Chapter 641: The First Elder Doesn't Allow Me To Give You The Champion (1)

After Bai Fang and Luo Xing'er went on stage, they did not stand with Wu Qian'er but maintained a distance from her.

"Miss Wu, it's wrong for you to quarrel with the audience." After a while of silence, Bai Fang couldn't help persuading her. Her voice was so soft that water seemed to seep out.

Slap! A slap landed on Bai Fang's beautiful face.

"Who do you think you are? How dare you meddle in my business?" Wu Qian'er roared furiously after raising her hand to slap Bai Fang. Hmph! She was almost angered to death by Leng Ruoxue and the others just now, and she couldn't do anything to those people, so she could only vent all her anger on Bai Fang, and this was somewhat related to the tune Bai Fang played just now.

"I... I'm sorry!" Half of Bai Fang's face immediately swelled up after being slapped, and she said with tears in her eyes. However, her gaze seemed to glance at the freak. Her aggrieved and pitiful appearance was enough to make most people pity her, but it absolutely didn't include Leng Ruoxue and the others.

"Hey, Big Sister Fang is just trying to persuade you out of goodwill. How can you be so barbaric!" Luo Xing'er, who couldn't take it anymore, quickly protested.

"Good intentions? I'm afraid only you will think that she's being kind, idiot!" Wu Qian'er said disdainfully.

"You..." Luo Xing'er was so angry that she couldn't say anything. She might look very powerful, but she couldn't muster up any aura when facing an unreasonable person like Wu Qian'er.

Leng Ruoxue, who had been sitting in the corner, looked at the farce on the stage and thought, Uh! Are they being rebellious? However, that Bai Fang was quite intriguing. Unfortunately, she expressed the wrong feelings.

Just as there was some silence on the stage and off stage, a stinky smell suddenly drifted out of the venue. At first, no one paid attention because the smell was very faint. However, as the stink became stronger, no one could ignore it anymore.

"Where did this smell come from? It stinks!" An audience member covered his mouth and nose.

"Yes! It stinks!"

"Wow, even our sewers smell a hundred times better than this!"

The audience exploded...

In the corner of the audience.

Ning De also covered his mouth and nose and looked at Leng Ruoxue. "Miss!"

“Okay,” Leng Ruoxue answered softly. Then she took out a jade bottle from her ring and motioned for Ning De to distribute it to everyone. She thought that it was fortunate that she had taken the antidote early. Otherwise, she would definitely be smoked to death.

“Xue’er, this smell...” Empty asked after taking the antidote, but he stopped mid-sentence.

“Ah! Wu Qian’er, the stink is coming from you.”

Before Leng Ruoxue could say anything, a scream sounded from the stage!

The audience’s attention was instantly attracted to the stage.

“Don’t spout nonsense. How can I stink!” Wu Qian’er roared furiously. She could smell the stink too. She didn’t know where it came from at all. However, Luo Xing’er actually wronged her. How ridiculous!

“I’m not spouting nonsense. It’s really from you. Big Sister Fang, come and smell it!” Luo Xing’er didn’t suspect anything and got Bai Fang to smell it too.

“Sister Xing’er, how could Miss Wu have this smell on her body? Don’t spout nonsense.” Bai Fang forced a smile. In fact, she obviously knew that this smell came from Wu Qian’er, but so what if she knew? She couldn’t say it in public. She was not Luo Xing’er after all!

“I knew you wronged me. Hmph!” Wu Qian’er glared at Luo Xing’er fiercely. She would not let her go.

“I didn’t wrong you. Big Sister Fang, smell it and you’ll know. It’s definitely from her,” Luo Xing’er said stubbornly.

“Sister Xing’er, speak no more.” Bai Fang pulled Luo Xing’er to the side and advised her softly. No one knew what Wu Qian’er would do if she continued.

“Oh!” Luo Xing’er answered softly, feeling incomparably depressed. Boohoo... It was also a mistake to be honest!

In the VIP seats...

Guan Yue Long looked at the gloomy Wu Ming and asked gloatingly, “Brother Wu, why does your daughter stink? Can you explain?”

“How can my daughter stink? Don’t listen to other people’s nonsense,” Wu Ming roared furiously. They had all heard what Luo Xing’er said just now, so he was in a fit of anger. However, that old man Guan Yue Long actually came to provoke them!

“How can Xing’er spout nonsense? I watched that child grow up. She won’t panic,” Guan Yue Long said with certainty.

“Yes, my daughter won’t lie. She said it came from Miss Wu, so it must be,” Luo Xian said very cooperatively. Hmph! How dare she say that his daughter was spouting nonsense. She was really going too far!

“But Miss Bai said no? You said that your daughter doesn’t know how to lie, so you’re saying that Miss Bai lied?” Wu Ming narrowed his eyes and tried to sow discord.

“That’s what you said. I’m just saying that my daughter won’t lie. It’s not my business whether other people’s daughters lie or not,” Luo Xian said calmly and nonchalantly.

“Patriarch Bai, what do you think?” Wu Ming raised his eyebrows and asked.

“Uh! Erm...” The patriarch of the Bai family was so anxious that cold sweat rolled down his back, but he didn’t know what to say. Boohoo... The Bai family was not the Luo family. They had the Guan Yue family backing them up. If he said anything wrong, it would offend both parties, so he had to pretend to be stupid.

“Brother Wu, don’t make things difficult for them. How can they answer your question like this!” Guan Yue Long very kindly helped the Bai family’s patriarch out of the predicament, receiving the Bai family’s patriarch’s incomparably grateful gaze.

“Hmph! It’s absolutely impossible for my daughter to stink,” Wu Ming said with certainty.

“Patriarch Wu, imagination like this won’t solve anything. Why don’t each of our two families test it so that we can seek justice for Miss Wu?” Guan Yu Long suggested. In fact, he really hoped that the smell came from Wu Qian’er.. However, Wu Ming would not admit to Luo Xing’er’s words alone, so the best way was to convince that old man.

Chapter 642: The First Elder Doesn’t Allow Me To Give You The Champion (2)

“Okay.” Wu Ming nodded in agreement. Then he whispered a few words to the butler behind him, and the butler turned and left the VIP seats.

Guan Yue Long also said a few words to the guard beside him. The guard turned and left after receiving the patriarch’s order.

“Brother Wu, don’t blame me for adding insult to injury. If that stink really comes from your daughter, then the champion of this flower appreciation festival will probably not be fated to your daughter.” Guan Yue Long said the ugly words first lest Wu Ming refused to admit it at that time.

“Of course.” Wu Ming nodded without hesitation. He was too confident and believed that the smell absolutely didn’t come from Qian’er, so he didn’t object when Guan Yue Long said this.

“Brother Wu is really sensible!” Guan Yue Long put on a high hat, not caring if his words were appropriate.

After a while, the Wu family’s butler and Guan Yue Long’s guard returned.

“Patriarch, this stink is indeed coming from Miss Wu,” the guard reported honestly.

“And this. The Wu family’s butler wants to bribe me to help them hide it,” the guard added as he handed over another silver card.

“Oh, since it’s from the Wu family, take it. It’s a waste not to take it!” Guan Yuelong said with a smile. At this moment, he was rather happy. Hehe, he could finally get rid of Wu Qian’er. It was really great.

“Patriarch Xie.” The guard openly took the silver card under the murderous gaze of the Wu family’s butler.

The Patriarchs sitting around were all well aware of the result of the verification. Therefore, even if the Wu family’s butler didn’t say anything, it wouldn’t affect the final result. It seemed like Miss Wu was definitely not fated to be the champion.

“Brother Wu, looks like your daughter won’t have the chance to become the young madam of our Guanyue family. Alas! What a pity!” Guan Yue Long said with a face full of pity.

“Guan Yue Long, even if this smell comes from Qian’er, it won’t affect the ownership of the champion. No one else is qualified to be the champion except for our Qian’er,” Wu Ming said with certainty.

“Alright. Your daughter’s talents are indeed the best among the five young ladies. We can’t treat her favorably just because she has a strange smell! Therefore, for the sake of the Wu family, we can give her the championship! However, don’t even think about the young madam of the Guan Yue family. Our Guan Yue family can’t marry a young master’s wife with a stinky smell.” Guan Yuelong thought for a while and then said very cautiously. In fact, he knew Wu Ming very well, so he was prepared that he would not keep his promise. However, the champion could be given to him, but the position of the young madam was absolutely not allowed.

“Do you want to go back on your word?” Wu Ming stood up from his seat and roared angrily.

“You were the one who didn’t keep your promise first. Now, you’re blaming me. What kind of logic is this! Moreover, Brother Wu, how can you blame me for your daughter being disappointing? Think about it. Which family would want a woman with a strange smell as the future mistress of the family? Even if I agree, the elders of the family won’t agree. Would you marry such a woman for your son?” Guan Yue Long said without anger or anger.

Guan Yue Long’s words immediately left Wu Ming speechless, and the atmosphere fell silent again.

Wu Qian’er and the others were standing in the middle of the stage, waiting for the final result.

For some reason, Wu Qian’er felt a sense of unease enveloping her heart. Two people had come to her side to smell her just now. They might not have said anything, but it was precisely because of this that she felt even more uneasy.

Just as Wu Qian’er was feeling uneasy, the host endured the stink and walked onto the stage. He didn’t even open his mouth and directly announced the winner. Then he left as if he was fleeing for his life...

“Miss Wu, congratulations.” Bai Fang actually walked to Wu Qian’er as if she didn’t smell any stink.

“Hmph! I told you long ago that the champion will definitely belong to me.” Wu Qian’er rolled her eyes at Bai Fang, completely indifferent to her goodwill.

“Yes, Miss Wu is the best,” Bai Fang said and slowly walked off the stage. Luo Xing’er had already escaped the stage with the host after announcing the results.

“Hmph! You commoners, what are you looking at? Haven’t you seen the champion?” Wu Qian’er was so smug that she was about to fly into the sky after winning the championship. She turned her gaze to Leng

Ruoxue and the others provocatively and said with contempt, Haha! The entire stage belonged to her alone now.

Leng Ruoxue, who was sitting in the corner, looked at Wu Qian'er as if she was watching a joke. Then she said lightly, "I only found out today that the flower viewing convention is actually charity."

"Damn it, what do you mean?" Wu Qian'er widened her eyes in puzzlement.

"It means that you actually let a stinky woman be the champion! Haha! However, we won't look up to you," Feng Da explained with a crazy laugh.

"Damn it, I won't let you go." Wu Qian'er was about to explode with anger after hearing Feng Da's words.

"Bring it on. You can sell or kill as you please," Feng Da said nonchalantly. Hehe, he hoped that the Wu family would not disappoint them. They had just advanced, and their hands were itchy!

"Just you wait!" Wu Qian roared. She realized that her body was a little itchy after shouting. However, she didn't dare to scratch it in public and couldn't run down the stage directly because she was still waiting for the award! Ah! So itchy. Damn it, where did the person who gave the award go? She endured the itch and cursed in her heart.

"Yes, yes. We'll wait," Feng Da said with a smile. Hmph! They would wait to see a joke!

After a while, the First Elder in charge of the awards ceremony covered his nose very reluctantly and walked onto the stage. After standing in front of Wu Qian'er, he saw Wu Qian'er lying directly on the stage before he could hand the prize to her. Her body kept twisting and rubbing on the stage, and her hands didn't idle around...

Uh! What was going on? First Elder was a little dumbfounded.. This was the first time he had encountered such a situation after presenting so many awards. This was too strange!

Chapter 643: The First Elder Doesn't Allow Me To Give You The Champion (3)

The First Elder stood foolishly in front of Wu Qian'er and watched her squirming on the stage like a green bug, hesitating whether to interrupt her because even a fool could see that Wu Qian'er's body was very itchy now. Uh! How long had it been since she showered!

Everyone in the audience was stunned when they saw Wu Qian'er's actions. Then they began to discuss again.

"Wow, is the daughter of the Wu family crazy? We're in public, she's really too uneducated."

"Hehe, she scratched my clothes. This Miss Wu's skin is so black!"

"Oh, she has embarrassed the Wu family."

"That's right!"

First Elder wiped the cold sweat off his forehead and said helplessly, "Miss Wu, have you scratched enough?"

"No, I'm so itchy!" Wu Qian'er said impatiently. Then she tore open her clothes and began scratching again with only a bellyband.

"Ah!" First Elder screamed and hurriedly turned his head. Boohoo... He didn't want to marry this woman! The Wu family mustn't rely on him! He was so scared!

"Haha!" Leng Ruoxue couldn't help laughing after seeing the First Elder's actions in the corner. She thought, This First Elder of the Guan Yue family is quite interesting!

"Damn it, what's so funny!" Wu Qian'er couldn't help roaring in anger when she heard Leng Ruoxue's laughter. However, her hands had no intention of stopping at all.

"What? Miss Wu, are you so overbearing that you even care about your smile?" Leng Ruoxue asked lightly, a drop dead gorgeous smile hanging on her beautiful face.

However, Wu Qian'er ignored her at all and only cared about tickling. However, the First Elder stole a resentful glance at her.

"Miss, will Wu Qian'er strip naked later?" Feng Da asked curiously.

"Big Brother Feng, do you want to see her naked body?" Lü Tao asked lightly, her calm and beautiful face unreadable!

"Uh! No, no!" Feng Da said hurriedly. At the same time, he couldn't help but break out in cold sweat. Boohoo... How could he have forgotten that Lü Tao was beside him!

However, as soon as Feng Da finished speaking, Wu Qian'er took off her skirt and began to scratch her thigh. Uh! There were no red fruits, but it was about enough.

"It seems like Big Brother Feng's wish is about to be realized," Lü Tao said a little sourly. She was quite displeased that the man she liked actually wanted to look at other women. If she was displeased, it meant that someone was going to be unlucky.

"Yes! Alas! Lü Tao, men are all like this. It's good to be calm," Leng Ruoxue said coldly. Her words were obviously adding oil to the fire, making Lü Tao even angrier.

"Miss!" Feng Da looked at his young miss aggrievedly with a long face. Boohoo... He didn't offend the young miss recently? Why did the young miss prank him like this!

"Xue'er, you can't wrong all the men just because Feng Da wants to see them. I don't want to see other women," the freak hurriedly promised and stepped on Feng Da while adding insult to injury.

"Yes, Xue'er, not all men are as lecherous as Feng Da," Empty echoed, the word 'wronged' written on its beautiful face.

"Boohoo... You're too evil!" Feng Da felt like dying when he heard what they said. Boohoo... No one would stop him if anyone gave him a piece of tofu!

“Captain, take care. Don’t take things too hard,” Lin Yuan comforted him sympathetically. Uh! He didn’t know what else to say except to console him. He wanted to add insult to injury, but he didn’t dare to!

“Lin Yuan, give me a piece of tofu!” Feng Da said aggrievedly with tears in his eyes. Boohoo... He felt even more aggrieved seeing everyone’s sympathetic gazes.

“Captain, I don’t have tofu. I have an iron plate, do you want it? It’s also from the Millennium Meteoric Iron. It’s very sturdy. I guarantee that it won’t break,” Lin Yuan said.

“Thank you. Keep it for yourself!” Feng Da said gloomily. Boohoo... A group of baddies!

“Haha!” Everyone couldn’t help laughing seeing Feng Da’s expression.

Suddenly, groans were heard by Leng Ruoxue and the others. They looked in the direction of the sound doubtfully. It turned out that the sound was coming from the stage. They saw Wu Qian’er on the stage scratching her itch non-stop and letting out comfortable groans. The First Elder, who was closest to her, had an awkward face. She couldn’t leave or stay.

“Miss, this voice is really too unpleasant. She can scratch it, but what’s her name?” Cui Zhu said with some disgust. Lin Yuan and the others didn’t dare to follow her words, afraid that they would become public enemies again.

“Yes, Cui Zhu makes sense. First Elder, can you shut Miss Wu’s mouth! My subordinates say that her voice is unpleasant.” Leng Ruoxue nodded and then shouted at the First Elder on the stage loudly.

“I don’t want to touch her. Come up and shut her up yourself if you want to.” First Elder’s forehead was full of black lines as he said with displeasure. Boohoo... Why was this girl so bullying! Even if he was closer, there was no need to prank him like this!

“Haha!” The audience roared with laughter.

“If you don’t want to touch her as a man, then I’m even less interested as a woman,” Leng Ruoxue said very seriously. Then she turned to Cui Zhu and said, “Let’s bear with it!”

“Alright then!” Cui Zhu said reluctantly.

In the VIP seats...

At this moment, the atmosphere in the VIP seats was even lower. Everyone didn’t dare to speak when they saw the black-faced Wu Ming, lest they became cannon fodder.

“Brother Wu, aren’t you going to send people to get Miss Wu down? Your Wu family will lose all your face if you don’t go up now.” Guan Yue Long could only take the lead seeing that no one dared to speak. He was the organizer of the flower viewing convention after all! This matter would also have a certain impact on the flower viewing convention, but compared to the Wu family’s scandal, that little effect could be ignored! Hehe, he was so happy!

“Why haven’t you sent anyone to bring Miss down yet?” Wu Ming, whose face was black, roared furiously when he saw that the butler was still standing behind him.

Chapter 644: The First Elder Doesn’t Allow Me To Give You The Champion (4)

“Patriarch, I sent someone, but Miss refused to come down no matter what, and our subordinates didn’t dare to touch her,” the butler hurriedly explained. Boohoo... Who would dare to touch Miss at this time? With the Patriarch’s temper, whoever touched her would really die!

“It seems like Brother Wu has to take Miss Wu in person. Alas! Your daughter is really stubborn!” Guan Yue Long suggested, his handsome face full of sympathy.

“Hmph! You don’t have to tell me!” Wu Ming didn’t appreciate it at all. He was only angry just now. He didn’t expect none of these subordinates to succeed. It was really infuriating.

“Brother Wu! Even if our families have a good relationship, I’m afraid I can’t award the champion to your daughter in this state. I hope you can understand!” Guan Yuelong said with a troubled face after Wu Ming stood up.

“Hmph! Give it to whoever you want. Our Wu family doesn’t care at all.” Wu Ming roared with a fierce gaze and then left the VIP seats angrily.

After Wu Ming left the VIP seats, he went straight to the stage and knocked out the happily scratching Wu Qian’er. Then he looked at Leng Ruoxue meaningfully and left the flower appreciation convention with Wu Qian’er.

“Haha, now that the champion’s seat is empty, all the patriarchs, tell us, who is qualified to obtain this champion? Let’s choose one from the other four young ladies to make up for it!” Guan Yue Long asked very democratically after Wu Ming left, his searchlight-like eyes gently scanning the patriarchs present.

“Patriarch Guan Yue, this is the job of the judges. Why are you asking us?” a patriarch who was slightly closer to Guan Yue Long deliberately asked.

“Didn’t the judges evaluate Wu Qian’er? But you also know her current situation. If she continues to be the champion and news spreads, it won’t look good on us!” Guan Yue Long explained.

“Patriarch Guan Yue, you are the organizer of the flower viewing convention. You decide this matter. I have no objections,” another patriarch said. In fact, no one was stupid. They knew very well that if Wu Ming knew that they were the ones who selected the champion to replace his daughter, he would definitely vent his anger on them. Therefore, they were unwilling to take the lead!

“How can that do? It’s precisely because I’m the organizer that I have to listen to your opinions! Hurry up and tell me, don’t waste time,” Guan Yue Long said with a smile.

“In that case, let’s vote and decide!” Luo Xian suggested. In fact, he knew what Guan Yue Long meant. He was forcing everyone to make a choice!

“Yes, yes. A good vote and fair!” Guan Yue Long agreed very much. Then he ordered someone to bring paper and pen and send them to the patriarchs present.

“Haha, it’s an anonymous vote!” Guan Yue Long added. In fact, even if he didn’t say it, those patriarchs didn’t intend to write their names.

After a while, the results of the voting were out. Bai Fang had the highest number of votes among the four young ladies, and the other three each had one vote.

“Haha, looks like Miss Bai is what everyone wants!” Guan Yue Long said happily.

“Hehe, Lord Bai, congratulations.” The patriarchs present also congratulated the patriarch of the Bai family.

“Hehe, thank you for thinking highly of me, your niece,” the patriarch of the Bai family said with a forced smile. In fact, he was about to cry in his heart. Boohoo... It was impossible for him to stay out of this now. Wu Ming would definitely not let him go!

“Send this result to the First Elder!” Guan Yue Long ordered the guard beside him.

“Yes!” the guard replied and quickly left the VIP seats.

In the corner of the audience.

“Xue’er, looks like the Wu family’s patriarch has his eyes on you,” Empty teased with a light smile. Alas! Wu Ming’s glance before he left was obviously up to no good!

“Alas! There’s nothing we can do. How can we fight against those families without a backer!” Leng Ruoxue shrugged her shoulders and said helplessly.

“Why don’t we find a backer too!” Empty suggested with a smile.

“Do you think it’s so easy to find a backer?” Leng Ruoxue glanced at Empty and said lightly.

“Oh, that’s true!” Empty was depressed.

Ning De, who was sitting beside them, broke out in cold sweat as he listened to their conversation. You can’t bully me like this. However, he looked at Feng Da and the others, who were calm and composed, and realized that his tolerance was a little poor. Boohoo... He had to train! If Miss said they were a disadvantaged group, then they must be!

At the same time, the First Elder on the stage also received the patriarch’s order. He cleared his throat and explained to the audience loudly, “Uh! There was an accident just now, so I’ll announce the champion of the next flower viewing convention again.”

Uh! The audience looked at each other and whispered among themselves. Was the champion going to be changed? However, with such a scandal just now, the daughter of the Wu family was indeed not suitable to be the champion anymore, so they quickly calmed down.

“The champion of this year’s flower viewing convention is Bai Fang,” First Elder hurriedly announced when he saw the discussions quieten down to prevent any unexpected mishaps. Boohoo... Don’t make any mistakes.

After speaking, he was relieved to see that the audience did not have much reaction.

“Wow, Wow, Big Sister Fang, it’s you! That’s great. I told you long ago that only you are the champion in my heart,” Luo Xing’er said to Bai Fang happily backstage after hearing what the First Elder said.

“Sister Xing’er, thank you. However, it’s not good for us to be so happy after something like this happened to Miss Wu. Alas! In fact, I pity her,” Bai Fang said worriedly. Her incomparably beautiful face was full of difficulties and sympathy, but she couldn’t help cursing in her heart. Hmph! Who cared about this lousy champion? She was just a substitute. In fact, what she wanted the most was...

“I know Big Sister Fang is the kindest, but some people are not worthy of sympathy,” Luo Xing’er said.

“Little Sister Xing’er...” Bai Fang seemed to want to defend Wu Qian’er, but she opened her mouth and didn’t say anything.

“Big Sister Fang, quickly go on stage! The First Elder is about to give you the award,” Luo Xing’er urged. Sometimes, she really didn’t like Bai Fang’s kindness.. It was because Bai Fang was too kind that she was always bullied.

Chapter 645: The First Elder Doesn’t Allow Me To Give You The Champion (5)

“Okay.” Bai Fang nodded and then walked onto the stage reluctantly.

“Miss Bai, congratulations,” the First Elder said directly after seeing Bai Fang come up. The stink would not disappear for a while even though Wu Qian’er had already left. Therefore, what he wanted to do the most now was to distribute the prizes quickly. Otherwise, he would have to sacrifice himself on this stage.

“First Elder, I...” Bai Fang hesitated. Her beautiful eyes secretly glanced at the freak, and then at Leng Ruoxue, hesitating.

“Miss Bai, this is your reward for being the champion. Take good care of it.” First Elder handed Bai Fang a ring and reminded her.

“First Elder, I can’t accept this champion.” Bai Fang didn’t take the ring and summoned her courage. At the same time, she felt a little uneasy, not knowing if the First Elder would see through her thoughts.

“What did you say?” First Elder frowned and asked with slight displeasure.

“I can’t accept this hampion. I’m not qualified,” Bai Fang said very modestly, her beautiful face full of determination.

“If you’re not qualified, then who is? Your score is the highest among the four young ladies. Moreover, this was decided by the collective vote of the patriarchs. This is what everyone wants. Don’t decline anymore,” First Elder explained. Hmph! He really didn’t like Bai Fang acting in this way. In his opinion, excessive modesty was hypocritical.

“First Elder, in terms of talent, I can’t compare to Miss Wu. In terms of beauty, I can’t compare to that that Miss, so I’m really not qualified to obtain this champion. I’m willing to give the champion to that Miss.” Bai Fang turned her gaze to Leng Ruoxue.

The First Elder’s head hurt after hearing Bai Fang’s self-righteous words. His impression of Bai Fang was originally quite ordinary, but now it had fallen to rock bottom in a straight line. He secretly looked at

Leng Ruoxue, who had a gorgeous smile on her face, and couldn't help but grumble in his heart. Who do you think you are? Do you think I need you to give way?

The audience and the patriarchs in the VIP seats had a headache after hearing what Bai Fang said and sighed in unison. Alas! What was this?

However, Bai Fang, who was on the stage, didn't realize that her suggestion would actually backfire. On the contrary, she was a little smug. Haha! Everyone would know how magnanimous she was now! Moreover, she believed that the woman who was not qualified to participate in the flower appreciation meeting would definitely be grateful to her.

In fact, it was not Bai Fang's fault for thinking this way because she had always thought that only the daughters of the major families were qualified to participate in the Flower Banquet. There was a rule that the participants had to be the daughters of the various families and could be from the direct line of descent, but it was actually not the case. Otherwise, what would happen to those families without daughters who could participate? Therefore, it was enough as long as there were families who admitted that the daughters participating in the Flower Banquet were from their families. This had long been an open secret among the families, and no family would fall out because of such deceit.

"Wow, Miss, that lady is so nice. She actually wants to give you the championship," Lü Tao said very innocently, her beautiful face full of joy.

"Yes, you are indeed very kind," Leng Ruoxue said with a spurious smile and looked at Bai Fang as if she was watching a joke.

"I really think Miss is better than me, so please believe in my sincerity. I'm not joking," Bai Fang said very sincerely.

"Isn't it obvious? There's no need to say it from your mouth. Moreover, whether you're joking or not has nothing to do with me, so save it!" Leng Ruoxue said without gratitude.

"Miss, you misunderstood me. I really think this honor should belong to you." Bai Fang looked at the freak with tears in her beautiful eyes and said aggrievedly, as if she had been wronged.

"I don't know how to sing, dance, or play the piano. I'm useless except for my face. So, you don't have to have any ideas about me," Leng Ruoxue declined bluntly. She hated this hypocritical woman to death. However, she neither hit nor scolded her. She couldn't rush up and beat her up even though she really wanted to.

"Miss Bai, do you think our flower viewing convention is owned by your family? How can you give up the championship just because you want to?" First Elder couldn't take it anymore. Two drops of cold sweat hung on his forehead as he said very angrily. This Bai Fang's actions now made him feel like vomiting because he was very close to Bai Fang, so he saw all her thoughts.

"I'm sorry, First Elder." Bai Fang was very embarrassed. However, when her gaze turned to Leng Ruoxue again, it was full of guilt. "Miss, I'm really sorry. First Elder didn't allow me to give you this championship. In fact, I really think you are more qualified than me."

Bai Fang's words angered the First Elder so much that he almost vomited blood. The First Elder, who had always thought of himself as very gentlemanly, kept cursing in his heart. Damn it! Did I not allow you to

give up the championship? I have to take it even if you want to! He really didn't know what this woman's head was made of. Why did she think so highly of herself? She looked like a pretty smart girl, but she was actually stupid. Could it be that this was the legendary relationship that would lower one's intelligence? Uh! To be precise, it should be single love!

Apart from the First Elder, the audience and Leng Ruoxue and the others were at a loss for words after hearing what Bai Fang said.

In the VIP seats...

Guan Yue Long looked at the farce on the stage, glanced at the patriarch of the Bai family indifferently, and said mockingly, "Miss Bai is really kind-hearted."

"Yes, this child has been kind since he was young. He doesn't even dare to step on an ant to death." The patriarch of the Bai family didn't hear the mockery in Guan Yue Long's words and said happily instead because he couldn't wait for Bai Fang to take the initiative to give up the championship. This way, the Wu family wouldn't blame them.

Guan Yue Long tactfully shut his mouth and stopped talking after hearing what the patriarch of the Bai family said.. The other patriarchs naturally wouldn't ask for trouble. Alas! What else could they say since she thought that her niece was being noble and virtuous?

Chapter 646: Rumors Arise (1)

In the corner of the audience.

Leng Ruoxue looked at the guilty Bai Fang on the stage speechlessly. Uh! She really didn't want to bother with this top-grade person. However, just because she didn't want to bother with him didn't mean that he wouldn't take the initiative to come closer to her!

"Miss, I'm so sorry." Bai Fang couldn't help saying guiltily when she saw that Leng Ruoxue didn't react.

"Stop! Shut up! You don't have to be sorry," Leng Ruoxue said, unable to bear it anymore. She hated Bai Fang even more in her heart. To be honest, it would be fine if Wu Qian'er was an unruly and mature woman. However, people would think that she was bullying such a weak and pitiful woman no matter how she dealt with her. She might not care about what others thought, but such a woman was really difficult to deal with. The weaker a woman looked, the more deceitful she would be. Bai Fang happened to be such a woman, so this couldn't help giving her a headache.

"Miss..." Bai Fang's beautiful eyes welled up with tears as she looked at Leng Ruoxue hesitantly, her beautiful face full of grievance.

"Miss Bai, I've seen too many women, but this is the first time I've seen someone as self-righteous as you. Hehe, you've broadened my horizons," Feng Da said with a smile. Hmph! He really wanted to beat this woman up if they weren't in public. Who did she think she was!

"That's right! This Miss Bai is really the best! She obviously doesn't want to be the champion, but she still makes it sound so dignified. Do you think everyone else is stupid?" Lin Yuan exposed Bai Fang's thoughts unceremoniously and said mockingly.

"I'm not... I mean it. You misunderstood me," Bai Fang explained. Two streams of tears rolled down her cheeks, making her look even more pitiful.

"What does it have to do with us if you really don't mean it? Just be your champion. Our Miss isn't a trash acquisition station. Hmph! If Miss wants your lousy champion, it won't be your turn!" Ning De said with some displeasure. He thought he was knowledgeable and had seen countless people, but this was the first time he had seen such a top-grade woman. Uh! In Feng Da's words, it was an eye-opener today.

"I..." Bai Fang cried even harder after hearing Ning De's words.

"Hey, you guys are too much. Big Sister Fang is just being nice. It's fine if you don't appreciate it, but why are you bullying her like this?" Luo Xing'er, who was backstage, hurriedly jumped on the stage to complain when she saw her beloved Big Sister Fang being bullied.

"Miss Luo, do you think we bullied her?" Leng Ruoxue raised her eyes and said coldly.

"Of course. You made Big Sister Fang cry. Do you still dare to deny it?" Luo Xing'er said self-righteously.

"I don't care if Miss Luo thinks we bullied your Big Sister Fang. However, what I want to say is that everyone here is not blind. Moreover, if you really like her so much, then look after your Big Sister Fang! Otherwise, bear the consequences yourself!" Leng Ruoxue said very coldly. Then she stood up and said to the freak and the others, "Let's go!"

"Okay." The freak and the others stood up and everyone left the venue of the flower viewing convention in a grandiose manner.

Leng Ruoxue didn't say a word on the way back to the Alchemist Association. Feng Da and the others thought that their young miss was angry, so they all followed her cautiously and obediently. Lü Tao couldn't help asking when they returned to the temporary yard, "Miss, that Bai Fang is really too annoying. Are we going to let her go just like that?"

"They just want to give me their championship. They didn't hit me or scold me. What can you do? Do you really want others to say that we're bullying others?" Leng Ruoxue asked in return. She didn't mind her subordinates doing something if they had a good way. However, if they didn't, then they should stay obediently!

"But I'm really angry," Lü Tao said gloomily. The one being bullied was obviously her young miss!

"Lü Tao, let me tell you. You have to be patient if you want to deal with that kind of woman. You can't be impatient," Leng Ruoxue said understandingly. In fact, weak and scheming women had always been as difficult to deal with as Wu Qian'er, so patience was the most important.

"Oh," Lü Tao answered gloomily, still feeling uncomfortable.

"Hehe, Lü Tao, don't worry. That woman will definitely provoke us again!" Feng Da came to Lü Tao's side and comforted her.

"Yes, damn it, I almost forgot about you." Lü Tao grabbed Feng Da's ear and transformed into a female lion as she roared furiously. Since she couldn't teach that Bai Fang a lesson, she would teach her man a lesson first! Hmph! How dare he look at another woman's body. She really had to beat him up.

“Ah! Ah! Lü Tao, I was wrong. Let me go!” Feng Da begged repeatedly. It would be very embarrassing to be treated like this by his woman, but it was okay to lose some face as long as Lü Tao could be happy. There were no outsiders here anyway.

“Wrong? What did you do wrong?” Lü Tao narrowed her eyes and asked in puzzlement.

“Boohoo... I shouldn’t be so curious. Spare me. Don’t spank me,” Feng Da pleaded.

“Don’t worry, I won’t spank you. Miss, do we still have instant noodles?” Lü Tao asked with a naughty smile.

“Yes, as many as you want.” Leng Ruoxue said with a light smile.

“Boohoo... Miss, why aren’t we done yet?” Feng Da said gloomily. Boohoo... He didn’t want to kneel on instant noodles!

“How can we finish it since it’s convenient? Qing Jue makes drops whenever he has nothing to do, so don’t worry. I’ll provide as much as you want,” Leng Ruoxue said with a smile.

“Miss, can we not?” Feng Da discussed.

“No!” Lü Tao roared.

“Hehe, this is between the two of you. You decide. I’m only in charge of supplying goods,” Leng Ruoxue said very irresponsibly.

“Miss, it’s getting late. I’m going back first.” At this moment, Ning De couldn’t help but say. Oh, the maidservant beside Miss was so violent! Poor Feng Da!

“Yes.” Leng Ruoxue nodded.

Ning De looked at Feng Da sympathetically and then left the yard without looking back.

Chapter 647: Rumors Rising (2)

“Old Ning, Old Ning, don’t go! What should I do if you leave?” Feng Da couldn’t help crying when he saw Ning De leave. Boohoo... Ning De left, so his instant noodles didn’t run away.

“Stop howling. I’m not dead yet!” A roar sounded from outside the yard.

“Haha!” Leng Ruoxue and the others couldn’t help but laugh after hearing this.

“It’s getting late. Let’s rest early too!” Leng Ruoxue brought them directly into the bracelet.

After entering the space, Lü Tao grabbed Feng Da’s ear and returned to the room.

“Tao Tao! Tao Tao, wuu... I was wrong!”

Leng Ruoxue and the others stood outside the purple bamboo hut and couldn’t help smiling when they heard Feng Da’s pleading voice coming from his room.

“Alas! Poor Feng Da,” Empty said sympathetically.

“Miss said that as a man, you have to be obedient. Otherwise, the family law will serve you,” Cui Zhu explained.

“Uh!” Leng Ruoxue couldn’t help but have two drops of cold sweat drip down her forehead when she heard Cui Zhu’s words. Did she say such a thing? Why didn’t she remember?

“Xue’er, I’m very obedient.” The freak hurriedly expressed his opinion because he believed that if he was not obedient, then the family laws he would receive would definitely be more powerful than Feng Da’s. Boohoo... Xue’er was a tiger!

“Okay.” Leng Ruoxue nodded and then caressed the freak’s head like she was petting a puppy.

“Big Sister, Baby wants to sleep again.” Suddenly, Baby jumped into Leng Ruoxue’s arms, its beautiful blue eyes looking at her reluctantly.

“Okay.” Leng Ruoxue gently caressed Baby’s soft fur and nodded. She understood what Baby meant by sleep, but she was more curious about what would happen when Baby woke up again.

“Big Sister, Ball ball wants to sleep too.” The round ball also flew over and joined in the fun.

“Uh! You want to sleep too?” Leng Ruoxue hugged Qiuqiu and said in surprise. Why did these two little things want to sleep!

“Okay.” Qiuqiu nestled in Leng Ruoxue’s arms and nodded vigorously.

“Then sleep well. I’ll put you in the cultivation room later,” Leng Ruoxue said.

“Okay.” Baby and Ball ball nodded and then fell asleep in Leng Ruoxue’s arms.

“Uh! Miss, don’t they sleep often?” Cui Zhu asked in puzzlement.

“We should sleep for a longer time this time,” Leng Ruoxue explained. Then she walked into the purple bamboo hut with the two little beasts and placed them on the bed in the cultivation room.

“Xue’er, don’t worry. It’s just a promotion.” The freak comforted Leng Ruoxue seeing her worried appearance.

“I know.” Leng Ruoxue nodded. Then she looked at the two little beasts by the bed for a while before pulling the freak out of the cultivation room...

The next day.

Leng Ruoxue and the freak saw Empty drinking tea on a stone chair in front of the purple bamboo house as soon as they left.

“Drinking tea so early in the morning?” Leng Ruoxue said helplessly. The tea hadn’t left her hand since Empty had paid for the tea.

“Hehe, I’m bored!” Empty said with a chuckle.

“Are you still bored? Are Lin Yuan and the others not up yet?” Leng Ruoxue asked curiously. They woke up earlier than her when they were not in seclusion! It was really abnormal that they were not awake yet today.

“Mommy, Uncle Wu gave them special training yesterday, hehe!” Little Fire jumped into Leng Ruoxue’s arms from nowhere and said coquettishly.

“Special training?” Leng Ruoxue was stunned. Uh! No wonder she hadn’t woken up yet. One had to know that special training without was very tiring.

“Yes! They are too weak. I gave them special training and asked them to learn those advanced mystic techniques in three days,” Empty explained.

“In three days! Empty, isn’t your request a little too high?” the freak couldn’t help saying.

“Is it high? They have been here for a long time compared to you,” Empty said nonchalantly. Hehe, he wanted to pressure those little fellows. Otherwise, why would their strength increase rapidly!

“Yes, it’s good to let them try,” Leng Ruoxue agreed.

“Big Sister, Ning De is here, and he brought a few uninvited guests.” Qing Jue appeared in front of Leng Ruoxue and the others and reminded them.

“An uninvited guest? Then let’s go take a look!” Leng Ruoxue said with interest.

“Okay,” the freak and Empty agreed.

Leng Ruoxue brought the two of them out of the bracelet with a thought. However, she realized that she had also brought Huo’er out after exiting.

“Mommy, let me play outside for a while! I won’t run around!” Little Fire couldn’t help pleading with tears in its eyes knowing that Leng Ruoxue wanted to send it back.

“Alas! Alright then!” Leng Ruoxue’s heart softened.

The three of them sat down on a stone bench in the yard. Soon, there was a knock on the door.

“Come in! The door isn’t locked,” Leng Ruoxue sent a voice transmission to Ning De. Well, she had already seen who the uninvited guest was.

“Miss Leng, Young Master Guan Yue and Young Master Luo are here to visit you,” Ning De said with a face full of unwillingness. Boohoo... He really didn’t want to bring these people here if possible. Uh, mainly because he didn’t want to bring that self-righteous Bai Fang. However, Guan Yue Xi said that she came on his father’s orders. He couldn’t turn Guan Yue Xi away either! However, he was a little resentful that they brought that woman along.

“Oh, please take a seat, Young Masters!” Leng Ruoxue said politely. There was only a stone bench in front of them even though she said please take a seat. Therefore, Guan Yue Xi and Luo Fei looked at each other and then Guan Yuexi sat down.

“May I know what’s the matter, Young Masters?” Leng Ruoxue asked lightly, her beautiful face full of curiosity.

“Miss Leng, I’m here on behalf of my father,” Guan Yuexi explained.

“Oh, what about Young Master Luo? Is he also representing my father?” Leng Ruoxue raised her eyebrows slightly and said indifferently.

“No, I’m here to see Miss Leng,” Luo Fei said honestly. He was very curious about Leng Ruoxue, so he followed after knowing that Guan Yue Xi was coming to visit.

“Since you’re here, don’t stand on ceremony.. Help yourself!” Leng Ruoxue said with a light smile.

Chapter 648: Rumors Arise (3)

“Okay, I won’t stand on ceremony then.” Luo Fei mimicked Ning De and found a random place to sit down.

“Miss Leng, is this how you treat your guests?” Luo Xing’er said with some dissatisfaction when she saw her brother actually sitting on the stone steps.

“Yes, I’m the most hospitable person. I’ve never treated guests as outsiders. However, if guests treat themselves as guests, then it’s none of my business!” Leng Ruoxue said without anger.

“Xing’er, come here and sit down,” Luo Fei called out. He knew that his sister was feeling unfair for him, but he didn’t think there was anything wrong with sitting on the ground.

“Big Brother, you are the young master of our Luo family. How can you sit on the ground?” Luo Xing’er said indignantly.

“Xing’er, don’t make things difficult for Big Brother Luo. Miss Leng definitely didn’t do it on purpose,” Bai Fang, who had been silent, comforted. However, not only did her words not have the effect of comforting, they were like oil on fire, making Luo Xing’er even angrier.

“Big Sister Fang, you’re too kind. You always think too highly of others,” Luo Xing’er said angrily.

“Miss Luo, are you dissatisfied with me?” Leng Ruoxue asked the advisor while glancing at Luo Fei.

“I...” Leng Ruoxue interrupted Luo Xing’er.

“You should be happy that I’m willing to receive you. Even Lan Lie and Leng Wudi have to sit underground, let alone the Luo family’s young master,” Leng Ruoxue said lightly.

“Who are you lying to? How can you know Lan Lie and Leng Wudi? Just say that you know Sun Teng,” Luo Xing’er said disdainfully. Hmph! Even she didn’t have the chance to know the famous three young masters. How could this woman know them!

“I really do,” Leng Ruoxue said with a smile.

“Miss Leng, you can’t be so vain. No one will laugh at you if you don’t know them. Really, we won’t look down on you,” Bai Fang said, thinking that she was very understanding. She had already asked her uncle yesterday and knew that this woman had no background at all, so her confidence multiplied!

“Should I be moved to tears by Miss Bai’s words?” Leng Ruoxue rolled her eyes and asked speechlessly.

“There’s no need to be grateful. I just hope to be friends with Miss Leng,” Bai Fang said very generously, impressed with her thoughts. Hehe, as long as she became friends with this woman, someone would definitely be able to see her beauty. She couldn’t help thinking happily.

“Miss Bai is of noble status, I can’t match up to you. Forget about being friends!” Leng Ruoxue refused tactfully. However, she knew that with Bai Fang’s self-righteousness and thick skin, she definitely wouldn’t understand.

“Miss Leng, one should be confident. Don’t worry, I won’t look down on you because you don’t have any status or position,” Bai Fang said very sincerely.

“Miss Bai, didn’t you say you were coming to apologize to Miss Leng?” Guan Yue Xi couldn’t help but interrupt. Bai Fang’s words made him a little uncomfortable. Damn! He wanted to curse. He had seen many women, but this was the first time he had seen someone as shameless as Bai Fang.

“Yes, Miss Leng. I’m really sorry about yesterday. I might have been kind, but I didn’t expect to hurt your self-esteem. I’m really sorry,” Bai Fang said guiltily.

“...”

Bai Fang’s words made everyone except Luo Xing’er fall silent...

“Hey, don’t be ungrateful. Big Sister Fang specially came to apologize to you. Don’t be so ungrateful!” Luo Xing’er couldn’t help criticizing Leng Ruoxue when she saw that she didn’t react for a long time.

“Ning De, send the guests away.” Leng Ruoxue was so angry that she was amused. She didn’t want to waste time talking to them and directly ordered them to leave.

“Alas! Please leave!” Ning De sighed and then stood up helplessly.

“Miss Leng, we are guests. How can you treat guests like this? Who will dare to visit you in the future if news of this spreads!” Bai Fang reminded.

“I don’t need anyone to visit me, okay?” Leng Ruoxue’s beautiful face was full of displeasure.

“Miss Leng, aren’t we friends? You can’t treat your friends like this. People will think you’re heartless,” Bai Fang said anxiously. She couldn’t be driven out like this. She hadn’t even spoken to the person she liked, so how could she be willing to go like that?

“I don’t care about what others think. Please leave this place immediately,” Leng Ruoxue said impatiently. She would definitely beat someone up if she let this woman stay any longer. However, this woman kept speaking gently. If she really hit her, there would probably be no end of trouble, and she would have to tangle with her endlessly. Therefore, the best way was to ignore her.

“Big Sister Fang, this woman is too barbaric. She won’t accept your goodwill at all. Let’s leave quickly and not court a rebuff,” Luo Xing’er advised.

“You’re not allowed to scold my mother. You’re a bad person. I want to bite you!” Huo’er, who had been lying in Leng Ruoxue’s arms for a long time, finally couldn’t take it anymore.

“Ah!”

In an instant, everyone only saw a fiery red light flash quickly, and then Bai Fang let out an ear-piercing scream...

By the time everyone saw what was going on, Little Fire had already laid back in Leng Ruoxue's arms and flashed its incomparably sharp little claws in a show of force. Blood was flowing down Bai Fang's face, and she was rolling on the ground in pain...

"Big Sister Fang!" Luo Xing'er squatted on the ground in fright and looked at Bai Fang worriedly.

"Xing'er, let's go!" Luo Fei picked up Bai Fang who was on the ground reluctantly.

"Big Brother, we can't leave like this. That cat scratched Big Sister Fang. We have to seek an explanation for Big Sister Fang," Luo Xing'er said guiltily. Hmph! She would never allow Big Sister Fang to suffer like this.

"Xing'er, stop messing around.. Let's leave this place," Luo Fei couldn't bear it anymore. Hmph! How could you blame me? If you hadn't been provoking me, why would that kitten be angry!

Chapter 649: Rumors Arise (4)

"Big Brother! Why are you so useless! If you don't want to stand up for Big Sister Fang, I'll do it!" Luo Xing'er said furiously. In fact, she was more or less guilty that Bai Fang would be injured. What she didn't expect was that didn't the cat say that it wanted to bite her? Why did its target change to Bai Fang!

"Up to you. If you insist, I'll tell Father when we get back and pretend that I never gave birth to you," Luo Fei warned. He was angry with his sister's idiot. He left the yard with Bai Fang, who had fainted from the pain.

"Big Brother!" Luo Xing'er didn't expect her brother to really leave just like that. She couldn't help stomping her feet in anger.

"Xing'er, let's go!" Guan Yue Xi said helplessly. Alas! It seemed like they couldn't negotiate today.

"Big Brother Guan Yue, don't you care about Big Sister Fang anymore?" Luo Xing'er asked in disbelief. She didn't understand why her brother and Big Brother Guan Yue had such a reaction. Shouldn't they seek an explanation for Big Sister Fang's injuries?

"She doesn't belong to me. Why should I care about her?" Guan Yue Xi asked in puzzlement. In fact, it was good enough that he didn't blame that stupid woman. Why should he care about her?

"Big Brother Guan Yue!" Luo Xing'er didn't know what to say. It shouldn't be like this!

"Xing'er, bear the consequences if you don't leave!" Guan Yue Xi left the yard after speaking.

"Big Sister Fang is injured. The Bai family won't let you go. Just you wait," Luo Xing'er threatened indignantly before leaving angrily.

After seeing everyone he brought leave, Ning De looked at Leng Ruoxue anxiously and said, "Miss, I'm sorry. I didn't expect this to happen either."

"This isn't your fault. Don't take it to heart," Leng Ruoxue said nonchalantly. She could ignore Luo Xing'er's threat before she left, so why would she blame Ning De?

"Mommy, I'm sorry for causing you trouble," Little Fire said shyly. However, it didn't feel guilty at all. Hmph! It would still scratch that annoying woman if there was a next time!

"Silly, what trouble is this!" Leng Ruoxue comforted. She didn't even care about the Guan Yue family, let alone the mere Bai family.

"Haha, Little Fire actually knows how to scratch people too," Empty teased with a light smile. Uh! Xue'er's beasts were indeed extraordinary. Even plant-attribute beasts knew how to scratch people.

"Hehe, I'm also learning from Big Brother Darling and the others. I finally have the chance to scratch you in person today," Little Fire said with a naughty smile.

"Your little claws are indeed sharp," the freak praised as he took Little Fire from Leng Ruoxue's arms and pinched its little claws.

"Hehe, thank you, Daddy. I grind it often," Little Fire said proudly.

"Where did you grind it?" Leng Ruoxue asked curiously. Huo'er's entire body was full of treasures! Alas! What a waste!

"He took away the powder I ground away with the things Big Brother Qing Jue found for me," Huo'er explained.

"Oh, it's okay. It didn't go to waste." Leng Ruoxue was relieved.

"Miss, what do you intend to do with Bai Fang?" Ning De hesitated but still asked.

"What do you mean?" Leng Ruoxue was puzzled. What else could she do?

"I'm talking about the injury on her face," Ning De explained. Bai Fang was injured, and it was on her face. The Bai family would probably ask for compensation, and with his understanding of Leng Ruoxue, Miss would definitely not care.

"She has the Hundred Flowers Pill. Those injuries are nothing," Leng Ruoxue comforted. She didn't take Bai Fang's injuries seriously at all.

"Uh! That's true," Ning De said. He had forgotten about the Hundred Flower Pill. One had to know that the effects of the Hundred Flower Pill were to nourish one's appearance and beauty.

"Ning De, go busy yourself. Don't disturb us if there's nothing important." Leng Ruoxue ordered Ning De to leave. After Ning De left, she returned to the bracelet with the freak.

"Have a chat. I'm going to concoct some pills." Leng Ruoxue threw the freak and Empty in front of the purple bamboo hut. After speaking, she walked directly into the alchemy room of the purple bamboo hut.

"Uh, what pill does Xue'er want to concoct again?" Empty sat down in a chair and asked curiously.

"I don't know." The freak was also a little strange. They didn't seem to lack pills now. With Zheng En and the little old man around, there was no way they could use up all the pills.

"Do you think... Xue'er wants to prank me again?" Empty said expectantly.

"Won't you know when she comes out?" the freak said helplessly.

Just like that, the two of them sat in front of the purple bamboo hut, chatting and waiting...

In the main mansion of the Guan Yue family.

After returning to the family, Guan Yue Xi didn't return to her room but went directly to Guan Yue Long's study.

"Young Master." The guard outside the study bowed very respectfully when he saw Guan Yue Xi.

"Yes, I want to see Father." Guan Yue Xi nodded slightly.

"Please wait a moment," the guard said and then walked into the study to report.

A moment later, the guard emerged.

"Young Master, the Patriarch invites you in."

Guan Yuexi nodded and pushed the door open to enter.

"Xi'er, why are you back so soon?" Guan Yue Long, who was sitting on the main seat, asked in puzzlement. He had asked Xi'er to bond with Leng Ruoxue and the others. Why were they back so quickly?

"Uh! There was an accident. Hello, First Elder and Fifth Elder," Guan Yue Xi said speechlessly and then bowed very politely to the two elders.

"What happened?" First Elder asked anxiously. Boohoo... They couldn't afford to offend that little ancestor!

"Alas!" Guan Yue Xi sighed and then told them what had happened.

"Young Master, why did you bring that woman? That woman is a big trouble," First Elder said angrily. Alas! Young Master was really too muddle-headed.

"I don't want to either, but she's crying on the streets, begging and kneeling.. If I don't bring her, the people on the streets will think I did something to her!" Guan Yue Xi said gloomily.

Chapter 650: Rumors Rising (5)

"First Elder, at this point, it's useless to blame the young master. Let's think about what to do. In short, we have to coax that little ancestor!" Fifth Elder said with a slight headache. Alas! How did the Bai family raise such a top-grade daughter? And the Luo family too. Patriarch Luo and the young master seemed to be quite smart. Why was his daughter so stupid? She was still counting money for others even though she was being used!

“How? I can’t even take that Bai Fang anymore,” First Elder said speechlessly. Alas! It was fine if she pretended to be a good person on the stage. After all, they were in public. Leng Ruoxue couldn’t kill her in public even if she was angry. However, she had provoked her into coming to their house now. She was really too much!

“Patriarch, Patriarch Luo requests an audience.” The guards outside the door suddenly reported while they were discussing a solution.

“Let him in!” Guan Yue Long said with a displeased face.

“Yes!” the guard replied and left.

Soon, Luo Xian pushed the door open and entered.

“Hello, Brother Guan Yue, the First Elder, and the Fifth Elder.” Luo Xian greeted them after entering the study. However, Guan Yue Long and the others all had stern faces and ignored him.

“Hehe, what’s wrong with you? I didn’t provoke you!” Luo Xian smiled awkwardly and said helplessly.

“What are you doing here? I didn’t invite you today,” Guan Yue Long said irritably.

“I missed you! That’s why I came,” Luo Xian explained with a smile.

“Cut it out. You’re here for your precious daughter, right? Let me tell you, I have no choice. Do as you deem fit!” Guan Yue Long said bluntly. Boohoo... Their Guan Yue family couldn’t even protect themselves. How could he have the leisure to care about others!

“Brother Guan Yue, you watched Xing’er grow up. She might be a little willful, but she definitely doesn’t have any bad intentions,” Luo Xian said amiably. Alas! Xing’er had poor taste, but he knew very well that Leng Ruoxue’s identity was absolutely not simple since she could stay in the Alchemist Association.

“Do you know what your precious daughter did?” Guan Yue Long couldn’t help asking.

“Xing’er didn’t do anything. Didn’t she just have a verbal conflict with that Miss Leng? This isn’t a big deal. Moreover, didn’t Miss Leng’s cat scratch White Fang!” Luo Xian said. He had specially come to Guan Yue Long to help make up for the small conflict between Xing’er and Leng Ruoxue. This was enough to prove his importance to Leng Ruoxue, so he felt that Miss Leng shouldn’t blame Xing’er because of this.

“Didn’t Luo Fei tell you anything?” Guan Yue Long said in disbelief. If he were to be scolded by others, he would definitely chop that person into pieces because this was absolutely a provocation!

“He went to see Bai Fang off and hasn’t returned yet. I came to find you immediately after hearing what Xing’er said. Brother Guan Yue, I know that Miss Leng’s identity is not simple. Can you help me introduce her? I don’t want to have an unhappy relationship with her over such a small matter,” Luo Xian said with a fawning look. He had been friends with Guan Yue Long for many years, so he believed that Guan Yue Long would definitely help with such a small matter.

“If you’re sincere, you should go directly to the Alchemist Association and not come to beg me,” Guan Yue Long said helplessly. Alas! In fact, he didn’t have much of a relationship with Leng Ruoxue. How could he help! Moreover, he hadn’t even resolved his own matter!

"I asked the butler to go, but President Ning refused. He even said that he wouldn't see me even if I went," Luo Xian said honestly. Boohoo... He didn't want to offend the Alchemist Association! However, it was obvious that his daughter had already angered President Ning.

"You're fast. Hmph! You even said you were coming to find me immediately. You're playing tricks in front of me," Guan Yue Long scolded angrily.

"Hehe, Brother Guan Yue, we've known each other for so many years. You won't fuss about it with me, right?" Luo Xian said with a smile.

"I will! I'll tell you again. I can't do anything about this matter," Guan Yue Long said with a headache. His own matter was already annoying enough, but this old thing actually came to cause trouble. It was really infuriating.

"Brother Guan Yue!" Luo Xian refused to let go of Guan Yue Long's sleeve, his watery eyes still looking at him pitifully.

"Damn, you old thing. You're already in your fifties. Stop doing such disgusting actions and expressions, okay?" Guan Yue Long jumped up in surprise and said a little unbearable. Luo Xian had always liked to use such actions to achieve his goal when he was young, but he really had no choice in this matter!

"Are you really not going to introduce me?" Luo Xian asked, still tugging at Guan Yue Long's sleeve.

"I can't even protect myself now. How can I care about you!" Guan Yue Long had no choice but to tell the truth.

"Uh! I thought you had a good relationship with Leng Ruoxue. Didn't you tell me not to offend her?" Luo Xian said in puzzlement. After the flower viewing convention yesterday, Guan Yue Long had told him to keep an eye on his daughter and not provoke Leng Ruoxue. However, his disappointing daughter had offended her today, so he came to Guan Yuelong to think of a way. She refused to see him after all!

"Good my ass. I reminded you out of goodwill because someone in my family offended her. In fact, the matter in my family hasn't been resolved yet!" Guan Yue Long roared furiously.

"Ah! No way! Brother Guan Yue, where did that woman come from? Even you can't do anything. Could she be from the Leng family?" Luo Xian guessed.

"I don't know if she is from the Leng family, but what I can tell you is that she absolutely doesn't make me fear her because of the Leng family. Do you understand?" Guan Yue Long said very implicitly. After all, it was impossible for him to reveal Leng Ruoxue's identity to Luo Xian, even if their relationship was good.

"Oh, Brother Guan Yue, what should I do now? Could she..." Luo Xian said worriedly, but he couldn't finish his sentence.

"Xi'er, tell Uncle Luo what happened!" Guan Yue Long said helplessly.. Alas! He didn't have a willful daughter like Luo Xing'er, but he had an ignorant and incompetent son, so he could understand Luo Xian's feelings.
