

## Crazy Wife 1621

### Chapter 1621: I didn't peek, master (2)

Leng ruoxue, ye Chen, Ning Haojie, and Yin Xiao were all stunned by her shout.

What kind of situation was this? Yin Xiao and the rest looked at each other, not understanding what was going on.

After Leng ruoxue heard Ning Shan 'er's words, she looked at her with a half-smile and said, "Ninth young mistress, what did you say?" Did she hear wrongly?

"You're already my brother's woman, yet you're still so shameless. You, you let go of young master ye!" Ning Shan 'er's heart was filled with jealousy. She wished she could pull Leng ruoxue and ye chen away from each other.

"When did I become your brother's woman?" Leng ruoxue squinted her beautiful eyes and replied indifferently, "Was she considered married?"

"You still dare to deny it? Don't think that I don't know that you've already pledged to marry my brother!" Ning Shan 'er sneered. Hmph! No one could snatch away the man that she had her eyes on. Even if she couldn't let Leng ruoxue marry her brother, she had to ruin Leng ruoxue's reputation first and make ye chen shrink back from Leng ruoxue.

"We've privately pledged to be married?" Leng ruoxue did not look at Ning Shan 'er and asked the dumbfounded ning Haojie directly.

"We ... We ..." Ning Haojie was so nervous that he couldn't speak. The man's eyes were so scary, and he gave him so much pressure. Although he had been punched twice, he didn't dare to have any thoughts of fighting back. The little bit he had before had been scared away.

"Big brother! What are you afraid of? Be brave and say it!" Ning Shan 'er kept winking at her brother, but unfortunately, ning Haojie ignored her.

"What did he say?" Another curious voice sounded in everyone's ears.

Ning haolan, Cheng Xuan, grape, and lotus seed walked over together.

When grape and lotus seed saw their miss being held in the arms of a beautiful man, the anger in their hearts suddenly burst out. The two of them strode over to ye Chen's side and shouted, "Damn lecher, let go of my young lady."

"Your young miss ..." Ye chen was calm and composed as he hugged her even tighter.

"Sister ruoxue, grapes, and lotus seeds!" At this time, Yin Xuan also came forward.

"Miss Xuan! Young master!" Grape and lotus seed were shocked. How could there be such a coincidence? I actually met the young master here, Wu...What should I do? Young master wouldn't bring them back to the yin family, would he? The two of them were secretly guessing with fear in their hearts.

“Big brother Yin! Xuan ‘er! You guys are here too.” When Leng ruoxue saw Yin Xiao and his sister, she could guess that they were together with the evildoer and had been to the yin residence. Otherwise, Yin Xuan would not have followed them.

“Hehe! Sister ruoxue, I’ve come here to settle the score with you. You’re too mean. How could you run away on your own? No matter what, you have to bring me along!” Yin Xuan pouted her pink lips and complained. After sister ruoxue left the yin residence, the yin residence became boring again. It was only until that terrifying man came to the door that the yin residence was once again thrown into chaos. However, when they left, she also decisively followed them.

“Uh! Xuan ‘er! That’s your home.” A few drops of cold sweat dripped from Leng ruoxue’s forehead as she said speechlessly. After she finished speaking, she looked at the people around her and thought to herself, ‘there seem to be a lot of third wheels.’

“So what? Didn’t you still take away the grape and lotus seed? what’s the matter with me?” Yin Xuan said, very dissatisfied.

“It’s related!” Without giving Leng ruoxue a chance to speak, grape quickly said.

“It doesn’t matter!” Yin Xuan looked at the grapes with envy and jealousy.

“Miss! You’re a young lady of the yin family’s direct line, so you’re different from us.” Grape reminded. She and lotus seed were just maidservants, so even if they left, it would not affect the yin family. However, it was different for Yin Xuan. If Yin Xuan left with them, the people from the yin family would immediately come after them.

“You guys are despising me!” Yin Xuan’s beautiful eyes were filled with tears as she said in an extremely aggrieved manner.

“Uh!” Grape was shocked. She wiped the cold sweat on her forehead and helplessly thought to herself that she couldn’t communicate with miss Xuan.

“Alright! Xuan ‘er! I’d like to hear what young master ning Haojie has to say!” Leng ruoxue said with a smile. Of course, she could tell that Yin Xuan was pretending to be pitiful on purpose, so she changed the topic. Previously, because of the appearance of these third-wheels, they had delayed their official business.

“Mm! We’ll listen to it too!” Ning haolan said with a smile.

“I, I’m going to the toilet.” The extremely uneasy ning Haojie said helplessly. After he finished speaking, he ran off and disappeared. Seeing this, Ning Shan ‘er was extremely angry.

“Ninth miss ning! Your brother went to relieve himself, so you should explain first! When did I secretly promise to marry your brother? How come I, the person involved, didn’t know?” Leng ruoxue’s face was filled with bewilderment.

When ning haolan and the others heard Leng ruoxue’s words, they were shocked as well. Several pairs of eyes stared at Ning Shan ‘er, waiting for her to explain.

“Leng ruoxue! Don’t you dare deny it!” When she saw that everyone was looking at her with anticipation, Ning Shan ‘er was furious and threatened her.

“I’m not denying it! I just want to know, when did I secretly promise to marry your brother? why didn’t I receive any notice about this?” Leng ruoxue asked calmly. Her words made Cheng Xuan and the others burst out laughing.

“Young, young master ye! The celebration party is about to end, let’s go in quickly!” Ning Shan ‘er was unable to answer Leng ruoxue’s question, so she could only change the topic.

“I don’t want to go in. I just want to know, when did my woman secretly pledge to marry your brother?” Ye chen said coldly, and he emphasized the words ‘my woman’.

Cheng Xuan and ning haolan were flabbergasted by his words! Grape and Lotus ‘eyes widened in disbelief. Did something happen when they were not around?

And these four words made Ning Shan ‘er go crazy!

“How could she be your woman! You’ve only just met each other! Young master ye! She’s my brother’s woman! How can you like her!” Ning Shan ‘er was in extreme grief. Damn it, the thing she was most worried about had still happened. Why did this Vixen keep pestering the man she liked? Did he have to snatch it from her? She was both angry and hateful. She even had the thought of swallowing Leng ruoxue whole. Furthermore, she was well aware that compared to Yin Xuan, Leng ruoxue was a greater threat to her.

“Who said we just met? She’s my wife!” Ye chen said coldly.

“Wife, wife? No! This was impossible! How could you have a mid level deity as a wife? she, she is not worthy of you!” Ning Shan ‘er was unwilling to believe this fact.

“It’s up to you whether you believe it or not.” Yechen said disapprovingly.

“Miss ning! Xue ‘er is really brother ye’s wife.” Yin Xiao said with a smile.

“You lied to me! You guys are working together to lie to me! If Leng ruoxue is young master ye’s wife, then what about this woman?” Ning Shan ‘er pointed at Yin Xuan and said.

### **Chapter 1622: I didn’t peek, master (3)**

“Me? I don’t have any relationship with young master ye. You misunderstood and insisted on treating me as a love rival.” Yin Xuan said with an innocent expression. Wu ... Now, the truth was finally out, and her innocence had been cleared. One had to know that she had been the scapegoat for almost the entire journey. From the moment she had been pestered by this woman, she had been treated as an imaginary enemy. That terrifying man did not bother with Ning Shan ‘er, and Ning Shan ‘er was not willing to listen to their words. Thus, this misunderstanding had followed them all the way.

“I don’t believe it! I don’t believe it! You’re lying to me! You guys are working together to lie to me!” Ning Shan ‘er went into a state of madness as she shouted at the top of her lungs. After that, she turned around and ran away.

“What kind of person is this?” Looking at Ning Shan ‘er’s back, Yin Xuan was speechless while Leng ruoxue and the evil demon ignored her.

“Great aunt! You’re really his wife?” Cheng Xuan, who had been watching the show for a long time, asked curiously. This news was too shocking, and he needed to digest it.

“En!” Leng ruoxue nodded with a smile.

“Then, then does the ning family’s old forefather know about this?” Cheng Xuan stuttered.

“Of course I know.” Leng ruoxue said, amused.

“Aiya! The little brat is here!” At this moment, the first elder’s voice rang out in everyone’s ears. The Masters of the ning and Cheng families naturally appeared with him.

When master ning saw ye chen, he snorted coldly but didn’t say anything. However, he was very unhappy because he didn’t expect this evil man to come to his door so quickly. His arrival meant that his good daughter was going to leave him. Although his good daughter had already planned to leave, this man’s arrival had changed the nature of her departure.

“Who’s this stinky brat?” The head of the Cheng family looked at the handsome man who was carrying Leng ruoxue and asked the first elder in a low voice. This fellow gave him a very dangerous feeling and also made him very unhappy. One had to know that Leng ruoxue was the candidate he had set his eyes on as his granddaughter-in-law! Now that a strong enemy had suddenly appeared, his good-for-nothing grandson didn’t seem to be a match for this man. No way! He couldn’t boost other people’s morale and destroy the prestige of the grandson he liked. It was a great taboo for a militarist to cower before the battle!

“Xue ‘er’s man.” The great elder said happily. Although the old man of the Cheng family didn’t say it clearly, he always knew what this old man was thinking. What a pity! The young master of the Cheng family had no chance! Previously, when ye Chen’s strength was low, Cheng Xuan might have been able to fight for it. But now, he suddenly realized that ye Chen’s strength had actually reached the level of a Godking. In this case, Cheng Xuan had no chance at all. However, this was good. At least, he could make old man Cheng completely give up.

“That little girl already has a man at such a young age? How could she decide to spend her life with him so early? You should be more picky!” The head of the Cheng clan was very dissatisfied with this, but it was impossible for him to give up so easily.

“What’s there to pick? Yechen’s not bad. He’s loyal to Xue ‘er and obedient. Where can you find a man like him?” The first elder said in disagreement.

“You old thing, are you deliberately going against me?” The patriarch of the Cheng clan was a little angry when he saw the first elder trying to undermine him.

“Old Cheng! I advise you to be more honest! These two little guys aren’t easy to deal with. Besides, your family’s Cheng Xuan might not like that Xue ‘er girl, so why are you blindly following along!” The first elder advised helplessly.

“How do you know? I didn’t say that. ” The patriarch of the Cheng family was about to get angry, but he couldn’t help but ask after hearing the first elder’s words.

"It's written all over your face. Every time you see Xue 'er, it's like you're looking at a crystal mine. Who can't tell!" The great elder rolled his eyes at the head of the Cheng clan.

"Uh! Is it that obvious?" The head of the Cheng family muttered in a low voice.

"There must be!" The first elder smirked and walked up to ye chen, sizing him up.

"He's really a monster! I really don't know how you cultivate." The great elder was envious, jealous, and hateful!

"I was just lucky," Ye chen was very humble, but his eyes drifted to master ning, and the two stared at each other affectionately.

The master of the ning family received ye Chen's gaze and secretly hated it. Damn it, this brat actually provoked him!

Alright! He had to admit that he did not tell Xue 'er on purpose that this brat had also come to the divine realm!

From what he had heard from the master of the yin family that someone had robbed the old man of the yin family, he knew that this stinky brat had come to the divinity, and his purpose in coming to the divinity was definitely to find Xue 'er. However, in order to let his precious goddaughter stay for a few more days, he concealed the news that this demon had come to the divine world. Anyway, this demon would come to find him sooner or later, so it didn't make much sense to tell him or not. Therefore, he kept this news a secret with a peace of mind.

Until today, this demon had finally entered the inner chamber!

Moreover, looking at this brat's appearance, he seemed to be very dissatisfied with her. But it didn't matter. With Xue 'er around, he wasn't afraid. Xue' er would protect him! The master of the ning family thought happily. Then, he ordered people to arrange accommodation for Yin Xiao and the rest. As for that demon, he would definitely stay with Xue 'er.

Leng ruoxue brought the demon back to their residence in the forbidden grounds.

After bringing the evildoer back to his room, the two of them went straight into the bangle's purple bamboo house. Meanwhile, grape and the others sat in the courtyard in a daze. At this moment, they were still a little dizzy.

In the purple bamboo house.

The demon hugged Leng ruoxue tightly and did not let go. Mo you, who was in his beast pet space, could not help but fly out. He did not want to be a third wheel. If he heard or saw anything that he should not hear or see, his master would not let him off! Therefore, for the sake of its own life, it was better to be sensible.

Leng ruoxue's beautiful eyes widened as she watched the black dots of light fly out of the demon's body. She asked,""What's that?"

"My Beastie! Don't bother about it!" The demon chuckled.

“Your Beastie?” Leng ruoxue had a suspicious look on her face.

“Yup! Didn’t I tell you that I have Beastie?! You can summon it now.” The demon explained.

“Oh! “Oh right, when did you come to the God World? and how did your abilities ...” Leng ruoxue sized up the demon, and the questions on her face increased.

“After you were captured by that old man from the yin clan, I had Yin Xiao bring me to the divine world. However, when we arrived at the yin clan, you had already left. I gave the yin clan a good beating before chasing after you. I didn’t know where you went, and it just so happened that the blacksmith Guild was closer to me, so I went there first. I only saw Liufeng, and after knowing that you didn’t go to look for them, I came to the ning clan’s divine realm. Fortunately, I found you here.” The demon explained.

“Then, your power ...” Leng ruoxue was very curious. She had not seen the demon for a few months, so how did he become a God King all of a sudden? This was truly unbelievable.

### **Chapter 1623: Little doll, you’re too rough (1)**

“I’ve been looking for you and cultivating all the way. I’ve just broken through to the God King realm yesterday!” The demon laughed.

“Oh!” Leng ruoxue nodded. Even though the evildoer had said it so casually, she knew very well that the evildoer was hiding a secret from her. If he didn’t want to tell her now, it probably wasn’t the right time yet. Hence, she wasn’t in a hurry to ask. However, after seeing the evildoer’s strength, she felt a little inferior. No wonder Ning Shan ‘er would say that she wasn’t good enough for him and even arranged a man for her!

“Xue ‘er! The more powerful I am, the less men will have designs on you.” Seeing through Leng ruoxue’s thoughts, the evildoer consoled her.

“Mm! Then you’ll have to protect me well.” Leng ruoxue chuckled as she leaned into the evildoer’s embrace.

“Don’t worry! Unless I’m dead, no man can take you away from me.” The demon’s aura suddenly changed as he spoke with confidence.

“What’s with that Ning Shan ‘er?” Leng ruoxue’s beautiful eyes stared at the evildoer as she asked with a hint of dissatisfaction. Ning Shan ‘er had made so many arrangements and even poured dirty water on her. All of this was for the sake of this evildoer in front of her. So, she had to ask clearly, who asked her to be so petty!

“I don’t know. I met her on the way to the ning family’s divine realm. She has been bothering us since then. However, I spent most of my time cultivating. Yin Xiao and the others dealt with her. If you want to know the details, you can ask them tomorrow.” The demon suggested.

“He’s obviously interested in you.” Leng ruoxue rolled her eyes at him.

“So what? I’m not interested in her.” The demon said with a look of disdain.

“Hahaha! Of course I know that. ” Leng ruoxue laughed evilly and continued, ”Speaking of which, I’ve made a lot of arrangements for you today!”

“What?” The demon was puzzled.

Looking at the demon’s face full of question marks, Leng ruoxue felt a little amused and explained the situation to him.

“I think she’s afraid that you’ll fall for me, so she got me a man. This is the first time I’m seeing her brother.” Leng ruoxue explained with a smile.

“That woman told me that you were her brother’s concubine!” The demon said sternly, his face faintly carrying anger. Hmph! It was unforgivable for him to have designs on his woman!

“Uh! I’ve become someone else’s concubine?” Leng ruoxue was flabbergasted.

“Mm! I won’t let that stinky man off! Since you dare to covet my woman, you should be prepared for my revenge. ” A cold light flashed in the devilish black eyes.

“They’re just unlucky to have provoked us. ” Leng ruoxue laughed evilly.

“Mm! Xue ‘er! I missed you so much. ” The demon nodded and said pitifully.

“I missed you too!” Leng ruoxue’s beautiful eyes stared unblinkingly at the evildoer. Her pair of Jade-like hands quietly crept up the evildoer’s face. She couldn’t help but sigh in her heart. This man was truly a source of calamity! How could he be so handsome! Although the word ‘devastatingly beautiful’ was used to describe a woman, it was not an exaggeration to describe her as a demon! And his skin was so smooth and tender that even women would be jealous of it! It felt really good! She couldn’t bear to let go of the devilish tender tofu.

“Xue ‘er!” The devilish eyes were smiling with a hint of adoration. He slowly lowered his head and kissed Xue ‘er’s alluring red lips ...

“Oh!” A satisfied moan spilled out from his devilish lips.

Xue ‘er is so sweet!

The long-lost sweetness made him so excited that his body was trembling a little!

His arms subconsciously hugged Xue ‘er tightly. He wished he could rub Xue ‘er into his body, and then he deepened the kiss ...

At this moment, mo you, who was flying around outside the purple bamboo house, felt the sweet atmosphere coming from the purple bamboo house. He, who was spiritually connected with his master, blushed and quickly covered his eyes with his small wings.

“Master! I didn’t peek! I used my heart to sense it!” Mo you muttered to himself. It had been sealed by its master for too long. It had not been long since it came out and it had already sensed such a stimulating scene that was not suitable for children. This was really killing the bird!

“Rare and strange!” Suddenly, a disdainful voice entered mo you’s ears. Mo you raised his head and looked around with his bird eyes wide open, but he could not find the person who had spoken.

“Idiot! Look below!” The one who spoke was green vessel.

“Eh? There’s a little kid!” Mo you said as if he had discovered a new continent. He flew down from the sky and landed on Qing Jue’s shoulder.

Although it was in its mimicry form, it still took up a lot of space on green vessel’s shoulder.

“Idiot!” Qing Jue rolled his eyes, showing serious doubts about this bird’s intelligence.

“Little baby! Didn’t your mother teach you not to be so rude?” Mo you said patiently. This was his mistress’s territory, so this little baby must have some relationship with her. So, for the sake of her, he had to treat this baby better. Hmph! If anyone else dared to call it an idiot, it would definitely teach that person a good lesson!

“I don’t have a mother!” Qing Jue was really defeated by this stupid bird.

“No mother? You’re so pitiful! Don’t worry, I’ll love you well in the future! The child! Come! Let big brother hug you!” When mo you heard Qing Jue’s words, his heart was filled with motherly love. He flew in front of Qing Jue, spread his little wings, and wanted to hug him.

Seeing this, green vessel’s forehead was filled with black lines.

Following that, mo you pounced into Qing Jue’s arms. Her two wings gently wrapped around his neck, and she hugged him.

“Good child! Big brother will dote on you. Follow big brother and you’ll have meat to eat!” Mo you lifted one of his wings and gently stroked Qing Jue’s head.

When Qing Jue saw mo you’s actions, he was so angry that he was about to go crazy. However, he kept telling himself to calm down! He had to stay calm! It was beneath his dignity to argue with a bird without intelligence, so he had to endure it!

After taking a few deep breaths, Qing Jue finally could not take it anymore and shouted, “Damn bird! Don’t you recognize me?”

Mo you blinked his bright black eyes and looked at the little child in front of him with a confused expression. After a long while, he could not help but ask, “Little kid, should I know you?”

“What do you think?” Qing Jue said as he suppressed his anger. If it wasn’t for the fact that he was so small, he would have given this stupid bird a good beating first.

“It shouldn’t be! How could I possibly know a little kid like you?” Mo you mumbled and kept scratching his little head with his little wings.

Take a deep breath! Qing Jue took a few deep breaths before he managed to calm himself down. He glared at mo you and grabbed his wings, throwing him away ...

F \* ck! He had to force this little boy to swear! Qing Jue was filled with hatred!

However, very quickly, mo you, who had been thrown out by Qing Jue, flew back. He even had an aggrieved and resentful expression as he peeked at Qing Jue.

“Little doll! You’re too rough, how can you treat my cute little beast so roughly!” Mo you was very dissatisfied. However, this little doll belonged to the mistress and he could not afford to offend her! Wu ... It was really too pitiful. Who asked it to have a henpecked master!

### **Chapter 1624: Little doll, you’re too rough (2)**

“Rough? Rough? F \* ck! I’ll let you see what true rudeness and rudeness are!” Qing Jue was furious, and the consequences were very serious!

Qing Jue quickly pulled mo you into his arms. His pair of white and chubby little hands kept moving up and down. In an instant, black feathers flew all over the sky, and Mo you’s screams rang out at the same time ...

“Argh! My feathers!”

“You’re a bad guy! Compensate me for my feathers!”

“Owuuu! It hurts! Master, save me!” Mo you cried out in pain, and the little thing struggled in Qing Jue’s arms! However, Qing Jue held it tightly. No matter how it struggled, it could not escape from Qing Jue’s grasp.

Qing Jue only stopped after he was tired from plucking the feathers. He looked at the half-bald little black Phoenix and felt extremely pleased with himself.

Damn bird! You don’t recognize me! Damn bird! Who asked you to call me rough and rough! Qing Jue was limping while mo you looked at Qing Jue with a pitiful expression.

Wuu ... What did it say? What did he do? Why was it treated so roughly? Mo you felt extremely aggrieved in his heart. When had he ... Ever received such treatment! However, it couldn’t take revenge on this little baby yet. Who asked him to be under the protection of his mistress? If it really took care of this little baby, its mistress would definitely be unhappy, and once its mistress was unhappy, its master would be unhappy as well. If its master was unhappy, it would be the one in trouble, so it could only endure this loss. It was just that its beautiful feathers were pitiful! Mo you was secretly sad and determined to stay far away from this little boy to avoid being plucked for no reason.

“I’m rude? Is it rough?” Qing Jue looked at the little black Phoenix, whose eyes were filled with tears, and said with a smile.

“No! No! You are very kind. ” Mo you quickly said after hearing Qing Jue’s words.

“Really? I want to hear the truth!” Qing Jue deliberately put on a stern face, clearly not satisfied with mo you’s words.

“I’m telling the truth!” Mo you lowered his head and said with a tearless face.

“In that case, I’ll pluck some more Phoenix Feathers! I’ll keep it for big sister to use in forging. ” Qing Jue said impolitely.

“No! Don’t pull anymore! I’m in the wrong, alright? You’re a little devil!” Mo you said with a face full of fear, his small body trembling.

“Who asked you not to recognize me! You stupid bird!” Qing Jue said in a domineering manner.

“Can’t I recognize you? You’re really too unreasonable.” Mo you’s face was full of resentment, and he was extremely depressed! What kind of person was this! If he didn’t recognize it, he would pluck its hair. Did he think that she would recognize him after plucking his hair? Wait a minute! In the depths of its memory, there seemed to be someone who had done the same thing, but it had been too long and it could not remember. Wu...Who was that?

“I’m being unreasonable, so bite me!” Qing Jue said in an infuriating manner.

“Fine! You’re the boss! I can’t afford to offend you, so I’ll just hide!” Mo you lowered his head and said helplessly. It couldn’t be helped. This little boy’s background was too strong. It had no choice but to swallow its anger!

“If you hide, who am I going to play with?” Qing Jue was extremely dissatisfied with mo you’s suggestion.

“Great-grandma! Then what do you want me to do? What do you say, old Ming?” Mo you was helpless. He couldn’t even handle a little baby. He found himself a failure.

“Hehe!” Qing Jue laughed evilly and whispered a few words into mo you’s ear. Immediately, mo you’s eyes widened and he looked at Qing Jue in horror.

“What are you in a daze for? Quickly do this well, don’t you like to do bad things?” Qing Jue said calmly.

“Uh! How do you know that I like to do bad things?” Mo you was very embarrassed. Could it be that even a little kid had heard of its name? This shouldn’t be the case, right?

“If you don’t want people to know, then don’t do it! Even though you don’t remember me, I still recognize you!” Qing Jue said as he shook his head.

“You really know me?” Mo you’s eyes widened in disbelief. Even a little boy from the divine realm knew its name?

“Nonsense! I’ll recognize you even if you turn into ashes!” Qing Jue said unhappily.

“But I really don’t remember you!” Mo you was very embarrassed.

“I can tell that you’re a heartless fellow.” Qing Jue complained.

“Uh! I’m going to attend to official matters.” Qing Jue’s resentful gaze made mo you feel guilty. He did not dare to stay in front of Qing Jue any longer, so he quickly flapped his wings and flew away.

Not long after, mo you flew back.

“That ... Little kid! I didn’t fly out.” Mo you said gloomily.

“I’ll send you out!” Qing Jue said as he held back his laughter. Then, he had an idea and sent mo you out of the bracelet.

Mo you left the bracelet and flew out of the forbidden area.

It followed Qing Jue's arrangement and found ning Haojie's courtyard first. Then, it used a secret technique to fly into ning Haojie's room.

At this time, ning Haojie was sleeping soundly on the bed. Mo you looked at ning Haojie in disgust and cursed in his heart, "damn it, how dare he have ideas about his mistress, he must be tired of living!" Thinking of this, mo you flew around ning Haojie a few times. Suddenly, countless light spots fell from its body. After the light spots fell on ning Haojie, they all disappeared into his body. Then, mo you flapped his wings and flew away.

After that, it found Ning Shan 'er's residence and did the same thing. However, it hated Ning Shan' er even more than ning Haojie. Therefore, after doing all this, it did not leave immediately. Instead, it carried Ning Shan 'er to the toilet in her courtyard and threw her in ...

After a long time.

Mo you had returned after completing his mission.

The next day.

Leng ruoxue and the demon had just left the room when they saw grape and lotus seed guarding the door with a smirk on their faces.

"Miss!" When grape and lotus seed saw Leng ruoxue, they quickly came forward to greet her.

"What's the happy thing?" Leng ruoxue saw the smiles on grape and lotus seed's faces and asked curiously.

"Miss! When Ning Shan 'er went to the toilet last night, she fell into the toilet pit. This is really karma!" Grape said with a smile.

"There's such a thing?" Leng ruoxue was in disbelief.

"Miss! It was true! I heard that Ning Shan 'er drank too much yesterday, so she accidentally fell into the toilet when she went to the toilet!" Grape explained.

"Did you drink too much?" Leng ruoxue still couldn't believe it completely. She didn't think that Ning Shan 'er would drown her sorrows in alcohol. However, if it wasn't because of her, then it could only be revenge.

"A lot of people said that. Whether it's true or not, only Ning Shan 'er herself knows." Grape said with a chuckle.

"Whether it's true or not, it has nothing to do with us. I'll go see Godfather in a while. We'll leave tomorrow." Leng ruoxue said nonchalantly. At this moment, she saw the guards of the forbidden area enter the courtyard.

**Chapter 1625: Little doll, you're too rough (3)**

“Miss Leng! The acting patriarch invites you in.” The guard said respectfully.

“What’s the matter?” Leng ruoxue was a little puzzled. Why would Ning Yuan invite her for no reason?

“This subordinate does not know the specific situation, but the person sent by the acting patriarch said that he has something important to discuss!” The guard reported.

“Oh!” Leng ruoxue nodded and glanced at the evildoer. Following that, they followed the guard to the ning family’s meeting hall.

The moment she entered the meeting hall, Leng ruoxue heard the sounds of an argument coming from inside. She exchanged a look with the demon and they both walked in.

The people in the meeting hall, who were arguing until their faces were red, quickly shut up when they saw the two of them.

“Why aren’t you arguing? You guys continue! Don’t mind me!” Leng ruoxue said with a smile. Then, she pulled the evildoer to an empty seat.

“Miss Leng, you’ve come.” When Ning Yuan saw Leng ruoxue, he stood up and greeted her.

“There’s no need to be so polite, substitute clan head. You guys can continue!” Leng ruoxue urged.

“Miss Leng! We invited you here because we have something to ask you.” Ning Yuan sighed and said helplessly.

“If you have something to say, just say it! I don’t like to beat around the bush.” Leng ruoxue said with a smile.

“En!” Ning Yuan nodded and continued, “Miss Leng! It’s like this, something happened last night ...”

“Are you referring to the incident of the ninth young lady falling into the latrine pit?” Leng ruoxue interrupted ning shuangyuan before he could finish his sentence.

“It is!” Ning Yuan nodded.

“I’ve heard about this from the maidservant this morning. She said that ninth young mistress drank too much last night and spilled it. That’s why she accidentally fell down.” Leng ruoxue chuckled.

“Miss Leng! That’s just the guess of our clansmen. According to our investigation, the truth is not so! Shan ‘er was probably thrown down on purpose.” Ning Yuan said with a slight headache. This matter was giving him a headache.

“There’s such a thing? Who would have such a huge grudge against the ninth young mistress? He actually threw the ninth young mistress into the latrine pit.” Leng ruoxue said with a face full of sympathy, but she couldn’t help but snicker in her heart. This person was really too creative, and his style was very similar to hers.

“Hmph! Miss Leng! Stop pretending. Other than you, who else would have such a huge grudge against Shan ‘er!” The nineteenth elder said in a strange tone.

“What do you mean, nineteenth elder? Could it be that you think I’m the one who did it?” Leng ruoxue said with a smile that was not a smile. This 19th elder really liked to find trouble with her! Whenever there was anything that involved her, this old man would definitely jump out. She really didn’t know when she had offended him.

“I didn’t say you did it. What I meant was that you’re the most suspicious!” The 19th elder narrowed his eyes and sneered.

“Where does my suspicion come from?” Leng ruoxue retorted.

“Of course it’s because of the man beside you!” The 19th elder pointed at the demon.

“Him? What does it have to do with him?” Leng ruoxue’s face was filled with question marks.

“He’s Shan ‘er’s lover. You and Shan’ er are rivals in love. You’ve already snatched this man from Shan ‘er’s hands, yet you still dare to harm her. You’re really cruel!” 19th elder said disappointedly, as if Leng ruoxue had done something that would anger the heavens.

After hearing 19th elder’s words, Leng ruoxue was dumbfounded and speechless. Did this nineteenth elder also have a delusional disorder? Otherwise, why would she have such an idea? this really made her speechless!

“May I ask this elder, who told you that Xue ‘er snatched me from Ning Shan’ er?” The demon sneered and asked.

“Isn’t it? Did Shan ‘er bring you into the ning family’s main residence?” The nineteenth elder asked.

“It was really Ning Shan ‘er who brought me in.” The evildoer replied honestly.

“Isn’t this good! You knew Shan ‘er first, and you met Leng ruoxue when you came to the ning family’s main residence. So, you abandoned Shan’ er and hooked up with Leng ruoxue.” The nineteenth elder concluded.

“This elder’s imagination is really rich! To tell you the truth, Xue ‘er is my wife, and I came to the ning family to find her. Your family’s old ancestor knows this very well. If any of the elders have any questions, you can go ask your family’s old ancestor.” The demon had run out of patience. If this old man kept harping on this matter, he couldn’t guarantee that he wouldn’t beat this damn old man up.

“We’ll naturally go to old Grand Madame to verify it. However, if the matter is really as you say, then Leng ruoxue is even more suspicious.” The nineteenth elder said stubbornly.

“So you’re saying that you plan to blame this on Xue ‘er?” The demon squinted his eyes and said coldly. He could tell that the old man’s words were just an excuse. He or they had already planned to let Xue ‘er take the blame. However, if they wanted to frame Xue’ er, they would have to ask for his permission first.

“She’s the biggest suspect. Shan ‘er also said that other than Leng ruoxue, she didn’t have any conflicts with anyone else.” Nineteenth elder insisted. In fact, he had spared no effort to push the blame to Leng ruoxue only because he wanted to please Ning Shan ‘er.

“Miss Leng! Shan ‘er said,”you did this!” Do you have anything to say?” Ning Yuan interjected. He could not allow the nineteenth elder to continue spouting nonsense. Otherwise, if the old ancestor found out about this matter and blamed them, they would all be in serious trouble.

“What do you think, acting patriarch? If you think I did it, then just show me the evidence. Don’t make wild guesses about me just because of someone else’s one-sided words. You’ll regret it if you annoy me.” Leng ruoxue warned. She really didn’t know what the nings were thinking. Did they think she was easy to bully just because she wasn’t part of the nings? In fact, their suspicion of her would only make Godfather even angrier. Or did they think that they could bully her without any scruples just because they were Godfather’s descendants?

“Hmph! Of course, we’ll show you the evidence!” The nineteenth elder snorted coldly.

“Not good! Miss Shan is in trouble!” Suddenly, the Guard’s anxious voice sounded outside the meeting hall.

“What happened again?” Ning Yuan’s heart sank, and he quickly asked,” Why couldn’t this Ning Shan ‘er just calm down for a while?

“Acting clan head, elder! You’ll know when you see it.” The guard didn’t dare to say.

“Let’s go out and take a look!” Ning Yuan sighed and said helplessly.

The elders nodded and left the meeting hall together. Leng ruoxue and the demon also followed after them.

They followed the stream of people and walked towards Ning Shan ‘er’s residence. Before they even reached the entrance, they saw that Ning Shan’ er’s residence was already filled with clansmen.

After seeing the substitute family master and the elders, the clan members who were watching the show quickly made way for them. Ning Yuan and the others walked into the courtyard directly.

At this moment, in the courtyard, Ning Shan ‘er was singing and dancing madly naked. Her clothes were scattered all over the ground. When Ning Yuan and the others saw this scene, their faces immediately darkened!

#### **Chapter 1626: Little doll, you’re too rough (4)**

“What are you guys doing? Hurry up and get miss Shan into the house!” Looking at the stunned maidservants, Ning Yuan roared angrily,”damn it!” Was Ning Shan ‘er crazy? how could she do such an immoral thing?! If this got out, wouldn’t the ning family’s face be completely lost by her?

“Acting clan head! Miss doesn’t let us get close to her. As long as we get close, she’ll hit us. We’re no match for her.” A pale-faced maidservant trembled as she spoke.

“What about you guys? Are you all dead? You don’t even know how to help!” Ning Yuan pointed at the guards and scolded.

“Acting clan head! We don’t dare to touch miss Shan’s precious body!” One of the guards replied.

Don't dare to touch it? Then are you just going to stand by and watch? Ning Yuan couldn't help but complain. What was more infuriating was that the entire family seemed to know about it now, and they all came to watch the show. How preposterous!

"Don't just stand there! Quickly knock Ning Shan 'er out!" The third elder couldn't take it anymore and roared.

"Yes!" "Yes," the captain replied. Immediately after, a green light flew out of his hand and hit Ning Shan 'er's neck. Ning Shan 'er fell to the ground softly. When the maidservant saw this, she quickly covered her body with clothes and carried Ning Shan 'er back to her room.

At this time, the crowd outside the courtyard who had come to watch the show quietly dispersed.

"Acting clan head, elder! Something happened to ning Haojie too!" At this time, another cry of surprise came into everyone's ears.

After Ning Yuan heard this, cold sweat dripped down his forehead!

"What's wrong with ning Haojie?" Ning Yuan roared angrily. He couldn't help but complain in his heart. This brother and sister were both troublesome. If they kept provoking him like this, he would definitely die young!

"He ... He's the same as miss Shan 'er." The guard who came to report whispered in fear.

"What? Did you knock him out?" Ning Yuan asked hurriedly. At this moment, he felt like banging his head against a wall.

"Acting clan head! We won't be able to get close to ning Haojie. The moment we get close, he'll attack us." The guard explained.

After hearing the Guard's words, Ning Yuan hurriedly ran to ning Haojie's residence with the elders. Leng ruoxue and the demon followed behind to watch the show.

When they arrived at ning Haojie's courtyard, everyone saw that ning Haojie was just like Ning Shan 'er. He was completely naked and jumping around in the courtyard while mumbling something. Seeing this, Ning Yuan and third elder worked together to subdue ning Haojie and ordered people to send him back to his room. After that, the extremely depressed group returned to the meeting hall.

Sitting on the chairs in the meeting hall, Ning Yuan and the other elders did not say a word, while Leng ruoxue and the demon slowly sipped their tea and ate their desserts. They were very relaxed and casual.

After a long while.

"Elders, what do you think about Ning Shan 'er and ning Haojie?" Ning Yuan asked.

"Acting clan head! This matter is very suspicious. I'm guessing that someone must have set them up." The 19th elder said. As he spoke, his eyes were fixed on Leng ruoxue.

"Then who do you think is the most suspicious, nineteenth elder?" The third elder asked.

"Hehe! This person is far away, but right in front of us!" 19th elder had a hidden meaning behind his words. However, Leng ruoxue didn't even look at him when he said that. She completely ignored him.

“Nineteenth elder! There must be evidence for everything, and it’s better not to talk nonsense without evidence.” The third elder reminded. He knew who the nineteenth elder was referring to. However, he was not too willing to drag Leng ruoxue into this matter. Regardless of whether Leng ruoxue was the one behind this, they would not be in a good position. If the old ancestor were to blame them, they would all be in trouble.

“Third elder, why have you become so timid?” 19th elder had a look of disdain on his face.

“19th elder, I only believe in evidence. Unless you can find evidence to prove that this was done by miss Leng, you will not be able to convince us.” The third elder said in a calm manner.

“I will find evidence.” The nineteenth elder said, his eyes wide.

“Then we’ll wait for your good news.” The third elder said with a faint smile.

“Good! Miss Leng! Since you don’t want to admit that you’re the one who did it, please show us your evidence!” 19th elder pointed his finger at Leng ruoxue.

“What evidence do I have?” Leng ruoxue was bewildered when she heard 19th elder’s words.

“Of course it’s to show evidence that you didn’t do it.” The nineteenth elder sneered.

“Nineteenth elder! I don’t have any evidence, and I won’t take out any evidence to prove my innocence. Besides, I’ll only say it once, I didn’t do it. Believe it or not! However, if you have evidence to convict me, then take it out. If you can’t find any evidence, then just wait to compensate me for my losses! I can’t be wrongly accused for no reason.” Leng ruoxue’s beautiful eyes revealed a trace of coldness as she sneered.

“You ... You don’t have any evidence to prove your innocence, yet you’re still so arrogant! This was preposterous! You all saw it! She’s the biggest suspect!” The nineteenth elder was so angry that he blew his beard and glared.

“I don’t need any evidence. If you guys think that you can convict me based on Ning Shan ‘er’s one-sided words, you’re thinking too simply! Anyway, I’m not stupid, unless your brains are broken.” Leng ruoxue said venomously.

“Hahaha! Their brains must be damaged.” Cheng Xuan’s voice rang out in the meeting hall. Then, he and ning haolan strode in from outside.

“Is this a family meeting? Why didn’t anyone inform me, the young master?” Ning haolan said coldly, his tone carrying a hint of hostility.

“This is not an important meeting, so I didn’t inform young master.” The nineteenth elder explained.

“Is that so?” Ning haolan sneered.

“Of course!” The nineteenth elder said with a smile.

“Since it’s not an important meeting, it’s fine for me to sit in, right?” After Cheng Xuan finished speaking, he found a seat and sat down.

“Young master Cheng! This is our ning family’s matter, it’s inconvenient for an outsider like you to be here, please leave.” The nineteenth elder said with some displeasure.

“He’s also an outsider, right? If he can be here, why can’t I be here?” Cheng Xuan pointed at the evildoer and asked with a faint smile.

“Young master ye, please leave as well!” The 19th elder said helplessly. The reason he didn’t ask ye chen to leave was because he had something to do with this matter. However, in order to get rid of Cheng Xuan, the devilish man couldn’t stay here. However, the demon didn’t even lift his eyelids after hearing his words and continued to do what he was doing.

Seeing this, the nineteenth elder could not help but be angry, while Cheng Xuan secretly laughed.

“19th elder, to be honest, it was your ancestor who asked me to listen in. He was afraid that you would wrong a good person.” Cheng Xuan tried to hold back his laughter.

“Really?” The nineteenth elder’s heart trembled. A bad feeling rose in his heart, and he stole a glance at ning haolan.

Seeing that the nineteenth elder did not believe him, Cheng Xuan turned to look at ning haolan.

“It was the old ancestor who asked him to come. The old ancestor already knows about Ning Shan ‘er.” Ning haolan said softly.

It’s finished! At ning haolan’s words, 19th elder broke out in cold sweat. He had thought that the old master would not find out about such a small matter so quickly! According to his original plan, he would report this matter to the old ancestor after he had found enough evidence. Even if the old ancestor was biased towards Leng ruoxue, he would have to consider the feelings of the clan members! However, things didn’t go the way he had hoped, which made him extremely depressed.

“Since young master ning and young master Cheng are here, I’ll say this one last time. Ning Shan ‘er’s matter has nothing to do with me. If you don’t believe me, you can show me the evidence. As long as the evidence is conclusive, I won’t deny it. However, don’t even think about accusing me without evidence. Otherwise, don’t blame me for being impolite!” At this moment, Leng ruoxue surveyed the crowd and spoke emotionlessly. After she finished speaking, she pulled the evildoer along as they stood up and left the meeting hall.

After that, Leng ruoxue and the demon went to find her Godfather and told him that they planned to return to the divine mainland the next day. Even though master ning was extremely reluctant, he didn’t force her to stay. He only told Leng ruoxue to cultivate with all her might so that she could reach the divine world as soon as possible.

The next morning.

After Leng ruoxue, the demon, grape, and the rest had their breakfast, they went to bid farewell to master ning and the rest, preparing to leave. Before he left, the master of the ning family pointed to the elders beside him and said, “Xue ‘er lass, take these elders with you and help me train them properly!”

“Uh!” Master ning’s words made Leng ruoxue’s forehead fill with black lines. Furthermore, looking at those unwilling elders, she was also very unwilling to take on this pile of trouble.

## Chapter 1627: Xue 'er is mine (1)

"Godfather! They're the elders of the ning family. How can they leave with me?" Leng ruoxue could not help but remind him.

"What's wrong with the elder? It's precisely because they're not making any progress that I want you to help me train them properly." The master of the ning family said disapprovingly.

"Godfather! They won't listen to me." Leng ruoxue understood. These elders had always been pampered in the ning family, so how could they listen to an outsider like her? Moreover, if she really brought them to the divine mainland, without her Godfather's control, who knew what they would do? she didn't want to clean up their mess for no reason.

"Xue 'er! They won't dare to disobey you. I'll let Ning Shan stay by your side and report to me about their current situation. If any of them disobey, I won't let them off." The master of the ning family said with a smile. He had thought of all kinds of situations, but he was afraid that Xue 'er would refuse. Moreover, he had arranged it so carefully that Xue 'er would not be able to say anything now!

After hearing master ning's words, Leng ruoxue and the evildoer looked at each other with a hint of helplessness in their eyes. They could tell that if they did not take these people away, their Godfather would not let this matter rest. However, Leng ruoxue was extremely unwilling to take them away.

Even though Leng ruoxue was a little reluctant, the elders who were about to leave with her were even more resentful. Yesterday, because of the incident with Ning Shan 'er and her brother, they had already been called over by the old ancestor to be reprimanded. Furthermore, Ning Shan 'er and her brother had been grounded because of this. They had also been sent to the godly mainland by the old ancestor. As long as they thought of having to listen to Leng ruoxue's orders for a period of time in the future, the depression in their hearts could not be described with words.

However, they had no choice but to go. Who asked them to not dare to go against the words of their ancestor!

"Master ning, what you mean is that these elders will listen to us and do whatever we ask them to do?" The demon asked.

"Of course!" The master of the ning family nodded.

"That's good! Xue 'er, since this is master ning's will, then let's take them with us!" The demon laughed.

"En!" Leng ruoxue nodded. Even though she was unwilling, she had to give her Godfather some face.

"Hehe! Great aunt! I want to go to the godly continent with you!" Cheng Xuan, who was standing in the crowd, also said at this time.

"What are you doing?" Leng ruoxue said with a slight headache. She was already depressed enough with these elders, and she didn't want to bring this young master of the Cheng family along.

"Go play! At the same time, I'll help the ning family's ancestor to monitor these elders. If they're disobedient, I'll report to the ning family's ancestor at any time!" Cheng Xuan said proudly. However, his

words made the unlucky elders angry but they did not dare to speak out. They could only curse Cheng Xuan in their hearts.

“Ning Shan will be supervising them.” Leng ruoxue said without giving him any face.

“After all, Ning Shan is just one person. He can’t handle these elders on his own.” Cheng Xuan said shamelessly.

“Xue ‘er! Young master Cheng, if you want to go, bring him along!” The demon chuckled as he pleaded.

“Alright then!” Leng ruoxue agreed. Even though she did not know why the evildoer was pleading for Cheng Xuan, she would not reject such a small request.

“Xue ‘er! I want to go with you!”

“Sister ruoxue, there’s still me!”

Ning Yan and Yin Xuan ‘er said in unison when they saw this.

“Big sister Yan, Xuan ‘er! I’ll be going into closed-door cultivation after I return to the divine continent, so I don’t have time to take care of you. You’d better stay in the divine realm!” Leng ruoxue said honestly.

“Xue ‘er! You’re biased! Even Cheng Xuan can go, so why can’t we?” Ning Yan said in an extremely aggrieved tone, her beautiful eyes still glaring at Cheng Xuan.

“That’s right!” Yin Xuan also glared at Cheng Xuan with envy, jealousy, and hatred.

“He’s a man. I can ignore him after we get there, but you can’t!” Leng ruoxue sighed.

“Xue ‘er is right! All of you stay in the divine realm obediently, don’t go and cause trouble for Xue ‘er!” The master of the ning family said firmly.

With master ning’s words, Ning Yan and Yin Xuan didn’t dare to follow him even if they wanted to.

At this moment, Leng ruoxue saw Ning Shan walking towards them from the corner of her eyes. There were two guards behind him, carrying a single rack with a person lying on it. It was the 19th elder of the ning family. Seeing this, Leng ruoxue could not help but frown.

“Patriarch, elder nineteen is here.” Ning Shan reported to the head of the ning family.

“En!” Master ning nodded in satisfaction. Then, he reminded Leng ruoxue, “Xue ‘er, this nineteenth elder may be sick, but it doesn’t affect the journey. You just have to bring him along. You don’t have to give him any special care along the way. He has rough skin and thick flesh. He won’t die even if he suffers a little.”

“So the 19th elder is sick!” Leng ruoxue asked in surprise. Yesterday, this 19th elder was still shouting and yelling at her in the meeting hall. How did he become so sick in just one night?

On the stretcher, nineteenth elder’s face was as pale as a sheet of paper. He looked extremely Haggard and his eyes were closed. He lay on the stretcher listlessly without moving. However, his eyes kept

darting back and forth, indicating that he was still conscious. Leng ruoxue immediately understood what was going on.

“Yup! He’s been like this since I told him to go to the godly land with you. I guess he’s just too excited. It’s not a big deal.” The master of the ning family said disapprovingly.

“Godfather! The nineteenth elder is currently sick, and I really don’t dare to take over. Otherwise, if something happens to him on the way, I can’t afford to take the responsibility.” Leng ruoxue said, feeling troubled.

However, her words made 19th elder, who was lying on the stretcher pretending to be asleep, so angry that he almost vomited blood. He’s not dead yet! This wretched girl had actually started to curse him, how preposterous! However, since things had come to this, he had no other choice but to continue pretending to be sick.

“It doesn’t matter. It’s just an elder. Our ning family has no lack of elders. If he really lives so short, I’ve already thought of a successor to his position. Don’t worry!” Master ning consoled her. His words were like a calming pill for Leng ruoxue. However, when nineteenth elder heard it, he was so angry that he could not catch his breath and passed out.

When the other elders heard this, they all wiped the cold sweat off their foreheads in unison and thought to themselves, “that was close!” Fortunately, they didn’t feign illness like the nineteenth elder. Otherwise, if they angered the patriarch, they would have to bear the consequences. It seemed that the nineteenth elder’s future was worrying!

“With Godfather’s words, I can rest assured.” Leng ruoxue said indifferently, but she was already laughing inside. Poor nineteenth elder. I wonder if he can still pretend to be sick after hearing what Godfather said. But why is he not reacting?

## **Chapter 1628: Xue ‘er is mine (2)**

At the thought of this, Leng ruoxue lifted her beautiful eyes to look at 19th elder on the stretcher! She realized that 19th elder’s breathing was weak, and his eyes were not moving around! It seemed like he had really fainted. Wasn’t this self-defeating?

She laughed gloatingly in her heart and exchanged a few more pleasantries with Godfather and the rest. Then, Leng ruoxue and the rest got on second elder’s flying beast and flew towards the teleportation array to the godly mainland ...

The teleportation array from the ning family’s God domain to the divine continent took a week to fly. This was because the second elder’s flying beast was fast enough. Otherwise, it would have taken at least twenty days to reach the teleportation array.

Along the way, they chose to fly in places with no one. As a result, they had to camp in the wild at night. For the ning family’s noble and pampered elders, it was undoubtedly equivalent to a disaster.

When they left the ning family, the master of the ning family forbade them from taking any attendants with them, so they had to do everything themselves, from setting up tents to cooking. Of course, they could choose not to eat, but just setting up tents was an extremely difficult task for them.

Cheng Xuan wasn't very good at setting up tents either, but he was willing to be thick-skinned and ask without shame. As for the elders who claimed to be of noble status, they couldn't lower their noble heads, including the second elder, so they could only stare at each other.

They didn't really mind that they didn't have a tent, because they thought that they could just sleep in the wilderness for a night! It was easy to muddle through the night, and they could continue on the road the next day. Unfortunately, things were not as simple as they thought.

On the first night of their journey, Leng ruoxue and the others returned to their own tents after dinner. Ning Bo, who was feeling uneasy, wanted to keep watch but was rejected by Leng ruoxue.

In Leng ruoxue's words, there were so many elders here, and all of them were stronger than him. There was no place for him to put his skills to good use, so he just had to rest well.

After hearing Leng ruoxue's words, even if ning Bo sympathized with the elders, he could only go to sleep obediently. After all, the young lady was the most important! He didn't dare to disobey the young miss's orders.

The next morning.

When Leng ruoxue and the others walked out of the tent, they realized that the elders who had been camping in the wild had many red and swollen bumps on their faces from mosquito bites. After feeling their gazes, the elders all turned their backs to them as if they had discussed it beforehand. Seeing this, Cheng Xuan laughed out loud without holding back.

"Hahaha! The elders did a lot of good things yesterday, right? The mosquitoes here will be very grateful to you." Cheng Xuan laughed madly, tears flowing from his eyes.

Although grape and the others were embarrassed to laugh like Cheng Xuan, they could not help but lower their heads and laugh.

"What's so funny!" The second elder was a little annoyed. He didn't expect the mosquitos in the wilderness to be so powerful. His face was red and swollen, and he couldn't help but feel the itch. However, what bothered him more was that he had embarrassed himself in front of Leng ruoxue and the others.

"There's nothing to laugh about. Let's continue our journey after we finish our breakfast!" Leng ruoxue said while holding back her laughter. These elders were too prideful. If they were willing to ask, they wouldn't have suffered so much yesterday. However, if they didn't ask, she wouldn't have taken the initiative to tell them. After all, she wasn't that kind.

The elders had no objections to Leng ruoxue's words. They wanted to travel faster so that they could reach their destination earlier.

They continued on their way. They flew during the day and slept in the wild at night. Those stubborn and prideful elders were still unwilling to ask shamelessly. They would rather be bitten by mosquitoes.

However, after the experience of the first day, they also had some experience. When they slept at night, they thought of using divine power to condense a small protective shield to protect themselves. However, in this way, they would have to consume divine power.

After Leng ruoxue saw through their thoughts, she only smiled and did not say anything. As for Ning Shan, who had been watching coldly from the side, he shook his head helplessly and sighed. However, the family head had said that he only needed to be a bystander. Hence, even though he felt that the elders' thoughts were somewhat inappropriate, he would not say much. Furthermore, he was very clear that even if he said it, these elders would not be grateful to him, so why did he need to do something unnecessary?

The elders' method had indeed isolated them from the mosquito bites. However, after a night, they had used up a lot of their divine power. Hence, when Leng ruoxue and the rest saw the elders the next day, they were all pale and Haggard.

However, those elders who cared about their reputation still forced themselves to be alert in front of Leng ruoxue and the others. When Leng ruoxue saw this, she was even more disinclined to bother with them. Furthermore, once they got on the flying beast, they all fell asleep.

Just like that, five days passed by.

The elders, who had exhausted a lot of their divine power and physical strength, had used all their time during the day and night to rest. Even so, their spirits were still somewhat low. However, at the same time, they had also become much quieter. This was a good thing for Leng ruoxue.

Another night passed.

Finally, one of the elders could not hold on any longer and fainted from exhaustion.

When Leng ruoxue saw this, other than being speechless, she did not have any other thoughts.

One had to know that these elders were all divine emperors! To be able to make a deity Emperor faint from exhaustion, it was clear how much divine power and physical strength they had expended over the past few days. Furthermore, Leng ruoxue noticed that these elders had signs of being poisoned. After all, the mosquitoes in the divinity were poisonous. Even if they had consumed an antidote pill, it would not be able to completely cure the mosquitoes' poison.

On the morning of the seventh day before departure.

Leng ruoxue gathered all the elders together. Looking at the listless group of elders, she sighed softly and said slowly, "Fellow elders, how have you been resting these past few nights?"

"Didn't you say that you're a consultant?" An elder yawned and said in an unpleasant tone.

"Do you want to continue like this? I know you guys are very dissatisfied with me, and I feel the same way about you guys. Moreover, I can tell you clearly that if it wasn't for my Godfather's face, I wouldn't have brought you guys along! To me, you're just a bunch of burdens!" Leng ruoxue said without giving him any face.

"What did you just say? You actually called us burdens? Are you a burden?" Another elder said angrily. He stood up while trembling and glared at Leng ruoxue.

"You are. Look at you now. Can you still walk?" Leng ruoxue scoffed.

"Who said we can't move! I'll show you right now!" The elder was unconvinced. After he finished speaking, he started to walk in front of Leng ruoxue. However, he had only taken two steps when a loud 'plop' was heard. He fell to the ground ...

### **Chapter 1629: Xue 'er is mine (3)**

Seeing this, Cheng Xuan and the others couldn't help but snicker.

"This, this was just an accident!" The elder who fell down was so embarrassed that his face and ears were red. He got up with great difficulty, but who knew that this time, he didn't even take a step before falling directly to the ground again. At this time, a low laugh came to his ears. He might as well go all out and pretend to be unconscious, because he didn't have the face to stand up again.

"Is there any other elder who wants to try?" Leng ruoxue's beautiful eyes swept across the sickly elders.

"I'll do it!" The second elder shouted loudly and stood up, trembling. He wanted to leave for Leng ruoxue and the others to see. Hmph! He could not allow others to look down on him. Although he was now Leng ruoxue's bodyguard, he was still a member of the ning family. The ning family could not allow others to mock them!

"Alright!" Leng ruoxue looked at second elder with a smile that was not a smile, causing second elder to feel extremely guilty. However, he still forced himself to take a few steps forward.

After he walked in front of Leng ruoxue, he was extremely pleased with himself, "I can walk!" The second elder spoke very loudly.

"It looks like there's no problem." Leng ruoxue smiled. Then, she extended a slender finger and poked second elder's body lightly. In an instant, a 'bang' was heard. With a loud bang, the second elder fell to the ground.

"Second elder! Your body is so weak!" Upon seeing this, grape smiled and said with a face full of sympathy.

"Second elder! You're my young miss's bodyguard, but with your current state, I don't know if you're the one protecting her or if she's the one protecting you. You should know that you're a reverent-God!" Lotus seed also asked curiously.

"Yo! So second elder is this great aunt's bodyguard?" Cheng Xuan said in realization, as if he had just found out about this.

The second elder, who was lying on the ground, was disgraced by their words. He glanced at the other elders from the corner of his eye and felt depressed. This time, the elders of the ning family would probably lose all their face. After thinking about it, he put down his pride and said with an aggrieved face, "Miss Leng, I was wrong. Please be magnanimous and help us!"

"Second elder, think carefully. Do you really need my help?" Leng ruoxue confirmed.

“En!” The second elder nodded. Even though he felt that it was embarrassing to lower his head in front of Leng ruoxue, it was better than his current half-dead state!

“I can help, but I can only help the second elder because the other elders didn’t ask me to help. So, I won’t be a busybody.” Leng ruoxue laughed evilly.

“Then I’ll have to trouble you, miss Leng.” The second elder gritted his teeth. However, he had also thought it through. It was fine if Leng ruoxue refused to help the other elders. As long as he learned how to set up a tent and other small matters, he could teach it to the other elders.

“It’s no trouble at all. You’re my bodyguard, so it’s my duty to help you.” Leng ruoxue said with a smile.

Then, she instructed grape and lotus seed to teach the second elder how to set up the tent. As for cooking, it didn’t matter if they didn’t teach. After all, these half-grown old men wouldn’t starve to death even if they didn’t eat.

After a long time.

The listless and listless elders finally had a place to stay. However, after setting up their tents, they suddenly remembered that they should continue on their way. Then wouldn’t this tent be set up for nothing? At the thought of this, all the elders felt extremely depressed. At this moment, they could finally see that Leng ruoxue had done this on purpose!

However, their thoughts did not last long. Leng ruoxue kindly announced that in view of the elders’ weak health, she had decided to rest here for a few days and wait for the elders to recover before leaving. All the elders completely relaxed when they heard this.

Just like that, Leng ruoxue and the rest stayed in this place for another three days.

Three days later, the group continued on their journey.

As evening approached, they finally arrived at the teleportation array to the godly continent.

When they arrived at the teleportation array, they did not waste a single moment. After paying the teleportation fee, they walked into the teleportation array.

With a flash of white light, Leng ruoxue and the rest were teleported to the godly land.

Stepping onto the land of the godly mainland, Leng ruoxue was slightly excited. After being kidnapped for a few months, she had finally returned to the godly mainland. She wondered how Zi Yu and the rest were doing! He missed them so much.

Not wanting to delay their journey home, Leng ruoxue decided to travel through the night. Three days later, the group of them arrived at Yanbei city.

They had arrived at Yanbei city, but they could not pass through the city without entering. Yan kun, who had already received the news, had already come out to welcome them after receiving the report from his subordinate.

After welcoming Leng ruoxue and the rest into the city Lord’s mansion, Yan kun was extremely excited. He had not seen his master for a few months and missed him very much.

After arranging everyone's living quarters, Yan kun came to meet Leng ruoxue. He even prepared a welcome banquet for the second elder and the others. In addition, he also wanted to inquire about the news of the strangers around the master so that he could know the enemy.

In a room in the main courtyard of the fallen swallow residence.

Leng ruoxue sat on the main seat, while Yan kun stood carefully at the side, hesitating to speak.

"You have something to say?" Leng ruoxue found Yan kun's expression funny.

"Miss! The people who are with you seem to be quite powerful! I wonder what their identities are? How should I entertain them?" Yan kun asked out of curiosity.

"They are all elders of the ning family. Godfather asked me to train them. You don't have to give them special treatment." Leng ruoxue said with a smile.

"Argh! An elder of the ning family? I wonder which ning family you're from?" Yan kun couldn't help but ask. He knew that his master had an unusual relationship with the nings, and the nings on the godly mainland had some business dealings with them. Therefore, he knew most of the elders of the nings on the godly mainland. However, the people with his master were obviously not from the nings on the godly mainland.

"Didn't you already guess it?" Leng ruoxue said calmly.

"Miss! "There's really no need ..." Yan kun was shocked after confirming his guess.

"No need! I'll bring them to the nightmare forest tomorrow morning. We'll only be staying here for one night!" Leng ruoxue said indifferently. Actually, if it wasn't for the fact that she had been rushing without rest for the past few days, she wouldn't even have stayed the night.

"In such a hurry?" Yan kun was a little reluctant.

"Mm! After I've settled those old men, I plan to go into seclusion. If you have any important matters, you can look for Ziyu." Leng ruoxue ordered.

"Yes! Miss, rest well! I'll take my leave first." Yan kun turned around and left.

After a night's rest in Yan Beicheng, Leng ruoxue left with the rest the next morning.

In the evening, they arrived at the nightmare forest.

"Xue'er! We're finally home." Standing at the edge of the forest, the demon hugged Leng ruoxue and chuckled.

"En!" Leng ruoxue nodded and looked at her territory. Her emotions were extremely complicated.

"Miss lives in the forest?" Grape looked at the forest in front of him and asked in surprise.

"Yup! This entire forest is our home." Leng ruoxue laughed.

"Waa! Miss! Hurry up and bring us home!" Grape's curiosity was piqued.

“Go! Let’s go home!” After Leng ruoxue finished speaking, she summoned Xiao Budian and instructed him to bring them home.

Upon seeing a familiar place, Xiao Budian was very excited. He followed Leng ruoxue’s instructions and enveloped everyone in a light circle. In the blink of an eye, they had returned to Leng ruoxue’s house on the mountain.

At this moment, Zi Yu was sitting in the garden, thinking about something. When he saw the people who appeared in front of him, he was stunned and couldn’t help but widen his eyes, his handsome face full of disbelief.

“Miss! Is that you?” Seeing Leng ruoxue standing in front of him with a smile, Zi Yu couldn’t believe it. He thought that he had missed her too much, so his eyes were blurry. He even rubbed his eyes.

It was still there! It’s really the young miss! Zi Yu was extremely excited. Then, she shouted, “Miss is back!”

“Miss is back? Where was he? Where is he?” As soon as Zi Yu’s voice fell, messy and urgent footsteps could be heard in the distance. Then, three figures appeared in the garden.

“Miss!” When they saw Leng ruoxue, two figures immediately pounced over in excitement. However, they missed because the evildoer was one step ahead and had already pulled Leng ruoxue into his arms. He was even staring at them with a vigilant look.

“Miss!” Yue Qing and Xiang ‘er, who did not manage to hug Leng ruoxue, looked at her with an aggrieved expression. Their little faces were as pitiful as they could be.

“Xue ‘er is mine!” The demon said indifferently as he lifted his eyelids. He was obviously dissatisfied with them for trying to snatch his benefits.

“What’s the big deal with letting us hug you? we’re not men.” Yue Qing couldn’t help but remind him, thinking in her heart that this man was really too petty.

“Not even women! Not to mention a man!” The demon said with a non-negotiable expression, then he added, “If you want to hug, you can hug Bai Xian and Zi Yu. Don’t even think about Xue ‘er. Oh, and this little guy, you can also hug him as you wish!” The ‘little fellow’ he was referring to was Xiao Budian, who was currently lying in Leng ruoxue’s arms. After that, he pulled Xiao Budian out of Leng ruoxue’s arms and threw him to Yue Qing.

Yue Qing caught the little guy and fiercely glared at him, “You damn little thing, how dare you betray me! I’ll teach you a good lesson!” After she finished speaking, she raised her hand and smacked Xiao Budian’s butt ...

### **Chapter 1630: Reverent-God is also human (1)**

“Aowu! Sister, save me! This evil woman hit me!” As the moon eye’s palm fell, an earth-shaking howl suddenly sounded, shaking everyone’s eardrums.

However, Leng ruoxue didn't help Xiao Budian, because in her heart, she also felt that Xiao Budian deserved a beating. However, she had already forgiven Xiao Budian, so naturally, she couldn't teach him a lesson. Now that Yue Qing was willing to help her, she couldn't ask for more!

"You ungrateful, bad thing. You did something wrong and you still dare to ask miss to save you? Hmph! No one can save you today. I must teach you a lesson!" Yue Qing loudly reproached. When Zi Yu and the others saw this, none of them pleaded for the little guy, because they had the same thoughts in their hearts.

In an instant, the entire garden was filled with only the sound of Yue Jing's palm and the little guy's world-shaking and wail.

After Yue Qing was done teaching Xiao Budian a lesson, she threw him onto the ground. Then, she stared at Leng ruoxue with a fiery gaze and asked softly with a face full of hidden bitterness, "Miss! We've missed you so much."

"I missed you guys too." Leng ruoxue said with a smile.

"Then how are you doing in the divine realm? Did the yin family bully you?" Yue Qing said with a worried expression.

"It's alright! Don't worry! No one would dare to bully me." Leng ruoxue said helplessly.

"That's good! Miss! Who are they?" Yue Qing looked at the old men standing behind her young miss and asked curiously.

"They are the elders of the ning family. This second elder will be my bodyguard in the future. As for the others, Godfather asked me to help train them. They will be under your command in the future." Leng ruoxue pointed at the second elder and said after some thought.

"Don't worry, miss! We'll definitely train them well!" Yue Qing smiled evilly, her beautiful eyes sweeping over the ning family elders. There's something fishy!

"Mm! Then I'll leave them to you. In a while, you can bring them to the forest to cut some wood!" Leng ruoxue ordered.

"No problem!" Yue Qing hurriedly nodded.

"Why do you want us to cut wood?" The second elder asked in confusion.

"Of course you're chopping wood to build a house. Are you planning to live in tents in the mountains? Oh! I forgot that you just learned how to set up tents. You probably haven't had enough!" Leng ruoxue said with a smile.

"However, second elder, don't blame me for not reminding you. It often rains in this mountain. At night, there are also many beasts and mosquitoes. If you stay in a tent for a long time, I can't guarantee what will happen. Although your strength is not low, this is after all not the divine realm. So, you can do as you see fit. If you don't want to build your own house, I won't object if you want to live in a tent." Leng ruoxue added with a smile.

Her words made the second elder a little angry. However, he was smart enough not to argue with Leng ruoxue because he knew very well that he would not be able to outwit her.

Unfortunately, his silence did not mean that the other elders would obediently follow Leng ruoxue's orders. Hence, the moment Leng ruoxue's words left her mouth, some elders immediately protested.

"Why do we have to build our own houses? aren't there many houses here?" An elder asked with his eyes wide open.

"There are many houses here, but you can't live in them because they all have owners." Leng ruoxue chuckled.

"You ... Is this how you treat your guests?" When the elder heard Leng ruoxue's words, he was so angry that his entire body was trembling.

"Are you all guests? How come I didn't know about it?" Leng ruoxue asked back with a face full of question marks. Her expression was as innocent as it could get.

"Of course we're guests!" At this moment, the nineteenth elder, who was lying on the stretcher, shouted weakly. He had been tormented miserably for the past few days, and his body was extremely weak now. Although he had pretended to be sick when he left the ning family, he had really been sick all the way here. However, no one was willing to care about his life or death, which made him extremely angry! He secretly hated these inhumane people.

"Ning Shan! They are my guests?" Leng ruoxue ignored 19th elder and directly asked Ning Shan.

"Miss Leng, they are not guests. Since the master has handed them over to you, they will naturally be at your disposal." Ning Shan ignored the flirtatious looks from the elders and spoke respectfully. He was very sure that if he really said that these elders were guests, Leng ruoxue would chase them out without any hesitation. After all, he was under the direct command of the family head, so he naturally would not take these elders seriously.

After the elders heard what Ning Shan said, their faces were ashen. They were so depressed that they wanted to bang their heads against a wall. However, Ning Shan represented the old ancestor. Therefore, even if they were dissatisfied, they had to swallow their anger.

However, Ning Shan's words made Leng ruoxue very satisfied. After she nodded her head, she then instructed Yue Qing, "Mm! Yueqing, arrange a room for Cheng Xuan, Ning Shan, and ning Bo. The others will take them up the mountain to chop wood, and then let them build their own houses. "

"Alright! Miss. However, where are the houses of the elders going to be built?" Yue Qing couldn't help but ask. She could see that her young miss wanted to give these elders a warning, and as her young miss's subordinate, she naturally had to cooperate well. She just didn't know how these elders had offended her young miss, it was really pitiful!

"We'll just build it opposite our main residence. " Leng ruoxue pondered for a moment before replying.

"Yes!" Yue Qing nodded. Although there was only a river between the main residence and the opposite side, there was still a certain distance. It seemed that the young miss didn't like them very much! She couldn't help but laugh in her heart.

Then, she enthusiastically arranged rooms for Cheng Xuan, Ning Shan, and ning Bo. Then, together with Bai Xian and his wife, she led the pale and stupefied elders to the place with the densest trees on the mountain to cut down trees.

Yue Qing and the other two brought the elders and specially looked for those huge and old trees for the elders to cut down. If they wanted to surround those trees, they would need at least dozens of people to hug them. Therefore, when the elders saw those huge trees, they were all dumbfounded. Many elders couldn't help but curse in their hearts, F \* ck! Could it be that these trees had become spirits? How was he going to do it?

Looking at the elders who were obviously in a daze, Yue Qing shook her head with a look of disdain. Then, she took out dozens of saws specially used to cut down these giant trees from her storage ring and said to the elders, ""Use this saw to cut down all these trees. I don't think I need to teach you how to bring them back!"

The elders each held a saw and carefully observed it. This saw seemed to be different from what they knew because it was only about a foot long and very thin. However, the edge of the saw was quite sharp. However, they were very suspicious. Could such a small saw cut down this giant tree?
