

Crazy Wife 1711

Chapter 1711: The mysterious shadow (3)

“Great aunt! Thank you so much!” Hearing Leng ruoxue’s agreement, Cheng Xuan was very satisfied.

“Don’t thank me yet, I’m not done yet! Since you’re coming with us, then whether it’s on the road or in the secret realm, you have to listen to me. You’re not allowed to doubt my words, can you do that? If you can’t do it, then go back as soon as possible.” Leng ruoxue reminded.

“I can! We can do it! I’ll listen to your orders.” Cheng Xuan quickly said.

“That’s good! You guys can go back to your rooms and rest! We’ll set off tomorrow morning.” Leng ruoxue ordered.

“Yes, yes!” Cheng Xuan and ning haolan nodded. They had been chasing after Leng ruoxue and the others all this time. They had finally caught up with them after days and nights of non-stop traveling. Now that they thought about it, they were indeed quite tired and needed a good rest.

At this thought, the two of them immediately returned to their room.

The next day.

Leng ruoxue and the rest continued on their journey.

They finally arrived at the endless sea in the afternoon.

The endless ocean, as its name suggested, was unusually wide and had magnificent waves. The endless ocean was dark green in color, and waves would rise from time to time.

At this time, the endless sea seemed calm, but under this calm sea, it was unknown what kind of danger was hidden.

Standing on the shore of the endless ocean, Leng ruoxue took the little dolphin out of her bracelet. The moment the little dolphin smelled the aura of the endless ocean, it immediately transformed into its original form and jumped into the ocean, swimming around happily ...

When it was close enough to the endless ocean, it jumped onto the shore and transformed into a stunningly beautiful man, standing beside Leng ruoxue.

“Master! This is my home.” Dolphin said happily.

“Mm! Why is the water here dark green?” Leng ruoxue asked curiously. In her memory, even if the color of the sea water was very dark, it would at most be dark blue. However, the sea water here was so different.

“Hehe! Master! The sea water here is dark green because there is a type of dark green aquatic grass growing on the seabed. Therefore, the sea water is dark green on the surface, but it is still blue when you reach the bottom of the sea.” Dolphin # 1 explained.

“I see.” Leng ruoxue nodded her head after she was clear of the situation.

“Great aunt! This Dolphin is your Beastie?” “What’s wrong?” Cheng Xuan’s eyes had been wide open ever since the beautiful Dolphin Man appeared, and he finally couldn’t help but ask.

“Aren’t you talking nonsense? If Beastie isn’t master, would I call her master?” Before Leng ruoxue could say anything, the dolphin-like man was already unhappy and said in an unpleasant tone.

“Uh!” The Dolphin’s pretty boy’s words made Cheng Xuan depressed. Was he talking nonsense? He didn’t think so.

Seeing the depressed expression on Cheng Xuan’s face, Leng ruoxue was already laughing in her heart. However, she still glared at the dolphin-like handsome man without batting an eyelid, in case he became more and more unruly in the future. After all, Cheng Xuan was the young master of the Cheng family and also her friend. She had to give him some face!

“Master! I’m going to find my old brothers, you guys wait for me here.” The beautiful Dolphin saw that Leng ruoxue seemed a little unhappy and was afraid that she would punish him. He quickly found an excuse to jump back into the sea.

“Great aunt! I just didn’t expect you to take in a sea beast.” Cheng Xuan explained uneasily after the beautiful Dolphin left.

He was really too surprised. It should be known that in the divine realm, almost no one would accept a divine beast from the sea as a beast pet. Although they were invincible in the sea, their Masters would not live at the bottom of the sea for their entire lives. Therefore, basically, no one would be willing to waste a beast pet slot to accept a sea beast. After all, there was a limit to the number of beast pets they could accept. Of course, he would never have thought that Leng ruoxue did not have such a restriction.

“This was just an accident.” Leng ruoxue said helplessly. Her decision to take in that Dolphin was indeed a little dramatic, and she had almost gotten into some trouble because of it. However, it was a good thing that all the trouble had been settled.

“I knew it!” Realization dawned on Cheng Xuan. In his eyes, Leng ruoxue was a cunning little fox. For a Fox to keep a sea beast that was not of much use on land, there was no other explanation other than an accident.

“Miss! We caught some fresh fish, let’s roast them for dinner!” At this moment, grape ran over and suggested.

“Alright,” he said. Leng ruoxue smiled and nodded. Then, she found a large green rock and sat down.

At night, grape and the others, who had been busy the entire afternoon, were ready to roast the fish.

At this moment, a strong gust of wind blew across the sea. Following that, a huge black shadow emerged from the sea. A pair of green eyes stared at Leng ruoxue and the rest as if they were looking at prey. Their eyes were filled with greed and hostility.

“Heavens! What kind of monster is this?” When Lu Tao saw the huge black shadow, she was shocked. Moreover, the surface of the sea was even darker than it had been in the afternoon. Therefore, apart from the pair of green eyes, they could not see the true face of the huge monster.

“Green peach! Don’t be afraid! I’ll protect you.” Feng Da, who was standing beside green peach, said very considerately. This was a good opportunity for the hero to save the beauty! Although the beauty didn’t need him to save her, his heart was still there! Hehe! Green peach would definitely be touched!

“Miss said that it’s better to rely on yourself than on others. I can protect myself. You should be careful too.” Lu Tao reminded.

“Then you protect me!” Feng Da said shamelessly. He was a little disappointed when green peach said that he didn’t need to protect her. In that case, they might as well change seats! Hehe!

“You’re a man!” Lu Tao clenched her beautiful face and said through gritted teeth.

“Isn’t it obvious? However, if you want to be sure, I don’t mind.” Feng Da said with a smile.

“You shut up!” Lu Tao’s beautiful face was dyed with a touch of shyness, and after receiving everyone’s teasing gazes, she really wanted to find a hole to hide in. Wu ... This man was acting coquettishly with her in front of everyone, he was really too much.

However, after Feng DA’s interference, the originally tense atmosphere also relaxed.

At this time, the huge black shadow on the surface of the sea was only surprised when everyone first saw it. After that, they actually ignored it. This fact had seriously hurt its self-esteem. F * ck! Why were these despicable humans not afraid of it? Was it not scary? At the thought of this, it let out two whimpers on purpose to intimidate Leng ruoxue and the others.

However, it had clearly underestimated the mental endurance of Leng ruoxue and the others. They only glanced at it once and did not bother with it.

“Despicable humans! How dare you! How dare you come to my territory and cause trouble!” Seeing that Leng ruoxue and the rest were ignoring it, the huge black Shadow’s pride was hurt. It could only reprimand them.

Its rough voice had a slight tremble to it. When Leng ruoxue heard it, she laughed in her heart. Where did this Beastie, who was a Fox exploiting a Tiger’s might, come from? He was obviously very scared, but he still pretended to be fierce to scare them. Sigh! This was clearly the behavior of a child!

“Did we cause any trouble?” When Leng ruoxue heard the words of the huge black figure, she turned around and asked the people around her.

“No, I didn’t! We haven’t even started to cause trouble!” Feng Da replied with a smile.

“Hey! Big guy, did you hear that? We haven’t even started to cause trouble!” Leng ruoxue laughed.

“How audacious! You guys stole so much of my food, and you still dare to say you didn’t cause trouble!” The huge black figure was obviously very dissatisfied with Leng ruoxue’s words. It roared with a hoarse voice. The moment the roar was heard, huge waves immediately rose up from the sea and pounced towards Leng ruoxue and the others.

Leng ruoxue and the rest dodged nimbly. Looking at the huge black shadow that was hiding its head and revealing its tail, everyone thought to themselves, ‘is it preparing to fight?’

“Big guy, just talk properly. Why are you playing with water?” Leng ruoxue pretended to be unhappy.

“Playing with water? I know how to play with water? What’s with your eyes! That’s clearly my pressure!” The huge black shadow roared in anger. F * ck! Its pressure was actually treated as playing with water by others. It was really intolerable!

“Pressure? If that’s really your pressure, then your abilities aren’t that great!” Feng Da said with a look of disdain.

“Nonsense! I’m the Overlord of this area! In this area, no human or beast dared to speak to this Lord like this! Humans! You’ll be punished by me!” The huge black shadow roared angrily, but in his heart, he was thinking about how to deal with these humans. There were too many of them, what was it going to do?

“Oh, really? I’ll wait and see. ” Feng Da didn’t take the words of the huge black shadow seriously. In his opinion, if this guy was really a powerful sea beast, he would have attacked long ago. Why would he talk so much nonsense with them? Therefore, he did not take its threat to heart at all.

“Just you wait! You will regret this!” After the huge black shadow finished speaking, it dived back to the bottom of the sea with a loud Thunder and a small drizzle.

Feng Da and the others couldn’t react for a long time because of its retreat. Why did it just leave? They were dumbfounded! It shouldn’t be like this, right?

Chapter 1712: A mistake (1)

When Feng Da and the others came back to their senses, the sea had returned to its calm state. However, this fact made them quite depressed. They had not yet figured out what kind of monster the black shadow was! The black shadow had actually dived back to the bottom of the sea, which made them feel like they had punched cotton.

They thought that they could have a big fight, but who knew that it would end so silently?

Although this little episode made Feng Da and the others, who loved to fight, feel a little depressed, it did not affect their mood too much. After the black shadow disappeared, they continued to eat dinner.

After dinner, Leng ruoxue took out the house and everyone went in, ready to have a good night’s rest. However, in the middle of the night, they were suddenly hit by a “Kacha” sound! Kachaa!” , Awoken by the noise.

The group walked out of the room and gathered in the garden. Through a screen of light in the garden, Leng ruoxue and the others were shocked to find that they were surrounded by a group of crabs the size of millstones and giant prawns waving their large pincers. Many crabs had even climbed up to the roof and were trying to enter the house from above.

“Miss! The crabs and prawns were so big! We’re in for a treat this time. ” Feng DA’s eyes lit up when he saw those huge objects. In his eyes, these things were simply delicious food delivered to his door! It would be a waste not to eat it!

“Hehe! It’s been a long time since I’ve eaten these things, I really want to eat them!” Lin Yuan also said. Although there were a lot of crabs and prawns in the miss’s space, they had a large number of people, so they usually didn’t dare to eat too much. It should be known that those things were quite rare whether it was on the sharp wind continent or the Haotian continent. They couldn’t bear to eat them, and it was even more impossible for them to go into the sea to catch them. After all, there were many fierce beasts in the sea. If they were careless, they would lose their lives. But this time, these things came to them on their own initiative. They naturally wouldn’t be polite.

Seeing the excitement on their faces and hearing their conversation, Cheng Xuan could not help but wipe the cold sweat on his forehead. He thought to himself, ‘could it be that these people want to eat these things?’

Although he was from the divine world, he had never eaten these armored monsters before. Moreover, he did not think that these things that were tied to him were worth eating. However, looking at the expressions of Feng Da and the others, they seemed to be quite excited. What was going on? He was very curious, and his heart felt as if there was a cat scratching it.

“You guys want to eat these iron armored monsters?” Cheng Xuan could not help but ask.

“Yup! This is good stuff!” As Feng Da spoke, a trace of nostalgia appeared on his face.

“No one in the divine realm would eat these things. Are you sure they can be eaten?” Cheng Xuan said in disbelief.

“Of course they can be eaten. They’re all delicious!” Feng Da looked at Cheng Xuan as if he was a monster, as if he had said something he shouldn’t have. Feng DA’s incredulous look also made Cheng Xuan’s face burn.

“I ... I haven’t eaten it.” Cheng Xuan’s face reddened as he spoke in embarrassment. However, he couldn’t help but wonder why he was embarrassed. It’s not embarrassing if you haven’t eaten it before, right?

“Al! You guys don’t have the good fortune to eat!” Feng Da looked at Cheng Xuan with sympathy.

“Uh!” Receiving Feng DA’s sympathetic gaze, Cheng Xuan was depressed. It seemed that it was a little embarrassing to not have eaten it.

“Hehe! It’s not very popular for people in the divine realm to eat these things.” Seeing Cheng Xuan’s awkwardness, ning haolan tried to smooth things over. The truth was, he had never eaten it before, so he had to stand on the same side as Cheng Xuan at this point. Otherwise, Cheng Xuan would not be the only one who would be pitied.

“Yes, yes.” Cheng Xuan nodded repeatedly at ning haolan’s words.

“Hehe! Don’t worry, you’ll have a good meal in a while.” Feng Da patted their shoulders and comforted them.

Then, he turned to look at Leng ruoxue, “Miss! When are we going out to catch crabs?”

“Are you sure you’re going out to catch crabs and not be eaten by these crabs?” Leng ruoxue looked at the increasing number of large crabs and teased with a faint smile.

“Miss! How can we be eaten by them? if we have to eat, we should be the ones eating them!” Feng Da corrected him.

“Oh! Then you guys go out and catch them!” Leng ruoxue nodded.

After getting Leng ruoxue’s approval, Feng Da and the rest did not want to waste any more time. They immediately opened the door and walked out.

However, as soon as he stepped out of the house, Feng Da felt that he had stepped on something soft. Then, his foot seemed to be clamped by something, and he couldn’t help but scream in pain, “”Argh! My foot!”

When everyone heard Feng DA’s cry, they lowered their heads in unison, only to find that there was a huge clam between Feng DA’s feet.

The clam was a meter in diameter, and under the moonlight, its shell was a faint pink color. At this time, its two extremely hard shells were tightly clamping Feng DA’s feet, and the shell was slowly closing ...

“Dammit! Quickly help me get it down!” Feng Da grimaced in pain and kept swinging his legs, but he couldn’t get rid of the giant clam that was closing in.

When Lin Yuan and the others saw this, they quickly squatted down to help. A few of them grabbed the two shells of the giant clam and tried to break it open. However, the giant clam did not move at all. No matter how hard they tried, it refused to let go of its shell.

“Miss! Save me! Help me!” Feng Da, who was in so much pain that he was about to faint, could only seek help from Leng ruoxue, who was still in the house, when he saw that Lin Yuan and the rest were helpless.

When they heard the voice, Leng ruoxue and the demon walked out from inside with smiles on their faces.

“What is this? How many crabs have you caught?” Leng ruoxue raised her beautiful eyes and glanced at the giant crab that was glaring at them. She asked calmly.

“Miss! Not a single one was caught! “My foot is caught by a clam, Wu ...” Feng Da sobbed with an aggrieved expression. He could tell that the young lady had come out to see him make a fool of himself!

“You’re too careless! Why didn’t you look at your feet when you were walking?” As expected, Leng ruoxue reproached. However, she still had a smile on her face.

“I ... I didn’t notice. Miss! Please help me get rid of this thing! It hurts so much. ” Feng Da pleaded.”Wu ... This bad-hearted young lady really has no sympathy.” He couldn’t help but curse in his heart.

“It’s not easy to get rid of this thing! Besides, the more we want to get rid of it, the more it will clamp onto us for self-protection. Why don’t you take it with you for the time being?” Leng ruoxue suggested as she looked down at the giant clam.

“Miss! Don ‘t! How can I bring it along, miss! You must have a way!” Feng Da was so anxious that he was about to cry. Moreover, the place where he was clamped by the giant clam was also in excruciating pain. He was about to break out in cold sweat.

"I really don't have any good ideas. Unless you don't want this leg anymore." Leng ruoxue teased Feng Da.

Chapter 1713: Mistake (2)

"This, this won't do! I can't lose my leg." Feng Da said anxiously when he heard this.

At that moment, everyone present could tell that the young miss's bad taste was back. She was just teasing Feng Da! Therefore, they were all smart enough to keep silent.

"Young miss ..." Feng Da looked at Leng ruoxue with resentment. His little face was as pitiful as it could get, and his pitiful look greatly pleased Leng ruoxue.

"Al! Seeing how pitiful you are, I'll think of a way!" Leng ruoxue sighed and pretended to be in a difficult position.

"Many thanks, miss!" Hearing Leng ruoxue's words, Feng Da could finally relax.

At this moment, Leng ruoxue squatted down and stretched out her index finger. She bent it and knocked on the clamshell lightly. She then said with certainty, "There must be someone at home!"

Cheng Xuan and ning haolan's faces darkened at her words. What did she mean by that? What did he mean by 'there's someone at home'? So what if there were people? so what if there were no people? Was she going to get someone to open the door for her? The two of them let their thoughts run wild, but the next second, their guess was confirmed.

"I know you're at home. Open the door now, or else you won't be able to keep these two doors." Leng ruoxue threatened. At this moment, the clam that was hiding in its shell did not dare to make any rash moves. This was because it could instinctively sense how terrifying this woman was. Although its strength was not high, its natural instincts were not wrong. Hence, the timid clam could only hide its head and not dare to show itself.

After waiting for a while, Leng ruoxue saw that the mussel did not respond and was a little angry. In an instant, a small dark purple flame jumped on her white and tender fingertips. The temperature of the flame was extremely high, causing Lin Yuan and the others to take a big step back to avoid being roasted by the flame.

The moment Leng ruoxue's flame appeared, the giant clam, which had been silent, started to tremble uncontrollably. Water vapor started to evaporate from its body. In an instant, the giant clam felt as if its body was on fire and it started to tremble even more.

"Little clam! Do you want to be roasted by me, or do you want to open the door?" Leng ruoxue slowly moved the flame on her fingertips closer to the giant clam's body, giving it two choices.

However, as soon as she finished her sentence, the giant clam quickly opened its two shells and jumped into the sea as if it was running for its life. The giant clam was still frightened and refused to come out.

"What a pity. I thought I would be able to eat delicious clam meat." Leng ruoxue looked at the back of the giant clam and said with regret.

“Great aunt! Is there anything in this world that you don’t dare to eat?” Cheng Xuan couldn’t help but ask.

“Of course!” Leng ruoxue nodded with a smile.

“What?” Cheng Xuan asked curiously.

“I’m not telling you.” Leng ruoxue laughed evilly. There were many things in this world that she didn’t eat.

“Great aunt! You’re a bad person.” Cheng Xuan pouted and said in a slightly coquettish manner.

“I’ve never said that I’m a good person!” Leng ruoxue said with a smile. Then, she stood up and looked at the cancer that was right in front of her, “Since the mussel has run away, I can only have you as my supper tonight.”

With that, Leng ruoxue walked towards the giant crab.

When the giant crabs and giant prawns with low spiritual intelligence saw Leng ruoxue approaching, they all instinctively retreated. This was because both Leng ruoxue and the small flame in her hand made them feel fear. Seeing that they were about to retreat into the sea, Leng ruoxue stopped in her tracks and said, “Don’t be afraid, I won’t mistreat you. I’ll give you a quick death.”

These words made the giant crabs and prawns run even faster. They ran for their lives in all directions without a care. For a moment, it was a mess. In the process of running away, many crabs and prawns bumped into each other. Some directly fainted, and some had broken a few arms and legs. In short, the situation could only be described as chaotic.

The crowd stared at the scene in front of them with their mouths agape. They were filled with admiration for Leng ruoxue and could not help but think in their hearts, ‘as expected of our family’s young miss! This power was extraordinary! He hadn’t even made a move! Those shrimp soldiers and crab generals threw away their helmets and armors and fled in all directions. However, in this way, wouldn’t they lose their delicious taste? At the thought of this, Feng Da and the others became anxious and shouted, “Miss! Don’t let them run away!” At the same time, it pounced on those shrimps and crabs ...

“Uh!” Seeing this, Cheng Xuan rubbed his eyes and thought to himself, are those things really that attractive? He had actually caused Feng Da and the others to go so crazy. Out of curiosity, he and ning haolan also charged into the ‘battlefield’.

After a battle of chasing and hiding, Feng Da and the others had a good harvest. They saw a small mountain of shrimp and crabs piled in front of their house. Seeing these fresh seafood, they couldn’t wait any longer. They directly started a fire and roasted it over the fire with a wooden stick ...

Not long after, a fresh smell emerged from the shrimp and crab that were being roasted over the fire. After smelling it, Cheng Xuan couldn’t help but take a few deep breaths. This smell was indeed delicious! He just didn’t know what it would taste like. He was looking forward to it.

However, after the prawns and crabs were roasted, Cheng Xuan didn’t rush to eat them. Instead, he carefully observed Feng Da and the others’ appearances and started to learn.

When the first mouthful of crab meat entered his stomach, Cheng Xuan could not help but close his eyes and chew with a satisfied expression. The delicious taste floated in his mouth, leaving him with an endless aftertaste.

However, when he opened his eyes and saw that Feng Da and the others had each destroyed a giant crab, he couldn't help but feel a little anxious. He didn't care about the aftertaste and quickly ate it. While eating, he took a freshly roasted giant crab and placed it in front of him to show his ownership.

Leng ruoxue chuckled to herself when she saw how protective Cheng Xuan was of his food. She did not expect Cheng Xuan to have such a cute side to him. However, she was surprised by ning haolan's actions because he had learned from Cheng Xuan. When he saw her surprised look, he did not feel embarrassed at all. Instead, he was even more at ease.

Seeing this scene, Leng ruoxue sighed from the bottom of her heart. Young master ning's heart was still the best!

Everyone was eating the supper excitedly. However, just as they were eating happily, a discordant roar sounded in their ears.

"Bold human! You actually dared to eat my subordinates!" A hoarse voice rang out in the dark night. When everyone heard this voice, they didn't even raise their heads and continued to eat the food in their hands.

"Human! I'm talking to you! Don't ignore this Lord's existence, alright?" Seeing that no one was paying attention to it, the owner of the voice, the giant monster, could not help but roar again.

"Then what do you want? A fellow who doesn't even dare to show his face, do you expect us to treat you with courtesy?" Leng ruoxue raised her head and smiled calmly.

Chapter 1714: A mistake (3)

In fact, she had long guessed that those shrimps and crabs were related to this monster. Now, she had finally confirmed it. They were indeed its people.

"You ate my subordinate. You have to give me an explanation!" The giant monster roared.

"Tape? What do you want tape for? Are you trying to shut your mouth?" Leng ruoxue laughed evilly, deliberately twisting its words.

"Despicable humans! You did it on purpose!" The huge monster understood the meaning behind Leng ruoxue's words and said angrily.

"I did it on purpose, what can you do to me?" Leng ruoxue said nonchalantly and continued to provoke it.

"Miss! It doesn't even dare to show its head, what can it do to us? It doesn't even dare to come up, so why waste our saliva talking nonsense with it?" Feng Da suggested.

"Mm! Let's ignore it and continue eating!" Leng ruoxue nodded her head in agreement.

“Don’t eat it! You’re not allowed to eat my subordinates!” The huge monster roared in anger. However, Leng ruoxue and the rest were unmoved. They continued to lower their heads and eat the delicacies in their hands. Following that, they heard a ‘Kacha’! With a loud ‘Kacha’ sound, everyone saw a huge black shadow from the corner of their eyes. It dived out of the sea and came ashore. Then, it quickly ran in their direction. Leng ruoxue and the others laughed in their hearts when they saw this. This idiot had finally taken the bait.

When the black shadow ran in, Leng ruoxue and the others finally saw its true appearance.

It was an extremely huge crab with a diameter of ten meters and a height of two meters. It was wearing a black armor that was shining with a faint light. Furthermore, this crab had the strength of a divine Lord.

When the crab saw that Leng ruoxue and the others were stepping on the shells of its underlings, anger rose from its heart. Its pitch-black, glossy, and extremely hard shell seemed to be burning with flames, shining with a pink glow. Seeing it like this, Leng ruoxue couldn’t help but recall a classic advertisement from her previous life: ‘have you been cooked?’

“I want to take revenge for my subordinates!” The large crab said viciously. Its pair of Searchlight-like eyes stared at Leng ruoxue and the rest as if it was staring at its prey.

“Big crab, I can understand how you feel. However, you only have the strength of a monarch-god level cultivator. There are so many of us here. Are you sure you can defeat us?” Leng ruoxue chuckled as she reminded him.

“I, I won’t let you off.” The large crab stammered and did not answer Leng ruoxue’s question directly. In fact, it was afraid that it could not defeat them, so it did not attack. Instead, it went back and found a group of its underlings. Who knew that those underlings were so useless? before they could attack, they were killed, injured, and many of them became food for the humans. This fact made it extremely furious. However, don’t be fooled by its fierce appearance. In reality, it was very timid. However, this time, it had no choice but to stand out. Otherwise, where would it put its face in the endless ocean in the future? How could it convince the masses?

“What do you want to do to us?” Leng ruoxue was very curious.

“I want to take revenge for my subordinate.” The large crab roared.

“You’ve said this before. Tell me the details.” Leng ruoxue reminded him impatiently.

“The details, the details ...” The big crab was confused. It didn’t know! What could it say?

“Al! You’re so stupid! The specific thing is nothing more than how you want to avenge your subordinate! You have to come up with a plan to deal with us. You can’t just come here on a whim like you are now. You’re not here for revenge, you’re here to give us Food!” Feng Da couldn’t help but say in a sincere tone when he saw the big crab’s dumbfounded expression.

Upon hearing Feng DA’s words, the big crab suddenly raised his head and looked at Feng Da with teary eyes. As if he had found a soulmate, he choked and said, “Human! You really are a good person! You’re actually so considerate of me.” It was very touched. After living for so long, it had been afraid of being

eaten by the enemy every day. It didn't expect that there was still someone in this world who cared about it so much!

Ugh! What was this situation? Seeing the big crab's inexplicable excitement, Feng Da was a little dumbfounded. He didn't seem to have said anything that shouldn't be said, right? Why did the crab look like it was going to give itself to him? The more he thought about it, the more afraid he became.

Not only him, but the others were also speechless when they saw this scene. Moreover, they had a common question in their hearts. What was this big crab trying to do?

However, they soon found out.

The big crab looked shy, and his cold eyes looked at Feng Da with affection. Then, he said, "Human! You're so good, I'm really moved. I've decided, I'm going to give my body to you ..."

The big crab's words made Feng Da jump in shock. F * ck! This crab was going to repay him with his body just because he said so. This was really too terrifying.

"Don't, don't be impulsive! I'm not a good person! It's true!" Feng Da wiped the cold sweat on his forehead and said hurriedly.

"You're a good person! I've lived for so long, but I've never met a human who's so considerate of me! So, you can't reject me." The big crab was determined to get Feng Da, and it said very stubbornly.

"But I'm not interested in you. Besides, I already have someone I like. So, I can only disappoint your good intentions." Feng Da was so anxious that he broke out in a cold sweat. He couldn't help but look towards Leng ruoxue and the others for help. However, he was ignored by the crowd who wanted to see him make a fool of himself.

"Interest can be cultivated. I believe that with my charm, you will accept me one day." The big crab suddenly became confident.

"To be honest, my favorite food is crabs, so in my eyes, you are food. No one will like food. Trust me." Feng Da tried to persuade him.

"You can't eat mine." The big crab blinked its eyes and said innocently.

"That's hard to say! If I'm hungry one day, I might just treat you as a dish to go with wine. Would you still dare to like me then?" Feng Da threatened.

Feng DA's words made the big crab stare at him for a long time without saying a word. However, just when Feng Da thought that the big crab had given up, the big crab said, "I'm not scared. You can't scare me!"

"What do you want?" Feng Da was speechless. Why was this crab so insistent on him?

"I said I want to repay you with my body." The big crab said with certainty.

"Like I said, I already have someone I like." Feng Da also said.

"So what? I won't fight with her." The big crab said disapprovingly.

“That ... Being a third party will be despised by others.” At this time, Lu Tao couldn’t help but say. She originally wanted to stay out of this world, but she couldn’t resist Feng DA’s pleading gaze, so she had to speak.

“What’s a third party? And who are you?” The big crab asked curiously.

“She’s the woman I like. The mistress is the one who forced herself between us. I’m a human, and I like humans. You’re just food in my eyes, so I’ll never like you.” Feng Da couldn’t take it anymore and roared.

After Feng Da finished shouting, the big crab looked at him in a daze, then continued, “If you like her, then so be it. There’s no conflict with me offering my body to you. She’s a human and can’t be your Beastie, but I can!” After he finished speaking, he even looked at green peach with a slightly provocative look.

“Beastie?” Feng Da blinked his eyes. Did he hear it wrong? This big crab was talking about Beastie. Could it be that he wanted to be his Beastie?

“You want to be my Beastie?” Feng Da asked again with uncertainty.

“Mm! You’re a good person, I like you! So, I want to be your Beastie.” The big crab said shyly.

After hearing the crab’s affirmative answer, Leng ruoxue and the rest could not help but lower their heads and laugh. After all this, this crab only wanted to be Feng DA’s Beastie. In the end, it caused them to misunderstand and caused Feng Da to make a huge mistake.

“If you want to be a Beastie, why don’t you just say it clearly? why are you even offering yourself to me? are you trying to scare me to death?” Feng DA’s face was hot. F * ck! This was a huge loss of face.

“Isn’t being a Beastie the same as repaying with your body? From now on, I’m Yours.” The big crab said matter-of-factly.

“If you don’t know how to use words, then don’t use them. How can that be the same!” Feng Da was very angry, and the crowd couldn’t help but laugh loudly when they heard their conversation.

“Hahaha! Captain, you guys are too funny.” Lin Yuan laughed, and he laughed the most exaggeratedly. He laughed so hard that his stomach hurt, and he was just short of rolling on the ground.

“What are you laughing at? If you laugh again, I’ll throw you into the sea to feed the crabs!” Feng Da roared in anger.

“Master! Crabs love aquatic grass, not humans.” The big crab corrected him with a serious expression.

After Lin Yuan and the rest heard this, they laughed even louder.

“You shut up! No one will think you’re mute if you don’t speak.” Feng Da was furious.

“Master! I’m telling the truth!” The big crab felt very wronged.

“Don’t call me master! I didn’t agree to take you in!” Feng Da was about to go crazy.

“Master! I’ve decided on you, you can’t abandon me!” The big crab stretched out its two huge pincers and hugged Feng DA’s thigh tightly as it sobbed.

“Dammit! Quickly let go of me!” Feng Da ordered.

“Not letting go! Don’t let go! I won’t let go even if I die!” The big crab hugged him tighter and tighter, so that Feng Da would not shake him off.

Just like that, the man and the crab began to tug at each other, forming a tug-of-war. Seeing this, Leng ruoxue shook her head helplessly and sighed in her heart. How did things turn out like this? If she didn’t remember wrongly, this big crab was here for revenge, but now it had found a master for itself. Was there anything more dramatic than this in the world?

Chapter 1715: Human! Leave quickly (1)

Leng ruoxue sighed softly. She ignored the man and the crab’s tugging and pulling and immediately brought the demon back to her room.

The next morning.

When they came out of the room and saw the unconcealed smiles on everyone’s faces, suspicion rose in their hearts. After they left last night, did something happen that they didn’t know about?

“Miss! Feng Da took that big crab last night. ” Seeing Leng ruoxue’s confusion, grape hurriedly explained.

“Oh! Isn’t it normal to take in a Beastie? However, your expressions are very abnormal. ” Leng ruoxue chuckled.

“Hehe! Miss, you’ll know when they come out. ” Grape said mysteriously, the smile on her beautiful face hard to hide.

Seeing that the grapes were keeping her in suspense, Leng ruoxue didn’t probe further and just waited patiently. Fortunately, Feng Da didn’t make her wait too long. After a while, he walked out of the room with a dark face.

But what was that black thing on Feng DA’s head? Leng ruoxue silently wiped the cold sweat off her forehead. In her heart, she couldn’t help but feel disgusted by Feng DA’s new style. If this was in the world of her previous life, Feng DA’s style would definitely not be mainstream!

He saw a black crab slightly bigger than an adult’s fist on Feng DA’s head, baring its fangs and brandishing its claws. It was obvious that this was the giant crab’s appearance after it mimicked him yesterday. But why did he bring this crab on his head? Could it be that he thought that he looked good like this and wanted to change his image?

Just as Leng ruoxue was feeling puzzled, grape and the rest could not help but turn around and snicker. Feng DA’s face was dark as he went up to Leng ruoxue and pleaded, “Miss! This damn crab just wants to stay on my head, please help me!”

“How do you want me to help you?” Leng ruoxue asked with a face full of curiosity. She laughed in her heart. She knew Feng Da wouldn’t be like this ... So it was because the crab had chosen this position, MMM! Could she say that this crab had good taste? The view there was really good.

“Help me persuade it to come down.” Feng Da begged.

“Feng Da! I heard that this crab has already recognized you as its master. Since you’re its master, you can order it to come down from your head. You don’t need me at all! Moreover, compared to you, I’m just an outsider to it. How could it listen to me?” Leng ruoxue reminded. It seemed like Feng Da had been so angered by this crab that he had lost his mind. Otherwise, why would he not know how to use his master’s authority?

“Miss! If only it was willing to listen to me.” Feng DA’s face was bitter as he said helplessly. This crab was extremely stubborn. Once it had decided on something, it would go down the dark path. He didn’t have the habit of mistreating his Beastie. He couldn’t hit it or scold it. After all, it was his Beastie, and he still had to dote on it. He didn’t know if it was because of this, but this little crab was not afraid of him at all. So, he could only swallow this bitter fruit. Sob ... He really regretted taking in this guy in his moment of soft-heartedness. Now, it had climbed onto his head. It was truly on his head!

“Even you, the master, can’t do anything, so what can I do? You still have to manage your own Beastie, no one else can help you.” Leng ruoxue said with a helpless expression.

“Miss ...” Feng Da deliberately dragged out his voice. His originally shrewd eyes were now glistening, and the mist in them was in danger of falling at any time.

“I’m not a green peach. It’s useless to act pitiful in front of me.” Leng ruoxue unreservedly exposed him. She thought to herself, ‘if the person who acted this way in front of me was a demon, I might have taken pity on him. But it’s a pity that he’s not!’

“Miss!” Feng Da called out resentfully, but was ignored by Leng ruoxue.

Even though Leng ruoxue ignored Feng DA’s plea, she still turned her gaze to the greenish-black crab. She smiled and asked, “Little crab, since you’ve acknowledged my subordinate as your master, you’re one of us from now on. You have to answer my questions truthfully!”

“MMH! If master’s young lady has any questions, please ask. I promise to tell you everything I know.” The little crab on Feng DA’s head raised one of its pincers and made a solemn vow. This was its master’s master! Therefore, it definitely had to please her. Furthermore, after recognizing her as its master, it was very clear of the position this human woman had in its master’s heart. Hence, its attitude towards Leng ruoxue was extremely good.

“You’re a good one,” Leng ruoxue nodded in satisfaction and continued, “Little crab, do you know where the secret realm of the endless sea is?”

“A secret realm?” The little crab furrowed his brows in a dilemma. His pair of black and bright little eyes rolled around, but in the end, he shook his head and said, “I’ve never heard of a secret realm here.”

“Are you sure?” Leng ruoxue confirmed. She could tell that this little crab really didn’t know what a Mystic realm was. However, the map that seventh elder had given her should be correct. After all, this concerned the safety of Godfather and the rest!

“Mm! I really haven’t heard of any secret realm here, but recently, the number of powerhouses in the endless sea has suddenly decreased by a lot. I heard that they have all gone to a mysterious place, but I don’t know where that place is.” The small crab said after thinking for a while.

“A mysterious place?” Leng ruoxue muttered to herself for a moment before realizing that the mysterious place the little crab was talking about could be the mystic realm she was looking for. The number of powerful cultivators in the endless ocean had suddenly decreased, so they must have gone there as well. After all, the mystic realm was on the endless ocean, so it was impossible for the local tyrants here to not have noticed it. However, the little crab was not sure, probably because it was not powerful enough. It seemed like the only way to find out the exact location of the mystic realm was to wait for the little dolphin to return.

“Master’s young lady, do you want me to go back to the sea and ask around?” Seeing that Leng ruoxue was interested in that mysterious place, the little crab quickly tried to please her.

“Alright!” Leng ruoxue nodded.

“Hehe! Then I’ll go! Master! You can’t give this position to anyone else!” Before the little crab left, he looked at Feng DA’s head with reluctance and said worriedly.

“I know!” Feng Da replied unhappily. He could not help but feel frustrated in his heart. Other than this damned crab, no other Beastie would like that position. He would not let any Beastie climb over his head either. However, this crab was a different species! It was something that could make him go crazy but at his wit’s end. Fortunately, it was going back to the sea.

“Master! I’ll miss you.” The little crab’s eyes were brimming with tears as it said with great reluctance.

“Hehe! Captain, I didn’t think that your relationship would be so deep in just one night.” Lin Yuan teased with an envious look on his face.

“Let’s go!” Feng Da glared at Lin Yuan and urged.

“Mm! I’ll be back as soon as possible, master! Don’t miss me too much!” After the little crab finished speaking, it climbed down from Feng DA’s head and looked into his eyes. Then, with a flash of white light, it disappeared into thin air.

Chapter 1716: Human! Leave quickly (2)

“It’s such a passionate little thing.” After the little crab disappeared, Leng ruoxue couldn’t help but sigh. She was also very out of line because she hadn’t forgotten what this crab had come here for. However, it had only been one night, and it was already stuck to Feng Da like glue. This made one couldn’t help but praise Feng DA’s extraordinary charm.

“Miss! Let’s not talk about it anymore, okay?” Feng Da begged with a bitter face.

“Feng Da! It’s already your Beastie. Even if you don’t mention it, you can’t change this fact, right?” Leng ruoxue said with a smile.

“Captain! Miss is right, in fact, I also think that the little crab is not bad, it is loyal to you, and cares for you. Where else can you find such a caring Beastie!” Lin Yuan chuckled and echoed.

“If you like it so much, why didn’t you take it back then?” Feng Da was furious as he gritted his teeth and said.

“I want to! It’s a pity that he’s interested in you.” Lin Yuan’s face was full of regret. However, in Feng DA’s eyes, his regretful expression was a little annoying.

This detestable guy was clearly just standing there and talking! Don’t think that he didn’t know what these people were thinking. They knew that this little crab would never acknowledge them as its master, so they were gloating over his misfortune. This was really too much! Feng Da couldn’t help but complain in his heart.

Leng ruoxue, who was at the side, took the breakfast from the grapes. As she ate, she watched the two of them bicker. Suddenly, a white light flashed in front of her eyes. Immediately after, the snack in her hand disappeared. In her arms, a delicate and small Dolphin appeared. The snack in the Dolphin’s mouth was the snack that she had just held in her hand.

“You greedy ghost, you actually dare to snatch something from master’s hands.” Leng ruoxue lowered her head and scolded him with a smile.

“Master! I’m hungry!” The little Dolphin’s watery eyes looked at Leng ruoxue without blinking. The tears in its eyes slowly flowed, as if it was waiting for its master to scold it.

“Aren’t dolphins supposed to like to eat fish? When did you become interested in desserts?” Leng ruoxue teased.

“Master! As a cultivator, of course I have to be an omnivorous animal. I can’t be picky about my food.” The little dolphin said matter-of-factly.

“Alright then! Omnivorous little dolphin, did you get anything back home this time?” Leng ruoxue asked with a smile.

“Master! I’ve brought all my subordinates here. As for the secret realm, there’s not much progress at the moment, but I’ve already left messages for my old friends. They’ll naturally inform me if there’s any news.” The little dolphin said with certainty.

“Oh! Are your old friends not at home?” When Leng ruoxue heard that the little dolphin had left a message, she couldn’t help but ask in understanding. To be friends with this little fellow, one’s strength had to be at least above the God King stage. Furthermore, the little crab had mentioned that the experts of the endless ocean had all gone to a mysterious place. After some thought, she guessed that the little Dolphin’s friends had probably gone to the secret realm. However, where in the endless ocean was that secret realm located?

On the map that the seventh elder had given her, the location of the secret plane was only marked with a small red dot, and the surroundings of that small red dot basically belonged to the territory of the endless sea. Therefore, other than knowing that the secret plane was in the endless sea, she knew very little information.

“No, I didn’t! I don’t know where they went, even my friends who don’t go out often aren’t home. It’s really strange.” The little dolphin said with a bit of hesitation. It originally thought that as long as it found its friend, it would be able to know the location of the secret realm that its master wanted to go to, but who knew that it would make a wasted trip. This fact made it extremely depressed.

“I heard from a small crab that the Masters of the endless sea have all gone to a mysterious place. However, it doesn’t know where it is, so it has already gone to help us find out.” Leng ruoxue explained with a smile.

“Where did this little crab come from?” The little dolphin was a little curious.

“It’s our captain’s new beast pet.” Lin Yuan said as he held back his laughter.

“Oh! Congratulations, you’ve just arrived at the endless ocean and you’ve already received a beast pet.” The little dolphin smiled and thought to itself, ‘it seems that the beasts of the endless sea are quite popular!’ If each of master’s subordinates could take in a beast pet from the endless ocean and form an Army of sea beasts, wouldn’t master be invincible in the sea? It couldn’t help but daydream. However, even though it was a sudden thought, it took it to heart.

“Thank you,” he said. Feng Da said weakly, his mood quite low.

“Hehe! It would be great if each of you could take in a beast from the endless sea. That way, it would be more convenient for you to go to the bottom of the sea in the future.” The little dolphin was so happy that it spoke out its thoughts. However, Lin Yuan and the others were so scared that they broke out in a cold sweat.

“This is a good idea! I agree! Little crab has a lot of shrimp soldiers and crab generals under his command. Why don’t you take them as your beast pets?” When Feng Da heard the little Dolphin’s suggestion, he was immediately pumped up and agreed.

“Captain! Are you afraid we’ll be hungry?” After hearing Feng DA’s idea, Lin Yuan was a little speechless. This idea was good? Good, my ass! If they each received a crab or shrimp, wouldn’t they become a laughing stock? It was more like those shrimp soldiers and crab generals were their food, but how could they be their beast pets? Moreover, many of those guys were not even divine beasts. Such beasts were very unsuitable for them, who had high standards. Therefore, they despised Feng DA’s idea of dragging them into the water.

With that thought in mind, everyone looked at Feng Da with contempt, which made Feng DA’s heart palpitate. The little dolphin, on the other hand, was shocked when it heard their conversation. “Beast pets can’t be eaten. Moreover, one crab is enough. There are many strong people in the endless ocean. You don’t have to collect crabs!”

The little dolphin naively thought that they liked crabs, so it was a little worried. In fact, according to its original intention, it wanted to introduce its friends to them. As for crabs, it was fine if they didn’t want them. Although there were a lot of crabs in the endless sea, it was rare to see strong people. However, there were still benefits in taking crabs as beast pets. Because crabs were social animals, taking in a leader of the crabs was equivalent to taking in a group of crabs. However, if he wanted to keep so many crabs alive, the cost would not be small.

“MMH! The little Dolphin’s words make sense. We only want to eat crabs and have no interest in taking crabs as beast pets, so one is enough for the captain. If we all take crabs as beast pets, we won’t be able to eat such delicacies in the future.” Lin Yuan said worriedly.

“You guys are too disloyal. Don’t you know what it means to share good fortune and misfortune together?” Feng Da roared in anger.

Chapter 1717: Human! Leave quickly (3)

“Captain! We’ll definitely think of you when we eat crabs in the future, I promise.” Lin Yuan patted his chest and said.

“Yes, yes!” After hearing Lin Yuan’s words, everyone nodded. They didn’t want to be like Feng Da and take in a crab as a beast pet, so this time, they couldn’t be in trouble with their Captain!

“You ...” Feng Da glared at the crowd. He was so angry that he couldn’t speak.

“Hehe! In the future, if there is an opportunity, I will introduce my friends to you. Their strength is at least equivalent to a human’s Divine King or above. So, you must not casually accept beast pets!” At this moment, the little Dolphin’s face was filled with worry.

“Don’t worry! Our standards are very high, and we won’t randomly take in beast pets.” Lin Yuan quickly promised after hearing what the little dolphin said. In fact, he was not very interested in sea beasts, but a friend introduced by the little dolphin was better than beast pets such as crabs and prawns!

When Feng Da heard the little Dolphin’s words, he was so angry that he almost vomited blood. This Dolphin was deliberately going against him, right? He was already depressed enough that he had taken in a crab. Now, this Dolphin even wanted to introduce its friends to Lin Yuan and the others. It was obvious that its friends would not be small sea beasts like fish, shrimp, and crabs. Boohoo ... Why was his life so bitter? The more he thought about it, the more aggrieved he felt. In the end, he looked at the crowd with hidden bitterness and turned to leave angrily.

“Uh! The captain is angry.” Lin Yuan said with a smirk. Obviously, none of them took this matter to heart, and no one wanted to coax him.

After breakfast, everyone went about their business.

Three days later.

The little crab returned from the sea, travel-worn, but the first thing it did was to find its master.

The little dolphin finally saw the legendary little crab. However, the little crab was obviously a little afraid when it saw the dolphin.

In the living room.

Lying on Feng DA’s head, the little crab peeked at the little dolphin in Leng ruoxue’s arms. It was so scared that its pincers were trembling. ‘Wuu ... Why is this fellow here?’ It had never dreamed that it

would see this famous demon of the endless sea here. If it had known earlier, it, it would not have recognized this human as its master, but it was too late to regret now.

“Little crab, what did you find out? tell me the truth.” The little dolphin lifted its eyelids and said calmly. Even though it was not the strongest among the beasts in the endless ocean, it had a very good reputation. This was mainly due to its cold-blooded nature. However, it had restrained itself a lot in front of Leng ruoxue.

“I, I found it, found it ...” The little crab stammered and even began to speak incoherently.

“Stop! Stop hemming and hawing, tell me what you found!” The little dolphin interrupted the little crab impatiently. In fact, it felt that its attitude was already quite friendly, but the little thing still seemed to be a little afraid of it, which made it very angry.

“I ... I ...” The little crab was very anxious. It wanted to say it quickly, but the more anxious it was, the more it couldn’t say it. In its anxiety, it accidentally grabbed a strand of Feng DA’s hair, causing Feng Da to cry out in pain.

“Argh! Little crab, are you trying to kill your master?!” Feng Da couldn’t take it anymore. He was very angry at this disappointing little crab. This little guy was really useless. Wasn’t it just a Dolphin? Was there a need to scare it like this?

“Master! I’m sorry!” The little crab was very guilty. Moreover, it seemed to have used too much force just now and had actually pulled off a strand of its master’s hair. It couldn’t let its master see it, so it had to destroy the corpse quickly. Thinking of this, it quickly put the strand of hair in its claw into its storage space, ready to destroy it when it had the opportunity.

When Leng ruoxue saw little crab’s actions of destroying the evidence, she was already laughing in her heart. Although this little crab’s strength wasn’t high, he was quite good at making them laugh. If they had such a little fellow at home, at least they wouldn’t be bored.

When little crab saw that his little trick had been discovered by Leng ruoxue, he smiled at her in an attempt to please her. Then, he lowered his head guiltily, not daring to look at her.

“Little crab, what did you get?” Leng ruoxue knew that the little crab was afraid of the dolphin, so she had no choice but to keep the little dolphin into her bracelet.

“Master’s young lady, in the past three days, I’ve taken my subordinates to many places and finally got accurate news. Most of the strong people in the endless ocean have indeed gone to the same mysterious place, but very few beasts know about this place. However, I heard that a strong person is currently staying at home. I don’t know if he knows where that mysterious place is, but that strong person has a very strange temper. I’m afraid he won’t meet you.” The little crab explained worriedly. Without the dolphin around, it could speak much more easily.

“Where does that expert live?” Leng ruoxue asked curiously. Since she could find a powerful cultivator from the endless ocean, she naturally had to go and ask around. Furthermore, no matter how strange that person’s temper was, she had to meet him.

“It lives in a trench in the deepest part of the endless sea. It’s located at the bottom of the sea and is quite dangerous. We don’t usually dare to go there. Moreover, this master doesn’t like to communicate

with people, so not many people know about his background. However, everyone knows that he has a bad temper. I remember a shark that accidentally passed by his territory and was almost killed by him. From then on, almost no sea beasts dared to go to that area. In addition, there are many natural dangers in the trenches. Therefore, that place is equivalent to a forbidden land for us.” The little crab said with lingering fear.

“You’ve been there?” Leng ruoxue raised her brows and asked indifferently.

“No, I didn’t! If I go, I’m afraid I won’t be able to live.” The little crab said fearfully. It didn’t dare to go there. After all, it was a timid crab. Besides guarding its own territory, it rarely went out. Even so, there were often beasts who came to bully it! If it did not have so many subordinates, its territory would have been taken away long ago.

“Oh! Little crab, you’ve worked hard these past few days. Go back and rest first!” Leng ruoxue nodded.

Feng Da didn’t even give the little crab a chance to speak before he left with it.

After they left, Leng ruoxue summoned the little dolphin.

“Little dolphin, you heard what that little crab said, right? Do you know the expert it’s talking about?” Leng ruoxue asked directly.

“I’ve heard of it. It has a bad temper and rarely interacts with the beasts of the endless ocean. However, it is a very mysterious existence and has a very high status in the endless ocean. When I heard of it, I was still very young. The elders in my clan told me about it, and the reason for telling us was naturally to prevent us from being blind and provoking it.” The little dolphin explained.

“What if I want to find it and ask for some information?” Leng ruoxue chuckled as she asked.

“Master! If it doesn’t want to see you, then it’s fine, but if it gets angry and attacks us, our chances of winning aren’t high!” When the little dolphin heard Leng ruoxue’s words, it asked worriedly. The sea was the world of the sea beasts, and human experts had no advantage at the bottom of the sea. Moreover, that expert’s strength was unfathomable. When the elders in the clan mentioned that elder to it, they were all very cautious. From this, it could be seen how terrifying that expert’s strength was. Therefore, it did not really agree with its master going to find that mysterious expert.

“I just want to ask it something. It won’t be unreasonable!” Leng ruoxue said indifferently.

“Master! You want to reason with Beastie?” The little dolphin looked at Leng ruoxue in a daze. The first rule of the beast law was that the strong were respected. Whoever had the tougher fist would have the final say. If you had the time to reason with Beastie, why not fight them? If he won, everything would be easy. This was how Beastie did things, simple and clear. As for infighting and such, it was not suitable for most Beastie.

“Mm! Since the other party is an expert from the endless ocean, there should be some reason.” Leng ruoxue said confidently.

“Uh!” The little dolphin couldn’t help but wipe the cold sweat on its forehead. It really didn’t know where its master got such confidence from. It should be known that in its eyes, most beasts would not reason with humans because they didn’t trust humans at all.

“Little dolphin! It’s better to hit the jackpot than to pick another day, let’s set off now!” Leng ruoxue said without any hurry. After she finished speaking, she left the house with the evildoer. After they left, she kept the house back into her bangle and sat on the back of the little dolphin with the evildoer.

When the little dolphin saw this, it laughed bitterly and helplessly. Then, with a gentle wave of its front fin, a transparent light enveloped Leng ruoxue and the demon. Following that, it dove into the depths of the sea ...

Leng ruoxue and the demon sat on the back of the little dolphin. There was a light shield protecting them from the outside. The two of them looked around as if they were sightseeing.

The deeper they went into the sea, the less light there was. Furthermore, this time, there were no fish surrounding them out of curiosity. Leng ruoxue could not help but sigh when she saw this. This was indeed a different species of diving from her previous life!

As they neared the trench, the little dolphin was about to continue diving when suddenly, a warning sounded out of nowhere. “Human! Quickly leave!”

Chapter 1718: The mysterious poison (1)

The voice was ancient and deep, and there was a hint of pressure in the voice, which was very frightening. The little Dolphin’s body trembled uncontrollably when it heard the voice. From this, it could be seen how powerful the voice was to the beasts in the sea.

Seeing this, Leng ruoxue patted the little Dolphin’s smooth back to comfort it. Then, her beautiful eyes looked towards the pitch-black trench and said softly, “Senior, I have an important matter to discuss with you.” Since this powerful being had already issued a warning, she naturally wouldn’t let the little dolphin get close. However, she had to see this mysterious powerful being, so she could only ask it to come out.

“Human! Leave quickly, or else don’t blame me for being merciless!” The owner of the voice warned again, but he had no intention of coming out.

“Senior! I have an important matter to discuss with you.” Leng ruoxue said stubbornly. If this fellow wasn’t the strongest expert in the ocean, she wouldn’t be so thick-skinned as to stay here. Since she was here, she naturally didn’t want to leave empty-handed.

“Hmph! What can a human want to see me for?” The owner of the voice snorted coldly, clearly not believing Leng ruoxue’s words.

“Senior, I would like to ask you about something. This matter is related to the safety of the powerhouses of the endless ocean, so I hope you can come out and meet me.” Leng ruoxue coaxed him patiently.

“Hahaha! Little girl, although you have a glib tongue, what does the other strong men of the endless ocean have to do with me? I’ve always been a loner.” The owner of the voice mocked.

“Senior, I’m not trying to scare you, but if all the Masters of the endless ocean die, then the endless ocean will fall into the hands of others. At that time, I’m afraid that even a lone master like you will be enslaved. Is this what you want?” Leng ruoxue provoked him on purpose. Although her words were a

little exaggerated, it might become a reality. The reason why she said all this was because she hoped that this mysterious expert would have some scruples. Even if it wasn't for others, he should at least do something for his own freedom!

"Little girl, I'm not someone who gets scared." The owner of the voice said calmly.

"Senior, I'm not trying to scare you. I believe that senior should have heard of the eight great divine domains of the divine realm! To tell you the truth, the powerhouses of the eight divine domains and several major guilds have all gone missing along with the powerhouses of the endless sea. If they all die, have you thought about what the divine world will become?" In order to gain the trust of this mysterious expert, Leng ruoxue could only reveal a little more information. After all, from her point of view, even if one wanted to clean up the snow in front of their own door, they had to consider whether the environment they were living in was stable or not. Otherwise, their freedom would probably be taken away, let alone the opportunity to clean up the snow in front of their door.

"And this endless sea! Without the protection of the powerhouses of the ocean, the endless ocean will fall into the hands of others sooner or later. At that time, I'm afraid that senior's peace will be destroyed." Leng ruoxue added.

However, after Leng ruoxue said all this, the mysterious expert did not respond.

Could that guy have fallen asleep? Leng ruoxue thought to herself. She didn't know if her words would be of any use to this powerful being. If this fellow didn't run out of ideas and was still the same, she was afraid that her words would have been in vain. So now, she could only hope that this fellow still had a little sense of crisis. Moreover, she didn't want it to save the divine world. She only wanted to ask it some questions. After all, it was the most ancient and mysterious existence at the bottom of the sea!

After a long while, the voice came again.

"Little human girl, what do you want to know?" The voice sighed and asked.

"Senior! I've heard that a secret realm has appeared in the endless sea. I want to know its exact location. I wonder if senior can tell me." Leng ruoxue suppressed the joy in her heart and pretended to be calm as she asked. The reason why she had directly asked for the location of the mystic realm and not asked this senior if he had heard of the mystic realm was because she was afraid that she would give this senior an excuse to reject her. If he replied that he didn't know, she would be at her wit's end! Therefore, she didn't plan to make a wasted trip no matter what.

"Little girl, are you planning to go to the secret realm?" The owner of the voice asked indifferently.

"Yes, I am!" Leng ruoxue nodded.

"Little girl, I advise you not to go. Any Mystic realm is not as beautiful as people think. If you go to a Mystic realm with your strength, let's not talk about whether you can get treasures, but if you go, it's hard to say if you can come out alive. Don't think about those unrealistic things." The mysterious expert said in a heavy tone.

"Senior, I'm not going to the secret realm for the treasure." Leng ruoxue replied helplessly.

“Could it be for the safety of the divine realm?” The mysterious powerhouse chuckled. Just now, this little girl wanted to ask him about some things, and she was using the banner of the divine realm’s safety. Although he also attached great importance to the divine realm’s safety, he did not think that such a weak little girl could play any great role in the divine realm’s safety. Therefore, he was certain that this little girl was only going to the mystery realm to search for treasures.

“I’m going to the secret realm to find my Godfather.” Leng ruoxue said honestly.

“Looking for a Godfather? Little girl, no matter why you want to go to the secret realm, I suggest you don’t go. Your strength is not enough there!” The mysterious expert sighed.

“Senior, I naturally have my own means of self-protection after entering the secret realm. So, you don’t have to worry.” Leng ruoxue said confidently.

“Alright then! Since you insist on going, I’ll tell you the location of the secret plane!” The mysterious man said helplessly. He had a good impression of this little girl. Unfortunately, she refused to listen to his advice. Forget it! Let her be!

“Many thanks, senior!” When Leng ruoxue heard this, she heaved a sigh of relief in her heart. No matter what, she finally knew the location of the mystic realm.

“That secret realm is very close to me. Do you see my trench? If we follow this trench, the secret plane will be ten thousand meters ahead.” The mysterious expert said.

“Thank you, senior! We’re sorry to disturb you.” After Leng ruoxue finished speaking, she secretly ordered the little dolphin to leave this place. Although she really wanted to go directly to the mystic realm from here, she decided to take a detour after considering that this mysterious expert was not easy to get along with. After all, he had already told her the location of the secret realm, so she couldn’t not know what was good for her.

Seeing that they were about to turn back, the mysterious expert said, “Little girl, you can go directly from here. There’s no need to take a detour.”

The mysterious man’s words made the little dolphin, who was about to turn around, extremely surprised. When did this old man become so easy to talk to? He actually allowed them to pass through here. This fact was somewhat inconceivable. Could it be that his master’s charm was so great that even this old Gu was attracted? It couldn’t help but wonder.

“Thank you, senior.” Leng ruoxue expressed her gratitude once again.

Chapter 1719: The mysterious poison (2)

“Senior! We’re going over.” The little dolphin reminded them softly before they were about to cross the deep trench. After that, it quickly crossed the daunting trench like an arrow leaving the bow. Not long after they left, a pair of huge, cold eyes slowly opened from the depths of the trench. Then, a light flashed and everything returned to calmness.

Leng ruoxue sat on the little Dolphin’s back and felt the little Dolphin’s light-like speed. She couldn’t help but laugh in her heart. This little fellow was too timid. Looking at its burning butt, it was as if they would

be eaten by the mysterious expert if they were to leave a little later. In fact, from her point of view, the mysterious expert was also a reasonable person. At least he didn't make a move at the beginning and even told them the location of the trench. Just based on this point alone ... In Leng ruoxue's heart, that expert was not an unreasonable person.

"Master! You've only been in contact with it once, so you naturally don't know how terrifying it is." The little dolphin, who understood Leng ruoxue's thoughts, said with a lingering fear. It was born in the endless ocean and had heard many of that person's glorious deeds. Therefore, it was afraid of that person from the bottom of its heart. However, it did not expect that the powerful cultivator would be so easy to talk to. Other than asking them to leave at the beginning, he did not make things too difficult for them. This was something that surprised it.

"Could it be that you've been in contact with it many times?" Leng ruoxue asked, pretending to be surprised.

"No, I didn't! It's my first time too." The little dolphin said, a little embarrassed.

"If that's the case, how can you just hear rumors? You must know that rumors stop at the wise. The information heard from others is far less accurate than the confirmation from one's own hands." Leng ruoxue smiled as she reminded him.

"I know, but the elders of my clan told us about it. They wouldn't lie to us, right?" The little dolphin said, a little unconvinced.

"Hahaha! Of course, your clan's elders wouldn't lie to you, but they might exaggerate the truth. You should know that things like rumors will always get more and more outrageous the more they spread, so it's best to verify it yourself." Leng ruoxue laughed.

"But, there are many strong people in the endless sea who have been beaten by it. Moreover, I know some of them. What do you say?" The little dolphin continued.

"Did they say why they were beaten up? If we were beaten up just because we entered that senior's territory, why weren't we beaten up when we went there just now?" Leng ruoxue retorted. One-sided words could not be trusted!

"This, this ..." The little dolphin was speechless because it knew a strong person who did say that he was beaten up when he went to the strong person's territory. Now it seemed that his words were not without water.

"Little dolphin! We humans have a saying, 'what you hear is false, but what you see is true'. So, no matter when and where, don't believe one-sided words. It's very easy to be misled, and you won't be able to make an accurate judgment. However, sometimes, what you see with your own eyes may not be true." Leng ruoxue sighed.

"Argh! Then what do we do?" The little dolphin was a little dumbfounded. Wasn't Master's words a little contradictory?

"Believe in your own feelings!" Leng ruoxue said softly.

“Mm! I only acknowledged master as my master because I believed in my own feelings.” The little dolphin said smugly.

“Don’t be so smug, let’s hurry!” Seeing that the little dolphin was starting to show off, Leng ruoxue helplessly urged.

“Master! You have to believe in my speed. We’ll be able to reach the secret realm in an hour at most.”

After the little dolphin finished speaking, it began to sprint at full speed.

Just as it had expected, they finally arrived at the secret realm after an hour. The entire secret realm was in the middle of an endless ocean, surrounded by deep blue seawater. There was a dazzling screen of light at the entrance of the secret realm, and from the screen of light, a trace of dense spiritual energy could be seen. There were many sea beasts gathered around the secret realm, but they were not very powerful, so they could only watch from afar, not daring to take a single step closer. Seeing this, Leng ruoxue could not help but sigh. It seemed that animals had the strongest sense of danger, especially beasts with low power.

“You, come over here!” The little dolphin pointed at a giant sea turtle with its front fin.

When the sea turtle heard the little Dolphin’s words, it trembled and swam over. It only had the divine power of a fifth grade sacred beast, so it didn’t dare to disobey the little Dolphin’s words.

“What are your orders, my Lord?” The sea turtle said in a muffled voice. There was a slight tremble in its voice, and it was obvious that it was afraid of the little dolphin.

“Let me ask you, how long has this secret realm been here?” The little dolphin said unhappily. It was very angry! Such a secret realm had appeared in the endless sea. As the local snake of the endless sea, it had no news at all. This fact made it quite embarrassed.

“Not even a year.” The turtle replied very honestly. Its home was nearby, so it knew as soon as the secret realm appeared. Although the aura inside was very attractive to it, it did not dare to take a step in.

“Then why don’t you guys go in?” When the little dolphin heard the time, the anger in its heart subsided a lot. However, it was still angry, because its subordinates did not know the location of this Mystic realm, which still made it feel embarrassed.

“We’re too weak to go in.” The sea turtle said. In fact, they saw that many powerful people had gone in, so they did not dare to go in. The reason why they stood still here was that they wanted to wait for the powerful people to leave before they went in to pick up the things that they had missed. They might have missed out on some good things. It was with this idea that the weaker sea beasts had gathered here. Therefore, the location of the secret realm was not widely known in the endless ocean.

“Then do you know who went in here?” The little dolphin asked again.

“Mm! I saw a lot of humans go in, and some of the powerhouses of our endless sea also went in.” The turtle told him the truth.

“Then did you see any of my Dolphin race enter?” The little dolphin continued to ask. In order to find out more about the secret realm, it had returned to the clan before, but it found that the elders in the

clan were not around. Moreover, the other clan members had never heard of the secret realm. Now that it thought about it, it was very likely that the elders of the clan had come here.

“I, I saw it.” The sea turtle hurriedly said. The dolphin clan was a large clan in the endless ocean, and they had many powerful people. Although their sea turtle Clan had more people than the dolphin clan, they could not be compared to the dolphin clan in terms of strength. Otherwise, they would have entered a long time ago.

“Master! Let’s go in quickly!” After hearing the turtle’s words, the little dolphin said worriedly. As Leng ruoxue’s Beastie, it naturally knew that its master was suspicious of this Mystic realm. Hence, after knowing that its clansmen were also inside, it became even more worried.

Chapter 1720: The mysterious poison (3)

When the sea turtle heard the adult Dolphin call a human its master, it widened its black bean-like eyes in disbelief and stared at Leng ruoxue without blinking.

Good boy! This human is so powerful! He had actually taken in a dolphin as his beast pet. One must know that the dolphin race was one of the Kings of the endless sea and were famous for their pride. Therefore, he had never dreamed that he would be able to see a Dolphin that recognized a human as its master in his lifetime, which made him very surprised.

“Mm! Let’s go in!” Leng ruoxue ignored the thoughts written on the turtle’s face and nodded with a smile.

After receiving Leng ruoxue’s order, the little dolphin didn’t even look at the sea turtle and immediately rushed into the light screen. When the sea turtle saw this scene, its respect for the little dolphin immediately rose to a new height.

As expected of the great Dolphin! “He’s so courageous,” the turtle thought to itself. It didn’t dare to rush in like this. Then, it slowly swam back to its original position, calmly retracted its head into its turtle shell, and closed its eyes to rest.

The little dolphin brought Leng ruoxue and the demon into the mystic realm and immediately stopped. Leng ruoxue and the demon jumped down from its back and started to size up the mystic realm.

This mystical realm ... How should he put it?

Everywhere she looked was filled with the chirping of birds and the fragrance of flowers. The scenery was pleasant, and the spiritual Qi inside was unbelievable. However, Leng ruoxue felt a sense of disharmony. She did not know why she felt this way, but in short, this Mystic realm gave her a very strange feeling.

However, it was a good thing that the scenery in this secret realm was not bad. At least it would not pollute her eyes.

After some thought, Leng ruoxue moved ning haolan and the others out of the house.

“This is the secret realm?” Ning haolan and the others searched the area after they came out.

“En!” Leng ruoxue nodded and reminded, “Be careful, everyone.”

“Miss! It’s quite beautiful here.” Cuizhu said with some excitement. Her beautiful eyes looked here and there.

“Wretched girl, stop embarrassing yourself, alright? The scenery here is just ordinary.” Lu Tao said with some disappointment, but she couldn’t help but feel disgusted in her heart. No matter how good this place was, could it be compared to the young miss’s space? Therefore, this place was not worthy of her attention. However, there were outsiders present, so there were some things she couldn’t say clearly.

“I know. I’m just a little surprised.” Cuizhu lowered her head in embarrassment, her cheeks blushing.

At this time, she suddenly saw a flower she had never seen before from the corner of her eye. The flower was the size of a palm, and the petals were red. The overlapping petals looked unusually beautiful.

“What beautiful flowers!” Cuizhu exclaimed and ran forward, picking the flower and playing with it in her hand.

“Be careful!” Leng ruoxue, who felt that something was amiss, quickly reminded him. When she first entered this place, she had already sized up the entire place. She did not see any flowers at all, so she was very suspicious of the flowers that had suddenly appeared.

However, her warning was too late. At the same time, the flower in Cuizhu’s hand suddenly transformed into a red snake as thick as a finger and bit Cuizhu’s snow-white wrist. Immediately after, a red light flashed and the red snake disappeared. Cuizhu also fainted.

All of this happened in the time it took for a spark to fly off a piece of Flint. Within a few short seconds, everything was over. It was so fast that Leng ruoxue and the rest could not react in time. By the time they could react, Cuizhu had already fainted.

Everyone rushed to Cuizhu’s side and helped her sit up. They looked nervously at Cuizhu, whose face was getting paler and paler. They were all worried.

Looking at Cuizhu’s appearance, they knew that she had been poisoned, but they did not know what poison it was.

“Miss! Is Cuizhu alright?” Lü Tao asked carefully as she looked at Leng ruoxue, who was examining Cuizhu.

“Her poison is very strange. To be honest, I don’t know what kind of poison it is.” Leng ruoxue said helplessly after checking.

“Miss, what should we do then?” Lü Tao was extremely worried. Since her young miss had said so, it meant that she definitely did not know. If even her young miss could not save Cuizhu, then wouldn’t Cuizhu be ... One must know that Leng ruoxue was omnipotent in her heart. However, now that her young miss said that she had no way to cure this poison, her heart could not help but sink bit by bit.

She had always treated Cuizhu as her younger sister. If Cuizhu ... She did not dare to think further.

Even though Leng ruoxue was at a loss on what to do with this poison, she still gave Cuizhu an antidote pill. She just didn't know if the antidote pill would be able to cure Cuizhu's strange poison. After all, the antidote pill wasn't omnipotent. Some special poisons needed a specific antidote to be cured.

Then, she moved her little red snake out of the bracelet.

"Little fire! Take a look at the poison in the bamboo and see if you have any way to cure it." Leng ruoxue ordered. There were at least a thousand types of poison in xiaohuo's body. She hoped that it could recognize the poison in Cuizhu's body so that she could concoct the antidote.

"Oh!" Xiaohuo nodded its little head, then climbed onto Cuizhu's body and sniffed it. Then, it said to Leng ruoxue very seriously, "Girl, I don't know what kind of poison she's been poisoned with. Why don't I bite her a few times and see if I can use poison to attack poison?"

Xiaohuo's suggestion caused Leng ruoxue to shake her head. Using poison to attack poison wasn't suitable for all poisons. Hence, she didn't dare to take the risk.

"You can't even tell what poison she's suffering from, it seems that the snake that bit Cuizhu is much more powerful than you!" At this time, Cheng Xuan looked at xiaohuo with a look of disdain and made sarcastic remarks. In fact, he had met this little guy once, but this little guy was very unfriendly to him. The moment they met, he said that he wanted to bite him and that his poison could not be cured by others. Therefore, he had taken the opportunity to take a little revenge.

"You demoness! What nonsense are you spouting? Do you want me to bite you? Let me tell you, it wasn't a snake that bit Cuizhu, because it wasn't snake venom in her body! Hmph! If it's snake venom, I wouldn't be so helpless!" Lil "fire roared furiously. If it was not for Leng ruoxue holding it back, it would have rushed up to bite Cheng Xuan.

Dead renyao? Cheng Xuan was stunned when he heard this form of address. Although he didn't know the meaning of this word, it didn't sound like something good, so his anger rose.

"You damn snake! It was clearly a snake that bit the bamboo, but you said it wasn't snake venom, Hmph! It can't be that you're so ignorant that you can't tell!" Cheng Xuan retorted impolitely.

"F * ck! Would I not know if it's a snake or not? I'm a venomous snake ancestor, no one is more venomous than me!" Lil "fire shouted back at the top of its lungs.

Everyone looked at The Man and the Snake, who did not care about their image, and roared. They could not help but feel angry. They did not look at the place and the situation when they quarreled. Now that Cuizhu's life and death were unknown, they started quarreling first. Sigh! What the hell is this!

"All of you shut up! If you continue to argue, I'll throw you into the house." Leng ruoxue's beautiful eyes swept across the human and snake as she spoke coldly. The moment she said this, the human and snake instantly fell silent.

"Great aunt! I was wrong." Cheng Xuan lowered his head and quickly admitted his mistake.

"Girl, I was wrong too." Lil "fire was also very perceptive as it said. It was not easy for it to come out, and it did not want to go back so quickly.

"They won't quarrel anymore?" Leng ruoxue raised her brows and asked indifferently.

“I won’t! He wouldn’t! We’re actually on very good terms.” Cheng Xuan said with an ingratiating smile. After he finished speaking, he even extended a hand to stroke xiaohuo’s cold little head to show his friendliness.

Although Lil ‘fire was extremely unwilling to be touched, in order to show that they had a good relationship, he could only resist the urge to bite and let Cheng Xuan touch him.

“Remember your words. If I ever find out that your relationship is not as you say, don’t blame me.” Leng ruoxue feigned anger as she warned.

“Great aunt! I have a very close relationship with little fire.” In order to prove his words, Cheng Xuan even specially took little fire from Leng ruoxue’s hands and kissed its head.

Instantly, little fire was in a mess!

F*ck! This damned transvestite actually kissed it! It wanted to vomit! He did not know if this fellow was clean or not. As long as xiaohuo thought about how it had been kissed by a man, it would be so angry that its little body would tremble. If it was not afraid that Leng ruoxue would be angry, it would definitely teach this human a lesson! One had to know that not just anyone could kiss it! And the unlucky Cheng Xuan still didn’t know that because of his kiss, he had already made a little snake hate him.

Leng ruoxue saw that Cheng Xuan had gone to such lengths to prove his relationship with Lil ‘fire, so she didn’t want to argue with him.

After keeping the unconscious emerald green bamboo into the bracelet and handing it over to Qing Jue, Leng ruoxue then said to everyone, “Let’s go! Be careful, this is just the beginning.” Cuizhu’s injury made her feel a little heavy. However, this also strengthened her idea of finding out the truth about this Mystic realm. Perhaps she could cure the poison in Cuizhu’s body by then.

Everyone nodded. At the same time, they became even more vigilant.

Everyone continued to move forward. Other than the flowers and grass on the side of the road, they didn’t find the shadow of a human or beast. Even when the sky in the mystic realm was getting dark, they still didn’t find anything.

After finding a spacious area, Leng ruoxue took out the house and placed it on the ground. Then, the group walked in.

After dinner, the rest of them went to bed early. However, Leng ruoxue pulled the demon to sit in the garden and observed every movement in the mystic realm through the light screen.
