

Crazy Wife 70

Chapter 70: Former Fiancé (1)

"Who wants us to leave?" Leng Ruoxue's tone was cold and without a trace of emotion.

"Me!" Chen Fang said nonchalantly. Everyone from the Supreme Hall was here today, so she was quite confident.

"You? What are you?" Leng Ruoxue's beautiful face was full of confusion.

"I am not a thing!" Chen Fang yelled angrily.

"Yes, you are quite self-aware and sensible, knowing that you are a thing." Leng Ruoxue nodded to show that she was very satisfied.

"Leader, she has been to our Sacred Hall so many times, but she has finally shown some intellect this time," Feng Da said cooperatively.

"You... Damn you all!"

"I'm sorry. I'm the leader of the Supreme Hall. We are training now. Please excuse us." Fu Mingyuan came out to smooth things over. This Chen Fang really didn't learn her lesson. She had suffered several times in front of Leng Ruoxue but still tried to go against her.

"It turns out you're the leader of the Supreme Hall." Leng Ruoxue looked at Fu Mingyuan. No wonder he warned her not to regret it!

"Yes, we also have a deputy leader, Li Yu," Fu Mingyuan explained kindly.

"Li Yu?"

"Big Brother Yu, your fiancée is here. Aren't you going to greet her?" a beautiful girl said coquettishly while leaning in the arms of a youth.

Leng Ruoxue looked at the young girl who spoke up. *Xu Na'er*? She was indeed a rare beauty, and she had enough assets to make all men protective of the fairer sex. A weak and seemingly innocent and beautiful girl would indeed cause men to dote on her like the pearl in their hands. Of course, the prerequisite was that the obvious jealousy in her eyes had to be ignored. *Wasn't Xu Na'er brought back to be grounded by the Xu family? She was released so quickly.*

The youth she was leaning on was also very handsome. His temperament was noble and outstanding, worthy of being a product of the imperial family. It was said that this seventh prince was the most favored prince, and his aptitude was the best among the princes.

"Leng Ruoxue, I don't care what your purpose is. I will never like you. Moreover, this isn't a place you can come to. You better leave quickly and return to your general's mansion and stay there obediently!" The amazement in Seventh Prince Li Xuan's eyes flashed for a moment before he spoke with some contempt. *So what if a simpleton looks beautiful? She will only be worthy of being the plaything of the strong if she doesn't have true strength.*

“Seventh Prince, don’t you know that only simpletons would like you?” Leng Ruoxue said indifferently. *Are all members of the imperial family so self-righteous and self-absorbed?*

“Who are you calling a simpleton?” Xu Na’er said furiously.

“Ah! Who knows? Miss Xu, why are you in such a hurry to make a connection?!” Leng Ruoxue smiled charmingly as killing intent flashed in her eyes for a moment. *I have more important things to do now, so I’ll let you jump around for a while!*

“Also, my current fiancé is someone else. Miss Xu, don’t be mistaken, or else my fiancé will be unhappy,” Leng Ruoxue added.

“Seventh Prince, right? Xue’er is now my fiancée. She can stay wherever she wants. You shouldn’t be so nosy even if you are a prince!” Ye Chen said mockingly. *This seventh prince is really an eyesore.*

What? Such a handsome and outstanding man is actually that simpleton’s fiancé!? Xu Na’er’s heart was overflowing with sourness and jealousy. How can a simpleton have such good luck?? In fact, as soon as they walked in, she had noticed this incomparably handsome man and was thinking of ways to rope him into the Supreme Hall. But she didn’t expect that he was actually that simpleton’s fiancé. This was really a blow to the always proud Xu Na’er. But she would not admit defeat. *What right does a simpleton have to have such an outstanding man? Only I am worthy of a heavenly man.* At this moment, she had long thrown the seventh prince and the like far out of her mind. Her heart and eyes were all full of this man who was more beautiful than a woman.

“That’s right. Our young miss is no longer your fiancée. Why do you care where our young miss wants to go?” Cui Zhu echoed.

“I’ve long heard that the seventh prince’s engagement was broken off by a simpleton. I thought it was a rumor, but it’s actually true!” Feng Da pretended to be confused. *Hehe, I’m avenging you, Miss. Don’t blame me!*

“I heard that the most favored seventh prince was grounded because his engagement was broken off by a simpleton. It shows how important this marriage was to the emperor!” Lin Yuan chipped in.

They spoke one after another happily, but Seventh Prince Li Yu was about to blow up from anger.

“How dare you talk about the imperial family like this!” Li Yu, who had never been treated this way, flew into a rage out of humiliation. This matter was indeed the greatest pain in his heart. Since he was a child, he had always had the freedom to do whatever he wanted. But his father not only scolded him but also punished him severely because of this matter, causing him to be laughed at many times.

“You guys are too daring. It’s fine if you’re talking about it in private, but you actually dare to say it in front of the seventh prince. I don’t mind others calling me a simpleton, but the imperial family isn’t as magnanimous as I am!” Leng Ruoxue deliberately rebuked.

“We’re sorry, Miss. We were wrong. We should have said it in private. We should have left some dignity for the seventh prince.” Feng Da’s and Lin Yuan’s faces were full of regret.

“Promising! You learn fast!” Leng Ruoxue praised.

“You...” The seventh prince’s face turned green with anger.

“Fu Mingyuan, even though the academy allows you to share the training room of the Sacred Hall, this is the territory of the Sacred Hall after all. You should at least inform me, the leader of the Sacred Hall, if the Supreme Hall wants to use the training room!” Leng Ruoxue couldn’t be bothered with the indignant seventh prince and directly turned her attention to Fu Mingyuan.

“However, this young lady has always been very magnanimous. I’ll lend it to you first since you like this place so much.” Leng Ruoxue didn’t give Fu Mingyuan a chance to speak and continued understandingly.

“Alright, let’s go hunting.” Leng Ruoxue turned to Ye Chen and the others.

“Go hunting!” Feng Da and the others escorted Leng Ruoxue out of the training room.
