Chapter 1561: The mute eats yellow lotus (2)

However, before he could figure out Leng ruoxue's situation, he was summoned back by the Divine Master. Of course, he was not happy about it. In addition, the Yao family's guards were not blind. They knew that he was from the Divine Master's estate, but they still wanted to find trouble with him. This made the anger in his heart multiply. He could show Leng ruoxue mercy, but there was no need for him to do so to the Yao family guards.

"You're all looking for death!" Xiao Bing said coldly with his eyes half-closed.

"Yo! Are you threatening us? This is the Yao family's territory. You're courting death by threatening the Yao family's people in the Yao family's divine realm." The leader of the Men in Black warned.

"It is! Boss! He couldn't leave the Yao family's divine realm alive! We have to let him know the power of our Yao family, Hmph! The God lord's estate is nothing." The other man in Black agreed with a look of disdain. His words resonated with the other Men in Black, and they all burst into laughter.

"Hahaha!"

"You have to be punished for breaking the rules of our Yao family's divine realm. We don't care who you are!" After the Men in Black had enough of laughing, they said in unison. Some of them even flashed the weapons in their hands.

The bright light pierced Xiao Bing's eyes. With a thought, a long sword appeared in his hand. At the same time, he sent a message to the Divine Master's residence. Then, he waved the long sword in his hand, and a light blue sword light flew toward the leader of the Men in Black ...

Xiao Bing made the first move!

He was very clear on the principle of capturing the leader first to capture the bandits, so his first target was the annoying leader of the Men in Black. Moreover, the two of them seemed to be on par in terms of strength, so as long as he killed the leader, the others were not a threat at all!

Seeing that Xiao Bing had made his move, the leader of the Men in Black calmly dodged the sword light. He then gave a look to his subordinates, and instantly, a number of multi-colored godly skills were launched at Xiao Bing ...

Feifei, who was under Xiao Bing's feet, quickly cast a defensive barrier around its master. The rainbow-colored godly skills did not even have the chance to reach Xiao Bing before they were absorbed by a pale yellow defensive barrier.

When the Men in Black saw this, they were really envious, jealous, and hateful! This Fat bear's defense was just too abnormal, and it was also a level eight saint God beast. As a result, it was very difficult for them to break through its defense in a short time, and this made them quite unwilling.

"Captain! What do we do now?" One of the men in Black whispered to Xiao Bing in a low voice.

“We’re going to fight to the death! Otherwise, how can we face the head of the family?” The leader of the Men in Black said angrily. After he finished speaking, he threw a black ball the size of a baby’s fist in Xiao Bing’s direction. When the Men in Black saw this, they quickly kept a safe distance from Xiao Bing.

Xiao Bing sneered as he looked at the man in Black’s childish behavior, feeling contempt in his heart. In the immortal realm, Feifei’s defense might not be the best, but it was definitely in the top ten. So, no matter what they did, he would not be afraid! This was also the trump card that allowed him to fight against so many people at once. Therefore, he really didn’t care about that small black ball. Also, according to his guess, that thing should be a bomb.

However, after waiting for a while, he didn’t see the thing explode. Instead, he smelled an unpleasant smell rising from his surroundings ...

“Waa! It was so smelly! You guys are so bad, do you want to suffocate Feifei to death?” Feifei couldn’t take it anymore and screamed, covering its nose with one of its huge claws. Slowly, its body became stiff and numb. It shook its body for some reason, but it forgot that it was in the air, and Xiao Bing, who was on its back, fell straight down without any preparation ...

“Argh! Master!” Feifei, who felt that something was wrong, shouted loudly again.

“Damn you, Feifei!” Xiao Bing bellowed and quickly reached out an arm to grab Feifei’s long hair, hanging it in the air. However, this way, he was completely exposed to the Men in Black and became a live target.

“Hehe! Brothers! Please entertain the guests of the divine lord’s estate!” The leader of the Men in Black laughed evilly, and at his command, dozens of divine skills flew toward Xiao Bing ...

This time, without the protection of Feifei’s defensive barrier, those beautiful and dazzling divine skills landed directly on Xiao Bing’s body. In the blink of an eye, Xiao Bing was covered in wounds and in a sorry state!

Seeing the injuries on his body, the anger in Xiao Bing’s heart surged. He subconsciously grabbed onto Feifei’s long hair and held his sword with one hand. He held his breath and was about to counterattack when he suddenly realized that the Men in Black who had surrounded him had disappeared.

‘Damn it!’ Where were those people hiding? Xiao Bing’s bright black eyes searched around, but he couldn’t find a single clue.

“Xiao Bing! Are you alright?” Suddenly, a loud voice rang in Xiao Bing’s ears. He raised his head and saw the man in red, who was looking at him with a smile. The anger in his heart grew because this man was none other than his rival, jin yang. However, at this moment, he also knew why the Men in Black had suddenly disappeared.

“What do you think?” Xiao Bing said through gritted teeth.

“Looking at how angry you are, you should be fine! However, you have quite a lot of injuries on your body. Are you being besieged?” Jin yang said, gloating.

“You don’t have eyes. Can’t you see for yourself?” Xiao Bing said angrily. This damn guy just loved to laugh at him. He couldn’t understand why the Divine Master sent this guy here when he knew that they

didn't get along. Wasn't he just causing trouble for him? Especially when jin yang saw him in such a sorry state!

"Tsk tsk! How pitiful! It's a good thing I came in time, otherwise, I would have to collect your corpse. " Jin yang said with a smile, but he felt a little regretful in his heart. If only he had come a little later!

"Dammit! Quickly pull me up!" Xiao Bing flew into a rage out of humiliation. He was still hanging in the air! That damned guy actually pretended not to see it and was even talking nonsense with him.

"Argh! What's wrong with you? You're not riding a flying beast, but a flying man. " Jin yang seemed to have just noticed Xiao Bing's state, and he said with a surprised look.

"Master! It hurts!" At this time, Feifei, whose long hair was being pulled, finally couldn't bear the pain and whispered.

"You shut up!" Xiao Bing roared. Then, he looked at jin yang with an unfriendly expression and said, "Hurry up and help!"

"Alright!" Jin yang knew when to stop. He sat on his flying beast and came to Xiao Bing's side. He reached out his hand and gently lifted Xiao Bing, then threw him onto Feifei's back.

Xiao Bing took a healing elixir, looked at jin yang, and said, "Why are you alone?" He had asked the Divine Master for help, saying that he had been besieged. The Divine Master wouldn't have only sent jin yang, right?

Chapter 1562: The mute eats yellow lotus (3)

"I'm flying fast, the others are behind me, they should be here soon. " Jin yang said seriously. Although he hated Xiao Bing, he was still a member of the Divine Master's estate. As the saying goes, you have to look at the owner before you hit a dog! Since the other party dared to mess with the Divine Master's estate, it was no longer Xiao Bing's personal matter. Therefore, the Divine Master's estate had to step in and settle this matter.

"God Lord, do you have any instructions?" Xiao Bing nodded and asked.

"The Divine Master has given me full authority to deal with this matter! Don't worry! I will seek justice for you. " Jin yang promised with a smile.

"I want to deal with this myself!" Xiao Bing said bluntly. He didn't believe that jin yang would seek justice for him. It was already good enough that jin yang didn't hit him when he was down. Why would he care about his life or death?

"Xiao Bing! Although we've never been on good terms, this matter is no longer your personal matter. The Yao family has disgraced the divine lord's estate, so we naturally won't let them off easily!" Jin yang reminded him. He knew that Xiao Bing didn't trust him, so he wasn't willing to stand up for him. However, this was the Divine Master's order. He did not dare to disobey.

"Don't worry! You'll definitely be satisfied. " Jin yang added.

“Then I’ll believe you this once.” Although he didn’t really trust jin yang, he believed that jin yang would never bring shame to the divine Lord’s residence.

“Oh right! Didn’t you go to the endless sea? Why would he appear in the Yao family’s God domain?” Jin yang asked with a face full of question marks.

“I chased a Dolphin from the eye of the endless ocean to the cold pond near the ning family’s divine realm, and then I came here.” Xiao Bing explained simply, but he hid the fact that he had met Leng ruoxue.

“Have you managed to contract that Dolphin?” Jin yang asked curiously.

“No, I didn’t! We let it run away!” Xiao Bing was annoyed.

“He ran away? How was that possible? The beasts in the sea were much weaker on land, so how could they escape? Could it be that the dolphin has the strength of a reverent-God?” Jin yang guessed.

“No, I didn’t! It’s just a Godking level Dolphin.” Xiao Bing said gloomily. He had wanted to catch a Beastie from the sea for a long time, and this was his best chance. Who knew that he would not be able to catch one?

“But you didn’t catch him?” Jin Yang’s face was full of disbelief, and there was a faint trace of contempt in his eyes.

“Do you think the sea beasts are easy to catch?” Xiao Bing said in a bad mood. After that, he turned around and ignored jin yang.

Not long after, the main force sent by the God Lord’s Manor finally arrived.

There were about twenty people sent by the God lord’s estate, including jin yang. Most of them were divine emperors, and the weakest among them was a Divine King. It was clear that the God lord’s estate’s strength could not be underestimated.

These people were led by jin yang. Although jin yang also had the strength of a divine Emperor, the strength of divine emperors of the same level was not exactly the same. However, jin yang was definitely a top expert among the divine emperors and was deeply trusted by the Divine Master.

Seeing that everyone had arrived, jin yang and the others flew directly to the main city of the Yao family.

At this time, it was late at night in the main city of the Yao family. Most people were immersed in their dreams. After arriving at the destination, jin yang and the others did not delay and went straight to the main house of the Yao family.

The Yao family’s main residence was located in the center of the Yao family’s main city, covering an area of hundreds of thousands of hectares. From the outside, one could only see tall and majestic buildings standing in the main residence, giving off a majestic feeling.

Upon entering the main residence, one would realize that the Yao family was built with a cluster of palaces. The pavilions and pagodas reflected each other, and a small bridge ran through them. In addition, many precious flowers and plants were planted in the courtyard, giving one a sense of pleasure.

However, the angry Xiao Bing and the others were not in the mood to appreciate the Yao family's luxury. Besides, in their eyes, the Yao family's mansion was not even comparable to the divine Lord's mansion.

After reporting his identity, he was respectfully invited into the living room of the main residence. Xiao Bing and the others sat on the chairs and waited for a moment before a middle-aged man came in with a hurried expression.

"Mr. Jin yang, Mr. Xiao Bing, and everyone else, Hello. Sorry for not welcoming you." The middle-aged man wiped the cold sweat from his forehead and said in fear. Although he looked like that on the surface, he could not help but curse in his heart. Nothing good could come from coming to the Yao family in the middle of the night! Not to mention that her sweet dreams were disturbed, she still had to treat these people like her ancestors. She was really aggrieved!

However, these people were from the Divine Master's estate! Although the Yao family was ranked second among the eight great divine regions, they still had to act according to the God Lord Manor's wishes!

"You're the head of the Yao family?" Xiao Bing said coldly as he lifted his eyelids.

"I'm the acting head of the Yao family, Yao Hua!" Yao Hua introduced himself.

"Acting clan head? We're here to see the head of the Yao family, but you're using a substitute head to fool us. Do you think we're easy to bully?" Xiao Bing squinted his eyes and said unhappily.

"Uh! You've misunderstood, Sir Xiao Bing. The master is not in the main residence. " Yao Hua was so scared that he quickly said. In fact, he was lying through his teeth, because the Yao family's ancestor was in the family's forbidden area! However, the old ancestor did not want to see the people of the divine lord's estate, so he had asked him to deal with it. However, looking at the attitude of these people, he was afraid that he could not deal with them.

"Not in the main residence? Where did the Yao family head go?" Xiao Bing asked coldly, not believing Yao Hua's words at all.

"I went out to meet some friends." Yao Hua said after some thought.

"Friends? I thought you'd tell me that your ancestor was in seclusion!" Xiao Bing said with a half-smile.

"Uh! I really went out to meet some friends. " Yao Hua said nervously. In fact, he really wanted to say that he was going into seclusion, but he didn't know why these people were here. If they had something important to do, they couldn't just come out immediately after saying that they were going into seclusion! That would be too fake.

"Since the head of the Yao family has gone to meet his friends, I'll have to trouble you to inform him to return on behalf of the head! We have something important to do!" Xiao Bing ordered coldly.

"This ... May I know what's the matter?" Yao Hua asked shamelessly.

"I was attacked in your Yao family's Divine Domain." Xiao Bing said indifferently.

"Arggh! Who's so bold!" Yao Hua was shocked, and he was crying out in his heart. No wonder he came to the Yao family. Could it be that he wanted the Yao family to help him find the murderer? However, it

was best not to get involved in this kind of thing, because if it was not handled well, he would get into trouble, he thought.

However, the other party was a member of the divine lord's estate, so he would not be so foolish as to reject him in front of him. However, if the other party was really as he had guessed, he would definitely not put in all his effort to find the murderer for the other party. In an instant, his thoughts turned over and over again, but his face remained calm and composed.

"They are the guards of your Yao clan." Jin yang said with a smile.

Chapter 1563: A mute eats yellow lotus (4)

"What? This is impossible!" Yao Hua quickly denied it. The guards of the Yao family were well-trained. How could they find trouble with the people of the Divine Master's estate? wouldn't that bring trouble to the Yao family? He was confident that the Yao family would never do that.

"Is it impossible? Take a look at this!" Jin yang smiled faintly and flashed a token the size of a palm. The token had the word "Yao" on the front and the totem of the Yao family on the back. Yao Hua saw it and knew it was the token of the Yao family's guard.

After seeing the token, Yao Hua was both shocked and angry. He was shocked that the other party had evidence of the Yao family, and angry that it was clearly someone who had framed him, because he didn't believe that his own guard would have such courage.

However, at this moment, he had unspeakable bitterness.

"Mr. Jin yang, is there a misunderstanding?" Yao Hua probed.

"Misunderstanding? Are you trying to say that this isn't your Yao clan's token?" Jin yang asked with a sneer.

"No! It wasn't! This is the token of our Yao family. However, our Yao family will never dare to go against the divine Lord's Manor, and they will never attack Sir Xiao Bing." Yao Hua said with certainty.

"Do you think I'll frame you?" He had already prepared for the Yao family to deny it before he came. However, even if they did not admit to it, he would not let it go. To put it bluntly, he had pestered the Yao family, and the Yao family had to give him an explanation. Otherwise, where would he put his face?

In fact, to him, it really didn't matter whether the Yao family admitted to it or not. In any case, they had evidence of the Yao family in their hands. If the Yao family denied it, then they would have to find a way to find the black-clothed men who had attacked him. If they couldn't find them, then the Yao family would naturally have to bear the consequences themselves. Thus, no matter what the result was, he would be the final winner.

"That's not what I meant, Sir Xiao Bing, you've misunderstood." Yao Hua's forehead was covered in cold sweat. He knew that Xiao Bing wasn't someone to be trifled with, but he didn't expect him to be even more difficult than he had imagined.

What I mean is, it's possible that the people who attacked Mr. Xiao Bing are trying to frame us." Yao Hua explained as he wiped the cold sweat off his forehead.

"Hahaha!" Xiao Bing laughed after hearing Yao Hua's words, then said with slight disdain, "Who would dare to frame the Yao family in their divine realm? If that's the case, your Yao clan's defense is too trashy!"

"Uh!" Xiao Bing's words left Yao Hua speechless.

"Mr. Xiao Bing, I know that you won't believe me even if I insist that this has nothing to do with the Yao family. Please give me a few days, and I will find out the truth and give you an explanation." Yao Hua was silent for a long time before he spoke in a depressed manner.

"That's good! Then I'll give you three days. After three days, if you can't give me a satisfactory explanation, don't blame me for not showing mercy." Xiao Bing said coldly with a straight face.

"Sir Xiao Bing, three days is not enough!" Yao Hua said with a bitter face.

"Yao Hua, acting patriarch, three days isn't a short time. We still have important matters to attend to when we return to the divine lord's estate, so we don't have much time to waste on this." Jin yang said with a faint smile. As soon as he said this, Yao Hua knew that the three days were set in stone and could not be changed.

"Alright then! I'll try my best." Yao Hua replied with a bitter face.

"Yao Hua, acting patriarch, I suggest you inform the Yao family patriarch to return quickly. I'm afraid you can't make the decision on this matter." Xiao Bing said very kindly.

"Mm! I'll inform the ancestor." Yao Hua felt extremely aggrieved. Of course, he would tell the old master about this, but he was worried that Xiao Bing and the others had given him too little time. If the other party was trying to frame him, three days would not be enough!

Not only that, but he also had to entertain these ancestors with good food and drink for the next few days. Wu ... Just the thought of it made him feel extremely depressed.

After arranging accommodation for Xiao Bing and the others, he immediately went to the forbidden area to see the old ancestor.

At Xiao Bing's residence.

In the room.

Jin yang looked at Xiao Bing, who was sitting opposite him, with a curious look on his face. He said with a faint smile, "Do you believe that the Yao clan will investigate this matter and hand over the person who attacked you in three days?"

"I don't believe it! This matter is of great importance, and the Yao family won't admit it easily. However, it doesn't matter to me whether they admit it or not." Xiao Bing said nonchalantly.

"When the Divine Master came, he told me that it's best not to fall out with the Yao family. The balance of the divine world is very important." Jin yang said lightly.

“Did I get attacked for nothing?” Xiao Bing was displeased.

“Of course I won’t! After all, you’re a member of the Divine Master’s estate. You have to look at the master before you hit the dog. How could the Divine Master let you suffer? However, he won’t put the Yao family to death.” Jin yang explained.

“Oh, really? I thought the Divine Master would use this matter to take down the Yao family in one fell swoop!” Xiao Bing laughed.

“Don’t talk nonsense. The divine realm is originally governed by the divine Lord.” Jin yang reproached. His eyes flickered nervously, for fear that the walls had ears.

“Hehe! I thought you’d be happy to hear me say that!” Xiao Bing smiled and said calmly.

“I’m just afraid that if you die, no one will go against me. Then I’ll be so bored!” Jin yang said matter-of-factly.

The Divine Master was not a broad-minded person. If he heard Xiao Bing’s words, he would definitely be punished. Moreover, such words could not be spread, or it would cause trouble for the Divine Master’s estate.

“Don’t worry! I’ll live well.” Xiao Bing looked out of the window, thinking about something.

Then, the two of them chatted for a while more before they went to rest.

Three days passed by in a flash.

Xiao Bing and jin yang had been sitting in the living room since early morning, waiting for Yao Hua’s reply.

When Yao Hua heard the news, he jogged all the way to the living room. When he saw the two people sitting on the chairs, he felt depressed.

“Patriarch Yao, you can give me an explanation for this matter!” Xiao Bing’s eyes were cold as he glared at Yao Hua.

“Well ... Mr. Xiao Bing, Mr. Jin yang, I’ve already sent people to investigate this matter, but there’s no news so far. The guards you told me about have also been found, so I can’t give you any answers now.” Yao Hua said as he secretly wiped the cold sweat from his forehead. Of course, his ancestor told him to say this because he didn’t believe that the guards of the Yao family would cause trouble for the people of the divine lord’s estate. Therefore, after hearing his description, he immediately concluded that someone was framing the Yao family. However, they didn’t know who it was.

“Your Yao family is trying to cheat! Or do you think I’m framing you?” Xiao Bing suppressed his anger and asked. He had thought that the Yao family would try their best to deny the matter, but he didn’t expect that the Yao family would not admit it at all. Three days had passed, and they only told him that they had not found the person. Were they trying to fool him? No way!

Chapter 1564: The mute eats the yellow lotus (5)

Upon hearing Yao Hua's words, jin yang, who had intended to make a big deal smaller, was a little angry. The Yao family was clearly not putting the Divine Master's estate in their eyes! Initially, he thought that the Yao family would find a scapegoat to settle the matter, and then compensate Xiao Bing with some money and things, and the matter would be over. However, he did not expect that the Yao family did not even plan to send out a scapegoat. Although he knew that Xiao Bing's attack was suspicious, since there was evidence pointing to the Yao family, he naturally did not want to interfere. However, the Yao family was obviously not easy to manipulate.

"Sir Xiao Bing, please don't misunderstand us. We are also investigating this matter. If this was really done by the Yao family, we will not let this matter rest. If not, we will definitely find out who dared to frame our Yao family and avenge Sir Xiao Bing and our Yao family." Yao Hua said with a calm smile on his handsome face. He was now full of confidence, and this was all thanks to his conversation with the ancestor.

"So you still don't believe me?" Xiao Bing understood Yao Hua's meaning. In the end, he just didn't believe that his own family would attack him.

"We have to have enough evidence to convict our clansmen. Otherwise, our clansmen will not be convinced." Yao Hua said helplessly.

"You mean that just the token of your Yao family isn't enough?" Xiao Bing said with a half-smile.

"Uh! It would be even better if we have other evidence. To be honest, the place where Mr. Xiao Bing was attacked is in Lin Fen, and we have already checked the guards there. They did not go out that night, and there are witnesses. Also, they did not lose their tokens." Yao Hua carefully explained.

"Are you sure?" Xiao Bing gave Yao Hua a sidelong glance.

"Yao family head, the people who attacked Sir Xiao Bing might not be the guards of Lin Fen, but that doesn't mean they aren't from the Yao family!" Jin yang reminded her with a smile.

"Uh! You're saying?" Hearing jin Yang's words, Yao Hua was a little frightened. He understood the other party's words. They wanted him to expand the scope of the search. However, he had to ask his ancestor for instructions. Otherwise, if something really happened, he couldn't make the decision.

"We have the footage of the people who attacked Mr. Xiao Bing. Do you need it?" Jin yang said with a smile. He didn't intend to take out this thing, but since the Yao family didn't know what was good for them, it was only natural to take it out and make them convinced.

After hearing jin Yang's words, Yao Hua had a bad feeling in her heart. She couldn't help but curse in her heart. If you had the video, why didn't you take it out earlier? aren't you playing us? However, jin Yang's words also made him a little afraid. What if the people in the video were really the Yao family? what would he do then? Moreover, since they had evidence, why didn't they show it earlier? This also made him puzzled.

Looking at Yao Hua's dark expression, Xiao Bing sneered in his heart. It was a good thing he had been careful back then, or else he would have been forced to suffer in silence. Originally, he had discussed with jin yang that if the Yao family's explanation satisfied them, they would not take out such evidence.

They would keep it for more important use in the future. However, he did not expect that the Yao family would not take the bait. In that case, he could not be blamed.

“Can I ... Take a look first?” After a long silence, Yao Hua finally spoke.

“Of course you can!” Xiao Bing took out a memory crystal with a smile and handed it over.

Yao Hua held the memory crystal in his hand and looked at its contents. He was shocked because the images in the crystal were indeed from the Yao family. Moreover, they were not ordinary guards of the Yao family. Suddenly, his hand trembled and the memory crystal in his hand fell to the ground with a bang! With a sound, it shattered into pieces.

“It doesn’t matter! I’ve duplicated a lot of them, so feel free to smash them, patriarch Yao.” Xiao Bing laughed nonchalantly. Do you want to destroy the evidence? In your dreams!

“Your Excellency Xiao Bing! I didn’t do it on purpose.” Yao Hua said pitifully with a bitter face. He knew that the other party would not believe him even if he said it, but he had to say it. In fact, he did not do it on purpose. He was just too nervous, so he accidentally dropped the memory crystal on the ground.

The memory crystal wasn’t very hard, and the Yao family’s floor was made of abnormally hard crystal. When the two hit each other, it was like an egg hitting a rock. Naturally, the one that broke was the one that was harder.

“It doesn’t matter whether patriarch Yao has the intention or not. You should discuss with your patriarch and elders how you’re going to give me an explanation!” Xiao Bing was in a good mood. From Yao Hua’s expression, he could tell that Yao Hua definitely knew the people in the memory crystal. Hmph! Let’s see how he’s going to quibble now.

Mr. Xiao Bing, Mr. Jin yang, please give me some time.” Yao Hua requested as cold sweat appeared on his forehead.

“No problem, I’ll give you one more day! My patience is limited.” Xiao Bing said generously and threw a memory crystal to Yao Hua.

Yao Hua held the memory crystal in his hand and left the living room with heavy steps.

Xiao Bing and jin yang, who were still sitting in their chairs, looked at each other and smiled. Both of them had a tacit understanding.

A day later.

The Yao family finally came to a conclusion. They were willing to pay Xiao Bing a huge sum of compensation, but at the same time, they also asked Xiao Bing to let go of the guards who had besieged him. Xiao Bing was in a good mood, so he agreed without hesitation. After all, he was very satisfied with the compensation from the Yao family!

As for those who had besieged him, he had no use for them. If he really killed them, he would have a huge grudge with the Yao family. The Yao family might not dare to take revenge on the surface, but they could do something in secret, and it was hard to guard against. Xiao Bing was not stupid, so he naturally did not want to make such a deep enemy. Therefore, he did the Yao family a favor, which was something the Divine Master was happy to see.

After paying a large sum of compensation and apologizing to Xiao Bing, even though they still did not believe that the guards of the Yao family would do such a thing, they could only swallow their pride as the evidence was conclusive. Furthermore, they did not dare to blame the guards who were stored in the memory crystal too much, because they were the people of their ancestor!

When Leng ruoxue and the rest heard the news, they had already returned to the ning family's main residence.

In a courtyard in the forbidden area of the back mountain, a burst of proud and wild laughter rang out. The sound resounded through the clouds and soared into the sky.

"Hahaha! Hahaha! I'm so happy!" The master of the ning family laughed and fell to the ground without any care for his image.

When Leng ruoxue saw this, she could not help but feel a few black lines sliding down her forehead. She thought to herself, 'does Godfather have to smile so shamelessly?' The Yao family only lost some money, and there were no casualties. It didn't affect the Yao family's strength at all. Wasn't it too early for Godfather to be proud?

"Godfather! Are you done laughing? The Yao family is just losing money to avoid disaster, do you need to be so happy?" Leng ruoxue said speechlessly and came to an important conclusion-Godfather was easily satisfied.

Chapter 1565: The mute eats yellow lotus (6)

"Xue 'er! You don't understand, the Divine Master won't easily touch a family like ours, so I thought this would be the result before I set up the trap. But that Xiao Bing is really ruthless, he actually got so much money from the Yao family, Hmph! Should I ask him for some dividends?" The master of the ning family hesitated, and then, he really started to think about it seriously.

"Old thing! Don't even think about the money, or else you'll be exposed! In this way, you've offended both the God lord's estate and the Yao family!" First elder quickly poured cold water on master ning.

"The God lord's estate won't find trouble with me for now. As for the Yao family! They're already rivals with our ning family, so it's fine to offend them a little more. " The master of the ning family said indifferently.

"Godfather! It wasn't easy for us to get rid of Xiao Bing, do you still want to walk into the trap?" Leng ruoxue reminded him helplessly. She couldn't let her Godfather have such thoughts. She couldn't wait to hide from Xiao Bing, so how could she let her Godfather come forward by himself?

"Xiao Bing is a little troublesome." Master ning cupped his chin with one hand and said gloomily. Although Xiao Bing was a divine Emperor, he was definitely one of the most difficult people to deal with in the divine Lord Manor. Otherwise, he would not have followed them to the Yao family's Divine Domain.

"MMH! So, let's stay away from him!" Leng ruoxue hurriedly nodded.

“Alright then! Let’s let him off for now!” Although the master of the ning family was a little reluctant, he did not have a good way to deal with Xiao Bing, so he could only let him have it first.

Hearing her Godfather’s words, Leng ruoxue’s heart was at ease.

At this time, the ning family’s competition had already entered the final stage. There were only twenty people left in the final stage of the competition, and these twenty people were also the elites of this competition. If there were no accidents, they would all be heavily trained by the family.

Ning Shan and Ning Hai were also included in these twenty people.

When Leng ruoxue heard the news, she had planned to visit the two brothers. However, just as she was about to leave, she met Ning Yan who had come to see her.

Ning Yan was staring at Leng ruoxue with a bitter expression, not saying a word! Leng ruoxue’s hair stood on end! Why was she the same as the grapes and the Lotus seeds!

The two maidservants looked at her like this before, but they didn’t say anything, which made her quite scared.

“Sister Yan, you’re so fast!” Leng ruoxue’s beautiful face was full of smiles.

“Is it fast? Wretched girl, do you know that I was worried to death when you were away for so many days?” Ning Yanhe roared like a lion. She put her hands on her waist and glared at Leng ruoxue.

Seeing Ning Yan like this, Leng ruoxue thought to herself, ‘no wonder everyone says Ning Yan is a tigress. I really do look like one!’

“Sister Yan! Calm down! Aren’t I back now? Besides, I have Godfather and great elder by my side, so what do you have to worry about?” Leng ruoxue consoled.

“You guys took so long to come back, did you encounter something fun? Hmph! You guys must’ve taken all the food for yourself, this is too much. ” Ning Yan said unhappily, as if saying, ‘how are you going to compensate me!’

“Uh!” Ning Yan’s words made Leng ruoxue speechless. After all this, it turned out that Ning Yan was unhappy because she wasn’t with her! She had thought that Ning Yan was really worried about her! Of course, he was worried, but it was more for fun.

“Sister Yan! Didn’t you say that Xiao Bing was sinister and vicious? Therefore, the task of coming back to report is very important, and it must be you!” Leng ruoxue thought for a while and coaxed.

“So what? I’ve already gone home, but father won’t take me with him.” Ning Yan complained.

“Uh! This is Godfather’s problem. I wasn’t there at the time. ” Leng ruoxue pushed all the blame away. She didn’t think that Ning Yan would dare to get even with her Godfather.

“Why should I bring you? We’re not going there to play. ” Master ning opened his mouth, but his eyes drifted to Leng ruoxue, his eyes filled with endless grievances.

However, his words successfully changed the topic.

“Little sister ruoxue! Although you’ve been away these few days, I’ve been watching Ning Shan and Ning Hai for you! With me around, no one would dare to do anything to them.” Ning Yan said with a smug look.

“Thank you, sister Yan.” Leng ruoxue smiled from the bottom of her heart. Actually, she was really afraid that in the few days that she wasn’t around, big brother ning and Shan ‘er had been violated! With Ning Yan around, he believed that no one would dare to use improper means.

“There’s no need to thank me, we’re not friends! As long as you think of me when you have something fun in the future, it’s fine!” Ning Yan warned him seriously.

“Alright!” Leng ruoxue nodded. This was as easy as lifting a finger to her. As for whether Ning Yan had that much time, it was not within her scope of concern.

Chapter 1566: Persuasion (1)

Seeing that Leng ruoxue had agreed, Ning Yan was in a good mood. After chatting for a while, she even took the initiative to say that she wanted to visit brother Ning Hai with Leng ruoxue. Then, the two of them went to find Ning Hai.

When they arrived at the door of Ning Hai’s house, Leng ruoxue and Ning Yan suddenly heard shouts coming from inside. They looked at each other and did not say anything. Instead, they listened carefully. Although they heard that it wasn’t a good idea, they were just concerned about brother Ning Hai! The two of them tacitly found an excuse for themselves.

At this time, in the courtyard of Ning Hai’s house, Ning Hai was arguing with a group of people.

There were about a dozen people in that group, and all of them had a disdainful smile on their faces. Their eyes were perverted, and they were looking at Ning Hai.

“Get lost! All of you, get lost!” Ning Hai roared in anger. F * ck! Did these people really think he was easy to bully? If not for the ning family, he would have kicked them out long ago.

“Ning Hai! It’s your fortune that our head butler has taken a liking to you. If you know what’s good for you, quickly agree to this matter. This will be a double blessing! Otherwise! Don’t even think about having a good life in the ning family in the future!” The leader of the group, a man in his thirties, reminded with a sneer.

“It is! You’ve offended our head butler. Do you still want to stand out in the ning family in the future?” The other person also roared like a fox exploiting a Tiger’s might.

When Ning Hai heard the words of these two people, he suppressed the anger in his heart and growled,“I told you to get lost, so what are you still doing here?”

“Ning Hai! Don’t you regret offending the head butler. You won’t have a good time!” The leader of the group threatened.

“So what if I did? At worst, we’ll leave the ning family’s divine realm!” Ning Shan shouted indignantly. His delicate face was flushed red. He had never thought that he would encounter such a thing. He had long been furious.

“Shan’ er!”

“Shan’ er!”

A few exclamations sounded one after another. Ning Hai looked at Ning Shan with a face of disapproval. This younger brother of his was innocent and did not know the dangers of the human world. As members of the ning family, unless they went out to train, once their entire family left the ning family’s divine realm, it would be equivalent to betrayal. This was a great humiliation to any family. Even if they were not hunted down by the family, they would be spurned by the people of the divine world. At that time, they would be like rats crossing the street, hated by everyone.

This was definitely not what Ning Hai wanted to see. Therefore, he would rather be the only one who offended the head butler than to see his brother and parents live such a life. However, he had a good plan, but he didn’t know that the reality was cruel. If he was really expelled from the family because he offended the head butler, would his parents and brother still have a good life? The answer was definitely no.

“Are you guys trying to betray your clan?” When the leader heard Ning Shan’s words, he laughed happily. He had finally caught them. He didn’t believe that with this big hat, this family would not submit!

“You can eat whatever you want, but you can’t say whatever you want! We didn’t say anything like that, so don’t even think about framing us.” Ning Hai’s heart sank, and he quickly said. He had been out for many years, so he more or less had the ability to read people’s expressions. Therefore, he understood the meaning of the other party’s words. However, he couldn’t let the other party carry out his words, otherwise, they would not be able to clear their name even if they jumped into the Yellow River.

“Ning Shan just said that he wanted to leave the ning family’s divine realm. I didn’t hear wrongly, right?” The leader of the group asked his subordinate.

“You didn’t hear wrong, he did say that, we can all be witnesses!” The person beside him immediately tried to please him.

“What else do you have to say now?” The leader of the group was very pleased with himself. As long as he thought of the benefits that the head butler would promise him after he succeeded, he would be so happy that he could fly.

“I only said to leave, I didn’t say I would betray the clan.” Ning Shan said calmly. Although he looked very calm on the outside, he was extremely nervous in his heart. He also knew that he had said the wrong thing in a moment of desperation. However, he was very smart and knew that the other party wanted to use this sentence as a handle. Naturally, he would not give the other party a chance.

“Little brat! Don’t quibble, I will report this matter to the head butler, and there will be a fair judgment!” The person in the lead did not give Ning Shan a chance to explain and said.

“You ...” Ning Shan was so angry that he could not speak.

“Let’s go!” The leader of the group came and went excitedly, thinking that victory was already in his hands. When they reached the door, they happened to bump into Leng ruoxue and Ning Yan who were about to enter.

What a stunning beauty! The leader of the group looked at Leng ruoxue and Ning Yan with a perverted look, his heart filled with amazement.

“You guys are from this house too?” After a long time, the leader asked loudly.

“En!” Leng ruoxue nodded but did not say much.

“I didn’t expect this family to have a hidden beauty.” The leader mumbled to himself. After that, he left with his subordinates. However, he turned back every three steps as he left, looking reluctant to leave.

“Sister Yan! Are they also part of the ning family?” Leng ruoxue chuckled as she asked.

“How is that possible? If there’s such a person in the ning family, I’ll be the first to clean up the house!” Ning Yan said angrily.

Leng ruoxue smiled but did not say anything more. She pulled Ning Yan into the courtyard.

At this moment, Ning Shan was still in the courtyard with an angry expression, while Ning Hai seemed a little depressed. As for their parents, they were also out of their wits and their faces were pale with fear. No one noticed the arrival of Leng ruoxue and Ning Yan.

“Big brother ning!” Leng ruoxue called out softly when she saw them in this state.

“Ruoxue! You’re back! Young miss! You’re here too!” Ning Hai saw Leng ruoxue and Ning Yan and quickly greeted them.

“Yes.” Leng ruoxue nodded. She knew that Ning Yan had made up an excuse for her disappearance.

“Ning Hai! Why do you call her ruoxue and call me young miss?” Ning Yan said unhappily when she heard how Ning Hai addressed her.

“Uh!” Ning Hai was stunned and didn’t know what to say. Could he say that Ning Yan was a rich young lady? Even though ruoxue was the elder ancestor’s goddaughter, he treated her like a little sister! He knew that he couldn’t say that. If he did, Ning Yan would definitely not let him off. Besides, Ning Yan had been taking care of them in secret these days, so he couldn’t say it.

“Hahaha! Sister Yan is jealous!” Leng ruoxue laughed and teased Ning Yan.

“Wretched girl, you dare to laugh at me!” Ning Yan glared at Leng ruoxue with dissatisfaction. However, she suddenly changed the topic and looked at Ning Hai, “Who were those people just now?”

“The ning family’s trash that uses their power to bully others!” Before Ning Hai could answer, Ning Shan spoke first.

“Shan ‘er!” “Shut up!” Ning Hai shouted and secretly gave Ning Shan a look, telling him not to talk nonsense. After all, Ning Yan was the eldest miss of the ning family!

Chapter 1567: Persuasion (2)

“Ning Hai! You’re not allowed to interrupt!” Ning Yan glared at Ning Hai and said. Then, she smiled and guided Ning Shan, “Ning Shan! Tell me, what’s going on?”

Leng ruoxue looked at Ning Yan’s expression, which was like a big Bad Wolf seducing Little Red Riding Hood, and laughed in her heart. However, she would not stop Ning Yan, because she also wanted to know what had happened just now. Seeing Ning Hai’s cautious look, he would not tell them on his own initiative.

Although Ning Shan wanted to say it out loud, he had just received his brother’s warning. For a moment, he didn’t know whether he should say it or not. He knew Ning Yan’s identity, but he wasn’t sure if Ning Yan would stand on his side. After all, their family was just a side branch of the ning family.

“Ning Shan! If you want to be a man, then tell me quickly!” Seeing that Ning Shan did not say anything for a long time, Ning Yan was furious. However, she did not expect that the other party did not dare to say anything because he did not trust her.

“Shan ‘er! Tell big sister what happened just now, big sister will help you. ” Seeing this, Leng ruoxue took the opportunity to coax her. Before this, she and Ning Yan had only heard the second half of the conversation, so they were not clear about the cause of the incident.

“Sister ruoxue!” When Ning Shan heard Leng ruoxue’s words, tears welled up in his eyes.

Then, he explained the situation in detail.

It turned out that the ning family’s head butler had taken a fancy to the two brothers and wanted them to marry his sister and daughter respectively. He had even sent someone to propose marriage, but the two of them were unwilling, so the other party had threatened them, and thus, they had parted on bad terms.

“Uh!” After Leng ruoxue heard this, she was dumbfounded. She never thought that the cause of this matter was actually a forced marriage. However, that head Butler’s guts were really not small! Did he really think that his sister and daughter were golden dolls? She didn’t want to marry him, so he wanted to make things difficult for her? This ning family wasn’t something he could cover the sky with one hand, so how could he dare?

“This is preposterous!” After hearing Ning Shan’s words, Ning Yan’s beautiful face turned red with anger, and her beautiful eyes glared at Ning Hai with dissatisfaction. “Why didn’t you tell me earlier?” Just now, she had heard from Ning Shan that this was not the first time the head butler had sent someone over, but she had no idea at all. This made her exceptionally angry because in her heart, she had already determined that Ning Hai and his brother were under her protection. Under her watch, someone actually dared to have ideas about them. This made her feel that she had failed her duty, and she became more and more angry from embarrassment.

“This is just a small matter. I don’t dare to trouble the young miss.” Ning Hai said with his head lowered. In fact, he felt that he was not familiar with Ning Yan and didn’t want to owe her a favor. At the same time, he thought that he could settle this matter himself. He didn’t expect that the head butler of the

ning family would become more and more aggressive. However, he believed that as long as he won this competition, the head butler would think twice before touching their entire family.

“You, you really are a blockhead!” Ning Yan was furious and started searching the yard like a headless fly. She wanted to find a stick to teach the ignorant Ning Hai a lesson, but she couldn’t find anything useful after searching for a long time, which made her even angrier.

“Sister Yan! What are you looking for?” Leng ruoxue asked in confusion.

“Find a stick! I’m going to beat him up!” Ning Yan said in a bad mood.

“Uh! Sister Yan, there’s no stick here, so don’t look for it.” Leng ruoxue was speechless. She really didn’t know what Ning Yan was angry about. It was just that Ning Hai didn’t tell her about this! In fact, with her understanding of Ning Hai, she knew that Ning Hai wanted to settle it himself. In addition, he didn’t want others to say that he relied on nepotism. To put it bluntly, brother ning’s self-esteem was too strong, and at the same time, he was too upright. He didn’t want to take the crooked way.

“I want to beat him up! I took such good care of him, but he actually treated me as an outsider!” Ning Yan roared.

Hearing Ning Yan’s words, Leng ruoxue’s forehead was filled with black lines. She thought to herself, aren’t you an outsider! Moreover, she was an outsider with a high status in the ning family. However, Ning Yan was still in a fit of anger and her words would only add fuel to the fire.

“Young miss! I didn’t mean it that way.” Ning Hai explained guiltily. In fact, he felt that the difference between their statuses was too big, so he had never been able to treat Ning Yan the way he treated ruoxue.

“Then what do you mean?” Ning Yan asked, her beautiful eyes staring at Ning Hai.

“I just feel that I can solve this matter myself.” Ning Hai said honestly.

“How are you going to solve this?” Ning Yan raised an eyebrow.

“As long as I can win the family competition, I will naturally be valued by the family. At that time, even if the head butler wants to force me, he will have no chance.” Ning Hai said with confidence.

“Don’t you know that the King of Hell is easy to see, but the little devil is difficult to deal with? Even if you won the family competition and received the family’s attention, your Foundation in the family is shallow. Do you think you can win against the head butler who has deep roots in the family? Although the head butler is only a servant, he has some authority in front of many elders and acting family head. Otherwise, why do you think he dares to be so arrogant?” Ning Yan told Ning Hai the cruel truth. Although she didn’t care much about the family affairs, she was very clear about the twists and turns in the family.

Leng ruoxue knew that Ning Yan’s words made sense. Since the head butler had his eyes on brother ning, he naturally wouldn’t let brother ning escape so easily. Furthermore, the head butler of the ning family had deep connections in the ning family. If he randomly found a mistake and framed brother ning, brother ning might not be able to take it.

At the thought of this, Leng ruoxue smiled and said, "Big brother ning! It's indeed not easy for you to go head to head with that head butler now. Although he's a servant, I heard that many direct descendants of the ning family have to flatter him in order to get a good job."

"That's right! He was personally promoted by the second elder. That old man, the second elder, has always been nepotism. You can't win against the head butler." Ning Yan spoke the truth. Although it was cruel, it was the truth.

"Then what should we do?" Ning Shan and his parents were a little flustered.

"Don't be afraid! You are under my protection, I think that the head butler would not dare to not give me face." Ning Yan said confidently.

"Young miss! You have to help my hai 'er and Shan' er." Ning Hai's mother quickly knelt down and said to Ning Yan.

"What are you doing? Get up quickly, ruoxue is my sister, and Ning Hai is like her big brother. I won't sit by and do nothing about your family's matters." Ning Yan promised.

With Ning Yan's guarantee, Ning Hai's mother was a little relieved. Then, she ran to the kitchen and made a table of delicious food to thank Ning Yan.

Looking at Ning Yan's satisfied expression, Leng ruoxue laughed in her heart. This Ning Yan was also a temperamental person. After getting to know her, she realized that she was not bothered by trifles.

In the past, when she was in the divine mainland, she had heard more about Ning Yan's violent reputation. However, after getting to know her, she realized that Ning Yan was a straightforward person. She would say whatever she wanted and would not beat around the bush. This was the main reason why she was willing to let Ning Yan pester her.

Chapter 1568: Persuasion (3)

After having dinner at Ning Hai, Leng ruoxue and Ning Yan returned.

When they returned to their residence, Leng ruoxue even specially instructed grape to inquire about the ning family's head butler.

Not long after, grape came to report.

"Miss, I've asked around in private. The head butler of the ning family seems to have a high status in the ning family. However, his sister and daughter don't have a good reputation." Grape hesitated before whispering.

"What's wrong?" Leng ruoxue was very curious. There were many aspects to having a bad reputation. It could be personality or personal life. However, if it was a personality problem, there was still hope. However, if it was a personal life problem, then whoever married them would be making a cuckold out of themselves, right? Moreover, she believed that there was probably no man in the divine realm who would be willing to marry such a disobedient woman.

"I heard that he had Affairs with many people. Moreover, the chief steward's sister has been married many times, but each time, it didn't last long. Not only that, but the sister of the ning family's Chief Steward has a bad temper, which is well-known in the ning family. As for his daughter, she's the same as her aunt. She's not content with her place." Grape said with a gossipy look.

"Is there any more?" Leng ruoxue asked again.

"That's about it, miss! What do you want me to find out about them for?" Grape asked curiously.

"The head butler of the ning family wants to force big brother ning and Shan 'er to marry his sister and daughter." Leng ruoxue thought for a moment before speaking. Initially, she did not intend to reveal this matter. However, she felt that this matter could not be kept a secret. Instead of letting grape and lotus seed hear about this from someone else, it would be better to tell them personally. After all, they were not outsiders.

"Argh! That's really too shameless, isn't that head butler just using his power to bully people!" Grape said indignantly.

"Don't worry, sister Yan will help them." Leng ruoxue said with a faint smile. Although she wanted to help, it was not appropriate to do it in public. After all, she was only the goddaughter of the ning family's old ancestor. The ning family might not make things difficult for her out of respect for their old ancestor, but if she wanted to interfere in the ning family's Affairs, those elders could drown her with their spit.

"That's good! Miss! The finals of the family competition will officially begin in two days. Should we make some preparations?" Grape was relieved and changed the topic.

"What should we prepare? Just focus on the match." Leng ruoxue chuckled.

"Uh! Miss! The fifth miss of the ning family has sent you a challenge, but you haven't even competed yet!" Grape couldn't help but remind her, thinking, miss couldn't have forgotten about this matter, right? Al! Poor fifth miss ning! She was still thinking about the battle with her young miss! However, miss didn't take her seriously at all. A person who didn't put her opponent in his eyes was definitely pathetic.

"I would have forgotten about it if you didn't mention it. Don't worry about her. Just let nature take its course." Leng ruoxue said nonchalantly. Seeing Leng ruoxue's expression, grape knew that her miss really did not take fifth miss ning seriously. She immediately sympathized with Ning Xi 'er.

These days, when the young miss was not at home, the fifth young miss was so smug that her tail was about to rise to the sky. Moreover, the stitched man said that her young miss was afraid and actually fled in the face of battle. However, she and lotus seed were not willing to pay attention to her. No matter what she said, in their hearts, they still felt injustice for their young miss.

The next day.

Leng ruoxue took the initiative to look for Ning Yan, but Ning Yan was not around. She heard from the maidservant beside her that Ning Yan seemed to have gone to look for the head butler. Seeing this, Leng ruoxue returned to her residence first.

However, after waiting for a whole day, Ning Yan still didn't come to find her, which made her a little puzzled.

"Grape! Go and invite sister Yan. Just say that I'm treating her to a meal." Leng ruoxue ordered in the evening.

"Yes." "Yes, sir!" Grape replied and turned to leave.

However, grape did not invite Ning Yan. Instead, she told Leng ruoxue that Ning Yan was resting. This made Leng ruoxue even more confused.

Another day passed, but Ning Yan still hadn't come to her, and she couldn't see her even when she sent grapes to her.

On the third day, the final match of the ning family competition began.

Leng ruoxue sat in the VIP area, her beautiful eyes looking at the stage opposite her, but she did not see Ning Yan.

Leng ruoxue didn't know what was going on. After bidding master ning goodbye, she left the VIP seats with the grapes and lotus seeds.

Ning haolan and Cheng Xuan, who were also sitting in the VIP seats, followed Leng ruoxue quietly after she left.

After leaving the competition grounds, Leng ruoxue turned around helplessly and looked at the two tails behind her.

"Why are you guys following me?" Leng ruoxue was speechless. "Just follow me then!" When they saw her turn around, the two of them actually went into hiding. Sigh! She wasn't blind, how could she not see two living people?

"Hehe! Great aunt, where are you going?" Cheng Xuan asked curiously. Ning haolan didn't say anything, but his face was full of curiosity.

"I'll go find sister Yan." Leng ruoxue let out a soft sigh. She felt depressed. It seemed like she would never be able to get rid of the words "great-aunt". This was because she had told them more than once that it was fine to call her by her name. However, they insisted on treating her as an elder.

"Why?" Cheng Xuan was shocked and asked in confusion.

"Sister Yan has been taking good care of me. I haven't seen her for a few days, so it's only right that I go and see her!" Leng ruoxue was speechless. From Cheng Xuan's reaction, she felt that she should not be looking for Ning Yan. Did something happen that she did not know about?

"Aunt's been in a bad mood these past two days, so she refused to see anyone." Ning haolan said indifferently.

Leng ruoxue let out a soft 'Oh' and thought to herself, 'could something have really happened?' Although she had been suspicious these days, she didn't go to Ning Yan in person. After all, she felt that everyone should have their own space. Since Ning Yan didn't come to her on her own initiative, it meant that

there were some things Ning Yan didn't want her to know. However, it had been three days and Ning Yan hadn't appeared for today's family competition, so she couldn't help but worry.

It seemed that Ning Yan had encountered a big problem this time, otherwise, it wouldn't be like this.

"These few days, there have been some bad rumors in the family. Although I've suppressed most of them, it still affected aunt's mood quite a bit. It's good for you to go and take a look. Maybe you can persuade aunt." Ning haolan continued. Others might not know that Ning Yan and Leng ruoxue were very close, but he knew it all too well.

"What rumors?" Leng ruoxue frowned. She had a bad feeling about this.

"Some people have dug up some of aunt's past and are talking about it." Ning haolan said in a reserved manner.

"I see. I'm going to see big sister Yan. Do you want to come with me?" Leng ruoxue asked.

"We won't be going." Ning haolan said. In fact, he had followed them out secretly to tell Leng ruoxue about this.

Chapter 1569: Persuasion (4)

"Yes." Leng ruoxue nodded and walked towards Ning Yan's place.

Ning Yan lived in Fangfei garden. The environment there was not the best in the ning family, but it was definitely one of the best. From this, it could be seen how much Ning Yan was doted on in the eyes of the ning family master.

Even though Leng ruoxue had only been to Fangfei gardens once, she had remembered the location. Furthermore, she had grape and lotus seed with her.

When they arrived at the entrance of Fangfei gardens, Leng ruoxue did not let the guard report her arrival and walked straight in. When Ning Yan's maidservant saw Leng ruoxue, her eyes lit up and she quickly came forward to greet her, "Miss Leng, you're here."

"Mm! Where's sister Yan?" Leng ruoxue asked indifferently.

"Miss has locked herself in her room." Ning Yan's maidservant said in a low voice, her face full of embarrassment. Now that she could no longer hide the matter of the young miss, she naturally had no need to make up lies to deceive Leng ruoxue. At the thought of this, she even looked at grape apologetically.

"I'm going to see Sister Yan, you can go!" Leng ruoxue then walked to Ning Yan's room and knocked on the door, "Sister Yan, I'm ruoxue. I'm here to see you."

However, Ning Yan had no reaction.

Seeing this, Leng ruoxue sighed and continued, "Sister Yan, if you don't even want to see me, then I'll leave!"

With that, Leng ruoxue sat down on a stone chair in the courtyard. She didn't say anything else as her beautiful eyes sized up the decorations in the courtyard.

This small courtyard was the main courtyard of Fangfei garden. Although the courtyard was not large, it was planted with many precious flowers and plants. The stone Mountain, small bridge, and flowing water in the courtyard were also unusually exquisite, looking very pleasing to the eye.

Leng ruoxue sipped her tea as the breeze blew. She was waiting for Ning Yan to walk right into her trap.

Although she hadn't known Ning Yan for a long time, she knew her very well and knew that she needed someone to listen to her. Therefore, she was sure that Ning Yan would come out on her own.

As she had expected, when Ning Yan saw that there was no more movement outside, she opened the door and rushed out. She grabbed her maidservant and asked, "Where is little sister ruoxue?"

"Uh ..." The maidservant was in pain from being grabbed. Just as she was about to speak, she heard Leng ruoxue's voice.

"Sister Yan! I'm right here!" Leng ruoxue smiled as she looked at Ning Yan.

It's only been a few days, how did Ning Yan torture herself to this state? Her face was haggard and her clothes were wrinkled. She looked extremely disheveled. This was not the Ning Yan she knew! At this thought, she couldn't help but feel a little disappointed in Ning Yan.

"Little sister ruoxue! You're here." Ning Yan lowered her head, not daring to look at Leng ruoxue.

"Sister Yan, I've been here for a while." Leng ruoxue said angrily. Then, she continued, "Sister Yan, you've been so arrogant these days! I asked Grape to invite you, but he didn't show up. I had no choice but to come here personally. Luckily, sister Yan was willing to give me some face in the end."

Leng ruoxue's tone was very unhappy. After hearing this, Ning Yan quickly explained, "Little sister ruoxue, that's not the case! You've misunderstood me. I ... I'm just in a bad mood these few days, so I don't want to see anyone. It's not pure." With that, Ning Yan lowered her head like a child who had made a mistake.

"Sister Yan! When you're in a bad mood, you should find someone to talk about it. If you keep it to yourself, you'll only be more depressed." Leng ruoxue reminded him. Then, she put on a straight face and said in disappointment, "Sister Yan doesn't treat me as a sister at all. She didn't even come to find me when something happened."

"No! I ... I'm just too ashamed to see you." Ning Yan said anxiously.

"You don't have the face to see me? Did sister Yan do something to let me down?" Leng ruoxue asked in surprise.

"No, I didn't! It's about my past. I'm too embarrassed to tell you." Ning Yan's face was red as she sobbed. There were still tears in her beautiful eyes, but she held them back.

"Sister Yan's current appearance is really pitiful!" Leng ruoxue suddenly exclaimed. Her words stunned Ning Yan. She didn't know whether to laugh or cry. For a moment, she didn't know what to do.

After a long time.

Ning Yan couldn't help but burst out laughing.

"Little sister ruoxue is really good at making people happy. No wonder father dotes on you so much."
Ning Yan sighed.

"Mm! Sister Yan, don't be jealous." Leng ruoxue said seriously.

"I won't! Father also dotes on me, I can't be ungrateful." Ning Yan said with a forced smile.

"Be content and happy!" Leng ruoxue said.

"Little sister ruoxue won't be angry with me, right?" Ning Yan asked carefully.

"I'm not angry with sister Yan, I just don't like sister Yan torturing yourself like this, making yourself look like a bitter wife in her boudoir. Although I don't know what has tortured you in the past, if you're willing to tell me, I don't mind being your listener. But if you don't want to tell me, I won't force you. But there's something I have to say to sister Yan, the past is the past. Everyone has to look forward, who doesn't have a past? Dwelling on the past will only cause you more pain." Leng ruoxue explained.

Leng ruoxue's words warmed Ning Yan's heart. In fact, she didn't want to talk about the past and she thought she had let it go. However, when someone brought it up again, she realized that not only did she not forget, but those things had also become a memory that she would never be able to erase.

A moment later, Ning Yan slowly said, "Little sister ruoxue, I don't know if you've heard of me, but my reputation in the divine realm isn't very good. Although there are very few people in the clan who dare to mention me in front of me, there are quite a number of people who treat me as a joke in private."

"I got married once, and I chose that man myself. I thought he was honest and wouldn't have any ulterior motives, so I chose him, but I didn't expect that he was just like all other men. He ate in the bowl but watched the pot. After being married for so many years, he had a lot of women in the dark, but because of my identity, he didn't dare to bring those women home. But one time, he married another woman behind my back. I immediately went to stop him, and when I got there, I found out that he was marrying a bed-warming servant girl, so I changed my mind."

"Since that woman would rather be a bed-warming servant girl than marry him, I'll do as she wishes. However, she couldn't afford the price of snatching my man away from me. Not long after, that woman was tortured to death by me. To be honest, I really didn't mean it. I didn't intend to kill her so quickly, but who knew that she would be so fragile? I also caused trouble for my family because of that woman. My family compensated a large sum of money for me. My status in the eyes of the ning family is not as good as before, but father still loves me a lot. So, even if some people are dissatisfied, they don't dare to show me any face."

Chapter 1570: Persuasion (5)

"After that, the man who betrayed me also died. Do you know how he died? That man actually ate it behind my back and died at the hands of a woman. At that time, I was so angry that I killed the woman who killed him. As for that stinky man, even after he died, I didn't let him off ... Not long after, there

were rumors that he died because of my domestic violence. ” Ning Yan said through gritted teeth, the hatred in her eyes hard to suppress.

When Leng ruoxue saw Ning Yan’s angry expression, she knew that Ning Yan was still holding a grudge against the past. However, she could understand. After all, no woman would be able to let go of such a thing.

Moreover, she had heard that Ning Yan’s husband had been killed by domestic violence when she was in the divine mainland. However, she didn’t think much about it at that time. After all, she had only met Ning Yan once and didn’t pay much attention to her Affairs.

However, her relationship with Ning Yan now was different from the past, so she naturally stood on Ning Yan’s side. She hated men who were fickle!

“After that, I returned to the ning family and lived in seclusion. However, the way many people looked at me made me feel as if there was a dagger on my back. I knew that they didn’t welcome me back. After all, I was a daughter who had been married off. In addition, my reputation was not good, so my return would only bring shame to them. However, my seniority was there, and they couldn’t do anything about it.”

“After going through all these things, I don’t want to cause trouble for father. Although father is the master of the family and all the clansmen are his juniors, if there are too many internal conflicts in the family, it will be very unfavorable to the development of the ning family. Moreover, the Yao family has been eyeing the ning family covetously for many years, so I would rather suffer a little grievance than let father worry about me. Fortunately, time has washed away everything, and the initial rumors have become less and less. I’ve also slowly forgotten about these things. ”

“I didn’t expect that after so long, the past would be dug up again. My heart felt like it had been stabbed by a knife, so I wanted to escape.” Tears welled up in Ning Yan’s eyes again as she spoke, but she held them back stubbornly.

“Is it because of brother Ning Hai?” Leng ruoxue guessed.

“En!” Ning Yan nodded and decided not to hide it from ruoxue anymore. After all, she had already told ruoxue about her most embarrassing incident, so it didn’t matter if she did this.

“I went to the head butler to ask him to give up on Ning Hai and his brother. The head butler pretended to be a snake while his sister directly scolded me.” As soon as Ning Yan thought of the humiliation she had suffered two days ago, her body trembled with anger.

“His sister dared to scold you?” Leng ruoxue squinted her eyes and asked in disbelief. Ning Yan was the daughter of the ning family’s old ancestor. A servant of the ning family actually dared to insult a lady of the direct bloodline. Wasn’t this offending her superior?

“It’s not really a scolding! She just said a lot of nasty things, and said that I’m interested in Ning Hai and want to fight with her. ” Ning Yan said unhappily. She wanted to help Brother Ning Hai because of sister ruoxue. Who knew that ning Lihua would make it sound like she was trying to steal Ning Hai from her? however, she really thought that ning Lihua was not good enough for Ning Hai.

“What did sister Yan say?” Leng ruoxue asked.

"I ... I was so useless. I was dumbfounded by her words and didn't even refute her." Ning Yan was ashamed.

"Uh!" Leng ruoxue was stunned. She didn't expect Ning Yan to have such a reaction. Ning Yan usually looked very powerful. Why did she drop the ball at such a critical moment?

"It didn't take long for these words to spread." Ning Yan's voice was like a mosquito.

"What did he say?" Leng ruoxue asked in a daze.

"It's ning Lihua who said that I like Ning Hai. She said that it wasn't enough that I tortured a man to death, and that I even wanted to harm Ning Hai, and steal her man." Ning Yan said, a little embarrassed.

"Ning Lihua is the head Butler's sister." Ning Yan added.

"Sister Yan, these words should have been spread by that flower. She just wants to use public opinion to force you to give up. If you can't recover from this, won't you fall into her trap?" Leng ruoxue thought for a moment before reminding him.

"Sister ruoxue, I understand what you mean, but my heart ..." Ning Yan was a little conflicted and her heart ached. In the ning family, apart from her father, ruoxue was probably the only one who could make her open her heart to him. Besides, she would never tell her father these things.

"Sister Yan, who doesn't have a past? If you're always immersed in the past and unwilling to look forward, only you and those who truly care about you will be in pain. Those who want to see you make a fool of yourself can't wait for you to be like this! Could it be that you're willing to let your loved ones suffer and your enemies be happy? If I were you, I would only live for myself and do whatever makes me happy. I don't care about what they say. Their mouths belong to them, so we can't control what they want to say. Therefore, we just need to be ourselves. If you really don't want to hear them talk nonsense, then kill one to warn the others. I don't believe that anyone would dare to talk nonsense." Leng ruoxue's eyes were filled with ferocity as she spoke with a vicious tone.

"Sister ruoxue, I also want to be as carefree as you, but most of them are from the ning family. I ... I can't do it." Ning Yan said gloomily.
