

Crazy Wife 1611

Chapter 1611: So it's her (2)

When they arrived at the courtyard where ning Haojie was, Ning Shan 'er could hear groans coming from inside before she even got close. Instantly, her face was filled with anger as she kicked open her brother's room and strode in ...

In the room, a man and a woman were having sex on the bed. After hearing the movement, the two immediately sobered up and looked up at the person who made the movement.

"Shan 'er! You're getting more and more unruly. You don't even know how to knock before entering your brother's room." On the bed, ning Haojie covered himself with the thin blanket, looking a little embarrassed.

"Can you hear me knocking on the door?" Ning Shan 'er raised her brows and spoke with a look of disdain. In her opinion, her brother was not bad in every way except for his lecherous nature. If her brother was willing to devote all his time and effort to cultivation, he would not have been stuck at the divine Lord realm for so many years. One must know that ning haolan had been a Godking for a long time. Thinking of this, she had a feeling of disappointment towards her brother. If her brother was the young master, then her position in the ning family would be even more respected. What a pity! This could only be a hypothesis now.

"What's the matter?" Ning Haojie changed the topic as he gently stroked the woman who was trembling in fear.

"Big brother! Can't you put more effort into your cultivation? Could it be that you're willing to be beneath ning haolan forever? You must know that your aptitude is not inferior to his!" When Ning Shan 'er saw her brother's nonchalant attitude, she felt a surge of anger in her heart.

"So what? He's already a young master." Ning Haojie said helplessly. Everyone was equal in terms of young masters but it was a pity that there could only be one young master. In front of ning haolan, he was a loser. Moreover, he was well aware of his own strength. Even if he and ning haolan were both divine Lords, he would not be a match for ning haolan.

"What's wrong with the young master? The young master isn't the head of the family. As long as he doesn't become the head of the family, others will still have a chance!" Ning Shan 'er said nonchalantly. In her opinion, even if ning haolan became the head of the family, it was not impossible for someone to replace him.

"You, how dare you think like this? You don't want to live anymore? If word of this gets out, do we still have a way out? You want to get us killed, don't you?" Ning Haojie said a little angrily. He was about to die from anger at his sister's nonsense. What a big-chested brainless idiot! Did they think that he didn't want to be the young master or the family head? Unfortunately, as long as ning haolan was around, he would never dream of taking that position. He was well aware of this, but it was a pity that this restless sister of his seemed to be a little muddled in the head.

“Big brother! I’m telling the truth. As long as you can win the old forefather’s favor, we’ll find a way to find out ning haolan’s faults. By then, ning haolan will naturally lose the hearts of his clansmen, and you’ll be the young master soon, won’t you?” Ning Shan ‘er said matter-of-factly, and the smile on her face grew. As long as she thought about her brother having the chance to become the young master, her heart was filled with joy.

“Do you think it’s so easy to win the favor of the ancestor?” Ning Haojie laughed coldly. He was speechless about his sister’s daydream.

“How do you know it won’t work if you don’t try? I’ve decided, tomorrow you’ll go curry favor with the ancestor, you must make him like you.” Ning Shan ‘er ordered.

“Alright then! I’ll try my best.” Ning Haojie said perfunctorily, because he knew very well that if he didn’t say that, his sister would not leave his room.

“This is more like it!” After Ning Shan ‘er finished speaking, she held her sleeves and left.

Three days passed in a flash, and the final round of the family competition was held as scheduled.

This final match also adopted a round-robin system. In other words, everyone had to go through four rounds of competition before the final Victor could be decided.

Although there were only five people participating in the competition, two of them were monarch-gods while the other three were God-level Masters.

Ning Hai and the other divine Lord were the favorites to win the championship and were watched.

Moreover, the number of people who came to watch the competition today was the highest in the previous few rounds.

It wasn’t even time for the match to start yet, but the audience was already packed.

The atmosphere in the stadium today was particularly high. Red silk was hung everywhere, fluttering in the wind. The gongs and drums were loud in the stadium. Everyone was using their own unique way to express the excitement in their hearts.

When Leng ruoxue and the rest entered the competition grounds, they were greeted with such a lively scene.

“Miss! So many people!” Grape said happily.

“Today is the last match of the competition. Oh right, you should give this bottle of healing pills to brother ning! Make sure he’s in his best condition for the competition.” Leng ruoxue took out a Jade bottle and passed it to grape.

“Yes! Miss!” Grape took the Jade bottle and turned to leave.

“Miss! Are we going to meet that ninth young mistress today?” Lotus seed couldn’t help but ask.

“I will! What, are you scared?” Leng ruoxue laughed lightly as she teased.

“I’m not afraid! It’s just that we’re about to leave the ning family, and we’ve provoked such a person before we leave, so I’m quite depressed.” Lotus seed said helplessly.

“Lotus seed! We can avoid trouble, but we can’t stop trouble from coming to us. So, the only thing we can do is to adapt to the situation and respond to the changes with the same approach.” Leng ruoxue said disapprovingly.

“But she’s a member of the ning family after all. It’s not good to be too stiff with her.” Lotus seed was a little worried. If the ninth young mistress didn’t have such a relationship with the ning family, she wouldn’t care about how the ninth young mistress acted.

“Lotus seed, you’re going to become a little old lady if you let your imagination run wild. Remember, there are some things that we can’t control. However, if someone really dares to provoke us, no matter who he is, we don’t have to be polite.” Leng ruoxue said very seriously. In her opinion, as long as the ning family did not go too far, she would turn a blind eye for the sake of her Godfather. However, she had a bottom line. If someone really crossed her bottom line, then don’t blame her for not recognizing her own family.

“En!” Lotus seed nodded. The two of them chatted as they walked and soon arrived at the VIP seats.

The moment Leng ruoxue took her seat, first elder immediately went over.

“Girl, where are your bodyguards?” The great elder asked with a smile.

“He stayed at home to wash the dishes. He’ll be back before the game.” Leng ruoxue said softly.

“Hehe! Little girl, you’re so bad! You’re the second elder of the ning family, and you’re asking him to wash the dishes for you?” When the great elder said this, his face was full of gloating. It could be seen that he was in a very good mood.

“I’m also teaching him the basic knowledge of life. Other than cultivation, that person doesn’t care about the five grains. If it wasn’t for the ning family’s support, I’m afraid he would have starved to death long ago.” Leng ruoxue said in an exaggerated manner.

“Uh! Starve to death?” The great elder wiped the cold sweat off his forehead and thought to himself, “he’s a reverent-God after all, is there a need to starve to death?”

Chapter 1612: So it’s her (3)

“Yup!” Leng ruoxue was all smiles when suddenly, the entire arena turned silent. She followed the gazes of the crowd and looked towards the entrance.

A beautiful woman in red, surrounded by a crowd, slowly walked in.

Not only was this woman devastatingly beautiful and unparalleled, but she also possessed an extraordinary temperament. Her every movement was filled with infinite charm, making it impossible for people to look away. At this moment, she was like a source of light, attracting all their gazes. However, the woman’s beautiful face had an innate arrogance, giving people a feeling of being unapproachable.

Although he was not sure of this woman's identity, just from her strength as a divine Lord and the way she was surrounded by people, her status in the ning family was probably not low.

When she saw this woman, Leng ruoxue couldn't help but think of Ning Xi 'er.

Ning Xi 'er was clearly superior to her.

Furthermore, Ning Xi 'er was also dressed in red when they first met. However, when Ning Xi 'er put on her red clothes, she was definitely not as flamboyant and domineering as this woman.

The two of them were similar in appearance, but their temperament and aura were far apart.

Ning Xi 'er had only been able to show off in the ning family because of Ning Yuan and her young master brother, who didn't like her. However, this woman had the right to be arrogant. After all, only strength could tell everything.

"Girl, she's the ninth young lady of the ning family." The first elder said in a soft voice.

"It's her?" Leng ruoxue squinted her beautiful eyes and thought to herself, 'she's indeed an extremely overbearing woman. She's only here to watch the competition and she's already made such a big scene. She doesn't seem to know what keeping a low profile is.'

"This ninth young mistress is a famous person! There are as many suitors as carps in the river, but she doesn't like any of them. She only wants to avoid the young master of the Cheng family." The first elder said with an evil smile.

"First elder, why are you so nosy?" Leng ruoxue raised her eyebrows and teased.

"Little girl! I'm doing this for your own good. You're still weak now, and if you encounter this ninth young lady, it's better to avoid her for the time being. It's not worth it to fight her head-on." A trace of worry flashed in the first elder's shrewd eyes. The ninth miss of the ning family was like most women. She didn't like women who were better than her. And Xue 'er was now better than her in both appearance and temperament, except for her strength. With this kind of karma, how could the ninth miss not find trouble with her? Fortunately, Xue 'er had always kept a low profile and had their protection. As long as she hid from the ninth young mistress for a while, there should not be too much trouble.

"First elder, don't worry. As long as she doesn't provoke me, I won't take the initiative to provoke her," Leng ruoxue promised. Actually, she wanted to say that she was about to leave the ning family, so this ninth young mistress was just a passerby to her. She did not take her words to heart at all.

"That's good!" The great elder was relieved.

At this moment, Ning Shan 'er was already seated on the stage.

However, with her sharp eyes, she immediately noticed Leng ruoxue who was sitting in the VIP area opposite her.

Ning Shan 'er squinted her eyes as she tried to figure out the identity of The Woman in White. To be able to sit in the honored guest's seat, could he be an honored guest of the ning family? At the thought

of this, she turned her head and asked the person sitting beside her in a low voice, "Who's that white-robed woman in the VIP seats opposite?"

"Her! She's our ning family's new favorite, and her reputation in the ning family is even higher than yours, the ninth young miss!" The woman beside Ning Shan 'er covered her mouth and laughed.

"Cut the crap, tell me who she is." Ning Shan 'er asked impatiently. The woman in front of her was too beautiful. No matter how she looked at her, she did not like her. Furthermore, she seemed to have a natural enmity towards that woman. She did not like that woman! I didn't like it from the first time I saw it.

"She's Leng ruoxue, the elder ancestor's goddaughter! Sister nine, you don't know! The old ancestor is almost praising her to the heavens, even aunt Yan has to bow down to her." The woman who had spoken was the fourth young lady of the ning family, ning Lian 'er.

"So it's her! It seems that fourth sister really hates her." Ning Shan 'er said with a faint smile. She could hear the jealousy in ning Lian 'er's words. However, such a woman would indeed make people jealous.

"She has the old ancestor as her backing, how would I dare to hate her!" Ning Lian 'er's face was full of jealousy. She did not mean what she said. Yes, she hated Leng ruoxue, but it was of no use. Who asked her to have such a strong backing?

"That's true! But I don't understand. There are so many girls in the ning family, but old ancestor doesn't like any of them? We can understand that old ancestor doesn't like her, but aunt Yan is old ancestor's biological daughter! How could the old ancestor let a woman of unknown appearance occupy aunt Yan's pampering!" Ning Shan 'er said indignantly.

"There are rumors that Leng ruoxue is old Grand Madame's illegitimate daughter." Ning Lian 'er whispered into Ning Shan 'er's ear.

"Argh! Really?" Ning Shan 'er's face was filled with shock.

"It's been spreading in private! Otherwise, why would the ancestor dote on her so much?" Ning Lian 'er pouted, her words full of jealousy.

"What nonsense are you guys talking about?" Suddenly, Ning Yan's voice reached their ears. In fact, she had been here for a while, but the two were too focused on talking and didn't notice her. She didn't say anything and just stood behind them, waiting to see what they could say. MMM! A dog's mouth really can't spit out ivory.

"Aunt Yan! You're here." Ning Shan 'er and ning Lian 'er raised their heads and looked at Ning Yan, who was not far away with a straight face, and hurriedly said,

"As a direct descendant of the ning family, the most important thing is to watch your mouth. You should know what you should say and what you can only keep to yourself! Hmph! If I find out that you're talking nonsense again, don't blame me for being impolite!" Ning Yan said unhappily. Then, she picked a seat further away from them and sat down. To Ning Shan 'er and ning Lian 'er, Ning Yan's words were nothing but pure jealousy.

Yes! It was jealousy. The old ancestor who usually doted on her the most no longer doted on her. It would be strange if she wasn't jealous. The two of them looked at each other with a tacit understanding and suddenly felt much more balanced.

With the start of the match, the noise on the stage became much quieter.

The last match was carried out on the same stage. There were four rounds, and each round was divided into two groups, with one person getting a free pass.

The person who got a bye in the first round was Ning Hai. This was not good news for any of the participants, because getting a bye in the first round meant that he would have to fight four battles in a row in the next round. This was a huge consumption of physical strength and divine power. Although the competition allowed them to take pills to recover their divine power, it was just a cup of water on a burning cart of firewood. However, this was just someone else's Gu Fei. With the elixir that Leng ruoxue gave Ning Hai, to Ning Hai, four consecutive battles were just child's play.

At this time, ning Bo was fighting in the ring. His opponent was also a God master like him, and their strength was equal. It was difficult to predict the outcome of the battle at the moment. However, after a long battle, ning Bo's opponent gradually showed signs of defeat. Seeing this, ning Bo exerted his unique skill and defeated his opponent.

Chapter 1613: So it's her (4)

As for the other group, the monarch-god level contestant won without any suspense.

The second round of the competition began after a half hour break.

Ning Hai's opponent was a god tier master. Ning Hai easily defeated his opponent with only dozens of moves.

As the competition progressed, the first four rounds ended quickly. Ning Hai and the monarch-God also won three rounds. One round was a bye. Ning Bo and a God master each won one round. The other God master lost all four rounds. In the last round, he was a bye. Therefore, his match had ended early.

In the last round of the competition, Ning Hai's opponent was the Sir God that he had defeated in the previous competition. As for ning Bo and his opponent, the number of wins and losses were the same. The winner of the last round would be the third place of the family competition.

After the break, the final round of the competition officially began.

Ning Bo and his opponent were the first to go on stage.

Ning Bo was in high spirits, and he strode up to the ring, while his opponent was a bit dispirited. After three high-intensity matches, it was definitely a huge test for the contestants, and it was related to their future in their families, so they were more or less nervous.

However, ning Bo didn't care about this. To him, no matter if the result was good or bad, it wouldn't affect his future in the family. After all, he had already followed Leng ruoxue and wouldn't stay in the

family for too long. As for Ning Hai, he was confident in his own strength. With the protection of Leng ruoxue's elixir, he had no pressure.

Ning Bo's match ended in less than half an hour with his opponent admitting defeat.

Then, Ning Hai and the Sir God made their grand entrance.

The Sir God sized up Ning Hai and was secretly surprised. He did not expect that Ning Hai would recover to his best state after a short rest. This gave him a bad feeling.

One should know that he had made ample preparations for this match. He had even spent a large amount of money to buy a lot of divine power recovery pills. However, even so, his strength had not been fully recovered. So what was going on with this Ning Hai? His condition was actually better than his own!

He couldn't believe his eyes and couldn't help but ask, "You took a pill to recover Shen power?"

"I ate it!" Ning Hai did not hide anything.

The Sir God was shocked. As he had expected, they had also taken the pill to recover their divine power, but the other's divine power recovery was better than his. This could only mean that the quality of the pill Ning Hai had taken was better than his.

Before the match, he had specially investigated Ning Hai's situation. Therefore, he could not understand how Ning Hai could afford such a good divine power recovery pill! He could not help but feel a little jealous.

"Can we start now?" Ning Hai was a little impatient. The opponent in front of him was obviously not as carefree as he was in the previous matches.

"Let's start!" The divine Lord said unwillingly as his heart wavered.

"Receive my attack!" After Ning Hai finished, a huge light blue Phoenix appeared in the air. Its lively eyes and colorful feathers were clearly visible. Its long tail feathers were like beautiful ribbons, floating in the air. Suddenly, everyone in the arena felt a cool breeze.

Immediately after, two loud Phoenix cries were heard. A blue light transformed into a pale blue bolt of lightning and quickly flew towards the divine Lord ...

Seeing this, the divine Lord immediately used his divine power to create a water dragon. The dragon and phoenix met in the air and stared at each other for a few seconds. The cries of the phoenix and the dragon's cry rang out one after another. Then, the dragon and the phoenix entangled ...

Then, Ning Hai did not continue to use his divine power. Instead, he sent more divine power into the Phoenix he had created. The Phoenix was the incarnation of his divine power and was connected to his mind. It was easier to control.

With the infusion of the divine power, the Phoenix's body more than doubled in size, and the aura on its body became even stronger. In a few breaths, it had completely gained the upper hand.

When the Sir God saw this, he quickly stopped his divine skill and sent the divine power he had gathered into the water Dragon's body.

Unfortunately, even with the support of his divine power, the Water Dragon that was showing signs of defeat had already lost the initiative.

Slowly, the Water Dragon became more and more transparent, while the Phoenix that was fighting with it became larger, clearer, and more vivid.

As the last trace of divine power on the water Dragon's body disappeared, the Water Dragon also disappeared in the air.

Seeing this, Ning Hai continued to pursue.

A life-like pale blue Phoenix descended in an extremely elegant manner. The two phoenixes chased each other in the sky and looked at the divine Lord with disdain.

The Sir God was furious and quickly conjured two huge water dragons to fight. However, the two water dragons obviously did not have enough divine power and their figures were weak. Moreover, their aura was not as strong as the two arrogant phoenixes.

Seeing this, Leng ruoxue could not help but laugh.

I didn't think that the simple and honest brother ning would also learn how to anger people ...

Chapter 1614: The first confrontation (1)

The two dragons and two phoenixes collided passionately, but it became a one-sided situation ...

The Sir God who controlled the two water dragons was obviously exhausted. The two water dragons became more and more illusionary while Ning Hai became more and more courageous!

After a while.

The two proud light blue phoenixes finally devoured the dim and weak water dragon and circled in the air in a swaggering manner. The divine Lord, on the other hand, was exhausted. Bang! He fell onto the stage!

Seeing this, the judge waited for a while before loudly announcing that Ning Hai had won this round.

When the family competition was over, Ning Hai won the championship with an indisputable result.

As soon as he got off the ring, Ning Hai was surrounded by many clansmen. Most of them were trying to get on his good side, but there were also some who wanted to take the opportunity to win him over.

According to tradition, the day after the family competition ended, there would be a grand celebration banquet, and Ning Hai was the well-deserved protagonist.

When Leng ruoxue saw that the competition had ended, she did not stay any longer and left the competition grounds with grapes and lotus seed.

However, just as they walked out of the arena, the three of them were stopped by two beautiful women. One of them was the ninth young miss of the ning family who had been in the limelight before the start of the competition, and the other was the fourth young miss of the ning family who they had only met a few times.

Leng ruoxue raised her brows slightly and looked at the woman in front of her with an extremely calm expression.

“You’re Leng ruoxue?” Ning Shan ‘er knew that she had to be careful, so she sized Leng ruoxue up with her beautiful eyes.

Leng ruoxue looked even more beautiful up close. Her face was devastatingly beautiful. Her skin was so smooth that it looked like it would break at the slightest touch. Her eyes were like autumn water, clear and transparent, moist and mesmerizing. She had a noble aura with a hint of coldness. The only flaw in her beauty was that her cultivation level was too low. However, this did not affect men’s tender love for her. Furthermore, to men, strength was not important. Beauty and gentleness were the most effective weapons. To Ning Shan ‘er, Leng ruoxue just happened to possess all these qualities.

Vixen! Ning Shan ‘er cursed in her heart. Her impression of Leng ruoxue was as bad as dust. Ever since she was young, she had always been confident in her beauty. However, in front of Leng ruoxue, she could not bring herself to be confident. Furthermore, she would not allow anyone to be more beautiful than her and steal her limelight! So, from the moment she saw Leng ruoxue, Leng ruoxue was destined to become her mortal enemy! A lifelong enemy!

“That’s right! What can I do for you, young lady?” Leng ruoxue smiled faintly as her beautiful eyes sized up the red-robed lady before her. It was said that red clothes were like fire. People who liked to wear red clothes were either hot-tempered or tyrannical. He wondered which kind of person this ninth young mistress belonged to. However, she could also see that this ninth young mistress had an inexplicable hostility towards her. Although she didn’t know how she had offended her, according to her principles, as long as the ninth young mistress didn’t take the initiative to provoke her, she wouldn’t look for trouble for no reason.

“I’m Ning Shan ‘er! The ninth young lady of the ning family.” Seeing that Leng ruoxue did not seem to know who she was, Ning Shan ‘er could not help but feel a little angry.

“I’ve long heard of your great name!” Leng ruoxue had a faint smile on her face as she spoke in a tone that was neither servile nor overbearing.

“Since you know who I am, hurry up and bow!” Ning Shan ‘er said arrogantly. The way she looked at Leng ruoxue was as if Leng ruoxue was just a lowly servant of the ning family.

“It is! Hurry up and bow to us!” Ning Lian ‘er said proudly, but the smile on her lips could not hide her good mood.

When Leng ruoxue heard their conversation, she was stunned and speechless. She really didn’t know where these two women got their courage from. Were they feeling good about themselves? She had seen many daughters from rich families, but it was rare to see one so self-righteous!

“What a joke! Who Do You Think You Are? You want my family’s young miss to bow to you, are you even worthy?” Grape said with a look of disdain.

“How audacious! You lowly servant actually dared to offend your superior! Men! Capture this lowly servant and serve her with the Family Law!” Ning Shan ‘er roared in anger. She had done this to give Leng ruoxue a warning.

“That’s right! Someone come quickly!” Ning Lian ‘er also shouted loudly, 100% using her authority as a Fox to intimidate others.

Hearing their cries, a group of guards happened to pass by and quickly ran over.

“Ninth young mistress, fourth young mistress, what can I do for you?” The captain of the guards asked.

“Take this cheap slave into the prison!” Ning Shan ‘er instructed.

“This ...” The guard looked at Ning Shan ‘er, then sneaked a glance at Leng ruoxue. He was in a difficult position. They could not afford to offend the ninth young mistress, but they could not afford to offend Leng ruoxue even more. Sigh! If they had known that they would be in such a difficult situation, they would not have come. At this moment, the captain of the guards was filled with regret.

“I’ll see who dares to touch my maidservant!” At this moment, Leng ruoxue said with a faint smile. Even though her voice was not loud, it was enough for everyone to hear her clearly.

“Your maidservant has offended her superior!” Ning Shan ‘er reminded. Actually, she wanted to capture Leng ruoxue more, but she did not have the guts to do so. Hence, she could only vent her anger on Leng ruoxue’s maidservant. Moreover, that maidservant had provoked her yesterday. Since she had managed to escape yesterday, she would not get away with it today!

“What did she do?” Leng ruoxue asked with a half-smile.

“She offended me and fourth sister!” Ning Shan ‘er said loudly.

“You and fourth miss? You’re not her master, so what if I offend you? Even I, as her master, didn’t say anything, so what right do you have to punish my maidservant?” Leng ruoxue smiled faintly and asked in disbelief.

“Leng ruoxue! Don’t forget where you are now. This is the ning family, you’re just living under someone else’s roof, Hmph! You dare to be so arrogant in front of the host’s family, you really don’t want to live.” Ning Shan ‘er laughed coldly.

“Ninth young mistress, it’s true that we’re living under someone else’s roof, but we’re not living under your roof. The ning family belongs to my Godfather. According to seniority, I’m your elder. It’s already rude of you to not greet your elder, but now you’re giving your elder a hard time. Is this how the ning family treats guests?” Leng ruoxue said with a calm smile.

“You still want to be our elder? This is preposterous!” Ning Shan ‘er was furious! He raised his hand and was about to give Leng ruoxue a slap, but Leng ruoxue grabbed his wrist.

“You’ll regret it if you hit me.” Leng ruoxue chuckled. The expression on her face was neither angry nor annoyed, so no one could tell what she was thinking.

“Damn it, let me go!” Ning Shan ‘er struggled, but Leng ruoxue’s slender hand was like a pair of iron pincers that held her wrist tightly, preventing her from breaking free.

Upon seeing this, Ning Shan ‘er could only secretly give ning Lian’ er a look. Ning Lian ‘er understood and unexpectedly reached out her hand to slap Leng ruoxue’s beautiful face ...

Lianzi quickly grabbed ning lianer’s wrist and gave her a tight slap. Half of ning Lian ‘er’s face was swollen.

Chapter 1615: The first confrontation (2)

Ning Lian ‘er gasped. She had never been so humiliated in her entire life. Besides the pain, she felt more embarrassed than anything else!

“Why are you crying? Don’t cry!” When Ning Shan ‘er saw the situation, she said unhappily. She was cursing in her heart. What a useless woman. She couldn’t even handle such a small matter and even let a maidservant beat her up. If this were to spread, wouldn’t she be laughed at to death? She really regretted bringing ning Lian ‘er, this idiot, with her today! He had thought that having an idiot by his side would bring out his cleverness. Who knew that this idiot was actually a piece of mud that couldn’t be helped!

Leng ruoxue and the other two laughed in their hearts when they saw that the two of them had the tendency to turn against each other.

“You cheap slave! You actually dare to hit me?” Tears welled up in ning Lian ‘er’s beautiful eyes as she vented all her anger on lotus seed. It was fine if she was scolded by Ning Shan ‘er, but a little maidservant actually dared to bully her. She really didn’t know what was good for her. She secretly hated her!

“You wanted to hit my family’s young miss.me giving you a slap is already considered light.” Lotus seed said disdainfully, his grip on her wrist tightening.

“Argh! It hurts!” Ning Lian ‘er gritted her teeth, her imposing manner completely gone.

Seeing this, lotus seed let go of her hand in disdain and pushed her back, only to hear a ‘plop!’ Ning Lian ‘er fell to the ground in an extremely inelegant position and fainted. The dress she was wearing was flipped to her waist, revealing her two white and thick legs. What was even more incredible was that the bottom of her dress was completely exposed. It was all exposed to everyone, especially the guards who were present. They all widened their eyes in disbelief and were dumbfounded. After a long while, they came back to their senses and turned around. It was impolite not to look.

The sight of ning Lian ‘er’s naked body after she fell to the ground stunned Leng ruoxue and the other two. They thought to themselves, “I didn’t expect ning Lian’ er to be such a reserved person. What’s the meaning of her dressing like this?” The three of them were very curious.

When Ning Shan ‘er saw this, she only felt embarrassed and regretted being with this dumb woman even more!

Cheng Xuan and ning haolan, who had been hiding in a corner, were also dumbfounded by this dramatic scene. However, they quickly regained their senses.

“Your sister sure is open-minded!” Cheng Xuan couldn’t help but tease. There was an obvious hint of gloating in his tone.

“She’s not my sister!” Ning haolan rolled his eyes at Cheng Xuan.

“That’s even less of a sister to me. Should we be the hero saving the beauty?” Cheng Xuan said with a smirk.

“If you want to save Ning Shan ‘er, then go! I’m not stopping you.” Ning haolan’s lips curled into an evil smile as he teased her.

“Who said we were going to save her! I’m talking about saving Leng ruoxue!” Cheng Xuan protested in agitation.

“You think she needs you to save her?” Ning haolan raised an eyebrow and asked.

“Of course! The weak woman had fallen into the hands of poison Scorpion! If I don’t save her, she’ll be bullied!” Cheng Xuan said matter-of-factly.

“Which eye of yours saw her being bullied?” Ning haolan was speechless. In his opinion, the one who was being bullied was obviously Ning Shan ‘er! He really did not expect that a God monarch was actually helpless against a mid level deity. This was really too unbelievable.

“I can see it with both eyes, no! I have to go out and save the beauty!” After Cheng Xuan finished speaking, he strode towards Leng ruoxue’s direction.

After walking to Leng ruoxue’s side, Cheng Xuan smiled and looked at the two people who were at daggers drawn. He said happily, “Ape shit! I can’t believe I met the ninth young mistress here!”

“What are you doing here?” When Ning Shan ‘er saw Cheng Xuan, she was not happy at all. She did not want this man to see her embarrassing herself. He would definitely take the opportunity to laugh at her.

“I’m here to see you! They are all people I know. You two seem to have a good relationship. Look! You’re holding her hand so tightly!” Cheng Xuan said with an envious look.

As expected, Leng ruoxue rolled her eyes at Cheng Xuan’s words. She thought to herself, ‘which eye of yours saw that we’re close?’ He only grabbed her because he didn’t want to be slapped.

“Dammit! Let me go!” Cheng Xuan’s words seemed to have an invisible force, stimulating Ning Shan ‘er and making her struggle again. Why couldn’t she escape from Leng ruoxue’s control? She was a divine Lord!

“Alright then!” Leng ruoxue was very obedient. With a gentle wave of her hand, she released Ning Shan ‘er’s wrist that was restrained. However, it seemed that she had released Ning Shan ‘er with too much force. Ning Shan ‘er lost her balance and fell backward from the rebound.’ Bang!’ He fell to the ground.

Seeing this, Cheng Xuan lowered his head and laughed secretly.

On the other hand, Ning Shan 'er flew into a rage out of embarrassment. She crawled up from the ground in a sorry state and glared at Leng ruoxue fiercely. She roared furiously, "Dammit! You're clearly doing this on purpose!" In her entire life, she had never lost so much face. At this moment, she even had the thought of biting Leng ruoxue to death.

"Ninth young mistress! You're so unreasonable! You asked me to let you go, and I did as you were told. However, you didn't stand firm and you actually put the blame on me. You're really going too far! I'm going to tell Godfather that you've wronged me!" Leng ruoxue's eyes were filled with tears as she spoke in an extremely aggrieved tone.

"It is! You bullied my family's young miss, you must definitely tell the ning family's old ancestor about this." Grape echoed indignantly.

"It's really impolite to ask the ning family's old ancestor to take care of the ning family's juniors. As juniors, they actually dare to ask my family's young miss to bow to them? Which family's upbringing is this?" Lotus seed also added fuel to the fire.

"You even wanted to give my family's young miss a slap!" Grape added.

"You ... You guys ..." Ning Shan 'er was so angry at Leng ruoxue and the other two that she was speechless. Her towering chest heaved up and down rapidly, and her beautiful face flushed red and then paled. She was obviously very angry.

Cheng Xuan saw that Ning Shan 'er was angered to the point of almost vomiting blood by Leng ruoxue's and her two servants' echoing words, and his mood brightened up. He unceremoniously added, "Indeed, we have to let the ning family's ancestor know. Otherwise, the ning family's guests will all be offended by these unruly juniors!"

"Yes, yes!" Leng ruoxue and the other two nodded in unison.

"If ninth young mistress has nothing else to say, we'll take our leave." Leng ruoxue said with a faint smile as she looked at Ning Shan 'er, who was so angry that she could only stare.

Then, the three of them passed by Ning Shan 'er and swaggered towards the forbidden area in the back mountain.

As he watched Leng ruoxue and the other two leave, Cheng Xuan then reminded them seriously, "Ninth young mistress! You really shouldn't have provoked her! Ai! Fortunately, she gave your ning family face and didn't do anything to you. Otherwise, it would be too late for you to regret it. There are some people you shouldn't provoke."

With that, Cheng Xuan also left.

After hearing Cheng Xuan's words, the anger in Ning Shan 'er's heart grew even more. She did not think that Cheng Xuan was reminding her out of kindness. In her opinion, Cheng Xuan was clearly provoking her. However, she had more important things to do now. Hence, she could not be bothered to continue finding trouble with Leng ruoxue.

Chapter 1616: The first confrontation (3)

She looked at the unconscious ning Lian 'er with disdain and left.

When the unlucky guards saw this, they had no choice but to take on the heavy responsibility of sending the fourth young miss back to her room.

As for Ning Shan 'er, she left the ning family's main residence with a body full of anger, heading straight for the city's largest Inn, 'ning GUI Inn '.

'Ninggu restaurant' was located in the southeast of the main city. It was one of the Inns that belonged to the ning family. They had chain stores in almost every city in the divine realm, and this 'ninggui restaurant' in the main city of the ning family was also the largest main store.

'Ninggu building' was divided into five floors. The first floor was the main hall, the second floor was the dining hall, and the third floor and above were the guest rooms.

After Ning Shan 'er entered' ninggui restaurant ', she went straight to the fifth floor of the inn. The guest rooms on that floor were the best in' ninggui restaurant ', and she was naturally here to look for someone.

However, just as she stepped onto the fifth floor, she was stopped by someone.

"Miss ning, why are you here?" A young man who looked like a guard said very politely.

"I, I'm here to see brother ye." Ning Shan 'er's face was filled with shyness, and two red clouds appeared on her cheeks.

"I'm sorry! Young master ye is in seclusion and won't see anyone. " The young man frowned slightly, but his attitude was still very kind. In fact, he had long been impatient. He had never seen such a thick-skinned woman before. They had already made it clear that they did not welcome her, but this woman still acted as if nothing had happened. She was always by their side. Of course, her purpose was obvious, but it was a pity that she was a Toad lusting after swan meat! And that Swan was not one to be trifled with.

"You won't even see me?" Ning Shan 'er's face was full of hidden bitterness, and her eyes were overflowing with autumn water. She stared at the young man with her bright eyes, and her gaze was slightly electrifying.

It's because of you that I don't want to see you! The young man sighed and despised Ning Shan 'er in his heart. Did she think that by seducing him, he would obediently follow her orders? Although the beauty in front of him seemed to be quite lovable, it was a pity that he did not dare to have tender feelings for her.

Seeing that the young man only looked at her indifferently, not moved in the slightest, and not saying a word, Ning Shan 'er became a little anxious. She cursed in her heart with endless chagrin. He was only a servant, yet he actually dared not give her face. This was really infuriating! Hmph! When she became Madam ye one day, she would definitely teach these dog servants a lesson! Ning Shan 'er was filled with hatred!

"I'm sorry! Young master ye said he won't see anyone!" The young man repeated after a while.

“You didn’t help me inform him. How do you know that brother ye doesn’t want to see me?!” Ning Shan ‘er suppressed her anger and said with an unconvinced expression.

When the young man heard Ning Shan ‘er’s words, he looked at her speechlessly. He could tell that Ning Shan ‘er meant that she was not included in the ‘not seeing anyone’ category and that she was special.

“There’s no need to inform you. Young master ye is in seclusion and has no time to see you.” The young man sighed softly and said helplessly. Actually, he was a little sympathetic towards Ning Shan ‘er. It wasn’t because of her persistence towards the person she loved, but because of her self-righteousness and self-admiration. It was rare to see a woman with such thick skin.

“Is it because of that Xuan ‘er?” Ning Shan ‘er asked through gritted teeth.

“Which Xuan ‘er?” The young man was stunned, and a confused look appeared in his eyes.

“Who else is there, Xuan ‘er? Of course, it’s the one with you!” Ning Shan ‘er said through gritted teeth. That B * tch named Xuan ‘er was the only woman who could stay by brother ye’s side. She was also the only woman who brother ye would treat with respect. Therefore, she was so jealous of Xuan ‘er that she was about to go crazy.

“Uh! Miss ning, you should be talking about her!” The young man was suddenly enlightened, but he didn’t know whether to laugh or cry. It seemed like Ning Shan ‘er had taken miss Xuan ‘er as a love rival. What the hell was this!

“Other than her, is there any other Xuan ‘er?” Ning Shan ‘er was burning with jealousy.

“Miss ning, miss Xuan ‘er doesn’t like young master ye. You’ve misunderstood.” The young man explained kindly. He didn’t want miss Xuan ‘er to be hated by this hateful woman. That would definitely be an undeserved calamity!

“Misunderstanding? Do you think I’m blind? I can see it very clearly.” Ning Shan ‘er clearly did not believe this young man’s words.

“Uh! You’ve really misunderstood.” The young man said with a faint smile. Actually, he wanted to say, “you’re really blind. Which eye of yours saw that miss Xuan ‘er liked young master ye?”

“Don’t lie to me. I only believe what I see.” Ning Shan ‘er said stubbornly. She had already determined that Xuan ‘er was her love rival. Therefore, it was difficult to change her preconceived notion. In fact, she even thought that brother ye was unwilling to see her because of that hateful Xuan ‘er.

The young man was speechless. Although he really wanted to continue arguing that miss Xuan ‘er really didn’t like young master ye, he gave up when he saw Ning Shan ‘er’s stubborn expression.

Unfortunately, his silence confirmed Ning Shan ‘er’s guess. That damned woman, Xuan ‘er, was really her love rival!

Ning Shan ‘er felt hatred in her heart. After a while, she spoke again, “Is Xuan ‘er here? I want to see her!”

“I’m sorry! Young lady Xuan ‘er is not here either.” The young man hurriedly said. Seeing Ning Shan ‘er’s clenched teeth, he didn’t dare to let her see miss Xuan ‘er.

“They’re all not here?” The doubts in Ning Shan ‘er’s heart grew even deeper, and the sour bubbles in her heart continued to bubble.

“Young master ye is in seclusion, miss Xuan ‘er is not here.” The young man said clearly. Ning Shan ‘er’s ‘they’re all not around’. It made him feel a little uneasy.

“Then when will big brother ye come out of seclusion?” Ning Shan ‘er said with a faint smile as she tried to hide the sourness in her heart.

“I don’t know!” The young man said after some thought.

“Today’s ning family competition has ended. There will be a grand celebration party tomorrow night. I would like to invite brother ye to attend. I wonder if brother ye has time?” Ning Shan ‘er said shyly.

“This ... There should be some time!” The young man didn’t dare to speak too firmly.

“That’s great! This is the invitation, I will be at the door to welcome brother ye!” Ning Shan ‘er said happily. Then, she handed a golden invitation card to the young man. Although she really wanted to hand the invitation card to brother ye personally, it seemed like she would not have the chance to do so judging from the current situation.

“Thank you very much, miss ning.” The young man said courteously. After that, he did not say anything else.

Seeing this, Ning Shan ‘er could only unwillingly take her leave.

After watching Ning Shan ‘er’s back view and making sure that she had left, the young man turned around and entered a room.

“Young master! Ning Shan ‘er has sent an invitation to invite young master ye to a banquet tomorrow.” The young man passed the invitation to a man sitting in the hall.

“I know!” The man took the invitation and threw it on the table beside him without even looking at it.

“Young master! Are we going tomorrow?” The young man asked curiously.

“Of course I’m going!” The man said. They had originally planned to go to the ning family, and now that they had sent an invitation, it saved them the trouble of reporting their names.

“Then what about young master ye?” The young man’s face was full of question marks. That young master ye was really in seclusion, and it seemed like he was about to break through.

“Let’s go take a look first. We’ll go with him after he’s finished breaking through!” The man said helplessly, but he couldn’t help but feel disgusted in his heart. That pervert’s strength was originally inferior to his, but it had only been a short time! Her strength was about to surpass his, Wu ... It was really infuriating to compare! Compared to that monster, he felt that he couldn’t even live.

Just as the man was remorseful, a new law of the world suddenly descended from the sky. The terrifying aura that hit them in the face made it hard for them to breathe. The man and the others were shocked and hurriedly ran out of the room. Immediately, they saw that the room on the fifth floor was already covered by the law of the world, and a dazzling seven-colored light was seeping out of the room ...

The light lasted for a long time, and it carried a powerful pressure that made people feel respect.

What was going on? Everyone present was puzzled. It wasn't that they hadn't seen the law of the world during a breakthrough, but it was the first time they had seen the law of the world carry such a strong pressure. This was really too inconceivable. Everyone's curiosity was like a cat's scratch, but the law of the world had not disappeared yet, so they didn't dare to act rashly.

After waiting for a long time, the laws of heaven and earth finally dissipated completely. However, the door of the room still did not open. Seeing this, everyone could only continue to wait.

In the room, an extremely handsome man was sitting cross-legged on the bed, surrounded by dazzling black crystals that were as bright as black diamonds. As he circulated the spell in his body, the spiritual Qi in the black crystals slowly left and was absorbed into his body. As the black Nebula-like fog in his dantian gathered more and more, and began to rotate rapidly, suddenly, a loud and clear Phoenix cry resounded through the sky ...

In an instant, a huge, pitch-black Phoenix shining with golden light shot out from the Nebula-shaped mist with an unparalleled domineering force. It circled the spacious room a few times before landing in front of the handsome man with extreme resentment.

"Master!" The black Phoenix landed on the handsome man's shoulder. At this moment, the handsome man slowly opened his eyes.

His eyes were as black as ink and as dazzling as diamonds. They were more beautiful than the stars in the night sky. The ripples in his eyes were so beautiful that they could make the world lose its color. A cold glint was hidden in the depths of his eyes, concealing the domineering aura of a sovereign ...

Chapter 1617: She's my brother's concubine (1)

"Mo you, I finally get to see you." A faint smile appeared on the handsome man's lips as he spoke in an extremely gratified manner.

"Master!" Mo you's eyes were filled with tears of joy.

"Why are you crying? From now on, you can stay by my side." The handsome man gently stroked the black Phoenix's soft feathers and said with a faint smile.

"Mm! Master! I'm happy." Mo you forced a smile. After being washed by tears, his black and bright eyes became even brighter and more moist.

"Mo you, for convenience's sake, you should transform into your human form!" After thinking for a while, the handsome man said.

"Yes! Master!" "Yes," mo you replied. As soon as he finished speaking, a Man in Black who looked similar to the handsome man appeared in the room.

This man was the black Phoenix's human form. Although he looked similar to his master, his temperament was completely different. This man had a more wild and unruly aura than the handsome man.

“Let’s go out!” The handsome man said with a faint smile when he saw that mo you had completed his transformation.

“Yes!” Mo you nodded.

Then, the door of the room was opened, and the two of them walked out one after another.

At that moment! The people outside the room were dumbfounded when they saw the person coming out of the room. Who was this person? Where is young master ye?

Then, when they saw the handsome man behind mo you, the fire of gossip in their hearts burned! They all wanted to know who the person walking in front was, and what was his relationship with young master ye?

However, since young master ye didn’t take the initiative to speak, they could only think about it in their hearts and didn’t dare to ask.

“His name is mo you, he is my Beastie’s transformation.” The handsome man chuckled when he saw everyone’s reaction.

“I thought you didn’t have any Beastie!” The man who was called young master muttered softly.

“How can I not have a Beastie? I just haven’t used it.” The handsome man found it a little funny. His Beastie had always been in a sealed state. Now that he had just advanced to the Godking level, he had the ability to unseal his Beastie.

“Oh! That’s right! Ning Shan ‘er has sent us an invitation to attend the ning family’s celebration party tomorrow night.” The man nodded and said.

“Then let’s go together!” The handsome man, who was ye chen, said. He didn’t know if Xue ‘er was in the ning family. However, even if she was, the old man in the ning family probably wouldn’t be willing to tell him so easily. He was well aware of this fact, but it wouldn’t be easy for the old man in the ning family to lie to him.

“Okay, I’ll make the arrangements.” The young master that everyone was talking about was Yin Xiao.

“Arrange what?” Ye chen was a little puzzled.

“I’ll go prepare some gifts. After all, she’s a guest.” Yin Xiao explained.

“No need, just go straight to the door!” Ye chen said disapprovingly.

“Uh! That’s not good!” A few drops of cold sweat hung on Yin Xiao’s forehead as he speechlessly said.

“As long as I go, no matter what gift I prepare, that old man from the ning family will not be satisfied.” Ye chen was well aware. Besides, he didn’t want to go to the ning family to give gifts. His goal was Xue ‘er.

“Does the ning family’s old forefather not like you that much?” Yin Xiao was speechless.

“Mm! That old man loves to act coquettishly in front of Xue ‘er and fight for my favor!” Ye chen gritted his teeth. He hated the old man to death when he thought of this. However, he could not do anything to the old man. He could only stare at him helplessly.

Other than Yin Xiao, everyone else was shocked when they saw Ye chen gnashing his teeth in anger! Oh my God! Was this the serious and cold young master ye? Could it be that he was replaced? They could not believe their eyes.

After spending some time together, their impression of ye chen was that he spoke very little. Every day, he would either be on the road or cultivating. He didn’t really care about them. He would only speak a few words to the young master occasionally and hardly spoke to anyone else. This time ... It was probably the first time they had heard ye chen speak so much since they had followed the young master and ye chen.

The group that Yin Xiao was leading right now wasn’t the group of people he had brought back from the divine mainland, so they didn’t know much about ye chen. However, because of some things that had happened in the yin clan’s divine realm, they were in awe of ye chen and didn’t dare to be negligent.

“Al! I hope Xue ‘er is in the ning family.” Yin Xiao sincerely hoped that the man in front of him was too much of a troublemaker. Along the way, he had blocked countless peach blossoms for this demon. He hoped that he would not have to suffer so much, he prayed.

Fortunately, Ye chen didn’t know what Yin Xiao was thinking. Otherwise, he would have scoffed at what he was thinking.

The two of them exchanged a few words before ye chen returned to his room to continue his cultivation. Yin Xiao, on the other hand, went to prepare the gift. To him, it was one thing to give the gift or not, but he had to prepare it first to avoid embarrassing himself.

The day passed by very quickly. Leng ruoxue was bored out of her mind staying in the forbidden area. Ning Yan did not come to look for her. As for the ninth young mistress who wanted to cause trouble for her, she had not seen her at all. She could not help but feel surprised.

Logically speaking, the ninth young mistress of the ning family should have tried her best to enter the forbidden area. How did she disappear? Leng ruoxue was slightly disappointed. She felt that the ninth young mistress was too unprofessional. Furthermore, the second elder had disappeared.

“Grape! Where did the second elder go?” Leng ruoxue lifted her beautiful eyes and asked the grape beside her.

“I don’t know! He should be helping out in the main residence!” Grape guessed that the ning family would have a grand celebration party tonight. Everyone in the ning family was busy. No one was idle. Except for the three of them, ning Bo had been captured to be a Coolie.

“He didn’t tell us when he left? What a disobedient bodyguard!” Leng ruoxue was a little unhappy. She knew that second elder did not take her seriously. However, she had his nude photos in her hands! Shouldn’t that old man be more honest? Who would dare to hire an uncontrollable bodyguard?

“Great aunt! I’m here to accompany you.” Suddenly, Cheng Xuan’s voice entered Leng ruoxue’s ears. She looked in the direction of the voice and saw Cheng Xuan dressed in red. He was standing not far away, making a scene.

“It seems like you’re as free as I am.” Leng ruoxue laughed lightly as she teased.

“Yup! I’m not a member of the ning family, so how could the ning family have the nerve to order me to do this and that?” Cheng Xuan said with a smile.

“Your red dress ... Is a good match for miss Jiu ‘s. Is it a couple’s outfit?” Leng ruoxue sized up Cheng Xuan from head to toe and came to an important conclusion.

“Couple? Don’t talk nonsense, there’s nothing between me and that woman, even whiter than a piece of paper.” Leng ruoxue’s words caused Cheng Xuan to jump up in shock as he denied loudly.

“I’m not talking nonsense. Everyone knows that the ninth miss of the ning family will only marry young master Cheng.” Leng ruoxue laughed evilly as she teased.

Chapter 1618: She’s my brother’s concubine (2)

“Uh! That’s old news, the ninth young mistress likes someone else now.” Cheng Xuan said, gloating.

“I don’t know who’s so unlucky to be chosen by her, sigh! It’s really pitiful!” Cheng Xuan sighed.

Cheng Xuan’s words piqued Leng ruoxue’s curiosity. The man in front of her was already a source of trouble, but there was actually a man who could make the ninth miss of the ning family fall in love with someone else. In that case, wouldn’t the man who made the ninth miss fall in love be even more of a trouble?

“Great aunt! I’m telling you! This ninth young mistress isn’t easy to deal with. Before you become a reverent-God, you should try to avoid her as much as possible! Otherwise, if she pesters you, you’ll cry to death.” Cheng Xuan continued to speak with a face full of fear.

“Why?” Leng ruoxue did not understand, but she was not a timid person. If becoming a reverent-God was the only way to avoid ninth miss ning’s pestering and trouble, wouldn’t she be suffocated to death?

“That woman likes to be unreasonable and distort the truth. The elders in her line are extremely protective of their own, so if we provoke her, we will be the unlucky ones. My heart still aches when I think about my blood and tears in the past few years!” Cheng Xuan said pitifully.

“Hahaha! Don’t forget, my Godfather is the biggest ancestor of the ning family. No matter how senior the elders of the ninth miss ‘line are, aren’t they also the descendants of my Godfather? Don’t tell me they can ride on Godfather’s head?” Leng ruoxue said nonchalantly.

“That’s not possible. Actually, I’m just reminding you.” Cheng Xuan chuckled.

“I know, thank you.” Leng ruoxue said with gratitude.

“Hehe! Great aunt! Who are we to you!” Cheng Xuan laughed evilly. He had already treated Leng ruoxue as an ally, so if he didn’t help her, who else would he help?

Just as Leng ruoxue and Cheng Xuan were chatting, ning haolan sent someone to invite them over.

Following that, Leng ruoxue and the other three walked towards the main residence.

The celebration banquet was held in the garden of the ning family's main residence. It was a self-service event, with a few long dining tables already set up in the spacious garden. The tables were filled with decorative flowers and food. Although not all the ning family members were present, almost half of them were. Ning haolan and a few elders were maintaining order in the garden.

Ning haolan walked over when he saw Leng ruoxue and the other three.

"You guys are here!" Ning haolan said with a smile.

"Mm! Are Godfather and the others not here yet?" Leng ruoxue's beautiful eyes scanned the surroundings, but she could not find any trace of her Godfather.

"The old ancestor is resting in the meeting hall. They will only come out when the celebration banquet officially begins." Ning haolan explained.

"Oh!" Leng ruoxue nodded. Suddenly, from the corner of her eye, she saw Ning Hai's entire family walking in. After greeting ning haolan and the others, she walked towards Ning Hai.

"Big brother ning! Congratulations on winning the championship." Leng ruoxue said with a smile. After the competition ended yesterday, Ning Hai had been surrounded by the people of the ning family. Later on, when they went to Ning Hai's house, they found that there were also people gathered outside his house. That was why she had the chance to give her blessings now.

"Thank you, little sister ruoxue." Ning Hai winked at Leng ruoxue to show his gloominess and helplessness.

Because just as they said a sentence, another clan member came over.

"Big brother ning! You guys continue chatting, I'll go somewhere else for a while." Leng ruoxue smiled sympathetically before turning around to leave.

Leng ruoxue found a corner in the garden where there was no one and sat down.

"Miss! Are you tired?" Seeing that her miss was not in a good mood, grape said worriedly.

"I'm not tired! I just don't have much interest in this kind of banquet." Leng ruoxue said softly. If it wasn't for big brother ning, she wouldn't even bother to attend this celebration party!

"Miss, I'll go get you something to eat!" Lotus seed suggested.

"Just get me a glass of water." Leng ruoxue said indifferently.

"Alright," he said. Lotus seed turned around and left.

Just as Leng ruoxue was about to close her eyes and take a nap, she was suddenly interrupted by an uninvited voice.

"So you're here." The ninth young mistress of the ning family said arrogantly with her head held high and chest out.

“What can I do for you, ninth young mistress?” Leng ruoxue didn’t even lift her eyelids as she asked lazily.

“Leng ruoxue! Today’s celebration banquet is very important to our ning family. Moreover, those who have come to attend are all members of our ning family. You, an outsider, really shouldn’t be here.” Ning Shan ‘er reminded him with a look of disdain.

“Shouldn’t I, an outsider, appear? Then does that mean the head elder of the craftsmen’s Guild, the head of the Cheng clan and the young master are also not qualified to participate?” Leng ruoxue raised her brows and asked calmly.

“How can you compare yourself to them!” Ning Shan ‘er growled angrily.

“We’re both outsiders, what’s there to be afraid of?” Leng ruoxue sneered.

“The armament Guild’s Grand Elder, the Cheng clan’s clan head and young master are all influential figures in the divine realm. Who Do You Think You Are to dare to be mentioned in the same breath as them?” Ning Shan ‘er was burning with anger, but she did not dare to speak too loudly in case someone else heard her.

“Although I’m not an important figure, compared to you, I should still be qualified to participate.” Leng ruoxue replied calmly. Even though she did not know the true motive behind the ninth young mistress ‘words, or perhaps she really felt that she was not worthy of attending the ning family’s celebration party, it was not that easy to dismiss her with just a few words. Moreover, the ninth young mistress was not the master of the ning family. Even if she wanted to kick him out, it would not be the ninth young mistress.

“Damn it, are you going to leave or not?” Hearing Leng ruoxue’s words, Ning Shan ‘er started to lose her patience.

“What if I say no?” Leng ruoxue smiled sweetly, her face filled with anger.

“Dammit! Just you wait.” Ning Shan ‘er was so angry that she turned around and left.

Seeing that Ning Shan ‘er had left so easily, grape could not believe it.

“Miss! She just left like that?” Grape said without a sense of accomplishment.

“Leave? How was that possible? She went to find help.” Leng ruoxue said.

“Uh! It can’t be!” Grape wiped the cold sweat on his forehead and was somewhat speechless. He needed help for such a small matter? However, the truth proved that Leng ruoxue was right. Ning Shan ‘er had indeed brought a young man with her.

Ning Shan ‘er had a faint smile on her face. She walked to Leng ruoxue and said softly, “He’s my brother, ning Haojie. You haven’t been in the ning family for long, so let him accompany you tonight! I can be your guide.” She changed her strategy and said considerately.

“Hello, miss Leng. I’ve long heard of your great name.” When ning Haojie saw Leng ruoxue, he was stunned. One must know that he had never seen Leng ruoxue up close before! At first glance, he was

greatly attracted! Compared to Leng ruoxue, all the women he had seen in the past were like dust, insignificant.

Chapter 1619: She's my brother's concubine (3)

"Hello!" Leng ruoxue replied perfunctorily. She was interested to see what this pair of siblings were up to. Even though she could get Qing Jue to read their minds, it would not be as fun as personally participating in it!

"Miss Leng, I can see that you don't like crowds. Why don't I take you to other places?" Ning Haojie suggested. His sister had given him the task to bring Leng ruoxue away from the banquet. Although he did not know why, he agreed when he thought of the benefits his sister had promised him.

"Alright! However, one of my maidservants went to get food for me. Let's wait for her to come back!" Leng ruoxue said softly.

"Alright," he said. Ning Haojie nodded his head gracefully.

"Big brother! You should accompany miss Leng well! I'm going to greet the guests." Ning Shan 'er was very satisfied with the situation.

After she finished speaking, she turned around and left in relief.

Watching Ning Shan 'er's back, Leng ruoxue sat on the same spot without moving. Lotus seed had gone to get something and had not returned. After waiting for a while, ning Haojie was a little impatient.

"Miss Leng! Why hasn't your maidservant returned yet? do you want me to go and look for her?" Ning Haojie volunteered.

"Then I'll have to trouble young noble ning." Leng ruoxue's face was full of gratitude, her beautiful eyes glanced at ning Haojie. Suddenly, ning Haojie was extremely excited, as if he had been injected with hormones.

"It's no trouble at all." Ning Haojie was very excited. The beauty was actually giving him a charming look. This should be considered taking a fancy to him, right? He was secretly happy.

However, Leng ruoxue was too lazy to read his mind. Otherwise, she would have kindly told him that he was thinking too much.

Ning Haojie had just left when Cheng Xuan came out from the corner, followed by lotus seed, who was holding a glass of red fruit juice.

"Why are you two together?" Leng ruoxue asked curiously when she saw them appear together.

"When I came back, I saw that Ning Shan 'er was causing trouble for the young miss, so I immediately went to ask young master Cheng for help." Lotus seed explained, her beautiful face still full of worry.

"Great aunt, are you alright?" Cheng Xuan also said with a worried expression.

“Do I look like I’m in trouble?” Leng ruoxue rolled her eyes at Cheng Xuan and asked in a bad mood. That ninth young mistress seemed to have something urgent to attend to, so she left in a hurry after exchanging a few words with her, leaving her with a smitten brother.

“Hehe! It’s good that you’re fine.” Cheng Xuan laughed in embarrassment.

“Miss! What the hell was Ning Shan ‘er doing? She actually asked her brother to accompany you?” Lotus seed asked in confusion. However, she knew that the woman was up to no good.

“She doesn’t seem to want me to attend this celebration party. I’m not sure why.” Leng ruoxue said after some thought.

“This is too strange! She’s not the master of the ning family, so what right does she have to stop you from attending?” Cheng Xuan was also confused.

“Maybe we’ll know in a while. Let’s leave for a while.” Leng ruoxue suggested.

“Yes.” Cheng Xuan nodded. When ning Haojie returned, Leng ruoxue and the others had already left.

Ning Haojie did not see Leng ruoxue, so he went back to the banquet to look for her. Unfortunately, she was nowhere to be found.

Not only was Leng ruoxue nowhere to be seen, even his younger sister was missing.

At this moment, Ning Shan ‘er was standing at the entrance of the ning family’s main residence like a maidservant, looking left and right.

When the guards at the door saw Ning Shan ‘er’s actions, they were extremely curious. However, when they saw the ninth young mistress’s expression turn increasingly dark, they did not dare to ask.

Al! The ninth young mistress really didn’t know how to cherish her fortune. She could have attended the celebration party, but she stood at the door. As for the people who wanted to attend the celebration party, they could only watch the banquet at the door and sigh. The guards at the door complained in their hearts.

Ning Shan ‘er, who was standing at the main entrance, was pacing back and forth on the spot like an ant in a hot pot. Her heart was in a mess and she was abnormally frustrated. Could it be that brother ye was not coming? She was very disappointed. She had made so many preparations, but brother ye had failed to keep their appointment ...

He waited for a long time.

Looking at the time, Ning Shan ‘er knew that the celebration party was at least two-thirds through and was about to end. Big brother ye still had not appeared. She was both disappointed and sad. Just as she was about to return to the main residence, she suddenly saw a group of people walking over from the left side of the main residence from the corner of her eye. Leading them was the person she had been thinking about day and night, big brother ye!

In that instant, the smile on Ning Shan ‘er’s face bloomed like a Hundred Flowers, dazzling the guards to the point of dizziness.

“Brother ye! You guys are here!” Ning Shan ‘er ran up to him and said with an excited and shy face. She lowered her head and did not dare to look at her sweetheart. Her heart was so nervous that it made’ thump thump ‘! It kept jumping.

“Please call me young master ye!” Ye chen said coldly. Yin Xiao and the others lowered their heads and sneered.

“Brother ye! We’re already so familiar with each other!” Ning Shan ‘er said coquettishly.

“Are we close?” Ye Chen’s Black eyes were as dazzling as the stars, and a hint of disdain and impatience flashed in the depths of his eyes. His voice was unusually cold as he spoke.

“We’ve known each other for almost a month. ” Ning Shan ‘er could not help but remind him.

“Hahaha!” Ning Shan ‘er’s self-righteous words made Yin Xuan in the group burst out laughing.

“Dammit! What are you laughing at?” Hearing Yin Xuan’s laughter, Ning Shan ‘er was exceptionally angry.

“Can’t you laugh? Miss ning is too overbearing. ” To be honest, she really admired this woman’s thick skin. Even that terrifying ye chen couldn’t be bothered with her, but Ning Shan ‘er seemed to have automatically filtered out ye Chen’s disgust and continued to cling onto her. However, no matter how much Ning Shan’ er thought about it, she was still destined to fail.

“Of course you can ‘t!” Ning Shan ‘er roared in jealousy.

“Miss ning! Are you planning to keep arguing with my sister at the door? Aren’t you going to invite us in?” At this moment, Yin Xiao, who couldn’t stand it anymore, spoke up.

“You guys can go in, but she can ‘t!” Ning Shan ‘er pointed at Yin Xuan willfully.

“Tsk! Even if you don’t let me in, I don’t care to enter!” Yin Xuan said disapprovingly. She had come here to look for sister ruoxue. Otherwise, she wouldn’t even be willing to visit the ning family just for the sake of this ninth young miss.

“You said it!” Ning Shan ‘er was extremely pleased with herself. Then, she turned to ye chen and said gently, ””Brother ye, let’s go in!”

“Since you don’t allow Yin Xuan to go in, then we won’t go either.” Ye chen said coldly.

“Uh! Ye dage, she said she wouldn’t go in. ” Ning Shan ‘er was dumbfounded. She was extremely jealous. She never thought that Yin Xuan would have such an important place in ye Chen’s heart. For Yin Xuan, brother ye had embarrassed her so much. She could not accept this, and her hatred for Yin Xuan deepened.

Chapter 1620: I didn’t peek, master (1)

“I didn’t say that!” Yin Xuan said, not giving him any face. In fact, she knew very well that ye chen wasn’t being very good to her! However, he hated Ning Shan ‘er more in comparison.

“Then let’s go in together!” Upon seeing this, Ning Shan ‘er could only compromise and grit her teeth. After all, she had gone through a lot of trouble to get brother ye to come here. She could not let him leave just like that.

“What a joke! Do you think this young lady is someone you can order around? just because you say I’m not allowed to enter, I can’t enter. Just because you let me in, I have to follow you in?” Yin Xuan said in a bad mood.

“What do you want?” Ning Shan ‘er’s anger was stuck in her chest, making her feel very uncomfortable.

“Let’s hear you apologize first. ” Yin Xuan said with a smile.

“You ...” Ning Shan ‘er’s face flushed red in anger.

“What’s wrong? Miss ning isn’t even willing to apologize?” Yin Xuan’s beautiful eyes revealed a trace of ridicule as she said in a slightly provocative manner.

“I’m sorry!” Ning Shan ‘er said as she suppressed her anger. She swore to herself that she would definitely teach Yin Xuan a lesson in the future to avenge the humiliation she had suffered today.

“Forget it! I’m a magnanimous lady, so I won’t argue with you. ” Yin Xuan said magnanimously. Actually, she was not satisfied because Ning Shan ‘er’s apology was not sincere at all. However, her brother kept giving her looks, telling her to stop while she was ahead. She could not disobey her brother’s words.

Seeing that Yin Xuan had been dealt with, Ning Shan ‘er looked at Ye Chen with a charming smile and said gently, “Brother ye! We can go in together now, right?”

“En!” Ye Chen nodded and added, “Miss ning, I’ll say it again. Please call me young master ye. Don’t make me repeat myself.” After he finished speaking, he did not care how ugly Ning Shan ‘er’s expression was and walked straight into the ning family’s main residence.

When Yin Xiao and the others saw this, they suppressed their laughter and quickly followed.

Ning Shan ‘er, who was at the back, stomped her feet angrily and had no choice but to give chase.

“Great ye, young master ye! The garden is over there. ” After Ning Shan ‘er caught up to ye Chen and the rest, she almost called him ‘brother ye ‘again. When she received ye Chen’s cold gaze, her heart trembled and she quickly changed her words.

With Ning Shan ‘er leading the way, they soon arrived at the garden. However, before they officially entered the banquet venue, ye Chen saw a familiar figure from a distance ...

Instantly, his heart trembled and then started to beat wildly!

Xue ‘er! It was Xue ‘er! It can’t be wrong!

Although it was only a back view, he knew very well that it was the Xue ‘er he had been thinking about day and night.

Xue ‘er was indeed in the ning family! That’s great!

He had finally found Xue ‘er!

However, who was the man beside Xue 'er?

The joy and jealousy of finding Xue 'er rose up in his heart ...

At that moment, Ning Shan 'er, who felt that something was wrong, followed ye Chen's gaze and looked over. In an instant, the flames of anger in her heart burned. Damn it! Why are they here? Why didn't her brother bring Leng ruoxue further away?

"She's my brother's concubine!" Ning Shan 'er, who felt that something was amiss, quickly said.

"What did you just say?" Ye chen narrowed his eyes. Did he hear wrong? This annoying woman in front of him actually said that his Xue 'er was that annoying man's concubine! This was preposterous! His Xue 'er could not be slandered like this.

"Young master ye! She is my brother's concubine! Because my brother doted on another woman, they're having a conflict! Let's just ignore them and go in! The banquet is about to end." Ning Shan 'er urged, her heart burning with anxiety!

She did not want ye chen to see Leng ruoxue. What if ye chen was seduced by that Vixen? In reality, the reason why she didn't want Leng ruoxue to attend this banquet was precisely because of this consideration. That Vixen was too beautiful, and she had no choice but to guard against her!

She already had a headache with Xuan 'er. If Leng ruoxue was added to the mix, she would definitely go crazy! So, after she couldn't get rid of Leng ruoxue, she arranged for a man to accompany her. This way, if Ye chen really had any thoughts about Leng ruoxue, she could push it to her brother. Now it seemed like her foresight was really wise. She hadn't even seen that Vixen's face yet! Ye chen was actually interested in that Vixen. When she thought of this, she suddenly burned with jealousy.

"No rush!" Ye chen smiled faintly and walked towards Leng ruoxue's direction. Ning Shan 'er saw this and quickly followed.

At this time, Leng ruoxue was being pestered by ning Haojie. However, she still had to put on a smile on her face to deal with him. In her heart, she was thinking, "I wonder if grape and the others found any clues?"

They had hidden well, but who knew that ning haolan would actually find them and bring them to the celebration party. Then, they were stuck with this sticky candy. Helplessly, they could only split up. Grape and Lotus went to find out the reason for Ning Shan 'er's abnormal behavior, while she stayed behind to deal with this annoying fellow.

Ning Haojie's voice rang in Leng ruoxue's ears. She could only feel a buzzing in her head. As for what ning Haojie said, she could not remember a single word.

"Ruoxue! You're agreeing?" Ning Haojie suddenly said excitedly. The way he addressed Leng ruoxue had changed from miss Leng to ruoxue.

"Eh? What did he promise you?" Leng ruoxue's beautiful face was filled with question marks.

"Promise to come with me ..." Ning Haojie's face was full of excitement. He was so excited that he was stammering.

“With you? You’re dreaming!” A very unhappy voice interrupted their conversation, and then a fist went straight for ning Haojie’s handsome face ...

“Bang!” One of ning Haojie’s eyes turned black and swollen in an instant.

Ning Haojie, who had taken a punch, was a little dazed and could not react in time. By the time he reacted and wanted to fight back, his other eye had also been punched! Instantly, he was dumbfounded, so much so that he was stunned on the spot.

Ye chen was satisfied when he saw the symmetrical dark circles on ning Haojie’s face. He stretched out his long arms and pulled Leng ruoxue into his arms, hugging her tightly.

Leng ruoxue, who was suddenly hugged, was slightly stunned. She looked at the evildoer in front of her in disbelief. After a while, she finally confirmed that the person in front of her was the man she had missed for a long time. She quickly reached out and hugged the evildoer’s waist tightly!

“Freak!” Leng ruoxue called out softly.

“Xue ‘er! I’ve finally found you.” Ye chen sighed and hugged her even tighter.

At this moment, Ning Shan ‘er, who had already walked behind Leng ruoxue and ye chen, saw this scene and her heart burned with jealousy. She cursed in her heart, “damn Vixen, how dare you hug my man. You must be tired of living!”

“Leng ruoxue! How can you be so indecent? You’re already my brother’s woman, yet you still dare to hug another man!” Ning Shan ‘er roared in anger.
