

Crazy Wife 581

Chapter 581: Moon Gazing City (1)

“Don’t leave me behind. Boohoo...”

“Uh! Little Snowy, will my master be okay?” Lan Ming, who was sitting on the little peacock’s back in the sky, said worriedly.

“No, what can happen to him as a man? The two hairy beasts are also male. Don’t worry!” Leng Ruoxue comforted, very unsympathetic.

“Uh!” Lan Ming was worried when he heard Leng Ruoxue’s words. Who said that nothing would happen to men? It would be more pitiful if something happened to men!

“Little Lan Lan, don’t let your imagination run wild. Little Hairy isn’t interested in men!” Darling, who was lying in Leng Ruoxue’s arms, said understandingly.

“I’m not letting my imagination run wild.” Lan Ming quickly denied it, thinking, Why are Little Snowy’s beasts so shrewd!

“Little Lan Lan, your thoughts are written all over your face. My beasts can tell. Don’t quibble,” Leng Ruoxue exposed Lan Ming.

“Uh!” Two drops of cold sweat dripped down Lan Ming’s forehead. He couldn’t help thinking. Was his performance that obvious?

“Alas! I’m also quite worried about Master!” Tao Tao, who was hiding in Lan Ming’s arms, also said carefully.

“Damn monkey, you should worry about yourself! You don’t have to worry about that man!” Darling said angrily.

“Why don’t you know how to be protective of the fairer sex at all? Boohoo...” Tao Tao said with tears in her eyes, a little scared.

“Tch, I won’t pity you even if I have to!” Darling said disdainfully. Hmph! It was a stingy and vengeful fox. It had yet to forget the humiliation this damn monkey had given them, so the feud between them was set. It would not change because of gender!

“Boohoo...” Tao Tao cried softly in Lan Ming’s arms after hearing what Darling said.

The atmosphere instantly fell silent...

“Master, we’re here,” the little peacock suddenly said after a while and descended at the entrance of the Carefree Hall.

“Okay.” After Leng Ruoxue and the others and the beast jumped off the little peacock’s back, the little peacock also transformed and followed them into the inn.

Leng Ruoxue and the others went directly to the living room after returning to the inn.

“Miss, where did you go?” Zheng En, who was in the living room, asked hurriedly when he saw Leng Ruoxue and the others.

“I went out to look at houses with Yu Lin,” Leng Ruoxue said softly. She couldn’t help thinking, Uh! I wonder how Yu Lin is doing now?

“Why are we looking at houses? Aren’t we leaving tomorrow?” Zheng En asked in puzzlement.

“Haha, is that old boy Yu Lin going to give you a house?” the little old man sitting beside Zheng En said with a smile. Hehe, that old thing Yu Lin was pretty fast! Unfortunately, his wishful thinking was destined to be ineffective! This girl couldn’t be manipulated at will.

“Yes, he also wants me to be an elder of the Mystic Association Headquarters. I only need to be in name and receive the same treatment as the other elders every month. Moreover, I don’t have to do anything!” Leng Ruoxue said indifferently, her expression unreadable!

“Uh! Miss, there’s actually such a good thing!” Zheng En said in disbelief. At the same time, he was puzzled. What did Yu Lin want?

“Yes.” Leng Ruoxue nodded slightly.

“Lass, did Yu Lin come to the Mystic Association?” The little old man looked at the scared golden monkey in Lan Ming’s arms and asked curiously. Why was this monkey together with the kid from the Lan family! Wasn’t this Yu Lin that old man’s favorite!

“No, hehe, we’re back!” Little Hairy’s loud voice sounded in the living room just as the little old man finished speaking.

“...” The little old man looked at Yu Lin, who was carried in by Little Hairy, and was stunned. His face was full of question marks. Uh! What was going on? Moreover, this hugging posture was too...

“Hehe, Little Hairy, you’re back pretty quickly!” Darling jumped in front of Little Hairy.

“Okay.” Little Hairy nodded honestly. Then it specially found a spacious place to stand, but Yu Lin was still unwilling to put him down.

“Erm... Little Hairy, aren’t you tired hugging him?” The little old man, who had returned to his senses, looked at the depressed Yu Lin and couldn’t help asking. Well, he still didn’t understand what was going on!

“No, he’s very light,” Little Hairy said and looked at the little old man cautiously, as if the little old man wanted to snatch him away.

“Oh! Then continue carrying him!” Two drops of cold sweat couldn’t help dripping down the little old man’s forehead. How was Little Hairy’s expression like that!

“Miss, what happened?” Zheng En couldn’t help asking softly when he saw the extremely strange scene.

“Hehe, Zheng En, I’ll tell you!” Darling ran in front of Zheng En again and said as if it was presenting a treasure. Then it recounted the incident to Zheng En and the little old man who didn’t know the truth!

After hearing Darling's words, Zheng En and the little old man looked at Yu Lin with incomparable pity, not knowing what to say! Alas! The mighty president of the Mystic Association Headquarters! How did they encounter such an unlucky thing!

"Why are you looking at me like that?" Yu Lin, who was already depressed, couldn't help shouting furiously when he saw Zheng En and the little old man's gazes.

"Nothing. I just want to ask you if your butt still hurts. I have pills here," the little old man said with a chuckle. His expression was indescribably happy. Hehe, seeing Yu Lin like this, the depression he suffered from Wu Gong lessened significantly!

"Thank you, it doesn't hurt anymore," Yu Lin said dejectedly. Boohoo... His butt actually didn't hurt anymore, but the bear's palm was on his butt, making him feel very stressed!

"Miss, he said it doesn't hurt anymore. We cured him," Little Hairy said excitedly, its smile hanging on its fluffy face.

"Okay, brew your relationship. I'll go back to my room to rest for a while." Leng Ruoxue nodded with a smile and said to everyone present. After speaking, she stored the beasts in the bracelet and left the living room with the freak.

Leng Ruoxue returned to her room and brought the freak directly into the bracelet.

"Xue'er, you're back." Empty sat on a stone chair in front of the purple bamboo house and drank tea while looking at the two of them with a smile.

"Yes." Leng Ruoxue nodded and pulled the freak to a seat.

Chapter 582: Moon Gazing City (2)

"Xue'er, where are we going tomorrow?" Empty asked curiously. He didn't know where to go even though he had decided to leave tomorrow!

"Let's go back to Myriad Mountain City first tomorrow and then go to the Boundless Heaven Continent to train," Leng Ruoxue said after some thought. In fact, she hadn't thought too much about where to go now. Uh! She could go wherever she wanted. She could train wherever she went anyway!

"What do you intend to do with Cheng Wu and the others?" Empty asked.

"Uh! They should stay in Myriad Mountain City. They can stay in Carefree City if they want. Didn't Yulin give us a house? It's big enough for them to stay in!" Leng Ruoxue said.

"What I mean is that they might want to follow you." Seeing that Xue'er didn't understand what he meant, he had to put it bluntly.

"I'm going to train. There's no need to do anything by myself with them following me. What's the point of training then!" Leng Ruoxue said helplessly. In fact, she had considered this problem before. She thought that Cheng Wu and the others might request to follow her, but she didn't intend to bring them along to train.

"In fact, I think it's not impossible to bring them along. It's just that it will be inconvenient for us to enter the space if that's the case," Empty said after some thought. It would be much safer to bring those people on the road. However, it might also be as Xue'er said, the effects of training would be much worse.

"Tell me more!" Leng Ruoxue said helplessly.

"Okay, Xue'er, rest early today! We have to travel tomorrow!" Empty reminded her.

"Okay, we'll go and rest first," Leng Ruoxue said. Then she stood up and pulled the freak back to the purple bamboo hut...

The next day.

At the entrance of the Carefree City...

"Little Snowy, where are you going?" Lan Ming looked at Leng Ruoxue and the others reluctantly.

"We returned to Myriad Mountain City first and then went for training," Leng Ruoxue explained.

"Oh," Lan Ming answered gloomily and then fell silent.

"Little Lan Lan, why are you acting like this? It's not like we won't see you again." Icy, who was lying in Leng Ruoxue's arms, couldn't take it anymore.

"How am I!" Lan Ming hurriedly denied, his handsome face slightly red.

"Little Lan Lan, farewell!" Leng Ruoxue said calmly. Alas! She really didn't know what to say when she saw Lan Ming's appearance.

"Yes, I'll look for you when I have time," Lan Ming said after some thought. Boohoo... In fact, he also needed to train. However, his master was throwing a tantrum now and forbade him from leaving. Alas!

Leng Ruoxue nodded slightly and stopped talking lest she became sad!

"Hehe, Little Yu Lin, don't miss us!" After a long silence, Little Hairy's loud voice suddenly sounded, breaking the silence!

"I won't miss you!" Yu Lin said through gritted teeth. Boohoo... He was too ashamed to face anyone now because many people had seen him when he was carried back by Little Hairy yesterday. Now, everyone was looking at him strangely, making him uncomfortable all over!

"But we will miss you, especially your bouncy little butt!" Little Hairy said with a wretched smile.

"Damn it, stop having ideas about my butt," Yu Lin said fiercely.

"So what if I hit you? Come and bite me!" Little Hairy provoked and winked at Yu Lin.

"You..." Yu Lin took a deep breath and composed himself. He decided to ignore the two hooligans. Alas! They were from different channels and couldn't communicate!

Everyone present couldn't help turning their heads to snicker after hearing their conversation. Of course, this was all to give Yu Lin some face!

“Lass, it’s getting late. Leave quickly!” Yu Lin flew into a rage out of humiliation and began to chase them away! He didn’t want to see these people for the time being. Boohoo... because it would remind him of the sad incident yesterday!

“It’s still early. There’s no hurry!” Leng Ruoxue smiled evilly and pretended to be stupid.

“It’s getting late. Let’s go quickly. Otherwise, you will be sleeping outdoors tonight,” Yu Lin urged.

“Alas! Seems like we’re unwelcome people. In that case, let’s go!” Leng Ruoxue sighed and said to everyone aggrievedly.

“Miss, let’s go then!” Little Hairy transformed into a bear with Big Hairy and jumped onto the little peacock’s back first. Then it reluctantly turned to look at Yu Lin...

“Okay, let’s go!” Leng Ruoxue sat on the little peacock’s back after speaking.

“Master, let’s go.” The little peacock said to Leng Ruoxue seeing that everyone had already sat down.

“Okay.” Leng Ruoxue nodded.

The little peacock flapped its wings gently and slowly flew into the sky until it became a small black dot that disappeared from Lan Ming and Yu Lin’s sight...

“Little Yu Lin, we will come back for you! Don’t forget us!”

Lan Ming and Yu Lin were about to turn around and walk back when Little Hairy’s loud voice sounded from the sky, scaring Yu Lin to the ground...

“Master, are you okay?!” Lan Ming hurriedly went forward to help his master up and couldn’t help but sigh in his heart. Alas! Two cents’ power was really great. It seemed like they had already caused serious mental trauma to his master. Poor master!

“It’s okay, Little Ming’er. Let’s go back to the Mystic Association Headquarters quickly. Oh right, quickly send a notice after we go back that bears of any breed are prohibited from entering this city! People in Carefree City are also not allowed to talk about topics related to bears. They are not even allowed to mention the word bear! Otherwise, they will be expelled from the city!” Yu Lin ordered directly. He really didn’t want to see any bears anymore! He didn’t even want to hear the word bear anymore!

“Master, this isn’t too good, right? What about Big Hairy and Little Hairy? They belong to Little Snowy. Little Snowy will definitely be angry if it finds out that you don’t allow them to enter the city!” Lan Ming said with a troubled face. Alas! Master’s order was really too difficult. One had to know that many mystics used bears as contract beasts.

“Erm... by not letting bears enter the city, I mean not letting them wander outside. Those with masters have to stay in the spirit beast space,” Yu Lin explained. Uh! He just didn’t want to see nor hear about bears. It wasn’t that he didn’t allow bears with masters to enter the city.

Chapter 583: Moon Gazing City (3)

“Oh, I understand,” Lan Ming answered, and the master and disciple returned to Carefree City together...

From then on, there was another ridiculous order in Carefree City. People who knew the truth couldn't help laughing happily whenever they thought of the reason for this order...

Half a month later, in the evening.

Leng Ruoxue and the others returned to Myriad Mountain City.

"Miss, you're back." The head butler, who was cleaning the yard on the back mountain where Leng Ruoxue was staying, immediately shouted happily when he saw the little peacock landing in the yard. Boohoo... Miss and the others had left for almost two months. They were finally back. If they hadn't returned, he would have gone to Carefree City to look for them!

"Yes, Head Butler, you've worked hard!" Leng Ruoxue looked at Wang Long, who was helping them clean up the yard, jumped down from the little peacock's back and said.

"Not at all, Miss. You're finally back. I missed you so much," the head butler said excitedly. Tears welled up in his eyes and he was about to cry!

"Wang Long! I just realized today that you are so sentimental!" Cheng Wu, who was still sitting on the little peacock's back, couldn't help teasing when he saw the butler's appearance.

"You..." The head butler blushed at Cheng Wu's words. He stammered for a long time but couldn't say a complete sentence, so he could only glare fiercely at Cheng Wu and the others. Boohoo... In fact, he was jealous of them. Why could they follow Miss while he had to stay behind to look after the family! It was really too unfair!

"Alright, stop teasing him. Everyone, rest early today! I have something to tell you tomorrow." Leng Ruoxue very kindly helped Wang Long out of the predicament and told everyone.

"Yes," Cheng Wu and the others hurriedly answered and jumped down from Little Peacock's back. However, they looked at Leng Ruoxue anxiously and expectantly after coming down!

"Miss, what's the matter? Tell me now, or I won't be able to sleep." Song Di mustered his courage and asked, seeing that no one dared to speak. His Miss's words made them very uneasy!

"You will know tomorrow. Go and rest now!" Leng Ruoxue said helplessly. Alas! When did these people become so impatient!

"Miss, I don't need to rest. Tell me first!" the head butler said carefully.

"But I have to rest. I'm tired from flying for so long. Grandpa Du, do as you please!" Leng Ruoxue said calmly. After speaking, she directly pulled the freak back to her room.

In the room.

The freak gently hugged Leng Ruoxue's slender waist and hugged her in his arms. He said softly, "Xue'er, you're so naughty. You deliberately whetted their appetite."

"There's nothing I can do. I'm really tired!" Leng Ruoxue said innocently.

"Yes, yes. Xue'er, let's rest early then!" the freak hurriedly said. Boohoo... There were more and more light bulbs around him, and he and Xue'er spent less and less time alone together!

“Hehe, freak, bully me!” Leng Ruoxue said with a naughty smile. Alas! There were too many things happening recently, and she didn’t have time to bully the freak.

“Xue’er, then you have to be gentler!” The freak lay directly on the bed cooperatively and looked at Leng Ruoxue expectantly.

“Yes, yes. Don’t worry, I will definitely be gentle.” Leng Ruoxue’s soft hand caressed the freak’s chest after speaking... Hehe, it felt really good!

“Xue’er, are you just touching me?” the freak said with great dissatisfaction, as if his body was on fire.

“Of course!” Leng Ruoxue pretended to be stupid mischievously. Hehe, the freak looked so cute now! Moreover, it made her want to bully him!

“Xue’er, this won’t do. At least...” The freak pulled Leng Ruoxue’s head down and kissed her pink and alluring lips after speaking...

“Yes... Freak, I’m about to suffocate,” Leng Ruoxue whispered after kissing for a long time.

“It’s okay. I’m here. I’ll give you artificial respiration.” The freak carefully tasted the sweetness in Xue’er’s mouth as he said, Oh, it’s delicious. He hadn’t eaten for a long time. Boohoo... He wanted to eat to his full today!

“Freak, I’m angry!” Leng Ruoxue gently pushed away the freak hugging her after a while, her beautiful face full of dissatisfaction.

“Uh! Then what do you want?” The freak’s little heart kept thumping, and his bright black eyes were full of puzzlement.

“I want to take the initiative!” Leng Ruoxue said domineeringly. Then she pounced on the freak and kissed him fiercely on the lips...

“Xue’er, I like you taking the initiative...” the freak said with great satisfaction. Then he deepened the kiss and took the initiative to open his mouth to welcome Xue’er’s fragrant tongue visit. Their lips and tongues intertwined, mutually helping each other...

After a long while, the two reluctantly ended this sweet long kiss and hugged each other tightly to sleep...

The next morning.

Cheng Wu and the others were already waiting for Leng Ruoxue and the freak in the hall when they left the room. Moreover, everyone had two dark circles on their faces, obviously not sleeping well.

“Uh! It’s only been one night. Why are there so many pandas?” Leng Ruoxue couldn’t help teasing as she looked at everyone.

“I didn’t sleep well yesterday,” Cheng Wu said shyly. They all had insomnia last night. Alas!

“Oh, why don’t you go to bed now?” Leng Ruoxue suggested very kindly.

“No, no need. We’re not sleepy. Miss, tell us quickly if you have anything!” Cheng Wu said anxiously.

“There’s no hurry. How can I bear to say it seeing your haggard appearance! Alas!” Leng Ruoxue sighed heavily.

“Miss, we are all men. It’s okay if we don’t sleep for a night. Tell us quickly if you have anything to say. Otherwise, we will continue to suffer from insomnia!” Song Di said anxiously.

“Alright then!” Leng Ruoxue looked at everyone in the hall with her beautiful eyes and then said indifferently, “I intend to leave Myriad Mountain City.”

“What? Miss, you’re leaving!” The head butler stood up excitedly and said in disbelief. Miss said that she wouldn’t stay in Myriad Mountain City for long in the past, but he didn’t expect her to leave so soon. Boohoo... What would happen to them if Miss left?

Chapter 584: Moon Gazing City (4)

“Miss, you don’t want us anymore?” Cheng Wu looked at Leng Ruoxue pitifully like a puppy that was about to be abandoned.

“Miss, how can you abandon us?” Song Di complained with tears in his eyes as he looked at Leng Ruoxue resentfully.

“Miss, we are all your people. You can’t abandon us!” The second butler also cried, his miserable appearance as if Leng Ruoxue was a heartless man who abandoned him after he started.

Leng Ruoxue was at a loss for words as she looked at the crying men in front of her. Alas! Did they have to make it sound so ambiguous! People who didn’t know better would think that she really did something wrong to them!

“Alas! Don’t be like this. You’re not children anymore. Weren’t you living well without me? Moreover, Myriad Mountain City is in your control now. It won’t be like before. You will live well in the future,” Leng Ruoxue said with a sigh.

“That’s different. No one cared about us in the past, but we’re used to listening to your orders now. If you leave, I, Song Di, will be the first to be unconvinced no matter who becomes the boss in Myriad Mountain City!” Song Di said resolutely. He would not submit to anyone except for Miss.

“Me too!” Cheng Wu echoed.

“I’m not convinced either!” the head butler said.

“We’re all unwilling to accept this!” everyone roared in unison.

“Don’t be like this. I told you long ago that Myriad Mountain City has nothing to do with me. Have you forgotten?” Leng Ruoxue reminded them. She had said that she would not interfere when they destroyed the five major factions even though the head butler and Cheng Wu had always wanted to be lazy.

“Boohoo... Miss, you can’t abandon us. We won’t be able to live without you,” the head butler cried.

“Is it that serious?” Leng Ruoxue was very speechless. Alas! Did it have to be so exaggerated!

“Yes!” the Head butler said hurriedly.

“Absolutely!” Cheng Wu agreed very much!

“You... I am going to Myriad Mountain City to train. I didn’t say I won’t be coming back in the future.” Leng Ruoxue had no choice but to use a stalling tactic. She was not sure if she would return in the future, but looking at the current situation, she had to say this. Moreover, she had some feelings for these people after being together for so long, so she didn’t want them to be too sad because of her departure.

“Training?”

“Will you come back?”

Everyone was stunned. Could they have misunderstood Miss?

“Miss, where are you going to train?” Cheng Wu asked very cautiously.

“Not sure yet. Wherever we go counts!” Leng Ruoxue said. The Boundless Heaven Continent was very big, and there were many places suitable for training. However, they would probably choose a relatively small and dangerous place. After all, the strength of her elder brother and the others were not very high!

“Miss, then let me accompany you!” Cheng Wu said schemingly. Hehe, if he followed Miss, Miss wouldn’t be able to shake him off!

“Miss, I’ll go with you too!” Song Di said quickly, also reacting.

“I want to go too!”

Everyone quickly said. They were not stupid and knew that it was safer to follow Leng Ruoxue. Otherwise, they might be abandoned again!

“The place we’re going isn’t suitable for you,” Leng Ruoxue said weakly. They were going to train. What was the point of bringing such a group of Mystic Sovereigns!

“Miss, we also need experience!” Cheng Wu said shamelessly.

“The place we’re going won’t be very dangerous. What can you gain from training?” Leng Ruoxue couldn’t help asking. Alas! They might have stayed for a few more days if Myriad Mountain City was still the chaotic Myriad Mountain City from before. However, no one dared to challenge them in Myriad Mountain City now, so there was no need to stay here!

“Miss, I really need your guidance,” the Head butler said sincerely. Boohoo... Miss didn’t bring him along when she went to Carefree City last time. He should be included in this experience!

“You’re already an adult and don’t need my guidance anymore.” Two drops of cold sweat dripped down Leng Ruoxue’s forehead as she thought, Can’t you not be like this? Alas!

“Miss, can’t we go and give you a beating if you go for training? We won’t attack easily even if you encounter danger unless you ask us to attack. Is that okay?” Cheng Wu said as he racked his brains.

“No! You are all Mystic Sovereigns. How can I let you do odd jobs? Feng Da and the others are enough,” Leng Ruoxue said with firm will. She would not bring them along. Just as Empty said, it would be a little

inconvenient for them to enter the space if she brought them along. In addition, Myriad Mountain City needed them more.

“Uh! Since Miss is determined, we won’t force Miss. We will guard Myriad Mountain City for Miss. Miss has to return early!” The head butler suddenly became understanding. Cheng Wu and the others glared at him angrily as if he had said something he shouldn’t have said as soon as he finished speaking.

“Miss, we’ll take our leave first,” the head butler said and pulled Cheng Wu and the others out of the hall...

“Lass, are you really not bringing them along?” The little old man, who was sitting in the hall without saying a word after the main butler and the others left, asked a little reluctantly. Alas! Lass was still amazing. She had subdued such a group of loyal subordinates not long after coming to Myriad Mountain City.

“Yes, they are more suitable staying here,” Leng Ruoxue said. Alas! In fact, she was relatively satisfied with Cheng Wu and the others after interacting with them for the past few days. However, she couldn’t bring them along because Myriad Mountain City needed them more. It was impossible for Leng Ruoxue to take all these people from Myriad Mountain City, and Cheng Wu and the others were the pillars of Myriad Mountain City. If she took them away, Myriad Mountain City would become an empty shell. This way, other forces would quickly snatch Myriad Mountain City, and everything they had done previously would be in vain!

“Yes, Myriad Mountain City really can’t do without them now.” The little old man knew the situation in Myriad Mountain City better than anyone, so he agreed with Leng Ruoxue.

Chapter 585: Moon Gazing City (5)

“Miss, when are we leaving?” Zheng En asked. In fact, he could understand Zheng En and the others’ feelings very well. Moreover, he was very glad to be able to follow Miss!

“The day after tomorrow!” Leng Ruoxue said after some thought. There were some things she needed to explain.

“Miss, I’ll go see if there’s anything to prepare,” Zheng En said. Then he stood up and left the hall.

“Yes, Grandpa Du. Do you intend to travel with us or stay in Myriad Mountain City?” Leng Ruoxue nodded and then turned to ask the little old man.

“Lass, of course I’m leaving with you. Do you want to abandon me too?” the little old man asked pitifully with a bitter face.

“Uh! How can that be!” Leng Ruoxue’s forehead was full of black lines. She thought, Grandpa Du, why are you like this too! The little old man is Zheng En’s master, so she can’t not bring him along even if she wants to!

“That’s good. Boohoo...” the little old man said with a sigh of relief.

“Grandpa Du, let’s set off the day after tomorrow. Do you have anything to prepare?” Leng Ruoxue asked.

“No, I’ve always brought all my belongings with me. I can go wherever I want!” the little old man explained. In fact, no powerhouse like them would stay in one place for too long. Therefore, many people would bring everything with them even if they had a fixed residence.

“Oh, Grandpa Du, have a good rest for the next two days,” Leng Ruoxue reminded. There wouldn’t be much time to rest after going out for training.

“Yes, yes. Lass, don’t worry about me. I’ll take care of myself,” the little old man promised.

“Okay, Grandpa Du, let’s take a walk outside.” Leng Ruoxue nodded slightly and left the hall with the freak.

After Leng Ruoxue and the freak left the hall, they didn’t disturb anyone. They quietly left their residence and arrived at the inner city of Myriad Mountain City.

Walking on the streets of the inner city, Leng Ruoxue looked at the bazaar which was obviously much more lively than before and was very satisfied with the current situation. She knew that this was all the credit of the Head Butler and the others because they really treated Myriad Mountain City as their home!

“Xue’er, where are we going?” The freak couldn’t help asking curiously when he saw that Xue’er only looked around without any destination.

“We’re not going anywhere. Freak, we can go back,” Leng Ruoxue said with a light smile.

“So soon?” the freak said in disbelief.

“Yes, I’ve seen everything I want to know,” Leng Ruoxue said with a smile.

“Then let’s go back!” the freak said. A good man listened to his wife.

Leng Ruoxue nodded and then summoned the little peacock. The two of them sat on the little peacock’s back and returned to their residence in the back mountain.

“Miss, you went out?” Zheng En said in surprise when he saw the little peacock landing in front of him in the yard.

“Yes, I went out for a walk. Zheng En, get the head butler to see me.” Leng Ruoxue jumped down from the little peacock’s back and ordered directly while pulling the freak into the hall.

“Yes,” Zheng En answered and left.

After a while, the head butler came to the hall with Zheng En.

“Miss! What’s the matter?” the head butler asked curiously when he saw Leng Ruoxue sitting in the hall.

“Head Butler, we’ll leave the day after tomorrow. I have something to tell you before we leave,” Leng Ruoxue said bluntly.

“Miss, please instruct me!” the head butler said very respectfully.

“Everything I want to say is in this letter. Open it after I leave. In addition, distribute the things in here to Cheng Wu and the others.” Leng Ruoxue gave him a storage ring after handing him a letter.

“Yes, Miss. Is there anything else?” the head butler asked.

“Not for now,” Leng Ruoxue said after some thought. What she wanted to say had been written in the letter just now, so there was nothing else to say.

“Then I’ll take my leave first,” the head butler said hurriedly.

“Okay.” Leng Ruoxue nodded.

“Xue’er, don’t you think that the head butler is a little strange?” The freak sensed the urgency in the head butler’s departure and asked in puzzlement.

“Really? Freak, are you thinking too much?” Leng Ruoxue said nonchalantly.

“Uh, maybe!” the freak said doubtfully.

“Zheng En, hold a farewell banquet tonight. I’ll send Feng Da and the others to you later. This will be kept secret for now.” Leng Ruoxue thought for a while and said to Zheng En, Alas! Perhaps it was because she was leaving, she was actually a little sad!

“Yes, Miss,” Zheng En answered happily. He hadn’t known Cheng Wu and the others for long but they got along very well. Moreover, Cheng Wu and the others specially went to Carefree City to save him, so he was very grateful to Cheng Wu and the others.

Then, with a thought, Leng Ruoxue moved Feng Da, the others, and the beasts out of the bracelet.

“Miss, leave the farewell banquet tonight to us!” Feng Da immediately said to Leng Ruoxue as soon as he emerged. They had heard what Miss said in the space just now, and Qing Jue had brought them a lot of food.

“Okay, prepare a sumptuous meal. Tell me directly if you need anything,” Leng Ruoxue ordered.

“Hehe, Miss, just leave it to us.” Feng Da patted his chest and promised.

“Ok.”

After preparing for nearly an afternoon, Feng Da and the others finally prepared the farewell banquet. Zheng En took the initiative to invite the main butler and the others after preparing...

“Zheng En, why is Miss looking for us again?” the head butler beside Zheng En asked in bewilderment.

“Miss is leaving, of course she wants to talk to you. Why? Are you unwilling to come?” Zheng En teased with a naughty smile.

“Uh! That’s not what I mean. I’m just curious what’s the matter, Miss?” The Head butler hurriedly explained. Boohoo... How could Zheng En wrong him? How wronged would he be if Miss heard and misunderstood!

“You’ll know when we get there!” Zheng En said mysteriously.

Chapter 586: Moon Gazing City (6)

“Don’t. Why don’t you reveal a little to us first? I’m nervous if you continue like this,” the head butler said pitifully.

“I don’t know either, haha!” Zheng En couldn’t help laughing out loud seeing the Head Butler’s little wife-like appearance.

Everyone had already arrived at the yard where Leng Ruoxue and the others were staying.

Cheng Wu and the others were dumbfounded when they saw the table in the yard and the food on it. Uh! What did this mean?

“Erm... What is this?” the head butler asked foolishly after reacting.

“Food, Head Butler. Don’t tell me you don’t even recognize food anymore,” Feng Da teased with a smile.

“I know him,” the head butler said shyly. Boohoo... How embarrassing!

“Then quickly take a seat! I’ll go get Miss,” Feng Da said not far away and left after speaking.

“Okay, take a seat quickly. Miss specially prepared this for you,” Zheng En urged.

However, no one sat down. Instead, they looked at Zheng En pitifully...

“What are you doing? There’s no banquet that won’t end. Calm down!” Zheng En almost lost his composure in the face of everyone’s gazes!

“Everyone, take a seat. This is Miss’s token of appreciation.” After a while, Cheng Wu sighed softly and was the first to sit down.

Then, Song Di and the others sat down one after another...

When Leng Ruoxue and the freak walked out of the room, they saw Cheng Wu and the others sitting in chairs with worried expressions on their faces.

“Don’t be like this, okay?” Leng Ruoxue and the freak found a seat and sat down, saying with some dissatisfaction. Alas! Did they have to make her uncomfortable too?

“Miss, what banquet is this?” Cheng Wu asked fearfully. Boohoo... Hopefully, it was not a farewell banquet.

“Miss, as the saying goes, there are no good banquets. Just say it directly. We can bear it,” the head butler said with a face as though he was facing death.

“You’re thinking too much. We’re leaving the day after tomorrow. Can’t I treat you to a meal before we leave?” Two drops of cold sweat dripped down Leng Ruoxue’s forehead as she said, not knowing whether to laugh or cry. Alas! She really couldn’t say the words farewell banquet seeing them like this.

“Miss didn’t treat us to a meal the last time she went to Carefree City!” the head butler said doubtfully. Boohoo... This meal was definitely abnormal!

“The last time we went was short, but this time is uncertain!” Leng Ruoxue said very patiently.

“Miss, we really don’t want to eat this meal,” Song Di said weakly. For some reason, he felt that he would never see Miss again after eating this meal.

“No, everything is ready. It would be a waste if we don’t eat,” Leng Ruoxue said with slight displeasure. Alas! She really couldn’t do anything to these people!

“Can’t we eat?” Cheng Wu said aggrievedly, his expression as if Leng Ruoxue had bullied them.

“Then eat quickly! Zheng En and Feng Da prepared this food for the entire afternoon!” Leng Ruoxue reminded.

“Eat!”

“Eat!”

Cheng Wu and the others said to each other, but none of them were happy.

Everyone held food in their hands and sent it absent-mindedly into their mouths while drinking fiercely without saying a word...

“Xue’er, did you get someone to drug the food? Look at how painful they are eating.” The freak looked at Xue’er beside him and teased with a light smile.

“Alas! No one is allowed to sleep until you finish this food today.” Leng Ruoxue sighed heavily and ordered helplessly.

“Yes,” everyone answered weakly and then focused on attacking the food. At first, everyone was very depressed. However, after a few glasses of wine, Cheng Wu and the others began to talk. However, they hugged their heads and cried after a few sentences...

“Alas! Freak, let’s go back to our room!” Leng Ruoxue couldn’t take it anymore and couldn’t help saying to the freak.

“Okay, Zheng En, I’ll leave this place to you.” The freak pulled Xue’er to her feet and ordered Zheng En and the others.

“Yes, we will watch over them,” Zheng En hurriedly promised. Alas! His mood was affected by Cheng Wu and the others!

Cheng Wu and the others had drunk a lot. The next day, Leng Ruoxue and the others emerged from their rooms and saw them lying on the ground, sleeping soundly. They slept for a day after getting someone to send them back to their rooms...

Leng Ruoxue and the others had already left by the time they woke up...

Ten days later.

Leng Ruoxue and the others arrived at Moon Gazing City.

Moon Gazing City was a larger city on the Boundless Heaven Continent. The reason why it was called Moon Gazing City was that this city belonged to the Guan Yue[1.Guan Yue literally translates to moon gazing].

The Guan Yue Family might not be as strong as the three great super families, but it could also be considered a top family on the Boundless Heaven Continent.

"Xue'er, this Moon Gazing City is indeed a big city. It's much livelier than the few cities we've passed these few days." Leng Ruohan couldn't help but exclaim as he looked at the bustling crowd on the street.

"En, Big Brother, let's find an inn first," Leng Ruoxue suggested. She knew that everyone was very curious about the Boundless Heaven Continent, so they couldn't help wanting to take a look anxiously after reaching every place.

"Okay," Leng Ruohan said shyly. Hehe, he actually forgot to look for the inn!

Leng Ruoxue and the others walked along the streets to look for inns. However, after looking for several inns, they found that all the inns they wanted to stay in were full. This couldn't help but make her feel a little strange!

"Xue'er, this is the last inn in the Guan Yue Family. We will have to sleep on the streets if it's full." The freak looked at the three-story high inn in front of him with a map in his hand and said to Leng Ruoxue.

Leng Ruoxue looked up at the tall and gorgeous inn in front of her. The plaque on the inn had the words 'Moon Gazing Restaurant' written in golden words. The gilded words shone with a beautiful color under the sunlight. There was a small moon in the lower right corner of the plaque, and this was the emblem of the Guan Yue Family!

Chapter 587: The Case Caused By A Dessert (1)

"Xue'er, looks like this is the inn owned by the Guan Yue family!" Leng Ruohan, who was also looking at the inn, said.

"Yes, Big Brother, Freak, Empty, let's go in and see if there are any more rooms!" Leng Ruoxue suggested. Then she pulled the freak into the inn first.

Because it was afternoon and the meal time had passed, there were not many people in the dining hall on the first floor of the inn at this time. However, after Leng Ruoxue, the freak, Leng Ruohan, and the others walked in, they still attracted the attention and amazement of the people in the hall!

Leng Ruoxue and the others walked in as if no one was around and went directly to the front desk. The shopkeeper was settling scores at the counter. After sensing that someone was blocking the sunlight in front of him, the shopkeeper looked up with slight displeasure and was about to flare up, but he was stunned when he saw the person in front of him...

"Miss, do you want to eat or stay?" After coming back to his senses, the shopkeeper looked at the absolutely beautiful girl in front of him with a stunned face, and was indescribably shocked in his heart. Which family's young lady was this? She was so beautiful that it was difficult to describe with words. He had been the shopkeeper of the inn for many years, and he had seen many young ladies from the major families who came to stay in the inn, but none of them could be compared to the person in front of him!

"Stay!" Leng Ruoxue said lightly, her beautiful eyes gently looking at the person in front of her. This shopkeeper looked to be around 40 years old and had a very ordinary appearance, but his small eyes

were relatively shrewd. Moreover, he was also a mystic. His strength might only be an elementary mystic, but he must be formidable to be able to be the shopkeeper of such a large inn!

“Miss, I’m really sorry. There have been more people coming to Guan Yue City recently, so the rooms in the inn are very nervous. There’s only one luxurious suite in this shop now, I’m afraid it can’t accommodate so many of you,” the shopkeeper said with an apologetic face.

“It’s okay. Let’s get a room!” Leng Ruoxue said nonchalantly. One room was enough for them.

“Miss, there are only three rooms in the suite. What about the others?” the shopkeeper couldn’t help asking.

“Three rooms are enough. My subordinates can find any place to sleep outdoors. There’s no need for Shopkeepers to worry,” Leng Ruoxue said speechlessly, thinking that this shopkeeper was being too nosy!

“Uh, alright then. Please follow me!” The shopkeeper left the front desk and led Leng Ruoxue and the others up the stairs to the third floor. Then he pointed at the innermost room on the third floor and said to them, “This is the room.”

“Thank you, Shopkeeper. Please don’t disturb us if there’s nothing important,” Leng Ruoxue reminded the shopkeeper.

“Okay. If you want to eat, you can come to the hall on the first floor or call me at any time. There’s a voice transmission device in the room,” the shopkeeper reminded. Then he bowed very politely and turned to go downstairs.

After the shopkeeper left, Leng Ruoxue pushed open the door of the suite and walked in directly, and the others naturally followed closely behind.

Leng Ruoxue’s beautiful eyes sized up this luxurious suite. This was the first time they were staying in the best room since coming to the Boundless Heaven Continent! The entire room was mainly white, looking relatively elegant and unique, giving people a very comfortable feeling!

“Hehe, Miss, this place is not bad. It’s even more luxurious than the Carefree Pavilion we once lived in,” Zheng En said excitedly, his eyes looking around.

“Tch, no matter how good this place is, it can’t compare to Carefree Hall.” Icy, which was pretending to be asleep in Leng Ruoxue’s arms, opened its ice blue eyes with displeasure and said disdainfully after hearing Zheng En’s words.

“Uh!” Zheng En was speechless. Why did I wake this little ancestor up! Don’t bite me!

“Disciple, Little Icy is right! The Carefree Pavilion is the top inn in the Boundless Heaven Continent. Moreover, in the entire continent, only the Carefree Pavilion can compare to the inns owned by the three great super families,” the little old man hurriedly explained. Alas! He was also afraid that his good disciple would be bitten by a dog! One had to know that this puppy would not recognize anyone when it bit him!

“Zheng En, we live in an ordinary guest room at Carefree Hall, but this one is luxurious.” Leng Ruoxue said with a light smile.

“Hehe, Miss, I forgot!” Zheng En scratched his head shyly.

“Which one of you wants to stay here?” Leng Ruoxue asked as she sized up Feng Da and the others.

“Miss, I don’t live here,” Feng Da was the first to say. Hmph! This place couldn’t compare to Miss’s space no matter how good it was. He still had to return to cultivate!

“Me neither!”

Lin Yuan and the others expressed that no one wanted to stay in this luxurious guest room.

“Big Brother?” Leng Ruoxue turned her gaze to Leng Ruohan and asked.

“Xue’er, I don’t live here either,” Leng Ruohan said. Xue’er was already a Mystic Monarch, so he couldn’t be too far behind his sister. Therefore, he had the same idea as Feng Da and the others. He wanted to enter the space to cultivate!

“Grandpa Du, what about you!” Leng Ruoxue looked at the little old man and asked. She had already brought the little old man into the space after leaving Myriad Mountain City. The little old man’s reaction when he entered the space for the first time was similar to Zheng En’s. He looked at the precious herbs he knew or didn’t know and didn’t want to come out at all.

“Lass, I definitely won’t stay here! I want to enter the space to guard those cute herbs!” the little old man said excitedly. His heart was with those herbs even though he was outside now!

“Then go in! I, the freak, and Empty will stay outside,” Leng Ruoxue said helplessly. Alas! Feng Da and the others were now cultivating with unprecedented enthusiasm. The little old man and Zheng En were herbalists. It seemed like no one was willing to stay in this luxurious suite except the three of them!

“Xue’er, I don’t want to either...” Empty looked at Xue’er aggrievedly, but Leng Ruoxue interrupted him.

“Then there’s no one in the room. I’ll stay in one room with the freak, you in one room, and Icy in another. It’s settled,” Leng Ruoxue said without hesitation.

“Little Snowy, I want to go back to my space to sleep.” Icy raised its eyes and protested.

“Little Icy, you’re just sleeping. It doesn’t matter where you sleep. Don’t object,” Leng Ruoxue said domineeringly.

“Little Snowy, you don’t respect the rights of a beast! Boohoo... I’m going to sue you!” Icy’s blue eyes welled up with tears as it complained.

Chapter 588: The Case Caused By A Dessert (2)

“Where do you want to sue me at?” Leng Ruoxue asked, not knowing whether to laugh or cry.

“I... I...” Icy was stunned. Yes, where could it sue?

“Haha, stay outside obediently. I’ll let you eat the silver snow fish tomorrow. How about that?” Leng Ruoxue coaxed. She believed that Little Icy would definitely not be able to withstand the temptation of the silver snow fish!

“Okay, I want to eat one myself!” Icy bargained. It almost drooled when it heard about the silver snow fish!

“Can you finish it?” Leng Ruoxue said speechlessly. This foodie actually wanted to finish a few kilograms of silver snow fish by itself. Wasn’t it afraid of being bloated?

“Of course I can. My appetite is very big. I’ve only been eating half full,” Icy said aggrievedly, its ice blue eyes looking at Leng Ruoxue pitifully.

“Are you trying to say that I abused you and didn’t let you eat until you were full?” Two drops of cold sweat dripped down Leng Ruoxue’s forehead uncontrollably as she said helplessly. Icy’s little stomach bulged every time it ate, and it was impossible to walk without hugging it. It actually dared to say that it was half full!

“No! No! Little Snowy is the best. Why would it abuse me!” Icy hurriedly said with a fawning face. Boohoo... It just wanted to pretend to be pitiful and fight for some benefits for itself. It couldn’t let Little Snowy misunderstand!

“Is this sincere?” Leng Ruoxue raised Icy in front of her and asked lightly.

“Yes, absolutely! Little Snowy is the best!” Icy said seductively. Its two front claws gently hugged Leng Ruoxue’s arm, and its little head kept rubbing against her wrist!

“Little Icy, forget it this time. I’ll spank your butt if you’re so heartless next time,” Leng Ruoxue threatened, her beautiful face full of displeasure.

“Don’t spank my butt. It’s very embarrassing!” Icy pouted pitifully. Boohoo... It was the famous beautiful beast of the Qilin race. How could it face others in the future if Little Snowy spanked it!

“I won’t call as long as you’re good,” Leng Ruoxue said with a light smile.

“Little Snowy, when did I not behave? I have always been well-behaved!” Icy complained.

“I mean in the future!” Leng Ruoxue said with a smile.

“I’ll be good!” Icy raised its front paw and promised. Alas! It had let down the Qilin race! It didn’t have the might of a Qilin at all in front of Little Snow.

“Okay.” Leng Ruoxue nodded with satisfaction. Then she brought everyone and Little Icy into the bracelet with a thought.

After entering the bracelet, Leng Ruohan and the others immediately returned to their rooms to cultivate. Zheng En and the little old man went straight to the medicinal field, and Leng Ruoxue and the others sat down on the stone chairs in front of the purple bamboo hut.

“Xue’er, let’s take a walk on the streets of Moon Gazing City later!” Empty suggested.

“Okay. By the way, did you notice anything amiss?” Leng Ruoxue asked doubtfully.

“Really? I didn’t notice!” Empty said with a light smile, a trace of understanding flashing in his bright black eyes.

“Me neither,” the freak echoed. In his eyes, anything that was not dangerous to Xue’er was nothing!

“Oh, let’s go shopping now!” Leng Ruoxue said. Alas! Perhaps she was being paranoid. She kept feeling that someone was tailing them in the dark. She didn’t know who it was, but she shouldn’t have any ill intentions toward them.

“Okay!” The freak and Empty nodded.

Leng Ruoxue walked out of the room with the two of them and the beast.

When they passed the hall on the first floor, the shopkeeper saw Leng Ruoxue and the others and hurriedly walked to them and asked, “Do you want to eat or go out?”

“Shopkeeper, we want to go out for a walk. Do you have any good recommendations?” Empty asked calmly.

“Haha, it’s really the right time for you to come to our Moon Gazing City. Now is the most lively time in our Moon Gazing City. Otherwise, all the inns in the city wouldn’t be full,” the shopkeeper said with a face full of pride.

“Why? Could there be something important in Moon Gazing City?” Empty asked curiously.

“Of course there is. In a few days, it will be the annual flower appreciation festival in our Moon Gazing City. Many families will come to participate at that time,” the shopkeeper said happily.

“What’s a flower appreciation event?” Leng Ruoxue asked in puzzlement. Did people in this world also like to raise flowers?

“Famous flowers and beautiful women are considered flowers. If Miss participates, you will definitely win,” the shopkeeper said with certainty. Hehe, he thought very highly of this young lady!

“Can married women participate too?” Leng Ruoxue asked lightly. What kind of flower appreciation event was this? Those famous flowers were probably just a foil. Beauty was the most important.

“Uh! Of course not,” the shopkeeper said honestly. The main reason why Moon Gazing City held the flower viewing convention every year was to communicate with the major families. To put it bluntly, it was a matchmaking convention indirectly held for the major families. Therefore, married women were naturally not allowed to participate.

“Then I won’t have a chance. I’m already married,” Leng Ruoxue said with regret. Hmph! She didn’t want those perverted stinky men to judge her.

“Uh! Miss is already married? Miss doesn’t look old?” The shopkeeper didn’t believe Leng Ruoxue’s words and couldn’t help asking doubtfully.

“I’ve been married for several years. He’s my husband!” Leng Ruoxue pointed at the freak, the happiness on her face obvious.

“Oh, then congratulations, Miss,” the shopkeeper said with some regret. Alas! He had long seen that their relationship was very intimate, but he really didn’t expect them to be married. However, speaking

of which, these two were really quite compatible. The woman was drop dead gorgeous, and the man was even more handsome than their young master. What an enviable immortal couple!

"Thank you, shopkeeper. Let's go out for a walk," the freak said in a good mood. Then he hugged Xue'er's slender waist and threw Empty to the side. The two of them strode out of the inn...

"You two are disloyal. Why did you leave by yourselves!" Empty, who was ignored on the street outside the inn, caught up with Leng Ruoxue and the freak and complained.

Chapter 589: A Case Caused By A Dessert (3)

"You're a lightbulb! Stay away, don't interfere with the sweetness between us husband and wife!" The freak hugged Leng Ruoxue and looked at Wayless with disdain.

"Are you married?" Empty rolled his eyes and asked speechlessly.

"Tch, didn't you hear what Xue'er said? We've been married for several years," the freak said proudly, his handsome face full of excitement.

"Xue'er was just saying it casually to deal with that shopkeeper. Did you take it seriously?" Empty reminded kindly.

"Xue'er, were you joking?" The freak pouted with great dissatisfaction, and tears flashed in his dazzling starry eyes!

"No," Leng Ruoxue answered simply, her beautiful face full of helplessness. However, since she had already locked onto the freak, there was naturally no need to deny it!

"See!" The freak was smug. The stunning smile on his handsome face made heaven and earth lose color!

"Xue'er is just coaxing you," Empty deliberately retorted. Alas! He just couldn't bear to see the freak so smug! This was obviously agitating him, a lonely person!

"You can't sow discord between me and Xue'er. Hmph!" the freak said very confidently.

"Are you two done arguing?" Leng Ruoxue couldn't bear it anymore. Alas! These two men couldn't find a suitable place to bicker no matter what. Two peerless handsome men arguing on the streets would attract many people to watch.

"We didn't quarrel!" the freak and Empty immediately said as if the two men who were fighting like chickens just now had nothing to do with them.

"Let's leave this place quickly!" Leng Ruoxue didn't expose them and said directly. Alas! The three of them had already attracted many strange gazes now. She didn't want to be surrounded by others!

"Oh, then let's go quickly!" Empty also felt that something was amiss and hurriedly urged.

"Xue'er, which way should we go?" the freak asked as he looked at the roads on both sides.

"Empty?" Leng Ruoxue stared at Empty and asked.

"Don't look at me. I don't know either. The changes on the continent are too big now. I don't know many places anymore," Empty shrugged and said helplessly. Boohoo... How could this be?

“Then let’s go to the right!” Leng Ruoxue said after some thought. They had found this inn from the left when they came, and they had not turned to the right yet!

“Yes.” The freak and Empty nodded slightly in agreement.

After deciding, the three of them walked toward the right street.

“Little Snowy, I smell something delicious. Hurry up and eat!” Icy, which was lying in Leng Ruoxue’s arms, suddenly opened its ice blue eyes and said impatiently after walking for a while.

“You glutton. You just finished eating lunch, and you still want to eat now? Can you be a little more promising?” Leng Ruoxue said speechlessly. Icy should have eaten a lot of delicious things! How could it be seduced by the food outside? She really couldn’t understand!

“I’m hungry! Little Snowy, this smell is really fragrant. Let’s pay for it!” Icy pleaded pitifully.

“Alright!” Leng Ruoxue really couldn’t bear to refuse seeing the pleading in Icy’s blue eyes. Alas! She had always been helpless against cute beasts!

“Xue’er, the fragrance should be coming from there.” Empty pointed at an inconspicuous road.

“Okay, let’s go take a look!” Leng Ruoxue said.

The freak and Empty nodded, and the three of them and the beast followed the scent toward the trail.

The road was not long, and there was only one shop at the end. At this moment, many people had gathered outside the shop. Almost everyone stretched their necks as if they were waiting for something!

Leng Ruoxue looked up at the plaque. So this was a shop that specialized in selling snacks. The crowd outside the door were actually waiting to buy snacks. Uh! It was probably not easy to see the scene of queuing on the Boundless Heaven Continent!

“Little Snowy, let’s line up quickly!” Icy said anxiously. Boohoo... This smell was really too fragrant.

“Little Icy, it’s just a snack. There’s nothing delicious,” Leng Ruoxue said without much interest.

“Hey, what do you know? This Fragrance Village is the best snack shop in our Boundless Heaven Continent.” Leng Ruoxue’s words immediately aroused the dissatisfaction of a fan in the queue and reprimanded with an angry face.

“Is it really that good?” Leng Ruoxue said doubtfully. It smelled delicious, but she didn’t know if it was worthy of its name!

“Of course!” the fan said proudly, as if this shop was owned by his family.

“Little Icy, let’s not buy anymore. There are too many people!” Leng Ruoxue looked at the long queue, and her head hurt.

“Alright then!” Icy nodded obediently and then looked at Leng Ruoxue pitifully as if to say, “Little Snowy, I’ll be good!”

“I’ll cook for you when we get back.” Leng Ruoxue sighed helplessly.

“Yes, yes.” Icy immediately nodded happily. Hehe, this was what it was waiting for. In fact, to be honest, the snacks in this shop might not be as delicious as Little Snowy’s. However, Little Snowy was too lazy to make them! Therefore, it had to make do! Who wanted the snacks outside now that Little Snowy was willing to make them!

“Then let’s go!” Leng Ruoxue turned to the freak and Wayless.

“Yes.”

The freak and Empty nodded. The three of them turned and were about to leave when they were stopped by a man who walked out of the shop...

“Miss, please wait!” The man hurriedly ran to them when he saw Leng Ruoxue and the others leaving.

“What’s the matter?” Leng Ruoxue was a little puzzled, not knowing why this middle-aged man who looked like a steward stopped them!

“Miss, these are our Floating Fragrance Village’s signature snacks. I’ll give them to you to try,” the middle-aged man said very politely and then handed over the boxes of snacks in his hand.

“Thank you for your good intentions, but we don’t need it anymore,” Leng Ruoxue said very cautiously. As the saying went, one’s mouth was short when eating. She was not related to this shop, so she didn’t dare to casually accept the things they gave her!

“Miss, my young master asked me to give it to you to try. I can’t explain it if you don’t want it,” the middle-aged man said awkwardly.

Chapter 590: The Case Caused By A Dessert (4)

“That’s your problem. I don’t know your young master,” Leng Ruoxue said coldly after hearing what the middle-aged man said. Then she gave the freak and Empty a look, and the three of them left without looking back...

After Leng Ruoxue and the others left, the middle-aged man looked at the snacks he didn’t give away and sighed softly before returning to the shop to report.

In a room in Fragrance Village.

“Young Master, that young lady refused.” The middle-aged man braced himself and said. Alas! He knew the young master’s temper very well. He didn’t do the things the young master ordered this time, and he didn’t know what kind of punishment he would receive!

“Got it. Go out!” the young master said softly.

“Yes.” The middle-aged man was stunned for a moment, but he quickly reacted and hurriedly said, Hu, the young master actually didn’t punish him. It was too unbelievable! Thinking of this, he hurriedly retreated.

“It’s so rare that you’re not angry.” Another young man in the room couldn’t help teasing.

The man who spoke was about twenty years old. He was handsome, refined, and had an extraordinary temperament. His beautiful eyes were warm like jade, and they were so gentle that they seemed to

melt people. He was a Mystic Monarch even though he was very young. He was currently looking at another man with a spurious smile.

“What’s there to be angry about? I’ll only be angry if she takes it!” the teased man said nonchalantly. The ‘her’ he was referring to was naturally Leng Ruoxue!

“Your way of thinking is really abnormal! Which man doesn’t want the woman he likes to like his gift!” the young man said in puzzlement.

“Those are just a few boxes of snacks. They’re not considered gifts. Luo Fei, it’s your thinking that’s strange!” the man said.

“Perhaps! Alas! The gift from the mighty young master of the Guan Yue family was actually refused for the first time. Hehe, if your admirers knew about this, they would be so sad!” the man named Luo Fei teased happily. Alas! His limelight had been suppressed by Guan Yue Xi since he was young. He finally saw him embarrassed today! It was really satisfying!

“I told you, that’s not a gift,” Guan Yue Xi whispered through gritted teeth. Alas! Luo Fei finally saw him being the joke today. How depressing!

“Zero! Find out their whereabouts!” Guan Yue Xi ordered the void.

However, no one answered. What answered him was a light breeze...

After the three of them left Fragrance Village, they arrived at the busiest street in Moon Gazing City. It was not evening, but the street was already crowded and crowded...

“Haha, as expected of the busiest place in Moon Gazing City! How lively!” Empty couldn’t help exclaiming as he looked at the pedestrians walking around.

“Yes, Empty, let’s leave this place quickly!” Leng Ruoxue said helplessly. There were too many people on the streets, and many people were already surrounding them and criticizing them!

“Wow, that woman is so beautiful!”

“Yes, I will definitely vote for her if she participates in the flower viewing convention.”

“Those two men are so handsome! If I can marry one of them, I can die happy!” The one who said this was obviously a love-struck fool.

“You don’t even deserve to carry his shoes.” Another woman’s disdainful voice immediately sounded just as the love-struck fool finished speaking!

“Wang Xiaohua, who are you saying isn’t worthy? Am I not worthy? Hmph! Why don’t you take a look at your character in the mirror!” The love-struck fool immediately roared like a shrew!

“At least I look better than you!” the woman called Wang Xiaohua roared back, unwilling to be outdone. The two of them directly quarreled on the streets. Immediately, the gazes of the pedestrians on the streets turned from Leng Ruoxue and the others to the two of them and watched the commotion excitedly.

The discussions of the pedestrians on the street and the argument of the two women entered Leng Ruoxue and the others' ears without missing anything. Their gazes collided, and then they turned back the way they came very tacitly...

"Xue'er, let's go back to the inn quickly! The people of Moon Gazing City are really too terrifying!" Empty said with a face full of fear, especially when he thought of the woman who said that she wanted to marry him or the freak, the hair on his body stood on end from fright!

"Haha, men are really a source of trouble. However, that woman can only marry you if she wants to marry." Leng Ruoxue teased with a light smile. Hehe, it was rare to see Empty being embarrassed. She was really too happy!

"Why?" Empty asked foolishly.

"Because I'm Xue'er's!" The freak looked at Wayless like he was looking at an idiot, his handsome face full of pride. Hehe, it was good to be a man with an owner, his safety was guaranteed!

"Don't be smug. Xue'er is also a disaster," Empty reminded.

"What do you mean? Xue'er is mine. I'll kill whoever steals her!" the freak roared furiously. Hmph! Anyone who dared to snatch a woman from him would be eliminated!

"The person who brought snacks to Xue'er just now seems to be some young master, right?" Empty asked, his handsome face full of schadenfreude.

"So what? My Xue'er is so beautiful. It's normal to be secretly liked by some self-indulgent men," the freak said without jealousy. In fact, he had already made up his mind. It would be good if he could retreat in the face of difficulties if he dared to snatch Xue'er from him. However, if he refused to realize his mistakes, then don't blame him for being ruthless! Hmph! He would destroy whoever robbed him!

"Eh, you're actually not jealous," Empty said with a face full of surprise as if he had discovered a new continent. This was really too abnormal. A man who was even jealous of the Xue'er Beast actually showed no signs of being jealous in the face of an unfamiliar love rival. Was this normal?

"Tch, if I'm jealous of a stranger that doesn't matter, wouldn't I be jealous to death a long time ago!" the freak said confidently. In fact, the reason why he was not jealous of strange men was because he knew that Xue'er would not fancy other men casually. Thinking back, how many plans did he think of when he stuck to Xue'er! In the end, he realized that Xue'er was at her wit's end when pretending to be pitiful to the people or beasts around her. Hehe! Therefore, he finally relied on Xue'er without letting everyone down!

"Uh! That makes sense!" Empty nodded in agreement. It seemed like he didn't know this freak very well!
