### Chapter 811: The Ruthless Leng Shuang (1)

“Damn it, you still have the face to say that my son would have died if you didn’t pester me?” Leng Yan roared back angrily. He wanted to chop Leng Qianye into pieces at the thought of this!

“Leng Yan, how can you wrong me? You were the one who wanted to drag me to drink tea and chat. I wanted to come back, but you refused to let him go. Now, you’re blaming me. Boohoo... Your family is really too good at distorting the truth.” Leng Qianye’s handsome face was full of grievance, and tears kept flashing in his eyes.

“You still have the face to say that you clearly know that something has happened to the family, but you actually pestered me and didn’t let go!” Leng Yan roared while being wary of Cheng Wu.

“I’m innocent! That place is full of your people. How would I know that something happened to the family?” Leng Qianye played dumb until the end, the expression on his face as aggrieved as it could be.

“Okay, even if you don’t know, why are you stopping me now?” Leng Yan thought that Leng Qianye was here to stop him, so the anger in his heart surged!

“I didn’t stop you! I just felt that it was a little embarrassing for you to bully the younger generation,” Leng Qianye said with a smile. In fact, he was mainly thinking whether Leng Yan’s father would be angered to death if he came. This family was very protective people, and looking at this, Leng Yan’s life would probably be lost here. Alas! How pitiful!

“Hmph! They killed my son. I don’t care if they’re juniors. In short, they’re dead meat,” Leng Yanhuo roared, his heart full of hatred. He only had this one son!

“Old fart, you have to have the ability to kill us!” Feng Da, who was watching the commotion by the side, said nonchalantly. Well! Many people from the Leng family wanted to kill them, but they all died in their hands in the end.

“All of you deserve to die!” Leng Yan was very angry, but he was entangled by Cheng Wu to the point that he couldn’t do anything at all. At this moment, the two of them had already fought for more than a hundred rounds, and the outcome of the battle couldn’t be determined at all! So, he became more and more uneasy in his heart. One had to know that he had advanced to Mystic Supremacy for many years, and no ordinary Mystic Supremacy could compare to him in terms of experience and profound strength. However, he actually couldn’t even take down a junior. How could he survive in the Leng family in the future if news of this got out!

“You deserve to die even more!” Cheng Wu said unhurriedly. Then he threw a pill to recover his mystic energy into his mouth. Hmph! Did this old thing think that he had a lot of mystic energy? It wouldn’t tire him to death!

“Damn it, how can you eat pills!” Leng Yan was furious! Wasn’t this cheating! It was really too despicable!

“We’re fighting a life and death battle! Either or us will die. Could it be that you won’t allow me to eat medicinal pills! You can also eat some if you want!” Cheng Wu said with some amusement and suggested very kindly.

“You...” Leng Yan’s face turned red, and the anger in his heart rose another level. He couldn’t help cursing. Damn, he was really too much of a bully. If he had it, would he not eat it!

There were a few alchemists supported by the Leng family, but the medicinal herbs refined pills that recovered mystic energy were very expensive. Therefore, it was impossible for a super family like theirs to refine too many, much less eat them like him in battle. This was really too wasteful!

“Big Brother Cheng, let me play.” Song Di, who was watching the commotion by the side, said with itching hands. Well! This old thing seemed to be quite strong!

“Okay,” Cheng Wu replied. Then, he gave the battlefield to Song Di and retreated to the side to watch the battle. Leng Yan was furious when he left. Damn, was this a tag-team battle?

“Haha! Old thing, you have to take care of yourself. We still have a lot of people!” Song Di reminded with a naughty smile.

“Damn it, cut the crap!” Leng Yan was angry. The consequences were very serious.

“You’ll suffer a loss in front of you if you don’t listen to me!” Song Di was very aggrieved. He had only kindly reminded him. How did he anger this old thing! Boohoo...

Song Di fought Leng Yan for nearly a hundred rounds on the field before changing again...

Moreover, Leng Ruoxue’s side was very self-aware. Each person went forward and fought for more than a hundred rounds before giving up their position. Well! In this way, they even saved using so many medicinal pills. Poor Leng Yan was already panting from exhaustion!

“Xue’er, you’re ruthless!” Leng Qianye, who had been watching the commotion, came to Leng Ruoxue’s side and gloated.

“Alas! There are too many subordinates, and there are usually no good opponents, so I can only wrong this certain person from the Leng family,” Leng Ruoxue said very innocently.

“Xue’er, if each of you were to fight another round, he would probably be exhausted to death!” Leng Qianye reminded. Well! He had lived for so long, but this was the first time he had seen a Mystic Supremacy die of exhaustion in battle. Xue’er had broadened his horizons.

“Another round? I’m afraid he won’t be able to last that long. However, what I want to say is that your Leng family is too lousy. A mighty Mystic Supremacy actually didn’t even prepare medicinal pills to recover mystic energy!” Leng Ruoxue accused.

“Little Xue’er, the materials for pills to recover mystic energy are very precious. There are so many people in the Leng family, how can we afford them!” Leng Qianye said aggrievedly with a bitter face. Boohoo... It was not good to have too many people in a family. There were not enough resources!

“The Leng family has been passed down for tens of thousands of years. Do you think I’m a three-year-old child?!” Leng Ruoxue obviously didn’t believe him.

“Xue’er, little girl!” Leng Qianye still wanted to explain, but he realized that Cheng Wu, who had gone on stage again, had already dealt with Leng Yan. Not only that, but he was instantly destroyed by a little red bird!

Uh! He should still pretend not to see it! However, Leng Feng that old thing would probably come soon after Leng Yan died.

“Master, the battlefield has been cleaned up. I guarantee that there won’t be any traces left behind. We can leave now.” Feng Zhan jumped onto Leng Ruoxue’s shoulder and said ingratiatingly.

“En, good girl!” Leng Ruoxue patted Feng Zhan’s little head and praised.

“Oh! Xue’er, does this little bird often do such things?” Leng Qianye’s forehead dripped with several black lines as he said in surprise.

“Isn’t that normal!” Leng Ruoxue said nonchalantly.

“Uh!” Leng Qianye didn’t know what to say. These people were really ruthless. They didn’t even leave their corpses behind. It seemed that he was still very kind compared to them.

## **Chapter 812: The Ruthless Leng Shuang (2)**

“Dammit! Who killed my son and grandson!?” Suddenly, a roar entered the ears of everyone that was about to leave.

After hearing this voice, Leng Ruoxue couldn’t help asking Leng Qianye with her eyes, was there anyone else above them?

Leng Qianye shook his head, indicating that there was nothing else.

An old man had already appeared in front of them just as they were exchanging glances.

“You killed my son and grandson?” Leng Feng’s slightly turbid eyes shot out a light of hatred. However, his pupils kept contracting when he saw Leng Qianye not far away.

“Who are your son and grandson? We don’t have outsiders here.” Leng Ruoxue’s face was not red as she lied without batting an eyelid!

“That’s right! Old man, if you want to find a son and grandson, don’t malign others!” Feng Da and the others hurriedly echoed.

Leng Feng was so angry that he was about to explode. He composed himself and then questioned, “Is the little girl Leng Ruoxue?”

He knew his grandson’s plan. Now that his grandson and son were dead, the little girl in front of him was alive and well. Therefore, he believed Leng Ruoxue was the murderer without thinking!

“I am.” Leng Ruoxue didn’t deny it.

“Lass, hand over your life!” Leng Feng attacked Leng Ruoxue without a word. However, how could Leng Qianye let him do as he wished? Leng Qianye raised his hand gently, and Leng Feng’s attack was resolved.

“Leng Qianye, could it be that you want to shield her?” Leng Feng roared furiously, his fire-breathing eyes glaring at Leng Qianye tightly. He was still afraid of Leng Qianye. However, he had worked in the Leng family for many years and finally had the power today. However, it was destroyed by a little girl now. How could he bear this!

“Leng Feng, do you know why all the elders of your line died? It’s because you’re too narrow-minded and can’t tolerate others, so I advise you to do your best.” Leng Qianye didn’t answer the question because he knew that this old thing wouldn’t listen to advice. However, he had to pretend. After all, if he even killed the other three, he was afraid that someone from his eldest grandfather’s line would take the opportunity to make things difficult for him!

“Hmph! My children and grandchildren are all dead. What’s the use of telling me this now? In short, I must kill Leng Ruoxue and the others and use them to mourn the souls of my children and grandchildren in heaven,” Leng Feng said with hatred.

“Old man! You have to have the ability to kill us even if you want to! Otherwise, you will probably be like your son and grandson!” Leng Ruoxue deliberately provoked. Well! Since this old man knew her name, then he should have participated in Leng Xing’s plan, so it was probably useless for her to pretend.

“What a sharp-tongued little girl. Don’t think that you can live today with Leng Qianye protecting you. Hmph! You’re dead meat!” He went all out for the sake of avenging his son and granddaughter.

“I don’t need him to protect me. Instead, it’s you. Why don’t I give you some time? Go get some helpers!” Leng Ruoxue reminded kindly.

“Alas!” Leng Qianye was half happy and half worried when he heard Leng Ruoxue’s words. He was happy to have such a powerful descendant, but he was worried that he didn’t have a chance to perform. Boohoo... Why couldn’t his descendant be like other people’s children? Why did he have to find the ancestors to support him? This little girl really didn’t give him a sense of accomplishment! Thinking of this, he felt extremely depressed.

“Hmph! Lass, be stubborn!” After Leng Feng finished speaking, he consecutively released a few streaks of mystic energy. Two of them attacked Leng Qianye, and the rest went straight for Leng Ruoxue...

Leng Ruoxue looked at Leng Feng with slight mockery. Then, she gently rotated her wrist. Han Ying’s sword light easily shattered Leng Feng’s mystic energy, and then the sharp sword light flew in Leng Feng’s direction...

Leng Feng looked at the threatening cold sword beam and was extremely frightened in his heart. This... How was this possible! This was a Mystic Supremacy’s mystic energy! How could it be shattered so easily? This sword...

Leng Feng had the intention to snatch the sword in Leng Ruoxue’s hand. This sword was so sharp, it was a pity to give it to a girl.

As the saying goes, a treasured sword deserves a hero, so he felt that only he was worthy of having such a sword. However, Leng Ruoxue still didn't know that someone had designs on her sword. Otherwise, she would have cut him into pieces long ago, and she wouldn't have the intention to tease him!

At this moment, Cheng Wu and the others had already surrounded Leng Feng and were staring at him like he was their prey.

"Leng Feng, your grandfather and granddaughter are really getting worse and worse. They even want to kill me!" Leng Qianye easily neutralized Leng Feng's attack and said with a light smile. Well! Now, if Eldest Granduncle had any ideas, he would have a reason. It was great! He couldn't wait for Leng Feng to attack him directly!

"Do you think I don't know that you're on the same side? Leng Ruoxue killed my son and grandson because you're backing her up! How would she dare to otherwise?" Leng Feng roared angrily.

"Old man, I find that your grandfather and granddaughter are quite self-righteous. If Leng Xing wants to plot against me, can I still let him plot against me? Since he dares to plot against me, how can he not pay a price? Moreover, I'll say it one last time. I don't need the Grand Elder to support me!" Leng Ruoxue said helplessly. Alas! Why couldn't the Leng family understand human language? How annoying!

"Lass, in that case, it's only right for me to kill you to avenge my children and grandchildren!" Leng Feng said with a cold smile.

"Of course, but the premise is that you have to kill me!" Leng Ruoxue said nonchalantly, not taking Leng Feng's threat seriously at all.

"Lass, take this!" Leng Feng launched another attack after hearing Leng Ruoxue's words.

"Okay, be careful!" Leng Ruoxue reminded. At this moment, Han Ying's sword light had already approached Leng Feng and cut open Leng Feng's defense with unstoppable force, hitting him directly. Immediately after, Leng Feng spat out a mouthful of blood...

Leng Ruoxue was very satisfied when she saw that Leng Feng didn't collapse like Leng Xing and only spat out a mouthful of blood. Well! As expected of a grandfather, he was just better at enduring beatings than a grandson! Seeing this, she directly injected water-attribute mystic energy into her sword, and then tens of thousands of sword beams scattered out with the meteor shower...

### **Chapter 813: The Ruthless Leng Shuang (3)**

Swish! Swish! Swish! The raindrops that carried sword lights easily penetrated Leng Feng's body. This time, Leng Feng was unable to endure it, and the profound technique that was accumulating strength in his hand was unable to be released in the end, causing him to fall to the ground and die....

Feng Zhan spat out a flame after Leng Feng fell...

"Uh! Xue'er, your subordinates and beasts are all trained well!" Leng Qianye said speechlessly. This little bird was a little too fast!

"It's okay. Grand Elder, will anyone else come later?" Leng Ruoxue asked uncertainly. Now that her grandfather had come out, who knew what would happen next time?

“Not for now. The ones closest to Leng Xing’s bloodline have been killed by you. However, this matter is not small. I’m afraid someone will use it as an excuse to make a fuss,” Leng Qianye said honestly.

“Oh! In that case, please clean up the door!” Leng Ruoxue said with a naughty smile. There were too many disputes in big families, so she was not interested in their internal conflict.

“Xue’er, this matter started because of you. Aren’t you going to bother with it!” Leng Qianye pouted and said deliberately with some displeasure.

“Well! If I manage it to the end, I’m afraid there won’t be many Leng family members left alive,” Leng Ruoxue said honestly. Her principle was not to leave trouble for herself, so the Leng family members who were related to Leng Xing’s grandfather and granddaughter probably wouldn’t be able to escape this disaster! Therefore, she handed the subsequent matters to the Grand Elder to handle. As long as those people went up to her and no longer provoked her, she would still give the Leng family face and not kill them all!

“Alas! Xue’er, leave the rest to me!” Leng Qianye sighed and said helplessly.

“Thank you, Grand Elder. I want to see Leng Rumei and her daughter now!” Leng Ruoxue said with a smile. Then she led everyone straight to Leng Rumei’s residence. However, when she reached the door, she found Leng Shuang and Leng Yimin in Leng Rumei’s room. However, eavesdropping was not a good habit, so she pushed the door open and entered.

In Leng Rumei’s room.

“Sister, are you done with the matters over there?” Leng Shuang asked with a happy smile after seeing Leng Ruoxue. She was in a good mood today.

“Okay.” Leng Ruoxue nodded. Then, she pulled the freak to find a random place to sit down. The others didn’t stand on ceremony and found a place to sit down.

“Who allowed you to come here? Get out!” After seeing Leng Ruoxue and the others, Leng Wanqiu, who was sitting by the bed, revealed endless hatred in her eyes and said fiercely.

“Leng Wanqiu, it’s not your turn to decide the Leng family now,” Leng Shuang’s beautiful face was cold as she warned in an unfriendly tone.

“Big Sister, please forgive me for losing my composure. However, they were the ones who caused Mei’er to be like this, so I couldn’t control my emotions. Please forgive me, Big Sister.” Leng Wanqiu held back the anger in her heart and said gently in a low voice. Hmph! She would deal with Leng Shuang properly after she became the Patriarch’s wife, so she could only bear with it now.

“Don’t call me Big Sister. I can’t hold this honour. Also, by the way, don’t even think about marrying Leng Yimin as long as I’m alive,” Leng Shuang said domineeringly.

“Patriarch...” Leng Wanqiu ignored Leng Shuang and looked at Leng Yimin with tears in her beautiful eyes. However, Leng Yimin turned his head and didn’t look at Leng Wanqiu at all.

“Let me tell you too. I won’t marry into the Sun family for your daughter. Your daughter isn’t qualified to marry my brother either,” Leng Ruoxue said timely.

“Leng Ruoxue, you harmed your own clansman. Not only do you not know how to repent, you actually...” Leng Wanqiu couldn’t continue. Faint tears rolled down her eyes. Her tear-stained appearance was enough to make any man’s heart soften. Unfortunately, no one present except Leng Yimin liked to treat women gently. Leng Yimin didn’t dare to pay attention to other women with Leng Shuang around.

“Clansman? You’re not talking about Leng Rumei, are you?” Leng Ruoxue’s face was full of curiosity.

“Rumei is the daughter of the patriarch and can be considered your master, but now, she can only lie in bed forever because of you. Shouldn’t you be ashamed? There will inevitably be injuries in the battle, so we can’t let you pay with your life. We just want you to do something now and find someone to rely on for the rest of Rumei’s life. Why aren’t you willing?” Leng Wanqiu questioned with tears in her eyes, her words even more like how much her daughter had been wronged.

Leng Ruoxue was a little speechless after hearing Leng Wanqiu’s words. What kind of logic was this! The patriarch’s daughter was her master? Hmph! What was she even thinking! She even wanted her to compensate him! Dream on!

“Could it be that making you Leng Yimin’s wife is also a form of compensation for you and your daughter?” Leng Shuang said with a spurious smile. Leng Wanqiu’s words made her blush a little. She had seen shameless people, but she had really never seen someone so shameless.

“I raised a pair of children for the patriarch. Shouldn’t the patriarch give me a title?” Leng Wanqiu questioned softly. She was full of confidence now that she had the patriarch backing her up.

“Should I? Leng Wanqiu, we both know what happened back then. Do I have to say it?” Leng Shuang questioned disapprovingly.

“I don’t understand what Matriarch means,” Leng Wanqiu pretended to be stupid.

“Leng Wanqiu, didn’t you plan everything back then?” Leng Shuang chuckled and looked at Leng Wanqiu lightly.

“I don’t know what the matriarch is talking about. Back then, it was clearly the patriarch who had a disorderly nature after drinking and bullied me. I was the victim, and for so many years, the patriarch didn’t give me a title. I didn’t say anything either,” Leng Wanqiu said, seemingly aggrieved.

“Leng Wanqiu, do you know why you were able to live well for so many years and your children are treated like the Eldest Miss and Young Master?” Leng Shuang said with a spurious smile. Then her beautiful eyes looked at Leng Yimin gently.

“Rumei and her brother are the children of the patriarch. Isn’t it natural to have the treatment of the young miss and the young master? Moreover, the patriarch loves them very much,” Leng Wanqiu said calmly.

“Haha! What a joke. A pair of illegitimate children of unknown origins enjoy the same treatment as the young master. Do you think I, the Matriarch of the family, can tolerate it?” Leng Shuang smiled

maliciously as if she was looking at a dead person. Hmph! She was even ruthless to her own man, let alone a cheap woman who missed another man.

#### **Chapter 814: The Ruthless Leng Shuang (4)**

“W-what do you mean?” Leng Wanqiu’s heart trembled as she said uneasily.

“Do you think the clansmen will accept them without my permission? Accept a pair of bastards with unknown fathers?” Leng Shuang smiled mockingly.

“They are the patriarch’s children. You actually said that they are bastards. Patriarch, you have to uphold justice for Wanqiu! The Matriarch is too much,” Leng Wanqiu said aggrievedly.

“The patriarch’s child? Leng Wanqiu, do you think everyone is a fool? In fact, Leng Yimin didn’t touch you at all back then,” Leng Shuang said this fact very cruelly.

“What?”

“Don’t spout nonsense!”

Leng Yimin and Leng Wanqiu’s voices sounded at the same time. One was surprised, and the other was guilty.

“I’m not spouting nonsense. The child’s father told me this himself. Moreover, he said a few of your characteristics,” Leng Shuang explained.

“Madam, is what you said true?” Leng Yimin’s face was full of disbelief. In fact, he felt a little guilty about these two women. However, he didn’t love Leng Wanqiu, so he could only compensate the child. Even though he also wanted to give Leng Wanqiu a title, Leng Shuang refused, so he didn’t force her. After all, he knew that he had already hurt his wife.

“Yes, Father-in-law knows about this too,” Leng Shuang said lightly.

“Madam, why didn’t you tell me earlier if you knew that I didn’t touch her? Why did you punish me?” Leng Yimin was aggrieved.

“Because you’re too soft-hearted. My father-in-law also said that he wanted to punish you. Otherwise, how can you bear the responsibility of being the head of the family in the future?” Leng Shuang said honestly. For more than twenty years, she had been punishing Leng Yimin as well as herself. However, her husband’s gentle character really needed to be tempered.

“I see. Madam, why did you encourage me to be close to them even though you know that those two children aren’t mine?” Leng Yimin was a little puzzled. Thinking about it now, this really didn’t match Leng Shuang’s character.

“Of course we have to put on a full show. Let them enjoy the treatment of the Eldest Miss and Young Master first. When it happens in the future, they will fall hard,” Leng Shuang said with slight hatred. Hmph! She had never been a kind person. How could she let go of someone who dared to plot against her and even let that person lead a peaceful life? Therefore, she held that pair of bastards high up. In the future, the extreme contrast would probably make them collapse.

“Madam, you even schemed against me.” Leng Yimin smiled bitterly. However, he had no right to blame Leng Shuang because what happened back then was indeed because of him.

“Who asked you to like to be protective of the fairer sex? Hmph! My man doesn’t need to care about other women. How will you remember if I don’t teach you a deep lesson?” Leng Shuang was ruthless to others, but she was even more ruthless to herself. Otherwise, she wouldn’t have drugged her husband.

“Madam, I already know my mistake.” Leng Yimin was very depressed.

“Leng Wanqiu, do you have any last words to say now?” Leng Shuang ignored the pitiful Leng Yimin and turned her gaze to Leng Wanqiu.

“Leng Shuang, you want to kill me? No! You can’t kill me. My great-grandfather won’t let you go if you kill me,” Leng Wanqiu threatened, thinking of her backer.

“Are you talking about Leng Xing? Unfortunately, he can’t care about you anymore. He’s already dead,” Leng Shuang gloated. Well! Leng Ruoxue didn’t acknowledge her sister for nothing and helped her so much.

“No! This is impossible! Great-grandfather is powerful, how can he die? Who killed him?” Leng Wanqiu’s face was full of disbelief. It could also be said that she could not accept this fact.

“It’s me,” Leng Ruoxue said lightly.

“You! Leng Ruoxue, how dare you! The Leng family won’t let you go.” Leng Wanqiu laughed proudly. Haha, did Leng Ruoxue still want to live after killing her great-grandfather? This time, she could finally take revenge for her daughter.

“I’m sorry. I forgot to tell you that Leng Yan and Leng Feng are also dead. Moreover, I killed them,” Leng Ruoxue said calmly.

Uh! Leng Shuang and Leng Yimin immediately broke out in cold sweat when they heard this and felt uneasy at the same time. It was really too ruthless. The Leng family would probably be in chaos this time. However, they also knew that this matter was no longer something they could manage.

“No! This is impossible!” Leng Wanqiu roared. She didn’t dare to believe this fact because if this was true, what would happen to her? She didn’t dare to imagine...

“Nothing is impossible in this world. The strong decide everything. They are not as strong as me and provoked me, so naturally, they will not have a good end. As for you! Even if you think of something that doesn’t belong to her, she will still be taught a lesson!” Leng Ruoxue said honestly. With this woman’s actions, she could not obtain anyone’s sympathy. A person valued self-awareness, but this woman happened to not have it. As the saying goes, a pitiful person must have something hateful, and she was definitely looking at the pitiful typical representative, making others grit their teeth in hatred!

“Big Sister, what do you plan to do with this woman?” Leng Ruoxue turned her head to Leng Shuang and asked. Well! Leng Shuang had tolerated for so many years, she shouldn’t let her go! Otherwise, it wouldn’t be Leng Shuang’s character.

“Sister, do you have a good idea? Well! Should I learn from Sister and treat her daughter first before making her suffer a living hell?” Leng Shuang asked after some thought.

“Big Sister, you can decide this kind of thing yourself. Well! On the account that you’ve planned for so many years, I won’t snatch her from you. However, if you want to let her go, then they’re mine.” Leng Ruoxue made it very clear that she wouldn’t let Leng Wanqiu go. After all, this mother and daughter had the intention to kill her, how could she let them live well!

“Sister, I won’t let them go,” Leng Shuang promised. Then she took out a white porcelain bottle from her storage ring and took out two pills from it. One was forcefully stuffed into Leng Wanqiu’s mouth, and the other was given to Leng Rumei, who was lying on the bed and unable to speak, but still staring at them.

“Yes, women are the worst.” Leng Ruoxue nodded in agreement. Then she looked at the porcelain bottle in Leng Shuang’s hand curiously. Well! What did her sister give them?

### **Chapter 815: The Sun Family invites (1)**

“Leng Shuang, you can’t treat me like this!” Leng Wanqiu, who was struggling on the verge of death, couldn’t help shouting.

“This is the Thousand Poison Pill. It was refined with almost a thousand poisonous herbs. The efficacy is special. I specially prepared it for you and your daughter. This pill won’t take your lives immediately, but it will torture you and make you wish you were dead,” Leng Shuang explained calmly, looking at Leng Wanqiu as if she was looking at a dead person.

“Haha! Sister, since you’ve already decided what will happen to them, we can leave this place too! However, you better send someone to watch over this place lest someone can’t bear to let them go.” Leng Ruoxue saw Leng Yimin frown from the corner of her eye and revealed a trace of pity, so she reminded lightly.

“Yes, I won’t let anyone have the chance to take advantage. In fact, it doesn’t matter even if they are released. This medicine can’t be cured. They will still die a month later,” Leng Shuang said confidently. Then, she ignored Leng Wanqiu and her daughter, who were gradually taking effect, and pulled Leng Ruoxue out of Leng Rumei’s room...

In the Snowfall Garden.

On a stone bench in the garden, Leng Shuang looked at Leng Ruoxue sitting opposite her with a worried expression and sighed.

“Big Sister, what’s wrong?” Leng Ruoxue asked with some amusement. The woman who coveted her man had already been punished, but Leng Shuang sighed.

“Sister, Leng Xing’s grandfather and granddaughter are all dead. I wonder how those ancestors will react.” Leng Shuang said her worries. Alas! She got along very well with Leng Ruoxue, so she was really worried about her safety.

“Big Sister, since we’re here, let’s take things as they come. Think about how quickly you’ll grow old!” Leng Ruoxue said nonchalantly. So what if they were so-called Old Ancestors? They were just Mystic

Supremacies that had cultivated for a long time. Therefore, she wasn't afraid as long as they were still Mystic Supremacies.

"Sister, there are many Leng family members and they are complicated. Therefore, even though Leng Xing and the others are dead, someone might jump out for the sake of benefits," Leng Shuang analyzed.

"That's good, let's settle it together!" Leng Ruoxue said with a light smile.

"Sister!" Leng Shuang was very helpless. Why wasn't this girl worried at all?

"Big Sister, I've already handed the rest to the Grand Elder, so let's not worry," Leng Ruoxue said honestly.

"Really? I'm relieved." Leng Shuang nodded and felt relieved.

"Okay, don't worry! I think what you should do now is to look after your man lest you get schemed against by other women," Leng Ruoxue teased.

"Bad girl, even Elder Sister is teasing you. However, Little Sister, aren't you curious about how I punished your brother-in-law?" Leng Shuang pretended to be angry and then couldn't help asking.

"This is a secret between you and your wife. I won't ask if you don't tell me yourself." Leng Ruoxue might be curious, but she respected other people's privacy very much. Moreover, she knew not to ask what she shouldn't ask, so she naturally wouldn't do anything to make things difficult for others.

"It's so good to have a sister like you," Leng Shuang said with emotion. However, she still didn't say what happened between her and Leng Yimin. Well! Just consider it as giving that man some face!

"Big Sister, I have something to tell you," Leng Ruoxue said after some thought.

"Sister, speak frankly." Leng Shuang was a little amused.

"Big Sister, we'll leave the Leng family later," Leng Ruoxue said. They had already discussed it, and Feng Da and the others were probably almost ready.

"Leave in a while? Why are you in such a hurry? Does the Grand Elder know?" Leng Shuang asked one question after another.

"Big Sister, I originally wanted to leave without saying goodbye, but since you're here, I'll greet you. I didn't tell anyone else," Leng Ruoxue explained.

"Sister, I'm afraid it's not appropriate for you to leave now. The Sun family suffered heavy losses in this competition. They probably won't let go of this opportunity if they know that you left Proud Cold City." Leng Shuang began to worry again when she heard Leng Ruoxue say that she was leaving.

"Leng Xing's grandfather and granddaughter have all died in my hands. Is Big Sister still worried about me?" Leng Ruoxue asked in return. In fact, she wanted to say that she didn't care about the Sun family at all. However, she felt that it was better to keep a low profile, so she didn't say it.

"Where is Little Sister going?" Leng Shuang could not help but ask.

"I don't know? Wherever we go counts!" Leng Ruoxue said. They originally wanted to go to the Dark Night Seas, but the Sun family was ultimately a big problem, so she decided to go to Sun Zhou City. However, she couldn't tell Leng Shuang this. Otherwise, this worried sister of hers would probably be worried to death.

"Then stay away from the Sun family's territory. The Sun family might not be as strong as before, but we still can't underestimate them," Leng Shuang reminded. She knew that she couldn't stop Leng Ruoxue from leaving, but she had to remind her.

"Okay, Sister, don't worry. We won't fight the Sun family head-on," Leng Ruoxue promised. She wouldn't fight the Sun family head-on. She was just giving herself to them.

"That's good." Leng Shuang nodded.

"Miss, we're ready." Suddenly, Feng Da's voice interrupted them.

"Yes, Big Sister, we're leaving. You should pretend not to know!" Leng Ruoxue reminded.

"Okay." Leng Shuang knew Leng Ruoxue did it for her own good. Otherwise, if the Grand Elder knew that she didn't report the matter, he would definitely not let her go!

Just like that, Leng Shuang reluctantly stood outside the Snowfall Garden and watched Leng Ruoxue and the others leave the Leng family. At this moment, the forbidden area in the Leng family's back mountain was also not calm!

In a room in the forbidden area.

The three Leng Xiaoyu brothers, the Grand Elder, and a few old ancestors of the Leng family were gathered here. However, the Leng family members of the old ancestors were nothing in front of the three of them.

"Ancestors, you have to uphold justice for Leng Feng, his grandfather, and his granddaughter!" an old man in his sixties said loudly.

"Make the decision? What decision? The three of us have long ignored the affairs of the Leng family for many years. You can cultivate in peace! Don't get involved in those mundane affairs if there's nothing else. It won't be beneficial to your cultivation level," Leng Xiaoxiao, Leng Xiaoyu's third brother, said calmly with raised eyelids. In fact, he understood what this old man meant. He was just pretending.

### **Chapter 816: The Sun Family Invites (2)**

"My Dear Three Old Ancestors, the three of them died unjustly! They actually died at the hands of a junior from the Leng family whose name has yet to change. That junior harmed his own clansmen and should be punished by the clan rules. I hope the three Old Ancestors can understand," the old man said stubbornly. In fact, it was not that he had a good relationship with Leng Feng. He was just planning for himself.

"How can a junior who can kill the three of them be nameless?" Leng Xiaoxiao asked curiously.

“Yes, I heard that that junior came from the lower realm and doesn’t have any status. However, she has someone backing her up, so she dared to kill Leng Feng’s grandfather and granddaughter.” The old man looked at Leng Qianye and said resolutely.

“Leng Hua, are you talking about me as your backer?” Leng Qianye said with a spurious smile. A perfect smile remained on his handsome face as he said without anger.

“Hmph! What do you think?” Leng Hua sneered.

“How would I know?” Leng Qianye said nonchalantly. This old man’s seniority was not as high as his, but he always liked to treat himself as an imaginary enemy. He had never liked to use his seniority to pressure others. Therefore, not many in the clan knew his true seniority. Many people only knew that his seniority was high, but they did not know how high it was. This old man was like that.

“You...” Leng Hua was furious. He didn’t expect Leng Qianye to actually dare to play dirty in front of the three largest ancestors of the Leng family. However, he was a little gloating because this meant that Leng Qianye would have a bad impression of the ancestors, and this was very beneficial to him!

“What about me? What I want to say is that she doesn’t need my support at all. Her beasts alone are enough to make Leng Feng’s grandfather and granddaughter suffer.” Leng Qianye narrowed his eyes and said with a light smile. Well! It was no longer a secret in the Leng family that Leng Ruoxue had many beasts, so he was not afraid of these people knowing. He just hoped that some people would be a little afraid and not risk their lives. Hmph! That little girl was not him. She would care about the ties of her clansmen. If he really angered that girl, she would definitely be a heartless person.

“Beasts? Our Leng family has so many Mystic Supremacies. Would we be afraid of a few Transcendent Divine Beasts?” Leng Hua said nonchalantly. He had also heard about Leng Ruoxue having many beasts. However, he didn’t take it to heart out of confidence in his family.

“If you’re not afraid, go ahead and find trouble with them. I won’t stop you, nor will I collect your corpses,” Leng Qianye said venomously because he knew that the little red bird beside Xue’er wouldn’t prepare the Leng family’s corpses at all. It would destroy the corpse directly with a fire.

“Isn’t the Grand Elder exaggerating too much to scare us! She’s just a little girl. How much power can she have? I don’t believe we can’t deal with a little girl as long as you don’t help,” Leng Hua said confidently.

“Go ahead and try if you don’t believe me,” Leng Qianye said coldly and then ignored the reckless Leng Hua.

“Three ancestors, please give the Leng family’s Soul Chasing Token!” Leng Hua pleaded. Hmph! As long as the Soul Chasing Token was given, that girl could forget about living no matter how great her ability was!

“Leng Hua, we don’t care about the Leng family anymore. If you want to get the Soul Chasing Token, you should look for the current patriarch of the Leng family,” Leng Xiaoxiao reminded. Alas! Leng Hua had lived for too long. He actually wanted to kill the few descendants of the Leng family in front of Second Brother. With Second Brother’s protective nature, he probably wouldn’t let Leng Hua go. Big Brother had yet to express any opinion, so he really couldn’t tell what the two of them were thinking for a while.

“Old Ancestor, Leng Yimin said that he can’t decide this matter,” Leng Hua complained angrily. Previously, he had sent someone to look for Leng Yimin, but he was refused. That was why he came to trouble the Old Ancestors, and there was no lack of intentions to make things difficult for Leng Yimin.

“If the patriarch of the Leng family can’t make the decision, then we can’t make the decision either,” Leng Xiaoxiao said very irresponsibly. As the saying goes, the tea would become cold when the person leaves! If the current patriarch refused to care, then they naturally had no reason to care! Anyway, there were so many people in the Leng family, so it was fine if a few died. However, the ones who died were all from Big Brother’s line. Well! Hopefully, Big Brother wouldn’t have any bad thoughts.

Among the three of them, Second Brother had the fewest descendants, and he didn’t have many. Most of the members of the Leng family were basically from the eldest brother’s line now. However, even though it was passed down from an ancestor, there were many open and secret disputes among them, so it wasn’t good to have too many descendants. However, Big Brother seemed to be quite calm, and he probably wouldn’t turn against Second Brother for the sake of a few incompetent descendants. After all, in terms of contribution to the family, no one could compare to Second Brother.

“Uh!” Leng Hua was a little dumbfounded. What did the Old Ancestor mean? Didn’t care? How could this be? He couldn’t understand.

“Leng Hua, Leng Feng and the others, let the matter end here. They only have themselves to blame for dying. You can’t blame anyone else. Therefore, you better behave yourselves and put away your thoughts. Otherwise, bear the consequences.” Leng Xiaoqing, who had been silent, warned.

“Old Ancestor!” Leng Hua’s face was full of confidence. Uh! Did he hear it wrongly! Leng Feng and the others were the descendants of this Old Ancestor! The Old Ancestor actually didn’t pursue Leng Ruoxue’s matter. This... This was too unbelievable. Even if Leng Ruoxue had the support of the Grand Elder, this shouldn’t be the result!

“Leave. Cultivate in peace. It’s been so many years. If you still can’t break through, there’s only death,” Leng Xiaoqing warned.

“Yes.” The old ancestors left the room gloomily after being reprimanded.

After they left, only the three Leng Xiaoyu brothers and the Grand Elder were left in the huge room.

“Big Brother, I’m sorry for causing you to lose so many descendants,” Leng Xiaoyu said lightly with a cold aura.

“They asked for it. They can’t blame anyone else,” Leng Xiaoqing said nonchalantly. He wouldn’t have any grudges with his younger brother for a few disappointing descendants. Moreover, those descendants were too different from him in terms of seniority, and he didn’t have too deep of a relationship with them. How could he fall out with his younger brother for them! Alas! The Leng family’s strength couldn’t be separated from Xiao Yu. He knew this better than anyone.

### **Chapter 817: The Sun Family Invites (3)**

“Grandpas, if there’s nothing else, I’ll take my leave too.” At this moment, Leng Qianye took the opportunity to say, Well! The atmosphere in the room was a little oppressive now, so it was better for him to leave.

“Qian Ye, when are you bringing the three of them over for us to meet?” Leng Xiaoqing said kindly.

“I can’t decide that. That little girl is stubborn! No one can force her unless she wants to,” Leng Qianye said helplessly. Although he hadn’t known Little Xue’er for long, he was pretty sure of that girl’s character. Therefore, he didn’t dare to rashly agree to Eldest Granduncle’s request. Otherwise, that girl would definitely turn hostile. Boohoo... He was really too pitiful. He actually had to look at the expressions of his descendants! There was such a cowardly ancestor in the world! At this moment, he didn’t know that Leng Ruoxue and the others had already left the Leng family!

“Oh! What a nice girl. Let’s see her when I have time!” Leng Xiaoqing compromised. A junior that Xiao Yu took seriously was naturally worthy of his attention!

“Grandpas, I’ll take my leave.” Leng Qianye nodded and then stood up to leave the room.

After exiting the forbidden area, Leng Qianye went straight to the Snowfall Garden. However, when he arrived, he realized that the building was already empty. Immediately, an abandoned feeling surged throughout his body!

“Boohoo... What a heartless little girl. She actually left without bidding farewell. She’s too much!” Leng Qianye sat on a stone bench in the garden with tears in his eyes. He complained silently. He was busy cleaning up the little girl’s mess, but the little girl actually sneaked away! Damn it!

Leng Ruoxue and the others left Proud Cold City and slowly walked in the direction of Sun Zhou City. However, after walking for nearly a day, they met the Sun family on the way.

Leng Ruoxue raised her beautiful eyes and looked at the dog blocking the way in front of her. She said with a faint smile, “Isn’t this the Sixth Elder of the Sun family? Is there something wrong with you blocking in front of us?”

“Leng Ruoxue, our Sun family invites you in,” the Sixth Elder of the Sun family said coldly with a cold face. Hmph! Leng Xing was really too useless. He actually let Leng Ruoxue leave the Leng family. However, this saved him a lot of trouble because he was planning to go to Proud Cold City to put up a thread for Leng Ruoxue and the others! He still didn’t know that Leng Xing had already died.

“Oh! Then Sixth Elder, lead the way!” Leng Ruoxue nodded and said with a light smile. Hehe! She was planning to go to the Sun family! The Sun family came to invite her. Well! She could say that the Sun family was very sensible!

“Uh! Miss Leng, please follow me!” The Sixth Elder of the Sun family was stunned, and then he said, “Damn! Could Leng Ruoxue be a fool? This is a Feast at Hongmen[1.Feast of Hongmen was a banquet set up with the aim of murdering a guest] for the Sun family! She actually agreed to go with him without thinking, so how could he not be surprised? In fact, before he came to look for Leng Ruoxue, he had prepared many plans, such as being polite before resorting to force, coercion, enticement, and so on. He had thought of all of them, but he didn’t expect Leng Ruoxue to actually agree so readily, and the plan he prepared didn’t even use one move. This didn’t prevent him from feeling a sense of accomplishment.

“Okay.” Leng Ruoxue nodded and summoned the little peacock, indicating for everyone to sit on it. Then they followed the Sixth Elder of the Sun family and flew directly to Sun Zhou City...

Leng Ruoxue and the others arrived at Sun Zhou City after flying for nearly a week.

The Sixth Elder never stopped talking as they walked on the streets of Sun Zhou City.

“Miss Leng, our Sun Zhou Cheng isn’t inferior to Ao Hancheng! You definitely won’t regret marrying into the Sun family,” the Sixth Elder of the Sun family said self-righteously.

“Sixth Elder, when did I say that I’m going to marry into the Sun family? I already have a fiancé,” Leng Ruoxue reminded. Hmph! It would be strange if she didn’t regret it. Along the way, this old man had intentionally or unintentionally flaunted the Sun family to her, but she had ignored him. She didn’t expect this old man to still not give up!

“You’re from the Leng family, so your marriage will naturally be decided by the Leng family. How can you settle down privately! The Leng family won’t admit it,” the Sixth Elder said confidently. Hmph! After knowing Leng Ruoxue’s beauty, many people in the clan missed her!

“What does it have to do with me whether the Leng family admits it or not? I’m not from the Leng family,” Leng Ruoxue said for the umpteenth time. It seemed like she had to find a time to sue the world. She had nothing to do with the Leng family. Otherwise, it would not be good to continue being misunderstood.

“Leng Ruoxue, how can you not even acknowledge the Ancestor Sect?” the Sun Family’s Sixth Elder said somewhat angrily. As a member of the Vast Heaven Continent, he was very clear about the importance of the family. Therefore, seeing a person who viewed the family as dirt now, he was really a little unaccustomed.

“This is my business. It has nothing to do with the Sixth Elder, right?” Leng Ruoxue said with a light smile.

“How can it be okay? You’re going to marry into our Sun family,” the Sixth Elder corrected.

Leng Ruoxue stopped talking after hearing what the Sixth Elder said because she really didn’t want to harp on this matter. What the Sun family thought was the Sun family’s business. If the Sun family wanted to marry the young lady of the Leng family, go ahead, but this person would definitely not be her!

“Sixth Elder, let’s stay in that inn!” After walking for a while, Leng Ruoxue suddenly pointed at a three-storey high inn. That inn had the Sun family’s totem, which should belong to the Sun family.

“Miss Leng, you are guests of the Sun family. It’s not suitable for you to stay in the inn. The Sun family has already arranged a residence for you,” Sixth Elder said.

“Oh! Then let’s go quickly! I’m tired and want to rest early,” Leng Ruoxue said impatiently.

“Rest early? Miss Leng, it’s not night yet?” The Sixth Elder was a little speechless. Leng Ruoxue and the others often asked to rest along the way, so they could reach Sun Zhou City in less than two days, day

and night, but they had to take almost a week to arrive. Thinking of this, he was a little depressed, but he had to agree. Otherwise, Leng Ruoxue and the others would walk even slower.

“Who said only night can rest! I want to rest now, who dares not to?” Leng Ruoxue said with slight displeasure.

“Uh! Then let’s go quickly!” The Sixth Elder quickened his pace after speaking. About half an hour later, he brought them to the Sun family’s main residence and arranged an independent yard for Leng Ruoxue and the others. Then he went to report to the patriarch himself. Boohoo... He was really working hard. His legs were about to break from running for the past few days.

#### **Chapter 818: The Sun Family Invites (4)**

After the Sixth Elder of the Sun family left, Feng Da and the others looked at their residence and clicked their tongues in wonder. “Miss, this place is actually called Snow Garden. I wonder if they did it on purpose or not.”

“Don’t tell me you think calling it Snow Garden is related to me?” Leng Ruoxue rolled her eyes and was a little speechless. Sigh! Her subordinates’ imagination was really becoming richer and richer.

“Hehe! It’s hard to say! Miss, I wonder why the Sun family invited us here. I’m really curious!” Feng Da said with a grin and then looked at Leng Ruoxue curiously.

“Definitely not to treat us to a meal. Don’t worry!” Leng Ruoxue smiled evilly and said calmly.

“Could it be that they want to take revenge? But if that’s the case, there’s no need to arrange for us to stay in such a good place, right? Wouldn’t it be better to just attack directly!” Feng Da guessed that the decorations and decorations in this snow garden were not inferior to the Snowfall Garden they lived in the Leng family!

“Why think so much? We will know eventually,” Empty said nonchalantly and found a random place to sit down.

“Okay, do as you please! I’ll go back to my room first.” After speaking, Leng Ruoxue pulled the freak to find a room and walked in...

After arranging for Leng Ruoxue and the others, the Sixth Elder went straight to the patriarch’s study.

In the study.

Sun Sheng sat in the main seat and looked up at the Sixth Elder in front of him, his handsome face revealing slight displeasure.

“Patriarch...” The Sixth Elder looked at Sun Sheng uneasily, feeling very uncertain. Boohoo... Why was the patriarch only looking at him and not saying anything!

“Why did you go for so long?” Sun Shengzhi asked. He had arranged the fastest flying beast for the Sixth Elder, but he didn’t expect this old fellow to go for so many days.

“Patriarch, Leng Ruoxue and the others’ beasts fly at a slow speed, and they always ask to rest. I was afraid that they wouldn’t be willing to follow me obediently, so I had to coax them,” the Sixth Elder

explained with a face full of grievance. Boohoo... If it wasn't for the patriarch asking Leng Ruoxue to be unharmed, he wouldn't have been so accommodating!

"Oh, have they arranged it?" Sun Sheng asked with half-closed eyes.

"Yes, I've arranged it. Please rest assured, Patriarch." The Sixth Elder nodded. To be honest, he was a little uncertain about the Patriarch's thoughts now. Logically speaking, Leng Ruoxue had crippled many juniors of the Sun family, so she should be considered an enemy of the Sun family. But why did the Patriarch still treat her so politely?

"That's good. Send someone to watch them lest they slip away secretly," Sun Sheng instructed.

"Don't worry, Patriarch. The Sun family is heavily guarded. Not even a fly can fly out," the Sixth Elder promised.

"Don't be careless. Leng Ruoxue is very important," Sun Sheng said very seriously.

"Patriarch, I kept testing Leng Ruoxue along the way. However, she's either pretending to be crazy or acting stupid. She's not easy to deal with!" Sixth Elder said worriedly. To be honest, he had never seen such a difficult opponent in all his life!

"Oh! What did you test her about?" Sun Sheng was a little curious.

"I told her briefly about the Sun family. Moreover, I said that she would marry into the Sun family. However, she said that she wasn't from the Leng family and wouldn't accept the Leng family's arrangement," the Sixth Elder said with a slight headache.

"That's not up to her!" Sun Sheng said nonchalantly. He had never seen Leng Ruoxue before, but he had heard of Leng Ruoxue's beauty. Otherwise, that person would not take her so seriously.

"Patriarch, I heard Leng Ruoxue is amenable to coaxing but not coercion. Moreover, she seems to have a good relationship with the young master," the Sixth Elder reminded. What he implied was that he could use the relationship between the young master and her.

"Oh, tell Teng'er to visit them when she has time. We have to stabilize her," Sun Sheng said after some thought.

"Yes," the Sixth Elder answered and then left the study.

In the Snow Garden.

Leng Ruoxue and the freak returned to their rooms to rest. However, Feng Da and the others started a fire in the garden and prepared to make dinner. Hehe! They didn't dare to eat anything from the Sun family.

"You guys really know how to enjoy yourselves!" Suddenly, a man's clear voice sounded in the garden.

"Yo, what brings the young master of the Sun family here?" Feng Da looked up at Sun Teng and said without much enthusiasm.

"I heard from the Sixth Elder that you guys were here, so I specially came to take a look," Sun Teng explained. Then he looked up and searched everywhere, but he didn't find any traces of Leng Ruoxue and the freak.

"Where are Leng Ruoxue and the others?" Sun Teng asked curiously.

"Miss is tired and went to rest. I'm afraid you won't be able to see her today." Feng Da said with a light smile.

"Oh! Erm... Why are you guys here in the Sun family?" Sun Teng couldn't help asking.

"The Sun family invited us! How dare we not come!" Feng Da said matter-of-factly, as if it was only natural.

"You... shouldn't have come," Sun Teng said faintly with a sigh.

"Can you let us do this! If we don't come, the Sun family will also think of ways to force us here!" Feng Da said understandingly.

"Don't worry, I'll think of a way to protect you," Sun Teng said after a moment of silence.

"Young Master Sun, thank you for your kind intentions, but think about yourself!" Feng Da reminded. He had a good impression of this Sun Teng. Unfortunately, Sun Teng just happened to be from the Sun family. Alas! Heaven was playing tricks on them! Sun Teng was destined not to be friends with them. In the future, he might even become enemies.

"This is the Sun family." Sun Teng smiled bitterly. No matter how powerful Leng Ruoxue and the others were, he didn't think these people could gain anything from the Sun family.

"Yes, we know. Young Master Sun, we want to eat. Do you want to join us?" Feng Da invited.

"Okay, then I won't stand on ceremony." Sun Teng sat down beside Feng Da and picked up a piece of raw meat to roast. Sometimes, he really envied these people's carefree and carefree lives. Such a life had always been his dream. Unfortunately, he couldn't get it.

Feng Da and the others chatted with Sun Teng as they ate, asking about the Sun family from time to time. Sun Teng basically answered all of their questions. Therefore, the guests and host were overjoyed during the meal.

### **Chapter 819: The Sun Family in Deep Fire (1)**

The next day.

Leng Ruoxue and the others slipped into the Sun family's main residence after breakfast, calling it a walk!

"Miss, the Sun family is quite big," Feng Da praised. They had been walking for the entire morning, but they had only walked a third of the way.

"This is, after all, one of the three major families. Isn't it normal for it to be big?" Leng Ruoxue calmly said. After that, her beautiful eyes carefully observed her surroundings.

“Hey! Hurry up and help me work!” When Leng Ruoxue and the others passed by a yard, an unruly voice suddenly sounded in everyone’s ears. However, none of them took it seriously and just continued walking.

“I’m talking to you? Are you deaf?” The voice chased and blocked their way.

“Are you talking to us?” Leng Ruoxue looked up at the girl blocking them and asked lightly.

“Who else could it be? Which yard are you from? How dare you ignore my words. I must tell the patriarch and punish you severely!” The girl looked at Leng Ruoxue in amazement, her words full of ruthlessness and jealousy.

Sigh! Leng Ruoxue couldn’t help but sigh softly. Did they really have the face of a servant? Why was Leng Rumei like this and the girl in front of her like this?

The aggressive girl in front of him was not very beautiful, but she was very cute. Her round face was red, and her big eyes were very bright. Unfortunately, if one wanted to have a good impression of her, the cuteness on her body would be destroyed when she opened her mouth to speak, and the superiority of the daughter of a noble family was fully displayed.

“Up to you.” Leng Ruoxue was very cold. She didn’t have much patience with such an unreasonable young lady from a noble family, so she only hoped that this woman in front of her had some tact and didn’t anger her! Otherwise, she wouldn’t be polite when she attacked.

“You... Do you know who you’re talking to? How dare you! I think you don’t want to live anymore!” the girl roared angrily. Hmph! She had never received such treatment in the Sun family! How preposterous!

“I’m alive and well, how can I not want to live? Moreover, who you are isn’t important to me. I just want to tell you to stay away from me and not provoke me,” Leng Ruoxue warned. Then, she led everyone to pass the girl in front of her from the side. Well! She was in a good mood today, so she didn’t want to bother with this unruly woman.

However, how could the girl let it go? Moreover, she was so angry that she took out the whip around her waist and waved it at Leng Ruoxue and the others...

Feeling the bloodthirsty aura, Leng Ruoxue’s beautiful eyes flashed with a cold light. Then, with a leap, the whip in the girl’s hand arrived in her hand.

Leng Ruoxue’s anger surged as she looked at the barbs on the whip. If it wasn’t for their strength, this whip would definitely not have been fun to hit her. Moreover, she had never had a good impression of the woman who used the whip. However, she had always liked to give her a taste of her own medicine, so she didn’t hesitate to swing the whip back at the girl...

The girl couldn’t help but be stunned for a moment because the whip was taken away. However, when Leng Ruoxue’s whip arrived in front of her, she suddenly woke up. However, it was already too late. The whip hit her firmly, causing her to cry out in pain, and her body was drenched in blood...

“Ah! How dare you hit me! I won’t let you go! I want to kill you!” The young girl cried out in pain, the anger and hatred on her face impossible to hide.

Leng Ruoxue swung her whip several times when she heard the girl's words. Hmph! She was not a person who would pity women. Moreover, she had no reason to let go of a woman who said she wanted to kill her. After all, this was the Sun family, and she wanted to nip the danger in the bud!

"Miss, she has already fainted," Feng Da reminded. He knew that his Miss hated whips, and this woman happened to encounter Miss's taboo, so she deserved to be beaten!

"Mn." Leng Ruoxue nodded. Then, she threw away the whip in her hand and left with everyone.

"Miss, why didn't you kill that woman?" Lü Tao couldn't help but ask. She hated that woman just now.

"Lü Tao! You've become violent," Leng Ruoxue teased with a light smile.

"Miss!" Lü Tao was speechless. She was violent? Then what was her young miss?

"Even though that woman is very annoying, it's enough to teach her a lesson. There's no need to kill her." Leng Ruoxue said disdainfully. It would be beneath her dignity to argue with an ant!

"Miss, I'm afraid we're in trouble again. We taught their young miss a lesson in the Sun family. The Sun family probably won't let us go, right?" Lü Tao asked curiously, her beautiful face full of anticipation.

"That's for sure, but who knows if she's Miss Sun," Leng Ruoxue said nonchalantly. Hmph! Didn't she come to the Sun family to cause trouble? She just didn't expect it to be so soon, so that woman knocking into her hand was asking for it! Initially, she didn't intend to teach that woman a lesson! Unfortunately, she didn't appreciate it.

"Miss, are we still going to spin?" Feng Da asked carefully.

"Let's transfer here today! Let's go back and wait for the Sun family to come and denounce us. Otherwise, how rude would it be if they missed!" Leng Ruoxue said very kindly. Then, everyone swaggered back to the Snow Garden.

Less than an hour after returning to the Snow Garden, the head butler of the Sun family brought people over.

In the garden, Leng Ruoxue sat on a stone bench and looked at the head butler standing in front of her and the others without saying a word. Both sides stared at each other.

"Cough! Miss Leng, I heard from the maidservants in the residence that you injured Miss Xu?" The head butler cleared his throat and said uncomfortably. Boohoo... These people gave him a huge pear.

"What Miss Xu? Do I know her?" Leng Ruoxue blinked her beautiful eyes, her beautiful face full of innocence.

"Uh! Miss Leng, did you injure a young lady?" The head butler had no choice but to ask in a different way.

"Yes, that's right. When we were taking a walk in the yard, a crazy woman said she wanted to kill us, so I taught her a small lesson," Leng Ruoxue said honestly.

## **Chapter 820: The Sun Family in Deep Fire (2)**

“That’s Miss Xu,” the head butler said. Then he couldn’t help but feel uneasy in his heart. He even taught her a small lesson. Alas! Miss Xu was beaten half to death.

“Oh!” Leng Ruoxue answered lightly and didn’t say anything else.

“Miss Leng, that Miss Xu is the mistress’s niece, so our patriarch is in a difficult position.” The head butler sighed softly. Boohoo... Why was Leng Ruoxue’s reaction so calm? Wasn’t she afraid?

“Oh!” Leng Ruoxue’s reaction was still not big.

“Miss Leng, the patriarch invites you in.” The head butler’s forehead was full of sweat. He thought, Why is it so difficult to communicate with this woman?

“Oh!” Leng Ruoxue answered lightly, then stood up and pulled the freak out of the Snow Garden.

“Miss Leng, where are you going?” The head butler wiped the cold sweat off his forehead and chased after the two of them as he asked speechlessly.

“Is the head butler’s memory so bad? Didn’t you say that your patriarch wants to see me! Of course I’m going to see your patriarch!” Leng Ruoxue said matter-of-factly.

“Uh! I’ll bring you there!” The head butler was a little crazy, but he still hurriedly said. Boohoo... He was really afraid that Leng Ruoxue would barge into the Sun family. This time, he beat up his cousin. Who knew if he would beat up Miss Sun next time!

“Okay.” Leng Ruoxue nodded reluctantly, but she was already laughing in her heart.

The head butler of the Sun family led the way sadly. Soon, he brought Leng Ruoxue and the freak to the main yard. Then, he asked the guard to report and led Leng Ruoxue and the freak directly into the living room.

In the living room.

Sun Sheng sat on the main seat. On either side of him were his two wives, and there were a few elders of the Sun family with higher status sitting below them.

After Leng Ruoxue and the freak entered the living room, they saw that everyone in the living room looked like they were going to denounce them. However, neither of them cared. Instead, they casually found two empty seats and sat down.

“Hmph! Is the mighty Miss Leng so rude? Master hasn’t even invited you to sit down! Why did you sit down yourself!” A very unfriendly voice sounded in the living room.

“Madam, are you talking to me? I need to make it clear that I’m not the young lady of the Leng family.” Leng Ruoxue raised her beautiful eyes and glanced at the young woman who spoke with a faint smile.

“You...” The young woman was so angry that she couldn’t say anything. Her limpid eyes stared at Sun Sheng pitifully, meaning for Sun Sheng to uphold justice for her!

“Miss Leng, you’re indeed a little rude,” Sun Sheng said with slight displeasure. Chang Yan said that guests should do as the host wished, but this guest didn’t care about him at all, so how could he not be angry! However, Leng Ruoxue was really the most beautiful woman he had ever seen. She deserved her reputation!

“Perhaps! However, I don’t think you’re very polite as a master! The Sun family’s patriarch, respect is mutual. I don’t see that you have the intention of respecting me, so there’s naturally no need to respect you,” Leng Ruoxue said with a light smile.

Sun Sheng looked to be around 40 years old. He had taken good care of himself. He was handsome and had the aura of a leader. His strength was Mystic Sovereign. As for the two women beside him, one was dignified and the other was enchanting. They were both in their thirties. However, their strength was not high. The best was a Mystic Monarch.

“Hehe, Miss Leng is indeed sharp-tongued. However, I didn’t invite you here to bicker with you. You injured our guest in the Sun family. You have to give me an explanation, right?” Sun Sheng said with a deeper meaning.

“What explanation? Could it be that the Sun family’s patriarch wants me to pay the medical fees? I beat up the Tenth Elder of the Leng family and compensated him with an amethyst coin. Oh! How many amethyst coins does the Sun family’s patriarch think that Miss Xu is worth?” Leng Ruoxue asked very innocently.

“Uh! This...” Sun Sheng didn’t know what to say because he realized that Leng Ruoxue was really as the Sixth Elder said, difficult to deal with.

“Miss Leng, Xu Jiao is my niece. Originally, I shouldn’t have stood up for her since my niece offended you, but her injuries were a little serious. However, she deserved it, so there’s no need to compensate. Miss Leng just needs to apologize,” a beautiful woman beside Sun Sheng said, her face still full of helplessness.

“Mrs. Sun, you also said that your niece deserved it. Do you think I will apologize?” Leng Ruoxue said with a spurious smile. Well! If she was not mistaken, this person should be Sun Teng’s mother, right?

“Miss Leng, I don’t want you to compensate me anymore. Can’t I just apologize?” Eldest Madam Sun was a little displeased. At this moment, she even felt that Leng Ruoxue wasn’t as good as her son said.

“If it’s my fault, I will naturally apologize,” Leng Ruoxue said calmly. She was a person who distinguished gratitude and grudges clearly. It was impossible for her to wrong herself for an unreasonable woman.

“Big Sister, I told you long ago that she won’t apologize. Why did you insist?” Another woman gloated, the hatred in her eyes disappearing in a flash.

“Eh! Could this be the legendary Madam Sun who eloped with President Wu?” Leng Ruoxue looked at the woman with limitless charm and an alluring figure and said with a light smile. Well! She finally saw the famous Madam Sun today. This woman wasn’t considered beautiful, but she had a charm that men couldn’t resist. Moreover, that sexy figure was probably the main reason why men were obsessed with her!

“What did you say?” As soon as the Second Madam of the Sun family heard Wu Gong’s name, she jumped up from her chair as if her tail had been stepped on. She glared at Leng Ruoxue with anger.

“Madam Sun, you’re so young. Are your ears not working well?” Leng Ruoxue’s beautiful face was full of pity.

“Leng Ruoxue, repeat what you said just now if you have the guts,” the Second Madam roared furiously. She was so angry that her originally not considered pretty face was a little distorted.

“Mrs. Sun, where did Wu Gong go?” Leng Ruoxue asked with a naughty smile. What a joke. Did she have to say anything if this woman asked her to? Moreover, which woman had the guts?

“Who should I ask if you ask me?” Second Madam gritted her teeth in hatred. At this moment, she really wanted to chop Leng Ruoxue into pieces.
