Chapter 191: Luring the Enemy Into an Urn (1)

"Where did they go?" Xu Xing muttered to himself furiously. He had come excitedly with his helpers, but not only did he not kill a single person, but Leng Ruoxue and the others had disappeared instead. He was so depressed!

"Could they have invisibility sacred artifacts?" a Spiritual Deity guessed.

"Is that possible?" Xu Xing couldn't believe it. Why hadn't he heard of sacred artifacts that could turn things invisible?

"How is that impossible? You're too ignorant," the Spiritual Deity said disdainfully.

"The level of this dimension isn't as high as ours, so it's normal that he doesn't know," another Spiritual Deity interrupted, helping Xu Xing out.

"What should we do now?" Xu Xing looked at the Spiritual Deity who spoke up for him with gratitude.

"Find them. I don't believe they can escape so quickly." Even though there were invisibility sacred artifacts, given the strength of those people, it was almost impossible to leave the general's mansion without alerting them.

"Okay." A few Spiritual Deities immediately went to search the general's mansion.

Inside the Heaven and Earth Bracelet...

"Little girl, will they find us?" the old man couldn't help asking. It was not that he was afraid of death, but the disparity in their strength would be very disadvantageous to them if they faced them head-on.

"No, don't worry!" Leng Ruoxue comforted.

"Where did Xu Xing find so many Spiritual Deities?" Leng Qingtian asked in puzzlement.

"Yes, isn't there supposed to be no Spiritual Deities on the Ling Feng Continent?" Leng Ruoxue was also a little puzzled. From what she knew, the strongest humans on the Ling Feng Continent now were Spiritual Supremacies. Spiritual Deities seemed to have disappeared for a thousand years.

"They're not from the Ling Feng Continent at all." The old man snorted coldly with contempt. He really didn't expect Xu Xing to be able to contact people from the Upper Realm. *This Xu family is really a disaster!*

"You mean?" Leng Qingtian suddenly understood.

"Grandpa, what's the matter?"

"Xue'er, the reason why there are no Spiritual Deities on the Ling Feng Continent is that the Spiritual Deities have all gone to another dimension. To put it simply, after becoming a Spiritual Deity, they will ascend to a higher dimension. These people should have descended from that dimension," Leng Qingtian explained. These things were recorded in the Leng family's genealogy. But if not for the old

man's reminder, he really wouldn't have remembered. He had also never told Xue'er and Ruohan about these things because they were still young.

"Can people from higher dimensions descend as they please?" Leng Ruoxue asked in puzzlement. The Ling Feng Continent was not the only space in the universe. She had heard from her master as well, but she remembered that her master had also said that people from higher-level dimensions couldn't enter lower-level dimensions at will. Otherwise, it would cause spatial chaos, and at the same time, they would be obliterated by the heaven and earth laws. Then these people...

"Of course not. If they could descend casually, then wouldn't the Ling Feng Continent be the backyard of those powerhouses?!" the old man said.

"Didn't they descend?"

"Little girl, if those people want to come to the Ling Feng Continent, they will have to pay a massive price. Moreover, these people are only Spiritual Deities. Spiritual Deities might be the top powerhouses on the Ling Feng Continent, but they are only at the bottom of the hierarchy in the Upper Realm. More importantly, the heaven and earth laws don't allow powerhouses above Spiritual Deity to enter the Ling Feng Continent. Otherwise, why do you think the Xu family only sent these Spiritual Deities down!" the old man explained patiently. He believed that no one knew more details than him on the entire Ling Feng Continent.

Leng Ruoxue nodded. Although the Xu family had only sent Spiritual Deities, they were not existences she could deal with at her current stage. When she thought of this, a sense of frustration welled up in her heart.

During this time, it had been too smooth-sailing for her, and she almost didn't encounter any setbacks. But the appearance of these people woke her up, letting her know that she wasn't omnipotent nor the strongest. But at the same time, these people aroused her intense fighting spirit. Because if she couldn't even defeat these people, then not to mention the strongest enemies she would have to face in the future, she probably wouldn't even be able to protect her loved ones.

Through the Heaven and Earth Bracelet, Leng Ruoxue's beautiful eyes coldly sized up the Spiritual Deities wantonly destroying the general's mansion, and she remembered their appearances. As the saying went, it was never too late to seek revenge. She might not be their match now, but it didn't mean that she would never be able to deal with them.

"How is it? Did you find them?" a Spiritual Deity asked his partner in the general's mansion.

"There isn't even a fly," a Spiritual Deity said and cursed non-stop.

"Seniors, we have to find them. We can't let them run away," Xu Xing said anxiously.

"Of course we have to find them, but we can't find them now!" a Spiritual Deity in black said impatiently.

"Xu Xing, do you have any good ideas?"

"I... I have an idea. We can't find them, but we can force them out." Xu Xing felt that his idea was really too good.

“How do we force them?” a Spiritual Deity asked. How could they force them when there wasn’t even the shadow of a single person in the huge general’s mansion?

“We can use the commoners of Phoenix City to force them to show themselves,” Xu Xing suggested after some thought.

“The commoners of Phoenix City aren’t related to the general’s mansion, so they wouldn’t be in their consideration. If it were you, would you come out?” someone said while looking at Xu Xing like he was an idiot.

“Erm... Leng Qingtian is a great general after all. I don’t dare to say it for others, but he definitely won’t leave those ordinary people alone,” Xu Xing said with great certainty, his face full of confidence.

“Let’s give it a try then!” the Spiritual Deity said in agreement.

Afterward, Xu Xing led dozens of Spiritual Deities out of the general’s mansion, which they had gained nothing from, gloomily toward the busiest street in Phoenix City.

“These people are too despicable!” Leng Qingtian roared furiously within the bracelet.

“Old Leng, calm down. Aren’t you just doing what they want?” Lin Liang walked to Leng Qingtian’s side and comforted him.

Chapter 192: Luring the Enemy Into an Urn (2)

“Then what should we do?” Leng Qingtian glared at Lin Liang with some displeasure. Xu Xing was right that he really cared about the lives of ordinary people. Unfortunately, what Xu Xing didn’t know was that he, Leng Qingtian, cared more about the safety of his loved ones and friends. Although those people were innocent, he couldn’t be so noble as to endanger his family and friends for strangers. He was also selfish.

“Don’t worry. Let’s discuss a good plan,” the old man said. They really didn’t know what Xu Xing was thinking. He actually planned to use ordinary people to threaten them. In fact, at their level, how many of them would be soft-hearted? Whose hands were not stained with blood? Moreover, they could even sacrifice relatives if necessary, so what were these commoners?

“It’s definitely not wise to go out to die while knowing that they’re threatening us,” Leng Ruoxue said after some thought.

“However, I can go out and lure them away,” Leng Ruoxue continued. It was impossible to send her family and friends to their deaths because of strangers! But if the commoners were persecuted because of them, it was also not the outcome they wanted to see. She could leave them in the lurch, but she didn’t want anyone to be hurt because of her. She was also very conflicted about this.

“No way!” the few people present said in unison. Even the beasts that slowly surrounded her had disapproval written all over their faces.

“Master, I won’t let you out.” The little black fox jumped into Leng Ruoxue’s arms coquettishly.

“Yes, Master. It’s too dangerous outside. Don’t go out,” Rise said as he wrapped himself around Leng Ruoxue’s wrist.

“Master, Charm will be worried.” Charm also jumped into Leng Ruoxue’s arms. The people outside were all Spiritual Deities of similar strength to them, but they outnumbered them by more than twofold. With such a huge disparity in combat strength, it would be wise to hide and wait for the right opportunity.

“Master!” The word ‘worry’ was written in Quill’s sharp eyes.

“Don’t be so nervous. I’m just going out to lure them away. If there’s any danger, I’ll come in immediately,” Leng Ruoxue explained. She probably wouldn’t have such thoughts if not for the Heaven and Earth Bracelet.

“In that case, we’ll go out with you,” the old man said after some thought. He couldn’t let the little girl go out alone. Instead of worrying about her inside, it would be better to go with her.

“No, you stay inside. If too many people go out, we will become separated. We won’t be able to take care of each other then, and it will be easy for problems to arise.” Leng Ruoxue denied the old man’s idea.

“Okay, all of you stay inside! I definitely have to go with Xue’er,” Freak said seriously while chewing on a spirit fruit. *?Xue’er better forget about leaving me behind!*

“You stay inside too!” Leng Ruoxue said unquestionably.

“Xue’er...” Freak looked at Leng Ruoxue aggrievedly with tears shining in his eyes.

“Don’t play dirty!” Leng Ruoxue said without any room for negotiation and immediately left the Heaven and Earth Bracelet.

Then Leng Ruoxue summoned Quill.

“Quill, let’s go lure those people away! This is the only thing we can do for the innocent commoners now.” Leng Ruoxue sat on Quill’s back and patted his giant eagle head gently.

“Yes, Master.” Quill nodded happily. He flapped his huge wings as he jumped into the air. He knew that his master wouldn’t leave him behind.

“What’s so great about him? Isn’t it just a pair of wings?!” Dazzle said with a face full of envy in the bracelet. *?Boohoo... Why don’t I have wings? If I could fly, Master wouldn’t have called that stinky bird out.*

“That’s right. Actually, I can fly too, but Master has never asked me to fly. She only calls that annoying bird!” Rise complained. He also grew a pair of wings after advancing to divine beast. But unfortunately, his master had never used him once. *?Boohoo...*

“Master doesn’t love me anymore,” Charm, who had always been composed and understanding, said with some disappointment.

“Xue’er is mine!” Ye Chen roared furiously as he looked at the beasts wallowing in self-pity.

“Master is ours!” the beasts shouted in unison, unwilling to be outdone.

Leng Qingtian and the others had a few black lines on their foreheads as they listened to the conversation between Ye Chen and the beasts. Alas! The enemies outside were eyeing them, yet they were fighting within!

Outside the Heaven and Earth Bracelet, Quill carried Leng Ruoxue and quickly caught up to Xu Xing and the others.

“Xu Xing, are you looking for me?” Leng Ruoxue stood on Quill’s back in midair, facing Xu Xing and the others.

“Hmph! A puny little Spiritual Sovereign actually dares to be so arrogant,” Xu Xing said disdainfully while looking at Leng Ruoxue with hatred.

“That’s better than exploiting the might of others!” Leng Ruoxue said with a light smile, neither irritated nor angry.

“Leng Ruoxue, you’re dead meat. I won’t let you go!” Xu Xing roared in anger, his eyes shooting out raging flames.

“Really? I really want to know why you won’t let me go?” Leng Ruoxue deliberately provoked.

“You...” Xu Xing couldn’t take it anymore. He was about to rush over and kill Leng Ruoxue when someone stopped him.

“Young Master said that Leng Ruoxue can’t be killed,” said the person who stopped Xu Xing expressionlessly.

“Senior, don’t worry. I won’t kill her. I just want to teach her a lesson so that her claws don’t hurt Grandpa,” Xu Xing explained.

“Don’t hurt her face,” the man warned coldly before retracting his arm, no longer stopping him.

“Thank you for granting my wish, Senior.” Xu Xing bowed gratefully. It seemed like his efforts during this period had finally paid off. Otherwise, why would these people be so easygoing?

“Leng Ruoxue, take this!” Just as Xu Xing was about to use his Frosty Palm, he saw the eagle flying away with Leng Ruoxue. He was so angry!

“Chase!” someone said. Xu Xing and the others released their flying spirit beasts to chase after Leng Ruoxue.

“Quill, fly slower,” Leng Ruoxue said very kindly. These people might be Spiritual Deities, but it was obvious that they didn’t do well in the Upper Realm. Otherwise, why would their spiritual beasts be inferior to hers!

Chapter 193: Luring the Enemy Into an Urn (3)

“Yes, Master.” Quill flapped his wings gently and slowed down. Moreover, he would look back from time to time. If he saw those people catching up, he would increase his speed. Otherwise, he would fly slowly.

“Hurry! Hurry up! We’re about to catch up,” Xu Xing said anxiously while constantly hitting his spirit beast. They were about to catch up just now, but in the blink of an eye, Leng Ruoxue escaped again. Xu Xing was incomparably depressed!

Just like that, Xu Xing and the others chased after her until they ‘forced’ her into an uninhabited valley...

“Leng Ruoxue, let’s see where you can run to now!” Xu Xing laughed arrogantly. His face had a triumphant expression, and his sinister and vicious eyes released a bloodthirsty glare.

“Who said I was going to run away? Can’t you see that I was specially waiting for you?” Leng Ruoxue said mockingly while glancing at Xu Xing like he was an idiot.

“Hmph! Continue being stubborn! There will be a time when you cry later,” Xu Xing said nonchalantly.

“Alas! No one believes the truth. What kind of world is this!” Leng Ruoxue said helplessly, but she was communicating with her grandfather and the others in the bracelet.

“Grandpa, do you have any plans?” Leng Ruoxue asked in her head.

“Xue’er, there are eleven people outside now, including Xu Xing, right?” Leng Qingtian asked to confirm.

“Yes, a bunch of people are missing. I don’t know where they went,” Leng Ruoxue said. When she stopped Xu Xing and the others just now, she found that nearly half the people were gone. Afterward, she lured these people here according to what her grandfather said.

“Xue’er, it’s a good opportunity for us now that they are not at full strength. As long as we kill them here, we will be safer when we find an opportunity to get rid of the others,” Leng Qingtian explained. They wouldn’t dare to take this risk if they didn’t have so many divine beasts on their side.

“Okay.” Leng Ruoxue also felt that this was a good opportunity. Otherwise, when everyone from Xu Xing’s side was here, they really wouldn’t be their opponents.

“Leng Ruoxue, die!” Xu Xing slowly activated his Frosty Palm, ready to strike at any moment.

“Do you think you’re the only one with help, and I don’t?” With a thought, Leng Ruoxue released her grandfather and the others, as well as all their beasts.

“Haha, you cowards are finally willing to show yourselves?” Xu Xing laughed hysterically when he saw Leng Qingtian and the others appear. He was really afraid that they would never dare to show themselves again! As for the cute and fluffy beasts, he automatically ignored them.

“You still don’t know who the coward is? You only knew how to hide in a mouse hole without help, but you start being cocky when you find help. Be careful. Joy begets sadness!” the old man said. It was fine when the old man was silent, but Xu Xing was almost angered to death as soon as he spoke.

“Damn it, you old thing! State your name if you have the guts!” Xu Xing glared furiously, wanting to skin this old man from god knows where alive.

“Why are you wasting your breath on him? Do it!” Lin Liang was getting impatient. He had never felt so aggrieved in his life.

“Charm, I’ll leave those people to you,” Leng Ruoxue said softly as she caressed Charm’s soft and fluffy fur.

Charm nodded as his luxurious purple eyes scanned the Spiritual Deities just watching the excitement.

He wanted to test the strength of the human Spiritual Deities!

“Humans, I want to see whether Spiritual Deities or us divine beasts are better today,” Charm said indifferently. His noble and elegant temperament simply made people feel ashamed of their inferiority.

“Haha, did we hear you wrong? A palm-sized little fox like you actually dares to call yourself a divine beast?” A Spiritual Deity laughed out loud without giving face after hearing what Charm said. There were not many divine beasts in their world, so he didn’t believe at all that this fox could be one.

“You will regret underestimating your enemy,” Charm said calmly. He had decided that this guy would be his opponent.

After deciding on his opponent, Charm turned to look at his companions and communicated silently before directly flying at the human Spiritual Deity who despised him...

“Leave that ugly short fatty to me,” Dazzle said. Then he shook his fluffy little tail and dashed toward his opponent.

“Then I want that thin monkey!” Rise said reluctantly. He had also taken a liking to the short fatty, but a certain other beast beat him to it, so he could only choose another unique one to make do with.

“I want the one with black hair.” Quill chose for a long time. No matter how he looked, he couldn’t stand the sight of the man with thick black hair. After all, he was also black and had feathers.

Leng Ruoxue listened to the discussions of her beasts. *Wow! Must my beasts be so cute!*

“Ruoxue, your beasts have character.” Lin Liang praised.

“Hehe, did you just realize it!” Leng Qingtian smiled proudly. His granddaughter’s beasts were very interesting.

“Thunder Night, you should go too!” Leng Qingtian turned his head and said to his beast.

“Yes, Master,” Thunder Night replied and then flew out, heading straight for the opponent he chose.

“You guys go too. Don’t embarrass Master,” the old man and Lin Liang said to their beasts.

“Yes, Master.” The two beasts heard their master’s words and rushed to their opponents eagerly.

“The three of us will deal with the remaining Spiritual Deity. Leave Xu Xing to Ruoxue and Ye Chen!” Lin Liang said to the old man and Leng Qingtian while looking at the remaining two people.

“Alright, little girl. I’ll leave that old thing to you,” the old man shouted while staring at Xu Xing.

Leng Ruoxue glanced at Xu Xing and said indifferently, “Okay, leave this old bastard to us!”

“Damn girl, I won’t let you go!” Xu Xing roared in anger. He was really pissed off. He was a Spiritual Supremacy after all, but he was humiliated by a little girl. How could he take this lying down? At this

point, he only wanted to kill Leng Ruoxue to vent his anger, and he had long forgotten what the young master had said.

Chapter 194: Deliberately Complicating an Issue, Accident (1)

After roaring, Xu Xing directly threw out his ready Frosty Palm at Leng Ruoxue. The strong wind from his palm accompanied by a piercing chill drifted in the valley...

While the Frosty Palm was flying toward her, Leng Ruoxue released her fire-attribute spiritual power at the same time. A tremendous amount of fire-attribute spiritual power blocked in front of her, forming a wall. Freak also used his black spiritual power to welcome Xu Xing's Frosty Palm without fear.

Xu Xing had used at least ninety percent of his spiritual power in this strike, causing the already low temperature in the valley to fall even lower. The people and beasts fighting around them naturally felt the cold, and Leng Ruoxue and Ye Chen felt it even more directly.

"So cold!" Leng Ruoxue, who was in the wind, couldn't help exclaiming. Fortunately, the fire-attribute spiritual power she released dispelled part of the coldness. Otherwise, this strike alone could have frozen her into ice. *Between him and Charm, I wonder who's better at ice skills?* She couldn't help feeling a little curious.

"Xue'er, I'll give you some warmth." Freak stretched out his long arms and shielded Leng Ruoxue in his arms, casually taking advantage of her!

"You adulterous couple! I won't let you go! You're all dead!" Xu Xing looked at Leng Ruoxue and Ye Chen, who were still flirting and teasing each other in the middle of the battle. He was so angry!

"Adulterous couple? Freak, is he talking about us?" Leng Ruoxue asked with a confused expression. But she didn't delay at all and released her spiritual skills one after another.

"Feather of the Fire Phoenix!"

"Blazing Tree Silver Flower!"

Leng Ruoxue threw the spiritual skills out regardless of whether they were single-target or group attacks. Whether they were fire, water, or wind spiritual skills, as long as they were offensive ones, she threw them at Xu Xing. For a time, colorful spiritual powers flashed dazzlingly in the sky of the entire valley.

Opposite them, Xu Xing was jumping around in a sorry state, and sparks were flying from his body. All sorts of spiritual powers surrounded him, seemingly teasing him and attacking him from time to time...

"We are not adulterers. We are legal. Xue'er, when are you going to give me a title?" The freakingly beautiful face was full of anticipation, and his watery black eyes blinked non-stop. While speaking, he didn't stop what he was doing and released a ball of black spiritual power to liven things up after seeing how Xu Xing was in such a sorry state and hopping about...

With the addition of the ball of black spiritual power, Xu Xing seemed to be in an even more pathetic state. The spiritual powers seemed to have discussed it over and switched with each other alternately to attack him.

“You... What kind of evil spiritual skills are these? Fight me one-on-one if you dare!” Xu Xing provoked loudly.

“Freak, he wants us to fight him one-on-one!”

“You shameless old man! You brought so many people to kill us, but you still have the cheek to get us to fight one-on-one?” Freak said with a face full of scorn.

“That’s right. You old monster, don’t you have any shame!” the old man, who was fighting with a Spiritual Deity, couldn’t help interjecting to agree.

“Freak, let’s not play with him anymore. Let’s end this quickly!” Leng Ruoxue said.

“Okay.” He nodded.

A ball of black spiritual power gathered in his palm again. He held the black spiritual power ball and said softly, “Go! Destroy him!”

The spiritual power seemed to understand. It jumped twice slightly, then charged at Xu Xing at the speed of light and disappeared into his body.

At the same time, Xu Xing also unleashed his second and third strikes, attacking Leng Ruoxue and Freak.

After two consecutive strikes, the temperature in the valley plummeted several degrees lower than before, and a layer of ice even formed over the surrounding mountains.

“Little girl, kill him quickly. It’s so cold!” the old man yelled, finding it a little unbearable. *Boohoo...*? He was getting old, so he was most afraid of the cold.

“Alright. Freak, move aside.”

Freak obediently took a few steps back and gave up his spot to Xue’er.

Leng Ruoxue took out her sharp sword, which gleamed coldly. “Xu Xing, I’ll let you have a taste of my Meteor Sword Technique.

“Feather of the Fire Phoenix!”

After Leng Ruoxue integrated Feather of the Fire Phoenix into her sword technique, its power increased several times. A silvery-white light with a burning tail feather rapidly flew toward Xu Xing. The spiritual phoenix feather circled Xu Xing twice, then divided into countless feathers of the same size and began to circle Xu Xing.

Xu Xing dodged left and right. After evading the feather, he didn’t even have the chance to show off before he realized that the feather was splitting and becoming more and more numerous. *What’s going on??* Xu Xing was instantly dumbfounded.

The small phoenix feathers didn’t give Xu Xing any chance to react and prepare to unleash his fourth strike. Instead, they directly surrounded him from head to toe... In an instant, Xu Xing became a fiery man!

“Aaahhhh!” A blood-curdling scream resounded from the human torch. A few seconds later, the human torch fell to the ground.

On the other side of the battlefield, the beasts were still engaged in a fierce battle with their enemies.

“You damn beast! I’m going to kill you!” the Spiritual Deity fighting Charm roared in anger. This damn fox actually killed his spirit beast. He wouldn’t let it go!

“You are the beast,” a giant fox more than ten meters tall said calmly. Charm was currently in his strongest combat state, and the human Spiritual Deity was like a dwarf compared to him.

“Have a taste of my Ice Purgatory!” Charm said and sent a stream of ice-attribute spiritual power toward the Spiritual Deity. The cold was bone-piercing, and in the blink of an eye, the Spiritual Deity was frozen into a human-shaped ice sculpture.

At this point, the battles of the other beasts were almost over, and only Leng Qingtian’s group was still fighting on the battlefield.

“Master, do you need my help?” Thunder Night said a little worriedly while watching the battle. In a fight of the same level, humans wouldn’t be able to defeat spirit beasts, so their opponents were almost too weak to withstand a single blow. But their masters’ opponent... was stronger than their masters, so it seemed a little strenuous.

Chapter 195: Deliberately Complicating an Issue, Accident (2)

“No need!” Leng Qingtian replied. How could they let such a good opportunity slip by? Even though this guy was stronger than them and had an advantage in level, the pressure of a Spiritual Deity was still bearable for them.

While releasing heavenly spiritual skills, Leng Qingtian kept throwing numerous spiritual power recovery pills into his mouth. The old man and Lin Liang did the same.

“You are despicable!” The Spiritual Deity fighting with them had never seen anyone taking pills like this. He was so angry that he was about to vomit blood.

“You are the despicable ones. We’re just giving you a taste of your own medicine,” Lin Liang said nonchalantly. It was good to have an alchemist by their side. Otherwise, who would dare to eat pills this way?

“Fatal blow!” the old man suddenly shouted when he saw that the time was ripe.

“Okay.”

Leng Qingtian and Lin Liang were ready at the same time. After receiving the signal from the old man’s eyes, they simultaneously launched their strongest attacks.

“Divine Flame Blade!”

“Wind Blade Slash!”

“Light of Water!”

Red, green, and light blue spiritual power simultaneously attacked the only living Spiritual Deity.

As soon as the three spiritual powers entered the Spiritual Deity's body, they began to engage in a relentless battle within his body.

Cracking sounds resounded from the Spiritual Deity's body.

The Spiritual Deity had a pained expression as his face turned red, then green, and finally blue...

"Aaahhhh!" the Spiritual Deity screamed in pain.

Immediately afterward, the Spiritual Deity's body exploded into smithereens with a bang...

"Ah, we've finally succeeded. It really wasn't easy!" the old man said with a face full of emotion. He originally thought they were dead for sure, but things took an unexpected turn. Not only did they not die, but they even killed half of the opponents. How lucky!

"Yes, it was truly too harrowing. Let's slowly deal with the remaining people when we have the chance!" Lin Liang wiped the sweat off his forehead. Fighting with the Spiritual Deity was really exhausting. Fortunately, they had those pills. Otherwise, they wouldn't have been able to kill the Spiritual Deity.

"Fortunately, those people separated," Leng Qingtian echoed.

"Little girl, let's clean up the battlefield. Although these Spiritual Deities seemed poor, they might have some things we can use." The old man took off the storage ring of a Spiritual Deity and scanned it with his divine sense. His face instantly turned very ugly.

"What's the matter?" Leng Qingtian was puzzled. He took the ring from the old man's hand, glanced at it, and immediately fell silent.

"These guys were poorer than I imagined," the old man explained as Lin Liang looked at them with a questioning gaze.

"Then... should we still clean up?" Lin Liang asked after a pause.

"Of course! These are our spoils of war," Leng Qingtian said after some thought. He reckoned that the old man and Lin Liang would follow them in the future. How much would it cost to support so many people? Thinking of this, he couldn't help having a headache.

"Okay." After hearing what Leng Qingtian said, everyone and the beasts went to clean up the battlefield and destroy the evidence.

Seeing that everyone was helping out, Leng Ruoxue began observing the uninhabited valley alone. The valley was about 30 to 40 meters deep, and there was no end to it at a glance. Moreover, it was surrounded by mountains, and the temperature was several degrees lower than outside. Most importantly, the soundproofing here was good, so much so that no sound escaped despite their intense battle just now. *This place... is really a good place.*

"Xue'er, be careful!"

"Ruoxue!"

“Little girl!”

“Master!”

Leng Ruoxue suddenly heard everyone’s voice. She was about to turn around when she saw Xu Xing, who was charred all over, rushing toward her like a madman.

It turned out that Xu Xing had been pretending to be dead and had gathered his remaining spiritual power in his palm when no one was looking, planning to deliver a fatal blow to Leng Ruoxue.

Xu Xing actually didn't die?? Leng Ruoxue was shocked. But before she could react, Xu Xing had already attacked her.

Suddenly, a tall figure shielded Leng Ruoxue and blocked Xu Xing’s palm for her. Immediately after, several streams of spiritual power rushed over at the same time and hit Xu Xing together. Xu Xing’s body softened and fell to the ground. This time, he was really dead.

“Freak!” Leng Ruoxue screamed in fear as she hugged Freak, who was falling non-stop. Sparkling tears poured out of her eyes uncontrollably, and her heart suddenly felt empty, as though she had lost something important.

“Xue’er, my Xue’er, don’t cry. Don’t cry. I’ll be fine.” Freak wiped the blood from the corner of his mouth and comforted her. Xue’er was crying for him... He was so happy, but his heart ached too!

“Yes. You will be fine. I won’t allow anything to happen to you!” Leng Ruoxue said domineeringly while hugging Freak tightly.

“Xue’er, I’m so cold!” Freak whispered. Xu Xing’s Frosty Palm was really vicious. He felt as though there was an ice blade cutting his body. Fortunately, it hit him. Otherwise, Xue’er’s tender skin and flesh wouldn’t have been able to bear it.

“I will hold you and won’t let you be cold.” Leng Ruoxue hugged Freak even more tightly as her tears fell drop by drop like pearls.

“Let me see.” The old man came to their side and frowned. Then he grabbed one of Ye Chen’s hands to check.

“How is it?” Leng Qingtian and the others, who were farther away, arrived.

“The frost poison entering the body is really too poisonous!” the old man said softly and shook his head gently. Alas! There was no hope. This was the vicious part of the Xu family’s Frosty Palm. After being hit by its frost poison, ice-attribute spiritual power would take the opportunity to enter the body and wreak havoc on the body’s functions. Moreover, Xu Xing had just used a technique that would cause an internecine outcome, so...

After hearing what the old man said, Leng Qingtian, Lin Liang, and the beasts all felt unusually heavy. Alas! It was originally a perfect plan, but who knew that such an accident would happen. This was really...

Chapter 196: Deliberately Complicating an Issue, Accident (3)

“Freak! Freak! Wake up! Don’t leave me!” Leng Ruoxue screamed in agony when she saw the unconscious Freak. Her heart felt like it was being stabbed by a knife!

“Xue’er, calm down. He... he’s already...” Leng Qingtian couldn’t continue. He checked Ye Chen’s breathing just now, but it was already gone...

“He only fainted. I will heal him. I won’t let him leave me!” Leng Ruoxue hugged Freak’s body and returned to the Heaven and Earth Bracelet with a thought.

“Xue’er, Big Brother will help you!” Leng Ruohan’s heart ached when he saw his sister’s desperate look. He hurriedly took the freezing Ye Chen from Leng Ruoxue.

“Thank you, Big Brother. Please help me carry him into the purple bamboo house!” Leng Ruoxue said abnormally calmly.

Leng Ruohan nodded. Carrying Ye Chen’s cold body, he entered the purple bamboo house and placed him on the jade bed inside.

“Big Brother, thanks. I want to be alone with Freak,” Leng Ruoxue said lightly.

“Okay, then Big Brother will go out,” Leng Ruohan said helplessly. Alas! Xue’er’s current appearance really worried him. In his heart, it was better that Xue’er cried or threw a tantrum than being so calm!

“Ruohan, how is Xue’er?” Leng Qingtian asked worriedly after returning to the Heaven and Earth Bracelet.

“Very bad,” Leng Ruohan said honestly. He didn’t want to scare his grandfather, but Xue’er’s current condition was really not good.

“Alas! How did this happen? How did Xu Xing survive? Xue’er’s flames are extraordinary!” Leng Qingtian was puzzled.

“I once heard that the Xu family seems to have a secret technique that can fake death. Moreover, the Xu family primarily uses ice-attribute spiritual power. I think he used ice-attribute spiritual power to freeze himself and then fake death,” Lin Liang explained. He actually thought that the Xu family’s secret technique was a joke when he had heard it. He didn’t expect it to really exist.

“Let’s go out and kill the remaining Spiritual Deities to vent our anger for the little girl!” the old man suggested. Alas, he was anxious because he couldn’t help!

“If killing them will bring Ye Chen back to life, I’ll go now!” Leng Qingtian said furiously.

“Then what do you suggest we do?” The old man frowned aggrievedly.

“Of course, we have to keep an eye on Xue’er. What if she can’t think things through?” Leng Qingtian said worriedly. Even if a knife was hanging over his head, he wouldn’t leave his granddaughter now.

Inside the purple bamboo house...

Leng Ruoxue stood motionlessly by the side of Freak, who was beginning to freeze. Tears kept welling up in her eyes. In fact, she knew very well that he was dead...

“Freak!” Leng Ruoxue couldn’t help calling out softly.

The situation when she first saw him was still deeply etched in her mind. She remembered the first time she saw him, she had a premonition that this guy was definitely in big trouble, and the fact was that she was right.

She had seen many men in her two lifetimes, but this was the first time she had seen a person being so coquettish, even though she knew very well that his coquettish behavior was only for her. In front of outsiders, Freak was definitely devious and terrifying.

Freak liked to act coquettishly, liked to be jealous, liked to take advantage of her from time to time, liked...

All the memories relating to him were still so clear at this moment...

It turned out that Freak had already entered her heart unknowingly, but she knew nothing about it!

All along, she had thought that she only regarded him as one of her own. But she knew that it wasn’t true today!

Freak had unknowingly occupied her heart a long time ago. But... but why? It was only when he left her did she know how important he was to her!

Why? Why? It wasn’t until she lost him that she realized she loved him...

Boohoo...? At this point, her tears rolled down uncontrollably...

“Freak, I love you!” Leng Ruoxue murmured.

But...

“Freak, you haven’t said ‘you love me’ to me, so you can’t leave me like this. I won’t allow it!

“Freak, I will find you no matter where your soul goes!

“Freak, I’m very overbearing and possessive. Don’t even think about leaving me since I’ve discovered my feelings for you!

“Freak, you are mine whether you’re alive or dead! You can only be mine whether you live or die! Got it?

“Freak, wait for me obediently. Wait for me to find you!”

...

Outside the purple bamboo house...

“It’s been so many days. I wonder what Xue’er is doing now.” The word ‘worry’ was written all over Leng Qingtian’s face as he paced back and forth.

“Grandpa, Big Sister is fine. Trust me,” Qing Jue quickly comforted. He had always been in control of the situation in the purple bamboo house. *Big Sister hasn’t taken things too hard. It’s just... alas! In short, it’s still alright!*

“Old Leng, don’t worry since Qing Jue said so. Outsiders like us can’t help with matters of the heart. Ruoxue can only rely on herself to think things through,” Lin Liang said helplessly. Ruoxue alone was enough to make them worry, but Old Leng actually added to the trouble!

“But it’s been ten days without eating or drinking...” Leng Qingtian couldn’t help saying.

“Grandpa, trust Xue’er!” Leng Ruohan walked to his grandfather’s side to console him.

“Damn old man, all you know is to eat! Eat! Eat!” Leng Qingtian couldn’t help cursing when he turned his head and saw the old man gorging himself again.

“What do you know? It’s called turning grief and indignation into appetite,” the old man boasted shamelessly. Alas, he was also worried about the little girl! But he couldn’t think of a better way, so he could only vent by eating.

“Quill is back,” Qing Jue said suddenly.

When the two old men saw Quill return, they stopped quarreling and quickly asked, “Quill, what’s happening outside now?”

“Most of the Ling Feng Continent has already been occupied by those Spiritual Deities. Moreover, the Huo family and the Feng family also suffered heavy casualties,” Quill explained. Those people were really too arrogant. They had already eliminated all the forces unwilling to rely on and pledge allegiance to them on the Ling Feng Continent.

Chapter 197: Deliberately Complicating an Issue, Accident (4)

“What about the Eastern Lagoon Empire?”

“There are no countries on the Ling Feng Continent anymore.”

The old man fell silent after hearing what Quill said.

“Think about it. Those things are just worldly possessions. At least your descendants are still safe now,” Leng Qingtian comforted.

“I know.” The old man nodded. Even though he had been prepared for this, he was still a little sad when he heard it. After all, it was the foundation of his Li family.

“Alas, it’s a mess!” Lin Liang sighed helplessly.

...

In a commoner house in a remote town in the north of the Ling Feng Continent...

Feng Moran and others were hiding here.

“Deputy Leader Feng, what’s happening outside?” As soon as Feng Moran returned from inquiring about the news, the people waiting anxiously in the house surrounded him.

“The situation isn’t good.” Feng Moran’s slightly tired face was full of worry.

“What about my family’s old master and young miss?” Lü Tao asked worriedly while holding Feng Moran’s sleeve tightly.

“They’re missing, and those Spiritual Deities have been looking for them. But I heard that they haven’t been found. I think they should be safe now,” Feng Moran quickly consoled.

“Big Brother, how is the Feng family now?” Feng Aoran asked anxiously.

“Gone!” Feng Moran said with mixed feelings. Even though the Feng family hadn’t treated him well, they were relatives related to him by blood. When he first heard this news, he felt very uncomfortable.

“Gone...” Feng Aoran was stunned for a while. When he recovered, he grabbed Feng Moran’s arm tightly and said anxiously, “Big Brother, you’re lying to me, right? The Feng family has the first elder and Grandpa. How can they be gone? It’s impossible! Impossible!”

“Aoran, those people are Spiritual Deities, the top existences on the Ling Feng Continent.” Feng Moran didn’t know how to console his brother because he knew that Aoran definitely had deeper feelings for the Feng family than he did.

“Aoran, calm down. You still have Big Brother. I will take care of you,” Feng Moran continued.

“Big Brother!” Tears streamed down Feng Aoran’s face as he threw himself into Feng Moran’s arms and cried bitterly!

“The Anaconda Mercenary Group is here!” Feng Da shouted as he ran in from outside.

“Big Brother Feng Da, what should we do now?” Lü Tao was a little flustered. The Anaconda Mercenary Group had long sought refuge with the Spiritual Deities. Moreover, the Anaconda Mercenary Group knew their identities, so they had been pursuing them relentlessly.

“Hurry up and find a place to hide. Leave those scumbags to me and Deputy Leader Feng.” Feng Da hurriedly made arrangements. Their young lady was missing, so he had the duty and responsibility to protect the safety of these people. He couldn’t let down their young lady’s trust.

After hearing what Feng Da said, everyone in the yard quickly found a place to hide, lest they drag the two of them down.

“Feng Da, you’re quite good at hiding.” The voice of Zhang Jian, the young master of the Anaconda Mercenary Group, sounded from outside the yard.

“Zhang Jian, you are a dog of the Xu family. Why didn’t you obediently lick your master’s ass but instead come out to stroll around?” Feng Da said with disdain and mockery.

“Damn it. Who did you say is a dog?” Zhang Jian roared furiously as he walked into the yard.

“Is there anyone else here besides you?” Feng Da’s shrewd eyes scanned the surroundings, looking for other people.

“Feng Da, you are dead for sure. But I will spare your life if you tell me the whereabouts of Leng Ruoxue and the others,” Zhang Jian said in a seemingly magnanimous manner.

“I don’t know. What do you want me to say?” Feng Da said nonchalantly.

“Then die! Go, kill them both!” Zhang Jian roared and took the lead to attack Feng Da while his subordinates attacked Feng Moran.

“Zhang Jian, is this all you’ve got?” Feng Da easily dodged Zhang Jian’s attack and attacked with his backhand. He infused his spiritual power into his hand and slashed at Zhang Jian...

Zhang Jian was slow to react and was cut!

“Just you wait!” Zhang Jian roared with killing intent in his eyes.

“Come out, Black Dragon!” With Zhang Jian’s roar, a huge black python appeared in front of everyone. The python’s enormous body stood upright, almost covering the entire yard. His fierce and cold eyes stared at Feng Da and Feng Moran.

Feng Da and Feng Moran smiled at each other in tacit understanding...

“Fire Dragon, come out and meet this Black Dragon!” Feng Da said with eyes full of smiles.

“Master, I’m here!” With that, a gigantic fiery red beast jumped out and occupied the entire sky above the yard!

“Heavens, w-what is this?” someone from the Anaconda Mercenary Group murmured in disbelief.

“Is... is this a dragon? A real dragon?” another person said dumbfoundedly.

“No, that’s impossible. No one can contract with a dragon.” Zhang Jian was even more unwilling to believe what he was seeing. Feng Da was only a captain of their mercenary group in the past. How could he have a dragon as a spirit beast? This was too much of a shock for him.

The black python was equally agitated. The arrogance he had when he first emerged immediately faded when he saw the real dragon. Boohoo... He was just a snake even though his master called him Black Dragon!

“You’re called Black Dragon?” Fire Dragon’s large eyes glared at the black python threateningly.

“Yes, I... I am Black Dragon,” the python named Black Dragon said tremblingly. He no longer had the majestic appearance he had when he first emerged.

“Stand properly. Why are you swaying? You’re a level eight holy beast, after all. Don’t be so useless, okay?” Fire Dragon roared with displeasure, looking very much like a big brother lecturing his little brother.

“Yes... Yes.” Black Dragon stood up straight, but he still shook uncontrollably. *Boohoo... You can’t bully a snake like this.* Although he was a level eight holy beast, what was he compared to a divine beast? Especially a dragon, which had the highest status among spirit beasts!

“Black Dragon, attack! Kill them!” Zhang Jian was aggrieved when he saw his spirit beast behaving like an obedient grandson in front of the enemy! What was going on? It wasn’t easy for him to obtain a level eight holy beast. He originally thought that he could show off, but who knew...

Chapter 198: Reunion, Baby Awakens (1)

“Master, he’s a divine beast. I can’t do anything.” Black Dragon choked, so depressed that he was about to cry.

“Fire Dragon, attack and kill them. Leave this snake’s corpse intact so that we can eat its meat!” Feng Da said to Fire Dragon with a smile and looked at Zhang Jian with slight mockery. *?How satisfying! Having a good spirit beast is so cool!*

“No problem, Master,” Fire Dragon said confidently. His confidence had soared after becoming a divine beast, and he was no longer the timid, fearful, and bullied dragon.

“How dare you have designs on my master! Die!” Fire Dragon roared furiously. He spat a scorching dragon breath at Zhang Jian and the others, and everyone in the Anaconda Mercenary Group died in an instant.

“You actually didn’t die?” Fire Dragon asked curiously while looking at the snake. Wouldn’t spirit beasts die with their masters?

“We... we signed an equal contract,” Black Dragon explained with a long face.

“Oh, but my master wants to eat your meat, so you have to die too,” Fire Dragon said helplessly. *?Hehe, the feeling of bullying others is really good.*

“No, don’t kill me. I’m willing to be your contract spirit beast,” Black Dragon pleaded on the verge of tears.

“But my master finds you ugly, so you’d better die!” Fire Dragon opened his mouth and spat out a stream of flame that shot straight at the black python...

The flame was like a sharp blade, and with a swish, it sliced through the thick skin of the black python. The black python was unable to resist as he crashed heavily onto the ground and choked to death.

“Deputy Leader Feng, what should we do now?” Feng Da asked after tidying up the yard.

“Let’s go somewhere else and find Xue’er and the others first,” Feng Moran said after some thought. Xue’er wasn’t here now, and they had brought so many people with them, so it was really inconvenient.

“Okay, I’ll get them to pack up.” Feng Da turned around to notify the mercenary group. Even though he really wanted to get rid of the Anaconda Mercenary Group, he first had to ensure the safety of his companions.

“Fire Dragon, take us to a place with few people!” Feng Da patted Fire Dragon’s back after everyone gathered in the yard.

“Okay, Master.” Fire Dragon nodded his huge dragon head in the air. After everyone sat on him, he flapped his giant wings and rushed into the sky to find a safe place.

...

At this moment, Leng Qingtian and the others were still waiting anxiously in the Heaven and Earth Bracelet.

“No, I have to go in and take a look.” Leng Qingtian really couldn’t wait any longer after half a month.

“Grandpa, Big Sister is out.” Qing Jue pulled Leng Qingtian’s arm.

“Really?” Leng Qingtian looked at the purple bamboo house uncertainly. Sure enough, he saw his precious granddaughter walk out from it.

“Xue’er.” Leng Qingtian hurried forward, his face full of concern.

“Grandpa, I’m sorry for making you worry,” Leng Ruoxue said guiltily. She knew that everyone around her was worried about her.

But she had already adjusted her mood.

“It’s okay as long as you’re willing to come out,” Leng Qingtian said excitedly. It seemed like his granddaughter had thought it through, so he was relieved.

“Old Man, Grandpa Lin, Big Brother, I’m sorry for making you worry,” Leng Ruoxue said apologetically while looking at them.

“Ruoxue, we are family. There’s no need to be so polite,” Lin Liang said quickly.

“Yes, Little Girl. I also consider you my family.” Old Man quickly made his intentions clear. In fact, there was still one thing he hadn’t said. In his heart, this girl was more important than his descendants now!

“Stop trying to steal my granddaughter!” Leng Qingtian roared with jealousy, his face full of displeasure.

Unfortunately, Lin Liang and Old Man completely ignored Leng Qingtian and surrounded Leng Ruoxue to ask about her well-being.

Looking at how they were reacting, Leng Ruoxue would be lying if she said she wasn’t touched.

Moreover, she knew that from this moment on, she also regarded Old Man and Grandpa Lin as family.

“Master,” Dazzle called out softly. Then he took the lead and threw himself into Leng Ruoxue’s arms while sobbing.

“What’s the matter, Dazzle? Why are you crying? Who bullied you?” Leng Ruoxue asked as she caressed Dazzle’s soft and fluffy fur.

“I thought that Master doesn’t want us anymore. Boohoo...” Dazzle said pitifully, his face full of grievance, tears wetting his shiny black fur.

“Silly, how could I not want you!” Leng Ruoxue said, not knowing whether to laugh or cry.

“Master.” Charm and the other beasts rushed into her arms as well.

Leng Ruoxue’s body and feet were surrounded by beasts. She hugged them, touched them, and looked at their pitiful appearance that seemed as though she had abandoned them. She was happy and amused.

“I’m sorry for making you worry,” Leng Ruoxue said sincerely. These cute beasts were also her family.

“Having a lot of beasts is good. How caring!” Old Man said with envy.

“Master, are we not caring enough?” Old Man’s beast, a snow-white ice bear, said with tears all over his face.

“Uh, yes, caring, you are also caring,” Old Man said with a face full of black lines. *When did my beasts learn to pretend to be pitiful? It’s really killing me! Alas! It’s all the fault of Little Girl’s beasts.*

“Haha, Old Man, that’s what you get for spouting nonsense. Your beasts must be jealous!” Lin Liang gloated.

“Brat Lin, how dare you laugh at me?” Old Man glared at him fiercely.

“Have you two shameless old men been replaced? Why are you bickering more and more now?” Leng Qingtian said helplessly.

“None of your business!” the two of them yelled at Leng Qingtian in unison.

“...”

“Stop arguing. Grandpa, what’s our next step? Do you have any plans?” Leng Ruoxue walked to their side helplessly.

“Not yet, but the continent is in chaos now. Many places have been occupied by the Spiritual Deities, and the Feng and Huo families have also suffered heavy losses,” Leng Qingtian explained.

Chapter 199: Reunion, Baby Awakens (2)

“They must have been looking for us, right?” Leng Ruoxue guessed. *Alas, I wonder how Big Brother Feng and the others are doing. Did they encounter any danger?*

“Yes, but none of us went out.”

“Grandpa, I want to look for Big Brother Feng first. I’m afraid they will be in danger,” Leng Ruoxue said after thinking for a while. Although Big Brother Feng and the others had two divine beasts, the enemy had almost ten Spiritual Deities. If they knew the relationship between Big Brother Feng and her, those people would definitely not let him and the others go, so she had to find him before them.

“Okay.” Leng Qingtian nodded in agreement. Feng Moran and Feng Da also had divine beasts. This way, their strength would increase a little.

“Then let’s leave this place!” Leng Ruoxue exited the Heaven and Earth Bracelet and released Quill.

“Quill, let’s go find Big Brother Feng and the others!” Leng Ruoxue said softly.

“Yes, Master.” Quill flapped his enormous wings, rose into the sky, and disappeared into the horizon.

...

After Leng Ruoxue and the others left the uninhabited valley, a young man came to the bottom of the valley shortly afterward. Along with him was a little mink almost the size of an adult’s fist.

The little mink was silvery-white and had no stray hair. Its watery blue eyes were like the sea, deep and enchanting.

"Is it here?" the young man asked the anxious little mink.

"Yes." The little mink nodded. This was the right place.

"Leng Ruoxue? Leng Ruoxue, where are you?" the young man shouted from the bottom of the valley, but no one responded.

"She's probably gone," the young man said helplessly to the little mink, but he was panicking in his heart. *?Boohoo... my little grandaunt, where did you go? I'm dead meat!*

"Where did she go?" the little mink asked anxiously, its eyes brimming with tears as a sense of loss welled up in its heart.

"Ah! Don't cry. We will find her. We will find her," the young man said anxiously. *?My master! A man can sweat but not shed tears!*

"It's all your fault. You're so useless," the little mink said angrily. His beautiful blue eyes were even bluer, and they were burning with raging flames.

"Master, you can't blame me for this! I've been looking for her with all my might. It wasn't easy to find a place where you could stay temporarily," the young man said aggrievedly. Alas, the weather in June changed so quickly. His life was really miserable!

"After searching for so long, you only found this place, and you still have the cheek to say that!" It would have been better if the young man didn't quibble. The little mink turned hostile immediately. *?Hmph! If it wasn't because I need to rely on him to find her, I really want to use my sharp little claws to scratch his face.*

"Master, this subordinate has tried my best." The young man felt even more wronged than Dou E[1]. It wasn't that he couldn't find her but that his master's... was too special, alright!

"Cut the crap. Hurry up and bring me to her," the little mink roared with displeasure. He raised his little head arrogantly and didn't even look at the young man.

"Got it." The young man left the valley with the little mink.

...

At this time, Leng Ruoxue had been flying in the sky for two days. She had searched every corner of the Eastern Lagoon Empire but didn't find any trace of Feng Moran and the others.

Then Leng Ruoxue flew toward the Southern Dusk Empire.

"Master, there are people fighting not far below," Quill said after scanning a radius of ten thousand meters.

"Oh, do we know them?" Leng Ruoxue asked lightly. If she knew them, she would help. If she didn't, she couldn't be bothered. After all, finding Big Brother Feng and the others was more important.

"Yes, there are people from the Hurricane Mercenary Group among them," Quill explained.

"Then let's go!"

After receiving Leng Ruoxue's order, Quill slowly folded his wings and descended.

When they saw a giant eagle descending, both parties stopped fighting simultaneously.

"Haha, I have good luck with women today. Such a beautiful girl actually came knocking on my door," a somewhat wretched-looking middle-aged man said with a lewd smile after seeing Leng Ruoxue get off the giant eagle. His eyes looked at Leng Ruoxue lecherously, almost drooling.

"Miss, quickly leave this place. They're not good people," a handsome middle-aged uncle hurriedly shouted to Leng Ruoxue.

Leng Ruoxue looked at the attitudes of the two parties toward her indifferently and couldn't help sneering in her heart*. How can I leave this place? There's a Spiritual Deity here.*

"Yes, Miss. Leave quickly," another middle-aged man with a righteous look said.

"If I leave, you will all be dead," Leng Ruoxue said softly. If she guessed correctly, these two middle-aged men should be the leaders of the two largest mercenary groups, the Hurricane Mercenary Group and the Universe Mercenary Group.

"Miss..." The two middle-aged men were a little speechless. It seemed like this young lady was here to help them, but...

"Haha, even if you don't leave, they're dead for sure. Moreover, since you're here, don't even think about leaving." The wretched-looking middle-aged man laughed hysterically, as though he was listening to a joke.

"Really?" Leng Ruoxue said indifferently with a face full of disdain.

"Quill, I'll leave the Spiritual Deity over there to you."

"Master, don't worry. He won't be able to run away," Quill said confidently.

"Master, I want to fight too." The violent Dazzle transmitted his desire, unwilling to be left out.

"Okay, all of you come out!" Leng Ruoxue let out all her beasts, including the thousands of silver wolves, but not her grandfather and the others.

"Ah! Oh my god!" Both parties on the scene were dumbfounded when they saw the lineup of spirit beasts.

"Little Girl, isn't this too exaggerated?" Old Man in the bracelet couldn't help saying. There were several black lines on his forehead, and his little heart was thumping non-stop from fright!

"I think it's pretty good." Leng Qingtian smiled happily, his face full of pride.

"Tch!" Lin Liang and Old Man looked at Leng Qingtian disdainfully and fell silent.

Outside the bracelet...

Chapter 200: Reunion, Baby Awakens (3)

“B-Big Bro, what should we do?” The lecherous man and his group were so scared that their legs were a little weak. All of them looked at each other’s pale faces in panic.

“W-what are you afraid of? We have the great Spiritual Deity here.” The wretched man forced himself to be calm, but his voice and legs were trembling.

“Grandpa Spiritual Deity, save us!” The people hurriedly hid behind the composed Spiritual Deity to seek his protection.

“Useless things, how can a few spirit beasts scare you like this!” the Spiritual Deity said with a face full of disappointment. Hmph, he wouldn’t care even if there were more holy beasts since there wasn’t a divine beast.

“Someone is looking down on you. Get him together!” Leng Ruoxue smiled at her beasts.

“Yes, Master,” the beasts replied and swarmed forward, especially the silver wolves, who charged straight at the Spiritual Deity.

How dare you look down on our great silver wolf tribe! Hmph! I’ll let you have a taste of our power, the silver wolf king thought.

Under the lead of Silver Wings, the silver wolf king, the silver wolves began to gang up on the Spiritual Deity. They directly used their most primitive attacks, biting and scratching, but not any spiritual skills. As for the Spiritual Deity, he was entangled by the silver wolves and didn’t have the chance to attack before he was bitten to death. The others didn’t end well either.

The people on the two middle-aged men’s side looked at this unbelievable scene with their mouths agape. No one could say anything. *T-this is too formidable!*

“Hmph! Let’s see who still dares to look down on our silver wolf tribe!” Silver Wings said arrogantly. Today, he could finally hold his head high. After all, his master’s beasts were too strong, so their silver wolf tribe had always been useless. *Boohoo... there’s no place for heroic wolves!*

“Well done.” Leng Ruoxue was speechless. *Silver Wings, you are not ordinary animals!*

“Hehe, this is what we should do,” Silver Wings said, somewhat embarrassed.

“Miss, thank you for saving our lives.” The two middle-aged men immediately walked to Leng Ruoxue’s side after they returned to their senses.

“You’re welcome. I don’t save people casually,” Leng Ruoxue explained. If they weren’t from the Hurricane Mercenary Group, she really might not care.

“Miss, this is a token of our appreciation. Please don’t mind it.” One of the middle-aged men immediately realized what Leng Ruoxue meant and hurriedly took a ring off his finger to hand it to her.

“What does this mean?” Cold sweat dripped down Leng Ruoxue’s forehead. Was it what she was thinking?

"Miss saved us. We can't repay you, so this..." The middle-aged man was about to explain but was interrupted by Leng Ruoxue.

"I didn't save you for money. I'm friends with Big Brother Ju Ri," Leng Ruoxue explained helplessly.

"Ah! So you know my son. This is great," the middle-aged man said happily, but his heart was racing. *When did my foolish son meet such a strong lady?*

"Commander Ju, I have something to do, so I'll be taking my leave first. Be careful!" Leng Ruoxue brought all the beasts back into the Heaven and Earth Bracelet and prepared to leave.

"Wait. Miss, may I ask where you are going?" the middle-aged man stopped Leng Ruoxue and asked.

"I'm going to look for the Blazing Flame Mercenary Group," Leng Ruoxue explained.

"Miss, the Blazing Flame Mercenary Group seems to have appeared in the Northern Frost Empire some time ago. You might be able to find them there," the middle-aged man suggested.

"Alright. Thank you, Commander Ju."

"Quill, let's go to the Northern Frost Empire to look for them," Leng Ruoxue said to Quill.

"Yes, Master," Quill replied before taking to the air and quickly disappearing.

...

Upon reaching the Northern Frost Empire, Leng Ruoxue and Quill began a detailed search.

Three days later...

"Master, I think I see Feng Moran," Quill suddenly said.

"Where?" Leng Ruoxue hurriedly asked. They had searched for several days, but Big Brother Feng and the others seemed to have disappeared into thin air.

"About a thousand meters to the left."

"Quill, fly over."

"Who is it? Come out!" Feng Moran, who was walking on the ground, suddenly shouted and kept looking around.

"Big Brother Feng, don't be nervous. It's me!" Leng Ruoxue said, not knowing whether to laugh or cry. *Why is Big Brother Feng so paranoid?*

"Xue'er!" Feng Moran was excited to see Leng Ruoxue sitting on Quill's back.

"Big Brother Feng, are you all okay?" Leng Ruoxue asked with concern. *Alas, looking at Big Brother Feng's slightly haggard face, the pressure shouldn't be small recently!*

"We're all fine. But Feng Da..." Feng Moran hesitated, not knowing what to say.

"What happened to Feng Da?" Leng Ruoxue was puzzled. Feng Da had a fire dragon, so nothing should happen to him.

“Feng Da was captured by the Dragon clan,” Feng Moran explained.

“The Dragon clan? Is it because of his contract with Fire Dragon?” Leng Ruoxue asked in realization. During the contract, her grandfather had said that the dragons were not to be trifled with, but she didn’t take it seriously at that time. She didn’t expect Feng Da to be implicated. *Alas! It’s all my fault.*

Feng Moran nodded. If they hadn’t encountered an enemy that day, and Feng Da hadn’t used Fire Dragon, the dragons wouldn’t have discovered them...

“Big Brother Feng, don’t worry. I will save Feng Da unscathed,” Leng Ruoxue promised. *Hmph! If those dragons dared to hurt Feng Da, I will destroy their nest and make them all homeless dragons!*

“Xue’er, I’ll bring you to where we’re staying!” Feng Moran nodded. Xue’er was their backbone. There was nothing to worry about after he saw her.

“Okay. Big Brother Feng, come up.” Leng Ruoxue beckoned Feng Moran, and they sat on Quill’s back together. Quill flew over according to the address Feng Moran gave.

After arriving at the residence Feng Moran spoke of, Quill descended in the courtyard.
