

Crazy Wife 501

Chapter 501: The Next Unlucky One (5)

“Yes.” The head butler turned to call for help while the second butler carefully stayed by Leng Ruoxue’s side to wait on her!

“Second Butler, are you afraid of me?” Leng Ruoxue couldn’t help teasing the nervous Second Butler.

“N-No!” the Second Butler said with a slight tremble. Boohoo... Why was the pressure on him getting stronger? He didn’t dare to look directly at Leng Ruoxue now!

“Second Butler, wait aside first! We’ll call you if there’s anything,” the freak said coldly. He was very displeased with the Second Butler’s shy reaction, so he was jealous again!

“Pfft!” The freak’s reaction made Leng Ruoxue couldn’t help but chuckle. Hehe, why was the freak so cute!

“How dare you laugh at me!” The freak rolled his eyes at Leng Ruoxue and said with slight displeasure. Boohoo... Xue’er was also a disaster!

“Hehe!” Leng Ruoxue smiled even more happily. She even stole a kiss on his lips while the freak was not paying attention!

“Xue’er!” The freak’s obsidian-like bright eyes burned with care and passion as he stared at Xue’er affectionately!

Leng Ruoxue also looked back at the freak lovingly...

“Ahem!” The head butler, who had been back for a while, coughed awkwardly. Then he hurriedly lowered his head, not daring to look at Leng Ruoxue and the freak.

The people behind him also turned their heads tacitly, trying to minimize their presence...

“You’re here. Find a place to sit!” Leng Ruoxue ended her affectionate gaze with the freak and looked at everyone awkwardly.

“Yes, Miss,” everyone answered. Some of them had already seen Leng Ruoxue once, and some were seeing Leng Ruoxue for the first time. However, on the way here, the Head butler had already told them about the situation of the young miss and wanted them to be mentally prepared. However, they were still stunned when they first saw the beauty of Leng Ruoxue and the freak because these two were not ordinarily beautiful! They were basically ten-thousand-year-old demons!

“Cheng Wu, tell me about the situation in Myriad Mountain City!” Leng Ruoxue’s beautiful eyes gently swept over everyone and said. She had heard from the main butler that she wanted to hear what others thought of Myriad Mountain City now.

“Miss, please take a look. This is the map of Myriad Mountain City!” Cheng Wu composed himself, stood up, and took out a slightly yellowed beast skin scroll from his ring, placing it on the stone table in front of Leng Ruoxue and the freak.

“Oh!” Leng Ruoxue looked at the map and answered lightly.

“Miss, Myriad Mountain City is actually divided into the inner and outer cities. The relatively safe place when you just enter Myriad Mountain City is called the inner city by us. That place has always been occupied by the five major forces. At the same time, that place is also the most prosperous place in the business circulation of Ten Thousand Mountain City. If we want to transact, we have to enter the inner city. Moreover, the price of selling things to the five major forces has been forced downwards.”

“The sphere of influence we are currently in is called the outer city. Not only are there few resources here, but the number of people here is several times that of the inner city, so life is relatively difficult. Therefore, many forces have to rely on the five major forces because of life.” Cheng Wu explained.

“But I heard that many Mystic Supremacies also live in the outer city, right?” Leng Ruoxue asked casually.

“Yes, Miss. The Mystic Supremacies are very powerful. The five major factions would not dare to provoke them unless they were absolutely confident. Moreover, generally, all Mystic Supremacies are loners. They rarely establish factions. Moreover, the Mystic Supremacies are very rich, so they naturally won’t have any burden. However, we are different. Many people brought their families to Myriad Mountain City for an adventure. Comparatively, life is even more difficult. Uh! The situation of the factions with fewer people can still be better,” Cheng Wu said.

“Why can’t we transact in the outer city?” Leng Ruoxue asked in puzzlement.

“Because the five major factions don’t allow it, they want to firmly grasp the business of Myriad Mountain City in their hands, so they will immediately kill anyone mercilessly as soon as they discover that someone is conducting transactions in the outer city! No one will dare to transact in the outer city after a long time!” Cheng Wu said very patiently. His situation was relatively good among all the factions, mainly because he didn’t have many subordinates. If he took in everyone he saw like Wang Long, then he would probably not be able to eat anymore!

“Oh, is there anyone else you want to add?” Leng Ruoxue looked at everyone.

“Miss, beautiful women are very unsafe in Myriad Mountain City,” a young man added.

“Anything else?” Leng Ruoxue continued to ask. Alas! A woman with low strength but stunning beauty would probably not be safe anywhere!

“Miss, there are many rules in Myriad Mountain City. Moreover, many are set by the five great factions. Moreover, they order us to follow them!” another person said.

“What rules? Give me an example!” Leng Ruoxue asked curiously. She had never heard of the Myriad Mountain City having its own rules. However, these rules seemed to have been passed down for many years and not set by a particular faction.

“For example, the rules state that we have to pay head tax every year. This is very stressful for the factions with a large number of people!” the person continued. It was because of this that many factions later on didn’t dare to casually take in people unless they were true experts!

“What does this have to do with them? The Myriad Mountain City doesn’t belong to just anyone!” Leng Ruoxue frowned and said speechlessly. Did these five factions treat themselves as the masters of a city? They had to pay a head tax!

“The strong are respected in Myriad Mountain City. Whoever has the biggest fist is the one who decides!” the person said. These were the words that the five major factions often said.

“Oh!” Leng Ruoxue answered lightly and lowered her head in thought.

“Miss, what should we do next?” Cheng Wu couldn’t help asking anxiously when he saw that everyone was almost done talking.

“Tell me, how determined are you to change this situation?” Leng Ruoxue looked up at everyone after a while.

“As long as Miss leads us, we will definitely be able to defeat the five great factions and build a new Myriad Mountain City!” Cheng Wu said with high fighting spirit.

Chapter 502: The Next Unlucky One (6)

In fact, for many years, there had always been people who wanted to replace the five major factions and change the current situation in Myriad Mountain City, but they had not succeeded. That was mainly because no one had Leng Ruoxue’s extravagance and boldness. Otherwise, if they had united early and not governed by themselves, Myriad Mountain City would probably not be what it was now! Unfortunately, they were not united in the past, and no one had Leng Ruoxue’s cohesion and determination!

However, Cheng Wu was absolutely unwilling to let go of such an opportunity now! Moreover, it could be said that all of them had never been so united!

“You have to remember that I’m just a passerby in Myriad Mountain City. I won’t stay here forever, so what you’re doing isn’t for me, but for yourselves, and even for your descendants!” Leng Ruoxue’s beautiful eyes looked around at everyone and reminded them.

“Yes, Miss. We know,” Cheng Wu and the others said hurriedly. The head butler had told them this a long time ago, and they knew that this was a very rare opportunity to change their fate!

“Very good. Which of you will introduce me to the five major factions?” Leng Ruoxue said.

“Miss, the five major forces are mainly the forces of the Yue family, the Ni family, the Zhao family, the Fang family, and the Yu family. Among them, the Yue family is the strongest and is the leader of the five major forces. The Yu family is the weakest, and the other three families are not too different in strength,” Cheng Wu said after some thought.

“What’s the relationship between the five families?” Leng Ruoxue continued asking.

“The five great factions might not seem to have a good relationship on the surface, but once something happens, the five families will immediately form an alliance to face the enemy together,” Cheng Wu continued.

“Oh!” Leng Ruoxue nodded thoughtfully and chose her first target after some thought. The Yue family!

“I’ve decided to deal with the Yue family first,” Leng Ruoxue said calmly.

“Uh!” Half of the people fell from their seats to the ground when Leng Ruoxue spoke. Moreover, almost everyone looked at her in disbelief!

“Your expressions are so strange!” Leng Ruoxue smiled spuriously and said knowingly to the consultant, Alas! She just said that she wanted to deal with the Yue family. Did they have to react like this?

“Miss, the Yue family is the strongest of the five major forces!” Cheng Wu couldn’t help reminding as he wiped the cold sweat off his forehead.

“I know! Haven’t you heard of a saying, ‘To capture bandits, first capture the leader’? That’s why I want to deal with the Yue family!” Leng Ruoxue said with a light smile. Hehe, actually, she obviously didn’t want to deal with the Yue family because of this, but...

“Miss, the Yue family is very difficult to deal with. Moreover, they have Mystic Supremacy as their guardian!” Cheng Wu quickly explained.

“Oh, it’s okay. I won’t fight them head-on!” Leng Ruoxue said with a light smile. She was not stupid, so she naturally would not take the initiative to provoke Mystic Supremacy. At most, she would just make use of him!

“Miss, what exactly do you want?” Cheng Wu asked in puzzlement, two drops of cold sweat dripping down his forehead.

“Heaven’s secrets cannot be revealed. You will know when the time comes.” Leng Ruoxue smiled mysteriously and kept them in suspense!

“Miss, what should we do?” Cheng Wu asked after some thought.

“You... We’ll talk about it when the time comes!” Leng Ruoxue said with a naughty smile. Hehe, even though she had a rough outline of the plan, she still had to discuss the details with her grandfather and the others. Moreover, she still lacked the critical trump card in the plan!

“Uh, yes!” Everyone revealed puzzled expressions and couldn’t help thinking in their hearts. Could it be that Miss didn’t have any plans at all?

“Leave if there’s nothing else! I would like to rest!” Leng Ruoxue began to chase them away!

“Yes, Miss!” Two drops of cold sweat dripped down everyone’s foreheads as they thought, ‘It’s not dark yet, and we’re going to rest?’ However, they still obediently exited the back mountain!

After they left, Leng Ruoxue moved her grandfather and the others out!

“Xue’er, what’s your next plan?” Leng Qingtian asked impatiently after finding a place to sit down.

“Grandpa, there are very few women in Myriad Mountain City, right? Especially beautiful women?” Leng Ruoxue asked.

“Uh! Probably. But Xue’er, what does this have to do with your plan?” Leng Qingtian was confused. What did Xue’er mean?

“Hehe, Lass, don’t tell me you want to try a honey trap? Five birds with one stone!” Old Man Zao smiled wretchedly.

“I want to! But the beauty that can make the five factions compete for her is nowhere to be found!” Leng Ruoxue sighed softly and said with slight helplessness. Beauty traps were the best at all times and places. Unfortunately, where was the beauty?

In fact, after hearing what Cheng Wu said, she had doubts about the relationship between the five major forces. The five major forces might not seem to have a good relationship usually, but they could always be united at critical moments. This could only mean one thing, and that was that the discord between the five major forces was only for show, for outsiders to see. In fact, the relationship between the five major forces was far from what outsiders thought. What she needed to do most now was to destroy the unity within them. Only then would she have a chance!

“Who said not? Isn’t there one in front of us?” Old Man Zao looked at Leng Ruoxue and smiled evilly. Hehe, if this girl was willing to help, any man would be easy to capture!

“No!” Before Leng Ruoxue could say anything, the freak stood up murderously and glared at the disheveled old man who came up with the rotten idea while roaring furiously.

“Uh! Little Chen Chen! Calm down. This is just a scheme. We won’t really let her seduce another man!” Old Man Zao quickly coaxed. Boohoo... How could he have forgotten about this jealous lover! It’s over now. Little Chen Chen will definitely bear a grudge!

“That won’t do either!” the freak roared angrily. He couldn’t even bear to think about it, let alone really going. How could Xue’er’s beauty be appreciated by other men!

“What’s the rush? I don’t intend to be that femme fatale!” Leng Ruoxue comforted helplessly.

“Really? Don’t lie to me!” the freak reminded worriedly, his obsidian-like eyes full of anticipation!

Chapter 503: Fishing A Small Fish (1)

“I’m not lying to you!” Leng Ruoxue promised like she was coaxing a child. Alas! She really hadn’t thought of herself as the beauty in the plan. Uh! To be precise, she was not suitable.

“That’s good.” The freak was relieved to hear Xue’er’s promise!

“Lass! Apart from you, we don’t have any extra women here now!” Old Man Zao reminded her. The women in the village were not good! They were not good-looking enough!

“Who said so? Isn’t Big Sister Ling’er a woman?” Leng Ruoxue smiled evilly and moved Feng Ling’er out of the bracelet!

“Damn Old Man Zao, have you never treated me as a woman?” Feng Ling’er immediately placed her little wings on her waist and roared at Old Man Zao fiercely as soon as she emerged!

“Uh!” Old Man Zao was speechless as he looked at the fierce little red bird in front of him. In fact, he had indeed never treated Feng Ling’er as a woman! That was because Feng Ling’er had always been a bird in his heart!

“Hmph! You’ve nothing to say now eh!” Feng Ling’er continued to roar furiously.

“Big Sister Ling’er, stop messing with him. We’re discussing serious business!” Leng Ruoxue said helplessly.

“Okay!” Feng Ling’er replied and flew onto Leng Ruoxue’s shoulder!

“Lass, don’t tell me you really intend to use Lass Ling’er?” Old Man Zao looked at Feng Ling’er and asked in disbelief. Lass Ling’er was too fierce. If he were to be the female lead in the honey trap, the man would probably be scared away!

“Sister Ruoxue, I can’t. My partner will be jealous,” Feng Ling’er said with a sad face.

“Don’t worry, I don’t intend to use you to carry out this plan.” Cold sweat dripped down Leng Ruoxue’s forehead. Uh! Beasts could transform into human form, but they were not real humans after all. And with the beasts’ understanding of humans, they would probably be exposed before the mission was completed!

“Then who do you intend to use? The beasts in the space are not suitable. They are too pure!” Feng Ling’er racked her brains but couldn’t think of anyone suitable to carry out this plan!

“Someone is very suitable!” Leng Ruoxue said with a naughty smile, her beautiful eyes flashing with a scheming expression!

“Who?” everyone asked in unison. Moreover, the word ‘curious’ was written all over their faces!

“Empty!” Like a clap of thunder, Leng Ruoxue’s words stunned everyone. Old Man Zao even fell to the ground exaggeratedly!

“Lass, wh-who are you talking about?” Old Man Zao got up from the ground and rubbed his arm that was hurting from the fall. He widened his eyes and asked uncertainly, Uh! Did he hear it wrong? Did Lass say ‘Empty’? ‘Empty’ was obviously a man? How could he carry out a honey trap!

“Empty! I don’t think there’s anyone more suitable than him!” Leng Ruoxue said with a smile.

“Xue’er, he won’t agree,” Leng Qingtian said in realization. How could such a noble man be willing to pretend to be a woman!

“I’ll think of a way to convince him,” Leng Ruoxue said confidently.

“Uh! Then I wish you success!” Old Man Zao said sympathetically. Alas! Wouldn’t he be driven mad if he knew that she wanted him to act as a woman? Perhaps Empty knows already!

“Wait for my good news! Freak, let’s go find Empty.” Leng Ruoxue stood up and said to the freak.

“Okay.” The freak was very cooperative. Hehe, as long as it wasn’t him pretending to be a woman!

With a thought, Leng Ruoxue and the freak disappeared into thin air!

In the bracelet.

Leng Ruoxue, the freak, and Empty sat on a stone bench in the garden, staring at each other. No one spoke first!

“Empty, I have a plan that I need your help with!” Leng Ruoxue said after a long silence. She did not seal off the communication between the bracelet and the outside world when she was discussing the plan with her grandfather and the others in the yard just now, so she believed that he should have known about it long ago. However, he pretended to be stupid in front of her! How evil!

“Nothing else would be a problem as long as you don’t want me to pretend to be a woman!” He tried to shut Leng Ruoxue up before she could speak!

“I do want you to pretend to be a woman!” Leng Ruoxue said with a smile.

“No!” Empty spat out!

“You have to do it even if you can’t. It has to be you no matter what!” Leng Ruoxue said domineeringly. Hehe, he would definitely be a drop-dead gorgeous beauty if he dressed up as a woman! She was really looking forward to it!

“Do you want to do it forcefully?” Empty pouted aggrievedly.

“Yes, so you better be sensible and agree to my request. Otherwise, don’t blame me for being too rough!” Leng Ruoxue threatened with a smile!

“Little Chen Chen, your woman is threatening me!” Empty turned his gaze to Ye Chen and complained with slight displeasure.

“Indulge her then! It won’t cost you anything!” The freak naturally stood on his wife’s side and advised.

“No, I don’t want others to see me.” Empty swore that he would not yield. Boohoo... This was too embarrassing!

“Empty, you’re an adult now. You can’t be so shy all the time. It’s time to go out and meet people!” Leng Ruoxue suppressed her smile and said earnestly.

“I don’t want to. I think my current status is good. Anyway, I don’t want so many people to see me!” Empty said resolutely.

“Don’t worry, no one will know that it’s you. Everyone will only think that you are a woman!” Leng Ruoxue promised.

“I don’t want to be a woman!” Empty objected resolutely.

“No, no one wants you to be a woman. This is only part of the plan. It’s only temporary,” Leng Ruoxue coaxed.

“Then... how long will it take?” Empty asked very reluctantly. Boohoo... Icy and him have been eating and staying for free. In fact, he was a little embarrassed and wanted to do more for them. However, did he really have to sacrifice his male body!

“That will depend on whether the plan goes smoothly. However, it shouldn’t take long. Moreover, the freak and I will be by your side, so don’t worry, no one will take advantage of you,” Leng Ruoxue said after some thought.

“That’s not what I’m worried about!” Empty roared furiously. Hmph! No one had dared to take advantage of him yet! He just... just couldn’t accept being a woman acting coquettishly to a man!

Chapter 504: Fishing A Small Fish (2)

“Then what are you worried about?” Leng Ruoxue was puzzled.

“Xue’er, why do you insist on me pretending to be a woman?” Empty asked helplessly. Boohoo... There were ready-made women whom she was not going to use but would rather have him impose instead!

“You’re very beautiful!” Leng Ruoxue looked Empty up and down and couldn’t help but exclaim!

“He’s also very beautiful. Why don’t you let him pretend to be a woman!” Empty asked with slight dissatisfaction as he pointed at the freak. Hmph! This man was more coquettish than him. He was definitely better at pretending to be a woman than him!

“Not him!” Leng Ruoxue’s forehead was full of black lines. Uh! If she let the freak pretend to be a woman, those men would probably see God before they even got close!

“Why not? I think he’s very suitable!” Empty looked at the freak carefully. Well, the more he looked, the more satisfied he was!

“His figure, temperament, and temper are all not good. You are the most suitable!” Leng Ruoxue said with certainty. It was because he was an energy body and had always been injured, so his figure now was not as strong as that of a normal man. Instead, he looked a little weak. He was slightly taller than ordinary women, but just this weak body that seemed to collapse with a gust of wind was enough to arouse the protection of any man!

Moreover, after this period of cultivation, Wu’s current body was basically solidified, and he didn’t need to float around like a ghost anymore. Which man could refuse a pale and slightly sickly beautiful appearance coupled with this small body!

“Alas!” Empty looked at the freak and then at himself. Then he sighed helplessly. It seemed like it was true!

“Empty, you have to believe in my taste. No one is more suitable than you!” Leng Ruoxue said with a light smile. Hehe, what she wanted was a sickly beauty!

“Alas! Alright then!” Empty nodded slightly and agreed helplessly. Boohoo... Who asked him to live under someone else’s roof!

“Haha, let’s begin our new plan tomorrow!” Leng Ruoxue said happily seeing that her goal had been achieved.

After settling everything, Leng Ruoxue discussed her plan with her grandfather and the others. Then she summoned the main butler and Cheng Wu, gave them some instructions, and the plan officially began...

On a certain evening, two women and a man appeared on the streets of Myriad Mountain City. The woman in the lead had a drop dead gorgeous face, but her face was a little pale as if she had yet to recover from a serious illness. The two servants beside her were extremely ugly!

“Miss, we just entered the city and are unfamiliar with the road. Why don’t we find a better inn to stay in first!” the ugly maidservant said loudly, immediately attracting the attention of many pedestrians.

“Ruo’er, what have I been teaching you? Girls shouldn’t speak so loudly. Otherwise, you won’t be able to marry in the future.” The stunning woman sighed and said earnestly.

“It’s okay. I’ll marry a man then. It’s the same!” the ugly maidservant said nonchalantly.

“Alas! That’s good too. I’ll keep an eye out for you when I have the chance!” The stunning woman covered her pink lips with her jade-like hands and said helplessly.

“Thank you, Miss!” The maidservant thanked her happily!

“Miss, shouldn’t we find a inn?” The male attendant beside her gritted his teeth while suppressing his anger.

“Uh! Yes! Alas! My memory hasn’t been good recently, and I can’t remember people and things I’ve seen. It’s all thanks to you guys by my side!” The stunning woman pursed her lips and smiled. That was really a smile that could overthrow cities and topple countries. The pedestrians around them had long been charmed by that beautiful smile that even the heaven and earth paled in comparison...

Moreover, a growing audience watched them, and almost everyone’s expressions were the same, amazement and disbelief!

“Miss, why are they surrounding us?” the maidservant asked in puzzlement.

“I don’t know. Let’s find a inn quickly. It’s going to be dark soon,” the stunning woman said calmly.

“Miss, do you want to stay in the inn? Come to our Ni family’s inn!” The waiter from the Ni family’s inn said with amazement on his face. Moreover, he secretly decided that he had to keep this beauty in his shop no matter what!

“Miss, you can’t stay in the Ni family’s inn. That’s a black inn. Of course, you have to stay in our Zhao family’s inn.” At this moment, the waiter from the Zhao family’s inn also said, unwilling to be outdone. Hmph! It would be good to see such a great beauty every day even if you couldn’t have her!

“Damn it, your Zhao family runs a black shop! The things sold inside are so expensive. Miss, you mustn’t be fooled!” the Ni family’s waiter retaliated, and the two of them began to tear down each other!

“Miss, which house should we live in? I think these two families aren’t that great!” the maidservant said very displeased.

“Erm... I’m not sure either!” The absolutely beautiful woman frowned slightly, her beautiful face full of distress.

“Haha, since you can’t make up your mind, Miss, of course you won’t stay with either of them. Come and stay in our Yue family’s inn!” At this moment, a young man’s voice sounded from the crowd. Immediately after, the man pushed through the crowd and came in front of the master and servants.

“You are...” The absolutely beautiful woman revealed a puzzled expression as she sized up the man in front of her. She saw that the man was around 30 years old. He was tall, had handsome features, and

had an extraordinary bearing. Strength! He might only be a Mystic Monarch, but the domineering aura of a superior was undoubtedly revealed. The arguing waiter immediately fell silent after he stood there!

"I am Yue Qun. May I know your name, Miss?" Yue Qun said very politely.

"Pfft!" The ugly maidservant couldn't help but chuckle when she heard the man announce his identity!

"Ruo'er, what are you laughing about? How rude!" The stunning woman pretended to be displeased as she glared at her maidservant. Then she looked at Yue Qun apologetically and said, "I'm sorry, Young Master Yue. My maidservant doesn't know the rules. Please don't take it to heart!"

"No, no. May I know Miss's name?" How could Yue Qun be in the mood to bicker with a maidservant! His mind was full of this great beauty in front of him!

Chapter 505: Fishing A Small Fish (3)

"Leng Wuxin," the stunning woman said lightly.

"Leng Wuxin, what a good name. Uh! Miss Leng is from the Leng family..." Yue Qun deliberately said half a sentence and left the rest to Leng Wuxin to continue!

"Don't mention the Leng family to me. Alas! A body like mine really isn't worthy..." Leng Wuxin said with slight sadness. Tears welled up in his beautiful eyes, making Yue Qun's heartache.

"Hehe, every family has its difficulties. I understand. I won't ask Miss Leng about sad things in the future!" Yue Qun said very understandingly. However, he had long determined in his heart that this Leng Wuxin was the young lady of the Leng family. He reckoned that she was not valued in the Leng family because of her poor health.

"Thank you for your understanding, Young Master Yue." Leng Wuxin smiled lightly.

"Of course." Yue Qun composed himself and said quickly. He had been captured by Leng Wuxin's beautiful smile.

"Miss, we haven't found our inn yet!" the maidservant suddenly reminded.

"Uh! Yes!" Leng Wuxin became distressed again and frowned. Yue Qun's heart clenched when she frowned slightly!

"It's a small matter. I told you, Miss Leng can stay in our Yue family's inn. Did you forget so quickly?" Yue Qun said with slight dissatisfaction.

"That's too troublesome! How can I do that?" Leng Wuxin's cheeks were slightly red as he said shyly.

"How can it be troublesome? My family runs an inn, and you are a guest, how can it be troublesome?" Yue Qun said hurriedly.

"Then I won't refuse." Leng Wuxin smiled lightly.

"Miss, please follow me." After speaking, Yue Qun led Leng Wuxin and her two servants straight to their own inn and very eagerly helped them book a room. He finally left reluctantly, looking back every three steps!

In the guest room...

Leng Wuxin lay on the soft bed, panting heavily!

"Empty, pay attention to your image as the eldest young lady. Yue Qun will come at any time," the ugly maidservant, Leng Ruoxue, said impatiently.

Ever since the plan began, Leng Ruoxue left Myriad Mountain City undercover. Then she deliberately found an evening with a lot of passersby and walked back in with the freak and Empty. In fact, she deliberately spoke loudly on the streets just now to attract the attention of others. Now, it seemed that the effect was good. At least, the fish took the bait smoothly!

"So what? I still have to sleep and fart!" Empty said nonchalantly. He was already very depressed being dressed as a woman. Couldn't he be more at ease when there was no one around? Boohoo... Was it too late to regret now?

"Xue'er, let him do whatever he wants!" the freak said sympathetically. Fortunately, he didn't have to pretend to be a woman. Otherwise, he would have to bang his head against the wall in frustration.

"Alright!" Leng Ruoxue said helplessly. Alas! She also knew that there were great sacrifices for the sake of the plan, but there was nothing she could do!

"Xue'er, send me into the space. I'm not used to sleeping here," Empty said. He found that lying on the soft bed was not comfortable at all!

"Okay," Leng Ruoxue answered and sent Empty into the bracelet.

"Xue'er, what should we do?" Without the third wheel, the freak gently pulled Leng Ruoxue into his arms. His face was full of anticipation, and his black starry eyes began to glow again!

"Stop. Freak, don't look at me like this now. I'll vomit," Leng Ruoxue said, a little unbearable. Oh my god, it was really too terrifying!

"Xue'er, you despise me again! Boohoo... I didn't even despise you!" the freak said aggrievedly.

"Uh! I don't despise you. It's just that your current appearance is really not suitable to make such an enchanting expression. It's too horrifying!" Leng Ruoxue felt her hair stand on end.

"Hehe, what expression should I be wearing now?" the freak teased with a chuckle.

"An expression like..." Before Leng Ruoxue could finish speaking, there was a knock on the door.

"Who is it?" the freak asked angrily with some dissatisfaction.

"I... I'm a waiter from the inn. Our young master asked me to deliver some food to Miss Leng," the waiter outside the door replied fearfully.

"Oh, just leave it here." The freak opened the door impatiently and pointed at a table not far away.

"Yes, erm... isn't Miss Leng around?" the waiter asked cautiously. Boohoo... Why was this man so fierce? He really didn't know how he had offended this ugly man!

“What? My young miss isn’t someone you can see just because you want to,” the freak glared and said irritably.

“No... No, my young master wants me to tell Miss Leng something.” The waiter was so scared that he was about to cry!

“It’s the same if you say it to me,” the freak said coldly with a light eyelid.

“Alright! Young Master said he will come and see Miss Leng tomorrow,” the waiter said helplessly and quickly disappeared after speaking!

“Tch, is there a need to specially pass on such a sentence?” the freak murmured to himself after closing the door.

“Freak, what are you muttering about?” Leng Ruoxue walked to the freak’s side and asked curiously.

“I’m talking about that Yue Qun! It’s really strange. He can come tomorrow if he wants, and specially got a waiter to pass the message!” the freak explained.

“Haha, this is to show that he values our young miss. It’s also a hint!” Leng Ruoxue said with a light smile and looked at the sumptuous food on the table. Hehe, looks like Yue Qun was quite sensible!

“A hint?” The freak didn’t understand. In fact, he really didn’t know much about how men chased after women.

“Yes, I think he will take the initiative to invite us to his house in a few days,” Leng Ruoxue guessed.

“Uh! No way! So fast?” The freak was a little skeptical.

“Not very fast. The entire Myriad Mountain City will know tomorrow that a stunning beauty came to the city. Rumor has it that she’s the young lady of the Leng family. Think about it, how many love rivals will this identity attract to Yue Qun? How can he not be afraid?” Leng Ruoxue analyzed.

Chapter 506: Fishing A Small Fish (4)

“Uh! That’s true!” the freak said after some thought.

“Freak, rest early today! It should be very lively tomorrow,” Leng Ruoxue said.

“Yes.” The freak nodded slightly.

The next day, as Leng Ruoxue had expected, many people came to ask to see Leng Wuxin. Leng Wuxin’s reputation became even more resounding after he chose to receive them...

On the third day...

The fourth day...

For several days, the Yue family’s inn was full. Moreover, Leng Wuxin could definitely be found wherever there were many people...

“Miss, wake up. Don’t scare me. Boohoo...” Suddenly, Leng Wuxin, who was surrounded in the crowd, fainted, and her maidservant cried out in fright!

In the main hall of the inn.

Yue Qun, who was blocked outside the crowd, pushed everyone aside anxiously. He stretched out his long arm and hugged Leng Wuxin, who had fainted on the ground, tightly. He was so excited that he couldn't find his bearings. Boohoo... His Xin'er smelled so good!

"Who are you?" Leng Wuxin, who had woken up slowly, asked in puzzlement, his beautiful little face full of confusion.

"Uh!" Yue Qun was stunned, and he thought to himself, 'What illness does Xin'er have? Why does she have such a poor memory? She often asks who he is!'

"Miss, you're finally awake!" the maidservant beside her said with a worried face, her eyes still brimming with tears!

"Ruo'er, where is this place?" Leng Wuxin's clear eyes were full of doubts and puzzlement as she asked softly.

"Miss, did you forget? We were in the Yue family's inn! There were too many people surrounding you just now, and you couldn't breathe properly, so you fainted," the maidservant explained.

"All of you, disperse. Xin'er isn't feeling well. Stop surrounding her," Yue Qun immediately ordered loudly.

How could the surrounding people dare to stay here after Young Master Yue spoke! They all ran away in the blink of an eye...

"Xin'er, it's okay. They won't dare to bother you anymore." Yue Qun looked at Leng Wuxin gently and said affectionately. Moreover, in order to improve his relationship with Leng Wuxin, he even directly called out the name in his heart.

"Who are you? Do I know you?" Leng Wuxin asked foolishly.

"Xin'er, I'm Yue Qun! You're my..." Yue Qun said anxiously, but he was interrupted before he could finish!

"Xin'er, he is the young master of the Yue family's inn!" Ni Fang, who had just entered the inn, happened to hear what Yue Qun wanted to say, so he spoke first.

"Oh, and who are you?" Leng Wuxin asked curiously.

"He's the young master of the Ni family's black shop, the black shop you encountered when you just entered the city!" Yue Qun provoked.

"Oh, I remember there was also a Zhao family's black shop! The waiters of those two shops even quarreled. How interesting," Leng Wuxin said happily.

"Hehe, yes!" Yue Qun echoed with a smile, but he was very displeased in his heart. Hmph! She remembered this clearly. She even remembered the two attendants, but she never remembered him. Fortunately, the others were not treated better than him, and this made him feel a little better.

"Xin'er, I'm Ni Fang. You have to remember me!" The refined Ni Fang introduced himself elegantly.

“How dare you call her Xin’er!” Yue Qun immediately exploded when he heard Ni Fang calling her that!

“If you can, why can’t I?” Ni Fang refused to be outdone.

“Xin’er!”

Just as Yue Qun and Ni Fang were about to start a fight, another voice sounded in the main hall of the inn! Immediately, the flames in their eyes shot toward the owner of the voice. If looks could kill, the owner of the voice would probably be riddled with holes!

What surprised them further was that Leng Wuxin dashed toward the man like a butterfly...

“Big Brother Ming!” Leng Wuxin called out happily and hugged the man’s arm affectionately.

“Crash!” Upon hearing the word ‘Big Brother Ming’, Yue Qun and Ni Fang’s hearts instantly shattered into several pieces, and the flames of anger in their hearts burned even more vigorously! Damn it, why did Xin’er remember him! At this moment, they had long been blinded by jealousy, and they wanted to chop Zhao Ming into pieces in their hearts!

“Xin’er, be careful. You’re weak and shouldn’t run!” Zhao Ming said worriedly. However, his eyes glanced provocatively at Yue Qun and Ni Fang!

“Haha, what a coincidence! Everyone is here today.” Two young men walked in from the outside as the three of them competed silently. One of them said with a smile.

“What are you doing here?” Zhao Ming looked at the two of them and said with slight displeasure.

“Can’t we come if you can?” another man said nonchalantly.

“Haha, of course you can. My family owns an inn, anyone can come!” Yue Qun said with a laugh, looking at Zhao Ming provocatively. Hmph! You don’t like them coming, so I insist on letting them come!

“Uh! You are...” Leng Wuxin’s beautiful face was full of question marks.

“Sister Xin’er, I’m Fang Yu,” the incomparably handsome Fang Yu said mentally prepared.

“I’m Big Brother Yu Tao!” the tall Yu Tao said helplessly.

“Oh, hello. Erm... Brother Ming wants to take me out to play. Let’s go together!” Leng Wuxin invited very warmly.

“Okay!” Everyone answered happily except for Zhao Ming, whose handsome face was black.

In this way, Leng Wuxin, her two servants, and five men with their own thoughts went on a trip together...

Their goal for this trip was naturally to climb the mountain!

The mountain that Zhao Ming brought them to was located in the Zhao family’s territory. The terrain was good, the environment was beautiful, and the air was fresh. It was one of the few beautiful sceneries in Myriad Mountain City!

Leng Wuxin finally climbed to the top of the mountain and sat down on the ground. He was drenched in sweat and panting. His originally pale face was now flushed, and he looked even more beautiful!

Chapter 507: A Gathering Of Men (1)

“Zhao Ming, what are you thinking? You obviously know that Xin’er’s health isn’t good, but you still brought her here to climb the mountain! Do you want to kill her?” Yue Qun stared at Leng Wuxin, who was becoming more and more alluring, unblinkingly, and was the first to speak awkwardly.

“That’s right. Look at how tired Xin’er is,” Ni Fang said with heartache, his face full of amazement!

“I don’t think you have any good intentions at all. Hmph! If we didn’t follow you, why did you bring Little Sister Xin’er here alone?” Fang Yu also had an expression that said, ‘You brat, don’t have good intentions.’

“Alas! Isn’t it obvious? Fortunately, we came along. Otherwise, Sister Xin’er would be in danger.” Yu Tao added oil to the fire!

“What are you talking about? I’m the one who wants to climb the mountain. It has nothing to do with Elder Brother Ming.” Leng Wuxin couldn’t help speaking up for Zhao Ming!

“Xin’er, you don’t have to speak up for him. We know his thoughts!” Yue Qun couldn’t help roaring with some jealousy when he saw Zhao Ming’s smug expression.

“I really wanted to come. Big Brother Qun, you might not know this, but Xin’er’s illness requires wild ginseng, so I wanted to come to the mountain to see if I could find it. If I could find something ten thousand years old by chance, then Xin’er’s illness would be saved!” Leng Wuxin explained faintly.

“Wild ginseng? A ten-thousand-year-old one?” The word ‘Big Brother Qun’ extinguished Yue Qun’s jealousy and even made him a little smug. However, he still didn’t miss out on the keyword in Leng Wuxin’s words!

“Must it take ten thousand years?” Fang Yu said awkwardly. Ten thousand-year-old wild ginseng was not easy to find now!

“Yu Tao, doesn’t your family have a pharmacy? Have you heard of any ten-thousand-year-old wild ginseng?” Zhao Ming asked thoughtfully. Ten-thousand-year-old wild ginseng? He seemed to have heard of it from someone. Where did it come from? Why couldn’t he remember?

“I... I don’t know either. I have to go home and ask,” Yu Tao stammered.

“Xin’er, don’t worry. All the herbs in our Myriad Mountain City are in the hands of the Yu family. He will definitely be able to find them with his help,” Yue Qun comforted with some heartache.

“Yes, thank you, Big Brother Yu.” Leng Wuxin smiled gently.

“You’re welcome,” Yu Tao said hurriedly, feeling even better. Hehe, Xin’er also called him Big Brother!

“Xin’er, you must be hungry, right? Eat something!” At this moment, Zhao Ming took out various utensils and food that he had long prepared from his ring and placed them in front of Leng Wuxin. He said with concern, Hmph! He couldn’t let Xin’er’s attention be attracted by others!

“Big Brother Ming, I’m sorry. I can’t eat the food outside. I can only eat the food made by my maidservant.” Leng Wuxin carefully looked at Zhao Ming and said shyly.

“But... don’t you have some dishes every day in the inn? These are your favorite!” Zhao Ming said in disbelief. He had spent a lot of money to find out Leng Wuxin’s preferences! He didn’t expect the news to be all wrong! He was so angry!

“That’s because Xin’er is afraid that others will know her strange illness, so she wants to hide it from others... Xin’er doesn’t want to be treated as a monster. Boohoo...” Leng Wuxin explained with a choked voice as he looked at the puzzled five men.

“How can Xin’er be a monster? Xin’er is so beautiful, don’t cry!” The five men hurriedly comforted her. Alas! The beauty’s crying broke their hearts!

“Xin’er has been weak since childhood, so all the food I’ve eaten since childhood was carefully prepared by my maidservant. Even the raw materials for the food were specially planted by my family for me. They were afraid that the things outside would be unclean, and eating them would be bad for my health,” Leng Wuxin explained.

“Ruo’er, where’s my food?” Leng Wuxin asked softly. She looked around for her maidservant after speaking.

“Miss, its here!” Leng Ruoxue, who was disguised as a maidservant, pushed away the five men surrounding Leng Wuxin and said.

“Ruo’er, my food!” Leng Wuxin said lightly.

“Yes.” Leng Ruoxue took out the food she had prepared beforehand from her ring helplessly and placed them in front of Leng Wuxin.

“Yes, yes, not bad.” Leng Wuxin looked at the food in front of him and nodded with satisfaction!

Yue Qun and the others were all speechless when they saw the food Leng Ruoxue took out. Heavens! This was too extravagant. Did Xin’er eat these every day? Alas! Ordinary men really couldn’t support her with this way of eating. Fortunately, they were not ordinary men! Moreover, such expensive food were rarely seen usually, they were even more sure of Leng Wuxin’s identity. Probably no family could support her except for the Leng family, which was a super family!

“Miss, enjoy. Ruo’er won’t disturb you anymore.” Leng Ruoxue retreated to a corner tactfully after speaking. The freak was naturally sitting in the corner waiting for her!

“Xue’er, you must be exhausted, right?” The freak hugged Leng Ruoxue and said with heartache. Hmph! Damn it, Empty actually used a strike to threaten Xue’er to cook so many dishes!

“I’m alright.” Leng Ruoxue leaned comfortably in the freak’s arms and said with a light smile.

“Xue’er, which of these men do you think is sincere?” the freak asked curiously as he looked at the five men not far away.

“None of them are sincere,” Leng Ruoxue said disdainfully. During this period of time, Qing Jue had been monitoring the situation of the five major forces, so there were almost no secrets that could be hidden from her! These men might look decent but they were actually nothing good!

“Uh!” The freak was speechless. Then why were they so concerned?

“Freak, according to this situation, our plan will succeed quickly.” Leng Ruoxue looked at the few people not far away and said with a light smile.

“Yes.” The freak nodded.

“Ruo’er, I’m tired. Let’s go back!” Leng Wuxin’s voice sounded again after a while.

“Yes, Miss,” Leng Ruoxue answered quickly and pulled the freak to his feet. The two of them walked in Leng Wuxin’s direction.

“Ruo’er! I’m so full that I can’t walk anymore. Why don’t you ask Little Yao to carry me down the mountain!” Empty, who was pretending to be Leng Wuxin, said with a chuckle.

Chapter 508: A Gathering Of Men (2)

“Little Yao?” Leng Ruoxue and the freak were stunned and didn’t react too well. What Little Yao?

“Little Yao, I’m calling you! How dare you ignore me?” Leng Wuxin pointed at the freak, his beautiful face full of displeasure.

“Me?” The freak’s forehead was full of black lines. Damn it, Empty actually gave him a random name!

“Xin’er, why don’t we change such a disobedient attendant! Any one of Big Brother Qun’s servants is a hundred times better than him!” Yue Qun said coldly by the side, but he was so jealous of this ugly freak who could touch Xin’er!

“Big Brother Qun, I appreciate your good intentions. I’m used to using this,” Leng Wuxin said with an apologetic face as if he had offended Yue Qun greatly by not accepting his good intentions.

Leng Ruoxue and the freak, who were standing by the side and listening, had two drops of cold sweat dripping down their foreheads. They thought, wasn’t Empty a little too immersed in the show!

“Little Yao, come and carry me!” Leng Wuxin shouted with a naughty smile.

“Miss, this isn’t appropriate,” the freak said with a cold face, not moving at all, not even frowning.

“How is it not suitable?” Leng Wuxin asked in puzzlement. Well, why did he have a bad feeling? Was he being too paranoid?

“Have you forgotten what Old Madam said? Old Madam said that men and women shouldn’t touch each other. You have to marry me if I touch your body. Hehe, I don’t mind marrying a great beauty like Miss, I’m just afraid that you won’t be willing!” The freak shrugged with an innocent face.

Leng Ruoxue was stunned after hearing what the freak said, and then she laughed hysterically in her heart. Haha, the freak was really too cute. He actually thought of such a reason. Hehe, let’s see what Empty can do this time!

“Uh! When did this happen? Why didn’t I know?” Leng Wuxin blinked and asked in confusion.

“Old Madam told us when Miss was very young. Otherwise, why would Miss only have me as your attendant!” the freak lied through his teeth.

“Old Madam also said that any man who has touched my young miss’s body will become the Leng family’s son-in-law. Uh! It seems like the young masters have all interacted with my young miss’s body, so you all have a chance to become the Leng family’s son-in-law!” The freak blinked his eyes and said very innocently.

“Uh!” Leng Wuxin was dumbfounded. What was going on? He clearly wanted to mess with that freak. Why did it become a trap for him to jump into?

“Young Masters, what are you waiting for? Hurry up and carry my young miss down the mountain!” the freak urged as he looked at the stunned men.

“Oh, Xin’er, I’ll carry you home.” Yue Qun was the first to react. He hurriedly carried Leng Wuxin and ran away. Hehe! He really didn’t expect the Leng family to have such rules. Hehe, this was really good news for him!

After Yue Qun escaped with Leng Wuxin on his back, the other four people immediately reacted and began to pursue her relentlessly. At the same time, they were thinking in their hearts that they couldn’t let Xin’er fall into the hands of that big pervert Yue Qun!

“Freak, you are still the best.” Leng Ruoxue looked at the few people who disappeared in the blink of an eye and couldn’t help teasing with a light smile. Haha, This time, Empty was definitely going to be depressed to death!

“Hehe, didn’t he want someone to carry him down the mountain! Look at how many people want to carry him now!” the freak said with a naughty smile. Hmph! Want to mess with him? Dream on! His body was only for Xue’er to enjoy. No one else was qualified!

“Freak, let’s go too!” Leng Ruoxue said with a smile.

“Okay.” The freak gently hugged Leng Ruoxue and nodded.

It was already evening when Leng Ruoxue and the freak slowly walked back to the inn. However, they were stopped outside the door before they could return to their rooms.

“Shopkeeper, what’s the meaning of this? We did pay for the room, didn’t we?” Leng Ruoxue asked in puzzlement, her tone obviously displeased!

“Hehe, you two are mistaken. I stopped you two just to tell you that your young miss is no longer staying in the inn,” the shopkeeper said with a face full of smiles.

“What about my young miss?” Leng Ruoxue asked the advisor.

“She’s in the Yue family of course! Miss Leng is the future Young Madam of the Yue family, so of course she can’t stay in the inn!” the shopkeeper explained.

“Young Madam? Doesn’t Young Master Yue already have a Young Madam? My young miss won’t be a concubine!” Leng Ruoxue deliberately said very arrogantly.

“Of course. In fact, our young master doesn’t have any young madam. Those women are just concubines. They’re not important,” the shopkeeper quickly said ingratiatingly. Alas! He couldn’t afford to offend the people around the future young madam!

“Shopkeeper, lead the way and bring us to the Yue family!” Leng Ruoxue ordered.

“Please follow me.” The shopkeeper bowed slightly. In his opinion, he had given them enough face!

Leng Ruoxue and the freak followed the shopkeeper to the backyard of the inn. A flying spirit beast was already prepared in the backyard. The three of them sat on the spirit beast’s back and flew directly toward the Yue family’s main mountain.

They arrived at their destination moments later!

“Hehe, the two of you have already arrived. This is our Yue family’s main mountain. How is it? It’s very majestic and grand, right? This mountain is the largest and best in Myriad Mountain City.” In the air, the shopkeeper pointed at the green mountain not far away from them and said with a face full of pride.

“So-so. It’s not as beautiful as the mountain we just went to the Zhao family’s residence.” Leng Ruoxue pouted with dissatisfaction.

“Hmph! How can that lousy mountain of the Zhao family compare to our Yue family? Our Yue family’s mountain is the best in the entire Myriad Mountain City,” the shopkeeper retorted.

“Old Wang sells his melons and praises himself. Who doesn’t say that their things are good!” Leng Ruoxue said nonchalantly.

“Uh!” The shopkeeper was so angry that he almost fainted.

“Shopkeeper, can we land now?” Leng Ruoxue reminded the shopkeeper, whose face had turned green from anger. However, she couldn’t help feeling a little regretful. Alas! This shopkeeper’s tolerance was quite strong.

“Okay.” The shopkeeper gently patted the flying beast’s head. The beast was so well-trained that it found a spacious place and landed steadily!

Chapter 509: A Gathering Of Men (3)

“I’m here on Young Master’s orders to deliver Miss Leng’s servants.” Outside the Yue family’s main residence, the shopkeeper took out a token and said to the guard guarding the door.

“Go in! The young master asked you to send them to the Heartless Garden!” The guard let them pass without even looking at the signboard because he had just received the young master’s order.

“Okay.” The shopkeeper thanked him and then led Leng Ruoxue and the freak straight to the Heartless Garden.

After several turns, the shopkeeper finally brought Leng Ruoxue and the freak to the Heartless Garden.

Leng Ruoxue stood outside the Heartless Garden, looking at the obviously new board, her heart full of sarcasm. Alas! This was what men were like! Liking the new and hating the old should be the common problem of all men!

“Please enter. Miss Leng is still waiting for you! I’ll take my leave.” The shopkeeper turned and left after speaking.

Leng Ruoxue and the freak walked directly into the Heartless Garden after seeing the shopkeeper leave.

At this moment, hundreds of flowers were blooming in the Heartless Garden, and thousands of birds were chirping. It was the most beautiful time. The guards in the yard were abnormally tight, almost guarding every three steps and every five steps as if they were guarding something important.

In the garden.

Empty sat on the chair and played with the flowers in his hand in boredom. He was really depressed. Boohoo... He was actually imprisoned. Why weren’t Little Snow and Little Chen Chen accompanying him yet?

At this moment, Leng Ruoxue and the freak happened to walk in. They saw the depressed-looking Empty from afar! The two of them slowly approached...

“Miss, your servants are here,” Leng Ruoxue said with a light smile.

“Damn girl, why are you only here now? Where did you two fool around? Tell me the truth!” Upon hearing Leng Ruoxue’s voice, he immediately roared furiously! These two baddies only cared about traveling and playing and left him alone with the five wolves. Boohoo... bad people!

“Miss, calm down! How can you wrong us? We walked down on our legs, unlike you who has someone carrying you. Of course, you’re faster than us! However, your speed is really extraordinary. Are we going to discuss marriage now?” Leng Ruoxue teased with a light smile. Hehe, they had successfully infiltrated the enemy’s ranks! Even though it was a little different from her plan!

“Damn girl, you still dare to say that!” It would have been better if she hadn’t mentioned it, but now that she did, his anger rose immediately!

“What’s the matter?” Leng Ruoxue pretended to be stupid.

“Hmph!” Empty snorted coldly and turned his head to ignore them.

“My good Miss, don’t be angry with us!” Leng Ruoxue coaxed softly.

“Xin’er, aren’t they already here?! Why are you still angry?!” Suddenly, Yue Qun’s voice sounded from beside the three of them! Yue Qun had already appeared not far behind them.

“Young Master Yue, help us persuade Miss! Miss is angry with us! She thinks we’re too slow. Boohoo...” Leng Ruoxue said aggrievedly with tears in her eyes.

“Hehe, it’s okay. Xin’er was just worried about you guys. She got a scare on the way!” Yue Qun said understandingly.

“By the way, Xin’er, I know the whereabouts of the ten-thousand-year-old wild ginseng you wanted. It’s the Yu family’s treasure. Hmph! Yu Tao even told us that he didn’t know. How ridiculous. However, don’t worry. I’ve already asked Father to help me ask for it from the Yu family. I think the Yu family won’t dare to trample on my Father,” Yue Qun said confidently. He even began to fantasize in his heart that he was already the Leng family’s quick son-in-law!

“Thank you for your trouble, Big Brother Qun. I’m tired and want to rest,” Leng Wuxin said with a pale face.

“Is Xin’er feeling unwell?” Yue Qun asked worriedly.

“I’m alright. I’m just a little tired today and want to rest early,” Leng Wuxin said weakly.

“Then Xin’er should rest early. Big Brother Qun will visit you tomorrow,” Yue Qun said very thoughtfully.

“Take care of Xin’er. As for you, Little Yao, don’t go near Xin’er!” Yue Qun added before leaving.

“Yes,” Leng Ruoxue and the freak quickly replied, laughing in their hearts!

After Yue Qun left, Leng Ruoxue and the others entered the room.

“Miss, your charm is really too great!” Leng Ruoxue turned her head and said with a light smile after closing the door.

“Xue’er, how much longer? I can’t take it anymore!” Empty said frantically.

“Bear with it! Be good. Aren’t you doing well pretending to have amnesia? It’ll pass quickly when you have nothing to do!” Leng Ruoxue coaxed.

“I’m not pretending. I really want to lose my memory!” Empty said with a long face. Boohoo... He got in too deep with Leng Ruoxue.

“It doesn’t matter if it’s real or fake, as long as you hang in there. By the way, why were you suddenly taken to the Yue family’s residence?” Leng Ruoxue asked curiously. Qing Jue only told her that Empty had been taken to the Yue family’s residence, but he didn’t tell her why. Therefore, she really didn’t understand why the decision was made so suddenly. Even though infiltrating the enemy was part of her plan, wasn’t this a little too rushed?

“Didn’t that little brat tell you?” Empty glared at the freak and said with some displeasure.

“No. Why would I ask you if he told me?” Leng Ruoxue said speechlessly. Alas! Was she mad?

“It’s all his fault!” Empty said through gritted teeth, his beautiful eyes shooting out raging flames!

“What does it have to do with me? Don’t malign me!” The freak raised his eyes slightly and said nonchalantly.

“Who else does it have to do with? Will I be brought here directly if it doesn’t have to do with you?” Empty roared. Hmph! Those stinky brats would have died long ago if he wasn’t afraid of ruining Xue’er’s plan!

“No, calm down. Tell me what happened.” Leng Ruoxue quickly coaxed, her face full of question marks. Alas! So infuriating. Qing Jue kept her guessing, but Empty was hesitating as well!

“I... I was snatched here because of the ‘Old Madam’ that the damn freak mentioned. They believed it, so the five of them fought. In the end, Yue Qun won, and he brought me here,” Empty explained hesitantly, his expression very conflicted!

Chapter 510: Suspicion, Scheme (1)

“That simple? Tell me about the fight!” Leng Ruoxue said with a face full of gossip, her little face full of excitement!

“What’s there to talk about in a fight? It’s just a fight. However, I can tell you that the other four are seriously injured!” Empty explained.

“Oh, no. I think you’re tired too. Rest early today!” Leng Ruoxue sent Empty directly into the bracelet.

“Xue’er, you also realized that he is a big lightbulb, right?” the freak said happily when he saw Leng Ruoxue losing everything.

“No, I’m afraid you will start fighting,” Leng Ruoxue said lightly. Hehe, actually, she wanted to visit those families with the freak to see the commotion.

Leng Ruoxue summoned Quill and Rise with a thought. Then she got Quill to cast an invisibility spell on them, and the two of them set off.

“Xue’er, can’t Qing Jue monitor them? Why do we have to go there personally?” the freak asked in puzzlement on the way to the Ni family.

“Hmph! That stinky brat has learned bad things. He didn’t tell me anything fun, so I had to do it myself!” Leng Ruoxue complained very displeased.

“Big Sister, you wronged me!” Qing Jue couldn’t help transmitting his voice to complain when he heard Leng Ruoxue’s complaint from the bracelet.

“Really? Then why didn’t you tell me anything?” Leng Ruoxue immediately questioned.

“Big Sister, didn’t I tell you that he was brought to the Yue family?” Qing Jue said aggrievedly.

“What about everything in between? I’m asking about that!” Leng Ruoxue said angrily. Boohoo... She would occasionally gossip! Damn Qing Jue actually refused to satisfy her curiosity!

“In between... there’s nothing to say! Didn’t Big Sister always only want the result!” Qing Jue pouted his little mouth, and his clear black eyes were full of tears as he sent a pitiful voice transmission.

“Uh!” Leng Ruoxue was speechless. This became her own problem!

“Stinky Qing Jue, how dare you quibble. You didn’t tell me when I asked you!” Leng Ruoxue reacted and questioned.

“Big Sister, I forgot what happened!” Qing Jue said innocently.

“Forgot? You’re an artifact spirit? Are you telling me that there’s something wrong with your memory?” Leng Ruoxue was helpless. Why did she only realize today that Qing Jue was so good at quibbling?

“Big Sister, I have too many things to remember every day. There are also times when my head is full! Therefore, there’s naturally no need to remember some unimportant things!” Qing Jue said matter-of-factly.

Alright, Leng Ruoxue admitted defeat. She decided that she would treat Qing Jue as a computer from now on because Qing Jue would also overload!

“Big Sister, are you angry with me? I’ll tell you everything in the future, okay?!” After a while, seeing that Leng Ruoxue ignored him, Qing Jue said pitifully, his black eyes full of pleading. Boohoo... Big Sister, don’t ignore me!

“Big Sister, Yue Qun went to the toilet just now and grabbed something to eat without washing his hands,” Qing Jue continued with a smile.

“You don’t have to tell me this!” Leng Ruoxue’s forehead was full of black lines. She couldn’t bear it anymore and roared in her heart. Damn Qing Jue, he must have done it on purpose!

“Oh!” Qing Jue covered his mouth and giggled. Hehe, Big Sister is so cute!

“Qing Jue, continue monitoring them. Tell me if there’s anything important. There’s no need to say anything unimportant.” Leng Ruoxue sighed softly and said helplessly. She cut off her connection with Qing Jue after speaking.

“What’s the matter, Xue’er?” the freak asked in puzzlement when he heard Leng Ruoxue suddenly sigh.

“Nothing. I just had a chat with Qing Jue. That stinky brat deliberately pissed me off!” Leng Ruoxue said helplessly.

“Hehe, my Xue’er is too cute!” the freak said with some jealousy.

“Uh!” Leng Ruoxue looked at the freak cautiously and thought, What a strong vinegar smell!

“Master, we’re at Patriarch Ni’s residence,” Quill reminded.

“Quill, just fly in,” Leng Ruoxue ordered. They were invisible anyway, and no one in the Ni family could see them.

“Yes.” Quill flew in and searched with its X-ray vision after hearing Leng Ruoxue’s instructions. Finally, it landed in a yard.

“Master, this is the main courtyard,” Quill reminded.

“Okay.” Leng Ruoxue nodded and jumped down from Quill’s back.

Leng Ruoxue looked up and sized up the Ni Family Head’s yard. She saw that there was nothing else in the huge main yard except for a few tall towering trees, a few stone tables, and stone chairs.

“This patriarch of the Ni family is quite low-key,” Leng Ruoxue said in surprise.

“This yard doesn’t look like someone who likes to be ostentatious, but who knows!” the freak said nonchalantly. To be honest, he didn’t have a good impression of the Ni family because the waiter from the Ni family’s inn had threatened them when they first arrived in Myriad Mountain City. Hmph! As the saying goes, like servant, like master!

“Someone’s talking in the study. Let’s go take a look.” Leng Ruoxue vaguely heard voices coming from the study with the light on, so she suggested. Anyway, it was not the first time they were eavesdropping!

“Okay!” The freak nodded slightly. The two of them and the two transmogrified little beasts quietly walked toward the study...

In the study.

The patriarch of the Ni family sat at the head of the table with a worried expression. He was a middle-aged man in his sixties with handsome features and a strong aura. The power of the Mystic Sovereign gave him a domineering aura. The matriarch of the Ni family was sitting in a chair beside him. She was about 40 years old. She was definitely a beauty when she was young even though she was a little chubby and disheveled. A middle-aged man who looked like a butler was standing respectfully opposite them, waiting for instructions!

“Old Master, that Yue Qun was too ruthless. He actually injured Fang’er so badly. You have to uphold justice for Fang’er!” Madam Ni wailed with snot and tears.

“Make a decision? How can I make a decision? The five of them actually fought on the streets for the sake of competing for a woman. Hmph! Our Ni family has been in Myriad Mountain City for so many years, and we’ve lost all our faces this time!” the patriarch of the Ni family said with a face full of anger, and he was even more furious in his heart. Hmph! What kind of woman is so charming that they actually fought on the streets for her!
