Chapter 541: The Unlucky Wu Gong (2)

“Let him lie down for a while more! He has so much to do every day. It’s very tiring,” the tall and thin black-clothed Mystic Sovereign said very kindly.

“Alright! Then let him lie down for ten minutes,” Cheng Wu said after some thought.

“Yes.” The Mystic Sovereigns nodded.

Ten minutes later.

The Mystic Sovereign holding the rope made a circle and wrapped it around Wu Gong’s neck. He was about to pull him out of the toilet when he was stopped.

“Wait,” the tall and thin black-robed Mystic Sovereign stopped him.

“Uh! Hei Zi, what’s the matter?” the Mystic Sovereign asked in surprise.

“Don’t let me take my tools for nothing!” The Mystic Sovereign, who was called Heizi, said with a naughty smile. He looked at the stick in his hand and smashed it fiercely on Wu Gong’s head without hesitation. Immediately, blood flowed down Wu Gong’s head!

“Alright, drag it up!” Blackie said after the fight.

“Uh, aren’t you going to smash it a few more times?” the Mystic Sovereign suggested. Hehe, in fact, they didn’t have any deep enmity with Wu Gong, but the young miss did! The young miss’s enmity was their enmity! Therefore, they didn’t have to mention how happy they were seeing Wu Gong suffer!

“I want to, but I’m afraid I’ll crush him to death. We won’t have any fun then,” Blackie said regretfully.

“Then don’t fight first. Let’s take it slow! There’s still a long way to go! We won’t have any fun if we kill him,” the Mystic Sovereign said. With that, he pulled Wu Gong out of the toilet like he was carrying a dead chicken.

“Big Brother Cheng, where should we put this fellow to dry!” the Mystic Sovereign asked with a face full of disdain. Why was Wu Gong so stinky! It was so stinky!

“Hang it at the city gate! There are many people there and the air is good. This city will stink to death if it’s in Carefree City.” Cheng Wu covered his nose.

“Big Brother Cheng, how can we get him out in the middle of the day?” Hei Zi couldn’t help asking. It probably wouldn’t be easy to hang the vice president of the Mystic Association on the city wall in broad daylight! The difficulty was really extraordinary!

“Hehe, look who this is.” Cheng Wu took out a small golden snake with a white jade horn on its head. The snake opened its sleepy eyes and looked at the stinky Wu Gong with slight disdain. Then it cast an invisibility spell and hid Wu Gong! After doing all this, the little snake crawled back into Cheng Wu’s arms and continued sleeping.

“Isn’t this Miss’s Beast Rise? Big Brother Cheng, why are you here?” Hei Zi asked in surprise.

“Of course Miss lent it to me. Let’s go quickly!” Cheng Wu urged. Then he left the stinky toilet first.

After leaving the toilet, Cheng Wu and the others sat on their beasts, hung Wu Gong on a rope, and were carried to the city gate by the beasts.

After reaching the city gate, Cheng Wu took out Ling from his arms. Ling opened his eyes, lazily undid Wu Gong’s invisibility spell, and crawled back to catch up on sleep!

Hei Zi and the others hung Wu Gong on the highest point of the city gate, stripped him of his clothes, and left. They didn’t forget to spread the news on the way back...

“The vice president of the Mystic Association, Wu Gong, accidentally fell into the toilet, so he committed suicide at the city gate!”

After the pedestrians on the street heard this news, it spread from one to ten, from ten to a hundred. Soon, all the mystics and alchemists in the city heard it. They didn’t know where this news came from, but everyone simultaneously ran to the city gate to investigate on the basis of everyone’s gossip. After reaching the city gate, everyone found that there was indeed a naked middle-aged man hanging on the city wall. Wasn’t he the vice president of the Mystic Association Headquarters!

“Move, move aside!” At this moment, people from the Mystic Association Headquarters arrived. The elder leading the group frowned when he saw Wu Gong.

“Put President Wu down quickly,” the president hurriedly ordered his subordinates. Alas! Who did this? The Mystic Association Headquarters had really lost all their face this time. There were rumors that President Wu committed suicide, but as one of President Wu’s trusted subordinates, he absolutely wouldn’t believe this nonsense!

“Elder Hao, President Wu committed suicide because he wanted to die,” a subordinate reminded. What he implied was that if they meddled and saved President Wu, President Wu might blame them when he woke up. Why don’t they let President Wu go like this!

“Nonsense! Why would President Wu want to commit suicide!” Elder Hao roared furiously. Hmph! It was understandable that those mystics who didn’t know the truth said so, but he didn’t expect his subordinates to think so too. President Wu would be angered to death if he knew!

“Didn’t President Wu commit suicide because he fell into the toilet?” the subordinate said foolishly. He also felt that President Wu was a little too exaggerated, but with President Wu’s identity and status, it was reasonable for him to not accept the fact that he wanted to commit suicide because he fell into the toilet. After all, President Wu was not an ordinary person!

“Do you think that’s possible?” Elder Hao roared angrily. Alas! How could he have such a stupid subordinate!

“That’s possible!” the subordinate replied seriously after some thought.

“Possible my a*s! Let me tell you, that’s impossible! It’s impossible for our President Wu to commit suicide!” Elder Hao roared at the top of his lungs. Immediately, everyone’s gazes were attracted to him!

“What are you looking at? What’s there to see? Disperse. Whoever surrounds here will be expelled from the Mystic Association Headquarters and Alchemist Association Headquarters!” Old Hao threatened as he looked at everyone’s strange gazes.

“Tch, the Mystic Association Headquarters is really becoming more and more depraved. They use expulsion to threaten Mystics all the time. Truly a crooked stick!” someone said from the crowd.

“That’s right! He’s obviously a vice president, but those bootlickers just have to call him president. What a joke. Now, the only vice president who has fallen into the toilet one by one in the Mystic Association for thousands of years. Haha!” someone said with a wild laugh.

“Who? Who said that? Come out if you dare!” Elder Hao roared furiously. He searched several times but didn’t find anyone present with their mouths agape. He was really angry!

Chapter 542: The Unlucky Wu Gong (3)

“Why would I come out just because you asked me to? Who do you think you are!” Cheng Wu, who was invisible and mixed in the crowd, said disdainfully. Those words were said by the few of them just now, but this flattering elder couldn’t find their seats at all. Hehe, this feeling was really too satisfying!

“He’s Mao Gui Wu’s lackey!” Hei Zi said viciously.

“Oh, then he will definitely fall into the toilet. Haha, he has to be Master’s partner!” Cheng Wu predicted and laughed hysterically!

“Who is it? Come out here!” Elder Hao’s lungs were about to explode from anger as he roared while jumping up and down.

“Lackey Elder, I won’t scam. Why don’t you scam for me to see!” Cheng Wu provoked.

“Hurry up and find these two troublemakers!” Elder Hao was so angry that his entire body was trembling as he hurriedly ordered his subordinates.

“Yes,” his subordinates answered helplessly. Then they went to the crowd to search and reported directly, “Elder Hao, we didn’t find the whereabouts of those two people.”

“How is this possible? Could there be a ghost?” Elder Hao roared without caring about his image!

“That’s right. We are ghosts. You won’t be able to find us.” Cheng Wu gave Blackie a look after speaking. The two of them immediately attacked at the same time tacitly, punching and kicking Elder Hao fiercely...

“Aaahhhh! Aaahhhh!” Elder Hao’s painful wail kept coming out of his mouth, making everyone’s hearts tremble!

“There... there’s really a ghost!” Elder Hao’s subordinates were so scared that their faces were pale, their legs were trembling, and their bodies were trembling as they said. That was because they only heard Elder Hao’s painful howl and saw blood constantly seeping out of Elder Hao’s body. However, they didn’t see who attacked, nor did they feel any fluctuation of mystic energy. This was enough to show that the person who beat Elder Hao up was not a human. Uh! Could it be Elder Hao’s enemy? They couldn’t help guessing!

“Save me, save me!” Elder Hao pleaded weakly.

“Elder Hao, how can we save you if we can’t see those ghosts?” the subordinate said very awkwardly. Alas, how could they be a match for the ghosts? Moreover, they didn’t want to be entangled by those evil ghosts after saving Elder Hao.

“Haha, whoever dares to save him will suffer the same fate as him!” Cheng Wu threatened. Indeed, no one dared to move after he said that!

A few minutes later, Elder Hao, who had been beaten beyond recognition, finally fainted from exhaustion. Cheng Wu and Hei Zi clapped their hands as if they hadn’t had enough. Their gazes collided, and they looked at each other with smiles. Then, the two of them tacitly said with slight dissatisfaction, “You really don’t resist the beatings! Your bodies are too weak!”

Hehe, beating someone up with their fists was also quite enjoyable! No wonder Miss’s beasts often used physical attacks in close combat instead of mystic techniques. This feeling seemed to have a greater sense of accomplishment than using mystic techniques! They also learned this move from Miss’s beasts. They tested it today and indeed didn’t disappoint!

Everyone present and Elder Hao’s subordinates couldn’t help but be at a loss for words when they heard the slightly displeased voice coming from the void. They thought to themselves, Aren’t you just pretending after benefiting!

Alas! Poor Elder Hao! This was really an unexpected calamity! Tell me, why did he have to provoke these two unknown jinxes! Great, he was beaten up now! In fact, the mystics present were not fools. How could they not see that it was not a ghost at all? President Wu had obviously offended someone, so he was messed up so badly. How could someone who dared to mess with the Vice President of the Mystic Association Headquarters be afraid of an elder! Therefore, this Elder Hao was a big fool in their eyes now!

Cheng Wu and Hei Zi were about to leave after beating him up when Wu Gong, who had been hanging on the city wall, suddenly woke up!

Wu Gong endured the headache and opened his bloodstained eyes. His brain was still in a daze because of the blow to his head. He looked at the environment in front of him in confusion and asked foolishly, “Where is this? Why am I here?”

“Haha, so our high and mighty Vice President Wu has woken up! Congratulations!” Cheng Wu gloated.

“Where am I? Who are you?” Wu Gong looked down and realized that he was surrounded by people. Moreover, everyone’s gazes were sympathetic and strange! He couldn’t help but be surprised as his mind gradually cleared!

“Vice President Wu, your current location is on the city wall at the city gate. As for me! Just take it that I’m here to collect debts from you, haha!” Cheng Wu said with a fake smile.

“On the city wall?” Wu Gong lowered his head and looked at himself. What he saw almost made him faint again. Damn! Not only was he naked, but his body was also covered in yellow feces. At this moment, he was emitting a foul smell!

“Damn it, who did this? Come out if you have the guts!” Wu Gong’s mind was completely awake. His aura, which had been in a high position for many years, was unleashed. Even though he was in a sorry state, the domineering aura of a superior increased without reduction!

“It’s you! Vice President Wu fell into the latrine, you can’t take the shame so you came to commit suicide at the city gate. We came to watch the commotion when we heard the news,” Hei Zi explained understandingly.

“What are you waiting for? Put me down quickly!” Wu Gong ignored Hei Zi and roared at his subordinates from the Mystic Association.

“Yes, yes.” The dazed subordinates reacted and hurriedly saved Wu Gong from the city wall in a fluster.

“Take off your clothes!” Wu Gong ordered a subordinate with a body similar to his.

“Yes.” The subordinate hurriedly took off his coat and handed it to Wu Gong.

“What happened to Elder Hao?” Wu Gong frowned and asked in puzzlement as he looked at the bloodied Elder Hao lying on the ground after putting on his coat.

“Report, Elder Hao was beaten up by a ghost,” a subordinate reported very seriously with an abnormally serious expression on his face!

“Nonsense! How can there be ghosts in this world!” Wu Gong kicked the subordinate angrily and reprimanded with a displeased face.

Chapter 543: The Unlucky Wu Gong (4)

“President, it’s true.” The fallen subordinate hurriedly got up and said stubbornly.

“Haha! How can our Vice President Wu believe that there are ghosts in the world! He might have done many guilty things, but he won’t believe in retribution.” Cheng Wu’s voice sounded again.

“Who’s pretending there? Show yourself if you have the guts!” Wu Gong roared. The enemy in front of him couldn’t see or touch him. He was really helpless!

“Vice President Wu, do that for me first. If you scam well, I’ll reward you with some money,” Cheng Wu said frivolously, treating Wu Gong as a monkey performing tricks.

“Hmph! So you’re also a coward. You don’t dare to fight me seriously at all. You only know how to scheme in secret!” Wu Gong forced himself to calm down and pretended to be calm.

“Of course there’s no need to deal with shameless people openly! Come and arrest me if you have the ability! Don’t go to the toilet so often in the future if you don’t have the ability! Otherwise, you will still fall down, haha!” Cheng Wu reminded. With that, he quietly left the city gate with Blackie. Hehe, it was time to go back to sleep after watching the commotion!

“Damn it, I won’t let you go!” Wu Gong was so angry that he lost his mind. Countless mystic energy gathered in his hand and were released into the air non-stop because he couldn’t determine the exact location of the enemy, so he could only casually cast it into the void!

“Run! President Wu is crazy!” The surrounding people scattered in fright when they saw the light blue mystic energy wreaking havoc in the sky. Uh! Their lives would be in danger if they were swept by the Mystic Supremacy’s mystic energy!

“President, stop! Stop! They’ve left!” His subordinates hurriedly hid and shouted when they saw the irrational Wu Gong, hoping to stop his madness. Uh! The might and aura of a Mystic Supremacy were not a joke. They did not want to lose their lives even though they were only subordinates!

Wu Gong, who was in a frenzy, ignored their words. He continued to use the mystic energy in his hand until the mystic energy in his body was exhausted. He fell to the ground dispiritedly and murmured, “He really escaped!”

“Yes! Those two people are long gone!” a subordinate said honestly while suppressing his fear.

“Find them! Find them for me. Even if you have to dig up every inch of the ground, find those who dare to oppose me and kill them without mercy after finding them!” Wu Gong’s eyes were bloodshot as he ordered with hatred. Hmph! He had been in charge of the Mystic Association for so many years and had never been bullied so badly. He couldn’t take it lying down if he didn’t find those people and reduce them to ashes!

“Yes,” the subordinates answered hurriedly.

After that, they sent Wu Gong and Elder Hao back to their residence and began searching the world...

Cheng Wu and Hei Zi had already left the city gate when Wu Gong went crazy. They returned to Wu Gong and the others’ temporary residence and sneaked into the empty room.

Everyone in the room, who had been waiting for a long time, asked curiously about the situation at the city gate after seeing the two of them return. Cheng Wu and Hei Zi sang well and described the situation vividly to everyone. Everyone laughed hysterically with joy after hearing this...

After laughing, a Mystic Sovereign couldn’t help asking, “Big Brother Cheng, what should we do next?”

“Hehe, of course we’re going to continue causing trouble!” Cheng Wu said with a smile. It hadn’t even been a day, but Wu Gong was already covered in dirt. Hehe, if they stayed here for a few days, Wu Gong might go crazy!

“Okay, okay, it’s good to cause trouble. It will save us a lot of trouble if we can drive Wu Gong crazy,” a Mystic Sovereign said excitedly. He had never done such a thing in his life. However, it felt quite novel, hehe!

“Big Brother Cheng, what should we continue causing trouble for?” Hei Zi asked excitedly.

“I intend to drug him and make him stay for half a month. Then, I’ll drop a few more latrines, hehe!” Cheng Wu said with a naughty smile.

“Big Brother Cheng, you’re ruthless!” The Mystic Sovereigns looked at Cheng Wu with admiration and praised him. Alas! Big Brother Cheng was such a steady and upright child back then, but he actually learned bad things now!

“Miss’s enemy is our enemy, and being kind to our enemy is being cruel to ourselves, so of course we can’t let ourselves down!” Cheng Wu said righteously, his expression abnormally serious!

“Big Brother Cheng is right. Let’s quickly drug him!” the Mystic Sovereigns said impatiently.

“Okay, I’ll give you the medicine. Let’s split up!” Cheng Wu distributed the medicine Leng Ruoxue gave him to everyone. Then, everyone split up to administer the medicine...

Wu Gong and the others were in deep trouble the following days...

Wu Gong had suffered, and Sun Wei, Wu Gong’s ally, naturally would not have it easy...

As the overall in-charge of this matter, Cheng Wu divided his team into two groups. He oversaw the mansion where Wu Gong was, and he handed in another relatively stronger Mystic Sovereign, Song Di, to be in charge of Sun Wei’s place!

After the explosion of the Alchemist Association, Sun Wei arranged his residence in the inn in Carefree City, which was second only to the Carefree Pavilion. He also booked the inn as the temporary construction site for the Alchemist Association.

At the inn where Sun Wei was staying.

Song Di and the others were hiding in the empty room next to Sun Wei’s room. At this moment, they were discussing a strategy in the room. They already knew about Wu Gong and were deeply inspired. Therefore, they had been discussing how to not be inferior to what Cheng Wu and the others had done!

“Big Brother Song, Wu Gong lost his face. We can’t fall too far behind,” a Mystic Sovereign couldn’t help but say.

“Yes, we have to discuss it properly and see how we can leave a deep impression on Sun Wei!” Song Di agreed with his partner’s words and said with a naughty smile.

A soft moan sounded from the next room as everyone was discussing. They immediately perked up when they heard that. Everyone looked at each other and smiled tacitly before leaving the room...

Chapter 544: Sun Wei’s Ending (1)

At the door of Sun Wei’s room, everyone turned invisible and listened for a while. Then, Song Di gently pushed open a crack in the door and threw a small pill into the room...

After waiting for a while, a scream suddenly sounded in the room, followed by the angry voice of a woman!

“What’s the matter with you? Why did you suddenly become like this?” Lan Ning’er’s beautiful face was full of displeasure in the room. This man was really too useless. He actually couldn’t continue anymore. Alas! How irritating!

“I don’t know either. It was fine just now!” Sun Wei’s face was equally depressed. He couldn’t understand what was wrong with him. He obviously wanted it very much, but a certain part of him was disappointing!

“Did you indulge too much and do it too many times?” Lan Ning’er questioned with a face full of disbelief. At this moment, she was thinking that Sun Wei must have gone to find another woman, which was why he was so powerless in front of her!

“Ning’er, you have to believe me. There’s really no one else but you,” Sun Wei promised sincerely. Boohoo... Why was Ning’er so unreasonable! He was with Ning’er almost every day. He had to have the time to find other women even if he wanted to!

“Then what’s going on? Hmph! We won’t be done if you don’t explain it to me clearly!” Lan Ning’er said stubbornly.

“Ning’er, I really don’t know. Perhaps the pressure has been too great recently!” Sun Wei guessed. Something kept happening around him these two days, but he couldn’t find the instigator. How could he not be angry!

“In that case, rest early today!” Lan Ning’er said impatiently. She despised Sun Wei’s uselessness in her heart. She even felt that this man’s mental endurance was too poor. If Brother Leng encountered such a matter, he definitely wouldn’t be as useless as him!

After speaking, Lan Ning’er turned around and went to sleep with her back facing Sun Wei!

“Ning’er!” Sun Wei’s already annoyed heart became even more depressed seeing Lan Ning’er’s actions!

Sun Wei lay beside Lan Ning’er and listened to her even breathing, but he couldn’t sleep for a long time...

After some time, Sun Wei felt his sexual desire again, and even that desire became stronger. Moreover, a certain part reacted again...

After a while of silence, Sun Wei felt that not only was he unable to suppress the burning desire, it was becoming more and more intense. He had no choice but to wake Lan Ning’er up and roll over to press her down...

“What are you doing?” Lan Ning’er opened her eyes and questioned with a displeased face. She was already asleep, but Sun Wei actually woke her up. Hmph! She would definitely not let Sun Wei go if he couldn’t give her a reasonable explanation.

“Ning’er, I want it, I want it so much!” Sun Wei’s hands kept swimming around Lan Ning’er’s red fruit body, and his hot lips kissed Lan Ning’er’s snow-white skin!

“You want it? Can you do it or not?” Lan Ning’er questioned impatiently. She didn’t want Sun Wei to fail again halfway. One had to know that the feeling of neither going up nor down was very uncomfortable.

“You’ll know if I can do it or not if you try!” Sun Wei said angrily. No man could bear Lan Ning’er’s doubts, and he was naturally no exception!

But Sun Wei couldn’t keep it up again in no time...

“You’re really too useless!” Lan Ning’er roared furiously. Her sexual drive was just aroused when Sun Wei collapsed weakly again. How could she not be angry!

“Ning’er, don’t be angry. I’ll try again!” Sun Wei said angrily. Hmph! He didn’t believe that he couldn’t finish it!

After giving up and trying a few more times, Sun Wei still couldn’t harden up. Lan Ning’er completely lost her patience and was even angrier!

“Sun Wei, you’re really too useless!” Lan Ning’er roared angrily. Hmph! He couldn’t even be a normal man. She really didn’t know what else this man could count on him for.

“Ning’er, this was an accident. Really, I promise!” Sun Wei quickly coaxed. He might be unable to make himself lose face as a man, but he really didn’t think that this was his problem. He always felt that he was normal!

“An accident? What can you guarantee?” Lan Ning’er’s beautiful eyes glanced at Sun Wei, obviously not believing his words.

“Ning’er, let’s try a few more times! I definitely won’t have any problems,” Sun Wei discussed.

“Do you still want to do it? How long do you want to torment me for!” Lan Ning’er was angry. She was aroused but couldn’t get off everytime. This feeling was not good, so she really couldn’t cooperate with Sun Wei anymore!

“Let’s try a few more times. It will definitely work,” Sun Wei said, unwilling to give up. He couldn’t believe that he really couldn’t. After all, if he couldn’t do this, it would be a fatal blow to any man.

“Do it yourself if you want to. I’m going to bed!” Lan Ning’er said coldly. Then she turned her back to Sun Wei and went to sleep.

“Ning’er!” Sun Wei called out softly, but Lan Ning’er didn’t give him any response. This made him even more annoyed. Moreover, the fire in his body began to stir again for some reason!

Sun Wei looked at his excited self and pressed down on Lan Ning’er without any explanation. Lan Ning’er was woken up by his actions again. She glared at him with a displeased face and said, “What do you want to do?”

“I said I want it!” Sun Wei continued...

However, Lan Ning’er was a little impatient by his slightly crude actions. She swatted away Sun Wei’s large hand that was wandering on her body and roared furiously, “Don’t touch me!”

“You are my woman. Who else should I touch if not you?” Sun Wei’s anger rose. He also didn’t feel good repeating this torment! And Lan Ning’er was so uncooperative, so this couldn’t help making him a little angry!

“Let’s talk about it when you can do it!” Lan Ning’er’s beautiful face was full of disdain. What she implied was that he couldn’t do it now!

“I can do it now!” Sun Wei roared furiously. Then, he ignored Lan Ning’er’s refusal and wanted to use force...

A few minutes later, Sun Wei couldn’t keep it up anymore again...

Chapter 545: Sun Wei's Ending (2)

"This is what you mean by you can do it now?" Lan Ning'er was so angry that her entire body was trembling. She had been tormented countless times in this short period of time. Moreover, Sun Wei, who always doted on her, actually used force on her. However, it was fine if he used force to finish it, but the result was the same every time. The repeated torment made her lose all her patience, and the contempt for Sun Wei in her heart gradually deepened...

"I'm sorry. I didn't do it on purpose. Ning'er, don't be angry with me," Sun Wei said guiltily.

"Can I sleep now?" Lan Ning'er asked coldly. The word 'impatient' was obvious on her face, and the disdain in her beautiful eyes was already too lazy to hide!

"Sleep! I won't touch you anymore today," Sun Wei said helplessly. Alas! He didn't blame Ning'er because his mood was not much better than Ning'er's!

"I'm going to bed." Lan Ning'er turned around and went to sleep with her back facing Sun Wei.

Sun Wei sat alone until dawn and had a sleepless night...

The few people hiding in the room next to Sun Wei also had a sleepless night. However, they were different from Sun Wei. Sun Wei was so depressed that he couldn't sleep, but they were too excited to watch the commotion and had insomnia!

"Hehe, Big Brother Song, you're really evil. You actually tormented Sun Wei repeatedly. At this rate, I think it won't be long before he becomes impotent even if we don't drug Sun Wei anymore," a Mystic Sovereign said with a wretched smile, gloating.

"Hmph! Who asked him to provoke our Miss? So what if he's from the Sun family? We'll still teach him a lesson!" Song Di said nonchalantly. He had always had an unruly character. He had really never submitted to anyone except Leng Ruoxue. Sun Wei might be from the Sun family, one of the three major families, but Sun Wei was nothing in his eyes!

"That's right. We have to teach him a lesson no matter who he is!" another Mystic Sovereign echoed.

"Yes, yes." The Mystic Sovereigns nodded in unison.

Just like that, a few Mystic Sovereign powerhouses hid in the guest room and found small trouble for Sun Wei and Lan Ning'er from time to time. In just a few days, Sun Wei and Lan Ning'er became dispirited and lost a whole lot of weight.

In the room.

Sun Wei and Lan Ning'er sat on the bed in the room with their heads lowered, thinking about something...

"Ning'er!" Sun Wei finally spoke after a long silence.

"What is it?" Lan Ning'er said indifferently with a very cold attitude.

"Ning'er, don't be like this, okay?" Sun Wei said helplessly. Alas! He knew that Ning'er had been very unhappy these few days, but he also felt uncomfortable in his heart!

“Then what do you want me to do?” Lan Ning’er roared furiously. Sun Wei wanted to try every day during the past few days, but it didn’t work every time. In the end, she was unwilling to cooperate, so Sun Wei directly used force. This made her feel abnormally disgusted!

“Ning’er, I’m sorry, but I really don’t think it’s my fault,” Sun Wei explained. In fact, he had a very strong feeling every time, but he just couldn’t complete it every time!

“It’s not your problem. Could it be mine?” Lan Ning’er glared with her beautiful eyes and questioned very unpleasantly. This man obviously couldn’t satisfy her anymore, but he always pretended to be strong. In the end, it made the two of them abnormally painful!

“This... That’s not what I mean. I think someone is messing with me!” Sun Wei voiced his doubts. For a few days, there was no reaction whenever he wanted to do it. When he gave up, the feeling was very strong, so he suspected that someone was scheming in the dark!

“Hmph! Stop finding excuses. You’re obviously the one who is unable to do it anymore!” Lan Ning’er said disdainfully. There were rumors outside that Sun Wei was impotent now, so she also believed it. And if that was the case, it was impossible for her to hang out with Sun Wei anymore!

“Ning’er, why can’t I? I’m very healthy. Don’t listen to the rumors outside!” Sun Wei quickly coaxed. He knew that there were many rumors that were disadvantageous to him outside now, but he had never been able to capture the person who spread those rumors, so this made him very depressed!

“You can? It’s been a few days. Have you satisfied me even once? Sun Wei, if you can’t find the reason, then there’s no need for us to be together!” Lan Ning’er directly gave an ultimatum.

“Ning’er, can you not be like this? You have to believe me. Someone is really messing with me. I suspect it’s Leng Ruoxue and the others,” Sun Wei said with certainty.

“Is that so? Then quickly capture that ugly freak!” Lan Ning’er roared. Leng Ruoxue’s name was like a nightmare to her now, so she would lose her reason from anger as soon as she heard this name!

“Ning’er, don’t worry. I’ve been sending people to look for their whereabouts. President Wu is also sending people to look for them!” Sun Wei comforted. President Wu wanted to find the whereabouts of Leng Ruoxue and the others more than him. Therefore, he sent many people to look for them, but they still found nothing. Now, President Wu had diarrhea every day, and his road was basically a little unstable! Therefore, President Wu was much worse than him.

“There are so many of you looking for Leng Ruoxue, and you’ve been looking for her for so many days. Logically speaking, Carefree City should have been searched several times already. Why haven’t you found her yet?” Lan Ning’er asked with a face full of doubts. She really doubted if they had done their best to look for her. If they had really been looking, why hadn’t they found a single strand of Leng Ruoxue and the others after so many days!

“Ning’er, we’ve almost turned Carefree City upside down. We’ve sent people to check every inn and residence, but there’s none! Alas! I don’t know which rat hole they’re hiding in!” Sun Wei said very gloomily. He couldn’t find the whereabouts of the person he wanted to find, but he couldn’t find anyone. This made him very angry!

“Then what should we do? Are we going to continue like this? We won’t be able to have peace every day if we can’t find the whereabouts of Leng Ruoxue and the others!” Lan Ning’er was a little angry from embarrassment. Sun Wei had been experimenting non-stop these few days, provoking her every time. However, he was not responsible for watering her. She had not been satisfied for many days. This prevented her anger from accumulating and her temper from growing!

Chapter 546: Sun Wei’s Ending (3)

“Ning’er, calm down first. I know you hate Leng Ruoxue. In fact, I also want to chop her into pieces, burn her bones, and scatter her ashes. However, the prerequisite is that we have to find them! Otherwise, we can only sulk ourselves!” Sun Wei stretched out his arms and hugged Lan Ning’er to console her!

“I don’t know where is Leng Ruoxue hiding? Why can’t we find them! By the way, did you search the Lan family’s yard?” Lan Ning’er suddenly asked. It was normal to let them stay in the Lan family’s yard with Lan Lie’s relationship with Leng Ruoxue. However, she hadn’t heard that Lan Lie was also in Carefree City!

“Yes, they are not in the Lan family’s yard,” Sun Wei said helplessly. They had almost dug three feet into the ground in Carefree City, but they could not find the whereabouts of Leng Ruoxue and the others.

“Then where will they hide? Could they really burrow underground?” Lan Ning’er couldn’t help guessing.

“Probably not. They’re probably hiding!” Sun Wei said with certainty. This conclusion was obtained after discussing with President Wu. The two of them didn’t believe that Leng Ruoxue and the others had already left Carefree City because they had been fooled these few days!

“Are you sure they haven’t left yet?” Lan Ning’er asked doubtfully.

“They definitely didn’t leave. Otherwise, we wouldn’t have been fooled by others!” Sun Wei was very sure of his guess.

“So what if they didn’t leave? We can’t find them at all. Moreover, we’re in the open, and they’re hiding in the dark. They can deal with us however they want, but we can’t find them at all!” Lan Ning’er said gloomily. This helplessness was really too unbearable! She didn’t know if she would go crazy if this continued!

“Ning’er, don’t worry. Bear with it for a few more days. We will definitely find them,” Sun Wei coaxed.

“Alright! I’ll give you half a month. I’ll leave Carefree City if you can’t find her by then!” Lan Ning’er said her thoughts.

“Are you leaving me?” Sun Wei said in disbelief. Ning’er was already his woman, but she still wanted to leave him. Hmph! He would never allow that!

“What else can we do? I don’t want to worry all day about someone coming to cause trouble, but we are unable to capture her,” Lan Ning’er said nonchalantly.

“Ning’er, you’re already my woman now,” Sun Wei reminded.

“Hmph! So what? You’re so useless. I probably won’t have a good life with you. It’s better to leave as soon as possible!” Lan Ning’er said nonchalantly. In fact, she didn’t like Sun Wei at all. The reason why

she mixed with him was only to borrow Sun Wei's current power. Therefore, it was only right for her to leave since Sun Wei couldn't satisfy her now.

"Ning'er, I won't let you leave me," Sun Wei said very seriously. Ning'er was his, even in death. He would never allow his woman to lie under another man and beg for love!

"You're so useless. You can't even capture a woman, and you are impotent now. What's the point of me being with you?" Lan Ning'er's beautiful face was full of disdain.

"I said that someone is messing with me. I'm a normal man!" Sun Wei roared angrily. He was abnormally angry at Lan Ning'er's doubts. However, he couldn't do anything to Ning'er. After all, Ning'er was the woman he liked!

"Then quickly go and catch her? What's the use of just telling me!" Lan Ning'er rolled her eyes at Sun Wei and didn't pity his encounter because Sun Wei was already on the same level as useless in her eyes!

"Don't worry, I'll definitely capture them. I'll let you know that your man is a hundred times stronger than all men!" Sun Wei roared. After shouting, he abandoned Lan Ning'er and left the inn angrily alone!

After Sun Wei left, Song Di and the others followed him until they followed the depressed Sun Wei into a deserted forest...

Sun Wei walked without feeling anything. Suddenly, his vision darkened, and then he lost consciousness. He didn't know anything. When he woke up, he found himself in an unfamiliar place...

"Where is this place?" Sun Wei couldn't help muttering to himself. The fear in his heart gradually deepened as he looked at the white surroundings...

"This is hell! Haha, Sun Wei, I didn't expect this day to come for you!" Zheng En's voice sounded from the empty corner!

"You are Zheng En? Zheng En, quickly come out. Don't pretend to be mysterious," Sun Wei shouted fearfully. Cold sweat couldn't help flowing down his forehead!

"Hehe, do you think there's a need for a dead person to pretend?" Zheng En said with a light smile, his voice abnormally cold as if it was transmitted from afar!

"Dead person? You're dead? No... That's impossible!" Sun Wei would not believe that Zheng En really died. In his heart, Zheng En was an unkillable cockroach. Otherwise, he would not have chased Zheng En for more than a decade but Zheng En was still alive and well!

"What's impossible? Didn't a huge explosion happen in your Sun family's yard? Do you think I can dodge it in my current state?" Zheng En asked coldly.

"You... Weren't you rescued by your master?" Sun Wei questioned doubtfully.

"I want to, but my young miss doesn't know my current situation. How can she come to save me? I died in the explosion that time," Zheng En explained.

"Then... Then what about your master? He's a Mystic Supremacy. He can't be dead too, right?" Sun Wei probed.

“Didn’t you lock Master up? Why are you asking me?” Zheng En pretended to be in disbelief.

“He ran away!” Sun Wei said gloomily. He wouldn’t be so nervous if Du Min hadn’t run away. He was on tenterhooks all day because he was really afraid that Du Min would seek revenge on him!

“Are you sure my master escaped and wasn’t killed by Wu Gong?” Zheng En asked doubtfully.

“Yes... He really escaped. President Wu didn’t kill him!” Sun Wei said honestly. He was very sure about this.

Chapter 547: Sun Wei’s Ending (4)

“But I don’t believe you because I did not see my master. However, I want to know what happened to your master, you bastard who bullies your master and destroys your ancestors!” Zheng En scolded. He really hated Sun Wei’s actions because alchemists like Sun Wei who betrayed their masters and destroyed their ancestors in this world were absolutely considered strange!

“I... I was forced too. I didn’t want to,” Sun Wei pretended to be pitiful.

“Nonsense, who forced you? It’s obvious that you have ulterior motives, and you still have the cheek to quibble! Sun Wei, as a man, you have to be daring. You’re not worthy of being a man at all!” Zheng En’s voice was full of disdain, and the temperature here suddenly dropped a lot just as he finished speaking!

“I... I...” Sun Wei crossed his arms in front of his chest and couldn’t speak properly. Why was it suddenly so cold? What was going on? He couldn’t understand. Could Zheng En really be dead? That was impossible, right? He still couldn’t believe it!

“What about you? You are a scumbag, a bastard, a scumbag who bullies his master and ancestors. You will not have a good end,” Zheng En said disdainfully.

“Zheng... Zheng En, don’t pretend. Come out if you have the guts.” Sun Wei gathered his courage and roared loudly. The place he was staying now was gloomy. Moreover, he could only hear Zheng En’s voice but couldn’t see him. This made the pressure in his heart very big, and the fear in his heart deepened!

“I said I’m dead. Don’t you understand human language? Moreover, do you think ghosts have guts?” Zheng En said with a light smile. Sun Wei’s heart was not so good compared to his relaxed mood.

“You... Can you tell me where this is first?” Sun Wei composed himself and asked. He was skeptical of Zheng En’s words, but he didn’t even know where this place was. This made the pressure in his heart increase!

“This is a place where only people who have done bad things will come. Hehe, so you’re here!” Zheng En gloated. He felt so good seeing Sun Wei’s pale face and trembling body in the dark!

“No... That’s impossible. Aren’t you here too?” Sun Wei hurriedly asked in return.

“Haha, I’m here to seek revenge on you. You don’t know, right? The Underworld Lord already knows what you did, so he’s very angry at you for deceiving your masters and destroying your ancestors and framing your friends. He also agreed to let me come find you personally to seek revenge. This is

probably the so-called retribution for evil! You've done too many bad things. You won't have a good life even if you go to hell!" Zheng En said with a smile, his laughter seemed to have the joy of having avenged a great enmity!

"No... I didn't. I was forced!" Sun Wei still wanted to quibble.

"Forced? Who forced you?" Zheng En questioned coldly. He was really very disappointed with Sun Wei's true nature. He also couldn't understand why he treated Sun Wei as a lifelong friend back then. His taste was really not good!

"Of course it's my family. You're not me. You don't know how much pressure I'm under," Sun Wei said pitifully.

"Stress? Can you frame me just because you're stressed?" Zheng En questioned.

"I don't have a choice either! If I don't do that, I won't be of any use in the family. I don't want to become an abandoned son, so I have to become the disciple of the Alchemist Association's president. That way, I will have a place in the family." Sun Wei said honestly, his face still full of fear!

"Hmph! You did all the bad things yourself, and you actually said that your family forced you. Sun Wei, I find that your skin is really extraordinarily thick!" Zheng En snorted coldly and said mockingly.

"Really, I had no choice either! You were my biggest rival back then. I wouldn't have had the chance if I didn't frame you. Boohoo... I didn't want to. I really didn't want to!" Sun Wei said with a slight sob, as if he had suffered a lot.

"Sun Wei, don't quibble anymore. You obviously have ill intentions, but you actually said that you were forced. Are you a man or not? It's really embarrassing for a man to be like you," Zheng En said disdainfully.

"I... Of course I'm a man, but I'm not anymore. I'm even impotent now. Boohoo..." Sun Wei even used such a reason in order to live. He thought he knew Zheng En very well, so he knew that the more he pretended to be pitiful, the greater his chance of survival.

"Sun Wei, you're really too shameless." Zheng En was speechless. Sun Wei was really unscrupulous in order to survive! He actually abandoned the dignity of a man!

"I'm telling the truth. I really am impotent. Boohoo..." Sun Wei cried. This matter was very embarrassing but it was better than losing his life!

"Sun Wei, stop pretending to be pitiful. I won't pity you," Zheng En said coldly. Hmph! Sun Wei really underestimated him. Did he think he was still the overly kind man from back then?

"Then... then what do you want? I can do anything as long as you let me go," Sun Wei pleaded. He didn't want to die, Boohoo...

"Tell me how you framed me back then! If you satisfy me, I might consider pleading with the Underworld Lord to let you live!" Zheng En said after some thought. He had to let Sun Wei reveal the truth himself. Only then could he completely wash away his innocence. Otherwise, all the arrangements made by Miss would be in vain.

“Will you really let me go if I tell you?” Sun Wei said uncertainly.

“Of course. The Dark Lord said that this is our personal grudge. He won’t pursue it if I’m willing to let you go,” Zheng En said very sincerely.

“Okay, I’ll tell you!” Sun Wei hesitated but still said.

“Tell me quickly, I’m listening!” Zheng En urged.

“Zheng En, you are actually a very good friend. I’m sorry,” Sun Wei said emotionally.

“Stop talking about this. I don’t want to hear it. Just tell me how you framed me,” Zheng En said without any emotion.

“Do you still remember that patient from back then?” Sun Wei asked.

“Yes,” Zheng En answered. How could he not remember? It was said that the patient died because he took the pill he refined.. At the same time, it changed his fate.

Chapter 548: Reward (1)

“In fact, that person didn’t die at all. He recovered quickly after taking the pills you refined. I gave him benefits, so he was willing to cooperate with me to frame you!” Sun Wei explained.

“He didn’t die? Then where is he now?” Zheng En asked while suppressing his anger. He really didn’t expect his momentary kindness to cause him an undeserved calamity!

“I don’t know either. However, he should be living a good life now because I gave him a lot of money back then,” Sun Wei said.

“Living a good life? Sun Wei, why didn’t you kill that person to silence him? Didn’t you silence many people who worked for you back then?” Zheng En said in puzzlement.

“I wanted to kill him, but that person was very cunning. He slipped away by himself before I could do anything. I’ve never found his whereabouts!” Sun Wei said gloomily. Alas! He wouldn’t have chased Zheng En for more than a decade if that person hadn’t disappeared!

“I didn’t expect you to fail as well,” Zheng En said coldly.

“Yes, I didn’t expect him to slip away so quickly either,” Sun Wei said with slight regret.

“Sun Wei, you did all sorts of bad things and bullied your master and ancestors. Don’t you have nightmares at night?” Zheng En asked very curiously.

“I didn’t. I was forced.” Sun Wei defended himself.

“Haha, Sun Wei, I’ve lived for so long, but this is the first time I’ve seen someone as thick-skinned as you,” Zheng En said disdainfully.

“I had no choice,” Sun Wei emphasized.

“Sun Wei, was there any other reason why you framed me back then besides being jealous of me?” Zheng En couldn’t understand. If it was just jealousy, he shouldn’t have been tortured to death!

“No. I want to become the disciple of the president of the Alchemist Association. However, your existence is too much pressure on me, so I had no choice but to attack you. In fact, I also treat you as a friend.” Sun Wei tried to move him with affection because he thought he knew Zheng En very well. Zheng En had always been a very kind and righteous man in his heart. Otherwise, he would not have successfully framed him back then.

“Sun Wei, don’t insult my intelligence. You’ve never treated me as a friend. You approached me with a reason from the beginning,” Zheng En said very coldly. He really didn’t expect Sun Wei to still want to use his kindness now. Alas! Did Sun Wei really think he was still the Zheng En from back then?

“I’m telling the truth.” Sun Wei’s attitude was abnormally sincere.

“Sun Wei, no one will believe you anymore, including your master,” Zheng En reminded kindly.

“Master? Where is my master? I want to see my master!” Sun Wei heard the word master as if he had grabbed onto a life-saving straw.

“Sun Wei, don’t waste your energy. Your master doesn’t want to see you.” Zheng En looked at the middle-aged man beside him and said honestly.

“No, no. Master won’t treat me like this.” Sun Wei didn’t believe that his master, who had always loved him, would not recognize him!

“You don’t even acknowledge your master anymore. It’s only right for your master to treat you like this,” Zheng En reminded.

“I was forced. I was really forced. Master, believe me, save me. I don’t want to die!” Sun Wei shouted crazily, but he didn’t receive any response. Even Zheng En’s voice disappeared...

In the forest.

Leng Ruoxue looked at the dozens of old men with different expressions around her. These old men were the elders of the Alchemist Association who were once locked up by Sun Wei. Sun Wei’s master, Ren Li, was naturally among them.

“Now that you know the truth, do you have anything to say?” Leng Ruoxue raised her eyebrows and asked coldly. She wouldn’t care about the lives of these old men at all if it weren’t for the sake of justice for Zheng En!

“We...” An elder wanted to say something, but he didn’t know how to say it!

“We what? So? Is returning justice to my subordinates making things difficult for you? In that case, there’s no need for you to live anymore!” Leng Ruoxue said very ruthlessly.

“You can’t kill us! We are respected alchemists!” another elder said in disbelief.

“Respected alchemists? Haha, this is too funny. In my eyes, you are just stray dogs. Since I saved you but you can’t be used by me, then there’s no point in you living. I don’t raise idle people. Transcend as early as possible!” Leng Ruoxue said with a light smile.

“Xue’er, they won’t be able to reincarnate even if they die,” the freak said gloatingly.

“That’s true. I’ll keep their souls for refining pills. It’s said that in ancient times, there was a pill that required souls to refine,” Leng Ruoxue said lightly.

“Lass, you know that too?” the little old man said in surprise.

“Yes, Grandpa Du, do you know that too?” Leng Ruoxue asked in return.

“Haha, lass, I also read about it in an ancient book. I heard that pills with souls added could be nurtured into pill spirits,” the little old man said with great interest.

“Grandpa Du, let’s refine a pill spirit after we find all the herbs. It will save us a lot of trouble with the pill spirit!” Leng Ruoxue suggested. Her beautiful eyes kept circling the dozens of elders as if she was looking for a suitable soul!

Leng Ruoxue’s conversation with the little old man made the hair on the bodies of the elders present stand on end. Boohoo... This woman was really too ruthless. They didn’t want to be refined into pill spirits!

“Okay. Hehe, I’m afraid only you can refine an alchemist spirit! Well, my good disciple also has a chance,” the little old man said with envy. The conditions for refining an alchemist spirit were very stringent. Apart from having a soul, the requirements for alchemists’ flames were also very high! There was no way to refine a soul unless it was a divine flame.

“Yes, there are so many souls. If we find enough herbs, we should be able to refine many pill spirits. Grandpa Du, I’ll give each of you one then,” Leng Ruoxue said very generously.

“Hehe, Lass, I’ll wait for you to say that. Leave the soul extraction to me. I know how to do it!” the little old man volunteered. Hmph! These elders really didn’t care about face. They actually dared to put on airs at a time like this. The lass would not tolerate them!

Chapter 549: Reward (2)

“Okay, Grandpa Du, then I’ll have to trouble you to deal with these people first. They occupy too much space!” Leng Ruoxue said very disdainfully. Hmph! She wouldn’t have saved them if she knew they were so stubborn!

“Okay, no problem. Leave it to me,” the little old man replied. Then he raised a hand above his head and prepared to attack!

“Wait.” Leng Ruoxue suddenly stopped the little old man before he could do anything.

“Lass, don’t be soft-hearted! Some people are not worth it,” the little old man advised.

“Grandpa Du, you’re mistaken. I want them to pay for the rooms and meals over the past few days. I’m not obligated to raise them for nothing,” Leng Ruoxue explained with a smile. After saving these people, she hid them in the guest room she booked for Carefree Hall, so she paid for their meals and lodging these few days!

“Yes, that makes sense. Return the money you owe the girl first, and then I’ll deal with you.” The little old man nodded and ordered the dozens of elders with very ugly expressions.

“Your Excellency Du Min, your status in the Alchemist Association is extraordinary. How can you help outsiders bully us?” an elder questioned with slight dissatisfaction. In fact, he didn’t think Du Min would really kill them, so he was fearless!

“Outsiders? To me, you are the outsiders,” the little old man said emotionlessly, despising these elders who still couldn’t see the situation clearly.

“Your Excellency Du Min, everything is negotiable. It’s really a little difficult for us to seek justice for Zheng En now,” another elder mediated.

“What do you mean?” The little old man narrowed his eyes and asked lightly.

“Your Excellency Du Min, you should be aware of the situation in the headquarters. We are also being investigated by the headquarters now, so we have no way to clear Zheng En’s name,” the elder explained with a troubled expression.

“Yes!”

The other elders quickly echoed.

“Do you mean that you want us to help you snatch back the Alchemist Association Headquarters?” Leng Ruoxue asked with a light smile, her beautiful face full of realization. Hmph! These old foxes finally revealed their fox tails!

“If you are willing to help, we will immediately clear Zheng En’s name after we obtain control of the headquarters,” the elder said hurriedly. He might not have interacted with Leng Ruoxue for long, but he was very impressed with Leng Ruoxue’s methods.

“You’re negotiating with me!” Leng Ruoxue said indifferently, no joy or anger on her beautiful face!

“Uh! We just hope that Miss Leng can help,” the elder said very sincerely.

“No! We don’t care even if you can’t clear Zheng En’s name. Anyway, the Alchemist Association has been laid to waste. Isn’t it not so important to clear her name!” Leng Ruoxue said nonchalantly. Hmph! The person who could threaten her hadn’t been born yet! How could she be threatened by a few disheveled old men!

“...”

The elders were stunned. None of them expected Leng Ruoxue to refuse so directly. This was a little unexpected and also made them not mentally prepared because this was far from what they had originally imagined! The reason why they didn’t immediately agree to return Zheng En’s innocence was also because they hoped to hold the initiative in the negotiation. However, Leng Ruoxue actually didn’t play according to the rules!

“Miss Leng, what should we do to make you willing to help us?” Another elder couldn’t help asking. Sun Wei was in Leng Ruoxue’s hands, and they couldn’t take back the authority of the headquarters with their strength, so they really needed Leng Ruoxue’s help.

"It's impossible for me to help you, but you can pay me. I can help you if the remuneration is satisfactory." Leng Ruoxue said with a light smile. In fact, she had decided to ruthlessly kill them since she sent people to save these old men! Who asked them to actually dare to bully her people! Hmph!

"Then how much do you want, Miss Leng?" an elder asked while enduring the pain.

"Not much. I just want two-thirds of your headquarters' assets," Leng Ruoxue said very kindly.

"..."

Cold sweat broke out on the foreheads of the elders, and their hearts fluttered. Wasn't two-thirds more than that? One had to know that it was the wealth accumulated by the Alchemist Association for thousands of years! Two-thirds of it was gone in an instant by her exorbitant demand! It was really too despicable!

"What? You can't bear to? Then forget it." Leng Ruoxue shrugged her shoulders nonchalantly.

"Erm... Miss Leng, can we discuss it?" an elder asked.

"Okay, discuss it nicely. However, my patience is limited," Leng Ruoxue warned, implying that she would not wait for them for long.

"Okay," the elders replied. Then they walked to another corner and discussed it!

"Miss, will they agree?" Zheng En asked curiously. Just as Miss said, it was no longer important if the Alchemist Association did not clear his name because Sun Wei had already said it himself, and many people had already heard it. This was enough for him!

"Yes," Leng Ruoxue said with certainty.

"Little Snowy, you're ruthless!" Lan Ming said with admiration. Boohoo... He realized that the price Little Snowy offered him was already considered very cheap!

"We have to attack when the time comes! Who asked them to care so much about the Alchemist Association!" Leng Ruoxue said with a smile. Those who dared to bully her and dared to threaten her had to pay the price!

"Miss, what should we do with Sun Wei?" Zheng En suddenly asked.

"Do you want to kill him?" Leng Ruoxue asked in return. Sun Wei was now in an illusion that she got Confound to set up. That illusion had a huge impact on people's hearts and would cause them to hallucinate. That was why Sun Wei thought he was really in hell, and fear had already taken root in his heart!

"No, I don't want to dirty my hands." Zheng En thought for a while and said. In fact, he really wanted to kill Sun Wei with his own hands previously, but now he felt that there was no need because Sun Wei's spirit in the illusion had already been greatly stimulated. There was no sense of accomplishment even if he killed Sun Wei now!

Chapter 550: Reward (3)

“Then hand him to Confound!” Leng Ruoxue signaled the little white snake wrapped around her wrist to get rid of Sun Wei after speaking!

The little white snake understood and quietly slid down Leng Ruoxue’s wrist, crawling toward the illusion it had set up...

Half an hour later.

The elders of the Alchemist Association returned to Leng Ruoxue and the others.

“Miss Leng, we’ve already discussed it. If you can help us take back control of the Alchemist Association, we are willing to pay two-thirds of our assets as remuneration!” an elder said as a representative. Even though two-thirds of their assets made them feel pain, it was better than losing the Alchemist Association!

“Those who know the truth are outstanding. Your decision is wise,” Leng Ruoxue praised.

“I wonder when will Miss Leng be able to help us take back the Alchemist Association Headquarters?” the elder continued asking.

“Anytime if you’re not afraid of Wu Gong finding trouble with you,” Leng Ruoxue replied with a light smile.

“Uh! Erm...” The elder was a little depressed because they were not sure if Wu Gong would cause trouble for them now. However, they wanted to take back the headquarters quickly. Boohoo... How conflicted!

“You have to think carefully!” Leng Ruoxue reminded.

“Miss Leng, we’ve decided to take back the headquarters as soon as possible.” The elders exchanged glances before an elder spoke.

“Okay, but I can only cooperate with you in the dark. The main force to snatch back the Alchemist Association is you!” Leng Ruoxue said.

“Okay.” The elders nodded. Wu Gong’s problem was not resolved. They couldn’t ask Leng Ruoxue to help openly. They didn’t want to be Wu Gong’s first target!

“Then plan carefully. Tell me if you need my cooperation. By the way, don’t forget to pay for the room and food!” Leng Ruoxue said in a good mood.

“Uh!” The elders were collectively speechless. They had already paid two-thirds of the Alchemist Association’s assets as remuneration. Why did Leng Ruoxue still remember the small money for rooms and meals!

“Sun Wei’s matter has been resolved. Let’s return to the inn quickly!” Leng Ruoxue pulled the freak directly out of this uninhabited forest, Zheng En and the others following closely behind.

Leng Ruoxue and the others walked directly into the living room after returning to the Carefree Pavilion.

After sitting in the chair, Leng Ruoxue looked around at everyone in the hall and said, “Song Di, you did well.”

“Thank you for the compliment, Miss. Is there anything else you need us to do?” Song Di asked expectantly. Their mission was relatively easier because Sun Wei was too weak and there were no powerful experts around him!

“Have you dealt with Sun Wei’s subordinates?” Leng Ruoxue asked.

“It’s been settled,” Song Di reported.

“Oh, then go and help those elders from the Alchemist Association!” Leng Ruoxue said after some thought.

“Miss, the people from the Alchemist Association Headquarters are not strong. They don’t need so many of us!” Song Di said carefully. In fact, he wanted to help Big Brother Cheng and the others deal with Wu Gong, but he didn’t know if Miss would agree.

“Then go and help Cheng Wu. The others will help those elders,” Leng Ruoxue said understandingly.

“Miss, we also want to...” a Mystic Sovereign said with some difficulty. He stopped mid-sentence.

“Go to Cheng Wu after you’re done with the Alchemist Association’s matters,” Leng Ruoxue said. She knew very well what these subordinates were thinking. She couldn’t dampen their spirits since they were so enthusiastic!

“Yes, Miss. We’ll go find those elders now.” The Mystic Sovereigns stood up and left the living room impatiently.

“Song Di, go too!” Leng Ruoxue said helplessly. Alas! When did these people become impatient!

“Yes, Miss,” Song Di quickly answered, stood up, and left the living room.

“Haha, lass, your subordinates are quite proactive in their work!” the little old man said with a face full of envy. If the elders of the Alchemist Association Headquarters were like these people, the Alchemist Association would not have become like this.

“Grandpa Du, I caused the Alchemist Association to bleed profusely. You won’t blame me, right?” Leng Ruoxue asked calmly.

“No, no. Hehe, it’s better than letting those assets enter your pocket than letting those ingrates benefit! Moreover, didn’t you leave a third of it for them! It’s enough for them to rebuild the headquarters!” the little old man said very generously. It was very easy for alchemists to earn money, so he had never taken those worldly possessions seriously.

“Hehe, it’s good that Grandpa Du doesn’t blame me. It’s getting late. Let’s rest early!” Leng Ruoxue said as she looked at the sky.

“Okay.” Everyone nodded and then returned to their rooms to rest.

Leng Ruoxue and the freak entered the bracelet directly after returning to their room.

“Xue’er, will the matter of the Alchemist Association be resolved tomorrow?” Empty, who was waiting for them on the stone chair in front of the purple bamboo hut, asked.

“Haha, that will depend on the abilities of those elders!” Leng Ruoxue said with a smile.

“Aren’t you going to help them think of some way?” Empty asked curiously.

“Not only are those old men stubborn, but they also want to play mind games with me. I don’t care. However, I’ve already sent a few Mystic Sovereigns to help them. As for when I can regain control of the Alchemist Association, it’s not up to me to decide,” Leng Ruoxue said with a light smile.

“Xue’er, don’t you want to receive the money early?” Empty asked with a smile, his smiling black eyes full of teasing.

“I’m not in a hurry. Anyway, Wu Gong’s matter isn’t over yet. If those old men dare to renege on their debts, I’ll send someone to inform Wu Gong. Hehe, Wu Gong will be happy to cause trouble for them if he can’t find us.” Leng Ruoxue smiled evilly. However, she was very confident that those self-righteous old men would not dare to renege on their debts.

“Xue’er, you’re so bad! Haha!” Empty said happily. Those stubborn old men from the Alchemist Association were unlucky to have encountered Xue’er!

“I respect people tenfold if they respect me. Those old men are not sincere at all. I saved them, but they still play mind games with me. Will I still be Leng Ruoxue if I don’t teach them a lesson?” Leng Ruoxue said nonchalantly.. She had to take revenge for her enmity. Hmph! Whoever provoked her would not have a good life!
