Chapter 611: Visiting the Guan Yue Family at Night (4)

“Uh!” Upon hearing the patriarch’s words, the Sixth Elder immediately felt cold sweat forming on his back. Boohoo... He just wanted to flatter the patriarch. After all, Wu Qian’er was the patriarch’s future daughter-in-law! However, why did it seem like the patriarch was very angry?

Compared to the Sixth Elder’s puzzlement, the other elders were clear in their hearts. They knew very well that the patriarch didn’t want to become related to the Wu family. However, everything would be set if Wu Qian’er obtained first place in the flower appreciation festival.

Therefore, they were also very conflicted in their hearts because they knew that if Wu Qian’er participated in the flower appreciation festival, unless some unexpected accident happened, there was a high chance that she would be the champion. Boohoo... They were really in a difficult situation! Otherwise, they wouldn’t have turned a blind eye and watched the Sixth Elder curry favor with the Wu family’s patriarch. After all, they were unwilling to offend people who might become the future mistress of the Guan Yue family!

“Let’s go!” Leng Ruoxue sent a voice transmission to the freak and Empty after watching the commotion.

“Uh! Leaving so soon?” Empty couldn’t help asking.

“What? Haven’t you seen enough?” Leng Ruoxue said helplessly. Alas! Empty had become naughty and actually wanted the world to be in chaos.

“Yes!” Empty replied with a chuckle. Hehe, those people were so hungry that they cried out.

“This place is boring. Let’s go to other places to take a look,” Leng Ruoxue suggested.

“Xue’er, aren’t we going to attack them? Should we ‘snap’ them now?” The freak’s dazzling starry eyes emitted a cold glow as he asked fiercely.

“Uh! Freak, calm down. We are good children. We can’t be so violent.” Two drops of cold sweat dripped down Leng Ruoxue’s forehead as she hurriedly said.

“Oh, then let them go for now!” the freak said very kindly. His bright starry eyes were pure and innocent as he looked at Leng Ruoxue, as if he was saying, ‘I’ll listen to you!’

“Okay, let’s go!” The three of them and the two beasts left the main yard and began to wander around the Guan Yue family. Moreover, they discussed as they walked!

“Xue’er, is this Guan Yue Family really a top family in the Boundless Heaven Continent?” the freak asked doubtfully after circling around for a long time.

“Yes, what’s the matter?” Leng Ruoxue couldn’t help asking doubtfully when she saw the dissatisfaction on the freak’s face.

"I don't think it can compare to our home in the Ling Feng Continent at all!" the freak said with some disdain. In his opinion, this Guan Yue Family was only slightly larger than the Leng family's General's Mansion, but the interior decoration was completely inferior to the exquisite General's Mansion!

"Of course!" Leng Ruoxue said with a face full of pride. After she redecorated the General's Mansion, the decorations inside were not something any family could compare with. Don't forget, she was an artificer! No family was willing to use a holy artifact as an ornament!

"Say, do you two have to be like this! If the Guan Yue family knows that their home has been despised by you, they will definitely vomit blood from anger!" Empty said very helplessly.

"Hehe, freak, we don't live here, so don't express your opinion," Leng Ruoxue said very kindly.

"Okay." The freak nodded in agreement. Well, he had to listen to his wife!

"Master, the Fallen Plum Garden is up ahead," Feng Zhan suddenly reminded.

"Fallen Plum Garden? It sounds so familiar!" Leng Ruoxue asked in puzzlement, momentarily stunned.

"Xue'er, Fallen Plum Garden is the Wu family's temporary residence." Empty knew from Xue'er's expression that she didn't remember at all, so he had to remind her.

"Oh!" Leng Ruoxue nodded understandingly.

"Xue'er, I'll go kick her twice more and send her straight to hell!" the freak said lightly, his beautiful face unreadable!

"Don't. I'm still counting on her to participate in the flower appreciation festival!" Leng Ruoxue hurriedly stopped him after hearing the freak's words.

"Xue'er, why did you get Ning De to refine the Snake Accumulation Pill for her?" Empty asked in puzzlement. He knew that Wu Qian'er's injuries could only recover because Xue'er's permitted it. Otherwise, Ning De would not dare to refine pills for Wu Qian'er at all!

"Haha, I want her to participate in the flower appreciation festival!" Leng Ruoxue said with a light smile, her beautiful face full of mystery.

"Xue'er, Guan Yue Long doesn't seem to want Wu Qian'er to be their daughter-in-law at all. Could it be that you want to help Wu Qian'er fulfill her wish?" Empty's beautiful face was full of curiosity, and his pitch-black and bright black eyes were even more dazzling and intimidating under the moonlight!

"Hehe, how can I be so kind! You'll know then," Leng Ruoxue said with a smile.

"Xue'er, aren't you going to tell me?" The freak pouted with slight displeasure, his bright starry eyes looking at Leng Ruoxue resentfully.

"Tell, tell!" The freak's innocent gaze made Leng Ruoxue's hair stand on end. She hurriedly accepted her fate. Boohoo... Why did the freak always like to use this move to achieve his goal! What made her even more depressed was that she couldn't refuse at all.

"Xue'er!" Empty looked at Leng Ruoxue. Tears slowly welled up in his pitch-black eyes and rolled uncontrollably...

“Uh! Come closer.” Leng Ruoxue sighed softly and said helplessly. Boohoo... Nothing was like that!

“Okay.” The freak and Empty hurriedly gave their ears.

Leng Ruoxue whispered a few words in their ears, and then the two handsome men’s faces revealed enchanting naughty smiles...

“Hehe, Xue’er, Wu Qian’er is really unlucky.” Empty looked at Leng Ruoxue with admiration after hearing Xue’er’s plan.

“This is called striking first to gain the upper hand. Anyway, we’ve already formed a feud with the Wu family. Can we still count on getting along peacefully with them?” Leng Ruoxue said nonchalantly. Hmph! Since they had already become enemies, unless she didn’t attack, she would definitely cause the enemies to die without a burial ground as long as she attacked!

“Of course not. The Wu family won’t let us go!” Empty said understandingly.

“Yes, that’s why I have to prepare early!” Leng Ruoxue said with a smile.. The expression on her beautiful face was very pure and innocent!

Chapter 612: The Unlucky Patriarch of the Wu Family (1)

“Xue’er, let’s go in and see Wu Qian’er!” the freak said impatiently. Hehe, he also wanted to add something to that annoying woman after hearing Xue’er’s plan.

“Okay.” Leng Ruoxue nodded. The three of them and the two beasts walked into the Fallen Plum Garden with evil smiles on their faces.

At this moment, the Fallen Plum Garden was abnormally quiet. The guards and maidservants in the yard didn’t dare to make too much noise when they did things because Wu Qian’er’s injuries had healed, so as to not affect the young miss’ rest.

“Master, the guard guarding the door should be that woman’s room,” Feng Zhan said after sensing with his divine sense.

“Okay, let’s go take a look.” Leng Ruoxue nodded.

After speaking, the three of them and the two beasts walked toward the room. Leng Ruoxue saw Wu Qian’er sleeping on the bed through the window. She was only covered with a thin blanket, and her two snow-white arms were exposed...

“Freak, what are you doing?” Leng Ruoxue unintentionally turned her head and saw the freak throwing ‘trash’ into Wu Qian’er’s room, so she couldn’t help asking.

“Nothing! Hehe, I’m just adding some material to her. Xue’er, let’s go!” The freak clapped his hands gently. The mission was completed, so when should we leave if not now!

“Oh, Empty, what did you throw?” Leng Ruoxue couldn’t help asking speechlessly when she saw Empty throw a white pill into Wu Qian’er’s room.

“I’ll add something for her too!” Empty said self-righteously. Uh! Xue’er and that damn freak had tampered with it. How embarrassing would it be if he didn’t do anything!

“Uh! Let’s go!” Leng Ruoxue helplessly pulled the two of them away. Well, she felt a little pity for Wu Qian’er now. She didn’t know what the freak and Empty were made of.

“Xue’er, where are we going?” Empty couldn’t help asking.

“Let’s go back to sleep!” Leng Ruoxue said after some thought. She planned to stay in the Guan Yue family until the opening of the flower appreciation festival. Hehe, so how could she finish circling this place in one night!

“Xue’er, we haven’t gone there yet!” Empty pointed at the northernmost corner of the main mansion.

“Let’s go tomorrow. I’m sleepy if I go back to sleep now!” Leng Ruoxue said and deliberately yawned to prove her words.

“Okay.” The freak and Empty nodded. Then the three of them and the two beasts returned to the abandoned side yard where they lived.

After entering the yard, the three of them found Feng Da and the guards sleeping soundly, so they gently passed them and returned to their rooms.

After entering the room, Leng Ruoxue brought the freak and Empty into the bracelet with a thought.

“Grandpa, you’re not asleep yet?” Leng Ruoxue saw her grandfather and brother sitting on the stone chairs in front of the purple bamboo house, drinking tea and chatting as soon as she entered the bracelet.

“Xue’er, we can’t sleep!” Leng Qingtian looked at his granddaughter.

“Uh!” Leng Ruoxue was slightly stunned. Could it be that her grandfather and brother had insomnia?

“Haha, Xue’er, Grandpa and I aren’t sleepy yet!” Leng Ruohan couldn’t help laughing when he saw his sister’s slightly stunned expression.

“Grandpa, are you missing Grandpa Lin and the others?” Leng Ruoxue asked in realization. Alas! Grandpa had been with them for a long time, but he was the only one coming out of seclusion now. It was inevitable that she was a little uncomfortable. After all, no one bickered anymore!

“Yes, I don’t know when those old things will come out of seclusion.” Leng Qingtian didn’t intend to hide it from his granddaughter lest she worry.

“Grandpa, Grandpa Lin and the old man should be here soon. I’m afraid the others will have to wait for a while.” Leng Ruoxue contacted Qing Jue in her heart and asked about Grandpa Lin and the others’ recent situation. Then she said to Leng Qingtian.

“Yes, I think so too.” Leng Qingtian nodded.

“Haha, Grandpa, when Grandpa Lin and the old man come out of seclusion and see that you are already a Mystic Monarch, they will definitely be jealous of you,” Leng Ruoxue reminded. In fact, it was good to have those old men bicker every day.

“Yes, Xue’er, don’t remind them of the existence of the Silver Snow Pill. I want them to be jealous for a few days too, hehe!” Leng Qingtian said with a naughty smile. He couldn’t help wanting to laugh whenever he thought about those old fellows seeing his cultivation level after coming out of seclusion.

“Okay.” Leng Ruoxue nodded and couldn’t help but sigh in her heart. Alas! Grandpa was becoming more and more like a child.

“Xue’er, what do you intend to do with the Wu family and the Guan Yue family?” Leng Qingtian couldn’t help asking when he thought of their current location.

“Grandpa, the Wu family will definitely not let us go. As for the Guan Yue family, they don’t seem to care about us, so I’m not sure if the Guan Yue family will become our true enemy now. However, we still have to teach the Guan Yue family a lesson,” Leng Ruoxue explained. Hmph! How dare they chase them out of the inn. It would not be her style to let it go like this.

“Xue’er, do you have any good plans now? Do you need Grandpa’s cooperation?” Leng Qingtian asked expectantly. Boohoo... He wanted to do something to exercise.

“There’s already a plan, but it won’t start until after the flower viewing convention begins, so Grandpa, wait patiently for two more days!” Leng Ruoxue comforted. The flower appreciation festival was about to begin in two days, so she wouldn’t attack for the time being.

“Okay, okay. If there’s anything you need Grandpa’s cooperation with, just tell me! Grandpa should move his old bones.” Leng Qingtian reminded again, afraid that his granddaughter would forget him.

“Haha, Grandpa, don’t worry. If there’s anything fun, you and Big Brother will have a share,” Leng Ruoxue promised. Alas! It seemed like Grandpa was really bored.

“Yes, yes. It’s good that you know.” Leng Qingtian nodded with satisfaction.

“Grandpa, it’s getting late. Go and rest!” Leng Ruoxue looked at the time and urged.

“Okay, Xue’er, rest early too!” Leng Qingtian and his granddaughter stood up and said to Leng Ruoxue.

“Okay.” Leng Ruoxue nodded. After watching her grandfather and elder brother return to their room, she greeted Empty and pulled the freak into the purple bamboo hut...

The next morning.

Leng Ruoxue left the bracelet with the freak and saw that Feng Da and the others had woken up after exiting the room.

Chapter 613: The Unlucky Patriarch of the Wu family (2)

“Miss, Commander Ye!” Feng Da hurriedly went forward to greet Leng Ruoxue and the freak after seeing them. He scratched his head shyly. Boohoo... They were actually drunk yesterday!

“Yes, where are the guards?” Leng Ruoxue asked as her beautiful eyes swept the yard. She didn’t see Guan Yue Lai’s guards.

"I asked them to get food!" Feng Da said with a smile.

"The Guan Yue family is investigating this matter now. Letting them go and retrieve food at the peak of the storm will implicate us if we are discovered," Leng Ruoxue pretended to be displeased.

"Hehe, Miss, don't worry. I got Ling to cast an invisibility spell on them. They won't be discovered," Feng Da said with a smug face. The guards were actually afraid when he asked the guards to retrieve food in the morning. They didn't dare to steal anymore even if they said they would die. Therefore, he had no choice but to ask Qing Jue for help to let Ling out. Then he got Ling to cast an invisibility spell on them before they dared to go.

"Yes, well done." Leng Ruoxue nodded in agreement. In fact, she had pretended to be angry just to see Feng Da's adaptability. However, the result of the test satisfied her.

"Miss, we have an important plan. Hehe, it's confidential now," Feng Da said mysteriously and kept her in suspense.

"Even I can't know?" Leng Ruoxue said doubtfully. Uh! Could they have some trick up their sleeves again?

"Hehe, Miss, you just have to wait and see our results," Feng Da promised with a naughty smile.

"Alright, I won't ask then," Leng Ruoxue said calmly. Uh! She really wasn't that curious.

"We're back." Suddenly, a voice sounded in Leng Ruoxue and the others' ears.

Leng Ruoxue summoned Ling and ordered her to dispel their invisibility spell. The guards then appeared in front of everyone.

"Miss Leng, we've brought breakfast," a guard said very respectfully. Their attitude toward Leng Ruoxue and the others had changed drastically in just one day. Moreover, they knew very well that their young master had kicked an iron plate this time. Moreover, it was a piece of ten-thousand-year-old black iron. Moreover, this iron plate did not intend to let them go easily. Boohoo... Therefore, they had better be good!

"Okay." Leng Ruoxue nodded. Her beautiful eyes glanced at them casually and stopped talking. She was not even interested in the change in their attitudes.

A few guards took out breakfast from their rings and placed it on the table before standing respectfully at the side.

"I've eaten. Eat!" Leng Ruoxue looked at the food on the table and said to Feng Da and the others.

"Yes, Miss. Where are your silver wolves?" the guard asked. Uh! They had brought all the food that the Guan Yue family had just cooked, including the silver wolves, of course.

Leng Ruoxue smiled lightly and moved the silver wolves out of the bracelet...

After seeing the silver wolf, the guards hurriedly took out a lot of food from their rings and placed it in front of them. Then they beckoned Feng Da and the others to sit on the ground and took out a lot of things. Uh! This was their breakfast.

“Haha, Big Brother Zhao, you’re really interesting.” Feng Da laughed loudly and patted the shoulder of one of the guards as if they were good brothers.

“Brother Feng Da, our family’s kitchen is now heavily guarded. It will probably be difficult to steal food in the future!” a guard said with a troubled face.

“What’s there to be afraid of? We’re not afraid of thieves stealing, but we’re afraid of thieves thinking about us. If we want to take it, we’ll think of a way!” Feng Da said nonchalantly. Well, was he being a bad influence by saying that?

“Uh! It probably won’t be so easy to take it again after this time,” another guard echoed. Boohoo... Why did he seem to fall a little in love with this feeling of taking things! This was not a good sign!

“Don’t be scared. We will cooperate with you next time!” Feng Da promised while patting his chest.

“Yes, yes. Brother Feng Da, you’re really loyal. You’re much better than some people in our family,” Guard Zhao said very touched. Boohoo... This was what was meant by sharing fortune and difficulties together!

“Of course! If everyone bullies the weak and fears the strong like Guan Yuelai, then there’s no justice in the world,” Feng Da said with a face full of contempt.

“Uh! Young Master Lai is spoiled. In fact, he never really touched the women he snatched back every time,” Guard Zhao said softly. Well, this was a secret.

“Eh? Could there be some inside story?” Feng Da asked curiously.

“Hehe, I guess so! In fact, Young Master Lai is quite pitiful. He spent a lot of effort snatching a woman back each time, but they were all released by the young master before he could touch them.” Bodyguard Zhao lowered his head and whispered.

“Uh! No wonder Guan Yue Lai is still alive and well. It turns out that she didn’t succeed!” Feng Da said in realization. He knew it! How could the cowardly Guan Yue Lai not encounter any trouble when she forcefully snatched a young girl from a good family! It turned out that she was killed in the cradle before trouble came knocking!

“Shh, this is a secret that even Young Master Lai doesn’t know.” Commander Zhao looked around and reminded.

“How could he not know?” Feng Da found it unbelievable. How could his master not know that the woman he snatched back was released by someone else?

“Our young master doesn’t have a good memory. He might have snatched those women back, but he usually can’t remember their appearance, so he doesn’t know even if Young Master dropped a bag for him!” Commander Zhao explained, his face full of sympathy for Guan Yue Lai.

“Substitute? Are you saying that your young master used other women to replace those snatched women?” Feng Da asked uncertainly. Uh! He didn’t hear it wrong, right? The young master of the Guan Yue family let go of the women snatched by Guan Yue Lai and actually got him a substitute. No wonder that fool didn’t notice!

“Yes, Young Master used some women who volunteered to be concubines to exchange for the women he snatched.. Young Master Lai’s memory isn’t good, so he can’t distinguish which one was snatched by him and which was not, hehe!” Commander Zhao couldn’t help laughing softly at this point.

Chapter 614: The Unlucky Patriarch of the Wu Family (3)

“Your young master really has ideas,” Feng Da said with a face full of admiration. However, he couldn’t understand why the young master of the Guan Yue family did this.

“Of course. Young Master is very smart. In fact, he’s doing it for the family’s reputation! Young Master Lai was born by the patriarch’s most beloved woman, so he has been spoiled a long time ago.” The more he spoke, the more enthusiastic he became. He even revealed the secrets of the Guan Yue family.

“Since you value the reputation of the family so much, why didn’t you stop Guan Yue Lai’s behavior!” Feng Da asked in puzzlement. Uh! Could that young master have other motives?

“Young Master Lai won’t listen to Young Master. In fact, sometimes Young Master Lai is so willful that he won’t even listen to the patriarch, so Young Master has to think of another way!” Commander Zhao couldn’t help speaking up for their young master. Boohoo... If it wasn’t for the patriarch’s orders, they would want to follow the young master even more because they were not stupid. They knew very well that only by following the young master would they have a future!

“Alas! It’s not easy for your young master either,” Feng Da said politely. In fact, he was not very interested in the secrets of the Guan Yue family. However, he did not mind learning more about the Guan Yue family.

“Yes! It’s really not easy for the young master,” Guard Zhao agreed. He and Feng Da seemed to have found a resonance, and the more they chatted, the more opportunistic they became. They even waited for their ancestors’ eight generations clearly.

Leng Ruoxue looked at Feng Da, who was trying to wring information out of her, speechlessly. Two drops of cold sweat couldn’t help dripping down her forehead. Uh! Feng Da was addicted to wringing information. He even asked about her ancestors.

“Xue’er, shall we take a walk somewhere else?” The freak looked at Feng Da and the others, who were chatting very amiably. Alas! They were really becoming smarter. They were chatting privately with another guard each, haha!

“Okay.” Leng Ruoxue ordered Ling to cast an invisibility spell on the two of them. She was about to leave this lousy yard when a voice without any hidden bitterness sounded in Leng Ruoxue’s heart!

“Xue’er, how can you abandon me!”

“Uh!” Leng Ruoxue let go of the impossible bracelet speechlessly and couldn’t help but grumble in her heart. Can you not say it so ambiguously? Fortunately, the freak couldn’t hear it. Otherwise, that jealous lover would be jealous again.

Without Leng Ruoxue’s instructions, Ling took the initiative to cast an invisibility spell on Empty. Then he said to Leng Ruoxue, “Master, it’s done.”

“Yes, good!” Leng Ruoxue caressed Ling’s soft and tender scales.

“Let’s go!” Leng Ruoxue said to the freak and Empty. The three of them left the remote broken yard.

“Xue’er, the Guan Yue family seems to have twice as many guards as yesterday!” The three of them walked all the way to the vicinity of the main house. After seeing a sentry every three steps and a sentry every five steps, Empty said in disbelief, Wasn’t this Guan Yue family making a mountain out of a molehill? They only lost some food, was there a need to be so nervous!

“It seems like they didn’t eat breakfast today again,” Leng Ruoxue said in realization, her beautiful face full of a naughty smile. Hehe, the people sent by the Guan Yue family to purchase food yesterday seemed to have returned this morning. Moreover, she heard from Qing Jue that they should have gone to other cities to purchase food because there just happened to be no more food in the shops of Guan Yue City. Alas! To say that the Guan Yue family was really unlucky. How did they manage to sell all the food in Guan Yue City just in time? In fact, if they really wanted to pursue the matter, it was all the trouble caused by the flower appreciation festival!

As the flower appreciation festival was about to begin, many inns had a large stockpile of food to prevent a shortage of goods by then. The food in the shops of Guan Yue City had already been sold out, and new food had not arrived. Therefore, it created the predicament of the Guan Yue family being unable to buy food everywhere. However, what was even more unlucky was that the food in the shop of the Guan Yue family had already been supplied to the Moon Gazing Restaurant, but the Moon Gazing Restaurant had collapsed. Otherwise, the Guan Yue family would not be hungry collectively.

“Hehe, of course!” Empty smiled mischievously and said in realization.

At this moment, Guan Yue Long was sitting on the main seat with a black face in the meeting hall of the Guan Yue family. He was cursing in his heart non-stop. Damn it! Who on earth was messing with them like this? It was fine that they didn’t get to eat yesterday, but they couldn’t find anyone. They finally got some food from other cities this morning, but it was gone again before they could eat. It was really infuriating!

“Patriarch, this matter must be investigated and punished severely. The people who stole our food are really too despicable,” the six old men said abnormally angrily. Boohoo... Several shops under the Guan Yue family had to suspend their operations because of the lack of raw materials. One had to know that those were very profitable shops. Their family’s losses every day would be considerable if they stopped their operations like this!

“Sixth Elder, isn’t it obvious? Is there a need for you to say it!” The Fifth Elder pouted and said lightly. He was obviously not interested in the Sixth Elder’s hindsight.

“You...”

“Shut up!” Guan Yue Long roared with a slight headache. He was annoyed enough. These elders still didn’t let him worry. He was really angry.

The Sixth Elder was about to flare up when he was scared speechless by the patriarch’s stern shout.

“Patriarch, the Wu family’s patriarch is here.” Suddenly, a guard walked into the meeting hall and reported.

“What is he doing here?” Guan Yue Long frowned and said with some displeasure.

“Haha! I’m here to deliver food to you!” The Wu family’s patriarch laughed and entered uninvited.

“Wu Ming, what are you doing here?” Guan Yue Long asked with a very cold tone. The expression on his face was obviously not welcoming him. Hmph! He was already annoyed enough, but this annoying fellow actually came to cause trouble for him. He was really going too far!

“I came to deliver food to you! Didn’t I say that just now?” Wu Ming said with a face full of pity. The expression on his face was obviously saying, ‘You’re old, can’t you understand me?’

“Thank you for your good intentions. We don’t need it,” Guan Yue Long said without gratitude. Hmph! Eating people’s mouths was short. He didn’t dare to eat anything from Wu Ming.

“Really? But I heard you’ve been hungry for a day.” Wu Ming gloated.

“Who said that? We’re not hungry at all. Don’t listen to the rumors outside,” Guan Yue Long roared angrily. Damn it, Wu Ming actually saw his joke. Moreover, his stomach made a disappointing sound as he said this, making him blush..

Chapter 615: The Unlucky Patriarch of the Wu family (4)

“Oh, forget it since you’re not hungry!” Wu Ming said with a slightly smug smile. He turned and left without hesitation after speaking.

“Patriarch Wu...” Seeing Wu Ming leave, the Sixth Elder mustered his courage and stood up, unable to help shouting.

“Sixth Elder, sit down. If you dare to ask for his food, you can forget about being an elder of our Guan Yue family in the future,” Guan Yuelong said fiercely. He really hated Wu Ming, who came specially to demonstrate his might.

“Uh! Patriarch, Patriarch Wu has good intentions too!” The Sixth Elder couldn’t help defending Wu Ming softly. Boohoo... He was so hungry! He really didn’t understand why the patriarch was so against the Wu family’s patriarch.

“Good intentions my ass! Sixth Elder, I’ll give you that damn thing if you admire it so much,” Guan Yuelong roared furiously.

“Uh! I don’t admire him. I admire the patriarch more.” The Sixth Elder hurriedly expressed his opinion in fright. Boohoo... The patriarch was so ruthless. He actually threatened him like this!

“Don’t mention him in front of me in the future,” Guan Yue Long warned. He stopped when he saw that the Sixth Elder was afraid. In fact, how could he give the elders of his family away? The other families would laugh at their Guan Yue family to death if they knew!

“Patriarch! The Wu family’s patriarch, he...” The guard’s voice sounded again just as Guan Yuelong finished speaking.

Seeing this, the elders hurriedly turned their heads to the side and pretended not to hear. After all, the patriarch had said not to mention that person in front of him just now. Alas! They couldn't help sweating for this guard. They really didn't know how the patriarch would deal with him. They were thinking in their hearts...

"Is that old thing demonstrating again?" Guan Yue Long asked with an angry face.

"No, Patriarch Wu..." The guard hesitated, finding it difficult to say.

"What happened to that damn thing? Don't hem and haw. Otherwise, I'll punish you according to the family law!" Guan Yue Long threatened, his anger rushing to his head!

"Patriarch, the Wu family's patriarch fell into the toilet!" The guard hurriedly replied clearly when he heard that he needed to be punished. Boohoo... He didn't want to be punished!

"What did you say? Say it again?" Guan Yue Long was stunned and couldn't help asking again after hearing the guard's words.

"Patriarch Wu fell into a latrine pit," the guard hurriedly replied without delay.

"Haha! I'm really too happy!" Guan Yue Long laughed hysterically in a good mood after confirming it. The depression in his heart was finally released, and his chest was not so stuffy anymore!

"Patriarch, calm down!" The First Elder sighed and reminded. Alas! He was one of the few people who knew about the conflict between the patriarch and the Wu family's patriarch. Therefore, he sympathized with the patriarch and knew that the patriarch had been depressed for so many years.

"Haha, is that fellow still staying in the toilet now?" Guan Yuelong asked gloatingly. The expression on his face seemed to be saying, 'Whoever dares to save him will be going against him!'

"Yes! He's still inside!" the guard replied loudly. Boohoo... He didn't dare to save the patriarch if he didn't say anything. Therefore, the first thing he thought of after seeing the Wu family's patriarch fall into the toilet was to report back.

"How dare you! Why didn't you fish the Wu family head up? Do you want to die?" The Sixth Elder couldn't help but scold Wu Ming furiously when he heard that he was still in the toilet. He even ignored the patriarch.

"I... I can't save him alone!" The guard was so scared by Sixth Elder's words that his entire body trembled, and he even stammered a little. Boohoo... Did he do it right or wrong!

"Sixth Elder, you're the bold one. I'm still here. How can you speak here!" Guan Yue Long reprimanded, his handsome face full of displeasure.

"Patriarch, I'm doing this for the family too! We can't explain it to the Wu family if anything happens to Patriarch Wu in our Guan Yue family." The Sixth Elder was so scared that his heart trembled as he hurriedly explained.

"Tch, he fell into the toilet himself. What has it got to do with us? Moreover, do I need to explain to the Wu family?" Guan Yue Long narrowed his eyes and questioned lightly.

“Patriarch, the Wu family head is yours no matter if you’re willing to admit it or not...” the Sixth Elder said. However, he was interrupted by the First Elder before he could finish speaking.

“Sixth Elder, pay attention to your words. Don’t say what you shouldn’t.” The First Elder raised his eyes and warned indifferently.

Upon hearing the First Elder’s words, Sixth Elder tactfully shut his mouth and didn’t dare to say another word.

“Patriarch, what should we do with the Wu family’s patriarch? Should we inform his subordinates?” The First Elder looked at Guan Yue Long for his opinion.

“No need. His subordinates will naturally come out to look for him when they find that he has disappeared. Let’s not meddle. Alright, everyone, disperse!” Guan Yue Long began to chase them away. After speaking, he took the lead to leave the meeting hall. Hehe, he had to admire the dead appearance of that stinky bug Wu Ming.

He strode in the direction of the toilet, but after taking a few steps, Guan Yue Long realized that a few tails were secretly following behind him. When he turned his head, the tails hurriedly hid. Seeing this situation, he couldn’t help shouting, “Come out. Why are you following me like ghosts?”

“Patriarch, we also want to see the commotion.” The First Elder walked out of the dark awkwardly with a few elders. Everyone had two red clouds hanging on their faces. Obviously, they felt very embarrassed because they rarely did such things after living for so long.

“Go see it openly if you want to. Why are you sneaking around? This isn’t something embarrassing!” Guan Yue Long said in disapproval. Anyway, he wasn’t the one who was embarrassed. It would be better if all the citizens of Guan Yue City came to see!

“Hehe, what the patriarch says is reasonable,” the First Elder hurriedly said. Then he brought the elders beside him and followed Guan Yue Long. The group walked majestically toward their toilet...

Leng Ruoxue and the others had seen enough of the commotion when Guan Yue Long and the others went to the toilet and returned to the remote yard.

“Miss, where did you go?” Feng Da looked at Leng Ruoxue and the others who suddenly appeared and couldn’t help asking curiously.. Hehe, looks like Miss and the others went invisible to do bad things again.

Chapter 616: The Unlucky Patriarch of the Wu family (5)

“I went out for a walk. Oh right, the Wu family’s patriarch fell into the toilet.” Leng Ruoxue naturally wanted to share this news with her subordinates on the principle of sharing blessings.

“Ah! Really, Miss. I want to take a look,” Feng Da said hurriedly.

“Miss, I want to see it too,” Lin Yuan said, unwilling to be outdone.

“Yes, yes. Go!” Leng Ruoxue said and ordered Ling to cast an invisibility spell on Feng Da and the others. Hehe, the purpose of telling them was to let them watch the commotion!

“You should go too!” Leng Ruoxue said very openly as she looked at the guards with interest in their eyes and some excitement.

“Miss, we’ll be going then.” The guards bowed respectfully and left the yard immediately after speaking...

Seeing that only the three of them and the beast were left in the yard that was still crowded just now, the freak couldn’t help suggesting, “Xue’er, let’s go take an afternoon nap!”

“Okay.” Leng Ruoxue looked up at the sky and nodded in agreement. It was still a distance away from noon, but she could still take a nap now.

“Uh! I want to sleep too.” Empty rolled his eyes and said helplessly. Why did these two sleep for no reason? He really didn’t understand. Could it be... He couldn’t help letting his imagination run wild. Fortunately, Leng Ruoxue didn’t know the dirty thoughts in his heart. Otherwise, she would definitely be anxious with him. After all, the relationship between the two children was very pure!

“Okay.” Leng Ruoxue nodded slightly and then brought the two of them and the beast into the bracelet. After entering, Leng Ruoxue and the freak immediately left Empty and entered their purple bamboo hut...

“These two fellas!” Empty glared at their backs and complained through gritted teeth. Then he entered his room...

Time passed quietly, and a day passed quickly. Leng Ruoxue and the freak had been cultivating in the purple bamboo hut, so they didn’t pay much attention to the situation outside...

When Leng Ruoxue and the freak emerged from the bracelet and came to the yard, they saw Feng Da and the others lying on the ground with their limbs facing the sky. Moreover, their stomachs were bulging...

“Feng Da, what are you doing?” Leng Ruoxue asked in puzzlement. They were lying on the ground when they were drunk, but why were they lying on the ground when they were sober?

“Miss, we were too full and couldn’t stand up,” Feng Da said shyly.

“Uh!” Leng Ruoxue couldn’t help but drip two drops of cold sweat on her forehead when she heard Feng Da’s words. She thought, Are you children? You actually overeat. If you can’t eat, then don’t eat! Why are you so full that you can’t even stand up? Upon seeing this, she helplessly took out a jade bottle from the bracelet, poured out a pill, and threw it into Feng Da’s mouth.

The pill melted as soon as it entered his mouth. Feng Da felt that his stomach didn’t swell so much after taking it for a while. Boohoo... Miss’s medicine was so effective!

“Open your mouths!” Leng Ruoxue ordered. Then she released several mystic powers from her fingertips and threw a pill into everyone’s mouths.

After a while, Feng Da and the others, who felt much better, hurriedly got up from the ground and looked at Leng Ruoxue very shyly with red faces.

“Miss, we promised you that we would definitely complete the food mission, so we accidentally ate too much.” Feng Da scratched his head and smiled foolishly.

“A bunch of idiots. Don’t force yourself if you can’t eat!” Leng Ruoxue said with a face full of disapproval.

“Hehe!” Feng Da and the others only smiled foolishly.

“Did anything happen yesterday?” Leng Ruoxue asked casually.

“Uh! Nothing big, just a little small.” Feng Da suppressed his smile.

“What?” Leng Ruoxue raised her eyebrows and asked very indifferently.

“After the Wu family’s patriarch was fished out of the toilet by his subordinates yesterday, he locked himself in his room and showered non-stop. Also, I heard a very strange sound coming from Wu Qian’er’s room last night, hehe!” Feng Da hurriedly reported.

“A very strange sound?” Leng Ruoxue was puzzled.

“Uh! Yes...” Feng Da stammered, not knowing what to say.

“Did those guards steal food again?” Leng Ruoxue changed the topic seeing Feng Da’s awkward expression.

“No, they were called away by Guan Yue Lai,” Feng Da reported.

“That fool didn’t come yesterday, right?” Leng Ruoxue asked curiously.

“He didn’t come. I heard that he was temporarily grounded by Guan Yue Long. He said he would let him out after the flower viewing convention,” Feng Da said with slight pity. Alas! Poor Guan Yue Lai. She had only snatched the young miss back for a day and never had the chance to see her again.

“Seems like Guan Yue Long is afraid that he will cause trouble,” Leng Ruoxue said in realization.

“Miss, when are we leaving the Guan Yue family?” Feng Da couldn’t help asking curiously. Uh! The flower appreciation festival was tomorrow. Miss should have some plans, right?

“Ning De will fetch us out today,” Leng Ruoxue said calmly, a subtle smile flashing in her beautiful eyes.

“Miss, are we going out so easily?” Feng Da said indignantly. They couldn’t snatch the drip just because they wanted to. They had to be responsible for snatching it.

“Do you think that’s possible?” Leng Ruoxue asked with a light smile.

“Hehe, definitely not!” Feng Da said with a naughty smile. He knew that Miss would not let the Guan Yue family off so easily. However, the Guan Yue family had also been hungry for two days. Uh! Would anyone faint from hunger if they starved for a day today?

“Feng Da, someone should be here to ‘tour’ today, so quickly destroy the evidence!” Leng Ruoxue ordered. In fact, she felt that it was quite strange. They had been here for two days, and the Guan Yue family had been looking for thieves, but why didn’t anyone come here to search?

“Miss, don’t worry. We’ve already cleaned up. We won’t let anyone find any evidence,” Feng Da promised.

“Okay, then let’s wait here for Ning De to come and ask for her!” Leng Ruoxue said lightly with a malicious smile on her beautiful face.

“Miss, is there anything we need to prepare?” Feng Da asked again..

Chapter 617: Food That Can Talk (1)

“There’s no need to prepare. We are victims. We just need to be of our nature,” Leng Ruoxue reminded.

“Yes!” Feng Da understood. They were the victims, so they just had to pretend to be the victims.

At the same time, Ning De, who had been restless for two days in the Alchemist Association, came uninvited after breakfast...

In the Guan Yue family’s living room.

Guan Yue Long looked at Ning De sitting beside him with a face full of smiles and was very happy in his heart. This President Ning was a rare guest. He couldn’t invite him casually. He didn’t expect him to take the initiative to visit today, haha!

“President Ning, why are you here this time?” Guan Yue Long asked politely with a smile on his face.

“There’s a small matter,” Ning De said calmly. Uh! He had also heard about what had happened to the Guan Yue family these two days, so he was still quite sympathetic to Guan Yue Long. Unfortunately, sympathy was sympathy. They had provoked Leng Ruoxue after all! Therefore, he could only express spiritual sympathy for the Guan Yue family!

“Haha, President Ning, don’t stand on ceremony. Just say it,” Guan Yue Long said very readily. Hehe, President Ning took the initiative to beg him. If they owed him a favor, their Guan Yue family’s pills would not have to worry in the future. He thought happily in his heart.

“It’s like this. A guest from our Alchemist Association was snatched away by your Ninth Young Master, so I’m here to ask for someone!” Ning De said with a faint smile, his expression unreadable.

“What? There’s such a thing?” Guan Yue Long was shocked and cold sweat couldn’t help flowing down his back.

“Could it be that Patriarch Guan Yue thinks I will joke about this kind of thing?” Ning De’s face became stern and said somewhat coldly.

“Uh! President Ning, that’s not what I mean. It’s just that Lai’er was grounded by me yesterday. He shouldn’t have the chance to go out and snatch the esteemed guest of the Alchemist Association, right?” Guan Yuelong hurriedly explained. He didn’t want to ruin the friendship with the Alchemist

Association because of something unnecessary. After all, the consequences would be very serious if his relationship with the Alchemist Association was bad. Moreover, their Guan Yue family didn't have an alchemist, so he needed to establish a good relationship with the Alchemist Association even more.

"We snatched it the day before yesterday. Someone saw with their own eyes that our guild's guest was snatched away by your Ninth Young Master," Ning De said calmly.

"Uh! Who saw it?" Guan Yue Long couldn't help asking.

"Do you think I'll tell you who it is so that your Guan Yue family can silence me?" Ning De said very rudely, his expression becoming colder and colder.

"Uh! How can that be? I just wanted to ask that person to confirm!" Guan Yue Long said a little embarrassed. Boohoo... In fact, he was thinking about how to push this matter away. He really didn't want to offend the Alchemist Association! He couldn't help cursing in his heart when he thought of this. Damn, what a worrisome thing. How could this have happened if Xi'er hadn't been at home for the past two days!

"Patriarch Guan Yue, there's no need to confirm. I believe that person won't say that he's panicking," Ning De said confidently because the person who saw it with his own eyes was him! He would have killed his way over on the same day if Miss didn't ask him to come today!

"Oh, someone, bring Young Master Lai here," Guan Yuelong ordered. The guards outside the living room immediately went to look for him as soon as he finished speaking.

Soon, Guan Yue Lai was brought to the living room.

"Father, you're finally willing to let me out. Hehe, I knew you wouldn't bear to lock me up," Guan Yue Lai said confidently, her greasy face full of pride.

"Vile being, kneel down!" Guan Yue Long roared, a trace of imperceptible disgust flashing in his eyes.

"Father, why?" Guan Yue Lai asked in disbelief.

"Kneel!" Guan Yue Long roared again and added a little pressure.

Plop! Guan Yue Lai's knees softened and she couldn't help kneeling on the ground.

"Father!" Guan Yue Lai looked at his father, who had always loved him with aggrieved eyes, his face full of disbelief. Boohoo... He couldn't believe that his father would actually shout at him in front of outsiders. This made him very embarrassed. One had to know that he was the most favored Ninth Young Master of the Guan Yue family!

"Let me ask you, did you snatch someone again the day before yesterday?" Guan Yue Long ignored Guan Yue Lai's pitiful appearance and asked bluntly.

"No!" Guan Yue Lai quickly denied, its eyes rolling around in panic. Boohoo... Could it be that the beauty had been discovered? Impossible, no one would go there at all.

"You still dare to deny it? How can it be fake if someone saw it with their own eyes!" Guan Yue Long glared and roared very angrily.

“Father, I really didn’t! Who saw it? Let him out.” Guan Yue Lai was not stupid when she was stupid. He knew very well that if he did something bad, he needed conclusive evidence. He believed that the matter with the beauty was very secretive, and no one would discover it at all, so he felt that he just needed to deny it.

“Patriarch Guan Yue, since the Ninth Young Master refuses to admit it, why don’t we call the guards beside him and ask him?” Ning De suggested with a spurious smile.

“Okay. Guards, bring those guards here!” Guan Yue Long ordered loudly for the second time. At this moment, the anger in his heart had already risen to an unprecedented height. He was already very hungry after not eating for two days. Now, the Alchemist Association came knocking on his door to ask for them. He felt that he really had no face left.

“Yes.” The guard outside the door immediately left the living room after hearing the patriarch’s order.

After a while, the guards were all brought to the living room.

“Greetings, Patriarch.” The guards bowed respectfully. However, their faces turned pale in fright when they looked up and saw the person sitting beside the patriarch. Boohoo... Wasn’t that person a tour guide? Why was he sitting beside the patriarch? One had to know that not just anyone could sit beside the patriarch.

“Did the Ninth Young Master snatch someone again the day before yesterday?” Guan Yue Long didn’t beat around the bush and questioned directly.

“Yes... Yes..” The guards looked at each other, nodded in unison, and said honestly.

Chapter 618: Food That Can Talk (2)

“Don’t spout nonsense. I didn’t!” Guan Yue Lai couldn’t help reprimanding when he heard the guard.

“Shut up! Damn it, why didn’t anyone tell me?” Guan Yue Long was furious. The guards in the family were really looking down on him even more.

“Patriarch, we were arranged by Young Master Lai to watch over those people and couldn’t leave at all! After we were transferred back by Young Master this morning, we stayed in the Lai yard to play with him and didn’t have the chance to leave.” A guard composed himself and explained. He knew that they were now considered locusts on the vine with Feng Da and the others, so what couldn’t be said would definitely rot in their stomachs. Fortunately, they had discussed the excuse beforehand!

“Where are those people?” Guan Yue Long asked while suppressing his anger. However, a big question mark couldn’t help surging in his heart. What do you mean by those people?

“They were locked in the side yard that our family abandoned by Young Master!” the guard replied.

“Release those people immediately. Remember, don’t slight them!” Guan Yue Long hurriedly ordered and glared at Guan Yue Lai, who didn’t dare to make a sound because of his roar.

“Yes,” the guard said quickly and left the living room.

“Hehe, President Ning, this matter...” Guan Yue Long turned his head and looked at Ning De carefully. He stopped mid-sentence. Alas! He knew that it was impossible to minimize this matter since Ning De had found the door!

“Patriarch Guan Yue, I can’t help you with this matter. Do you know who your son snatched?” Ning De said with an expression that said ‘I can’t help you’.

“Who is it?” Guan Yuelong was shocked. From what Ning De said, could it be a big shot that he couldn’t afford to offend? His heart turned cold at the thought of this possibility!

“The woman that the Ninth Young Master snatched is the future president of our headquarters. One of his subordinates is His Excellency Du Min’s beloved disciple. Uh! You do know Excellency Du Min, right? He’s famous for being protective of his loved ones. Do you think I can help you?” Ning De said with a very regretful expression, but he was laughing in his heart. Hehe, this feeling of bullying was really good!

“I... I know!” Cold sweat broke out on Guan Yue Long’s forehead after hearing Ning De’s words. Boohoo... Why was their Guan Yue family so unlucky! They actually offended His Excellency Du Min and the future president of the Alchemist Association. If other families knew that their Guan Yue family had offended the Alchemist Association, which family would dare to be on good terms with them in the future! Wasn’t this the end of the world for their Guan Yue family?

“By the way, His Excellency Du Min is currently giving pointers to those alchemist grandmasters in our association! However, he was furious after knowing about this, so your Guan Yue family can only count on yourselves!” Ning De said helplessly, the expression on his face so helpless.

“President Ning, you can’t leave this matter alone! Can you help me plead with His Excellency Du Min? My Guan Yue family is willing to come personally to ask for forgiveness,” Guan Yue Long requested with a pale face, his attitude very humble.

“Patriarch Guan Yue, don’t you understand what I’m saying? That young lady’s subordinate is Du Min’s beloved disciple, so the root of the problem isn’t His Excellency Du Min,” Ning De reminded. In fact, His Excellency Du Min had said that he would listen to the young lady when he came to the Guan Yue family.

“I understand. Guards, invite that young lady here.” Guan Yue Long hurriedly nodded and ordered.

“Yes!” The guard guarding outside the hall nodded and was about to leave to find someone when he was stopped by the patriarch.

“Wait, I’ll go personally.” Guan Yue Long had already stood up after speaking and turned to Ning De beside him. “President Ning, can I trouble you to accompany me?”

“Yes, but Patriarch Guan Yue, I have to let you know in advance. Don’t count on me to help you. I’m really helpless in this matter!” Ning De said with a troubled face.

“I know. I just need President Ning to accompany me.” Guan Yuelong said with a bitter smile. Alas! Why was the Guan Yue family so unlucky! They actually provoked someone from the Alchemist Association.

“Then let’s go!” Ning De nodded.

“Take the young master away and lock him in the cell. No one is allowed to let him out without my orders. Otherwise, the family law will serve him!” Guan Yue Long ordered as he looked at the guards standing in the hall before leaving.

“Yes!” the guards hurriedly said, heaving a sigh of relief at the same time. It seemed like they were safe for the time being. Hu, none of them had expected Miss Leng’s identity to be so noble.

“Young Master, please!” a guard said.

“Father, you can’t do this. How can you treat me like this for a woman!” Guan Yue Lai hurriedly shouted in fright when he heard that he was going to be locked in the cell. Obviously, he didn’t understand the importance of Leng Ruoxue’s status.

“What are you waiting for? Bring him there immediately!” Guan Yue Long roared at the guards with some annoyance.

“Yes!” the guards replied. At the same time, they couldn’t help but grumble in their hearts. Who would dare to bring the young master down without your permission? He was your son after all. They were also afraid that the patriarch would settle the score later!

Guan Yue Long turned his head to Ning De and said, “President Ning, let’s go!”

“Okay.” Ning De nodded and prepared to watch the show.

The two of them strode toward the side yard that the guard mentioned. They smelled a strange fragrance entering their mouths and noses when they were far away. This fragrance was really too lethal for Guan Yue Long, who had been hungry for two days!

“What’s that smell? How can it be so fragrant?” Ning De took a deep breath and couldn’t help asking. He looked at Guan Yue Long as if he was saying, ‘What good things did your Guan Yue family hide?’

“I don’t know either. Stop, where are you going in a panic?” Guan Yue Long said in puzzlement. Coincidentally, he saw another clansman passing by them and stopped that person.

“Patriarch!” The person bowed very respectfully when he saw Guan Yue Long and Ning De. He might not know the person beside the patriarch, but those who could walk side by side with the patriarch were definitely not ordinary people.

“Where are you going?” Guan Yue Long asked in puzzlement.. Several more clansmen ran past them while asking this clansman. They even ignored him, the patriarch!

Chapter 619: Food That Can Talk (3)

“Someone seems to be grilling there, so let’s go take a look,” the clansman hurriedly explained. Boohoo... They had been hungry for two days, and such delicious food was not something they could refuse, so they wanted to see if they had the chance to buy some food.

“Patriarch Guan Yue, let’s take a look too!” Ning De said with great interest.

“President Ning, let’s go see that young lady first!” Guan Yue Long suggested with some difficulty. He also wanted to see who was grilling and deliberately seducing them, but asking for the young lady’s forgiveness was the most important thing for him now.

“Okay,” Ning De answered understandingly.

“Thank you for your understanding, President Ning,” Guan Yue Long said gratefully. Then the two of them continued walking toward the side yard. However, they couldn’t help but slow down because the smell was really too alluring!

As they walked, they realized that the smell was getting stronger and more people were gathering around them...

“Patriarch Guan Yue, is this the side yard where Miss is locked up?” Ning De couldn’t help asking speechlessly when he saw Guan Yuelong stop and frown. Alas! He knew it! The Guan Yue family couldn’t even lift the lid. How could they make such a beautiful smell? So it was Miss who did it! Miss’s move was really too ruthless. How could people who had been hungry for two days stand it!

“Yes.” Guan Yue Long nodded uncomfortably, wanting to cry but had no tears. Boohoo... This was a coincidence!

“Patriarch Guan Yue, there are so many people surrounding the door! It seems like it won’t be easy for us to enter!” Ning De said as if it was difficult.

“No, I’ll get them to disperse.” Guan Yue Long shouted, “Disperse!”

However, no one bothered with him...

“Family Head Guan Yue, I think your voice is too soft!” Ning De reminded. In fact, he had long been laughing in his heart. Haha, this was the power of food!

“Disperse!” Guan Yue Long roared furiously. Boohoo... It seemed like he couldn’t get his face back!

However, the response was still in the dark heads of the people behind him...

“Uh! Family Head Guan Yue, forget it. Stop shouting. They will naturally disperse when the smell is gone.” Ning De couldn’t help being comforted. He even felt some pity for Guan Yue Long now. Alas! This family head’s status in the hearts of his clansmen was actually inferior to food!

“Alas! That’s the only way!” Guan Yue Long sighed heavily and said helplessly.

Ning De found a random place to sit down and stole a glance at Guan Yuelong, whose face was a little dark. Apart from pity, he was also sympathetic.

In the yard.

Leng Ruoxue, the freak, and Empty were sitting on the stone chairs as handlers. Zheng En, Feng Da, and the others handled the food nimbly. The onlookers at the entrance of the yard and the angry old man in front of them were naturally ignored.

“Damn it, I’m talking to you. Did you hear me?” The Sixth Elder roared furiously, cursing in his heart non-stop. Damn, these people actually dared to not take him, the Sixth Elder, seriously. He would definitely not let them go!

Unfortunately, Leng Ruoxue and the others didn’t even look at him.

“Guards, arrest these thieves who stole our Guan Yue family’s food!” The Sixth Elder roared at the people behind him without any face seeing that he was ignored. However, no one bothered with him at all because almost everyone was drooling and staring intently at the food in Feng Da and the others’ hands with shining eyes! Nothing was more important than the delicious food in front of them now!

“First Elder, are we just going to let Sixth Elder do this?” The Fifth Elder asked the First Elder beside him softly in the crowd. He couldn’t help being surprised. Where did these people come from?

“Can you stop him?” The First Elder sighed softly and said helplessly. Alas! The Sixth Elder was already going crazy from hunger. The three people sitting there were obviously not to be trifled with. He was experienced and knowledgeable, and had seen countless people. He knew very well that the Guanyue family was probably in trouble this time.

“First Elder, I think I heard the patriarch’s voice just now!” Fifth Elder said uncertainly.

“Go out and take a look. If not, go find the patriarch yourself,” the First Elder said after some thought. He had only been paying attention to the food just now and didn’t hear anything at all. However, now that things had come to this, he felt that it was better for the patriarch to come personally lest things couldn’t be sorted out in the end!

“Yes, First Elder. Don’t forget to buy some for me if they are willing to sell these food!” The Fifth Elder didn’t forget to remind him before leaving.

“Yes, go quickly!” First Elder urged. Alas! At this point, how could he be in the mood to eat! He wanted to know more about why these people appeared in the Guan Yue family. However, he wouldn’t directly say that they were thieves like the Sixth Elder!

“I’m going!” Fifth Elder slowly arched out of the crowd like a snail after speaking...

“Yes, Sixth Elder!” First Elder nodded and then said helplessly.

“First Elder, you’re here. I found the thieves. Hurry up and send people to capture these thieves!” The Sixth Elder was excited as if he had seen help after seeing the First Elder. Hehe, these food was finally going to belong to them!

“Shut up!” The First Elder couldn’t bear it anymore and scolded. He glared fiercely at the Sixth Elder and turned his head to Leng Ruoxue and the others and said very politely, “I’m sorry, everyone. Our Guan Yue family has been rude. May I know why you have come to our Guan Yue family?”

The Sixth Elder instinctively shut his mouth after being roared by the First Elder!

“You are the First Elder of the Guan Yue family?” Leng Ruoxue raised her eyelids slightly and said very coldly when she saw that a heavyweight was finally willing to appear.

“Yes, hehe. May I know why Miss and the others came to our Guan Yue family?” The First Elder said very amiably, a faint smile hanging on Old Cang’s face the entire time. After all, he would absolutely not act rashly without knowing these people’s identities.

“First Elder, they’re obviously here to steal from our Guan Yue family. They’re the thieves we’ve been looking for two days! We finally found them today!” The Sixth Elder said anxiously after resting for a while..

Chapter 620: Food That Can Talk (4)

“Shut up!” First Elder roared with a black face.

“First Elder, you should send people to arrest them, not ask me to shut up!” The Sixth Elder’s anger rose and he directly roared at the First Elder. He would not dare to speak so loudly in front of the patriarch and First Elder usually, let alone shout at them. However, he had been hungry for two days and had almost lost his mind, so he had to obtain these food!

“Hehe, the Guan Yue family really doesn’t differentiate between seniors and juniors. I only found out today that the First Elder of the Guan Yue family can be shouted at by anyone.” Leng Ruoxue said mockingly with a light smile after looking at the crazy Sixth Elder.

“Uh! Miss, don’t misunderstand. Sixth Elder’s mental state has been a little abnormal these past two days, so I won’t take it to heart with him,” First Elder explained without anger.

“First Elder! You’re the one with abnormal mental health! You actually didn’t arrest the thief when you saw him. You’re really too useless!” The anger in the Sixth Elder’s heart surged when he heard that the First Elder actually embarrassed him in front of outsiders and even said that he was mentally ill. At this moment, whatever he was afraid of had long been thrown to Java.

“Hehe, First Elder, right? Seems like this crazy Sixth Elder doesn’t appreciate your kindness!” the noble and elegant Empty said with a faint smile.

“You said we are thieves. Do you have any evidence?” After speaking to the First Elder, Empty turned his head and stared at the Sixth Elder with his pitch-black and gloomy eyes as he asked calmly.

“Of course there are. Firstly, this is the territory of our Guan Yue family. Why are you here? Secondly, these food you’re grilling now are obviously our Guan Yue family’s things! Two days ago, our Guan Yue family was robbed. Now that the evidence is conclusive and the stolen goods are all here, what else do you have to say!” The Sixth Elder didn’t give the First Elder any chance to speak at all. The expression on his face became more and more smug as he looked at these food that emitted an alluring fragrance in front of him.

The First Elder sighed and fell silent after hearing what the Sixth Elder said. Alas! He knew that things were not under his control at all. Patriarch, I’ve tried my best. Come quickly! He prayed silently in his heart.

“Sixth Elder speaks clearly. Seems like he’s really not sick!” Leng Ruoxue said with a smile. Not bad, not bad. Even pigs took the initiative to fall into a trap!

“Of course I’m not sick. Hmph! You thieves dare to steal our Guan Yue family’s food. You’re dead meat!” The Sixth Elder became even more smug.

“Sixth Elder, you said that we grilled the food of your Guan Yue family. Do you have evidence?” Leng Ruoxue said nonchalantly. In fact, the Sixth Elder was right. The food that the Guan Yue family had lost these two days was indeed eliminated by her subordinates and the beasts. Of course, there was also the traitor of the Guan Yue family. However, he didn’t have evidence. She knew that the Sixth Elder’s goal was only for the food in front of her. He didn’t care if it was the Guan Yue family at all. What she wanted was this effect, so she was very grateful for the Sixth Elder’s cooperation!

“Yes, that Sixth Elder, do you know what we grilled?” Feng Da, who had been cooking, couldn’t help asking. Hehe, actually, he had been suppressing it for a long time, but Miss hadn’t said anything yet. He couldn’t ruin Miss’s plan!

“Roast meat! What else can it be?” the Sixth Elder said with certainty. Even though this meat smelled very fragrant, meat was meat, not something rare. It was also used to test him. He really despised his intelligence.

“Miss, take out the food and let the food tell us for yourself. Are they from the Guan Yue family?” Feng Da suggested with a smile, already overjoyed in his heart. Hehe, he had already foreseen the expression of the Sixth Elder when he saw the food.

“Hmph! Do you think I’m a three-year-old child? How can food speak?” The Sixth Elder roared in disbelief, but he was pleasantly surprised in his heart. He couldn’t help shouting, Take it out quickly! This bit isn’t enough.

“Then let the food speak for itself!” Leng Ruoxue moved the ‘food’ from the bracelet with a thought. They occupied the entire yard as soon as they emerged...

“W-what do you want? Do you want to fight? I’m warning you not to do anything rash. This is the territory of our Guan Yue family!” The Sixth Elder looked at the dozens of giant pythons that suddenly appeared and occupied the yard and surrounded him. His face was pale from fright, and he stammered a little as he spoke. His entire body was trembling non-stop, and his legs were so weak that he could barely stand. Boohoo... He was most afraid of snakes, and each of these snakes was so huge. However, he forced himself not to faint because he was afraid that he would become food in their huge mouths after pressing down on these giant pythons.

The First Elder also looked at the giant python not far away with his mouth agape, thinking to himself, Could those delicious food be python meat? Boohoo... No one dared to eat snakes in the Boundless Heaven Continent. It was not that they didn’t want to eat them, but they couldn’t afford to offend them! Because the pythons on the Boundless Heaven Continent lived in groups!

Similarly, the people from the Guan Yue family, who had been watching by the door, were also scared. Some people who were afraid of snakes even fainted from fright after seeing these pythons that gave off immense pressure...

“Sixth Elder, don’t you not believe that food can talk? I’ve brought the food out. Ask them yourself!” Leng Ruoxue pointed at the pythons and urged the Sixth Elder.

“They... They are food? W-who are you lying to?” The Sixth Elder stammered, his face full of disbelief. Boohoo... He would not believe that these snakes were food. He would rather believe that these snakes were the beasts of this woman in front of him, that she deliberately let them out to scare him!

“If you don’t believe me, let them say it themselves.” Leng Ruoxue shrugged and said helplessly.

“We are the food raised by Miss.” The highest level black python among the pythons complained with tears in its eyes. Its demeanor and expression looked so pitiful. Boohoo... It was a level seven Transcendent Divine Beast! However, it could not become Miss’s beast.. Moreover, Miss always threatened these poor snakes, saying that whoever had the lowest level would eat it the next time they wanted to eat snake meat! They were so scared that they did not dare to delay at all and cultivated diligently.
