

## Crazy Wife 1871

### [Chapter 1871 Cannon Fodder \(1\)](#)

"I've met him once. Among the many masters of the top families, he's very famous. He's also a righteous person, so his reputation is very good." Ji Wu explained in a soft voice. However, he could not understand why the young master of the Yu family had a grudge against Zhou kun when he saw how furious he was.

"Ah!" He remembered now. He remembered that there was once a rumor that said that the fiancée of the Yu family's young master had been snatched away. However, when they heard this news at that time, most of them laughed it off because they did not believe the authenticity of this rumor at all. One must know that the Yu family's young master could also be considered as a pampered child of the heavens and a genius blessed by the heavens. The number of women who liked him was as many as the carps in the river. If those women could get involved with the Yu family's young master, it would be good enough if they did not pester him tightly. Would they be snatched away by others?

But now, could it be that the news was true? Furthermore, the person who snatched the fiancée of the young master of the Yu family was actually Zhou kun?

At the thought of this, his expression turned strange and he frowned. He sighed in his heart and thought, 'this Zhou kun is too bold. He dares to snatch anyone's woman?' However, a woman who could become the fiancée of the Yu family's young master would probably have a good family background and even good qualifications. Would such a woman like her fancy Zhou kun? If that was the case, he had to admit that there were many women in the world who liked strong tastes!

Just as Ji Wu's thoughts were running wild, the young master of the Yu family dashed towards Zhou kun like an arrow. Then, they heard the sound of a fist being punched out of thin air, followed by Zhou kun's pig-like howl ...

"Owuuu! Help me! Murder!" Zhou kun shouted as he dodged. However, as a Divine King, the young master of the Yu family was one of the most powerful among the divine kings. How could he possibly let a god tier master escape from his fist? In that case, wouldn't he be laughed at to death by others?

Moreover, when Leng ruoxue and the others heard Zhou kun's cry for help, no one wanted to step forward to help. They could only watch helplessly as the Furious young master of the Yu family violently attacked Zhou kun.

Oh! No one knew when it had started, but using one's fist to beat someone up had actually become the most fashionable way to vent one's anger. Thus, many young people in the immortal realm would now choose this method to deal with their enemies. Of course, the prerequisite was that the strength of the one beating the person had to be above that of the one being beaten up. Otherwise, wouldn't it become a huge joke?

Watching the young master of the Yu family's smooth and powerful punch, Ji Yun and the other two immediately felt extremely satisfied. If they had not made an agreement with Zhou kun beforehand, they would have stepped forward and beaten him up.

Compared to their restraint, the three little Foxes were more direct. Seeing that Zhou kun was being beaten up, the three little fellows actually gloated and supported him. Of course! They were cheering for the Yu family young master who was beating someone up!

"Good luck! Beat him up! Beat him up!" Baby shouted.

"Mm! Beat up this beast!" The Mei said very elegantly.

"My claws are also itching, what should I do?" Yi had a pained expression on his face, but he was also eager to try.

Hearing the words of the three little Foxes, Ji Yun and the other two couldn't help but feel their foreheads fill with black lines. Were they helping an outsider? Although Zhou kun wasn't considered one of their own, he knew them first after all. Who knew that the three little beasts would actually cheer for an outsider now? Sigh! Poor Zhou kun, he was clearly a Fox!

Ji Yun and the other two were limping while the three precious little Foxes looked at each other. Immediately after! The three little Foxes rushed into the battle between the Yu family's young master and Zhou kun like three bolts of lightning. It shouldn't be considered a battle. To be more precise, it was a violent beating.

At this moment, the young master of the Yu family, who was punching Zhou kun like rain, caught a glimpse of three different-colored lightning bolts from the corner of his eye and became alert. However, he was shocked to discover that the three lights were not coming for him. More importantly, with the addition of the three of them, the young master of the Yu family had no place to be a hero. He was a little dumbfounded.

What was going on? The young master of the Yu family had no choice but to stop punching Zhou kun. Zhou kun's howls were even more unpleasant than before. Everything happened too quickly, and it was somewhat beyond his expectations.

Moreover, he seemed to have heard someone cheering for him earlier! This made him feel even more incredulous.

The young master of the Yu family was dumbfounded as he watched the black, purple, and white shadows dance up and down, accompanied by a cold glint. He was already ... At a loss for words. Moreover, looking at Zhou kun's situation, sigh! It was really a tragic sight! Now that he thought about it, he had been merciful before! At the very least, it could not be compared to Zhou kun's current appearance.

After the three precious little beasts had their fun clawing, they quickly retreated just like before, leaving the empty spot to the Yu family young master.

The young master of the Yu family heard the voice beside his ear, ""You can continue!" She then took a look at Zhou kun, who was lying on the ground in a semi-conscious state and was covered in wounds. She thought to herself, 'this fellow is already in such a terrible state. How am I supposed to continue?' If they continued fighting, Zhou kun would probably die, right? Although he was a little annoyed with Zhou kun, it was not to the extent of taking that fellow's life!

At the thought of this, the young master of the Yu family turned around and looked at Leng ruoxue and the rest. He revealed an apologetic smile and said, "I'm Yu Chen, sorry for being impolite just now. "

"It's okay, we don't mind. " Leng ruoxue replied with a faint smile. As long as the person who came did not put Zhou kun's debt on them, they would not care how the other party treated Zhou kun.

Looking at Leng ruoxue who was speaking, Yu Chen's face revealed a stunned expression. However, he was well educated and quickly returned to normal. He smiled at Leng ruoxue and the others, ""How may I address the few of you?"

Although he didn't know why these people were with Zhou kun, they didn't seem to be the same as Zhou kun in terms of appearance and temperament. At the thought of this, he couldn't help but doubt the words of the person who had told him about Zhou kun.

That person said that Zhou kun had a despicable helper and told him to be careful!

However, when he was beating Zhou kun up just now, Zhou kun's so-called helpers did not help him at all. No, there were people who made a move, but they were not helping Zhou kun.

Yu Chen looked at the three little beasts in Leng ruoxue's arms and thought, 'they must be the ones who attacked just now!'

,m What a fast speed!

What a cute little fox!

Yes! Although these three little Foxes seemed a little violent, their tiny appearance in Leng ruoxue's arms at this moment was really adorable. No matter how one looked at them, they were adorable.

Especially the three little beasts 'watery, very innocent big eyes, which made them look even more innocent and pure. However, Yu Chen had seen their violent appearance before, so he naturally did not think that they were that simple.

Beasts that were too simple-minded would not live long, and so would humans.

### [1872 Chapter 1872](#)

"I'm Leng ruoxue. " Leng ruoxue was the first to reply.

"Ji Yun!"

"Ji tao!"

"Ji Wu!"

Ji Yun and the other two said in unison.

"So it's miss Leng and the Ji brothers, it's an honor to meet you." Yu Shu cupped her hands and said. After hearing that Ji Yun and the other two were from the Ji family, he was even more certain that these people could not be Zhou kun's friends. There must have been an error in the previous information, or that person had a grudge against these people, which was why he deliberately told him the wrong information.

Fortunately, he didn't attack these people. Otherwise, he would have fallen into someone else's trap. He didn't want to be used for nothing. Thinking of this, he suddenly felt lucky.

The facts had proven that he was also lucky. At least he did not act like Liu Sen and try to kill Leng ruoxue and the rest. If not for this, Liu Sen and the young man would not have had such an 'ambiguous tragedy'.

After a few people made a simple introduction, Ji Yun invited Yu Chen to sit with them. Then, he looked at Yu Chen in a gossipy manner, as if he wanted to say something but stopped.

When Yu Chen saw Ji Yun's expression, he knew what he wanted to ask. He smiled faintly and said, "Are you guys very curious about what kind of enmity I have with Zhou kun?"

When Ji Yun heard this, he nodded his head vigorously. Although Leng ruoxue and the rest did not seem as impatient as Ji Yun, they still looked at him with curiosity. It was obvious that they wanted to know as well.

"Hahaha! You should have heard about my fiancée being robbed, right?" Yu Chen asked with a smile. The feud between him and Zhou kun was not a secret in the eyes of many families. However, when he saw the curiosity on their faces, he suddenly felt in a good mood and wanted to tell them what had happened. After all, rumors were just rumors, and they had spread to so many people. No one knew how the rumors would turn out after they spread. Therefore, he felt that he needed to clarify things.

Moreover, this was the first time in many years that he wanted to tell the truth to an outsider. Who asked these people to look like innocent little bunnies? This pleased him to a large extent.

"Yes." The three of them nodded.

"She was indeed snatched away by Zhou kun." Yu Chen continued, his expression unreadable.

"....."

The four of them and the three gossipy Little Foxes all stared at Yu Chen, wanting to hear what he was going to say next, but who knew that Yu Chen didn't say anything for a long time.

"That's it?" Ji Yun couldn't help but ask.

"Hahaha! Of course, it's not over." Looking at their depressed expressions, Yu Chen laughed happily. In fact, he didn't say anything because he was waiting for them to take the initiative to ask! They were simply too adorable.

"Uh! Then you can continue!" Ji Yun was somewhat impatient, the fire of gossip burning in his chest.

"It seems that the young master of the Ji family is still an impatient person." Yu Shu teased in a good mood.

"How can I not be anxious? You don't know how bored I've been during this period of time. It's not easy for me to have a topic to talk about, so how could I let it go so easily?" Ji Yun spoke the truth. He didn't feel that there was anything wrong with his words, let alone feel embarrassed.

"Hahaha! Actually, it's a long story and can't be explained in a few sentences. " Yu Chen whetted everyone's appetite again.

"Then, make it short!" Ji Yun was frantic.

"Ai! I originally wanted to brew it well. " Yu Chen pretended to be aggrieved. However, after receiving the unfriendly gazes of those people, he still continued to speak honestly.

"My fiancée is the eldest daughter of the sun family, sun caifeng! You guys should have heard of her, right?" Yu Chen asked.

"Yes, I've heard of it." Ji Wu nodded. Sun caifeng was the most outstanding young lady of the sun family. Not only was she beautiful, but her aptitude was also not bad. She was just a little arrogant and liked to look at people through the cracks of the door. Basically, other than the young masters of the various families, no one else could enter her eyes.

However, this was the first time they had heard that sun caifeng was Yu Chen's fiancée. More importantly, the relationship between the sun family and the Yu family was not considered good, just like the Ji family and the Zhou family. From the looks of it, there must have been some inside story behind the engagement between the two of them.

However, after finding out that Yu Chen's fiancée was sun caifeng, they were even more unable to believe that Zhou kun could hook up with sun caifeng, the proud Phoenix who had her eyes on the top of her head. Therefore, they also began to doubt the authenticity of the rumors. However, Yu Chen had actually beaten Zhou kun up just now, which made them even more curious.

"My marriage with sun caifeng was a farce. You should know that our families are like fire and water, so it's impossible for me to marry her. More importantly, I'm not interested in her. However, after she saw me, she kept chasing me, so I could only tell the outside world that I was in seclusion and stayed in the clan's forbidden area. The members of the Yu family would never let her enter the forbidden area to look for me. She deliberately created this scandal that everyone knew about to lure me out, but I didn't fall for it at all. I even took the opportunity to ask the ancestor to come forward and cancel this ridiculous engagement. Regarding this matter, I was just pushing the boat along with the current. Otherwise, I'm afraid I wouldn't be able to get rid of her now!"

"After sun caifeng created this farce, she was grounded by the sun family's ancestor. However, she was not affected much in this storm, and the matter was suppressed by the sun family in time. Therefore, not many people know the truth, and not many people know that she is my fiancée. "However, it was also because of this that Zhou kun and my names were linked together, and we became even more famous."

"Not long after the storm appeared, for quite some time, everyone looked at me with eyes full of sympathy and pity. Of course, there were also sneers. 'That's also the main reason why I beat Zhou kun up. If he wasn't so stupid, how could he have been used by others?' He even caused me to be pitied or laughed at. But at the same time, I have to thank him. If it wasn't for his spirit of sacrifice, I wouldn't have been able to get rid of sun caifeng, this self-righteous woman. " Yu Chen couldn't help but sigh. However, Zhou kun didn't seem to have suffered any losses. At least, he had gotten what he wanted.

"Uh!" After hearing Yu Chen's words, Leng ruoxue and the others all sympathized with Zhou kun. This fellow had completely become the cannon fodder for the battle between the fiancée and her husband! Not only did he have to bear the reputation of seducing other people's fiancée, but he also had to be beaten up by other people's fiancée. What was this?

"I'm very curious. Since the Yu family and the sun family are like fire and water, how did you and sun caifeng get engaged? This shouldn't be the case. " Then, Ji Yun asked with a puzzled expression. At this moment, he was like a curious child with a strong desire for knowledge.

"This ... This is all the work of our ancestors." Yu Chen said helplessly. When he saw Leng ruoxue and the rest 's' please continue 'expression, he could only continue,"Our family didn't like the sun family, but the sun family's old ancestor was always causing trouble for our family, so he had been sparing no effort to marry the sun family's young lady into the Yu family. Later on, the sun family's old ancestor cheated and our family's old ancestor lost the bet, and I also had this ridiculous engagement. However, fortunately, it was canceled later on. Otherwise, I'm afraid that our Yu family would never have a peaceful day." When he said this, Yu Chen still had lingering fear in his heart.

### [Chapter 1873 Cannon Fodder \(3\)](#)

"Uh! The sun family's ancestor's way of thinking is really different. " Leng ruoxue was in disbelief. Normally, families that were incompatible like fire and water would rarely have marriage alliances. However, there were also those who married their own daughters with a certain purpose. However, women who married into their families would definitely not be doted on in their families. After all, anything could happen in an enemy family. Yet, the sun family wanted to marry their most outstanding eldest young lady into their family. What kind of mentality was this? She could not understand.

"Yup! That old man is a madman, and the sun family is also affected by him. They are all crazy and abnormal. " Yu Chen said with a headache.

"The sun family is indeed paranoid in a certain aspect. Moreover, based on my understanding of the sun family, they wouldn't easily agree to cancel the engagement, right?" Ji Wu asked indifferently.

"At first, they refused to agree. However, later on, I accidentally got hold of evidence of sun caifeng and Zhou kun's sexual intercourse. They couldn't reject me even if they wanted to. If they refused to agree, I could just reveal the evidence to the public. Anyway, I've already embarrassed myself enough, so I don't care if I embarrass myself further. However, sun caifeng is a woman. If others find out that she's so indecent, would any of the top families dare to marry her?" Yu Chen said proudly.

"You're ruthless! But I like it! Hehe! I didn't expect sun caifeng to be so casual. To think that she always looks like she's out of reach. I didn't expect Zhou kun to be in a relationship with her!" Ji Yun was left speechless. This woman was truly too terrifying. In order to provoke her fiancé, she would actually get together with another man. If she dared to do this, was there anything she wouldn't dare to do?

"Zhou kun isn't the only man she has. This should be related to the cultivation technique she's cultivating." Yu Chen thought for a moment and revealed another big secret.

"Argh! Could it be that she had cultivated a cultivation technique related to men? This ... This is crazy. " When Ji Yun and the other two heard this, they were extremely shocked. Only Leng ruoxue was confused.

"Are you guys talking about the dual cultivation technique?" Leng ruoxue asked curiously.

"Not really! There are very few proper dual cultivation techniques, and they're basically cultivated by both husband and wife to benefit from it together. Sun caifeng's technique, on the other hand, only benefits herself. For the man she's in love with, it has more disadvantages than benefits, so it can only be considered a low-grade dual cultivation technique." Yu Chen explained. This was something he had found out in private after he and sun caifeng were engaged.

"Didn't Zhou kun, a man who was used by her, notice this?" A few drops of cold sweat dripped from Leng ruoxue's forehead as she said that. She couldn't tell if Zhou kun had taken advantage of her or suffered a huge loss. However, from a man's point of view, he had still taken advantage of her, right? After all, wasn't there a saying that even if you die under a peony flower, you'll still be a romantic ghost! For the sake of beauty, a lecherous person like Zhou kun would probably do anything despite knowing that there was danger.

"Originally, other than sun caifeng, only I knew about this. Of course, you all know about it now." Sun caifeng had even kept this matter from the sun family. However, he was also a little curious as to where sun caifeng had gotten her hands on the cultivation technique. Logically speaking, such an evil thing should have been destroyed by the Divine Master's estate long ago. However, not only did sun caifeng cultivate it, but she seemed to have achieved some small success. Clearly, she had been cultivating for quite some time.

"Actually, I'm telling you all this because I hope that when you see sun caifeng in the future, you'll be more careful and not fall for her tricks. After all, her charm is very powerful. If she's deliberately trying to seduce you, you might fall for it without any mental preparation. Once you're charmed by her, the consequences will be very serious." Yu Chen said worriedly. He had a good impression of the Ji family, so he naturally didn't want them to fall into sun caifeng's trap without knowing. Although they might not have the chance to meet Sun caifeng, it was always good to be on guard.

"Thank you for your reminder, brother Yu. We will keep it in mind." Ji Wu said gratefully. His tone of voice was much more intimate, and he directly called Yu Shu his brother.

"Hahaha! Since you call me brother, I'll call you little brothers." Yu Chen said happily. His personality was just like that. If he liked someone, he would do anything. If he didn't like someone, even if the other party was obedient in front of him, he wouldn't like them. His way of doing things was definitely inherited from his family.

"It's our honor that brother Yu is willing to call us little brothers. You should know that brother Yu has always been one of our idols!" Ji Wu complimented him. Yu Chen, on the other hand, felt a rare shyness. Although he had heard a lot of compliments, they were sincere. He couldn't resist it, so his face turned slightly red.

"By the way, brother Ji and sister ruoxue, I was able to find Zhou kun this time because someone told me that they had seen him here. That person also told me that Zhou kun has a few despicable helpers and asked me to be careful. Are you guys talking about you?" Then, Yu Chen changed the topic and asked with a face full of curiosity. He automatically upgraded Leng ruoxue to sister ruoxue.

"If it was two men who told you this, then they were talking about us." Leng ruoxue had consciously ignored the word 'younger sister' as she replied helplessly.

"But, I don't think you guys look like Zhou kun's helpers." Yu Chen said, feeling a little puzzled. Originally, he did not intend to come and find trouble with Zhou kun so soon. After all, Zhou kun was also a victim in the incident back then. Although he was completely to blame for being used by others, it was precisely because of this idiot that he successfully canceled his engagement with sun caifeng. Therefore, in a certain way, he had to thank Zhou kun. However, at the same time, Zhou kun had also caused him to become a laughing stock in the divine realm. Therefore ... There were still some debts to be settled between the two of them, and it was precisely because of this that he often played the role of a victim and came to find trouble with Zhou kun from time to time. Otherwise, wouldn't the people of the divine realm think that he was easy to bully?

"We're not." Leng ruoxue and the rest laughed helplessly before they told Yu Chen about what had happened. After Yu Chen heard it, he actually laughed out loud and even laughed so exaggeratedly that he cried.

"You, you guys are really bad. How did you come up with this?" Yu Chen looked at Leng ruoxue and the three little Foxes and said happily. Now, he found the three little Foxes even more pleasing to the eye. As expected, she was unrivaled and adorable! She's so cute even when she's up to no good!

"Uh! This has nothing to do with us. It was Zhou kun who did it." Being stared at by Yu Shu's sparkling eyes, Bao Bei was embarrassed.

"Yes, yes, it has nothing to do with you. Only Zhou kun can think of such an evil thing." Yu Shu agreed with baby and even pushed all the blame onto Zhou kun. Anyway, Zhou kun was already in quite a lot of trouble, so it didn't matter if he was the scapegoat again.

At this moment, fortunately, Zhou kun, who was covered in injuries, was in a half-awake state. Therefore, he did not hear the conversation between Leng ruoxue and the others and Yu Chen. Otherwise, he would definitely be depressed and cry out loudly that he was innocent. "Why do you want me to be the scapegoat?"

However, he was definitely going to take the blame.

"Right! He's a Big Bad guy, and he even fantasizes about my lovely master, Hmph! You really are a Toad!" Baby said angrily. If it were not for the numerous injuries on Zhou kun's body, it would have continued to scratch him.

"Yeah, he's just a Toad lusting after swan meat! However, now that Zhou kun's location has been exposed, there might be people who will rush over to take revenge on him. Therefore, I think we'd better leave this place as soon as possible. After all, many people like to vent their anger on others." Yu Chen reminded.

"How many people has Zhou kun offended?" After hearing Yu Chen's words, Leng ruoxue's forehead was filled with black lines.

"There are many. As long as it's a woman with good looks, he'll hook up with them. It's best if the two of them hit it off immediately. Otherwise, he'll come up with all kinds of despicable ways to force others to

submit. Think about it, how many people has he offended?" Although he had never thought of killing Zhou kun, he would be very happy to see Zhou kun in trouble. However, if someone were to do what Liu Sen did previously and implicate Leng ruoxue, Ji Yun, and the rest, it would not be worth it.

"Uh! Did he like to attract hatred so much? He's a weirdo with such a hobby. " Yu Chen's words made Leng ruoxue speechless. However, she glanced at Zhou kun, who was lying on the ground like a dead dog not far away, and she felt a slight headache.

How should he deal with this guy? Was she going to leave with him?

"Hehe! 'Sister ruoxue, leave Zhou kun to me!' I promise that no one will recognize him. " Seeing Leng ruoxue's dilemma, Yu Chen volunteered. After all, there would be no fun without Zhou kun. Then, under the puzzled gazes of Leng ruoxue and the others, he took out a healing pill and stuffed it into Zhou kun's mouth. In the blink of an eye, Zhou kun's injuries were mostly healed.

The reason why he was not fully recovered was because the healing pill that Yu Chen took out was too ordinary. However, this was also Yu Chen's goal.

After Zhou kun sobered up a little, he was dragged behind a huge tree by Yu Chen before he could react completely ...

#### [Chapter 1874 Zhou Kun's Spring \(1\)](#)

When Leng ruoxue and the rest saw this scene, their hearts unconsciously started to let their imagination run wild. This scene seemed familiar, and it was easy for people to make associations.

Not long after Yu Chen and Zhou kun hid behind the tree, they heard Zhou kun's painful moans coming from behind the tree. His moans were intermittent, and sometimes he was even wailing. Leng ruoxue and the others were all speechless when they heard it.

Oh! Would it be what they were thinking? The young master of the Yu family doesn't seem like someone who has that kind of hobby? The few of them couldn't help but let their thoughts run wild.

After a while, Yu Chen walked out from behind the tree alone. He even patted the dust off his clothes and walked to Leng ruoxue and the others.

"It's done. " Yu Shu said with a faint smile, his handsome face still full of pride.

"Eh!" Leng ruoxue and the rest looked at him curiously, but no one spoke.

"Zhou kun! Why don't you come out and let little sister ruoxue and the others see your new image!" He knew that Leng ruoxue and the others were curious, so he called out to Zhou kun directly. However, seeing that Zhou kun did not respond, he could not help but say angrily, ""You're a man, why are you still so shy? I'll count to three and you'll get the hell out of here. Otherwise, you'll have to bear the consequences!"

Upon hearing that, there was a flurry of activity behind the tall tree, followed by a few 'ping, ping, ping, ping' sounds. Then, Zhou kun slowly moved out from behind the tree with his back facing the crowd.

Looking at Zhou kun's bashful appearance, Leng ruoxue and the others were even more puzzled. 'What ... Is going on?' Was Zhou kun feeling shy?

Just as Leng ruoxue and the others were secretly guessing, Zhou kun had already slowly moved in front of them. However, he still chose to turn his back to everyone and the beasts. His trembling shoulders revealed his nervousness at the moment.

The treasure couldn't stand his slow and coy appearance, so it directly jumped in front of him. With one look, it was shocked.

"Argh! You, you ... Who are you?" Baby stretched out its little paw and pointed at Zhou kun in disbelief.

Leng ruoxue and the others were even more curious when they heard the baby's words. 'Can't Zhou kun even recognize the baby?'

With a strong sense of curiosity, Leng ruoxue and the others walked straight to Zhou kun. It was Zhou kun's fault for not turning around!

However, after seeing Zhou kun's current appearance, their reactions were similar to that of a treasure.

Leng ruoxue and the others all had their mouths half-open as they stared at Zhou kun, who looked terrified.

At that moment, his entire face was swollen like a pig's head, and his original appearance could not be seen at all. His swollen eyelids were bulging, and his eyes were squeezed into a thin line. Not only that, but his eyes were also black and green, which looked extremely disharmonious. His lips were also swollen like sausages. However, after looking at Zhou kun's mouth, they believed that they would not want to eat sausages for a short period of time, because Zhou kun's sausage mouth was really too disgusting.

After looking at Zhou kun, Leng ruoxue and the rest turned their attention to Yu Chen.

"Brother Yu, is this person Zhou kun?" Ji Yun could not help but ask.

"Hahaha! How about the real deal? After I helped him change his appearance, you guys can't recognize him, right?" Yu Chen was very proud of himself when he said this, as if his face was saying, 'quickly praise me!' These few words left Leng ruoxue and the others speechless.

"I can't recognize him, but how can he go on his way in his current state?" Ji Yun was a little worried. If others were to see them together with Zhou kun in this state, they would probably be embarrassed, right?

"Don't worry, I only hit his face. He's still healthy! It doesn't matter how far you go. " Yu Chen promised.

"Brother Yu's idea is great! I really want to know how you came up with this idea. " At this moment, ji tao also said with a smile, hehe! He was overjoyed to see Zhou kun in such a state. He had allowed Zhou kun to flaunt his prowess in front of them all the time, and now he was getting his retribution!

"Hehe! I only saw little sister ruoxue's hesitation, so I suddenly thought of changing his image. This way, we can go on our journey together. " Yu Chen said with a smile. If he left Zhou kun alone, who would he fight with when he was bored? He couldn't help but think to himself.

It turned out that he was treating Zhou kun as a pastime.

Change your image! Upon hearing this, cold sweat started to drip from Leng ruoxue's forehead. Don't tell me that the young master of the Yu family doesn't know what a disguise pill is? In Leng ruoxue's opinion, Yu Shu had clearly done it on purpose. She wanted to beat Zhou kun up, but he still used her as an excuse. What kind of person was he?!

Leng ruoxue complained as she looked at Yu Chen with resentment in her beautiful eyes. Seeing this, Yu Chen cleared his throat and turned his head away guiltily.

"Miss, miss Leng, I'm in pain!" All of a sudden, Zhou kun opened his mouth. His voice was trembling, and his voice was a little unclear.

"It's okay, just bear with it." Leng ruoxue replied perfunctorily, but she couldn't help but feel disgusted. Why did he have to tell her about the pain? She wasn't a healing pill, but Yu Chen probably wouldn't let him take any healing pills, otherwise, that guy would have worked for nothing.

Yu Chen's actions also involuntarily reminded Leng ruoxue of evildoer. In general, Yu Chen and evildoer were somewhat similar in some aspects. For example, when dealing with enemies, evildoer also liked to use this kind of method, and Yu Chen would not give up on his responsibility.

However, if the demon were to find out that Zhou kun had once challenged him, he was afraid that Zhou kun would not end up well either. In fact, he would definitely end up in a worse state than he was now!

Although she didn't know if she would encounter a demon here, she could already imagine the outcome that Zhou kun would face. It would be his nightmare for the rest of his life.

At the thought of this, Leng ruoxue's attitude towards Zhou kun improved slightly.

However, his tone was still lukewarm.

Then, everyone ignored Zhou kun's grimace and simply packed up their things before leaving.

This time, they chose to walk in the opposite direction.

After walking for two days, Leng ruoxue and the rest did not even see a single person.

After finding a flat piece of land as their temporary camp, the group decided to have a good rest. As for Zhou kun, after two days of rest, the swelling on his face had subsided a lot, and his original appearance could be vaguely seen. Therefore, as soon as they stopped moving forward, Yu Chen dragged Zhou kun to a corner again ...

Then, Zhou kun's painful howls rang in their ears. However, Leng ruoxue and the others were already used to it.

After a while.

Yu Chen came back first again.

No one cared about Zhou kun's outcome.

Zhou kun still did not appear even after Ji Yun and the other two had finished preparing dinner.

After dinner, Zhou kun was still nowhere to be seen.

"Brother Yu, did you scare Zhou kun away?" "What's going on?" Ji Yun asked curiously. Brother Yu is really violent. He has been torturing Zhou kun for the past two days.

"He won 't. He won't dare to run. Otherwise, he'll regret it even more." Yu Chen said confidently. Then, he brought Ji Yun and the other two to the huge tree where he had beaten Zhou kun up. He saw Zhou kun curled up on the ground with his head lowered, shivering. When he felt that someone had arrived, he did not dare to raise his head. Instead, he trembled even more violently. 'Sob ... He's an uncared for and unloved vulnerable group. Who can save him?' He couldn't count on Ji Yun and the others.

### [Chapter 1875 Zhou Kun's Spring \(2\)](#)

"Zhou kun, what are you hiding here for? Do you know how worried we were about you?" Seeing this, Ji Yun held back his laughter.

"It 's, it's cool here!" Zhou kun mumbled softly, still not daring to raise his head.

"Is it very cool here?" Ji Yun raised his head and looked around. He did not feel that it was very cool here. Moreover, he did not want Zhou kun to hide here. Therefore, after giving ji tao and Ji Wu a look, the three of them carried Zhou kun and left the place.

"Release me! Let me go! What are you guys doing?" Zhou kun, who was forcefully dragged away, was so frightened that he hurriedly screamed loudly. Even Leng ruoxue, who had already entered the tent, was startled and came out.

"What are you guys doing?" After taking a look at Zhou kun, who was struggling desperately, Leng ruoxue turned her head and asked Ji Wu and ji tao, who were holding onto him.

"He wanted to hide behind the tree. We had no choice but to bring him here by force." Ji tao quickly explained.

"Oh!" Leng ruoxue nodded in understanding.

At that moment, Zhou kun saw Leng ruoxue and started shouting again, ""Miss Leng, help! They want to harm me! They're all bad people!"

"Young master Zhou, you must be mistaken. Why would they harm you?" Upon hearing Zhou kun's words, Leng ruoxue's face was filled with black lines. She thought to herself, 'it's only been a few days!' Zhou kun was tortured to the point of paranoia. It was quite pitiful.

However, Leng ruoxue's thoughts were rather pitiful. She did not really pity Zhou kun. She was just sighing casually. In fact, she was not very concerned about Zhou kun's outcome.

"I'm not mistaken! They really want to harm me! "Wuu ..." As he spoke, Zhou kun even started crying. His body, which was being held tightly by Ji Wu and ji tao, also fell involuntarily.

"How can you guys bully the few with your numbers? He's really too much!" Suddenly, a voice filled with justice appeared out of thin air. Furthermore, from the voice, it seemed to be a woman.

Then, the woman who spoke appeared in front of Leng ruoxue and the others.

The crowd looked at the woman who had appeared out of nowhere in surprise.

When did this guy come? It was unbelievable that so many of them didn't notice it. This fact made the men feel embarrassed.

However, this woman's appearance and voice clearly didn't match.

Her voice sounded soft and weak, but her appearance was rough. To put it bluntly, she had the appearance of a man.

The woman not far away had dark skin and ordinary looks. She was rather tall and burly, even more so than Zhou kun. The woman's strength ... Was also that of a Godking.

Upon seeing this, Leng ruoxue could not help but frown. Another god King had actually come. It seemed like there were quite a number of participants in the God King's Group.

However, it was also fortunate that this nosy fellow was only a Divine King. Otherwise, if it was a divine Emperor or the like, it would be difficult for them to deal with them.

The woman appeared in front of the crowd. She first sized up the crowd before finally fixing her gaze on Zhou kun.

"Are they trying to kill you? Don't worry, I'm here, I won't let them have that chance." The woman said with a strong sense of justice. In her eyes, Zhou kun, who was covered in injuries, was a pitiful victim, while Leng ruoxue and the others were heinous villains. She had always been the embodiment of justice and naturally bore the responsibility of protecting the weak. Therefore, she could not help but take Zhou kun under her wing.

"Really? Then you must protect me." Upon hearing the woman's words, Zhou kun was so touched that he burst into tears.

Hearing their conversation, Leng ruoxue chuckled and interrupted, "You've misunderstood. We didn't want to kill him."

"You didn't want to kill him? Who would believe that! If I didn't want to kill him, why would he be screaming so miserably?" The woman clearly didn't believe Leng ruoxue's words. In fact, she even scoffed at them!

Beautiful women were like poisonous scorpions. In the eyes of that woman, Leng ruoxue was like the king of poisonous scorpions. This was because she had clearly heard that pitiful fellow begging Leng ruoxue for help, but Leng ruoxue was unmoved. A woman's heart was truly the most poisonous!

"We're doing this for his own good!" Ji Yun said. His words only served to further enrage the rough-looking woman.

"For his own good? I'll beat you up like this and say it's for your own good, okay?" The woman questioned angrily, her bronze-Ling-sized eyes burning with flames of anger.

"I don't need to do this." Ji Yun said indifferently. He was speechless at this fellow who could not tell right from wrong and thought that he was the embodiment of justice. He also did not have the patience to continue explaining.

"Does he really need to do this?" The more the woman spoke, the angrier she got. She didn't even know why she was so angry!

"He does need it because he has too many enemies here." Ji tao could not help but ask.

"His enemy? Aren't you guys the ones?" The woman shouted.

"You're wrong. Compared to his other enemies, we're nothing." Ji tao was speechless. This woman's imagination was too rich.

"So you're really his enemies!" The woman responded quickly.

"Yes and no!" At this moment, Ji Wu spoke.

"What is it and what is it not? please speak like a human!" The woman lost her patience. She was tired of listening to other people's genteel words.

p "Could it be that I spoke the language of the beasts? Or do you not understand human language?" Ji Wu said with a light smile.

"Of course I can understand human language, so you must be speaking the language of beasts!" The woman said matter-of-factly.

Ji Wu fell silent in response to her theory.

Leng ruoxue couldn't help but feel helpless when she saw that Ji Yun and the other two had been defeated by the woman's endless pestering.

Although she was also speechless, she felt that it was better to make things clear to this woman, in case this woman lost her sense of justice.

At the thought of this, Leng ruoxue took a deep breath and said, "Miss, we are indeed helping him. The reason why we are doing this is because he has too many enemies here, and every one of them can't wait to take his little life. In desperation, we can only change his appearance so that he won't be recognized. Do you understand what I'm saying?"

"I don't understand! No matter how many enemies he has, you don't have to beat him up like this, right? Don't you know that there's a pill called the appearance-changing pill in this world?" The woman said. Although she was a little rash, she was not stupid. The things she should know were no less than others, so no one could fool her.

"This is the elite gathering, do you really carry a disguise pill with you?" Leng ruoxue asked with a smile.

"I ..." The woman was at a loss for words. She would not bring the disguise pill for such an important competition. However, after hearing Leng ruoxue's words, she still felt that something was amiss. That's right! They were talking about how they shouldn't have beaten him up like this, not about whether they had brought the disguise pill or not. F \* ck! He was almost tricked by this beautiful Scorpion. This woman was too cunning!

[Chapter 1876 Zhou Kun's Spring \(3\)](#)

The woman flew into a rage out of humiliation. Following that, she started arguing with Leng ruoxue, "Even if you don't have the disguise pill, you shouldn't have beaten him up so badly, right? Look at him now, he doesn't even look like a human!"

"He said that it's because we don't have the disguise pill and he has too many fierce enemies. We had no choice but to use this plan." Leng ruoxue couldn't help but roll her eyes. She realized that it was very tiring to talk to this woman. She was always beating around the bush.

"Then it's wrong to beat people up!" The woman said stubbornly. She knew that she couldn't win against this beautiful Scorpion, so she had no choice but to insist that she shouldn't beat people up.

"Do you want us to just watch him get killed?" Leng ruoxue's eyes widened, her beautiful face filled with disbelief.

"Of course not. If he really has enemies coming to seek revenge, you can also help him!" The woman said matter-of-factly. She had already forgotten that she had just treated Leng ruoxue and the others as Zhou kun's enemies!

"We're only priests, and he has many enemies. Do you think we can defeat his enemies?" Leng ruoxue continued to guide him patiently.

"This ..." The woman was at a loss for words. She couldn't help but think, "does that guy who was beaten up so badly that you can't even see his human form really have that many enemies?"

"Why does he have so many enemies?" Unconsciously, the woman asked what she was thinking.

"He seduced too many women, took too many women by force, and broke up countless marriages. Do you think he has a lot of enemies?" Leng ruoxue asked indifferently.

"Really?" The woman couldn't believe it. A dark light flashed in the depths of her eyes.

"En!" Leng ruoxue nodded.

The woman remained silent for a long time.

"Waa! You are so great! So powerful! How did you do it?"

After an unknown period of time, just when Leng ruoxue and the rest thought that the lady had figured it out, they suddenly heard a voice filled with joy. Instantly, cold sweat started to drip down from their foreheads. What was going on? Were they outdated or the world was progressing too fast? they clearly felt that they couldn't keep up with this woman's thinking.

After the woman finished speaking, she rushed to Zhou kun excitedly and looked at him with admiration. Her extremely eager gaze made Zhou kun's heart thump! Plop! He jumped wildly.

Zhou kun tried his best to open his swollen eyes, which were only left with a slit. He looked at the woman in front of him who was looking at him with admiration in a daze, and he was overwhelmed with emotions.

Although this woman was unremarkable and her body was stronger than his, it was rare to meet a woman who understood him so much. He was really excited! He was so excited that he didn't say a word.

Seeing that Zhou kun didn't respond to her, the woman didn't care at all. Instead, she continued to speak non-stop, "You know what? I also want to seduce many men, occupy many men, break up countless lovers, and build my own harem. I want to make all the men in the world grovel at my feet and do whatever I want! What do you think of my idea? Isn't that great?"

Although it was a question, she didn't ask Zhou kun for an answer. Instead, she said, "But, after living for almost a hundred years, I have not even touched a man's hand. Wu...My harem! I wonder when it'll be completed!"

The woman's expression was extremely sad when she said this.

When Leng ruoxue and the others heard her bold words, they were all dumbfounded and speechless. They originally thought that Zhou kun was already a rare specimen, but they did not expect that this woman who came out of nowhere was even rarer. After all, there were not many women who had such ambitions.

However, they could also imagine the reason for her failure.

Which man would be able to accept a woman who was stronger than him? more importantly, this woman's way of thinking was very different from others. She also thought that she was the representative of justice. In their eyes, this kind of woman was clearly a sign of mental disorder. It was estimated that any man who was slightly normal would not be interested in her.

However, the woman seemed to have found her Savior. Seeing that she was staring at Zhou kun so fervently, they even suspected that she would eat Zhou kun up in her excitement. Oh! If there was really such a possibility, they would give Zhou kun their blessings. Ji Yun and the others mused.

"Please teach me! Teach me how to seduce men!" While Leng ruoxue and the rest were having wild thoughts, the woman lifted Zhou kun up excitedly and shook his weak body continuously.

Zhou kun, who was dizzy from the shaking, felt nauseated and hurriedly stopped her. "Don't, don't shake me, I'm going to vomit."

"Argh! Are you going to vomit? Then what should we do?" As soon as the woman heard that Zhou kun was about to vomit, she immediately became anxious and used her eyes to look around for an object that could contain his vomit. However, she found nothing.

In the end, the woman tore off most of her lapels and raised them in front of Zhou kun. "Come, stop vomiting here. Don't vomit anywhere else. Otherwise, the Divine Master's estate will punish you." The woman was very clear about this.

Looking at the woman's exposed black, strong, and thick waist, Zhou kun forcibly suppressed the feeling of wanting to vomit. He couldn't help but wipe the sweat on his forehead and said, "I-I'm fine. Put me down!"

"Are you sure you're really fine? You look so pale. " The woman said with a worried look on her face. When Ji Yun and the others heard her words, they could not help but start panting. How could Zhou kun's face be pale? His face was clearly still swollen, with bruises and red patches. She could even tell that he was pale, so what was with her eyes?! Could it be that her eyesight was so amazing that she could see the essence of Zhou kun's pig-like face?

"I'm really fine. " Zhou kun sobbed a little and said,'boo...I'm a man!' Now, he was being held up high by a woman. If this were to spread, how could he survive in the divine realm in the future? At this time, he had completely forgotten that the representatives of the various families outside could see the situation in the special space. Therefore, they had long since seen through his ugly state.

"Oh!" The woman responded, then turned to Ji Yun."Pretty boy, go and get me a cushion!"

When Ji Yun and the others heard this, they looked at each other. No one moved, because they didn't think that the pretty boy this woman was talking about was them.

Seeing that Ji Yun didn't move, the woman was enraged!

"That pretty boy in black! What if you didn't hear what I said?" The woman repeated. Her face was like a volcano erupting, spitting out huge flames of anger.

The one in black? Only Ji Yun was dressed in black. Now, they didn't have to guess.

"You're calling me a pretty boy?" Ji Yun looked at the burly woman in disbelief. This fellow's eyesight really wasn't that good!

"If it wasn't you, who else could it be?" "Hurry up and get me a cushion. It has to be soft," the woman said.

"Why should I go? I'm not your servant!" Ji Yun was somewhat displeased. In his entire life, not even his family's ancestors had ordered him to do this. What right did an outsider have? Moreover, even if they wanted to order him around, he had to be willing. Otherwise, there was no need to talk!

"I'll let you do what you want. Are you going or not? If you don't go, I'll beat you up!" The woman clenched her fist and threatened.

"I'm not going!" Ji Yun said with certainty. Then, he ran to Leng ruoxue's side and said with an aggrieved expression,"Ruoxue, this woman is actually threatening me!"

Leng ruoxue helplessly gave Ji Yun a consoling look. Then, she looked at the woman curiously and asked,"What do you need a cushion for?"

"Of course I'm lying down for my idol. Can't you see that he's so badly injured?" The woman said it very righteously, while Leng ruoxue and the others were at a loss whether to laugh or cry. How was Zhou kun seriously injured? They were just some superficial wounds, did she have to be so nervous?

"Don't talk nonsense, quickly go and find me a cushion. " The woman continued.

"No, I didn 't! Where can I find a cushion here?" Leng ruoxue couldn't help but roll her eyes at the woman's wild imagination.

"Then what do we do?" The woman was a little depressed. She didn't want her idol to lie on the cold ground!

The woman hesitated for a long time before an idea suddenly came to her.

She sat down on the ground and pulled Zhou kun into her arms ...

The force was so great that Zhou kun was almost strangled to death.

"Cough cough!" Zhou kun's face turned purple and he could not help but cough.

"Arggh! An idol! What's wrong? Where do you feel uncomfortable?" When the woman heard the coughing, she immediately panicked.

His name is Zhou kun!" At this moment, Yu Chen could not help but tell the woman Zhou kun's name.

"Oh! Thanks a lot!" Although the woman was a little out of line in certain aspects, she was still very polite. After thanking him, she patted Zhou kun's back gently with her huge palm-leaf fan-like palm to help him breathe. She kept calling out in a low voice, "Little Kunkun! Don't scare me!"

#### [Chapter 1877 Mouth-To-Mouth Resuscitation \(1\)](#)

Upon hearing that, Zhou kun could not even catch his breath. His eyes rolled back and he fainted completely. Upon seeing that, the woman became even more panicked.

"Little Kunkun! Wake up! What's wrong with you? "Waah ..." The woman cried out loud and couldn't help but wipe her snot and tears on Zhou kun's clothes.

When Ji Yun and the others saw this, they were even more dumbstruck.

This ... This was truly a forthright and unbothered woman!

Seeing the woman's performance, for a moment, no one dared to speak. The atmosphere also became oppressive. Suddenly, the entire camp echoed with the woman's cries, which were more unpleasant than the howls of wolves ...

Zhou kun did not know how long the woman had been crying, but her cries gradually became softer and softer until they disappeared. However, Zhou kun was still unconscious.

"Little kun kun is still unconscious. Help me think of a way to wake him up!" At this moment, the woman thought of Ji Yun and the others, and spoke in a half-commanding tone.

Still in a coma? Was it that serious? He had only been unconscious for a while.

The woman's words made Ji Yun and the others feel even more exaggerated. Moreover, in their hearts, they deeply felt that the reason why Zhou kun had fainted was because of this woman. It could also be said that he had fainted because he was frightened by her. In that case ... Should they help wake Zhou kun up?

Ji Yun and the others looked at each other when they saw the strong woman's nervous face. Then, they all revealed a knowing smile and made a decision in unison.

Al! This woman looked quite pitiful, so he had to help her!

Ji tao, Ji Wu, and Yu Chen gave Ji Yun an encouraging look, and Ji Yun spoke on their behalf.

"That ... It's not difficult to wake him up, it just depends on whether you're willing to do it." Ji Yun said hesitantly, pretending to be deep in thought.

"You have a way? Then hurry up and tell me!" The woman could tell the meaning behind Ji Yun's words and immediately asked anxiously. As for the true meaning behind Ji Yun's words, she completely ignored it.

"I just said that it's not difficult to wake him up. I just don't know if you're willing to do it." Ji Yun couldn't help but repeat himself. He truly doubted if this woman understood his words!

"I understand. Tell me the method!" The woman urged.

"It's good that you understand," Ji Yun was relieved. Then, he said, "The reason why your little kun kun fainted was because he was too anxious. If you want to wake him up, the only way is to dispel the foul Qi in his chest. Only then will he really wake up."

Ji Yun's expression was extremely serious when he said that, and Ji Wu and the others almost believed him. However, it was indeed a good idea, but Zhou kun would be the one suffering again.

"Then, then what should I do?" The woman didn't quite understand what he meant. What did he mean by dispersing the foul air that had accumulated in little Kunkun's chest? How do we break them up?

"Hit him! Beat him up ruthlessly! Until he wakes up!" Ji Yun saw that the woman didn't understand what he was saying, so he explained it in a more common way.

"Didn't you just beat him up? Why didn't you say so earlier! What's the point of all that nonsense!" When the woman heard that the true method was so simple, she began to blame Ji Yun with some dissatisfaction.

Ji Yun was furious when he heard that. However, seeing that Zhou kun was about to be abused, he decided not to argue with this rude woman. Otherwise, it would lower his class.

"Although he said that he's going to beat someone up, he still needs to have some skills. Otherwise, if he's just beating him up, he might get even more injured." At this time, Yu Chen couldn't help but remind him, but he was secretly laughing in his heart.

"Eh? Then tell me, how should I beat him to wake him up?" The woman asked without shame.

"When you hit someone, you should hit the meaty parts of his body, such as his butt. However, your little kun kun's chest is blocked, so you only need to hit three places on his body." Yu Chen said with a smile.

"Which three places?" When the woman heard this, she perked up and listened even more seriously.

"One is his face, one is his chest, and the other is naturally his butt! Hit each of these three places a hundred times, and I promise he'll wake up alive and kicking. " Yu Chen promised.

After listening to his words, Ji Yun and the other two deeply felt that they were too kind. Look, the truly ruthless person was here. Even if he were to hit only one spot, he would probably wake up after being hit 100 times, let alone 100 times in each of the three spots.

"Really? What if he doesn't wake up?" The woman was still a little worried. It could also be said that she was too nervous about Zhou kun.

"If he doesn't wake up, you can continue to hit him." Leng ruoxue reminded him with a faint smile, but she couldn't help but mourn for Zhou kun for three seconds in her heart. 'Poor fellow, it's really a bad time for him to faint. Great, he's going to be Beaten Awake again.' Looking at the woman's Iron Palm, she wondered if Zhou kun would be able to withstand it if she were to hit him hundreds of times.

However, Leng ruoxue's worries were clearly unnecessary. That was because the woman had already started fighting.

She raised both her palms and attacked Zhou kun's face, which was already swollen like a pig's head. Pa pa!' In the blink of an eye, dozens of attacks had already been launched ...

Not only was the woman strong, but she was also fast. Hence, before Leng ruoxue and the others could react, Zhou kun had already finished hitting his face a hundred times.

Then, the woman launched an attack on Zhou kun's chest.

'Si la!' With a loud sound, Zhou kun's tattered clothes were torn apart. Then, 'pa pa!' The voice sounded again ...

Zhou kun still showed no signs of waking up even after she had hit him 100 times on his chest. The woman immediately became anxious and hurriedly pulled down Zhou kun's pants before continuing to smack him on his buttocks! ...

In fact, how could Zhou kun not wake up after being hit so many times? However, the speed at which the woman hit him was too fast. Hence, after Zhou kun woke up from the pain, he was knocked unconscious by the woman before he could even speak. This cycle repeated itself, and it was not easy for Zhou kun to really wake up.

Leng ruoxue and the rest were in awe of the lady's smooth and fluid movements. This was a real husband among women, more manly than men!

Just as Leng ruoxue and the others were sighing, Zhou kun's buttocks were soon smacked a hundred times. However, apart from being more seriously injured, he seemed to have stopped breathing, and his breathing became extremely weak.

Seeing this, the woman began to cry again.

Her cry gave Leng ruoxue and the others a headache. This fellow was definitely comparable to Meng jiangnu's aura of crying the Great Wall down. They wondered if she would flood this special space. If that were to happen, they didn't know if they would be implicated as well.

"Don't cry. " After receiving the looks from Yu Chen and the others, Leng ruoxue helplessly advised, sigh! Those cunning guys had actually given her the heavy responsibility of coaxing this woman. To be honest, she felt that she was completely incompetent because this woman didn't seem to like her very much!

## [Chapter 1878 Mouth-To-Mouth Resuscitation \(2\)](#)

"I'll cry my own tears, you don't have to care." The woman cried as she wiped her tears and snot. The transparent silk thread was pulled out by a long length. Instantly, Leng ruoxue and the rest felt nauseated.

This ... Is this still a woman? No wonder no man had taken a fancy to her until now. Ji Yun and the others secretly sighed in their hearts.

When Leng ruoxue heard the lady's words, she sighed helplessly and said, "You can't solve the problem even if you keep crying! Why don't you try mouth-to-mouth resuscitation?"

"What's mouth-to-mouth resuscitation?" "What's that?" the woman asked in confusion. She had never heard of this term before.

"Oh! It's a first aid method. It's very simple, you just need to transfer air to your mouth." Leng ruoxue explained simply.

"What? Mouth to mouth? This, how could this be! I'm not married yet! No! This was absolutely not allowed! I want to give my first kiss to my beloved." As the woman spoke, she became shy. However, with her flat face, this shyness seemed a little terrifying.

"You still want to get married?" Hearing this, Ji Yun asked in surprise.

Leng ruoxue, on the other hand, kept her mouth shut. She couldn't communicate well with that woman, so she'd better leave it to Ji Yun!

"Of course I'm going to get married. Don't all women have to get married?" The woman didn't quite understand Ji Yun's words and asked in confusion.

"Women should indeed marry, but you're not an ordinary woman! You're a great woman who's going to build a harem in the future. How can you be like an ordinary woman who's only satisfied with marrying the man you love? I feel that it's not worth it for you! No! You can't let yourself suffer like this." Ji Yun's face was filled with righteous indignation.

"That's true! But no man likes me! I haven't even held a man's hand before." The woman said with a bitter expression.

"Men don't like you because they don't have good taste. Besides, you're the head of the family, so it's enough as long as you like them. All your men have to listen to you. If anyone doesn't listen, you'll punish them with the Family Law. In that case, they won't dare to resist." Ji Yun suggested. His idea made Leng ruoxue and the others feel embarrassed.

This Ji Yun clearly only wished for the world to be in chaos!

"You, what you said seems to make sense. Then what should I do?" The woman asked in a silly manner. Her gaze towards Ji Yun had also become much gentler.

"Do you like him?" Ji Yun pointed at Zhou kun, who was in the woman's arms, and asked, pretending to be curious.

"Of course I do, he's my idol! I still want him to teach me how to chase a man. " The woman said with a look of yearning. At the same time, she appeared to be in a state of confusion, as if her soul had left the world.

"Then you have to let him stay by your side. Let me tell you the truth, this guy's means of chasing women are unparalleled in the world. As long as it's a woman, there's no woman that he can't hook up with. If he is by your side to help you plan, then the day of your harem is not far away." Ji Yun said with a serious expression.

"Really? Then what should I do to keep him by my side?" The woman didn't know what to do, so she continued to ask Ji Yun.

"That's easy, as long as he becomes one of your people, it will be fine. Let's start with mouth-to-mouth resuscitation! This is the best start, you have to work hard!" Ji Yun clenched his fists and encouraged him.

"But I'm a little scared!" The woman lowered her head in embarrassment.

"What are you afraid of? Be brave, bring out the courage you had when you first met us, close your eyes, and kiss us ruthlessly. " Said Ji Yun, somewhat exasperated at his failure to live up to his expectations.

"Then, then what if he doesn't admit to what he did after I kissed him?" The woman was still worried. After all, this was the first time she had intimate contact with a strange man.

"He dares to go back on his word? We have so many witnesses to testify for you! You're doing this to save him, so if he dares to not admit to his debt, we'll announce to the world that he'll become a heartless man and an ungrateful villain that everyone in the divine world will shout at. At that time, let's see what he can do!" Ji Yun said through gritted teeth. In truth, he really did think so. At the thought of Zhou kun waking up and finding out that he had already ... He felt extremely elated!

"Will this work?" After the woman heard Ji Yun's words, she hesitated.

"I think it's feasible." Receiving Ji Yun's gaze, Yu Chen nodded and said.

"MMH! This plan will definitely work!" Ji Wu and Ji Tao said while trying their best to hold back their laughter. They could already foresee Zhou kun's tragic days in the future.

"Then you have to be my witness. I've made a huge sacrifice to save him." The woman warned before she bit him.

"Don't worry! We're all on your side. " Ji Yun and the others promised in unison.

After getting the assurance of Ji Yun and the others, the woman closed her eyes and bit Zhou kun's sausage-like mouth in one go ...

He did not know how long had passed, but the woman had yet to finish eating. However, Zhou kun slowly woke up.

In fact, he was completely awakened by suffocation.

At first, he was just so angry that he fainted, but his breathing was not affected. However, for some reason, he suddenly felt that he was going to suffocate to death, so he naturally woke up.

However, the moment he woke up and saw a flat face in front of him, he almost jumped up in shock because the face was too close to him. However, at this time, his numb and swollen lips did not make him feel that he was being nibbled by someone.

It was just that the distance between them was a little unbearable, and his heart was even more uneasy.

F \* ck! Why is this woman so heavy? I can't push her away no matter how hard I try! She was even on top of him.

What! Was she on top of him? Zhou kun was a little slow to react, but the weight on his body reminded him that the ugly woman was indeed on top of him.

This fact gave him an inexplicable strength out of thin air. He wanted to push his palms hard, but he pressed them against two elastic giant peaks. He was stunned at once, and the woman, who was gnawing at them, also felt the movement of the person below her. She quickly raised her head and looked at Zhou kun with a surprised look, exclaiming, "Little kun kun, you're really awake. That's great. It seems that mouth-to-mouth resuscitation is really useful!" The woman cried tears of joy and was so happy that she was incoherent.

Upon hearing the woman's words, Zhou kun was stunned again and forgot to withdraw his hands for a moment. He said with a confused look, "What mouth-to-mouth resuscitation?"

"Hehe! It's mouth to mouth." The woman explained shyly. She had already felt the pair of hands on her giant peak. However, she had long regarded Zhou kun as her man, so she did not get angry.

### [Chapter 1879 Mouth-To-Mouth Resuscitation \(3\)](#)

"Mouth ... Mouth to mouth!" Zhou kun was shocked. 'F \* ck!' No wonder he felt that his breathing was not smooth! It turned out that he had been kissed by someone. No, he was kissed by a sow. Wu ... This hateful guy, he had always been the one taking advantage of others. He didn't expect that he would be taken advantage of by a sow today. How, how could he accept this fact? His heart was filled with grief and sorrow. He looked at Ji Yun and the others with eyes filled with flames of anger. As for Leng ruoxue, his eyes were filled with grievance.

Unfortunately, no matter how he reacted, Leng ruoxue and the others ignored him.

Seeing that Zhou kun had woken up, Leng ruoxue smiled and said to the woman, "Now you don't have to worry, right?"

"Yes, yes. Thank you for helping me." The lady's gratitude was genuine and she found Leng ruoxue much more pleasing to the eye now.

"Hehe! It's nothing. Since your little kun has woken up, I'll leave him to you. You have to treat him well! It's getting late, we should go back and rest." After Leng ruoxue finished speaking, she did not wait for the woman's reaction and brought baby, Mei, and Mo into her tent. After stirring things up for so long, this matter had finally come to a satisfactory end. She was very satisfied with this result.

Not long after she returned to her tent, Ji Yun and the others also gave the woman some instructions before returning to their own residences.

After Leng ruoxue and the rest went to rest, Zhou kun and the woman were the only ones left in the large open space, except for the burning bonfire. They were staring at each other.

"Let me go!" After a long while, Zhou kun, who felt uncomfortable, struggled and thought, 'this ugly woman is so strong!' He had used all his strength, but he couldn't push her away! This fact made him quite depressed. He was a man!

"You're injured. Be good and lie down. I'll take good care of you in the future." The woman patiently coaxed. Clearly, she took Ji Yun's words seriously.

"I don't need you to take care of me!" Zhou kun was furious. 'F \* ck!' What did this woman mean? Could it be that she would have to stay by his side in the future? No way. Only an absolute beauty could be by his side. This woman was not qualified.

"Little kun kun, that's not up to you. I've already decided to have you in my harem. You're the first man I've taken a fancy to, and you'll be the boss of all men in the future! Are you happy?" The woman said with a smile. With this smile, all the flesh on her face was squeezed together, making her look even uglier.

In fact, the reason why she had made up her mind so quickly had a lot to do with the encouragement from Ji Yun and the others. More importantly, her mother had said that she should make a move when it was time to. If she hesitated, she would only lose the opportunity. Therefore, after making her decision, she had already regarded Zhou kun as her man. As for whether Zhou kun was willing to do so, it was not within her consideration.

After all, she was a God King! Could it be that he was not worthy of a god tier master? With that in mind, Zhou kun's future was decided.

Upon hearing the woman's words, Zhou kun was so angry that he almost vomited blood! F \* ck! Still happy? Could he be happy? He had always regarded women as playthings, but he didn't expect that he would be played by an ugly monster. How could he accept this? No! He couldn't just sit and wait for death! Moreover, he could not let this ugly woman keep him as her exclusive property. Otherwise, he would rather die than live. One should know that he felt like vomiting just by looking at this ugly woman. If he really became her man, he would die young!

Unfortunately, things would not go as he wished.

Just as he was thinking of a solution, he suddenly felt a cold sensation on his wrist. Seeing this, he couldn't help but lower his head and suddenly saw a golden chain on his wrist! F \* ck! What was this? What was the meaning of this? Did they think he was a dog?

"Hehe! Little Kunkun! This is the token of our love, the love chain! With this, we will never be apart. " The woman smiled in a very wretched manner and showed Zhou kun the chain. The chain seemed to be only about a meter in length, and one end was tied to Zhou kun's wrist, while the other end was tied to the woman's wrist. Zhou kun felt like killing himself.

This ... Was he really going to tie him up like a dog? Zhou kun's face turned livid with anger, and his chest heaved up and down continuously. 'Damn it!' Where did this woman come from? she was such a bully.

Seeing that Zhou kun was excited again, the woman was so nervous that she did not know what to do.

"Little Kunkun! What's wrong? Where are you feeling uncomfortable?" The woman said worriedly. After saying that, she nibbled on the two sausages on Zhou kun's face. It was the mouth-to-mouth resuscitation that had saved little Kunkun just now. Hence, she was sure that the mouth-to-mouth resuscitation was effective.

As for Zhou kun, he was pressed down by the sudden gravity and almost lost his breath and fainted again. However, he did not faint this time.

Zhou kun felt nauseated after being licked and gnawed by the woman without any skills. Moreover, the woman was using too much force and kept blowing into his mouth, causing him to feel a little pain. Hence, he was furious!

He decided to teach this woman a good lesson on what kissing was!

Unfortunately, he had forgotten that the patient was performing artificial respiration.

In a fit of anger, Zhou kun lost his rationality and pressed down on the woman's head, after which he turned the tables on her and kissed her ruthlessly ...

In an instant, they were filled with passion, and the flames were burning between the two of them. The woman, who was dizzy from Zhou kun's kiss, was so excited that she grabbed Zhou kun's tattered clothes tightly, only to hear a 'si la'! With a loud sound, Zhou kun's clothes were torn into pieces, and his body was exposed again.

However, at this moment, the two of them had not realized this. The two of them were kissing and biting each other fiercely as if they were competing ...

In the tent.

Baby was walking back and forth a little impatiently. From time to time, it would stick its little head out to take a look. When it saw the two of them burning with passion and unable to control themselves, its beautiful purple eyes flashed with a thought-provoking light. Then, it stretched out its furry little paws ...

Following that, Leng ruoxue picked up the small and exquisite baby.

"You little rascal, what are you up to again?" Leng ruoxue said helplessly.

"Hehe! I just want to help that woman." Baby laughed evilly, not feeling guilty at all for being caught.

"She doesn't need your help. She can handle Zhou kun." Leng ruoxue said in understanding. That woman was no ordinary person! She was definitely Zhou kun's nemesis.

"Alright then!" Baby was a little disappointed. Since its cute master had said so, it shouldn't be a busybody.

"Be good! Go back to your space and sleep!" Leng ruoxue caressed her precious little head. With a thought, she brought them into the medium.

The next day.

When Leng ruoxue came out of the tent with baby, Mei, and Mo, the three little Foxes, she was surprised to see Ji Yun and the rest who looked Haggard.

Ugh! What was going on? It had only been one night, how could they be so down and out?

"What's wrong with you guys? Are you under attack?" Leng ruoxue teased.

"It's good if we really encounter an enemy attack! Al! It was even worse than that! We didn't rest well yesterday. Look, I have dark circles under my eyes. " Ji Yun exaggeratedly said with an aggrieved expression.

"Uh! What's wrong?" Leng ruoxue saw that Ji Yun was exaggerating and helplessly smiled. She had never heard of Shen Yi having dark circles the next day if he didn't sleep at night.

"Little sister ruoxue, didn't you hear anything last night?" Seeing Leng ruoxue's face full of question marks, Yu Chen couldn't help but ask.

"I didn 't!" Leng ruoxue was very honest. She would not really be sleeping in the tent at night, so how could she have heard any movements? furthermore, if anything had happened, Qing Jue would have warned her. However, Qing Jue did not say anything last night, which naturally meant that everything had been fine the entire night. Hence, she really could not guess what they had encountered.

"Uh! You're probably sleeping too deeply. " Yu Chen said with a face full of envy.

"Then can you send a representative to tell me what happened last night?" Seeing that no one had explained the reason to her even after a long time, Leng ruoxue's curiosity was piqued.

"Since you didn't hear it, then it's better not to know." Ji Yun hurriedly said.

"What's the reason?" Leng ruoxue was a little unhappy. What did he mean by 'better not to know'? Didn't they know that their mysterious behavior had already aroused her curiosity?

"Uh! We don't know what to say. It's a little hard to say. " Yu Chen chimed in. Actually, he had taken into consideration that Leng ruoxue was a girl. Hence, subconsciously, he treated Leng ruoxue as a child. Naturally, it was not good for her to know about this.

"Hard to say? Could it be that something that shouldn't have happened between you two?" Leng ruoxue deliberately laughed evilly.

"Why is it us? it's obviously Zhou kun." When ji tao heard this, he was so frightened that he quickly clarified himself to avoid any misunderstandings with Leng ruoxue. However, this way, Leng ruoxue would naturally know who the person involved was.

"Since it's Zhou kun, why are you so embarrassed to say it?" Leng ruoxue was a little speechless. Following that, she could not help but ask, ""What's Zhou kun up to again?" Can't that guy just stop?

"He's been taken advantage of. Last night ... He even fainted a few times." Ji Yun's cheeks reddened as he spoke in an embarrassed manner. Of course, this was only a guess based on the woman's scream, but it was still close to the truth.

"Who did you say fainted? You're the one who fainted!" Without giving Leng ruoxue a chance to express her thoughts, a furious roar suddenly sounded out of thin air. However, there was a slight tremble in the rage. The person who roared was Zhou kun, who had just stepped out of the tent ...

### [Chapter 1880 The Consequences Of The Scheme \(1\)](#)

When Zhou kun heard Ji Yun's words, he was furious and was about to rush over to reason with him. However, he had just taken two steps forward when he staggered and fell to the ground with a thud. Behind him, a woman's exclamation was heard. "Aiya! My little kun kun! How could you be so careless? Didn't I tell you not to walk so fast because you're so weak?"

Upon hearing that voice, Ji Yun and the others laughed secretly in their hearts. When they saw Zhou kun's extremely embarrassed appearance, they laughed even more happily in their hearts. 'Hehe!' He did not expect Zhou kun to have such a day.

"Weak my ass! I'm very healthy!" Although his body was a little weak, that was not the only reason why he had fallen. The main culprit that had caused him to fall was the chain on his hand. It was all because of that damn dog chain that he had made a fool of himself in front of everyone!

"Buxu? Then let's continue! I haven't had enough fun yet!" The woman said in a carefree manner. Her words immediately frightened Zhou kun, who was already pale and weak, and his face turned even uglier!

F \* ck! Still not satisfied? I'm almost squeezed dry! Upon hearing that, Zhou kun couldn't help but feel indignant in his heart. When he saw Ji Yun and the others sneering at him with their heads lowered from the corner of his eye, the anger in his heart burst out!

"They bullied me. If you teach them a lesson, I'll let you continue!" Zhou kun suddenly pointed at Ji Yun and the others and said, "Hmph! He was going all out! Although he couldn't defeat Ji Yun and the others, he had his own helpers!

"We're bullying you? When have we ever bullied you?" Upon hearing Zhou kun's words, Ji Yun and the others were speechless. 'Isn't Zhou kun too good at using others' power?' They had just found a 'backer', and now they wanted to give them a show of force? Hmph! What a vile person!

"You guys were talking bad about me just now! I heard everything. " Zhou kun roared angrily, his face flushed red, and his listless eyes were rapidly filled with blood. 'F \* ck!' This time, he had been thrown to his grandmother's house. He was extremely sad and angry.

Sob ... He had been raped by that ugly woman! This matter had already caused him to feel aggrieved. However, he had now been treated as a joke by Ji Yun and the others. Not only that, the entire divine realm was probably aware of this matter. How would he be able to survive among the women in the future?

As the saying goes, a single misstep would result in eternal hatred! He especially hated himself now. Why did he teach that ugly woman to kiss for no reason? In the end, he had harmed himself! Thinking about it now, he felt disgusted!

Moreover, that ugly woman had warned him to drive away all the women around him, not leaving a single one behind. Otherwise, she would kill those women! This ... This was definitely a threat!

In reality, the current him really didn't care about those women by his side. The person he cared about the most right now was Leng ruoxue, the woman whom he had yet to get his hands on. It was a pity that with this ugly tigress by his side, he was afraid that he wouldn't have the chance to be together with miss Leng in the future. No way! This was absolutely not allowed! He had to work hard to fight for it! Otherwise, he would not give up.

After thinking about this, he, who was originally depressed, looked at Leng ruoxue with a determined gaze. However, his body was too weak now, and the tigress beside him was too fierce. Hence, he had to be extremely careful. He must not let that ugly woman see through his thoughts.

Zhou kun, who had made up his mind, retracted his gaze and looked at the woman beside him fawningly. He then said affectionately, "Baobao, you have to help me!"

The woman's body immediately turned limp and soft when she heard the word 'leopard'. She pulled Zhou kun into her arms and patted his back with her large palm-leaf fan-like palm. She said heroically, "Little kun kun, don't worry! You're already mine, so your business is naturally my business. I, Meng Bao, will never let anyone bully you." After he finished speaking, Meng Bao glared at Ji Yun and the others.

Leopard Leopard?

Meng Bao?

Ji Yun and the others ignored the woman's furious eyes. Their minds were filled with the love term and name they had just heard.

This woman was called Meng Bao? Ji Yun and the others sized her up in disbelief.

From the looks of it, her parents didn't even treat her as a girl. Why else would he give his daughter such a masculine name? Although this woman didn't look like a woman at all, her name was too ...

"Who is Meng Liang to you?" Suddenly, Yu Chen asked. Hearing this name, he thought of a family he knew, because the names of the descendants of that family were all named after animals.

"My big brother! Do you know him?" Although Meng Bao was a little stunned by Chen's question, she still answered truthfully, considering that she had been well-educated.

"Yes, I'm friends with your big brother." Yu Shu said as he sized up Meng Bao thoughtfully. He did not expect that this person was actually Meng Liang's younger sister. However, if his memory was not wrong, Meng Liang had told him more than once that his younger sister was a rare and peerless beauty. She had a face that could captivate fish and Wild Geese, and a beauty that could outshine the moon and flowers. Not only that, Meng Liang would sometimes joke about letting him be the Meng family's son-in-law.

Looking at Meng Bao, Yu Shu secretly shivered. Although he was not a person who judged people by their appearance, he could not afford to have such a wife!

"Since you're my big brother's friends, I'll let you off for bullying little kun kun. If there's a next time, I'll beat you up regardless of whether you're my big brother's friends or not!" After listening to Yu Chen's words, Meng Bao said magnanimously. When Ji Yun and the others heard this, they secretly pouted.

They did not bully Zhou kun, okay? They didn't need the leopard to show any mercy. With this, they felt like they owed the leopard a favor. It was an uncomfortable feeling.

"Miss Meng, I think you've misunderstood. No one is bullying your little kun kun." At this moment, Leng ruoxue said with a faint smile.

Upon hearing Leng ruoxue's voice, Meng Bao suddenly remembered that there was a woman here! "Little Kunkun is already one of my men," he warned angrily. "So, you have to stay away from him. Don't come within three meters of him. Otherwise, don't blame me for being impolite!"

Meng Bao's words caused Leng ruoxue to be stunned. Immediately, her smile bloomed like a Hundred Flowers, dazzling everyone's eyes. Following that, she sincerely guaranteed, "Don't worry, miss Meng. I won't get within three meters of him, and I won't fight with you for him. I already have a fiancé."

"This is more like it!" Meng Bao was very satisfied with Leng ruoxue's tactfulness. However, Zhou kun was not.

Hmph! That ugly freak actually dared to threaten miss Leng, it was really preposterous! However, he was in a disadvantageous position now, so he could only sulk in his heart and did not dare to object.

Thus, in order to vent his anger, he once again set his sights on Ji Yun and the others.

"Baobao, how can you let them go so easily? You said you would teach them a lesson for me, how could you lie to me!" Zhou kun said with tears in his aggrieved eyes.
