Chapter 711: Feng Miao's Cousin (1)

Because Old Li was there, they didn't knock on the door this time and just strutted in.

However, before they entered the living room, they heard an arrogant female voice from afar. "Why didn't you give my daughter the antidote first?"

Leng Ruoxue stopped in her tracks and looked up at Old Li, asking calmly, "Who is this woman?"

"This woman is the mistress of the Hu family and also the aunt of the Lan family's young master," Old Li explained.

"The Hu Family? I've never heard of them." Leng Ruoxue's face was full of question marks. Was the Hu Family very famous? This woman actually yelled at the housekeeper's office. Sigh! She really didn't know if she was dead or alive!

However, she was even more surprised that Yu Tian was actually able to endure it. Could it be that the Shadow League had fallen?

"Miss Leng, are we still going in?" Old Li asked carefully.

"Come in! Why not?" Leng Ruoxue chuckled as she walked into the living room with the demon.

"Eh! Why are you guys here?" After Yu Tian saw Leng Ruoxue, he kept giving her meaningful looks. Then, he glared at Old Li who was beside Leng Ruoxue.

"Butler Yu has a guest? Looks like we came at the wrong time!" Leng Ruoxue pretended to be stupid as she smiled. However, she did not have any intention of leaving. Instead, she found a seat and sat down. The demon sat beside her and Feng Da and the rest did not need to greet her.

"Butler Yu, you must give me an explanation. Why didn't you give the antidote to my daughter first? My daughter is the future Young Madam of the Lan family. The Lan family will not let you off." A woman who had been ignored shouted at the top of her lungs.

Leng Ruoxue, who was sitting at the side, lifted her beautiful eyes and sized up the woman who spoke. The woman in front of her was about 40 years old. She looked ordinary and her figure was long gone. As for her strength, it was so weak that it could be ignored. Moreover, this woman and Min'er looked quite similar. However, Min'er should be considered to have gained weight. At this moment, the woman was glaring fiercely at Butler Yu!

"Madam Hu, can you represent the Lan Clan?" Yu Tian sighed lightly and asked with slight uncertainty. Truthfully speaking, he had given the Lan Clan's great master face, so he had tolerated this woman repeatedly. However, this woman thought that he was afraid of her! Hmph! How preposterous!

"Of course I can!" Madam Hu said domineeringly.

"Butler Yu, there's a problem with your question! The great master of the Lan family is just sitting by the side! Why don't you just ask him directly?" Leng Ruoxue couldn't stand it anymore. Sigh! Just how

cowardly was this Lan Lie's father?! He actually let such an ignorant woman fool around. No wonder that damned old man Lan Tao refused to hand over the position of the family head.

"Sir Lan, what do you think? Can Madam Hu represent the Lan Clan?" Yu Tian nodded before he asked. Actually, he was giving Lan Tian face by not asking earlier, but who would have expected Lan Tian to remain silent?

Lan Tian glanced at his beloved wife beside him. He didn't know what to say, so he could only remain silent.

"Of course she can't represent our Lan family!" Lan Lie could not bear it any longer. To be honest, there were times when he really did not understand why his father would indulge this woman so much. Was it because she was his mother's younger sister?

"Lie'er, she's your aunt!" A voice as gentle as water sounded helplessly.

"Lan Lie, you heartless..." When Madam Hu heard that, she hurriedly tried to scold him. However, her words were interrupted by Lan Lie.

"So what? Her surname isn't Lan!" Lan Lie said with a face full of anger. Just because this woman was his aunt and seemed to be indebted to his mother and son when they were young, their entire family had to treat her as their benefactor for the rest of their lives.

To be honest, all these years, this so-called aunt had been using the Lan family's name to gain benefits for her husband's family. He and his father had also turned a blind eye to it and pretended not to see it. Even if they had repaid her kindness back then, this aunt's ambition was really too great. She actually wanted to marry her daughter to him. Hmph! He didn't like that conceited and greedy cousin of his at all. If it wasn't for his mother, he wouldn't have bothered with that woman at all. Furthermore, after creating such a scandal, she actually wanted to enter the Lan family. He really didn't know what this pair of mother and daughter were thinking!

"Madam Hu, right? I was the one who gave Butler Yu the antidote." Leng Ruoxue, who originally wanted to watch a good show, didn't want to play dumb anymore, so she directly said, sigh! Looking at these people's acting skills, they probably wouldn't be able to put on a good show! And she had no interest in watching any further.

"It's you? Then why didn't you give my daughter to me? Don't you know she's the future Young Madam of the Lan family?" After hearing Leng Ruoxue's words, Madam Hu's anger was immediately ignited as she roared like a lion.

When Butler Yu saw this, he knew that Miss Leng was planning to remain calm. Hence, he pretended to be deaf and mute.

"Why should I give it to her?" Leng Ruoxue asked in confusion.

"Of course you have to give it to her. She's the future Young Madam of the Lan family," Madam Hu emphasized.

"Future? In other words, she's not! Madam Hu, I don't understand one thing! After what happened, do you think the Lan family will still allow her to enter?" Leng Ruoxue asked curiously.

“What is it? Don’t spout nonsense. My daughter was only poisoned! Nothing happened,” Madam Hu said evasively.

“Madam Hu, Young Master Lan is willing to be a spendthrift, but it doesn’t mean that everyone is a fool. Who in the Shadow City doesn’t know that Miss Hu Min’er has ten men at night, and she’s spending the night with them!” Leng Ruoxue laughed evilly.

“Miss, you cannot speak such nonsense. This concerns a woman’s reputation!” The moment Leng Ruoxue finished speaking, her gentle voice sounded again.

Leng Ruoxue glanced at the middle-aged beauty who spoke. She thought to herself, Is this person Lan Lie’s mother? I really don’t know if she was too well protected by her father and son, or if she was born so fair. Sigh! What a worrisome person. Now, she suddenly felt some sympathy for Lan Lie.

“Don’t spout nonsense! My daughter is innocent.. Don’t slander her!” At this time, Madam Hu also reacted and shouted furiously.

Chapter 712: Feng Miao’s Cousin (2)

“Butler Yu, did I slander you?” Leng Ruoxue looked at Yu Tian and smiled.

“No, what Miss Leng said is the truth. Miss Hu did indeed spend the night and night, pouncing on men whenever she saw them. Now, all the men in Shadow City are in danger. If there’s nothing important, they wouldn’t dare to go out at all. Furthermore, many good men have not only had their innocence ruined by Miss Hu, but they have also been poisoned by her and are still unconscious,” Butler Yu added fuel to the fire.

“You... you all are speaking nonsense! My daughter was only poisoned!” Madam Hu roared out. However, her confidence was clearly lacking.

“Does Madam Hu know why her daughter was poisoned?” Leng Ruoxue asked with a faint smile.

“Hu Min’er had ulterior motives and wanted to steal my bracelet, so she was bitten by my beast.” Leng Ruoxue did not give Madam Hu a chance to speak and continued.

“So it was you who harmed my daughter!” Madam Hu couldn’t find the person who poisoned her daughter, so when she heard Leng Ruoxue admit it, she immediately exploded!

“Madam Hu, don’t you understand human language? I told you before that I was the one who gave Butler Yu the antidote. Also, I said a few seconds ago that Hu Min’er was here to steal my bracelet and was bitten by my beast. So, your precious daughter is asking for it.” Leng Ruoxue sneered.

“No matter what, you’re the one who harmed my daughter. I won’t let you get away with it,” said Madam Hu.

“That’s just as well. I don’t plan on letting your precious daughter off either. By the way, let me remind you that your daughter can only live for three days at most,” Leng Ruoxue said calmly. Finished talking, she directly stood up. Then, she said to Tian, “Steward Yu, you know better than me what kind of treatment people who use ‘Forget Soul’ on the Vast Heaven Continent will receive!”

"Mn." Yu Tian nodded. He understood what Leng Ruoxue meant.

"Then we'll take our leave first," Leng Ruoxue said. After that, she brought the crowd and left Yu Tian's residence.

After watching Leng Ruoxue and the others leave, Yu Tian turned to the guard and instructed, "Send the guests off."

After speaking, Yu Tian left his residence.

In the guest room.

As soon as Leng Ruoxue and the others returned to the restaurant, Feng Da and the others started discussing impatiently.

"Hehe, that Madam Hu is a real piece of work!" Feng Da couldn't stand it anymore. He had seen many women, but this was the first time he had seen such a shameless woman. His daughter was already in such a state, but she was still dreaming about being the young madam of the Lan family! He really didn't know what that old woman was thinking.

"This is what you call having a daughter like her mother!" Lin Yuan teased.

"I really wanted to kill that old woman just now." Peach clenched her fists and said rather violently. However, without Miss's order, she did not dare to do it!

Leng Ruoxue sat on the chair, playing with the fire as she listened to her subordinates' discussion. Suddenly, there was a knock on the door...

"Feng Da, go open the door!" Leng Ruoxue instructed calmly.

"Yes." Vonda went to open the door, but he returned shortly after.

"Where are the guests?" Leng Ruoxue asked in confusion.

"It's someone from the Lan Clan. Does Young Miss want to see him?" Feng Da asked carefully.

"Of course I want to see her," Leng Ruoxue smiled. She had already expected the Lan family to come to see her, so she was waiting!

After hearing Leng Ruoxue's words, Feng Da turned around and invited the Lan Family members in.

"What's the matter?" Leng Ruoxue leaned comfortably in the devil's embrace, teasing the fire in her palm as she asked coldly.

"Miss Leng, we're here to seek the cure," the middle-aged woman said gently.

"Oh, I thought you guys were here to apologize!" Leng Ruoxue said lightly. She took out a small red fruit from her bracelet and fed it to Huo'er.

"Miss Leng, I'm willing to apologize to you on Min'er's behalf. Can you give me the antidote?" the middle-aged woman asked very sincerely.

“Why should I give you the antidote?” Leng Ruoxue asked in confusion. Although an apology was necessary, she did not think an apology would be enough to appease her anger.

“Miss Leng, Min’er has done such a thing. I’m willing to compensate you for her loss,” Lan Tian said directly as he could not bear to see his wife suffer.

“Compensation? How do you want to compensate? I was hit by ‘Forget Soul’ and lost my family heirloom worth 100 billion. Can you compensate me?” Leng Ruoxue raised her eyebrows and asked directly.

Lan Tian remained silent.

“Miss Leng, Min’er did something wrong. However, aren’t you fine now? Please give her another chance. My sister only has one child.” The middle-aged woman started crying as she spoke. Her tear-stained appearance was truly pitiful. Of course, this didn’t include Leng Ruoxue and the others.

“Madam Lan, you think I’m fine, so I should let Miss Hu go, right? Hmph! I’m fine not because Hu Min’er didn’t succeed, but because I took the antidote. If it weren’t for my grandfather and the others spending a huge sum of money to buy the thousand-year-old snow ginseng, I probably wouldn’t have woken up!” Leng Ruoxue said in an extremely cold tone.

“But Min’er has already been punished!” Madam Lan whispered.

“Compared to the consequences of using ‘Forgotten Souls’, her punishment is not enough. Madam Lan, you are very lucky to have a husband who loves you and an obedient son. However, you are too ignorant. Actually, ignorance is not a serious problem. Your biggest problem is being unable to differentiate right from wrong.” Leng Ruoxue pointed out the problem with the woman in front of her. However, it caused the father and son of the Lan family to glare daggers at her. Instantly, she felt that she was being a busybody, so she stopped talking.

“I... can’t tell right from wrong? I just want to repay your kindness.” Madam Lan said softly.

“Feng Da, send the guests away! I don’t want to see them again in the future.” Leng Ruoxue rudely chased them away. Sigh! Ignorant women weren’t scary, but ignorant women who couldn’t differentiate right from wrong were the scariest. She had always hated women who were as soft as water. Oh, Lan Lie was a good child, but it was a pity he had such a naive mother!

“Please!” Feng Da said lightly.

Chapter 713: Feng Miao’s Cousin (3)

“Wait! Are you Leng Ruoxue?” Lan Lie suddenly asked. For some reason, he felt that this Miss Leng was very similar to the person he knew. However, their appearances were worlds apart. Hence, he could not be sure.

“Does it have anything to do with each other? People who walk different paths cannot work together.” Leng Ruoxue neither admitted nor denied it. However, she knew that she was a straightforward person. Hence, her relationship with Lan Lie could only be like this.

"I understand." Lan Lie was disappointed. Then, he left Leng Ruoxue and the freak's room with his parents.

"Xue'er, this kid from the Lan family is quite pitiful." After Lan Lie and the others left, the little old man sighed.

"Grandpa Du, I can't help him," Leng Ruoxue said helplessly. Lan Lie's mother could not differentiate right from wrong. It was all because of the father and son's spoiling. Also, his aunt was the same. So, if they wanted to blame someone, they could only blame themselves for not having principles.

In the following two days, Lan Lie did not come to look for them again. And there was news that the Hu Family offended someone and directly vanished from the Vast Heaven Continent. However, regarding the Hu Family's demise, the Lan Family did not have any reaction...

Even though Yu Tian didn't say it explicitly, Leng Ruoxue knew that Yu Tian must have sent someone to do all of this. As for the Lan Clan, Yu Tian should have sent someone to greet them. As for Hu Min'er and her daughter in the Shadow City, they would naturally die!

In the guest room.

Leng Ruoxue looked at Feng Miao, who was standing by the window in a daze, and her heart was full of doubts. Uh! What's wrong with this guy these past two days? He's always restless!

"Miss, when are we leaving Shadow City?" Feng Miao felt Leng Ruoxue's gaze and couldn't help but ask.

"I don't know! Didn't Butler Yu say that there will be a batch of medicinal ingredients arriving soon! After buying them, we will naturally leave." Leng Ruoxue smiled lightly.

"Little Miaomiao, is there something on your mind? Oh! Is it spring?" Feng Zhan flew in front of Feng Miao and asked with a puzzled expression.

"Go to hell, you're the one who's in heat!" Feng Miao roared rather angrily.

"Women must be gentle. You can't be so fierce. Be careful not to get married." Feng Zhan kindly reminded.

"Hmph! Men don't have good things. I'm not getting married!" After hearing Feng Zhan's words, Feng Miao became even angrier.

"Oh! It really is spring. Which beast did you take a fancy to Young Miss?" Feng Zhan said with understanding. Young Miss's beast was extremely beautiful and cute, so it was normal for this female bird to take a fancy to it. As for whether those beast beasts would take a fancy to her, it was unknown.

"I'm not interested in any of them. Stop talking nonsense and get lost!" Feng Miao roared.

"Feng Zhan, come over. Don't provoke her." Leng Ruoxue helplessly said.

"Oh!" Feng Zhan obediently flew to Leng Ruoxue's shoulder and affectionately rubbed against her.

Suddenly, there was a knock on the door...

“Master, I’ll go open the door,” Feng Zhan said. Then, he flew to the door and opened it to find the waiter standing outside.

“What is it?” Feng Zhan asked.

“Uh! I’m here to tell Miss Leng that the medicinal herbs have arrived. However, the attendant at the pharmacy can’t leave now. He said that the goods will be sent over later,” the attendant said hurriedly. He knew that Miss Leng’s beasts were all very fierce, so he didn’t dare to provoke any of them.

“Oh, got it!” Feng Zhan replied, and then he closed the door with a bang.

After Feng Zhanfei returned to Leng Ruoxue, before he could report, his master spoke.

“Fengzhan, you and Fengmiao go get it yourself!” Leng Ruoxue said after thinking for a while. Since Fengmiao was in a bad mood, then let her go out for a walk! Maybe her mood would improve!

“Master, can I not go?” Feng Zhan spoke with slight fear. He really didn’t want to be together with this Violent Dragoness right now! Without Master’s protection, that female bird would definitely bully him!

“No, but I can ask Little Flame to go with you.” Leng Ruoxue said with an understanding smile.

“Sigh! Alright then!” Feng Zhan’s little head drooped as he replied extremely unwillingly.

“Fengmiao, go and get the herbs, then we’ll be on our way.” Leng Ruoxue looked at Fengmiao and reminded.

“Okay.” Hearing that they were going to go on their way, Feng Miao’s gloomy mood immediately turned gloomy.

“Go quickly and come back quickly!” Leng Ruoxue said. Then, she passed Xiaohuo, which was wrapped around her wrist, to Feng Miao.

“Master, don’t miss me too much!” Feng Zhan said with reluctance.

“F*ck off!” The freak who had been silent all this while roared.

“Wu... they’re all so fierce!” Feng Zhan landed on Feng Miao’s shoulder and complained with a face full of fear. Feng Miao rolled her eyes at the little red bird on her shoulder, then she left the guest shop with the two beasts in large strides.

“Xue’er, when are we leaving?” After Feng Miao left, the demon pulled Xue’er into his arms and asked softly.

“Whatever! You can leave later or tomorrow morning,” Leng Ruoxue said disapprovingly.

“Should we bid farewell to Butler Yu and the rest?” The freak suggested.

“There’s no need!” Leng Ruoxue pondered for a moment before replying. Actually, they weren’t very familiar with Yu Tian. They only had a few happy exchanges with each other.

“Yes.” The freak nodded. He was a filial fiancé, so he would naturally listen to whatever Xue’er said!

As the two of them were chatting, there was another knock on the door.

“Eh! They won’t be back so soon, right?” Leng Ruoxue said with a face full of suspicion.

“I’ll open the door.” The freak stood up and opened the door.

“Miss Leng, your subordinate has been captured by the patrolling guards.” The moment the door opened, the waiter at the door shouted loudly.

“What did you say?” Hearing the voice, Leng Ruoxue quickly walked to the door and asked. Uh! Her subordinates were all cultivating in the space. Feng Miao and the others had gone to the pharmacy to retrieve herbs, who would be caught!

“It’s that Miss Feng and your two beasts..” The waiter hurriedly explained.

Chapter 714: Feng Miao’s Cousin (4)

“Why did you capture them?” Leng Ruoxue asked with a cold expression. Hmph! Did they really think she was easy to mess with?

“Well... I don’t know what exactly happened. I heard it from a customer, so I came to tell you,” the waiter explained.

“Thank you, where are they currently locked up?” Leng Ruoxue took out a few purple coins and gave them to the waiter as thanks before asking.

“He’s in Shadow City’s dungeon!” The server replied.

“Freak, let’s go to the prison to take a look!” Leng Ruoxue turned around and said to the freak.

“Okay.” The freak knew that Xue’er was very anxious, so he didn’t waste time and pulled Xue’er out of the restaurant.

In the Shadow City dungeon.

Feng Miao, Feng Zhan, and Little Flame were currently locked in the same cell.

“I’m sorry for implicating you.” Feng Miao said somewhat guiltily. Sigh! What bad luck! She thought she could avoid it, but who knew that she still met it.

“Little Miaomiao, you are my subordinate. I don’t want to hear such words!” Feng Zhan’s face was stiff as he said with slight displeasure. At this moment, he had already transformed into his human form.

“Uh! This is the prison?” Little Flame wasn’t as depressed as Feng Miao. Instead, it looked around curiously at the environment in front of it.

“Yeah! You’ve broadened your horizons today!” Feng Zhan chuckled and teased. Actually, it was also the first time he was captured into a prison!

“En, en, a woman will come and save us. Don’t worry.” Little Flame nodded its little head and said in a very open-minded manner. Hehe, it’ll just take it as coming here to travel!

“Oh, Little Flame? Will you bite that woman to death with that strike just now?” Feng Zhan asked with a mischievous smile. According to his knowledge, Fiery had at least ten thousand types of poison in its body. Moreover, it didn’t even bite people in the same manner!

“I won’t. The woman said before that living a life worse than death is a hundred times more painful than directly cracking it apart. That’s why I won’t let her die so easily!” Little Flame said with slight complacency, and its little tail curled up proudly.

“Uh! The truth!” Feng Zhan spoke with a fawning expression, and he couldn’t help but feel uneasy in his heart. Oh, Master is suspected of teaching children bad things! Thinking back, this little red snake was such a pure and kind child!

“Hehe! That’s for sure!” Fiery became increasingly cocky.

“Looks like you guys have adapted quite well.” Suddenly, a cold voice sounded in their ears. The two humans and one beast raised their heads at the same time and looked at Leng Ruoxue who was right in front of them. They shouted enthusiastically in unison...

“Master!”

“Woman!”

“Miss!”

Feng Miao’s voice was the smallest. After calling out once, she lowered her head in embarrassment.

“Who’s going to tell me what’s going on?” Leng Ruoxue glared at Feng Zhan and asked.

“Woman, there was a very coquettish woman who wanted to snatch your family heirloom, me, so I bit her. After that, the man beside her wanted to teach us a lesson. After that, we started fighting. After that, we were caught here,” Little Flame said.

However, because Little Flame spoke too quickly, it didn’t say it very clearly, but Leng Ruoxue finally understood a little. That was, there was someone who was so blind as to want to snatch Little Flame away. Ay! Looking at the sparkling, translucent, and incomparably beautiful little fellow, she couldn’t help but feel uneasy in her heart. Little Flame actually became a disaster too!

“Miss, it’s all my fault.” Feng Miao lowered her head and said softly.

“Master, they’re from the Phoenix Clan,” Feng Zhan explained.

“Phoenix Clan, isn’t that Feng Miao’s clansman?” Leng Ruoxue said softly, then looked at Feng Miao with a face full of question marks.

“Miss, that woman’s name is Fengxian. She’s my cousin, but we don’t have a good relationship. She likes to snatch my things, including men. If it weren’t for me, she wouldn’t have wanted to snatch Little Flame. So, I’m sorry, it’s all my fault,” Feng Miao said guiltily. She kept her head lowered, not daring to look at Leng Ruoxue.

“Does she want to snatch or buy?” Leng Ruoxue was a little speechless. Uh! What was this? Initially, she thought all beastmen were innocent, cute and kind-hearted! But who knew that even among beastmen, there would be something like snatching things or even men. This was too unbelievable!

“Woman, she didn’t even say she was going to buy it and directly snatched it. Hmph! How could I do as she wished!? I’m your family heirloom, woman! Those Tom, Dick, and Harry don’t have the qualifications to have me!” Fiery said with a fawning expression, then shook its head very cockily as if it had done something amazing!

“Well done!” Leng Ruoxue patted Little Flame’s head and praised it. Hmph! Her family’s beasts didn’t allow others to bully it!

“Hehe!” Xiaohuo climbed onto Leng Ruoxue’s palm and licked her palm gently. Then, it coiled into a ring and lay down.

“Young Miss, that damn woman is really too annoying. I’ve never hated a phoenix so much in my entire life!” Feng Zhan continued to complain. Hehe, he knew that his master wouldn’t be angry with them. His master was a human who loved beast the most.

“Feng Zhan, tell me what exactly happened?” Leng Ruoxue asked. Uh, Fiery said it too simply. It only

Then did you guys suffer any losses?” Leng Ruoxue asked worriedly. Oh! This was what she was more concerned about. Hmph! She had always been protective of her own people. No one dared to bully her!

“Hehe! Master, with me around, it’s naturally impossible for us to suffer a loss. Even though those people are stronger than us, the ones who are injured are them!” Feng Zhan said proudly.

“En! That’s good. As long as you don’t suffer any losses, it doesn’t matter if the others live or die.” Leng Ruoxue nodded in satisfaction.

Uh! Listening to their conversation, Feng Miao was dumbfounded. Even though she hadn’t been with Leng Ruoxue for long, she knew she was a good master. However, she didn’t expect her to be so overprotective. Feng Miao couldn’t help but feel touched!

“Feng Miao, tell me about the Phoenix Clan!” Leng Ruoxue thought for a moment and said. As the saying goes, “Know thyself and thy enemy” Since she

had offended the Phoenix Clan, she naturally had to find out more about them!

Hehe, luckily, she had a branch of the Phoenix Clan by her side!

“Young miss, Feng Xian’s mother, who is also my aunt, is now the acting clan leader of the Phoenix Clan. As for my mother and some of the elders of the Phoenix Clan, they are all in deep sleep. Therefore, the Phoenix Clan is a little chaotic now. Furthermore, the Phoenix Clan is no longer the Phoenix Clan of the past.” Feng Miao said sadly. Boohoo.if not for this, she probably would not have chosen to leave the clan and find a place to cultivate alone. She would not have met Leng Ruoxue and the others. Sigh! Thinking back to when she was defeated by Leng Ruoxue’s beasts, she was still a little depressed. But now, she was rejoicing!

‘Deep sleep? “The Phoenix Clan is in chaos, and they’re still sleeping” Leng Ruoxue asked in confusion. Weren’t beasts cultivating when they slept? Uh! The Phoenix Clan would be in irreparable state by the time they woke up, would it?

“Miss, unless there’s a miracle, I’m afraid they won’t be able to wake up.” Feng Miao said very sadly. The result of waking up was only death, so they could only sleep all the time. It was because of this that her aunt took a fancy to this point that she was so unrestrained!

“Why? Leng Ruoxue asked in confusion.

Our Phoenix Clan is unable to leave this realm, and the price of not being able to break through is death” Feng Miao explained. In fact, many members of the Phoenix Clan could already advance to level nine Transcendent Divine Beasts, but they all chose to delay their advancement. Every day that could be delayed was a day. Because once they advanced to level nine Transcendent Divine Beasts, it meant that they were not far from death.

“Master, this realm’s Phoenix Clan is even more miserable than ours!” Feng Zhan said. Back then, hen they were in the Ling Feng Continent, because they had a boundary as a cover, the heaven and earth rules could not sense their

ranks at all. But, the Phoenix Clan's encampment on the Vast Heaven Continent should not have any enchantment. Otherwise, it was also impossible for them to casually walk on the Vast Heaven Continent. And the price of their freedom not being restricted was to pay with their lives.

In fact, there was a way to solve this problem, because they only needed to recognize a master. However, proud existences like the Phoenix Clan and the dragon clan who stood at the apex of beasts would never casually recognize a master. Therefore, they could only choose to sleep!

"En." Leng Ruoxue nodded. If one couldn't break through the limit, then death was also imminent.

"Xue'er, someone's here." At this moment, the freak suddenly called out.

"En" Leng Ruoxue nodded slightly and stopped talking.

"Miss Leng!" Yu Tian strode into the cell. When he saw Leng Ruoxue, he quickly greeted her. After that, he looked at Leng Ruoxue and the others with a headache and sighed in his heart! sigh! These people were really too troublesome. First it was the Lan Clan, and now it was the Phoenix Clan. The Lan Clan was still alright. After all, it didn't have much to do with them, but the Phoenix Clan wasn't easy to deal with! He was really worried!

"I'm going to make things difficult for Butler Yu again." Leng Ruoxue chuckled. Hehe! Looking at the depressed expression on Yu Tian's face, she could guess what he was thinking

"Miss Leng, this matter is a little difficult to handle!" Yu Tian didn't beat around the bush and spoke truthfully. The Phoenix Clan and Dragon Clan were famous for their unity, and the injured person had an extraordinary status in the Phoenix Clan. So, even if he wanted to help Leng Ruoxue and the others, those old geezers probably wouldn't agree. After all, the Phoenix Clan was too formidable!

"What's so difficult about it? Didn't I also offend the Lan family!" Leng Ruoxue said disapprovingly.

That's different. The Hu Family and Lan Family don't have a deep relationship. The Lan Family Head wouldn't care at all. But, the Phoenix Clan is different! The members of the Phoenix Clan are very united. If they know that their own clansmen are injured, they probably won't let the matter rest!" Yu Tian explained. Even though the Phoenix Clan were beasts, their status among the beast clans was like those three great super clans in the Vast Heaven Continent. Their status was transcendent and their strength was formidable! Hence, even the three great super clans were not too willing to provoke the Dragon and Phoenix Clans. Their Shadow League was the same!

Bullsh*t! The Phoenix Clan is very united, but that was in the past!" Feng Miao exploded when she heard Yu Tian's words.

Uh!" Yu Tian was bewildered. He didn't know how his words had offended this woman. Why did she have such a big reaction?

I'm sure Butler Yu doesn't know! She's also from the Phoenix Clan." Leng Ruoxue smiled as she introduced Yu Tian. He seemed to be in a hurry and probably didn't know the exact situation.

"Ah! What a coincidence." Yu Tian said with sudden realization. Since she was also from the Phoenix Clan, then it should be considered an internal conflict between their clans! It seemed that they didn't need outsiders to interfere.

Butler Yu, can you release my subordinates first?" Leng Ruoxue asked politely.

Hm! It was polite to ask, but if she didn't agree, she would have to use force!

"Yes, of course." Yu Tian hurriedly said. Uh! He didn't want to care about the matters of the Phoenix Clan! He was thinking that since all of you are from the Phoenix Clan, then you should settle this matter privately!

After he finished speaking, Yu Tian took out the key that he had prepared earlier. He opened the cell door and let out the two people locked inside.

Thank you, Butler Yu," Leng Ruoxue said. Then, she gave Feng Zhan a look and pulled the freak away.

"Eh! Miss Leng, please wait." Yu Tian quickly called out to Leng Ruoxue seeing

that she was about to leave.

“Butler Yu, is there anything else? Leng Ruoxue frowned and asked in confusion.

“That Feng Xian is still poisoned!” Yu Tian reminded. Although he did not want to meddle in the Phoenix Clan’s affairs, Feng Xian was poisoned in Shadow City after all, so he could not stay out of it.

“oh! Where are they now?” Leng Ruoxue asked with a smile.

“At the Shadow League encampment!” Yu Tian replied honestly. However, for some reason, after he finished speaking, he felt a chill run down his spine. Oh, this Young Lady Leng’s smile made him feel very pressured!

“Butler Yu, if you have something to do, go ahead! We’re going to the Shadow League camp to see the patient.” After Leng Ruoxue finished speaking, the four of them and the beast left the prison cell without looking back.

“Eh! Nothing will happen, right?” Seeing the backs of Leng Ruoxue and the others, Yu Tian, who was standing at his original spot, couldn’t help but mutter to himself. Wu. why was his heart so uneasy?

After Leng Ruoxue and the others left the prison, they slipped towards the Shadow League’s camp.

“Master! We can’t give the antidote to that d * mn woman so easily! We have to earn some money! I heard that the Phoenix Clan is very rich!” Feng Zhan suggested as they walked.

Who said I sent her the antidote?” Leng Ruoxue raised her eyebrows and asked calmly.

“Ah! Could it be that Master wants Fiery to bite her again? Feng Zhan guessed. Hehe, this idea was good! He liked it!

Pa!” Leng Ruoxue slapped Feng Zhan’s head and said righteously, “ Am I that

kind of person! I just wanted to see if that woman is dead!

“En, en. Master is the kindest. She definitely won’t watch that woman die in pain. Heh heh! If she hasn’t died yet, then let’s euthanize her to prevent her from suffering!” Feng Zhan suggested.

That’s a good idea, but I’ve never eaten roasted phoenix meat before! I wonder if the meat is thick?” Leng Ruoxue frowned and thought seriously.

“Xue’er, I heard that the Phoenix meat is extremely delicious.” The demon laughed.

“Master, let’s have some roast phoenix meat! Feng Zhan said with an expectant look on his face. His saliva was about to drool at the mention of delicious food.

Feng Zhan! Is that your kind? Leng Ruoxue said somewhat speechlessly.

“So what? Actually, in my eyes, they’re only large sized turkeys. Moreover, many carnivores will eat their own kind. We beastmen don’t care about that.”

Feng Zhan spoke indifferently. Hmph! So long as it wasn’t him who was eating, then who would he care about eating?!

Feng Miao, who had remained silent at the side, broke out in a cold sweat after hearing their conversation. She thought to herself, These people are really too evil. Fortunately, I’ve long abandoned the darkness and turned to the light.

Otherwise, wouldn’t I become food in their mouths?

The few of them chatted as they walked. Soon, they arrived at a very tall courtyard. Looking at the two words ‘Shadow League’ on the plaque outside the courtyard, Leng Ruoxue signaled Feng Zhan to knock on the door!

“Dong! Dong!” Feng Zhan knocked loudly a few times. Not long after, a guard came to open the door.

“Who are you looking for? The guard asked curiously.

“We are looking for Fengxian. We heard that her injuries are not light, so we specially came to take a look,” Leng Ruoxue said bluntly.

“You’re from the Phoenix Clan as well?” The guard was confused. The Shadow

League hadn't received any news that other members of the Phoenix Clan were here?

"We are not, my beast bit Feng Xian, as the owner, I naturally have to come and ask." Leng Ruoxue's beautiful face was filled with a wicked smile.

"Wait a moment." After hearing Leng Ruoxue's words, the guard turned around to report. Not long after, he opened the door and invited them in.

The guard brought Leng Ruoxue and the others into the living room. At this moment, there were three inconspicuous old men sitting in the living room.

When the three old men saw them, they didn't even lift their eyelids, nor did they invite them to sit down.

When Leng Ruoxue and the rest saw that no one called out to them, they did not stand on ceremony and found a chair to sit on. Then, they took out tea and snacks from their bracelets. The four of them and the beast began to eat as if there was no one else around. Originally, Feng Miao was still a little nervous when she saw the three of them and the beast, but after being infected by them, she started to gorge herself!

"Miss, this snack is really too delicious." Feng Miao stuffed her mouth without any care for her image and said with a little unclear mouth.

"Of course. Don't you know who did it?" Feng Zhan said proudly.

"Miss, please order more dishes! It's almost noon, I'm hungry." Feng Miao looked at Leng Ruoxue pitifully and pleaded.

"Okay! You guys bring that small table over, let's have lunch," Leng Ruoxue instructed.

"Alright!" Feng Zhan and Feng Miao moved at the same time, each moving a small table and piecing them together.

Meanwhile, Leng Ruoxue took out plates of food from her bracelet and placed them

the table. The aroma of the food immediately spread far and wide...

After the food was taken out, Leng Ruoxue's group of four and one beast began

to gorge themselves. Their actions had angered the three old men sitting in the hall to the point of almost spitting blood! Seeing the four people and one beast eating happily not far away, they were envious and angry at the same time.

Wu.. Originally, they had assumed their stance to give Leng Ruoxue and the others a show of strength, but who knew that they didn't take them seriously at all and instead treated this place as their own dining hall. This was too much!

"Cuckoo!" At this moment, the stomach of the old man sitting in the middle actually let out a disappointing cry. Instantly, the old man's face turned red with embarrassment and was extremely embarrassed. He wished that there was a hole in the ground for him to crawl into.

The hungry voices seemed to be contagious, and the stomachs of the other two old men started to protest. However, the skin of the other two old men was obviously thicker, because their faces were not red, and their hearts did not skip a beat as they sat calmly on the chairs. Actually, no one knew who was hungry, but the two of them did not feel good either! Moreover, the gluttonous worms in their bodies had been lured out by the table of food that could only be hoped for but could not be obtained..

Right now, it could be said that they were riding a tiger and couldn't get off.

They wanted to leave, but they couldn't bring themselves to do so. However, if they didn't leave, they would have to starve again. Sob.. They asked for it! At this moment, the three of them were filled with tears of regret!

About an hour later, Leng Ruoxue and the others finally finished their meal. Stealing a glance at the three old men sitting in the hall, Leng Ruoxue couldn't help but exclaim, "Oh, Xuan Zun indeed lives up to his name! His willpower isn't something an ordinary person can compare to!"

"Master, we've already finished our meal, yet no one in the Shadow League is

paying attention to us. Why don't we head back first! Otherwise, if we continue waiting like this, I'm afraid we'll have to eat dinner here as well." Feng Zhan spoke with displeasure.

"It doesn't matter! It's not a problem for us to eat our food for a few decades. I just don't know if Fengxian can wait any longer." Leng Ruoxue said disapprovingly.

"oh! That's true, hehe!" Feng Zhan lightly glanced at the three old men whose expressions were very unsightly, and agreed with a mischievous smile.

However, he couldn't help but feel uneasy in his heart. Hmph! Ill starve all of you to death, damn old geezers! You actually want to take them down a notch! If you're not hungry, who are you going to starve!?

As for the three old men in the hall, when they heard their conversation, they could not remain calm anymore. Boohoo.. It seemed like they had been taken down a notch. If they really ate here for decades, they would have starved to death long ago!

"oh! Miss Leng, right? An old man cleared his throat and asked lightly.

"En." Leng Ruoxue nodded, and didn't say anything else.

"Miss Leng, since you're here, I won't beat around the bush anymore. Please take out the antidote! I'll plead for leniency on your behalf to the Phoenix Clan," the old man continued. However, his stomach started growling again..

"This old man must have misunderstood, I am not here to give Feng Xian the antidote, Feng Xian bullied my subordinates, I am here to get back at them."

Leng Ruoxue smiled wickedly.

"What? Miss Leng, did we hear wrongly! Your subordinates are not injured at all, you want to get back at them? The three old men stared with their eyes wide open, their faces full of disbelief. Uh! Were they hallucinating? 'The one who was injured was Feng Xian! Not only was she poisoned, her injuries were not light either, and Feng Yan was also badly beaten up!

"They're unharmed because the other party isn't strong enough. So, this

doesn't mean that the other party didn't bully my subordinates. Oh! This should be called an unsuccessful attempt at bullying, and my subordinates are purely defending themselves. So, as their boss, I must get justice for my subordinates." Leng Ruoxue calmly said, and a gorgeous smile hung on her beautiful face.

When the three old men heard Leng Ruoxue's words, they all stared at her as if she was a monster. Moreover, their slightly turbid gazes were constantly sizing her up. Even though they had carefully observed Leng Ruoxue and the others when they entered earlier, they were even more careful this time. Oh! These four people looked like dragons and phoenixes amongst men, but the strength of three of them wasn't that high? "Three Mystic Kings, one Mystic Venerable, and a little red snake whose level couldn't be determined! Even if they had Du Min backing them up, they shouldn't be so arrogant! The three of them were confused..

"Miss Leng, they're the Phoenix Clan." After a long while, an old man finally spoke up to remind her. Actually, if this matter could be resolved peacefully, that would be for the best. After all, they did not want to offend the Phoenix Clan. But, Lord Du Min, whose status was extraordinary in the Vast Heaven Continent, they also wanted to befriend him. Therefore, if they could not offend either side, that would be the most perfect.

I know. The Phoenix Clan are only beasts. If they're happy, they'll sign the contract. If they're unhappy, they'll roast it" Leng Ruoxue said disapprovingly. Eh The three old men's foreheads were filled with black lines. They thought to themselves, "As expected, newborn calves are not afraid of tigers! Could it be because they haven't traveled the continent for a long time? Why are the young people nowadays so arrogant! However, they were more curious about what Miss Leng was relying on. Could it be that she was related to the Leng Clan?

"As the saying goes, you can't have both the fish and the bear palm. So, you

guys better think this through carefully. Don't take the wrong side!" Leng Ruoxue laughed lightly. Hmph! This time, she would not allow these old foxes to benefit from both sides!

Uh! The three old men were depressed. Were they being threatened? They didn't expect that they would be threatened by a puny King Xuan one day. However, even if they were angry, with Du Min backing Miss Leng, they couldn't do anything to this little girl! Boohoo.. At this moment, they felt that they were too cowardly. However, who asked the other party to have the esteemed Du Min by his side! Sigh! In this world, anyone could be provoked, but they absolutely could not provoke an alchemist!

The three old men were extremely conflicted in their hearts. They constantly weighed the importance of both sides to them and did not say anything for a long time..

Leng Ruoxue and the rest naturally would not wait foolishly in the living room. While the three old men were frowning in thought, they quietly left the living room and went straight to Feng Xian and Feng Yan's residence.

In the room.

Feng Xian lay on the bed with a pained expression, while Feng Yan sat by the bed and waited, holding her hand tightly. As for the alchemist Old Li sent by Shadow League, he turned his head to the other side with a helpless expression, his heart constantly twitching. Sigh! He really did not know why those old men had sent him here! Without the snake poison, he could not refine the antidote, could it be that they had sent him here to admire these t mushy people?

"Brother Yan, you must take revenge for me!!" The pale and weak Feng Xian said with hatred.

Yes, don't worry Little Sister Xian. I'll definitely take revenge for you. I've already sent someone to send a letter, and I believe it won't be long before the clansmen of the clan will rush over." Feng Yan hurriedly consoled.

“Brother Yan, I want Feng Miao to die!” Feng Xian no longer concealed her feelings for Feng Miao, she said directly. If it was in the past, she might have put on an act in front of her clansmen, putting on a show of sisterly affection, but after she was bitten and tortured by that little red snake, the hatred in her heart could no longer be hidden!

“Alright, I’ll help you once you’ve recovered.” Feng Yan consoled.

Suddenly, with a loud bang, their door was kicked open. Both of them looked up at the door at the same time...

“Feng Miao, you bitch, you dare to appear in front of me!!” Feng Xian forced herself to sit up, she shouted fiercely, all of her hatred erupted at once!

Chapter 718: A Woman’s Heart Is A Deep Ocean Of Secrets (4)

“Little Sister Xian, don’t be agitated!” Feng Yan hurriedly reminded, and he looked at the uninvited Feng Miao with a hostile gaze. His will was extremely firm as he said, “Don’t waste your efforts, I won’t change my mind”

Uh! What’s going on? Leng Ruoxue and the devil looked at each other, a huge question mark appeared in their hearts. Oh! From what he said, could it be JO?

“Hey! I say, you cheap man, don’t think too highly of yourself, okay? Little Miaomiao isn’t here to change your mind.” Feng Zhan couldn’t stand it anymore. Hmph! How dare she bully his people, she was really courting death!

“Who are you talking about? You’re merely a second rank super divine beast. You really don’t know the meaning of death!” Feng Yan was instantly infuriated when he heard Feng Zhan, and he roared loudly. In the clan, he was a beast that was respected by his peers, yet a tiny second rank super divine beast actually dared to humiliate him in front of him. He’d really lived long enough!

“Even if I’m a level-two super divine beast, I can still beat you up like a pig’s head. Humph! Aren’t you just a level-seven? What’s so great about that? My master’s food ‘rank is even higher than yours!” Feng Zhan said with a face full of disdain.

“pfft!” Hearing Feng Zhan’s words, Leng Ruoxue and the others couldn’t help but laugh.

“Where’s your Master? I want to kill him!” Feng Yan roared with rage from embarrassment when he heard this laughter. Hmph! He’d lived for so many years and had always been a proud son of the heavens. When had he ever suffered such a humiliation!?

“You want to kill my master?”

“You want to kill me?”

Two voices rang out at the same time. Feng Zhan looked at Feng Yan as if he had heard a fantasy story while Leng Ruoxue was a little speechless as she said, wu... did she get shot again? This guy couldn't win against Feng Zhan, so why did he start with her? Although she was here to get back at him for

the beast, what right did a smelly bird have to target her?

"You're his master?" Feng Yan was stunned, and he looked at Leng Ruoxue with a stunned expression. How could there be such a beautiful human like Feng Xian who was called the number one beauty in the Phoenix Clan? Compared to this woman before him, even a phoenix had become a chicken!

"En, it's real!" Leng Ruoxue nodded her head as her beautiful eyes sized up the pretty boy in front of her. Oh, this fire phoenix's skin is tender and tender, and it's strong. It looks quite delicious. Moreover, since he's about to kill her, then there's no need for her to be polite.

"Brother Yan, kill this woman for me." Feng Xian, who was sitting on the bed, saw her man staring straight at another woman and suddenly roared with jealousy. However, what made her even angrier was that this woman was even more beautiful than her!

"Sigh!" Leng Ruoxue looked at the demon with slight grievance. Boohoo... someone wanted to kill her again, why was she so easy to kill? However, she had always thought that jealousy was human's specialty, but now it seemed that the world of beastmen wasn't peaceful either! However, wasn't the person

this woman was jealous of Feng Miao? Why did it turn to her now? She really couldn't figure it out no matter how hard she thought. Oh! No wonder people always said that a woman's heart was like a needle in the ocean!

"Don't be afraid. With me around, no one will be able to kill you!" The demon pulled Xue'er into his arms to comfort her. At the same time, his cold, bright eyes swept across Feng Xian in an unfriendly manner. Hmph! Two little birds actually wanted to kill her woman. These two birds had touched his soft spot! Therefore, his heart was filled with killing intent!

"En, en!" Leng Ruoxue nodded. Hehe! The feeling of having a man to protect her was indeed different! She was so happy in her heart! In reality, no matter how strong a woman was, she still needed a man to protect her!

"Hmph! An adulterous pair!" On the bed, Feng Xian saw the two of them flirting with each other, her jealousy intensified, she shouted again, hmph! This is really infuriating, not only is this woman prettier than her, even her man is better than the man she had fought so hard to get! This is really

infuriating! At this moment, she had already forgotten that she was not human!

"Adulterous pair? Us?" Leng Ruoxue looked suspiciously at the demon.

"Mhm, it looks like they're talking about us!" The demon shrugged his shoulders innocently and said helplessly. Boo... he and Xue'er were engaged! How did they become an adulterous couple in the mouth of that ugly woman?

“Haha!” At this moment, Feng Zhan Zai couldn’t help but laugh wildly as well. He truly admired this woman’s way of thinking. He was clearly the adulterous couple, yet she actually threw dirty water on his master. Thus, he could already foresee the outcome of this woman!

“What are you laughing at? You and Feng Miao are also an adulterous pair!” Feng Xian said angrily.

“Uh!” Feng Zhan really couldn’t laugh after hearing this. Boohoo... he felt wronged too! He and Feng Miao were obviously very pure colleagues, but when it came to that woman’s mouth, it was... sigh!

“Feng Xian, how shameless can you be! You and him are the adulterous pair, but now you are shamelessly accusing others, hmph! How can there be a clan member like you in the Phoenix Clan, I really feel ashamed for the Phoenix Clan!” Feng Miao pointed at Feng Xian and Feng Yan, she could not bear it

any longer and scolded.

“Hmph! Feng Miao, even though Feng Yan was once your fiance, he did not like you at all, he loved me! So, no matter what you do, it is useless, he will never change his mind, just give up on that thought! Furthermore, you actually colluded with outsiders to harm your clansmen, if your clansmen find out about this, they will not let you off.” Feng Xian looked at Feng Miao provocatively, saying with a bit of pride.

“Aren’t you afraid we’ll kill the birds to silence them?” Leng Ruoxue said lightly. She really didn’t expect these three people to have such a complicated relationship. Sigh! Poor Fengmiao!

“We are the Phoenix Clan! You will not dare to kill us.” Feng Xian said confidently.

“Is that so? But, you’re all going to kill me. Do you think I’ll leave behind a hidden danger for myself?” Leng Ruoxue lightly smiled. Then, with a thought, she summoned her ‘food’ from her ring.

As soon as the ‘food’ appeared, the small room naturally could not contain them. Therefore, they all squeezed together. Suddenly, a few loud cracking sounds could be heard.. The house had already been torn apart, but there were no casualties in the room! Feng Xian and Feng Yan were both dumbfounded!

Uh! Old Li, who hadn’t said a word in the room, glanced around and saw that there was no room to hide from the wind. He sighed helplessly and then found a corner to sit down. He planned to continue watching the show! Oh! Based on his understanding of Leng Ruoxue and the others, the feud between them and the Phoenix Clan was probably settled. Thinking of this, he couldn’t help but feel a little excited!

“Miss! We...” The huge black python looked at the collapsed house and said with slight uneasiness. Wu... It was said that this was the Shadow League. Would they compensate for destroying the Shadow League’s room? They did not have money!

"It's okay, it's just that the quality of this room is too poor," Leng Ruoxue said without blushing. She directly attributed the collapse of the room to the quality of the house!

"Yes, yes! You really can't blame us!" The black python nodded repeatedly. Wu... Miss is really too understanding.

"You..." Feng Xian, who only came back to her senses after a long time, saw that there was no cover left, she was furious!

"What happened to us?" Leng Ruoxue looked at Feng Xian who was sitting on the bed with a smile that was not a smile, she asked, oh! This room had collapsed quite well, not a single brick had fallen in. However, the furniture in the room had been destroyed by the pythons, the only thing that was intact was the bed that Feng Xian was sitting on!

"Shadow Alliance will not let you off." Feng Xian gritted her teeth, her eyes were burning with flames!

"Oh! I'm afraid you won't have the chance to know if the Shadow League will let us go." Leng Ruoxue pretended to ponder.

"Big Blackie! These two birds will be your snacks!" Leng Ruoxue said to the rest of the pythons again. She really did not expect that this big black python had actually advanced to the next level not long after it had cultivated in the space. Oh! Not counting Feng Miao, now she was also a level-eight Super

Divine Beast, hehe! And the effect of this big black python's advancement was that it greatly stimulated the cultivation of other beasts!

"Thank you, Miss, for your reward!" The black python said happily. At the same time, its dark eyes stared at the so-called snacks in front of it! The other pythons surrounded Feng Xian and Feng Yan in unison!

"You... what are you doing? Stay away from me!" Feng Xian could not bear it any longer and shouted. She hated snakes the most. If she had seen these snakes before she was poisoned, she would have immediately released the Nan Ling Li Fire to burn them to ashes. But now, she was weak all over. How could she still have the ability to release the phoenix clan's flames!

"Young Mistress said that you two birds are our snacks!" the aqua-blue python said kindly. Hehe! Young Mistress was so good to them. After eating these two birds, it would definitely advance to the next level! As for the consequences of eating the members of the Phoenix Clan, they didn't care. If it was in the past, they might not have had the guts to do so, but now, with Young Mistress backing them up, there was nothing to be afraid of!

"How dare you! I am from the Phoenix Clan!" Feng Xian said with a trembling voice. Wu... why were these snakes not afraid of her suppression! How could this be!

"Brother Yan, save me!" Seeing that, Wind Fairy hurriedly cried for help. The water far away couldn't quench the fire near. Now, only Brother Yan could save her!

Unfortunately, what she did not expect was that Feng Yan could not do anything at the moment. He was already surrounded by a few giant pythons, so how could he care about Feng Xian!

Feng Yan looked at the impenetrable wall that surrounded him, and he felt a headache and depression! Moreover, he couldn't figure out why these pythons weren't afraid of his pressure? He was a level-seven divine beast! Not only was his bloodline above these pythons, his strength was also stronger

than theirs! But he didn't expect that not only did these pythons not take his pressure seriously, they even looked at him with ridicule in their eyes!

In fact, those pythons were indeed looking down on them very much. Moreover, all the pythons simultaneously felt uneasy in their hearts. Humph! A level-seven super divine beast actually dared to show off in front of them. Did it really think that its pressure was invincible? One had to know that they had undergone demonic training! Therefore, they could withstand the pressure of a level-nine super divine beast for a while!

"Dahei, hurry up and do it! After eating the snacks, we can go back and prepare dinner!" Leng Ruoxue saw that they were staring at each other and couldn't help but urge them.

"Yes, Miss!" The black python flashed in front of the Snake Brothers, and then all the pythons collectively executed the same move, 'Divine Snake Tail Swing'. In an instant, thick snake tails of various colors danced in midair, and along with the snake tails, two red rays of light floated past

"Miss, what are they doing?" Feng Miao asked in confusion when she saw the pythons' actions.

"They are exercising for food! Before making roasted chicken, they need to be touched!" Leng Ruoxue looked at the red light floating in the air and explained with a smile.

"Oh!" Feng Miao understood and looked at her cousin and ex-fiancé with a hint of sympathy. Hm! For some reason, knowing that they were about to become food, not only did she not feel worried at all, she even felt a hint of joy!

Half an hour later, the pythons felt that they should be done with their exercise, so they threw the two red shadows down from the sky.

"Pa!" Two loud sounds were heard, and two large red birds landed on the ground.

"Just you wait.... You're dead for sure!" Feng Yan stuttered as he spat out the filth on the ground, Wu.... It was too much! Even if they possessed wings, they were unable to endure being tossed around like balls by a few beasts with inferior bloodlines! This was an extraordinary humiliation to the proud

Phoenix Clan, so he would absolutely not let these damn snakes off!

"Big Brother, we're being threatened by a bird!" the aqua-blue python yelled.

"It doesn't matter, it doesn't have a chance anymore!" The black python said disapprovingly. Oh! These two birds' stamina was really too poor. After just a few moves, they had already been tormented to the point of recovering their beast bodies. With such a small physique, they actually had the delusion of

not letting them go. It was truly laughable!

“Brothers, quickly eat your snacks!” Black Python said again.

“Yes, yes!” The pythons nodded excitedly. Then, they swarmed forward and pounced on the two giant birds that had been tormented to the point that they could not resist at all.

For a moment, the fiery red feathers abandoned their owner and danced in the air.

Chapter 720: Arrival of the Phoenix Clan (2)

Uh! It was really too violent. These snakes ate birds without spitting out their bones. Old Li, who was hiding in a corner and watching, broke out in cold sweat. If he didn't know that Leng Ruoxue and the others wouldn't kill him to silence him, he would have probably fainted from fright! However, after seeing this scene, he was even more determined to get along well with these people!

At the same time, the three old men in the hall who were deep in thought also received the report. However, when they rushed to the courtyard where Feng Xian and Feng Yan were staying, they only saw a collapsed room and a few fiery red feathers floating in the air. Leng Ruoxue and the others were sitting calmly at the side, and there was a group of pythons on the ground that seemed to be regulating their breathing!

After seeing all of this, the three old men's hearts couldn't help but thump! A bad premonition surged in their hearts.

“Where are Feng Xian and Feng Yan?” An old man could not help but ask.

“Eat it.” Leng Ruoxue, who was leaning comfortably in the embrace of the demon, lightly spat out two words before she stopped talking.

“What? Who ate it?” asked the old man in disbelief.

“My beasts! Can't you see that they're regulating their breathing? They might even advance in a moment!” Leng Ruoxue said with satisfaction. Oh! The Phoenix Clan's bird meat was indeed extraordinary. Many pythons showed signs of advancing!

“You really ate it?” That old man still didn't believe it and confirmed.

“It's true! If you don't believe me, ask Old Li.” Leng Ruoxue pointed at Old Li in the corner.

“Yes.” Old Li smiled bitterly and nodded. He had indeed seen it with his own eyes. Not only that, but these snakes were also very humble. They could eat more meat if they had a chance to advance. Sigh! He really did not know how other beasts were trained!

“It's over, it's over!” The old man stomped his feet anxiously, cold sweat dripping down his forehead. Sigh! The princess of the Phoenix Clan had died in Shadow City. The Phoenix Clan wouldn't let it go, much less Leng Ruoxue and the others. The Shadow League had also been implicated by this girl. Sob these people really had it coming!

“Little girl, you've implicated us!” Another old man spoke and looked at Leng Ruoxue with a bitter face.

“Why would I implicate you guys? Those two birds were eaten by my beast, it has nothing to do with you guys.” Leng Ruoxue smiled and played dumb.

“That Feng Xian is the princess of the Phoenix Clan. Since she died in Shadow City, that old hag from the Phoenix Clan will naturally hate us as well. So, tell me, did you implicate us?” The old man said. His shrewd eyes continued to size up Leng Ruoxue, and he couldn’t help but feel uneasy in his heart.

Hah! This girl is really too bold. She even dared to provoke the Phoenix Clan. He was getting more and more curious. What exactly did this young girl rely on?!

“The princess of the Phoenix Clan? Old man, as far as I know, the current clan leader of the Phoenix Clan is just a substitute. So, Fengxian can’t be considered a princess, right? My subordinate is the real princess of the Phoenix Clan! Don’t pick up the sesame seeds and throw the watermelon. That would really be a joke!” Leng Ruoxue said indifferently. It was both a reminder and a warning!

“Uh!” The old man looked at Leng Ruoxue, then turned his gaze to Feng Miao and examined her carefully.

“Little girl, no matter what, you still dragged us into this!” After a while, the old man, who had finished sizing her up, spoke again. Hm! He really hadn’t expected Feng Miao to be the daughter of the Phoenix Clan’s clan leader, which surprised him.

“If you insist on saying that, there’s nothing I can do. However, if you want to protect yourselves, when the people from the Phoenix Clan come to find you, you can also hand us over.” Leng Ruoxue suggested disapprovingly.

Uh! The old man was a little depressed. He didn’t expect Leng Ruoxue to be so straightforward. Actually, he didn’t mean it that way at all. The reason why he said this was because he hoped this girl could give him some assurance. However, who knew that she wouldn’t fall for it at all! Sigh! Didn’t they say

that the older the wiser? Why did they all transfer over in front of this little girl?

“Think carefully!” After Leng Ruoxue finished speaking, she ignored the three old men and closed her eyes.

Not long after, the Heaven Earth Law that advanced finally descended. More than half of the giant pythons had successfully advanced. Even those that did not advance, their profound strength had also increased quite a bit. It would not be long before they advanced.

After the pythons advanced, Leng Ruoxue and the rest led them out of the Shadow League’s camp and back to the inn.

In the guest room.

All the pythons obediently lay on the table.

Leng Ruoxue also removed everyone from the bracelet.

“Young Miss, what should we do now?” As soon as they came out, Feng Da couldn’t help but ask. They were sweating in the space just now! They were afraid that those old fellows from the Shadow League would lock Young Miss and the others up!

“Nothing!” Leng Ruoxue leaned against the demon and said calmly.

“Girl, you’re really bold. You even dare to kill the Phoenix Clan.” The little old man chuckled. Sigh! He knew that he wouldn’t be bored by this girl’s side. Look, even the powerful Phoenix Clan had been provoked!

“Grandpa Du, they wanted to kill me first, I was just defending myself!” Leng Ruoxue said innocently, her face full of grievance.

“Yes, yes, that’s right,” the little old man quickly agreed.

“Miss, I’m sorry! It’s all because of me!” Feng Miao said with a face full of guilt. Sigh! Initially, she was in a hurry to leave Shadow City because she was afraid of meeting Feng Xian, but she did not think that she could not escape and even caused trouble for Miss.

“You don’t need to blame yourself anymore, I won’t watch my beastman get bullied.” Leng Ruoxue comforted. Hmph! Her beasts were not to be bullied by anyone, not even the dragon and phoenix clans!

“Miss, let’s leave Shadow City quickly! The Vast Heaven Continent is so big. It’s also impossible for the Phoenix Clan to find us for a while.” Feng Miao thought for a moment and suggested. Although Miss was very formidable, the Phoenix Clan had many level-nine super divine beasts. Therefore, she was very afraid that Miss and the rest would get injured.

“Fengmiao! It’s not my nature to run away! Let’s not go anywhere and just wait here for the Phoenix Clan to arrive!” Leng Ruoxue said very seriously. If she was not strong enough, she naturally would not fight them head-on. However, she had many methods now. Even if the Phoenix Clan had many level-nine super divine beasts, she was not afraid!
