

## Crazy Wife 551

### Chapter 551: A Good Thing That Fell From The Sky (1)

“Those old men have been in high positions for many years, so they naturally won’t take others seriously. They deserved it!” Empty gloated.

“Empty, what should we do with the people from the Mystic Association?” Leng Ruoxue suddenly asked when she saw that nothing was wrong.

“Uh! Xue’er, this is your business. Why are you asking me? You can decide for yourself!” Empty said.

“Really? Then I’ve decided to destroy the Mystic Association Headquarters!” Leng Ruoxue said a little ruthlessly. What she meant by destroying was that there would be no Mystic Association Headquarters on the Boundless Heaven Continent in the future! Hmph! She didn’t believe that Empty wouldn’t feel heartache!

“Uh! Xue’er, there’s no need to do that, right? There might be black sheep in the Mystic Association Headquarters, but that was only done by some people after all. If we destroy the Mystic Association Headquarters, then there won’t be any place to transmute spiritual power in the future,” Empty advised. Alas! He didn’t want to see the Mystic Association Headquarters disappear from the Boundless Heaven Continent.

“There’s nothing we can do! The Mystic Association has been under Wu Gong’s control for many years. The president is in seclusion. If Wu Gong dies, won’t the Mystic Association be leaderless?” Leng Ruoxue said helplessly.

“In fact, I think you can take over the Mystic Association Headquarters,” Empty suggested. Hehe, he could be at ease if Xue’er took over the Mystic Association Headquarters!

“I don’t want to. You know I’m most afraid of trouble.” Leng Ruoxue hurriedly refused. Hmph! She had a headache even in Myriad Mountain City. She would definitely go crazy if she took over the Mystic Association Headquarters!

“But I think you’re the most suitable candidate,” Empty said with a light smile.

“Aren’t you thinking too much? Wu Gong isn’t dead yet, and the Mystic Association is still under his control.” The freak who had been listening to their conversation rolled his eyes and said speechlessly.

“This is called preparing for a rainy day!” Leng Ruoxue said with a light smile, her beautiful face full of calculations.

“Yes, the fate of the Mystic Association Headquarters is destined. Therefore, we have to think about it first. After all, this concerns the numerous mystics on the Boundless Heaven Continent!” Empty echoed. The effects on the mystics would be inestimable without the Mystic Association Headquarters. Therefore, he had to think of a way to minimize this effect!

“It’s not too late to think about it after Wu Gong dies. If there’s really no other way, let Lan Ming manage the Mystic Association Headquarters for the time being! Don’t forget that his master is the president of the Mystic Association Headquarters!” the freak reminded.

“Lan Ming? His strength is too low. I’m afraid it will be difficult to convince everyone!” Empty frowned and said after some thought.

“Destroy everyone who isn’t convinced. Let’s see who still dares to say anything!” the freak suggested.

“Uh! You’re ruthless enough, but what you said makes sense!” Empty said after some thought.

“Then let Lan Ming take over the mess in the Mystic Association after Wu Gong dies!” Leng Ruoxue gloated. Hehe, Little Lan Lan would be troublesome in the future. She didn’t care who took over as long as she didn’t have to care!

“Poor Little Lan Lan, your fate has been decided by the three of you irresponsible fellows just like that. Alas!” Icy, which had been sleeping on the stone table, opened its ice blue eyes and said with slight sympathy.

“Little Icy, sleep on your own. Don’t eavesdrop!” Leng Ruoxue picked up Icy and covered its little ears with her hand.

“Little Snowy, I don’t need to eavesdrop. I’m listening openly,” Icy said nonchalantly.

“Then don’t listen openly. Hurry up and sleep!” Leng Ruoxue urged.

“Oh, right, Little Snowy, you don’t need my help to deal with Wu Gong!” Icy asked, its beautiful ice blue eyes full of interest!

“Help? Wouldn’t you help him if you wiped him out with a sneeze?” Leng Ruoxue said after some thought. She didn’t intend to let Wu Gong live. Where could she find him if Icy sneezed?

“Hehe, I don’t have to sneeze,” Icy said with a naughty smile. Boohoo... Little Snowy wouldn’t think that it only knew how to sneeze! It was looking down on it too much!

“Master, leave Wu Gong to me!” The transmogrified Feng Zhan flew over and landed on Leng Ruoxue’s shoulder.

“You? You’re only a level-two Transcendent Divine Beast. Wu Gong is a Mystic Supremacy. Can you beat him?” Icy said with slight disdain. Hmph! Damn stinky bird, how dare you snatch food from its mouth. It seemed like it had beaten too little! It had to teach this bird a lesson when it had time!

“Tch, I might only be a level-two Transcendent Divine Beast and might not be as strong as that long-legged Wu Gong, but I have many subordinates. I don’t believe that we can’t burn that Wu Gong to death with every bird and flame!” Feng Zhan said confidently. Hmph! Those stinky dragons wouldn’t dare to provoke them if they attacked in groups!

“...”

Icy’s forehead was full of black lines. Boohoo... It was not a match for these stinky birds in a group battle. Alas! It was good to have many beasts! Poor lonely person!

“Xue’er, I realized that your beasts are even more ruthless!” Two drops of cold sweat dripped down Boundless’s forehead. Alas! Not to mention Wu Gong, even he couldn’t stand the Southern Spirit Flame

of the Fire Phoenix Clan! And each bird had a mouthful of Southern Spirit Flame? Then Wu Gong probably wouldn't even have ashes left! He felt some pity for Wu Gong now!

"Hehe, of course. Their masters are too weak!" Leng Ruoxue's beautiful face was full of pride.

"Your strength is low? You're already a Mystic Monarch. A Mystic Monarch can also be considered a powerhouse on the Boundless Heaven Continent," Empty said speechlessly.

"But aren't there many Mystic Sovereigns and Mystic Supremacies? Therefore, Mystic Monarchs are nothing!" Leng Ruoxue said nonchalantly.

"Master, I want to beat up that Wu Gong too!" Charm jumped into Leng Ruoxue's arms and acted coquettishly.

"Charm wants to be beaten up too? Who else wants to be beaten up?" Leng Ruoxue asked as more beasts gathered around her.

"Me!"

The beasts all rushed to speak. Hehe, they might not be as strong as Wu Gong, but they had to participate! They had to help their master no matter what if Wu Gong bullied her!

"I want to participate too, can I?" The honest Big Hairy scratched its head shyly. It had been living with these beasts since Old Man Zao went into seclusion. Therefore, it also treated itself as one of them under the influence of the beasts, even though it was not Leng Ruoxue's beast.

## **Chapter 552: A Good Thing Falling From The Sky (2)**

"I want to too," the little peacock said. It might be Feng Zhan's subordinate, but Leng Ruoxue didn't contract with it, so it didn't know what its current identity should be. Fortunately, its boss's master would use it sometimes, so it felt that it was still useful.

"All of you? But you can't all go out. Otherwise, it will scare others," Leng Ruoxue said helplessly. Alas! If others knew that she actually contracted so many beasts, wouldn't they treat her as a monster!

"Beloved Master, let your Darling train!" Darling's beautiful silver eyes looked at Leng Ruoxue with watery eyes and pleaded.

"Master, you can't abandon Dazzle!" The little black fox jumped into Leng Ruoxue's arms and rubbed against her non-stop while acting coquettishly.

"Master!" Ling didn't say anything and just looked at Leng Ruoxue with its bright black eyes without blinking. Its eyes seemed to say, 'Master, bring me along!'

"You..." Leng Ruoxue was helpless. Alas! This was the difficulty of having too many beasts! Both the palms and the backs of the hands were meat, bringing anyone or not would make things difficult for her! And if a beast was sad because of this, she would not feel good either! She was conflicted...

"Haha, Xue'er, it's really not easy to see your conflicted expression!" Empty said with a smile. The Leng Ruoxue in his eyes had always been confident, but now she revealed such a conflicted expression. This was really too rare!

“Stop gloating. Hurry think of a way for me!” Leng Ruoxue’s beautiful eyes glared fiercely at Empty, her beautiful face full of displeasure.

“That’s simple! Ask Ling to cast an invisibility spell on them as long as they don’t show themselves,” Empty said with a light smile.

“Ling, can you do it?” Leng Ruoxue asked worriedly. She was afraid that Ling’s body would not be able to withstand using an invisibility spell on so many beasts!

“There should be no problem as long as Master’s pills replenish its mystic energy,” Ling said after some thought. Well, this was also a huge test for it.

“Ling, just do what you can. Don’t show off if you really don’t have a choice!” Leng Ruoxue reminded.

“Okay.” Ling nodded in response.

“Alright, it’s settled for the time being. Everyone, go back and rest!” Leng Ruoxue said. Then she pulled the freak back to the purple bamboo hut.

The next day.

Leng Ruoxue brought the freak out of the bracelet and returned to their room in the inn. Someone knocked on the door.

The freak opened the door and saw the old man standing at the door. He frowned and said, “Elder Lian, what’s the matter?”

“Uh, it’s like this. We’ve already discussed a strategy to meet with Miss Leng.” Elder Lian braced himself. Uh! This man didn’t seem to be too friendly to him! Alas! He was definitely ranked at the top among the elders of the Alchemist Association. Moreover, his words were very weighty, but it was completely ineffective against Leng Ruoxue. This couldn’t help making him feel helpless!

“There’s no need. It’s good that you’ve thought about it. Moreover, didn’t Xue’er already get someone to help you?” The freak blocked the way directly. He didn’t have a good impression of these old men. Hmph! These old men actually dared to plot against Xue’er. They really didn’t know how to write the word death!

“Uh! Alright then!” Elder Lian had no choice but to turn around and leave with a wry smile!

The freak closed the door with a bang when he saw Elder Lian leave, and then he returned to the inner room!

“Freak, who is it?” Leng Ruoxue asked curiously. However, she was more surprised that the freak didn’t let that person enter the house!

“It’s Elder Lian from the Alchemist Association, but he was sent away by me!” the freak explained lightly.

“Oh, what’s the matter with him?” Leng Ruoxue asked.

“It’s okay. He said that they had already discussed a countermeasure and wanted to meet you. I said that there was no need. Let them decide for themselves. Then he left,” the freak said innocently.

“Oh!” Leng Ruoxue nodded with a light smile, not planning to expose him.

“Xue’er, where are we going later?” the freak asked curiously. He didn’t know what Xue’er would do since he woke up so early today.

“Freak, let’s take a walk around Carefree City!” Leng Ruoxue suggested after some thought. They had been staying in the inn most of the time since they came to Carefree City for a few days, and they hadn’t had a good tour the last time.

“Okay!” The freak didn’t care what he was doing as long as he could be with Xue’er!

After speaking, Leng Ruoxue and the freak exited the room and arrived on the streets of Carefree City.

At this moment, there were not many pedestrians on the streets of Carefree City because too many things had happened recently. Moreover, many people didn’t dare to wander the streets at all. It was said that the Vice President of the Mystic Association, Wu Gong, had gone crazy. He would send people to capture and interrogate anyone suspicious on the streets! This made the atmosphere in Carefree City even more tense!

The two of them walked on the streets and unknowingly arrived outside Wu Gong’s temporary residence. Leng Ruoxue and the freak’s eyes met as they looked at the slightly shabby yard wall. They looked at each other and smiled. Then they took out a few explosive balls from their rings and buried them in the corner outside the yard wall.

“Ling, help us turn invisible!” Leng Ruoxue summoned Ling and ordered while no one was around.

“Yes, Master,” Ling answered and cast an invisibility spell for the two of them.

“Ling, do you know where Cheng Wu and the others are hiding?” Leng Ruoxue asked softly. Ling had been following Cheng Wu and the others for a while and had only been summoned back two days ago!

“Yes, I know,” Ling replied and led the way, leading Leng Ruoxue and the freak to the empty room where Cheng Wu was hiding.

“Miss, why are you here?” Cheng Wu and the others were discussing their next step in the room. They hurriedly stood up and asked in puzzlement when they saw Leng Ruoxue and the freak.

“We came out for a walk,” Leng Ruoxue explained.

“Oh, Miss, we’re driving Wu Gong crazy. Hehe!” Cheng Wu said proudly. He had never known that teasing others could be so enjoyable!

### **Chapter 553: A Good Thing Falling From The Sky (3)**

“Be careful. I’m afraid he’ll be driven into a corner!” Leng Ruoxue reminded them worriedly.

“Miss, don’t worry. We already have a plan,” Cheng Wu said with a smile, his resolute face full of mystery!

“Oh, what plan?” Leng Ruoxue asked curiously. She had not participated in Cheng Wu and the others’ plans since she started for them. Hehe, she was also training Cheng Wu and the others’ adaptability!

After all, she didn't want her subordinates to not know how to use their brains and only know how to carry out dead orders!

"Miss, Wu Gong has many Mystic Sovereigns by his side, so we decided to attack those Mystic Sovereigns first. We'll cut off Wu Gong's claws and let him search every house by himself, hehe!" Cheng Wu said with a naughty smile.

"Haha, others capture the leader first to capture the bandits, but you're doing the opposite. Not bad!" Leng Ruoxue nodded with satisfaction and praised.

"Hehe, Miss taught me well!" Cheng Wu flattered.

"Stop flattering me. By the way, I forgot to tell you that I placed a small gift from this mansion just now, so you probably have to find another place to hide!" Leng Ruoxue said with a smile.

"Ah! Miss, you're really too evil. Wu Gong finally calmed down. Now he has to find a new place!" Cheng Wu said with pity. Alas! Why was Wu Gong so unlucky to have provoked his young miss!

"Yes, of course. Pack up and prepare to leave!" Leng Ruoxue said without any sympathy.

"Okay, let's leave this place immediately!" Cheng Wu said fearfully. Boohoo... Miss's little gifts were not to be trifled with! They would kill.

"By the way, have you seen Mrs. Sun recently?" Leng Ruoxue asked curiously. She had long heard of the famous Mrs. Sun, but she had never had the chance to meet her. Alas! What a pity!

"No. I heard that Madam Sun left Carefree City after the big explosion at the Mystic Association Headquarters," Cheng Wu said.

"That woman is quite heartless. Wu Gong encountered such an unlucky thing, and she actually left alone!" Leng Ruoxue sighed. Alas! Was this the so-called flying off on their own when disaster struck?

"If she doesn't leave, do you think she can count on her and Wu Gong to go through thick and thin together? She's a married woman. She's already made a huge cuckold of the Sun family's deputy patriarch. If she continues to advance with Wu Gong, then there's no need for her to be the Madam of the Sun family!" Cheng Wu said disdainfully. Hmph! He had never had a good impression of such a promiscuous woman. However, what surprised him was the attitude of the deputy patriarch of the Sun family. He didn't believe that the man knew nothing about this, so he really couldn't understand the man's thoughts!

"Yes, that makes sense. However, men's thoughts are really strange!" Leng Ruoxue looked at the freak, then at Cheng Wu and the others and sighed with emotion.

"Xue'er, why are you looking at me? I'm not such a useless man!" the freak protested. Hmph! He would never let that man go if any man dared to touch his Xue'er.

"Miss, I'm not either!" Cheng Wu said fearfully. Boohoo... Miss's gaze was really too...

"Haha, quickly leave this place! It will explode later!" Leng Ruoxue couldn't help laughing happily seeing the depressed expressions of the freak and the others.

“Okay.” Everyone nodded.

“Freak, let’s go back to the inn!” Leng Ruoxue turned to the freak.

“Okay.” The freak nodded.

“Cheng Wu, tell me in advance if there’s anything you need my help with,” Leng Ruoxue said and left with the freak.

Not long after Leng Ruoxue and the freak left, the mansion exploded. Wu Gong and his subordinates, who were not mentally prepared, suffered varying degrees of injuries. Fortunately, no casualties occurred!

Wu Gong almost fainted from anger as he looked at the ruins in front of him. He gritted his teeth, looked at his subordinates, and ordered furiously, “Seal the city gate immediately and continue the carpet search! Don’t even let out a fly!”

“Yes!” the subordinates said as they endured the pain. However, they had varying degrees of resentment for Wu Gong in their hearts. Hmph! Would they have been treated like this if Wu Gong hadn’t offended someone? Moreover, Wu Gong, as a Mystic Supremacy, couldn’t do anything to a mere elementary mystic. This didn’t prevent them from doubting Wu Gong’s ability!

“Then why aren’t you going? What are you waiting for?” Wu Gong roared.

“President, what will happen to you if we go?” a subordinate asked bravely. Now that they were all injured and didn’t have a place to stay, he felt that they should find a place to stay first and search for Leng Ruoxue and the others!

“Don’t worry about me. Hurry up and find someone for me,” Wu Gong roared.

“Yes.” The subordinates had no choice but to bite the bullet and search.

In the corner.

Cheng Wu and the others were hiding in the dark, watching Wu Gong and the others.

“Big Brother Cheng, do you think Wu Gong’s subordinates will listen to him?” Hei Zi asked curiously.

“Of course not. Didn’t you notice? They don’t trust Wu Gong anymore. Hehe, if I’m not mistaken, they will definitely obey but disobey in secret!” Cheng Wu said understandingly. This Wu Gong really failed as a person. Alas! If he was half as good as his young miss, he probably wouldn’t have been deserted. Obviously, Wu Gong was not far away.

“Big Brother Cheng, should we watch Wu Gong or his subordinates?” Song Di couldn’t help asking.

“Go deal with his subordinates. I’ll watch over Wu Gong!” Cheng Wu said after some thought.

“Okay, be careful.” Song Di nodded. Then he led his men and quietly followed Wu Gong’s group...

Leng Ruoxue and the freak went directly to the living room after returning to the Carefree Pavilion.

Lan Ming, Zheng En, and the little old man were sitting in the living room chatting. After seeing Leng Ruoxue and the freak, the little old man asked curiously, “Lass, where did you go?”

"I went out for a walk," Leng Ruoxue replied. Then she found a chair with the freak and sat down!

#### **Chapter 554: A Good Thing That Fell From The Sky (4)**

"Miss, I saw Lan Ning'er leave Carefree City when I went out just now!" Zheng En said.

"Oh, so be it!" Leng Ruoxue said nonchalantly. She wanted to kill Lan Ning'er, but she couldn't say this in front of Lan Ming! After all, Lan Ning'er was a member of the Lan family no matter how bad she was!

"Little Snowy, I think Lan Ning'er won't dare to return to the Lan family anymore," Lan Ming guessed.

"That might not be the case. Don't underestimate Lan Ning'er's thick skin!" Leng Ruoxue said in realization.

"But with what she did, she won't have a good life even if she returns to the Lan family," Lan Ming said understandingly. Super families like the Lan family were very prideful, so Lan Ning'er would not have any status in the Lan family anymore.

"Little Lan Lan, I don't care how your Lan family will treat her. I just hope she doesn't provoke me. Otherwise, I won't let her go again!" Leng Ruoxue warned. Hmph! She could let Lan Ning'er go this time on account of the Lan family. However, if Lan Ning'er didn't repent, then don't blame her for being rude!

"Little Snowy, if you want to get rid of her, you better do it secretly. Otherwise, some old fellows from the Lan family will definitely not ignore it," Lan Ming reminded.

"Yes, I will." Leng Ruoxue nodded very seriously.

"Hehe, Little Snowy, what's the next step?" Lan Ming asked very curiously.

"I don't know. I don't have any plans!" Leng Ruoxue shrugged innocently.

"Little Snowy, don't be like this! Tell me!" Lan Ming pleaded with a bitter face.

"Really not! I've handed everything to Cheng Wu and the others to handle now. I'm just leaving everything to them," Leng Ruoxue said with a smile, her beautiful face full of pride.

"Little Snowy, why didn't you let me participate then?" Lan Ming asked in puzzlement. Boohoo... Little Snowy's plans were all hidden from him. It felt very uncomfortable not letting him know!

"Your strength is too low and your IQ is low, so you can only be an audience!" Leng Ruoxue looked at Lan Ming carefully for a while and then said very cautiously.

"I admit that I'm weak, but how is my IQ low? Boohoo..." Lan Ming's handsome face was full of grievance. Little Snowy said that he was weak, but did it mean that he was stupid? He was so depressed!

"Weak in every way!" Leng Ruoxue glared at Lan Ming and said without giving him any face.

"Uh!" Lan Ming was conflicted, so depressed that he wanted to scratch the wall! Little Snowy was really too evil!

"Hehe!" Zheng En and the little old man couldn't help covering their mouths and laughing secretly when they heard Leng Ruoxue's words.

“You’re still laughing? How inhumane!” Lan Ming looked at the two secretly happy people and complained.

“Hehe, Little Lan Lan President, our Miss is the head of the family! You just have to listen to whatever Miss says. Don’t refute her. Otherwise, you will be the unlucky one!” Zheng En reminded very kindly.

“Boohoo... I know you all belong to the same country and only know how to bully me!” Lan Ming felt wronged, very wronged!

“Alright, stop pretending. Little Lan Lan, prepare to take over the Mystic Association Headquarters!” Leng Ruoxue’s words were like a bomb, blasting Lan Ming’s mind into a blank!

After speaking, Leng Ruoxue dragged the freak out of the living room very irresponsibly.

After a long while.

Lan Ming’s consciousness slowly recovered. He looked at Zheng En and the little old man in the living room and couldn’t help asking, “What did Little Snowy say just now?”

“Miss said to prepare you to take over the Mystic Association Headquarters!” Zheng En said. He approved of Miss’s words very much now. Lan Ming’s intelligence was indeed a little weak! Moreover, his tolerance was very low!

“Why? I’m just a Mystic Monarch. I can’t,” Lan Ming said reluctantly with a bitter face.

“If Miss says you can, then you can. Don’t refute. Otherwise, Miss will be angry. And once Miss is angry, you will be in trouble!” Zheng En threatened.

“...”

Lan Ming was depressed again. He was even more depressed than when Leng Ruoxue said that he was mentally weak. Boohoo... He could reluctantly accept being the president of the branch. However, he was not mentally prepared now if he were to manage the headquarters. Moreover, he did not think that the elders in the headquarters would submit to him! After all, where was his strength!

“Brat Lan, I think this girl’s idea is good! Your master is the president of the Mystic Association Headquarters. As his disciple, it’s only logical for you to take over the headquarters!” the little old man explained.

“I know.” Lan Ming nodded helplessly.

“Then why are you complaining like a little wife! Hurry up and go back to your room to wash up and prepare to take over the Mystic Association Headquarters! You have to know that this is a good thing that fell from the sky! No one can ask for it!” Zheng En said with envy.

“Boohoo... The pie is too big. I can’t eat it now! Zheng En! If you’re envious, why don’t I give you this opportunity!” Lan Ming hurriedly said. The current him wanted to throw this hot potato out even more!

“How can that do! Your master is the president of the Mystic Association Headquarters. What will happen if I take over the headquarters!” Zheng En refused. He didn’t want that big package!

“It’s okay. I’ll explain to Master after he comes out of seclusion,” Lan Ming advised stubbornly.

“That won’t do either. I won’t take over. Mystics is only my second profession. I mainly work as an alchemist. If I take over the Mystic Association Headquarters, I will be neglecting my main profession,” Zheng En said evasively.

“What if your master agrees?” Lan Ming looked at the little old man expectantly.

“My master won’t agree!” Zheng En said very confidently. Hehe, his master wanted him to take over the Alchemist Association, but he refused, let alone the Mystic Association!

“Yes, I won’t agree. Otherwise, the Alchemist Association Headquarters would have been his long ago!” the little old man said very cooperatively with his disciple.

“If...” Lan Ming wanted to continue persuading but was interrupted by Zheng En.

“President Little Lan Lan, don’t have any ideas about me. I want to wander around with Miss. It’s impossible for me to stay in the same place!” Zheng En said bluntly.

### **Chapter 555: A Good Thing That Fell From The Sky (5)**

“You’re still leaving?” Lan Ming asked with some displeasure in his heart. Boohoo... Was he going to be abandoned again? These baddies!

“Of course. Miss said that we will go for training after the incident in Carefree City,” Zheng En said. Miss and the others wanted to improve their strength as soon as possible, and training was the best way to improve their strength!

“What about Myriad Mountain City?” Lan Ming couldn’t help asking.

“Aren’t there Cheng Wu and the others! Myriad Mountain City will depend on them in the future,” Zheng En explained. Hehe, his feelings for Miss had already risen to a new height since Cheng Wu and the others told him about Myriad Mountain City!

“Zheng En, do you really intend to go for training after settling the matter here?” Lan Ming confirmed with a long face.

“Of course. President Little Lan Lan, do you think I’m joking with you?” Zheng En asked helplessly. Alas! Lan Ming didn’t have to put on such a dead look when he heard that they were leaving! People who didn’t know the truth would think that they had abandoned Lan Ming!

“No, I’m just not mentally prepared,” Lan Ming said uncomfortably. A feeling of being abandoned slowly emerged in his heart!

“President Little Lan Lan, Miss said that there is no such thing as a banquet that will never end, so don’t be too sad. Be good!” Zheng En coaxed patiently.

“Alas! I’m going back to my room first.” Lan Ming sighed, then stood up and said lightly. He needed to be alone for a good time!

“Uh, Master, could he be suicidal?” Zheng En couldn’t help asking as he looked at Lan Ming’s slightly lost back.

“Hard to say,” the little old man gloated.

“Uh! Master, why do you seem so happy?” Zheng En’s forehead was full of black lines.

“Hehe, because I’m experienced and understand his feelings, so I’m very happy whenever I see someone struggling like I did back then!” the little old man explained.

“Master, what’s with your heart!” Zheng En was speechless. Alas! He had always thought his master was a serious person! He only knew today that he was wrong!

“To gloat! Haha!” the little old man said with a smile. Then he stood up and left the living room!

Zheng En saw that he was alone in the huge living room, so he dusted his butt and left...

The next day.

In the living room.

Leng Ruoxue sat in a chair and looked at the elders of the Alchemist Association, whose faces were full of smiles and excitement, and said lightly, “Has everyone’s matter been settled?”

“Hehe, thanks to Miss Leng’s subordinates’ help, the matter has been settled!” Elder Lian said on behalf of the elders. He really didn’t expect Leng Ruoxue’s subordinates to be so efficient. This really surprised him!

“In that case, can you pay me?” Leng Ruoxue reminded. This was what she was most concerned about!

“Of course, Miss Leng. This is two-thirds of the wealth accumulated by our Alchemist Association for thousands of years. Please take it!” Elder Lian handed Leng Ruoxue a storage ring and said with a pained expression.

“Zheng En, check carefully. This will be our living expenses in the future!” Leng Ruoxue took the ring and handed it to Zheng En.

“Okay, Miss.” Zheng En took the ring with a smile on his face. Hehe, it felt so good to see the pained expressions on the elders’ faces!

“Check carefully. By the way, did you include the money for your rooms and meals these few days?” Leng Ruoxue turned her beautiful eyes to the elders and asked after instructing.

“This is our money for the next few days.” The corner of Elder Lian’s mouth twitched. Then he took out a storage ring and said speechlessly, Boohoo... Why was she still thinking about this bit of money!

“Elder Lian, you’re very dishonest!” Leng Ruoxue took the ring and threw it directly to Zheng En before saying with slight dissatisfaction.

“Uh! Erm... I’m old, and my memory isn’t good.” Elder Lian wiped the cold sweat off his forehead and explained helplessly. Boohoo... Why didn’t this girl know how to respect her elders! In fact, how could he have forgotten! They felt that it was too embarrassing to be led by the nose by Leng Ruoxue, so they didn’t intend to give it as long as Leng Ruoxue didn’t mention it. Their idea was that they would have a sense of accomplishment even if they could take a little advantage of Leng Ruoxue. However, they didn’t expect their little thoughts to make them even more embarrassed!

“Oh, Elder Lian, do you need me to refine some pills that can enhance your memory?” Leng Ruoxue said with a spurious smile. In fact, she had been laughing in her heart. Haha, these old men were not qualified to fight with her!

“No need, no need. I can refine it myself,” Elder Lian said hurriedly. Boohoo... He didn’t dare to eat Leng Ruoxue’s food anymore. It was really too expensive! He was afraid of going bankrupt!

“Alas! Forget it since Elder Lian won’t give me face. However, Elder Lian, when do you intend to give me an explanation about Zheng En?” Leng Ruoxue changed the topic and brought it to Zheng En.

“Erm... Miss Leng, you know the current situation of the Alchemist Association. We don’t have a place to work yet. Can we give you this explanation after we rebuild the headquarters?” Elder Lian discussed.

“No, you have to give me a satisfactory explanation before I leave Carefree City. Otherwise, don’t blame me for falling out with you!” Leng Ruoxue warned. These old men’s evasion made her very displeased because in her opinion, this was only clarifying Zheng En’s innocence to the entire Boundless Heaven Continent and informing the various Alchemist Association. There was no difficulty at all. The efficiency of these people’s work was really too poor!

“Uh! Alright then!” The company commander’s little heart trembled as he answered. Boohoo... He had decided to stay away from this demon from now on.

“Elders, is there anything else?” Leng Ruoxue asked with a light smile. Two words were written on her beautiful face: Send the guests out.

“Uh, we’re fine. We’ll take our leave first.” The company commander said. He had never seen Leng Ruoxue treat guests like this in his life. She actually chased them away without even letting them sit, let alone taking a sip of water. Boohoo... What kind of people were these!

### **Chapter 556: A Good Thing That Fell From The Sky (6)**

“Wait.” Leng Ruoxue suddenly called out to them before the elders of the Alchemist Association were about to leave the living room.

“Miss Leng, is there anything else?” Elder Lian asked in puzzlement.

“Zheng En, their remuneration isn’t bad, right?” Leng Ruoxue turned to Zheng En.

“Yes!” Zheng En suppressed his smile and replied. Hehe, Miss was really too evil. However, he knew that the reason Miss did this was to vent for him!

“Oh, that’s good! Elder Lian, you can leave now!” Leng Ruoxue seemed to be relieved when she heard Zheng En’s words. Then she said to Elder Lian and the others whose faces were a little blue.

“We’ll take our leave.” Elder Lian suppressed his anger and left the living room with the elders.

“Haha, lass! Aren’t you afraid that they will bear a grudge if you do this?” the little old man couldn’t help asking with a smile after Elder Lian and the others left.

“Don’t be afraid. If they dare to play any more tricks, I’ll directly deal with them,” Leng Ruoxue said without any emotion.

“Xue’er, don’t worry. Those elders don’t have the guts to plot against you anymore,” Empty said with a light smile.

“Yes.” Leng Ruoxue nodded in agreement.

“Miss! Miss!” Leng Ruoxue and the others were chatting when Blackie ran in anxiously!

“What’s the matter? What happened?” Leng Ruoxue couldn’t help asking when she saw Blackie’s nervous expression.

“Miss, Big Brother Cheng and Wu Gong are fighting! And he’s injured!” Hei Zi shouted worriedly.

“Why did they start fighting? Isn’t he invisible?” Leng Ruoxue stood up and asked in puzzlement.

“I don’t know how Wu Gong found him. We saw the two of them fighting when we returned after cleaning up Wu Gong’s subordinates. Big Brother Song and the others have already gone to help and asked me to inform Miss,” Hei Zi said while panting heavily.

“Let’s go take a look.” Leng Ruoxue looked at everyone in the hall.

“Okay.” Everyone nodded and then left the living room with Leng Ruoxue.

After Leng Ruoxue and the others arrived at the location of the fight, they saw several Mystic Sovereigns surrounding Wu Gong, who was cursing loudly!

“You cowardly turtles, do you dare to fight me one on one?” Wu Gonghuo roared. He was really angry. He had finally discovered the whereabouts of the people who were secretly causing trouble, but he didn’t expect there to be so many people. Moreover, they were all Mystic Sovereigns! He might be a Mystic Supremacy, but he couldn’t withstand the group attacks of so many Mystic Sovereigns!

“Why should we fight you one on one? You, a mighty Mystic Supremacy, actually want a Mystic Sovereign to fight you one on one. Aren’t you embarrassed? If I were you, I would have bought a piece of tofu and committed suicide a long time ago. It would be embarrassing to live anyway!” Song Di shouted rudely.

The other Mystic Sovereigns let out low mocking laughter as soon as Song Di finished speaking. Everyone looked at Wu Gong with contempt!

“Are you all so capable of surrounding me?!” Wu Gong was so angry that he was about to vomit blood. He kept complaining in his heart. Where did those damn subordinates go? Why didn’t they scam back quickly? At this moment, he didn’t know that his subordinates had already seen the gods!

“We’re weak, so what can we do!” Song Di said nonchalantly. He agreed with Miss very much now. Hehe, as long as they could win, the process was not important!

“You...” Wu Gong was so angry that he couldn’t speak. Suddenly, he glanced at Leng Ruoxue and the others, who were walking over. He couldn’t help but say angrily, “Du Min, it’s really related to you!”

“Yes, it has to do with me. Can’t I?” the little old man asked with a chuckle, his face full of schadenfreude!

“How dare you repay kindness with ingratitude by staying in the territory of our Carefree City! Hmph! I’ve decided. I’ll expel you on behalf of the Mystic Association!” Wu Gong glared fiercely at the little old man and roared.

“Are you sure you have the right?” the little old man asked mockingly.

“Of course. I’m the vice president of the Mystic Association. I call the shots in the Mystic Association,” Wu Gong said confidently.

“You also know that you’re the deputy? Then do you still remember that you have a president above you?” the little old man reminded coldly.

“The president has been in seclusion for many years. Who knows if something happened? I’m the eldest in the Mystic Association now!” Wu Gong emphasized.

“Nonsense, you’re the one who had an accident!” Lan Ming couldn’t help cursing when he heard Wu Gong curse his master.

“Who are you, ugly freak?” Wu Gong glared and questioned. Damn it, how dare you scold me. I won’t let this ugly man go!

“I’m Lan Ming.” Lan Ming gave his name directly. Then his lips curled into an intriguing smile as he looked at Wu Gong.

“Lan Ming? Impossible. How can Lan Ming be as ugly as you!” Wu Gong said in disbelief. Hmph! It wasn’t like he hadn’t seen Lan Ming before. How dare he lie to him!

“Believe it or not,” Lan Ming said nonchalantly. Then he turned his head and ignored Wu Gong!

“Wu Gong, how did you find them?” Leng Ruoxue asked curiously after taking a pill for the injured Cheng Wu.

“Haha, do you want to know? I won’t tell you.” Wu Gong laughed hysterically and said proudly.

“I know even if you don’t say it. It’s because of these powder!” Leng Ruoxue said in realization. She had just found these unknown powder on Cheng Wu’s body and guessed that it was most likely because these things were making monsters!

“How did you know?” Wu Gong asked in surprise, his face full of disbelief. He thought no one would recognize the powder, but it was discovered by this woman so quickly.

“I’m not telling you either,” Leng Ruoxue said angrily.

“You...” Wu Gong was so angry that his face and neck were red. He kept cursing in his heart. How can there be such a despicable woman!

“What about me? Wu Gong, today is your death date. Enjoy the last moment of your life!” Leng Ruoxue said with a smile.

### **Chapter 557: Boss’s Owner, Want to Knock? (1)**

“Hmph! Don’t be too smug too early. It’s not certain who will die!” Wu Gong retaliated.

“Is that so? Then be smug to your heart’s content! Oh, right, do you have any last words to tell your old flame? It’s best to say it now lest you don’t have the chance to say it later!” Leng Ruoxue said very understandingly.

“Can you tell me who you are? Why do you want to go against me?” Wu Gong suppressed his anger and asked. It was really uncomfortable not knowing who his enemy was.

“Can’t you guess? Seems like I overestimated your intelligence! I’m Leng Ruoxue!” Leng Ruoxue said very honestly. Alas! Were these people from the Mystic Association Headquarters all very weak in intelligence!

“You are Leng Ruoxue? No... That’s impossible. Everyone knows Leng Ruoxue is an ugly freak. Hmph! Do you think I’ve never seen her? Tell me, who are you?” Wu Gong didn’t believe the words of this drop dead gorgeous woman in front of him. His first reaction was that this woman was lying to him!

“Believe it or not, I don’t care!” Leng Ruoxue said nonchalantly and then summoned her beast.

“Charm, Feng Zhan, I’ll leave this old thing to you.” Leng Ruoxue said to her cute beasts with a light smile.

“Hehe, Master, don’t worry. We’ll definitely let him have an unforgettable memory,” Feng Zhan promised with a naughty smile.

“Okay, Song Di, you can leave!” Leng Ruoxue nodded with satisfaction and then said to Song Di and the others.

“Yes.” Song Di and the others obediently gave up their seats and left the venue to the cute but actually scheming and ruthless little beasts. Uh! They knew that they couldn’t just look at the appearance of beasts since they knew their Miss.

“Haha, do you think these little beasts can deal with me? I’m a Mystic Supremacy!” Wu Gong couldn’t help laughing when he saw the dozens of small and cute beasts surrounding him! He could kick these little things away with a kick. How could they be his match!

“Hey, didn’t anyone teach you not to underestimate your enemy?” Charm reminded very elegantly, killing intent flashing in its purple eyes!

“Underestimate your enemy? I can kick your little things away with a single kick. How can you be worthy of being my enemies!” Wu Gong said with contempt.

“You want to kick us away with a single kick? How big must your foot be? Wu Gong, if you can’t kick us away, every beast of ours will trample you into meat paste!” Charm said without anger or anger, a faint smile hanging on its fluffy little face!

“Charm, cut the crap with him. Let’s attack!” Feng Zhan said impatiently.

“What’s the rush! Didn’t I already attack?! We can save trouble if we can destroy him with words!” Charm said with a light smile. Hehe, it was an intelligent beast. Fighting was too barbaric. It had to use more brains in the future.

“Uh! That makes sense. Let’s anger him to death!” Feng Zhan nodded in agreement.

“Infuriating? This is Darling’s specialty!” Darling said proudly.

“What are you so smug about? What’s the point of living if you don’t know how to anger people these days!” Dazzle said very disdainfully.

“I... I don’t know how to anger people. I just anger people to death directly,” Ling said in distress, her tangled little face almost frowning.

“Get lost!” the beasts roared in unison.

“Master, they were fierce to me!” Tears welled up in Ling’s eyes as she crawled into Leng Ruoxue’s arms to seek comfort!

“Uh! Don’t be scared!” Leng Ruoxue comforted with two drops of cold sweat on her forehead. Alas! Why were her beasts so cute!

“Beloved Master, don’t be fooled by this guy who likes to pretend to be pitiful!” Darling jumped into Leng Ruoxue’s arms and deliberately stepped on Ling under its claws to remind her.

“Damn fox, take your stinky feet away! It stinks!” Ling couldn’t help shouting.

“You damn snake, your feet are the stinky one!” Darling roared furiously when it heard what Ling said.

“Could it be your butt? How long has it been since you washed it?” Ling was stunned and couldn’t help asking.

“You damn snake, don’t frame me. I shower every day!” Darling roared, so angry that the fur on its body stood up!

“Why are you still so dark if you shower everyday?” Ling pretended to be puzzled.

“Are you color-blind? I’m a purple fox, but that fellow is black!” Darling pointed at Dazzle with its little paw.

“Oh, you haven’t showered for too long. You can’t shower anymore!” Ling said.

“Do you still want to deal with Wu Gong?” Leng Ruoxue asked with a headache as she listened to the conversation between the two beasts.

“Yes!” Darling and Ling said hurriedly in unison and ran back to the battlefield.

“Hey, you dirty and stinky Wu Gong! I want to destroy you on behalf of Master!” Ling roared with a thunderous aura!

“Hehe, Little Wu Gong, I want to chop off your calves one by one so that you can’t climb anymore!” Darling said with a naughty smile.

“Darling, didn’t you help him? How many pairs of shoes do you have to save if you cut off his legs!” Confound said with disapproval, his cold eyes looking at Wu Gong non-stop!

“That’s true. Then I’ll keep his legs and chop off his claws,” Darling said after some thought.

“Darling, is there a difference between Wu Gong’s claws and legs?” Feng Zhan asked doubtfully.

“Hehe, I don’t think so!” Darling said with a chuckle, its expression very wretched!

“Damn it, are you done talking!” Wu Gong felt blood rush to his head as he listened to the little beasts’ discussions. He couldn’t control the anger in his body!

“Wait! Let’s discuss whether to chop off your claws or legs!” Darling said calmly.

“Damn it, you’re dead meat!” Wu Gong roared in anger. Wait? Could he wait? He would really be angered to death by these seemingly cute but actually vicious little beasts!

“Ah! Wu Gong is going to kill the beasts! Everyone, run!” Darling suddenly shouted. Then the beasts cooperated and began to run around Wu Gong. Wu Gong was dizzy from them in a moment!

### **Chapter 558: Boss’s Owner, Want to Knock? (2)**

“Stop! Stop spinning!” Wu Gong roared angrily. Boohoo... Damn it! Why were these beasts reacting so quickly? They were about to spin him unconscious before he could do anything! How could they be so shameless!

“We can’t stop. You’re going to kill us if we stop!” Darling said as it ran, its fluffy little face full of fear.

“Stop! I won’t kill you! Stop!” Wu Gong couldn’t take it anymore. Boohoo... Just run away. Why did they have to run around him!

“We’ll stop if you ask us to? That’s so embarrassing!” Feng Zhan said coldly. He flew around Wu Gong and threw small flames at him from time to time!

“Damn it, what do I have to do to make you stop?” Wu Gong asked in exasperation. He was about to be angered to death by these beasts!

“What’s the benefit of stopping?” Charm suddenly asked, the smile on its little face so devious!

“What benefits do you want?” Wu Gong asked while suppressing his anger.

“We want money, a lot of money,” Charm said without thinking. Alas! It knew that its master lacked money!

“There’s a lot of money in this ring. I’ll give it to you. Stop spinning it!” Wu Gong took off the ring and handed it to Charm. He really couldn’t take it anymore!

“Since you’ve paid, let’s help you!” Charm took the ring and said understandingly.

“Uh! What do you mean?” Wu Gong asked doubtfully. He felt that something was amiss, but he quickly understood what the little white fox meant!

“Brothers, let’s be agile and help him!” Charm said to all the beasts.

“Yes, yes.” The beasts nodded in unison and began to use various means to leave an unforgettable memory for Wu Gong!

“Ah! You little liars! You lied to me!” Wu Gong felt intense pain on his body and couldn’t help cursing.

“Wu Gong, didn’t you want us to stop? We stopped!” Charm said innocently. Boohoo... They really stopped obediently!

“Charm, don’t talk nonsense with this Wu Gong. Speaking of which, he has a lot of meat on him, and his skin is very thick. It’s quite tiring to scratch him,” Darling said with a displeased face. Boohoo... Its little claws were hurting from scratching!

“Uh! Stop scratching if you can’t scratch him. We can teach him a lesson with a kick!” Charm said after some thought. In fact, it didn’t approve of using such primitive methods. However, it seemed that its master’s beasts liked to use scratching! Alas! That was a method only low-level spirit beasts would use!

“Charm, that feeling is different, hehe!” Darling said with a chuckle.

“Uh! Do whatever you want!” Charm said helplessly. Then it stood to the side elegantly to watch the commotion. Alas! This low-level method was not suitable for it!

Charm didn’t participate in the scratching army, but the other beasts were enough to make Wu Gong suffer. He was a Mystic Supremacy, but he was entangled by the small beasts and couldn’t unleash his full strength. His body was covered in wounds in just a short while...

“Hehe, Wu Gong, take this!” Darling was tired from scratching. It condensed the water-attribute mystic energy in its body into a water ball, gathered it in its claws, and threw it at Wu Gong...

With a splash, Wu Gong, who was unprepared, was drenched by the huge water ball. Moreover, the water-attribute liquid quickly seeped into his wounds, making him want to bang his head against the wall...

“Hehe, Wu Gong, let me help you dry your clothes!” Feng Zhan said very kindly when he saw Wu Gong drenched in soup. He spat out a stream of Southern Spirit Flame. Wu Gong’s clothes were dried in the blink of an eye, but the flames on his body continued to burn...

“Ah! It’s on fire. I’ll help you!” Darling said quickly and threw water balls at Wu Gong one after another!

However, its water ball failed to extinguish Feng Zhan’s Southern Spirit Flame. Instead, it made Wu Gong into a drenched chicken. Then the flames on Wu Gong’s body dried Darling’s water ball. They repeated this process over and over again. Before long, Wu Gong fainted. Obviously, he fainted from anger!

“Uh! Lass, these beasts of yours are really good!” The little old man, who had been watching the commotion by the side, wiped the cold sweat off his forehead. Alas! These beasts were really too terrifying. Even the Mystic Supremacy fainted from their anger. Amazing!

“Hehe, it’s okay!” Leng Ruoxue said with a smug smile. She knew very well what her beasts were capable of, so she was not surprised that they would make Wu Gong faint from anger. In fact, she felt that Wu Gong’s endurance was too poor. Hmph! What a useless Mystic Supremacy!

“Master, this is Wu Gong’s storage ring. He’s very poor and doesn’t have much money.” Charm jumped into Leng Ruoxue’s arms and said with disdain.

“Oh!” Leng Ruoxue took the ring and threw it to Zheng En without looking at it.

“Master, this Wu Gong fainted. What should we do?” Charm raised its little head and asked.

“Hehe, this Wu Gong can’t live anyway. Do as you see fit!” Leng Ruoxue said with a malicious smile.

“Boss’s master, why don’t we use him to fish! I know of a type of fish that likes powerhouses the most. Moreover, that kind of fish is also very delicious,” the little peacock suggested.

“Are you talking about the golden sand fish?” Icy, which had been sleeping, opened its eyes and asked.

“Yes, that kind of fish is very difficult to capture. However, it will be very easy to capture with this Wu Gong as bait,” the little peacock explained.

“Hehe, what are we waiting for? Let’s go fishing quickly!” Icy said impatiently. Golden sand fish were legendary delicacies. However, golden sand fish lived in the deep sea, and it was extremely difficult to capture them. And as Little Peacock said, it would be very easy to capture them if there was good bait. Hehe, if it remembered correctly, golden sand fish seemed to like it the most...

### **Chapter 559: Boss’s Owner, Want to Knock? (3)**

“You want to use the Mystic Supremacy as bait?” Leng Ruoxue asked speechlessly. Poor Wu Gong. Why did he provoke her? Now he was in the hands of these gluttonous beasts. Alas! She felt some pity for Wu Gong!

“Hehe, he’s going to die anyway. Don’t waste it!” Icy said with a naughty smile.

“But isn’t this too cruel?” Leng Ruoxue asked uncertainly. She couldn’t bear to!

“Little Snowy, you’re too kind. Alas! You don’t have to worry about this matter. Leave it to me,” Icy said, taking on everything.

“Alright, I don’t care anymore. But Wu Gong definitely can’t live!” Leng Ruoxue reminded.

“Yes, yes. Don’t worry. We will destroy him after fishing,” Icy said with certainty.

“Little Icy, where are we going to fish the golden sand fish?” Leng Ruoxue asked curiously.

“This kind of fish can only be found in the deep sea,” Icy said.

“Uh! Then you’re going to the sea! Is there a sea nearby?” Leng Ruoxue’s beautiful face was full of question marks.

“Yes, but it will take about two hours to fly there from Carefree City,” Icy said after some thought.

“Boss’s master, it won’t take two hours with me around. Hehe, one hour will be enough,” the little peacock said. It was a super Legendary Beast, so its flying speed was naturally very fast.

“Then let’s go!” Leng Ruoxue said. She was also curious about the golden sand fish. Moreover, she wanted to know how Wu Gong was going to be bait!

“Let’s go!” Leng Ruoxue stored the beasts in the bracelet, tied Wu Gong with a rope, and sat on the little peacock’s back. She said after everyone sat up.

“Empty, have you heard of the Golden Sand Fish?” Leng Ruoxue couldn’t help asking on the way.

"I've eaten it once. It's indeed delicious. However, golden sand fish are fierce by nature and not easy to capture," Empty explained.

"Oh." Leng Ruoxue nodded.

"Lass, the fish bones of the Golden Sand Fish can be refined," the little old man said.

"Really?" Leng Ruoxue said in surprise.

"Yes, that fish bone is very sharp. It's most suitable for refining knives, swords, and other weapons," the little old man said.

"This is the first time I've heard of it," Leng Ruoxue said doubtfully. However, she couldn't help thinking in her heart, could the knives and swords refined from fish bones be sturdy?

After flying for about an hour, the little peacock brought everyone to a large blue sea. The sea was endless blue, beautiful and deep!

"Lass, this sea is called the River of Gaze, one of the largest oceans in the Boundless Heaven Continent. Hehe, the resources inside are very abundant, but it's also very dangerous!" the little old man explained while pointing at the sea.

"Oh, where are we going to fish the Golden Sand Fish?" Leng Ruoxue asked curiously.

"We have to go to the center of the sea. That's the deepest part of the sea, and also the Golden Sand Fish's favorite place to live," Empty said.

"Little Peacock, bring us there!" Leng Ruoxue ordered.

"Okay, Master. Sit tight. There are many sea beasts in this sea," the little peacock reminded.

"Yes." Leng Ruoxue nodded.

The little peacock flew directly toward the center of the sea seeing that everyone was ready...

"Master, you can let Wu Gong go!" the little peacock said after flying to their destination.

"Uh! How do we put it down?" Leng Ruoxue asked in puzzlement. Didn't fish have to have a fishing rod? Could they use a rope to fish?

"Hehe, Boss's master, you just have to put Wu Gong in the sea. His blood will naturally attract the golden sand fish," the little peacock explained. The golden sand fish loved the smell of blood, especially the blood of the strong, so basically anyone who wanted to fish for the golden sand fish would use their blood as bait! However, fishing for the golden sand fish required a lot of blood, so not many people were willing to part with it!

"Oh!" Leng Ruoxue understood.

"Miss, let me do this kind of strength work!" Cheng Wu, who had recovered from the pill, said. Hehe, Wu Gong! I didn't expect you to be bait one day. Cheng Wu felt relieved seeing the unconscious Wu Gong!

“Okay.” Leng Ruoxue handed the rope to Cheng Wu and then leaned in the freak’s arms, preparing to watch the commotion.

Cheng Wu brought Wu Gong’s rope into the sea bit by bit. He held the other rope in his hand and lay on the little peacock’s back, waiting for the fish to take the bait!

Soon, Wu Gong’s blood flowed into the sea from his wounds. Cheng Wu raised Wu Gong into the air to prevent him from bleeding too much and contaminating the sea!

“Is this little blood enough?” Leng Ruoxue asked curiously.

“It should be about time! If it’s not enough, let it out later!” Cheng Wu said with a smile. It wasn’t his blood anyway, so his heart didn’t ache!

“If you see the golden sand fish later, you have to move quickly!” Empty reminded them. The golden sand fish were very cunning, and they might not be able to capture it even if they were attracted by the blood. This was also one of the reasons why the golden sand fish were difficult to capture.

“Yes, yes.” Song Di and the others nodded repeatedly. They had only heard of golden sand fish and had never eaten them because they couldn’t bear to part with their blood. Boohoo... Why was that fish’s preferences so different!

After a while, there was still no movement on the dark blue sea. Cheng Wu took out a dagger and stabbed Wu Gong with it, bleeding him!

“That bit of blood isn’t enough,” Icy said calmly with its eyes narrowed. Hmph! The taste of golden sand fish was unique, and it didn’t like the blood of non-powerful people. Moreover, it had to be a human powerhouse. Therefore, very few people were willing to use their blood to fish for the golden sand fish because it was very likely that they would die from excessive blood loss before they could fish!

“Uh! Not enough?” Cheng Wu stabbed Wu Gong a few more times, waking him up from the pain.

“Where are we? What are you doing?” Wu Gong looked at his surroundings and asked fearfully.

#### **Chapter 560: Boss’s Owner, Want to Knock? (4)**

“Can’t you tell? This is the sea!” Cheng Wu gloated. Hehe, thanks to Wu Gong, he actually had the chance to taste the legendary golden sand fish. He really didn’t know if he should thank him or anger him to death!

“I know. I’m asking what you want!” Wu Gong asked fearfully. Boohoo... Couldn’t he tell that this was the sea? He wasn’t stupid!

“We’re fishing,” Cheng Wu said calmly.

“Fishing? Then why did you tie me up?” Wu Gong asked gloomily. He was tied up like a dumpling. He couldn’t run even if he wanted to. Boohoo... What rope was that? He couldn’t break it!

“You’re bait. What if you run away without being tied up?” Cheng Wu said matter-of-factly.

“Fish bait? What fish do you want to fish?” Wu Gong asked in disbelief. Damn it, these people actually used him as bait. Boohoo... He had a bad feeling that they weren’t catching good fish!

“We want to fish for the golden sand fish. Have you heard of it?” Cheng Wu asked with a smile.

“Golden sand fish! No, I don’t want to be bait. Let go of me quickly, or I won’t let you go,” Wu Gong roared excitedly. Boohoo... Golden sand fish! He might not be able to fish them even if he released all his blood!

“You are now our prisoner, and you have no choice but to be willing, understand?” Cheng Wu reminded kindly. Hmph! This coward only dared to treat these Mystic masters like them. He actually didn’t even have the strength to fight back against those beasts that called themselves Miss. Mystic Supremacies! How embarrassing!

“You... I’m the vice president of the Mystic Association Headquarters. You actually dare to treat me like this. Do you still want to survive on the Boundless Heaven Continent? How ridiculous!” Wu Gong threatened without blinking.

“Haha, Little Wu Gong! Do you really think you’re still the vice president of the high and mighty Mystic Association? You’re just our captive now,” Song Di said with a face full of mockery.

“He’s too noisy.” Leng Ruoxue narrowed her beautiful eyes with slight displeasure.

“Hehe, my young miss said you’re too noisy. Stay in the water!” Cheng Wu threw Wu Gong into the sea after speaking.

“You... I won’t let you go. Hurry up and pull me up. I don’t know how to swim!” Wu Gong kept flapping in the sea while shouting.

“Little Wu Gong, be good and learn how to swim in the sea yourself. We’ll pull you up when we catch the golden sand fish!” Cheng Wu promised.

“I don’t want to! I don’t want to!” Wu Gong cried out in a sorry state, his voice becoming lower and lower!

“Cheng Wu, is he dead?” Leng Ruoxue couldn’t help asking curiously when she saw that Wu Gong was silent.

“Miss, a Mystic Supremacy won’t die so easily. He’s pretending to be dead!” Cheng Wu said in realization.

“Oh, Empty, why hasn’t the golden sand fish taken the bait yet? Is Wu Gong’s blood too stinky? Don’t those fish like it?” Leng Ruoxue guessed. She despised Wu Gong in her heart. Hmph! Why did he do so many bad things for no reason? He stinked the blood and didn’t even bite the fish!

“Xue’er, you have to be patient when fishing. The golden sand fish won’t be precious if it takes the bait so easily,” Empty comforted helplessly.

“Oh, fishing isn’t my thing. Take your time fishing. I’ll sleep for a while,” Leng Ruoxue said impatiently. She closed her eyes directly after speaking.

“There’s movement. Bring Wu Gong up quickly.” Icy, which was pretending to sleep with its eyes closed, suddenly opened them.

“Okay.” Cheng Wu hurriedly pulled the unconscious Wu Gong out of the sea when he heard Icy. After a while, the waves on the sea rolled, and huge black shadows quickly emerged from the sea...

“Hurry up and do it!” Empty hurriedly sent a voice transmission after seeing the shadows of the fish. At the same time, he released threads of mystic power in his hand and stabbed into the bodies of the fish. In the blink of an eye, he brought the fish to the surface of the sea...

“Xue’er, quickly gather the fish,” Empty ordered. At the same time, his hands did not stop! The others also mimicked Empty and condensed their mystic energy into a line, piercing into the bodies of the fish, and fished the golden sand fish up easily!

“Okay.” Leng Ruoxue had long opened her beautiful eyes and looked at the scene on the sea. At the same time, with a thought, she stored the huge fish into the bracelet...

Everyone worked together for nearly an hour, and the golden sand fish that were attracted were all in their pockets. Then everyone left this sea happily with the little peacock...

The little peacock brought Leng Ruoxue and the others to a remote mountain and descended.

“Master, is this place okay?” the little peacock asked.

“Okay.” Leng Ruoxue nodded after looking around.

“These fish are really beautiful.” Leng Ruoxue took out a few golden sand fish from the bracelet and praised. The golden sand fish were very huge, about ten meters in length. Moreover, their entire body was golden, and even their eyes were golden. Uh! She really couldn’t understand why these fish liked to stay in the deep sea. Wouldn’t their golden appearance be easily discovered by enemies?

“Xue’er, these fish are very beautiful but also very fierce. Apart from the sea beasts, no creatures in the sea are their match. Moreover, they live in groups, so even sea beasts won’t provoke them easily,” she said calmly after seeing Leng Ruoxue’s thoughts.

“Oh, what do you intend to do with this fish?” Leng Ruoxue asked curiously. Uh! She didn’t want to eat fish caught with Wu Gong’s blood.

“Haha, of course we’re eating. Xue’er, don’t think too much. Golden sand fish are rare delicacies!” Empty said with a smile.

“But... I really don’t want to eat fish caught by Wu Gong as bait!” Leng Ruoxue said hesitantly.

“Lass, golden sand fish have to be fished with blood, so you really don’t have to care too much who you use!” the little old man comforted.

“Little Snowy, the golden sand fish are very clean, but only the smell of blood will lure them up from the bottom of the sea. In fact, they are all vegetarians,” Icy explained.
