

## Crazy Wife 631

### Chapter 631: The Furious Wu Qian'er (2)

Guan Yue Long was so happy seeing Wu Ming's expression change as if he had eaten a dead fly! Hmph! Want to marry his daughter to his son? Dream on! That was simply a toad wanting to eat swan meat. Of course, the toad was referring to Wu Qian'er. His son was a beautiful swan!

Wu Qian'er, who was in the middle of the stage, had already finished playing her last note. She stood up and nodded slightly to the audience who gave her enthusiastic applause to thank her after "Phoenix Seeking Phoenix" was done. However, she immediately exploded when her gaze came to a corner of the audience!

"Damn it, why are you commoners here?" Wu Qian'er couldn't bear it anymore and roared when she saw Leng Ruoxue and the others. The audience immediately stared at her in disbelief when she roared. Damn! Was this the beautiful woman who was as elegant as a fairy just now? Why was the contrast so huge? The current Wu Qian'er was a shrew! However, it was precisely because of her roar that everyone's gazes were successfully attracted to her in an instant...

Everyone in the venue followed Wu Qian'er's gaze and looked in the direction that made her angry. Immediately, everyone was dumbfounded and in disbelief. They all rubbed their eyes and realized that the person they saw just now was still around. Only then did they confirm that what they saw was real and not an illusion. Immediately, the audience exploded...

"Wow, how can there be such a beautiful woman! She's really too beautiful," an audience shouted in disbelief when they saw Leng Ruoxue.

"Haha, the stunning beauty I told you about a few days ago was her! Do you believe me now?" A certain someone who had seen Leng Ruoxue on the street a few days ago also smiled happily.

"I wonder which family is she from!" someone guessed.

"Probably not the daughters of noble families. Most of the daughters of noble families are participating in the flower appreciation festival!" someone immediately echoed.

"Hey, did you see the three stunningly beautiful men surrounding her? They're all rare handsome men!"

"Who are those three?"

"Could they be from the three great families? Only the three great families can raise such an outstanding handsome man and beauty!"

The Fifth Elder, who was also sitting in the corner, looked at some people who were calm and composed in front of him and couldn't help but sigh in his heart. Their mental quality was really good. He was a little embarrassed as he listened to the discussions of those people and felt that his face was burning. However, these people didn't take it seriously at all, as if they were not the ones being discussed. That Miss had been leaning on that freak and had no intention of getting up at all.

He turned his head and looked at Wu Qian'er, who was so angry that she wanted to jump down and beat her up on the stage, and shook his head with slight disappointment. Then he sighed softly and thought to himself, Alas! There's no comparison! Compared with Wu Qian'er, the daughter of a noble family who had received all sorts of training since she was young, this Miss Leng was more like a noble princess. No, more like the empress who was admired by everyone because Miss Leng's aura made even him, a man, feel inferior! She was really too strong.

"Damn it, I'm asking you a question. How dare you not answer me?" After a while, Wu Qian'er couldn't help but flare up again when she saw that no one was paying attention to her. In fact, no one would notice that she was ignored at all if she didn't speak. However, because she exposed this fact, the audience, including some people in the VIP seats, all laughed loudly without giving any face. Guan Yue Long laughed the loudest among them!

"So noisy!" Leng Ruoxue, who had been pretending to be asleep with her eyes closed, slowly opened her beautiful eyes and said very displeased. Alas! There would always be trouble knocking on her door! Wu Qian'er was indeed unwilling to be left out and came knocking on her door!

"Haha, Xue'er, there's a mad dog barking. You can ignore it." Empty, who was beside her, smiled gloatingly.

"I'm afraid I can't ignore it!" Leng Ruoxue said helplessly. Then she looked at the Fifth Elder not far away, her beautiful eyes saying 'I didn't choose this!'

Alas! The Fifth Elder sighed helplessly after seeing Leng Ruoxue's expression. He knew now that it was useless even if he stayed by these people's side because Wu Qian'er was an unstable factor. That unruly daughter would not let them go even if these people didn't find trouble with Wu Qian'er!

"Miss Wu, who do you think you are? Do we have to answer you just because you ask us?" Leng Ruoxue looked at Wu Qian'er, who was hopping mad on the stage and was as angry as a cockfight.

"I'm the eldest daughter of the Wu family. You commoner, answer my question quickly!" Wu Qian'er roared furiously.

"What are lowly commoners?" Leng Ruoxue asked in puzzlement. She seemed to have always heard people talking about lowly commoners since she came to the Boundless Heaven Continent. Did those people think that their identities were very noble? Hmph! People who didn't know how to respect others would never obtain others' respect.

"Is there a need to ask? Of course, lowly commoners are referring to people like you," Wu Qian'er said with a smug face. Hmph! These people had already been chased out of the inn by the Guan Yue family, but they actually had the face to participate in the flower appreciation festival. They were really too shameless!

"Miss, I'll go get rid of this pig!" Feng Da couldn't help but say when he heard that damn woman on the stage actually scolding his young miss. Hmph! It didn't matter if she scolded them, but could others scold his young miss?

"Feng Da, calm down. We are humans. We will not bicker with pigs!" Leng Ruoxue said nonchalantly. Hmph! It was not the time to teach Wu Qian'er a lesson yet. Today was only the first day of the flower

appreciation festival. Wu Qian'er could not be absent for the later rounds. Otherwise, it would be boring.

"Haha, Xue'er is right. Humans can't be calculative with pigs. Feng Da, calm down!" Empty said with a light smile. Hehe, the more nasty Wu Qian'er scolded now, the greater the blow she would suffer in the future. Therefore, scold! Scold as much as you want! It wouldn't hurt to be scolded by others. They wouldn't care now.. However, this was the first time he was being scolded as a commoner after living for so long! He really didn't know if there were still good people in this world if they were all considered commoners.

### **Chapter 632: The Furious Wu Qian'er (3)**

Leng Ruoxue looked up at Wu Qian'er on the stage and said calmly, "May I know what kind of people Miss Wu is?"

"I'm the daughter of the Wu family. Of course, I can be considered one of the most honorable people in the Boundless Heaven Continent." A confident smile hung on Wu Qian'er's beautiful face as she said cockily.

"Oh, I hope Miss Wu will always remember what you said today," Leng Ruoxue said with a light smile. Then she stopped talking and continued to lean in the freak's arms and closed her eyes.

"Damn it, who allowed you to sleep? Lying in a man's arms in public is really too shameless!" Wu Qian'er roared with some jealousy, her beautiful face a little distorted from anger!

Hmph! If she remembered correctly, it was this man who kicked her that day. However, she was in a fit of anger at that time, so she didn't pay too much attention to his appearance. She only realized that this man was actually so handsome today, even more outstanding than Guan Yue Xi. The other two men also had world-shaking features like heavenly people. The three of them were definitely comparable to the young masters of the three great families. However, she knew that these three people were not the three famous young masters. Then who were they? Why were all such outstanding men surrounding that woman who made her gnash her teeth in hatred? It was too much! She was so jealous that she was a little crazy!

"My woman is in the arms of her man. Who dares to say that she's shameless?" The freak said with a cold face and very displeased. His bright starry eyes swept sharply at Wu Qian'er on the stage. If looks could kill, Wu Qian'er on the stage would probably be riddled with holes!

"You said she's your woman. What evidence do you have?" Wu Qian'er said with a face full of jealousy.

"What? Do I still have to take out evidence to prove that Xue'er is my woman? Could it be that you specialize in other people's illegal marriage? But I've never heard of anyone in the Boundless Heaven Continent meddling in this matter. When did such an organization appear on the Boundless Heaven Continent?" the freak asked doubtfully.

Everyone roared with laughter after hearing what the freak said. Feng Da and the others were laughing so hard that they were almost rolling on the ground.

“Haha, she’s a busybody!” Feng Da laughed until tears rolled down his cheeks, but he didn’t forget to mock.

“And a b\*tch! Aren’t you being too nosy!” Lin Yuan said disdainfully. Hmph! Wasn’t it courting death to be jealous of his young miss? Even if they didn’t attack, just one sentence from each of them was enough to make her vomit blood from anger!

“That’s right!”

The audience echoed cooperatively.

In the VIP seats...

Guan Yue Long looked at the commotion caused by Wu Qian’er and felt even more disgusted with her in his heart. However, this was not the Wu family’s territory, so how could Guan Yue Long tolerate Wu Qian’er ruining their Guan Yue family’s flower appreciation festival!

“Wu Ming, how long does your daughter intend to stand on the stage for? Don’t delay the other young ladies’ competition,” Guan Yue Long reminded. However, he was also a little regretful in his heart. Why didn’t Miss Leng take the opportunity to teach Wu Qian’er a lesson? He really didn’t want Wu Qian’er to obtain the champion! Otherwise, he would have to fulfill his promise, and that was something he was absolutely unwilling to do!

Wu Ming rolled his eyes at Guan Yue Long and didn’t say anything. However, he gave the butler beside him a look. After that, the butler beside him left the VIP seats. After the butler left, he looked at Leng Ruoxue in the corner of the audience and pondered in his heart. Was this woman the one who got someone to beat up his daughter? What a rare beauty! Now he finally knew why Qian’er had a conflict with this woman.

Guan Yue Long, who was not far away, watched coldly from the side. Hmph! He knew what tricks Wu Ming was up to without even guessing. However, he knew very well that Wu Ming was destined to be tragic because that woman was not to be trifled with. If Wu Ming dared to have any bad ideas, he would probably die without a burial place.

On the stage, Wu Qian’er, who had received the butler’s secret signal, walked down with a belly full of grievance. Hmph! She would definitely not let that damn woman go. However, she had to wait for the flower appreciation festival to end. After all, this competition was the most important to her. She still hoped to win the champion so that she could be the young madam of the Guan Yue family!

As for the man, he might be more handsome than Guan Yue Xi, but his status was really not worthy of her, so forget it! She was destined to be high and mighty. How could she give up her bright future for a commoner! She couldn’t help daydreaming...

Backstage, the cute girl named Xing’er couldn’t help but say after seeing Wu Qian’er, “Miss Wu, you were really too ungentlemanly just now. How could you shout and shout at the audience!”

“What does this have to do with you? I’m happy!” Wu Qian’er immediately released her pent-up anger when she saw Xing’er’s gloating face. Hmph! Their Wu family was on par with the Luo family, so others would give Luo Xing’er some face, but she was not afraid of Luo Xing’er at all.

“You really don’t know what’s good for you. I’m just concerned about you!” Luo Xing’er said aggrievedly. Tears glittered in her clear eyes as if she was about to cry.

“No need.” Wu Qian’er didn’t appreciate it at all. Hmph! How could she easily believe in concern when she was in an aristocratic family! In fact, she was even worried about the so-called friendship!

“Sister Xing’er, Miss Wu is in a bad mood. Cut it out!” Bai Fang walked to Luo Xing’er and comforted her understandingly. They had seen everything that happened backstage clearly. They didn’t know what feud Wu Qian’er had with those people, but the protection of that incomparably handsome man for his woman had already penetrated deep into her heart. Alas! As a woman, didn’t she desire a man who could protect her the most? Therefore, the scene just now had already left a deep ripple in her heart...

“Big Sister Fang, I’m just being nice!” Luo Xing’er muttered softly, feeling a little guilty.. In fact, she wanted to see a joke, but she didn’t expect Wu Qian’er to really not give her any face, so she couldn’t help but feel a little embarrassed.

### **Chapter 633: The Furious Wu Qian’er (4)**

“Sister Xing’er, Miss Wu is in a bad mood, so don’t provoke her. It’s my turn next, so you have to be good!” Bai Fang coaxed gently. After Wu Qian’er left the stage, a few more young ladies went on stage to compete in succession. However, their talents were far inferior to Wu Qian’er’s, so they didn’t attract much attention. She was next. Thinking of this, she couldn’t help being a little nervous...

“Okay.” Luo Xing’er nodded obediently. She also knew that women in a rage couldn’t be provoked, so she naturally wouldn’t provoke Wu Qian’er again.

“Little Sister Xing’er, I’m going on stage.” Bai Fang heard the host calling her name. She greeted Luo Xing’er and walked elegantly onto the stage.

After Bai Fang went on stage, she didn’t say anything unnecessary. Instead, she looked around the audience with her beautiful eyes that were as limpid as autumn water. When her gaze reached the seats of Leng Ruoxue and the others, her gaze even swept lightly over the freak. Unfortunately, the freak didn’t even raise his head, which couldn’t help making her a little disappointed. She sat down in front of the zither with a depressed heart...

She also wanted to perform with the zither, but the tune was different from Wu Qian’er’s. Wu Qian’er played the melodious and tactful ‘Phoenix Seeking Phoenix’, while she wanted to play the majestic and imposing ‘General’s Endowment’. When her first note floated into the ears of everyone present, it couldn’t help making their eyes light up...

The guests and audience below the stage did not expect this woman, who looked as weak as water, to play such an exciting tune. For a time, everyone looked at Bai Fang in a different light, and Bai Fang became the focus of everyone’s attention as she wished...

“This woman isn’t simple!” Empty looked at Bai Fang, who was performing in the middle of the stage, and said meaningfully in the corner of the audience.

“She is the concubine daughter of the Bai family, Bai Fang. She might not be from the first wife, but she is one of the best among the daughters of the Bai family. Not only is she beautiful, but she is also talented. If you don’t like her, I am willing to be your matchmaker,” the Fifth Elder said hurriedly. Unfortunately, he expressed his feelings wrongly.

“I say, Old Man, do you think that woman is worthy of our family’s Commander Wu? Isn’t that a toad lusting for swan meat! Stop worrying about that.” Feng Da pouted gently and said disdainfully. To be honest, he had always hated women who seemed weak because such women were too good at pretending. Moreover, all the weak and pitiful women he had seen were scheming!

“Uh!” The Fifth Elder was depressed. Boohoo... Why was it so difficult to curry favor with them! He would say the wrong thing accidentally. Alas! He just wanted to curry favor, but he did it on purpose. However, that Bai Fang was really not worthy of His Excellency.

“Haha, Fifth Elder, thank you. However, I’m not the one who likes you!” Empty glanced at the freak and teased with a light smile. Hehe, he had lived for so long and had seen countless people. Therefore, how could that woman’s thoughts be hidden from him? Unfortunately! That woman was destined to not get what she wanted!

“Uh!” The Fifth Elder looked at the smile on Empty’s face and then followed his gaze to gently glance at the man who was as beautiful as a freak. He pondered in his heart, What does Your Excellency mean? Could it be that Bai Fang has taken a liking to this freak? Uh! Then she’s dead for sure. A woman who dares to snatch another man won’t have a good end. Moreover, her opponent is the woman that even their Guan Yue family is quite afraid of. Alas! Bai Fang is plucking fur from a tiger! She’s really tired of living!

“Fifth Elder, how many people are behind you?” Leng Ruoxue opened her beautiful eyes and asked lightly.

“Uh! There are still many more!” Fifth Elder said after some thought. Many families sent their daughters to participate in the competition, so the number of people participating in the first round was the greatest.

“Fifth Elder, we’ll go back first today. I won’t be coming for the next few days. However, I’ll be coming for the finals, so you can rest assured.” Leng Ruoxue gave the Fifth Elder a pill to calm him down so that he wouldn’t be on tenterhooks. Alas! These performances were really boring. She would rather find someone to have a good fight with than see those women flirting on the stage. Uh! When did she become so violent?

“Go back now? But the competition has just begun,” Fifth Elder said in surprise.

“Yes, I’m not interested in these competitions,” Leng Ruoxue said honestly. She stood up with the freak and then turned to Empty. “Continue staying here if anyone wants to watch. However, be careful.”

“I’m not interested in these things either,” Empty said softly, implying that he wanted to leave with Xue’er. After all, he wouldn’t have come here to show himself if he didn’t want to accompany Xue’er and the others!

“Miss, we’ll go back with you,” Feng Da and the others said hurriedly. Alas! They were quite disappointed in the flower appreciation assembly. Those famous flowers and famous grass were quite good-looking, but those young ladies from noble families were nothing to look at. Who would be interested in these ordinary women in front of their Miss’s stunning appearance all day long!

“Then let’s go!” Leng Ruoxue said with a light smile. Just like that, they strode out of the venue of the flower appreciation meeting under the accompaniment of Bai Fang’s magnanimous zither music.

On the stage, Bai Fang was instantly depressed when she saw the person she was paying attention to leave without hesitation. She accidentally played the zither wrong. Fortunately, her reaction was fast enough, so the effects were not too big. She hurriedly walked off the stage after playing.

The Fifth Elder watched as Leng Ruoxue and the others left. He looked at their backs and then at Bai Fang, who was fleeing in a sorry state. He sighed helplessly. Alas! Women who think too highly of themselves were the worst! Ah! His antidote. Suddenly, he remembered that he was still in disguise! However, when he chased after her, she was long gone. When he ran to the Alchemist Association, he was told by the people of the Alchemist Association that they were all in seclusion. Therefore, he could only live with this unfamiliar face for several days gloomily. There were a few times that he was almost rejected by the Guan Yue family. Boohoo...

After Leng Ruoxue and the others left for a while, Ning De, who was sitting on pins and needles in the VIP seats, realized that his young miss and the others had all disappeared. Upon seeing this, he hurriedly greeted Guan Yuelong and left the flower appreciation convention in a hurry. However, when he returned to the association, he was also informed that everyone was in seclusion.. He was depressed when he heard this...

### **Chapter 634: Bai Fang’s Little Thoughts (1)**

Five days later.

Leng Ruoxue and the others left the bracelet with smiles and came to the yard.

“Haha, Miss, we can finally advance to Great Mystic,” Feng Da said happily. They had gained a lot from cultivating in seclusion in the bracelet for five days! They could take the Silver Snow Pill and become Mystic Kings after advancing to Great Mystic. Hehe, this was great.

“Okay, let’s advance first and then go to the flower appreciation meeting. Today is the finals!” Leng Ruoxue reminded. Hehe, the highlight was today!

“Yes, yes,” Feng Da and the others quickly agreed. To them, the flower viewing convention was just a pastime. Improving their strength was the most important.

“Alas! It’s so good to be young!” Leng Qingtian looked at the energetic young people in front of him and sighed with emotion. Young people’s cultivation speed was indeed faster than these old fellows. Old Man Lin and the others had been in seclusion for a much longer time than Feng Da and the others, but there had been no movement until now. Alas! He didn’t know how it was.

“Haha, of course it’s good to be young,” the little old man hurriedly echoed.

“Little Peacock, bring us to the place where Grandpa advanced last time!” Leng Ruoxue summoned the little Peacock from the bracelet and ordered.

“Yes, Miss,” the little peacock hurriedly answered. Then, after everyone sat on its back, it left the Alchemist Association with Leng Ruoxue and the others and flew toward the same place as last time.

About an hour later, the little peacock brought everyone to the uninhabited mountain where Leng Qingtian advanced last time.

The little peacock stopped flying and said to Leng Ruoxue, “Miss, we’re here.”

“Okay.” Leng Ruoxue nodded. They jumped off the little peacock’s back after it landed.

“Big Brother, find a place to advance each!” Leng Ruoxue reminded.

“Okay.” Leng Ruohan nodded. Then everyone scattered and chose a spacious place to sit down. They released their beasts and prepared to advance...

After a while, everyone’s Heaven Earth Laws descended one after another...

Immediately, golden light flashed all over the barren valley, rising and falling, continuing for a long, long time...

After Leng Ruohan and the others advanced to Great Mystic, Leng Ruoxue gave each of them a Silver Snow Pill. After everyone took the Silver Snow Pill, a new wave of advancement arrived as scheduled not long later...

After a long while.

The noisy valley finally returned to its former calm. Leng Ruoxue was very happy seeing the excited expressions on everyone and the beasts’ faces. Haha, their strength had improved again!

“Miss, I’m a Mystic Monarch too,” Lü Tao said happily as she ran to Leng Ruoxue excitedly.

“Yes, congratulations,” Leng Ruoxue said happily. Then she looked at Cui Zhu, who was not far away. These two girls were the first people she saw after she opened her eyes, and they were her subordinates who had followed her from the beginning. They were now Mystic Monarchs, and she was very happy for them.

“Miss, boohoo... Cui Zhu missed you so much.” Cui Zhu, who had been excited, hurriedly ran over and sobbed after receiving Leng Ruoxue’s gaze. She could finally keep up with Miss’s footsteps. She had been cultivating in the space since she emerged from seclusion last time because she didn’t want to be Miss’s burden. She had always hoped that she could help Miss.

“Silly girl, haven’t you always been by my side!” Leng Ruoxue said helplessly.

“But...” Cui Zhu pouted. She often went into seclusion!

“Alright, you’re all Mystic Monarchs now. You can be considered powerhouses on the Boundless Heaven Continent. Don’t be like a child and cry all the time!” Leng Ruoxue coaxed softly. Then she couldn’t help reaching out to pinch Cui Zhu’s face. Hehe, she found that Cui Zhu was becoming more and more cute. Her little face was red, making her want to ravage it!

“Miss!” Cui Zhu sighed helplessly. Boohoo... She was not Qing Jue. Why did Miss pinch her face!

“Haha, our Cui Zhu is becoming cuter and cuter,” Leng Ruoxue couldn’t help teasing.

“Miss is too evil to bully Cui Zhu. Boohoo... I’m going to ignore you.” Cui Zhu ran to a corner to hide shyly after speaking.

“Haha!” Everyone and the beasts couldn’t help laughing when they saw Cui Zhu’s actions. Hehe, Miss was right. Cui Zhu was indeed very cute.

“Alright, stop laughing. We should leave this place. The Flower appreciation festival is about to begin!” Leng Ruoxue reminded. They still had to watch the show! With that, she pulled the freak directly onto the little peacock’s back, and then everyone sat down.

“Miss, sit tight. I’m going to take off,” the little peacock said. With that, it flapped its two powerful wings, flying straight toward the blue skies...

After returning to Moon Gazing City, Leng Ruoxue ordered Little Peacock to go to the Alchemist Association first because she was afraid that Ning De would be waiting for them in the association. After all, she had asked someone to tell Ning De that he would come out of seclusion five days later.

After the little peacock flew everyone back to the yard, they saw Ning De waiting for them at the yard gate gloomily as if he had been abandoned.

“Miss, where did you go?” Ning De looked at the little peacock that landed in front of him and couldn’t help asking. Boohoo... He thought that Miss and the others had yet to come out of seclusion, so he didn’t dare to disturb them at all and had been waiting outside the yard. However, he didn’t expect Miss and the others to not be here. This couldn’t help making him feel a little uncomfortable. Could it be that Miss ultimately couldn’t accept him?

“Haha, Old Ning! We went to advance. I’m a Mystic Monarch now,” Feng Da interrupted happily.

“Uh!” After Feng Da finished speaking, Ning De, who had been wallowing in self-pity, realized that they were actually Mystic Monarchs. Boohoo... Perverts! How many Silver Snow Pills did Miss have! Feng Da and the others were only elementary Mystic five days ago, but their cultivation levels were actually the same as his now. He was also a Mystic Monarch, and it took him a long time to advance. However, these people were all Miss’s subordinates, so it was normal for them to be so abnormal, he comforted himself.

“Ning De, come up.. Let’s go to the Flower appreciation festival,” Leng Ruoxue said to Ning De, who had been standing there foolishly.

## **Chapter 635: Bai Fang’s Little Thoughts (2)**

“Oh!” Ning De jumped onto the little peacock’s back and then looked at Leng Ruoxue hesitantly. He hesitated for a while and finally couldn’t help saying, “Miss, give me a appearance changing pill too. I can sit with you this way.”

He had been wanting to refine a few appearance changing pills these few days, but he actually didn’t have enough herbs on hand, so he could only give up helplessly.

“Okay!” Leng Ruoxue agreed without hesitation. In fact, she didn’t give Ning De the appearance changing pill on the first day for Guan Yue Long to see. She just wanted Guan Yue Long to know what choice she should make. She was a pacifist after all! Hehe!

“Really?” Ning De looked at Leng Ruoxue in disbelief. Boohoo... Why did Miss agree so easily? All the excuses he had already thought of were useless.

“Of course, I never lie,” Leng Ruoxue said with a light smile.

“Haha, the reason why I didn’t give you the appearance changing pill last time was that I hoped Guan Yue Long could make a sensible choice. It was also to let him know that the Alchemist Association didn’t fall out with their Guan Yue family,” Leng Ruoxue added and explained her thoughts simply.

“Oh, I understand,” Ning De said happily. Boohoo... He thought that he was despised by Miss because he was an outsider! He was immediately happy knowing that it was not for this reason!

“Ning De, did the major families do anything these few days?” Leng Ruoxue asked casually.

“The Guan Yue family has always been very quiet. However, the Wu family has been asking about the residences of Miss and the others. Moreover, there seem to be a few forces secretly asking about Miss and the others.” Ning De reported everything he knew, afraid that he would miss a single thing.

“Which forces are they?” Leng Ruoxue couldn’t help asking.

“The Luo and Bai families,” Ning De answered honestly.

“The Luo family and the Bai family?” Leng Ruoxue frowned in thought. She had no dealings with the Luo family. Could it be that the Bai family wanted to avenge that Bai Ru?

“The Luo family might not be as strong as the Wu family but they have always been on good terms with the Guan Yue family. As for the Bai family, they are only at the bottom. Logically speaking, they should be paying attention to the movement of the Guan Yue family the most, but they sent people to inquire about Miss. I really don’t know why!” Ning De said doubtfully. He had actually thought about this question for a few days, but he had never thought of an answer.

“Could it be that they want to have ideas about Miss? Aren’t they overestimating their capabilities?” Feng Da guessed with a face full of disdain. Hmph! Not just anyone could have ideas about his young miss. Not to mention that Commander Ye would fly into a rage, even they wouldn’t do it!

“Hmph! Anyone who dares to have designs on Xue’er, die!” the freak roared directly without thinking after hearing Feng Da’s words.

“Oh right, Miss, there’s another thing. Wu Qian’er was beaten up again a few days ago.” Two drops of cold sweat hung on Ning De’s forehead as he thought, Alas! Violent freak, unlucky Wu Qian’er!

“Beaten up by who? It seems like she has a lot of enemies,” Leng Ruoxue asked curiously. That Wu Qian’er was really unlucky. However, she didn’t want the person who beat up Wu Qian’er to ruin her matter. Therefore, she hoped that Wu Qian’er didn’t lose an arm or a leg. Otherwise, she definitely wouldn’t let the person who beat Wu Qian’er off!

"I don't know." Ning De was also a little puzzled. He knew that Miss and the others definitely didn't do this. Who could it be? He couldn't understand.

"Is Wu Qian'er's injury serious?" Leng Ruoxue asked with concern.

"Not serious, just some superficial wounds. She went on stage normally the next day after taking our association's pills." Ning De said with a naughty smile. Hehe, he gave Wu Qian'er the Snake Accumulation Pill that he refined together last time!

"Yes, well done. Wu Qian'er can't be absent from the competition," Leng Ruoxue praised.

"Miss, we've arrived at the venue of the flower appreciation festival," the little peacock suddenly interrupted. It took off as soon as Ning De sat on its back. However, because the venue was not very far, it only flew for a few minutes before reaching its destination.

"Okay." Leng Ruoxue and the others jumped down from the little peacock's back. The little peacock landed at the entrance they entered from on the first day. Moreover, there was no one else at the door except for the guards.

The group walked straight into the venue in a grandiose manner. The guards at the door hurriedly bowed when they saw them and then watched their backs very respectfully...

"Miss Leng, you're finally here." The Fifth Elder, who had been waiting in the venue, ran to them as soon as Leng Ruoxue and the others entered.

"Fifth Elder?" Leng Ruoxue looked doubtfully at the Fifth Elder, whose eyes were brimming with tears. Uh! What was going on? Why did Fifth Elder look like he had seen a long-lost relative when he saw their expressions? Was there a need to?

"Miss Leng, quickly give me the antidote to the appearance changing pill! Boohoo..." Fifth Elder choked. It had been five days, and he had been in deep water and fire every day. The patriarch and First Elder laughed hysterically when they saw him, while the other elders and clansmen kept staring at him doubtfully. No matter where he went, almost everyone would find an excuse to follow him, afraid that he would sneak into the Guan Yue family to cause trouble. Boohoo... He was really too pitiful.

"Haha, Fifth Elder, I can't give you the antidote if you still want to sit with us today!" Leng Ruoxue said with a smile. Hehe! She really forgot about the antidote. However, she believed that Fifth Elder's life these few days must be very exciting!

"Miss Leng, I'm not sitting with you anymore," the Fifth Elder said tactfully. It was the last day. He was helpless alone if anything really happened. He knew very well that the patriarch could not stop Leng Ruoxue and the others from finding trouble if they really wanted to. Therefore, he shouldn't court disaster!

"Oh, then eat this!" Leng Ruoxue took out a pill from her ring and handed it to the Fifth Elder.

"Thank you, Miss Leng." Fifth Elder took the pill and hurriedly threw it into his mouth.

"Fifth Elder, please tell your patriarch that the flower appreciation meeting will end today.. The time limit I gave him is three days," Leng Ruoxue reminded him. After speaking, she led everyone past the Fifth Elder and walked toward their seats from last time...

### Chapter 636: Bai Fang's Little Thoughts (3)

The Fifth Elder looked at the backs of Leng Ruoxue and the others and sighed softly. Alas! What should come will come. This Eldest Miss was indeed a trustworthy person. The Flower appreciation festival would end today. He knew that if they couldn't give Leng Ruoxue a satisfactory answer, their Moon Gazing Family would probably become history.

Leng Ruoxue and the others walked to the corner of the audience and sat down.

"Miss, what do you intend to do with the Guan Yue family?" Feng Da couldn't help asking curiously as soon as he sat down.

"That will depend on the Guan Yue family's sincerity!" Leng Ruoxue said with a light smile. She didn't like violence, so it would naturally be best if it could be resolved peacefully and satisfy her.

"Xue'er, I think the patriarch and First Elder of the Guan Yue family are sensible people. However, it's hard to say for the Wu family." Leng Qingtian said after some thought.

"Grandpa, the Wu family won't let us go. They are waiting for the flower appreciation festival to end just like us," Leng Ruoxue said understandingly.

The audience in the venue was almost here as Leng Ruoxue and the others conversed softly. The eyes of the audience lit up when they saw that the empty seats were finally full again today...

"Wow, I didn't expect to finally see them again today," an audience whispered excitedly, afraid to disturb them.

"Yes!"

Beauty was always pleasing to the eye, so everyone was naturally happy to see the stunning beauty in their hearts.

"Miss, those people seem to be talking about you!" Cui Zhu said excitedly.

"Calm down, just ignore it. We are only small supporting characters. We can't become the focus of everyone and steal the limelight from those young ladies from the influential families. Otherwise, we will definitely become public enemies!" Leng Ruoxue said calmly and earnestly.

"Miss, this isn't something we can control!" Cui Zhu said speechlessly. In fact, what she wanted to say was that Miss, you have long been the public enemy of those young ladies from noble families. You probably can't keep a low profile even if you want to!

"It doesn't matter! It's enough as long as we can take care of ourselves. It's their business what the others want. We can't interfere. However, the prerequisite is that they don't provoke me." Leng Ruoxue said with a light smile. Then she leaned into the freak's arms and leaned comfortably on him.

"Okay." Cui Zhu looked at Miss's lazy appearance and sighed helplessly before looking at the stage.

At this moment, the host had already stood in the middle of the stage and was giving a routine speech. After his long speech, he directly announced that the finals of the flower viewing convention had begun!

After six days of preliminaries and semi-finals, only the five daughters of the noble families were qualified to participate in the final. There would be three rounds of competition today. According to the rules of the finals, the talents for the first two rounds were specified in advance. The other round was to choose their own talents, so the five daughters of the noble families would show their best talents and compete.

After the first young lady from a noble family went on stage to perform, Leng Ruoxue couldn't help closing her eyes in boredom in the audience. To be honest, she actually wanted to give this young lady some face. However, this unknown young lady was performing the zither, and the tune she played made her want to sleep, so she had to follow her heart! Alas! She couldn't be blamed for this!

"Wow! Which family's young lady is this? The tune she plays actually makes me want to sleep. Well, if I have insomnia in the future, find her to play a tune so that we can have a good night's sleep," Feng Da said very viciously. Damn, this was obviously a hypnosis song! Was this the top five of the flower appreciation festival? Who selected this? Wasn't this deceiving the audience! Fortunately, they didn't spend money to buy tickets in, otherwise, they would definitely get the Guan Yue family to refund the tickets because this was obviously Red Fruit deceiving the consumers!

"Hehe, the grand finals of the flower appreciation event takes a comprehensive score. Her piano skills are very ordinary, but being able to enter the grand finals means that she has still obtained recognition in other areas of talent," Ning De, who had participated in the flower appreciation event many times, explained.

"Oh, Old Ning! Then do you think this young lady has a chance of becoming the champion?" Feng Da asked curiously.

"Definitely not," Ning De said resolutely. With Wu Qian'er around, the champion would definitely not fall into the hands of others. The other young ladies from the families were just Wu Qian'er's sidekicks. How could they snatch her limelight!

"Old Ning! Do you mean that the other daughters of noble families are not as outstanding as Wu Qian'er?" Feng Da said in disbelief. Why didn't he think that Wu Qian'er was so good? Hmph! A woman who couldn't even compare to a strand of their young miss's hair could probably only show off in front of these second-rate daughters.

"What I mean is that the Wu family is very despicable. Even if Wu Qian'er isn't the best, Wu Ming will sweep away all obstacles for her. However, Wu Qian'er is indeed talented, so it's not wrong for the champion to fall to her." Ning De frowned and explained.

While the two of them were chatting privately, the competition between the first young lady of the aristocratic family had already ended. The second person to go on stage happened to be Wu Qian'er. The zither was one of Wu Qian'er's best talents, so after she went on stage, she only bowed slightly to the audience on the stage and directly sat in front of the zither table to play...

"What is this? Why does it resemble Phoenix Seeking Phoenix?" Feng Da couldn't help asking as he listened to the pleasant and melodious tune on the stage.

"This should be Phoenix Flight." Ning De listened carefully and then said, Uh! It seemed like Wu Fu'er was determined to marry. With this in mind, his eyes gently glanced at the VIP seats. He heard that the young master of the Guan Yue family would be coming today, but he didn't see it.

"Alas! The young master of the Guan Yue family is really unlucky to be remembered by such a woman," Feng Da said with a face full of sympathy.

"Xue'er, do you think Wu Qian'er will cause trouble for us after the performance?" Empty, who was beside Leng Ruoxue, asked very curiously, his beautiful face actually full of anticipation.

### **Chapter 637: Please Sell Us Together (1)**

"Not if she has a brain," Leng Ruoxue said indifferently with her eyes closed.

"Haha, she's brainless," Empty said disdainfully, not optimistic about Wu Qian'er's intelligence.

"Doesn't she still have her father? Wu Ming that old man isn't stupid," Leng Ruoxue said understandingly. In fact, she was really right. Even if Wu Qian'er wanted to cause a fuss, she didn't have the guts to do so as long as the competition didn't really end because Wu Ming had already given her an ultimatum. He said that if she dared to do what she did on the first day, he would definitely not let her go. Therefore, as long as the champion didn't fall on her head, she wouldn't dare to cause trouble even if she was given a hundred guts. Therefore, she hurriedly left the stage after playing the song because she was afraid she wouldn't be able to control herself if she stayed for another second.

"Haha! Seems like you were right." Empty teased after seeing Wu Qian'er glare at them and then run away.

"In fact, Wu Qian'er is also a little smart. Unfortunately, her jealousy is too strong, so she's destined not to achieve anything big," Leng Ruoxue analyzed. Well, she didn't mean that she couldn't be jealous, but it was the worst if she developed a possessive desire for something that didn't belong to her. Wu Qian'er's situation was like this because as far as she knew, the young master of the Guan Yue family didn't want to marry her at all. However, she had already treated herself as the young madam of the Guan Yue family, so it could be seen how unrequited she was. If it weren't for this thought of hers, they probably wouldn't have had a conflict at all, nor would she have targeted the Wu family.

"Even if she isn't jealous, she won't be able to achieve anything with her character," Empty said objectively.

"Yes." Leng Ruoxue nodded.

After Wu Qian'er's competition ended, Bai Fang and the other three young ladies also went on stage one by one. After Bai Fang went on stage, her clear eyes swept lightly in the direction of Leng Ruoxue and the others, and then her gaze fixed on the freak. However, she quickly looked away and directly began her performance after staring for a few seconds. However, the man she liked didn't even look at her until the end of her song, which couldn't help making her feel very disappointed. Therefore, she left the stage with a resentful face after playing the song...

"Haha! Xue'er, you have a worthy opponent!" Empty couldn't help teasing when he saw Bai Fang's happy and slightly resentful expression.

“Opponent? Is she worthy?” Leng Ruoxue said nonchalantly. Hmph! Not every woman was qualified to be her opponent. Women who coveted her man also had to pay the price. In fact, she had felt Bai Fang’s gaze that day but she just ignored it.

“Haha, she’s really not worthy,” Empty said with a loud laugh. His hearty laughter immediately attracted the attention of many people, causing Leng Ruoxue and the others to become the focus of everyone again.

“Empty, that’s enough. If you continue smiling, those audience might eat you up!” Leng Ruoxue also teased. Well, the destructive power of the peerless handsome man’s smile was not small, so she forbade the freak from laughing in front of outsiders!

“You should keep an eye on your man! I don’t dare to trouble you with my affairs,” Empty said hurriedly because he could already feel a certain freak’s gaze staring at him with ill intentions.

“Tch, my man is very obedient,” Leng Ruoxue said confidently.

“Yes, yes. I’m very obedient!” The freak took the opportunity to quickly express his opinion. He was a filial fiancé! He had to be obedient!

The three of them chatted happily in their seats, and the competition on the stage continued. Unknowingly, the first round of the competition had already ended.

The second round of the competition was dance. Everyone chose their best dance to participate in the competition.

After the five of them went on stage one by one and performed their dance, the scores for the first two rounds were out. Among them, Wu Qian’er had the highest total score for the two rounds of the competition and was temporarily in first place. The second place was Bai Fang, and the third place was Luo Xing’er. However, the three of them had very close scores, so in theory, the three of them had hope of becoming the champion. The other two young ladies could only be their contrast.

The third round of the competition was to choose their own talents. This was also the last competition of this year’s flower viewing convention because the five young ladies would definitely not hide anything anymore.

After the third round of the competition began, the one with the lowest score went on first according to the scores for the first two rounds. Therefore, the daughter who was ranked last was the first to go on stage.

After the two rounds of the competition, the daughters of the last two rankings were officially eliminated. After all, the audience wanted to see the performance of the top three more, so there were naturally not many people paying attention to the performance of the first two daughters.

The third to go on stage was the daughter of the Luo family, Luo Xing’er. After the cute girl went on stage, she began the performance without hesitation...

After Luo Xing’er’s performance, it was Bai Fang’s turn.

In fact, the true competition of this year's flower viewing convention should be between her and Wu Qian'er. Luo Xing'er might be outstanding, but she was indeed inferior to the two of them in terms of talent. Otherwise, Luo Xing'er would not have ended her competition with a random song just now.

"Big Sister Fang, you can do it!" Not only was Luo Xing'er not depressed after getting off the stage, but she was also very happy to cheer for Big Sister Fang, whom she liked! She didn't like Wu Qian'er, so she really hoped that Big Sister Fang could win this championship.

"Okay, I will." Bai Fang nodded.

With that, she walked directly onto the stage. However, this time, after she went on stage, she did not look in the direction of Leng Ruoxue and the others but directly began the performance. In the last match, her performance talent was still the zither because the zither was her best, and the tune she played was actually "Phoenix Seeking Phoenix"...

Everyone in the audience and the VIP seats were stunned when the note was out because according to tradition, the other young ladies would not perform the songs that others had played in the competition. After all, the effect of the competition would be too obvious if two people performed the same song. The major families were obviously unwilling to offend the other families because of a competition.. However, Bai Fang surprised everyone today...

### **Chapter 638: Please Sell Us Together (2)**

In the VVIP seats.

"Lord Bai, this song was played by my daughter. What does the daughter of the Bai family mean?" Wu Ming glared at the patriarch of the Bai family with a displeased face and questioned.

"Uh! She's my brother's concubine's daughter. She hasn't seen much of the world since she was young, and it's her first time participating in such a competition today, so she probably doesn't know. She definitely didn't do it on purpose. Patriarch Wu, please believe me. Your daughter's zither skills are top-notch. Fang'er can't compare." The patriarch of the Bai family wiped the cold sweat off his forehead and hurriedly explained. At the same time, he cursed the unruly Bai Fang half to death in his heart. Damn it, she shouldn't implicate their Bai family even if she wanted to die! Wu Ming was famous for being ruthless. Moreover, he had already warned Bai Fang to keep a low profile in this competition and not snatch the limelight from Wu Qian'er. After all, their Bai family couldn't afford to offend the Wu family. However, Bai Fang actually ignored his words. He really didn't know what she wanted to do!

"So she's a bastard daughter. No wonder she's so unpresentable!" Wu Ming mocked rudely.

"Hehe, I'm sorry." The patriarch of the Bai family suppressed his anger. Hmph! How could he have used a concubine daughter to participate in the competition if his daughter wasn't disappointing. In fact, he was still very satisfied with Bai Fang's performance these few days. After all, if his daughter participated in the competition, she might not have such good results. However, Bai Fang made him a little angry today, and she made him cry softly in front of the Wu family. Hmph! He would settle this score with her when he returned!

“Haha! Do you not have confidence in your daughter winning the championship? If that’s the case, let her withdraw from the competition directly so that she won’t be embarrassed when the results are announced later!” Guan Yuelong reminded coldly from the side after hearing their conversation. He was very happy to see someone defeat Wu Qian’er. He just didn’t know if those daughters of noble families had the guts. After all, many people were very afraid of the Wu family.

“Who said so? My daughter is the best!” Wu Ming roared furiously.

“Is that so? Why can’t I tell? Can you tell?” Guan Yue Long said to the patriarch present with a face full of smiles, neither angry nor angry.

The patriarchs sitting in the VIP seats had black lines hanging on their foreheads when they heard Guan Yue Long’s words. They thought to themselves, Patriarch Guan Yuelong, aren’t you harming us? Even if they thought so in their hearts, they didn’t dare to say it in front of Wu Ming! One had to know that Wu Ming was famous for being despicable. Who knew what kind of underhanded means he would play behind his back if they really displeased him! Often, no one dared to provoke such people.

“Why didn’t anyone answer me?” After a while, Guan Yue Long couldn’t help asking angrily when he saw that no one responded. Hmph! These people thought Wu Ming couldn’t afford to offend them. Could he afford to offend them?

“Because everyone thinks my daughter is outstanding! Of course no one will respond to you,” Wu Ming said in a good mood seeing Guan Yue Long deflated.

The temperature of the scene immediately dropped several degrees after Wu Ming’s words.

No one dared to say anything seeing Guan Yue Long’s ugly expression.

“Patriarch Guan Yue, is Young Master Guan Yue Xi back?” After a long while, a patriarch cleverly changed the topic, not daring to bear Guan Yue Long’s anger.

“Yes, he’s back,” Guan Yue Long said lightly.

“Oh, didn’t the young master come?” the patriarch asked, as if he wanted to chat with Guan Yue Long. Unfortunately, Guan Yue Long was not interested at all because he was still angry!

“Of course he’s here. He’s not interested in someone’s performance, so he should be here after the competition.” Guan Yue Long rolled his eyes at Wu Ming and said irritably. In fact, Xi’er was already here, but he didn’t appear in the VIP seats.

“It’s okay. He has to marry Qian’er no matter if he’s interested or not,” Wu Ming said nonchalantly. Anyway, the Guan Yue family couldn’t refuse as long as his daughter won the championship.

“Wait for your precious daughter to win the championship!” Guan Yue Long reminded her. However, he couldn’t help thinking about how to prevent Wu Qian’er from winning the championship.

At this moment, two handsome men were also sitting in a corner on the other side of the audience. The two men were sitting diagonally opposite Leng Ruoxue and the others, so they could easily see Leng Ruoxue and the others.

“Hey, is that woman your sweetheart?” Luo Fei looked at the drop dead gorgeous beauty opposite him and asked with a face full of amazement. Yesterday, his sister had praised Bai Fang in front of him a lot, as if she was the only woman in the world. Later, she knew that the little girl planned to make Bai Fang her sister-in-law. After he knew, he couldn’t help but laugh at the girl’s whimsical thoughts. Not to mention whether he was interested in Bai Fang, it was impossible to become the young madam of the Luo family with Bai Fang’s identity.

“Yes, your sister’s taste isn’t good either? That Bai Fang is very ordinary!” Guan Yue Xi didn’t expect to actually see Leng Ruoxue today and couldn’t help teasing his good friend in a good mood.

“Yes, which woman isn’t ordinary compared to your beloved!” Luo Fei said speechlessly. Boohoo... He was not interested in Bai Fang at all. He didn’t expect Guan Yue Xi to tease him with this!

“Alas! I just have a crush on her. She doesn’t know of my existence, so don’t spout nonsense. It won’t be good if others misunderstand,” Guan Yue Xi reminded very cautiously, his handsome face carrying a trace of disappointment.

“Then you’re not allowed to talk about Bai Fang either. Let’s not talk about anyone.” Luo Fei began to state his conditions.

“Okay.” Guan Yue Xi nodded in agreement.

At this moment, Wu Qian’er was playing her last song on the stage. The flower appreciation festival had truly ended after her performance.

Finally, the song ended. The entire competition ended when Wu Qian’er’s final note sounded.

“Miss, this time, Wu Qian’er actually didn’t play a tune like ‘Happy Moon’, ‘Wedding Night’, and the like. Instead, she chose a tune full of concepts like ‘Mountain River’. Unfortunately! This isn’t her style,” Feng Da said with a look of pity.

“Haha! Feng Da, I just found out that you know music today,” Leng Ruoxue said in surprise.

### **Chapter 639: Please Sell Us Together (3)**

“Hehe, I just think that the last song she played was not nice and didn’t match her style. Who asked her to be so desperate for marriage! ‘Phoenix Seeking Phoenix’ and ‘Phoenix In Flight’ have all been played. Shouldn’t we enter the bridal chamber next?” Feng Da said with a smile. After all, this matched Wu Qian’er’s desire for marriage!

“Uh!” Two drops of cold sweat dripped down Leng Ruoxue’s forehead uncontrollably. However, she had to admit that Feng Da’s words were reasonable.

“Feng Da, Wu Qian’er is staring at you!” Empty reminded with a light smile. Alas! One was marked by the company one kept! Everyone around Xue’er was so venomous.

Upon hearing Empty’s words, Feng Da couldn’t help but look up at Wu Qian’er, who had just finished playing the song. Good gracious, she was indeed staring at her. Could it be that this woman had heard what he said just now? Then why didn’t she flare up? This shouldn’t be the case! This wasn’t like her!

Leng Ruoxue also looked up at Wu Qian'er on the stage, and then said calmly, "Could it be that Miss Wu likes my subordinates?"

"Damn it, what nonsense are you spouting? How can such a lowly person be worthy of me?" Wu Qian'er raised her head arrogantly like a phoenix and said very disdainfully.

"Hey, you big milk cow, who are you calling lowly? I don't care even if a woman like you comes to me for nothing. Hmph! I advise you not to take yourself too seriously. You're not noble at all," Feng Da said very rudely.

Everyone in the audience roared with laughter when they heard the big milk cow's call. Wu Qian'er might not be tall, but her chest was extraordinarily spectacular, so they all felt that this name was very appropriate!

"Big... milk cow? Damn it, you're the big milk cow!" Wu Qian'er roared angrily. Her beautiful face flushed red with anger after hearing everyone's laughter.

"I'm sorry. It seems like I have to teach you. Only female milk cows produce milk, so I can't be called a milk cow. Moreover, I don't have such big breasts!" Feng Da said angrily.

"Y-you, I won't let you go." Wu Qian'er was so angry that she was trembling. Her clear eyes glared at Leng Ruoxue and the others as she said fiercely.

"I wonder how Miss Wu wants to deal with us?" Leng Ruoxue asked curiously with her beautiful face.

"I want to sell all of you to the brothel. However, before I go, I'll find a few strong men to play with you, haha!" Wu Qian'er said a little smugly. Her intense anger made her forget what kind of place this was for a moment, so she accidentally said what was on her mind.

The audience and the guests in the VIP seats were dumbfounded before Wu Qian'er finished speaking. They couldn't believe that such vicious words would be said by Wu Qian'er in public..

"I really couldn't tell that this daughter of the Wu family was so vicious!"

"Yes! If the so-called daughters of noble families are all like this, I would rather marry a commoner woman. Well, I can't take this kind of woman even if she wants to! She's really too vicious. She can sell people because of a small dispute and wants to... If there's a conflict between husband and wife, I think she will murder her husband! Poor Young Master Guan Yue."

Everyone began discussing one after another, their voices so loud that even Wu Qian'er, who was still standing on the stage, couldn't ignore them.

"Damn it, all of you shut up!" Wu Qian'er roared without caring about her image. Her anger made her beautiful face a little distorted.

"What? Miss Wu wants to sell us too?" someone in the audience shouted.

"Hehe, I just found out today that the Wu family is a human trafficker. It seems like we have to be careful lest we get caught and sold by her one day!" Leng Ruoxue teased without being angry or angry, and her beautiful face even had a drop dead smile.

“Don’t spout nonsense. Our Wu family is a top-notch family, not a human trafficker.” Wu Qian’er was so angry that she lost her mind and roared like thunder.

“But you said you wanted to sell us and even said you wanted to find a few strong men to play with me. I don’t know when you’ll find them for me? I can’t wait anymore!” Leng Ruoxue narrowed her beautiful eyes and said anxiously.

“Hmph! I’ll definitely let you have your wish. Don’t worry!” Wu Qian’er said fiercely.

“Oh, when? Can you give me a time limit so that I won’t wait for nothing?” Leng Ruoxue asked anxiously, looking like she would not stop until she was given time.

“Hmph! Let’s sell them first,” Wu Qian’er said proudly.

“Are you favoring men over women? What right do you have to sell them first before finding the burly man for me? You’re a woman too. You can’t be so biased!” Leng Ruoxue said very displeased, her beautiful face full of grievance.

“What’s the rush? Do you lack men that much?” Wu Qian’er roared impatiently. For some reason, she felt that something was amiss, but she couldn’t put her finger on it.

“I didn’t lack it originally, but since you’re going to sell my man, I lack it!” Leng Ruoxue said matter-of-factly, still looking at Wu Qian’er aggrievedly.

“Xue’er, don’t let her sell me away. Boohoo... I don’t want to leave you. You have to protect me.” The freak lay on Leng Ruoxue’s shoulder and sobbed cooperatively. Alas! He had to cooperate since Xue’er wanted to play. However, that woman Wu Qian’er was dead for sure. Hmph! It was the first time in his life that a woman wanted to sell him away. She was really tired of living.

Empty also had the same thoughts as the freak. However, they didn’t say a word now and just looked at Wu Qian’er on the stage like they were watching a good show.

“Don’t be scared. I will protect you. I will beg Miss Wu to sell us to the same brothel,” Leng Ruoxue quickly comforted.

“Xue’er, what about me?” Empty looked at Leng Ruoxue and asked. His clear and innocent beautiful eyes stared at Leng Ruoxue intently. Moreover, there were faint tears in his eyes, as if he would cry directly if Xue’er said anything wrong.

“Uh! I’ll protect you too.” Two drops of cold sweat dripped down Leng Ruoxue’s forehead as she said speechlessly..

#### **Chapter 640: Please Sell Us Together (4)**

“Miss, what should I do? No one can separate us. Boohoo...” Lü Tao’s eyes were red as she sobbed very sadly.

“Lass! You can’t leave an old man like me behind!” The little old man also participated and said pitifully. Hehe, it was really fun. Even the three major families wanted to provide for him. However, the daughter

of the Wu family actually wanted to sell them. Uh! He really wanted to know which brothel dared to take him in?

“Alas! Miss Wu, you see, my family and subordinates can’t leave me, so you can’t separate us. If you want to sell, you have to sell us together. Otherwise, I won’t agree.” Leng Ruoxue sighed and said helplessly.

“Yes, Miss Wu, please sell us together! I was wrong. I shouldn’t have called you Big Milk Cow just now. Look at your figure. It’s a pity to call you Big Milk Cow. I should call you Big Milk Cow with the best figure,” Feng Da said with a face full of regret.

“Y-you all!” Wu Qian’er was so angry that she was about to vomit blood, and she even stammered.

At the same time, in the VIP seats...

Upon hearing Wu Qian’er’s words, Guan Yue Long, who was drinking tea, spat out the tea that he had yet to swallow. Fortunately, it all happened to spray onto Wu Ming.

“You...” Wu Ming, who was already very displeased, became even angrier seeing that he was sprayed with water. His daughter was spouting nonsense downstairs, and he got someone to spray water on him. One could imagine how terrible his mood was.

“I’m sorry, Brother Wu. Your daughter’s words have really broadened my horizons, so, hehe! I only found out today that the Wu family still has that kind of livelihood...” Guan Yue Long said with a smile. He had even changed his way of addressing Wu Ming to Brother Wu. It could be seen how good his mood was. Hehe, even if Wu Qian’er won the champion of the flower viewing convention, he could rest easy! After all, he didn’t believe that Wu Qian’er could live to the day she married her son after offending that eldest young lady. However, a young lady from an aristocratic family actually had such thoughts. He had to sigh that the Wu family’s upbringing was indeed good!

“Hmph! Children are insensible. You actually believe nonsense. It can be seen how low your intelligence is,” Wu Ming said with slight sarcasm. He knew that Guan Yue Long wanted to see him make a fool of himself, but how could he let this fellow do as he pleased?

“It’s not important whether I believe it or not. It’s not like you’re selling me,” Guan Yuelong said nonchalantly. Hehe, it was enough as long as Leng Ruoxue believed it.

“Guan Yue Long, it’s been so long. Why isn’t the final ranking out yet?” Wu Ming asked and directly changed the topic. He really didn’t want to discuss the topic with Guan Yue Long just now. Otherwise, he would be angered to death.

“Probably because the ranking isn’t good. First Elder, go take a look! Don’t make our Brother Wu wait anxiously. He still has to take care of his business!” Guan Yuelong said to the First Elder happily and secretly made a gesture that only the two of them knew when no one was paying attention. The First Elder understood and then left the VIP seats...

After the First Elder left the VIP seats, he looked at the judges’ seats and then went to the audience to find his young master.

“Young Master.” First Elder looked at Guan Yue Xi.

“First Elder, why are you here?” Guan Yue Xi asked in surprise. Uh! Could it be that Father was looking for him?

“I’m here to take a look,” the First Elder said with a smile. Alas! The flower appreciation festival was about to end today, but he and the patriarch had yet to think of how to explain it to that Eldest Miss. He couldn’t help being a little worried when he thought of this.

“Sport? First Elder, you’re really free! It’s so lively over there, why isn’t anyone caring?” Luo Fei teased with a light smile.

“Care? Who? We can’t care about the Wu family’s young miss,” First Elder said helplessly, his face full of difficulties.

“Hehe, First Elder, who will be the champion of the flower appreciation festival this time?” Luo Fei asked the advisor knowingly.

“How would I know? I’m not a judge.” First Elder glared at Luo Fei and said indifferently.

“Didn’t you just come from the judging panel? You really don’t know?” Luo Fei said in disbelief. In fact, he just wanted to know if the champion was Wu Qian’er, but this old man insisted on keeping him in suspense. Alas! He was really anxious to death.

“I don’t know! The judges are in a difficult position, and the champion is difficult to evaluate, so the result isn’t out yet! It probably will take a while!” First Elder explained.

“If the champion is Wu Qian’er, does Xi really have to marry that woman?” Luo Fei asked curiously.

“Of course. Our Guan Yue family is a very trustworthy family,” the First Elder promised. Hehe, they would keep their word, but they were afraid that the Wu family would not have the fortune!

“Xi, looks like I have to congratulate you in advance,” Luo Fei teased.

“Do you want to die? I won’t marry her.” Guan Yue Xi rolled her eyes at Luo Fei, her handsome face full of displeasure.

“Hehe! Can you do whatever you want?” Luo Fei gloated.

“Since you’re congratulating me, then I’ll also congratulate you and Miss Bai on getting married early!” Guan Yue Xi said, unwilling to be outdone. Hmph! How could wanting to see him make a fool of himself be such a beautiful thing?

“Don’t. I was wrong, okay?” Luo Fei quickly begged. He didn’t want to marry that weak and sickly woman who would collapse from the wind.

“I’m afraid she would not want to marry you even if you wanted to marry her!” First Elder said in realization. Alas, that bastard daughter of the Bai family was quite ambitious! She actually... What a pity! She was inviting trouble onto herself. Hopefully, she wouldn’t do anything irrational. After all, the Bai family and the Guan Yue family had business dealings.

“That’s great,” Luo Fei said happily after hearing what the First Elder said. He didn’t have time to care for that kind of woman all day. Moreover, he hated women who looked weak and sickly since they were young but had better bodies than anyone and liked to pretend to be pitiful.

At this moment, Wu Qian’er was glaring fiercely at Leng Ruoxue and the others on the stage. Leng Ruoxue also glared back at her, unwilling to be outdone.. Neither side spoke. At this moment, under the arrangement of the host, Bai Fang and Luo Xing’er also walked onto the stage and waited for the final result to be out..
