

## Crazy Wife 531

### Chapter 531: Refining the Silver Snow Pill, Advancement (5)

“Don’t be afraid. You will be as young as me when you reach my age,” Empty comforted.

“I’m not afraid. It will take me a long time to reach your age!” Leng Ruoxue said nonchalantly. However, she believed that the day she became an old lady, the freak wouldn’t despise her because the freak would also become an old man! Hehe! She couldn’t help laughing secretly in her heart at this point!

“Xue’er, what are you thinking? Why are you smiling so cunningly?” Empty couldn’t help asking curiously when he saw the expression on Leng Ruoxue’s face.

“Nothing. I just suddenly thought of the day when I will become old with the freak!” Leng Ruoxue looked at the freak.

“Xue’er, we won’t age.” The freak’s forehead was full of black lines as he said helplessly. Alas, he knew what Xue’er was thinking from her expression. How could they become old! Their appearance would not change no matter how old they were!

“Yes, yes.” Leng Ruoxue nodded repeatedly. If the freak said he wouldn’t age, then he wouldn’t age.

“Xue’er, are you planning to go out and advance?” Empty asked curiously.

“Yes, I wonder if I can advance to Mystic Monarch,” Leng Ruoxue said gloomily. Her cultivation technique was mainly the Heaven Defying Skill. She could advance her mystic to the corresponding level only if the Heaven Defying Skill reached the requirements for advancement. However, her current Heaven Defying Skill obviously didn’t reach the requirements to advance her to Mystic Monarch!

“Go and try. Anyway, it’s just a Silver Snow Pill,” Empty suggested. He also knew a little about Xue’er’s situation, but he felt that there shouldn’t be any problem.

“Yes, the freak and I will find a deserted place to try,” Leng Ruoxue said.

“You can go to the place I brought you last time. It’s very remote, and almost no one will go there,” Empty reminded them. That place was his private restricted area. No one dared to enter without his permission.

“Okay.” Leng Ruoxue and the freak exited the bracelet and got Ling to cast an invisibility spell on the two of them. They then left the Carefree Hall in invisibility and arrived at the back mountain of the Mystic Association Headquarters that Empty brought them to last time with their memories.

At the back mountain, Leng Ruoxue summoned the little peacock from the bracelet and sat on its back with the freak. The little peacock carried them down the mountain stream.

At the bottom of the stream, Leng Ruoxue and the freak found a wide place and moved their beasts out of the bracelet. Then the two of them found a huge rock and sat cross-legged on it.

Leng Ruoxue took out two Silver Snow Pills and handed one to the freak. “Eat it!”

“Xue’er, eat first. I’ll eat after you advance,” the freak said. He wanted to advance with Xue’er!

“Let’s eat together. It’s okay if I can’t advance. You can protect me after you advance,” Leng Ruoxue said. She didn’t know if she could advance, but their strength would improve greatly if the freak could advance to Mystic Monarch first.

“Alright, let’s eat together!” the freak said helplessly. Boohoo... In fact, he could protect Xue’er even if he didn’t advance to Mystic Monarch because...

“Okay.” Leng Ruoxue nodded, and the two of them put the Silver Snow Pill in their mouths.

Not long after taking the Silver Snow Pill, the Heaven Earth Laws for advancement descended. The freak advanced first, but Leng Ruoxue still didn’t move.

Leng Ruoxue’s beasts stared at their master, afraid that their master would feel any discomfort. Alas! They knew their master’s condition, so they were very nervous!

After the freak advanced, he opened his pitch-black starry eyes. At this moment, his aura was even more restrained, and the aura on his body was sharp and terrifying like an unsheathed sword!

The freak advanced to Mystic Monarch, adjusted his breathing slightly, and stared at Leng Ruoxue with the eyes of the beasts!

At this moment, Leng Ruoxue’s face revealed a painful expression. After taking the Silver Snow Pill, the mystic energy in her body became violent, raging wantonly in her body like a hurricane. After the huge spiritual energy contained in the Silver Snow Pill entered her body, it quickly fused with the violent mystic energy...

At first, the two forces collided and fought for territory that belonged to them without giving in to each other. Later, the spiritual energy gradually lost and was absorbed by the mystic energy in Leng Ruoxue’s body, converted to mystic energy to fill the insufficient mystic energy in her body!

With the replenishment of the spiritual energy contained in the Silver Snow Pill, Leng Ruoxue quickly felt the barrier to advance. With a spurt of energy, she mobilized the mystic energy in her body and launched a fierce attack on the barrier. With a crisp ‘pa’ sound, she finally broke through to Great Mystic and officially advanced to Mystic Monarch...

The monsters and beasts that had been guarding Leng Ruoxue finally relaxed after seeing the Heaven Earth Laws descend.

Leng Ruoxue tried her best to absorb the benefits brought by the descent of the Heaven Earth Law before it dissipated. Then, she regulated her breathing a little before slowly opening her beautiful eyes.

“Freak, Charm... What happened to you?” Leng Ruoxue looked at the man and the beasts surrounding her, feeling a little uneasy. Uh! Their expressions were so serious!

“Xue’er, it’s been hard on you,” the freak said with heartache. Alas! He really wanted to bear the pain on her behalf when he saw Xue’er just now. However, he didn’t dare to disturb Xue’er and could only watch helplessly. Boohoo... This feeling was really bad!

“Master!” Charm and the other beasts also called out softly. Moreover, they looked at Leng Ruoxue with tears in their eyes.

“Uh, don’t be like this!” Leng Ruoxue said hurriedly. She admitted that it hurt a little just now, but she really didn’t want to see them so worried! Moreover, she was fine now!

“Master, I’m going to advance!” Charm suddenly shouted. Boohoo... It hadn’t had the chance to care about Master yet. How could it advance so quickly!

The Heaven Earth Laws that advanced one after another descended into the mountain stream just as Charm finished speaking. The beasts advanced one after another like a relay race, and their advancement also brought Leng Ruoxue great benefits!

“Haha, Master, I’ve advanced to a Transcendent Divine Beast.. Moreover, I’m a level two Transcendent Divine Beast!” Feng Zhan transformed into his human form and flew to Leng Ruoxue’s shoulder to report.

### **Chapter 532: Refining the Silver Snow Pill, Advancement (6)**

“Not bad!” Leng Ruoxue praised as she caressed Feng Zhan’s feathers.

“Master, I’m also a transcendent divine beast now.” Charm also jumped into Leng Ruoxue’s arms and rubbed against her.

“Yes, not bad!” Leng Ruoxue caressed Charm’s soft fur with satisfaction. Charm had advanced to a level one Transcendent Divine Beast after this advancement.

Leng Ruoxue turned her gaze to the other beasts and was very satisfied after looking at them because all her beasts had advanced except Baby and Ball ball this time. Among them, Darling, Quill, Rise, and the other beasts had advanced to level nine Legendary Beasts, while White Dawn had advanced to level five Transcendent Divine Beasts. Although it had only advanced one level, it was still the strongest among all her beasts!

“Hey, kitty, I’m a Transcendent Divine Beast too!” At this moment, Feng Zhan flew in front of White Dawn and deliberately provoked it.

“You damn bird. Even if you become a Transcendent Divine Beast, your level isn’t higher than mine. What’s there to be smug about?” White Dawn raised its eyes slightly and said with slight disdain.

“Master, I request to spar with this damn cat!” Feng Zhan looked at Leng Ruoxue and said indignantly.

“Sparring? Alright! I approve!” Leng Ruoxue said helplessly. Alas! Why did Feng Zhan and White Dawn like to fight so much!

“I don’t want to spar with you!” Leng Ruoxue agreed, but Bai Xu was displeased!

“Damn cat, are you afraid?” Feng Zhan continued provoking it. It had to fight this stinky cat anyway because it wanted to know how big the difference between them was now!

“Tch, you’re only a level-two Transcendent Divine Beast. I’m level five now. Why would I be afraid of you?” White Dawn said with a disdainful smile.

“Why don’t you dare to spar with me since you’re not afraid of me?” Feng Zhan glared at him with his small red eyes and said with displeasure.

“It’s not convenient for me these few days!” White Dawn rolled his eyes at Feng Zhan and said lightly.

“It’s inconvenient for you these few days? Haha! Do you think you’re a female beast! And it’s inconvenient for you for the next few days. It’s really too funny!” Feng Zhan laughed hysterically. He actually lay on the ground exaggeratedly and even covered his stomach with his little wings while laughing!

Leng Ruoxue’s forehead was full of black lines when she heard what White Dawn said. She couldn’t help but grumble in her heart. Did White Dawn eat the wrong thing? Why was it so abnormal today?

The beasts didn’t laugh as exaggeratedly as Feng Zhan when they heard what White Dawn said, but they also turned their heads and covered their mouths to snicker!

“Can’t it be inconvenient for me for a few days? Hmph!” White Dawn looked at Feng Zhan and the beasts with slight displeasure.

“Yes, yes. Since it’s inconvenient for the little kitty these few days, I’ll spar with you when it’s convenient for you! Haha, this king knows how to be protective of the fairer sex!” Feng Zhan said with a smile.

“Get lost!” White Dawn roared and jumped into Leng Ruoxue’s arms, burying its head in her arms and only showing its little butt outside.

“Uh!” Leng Ruoxue looked at the little snowball in her arms and was surprised. There was really something wrong with White Dawn. Why would it do such a thing in the past? What happened to it?

“Xue’er, let’s leave this place!” The freak also saw that something was amiss with White Dawn.

“Okay.” Leng Ruoxue nodded, stored the beasts in the bracelet, and left with the little peacock on the freak.

After returning to the room of the Carefree Pavilion, Leng Ruoxue brought the freak directly into the bracelet. Empty was sitting on a stone chair in front of the purple bamboo house, waiting for them.

“Congratulations!” Empty said after seeing their strength.

“Thank you! Have a good chat. I’ll go see White Dawn.” Leng Ruoxue felt that something was amiss with White Dawn and Wayless. She was really worried! She went straight to White Dawn’s residence after speaking.

“What happened to White Dawn?” Empty asked in puzzlement. Xue’er had closed the connection between space and the outside world when she advanced just now, so he was not very clear about what happened in the mountain stream!

“I don’t know. It said it’s inconvenient for the next few days.” The freak sat down beside Empty and said speechlessly. This was the first time he heard that male beasts also had inconvenient times. Could it be that their menopause had arrived?

“Pfft!” Empty spat out the mouthful of tea he was drinking after hearing the freak’s words!

“Calm down! White Dawn said it himself,” the freak hurriedly comforted.

“Uh! Xue’er’s beasts are very different.” Empty came to an important conclusion.

“Yes! They’re all good at acting!” the freak said through gritted teeth. Sometimes, he hated Xue’er’s beasts to the core, but sometimes he was very grateful to them because they liked to compete for favor with him and protect Xue’er. Alas! So conflicted!

“Haha!” Empty looked at the freak and couldn’t help but laugh. In fact, he knew very well how depressed this man was. However, it couldn’t be helped. Xue’er’s beasts liked their master so much!

“What’s so funny?” The freak rolled his eyes at Empty and said gloomily.

“Haha!” Empty laughed even louder!

Leng Ruoxue came to the bamboo hut where Bai Xu was staying with Empty’s hearty laughter. She knocked on the door gently and pushed it open to enter.

Bai Xu was curled up in the corner of the bed like a ball in the room, looking pitiful. Leng Ruoxue’s heart ached so much!

“Bai Xu!” Leng Ruoxue walked to the bed and hugged Bai Xu, who had curled into a ball.

“Master!” The transmogrified White Dawn looked up at Leng Ruoxue with watery green eyes, aggrieved.

“Uh! White Dawn, what’s wrong with you?” Leng Ruoxue asked in puzzlement. In her impression, White Dawn was not a beast that liked to cry! Why was it so weak today?

“I... Today is my birthday. I miss home,” White Dawn said with a slight sob. Boohoo... It was too embarrassing. It had never thought about home after staying in the mystic realm for so long. However, after being with its master, it saw the warmth between its master and its family and actually missed home! Especially yesterday, it remembered its parents and its siblings who often fooled around with it!

“Be good, don’t cry. You might not have a family by your side now, but you still have me, your master, and so many beast companions!” Leng Ruoxue quickly coaxed. She felt quite uncomfortable seeing White Dawn like this. Fortunately, she had always been with her family. Otherwise, she would probably be as sad as White Dawn!

### **Chapter 533: It’s Not Convenient For Me During These Few Days (1)**

“Yes.” White Dawn nodded. Its master was right. It was not alone. It still had its most beloved master and so many beast companions!

“Then don’t be secretly sad, understand?” Leng Ruoxue ordered. Alas! She thought she cared about her beasts, but she didn’t even realize Bai Xu’s thoughts. She was such a failure. She wasn’t a good master. Boohoo...

“Okay,” White Dawn answered obediently.

“White Dawn, let’s go out and celebrate your birthday together!” Leng Ruoxue suggested. Uh, she didn’t seem to have a birthday all along! It seemed like no one around her had a birthday!

“No need, Master,” White Dawn said shyly. It was too embarrassing to cry in front of its master!

“Why not! Hehe, Master has decided. The people and beasts around me have to celebrate their birthdays in the future,” Leng Ruoxue said resolutely. She left the bamboo hut with White Dawn in her arms after speaking.

After exiting the bamboo hut, Leng Ruoxue carried White Dawn to the table where the freak and Empty were sitting. After placing White Dawn on the table, she called out softly, “Qing Jue!”

“Big Sister!” Qing Jue appeared in front of Leng Ruoxue and the others.

“Qing Jue, call everyone and the beasts out. I have something to announce!” Leng Ruoxue ordered.

“Okay,” Qing Jue answered and then disappeared.

Soon, Leng Ruohan, the others, and the beasts emerged from their rooms.

“Xue’er, why did you call us out?” Leng Ruohan asked curiously after walking to Leng Ruoxue’s side.

“I have two things to announce. Firstly, the freak and I have just advanced to Mystic Monarch. Of course, we took the Silver Snow Pill to advance directly, so you have to cultivate diligently and strive to become Great Mystic as soon as possible. You can take the Silver Snow Pill then!” Leng Ruoxue announced with a smile.

“Wow, Miss, is this true? This is great!” Feng Da couldn’t help becoming excited as soon as Leng Ruoxue finished speaking. This was really good news! Haha!

“Of course it’s true. When have I ever lied to you?!” Leng Ruoxue pretended to be displeased.

“Haha, Xue’er, congratulations on advancing to Mystic Monarch,” Leng Ruohan said happily. The stronger his sister was, the happier he would be as an elder brother!

“Big Brother, you will also become Mystic Monarchs soon,” Leng Ruoxue reminded. Her elder brother and the others had very good aptitude. It was only a matter of time before they advanced to Great Mystic.

“Yes, I will work hard,” Leng Ruohan said resolutely. Xue’er was already a Mystic Monarch, so he couldn’t lag behind his sister too much. In fact, he would have entered seclusion long ago if he didn’t want to accompany Xue’er more.

“Miss, what’s the second matter?” Feng Da asked curiously.

“The second one! It has to do with all of you. I’ve decided that from now on, each of your birthdays will be celebrated for you!” Leng Ruoxue continued to announce.

“Birthday?” Everyone was stunned and looked at Leng Ruoxue in surprise.

“What’s the matter?” Leng Ruoxue asked in puzzlement when she saw their expressions.

“Miss, I don’t celebrate my birthday.” Feng Da scratched his head and said helplessly. He was not a child. Why should he celebrate his birthday!

“Miss, I don’t know my birthday. I’m an orphan!” Lin Yuan said. He had never had a birthday since he was young because he didn’t know when his birthday was at all. Moreover, no one had given him one.

“It’s okay. It can be the same day as me if you don’t know when yours is supposed to be,” Leng Ruoxue said. These subordinates and beasts were her family, so she had to make them feel at home. What happened with White Dawn couldn’t happen again!

“I want mine to be the same as Big Sister’s,” Qing Jue said happily. He was an Artifact Spirit and didn’t have a birthday.

“Okay. Anyone who doesn’t know when their birthday is can celebrate it with me,” Leng Ruoxue repeated.

“Big Sister, I don’t remember my birthday,” Baby said aggrievedly. Boohoo... It couldn’t remember when it was born, so it couldn’t remember when its birthday was.

“Hehe, Baby, you can have the same birthday as Big Sister!” Leng Ruoxue coaxed.

“Okay.” Baby nodded. Hehe, it was going to celebrate its birthday with Big Sister on the same day! It was so happy!

“Tell Qing Jue the dates of your birthdays if you know them. Tell him if you want to celebrate on my birthday. Qing Jue, remind Big Sister at all times from now on!” Leng Ruoxue ordered Qing Jue after speaking to everyone and the beasts.

“Okay.” Qing Jue nodded.

“Today is White Dawn’s birthday, so we’ll celebrate it later. Everyone, go and prepare now. We’ll be giving White Dawn a birthday gift later!” Leng Ruoxue said with a smile. It was already very late, but it was a birthday! It only happened once a year, so it had to pass late as long as it wasn’t past midnight.

“Okay, okay!” Everyone hurriedly ran back to their rooms to prepare after hearing this news!

“Xue’er, I want my birthday to be the same as yours too,” the freak said.

“Uh! Did you forget your birthday too?” Leng Ruoxue teased with a light smile.

“No, but I want it to be the same day as you,” the freak said willfully. He was jealous seeing that other people or beasts could celebrate Xue’er’s birthday with her, so he wanted to celebrate with her too!

“Okay, you can celebrate on the same day as me too, okay?” Leng Ruoxue said helplessly.

“Empty, what about you?” Leng Ruoxue turned her gaze to Empty and asked again.

“Uh! I’ve lived for too long. I don’t remember when my birthday is anymore,” Empty said awkwardly. The little beast didn’t remember its birthday because it couldn’t remember, but he forgot because he had lived for too long. Boohoo... This was really too embarrassing.

“I don’t remember either,” Icy said gloomily. Alas! It was the only Kirin in this world, and it didn’t even have a clansman, so it was really jealous of those dragons and phoenixes sometimes. They had so many clansmen. Boohoo...

## Chapter 534: It's Not Convenient For Me During These Few Days (2)

"Alright, stay with me," Leng Ruoxue said quickly. Alas! She was really afraid that these two would cry directly if she said too much!

"Yes, yes." Empty and Icy hurriedly nodded.

"However, today is White Dawn's birthday, so quickly prepare your birthday gifts," Leng Ruoxue urged.

"Xue'er, what birthday present do you intend to give?" Empty asked curiously. He didn't know what kind of birthday present to give the white tiger! What did the tiger like? He had saved up a lot of good things, but he didn't know what to give! How worrying!

"You'll know later if I don't tell you. Empty, a birthday gift is just a token of your sincerity. It doesn't have to be too expensive!" Leng Ruoxue reminded him and then pulled the freak to help her.

Empty looked at White Dawn lying on the table and hesitated for a long time before asking, "White Dawn, do you have any gifts you want?"

"I don't!" White Dawn frowned and said after some thought.

"Uh! Then what should I give you?" Empty was in a dilemma. Boohoo... What should he give iy!

"Anything. It's okay if you don't give me a gift too," White Dawn said. Hehe, it was already very happy that they had this intention. It really didn't care what they gave.

"How can that do? I'll think about it carefully!" Empty held his chin and started thinking.

"Master, help me gift something to it too!" Icy reminded. Boohoo... It didn't have much wealth!

"Okay." Empty nodded and continued thinking.

After a long while, everyone and the beasts gathered in front of the purple bamboo hut.

"Where's Master?" Charm asked curiously when it didn't see Leng Ruoxue.

"She went to prepare a gift," Empty said. Boohoo... He hadn't thought of what to give!

"Oh." Charm nodded, its heart full of anticipation. It might not be its birthday today, but it was still very curious what gift its master would give White Dawn!

Feng Da and the others took the initiative to prepare food when they saw that their Miss was not back yet, so the silver snow fish in the pool suffered again. Moreover, almost all the fish, prawns, and crabs in the pool were not spared...

Leng Ruoxue and the freak returned after they prepared the food.

"Uh! You're fast!" Leng Ruoxue looked at the table full of food and was speechless. How many days were they planning to eat? Could they finish so much? If she remembered correctly, they had just finished the silver snow fish banquet not long ago!

"Hehe, isn't today White Dawn's birthday? Of course we have to prepare more!" Feng Da scratched his head and smiled foolishly.

“Can you eat it?” Leng Ruoxue asked curiously.

“Yes, yes. There won’t be a problem eating a cow,” Lin Yuan quickly promised.

“Okay, okay. No one is allowed to sleep if you can’t finish it,” Leng Ruoxue said very seriously. She hated wasting.

“Master, don’t worry. We can finish it,” Ling promised. It hadn’t eaten to its fill previously during the Silver Snow Fish feast. Now that it had the chance to eat to its heart’s content, of course it had to seize the opportunity.

“I can tell. You’re all foodies!” Leng Ruoxue said helplessly.

“Hehe!” Everyone and the beasts laughed foolishly.

“Eh? Where’s our birthday girl?” Leng Ruoxue looked around but found no trace of Bai Xu.

“Master, I’m here,” White Dawn said shyly as it poked its little head out of the corner.

“Why are you hiding there? Are you shy?” Leng Ruoxue teased as she hugged White Dawn.

“I’m not.” White Dawn would never admit that it was really shy! Boohoo... It was not young anymore. It was just a birthday. How embarrassing! This was too abnormal!

“Okay, no.” Leng Ruoxue didn’t expose it and directly placed it on the table. She took out a small birthday hat from her ring and brought it to White Dawn’s head.

“Miss, what is this?” Feng Da asked curiously. He had never seen anything on Bai Xu’s head!

“This is called a birthday hat. You will also wear it on your birthday in the future,” Leng Ruoxue explained. She remembered that she would bring this thing every time someone celebrated their birthday in her previous life, so she also got one for Bai Xu. Hehe, it felt pretty good!

“Hehe, it’s pretty good,” Leng Ruohan praised as he looked at the slightly shy Bai Xu.

“Thank you, Master,” White Dawn said gratefully, its green eyes a little moist again.

“Silly, I still have a gift!” Leng Ruoxue took out a table from her ring and placed it on the ground. Then she took out a large cake that was half the size of a person and placed it on it.

“Master, what is this?” White Dawn opened its green eyes and asked curiously. Oh, this thing smells so good! Is it food?

“This is called a birthday cake. It’s eaten on birthdays,” Leng Ruoxue continued to explain. She had been in the alternate world for almost two years, and this was the first time she had made a birthday cake. In the past, she had only made longevity noodles for her grandfather once on his birthday. Alas! At that time, there was no condition to make a cake. After she refined the oven, she didn’t have time because she was either in seclusion or her grandfather and the others were in seclusion, and they had never been able to gather together. However, after this time, she had decided that she would make birthday cake for everyone and the beasts for their birthdays as a celebration whenever she had time.

“Master, thank you. Boohoo...” White Dawn was so touched that it cried.

“Uh, White Dawn, why are you crying?” Leng Ruoxue said helplessly. Alas! It was just a cake, but it actually made White Dawn cry. What should she do!

“Master, I’m so happy,” White Dawn sobbed, crying even harder, its fur wet.

“Don’t cry if you’re happy! Be good, everyone is looking at you!” Leng Ruoxue hugged the crying Bai Xu and coaxed.

“That’s right, little kitty! Why are you crying? This isn’t like you! Don’t embarrass the beast!” Feng Zhan said mockingly. In fact, he was very envious of Bai Xu. Boohoo... No one had celebrated his birthday for him since he was young.

### **Chapter 535: It’s Not Convenient For Me During These Few Days (3)**

“Damn bird, I’m crying from joy. None of your business!” White Dawn wiped the tears off its face with its little paw and roared at Feng Zhan furiously.

“I’m doing this for your own good. Don’t be ungrateful!” Feng Zhan said aggrievedly.

“Hmph! Who wants to appreciate your kindness!” White Dawn said nonchalantly.

“Alright, stop arguing. Bai Xu, you’re the birthday boy today. Blow the candles quickly,” Leng Ruoxue urged as she lit the candles on the cake.

“Oh!” White Dawn answered obediently and then gently blew out the candle.

“Haha, White Dawn, happy birthday! This is a gift from the freak and me!” Leng Ruoxue said with a smile and handed him a beautifully wrapped gift.

“Thank you.” White Dawn hugged the gift Leng Ruoxue gave it with its little paw, very happy. Hehe, if it remembered correctly, this should be the first time it had received a gift in its life.

“Happy birthday!”

Everyone and the beasts mimicked Leng Ruoxue and presented their gifts. In the blink of an eye, White Dawn’s face was full of gifts.

“Thank you.” White Dawn sobbed again, and its green eyes welled up with tears.

“Kitten, this is my gift to you. You will definitely like it.” Feng Zhan also took out the gift he had prepared and deliberately placed it in White Dawn’s arms.

“Thank you, damn bird!” White Dawn said irritably.

“You’re welcome. You’ll give it to me on my birthday too. Uh! Master said it’s called exchanging gifts!” Feng Zhan said proudly.

“The gifts are all here. Everyone, you can cut the cake now,” Leng Ruoxue hurriedly urged lest these two started fighting again.

“Miss, I’ll do it,” Feng Da volunteered. Then he picked up the knife on the table, cut the cake into several small pieces, and distributed them to all humans and beasts.

Everyone and the beasts ate the sweet cake, tasted the delicious food, and chatted happily!

Time passed by slowly. It was almost dawn outside the bracelet after they celebrated Bai Xu's birthday. Leng Ruoxue urged everyone and the beasts to quickly rest when she saw that it was getting late. She then pulled the freak back to the purple bamboo hut...

Leng Ruoxue and the others almost didn't sleep for the entire night. There were also people who didn't sleep for the entire night in the Alchemist Association of Carefree City!

In the main hall of the Alchemist Association.

Sun Wei sat on the president's main seat with a gloomy handsome face. Several elders of the headquarters were sitting below him. The other elders and the former president had been locked up by him, so there were not many people who could work for him in the headquarters now!

"How is it? Did you find him?" Sun Wei suppressed his anger and asked his subordinate standing in the middle of the hall.

"Young Master, the Sun family's yard has been cleaned up, but we didn't find any trace of Zheng En," a man in his thirties reported.

"Didn't find anything? Continue searching!" Sun Wei ordered furiously. Hmph! The big explosion in the Sun family's side yard today must have been done by Zheng En's accomplices. Even though the figure of the male corpse found in the cell was similar to Zheng En's, he didn't believe that the person was Zheng En because that person had long been smashed beyond recognition by the exploding cell. There was no way to identify him at all. Hmph! He had chased Zheng En for more than a decade and Zheng En was still alive and well, so he didn't believe that Zheng En would die so easily! Moreover, Du Min, who was locked up in the Alchemist Association, was also gone, so he had even less reason to believe that Zheng En would die!

"Young Master, the Sun family's side yard and the Alchemist Association have searched and didn't find any traces of anyone escaping. However, I think it's very possible that they have already left Carefree City!" the man analyzed.

"Impossible, their movements won't be so fast! They must still be in Carefree City. Search the entire city from tomorrow onwards!" Sun Wei denied his subordinate's deduction and ordered.

"Search the entire city?" The man was stunned and said in surprise.

"What? Is there a problem?" Sun Wei glared and questioned with slight displeasure.

"Young Master, it's probably inappropriate to search the entire city. This is Carefree City after all. Those mystics won't agree if we search the entire city," the man reminded. This was not Sun Zhou City. The Mystic Association would definitely intervene if the Sun family was too arrogant in Carefree City.

"You don't have to worry about the Mystic Association Headquarters. We'll just search you!" Sun Wei said impatiently. Hmph! He could ask his aunt to settle the Mystic Association Headquarters, so he didn't care about the reactions of the mystics at all.

"Yes," the man answered and left.

“President, His Excellency Du Min has also disappeared. Will he come back to cause trouble for us?” an elder asked worriedly after the man left.

“Hmph! Everyone has escaped. What’s the use of worrying now? I told you long ago to send more people to watch him, but you didn’t take it seriously,” Sun Wei said coldly. He was very angry with these elders, but he still had to rely on their support now, so he could only bear with it!

“President, you can’t blame us! No one realized how he was rescued at all. The guards at the door didn’t see anyone enter that room, except for Miss Lan Ning’er,” another elder said.

“Do you want to say that Ning’er released Du Min?” Sun Wei questioned.

“Hehe, President, that’s not what Elder Wang meant. However, Miss Lan Ning’er does have the intention to release His Excellency Du Min. Everyone knows that. Do you think His Excellency Du Min agreed to take Miss Lan Ning’er as his disciple, and Miss Lan was afraid that we wouldn’t agree to let him go, so she secretly let him go?” an elder in black said.

“Impossible! Ning’er will tell me if he wants to let her go,” Sun Wei said with certainty because he had told Ning’er that he could let Du Min go for her sake as long as Du Min was willing to take her in as a disciple. However, as far as he knew, Ning’er had never been able to convince Du Min to take her in as a disciple! Therefore, Ning’er would definitely not let that old man go.

“President, women’s hearts are like needles at the bottom of the sea. Is Miss Lan really on your side?” an elder asked doubtfully. He heard that Lan Ning’er was no longer so favored in the Lan family, so he didn’t think that Lan Ning’er would have any feelings for the president at all. Hmph! How many young ladies nurtured by families had true feelings? Most of them were just pawns. Moreover, everyone knew that Lan Ning’er liked the young master of the Leng family. It was not that he belittled their president but no matter how outstanding the president was, he could not be compared with the young master of the Leng family.

### **Chapter 536: Blowing Up The Two Great Associations (1)**

“What do you mean?” Sun Weiteng stood up from his seat and glared at the elder who spoke just now. His fierce gaze seemed to want to poke a hole in him!

“I don’t mean anything. I just hope that you don’t trust women so much, President, especially a woman who doesn’t care so much about you,” the elder said bluntly. Hmph! Everyone could see that Lan Ning’er was just using the President, but the President was dazzled by beauty!

“This isn’t your business. You don’t have to worry.” Sun Wei suppressed the anger in his heart and roared.

“I’m doing this for the president’s own good. Forget it if you don’t want to listen.” The elder closed his eyes and stopped talking after speaking.

“It’s getting late. Elders, go and rest!” Sun Wei took a deep breath and said.

“President, rest early too,” the elders sitting said politely and then stood up to leave the hall.

Sun Wei sat alone in his seat for a while after everyone left. Then he got up and left.

Sun Wei strode back to his residence. There was a huge explosion in the Sun family's yard, so he temporarily stayed in the Alchemist Association. This used to be his master's residence.

Before he approached the room, he heard sobbing coming from inside. He pushed the door open and walked in directly to see Lan Ning'er lying on the bed crying very sadly!

"Ning'er." Sun Wei came to the bed and embraced the crying Lan Ning'er.

"Did you find him?" Lan Ning'er wiped the tears off her face and asked in a choked voice.

"No, I've already ordered the entire city to search tomorrow. They will definitely be found," Sun Wei promised.

"Yes, we have to find the person who saved Zheng En. I want to chop him into pieces, grind his bones and scatter his ashes!" Lan Ning'er said with hatred. Hmph! She wouldn't have been so embarrassed if it wasn't for the person who saved Zheng En. She had lost all her face now. How could she marry Big Brother Leng in the future! If Big Brother Leng knew about her and Sun Wei, he probably wouldn't want her anymore. Boohoo... Therefore, she hated Zheng En's accomplices to the core!

"I will. Ning'er, do you think Leng Ruoxue and the others are the ones who saved Sun Wei?" Sun Wei guessed. He felt that Leng Ruoxue and the others were the most suspicious. He really couldn't think of anyone else who would dare to go against him other than them!

"Possibly!" Lan Ning'er said through gritted teeth. She also hated Leng Ruoxue and the others to the core, especially that damn little red bird. Her status in the Lan family wouldn't have plummeted if it weren't for that damn bird. How could she be miserable to the point of hanging out with Sun Wei!

"Leng Ruoxue, Hmph! How dare she go against my Sun family. She's really tired of living," Sun Wei said hatefully. Leng Ruoxue's beasts had beaten him up badly in Blue Cloud City. If he hadn't escaped after recovering, he would probably have died in the hands of those people now!

"The Sun family? The Lan family doesn't care either, so you don't have to be too angry." Lan Ning'er leaned into Sun Wei's arms and comforted him.

"Seems like Leng Ruoxue is the common enemy of our two families!" Sun Wei said with a somewhat smug smile. Hmph! He didn't believe Leng Ruoxue could still have a foothold in the Boundless Heaven Continent after offending the Sun and Lan families.

"Hmph, those old farts from the Lan family don't treat Leng Ruoxue as an enemy at all, so don't expect them to deal with Leng Ruoxue with you." Lan Ning'er immediately doused Sun Wei with cold water and reminded.

"So what? Do we need two superfamilies to deal with an elementary mystic? The Alchemist Association Headquarters would be enough to settle her," Sun Wei said confidently. In fact, he didn't take Leng Ruoxue and the others seriously at all. He just didn't know their whereabouts all along, so he had no way to deal with them even if he wanted to.

"Leng Ruoxue's strength is nothing. However, I heard that her beasts are very powerful." Lan Ning'er frowned slightly. Even the mighty Second Elder of the Lan family was afraid of Leng Ruoxue's beasts. He was so scared that he trembled whenever he heard the words Leng Ruoxue.

“So what if the beasts are powerful? We have so many Mystic Sovereigns as our fighters. Can’t we deal with a few beasts? Moreover, President Wu hates that ugly monster to the core. It won’t be a problem to deal with Leng Ruoxue at all with his help,” Sun Wei said with certainty.

“Really?” Lan Ning’er said doubtfully. In fact, she didn’t really believe Sun Wei because she didn’t know the grudge between Wu Gong and Leng Ruoxue.

“Of course,” Sun Wei said and told Lan Ning’er about the conflict between Wu Gong and Leng Ruoxue.

After hearing this, Lan Ning’er immediately broke out into a smile and said happily, “That’s great. Hmph! Leng Ruoxue is dead meat this time. By the way, tell President Wu immediately to deal with her as long as we find her whereabouts so that we can reap the benefits!”

“Hehe, Ning’er, you’re so naughty. However, I like it!” Sun Wei hugged Lan Ning’er tightly and smiled wretchedly. Then he began to stroke Lan Ning’er again.

“Aiyah, you’re so annoying!” Lan Ning’er said with a coquettish smile and dodged Sun Wei’s hairy hands and feet everywhere. Soon, the two of them rolled onto the bed again...

The next day.

In the Carefree Hall.

Leng Ruoxue and the others were still sleeping soundly in the bracelet when they were woken up by Qing Jue’s urging.

“Qing Jue, what’s the matter?” Leng Ruoxue still had her eyes closed and said with some displeasure. It was almost dawn before she slept. She was still not awake yet, but why did Qing Jue wake her up so early! She hated it when others disturbed her sleep the most.

“Big Sister, someone outside wants to search the rooms of the inn,” Qing Jue said softly. Alas, he knew his sister’s habits very well. He wouldn’t have woken her up if it weren’t for the urgent matter.

“Oh! Got it!” Leng Ruoxue opened her beautiful eyes very reluctantly and woke the freak up. The two of them washed up simply, called Empty, and left the bracelet.

Someone knocked on the door just as they returned to their room. Before Leng Ruoxue and the others could open the door, the person outside the door was a little impatient. He kicked open the door and barged in!

### **Chapter 537: Blowing Up The Two Great Associations (2)**

“Why are there three people in this room?” The leader looked at the three people in front of him in amazement.

“Why can’t there be three people?” Leng Ruoxue asked in displeasure. Hmph! If she was not mistaken, these should be people sent by Sun Wei! How rude!

“Shopkeeper, why are there three people in this room?” The leader turned to the shopkeeper beside him.

“What’s there to fuss about? The rooms are reserved by guests. How can I bother about how many people want to stay in the same room!” the shopkeeper said nonchalantly, not taking the leader seriously at all.

“Who are you? What right do you have to barge into our room? Shopkeeper, your Carefree Pavilion is the best inn in Carefree City. Such a thing actually happened. How disappointing.” Leng Ruoxue looked at the shopkeeper, her beautiful face full of anger.

“Miss Ye, I’m really sorry. President Wu agreed to this,” the shopkeeper said helplessly.

“Hmph! What does President Wu think we mystics are? He actually sent people to do ward rounds?” Leng Ruoxue questioned.

“Miss Ye, right? Something big happened in Carefree City yesterday, so I was tasked to search the city by the presidents of the Alchemist Association and Mystic Association,” the leader explained. He didn’t want to anger this beautiful young lady either. Alas! He really didn’t expect that there would be a woman more beautiful than Miss Lan Ning’er in this world!

“Oh, I wonder what happened?” Leng Ruoxue pretended to be curious.

“Someone attacked President Sun’s yard yesterday, so we’re searching for those people,” the leader said.

“Do you have any leads?” Leng Ruoxue asked with a slight frown.

“Yes, but we haven’t found the whereabouts of those people yet, so we searched everywhere. Uh! Please forgive us if we were rude,” the leader said apologetically.

“Oh, it’s okay. I can understand. Your President Sun is really unlucky. Send his regards for me!” Leng Ruoxue said sympathetically.

“Okay. Miss Ye, we’ll take our leave then,” the leader said very politely and left the room with his subordinates.

“Miss Ye, I’m so sorry for scaring you!” the shopkeeper said apologetically after they left.

“It’s okay. I know it’s not your fault,” Leng Ruoxue comforted. She had a good impression of the shopkeeper.

The shopkeeper bowed to Leng Ruoxue and the others and left the room.

“What do you think?” Leng Ruoxue asked the freak and Empty after the eyesore left.

“It’s expected,” Empty said calmly. It would be abnormal if Sun Wei didn’t search the entire city like this.

“Then shouldn’t we do something?” Leng Ruoxue asked with a naughty smile. Alas! Sun Wei searched wantonly like this. How disappointed would he be if he couldn’t find anything in the end!

“Xue’er, what do you want to do?” the freak asked curiously. Xue’er had so many ideas, hehe!

“Isn’t he looking for us all over the world? How can he find us in the inn? Why don’t we go out for a walk!” Leng Ruoxue suggested.

“No, if he sees you, he might have designs on you!” The freak objected resolutely. Boohoo... Xue’er originally said that she would leave after saving Zheng En and the little old man, but it seemed like she had to deal with Sun Wei now!

“What are you afraid of with Empty around?” Leng Ruoxue said nonchalantly. In fact, she didn’t intend to show herself in front of Sun Wei at all. Alas! The freak was thinking too much.

“Alright then!” The freak said very reluctantly after looking at Empty. Alas! He naturally had to cooperate well since Xue’er had already thought of a plan.

“That’s more like it!” Leng Ruoxue praised as if she was petting a puppy.

“Xue’er, where do you intend to go?” Empty asked in realization.

“Do you think the little old man will be angry if I blow up the Alchemist Association?” Leng Ruoxue said uncertainly. Alas! The little old man was now considered half of her own people, so she was a little hesitant.

“I don’t know if the little old man will be angry, but I know that Sun Wei will definitely be mad!” Empty said with certainty. Alas! The Sun family’s yard had already been blown up. If the Alchemist Association headquarters continued to destroy it, then Sun Wei would probably be sleeping on the streets.

“Hehe, I just want to anger him to death. Empty, how about I blow up the Mystic Association Headquarters while I’m at it?” Leng Ruoxue raised her eyebrows slightly and suggested. Although Empty had said it before, she believed that the relationship between Empty and the Mystic Association Headquarters was definitely not shallow. Therefore, she naturally had to greet Empty since she had such thoughts.

“...” Empty was at a loss for words. This girl was addicted to the explosion! But what could he say?

“Xue’er, what about Lan Ming’s master if you blow up the Mystic Association Headquarters?” The freak frowned and said awkwardly.

“Right! It’s better not to blow up the Mystic Association Headquarters then.” Empty took the opportunity to reason.

“But I still want to blow up those two headquarters. What should I do? Isn’t there a saying that the new won’t come if the old don’t disappear! These two headquarters are very rich, so let them build a new one. As for Little Lan Lan’s master! I’ll empty his seclusion place, hehe!” Leng Ruoxue said her plan with a smile. Then her beautiful eyes looked at the two handsome men in front of her without blinking, hoping to obtain their support.

“Xue’er, blow it up if you want to. As long as you’re happy,” the freak hurriedly said. Boohoo... Xue’er’s tender gaze made his heart beat non-stop.

“Empty!” Leng Ruoxue turned her gaze to Empty after obtaining the freak’s support and looked at him very attentively.

“Uh! Blow it up!” Empty sighed helplessly.

“Hehe, I knew you would definitely support me. Let’s go quickly!” Leng Ruoxue said impatiently. Then she summoned Ling and got her to cast an invisibility spell on them before the three of them left the inn.

After the three of them left the Carefree Pavilion, they set the Mystic Association Headquarters as their first destination.

### **Chapter 538: Blowing Up The Two Great Associations (3)**

After reaching the Mystic Association Headquarters, Leng Ruoxue released her beasts and distributed some explosive balls to them. Then she gave them some instructions and got them to split up...

Half an hour later, the beasts who completed the mission returned to Leng Ruoxue’s side excitedly...

“Beloved Master, we have completed the mission.” Darling jumped into Leng Ruoxue’s arms and acted coquettishly.

“Good, well done. Let’s go!” Leng Ruoxue praised and then turned to the freak and Wayless.

“Okay.” The two of them nodded, and then the three of them left the Mystic Association Headquarters.

After leaving the Mystic Association Headquarters, Leng Ruoxue and the others arrived at the Alchemist Association Headquarters with familiarity. After telling their beasts to split up, Leng Ruoxue and the others came to the door of the cell. After burying an explosive ball at the door, the three of them quietly left...

After waiting for a while at the entrance of the Alchemist Association, Leng Ruoxue’s beasts ran out and snuggled up to her, reporting their work to her non-stop...

“Master, it’s done,” Dazzle said.

“Master, it’s all buried,” Ling said.

“Hehe, Master, the mission is completed.” Feng Zhan smiled evilly. Apart from completing the mission, he also gave Sun Wei a small gift!

“Yes, well done. We can go back and wait for news.” Leng Ruoxue stored the beasts in the bracelet after speaking, and the three of them slipped back to the Carefree Hall.

After returning to the Carefree Pavilion, Leng Ruoxue and the others went directly to the living room. Lan Ming and the others were already sitting there waiting for them.

“Little Snowy, you... you’re already a Mystic Monarch?” Lan Ming stood up from his seat in surprise when he saw Leng Ruoxue. How long has it been? These two perverts were actually Mystic Monarchs. Boohoo... This was a huge blow to him.

“Yes, calm down. The freak and I took the Silver Snow Pill,” Leng Ruoxue said nonchalantly. Alas! She didn’t want to take the pill to advance if the enemy wasn’t this strong.

“Silver Snow Pill? Where did you get the Silver Snow Pill?” Lan Ming was even more surprised. Silver Snow Pill was a pill that was priceless. The success rate of refining it was very low, so it had always been difficult to obtain with money.

"I refined it myself!" Leng Ruoxue rolled her eyes at Lan Ming and said calmly, as if what she said was a very ordinary thing.

"Uh! You can even refine the Silver Snow Pill! Amazing!" Lan Ming really didn't know what to say. Alas! In fact, he should have adapted long ago, right? It hadn't been a day or two since Leng Ruoxue and the group of perverts knocked his common sense out!

"It's okay," Leng Ruoxue said modestly.

"Miss, are you an Alchemy Supremacy?" Cheng Wu couldn't help but interrupt as he listened to their conversation. He knew that Leng Ruoxue was an alchemist, but he had never thought that she could actually concoct a Heaven Grade pill.

"I don't know either. I've never done a level test. To put it bluntly, I'm an unlicensed mystic who knows alchemy!" Leng Ruoxue said with a light smile.

"Uh! What do you mean by an unconfirmed mystic who knows alchemy?" Cheng Wu asked in puzzlement with two drops of cold sweat dripping down his forehead.

"You don't understand? I'm an unregistered alchemist. I might know how to concoct pills, but it's not legal, so it's best not to ask me for pills. Otherwise, I won't be held responsible if they die from eating them!" Leng Ruoxue said very irresponsibly.

"Uh!" Everyone was a little confused after hearing Leng Ruoxue's words. They thought, Miss, we've eaten a lot of your pills, and you're only telling us now? However, the effects of Miss's pills were really extraordinary! After they ate them, their old illnesses that had not healed for many years actually healed, so they would be alright even if they died from eating them!

"Haha, don't be scared. You didn't take poison. You won't die." Leng Ruoxue looked at their expressions and laughed happily!

"Miss, we're not afraid," Cheng Wu said speechlessly. Alas! They had not been with Leng Ruoxue for long, but they more or less knew some of Miss's bad taste.

"That's good. By the way, why are you all gathered here?" Leng Ruoxue asked with a light smile.

"Miss, Sun Wei has already sent people to look for us everywhere in the city. We mainly want to ask if Miss has any plans," Cheng Wu said bluntly.

"He's not looking for us. You have to calm down. As for the plan! Not yet," Leng Ruoxue comforted.

"Lass, don't you have a plan yet?" The little old man happened to hear Leng Ruoxue's words after coming to the living room and couldn't help asking. Alas, he felt uneasy if he didn't teach Sun Wei a lesson early.

"Grandpa Du, let's talk after Zheng En recuperates. There's no hurry!" Leng Ruoxue comforted him. Hehe, she hoped that Grandpa Du wouldn't blame her after knowing what she had just done!

"Okay, that's good too. Eh? Xue'er, you've advanced to Mystic Monarch?" the little old man said after some thought. He saw Leng Ruoxue's strength and was shocked. Uh! It had only been a night, how did Xue'er become a Mystic Monarch?

He remembered that Xue'er was only an elementary mystic when they split up previously. She was also a great mystic yesterday. He hadn't seen her for only a night, but this girl had already become a Mystic Monarch. Would Xue'er become a Mystic Supremacy if he woke up after a night's sleep? It was not impossible with this girl's abnormal cultivation speed!

"Yes, I took the Silver Snow Pill last night," Leng Ruoxue said honestly. In fact, she didn't want others to think of her as too abnormal.

"Oh, I see!" The little old man wiped the cold sweat off his forehead and thought, Fortunately, it shouldn't be possible for someone to be so abnormal!

"Xue'er, where did you get the Silver Snow Pill? That thing isn't easy to obtain!" the little old man said in surprise. He was originally thinking that he would ask his old friend for a few Silver Snow Fish to refine some Silver Snow Pills for Xue'er after this matter was over! He didn't expect this girl to obtain it herself.

"I refined it myself." Two drops of cold sweat dripped down Leng Ruoxue's forehead. Alas! Why did Grandpa Du ask this as well?

"Xue'er, you can refine the Silver Snow Pill?" the little old man asked in disbelief. He knew that Xue'er was an alchemist, but he didn't expect this girl to be at the level of an Alchemy Supremacy. Boohoo... He was an Alchemy Supremacy at such an old age but Xue'er was already an Alchemy Supremacy. She's still young! This was too shocking!

#### **Chapter 539: Blowing Up The Two Great Associations (4)**

"Your Excellency Du Min, don't take it to heart!" Lan Ming looked at the little old man's expression and said with some pity. In fact, he slowly got used to it after being attacked for a long time.

"Yes, I won't." The little old man patted Lan Ming's shoulder and said empathetically. Alas! He could understand Lan Ming now. Xue'er and the others were indeed abnormal!

"Grandpa Du!" Leng Ruoxue said speechlessly. Alas! Did they have to do this? Their expressions seem to suggest that they were deeply affected, but she really didn't think she was anything extraordinary!

"Lass! I'm fine. Alas, I'll get used to it slowly," the little old man hurriedly said.

"Grandpa Du, how is Zheng En?" Leng Ruoxue changed the topic.

"Almost healed. Lass, Sun Wei sent people to search just now. Fortunately, Zheng En and I were invisible, so we weren't discovered by them. By the way, do you have any good plans to get rid of that ingrate?" the little old man asked angrily.

"Grandpa Du, don't worry. Tell me when Zheng En is completely healed. I promised Zheng En to let him take revenge personally," Leng Ruoxue comforted.

"Yes, I know. I'm just asking," the little old man said shyly. Hehe, he was a little anxious.

"Grandpa Du, will you be angry if the Alchemist Association disappears?" Leng Ruoxue probed.

"Uh! Why did the Alchemist Association disappear?" The little old man's face was full of question marks. Could it be that Xue'er did something again?

Just as the little old man was puzzled, a loud bang answered him. He was stunned, but he quickly reacted. Uh! Could Xue'er have even blown up the Alchemist Association?

Immediately after, there were several loud bangs. The little old man was confused. Did this girl want to blow up Carefree City?!

Lan Ming and the others quickly left the living room and ran out to watch the commotion after hearing the commotion...

They returned a long time later, each with a very calm expression on his face. Then, neither of them said anything and sat directly in the chair.

"Uh! What's the situation outside?" The little old man couldn't help asking when he saw that no one was speaking.

"It's still alright." Cheng Wu wiped the cold sweat off his forehead and said calmly. Uh! He couldn't make a fuss lest he was laughed at by Miss and the others.

"Where did the explosion come from?" The little old man didn't believe him and continued asking stubbornly.

"The Mystic Association Headquarters and the Alchemist Association Headquarters," Lan Ming answered the little old man's question very kindly. Ha, luckily, the place where his master was in seclusion was safe and sound. Haha! So what if the Mystic Association Headquarters exploded! He didn't care!

"Uh! Did it all explode?" the little old man asked with a black face. Alas! The girl was really ruthless!

"Yes, except for the cells, the Alchemist Association Headquarters is in ruins. As for the Mystic Association Headquarters, only the place where my master was in seclusion was intact. The other places have also become a junkyard," Lan Ming explained. Uh! He actually wanted to laugh when he thought of the situation he saw.

"I'm afraid the president of the Alchemist Association and the Mystic Association will be sleeping on the streets this time!" Leng Ruoxue said with a light smile, her beautiful face full of gloating.

"They won't sleep outdoors. They can stay in the inn!" Empty said lightly.

"What if their luck is bad and wherever they stay explodes!" Leng Ruoxue said with a naughty smile.

"Then they're really unlucky!" Cheng Wu said sympathetically. Uh! He didn't have to guess now to know that this matter definitely had something to do with Miss. Miss was really fast. Boohoo... She actually lied to them that she didn't have a plan. So she went to play by herself!

"Yes, they will definitely be plagued by bad luck recently," Leng Ruoxue said with certainty. Hehe, she would definitely not let those people have an easy time since they dared to hurt her. Unlucky! She would definitely find them and definitely in a way they didn't expect!

"Uh! Miss, do you need us to do anything?" Cheng Wu said expectantly, his handsome face red as he said, 'Arrange something for me to do!'

“Yes, there are indeed some things that you need to do,” Leng Ruoxue said with a naughty smile, her beautiful eyes circling Cheng Wu and the others.

“Miss, can you not look at us like that? We’re scared.” Cheng Wu couldn’t help but say when Leng Ruoxue looked at him.

“You’re too timid. How can you do this? You have to train well!” Leng Ruoxue looked at Cheng Wu and the others for a while and then said earnestly.

“Yes, Miss. What training do you want to arrange for us?” Cheng Wu asked bravely. Boohoo... Why did Miss’s gaze make him so uneasy? He wouldn’t be sold off by Miss, right?

“Come closer.” Leng Ruoxue said after some thought.

“Yes.” Cheng Wu obediently handed over his ear, his little heart racing anxiously.

Leng Ruoxue whispered in Cheng Wu’s ear. Immediately, everyone saw the expression on Cheng Wu’s face was very strange, as if he was suppressing something. It alternated between green and white.

“Let’s go.” Cheng Wu turned to the Mystic Sovereigns present after hearing Leng Ruoxue’s arrangement.

“Yes,” the Mystic Sovereigns hurriedly replied and then left the living room with Cheng Wu.

“Little Snowy, where did you get them to go?” Lan Ming asked curiously.

“I asked them to return to their rooms to look for Ling!” Leng Ruoxue said very honestly. She had asked Ling to protect Zheng En after returning to the Carefree Pavilion just now. Cheng Wu and the others’ mission required invisibility, so they naturally had to look for Ling to help. Therefore, she didn’t lie!

“Is that it?” Lan Ming looked at Leng Ruoxue doubtfully. Boohoo... Little Snowy was so naughty! She didn’t even tell him anything fun!

“Yes.” Leng Ruoxue nodded. At least for now.

“Alright, I’m sleepy. I’m going back to my room to sleep. Do whatever you want!” Leng Ruoxue wanted to sleep again after settling everything. After speaking, she pulled the freak back to her room uninvited.

“I want to enter the space,” Empty interrupted before the freak could say anything.

### **Chapter 540: The Unlucky Wu Gong (1)**

“Okay.” Leng Ruoxue nodded with a smile. Of course she knew. However, Empty always entered their room like this. It would definitely cause a misunderstanding over time.

“It’s broad daylight. Why are you entering the space? Play outside yourself!” The freak glared with slight dissatisfaction.

“You are all going to sleep. What’s the point of me being alone outside!” Empty said aggrievedly. Tears welled up in his beautiful eyes as if he was about to cry.

“Freak, stop teasing him. Let’s go in and sleep too!” Leng Ruoxue kindly helped him out.

“Alright then!” The freak was a little unwilling, but he would let Xue’er go since she pleaded for the big light bulb!

After the freak finished speaking, Leng Ruoxue brought the two of them into the bracelet with a thought.

“Empty, play by yourself. We’re going to bed.” Leng Ruoxue pulled the freak into the purple bamboo hut.

Empty sat down in a chair not far from the purple bamboo hut and took out a cup of tea from his ring to drink alone.

“Alas, Master is so pitiful!” Suddenly, Icy’s sympathetic voice sounded from the corner.

“Stinky Icy, how am I pitiful?” Empty frowned and said speechlessly. How did Icy view that he was pitiful?

“Alone, with no one to accompany you!” Icy raised its little head. Boohoo... It was the same!

“Don’t I have you?” Empty said nonchalantly.

“How can it be the same? We are both male!” Icy said gloomily. Alas! Little Snowy’s beasts were also male, but Little Snowy was female. Alas! It would have found a female owner back then. The embrace of the female owner was fragrant!

“Icy, are you despising me?” He picked Icy up from a corner and raised it in front of him to look at him.

“Of course not. Why would I despise Master!” Icy quickly denied. In fact, it was just a little envious of Little Snowy’s beasts. It definitely didn’t despise its master.

“Icy, it’s too late even if you despise Master. We two males are destined to be tied together in this life!” Empty gloated.

“I know.” Boohoo... Icy wanted to cry but had no tears. What a waste!

“Haha!” Empty laughed happily seeing Icy’s depressed appearance!

“Alas!” Icy sighed heavily and lay in its master’s arms to sleep...

Leng Ruoxue and the others went to rest peacefully. However, everyone in Carefree City was panicking! The people from the Alchemist Association and the Mystic Association were even more nervous like birds startled by the bow because they were very afraid that the sudden explosion would descend on them...

After the big explosion at the Mystic Association Headquarters, Wu Gong had no choice but to temporarily stay in an ordinary mansion in the outskirts of the city. This yard was also the property of the Mystic Association Headquarters. However, because no one had lived here for many years, it had been neglected for many years and could no longer be lived in! He sent someone to clean it up simply and then moved in. Alas! Living here was better than staying in an inn to let others point fingers at him!

At the same time, Cheng Wu and the others, who had accepted the mission, divided into two groups according to Leng Ruoxue's instructions. They prepared to monitor Sun Wei and Wu Gong's every move day and night, and occasionally play dirty...

In Wu Gong's temporary residence.

"Big Brother Cheng, Wu Gong went to the toilet," a Mystic Sovereign, who was monitoring Wu Gong, whispered to Cheng Wu.

"Okay, prepare to move." Cheng Wu, who was hiding in an empty room, stood up from his chair.

"Hehe, Big Brother Cheng, we have to let that old man taste the feces pit this time," a short Mystic Sovereign said excitedly.

"Yes, we are invisible now anyway. No one can see us. We can play however we want, hehe!" Cheng Wu said with a naughty smile. This mission was really too enjoyable. He could finally prank people as he wished!

"Big Brother Cheng, what are we waiting for? Let's go quickly!" a tall and thin Mystic Sovereign in black said anxiously. Uh! He had never done such a thing in his life. He was really a little excited!

"Don't be anxious. Prepare the tools first," Cheng Wu reminded. Then he took out a white jade bottle from his ring and held it in his hand.

"Okay." After seeing Cheng Wu's action, the others also took out tools that they had long prepared from their rings. Some took out a stick that was twice the size of an adult's arm, while others took out ropes...

"Let's go!" Cheng Wu ordered when he saw that everyone was ready.

"Let's go!" Cheng Wu led the Mystic Sovereigns to the toilet and swaggered in.

In the toilet, Wu Gong was squatting on the toilet with his pants half off. Cheng Wu and the others couldn't help covering their mouths and noses after entering because the smell in the toilet was really too unbearable. They wouldn't be willing to come to such a place if it wasn't for the mission!

"Big Brother Cheng, do we attack?" a Mystic Sovereign asked softly.

"Okay." Cheng Wu nodded. Then he poured some powder from the jade bottle and blew it at Wu Gong. Wu Gong collapsed in just a few seconds, and the spot where he fell happened to be in the toilet...

"Wow, Miss's medicine is so effective!" the tall and thin black-clothed Mystic Sovereign exclaimed.

"Of course, but this Wu Gong really knows how to find a place to lie down," Cheng Wu said with a naughty smile. Hehe, the smell of the toilet might be a little bad, but seeing the vice president of the Mystic Association lying in the toilet pit, such a scene was probably rare to come by in a thousand years!

"I'm the vice president of the Mystic Association Headquarters, so my sleeping place is naturally different," the short Mystic Sovereign said matter-of-factly.

Alas! Fortunately, Wu Gong was unconscious. Otherwise, he would be angered to death if he heard this!

“Makes sense. Should we let him lie down for a while more, or should we fish him out now to bask in the sun?” Cheng Wu asked for everyone’s opinion.
