leng ruoxue didn't care what Xiao Bing was thinking. In any case, she was going to rest, stop, eat, and sleep.

After finding an empty space, Leng ruoxue set up her tent and had a simple meal before going to sleep in her tent.

Xiao Bing, on the other hand, was sitting by the fire, deep in thought.

He didn't know what had happened to him. Even if he was suspicious of Leng ruoxue, there was no need for him to follow her around like a fool, right? And if he really wanted to find out something, wouldn't it be better to just bring her to the Divine Master's estate? Why go through so much trouble?

He couldn't explain his abnormal behavior. Even though he had a good impression of Leng ruoxue, he didn't think that he was someone who had the patience to coax women. So what was he doing now?

Xiao Bing was in a dilemma the entire night, while Leng ruoxue had already entered the bracelet and had a good sleep.

The next day.

The two of them continued on their journey. The Tiger King couple had entered the house yesterday, but they were not released today.

"Little girl, please let me out!" The dark Tiger King kept on transmitting his voice to Leng ruoxue. It was so noisy that Leng ruoxue could not stand it anymore. She directly blocked off the house from the outside world before her heart finally calmed down.

Just like that, Leng ruoxue and Xiao Bing walked slowly. After close to ten days, they finally arrived at the nightless city.

When they entered the nightless city, it was daytime, and there were very few pedestrians in the city. However, there were two extremely ugly old men who were particularly eye-catching, because they were like ants on a hot pan, constantly walking back and forth at the city gate.

"My good daughter! You've finally come! Your father has been waiting for you for many days." A tall and ugly old man gave Leng ruoxue a bear hug the moment he saw her. He pulled Leng ruoxue into his arms and said with tears flowing down his face.

"My good granddaughter! Grandpa has missed you so much." The other old man pulled Leng ruoxue out of the arms of the old man who claimed to be her father and said with tears in his eyes.

When the two of them saw Leng ruoxue, they were extremely excited. Leng ruoxue was only stunned for a moment before she called out sweetly, "Grandpa, father! Why are you guys here?" These two people were none other than the master of the ning family and the first elder of the craftsmen's Guild who had taken the disguise pill.

“We missed you.” The two of them said in unison. Then, the master of the ning family explained, “I heard from your sister that you’re going to nightless city to see fireflies. We’re worried, so we followed you to see.”

“Oh! Big sister is home already?” Leng ruoxue asked on purpose.

“We’re home. Your sister’s business is all done. But you, why are you so slow?” The master of the ning family asked.

“I’m sick of flying beasts! So, we walked here. This is already considered fast.” Leng ruoxue said with a smile, but she was a little depressed in her heart. After nearly ten days, she still couldn’t get rid of this guy. She was really a failure.

Even though she had thought of entering the bracelet and never coming out, she was afraid that Xiao Bing would become even more suspicious. After all, Xiao Bing was keeping a close eye on her. If she went missing for no reason, it would only make him more suspicious. So, she could only swallow her anger and follow Xiao Bing on the journey. Fortunately, Xiao Bing had been well-behaved along the way. Otherwise, she would not mind making him the first eunuch in the Divine Master’s estate.

“Al! My poor child! You must be exhausted!” The master of the ning family said with heartache. His goddaughter had really put in a lot of effort to get rid of that Xiao Bing! However, it did not seem to have any effect, because he had already felt a probing gaze.

“It’s alright! It’s all thanks to Sir Xiao Bing’s care along the way.” Leng ruoxue had not forgotten about Xiao Bing’s existence.

After hearing Leng ruoxue’s words, Xiao Bing smiled apologetically and said, “Miss Leng is too polite. This is what I should do.”

“How is this what you should do? don’t talk nonsense, my daughter is not married yet! If you can’t get married, you’ll have to take responsibility!” The master of the ning family said unhappily. He was really angered by Xiao Bing’s words. As his father, he couldn’t stand any young man saying that it was his duty to take care of his daughter. Wasn’t that clearly trying to snatch his daughter away from him? This was preposterous!

“If miss Leng really can’t get married because of this, I’m willing to take responsibility.” Xiao Bing seized the opportunity and said rudely.

“You wish!” The master of the ning family was even angrier. He really didn’t expect Xiao Bing to be so thick-skinned, but now that he thought about it, it seemed that his words were a little inappropriate, but words that had been said were like water that had been spilled. Even if he wanted to take them back, he couldn’t, so he could only sulk alone.

When Leng ruoxue heard their conversation, the black lines on her forehead immediately slid down. Although she was a little angry, she was smart enough not to interrupt. Otherwise, it would only make things worse.

In fact, Xiao Bing had his own reasons for saying that. He had been looking at the two old men for a long time, but he couldn’t tell what their cultivation levels were. He couldn’t help but feel puzzled, and there

were only two possibilities if he couldn't tell. One was that they had equipment that could hide their cultivation levels, and the other was that their cultivation levels were higher than his.

He would rather not be able to see through the cultivation base of the two old men because they had equipment that could hide their cultivation base than to see their cultivation base above his. He was already an immortal Emperor. If their cultivation base was higher than his, it was self-evident what kind of strength they had. Therefore, he spared no effort in saying such ambiguous words to test their cultivation base.

### **Chapter 1556: Shifting the source of trouble to the East (1)**

However, the other party didn't seem to be fooled. Other than being a little angry, there was no other reaction. Thinking of this, he could only continue to add fire.

"I'm serious. I'm already a divine Emperor. I should be worthy of miss Leng!" Xiao Bing said confidently.

Who knew that the master of the ning family would just look at Xiao Bing indifferently, then turn to Leng ruoxue and say, "Xue 'er! Let's go and ignore this lunatic!" This time, he couldn't even be bothered to be angry. He had lived for so long, if he couldn't even see through this little trick of the other party, then wouldn't he have lived in vain?

"Right! My good granddaughter! Let's go!" The first elder said. Then, the two of them escorted Leng ruoxue and headed towards the inn they had booked ...

Seeing this, Xiao Bing wasn't angry, but followed behind the three of them. In short, it wasn't easy to get rid of him.

After entering the inn, master ning and first elder pulled Leng ruoxue into a room. Then, they glared at Leng ruoxue with anger. No one spoke first.

When Leng ruoxue saw their expressions, she could only put on an obedient look and let them stare at her. However, she would occasionally show her grievances.

Finally, the master of the ning family couldn't bear it anymore. The corner of his mouth twitched, and he said in an unpleasant tone, "You're actually feeling wronged! Damned girl, do you know how impetuous you were? If Xiao Bing really had bad intentions towards you, we wouldn't even be able to see you now!" Ugh! What he meant was that Xiao Bing might have taken Xue 'er somewhere!

"That brat had ill intentions towards Xue 'er from the start. However, it's a good thing he hasn't done anything yet." The first elder added fuel to the fire. From his tone, one could hear a trace of dissatisfaction towards Leng ruoxue.

"Godfather, Grandpa, I know you're worried about me, but I know what I'm doing." Leng ruoxue said helplessly. She had many ways to escape, but she would not use them unless she had no other choice. She knew that Godfather and first elder would be worried about her because of this, but now was not the time to reveal her trump card. After all, one had to have some secrets!

"Wretched girl! What did you call him?" Suddenly, the master of the ning family pointed at the great elder and questioned him angrily.

“Uh! Grandpa! What’s wrong?” Leng ruoxue was at a complete loss. Her Godfather seemed to be even angrier.

“That’s right! What’s wrong with Xue ‘er calling me grandfather?” The great elder chuckled provocatively, but he couldn’t help but wonder if he should thank that Xiao Bing! If it wasn’t for Xue ‘er wanting to get rid of him, he wouldn’t have had the chance to be his grandfather!

“Xue ‘er! You’re not allowed to call him grandfather!” The master of the ning family ordered. At this moment, his mind was filled with the word ‘grandfather’ from Leng ruoxue’s mouth. How could he still be bothered about what had happened before?

“On what basis? You were the one who agreed for me to appear as Xue ‘er’s grandfather. ” Without waiting for Leng ruoxue’s reaction, first elder roared in dissatisfaction. This damned old man was clearly burning the bridge after crossing the river! They had a good deal at home. One was a Godfather and the other was a grandfather! However, now that he had found Xue ‘er, he actually turned his back on her, Hmph! How preposterous! This definitely can’t happen!

“I didn’t say you’re not allowed to be Xue ‘er’s grandfather! I just don’t allow Xue ‘er to call you grandfather!” The master of the ning family emphasized that this stinky old man calling himself grandfather and Xue ‘er calling him were two completely different things. So, in order to protect his own interests, he would never allow this to happen!

“Is there a difference?” The great elder was confused.

“There’s a big difference,” The master of the ning family said fiercely.

As Leng ruoxue listened to their conversation, the black lines on her forehead slid down uncontrollably. She couldn’t help but sigh in her heart. Her Godfather and the great elder had actually forgotten to continue scolding her just because of the matter of how they addressed her. But this was good too. She could finally catch her breath.

However, things were not as good as Leng ruoxue had thought! Master ning and the great elder argued for a while before he turned his attention back to Leng ruoxue and continued to ramble on and on.

After a long time.

Leng ruoxue was about to fall asleep from the scolding, and master ning finally stopped.

The parched master of the ning family and the great elder, who had been fanning the flames, picked up the teacups on the table and drank it all in one gulp. Then, the two of them stared at Leng ruoxue, eyes wide open.

From their long talk, Leng ruoxue knew that Ning Yan had already brought the grapes and lotus seeds back to the ning family. When they heard that she was with Xiao Bing, her Godfather and great elder rushed over immediately. They stayed in the nightless city for almost ten days because they did not expect Leng ruoxue to arrive so slowly. These days, they had been worried that Leng ruoxue would be bullied and be hurt. Now that they saw her, they were all worried. Naturally, they wanted to vent out all the dissatisfaction in their hearts. Hence, Leng ruoxue, who knew she was in the wrong, did not stop them.

“Godfather! How’s the family competition?” Leng ruoxue let out a soft sigh and changed the topic.

The middle stage of the competition should have ended by now, but she didn’t see it. All of this was caused by that annoying fellow, Xiao Bing. So, Leng ruoxue couldn’t help but feel a trace of resentment towards him from the bottom of her heart.

“Ning Shan and Ning Hai, those two little guys, have performed well. They’ve already entered the final stage of the competition. If we can hurry back as soon as possible, we should be able to see the final match.” The master of the ning family knew what Xue ‘er wanted to ask, so he didn’t keep her in suspense and told her directly.

In fact, after Xue ‘er’s accident, he had originally wanted to postpone the family competition, but considering that it had already been suspended once, he did not do so this time. Otherwise, the ning family’s clansmen would be overthinking things again.

“That’s good!” Leng ruoxue nodded.

“My good granddaughter! How do you plan to get rid of Xiao Bing? It seems like Xiao Bing is planning to pester you. ” At this time, the first elder asked worriedly, and even deliberately emphasized the words “good granddaughter.” His eyes also faintly floated to the master of the ning family, hehe! Old man ning had agreed to this, so of course he had to call out to his heart’s content!

“I don’t know! I’ve tried a lot along the way, and I’ve also hinted that I’ll go home after seeing the fireflies, but he ignored me. ” Leng ruoxue felt a headache coming on. From the beginning to the end, Xiao Bing had never believed her and had even been testing her, trying to find out more about her. So, she really didn’t know how to deal with Xiao Bing, who was like a sticky candy.

“Xue ‘er! If it really doesn’t work, we’ll just cut him off!” The master of the ning family made a gesture of cutting his throat and said with a ruthless face.

“Godfather! If we kill Xiao Bing, we’ll have offended the Divine Master’s estate, and we’ll probably have to face them head on. ” Leng ruoxue asked worriedly. To the divine world, the God lord’s estate was a colossal existence. If the ning family was the king of the divine world, then the God lord’s estate would be the Emperor of the entire divine world. Furthermore, there would definitely be countless experts in the God lord’s estate. Therefore, the God lord’s estate was not something that she could afford to provoke at the moment. Even the ning family’s chances of winning against the God lord’s estate were not high. Hence, she did not approve of a conflict with the God lord’s estate now.

## **Chapter 1557: Shifting the disaster to the East (2)**

“Xue ‘er! The immortal realm is huge, and if Xiao Bing dies, it won’t be too soon for them to trace it back to us. However, if we really want to kill him, we have to be fully prepared. ” First elder said after some thought.

“Godfather, great elder, nightless city is too close to the ning family’s divine realm. If something happens to Xiao Bing here, not only will the city Lord not be able to escape, but the divine lord’s estate will also target the ning family’s divine realm. Although the divine lord’s estate won’t have any evidence that we killed Xiao Bing, it’s not a good thing to be targeted by them!” Leng ruoxue analyzed. She wasn’t

a Saint who would think for others in everything, but she didn't want to implicate the people of nightless city. More importantly, nightless city was attached to the ning family's divine realm. If something really happened to the people of the God lord's estate in nightless city, the ning family's divine realm wouldn't be able to get away with it.

"I really can't! We'll just divert the disaster." The master of the ning family laughed evilly, his face sinister.

"Old man, where are you trying to draw the trouble?" The Grand Elder asked curiously.

"How's the Yao clan?" Master ning said with a smile.

"I think it's fine!" The first elder nodded seriously with a gloating expression.

Leng ruoxue looked at how excited her Godfather and great elder were and could not bear to dampen their spirits. However, she could not help but pity the Yao family. Poor Yao family! Why are you so tired of Godfather's eyes!

In fact, she was also clear that although the relationship between the eight great divine regions seemed to be close, in reality, there were many contradictions in the light and in the dark! Things like dragging each other down happened from time to time. Moreover, the Yao family, as the second largest family, had always been envious of the ning family and had secretly caused trouble for them. At the same time, the Yao family was also the biggest thorn in the ning family's side! Hence, it was only natural that Godfather wanted to lure Xiao Bing to the Yao family's territory. However, he did not know if Xiao Bing would fall for it.

"Then it's decided. Tomorrow, we'll go to the Yao family's divine territory for a stroll." Master ning couldn't hide the pride on his face, and he was even more narcissistic in his heart. How could he be so smart? He really admired himself.

"Godfather! How far is the Yao family's God domain from here?" Leng ruoxue could not help but ask.

"If we're fast, we'll be there in five days." Master ning's face revealed a wretched smile, and he was also a little excited in his heart. Hehe! He had wanted to deal with that old thing in the Yao family for a long time. Today, he finally found an opportunity to add some trouble to the Yao family. He believed that after this matter was done, the Yao family would not be able to rest for a while.

"Five days? Then wouldn't the round trip take ten days? would we still be able to make it in time for the clan competition?" Leng ruoxue asked.

"Don't worry! The final stage of the competition would take at least half a month! This doesn't even include the rest time in between, so we have enough time." The master of the ning family frowned and calculated before saying.

"But, I told Xiao Bing that flying beasts would faint! We can't just walk to the Yao family's divine realm!" Leng ruoxue's beautiful face was filled with innocence. She blinked her beautiful eyes and stared at the two old men in front of her.

"This ... If we were to walk, it would probably take at least half a year to get there." The master of the ning family said seriously.

“Damn old man! Now is not the time for you to joke.” When the great elder heard the ning family Master’s words, he glared at him unhappily, then said, “It’s just making flying beasts dizzy! This was not a big deal! If Xiao Bing asks, you can just say that you ate a beast stun pill.”

“Animal knockout powder? There’s such a thing?” Leng ruoxue had a look of surprise on her face. She had heard of medicine for motion sickness and seasickness, but this was the first time she had heard of medicine for beast sickness.

“Of course not! However, you can just make up something to fool him!” The first elder disapprovingly said.

“Uh! Alright!” Leng ruoxue wiped away the cold sweat on her forehead and agreed.

“Hehe! We’ll head to the Yao clan’s Divine Domain tomorrow morning. Have a good rest!” The master of the ning family made the final decision, and then he said, “Xue ‘er girl, take out your house! Let’s go in and sleep. It’s going to be very noisy outside.”

“En!” Leng ruoxue nodded. She then took out the house and placed it in the spacious living room.

The living room was very large. It seemed that his Godfather had already prepared it.

After taking out the house, the master of the ning family and the great elder walked straight in.

As for Leng ruoxue, she was lying on the bed in the inn.

When night fell, Leng ruoxue left the room on purpose to put on a good show. She planned to go see the fireflies, and as expected, she saw Xiao Bing waiting for her.

“Miss Leng, did you sleep well?” Outside the room, Xiao Bing, who was leaning against the corridor wall, greeted Leng ruoxue with a faint smile.

“Not good! I don’t like the bed.” Leng ruoxue said helplessly. She then continued, “Mr. Xiao Bing, father and grandfather are bringing me home tomorrow.”

“Oh! May I know where miss Leng’s home is? perhaps we can go the same way.” Xiao Bing said with a smile.

After hearing Xiao Bing’s words, Leng ruoxue was extremely depressed. How could Xiao Bing be so thick-skinned? Leng ruoxue had already said that she was going home, yet she still wanted to go the same way as her. However, this was also within her expectations, so Leng ruoxue only grumbled in her heart. She then chuckled and said, “My home is in the Yao family’s God domain.”

“May I know what is the relationship between miss Leng and the Yao family?” Xiao Bing asked as he searched for the news of the smaller clans in the Yao clan’s divine realm, but to no avail.

“I have nothing to do with the Yao family. We’re just living in the Yao family’s divine realm,” Leng ruoxue’s lips curled into a smile as she replied indifferently.

“Oh!” Xiao Bing replied softly. After saying that, he felt a little frustrated. There were many small and medium-sized clans in the Yao clan’s divine realm, but Leng ruoxue said that they had nothing to do with the Yao clan. Was this possible? The families in the Yao family’s divine realm were basically dependent

on the Yao family for survival. Otherwise, the Yao family wouldn't have allowed you to live in the Yao family's divine realm. Hence, his intuition told him that Leng ruoxue was lying to him again.

"I know what Sir Xiao Bing is thinking, but my family only has my grandfather, father, and sister. The Yao family won't like us, and we're only temporarily staying in the Yao family's divine realm. Once we have a fixed place to stay, we'll leave that place." Leng ruoxue, who had seen through Xiao Bing's thoughts, explained with a forced smile.

After hearing Leng ruoxue's words, the doubts in Xiao Bing's heart were slightly relieved. However, he did not completely believe Leng ruoxue's words, because his intuition told him that the three of them had a secret.

"Miss Leng, I'm also going to the Yao clan's divine realm. Let's go together tomorrow!" After a moment of silence, Xiao Bing finally spoke. Actually, he did not have to follow Leng ruoxue and the other two, but he was too suspicious. He felt that Leng ruoxue was a mystery, so the more confused he was, the more he wanted to find out.

"Alright!" Leng ruoxue nodded, then turned around and went downstairs. Xiao Bing naturally followed.

### **Chapter 1558: Shifting the disaster to the East (3)**

Their room was on the second floor. The first floor was the hotel lobby and the dining room. After Leng ruoxue went downstairs, she went to the dining room to have something to eat before leaving the hotel. Xiao Bing followed by her side.

As she walked on the streets of the nightless city and looked at the people walking to and fro, she thought about the time bomb that was following her. No matter what, Leng ruoxue couldn't bring herself to be happy.

However, it was a good thing that Xiao Bing didn't talk much. Otherwise, she would be even more depressed.

After a long time.

Leng ruoxue felt that it was about time.

"Sir Xiao Bing, it's getting late. We still have to head to the Yao clan's Divine Domain tomorrow. Why don't we return to the inn earlier to rest?" Leng ruoxue chuckled as she reminded him.

"En!" Xiao Bing nodded. The reason why he followed them out was to keep an eye on Leng ruoxue. Since Leng ruoxue was going back, there was no reason for him to continue loitering around on the streets.

After returning to the inn, Leng ruoxue greeted Xiao Bing and returned to her room. She only heaved a sigh of relief when she entered her room. Acting was quite tiring, especially when the opponent was a difficult character.

The next morning.

After Leng ruoxue and her two grandparent's had their breakfast, they planned to head to the Yao clan's divine realm.

Standing at the door of the inn, the master of the ning family looked at Xiao Bing and said with a smirk, "Mr. Xiao Bing, can I borrow your flying beast? When our flying beasts came here, they flew too fast and got tired." In fact, he was afraid that Xiao Bing would recognize him if he took out his flying beast, so he had no choice but to target Xiao Bing. Who asked that guy to stick to them!

"Uh! I can!" Xiao Bing had no choice but to summon his flying beast.

His flying beast was a huge flying bear. It was almost three meters tall and its entire body was yellow in color. It was a level 8 saint God beast and had a pair of golden wings that were slightly thinner than the flying bear.

When Leng ruoxue saw the flying bear, she almost laughed out loud. This was because it was a pair of wings on a bear's body. No matter how she looked at it, it was comical. Furthermore, she was very suspicious. With the bear's weight, could it even fly?

"Don't worry! Feifei's flying speed is very fast and very stable." Seeing through Leng ruoxue's thoughts, Xiao Bing said with a helpless expression.

"Are you sure it won't fall from the sky?" Not only did Xiao Bing's words not make Leng ruoxue feel at ease, she even asked him directly.

"I definitely won't!" Xiao Bing looked helpless and did not know what to say.

"Beauty! I'll make you comfortable! Don't worry!" The giant bear, Feifei, saw that Leng ruoxue did not trust it, so it promised her. However, it was fine if it did not say anything, but once it did, it would shock everyone with its words!

When Leng ruoxue heard Feifei's words, black lines appeared on her forehead. She thought to herself, 'could it be that one is marked by one's proximity to Vermillion and one is marked by one's proximity to ink? did it learn from its master to say such fantasizing words?' At the thought of this, Leng ruoxue's beautiful eyes could not help but drift towards Xiao Bing.

Her probing and suspicious gaze made Xiao Bing's face turn red, as if it was on fire.

"Feifei means that it'll be very comfortable to sit on it. Don't misunderstand!" Xiao Bing quickly explained, but after he said that, he felt that something was wrong, but he couldn't put his finger on it!

"Oh!" Leng ruoxue deliberately dragged her words and looked at Xiao Bing with a half-smile, then at the giant bear who seemed to be embarrassed. She came to an important conclusion-a beast takes after its master! A crooked upper beam will have a crooked lower beam!

"It's late! Let's get on our way!" Xiao Bing said awkwardly. Then, he recalled that Leng ruoxue had mentioned that she would be fazed by beasts. He looked at Leng ruoxue worriedly and said, "Miss Leng, what are you going to do?"

"What's wrong?" Feifei asked curiously.

"Fei Fei! Young lady Leng can make flying beasts faint." Xiao Bing explained to his pet.

“Oh! Then I’ll fly slower.” Feifei looked at Leng ruoxue with sympathy. Poor little beauty! Why would she faint on a flying beast!

“No need, I’ve already taken a beast vertigo pill.” Leng ruoxue said. She was secretly glad that she was prepared. Otherwise, she really didn’t know how to deal with this!

“Beast vertigo pill? What’s that?” Xiao Bing’s face was filled with confusion and big question marks. His pair of black and bright eyes were staring at Leng ruoxue without blinking, as if he was saying, ‘open my eyes!’

“This is it! If Sir Xiao Bing is interested, you can try one.” Leng ruoxue took out a black pill from her bracelet and handed it to Xiao Bing.

Xiao Bing took the pill and sniffed it. He was surprised to find that the pill was stinky. Although the smell was not obvious, he could not pretend that he could not smell it.

“This is the beast vertigo pill? Why is it stinky?” Xiao Bing’s handsome face was filled with disbelief, but he knew how to ask shamelessly.

“It’s stinky. Once you eat it, you won’t have the mood to think about other things. That’s why it’s effective against fainting beasts.” Leng ruoxue’s mind was spinning as she made up a story. Actually, that wasn’t a beast vertigo pill! That pill was a stinky pill that she usually used to prank people. The reason why she had taken it out to fool people was because she knew that even an Alchemist who was proficient in alchemy would not know what a stinky pill was. In the immortal realm, there was no one who really suffered from beast phobia, so even if Xiao Bing wanted to find someone to test the pill on, he would not be able to find anything. Of course, there would still be a stench, and it would not be removed in a short period of time.

“Sir Xiao Bing, do you want to compensate me?” Leng ruoxue laughed evilly.

“Uh! No need! I don’t have beast phobia.” Xiao Bing said hurriedly. He did not dare to eat anything carelessly, what if something really happened? Moreover, the pill’s stench was somewhat unacceptable to him.

“What a pity!” Leng ruoxue felt a little regretful.

“Let’s go!” Xiao Bing said as he wiped the cold sweat off his forehead.

Leng ruoxue and the other two nodded and sat on Feifei’s back.

The fur on Feifei’s back was very thick. It was indeed very comfortable to sit on as it had said. However, Feifei was clearly a Chatterbox. After it took off, its mouth did not stop. Furthermore, it kept calling Leng ruoxue ‘beauty’. Leng ruoxue was both angry and amused when she heard it. However, she could not be too calculative with a big stupid bear, so she could only pretend that she had not heard it.

“Beauty! Why are you ignoring me?” Seeing that it was being ignored by Leng ruoxue, Feifei turned its head around and said with a face full of hidden bitterness.

“Focus on flying! Be careful, you might hit the tree!” Leng ruoxue reminded. The trees in the immortal realm were all tall and straight, and many of them even shot up into the sky. Hence, if one was not careful while flying, it was possible that one would crash into a tree.

Who knew that just as she finished speaking, she heard a 'bang!' , Followed by a violent shaking. Then, a few leaves fell on Leng ruoxue's body.

#### **Chapter 1559: Shifting the disaster to the East (4)**

Feifei really did crash into a tree. Leng ruoxue almost laughed out loud when she saw the big bright bump on its head. Was she a jinx?

Feifei, who had crashed into a huge tree, endured the pain and steadied its body. Then, it continued to look at Leng ruoxue with a face full of resentment and slowly said in a wronged tone, "Beauty! You have to compensate me!"

"What does it have to do with me? I'm not the one who bumped into you! You can go ask it for compensation!" Leng ruoxue pointed at a giant tree not far away.

"It's not a beauty. Besides, I bumped into the tree because I turned around to talk to you. That's why you should make it up to me." Although Fei Fei was a bear, it was quite smart. It naturally knew that if something happened, it had to find the culprit.

"Did I ask you to turn around and talk to me?" Leng ruoxue was bewildered.

"No, I didn't." Fei Fei whispered.

"Since that's the case, you can just ask it for compensation!" Leng ruoxue reminded.

"But I just want you to compensate me." Feifei said shamelessly.

"Every injustice has its perpetrator, every debt has its debtor. You can go look for whoever hit you." Leng ruoxue rolled her eyes at Feifei. After she finished speaking, she turned around and did not look at it anymore.

Feifei glared at Leng ruoxue for a long while. Seeing that Leng ruoxue had no reaction and its master looked like he was waiting for a good show, it sighed and resigned itself to its fate. This time, it finally closed its mouth. Actually, it was not that it did not want to talk anymore, but no one would bother with it even if it did! Sob ... It was a bear that was despised by others!

After five days of traveling, Leng ruoxue and the rest finally reached the Yao clan's divine territory.

Although the Yao family's God domain was ranked second among the eight God domains, its size was not any smaller than the ning family's God domain. In recent years, it even showed signs of surpassing the ning family's God domain. The biggest reason for this was the Yao family's competitive ancestor.

Feifei carried Leng ruoxue and the rest and landed outside a small border city that belonged to the Yao clan's divine territory.

This city was located at the very edge of the Yao family's divine territory. As it was quite far from the main city and there were very few people living in the city, it did not seem as luxurious as the other cities in the Yao family's divine territory.

However, this city had a rather pleasant name, hundred birds city.

It was said that this hundred Bird City had a long history in the divine world, and its age was uncountable. This name was also passed down from the ancient times and had been used until today. Even compared to the main city of the Yao family, this hundred Bird City was an ancient city worthy of its name. However, the location of this hundred Bird City was too remote, so it was not valued by the Yao family.

Leng ruoxue and the rest walked into the city on foot. As they walked along the streets of hundred Bird City and looked at the antique-looking buildings, master ning couldn't help but exclaim, "This hundred Bird City is indeed an ancient city. It has a strong cultural atmosphere!"

As an ancient city, there would naturally be unforgettable things. However, with outsiders present, he could only sigh and not comment. However, the great elder did not have his concern.

"So what? In the eyes of the Yao clan, this city is of no value." The first elder curled his lips and said in disdain.

"Al! What a pity!" The master of the ning family looked regretful. He couldn't help but think to himself, "why did such a valuable ancient city have to be in the Yao family's divine realm?" Wasn't that a waste of God's gift?

"What's there to pity? this city is old. It's time to let it rest." The first elder sighed.

When Leng ruoxue heard their conversation, she naturally knew what they were thinking. Her Godfather and great elder had lived for God knows how long, so it was only natural for them to have a deep impression of these things that existed in their memories. It was a pity that the divine world was not the world she was in in her past life, so they knew the value of cultural relics. Furthermore, these things happened to belong to the Yao family, so they probably didn't care about it. Otherwise, why would they let this ancient city be so deserted? And this hundred birds city, compared to the other cities she had seen before, was indeed a little old, even not comparable to the nightless city.

"Al! Xue 'er! Let's go home!" After the master of the ning family sighed, he told everyone that he had asked his subordinates to buy a house, which happened to be located in the hundred Bird City.

"En!" Leng ruoxue nodded.

Then, they followed the master of the ning family to a house.

This house was located in the Northwest of hundred Bird City, less than a thousand meters away from the city Lord's mansion. It was in a very good location, and it faced South. Although it was just an ordinary house, the courtyard was full of flowers, looking particularly warm.

After entering the courtyard, the master of the ning family ordered someone to take Xiao Bing to the guest room, and they went back to their own rooms.

After a simple rest, the master of the ning family held a banquet to entertain Xiao Bing. During the banquet, Xiao Bing actually asked about Ning Yan's whereabouts, but he was simply pushed away by Leng ruoxue.

For the next few days, Leng ruoxue also used cultivation as an excuse to hide in her room, avoiding Xiao Bing.

Xiao Bing, who was staying in the guest courtyard, could not figure it out no matter how much he thought about it. Not only was he unable to see Leng ruoxue, but he could also not see her grandfather and father.

Xiao Bing, who was bored to death, walked out of the courtyard and was about to try looking for Leng ruoxue and the others. Suddenly, a golden bird descended from the sky and landed on his shoulder. It spoke in the human language, "Sir Xiao Bing, the Divine Master has ordered you to return to the Divine Master's estate immediately." After saying that, the golden bird turned into nothingness and disappeared without a trace.

This little golden bird was the Divine Master's unique communication method. No matter where he was, as long as he was still alive, he could find him. Moreover, this method was only used by the Divine Master. Even if others wanted to imitate it, they wouldn't have the chance. However, he couldn't understand why the Divine Master would summon him back at this time.

However, since the Divine Master had already given the order, he naturally did not dare to delay. Even though he was a little unwilling, he could only leave this place. As for that Leng ruoxue, he would find out more about her when he had the chance! Thinking of this, he strode towards the main courtyard.

Xiao Bing was stopped by a man who claimed to be the Butler as soon as he entered the main courtyard.

"Mr. Xiao Bing, my lady is still cultivating." Ning Shan, who was disguised as the Butler, said with a guarded expression.

"I know. I want to see your master." Xiao Bing said helplessly. The Butler was guarding against him as if he was a thief, and he really didn't know how he had offended him.

"Is there anything I can help you with, Sir Xiao Bing? My master is taking an afternoon nap!" Ning Shan said.

"I'm here to bid farewell." Xiao Bing told the truth. What he didn't know was that his decision to leave had saved him from a fatal disaster.

"Sir Xiao Bing is leaving?" Ning Shan was shocked. If Xiao Bing left, wouldn't their arrangements be in vain? The reason why they hadn't made a move for the past few days was to confuse Xiao Bing so that they wouldn't alert the enemy. However, now that the snake that they had set up was about to leave, their efforts would be in vain.

"Mm! The God Lord's mansion has an important matter. The God Lord has ordered me to return as soon as possible." Xiao Bing explained. Actually, he didn't need to explain to a Butler, but after spending these few days together, he knew very well that if he didn't make things clear, the Butler would never let him see the master of the Leng family! Ah! He, Xiao Bing, could get whatever he wanted in the divine Lord's Manor, but now he had to listen to a Butler. What was going on?

In that case, I'll inform my master. Please wait a moment, Mr. Xiao Bing." After Ning Shan finished speaking, she unwillingly entered her master's room.

In the room.

Hearing Ning Shan's words, the master of the ning family had a serious and unwilling expression.

When Leng ruoxue saw her Godfather's expression, she chuckled and said, "Godfather! Wasn't it good that he was leaving? We'll save a lot of trouble!"

"Then we've come to the Yao family's divine realm for nothing! I've been setting it up for several days, but I didn't use it. I'm not satisfied!" The master of the ning family said in frustration. In fact, the reason he wanted to kill Xiao Bing was that he was too difficult to deal with. Other than that, he didn't do anything too much to Xue 'er.

However, if he could get rid of Xiao Bing and frame the Yao family, wouldn't that be perfect? Right now, he seemed to be more depressed that he couldn't frame the Yao family, and he didn't care about Xiao Bing's life or death.

"Godfather, are you not willing to let the Yao family live a carefree life?" Leng ruoxue said with a smile.

"En!" The master of the ning family nodded without any courtesy.

"That's easy!" Leng ruoxue said with a smirk. Then, she whispered a few words into master ning's ear. In an instant, master ning revealed a wretched smile.

"Hehe! Xue 'er! You are indeed my goddaughter! We'll do as you say!" Master ning nodded with a smile. Xue 'er's idea was great! He didn't have to kill Xiao Bing, but he could still frame the Yao family!

"Then, Godfather, please send Xiao Bing away!" Leng ruoxue urged.

"Good! I'll go see him now." Master ning left the room in a hurry.

First elder and Ning Shan, who were left in the room, saw that the master of the ning family was suddenly excited. They were also very curious. Their eyes were fixed on Leng ruoxue, as if they wanted to get an answer from her.

However, Leng ruoxue kept them in suspense and told them that they would know in a while.

After a while, the master of the ning family sent Xiao Bing off and returned to his room. Then, he told Ning Shan about his arrangements.

Then, Ning Shan left with a strange smile on her face ...

Late at night, Leng ruoxue and the rest left the house that they had only stayed in for a few days. Before they left, they even set a fire ...

At the same time, Xiao Bing, who had just left hundred birds city, was on his way.

He, who was lying on Feifei's body, suddenly staggered and almost fell off.

At this moment, Feifei was flying in the air. If he fell, even if he didn't get crushed, he would be seriously injured. Therefore, he was extremely angry and was about to reprimand Feifei when he found that he was surrounded.

There were dozens of people surrounding him, and they were all dressed in black, with unfriendly smiles on their faces. Moreover, they were all sitting on flying beasts.

However, these Men in Black were obviously trained and were not like those ordinary bandits who robbed houses. From their looks, they looked more like guards of some family. However, most of the guards in the families in the divinity wore black, so Xiao Bing could not tell where they came from.

After calming himself down, Xiao Bing slowly said, "Who are you people? What do you want to do?"

"You're so bold! How dare you fly above our Yao family's God domain!" The leader of the black men glared at Xiao Bing angrily. The other Men in Black shared the same hatred and glared at Xiao Bing.

Xiao Bing was relieved to hear the leader's words. As long as these people were not bandits, it would be much easier to deal with them. After all, he was a member of the divine Lord's Manor. These people would not dare to disrespect the divine Lord's Manor.

"You are the guards of the Yao clan?" Xiao Bing asked despite knowing the answer.

"So what if I am? Don't even think about trying to get close to us. Even if he's the Emperor, he can't fly in the sky above our Yao family's God Realm!" The leader of the Men in Black shouted in a bad mood.

"I'm Xiao Bing from the Divine Master's estate! [I'm going back to the Divine Master's mansion under the Divine Master's order. Please make it convenient for me!] This is my token!" As Xiao Bing spoke, he took out a golden token. The two words "Xiao Bing" were engraved on the front of the token, while the totem of the divine Lord's Manor was on the back.

The leader of the Men in Black looked at the token and said with a smile, "It really is the token of the divine lord's estate. However, even if you are a member of the divine lord's estate, you can't fly in the sky above the Yao family's divine territory!"

"Oh, really? Didn't your patriarch tell you that the token of the Divine Master's estate has special privileges no matter where it is?" Xiao Bing laughed coldly as he became even more dissatisfied with the Yao family. The Yao family had gone too far. They dared to make things difficult for the people of the God lord's estate. Didn't they know that the entire divine world was under the jurisdiction of the God lord's estate? Everyone in the divinity had to listen to the orders of the God lord's estate, but now, the Yao family had openly opposed the God lord's estate. They were overestimating themselves.

In the divine realm, although there was no written rule that flying beasts were not allowed when travelling through lands with owners, out of respect for the owners, everyone would tacitly agree to leave the city by walking or rent a beast carriage in the city. The act of riding a flying beast could also be regarded as a form of provocation to the owner.

In the eight great divine realms, almost all of the top forces had clearly stated that such behavior was prohibited. Therefore, Xiao Bing's behavior was very inappropriate. However, he was in a hurry to get back to the divine lord's estate, and he had the divine Lord's support, so he naturally didn't care about this rule. Now that he was suddenly stopped, and the other party obviously didn't take his identity seriously, he couldn't help but feel a great sense of disappointment. The dissatisfaction in his heart grew, and his face gradually darkened. However, Even so, it didn't have much of an effect on the Man in Black.

“I don’t know what privileges the token of the Divine Master’s estate has,” the Man in Black said with a smile. “I only know that you have violated the city rules of the Yao family!”

The leader of the Men in Black didn’t give him any face, and this made Xiao Bing, who was already in a bad mood, even more furious. He squinted his eyes and glared at the Men in Black in front of him, and released a trace of pressure. However, the Man in Black in front of him didn’t change his expression. Instead, he looked at Xiao Bing provocatively, as if to say, ‘your pressure is useless against us!’

Xiao Bing was furious. He had never been a kind person. Previously, when he was with Leng ruoxue and the others, he had concealed his true nature. Other than trying to figure out Leng ruoxue’s identity, it was also because Leng ruoxue was a rare beauty. As a man, he would naturally have some tender and protective thoughts towards women, and he was no exception.
