### Chapter 691: The Adorable Beasts (3)

“Hmph! And you say you’re not a shrew! I’ve never seen a phoenix as rude as you!” Feng Zhan laughed evilly and provoked, then it found an opportunity to launch a sneak attack.

The male fire fox on the ground kept its eyes fixed on the two beasts and took advantage of their bickering to launch a sneak attack...

“Ah! Damn it, you all are too despicable!” The Fire Phoenix who was successively ambushed became furious, truly wishing to cut this bird and fox into pieces!

“This is called ‘all is fair in war’. Hmph! You said we’re despicable, but aren’t you despicable? Taking advantage of the fact that the Fire Fox is about to give birth to a baby and stealing other people’s territory. You’re the most despicable villain.” Feng Zhan said with a face full of contempt.

“In this world, the strong are respected. Their strength is inferior to mine, so it’s natural for them to give up their territory to me,” the Fire Phoenix explained. It did not feel that there was anything wrong with snatching someone else’s territory because this was the law of the jungle in the Beast World!

“Yes, what you said makes sense. Then I’ll seize your territory!” Feng Zhan nodded and said.

“You want to snatch my territory? Can you defeat me?” the F mocked. In truth, it was furious in its heart because this fellow was really too cunning. It actually used its impersonation to fight with it, causing its attacks to be unable to hit the Fire Phoenix. It was really infuriating.

“Tch, although my strength is inferior to yours, I have helpers!” Feng Zhan said proudly. Just as he finished speaking, the male fox on the ground took the opportunity and successfully ambushed him again!

“Ah!” the Fire Phoenix cried out in shock. After that, it glared fiercely at the male fox on the ground who was slightly complacent. It was really courting death! It actually dared to spank its butt!

“You are screaming so wildly. Could it be that you have hit an important part of your body?” Feng Zhan laughed evilly. Its eyes were looking at a certain part of the fire phoenix. The expression on its face was really wretched!

“Damn it, you pervert!” The fire phoenix was enraged by Feng Zhan’s bloodshot eyes, and the flames on its body burned even more intensely!

Uh! Listening to the conversation between the two beasts, Leng Ruoxue and the others couldn’t help but break out in cold sweat. At the same time, they couldn’t help but think to themselves: Feng Zhan, you are so evil!

At this moment, Silver Wings’s dissatisfied voice came from Leng Ruoxue’s heart, “Master, I want to go out and teach this fire phoenix a lesson!” Silver Wings, who had been shot while lying down, was furious!

“Uh! Alright then!” Leng Ruoxue helplessly moved the silver wolves’ representatives out from the bracelet. She knew that the Fire Phoenix’s ‘you pervert’ had definitely caused the silver wolves to be dissatisfied. Uh! Her beasts all had very strong self-esteem!

After the silver wolves came out, they formed a circle with tacit understanding and surrounded Feng Zhan and the fire phoenix in midair...

“Feng Zhan, quickly get this female bird off!” Silver Wings roared loudly, and an angry aura emitted from its nose!

“How do we get it?” Feng Zhan asked in a somewhat puzzled manner. It wanted to lure the Fire Phoenix down, but this female beast did not fall for it!

“Feng Zhan, take out your manly courage and force yourself on it! Haha!” A silver wolf suggested with a serious expression.

“I don’t want it. My standards are very high! I don’t fancy such a shrew!” Feng Zhan said with a face full of disdain. In its heart, it couldn’t help but break out in cold sweat. Uh! Why would this silver wolf have such thoughts? It was so depressed that it wanted to vomit blood!

“Damn perverts, I won’t let you off. You’re dead!” When the Fire Phoenix heard the Silver Wolf’s suggestion to get that Fire Phoenix to rape it, it was so angry that it almost vomited blood!

“Hey, you female firebird. You scolded others as pervert just now and now you’re scolding us. Did our wolf clan offend you? Why are you making things difficult for us?” Silver Wings roared with an unfriendly expression. It was so angry that the fur on its body almost stood up.

“You’re all perverts to begin with!” the Fire Phoenix said disapprovingly. Hmph! If it wasn’t a pervert, would that damned silver wolf have such obscene suggestions?

On the battlefield, the beasts were engaged in a heated war of words, while Leng Ruoxue and the rest were whispering to each other.

“Xue’er, your beast is really extraordinarily powerful, huh?” Empty laughed naughtily. He almost burst out laughing when he heard the silver wolf’s suggestion. Haha! How could there be such a cute beast!

“Eh! That’s right!” Leng Ruoxue’s forehead was filled with black lines. She was so embarrassed that she wished she could find a hole to hide in. Sob... this was too embarrassing. How could her beast have such evil thoughts? However, when her beast said those words in an incomparably serious manner, it was really extremely cute!

“A fire phoenix isn’t that easy to force!” Icy, which was lying in Leng Ruoxue’s embrace after it came out with the silver wolves to watch the show, spoke with a serious expression.

“But I can help,” Icy added.

“Uh!” Leng Ruoxue wiped the cold sweat off her forehead. Then, she looked at Empty with a faint smile and felt a little better. It seemed her beast wasn’t the only one that was powerful! It was even more powerful and domineering here!

“Then what are you waiting for? Hurry up and help!” Empty said without any composure.

“Okay!” Icy replied happily and then jumped into the battlefield...

Feng Zhan, who was in midair, looked at the Ice Unicorn that suddenly jumped out and was shocked in its heart. He almost fell from the sky. Wu... Was this fellow here to cause trouble? With Icy around, they could forget about attacking.

“Little Fengfeng, I’ve come to help you!” Icy glanced at Feng Zhan who had a bitter expression and said with a smile. Oh, it seemed like it hadn’t made a move for a long time and its hooves were itching! Icy then opened its mouth and started brewing...

“Haha! A little dog actually dares to send itself to death. It really doesn’t know the immensity of heaven and earth!” The depressed Fire Phoenix said with a bit of mockery when it saw the little dog that suddenly rushed into the battlefield.

“You’ll regret it if you look down on it.” Feng Zhan kindly reminded and gloated at the fire phoenix. One had to know that Icy hated people calling it puppy the most. Hehe!

Apart from the fire fox and its wife who didn’t know the truth, everyone present, as well as the beast beasts all looked at the Fire Phoenix with sympathy.

At this time, Icy was almost done brewing.. Its large mouth opened and closed, and a few sneezes were released from its mouth. With several loud bangs, the Fire Phoenix in the air, was knocked down from the sky by that powerful sneeze without the slightest bit of preparation...

#### **Chapter 692: The Adorable Beasts (4)**

As soon as the fire phoenix fell to the ground, the silver wolves that were on standby swarmed up and began to beat up the fire phoenix that was using them as a bargaining chip...

When the Fire Fox couple saw the situation before them, they were stunned for a moment. However, they quickly reacted and joined the army...

In an instant, fiery red feathers flew everywhere, and the painful cries of the Fire Phoenix could be heard from time to time.

“Ah! Save me!” The Fire Phoenix cried out for help for the umpteenth time. Unfortunately, not a single person was willing to help it.

“Uh! Young Lady, that fire phoenix is so pitiful!” Cui Zhu said with some sympathy.

“Being soft-hearted to the enemy is the same as being cruel to yourself. Therefore, we definitely cannot sympathize with it!” Baby said with a calm expression. Although it did not attack this time, it was still cheering!

“Haha! Baby is right!” Leng Ruoxue caressed Baby’s head and said happily.

After an unknown period of time, the cries of the fire phoenix became weaker and weaker, and the beasts were also done fighting. At this time, Icy slowly walked over. When the beasts saw it, they felt that they had to give it space...

“Do you still dare call me a puppy?” Icy looked down from above, its face full of arrogance. It extended a hoof, purposely stepping on the fire phoenix’s wound, feeling extremely discontent inside. Hmph! It would have killed this bird if not for the fact that it was from the Phoenix Clan!

“No, I don’t dare to, Boohoo...” The Fire Phoenix’s face was filled with grievance as it carefully said. This fellow was really too abnormal. Just a few sneezes had caused it to be dazed. Not only that, but it actually didn’t have the strength to retaliate in front of this little dog. At this moment, it also knew that this little dog’s strength was above its own, so it didn’t dare to act rashly!

“Hmph! If you dare to call me a puppy again, I don’t care if you are from the Phoenix Clan, I will still roast and eat all your fur.” Icy threatened.

“No, I don’t dare anymore!” The Fire Phoenix’s fiery red eyes were full of tears, and it said with a face full of fear. Boohoo... It already didn’t have many feathers left on its body, so it didn’t want to become a bald Fire Phoenix.

“At least you know what’s good for you! Little Fengfeng, you can deal with this Little Fire Phoenix however you want! It doesn’t matter if you force yourself on it.” Icy nodded its head in satisfaction, then said to Feng Zhan with a mischievous smile.

“I don’t want to. My standards are very high.” Feng Zhan was terrified to the point of trembling, and it hurriedly said.

“Sigh! Little Feng Feng doesn’t like you! Why don’t I find you another bird?” Icy frowned as it thought.

“No, there’s no need. Thank you for your kind intentions.” The Flame Phoenix said in a depressed manner. It was so scared that its body was trembling. Boohoo... this puppy was too terrifying. It decided that it would stay away from all puppies in the future.

“Hehe, since that’s the case, then I won’t say anything more. In the future, you have to listen to Little Snowy. You have to do whatever she tells you to do. You are not allowed to resist, and you are not allowed to talk back. Otherwise, bear the consequences yourself!” Icy made its request without any hesitation.

“Yes, I understand.” The Fire Phoenix said softly. Boohoo... Even though it did not know who Little Snowy was, it did not dare to disobey the little dog’s words. Its heart was filled with regret. Boohoo... If it had known earlier, why would it leave the clan! Now, not only was it beaten up, it might even become a contract beast of a human! Even though it was extremely unwilling, it did not have any thoughts of resisting under the pressure of that little dog!

“Follow me.” Icy pointed at the Fire Phoenix with its little hooves. After speaking, it walked in front, while the pitiful Flame Phoenix limped behind it obediently.

“Little Snowy, this fire phoenix is yours.” Icy jumped into Leng Ruoxue’s embrace and found a comfortable position to lie down on as it fawned over her.

“I don’t want to.” Leng Ruoxue looked up and down at the fire phoenix that was covered in injuries and looked pitiful. Her beautiful face was filled with disdain.

“Ugh!” The Fire Phoenix, who was lamenting in its heart that it was about to become a contract beast of the human race, heard Leng Ruoxue’s words. Not only did it not feel happy, it felt depressed instead... It was a Phoenix! As a level-eight Transcendent Divine Beasts, the genius of the new generation in the clan, it was actually despised by a small human. How could its proud heart accept this!

“Why?” Icy blinked its beautiful ice blue eyes and asked in confusion. This beast’s strength was not bad! At least it was stronger than that kitten. Why didn’t Little Snowy want it?

“I don’t lack beasts!” Leng Ruoxue said calmly.

“Little Snowy, no one will complain about having too many beasts.” Of course, Icy knew that Little Snowy did not lack beasts. However, if they could contract more, who would complain about having too many beasts! One had to know that beasts were the greatest help in battle!

“Master, if you don’t want to contract it, then let it be my subordinate!” Feng Zhan flew over and spoke with an evil smile on its face. Hehe, taking in a level-eight Transcendent Divine Beast as an errand boy, let’s see if that cat still dares to bully it in the future!

“Little Fengfeng, didn’t you say you were not interested in it!” Icy said meaningfully, its furry little face had a wretched smile.

“Uh! I just want to find an errand girl.” Feng Zhan said somewhat angrily. However, it did not dare to flare up in front of this pervert. Boohoo... this little dog was not someone it could provoke!

“Oh... Little Snowy, since I’ve already given you this Fire Phoenix, you can decide.” Icy intentionally made a long ‘oh’ sound and then calmly said to Leng Ruoxue.

“En, do any of you want to contract this Fire Phoenix?” Leng Ruoxue asked indifferently.

Everyone looked at each other and shook their heads in fear. What a joke! Who would dare to contract a beast that was so strong? Wouldn’t that be finding an ancestor for themselves? So, no matter how strong this beast was, they would still keep a respectful distance because they couldn’t afford it! Moreover, how could they lose a beast if they followed their Miss!

“Oh, looks like no one wants to contract you. Feng Zhan, I’ll give it to you as a subordinate!” Leng Ruoxue said generously.

“Hehe! Thank you, Master!” Feng Zhan said happily.. With a level-eight transcendent divine beast as its subordinate, it would definitely be able to do whatever it wanted in front of that little white cat in the future.

### **Chapter 693: Year Fire Ginseng (1)**

“Little Fire Phoenix, from now on, you’re my subordinate. You have to protect this big brother!” Feng Zhan said to the depressed Fire Phoenix again.

“Yes,” the Fire Phoenix said, a little depressed. Moreover, it was definitely not just depressed. It had originally thought that it would become a contract beast for humans, but it had actually been looked down upon by all the humans present. Boohoo... Even though it was better to be a subordinate to its own kind than to be a contract beast for humans, for some reason, it felt uncomfortable in its heart.

“Alright, from now on, we’re all on the same side. Fire Phoenix, you’re the strongest amongst the beasts but you’re not allowed to bully other beasts.” Leng Ruoxue warned. She was afraid that this proud phoenix wouldn’t be convinced and would bully her cute beasts, so she naturally had to say the ugly words first.

“I understand.” The Fire Phoenix said in an extremely wronged manner. Boohoo... its strength was clearly not the strongest, okay? That little dog was. However, it definitely did not dare to say these words under the threat of Icy’s gaze.

“Let’s go! Can we go out from that side?” Leng Ruoxue pointed to the other side of the passage and asked. If they went back the way they came, it would be a bit far.

“Should be able to.” The Fire Phoenix said with uncertainty. Ever since it occupied this place, it had always been cultivating in the magma pool, not going there.

“Xue Er, let’s go over there and try!” Empty suggested.

“En.” Leng Ruoxue nodded her head. After that, she pulled the two of them to walk side by side at the front. No one else followed closely behind. The few little beasts and the limping Fire Phoenix walked at the back.

“Little Fire Bird, don’t even think about escaping!” Silver Wing, who was following behind the Fire Phoenix, warned.

“I have no intention of escaping!” The Fire Phoenix angrily denied. In fact, it really did have that thought. However, it didn’t dare to implement it because it was very afraid of that little dog. Now that its thoughts had been seen through by that damned pervert, it was furious!

“Hehe! Its injuries are so serious, where can it run to!?” the male fire fox gloated. Seeing this fire phoenix covered in wounds and limping, it was even happier than killing its enemy!

“You’re right.” Silver Wings sized up the Fire Phoenix and then said indifferently, “Hehe! Master didn’t give it any healing medicinal pills, probably afraid that it’ll flee! If its injuries really recover, then it’ll probably be difficult to capture it again!

Leng Ruoxue and the others walked through two passageways and saw the exit. This entrance was much bigger than the one they entered earlier. The two of them could walk out side by side. However, when they got closer, they realized why no one entered or left this entrance. It was because the bottom of the entrance was made up of endless fiery red magma and a sea of fire. The scorching temperature inside was something even fire attribute beasts could not withstand.

“Little Fire Phoenix, how nice this place is! Tell me, why are you fighting over territory with the Fire Fox?!” Feng Zhan said with a grin. Uh! It was too hot here, and it could barely stand it.

“If you like it, you can stay here.” The fire phoenix rolled its eyes at Feng Zhan and angrily said. Forget about the fact that it had not discovered this place back then. Even if it had seen it, it would not have chosen this place. Other than the heat, there was basically not much fire attribute spiritual aura here. Only a fool would like this place!

“Stop arguing, think about how to get out!” Leng Ruoxue said with a headache. Sigh! If she had known this would happen, she would have gone back the way she came! It was stuffy and hot here, the air had evaporated, how could she still see the spiritual aura!

“Master, let Little Fire Phoenix take us up there.” Feng Zhan suggested. Even though it was hot here, it was still bearable for the Fire Phoenix Clan. Moreover, the Fire Phoenix’s strength was high, so it naturally had to do the manual labor!

“En.” Leng Ruoxue nodded. Then, she put her grandfather and the rest of the beastmen into her bracelet, leaving only the monster, Wu, Icy and Feng Zhan outside.

“Eh! What about them?” The fire phoenix asked in surprise when it saw the others and the beast disappeared in front of it.

“Bring us out!” Leng Ruoxue instructed, not answering the Fire Phoenix’s question.

“Yes!” The Fire Phoenix indicated for Leng Ruoxue and the other two beasts to sit on its back. Then, it flapped its wings and flew high up, leaving the cave. However, its heart was constantly thinking about the whereabouts of those people and beasts that had disappeared.

After flying to a safe place, the Fire Phoenix descended while Leng Ruoxue and the others immediately jumped off its back. After that, she moved Grandfather and the others out from the bracelet...

When the Fire Phoenix saw all of this, its face was filled with disbelief. However, it did not ask anything else. However, it could not help but think in its heart, Uh! It seemed that this human had many secrets!

“Xue’er, where is this place?” Leng Qingtian looked at the bare hill in front of him and asked in confusion. Was this still the Fiery Mountain? It didn’t seem as hot as before.

“This is the place?” Leng Ruoxue looked at the scenery in front of her and shook her head. She didn’t know where they were either. At this moment, they were on a hill and there were roads on both sides. She didn’t know where they led to.

“Miss, this should be the southernmost area of Fiery Mountain. This place is already very far from the center of the Fiery Mountain, so it’s not that hot anymore.” The male fire fox carefully observed the terrain, then opened his mouth to speak. Those pink eyes were filled with admiration for Leng Ruoxue. That was because it never thought that this human woman would actually have such a beautiful space even in its dreams. The spirit qi inside was simply not something any place in the Vast Heaven Continent could compare to. And this made it even more determined. It wanted to follow their determination.

“Oh!” Leng Ruoxue nodded. Before she could figure out which direction to go, she saw a group of people coming from the left.

There were about thirty people in this group. The one leading them was a middle-aged man with ordinary facial features and a pair of extremely bright eyes. He gave off an extraordinary presence and possessed the strength of a Mystic Sovereign. Not only that, most of these people were actually Mystic Sovereign. Only a small portion were Mystic Monarchs.

“Are you also here to look for the fire ginseng?” After seeing Leng Ruoxue and the others, the middle-aged man in the lead asked enthusiastically.

“That’s right!” Leng Ruoxue’s gaze collided with the freak’s.. After that, she faintly replied, even though she had no idea where the Fire Ginseng was!

## **Chapter 694: Nian Fire Ginseng (2)**

“Haha! Since fate has brought us together, why don’t we go together!” The middle-aged man said straightforwardly and extended an invitation to Leng Ruoxue and the others.

“Uncle, their strength is so low. If we bring them along, they’ll be a burden to us.” As soon as the middle-aged man finished speaking, someone immediately became displeased.

Leng Ruoxue raised her beautiful eyes and sized up the woman who spoke. She smiled lightly and said, “Thank you for your kind intentions. Since you’re afraid we’ll drag you down, then let’s go our separate ways!”

“Hmph! At least you know what’s good for you!” the woman said proudly.

“Uh! I’m really sorry. I originally thought that the more people there were, the stronger I would be. I didn’t expect...” the middle-aged man said a little embarrassedly. He only spoke halfway before fiercely glaring at the woman who called him uncle!

“It doesn’t matter,” Leng Ruoxue said with some disapproval. However, she was thinking about how to get the ginseng out of their mouths. After all, Qing Jue had given her a mission just now, telling her to get the ginseng. Sigh! If only the baby was here. That way, even if she didn’t ask, she would know what she wanted.

“Then we’ll take our leave.” The middle-aged man said somewhat embarrassedly. Then, he led the group past Leng Ruoxue and the others and headed towards the depths.

“Xue’er, are you following them?” Empty asked softly. He knew that Xue’er was probably interested in the fire ginseng.

“En.” Leng Ruoxue nodded. Since she didn’t have a chance to get information out of him, she decided to follow behind them to where the Fire Ginseng might appear.

Seeing Leng Ruoxue nod her head, everyone followed readily behind that group of people, heading deeper into the mountain...

After walking for about an hour, Leng Ruoxue and the others arrived at a cave that was half a person tall. This seemed to be their destination because there were already many people gathered there.

“Hey! Why are you all so shameless? Why are you following us?” The woman was no longer calm after seeing Leng Ruoxue and the others.

“What a joke. Does the road belong to your family? Only you can walk, but we can’t? Besides, there are so many people here. Did they all follow you here?” Feng Da questioned with a face full of disdain.

“Mei’er, shut up!” The middle-aged man growled in anger. Sigh! This niece of his was really too insensible. There were so many people here, how could she have the right to speak!

“Miss Liu, we arrived here first!” At this moment, a young man said with a faint smile. However, his gaze could not help but drift to Leng Ruoxue. The reason why he said this was to give Leng Ruoxue a good impression.

“Haha! Miss Liu, heavenly treasures don’t belong to whoever gets there first.” Another person echoed.

“You guys...” Everyone’s strange gazes made Liu Mei’s beautiful face turn red.

“It’s all your fault! I really don’t know how you seduced them, to actually make them stand on your side!” Liu Mei raged with jealousy, her face full of anger as she pointed the spearhead at Leng Ruoxue.

Hearing Liu Mei’s words, Leng Ruoxue was depressed. Sigh! What did this have to do with her? Did she get shot while lying down? Women who were burning with jealousy were indeed unreasonable, but this was the first time she had seen this woman! So, she really couldn’t understand why this woman was so hostile towards her!

Suddenly, “Pa!” Lü Tao slapped Liu Mei’s face, making her dumbfounded.

“How can you slander my young miss? You really don’t know what’s good for you.” Peach roared in anger, fully displaying her hidden lion-like qualities.

“My dear Lü Tao, does it hurt? You can just kill this kind of woman directly. Why do you have to do it yourself!” Feng Da took Lü Tao’s fair and tender hand and gently blew on it, then said with a face full of heartache.

“That’s true!” Lü Tao nodded in agreement.

“Everyone, I’m really sorry. It’s all my fault for not disciplining her properly. Please let Mei’er off on my account!” The middle-aged man hurriedly pleaded. Even though this niece of his was quite annoying sometimes, he couldn’t just watch as these people killed Mei’er right in front of him!

“Uncle! They’re just some great mystic cultivators. Why are you begging them? I don’t believe they’d dare to kill me.” Liu Mei snapped out of her daze. When she saw her uncle begging Leng Ruoxue and the others, she instantly felt upset. She couldn’t care less about the burning pain on her face and directly shouted.

“Shut your mouth!” The middle-aged man roared in anger. She really was a blind person. If these people didn’t have any backing, would they dare come here to look for the Fire Ginseng?

“Looks like your niece doesn’t appreciate your kindness!” Leng Ruoxue smiled and said to the middle-aged man.

“I am truly sorry. Please give me some face and don’t lower yourself to her level. She has been spoiled by my brother.” The middle-aged man said in a very humble manner.

“I’m best at educating the daughters of spoiled, arrogant daughters. Do you want me to help you train her?” Leng Ruoxue said sincerely. Oh, she really wanted to help!

“Uh! There’s no need. It’s fine as long as you don’t mind her lack of manners.” The middle-aged man hurriedly said. Then, he wiped the cold sweat off his forehead without leaving a trace. He couldn’t help

but feel nervous. The people around you are all so fierce. If Mei'er really fell into your hands, that would be great!

"I'm sorry, I'm being calculative!" Leng Ruoxue said coldly. Then, she pulled the demon to a secluded spot and sat down.

"Ugh!" The middle-aged man was speechless. He didn't expect that the other party wouldn't even give him face. Sigh!

"Xue'er, why didn't you let me take action just now!" After sitting down, the freak pulled Xue'er into his embrace and unhappily said. He had originally wanted to teach that woman a lesson, but he was stopped by a look from Xue'er.

"Now is not the time yet. It would not be too late to teach her a lesson if she is still alive after we obtain the Fire Ginseng." Leng Ruoxue said with a wicked smile. It was just an insignificant woman and she did not put her in her eyes at all. However, if they killed Liu Mei in public, even if the middle-aged man did not want to be their enemy, it would be impossible.. Furthermore, this would expose their true strength. This would be very disadvantageous for them who were pretending to be weak to snatch the Fire Ginseng!

### **Chapter 695: Nian Fire Ginseng (3)**

"Alright. Once we obtain the Fire Ginseng, we will kill that Liu Mei." The freak gritted his teeth. Hmph! She had to be prepared to die since she dared to humiliate Xue'er.

"Xue'er, these teams aren't weak. There are a few teams that seem to be determined to obtain the Fire Ginseng." Empty led everyone over and sat down beside Leng Ruoxue as he whispered.

"No, I must get the Fire Ginseng!" Leng Ruoxue reminded.

"Why?" Empty asked in puzzlement. Xue'er had so many natural treasures, so she shouldn't lack a fire ginseng, right?

"Head Butler Qing Jue gave me a mission! He said that he doesn't have any fire ginseng in his herbs." Leng Ruoxue said helplessly.

"Oh, that's true!" Empty nodded his head. He was very clear about Qing Jue's herbalism.

"Miss, the tent is ready. Shall we prepare dinner?" Feng Da suddenly asked at that time.

"Yes, I'm going to rest for a while." Leng Ruoxue nodded her head before entering the tent.

"Xue'er, do you have another plan?" The demon also came in and asked with a mischievous smile.

"Hehe, just now Qing Jue told me that the fire ginseng is in the cave. Let's go in and take it out." Leng Ruoxue laughed lightly. Then, she summoned Ling Tian and instructed him to cast an invisibility spell on them. The two of them then swaggered into the cave.

One couldn't even see their own fingers inside the cave. Leng Ruoxue and the freak held hands as they slowly walked inside...

“Master, do you want me to light a small flame?” Feng Zhan, who was standing on Leng Ruoxue’s shoulder, asked softly.

“No need, don’t alert the guardian beast inside,” Leng Ruoxue said. Sigh! Who knows what kind of guardian beast was inside, causing the people outside to not dare to enter. Qing Jue also had a serious expression.

“Oh!” Feng Zhan responded softly and didn’t say anything else to avoid alerting the enemy.

As Leng Ruoxue and the freak walked on, they realized the fog was getting thicker and thicker. Moreover, there was poison in the fog.

Leng Ruoxue quickly took out three Detoxification Pills from her bracelet and gave one each to the freak and Feng Zhan. She also took one herself, then the three of them continued to walk inside.

Suddenly, “dong!” Leng Ruoxue kicked something. She subconsciously looked down and realized it was a bone of some unknown creature. Moreover, it wasn’t just a bone on the ground...

“Xue’er, be careful.” The freak hugged Xue’er’s waist tightly and reminded.

“En.” Leng Ruoxue suppressed the feeling of nausea and continued to walk in with the demon.

Finally, after walking for an unknown period of time, the two of them arrived at a spacious stone chamber.

The stone chamber before them was so clean that not a single speck of dust could be seen. On top of that, there were no traces of humans living in it at all. Other than a pool, there was nothing else in the stone chamber.

The two of them came to the side of the pool and saw that it was filled with fiery red crystals. In the middle of the crystals was a palm-sized fire ginseng. At this moment, the small leaves of the fire ginseng were trembling non-stop. It was unknown if it was because of the wind or because of fear!

Leng Ruoxue looked at the cute little fire ginseng and couldn’t help but reach out to touch its leaves. However, she was stopped by the freak!

“Be careful! We don’t know where the guardian beast is hiding!” the freak said cautiously as his bright eyes searched the empty stone room.

“Master, this little fellow is afraid!” Feng Zhan carefully observed the little fire ginseng before speaking with extreme certainty.

“Scared? Could it be that it already has intelligence?” Leng Ruoxue guessed with a face full of suspicion. If it really had a spirit, then she could not let this Fire Ginseng stay here.

After thinking for a while, Leng Ruoxue directly asked, “Little Fire Ginseng, if you can understand my words, shake your leaves!”

As soon as Leng Ruoxue finished speaking, the cute leaves of the fire ginseng started to shake violently, as if afraid she would not understand.

“Uh! It seems that it really has intelligence!” Leng Ruoxue said with joy. A fire ginseng that could produce intelligence, even if it wasn’t ten thousand years old, it would be several thousand years old.

“Sister, don’t eat me!” At this time, a childish voice sounded in Leng Ruoxue’s ears.

“Don’t worry, I won’t eat you. I’m here to help you.” Leng Ruoxue quickly comforted.

“Really? Sister is a good person,” the childish voice said happily.

“You idiot, how many times have I told you not to trust humans so easily?!” A slightly louder childish voice roared with a hint of disappointment.

“Uh! There are good humans too.” Leng Ruoxue couldn’t help but defend the humans. Sigh! Could it be that he’s another young nationalist?!

“Hmph! How can we believe the words of a human?” The childish voice said stubbornly. It was obvious that it did not have a good impression of a human!

“Little Flame, I believe this sister is a good person,” The childish voice said with slight grievance.

“In your eyes, is there anything bad?” The Little Flame roared furiously.

“Boohoo...”

“Uh! Don’t cry! Little Fire Ginseng, is Little Flame your guardian beast?” Leng Ruoxue coaxed helplessly. Sigh! This isn’t another crybaby!

“Yes, I’m too stupid. Little Flame has been the one protecting me,” The little fire ginseng said somewhat embarrassedly. Its small leaves shook again.

“Humph! You also know that you’re stupid!” Little Flame roared through gritted teeth.

“Boohoo... Little Flame is so fierce!” The little fire ginseng felt extremely wronged, and its leaves trembled even more violently.

“Little Flame, where are you? Come out and let’s talk.” Leng Ruoxue helplessly said to Little Flame when she saw the two little guys fighting again.

“Human, I’m here!” A fiery red transparent little head popped out from the middle of the pool’s crystal stone just as Little Flame’s voice fell. A pair of similarly fiery red eyes stared fixedly at Leng Ruoxue.

“You’re Little Flame?” Leng Ruoxue said in disbelief. This Little Flame was a small snake! However, this small snake was a little too beautiful! Its entire body was fiery red in a transparent shape. It looked like a glass type jade, sparkling and translucent. Moreover, it was small and exquisite.. No matter how one looked at it, it looked cute.

#### **Chapter 696: Nian Fire Ginseng (4)**

“En, I’m this stupid fire ginseng’s Companion Beast!” Little Flame said with slight dissatisfaction. Even though it didn’t know how these two people broke through the poisonous fog it set up and entered this

stone room, since these two people could enter, then they probably could only surrender. Who asked it to promise that stupid fire ginseng!

"I'm not stupid! Boohoo..." Before Leng Ruoxue could say anything, she saw a fat child suddenly appear in front of her and the freak and rebutted Little Flame's words. Boohoo... He could call himself stupid but not Little Flame.

This fat child was about a year old. He was a little clumsy, fair and fat. He had a pair of big eyes that were as bright as black grapes. His long eyelashes were like two small fans that protected his clear eyes in the middle. He was only wearing a red bellyband and had a small braid on his head. He looked very likable.

"You are..." Leng Ruoxue looked at the fat baby in front of her and was extremely happy. However, she was not sure if this was the legendary Ginseng Baby. If this little baby was a little fire ginseng, wouldn't he be ten thousand years old?

"Sister, I'm a small fire ginseng," The chubby baby said in a childish voice. Oh, he liked the smell on this sister's body. It made him want to get close to her.

"Haha! Little Fire Ginseng is so cute." Leng Ruoxue couldn't help but pick up the chubby baby and said happily. Oh! This little fellow is as white and fat as Qing Jue. However, Qing Jue is too serious, while this little fellow is as pure as a piece of white paper, hehe!

Leng Ruoxue couldn't help but touch and pinch this cute little guy.

"Xue'er!" The freak softly said with slight dissatisfaction. His dark starry eyes were filled with resentment.

"Eh! Hehe!" Leng Ruoxue laughed awkwardly. Then, she stopped eating its tofu and said seductively, "Little Fire Ginseng, it's not safe here. You'll be discovered at any time. Why don't you leave with me!"

After Leng Ruoxue finished speaking like a big bad wolf trying to abduct Little Red Riding Hood, she stopped talking and waited quietly for the little guy to make a decision...

After hearing Leng Ruoxue's words, Little Fire Ginseng's eyes met with the little red snake's. They looked at each other, then nodded their cute little heads and said, "I believe Sister is a good person. I'm willing to leave this place with Elder Sister."

"Woman, you are not allowed to bully the little Fire Ginseng, and you are not allowed to eat it!" Little Red Snake warned with a sharp gaze after hearing the little Fire Ginseng's words. Hmph! Even though its strength was not high, the poison in its body could even poison a Mystic Supremacy to death.

"Eh! How could Big Sister bear to eat such a cute little doll!" Two drops of cold sweat dripped down Leng Ruoxue's forehead as she speechlessly said. However, she quite admired the Little Red Snake's protective behavior.

"Hmph! It's best if you don't. Remember what you said! Otherwise, I won't let you off even if I die," said the little red snake fiercely. Then, it showed its sharp fangs in a show of force to prove that what it said was true.

“Haha, I love cute little animals and little children the most.” Leng Ruoxue handed the little fire ginseng to the freak, then lifted the little red snake with her hand and guaranteed.

Actually, she did not really like snakes. However, this little snake was so beautiful that it was impossible not to love it.

Looking at the sparkling and translucent fiery red snake, Leng Ruoxue couldn't help but reach out a finger to stroke the snake's body. It was cool and soft, it felt good to touch!

“Woman, don't touch me!” Little Red Snake growled shyly, as if its entire body was on fire.

“Eh!” Leng Ruoxue's hand trembled and two black lines appeared on her forehead. Could it be that snakes were also shy? And this little snake was obviously shy.

“Haha! Elder Sister, Little Fire Ginseng is embarrassed,” the Little Fire Ginseng said very honestly. However, it received a big eye roll from Little Red Snake.

“Oh, haha! Elder Sister will bring you to a good place!” Leng Ruoxue saw that the little fellow was really shy, so she kindly stopped teasing them.

“What kind of good place?” the Little Fire Ginseng asked curiously.

“You'll know when you get there. You'll definitely like it there.” Leng Ruoxue said with a mysterious expression. After that, with a thought, she brought the freak and the three little guys into the bracelet.

After entering the bracelet, the little fire ginseng and the little red snake looked at everything in front of them with their mouths agape. They blinked their eyes hard. After confirming that everything in front of them was not an illusion, they all stared at Leng Ruoxue in disbelief and said in unison, “Where is this?”

“Hehe! Welcome our new members!” Before Leng Ruoxue could reply, Qing Jue appeared in front of them. The little black dog and Huo'er also appeared with him.

“You... Ah! You're also a sprite!” The little fire ginseng stared with its big bright eyes and said with a face full of surprise. Even though it could not tell what the little baby and the little black dog, which were about the same size as itself, were, it could tell at a glance that the little red kitten was also a sprite!

“Yes, yes, I am Mommy's darling. My name is Huo'er,” Huo'er said proudly. Then, she jumped into Leng Ruoxue's arms and rubbed against her affectionately.

“Ah! Elder Sister is your mother? But, Sister is clearly a human!” The little fire ginseng blinked its big eyes, its cute little face full of question marks.

“That's right! She's my mother. The first person I saw when I opened my eyes was her,” Little Flame said proudly.

“You are so lucky,” said the Little Fire Ginseng enviously. He knew that his sister was a good person.

“Stupid fire ginseng, you're looking down on me!” The Little Red Snake was unhappy upon hearing the little fire ginseng's words. This was because the first creature it saw when it opened its eyes was it.

“No, no! Little Flame is the best!” the Little Fire Ginseng hurriedly said.

“Hmph! At least you know your place!” Little Red Snake said arrogantly.

“Haha! The two of you are so cute. By the way, Little Fire Ginseng, how did you get discovered?” Leng Ruoxue asked in confusion. Since Little Fire Ginseng had a Companion Beast and had cultivated to human form, logically speaking, it shouldn’t be discovered!

“It’s all this fool’s fault. He went to save someone out of the goodness of his heart, but his good intentions were not rewarded.. He was targeted,” said Little Red Snake angrily.

### **Chapter 697: Expensive Entry Fees (1)**

“Uh!” After Leng Ruoxue heard Little Red Snake’s words, her gaze turned towards the depressed Little Fire Ginseng.

“Not long ago, someone broke into the cave and was injured by the poisonous fog. I gave him a ginseng root and he promised us that he wouldn’t reveal our whereabouts. However, I didn’t expect...” The little fire ginseng explained, but its voice became softer and softer.

“Idiot! How can you believe the words of a human?!” Little Flame roared angrily, its face full of disappointment.

“There are good humans too. Elder Sister is one!” Little Fire Ginseng explained softly.

“Of course there are good people among humans, but the problem is, Little Fire Ginseng, your temptation towards humans is too great, so...” Leng Ruoxue stopped halfway, she believed Little Fire Ginseng would understand.

“Sister, I know my own value. I don’t dare to be nosy anymore. Hehe, can we live here in the future?” Little Fire Ginseng asked expectantly.

“Of course. From now on, this will be your home.” Leng Ruoxue looked at the sensible little fire ginseng and said with heartache.

“Thank you, Sister,” the Little Fire Ginseng said happily.

“Woman, I can also live here?” Little Red Snake could not help but confirm.

“Yes.” Leng Ruoxue nodded. Since this little red snake was the Little Fire Ginseng’s Companion Beast, it definitely wouldn’t be willing to part with it.

“Thank you, woman. Those Flame Crystals outside are good stuff. Don’t forget to take them,” reminded Little Red Snake.

“Okay.” Leng Ruoxue nodded.

“Hehe, little snake, I was wondering why there weren’t any Flame Crystals in such a huge volcano. So it was you guys who collected them. Oh right, do you have the Flame Crystal Core?” At this moment, Feng Zhan who was on Leng Ruoxue’s shoulder asked.

“Yes, there’s one. It’s buried under those Fire Crystals!” Little Red Snake nodded and said.

“Hehe! This is really great.” Feng Zhan said happily. Master’s luck was really good. She actually found another Fire Crystal Core.

“Qing Jue, bring the two little ones around. I’m going out first,” Leng Ruoxue instructed. After speaking, she brought the freak out of the bracelet.

After the two of them left the bracelet, they stored all the Flame Crystals in the pool into the bracelet. They then walked back the way they came. At this time, the teams outside the cave had already started to eat dinner. Feng Da and the others had also finished preparing dinner and were waiting for Leng Ruoxue and the freak.

Leng Ruoxue and the freak returned to the tent and removed their invisibility. Empty’s voice suddenly sounded behind them, “Where did you guys go?”

“We went to look for the fire ginseng.” Leng Ruoxue smiled.

“You two baddies, you went to look for the fire ginseng but didn’t call me along!” Empty said with a bitter face.

“Hehe, isn’t it inconvenient? There are so many people outside. If the three of us enter the same tent and don’t leave for a long time, there might be rumors spreading.” Leng Ruoxue helplessly said.

“What’s there to be afraid of? If anyone dares to say anything, just kill them!” Empty said indifferently. Hmph! He didn’t care about those people outside at all.

“Ugh!” Cold sweat dripped down Leng Ruoxue’s forehead, he was getting more and more violent.

“Xue’er, have you found the Fire Ginseng?” Empty continued to ask.

“En.” Leng Ruoxue nodded happily.

“Where is it? Let me take a look. I heard from the people outside that the fire ginseng seems to have developed intelligence.” Empty said with a face full of excitement and swept away his previous resentment.

“Empty! It’s not like you haven’t seen a sprite before. Is there a need to be so excited?” The freak said helplessly.

“Uh! I’ve never seen a Fire Ginseng before!” Empty said matter-of-factly.

“Oh, here you go!” Leng Ruoxue smiled wickedly as she moved the little Fire Ginseng out of the bracelet and into Empty’s arms.

“Xue’er, what’s this? What I want to see is a fire ginseng. Why did you give me a child!?” Empty said in shock. Boohoo... He did not know how to carry a child! Empty did not know how to let go looking at the innocent child in his arms.

“You guys look like father and son,” the freak teased when he saw Empty panicking.

“Which family is this child from? Don’t tell me you guys gave birth to him? Isn’t this speed a little too fast?” Empty didn’t want to be outdone and retorted hearing the freak’s teasing. Hmph! He couldn’t

watch him make a fool of himself, but the little child in her arms was too soft and tender! He didn't even dare to use too much strength!

"Unfortunately, we didn't give birth to him," the freak said with a face full of pity.

"Could it be that you kidnapped him?" Empty guessed. Oh! It was very possible!

"Sister is a good person, I left with her willingly," Little Fire Ginseng couldn't help defending Leng Ruoxue.

"Oh!" Empty looked at Leng Ruoxue with a strange expression, feeling even more admiration for her.

"He's that fire ginseng," Leng Ruoxue explained. Sigh! She didn't want Empty to think too much.

"Ah! Doesn't that mean you are at least ten thousand years?" Empty said in surprise.

"En." The small Fire Ginseng nodded. Actually, it was more than ten thousand years old!

"Haha! Xue'er, your luck is so good that there's nothing to say about it!" Empty said enviously. Sigh! He really did not know what to say.

"En, let's go out first!" Leng Ruoxue reminded. Everyone was waiting outside!

"Okay." Wu Jiu returned the baby to Leng Ruoxue and said.

Leng Ruoxue placed the little fire ginseng back into her bracelet and the three of them walked out of the tent.

"Miss, it's time to eat." Feng Da quickly shouted after seeing Leng Ruoxue and the other two.

"En." Leng Ruoxue and the other two walked to the dining table and sat down. However, they felt many strange gazes on them.

"Hey, I'll pay you guys. Sell your food to me!" Leng Ruoxue had just picked up a piece of roasted meat that was golden and fragrant. She heard an unruly and overbearing voice before she could put it into her mouth.

"I'm sorry, our food isn't for sale." Leng Ruoxue lightly raised her beautiful eyes and looked at the young woman standing in front of them with an arrogant expression.

"Dammit! Do you know who I am? I'm willing to buy your food because I think highly of you, so don't fail to appreciate my kindness!" The woman was livid with rage, and she roared at the top of her lungs.

## **Chapter 698: Expensive Entry Fees (2)**

"I don't need you to think highly of me," Leng Ruoxue said calmly. Sigh! I really don't understand why people always like to say, "Do you know who I am?"

"You... don't refuse the face that is given to you!" The woman's face was filled with anger as she continued to speak.

“Fuck off!” Suddenly, Fire Phoenix who was silently eating roasted meat at the side roared with a displeased expression. After that, she spat out a mouthful of Southern Spirit Flame at the woman without the slightest trace of politeness, and the woman’s body instantly burned with flames....

“Ah! Help!” Seeing that her body was on fire, the woman was so frightened that she hurriedly asked for help. Her teammates saw this and hurriedly came forward to help put out the fire. However, no matter what they did, they were unable to put out the fire, and the woman’s cries for help grew louder and louder!

“Don’t be so violent!” Seeing that, Leng Ruoxue lightly smiled, then threw out a big water ball. Instantly, with a ‘huala’sound, the water ball hit the woman, and the flames on her body coincidentally extinguished...

After the fire was put out, the frightened woman stood rooted to the ground in a daze. She did not realize that her entire body had turned red. When she came back to her senses, she suddenly realized that everyone was looking at her strangely. At the same time, she realized that she was naked...

“Ah!” The woman ran into her tent and refused to come out.

You’re much more violent than me! After that woman ran away, the Fire Phoenix couldn’t help but feel uneasy in its heart. Actually, its flames just now were just to scare that woman. Even if it didn’t extinguish her flames, she wouldn’t die, and after extinguishing her flames, she would definitely be exposed. Hehe!

After Leng Ruoxue and the others killed the chicken to warn the monkeys, those who originally had the same thoughts as the woman no longer dared to step forward. Instead, they resigned themselves to their fate and began to eat the rations they brought. However, their hearts were bleeding. Wuu... they were all camping, but why was it that others could only eat hot food while they could only eat dry rations? This was too unfair.

“After eating, everyone should rest early!” Leng Ruoxue ignored everyone’s gazes and calmly said to Feng Da and the rest.

“Yes, yes.” Feng Da and the others nodded.

After dinner, Leng Ruoxue and the others returned to their tents, while the Fire Fox couple volunteered to keep watch.

The next morning.

The moment Leng Ruoxue and the freak came out of the tent, they felt a gaze filled with hatred.

“Xue’er, looks like someone is seeking death.” The freak glanced at the lady who had left yesterday and laughed softly.

“En, I don’t mind them fighting each other.” Leng Ruoxue said indifferently. Her beautiful eyes lightly swept across everyone present. Hmph! If these people were too greedy, then next year’s day would be their death anniversary. Yesterday, she had already understood from the little red snake’s mouth that after they left the cave, the poisonous fog that had gathered in the cave would automatically disperse.

After one night, the poisonous fog would most likely be gone. And once these people found out about the situation inside, they would probably lose their minds and rush in.

“Miss, breakfast is ready.” At this time, Feng Da walked over and reminded her.

“En.” Leng Ruoxue pulled the freak to the table and sat down. Just as she took a few mouthfuls of porridge, she suddenly heard someone shouting...

“The poisonous fog has dissipated!”

When everyone heard that, they couldn't care less about the rations in their hands and quickly stood up excitedly. Only Leng Ruoxue and the others were still calmly eating the food in their hands.

“You really are an idiot. You shouted so loudly. Doesn't that mean everyone knows?” said the Fire Phoenix who was eating with a face full of disdain.

“Even if he doesn't call out, others will still know.” Leng Ruoxue understood. There were so many people here, yet there was only one entrance. It was impossible to avoid others entering, unless they could also hide themselves.

“Didn't you guys also want the Fire Ginseng? Why aren't you going in?” Suddenly, Liu Mei's voice sounded.

“Are you blind? We are having breakfast. Can't you see that?” Feng Da said unhappily.

“Hehe, we don't need to trouble Miss Liu. However, if you don't go in and your team obtains the Fire Ginseng, you won't have anything to do with it,” Leng Ruoxue reminded. From the corner of her eye, she could already see several teams enter the cave, including Liu Mei's team.

“Hmph! We'll definitely get the Fire Ginseng,” Liu Mei said confidently. With that said, she followed her team into the cave.

“Miss, why don't we just kill her?” Feng Da made a throat-slitting gesture and said. That woman was really annoying. She always wanted to find trouble with his Miss. He really didn't know how his Miss had offended her.

“Feng Da! We are law-abiding children, how can we just casually kill people! Furthermore, even if we don't make a move, she might not be able to leave this place alive!” Leng Ruoxue said sincerely. Oh! We cannot develop a bad habit of killing people.

“Uh!” Two drops of cold sweat dripped down from Feng Da's forehead. He thought to himself, “Is there a law in this world? Which law isn't determined by the strong? After all, this is a world where the strong reign supreme!”

“Miss, are we going in later?” The male fire fox couldn't help but snicker when he saw Feng Da being humiliated. Then, he asked curiously.

“Eat first. Food is the most important thing for the people. Nothing is more important than food!” Leng Ruoxue half ordered.

“Yes,” replied the male fire fox. Then, he started eating the roasted meat in front of him.

After breakfast, more than half an hour had passed. At this time, only their team was left outside the cave.

Seeing that there was no one around, Leng Ruoxue willed everyone and the beast into her bracelet.

“Sister!” Feeling Leng Ruoxue’s little fire ginseng, she ran over with her chubby little legs and threw herself into Leng Ruoxue’s arms.

“Xue’er, whose child is this?” Leng Qingtian widened his eyes and asked in disbelief. When did the space have another baby?

“Haha! Grandfather, he’s the Fire Ginseng! From now on, he’ll be called Sen Sen,” Leng Ruoxue explained with a smile. She hadn’t even had the chance to report to her grandfather and the others that she had abducted the Fire Ginseng!

### **Chapter 699: Expensive Entry Fee (3)**

“Miss, you are too awesome.” Feng Da said with a face full of admiration. His admiration for his Miss was like the endless waves of a river!

“Could this be the legendary Ginseng Baby? It’s really too cute. Come, let Big Brother hug it.” Leng Ruohan’s handsome face was full of love as he said and took the small Fire Ginseng from Leng Ruoxue’s hands.

“The smell on Big Brother’s body is also very nice,” the Little Fire Ginseng said sweetly. His cute little appearance quickly won everyone’s affection and love.

“Come, let grandpa hug you too!” Leng Qingtian also started fighting with his grandson.

When Leng Qingtian was done hugging them, Feng Da and the others started fighting for more...

“Little Fire Fox, do you have a name?” Leng Ruoxue saw that everyone was fighting to contact Little Fire Ginseng, so she turned her gaze to the Fire Fox couple and asked.

“Miss, we don’t have a name.” The Fire Fox couple looked at each other and said in unison.

“Oh! Then the male fire fox will be called Huo Yan from now on, and the female fire fox will be called Huo Xi from now on!” Leng Ruoxue thought for a while and said. She couldn’t call them all Little Fire! She already had a Little Fire, and with the addition of the Little Fire Ginseng, she also called that little red snake Little Flame. Uh! If there were too many Little Fires, she wouldn’t know who she would be addressing.

“Thank you for granting us a name, Young Miss!” The two fire foxes happily said.

“Woman, I don’t have a name either.” Little Red Snake crawled onto Leng Ruoxue’s wrist and said with a bitter expression.

“Uh! Aren’t you called Little Flame?!” Leng Ruoxue said with a slight headache. Boohoo... it was tiring to come up with a name. Moreover, she felt it was quite good to have one Little Fire and one Little Flame.

“Can that be considered a name? I don’t care. You have to give me a nice name,” said the little red snake domineeringly.

“Why don’t we call you Fire Ball?” Leng Ruoxue probed. Uh... she really couldn’t think of anything else.

“I don’t look like a ball!” The little red snake glared at him with displeasure.

“I think it’s better to call it hotpot.” The freak said lightly.

When Leng Ruoxue heard the freak’s words, a few black lines rolled down her forehead. She secretly laughed to herself. Who would call a beast a hotpot! Hehe!

“No!” Little Red Snake frowned and objected. The name was really unpleasant even though it did not know what hotpot was!

“Uh! You should call yourself Little Flame for now! I’ll change it when I think of a good name,” Leng Ruoxue suggested. This little fellow was too hard to serve, so she had to coax him!

“Alright then!” The Little Red Snake nodded in dissatisfaction.

“Sister, I don’t have a name either!” The Little Fire Fox, who had been lying in its mother’s arms, whispered.

“Aren’t you called Little Fox! That’s a nice name.” Leng Ruoxue hurriedly cajoled. Boohoo... The heavens can judge. She really didn’t want to give names anymore. It was even more tiring than cultivating a profound technique.

“Oh!” The little fire fox nodded obediently and stopped making things difficult for Leng Ruoxue.

Leng Ruoxue felt a little guilty seeing how sensible the little fire fox was. However, she quickly turned her gaze to the fire phoenix and asked, “Little fire phoenix, you should have a name!”

The Fire Phoenix, who was looking around and sizing up the surroundings, nodded and said after hearing Leng Ruoxue, “My name is Feng Miao!”

After it finished speaking, it continued to size her up and was secretly shocked!

On this side, Feng Miao and the other beasts were busy touring the space while Leng Qingtian and the others were all fighting to carry the little fire ginseng. Leng Ruoxue couldn’t help but shake her head helplessly when she saw this, then she said to the freak and Empty, “Let’s go out and take a look!”

“Mm.” The two nodded, and the three of them left the bracelet.

After leaving the bracelet, the three of them entered the cave.

The light in the cave was still dim. Even though the fog had dissipated, the smell of blood filled the entire cave...

Leng Ruoxue covered her nose and hung on the freak’s arm. The three of them arrived at the stone room where the little fire ginseng used to live.

In the stone room, other than the corpse on the ground, there was no one else breathing. It could be seen how intense the battle was not long ago, especially the pool where the little Fire Ginseng was

planted. It was packed with people. Unfortunately, the person who obtained the little Fire Ginseng in the end also died because he was too heavily injured. However, before he died, his hand was still tightly holding the half of the little Fire Ginseng that didn't have much use...

"Truly, humans die for wealth, birds die for food!" Leng Ruoxue couldn't help but sigh. Sigh! If it wasn't for their greed, these people wouldn't have all died here. Unfortunately, the little Fire Ginseng had already given birth to a sprite, and its true essence was all in the little Fire Ginseng's body. So, that old Fire Ginseng didn't have much use anymore. I wonder if those people would die aggrieved if they found out that what they were snatching over was useless!

"Xue'er, is this Liu Mei?" Empty who was wandering around suddenly asked.

"En." Leng Ruoxue and the freak came to the side of Empty. They looked at the woman who was lying on the ground with her face almost completely disfigured and nodded. Oh! She was right. This Liu Mei did not survive.

"It seems like these dogs are quite fierce!" the freak said in a good mood. The woman who had humiliated Xue'er had died, which saved him a lot of trouble.

The three of them looked around casually and found another familiar corpse not far away. It was the woman who was burned red by Feng Miao's flames.

"Xue'er, looks like we don't need to do anything." Empty smiled and said. Oh! The charm of the fire ginseng is really not small!

"Yes, we can leave now." After Leng Ruoxue finished speaking, the three of them left the cave.

After leaving the cave, Leng Ruoxue and the others wandered around the Fiery Mountain for a few days and collected all the herbs nearby. Then, everyone left the Fiery Mountain excitedly...

Leng Ruoxue and the rest went south of the Fiery Mountain. Three days later, they arrived at the nearest small city, Shadow City.

"Xue'er, even though this Shadow City is small, no one dares to look down on it!" Standing outside the Shadow City, the little old man looked at the city wall that was half the height of a person and said mysteriously.

"Why?" As expected, Leng Ruoxue's curiosity was piqued and she asked.

"Miss, the entrance fee for Shadow City is very expensive. Even a Mystic Supremacy would not be allowed to enter if you don't pay up.." A sexy and beautiful woman next to Leng Ruoxue spoke. This beauty was none other than Feng Miao, who Feng Da and the others called a shrew!

#### **Chapter 700: Expensive Entry Fee (4)**

"How expensive is it?" Lü Tao could not hold back her curiosity.

"Ten thousand purple coins per person." Feng Miao looked at everyone and spoke calmly.

"What? Why don't they just go and rob!" Feng Da couldn't help but roar when he heard that.

The city guard who heard Feng Da's roar only glanced at them indifferently. However, he ignored them because they were already used to it. Anyone who entered the city for the first time would have such a reaction.

"They're daylight robbery! But you have no choice but to give it, unless you don't want to enter the city anymore." Feng Miao sighed lightly and explained somewhat helplessly.

"Miss, what should we do? Are we still entering the city?" Lü Tao could not help but ask. The entrance fee was really too expensive. Ordinary people could not afford it!

"Come in, I want to see if this city is worth it," Leng Ruoxue said with a light smile. She didn't expect the guards at the city gate to all have the cultivation of Mystic Sovereign. Now, she was really looking forward to this Shadow City! Hopefully, it wouldn't disappoint her!

"But there are so many of us. The cost of entering the city is not a small sum!" said Lü Tao worriedly. Boo... It was not easy for Miss to earn some money! She had to pay hundreds of thousands of yuan in one go. Just thinking about it made her heart ache.

"Miss, why don't you send us into the space?" Cui Zhu suggested.

"No, if that's the case, you can only stay in the space after entering the city. You can't appear in Shadow City anymore," Feng Miao explained.

"Xue'er, every person who enters the city has an identity card. If not..." The little old man only said half of what he wanted to say. However, he believed that Xue'er would understand what he meant!

"It's alright, let's all go in together!" Leng Ruoxue smiled and said. Everyone came out to train and this Shadow City was so mysterious. If she didn't let everyone experience it, it might be a pity!

"Okay." Everyone nodded and walked towards the city gate.

"We are going to enter the city," Leng Ruoxue said indifferently when they arrived at the city gate.

"A total of 350,000 purple coins." The city guard looked up and spoke.

"350,000? There are so many of us, aren't we going to give a discount?" Leng Ruoxue asked with a smile.

"I'm sorry, we didn't give any discounts." The guard said with a slight frown. He couldn't help but feel nervous in his heart. He had never heard of anyone asking for discounts for entry fees!

"Hehe, there's a first time for everything! There are so many of us here, so let's not ask for a fraction. Just charge us 300,000." Leng Ruoxue smiled lightly.

"This..." The guard hesitated. Even though there was no precedent of discounts in Shadow City, the higher-ups did not say that discounts were not allowed. However, he was just a small guard and could not make the decision.

"Hmph! If you can't enter the city, then don't. What a disgrace." Just as the guard was hesitating, an inharmonious female voice suddenly interrupted and looked at Leng Ruoxue and the others with disdain.

When Leng Ruoxue heard this voice, she couldn't help but roll her eyes. She thought to herself, how could I meet such a retarded daughter from a rich family everywhere I go! Whether she can enter or not, what does it have to do with anyone else! Could it be that the words 'were written all over her face?

"Miss, I think I heard a dog barking!" Feng Da dug his ears and pretended to be puzzled.

"En, ignore dogs you don't know," Leng Ruoxue said softly.

"Miss, I'm best at killing dogs. Should I kill her?" Feng Miao suggested, her beautiful face full of ruthlessness.

"No need, it will dirty your hands," Leng Ruoxue disagreed.

"Oh, that's true." Feng Miao nodded in agreement. She narrowed her eyes and sized up that reckless woman.

"What are you looking at, you ugly freak! Haven't you seen a beauty before!" That woman felt uncomfortable all over from Feng Miao's gaze and couldn't help roaring.

"Uh!" Feng Miao was stunned. Was the ugly freak talking about her? Fine! She admitted that she wasn't as pretty as Miss, or even as pretty as that b\*tch from the Phoenix Clan, but she couldn't be called an ugly freak, could she? What kind of eyes did this woman have?!

The woman's words instantly attracted Leng Ruoxue and the others' attention. Uh! They had never seen such a narcissistic woman before. Moreover, everyone was curious about her appearance.

Only to see that the girl not far away had a delicate and pretty appearance, an average temperament, and her strength was not very high either. Furthermore, this kind of appearance and strength girl could be said to be everywhere in the Vast Heaven Continent. Therefore, they really did not know why this woman was so proud!

After seeing this woman's appearance, Feng Da and the others couldn't help but feel uneasy in their hearts. Truly, there was always someone better out there, and there was always someone better out there. Today, they finally saw a super narcissistic woman!

On the other hand, the woman who was being watched by the crowd was feeling pleased with herself. She even raised her chin high, almost sticking out her tail, if she had any.

"Miss, let's hurry into the city! Young Master Lan is still waiting in the city!" At this moment, the guard by the woman's side reminded her in a soft voice. Alas! Miss didn't have good eyesight, and he wasn't stupid. These people looked to be filled with killing intent, and it was obvious that they weren't to be trifled with. So, he had no choice but to find an excuse to urge his Miss.

"Why didn't you say so earlier? I can't let Brother Lan wait for too long. Let's hurry up and leave!" The woman complained. Then, she ordered her subordinates to pay the entrance fee and walked into Shadow City with her head held high. However, before she left, she gave Leng Ruoxue and the others a threatening look.

"Miss, are you going to let her go just like that?" Feng Da said, a little angrily.

“What else can I do? What’s there to be calculative about with this kind of self-righteous woman? Even if I kill her, I’ll feel ashamed,” Leng Ruoxue said in extreme disdain. Sigh! There are many women like this in the world. She can’t kill every single one of them! Moreover, as her cultivation level increased, she couldn’t even be interested in killing this kind of ant-like woman unless she was really courting death!

“Miss, you have a point.” Feng Da quickly flattered.

“You can pay 300,000 to enter the city..” Suddenly, the guard spoke.
