

## Crazy Wife 52

### Chapter 52: Be Low Profile When You Beat Someone Up

Even if Leng Ruoxue didn't admit to it now, Fu Mingzhu would still say it after waking up. There was no need to go through all that trouble because she didn't care about the Fu family at all.

Feng Aoran opened his mouth to say something, but after seeing Leng Ruoxue's gaze, he obediently shut his mouth.

"Are you a student of the academy?" one of the male teachers asked. Although he had his doubts, he was not as direct as the female teacher.

"Of course!" Leng Ruoxue didn't deny it.

"Then do you know that the academy forbids students from fighting privately?" the male teacher said solemnly. He was smarter than the female teacher, and he immediately brought up the academy as justification.

"We didn't fight," Leng Ruoxue said indifferently.

"How could Fu Mingzhu end up like this without a fight?" the female teacher asked angrily.

"She humiliated my elder brother, so I just slapped her twice. As for how she ended up like this, I don't know either," Leng Ruoxue said lightly.

"Your elder brother? Who's your brother?" the male teacher asked.

"Leng Ruohan."

"Leng Ruohan is your elder brother?" the male teacher said in surprise. He knew that their academy's former number one genius had a younger sister, but wasn't she a simpleton? How did this absolute beauty in front of him look like a simpleton?

Feng Aoran didn't expect that this stunning young lady was actually Leng Ruohan's younger sister. He had heard that Leng Ruohan's sister had already regained her mental faculties, but he didn't expect the former simpleton to be so astonishing.

"I won't allow anyone to humiliate my brother, no matter who it is." Leng Ruoxue shot an icy glare at the three teachers in warning.

"Isn't Leng Ruohan's younger sister a simpleton?" the female teacher asked bluntly.

"I am that simpleton. But if I hear anyone else humiliate my brother, who knows who will become the real simpleton," Leng Ruoxue warned coldly before turning around to leave.

Seeing that the person involved was leaving, Feng Aoran also hurriedly left and followed behind.

"Master, Mistress is so fierce!" someone hiding in a corner said fearfully.

"Yeah, she is. But I like it." Ye Chen glanced at his subordinate and said proudly before turning around and chasing after Leng Ruoxue.

"Xue'er." Ye Chen caught up to Leng Ruoxue.

"Are you done?" Leng Ruoxue really didn't think much of this fellow when he was by her side. But when he wasn't around, she actually felt a little uncomfortable. This wasn't a good sign.

"Done." And he had seen that good show when he just returned.

"Xue'er, where are you going?"

"I'm going to find the principal. I beat someone up, so I have to turn myself in."

"I'll go with you." Of course, when it came to such matters, her husband should be the one by her side. How could he let another man take advantage of this situation? He glared at the man beside Xue'er.

"Hello, I am Feng Aoran," Feng Aoran politely greeted. *?This man is so good-looking. His appearance is even more outstanding than Leng Ruohan's.*

"Hello, I am Ye Chen, Xue'er's fiancé." Although he really didn't want to talk to him, he still introduced himself. He didn't want Xue'er to think that he was petty.

*Fiancé??*Feng Aoran was a little surprised. He didn't expect that this beautiful man was actually the weak and sickly man of the Ye family.

...

"Ruoxue, why are you here?" Lin Liang looked curiously at the three people who walked into his office. *?Shouldn't Ruoxue be in the library?*

"I beat someone up," Leng Ruoxue said straightforwardly.

"Who?" Lin Liang had a bad premonition. *?Did she cause trouble and is here to ask for my protection?*

"Fu Mingzhu."

"Lass, no matter who you want to beat up, can't you keep a low profile?" Lin Liang said helplessly. The Fu family was not to be trifled with. Even if she wanted to fight, she should have done it secretly. But looking at the situation now, she was most likely discovered.

Hearing what the principal said, Feng Aoran was at a loss for words. *?What do you mean by that? So you can beat people up as you please as long as you keep a low profile? Wow, I see.*

"Grandpa Lin, I'm just here to tell you so that you can prepare yourself. Now, I'm going home." Leng Ruoxue turned around and left the principal's office. She didn't want to listen to this old man lecture her.

*This girl...?*Lin Liang felt a little helpless. After interacting with her these past few days, he more or less understood Ruoxue's temper. This girl was much crazier than her grandfather and brother. Old Man Leng and Ruohan basically still gave face to those they didn't like as long as they weren't provoked. But this girl behaved entirely as she pleased.

...

"You're back, Xue'er." Leng Qingtian happily looked at his granddaughter as she jumped down from Quill's back. Although she said that she would go home every day, he hadn't seen her for a few days. *?Boohoo... little liar.*

"Grandpa, Xue'er stayed in the library for the past few days and accidentally lost track of time," Leng Ruoxue explained. Seeing her grandfather's expression, she knew what he was thinking.

"Any gains?"

"A little."

"That's good."

"Grandpa, is there any news about the essence restoration grass?"

"Not yet."

"I've asked many alchemists, but none of them have heard of this herb," Leng Qingtian said worriedly.

"Grandpa, no need to be hurried. Take your time. We will find it eventually." Leng Ruoxue comforted.

"I'm going to see Big Brother. Oh yes, Grandpa, the Fu family might find trouble with you."

"Grandpa doesn't care about the Fu Family. But why?" Leng Qingtian was confused.

"Darling and I hurt Fu Mingzhu," Leng Ruoxue said indifferently.

"Is she seriously injured?" Leng Qingtian was slightly curious.

"It's not serious. It's just that her face was scratched by Darling."

"..."

*You call that not serious? Everyone knows that the Fu family's eldest young lady takes great care of and is most proud of her face. ?*Leng Qingtian was speechless.

...

"Big Brother."

"Xue'er."

"Ye Chen didn't return with you?" Leng Ruohan asked curiously when he didn't see Ye Chen.

"He's back. He said he was tired and went back to his room to sleep," Leng Ruoxue explained.

"Let me see," Ye Chen said curiously.

"Where? Where?" The others heard that three tiger cubs had been born the moment they entered, and all of them were eager to see them.

“Wow, they’re so cute!” The three fluffy little meatballs captured everyone’s heart instantly. But they only dared to look at them and didn’t dare to touch them at all. After all, most beasts protecting their cubs were very fierce.

After being intimate with his wife, the male white tiger walked to Leng Ruoxue and said gratefully, “Thank you for saving my wife.”

Although they were high-level holy beasts who had never liked humans, this human had helped their entire family. He really didn’t know how to repay her. He thought for a while and then walked to the three little white tiger cubs, which had yet to open their eyes. He picked up two of them, came in front of Leng Ruoxue, and placed the little tiger cubs in his mouth in front of her.

“Please take care of my children,” the male white tiger said, feeling reluctant to part with them.

*Does this white tiger want his children to become spirit beasts for Ruoxue??* Feng Aoran and Qiao Hua were dumbfounded. *Is this the legendary moral character of a person??* Even after exhausting themselves working hard, others might not be able to obtain a spirit beast with good aptitude. But now, this holy beast actually took the initiative to deliver his children to her door. They were children of holy beasts, so their natural aptitude would be much better than ordinary spirit beasts. How many people would dream of having them!

“Are you willing to part with them?” Leng Ruoxue asked thoughtfully.

“You saved our entire family. I have nothing to repay you with,” the male white tiger said honestly. Spirit beasts knew to repay favors.

“But I can’t bear to see your family separate,” Leng Ruoxue said lightly.

“...”

*What does Miss mean? Don’t tell me she wants to capture this entire white tiger family in one fell swoop!?* Feng Da and the others couldn’t help quipping in their minds.

“Why don’t your whole family come with me? My home is big, and I can afford to raise you all,” Leng Ruoxue said without blushing or skipping a beat, wearing an expression that said she was ‘doing this for your own good’.

*We were right!?* Feng Da and the others were flabbergasted.

The male white tiger thought about it and walked to his wife. The two tigers discussed again, and then the male white tiger walked back to Leng Ruoxue.

“Alright, my whole family will go with you,” the male white tiger said. After discussing it with his wife, they both felt that this human was not bad, so acknowledging her as their master was acceptable.

*Miss, you are too charming.* Feng Da and the others’ admiration for their young lady rose to an indescribable height. Even Feng Aoran and Qiao Hua were looking at her strangely. Beast trainers would have no jobs if everyone could obtain holy beasts so easily.

Leng Ruoxue got the five white tigers to enter the Heaven and Earth Bracelet, and then everyone left the Misty Woods together.

After returning home, Leng Ruoxue went straight to the Cold Tea Pavilion.

“Big Brother.”

“Xue’er.” Leng Ruohan put down his book happily when he saw his sister.

“Big Brother, I have a gift for you.”

“What gift?” Leng Ruohan was curious.

Leng Ruoxue released the white tiger family from the Heaven and Earth Bracelet.

Leng Ruohan looked at the white tigers that occupied his entire room in astonishment.

“Cloud-patterned white tigers! Where did you get them?” Cloud-patterned white tigers were very precious among tiger-type spirit beasts, and they had the highest aptitude. Moreover, from the looks of it, Xue’er had clearly brought their entire family here.

Leng Ruohan gently picked up a little white tiger that had yet to fully open its eyes. His face was full of love as his big palm gently caressed the soft fur on the little white tiger’s body.

Leng Ruoxue knew that her brother definitely liked them from his expression. She wanted to give the white tiger children to her brother the moment the male white tiger offered them to her. The beautiful white tigers and her immortal-like brother were a perfect match.
