

## Crazy Wife 841

### Chapter 841: Azure Dragon Mountain (1)

Water and fire-attribute spiritual energy, which were slightly wild, rushed over from all directions and fused into the bodies of the four Mystic dragons. Immediately, the bodies of the four dragons became another size, and their power was even stronger...

The two fire dragons and the water dragons collided, causing a loud bang!

In an instant, flames soared into the sky and streams of light overflowed!

However, the four dragons were on par. After entangling for a long time, no one could do anything to each other!

The four dragons stopped fighting and glared at each other, releasing some pressure from time to time!

Just as Leng Xiaoyu and Sun Tao were each controlling their mystic energy dragons and were in a deadlock, Leng Qianye ran to Leng Ruoxue's side and looked at her resentfully.

"Little Xue'er, how can you abandon me! Boohoo..." Leng Qianye said pitifully. People who didn't know the situation would definitely think that Leng Ruoxue abandoned her in a mess!

"When did I abandon you? Don't spout nonsense!" Leng Ruoxue's forehead was covered in black lines as she said speechlessly. This fellow really dared to say anything! Fortunately, there were no outsiders here, otherwise, she would be misunderstood to death!

"You did! You left without saying goodbye. Boohoo..." Leng Qianye complained, tears still in his starry eyes.

"Grand Elder, we often leave without saying goodbye. Alas! The atmosphere during our farewells is too sad," Leng Ruoxue sighed.

/

"That's true! However, you can take me with you!" Leng Qianye said matter-of-factly.

"Take you with me? You are the Grand Elder of the Leng family. Won't the Leng family hunt me down if I abduct you?" Leng Ruoxue was very afraid of trouble, so she naturally wouldn't ask for trouble.

"No, I'm dispensable in the Leng family! I don't care about anything," Leng Qianye said resentfully.

"I'm the dispensable one!" Leng Ruoxue rolled her eyes and helplessly said.

"How can you be dispensable! You're very important," Leng Qianye said hurriedly.

"Let's not talk about this first. Tell me, why did you and that cheap old ancestor come here?" Leng Ruoxue asked curiously.

"To help you, of course!" Leng Qianye said with a smile, his handsome face full of pride.

"Oh! Thank you, then." Leng Ruoxue nodded and said politely. With the resourcefulness of the cheap Old Ancestor, it shouldn't be difficult to know that she was in the Sun family. However, she really didn't

expect them to specially come over to help her. This couldn't help making her feel a trace of warmth in her heart.

"Little Xue'er, there's no need to be so polite with us. However, we were still a step too late. Alas! We heard the explosion before we entered the city. We were afraid that something would happen to you! Fortunately, you were all fine," Leng Qianye said with relief.

"Hehe! How can it be so easy to kill us?" Leng Ruoxue said confidently.

"Yes, yes, you're all unkillable cockroaches! Your vitality is tenacious!" Leng Qianye said cooperatively.

"Uh! We're not cockroaches!" Leng Ruoxue said with two drops of cold sweat on her forehead.

"Hehe!" Leng Qianye laughed evily.

"By the way, is the cheap Old Ancestor and Sun Tao old enemies?" Leng Ruoxue asked uncertainly. From Sun Tao's tone, he seemed to hate the cheap Old Ancestor.

"My grandfather doesn't treat him as an opponent. That fellow is delusional. Just treat what he said as farting. Don't take it to heart," Leng Qianye said nonchalantly.

"Not only that! I think he likes to daydream." Leng Ruoxue smiled.

"Yes, yes. Little Xue'er, that fellow is a big pervert. You have to stay away from him. You will be very depressed if you are targeted by him!" Leng Qianye reminded.

"I think I've already been targeted by him," Leng Ruoxue said with a bitter face, feeling extremely depressed.

"It's okay. Grandpa will definitely beat him up this time until he doesn't dare to have any ideas about you. However, you have to be careful if you're alone. Sun Tao is very strong. In this world, no one can restrain him except Grandpa," Leng Qianye reminded.

"En." Leng Ruoxue nodded. Even though she was not Sun Tao's match now, as long as it was in the Boundless Heaven Continent, she was really not afraid of Sun Tao. No matter how strong Sun Tao's strength was, her own beasts would have to tire him to death with their tag-team battle. However, being remembered by others every day, after all, it was not a good thing. Therefore, if there was a chance, she still hoped to be able to eliminate Sun Tao. This fellow was a big worry in her heart!

"Can't you kill him?" Leng Ruoxue asked after some thought.

"There's definitely no way to kill him in the Boundless Heaven Continent. Sigh!" Leng Qianye said somewhat helplessly.

"Oh!" Leng Ruoxue was depressed.

"Little Xue'er, don't worry. When you're strong enough, you can definitely kill him in the future," Leng Qianye hurriedly comforted.

"It's okay. I'm not in a hurry. At most, I'll beat him up every time he comes," Leng Ruoxue said calmly.

“Yes, yes, he’s asking for a beating,” Leng Qianye agreed. Due to the restriction of the continent’s level, there were many things that could not be completed in this world, but beating was still possible.

The two of them chatted in private, and the battle between Leng Xiaoyu and Sun Tao also changed rapidly. The four dragons condensed from mystic energy gradually became more and more transparent after many collisions and killings. This was obviously a sign that their mystic energy was exhausted!

On the battlefield, Leng Xiaoyu looked at his old opponent calmly and said, “Sun Tao, we’ve fought so many times in the past that it’s difficult to determine the winner. Do you still want to continue fighting now?”

“Of course,” Sun Tao said resolutely. The two of them had not had the chance to fight for many years after cultivating for so long. They thought that they could defeat Leng Xiaoyu after their strength increased, but who knew that neither of them could do anything to the other. Alas! It was really depressing! No! He had to win!

“But I don’t think we need to waste time,” Leng Xiaoyu said disapprovingly.

“Leng Xiaoyu, unless you admit defeat,” Sun Tao provoked.

“Admit defeat? That’s impossible,” Leng Xiaoyu refused. What a joke! He didn’t lose, so how could he admit defeat?

“Then continue fighting. We must decide the winner today,” Sun Tao said with great determination.

“You’re still as stubborn as ever,” Leng Xiaoyu said helplessly. Since this old thing wanted to fight, he could only accompany him to the end.

## **Chapter 842: Azure Dragon Mountain (2)**

“Leng Xiaoyu, you’re bound to lose today,” Sun Tao said confidently. A long saber appeared in his hand.

As soon as the saber appeared, everyone present felt a terrifying murderous aura. The saber was about two feet long and as thin as a cicada’s wings, emitting a terrifying cold light!

“No wonder you’re so confident. So you obtained an advanced divine artifact,” Leng Xiaoyu said understandingly.

“Hmph! You’re definitely going to lose this time.” Sun Tao was full of pride. He had never been willing to use this saber since he obtained it. Today, he would use Leng Xiaoyu to test the saber!

“I admit that your Heavenly Artifact’s level is higher than mine, but it’s hard to say if I’ll lose!” Leng Xiaoyu also took out a saber. However, this saber was only an intermediate divine artifact, and its level was lower than Sun Tao’s saber.

“Is that so?” Sun Tao sneered and waved the saber in his hand to slash at Leng Xiaoyu...

Leng Xiaoyu also waved his saber. Tens of thousands of cold beams met in the air and collided, flashing with a dazzling light!

The two saber lights collided, causing intense sparks. However, the outcome was not determined.

“How is this possible?” Sun Tao was in disbelief. His saber was a high-level divine artifact! How did the battle end in a draw?

“Facts speak louder than words,” Leng Xiaoyu said calmly. Advanced divine artifacts were powerful, but divine artifacts had to be tempered no matter how good they were. Sun Tao’s saber obviously had not been tempered with him yet, and the saber he used was refined by him. Its affinity was definitely higher than others!

“Do you still want to fight?” Leng Xiaoyu asked again.

“Of course. We have to decide the winner today,” Sun Tao said fiercely.

“Alas! You really won’t cry until you see the coffin!” Leng Xiaoyu shook his head helplessly.

“Cut the crap! Look at the saber!” Sun Tao roared and slashed thrice. The saber beam carried cold air as it pounced at Leng Xiaoyu...

This time, Leng Xiaoyu adopted a defensive strategy.

When Sun Tao’s blade light containing mystic energy approached him, he had already increased his defense in advance, so the sharp blade light happened to collide directly with his defensive barrier...

“Bang!” The defensive barrier shattered, and the saber light completed its mission.

Following that, Leng Xiaoyu also waved his saber several times.

Tens of thousands of terrifying saber beams charged at Sun Tao with soaring flames. They were so fast that it dazzled everyone and caught them off guard!

Sun Tao hurriedly put up a defense when he saw this, but he was still a step too late. He was hit by several saber flashes, and a mouthful of blood directly spurted out from his mouth.

“Leng Xiaoyu, you can’t kill me. Haha!” Sun Tao laughed hysterically and disappeared from everyone’s sight...

Everyone was a little surprised to see Sun Tao suddenly disappear.

“Where did Sun Tao go?” Feng Da asked curiously. Well! Was the winner decided?

“He ran away,” Leng Xiaoyu said understandingly. Hmph! That fellow’s escaping skills were top-notch.

“I’m afraid we will have a lot of trouble in the future if he runs away,” Leng Qingtian said gloomily.

“Don’t worry. He should be very injured. Otherwise, he wouldn’t have run so quickly. Moreover, I believe that he won’t have time to find trouble with you for a while,” Leng Xiaoyu comforted.

“That’s good.” Leng Qingtian felt a little relieved hearing what the cheap Old Ancestor said.

“Grandpa, don’t worry. There are so many of us and the beasts. If he dares to come, we’ll fight him one by one. He’ll be exhausted to death.” Leng Ruoxue also comforted him. She didn’t want her family to be on tenterhooks all day because of Sun Tao.

“Little Xue’er, he has a high-level divine artifact in hand. You must not clash with him head-on. Try to hide if you can the next time you encounter him!” Leng Xiaoyu reminded.

“Advanced divine artifact is very powerful?” Feng Da was puzzled. His young miss also had a divine artifact?

“I can’t say that it’s very powerful, but it’s enough to deal with you if it’s in Sun Tao’s hands. Moreover, it not only makes you Mystic Supremacies, but your beasts are also level-nine Transcendent Divine Beasts. It’s difficult to withstand the might of advanced divine artifacts, especially in this world. Advanced divine artifacts are absolutely considered heaven-defying existences,” Leng Xiaoyu explained.

“Oh!” Leng Ruoxue understood. The main reason was that the level of this space was too low, so Sun Tao could abuse them, but they couldn’t kill Sun Tao. Alas! This was really depressing.

“Little Xue’er, if you want to kill Sun Tao, you can only level up quickly!” Leng Qianye said with a smile.

“What level is the cheap Old Ancestor now?” Leng Ruoxue was very curious.

“I’m now an intermediate Advanced God,” Leng Xiaoyu said with a smile.

“Little Xue’er, actually, Sun Tao, Qian Ye, and my two brothers are no longer from this world. By the way, there’s Empty beside you. He’s not either,” Leng Xiaoyu explained with a faint smile as she looked at the question marks on everyone’s faces.

“Then why did you guys return to the Boundless Heaven Continent?” Leng Ruoxue was somewhat puzzled.

“This is our hometown! We can return as long as we pay enough crystals,” Leng Xiaoyu said.

“However, after we return, we can only suppress our strength at the Mystic Supremacy level and can only use mystic power. Otherwise, the Heaven Earth Law won’t allow us to exist,” Leng Xiaoyu added.

“Even so, you don’t have any opponents in the Boundless Heaven Continent either, right?” Leng Ruoxue guessed.

“Yes, the mystic power we can use is unimaginable for other Mystic Supremacies. If we have a divine artifact, we will be even more powerful and unstoppable. More importantly, no one in this world can kill us. Little Xue’er, you will understand what I mean when you reach that world,” Leng Xiaoyu said honestly. The strength of their bodies now was no longer in the realm of humans.

“Lass, we really can’t kill that Sun Tao now.” Feng Zhan who’d remained silent all along echoed as well. Because of the restrictions of the spatial realm and the rules of the world in this world, they were unable to bring forth their full strength. Otherwise, if it was in the past, how could they have tolerated Sun Tao showing off in front of them! He would have been annihilated by them a long time ago.

“Yes, it’s okay. There will always be a chance in the future. Moreover, didn’t the cheap Old Ancestor say so! Sun Tao won’t dare to come for a while, so we have to cultivate hard and strive to advance as soon as possible to kill Sun Tao in the higher realm,” Leng Ruoxue said confidently.

### **Chapter 843: Azure Dragon Mountain (3)**

“Yes, yes.” Everyone nodded hurriedly.

“Little Xue’er, the Sun family is gone now. Can you return to the Leng family with me? My two brothers still want to see you!” Leng Xiaoyu discussed.

“I don’t know them, I’m not interested in meeting them,” Leng Ruoxue said without giving him any face. She didn’t have time to socialize with the Leng family now. After several battles, she could already vaguely feel that the ‘Heaven Defying Art’ had signs of advancing. In addition to the potential threat of Sun Tao, that big worry in her heart, she wanted to find a place to cultivate for a while. Of course, it was best if she could advance directly.

“Uh!” Leng Xiaoyu was depressed. Boohoo... This girl didn’t even give him face.

“Little Xue’er, where do you plan to go? Bring me along!” Leng Qianye said with anticipation, his dark eyes blinking non-stop.

“We plan to enter seclusion to cultivate. Are you going?” Leng Ruoxue looked at Leng Qianye with a smile.

“Uh! Forget it then. However, I can provide you with a place if you cultivate,” Leng Qianye said mysteriously.

“Forget it if it’s the Leng family,” Leng Ruoxue said nonchalantly. In fact, she was very clear about what Leng Qianye was planning, but she really didn’t want to have too much to do with the Leng family. After all, she had killed many people in the Leng family, so she didn’t want to embarrass herself.

“Uh!” Leng Qianye was also depressed. How could this little girl guess so accurately! He wanted Little Xue’er to cultivate in the Leng family’s forbidden area, but this little girl blocked them with a single sentence. Boohoo... She was really too much of a bully. Thinking of this, he couldn’t help sneaking glances at Leng Ruoxue resentfully.

“Don’t look at me with such a gaze. I’m a person who differentiates gratitude and grudges. I’m also good to whoever is good to me. If anyone hates me, I won’t use my hot face to stick to other people’s cold buttocks, so the Leng family isn’t suitable for me,” Leng Ruoxue said bluntly. She knew that not many people in the Leng family welcomed them except for this pair of grandfather and granddaughter, and she didn’t want to have too much involvement with the Leng family.

/

“Then where do you plan to go?” Leng Xiaoyu asked helplessly.

“I don’t know. Maybe I’ll find a deserted mountain,” Leng Ruoxue said casually.

“Oh, then go ahead. Call me if you need me.” Leng Xiaoyu took out a jade tablet and handed it to Leng Ruoxue.

“Okay.” Leng Ruoxue accepted the jade tablet, then bid farewell to the two of them and left Sun Zhou City with everyone.

“Grandpa, we’re letting Little Xue’er leave just like that?” Leng Qianye said indignantly after Leng Ruoxue and the others left. Boohoo... Little Xue’er actually abandoned him again!

“What else? Do you really plan to go into seclusion with them?” Leng Xiaoyu asked.

“I don’t want to!” Leng Qianye said with a bitter face. In fact, what he didn’t say was that he was afraid that Little Xue’er would fool him! Little Xue’er was obviously despising him! Boohoo... He was so sad!

“Don’t think too much. That girl really wants to enter seclusion to cultivate.” How could Leng Xiaoyu not understand her grandson’s thoughts? She comforted him.

“Yes, Grandpa. Where are we going?” Leng Qianye couldn’t help but ask. He didn’t want to return to the Leng family now!

“To the Leng family, of course,” Leng Xiaoyu said matter-of-factly.

“Oh!” Leng Qianye was very unwilling.

“I’ll go back. Help yourself,” Leng Xiaoyu said again.

“Ah! Grandpa, why didn’t you say so earlier!” Leng Qianye complained.

“What did you say earlier? You’re not a child anymore. Why are you following behind Grandpa all day!” Leng Xiaoyu said disdainfully. With that, she directly teleported and disappeared.

“Boohoo... Grandpa despises him too,” Leng Qianye couldn’t help but mutter to himself. Then, he flashed and disappeared from the spot.

After Leng Ruoxue and the others left Sun Zhou City, she instructed the little peacock to find a secluded place to cultivate and advance.

A day later.

The little peacock found a tall and straight mountain peak ten thousand meters away from Sun Zhou City. That mountain peak towered into the clouds and was majestic and imposing. However, it didn’t look like a barren mountain at all.

“Little peacock, you brought us to the wrong place!” Feng Da looked at the tall mountain with lush leaves and asked in puzzlement.

“This is the best place nearby. There won’t be many people who dare to come even though it’s not a barren mountain,” the little peacock explained.

“Why is that?” Feng Da and the others were puzzled.

“Because there are bandits in this mountain,” the little old man said.

“Bandits? Hehe! Bandits are good! I like them.” Feng Da smiled happily when he heard there were bandits.

“The bandits here aren’t those from the dirty river. The bandits here are all organized. Those below Mystic Sovereign don’t dare to come here,” the little old man explained.

“Could this be the Azure Dragon Mountain?” Cheng Wu asked carefully. He had heard of the famous Azure Dragon Mountain. It was a famous bandit’s den! It was even more fierce and unreasonable than the original five major forces in Myriad Mountain City.

“Yes.” The little old man nodded.

“How are the bandits here compared to Myriad Mountain City?” Leng Ruoxue asked curiously. Although she had been in the Boundless Heaven Continent for several years, she really didn’t know much about some forces on the continent, especially those forces she didn’t have the chance to come into contact with.

“Lass, there’s no way to compare. The bandits here are organized and disciplined. They can be considered professional bandits. Even though Myriad Mountain City is chaotic, bandits are nothing,” the little old man said.

“Uh! Professional robber!” Leng Ruoxue was speechless. Bandits had become professions. Impressive!

“Hehe! Lass, even though there’s only one bandit’s nest in the Azure Dragon Mountain, there are many people and they are powerful. Moreover, the specialty of the Azure Dragon Mountain bandits is that as long as you enter the inner circle of the Azure Dragon Mountain, you have to let them rob you. Unless your strength is above theirs, their words are heaven. However, if you wander around the outer circle, you just have to give them a fixed entrance fee. That way, they won’t rob you,” the little old man said with a smile. Unless one was a true peerless expert, no one dared to enter the inner circle.

“Oh! Then these bandits are quite particular,” Leng Ruoxue said with some amusement.

#### **Chapter 844: Azure Dragon Mountain (4)**

“There’s no choice! If not for that, they would have been jointly eliminated by the various large factions long ago. And it’s said that there’s a reason for such a rule,” the little old man kept everyone in suspense and said.

“What reason?” Sure enough, Feng Da and the others were all curious.

“Because of the resources of Azure Dragon Mountain. Lass, you should know that there are countless natural treasures in high mountains, forests, and other places, right?” the little old man asked Leng Ruoxue.

“Yes, heavenly treasures like such places as long as the conditions for growth are suitable,” Leng Ruoxue agreed.

“There are many natural treasures in the inner circle of this Azure Dragon Mountain, and it once made the various major forces envious. Legend has it that a long time ago, the Azure Dragon Mountain was occupied by a peerless expert, and those forces that coveted the resources of the Azure Dragon Mountain were fiercely taught a lesson by that peerless expert, and he asked them to swear that they would never invade the Azure Dragon Mountain.”

“Of course, that expert also agreed to let them enter the Azure Dragon Mountain to search for treasures and explore. However, they have to follow the rules of the Azure Dragon Mountain. As for the bandits in the Azure Dragon Mountain now, they should be the subordinates and descendants of that expert at that time. For tens of thousands of years, they have been slowly developing and growing with the Azure Dragon Mountain as their back. However, they rarely leave the Azure Dragon Mountain.” The little old man slowly explained the history of the Azure Dragon Mountain.

“This legend has been around for a few years. Even though it’s impossible to verify its authenticity, from the various factions’ attitude towards Azure Dragon Mountain, it should be true,” the little old man added.

“Since that expert is so powerful, why did he agree to let them enter Azure Dragon Mountain after teaching the various major factions a lesson?” Lü Tao could not help asking.

“Hehe! Lü Tao is inexperienced, so she naturally doesn’t understand the twists and turns between the forces.”

“That powerhouse might be very powerful, but if he doesn’t have a descendant who’s as powerful as him, when he leaves this world, his descendant will similarly be unable to protect the resources of Azure Dragon Mountain. Instead, there will be a disaster. Therefore, after he taught the various major forces a lesson and made them swear an oath, he naturally has to give them some benefits. Otherwise, let those forces bear a grudge in their hearts. In the future, how can his descendants and subordinates walk on the Boundless Heaven Continent! They can’t always not leave Azure Dragon Mountain, right? If one day, Azure Dragon Mountain’s resources are exhausted, won’t his descendants and subordinates starve to death!” the little old man explained with a chuckle.

“However, after so many years, the resources in the Azure Dragon Mountain have long been inferior to before, so the various major forces are not as interested in the Azure Dragon Mountain as before,” the little old man said.

“Oh, Grandpa Du, how many entrances are there in this Azure Dragon Mountain?” Leng Ruoxue asked.

“One can only enter from there,” the little old man said with a smile.

“Then let’s go in! Let’s find a place with fewer people in the inner circle to focus on seclusion,” Leng Ruoxue said after some thought.

“Hehe! Lass, you have to be careful of the bandits on the Azure Dragon Mountain when you enter the inner circle! If you encounter bandits in the inner circle, they will rob you until you only have your underwear left!” the little old man reminded.

“Oh! They still have some humanity. At least they didn’t let others be naked,” Leng Ruoxue praised. If she was a robber here, she would make the person robbed lose even their underwear.

“Uh!” Hearing Leng Ruoxue’s words, everyone couldn’t help but break out in cold sweat.

“Little Peacock, land! Let’s go in,” Leng Ruoxue ordered, ignoring everyone’s expressions.

“Yes, Miss.” The little peacock obediently descended from the sky. It landed at the entrance of Azure Dragon Mountain.

Leng Ruoxue and the others jumped down from the little peacock’s back. The two guards sitting at the entrance of Azure Dragon Mountain raised their eyes and looked at them before continuing what they were doing.

“We are going into the mountain.” Leng Ruoxue said bluntly after seeing the two guards’ reactions.

“Ten amethyst coins per person, including beast beasts.” A guard said lightly.

“What? Beasts also need money?” Feng Da said in disbelief. These people were indeed bandits! They actually earned the money of beasts. He felt that he had been to many cities, but he had never seen a city that accepted beast fees!

“We can choose not to hand over the beast, but we can’t use it in the mountain either,” a guard explained.

“Oh! This is 2,000 amethyst coins to buy 200 spots.” Leng Ruoxue generously took out 2,000 amethyst coins and handed it to the guard at the door.

“This is the first time I’ve seen you so generous as to enter the mountain! Seeing that you’re so straightforward, I’ll make the decision to give you an additional twenty spots,” the guard said very generously and handed Leng Ruoxue a card. At the same time, that was the proof of their fee.

“Thank you.” Leng Ruoxue smiled. The entrance fee here was nothing compared to Shadow City.

After speaking, Leng Ruoxue led everyone into Azure Dragon Mountain...

### **Chapter 845: Different Treatment By A Bandit (1)**

In the Azure Dragon Mountain, the mountain was tall and steep, and the hill was covered in green trees. Even though there were dense giant trees planted everywhere, the temperature in the mountain was still lower than outside.

After Leng Ruoxue walked into the Azure Dragon Mountain, the first thing she entered was the periphery.

On the periphery, their group also met a few teams. Some were friendly, and some treated them as opponents. After all, the resources on the periphery were limited.

“Miss, why did we come to such a place that requires money if we were going into seclusion?” Lü Tao asked in puzzlement. Her heart ached when she thought of the two thousand amethyst coins.

“You have to spend money to make money. Even though we spent 2,000 amethyst coins, it’s not impossible to earn it back here. So, closed door cultivation is one thing, but also! We can train in this mountain, why not!” Leng Ruoxue said with a light smile.

“Haha! Lass, you’re right. As long as we’re lucky, we can definitely earn back 2,000 amethyst coins. However, it’s impossible for us to do it outside.” The little old man smiled in agreement. On their way here, they had encountered some herbs. Even though they were only ordinary herbs, they couldn’t be let go. After all, those herbs were still useful and could be used as supplementary ingredients for other pills.

If he wanted to encounter treasures of the heaven and earth level, he had to enter the inner circle besides luck.

“Miss, are we still going in today?” Feng Da looked at the sky and asked.

“Let’s not go in. Let’s camp outside today!” Leng Ruoxue said after looking around.

“Okay!” Feng Da answered. Then, everyone divided the work very tacitly, setting up tents, starting a fire, and cooking.

Leng Ruoxue and the others had just eaten when another group of people arrived.

After the group arrived, they patrolled the surroundings. Then, a young man walked in front of Leng Ruoxue and the others.

“Hello, everyone. This place is very big. We want to camp here. May I know if that’s possible?” The young man was very polite and looked like the leader of this group.

The place Leng Ruoxue and the others were at now was very spacious and was definitely the best venue for camping, so it was normal to attract others.

“Sure.” Leng Ruoxue nodded. This wasn’t their home. However, since they were willing to ask, it meant that these people were still very particular. She naturally wouldn’t hold on to this place and not let go.

“Thank you,” the young man said gratefully. His handsome face was still full of amazement. However, after thanking him, he turned around and returned to his team. Then, he arranged for someone to set up a tent, start a fire, and cook.

Soon, another team walked over from a small road. They obviously liked the terrain here. The leader casually looked at the two teams present and directly ordered his subordinates to set up the tents.

“Uncle Qi, why is there someone else here?” a sharp female voice questioned with dissatisfaction.

“Miss, the terrain here is the best. Let’s make do with it!” the middle-aged man called Uncle Qi said helplessly.

This Eldest Miss was so willful that he was about to go crazy. This was not the family, so he could let her do whatever she wanted. Hopefully, she would be sensible and not cause any trouble.

“Uncle Qi, I’m the eldest daughter of the Qi family. How can you let me make do!” Qi Hong’er was instantly angry when she heard this. She had always been able to call the wind and summon the rain in the family. She could have whatever she wanted. Who dared to let her make do!

“Miss, this isn’t the Qi family,” Uncle Qi reminded her.

“I don’t care. Drive them away. There can’t be anyone else where I live,” Qi Hong’er said barbarically.

“Miss, this isn’t a place for you to throw a tantrum,” Uncle Qi said impatiently. He ignored this unruly eldest daughter and turned to busy himself.

“Go chase them away!” Qi Hong’er pointed at a subordinate.

The subordinate looked at Qi Hong’er and then looked at the middle-aged man called Uncle Qi. He said with some difficulty, “Miss, I came first. There are rules to walk on the continent. We can’t do this.”

“How dare you disobey my orders? I don’t care. Hurry up and chase them away!” Qi Hong’er roared at the top of her lungs, her beautiful face a little deformed.

“Qi Tong, come here,” Uncle Qi shouted.

“Miss, Uncle Qi is calling for me,” the subordinate named Qi Tong said hurriedly and walked towards Uncle Qi.

“Damn it, how dare you disobey my orders. Hmph! I must tell Father to punish you!” Qi Hong’er threatened angrily.

With that, she angrily came in front of the young man and said arrogantly, “I like this place. Please leave.”

“On what basis?” Before the young man could say anything, a middle-aged man in his team spoke first with dissatisfaction.

“Because I’m the eldest daughter of the Qi family and the future mistress of the Leng family,” Qi Hong’er said proudly, her beautiful face full of arrogance.

“You’re the eldest daughter of the Qi family?” The young man looked up and asked lightly.

“Yes, my name is Qi Hong’er. I’m the most favored daughter of the Qi family’s patriarch and the future Young Madam of the Leng family.” Qi Hong’er’s proud tail was about to curl up.

“Since you’re the eldest daughter of the Qi family, didn’t the patriarch of the Qi family teach you the rules?” the young man asked with a light smile, the disdain in his eyes flashing for a moment.

“Damn it, do you know who you are talking to?” Qi Hong’er was not stupid. Of course, she could hear the sarcasm in the young man’s words. Therefore, she was instantly like a cat whose tail had been stepped on. She was angry!

“Of course I know. However, I know even more that the strong are respected in this world. Therefore, even if you are the Qi Family’s patriarch’s most favored daughter, the Leng Family’s young patriarch’s future wife, you have to follow the rules of the Boundless Heaven Continent,” the young man said calmly.

The young man knew very well that the Qi family and the Leng family were in-laws. However, if they thought that he should bow down to them and be humble because of the Leng family, that would be a huge mistake. After all, the master behind him was not to be trifled with, and he naturally could not lose his master’s face. This was what the elders of the family had warned repeatedly before he left home.

#### **Chapter 846: Different Treatment By A Bandit (2)**

“You... You will regret it! State your name if you have the guts,” Qi Hong’er roared with a red face and neck.

“Luo Lin,” The young man said softly.

“You are from the Luo Clan? Very good, I won’t let your Luo Clan off,” Qi Hong’er said fiercely.

“Are you sure? Don’t do anything you regret,” Luo Lin reminded coldly.

“Hmph! Just you wait, Luo Clan.” Qi Hong’er turned around and left angrily after leaving those vicious words.

After losing all her face at Luo Lin's place, Qi Hong'er was unwilling to give up and came directly to Leng Ruoxue and the others, wanting to recover some face.

"Leave this place immediately," Qi Hong'er ordered loudly.

"Idiot," Lü Tao spat and said disdainfully. The others didn't even look up.

"You guys... I'm the Eldest Miss of the Qi family, the future mistress of the Leng family!" Qi Hong'er roared angrily.

"So what? Even if you are the eldest daughter of the Leng family, you have to scram," Lü Tao said impatiently.

"You... Damn it! Report your name if you have the guts." Qi Hong'er was so angry that she stuttered.

"You don't deserve to know." Lü Tao ignored her.

"You..." Qi Hong'er pointed at Lü Tao, trembling with anger.

"You what you? Get lost!" Feng Dahai roared. Damn woman, how dare she point at his woman. She was really tired of living.

"Just you wait!" Qi Hong'er was so angry that her face turned green. After similarly throwing out fierce words, she reluctantly returned to her team.

"The world is really big. There are all sorts of women. These young ladies from aristocratic families are really too annoying," Feng Da said with a face full of disdain.

"Haha! There are too many daughters of such families, so we have to be calm. It will lower our status to argue with them," Leng Ruoxue said with a light smile. In her opinion, this was just a clown who didn't know the immensity of heaven and earth, purely for them to relieve their boredom.

"Yes, yes. Don't be calculative with her. If you don't like it, just crack it directly," Feng Da said with a smile.

"Uh!" Hearing Feng Da's words, two drops of cold sweat dripped down Leng Ruoxue's forehead. She thought in her heart, her subordinates were really becoming more and more violent.

After dinner, Cheng Wu and Song Di stayed behind to guard the night, while the others entered the tent early to rest.

The next morning.

After Leng Ruoxue and the others left the tent, they made breakfast and continued on their way after eating.

"Miss, those two teams are behind us," Cheng Wu reminded softly.

"Yes, they should also be going to the inner circle," Leng Ruoxue said understandingly. There were not many roads to the inner circle, but the road they were taking was the most spacious and easiest, so it was normal for the two teams to walk.

"Uncle Qi, how far are we?"

“Miss, we’ll be there soon. Let’s rest after entering the inner circle.”

Soon, the Qi family’s Eldest Miss and Uncle Qi’s voices entered Leng Ruoxue and the others’ ears. Obviously, the two teams were very close.

After walking for nearly half a day, all three teams entered the inner circle.

Be it beasts or herbs in the inner circle, their levels were higher than those in the outer circle. However, the dense trees made their journey difficult.

Feng Da waved the saber in his hand and kept slashing at the branches and vines that blocked their path. He led the way while Leng Ruoxue and the others followed closely behind him. Not only that, the other two teams actually followed them.

“Miss, let’s camp here!” Feng Da said after walking to a relatively spacious place.

“En.” Leng Ruoxue nodded, then Feng Da and the others began to set up the tent.

“Wait, we like this place. Go somewhere else.” Qi Hong’er’s domineering voice sounded in Leng Ruoxue and the others’ ears again.

Leng Ruoxue and the others looked up at Qi Hong’er with spurious smiles.

“Did you hear me? Leave this place quickly. We like this place.” Qi Hong’er felt her hair stand on end from Leng Ruoxue and the others’ gazes and couldn’t help but roar.

“Miss Qi, is it? Do you think this Azure Dragon Mountain belongs to the Qi family too? Didn’t your father tell you not to cause trouble outside and to listen to your Uncle Qi?” Leng Ruoxue raised her eyebrows slightly, her tone very cold.

“How dare you talk to me like that. The Leng family and the Qi family won’t let you go.” Qi Hong’er felt that her authority had been provoked, so she took advantage of the situation and roared, her eyes flashing with jealousy.

“The Leng family and the Qi family? If I tell you that the Qi family is like an ant in my eyes, I won’t be afraid of the Leng family either. Would you believe me?” Leng Ruoxue said with a light smile.

“Hmph! The Qi family is one of the three major families. Who would believe that you’re not afraid!” Qi Hong’er didn’t take Leng Ruoxue’s words seriously.

“Haha! The Leng family is nothing. We killed all the elders of the Leng family,” Cheng Wu said with a maniacal laugh.

“Keep bragging! If these words reach the Leng family, you’re dead meat,” Qi Hong’er suddenly said excitedly. Haha! She really hoped that the Leng family would know. That way, this thorn would be dead meat.

At this moment, Leng Ruoxue had already been treated as a thorn in Qi Hong’er’s side because Leng Ruoxue’s beauty that could topple kingdoms was really too dazzling, making her very displeased.

"I'm afraid I'll have to disappoint Miss Qi. I've killed many people from the Leng family and I'm still alive and well. As for you, it's probably impossible to marry into the Leng family in this lifetime," Leng Ruoxue said indifferently.

"What did you say? I'm the Leng family's designated daughter-in-law." Qi Hong'er jumped three times in anger when she heard Leng Ruoxue say that it was impossible for her to marry into the Leng family!

"Who decided? Are you worthy?" Leng Ruoxue mocked. If what Qi Hong'er said was true, then she could only say that the Leng family's standards were too poor.

"That's right. In the Boundless Heaven Continent, there are too many women who call themselves the Leng family's future young madam. But I've never seen the Leng family acknowledge anyone either!" Feng Da echoed, his face still full of disdain.

"You... Just you wait. I won't let you go," Qi Hong'er threatened. She was really angry. These people actually dared to humiliate her like this!

### **Chapter 847: Different Treatment By A Bandit (3)**

"Miss, don't be willful. Apologize to this Miss quickly," Uncle Qi suddenly said. At the same time, his shrewd eyes sized up Leng Ruoxue and the others, thinking about the truth of what they had said.

If what these people said was true, then they had to be careful. However, what if what they said was false? Uncle Qi was deep in thought. However, he decided to get along with Leng Ruoxue and the others first. Unfortunately, he had underestimated Qi Hong'er's jealousy of Leng Ruoxue!

"On what basis?" As expected, Qi Hong'er became even angrier when she heard Uncle Qi's words.

"Why not? Apologize quickly," Uncle Qi said without negotiation.

"Who do you think you are! You're just a dog of our Qi family. How dare you order me around?" Qi Hong'er roared furiously.

"Miss, don't forget what the patriarch said," Uncle Qi reminded her while suppressing his anger. He was becoming more and more impatient with Qi Hong'er. He knew that this Eldest Miss, who was loved and doted on, didn't care about anyone except her father and the young master of the Leng family. However, he didn't expect Qi Hong'er to actually say that he was the dog of the Qi family in front of so many people. This couldn't help making his face turn red and white.

At this moment, Leng Ruoxue and the others couldn't be bothered to watch the master and servant's antithesis. They directly set up the tent.

"Miss, should we..." Cheng Wu came to Leng Ruoxue's side and made a throat-slitting gesture.

"There's no need." Leng Ruoxue smiled evilly. These Qi family members should be left to be taught a lesson!

After speaking, Leng Ruoxue pulled the freak to a clean place and sat down.

"Xue'er, why did you become so kind today?" The freak smiled and Leng Xue'er pulled her into her arms.

"When have I not been kind!" Leng Ruoxue pouted and pretended to be unhappy.

“Yes, Xue’er is always kind,” the freak coaxed, the smile on his lips deepening.

“Xue’er is planning to use someone else to kill him! How is she kind!” Empty said understandingly and sat down beside the two of them as a light bulb.

“Empty! We should tacitly understand this kind of thing. There’s no need to say it,” Leng Ruoxue said with a light smile.

“Yes, I was wrong.” Empty cooperated.

Feng Da and the others set up the tent and started making lunch.

After Luo Lin exchanged greetings with Leng Ruoxue and the others, he arranged for someone to set up a tent.

After Uncle Qi mentioned the patriarch, Qi Hong’er became more well-behaved and stopped fighting with Uncle Qi. Their subordinates also began to busy themselves.

Soon, Feng Da and the others were done with their meal. However, before they could start eating, they heard a lion roar in their ears.

“Don’t move! Robbery!”

After hearing this, the three teams stopped what they were doing at the same time and looked up at the source of the voice. They saw a group of black-clothed people standing not far away from them, staring at them covetously.

There were a few hundred black-clothed people not far away, and most of them were Mystic Sovereigns. Luo Lin and Uncle Qi’s teams couldn’t help but laugh bitterly when they saw the lineup of bandits. What they were afraid of really came true. They didn’t expect to encounter bandits so quickly. Alas! Their luck was really too bad.

However, Leng Ruoxue and the others’ eyes lit up when they saw these bandits, and their hearts were filled with anticipation. Oh! These bandits were quite strong, but they didn’t know if they could withstand a beating.

“How dare you! Do you know who I am? How dare you rob us!” After Qi Hong’er saw those bandits, she vented all the depression in her heart on the bandits who appeared out of nowhere.

“Miss, shut up!” Uncle Qi couldn’t help but scold before the bandits could say anything, and he was even more depressed! What an idiot. Were these bandits easy to deal with? They weren’t even more honest in their territory!

“Who you are is not important to us. Unless you can defeat us, you can only cooperate. Now hand over your valuables! I won’t kill you as long as you are obedient,” the bandit leader said very kindly.

“On what basis?” Qi Hong’er was furious. These bandits were too arrogant. They even dared to rob her!

“Miss Qi, on the basis that we are bandits! Since you’ve come to the Azure Dragon Mountain, of course you have to follow our rules. Didn’t your father hand you over?” the Bandit Boss explained with a good temper.

“How dare you rob me when you know I’m the Eldest Miss of the Qi family?” Qi Hong’er said in disbelief.

“Who does the eldest daughter of the Qi family think she is? We will beat her up even if the patriarch of the Leng family comes,” the bandit leader said nonchalantly.

“How dare you!” Qi Hong’er roared.

Unfortunately, her roar was ignored by the bandit leader.

“Uncle Qi, right? What do you think?” The bandit leader turned his gaze to Uncle Qi and asked with a smile.

“Everyone, please accept it.” Uncle Qi took the ring on his hand and handed it over.

“Yes, very good. You’re still the sensible one.” After complimenting Uncle Qi, he turned his gaze to the others in the Qi family.

The Qi family had no choice but to take off their rings and hand them over.

“That’s right, you’re all very obedient.” The bandit leader moved all the valuables in the ring into his own ring, then returned the rings of Uncle Qi and the others and said, “I’ll return the rings to you. Even though I robbed you, you can still continue to explore and search for treasures here. Oh! By the way, I’ll remind you that we don’t only have one team to rob, so you have to be careful!”

“Our purpose is to not resist and cooperate obediently so that we won’t lose our lives,” the bandit leader added.

After Uncle Qi and the others heard the bandit leader’s words, the corners of their mouths couldn’t help twitching. Damn! There was actually more than one robbery team. Moreover, from the bandit’s words, they might even encounter a robbery. Thinking of this, Uncle Qi and the others were all depressed.

“Miss Qi, it’s your turn now.” The bandit leader didn’t forget that Miss Qi didn’t cooperate well.

“I don’t have anything valuable,” Qi Hong’er roared.

“Oh! Then leave your life behind!” The bandit leader said without any pity for the fairer sex.

“How dare you!” Qi Hong’er was a little afraid, but she didn’t believe that these bandits would really dare to kill her!

#### **Chapter 848: Different Treatment By A Bandit (4)**

“What’s there to be afraid of?” The Bandit Boss smiled mockingly and shrugged nonchalantly.

“Miss, give it to them,” Uncle Qi said. He knew that these bandits would really kill people.

“I...” Qi Hong’er was just about to object when she saw Uncle Qi’s gaze that was as cold as a poisonous snake. She couldn’t help taking off the ring in her hand and handing it over with a pained expression.

“Those who know the truth are the elites. Miss Qi, your life is finally safe,” the bandit leader said indifferently.

“Now you can rob them!” Qi Hong’er pointed at Luo Lin and Leng Ruoxue’s teams and said. Hmph! It would be best if these bandits could kill them, she thought evilly.

“Who do I want to rob and when do I need you to tell me what to do?” The bandit leader said very dissatisfied.

“I’m just reminding you,” Qi Hong’er quibbled while suppressing her anger.

“No need.” The bandit leader didn’t appreciate it.

“You...” Qi Hong’er glared at the bandit leader, the anger in her heart surging to the top of her head.

“Hehe! Miss, this bandit boss is quite interesting.” After watching the commotion for a long time, Feng Da said with some amusement. His words were heard by everyone present.

The head of the bandits looked in the direction of Leng Ruoxue and the others, then came straight to Luo Lin and the others. Before he could speak, Luo Lin hurriedly gave him several storage rings.

“Brat, you’re not bad. You have a future.” The Bandit Boss was very happy with Luo Lin’s initiative. Hehe! He liked people who cooperated with him so much.

Hearing the bandit leader’s words, Luo Lin couldn’t help but smile bitterly. Boohoo... how could he not cooperate!

“Brat, don’t worry. Since you’re so sensible, I’ll inform the other brothers not to rob you anymore. You can train here with ease.” The bandit leader said straightforwardly.

“Thank you.” Luo Lin was very happy. Boohoo... It seemed like there were benefits to knowing the truth.

However, Uncle Qi and the others couldn’t be happy after hearing the robber’s words.

Boohoo... Wasn’t this the High Vision of the Red Fruit!

Why was it that they might still encounter bandits, but they wouldn’t encounter robbing here?

This was really too unfair. However, none of them dared to ask this question. After all, a strong dragon could not suppress a local snake, and they were in his territory.

However, someone asked.

After Qi Hong’er heard the bandit leader’s words, she was so angry that she was about to vomit blood. She directly questioned angrily, “Why won’t they encounter robbery again? I want you to promise that we won’t encounter it again.”

“Are you ordering me?” The bandit leader narrowed his eyes and said with slight displeasure.

“I just want your guarantee,” Qi Hong’er said.

“Okay, I promise. I promise you will definitely meet bandits again.” The Bandit Boss smiled evilly. He hated being threatened the most, especially by such big-breasted and brainless people.

“You...” Qi Hong’er was so angry that she couldn’t say anything.

“Haha!” Feng Da and the others couldn’t help but laugh hysterically.

Not only that, even Luo Lin and the others who had just been robbed couldn't help but secretly laugh.

"Is it very funny?" The Bandit Boss walked in front of Leng Ruoxue and the others and said helplessly. Boohoo... What did he say that made these people so happy?

"Yes, yes, of course it's funny." Feng Da nodded with a smile.

"Now I'm going to rob you!" A light flashed in the bandit leader's eyes as he chuckled.

"We don't have money," Leng Ruoxue said lightly.

"It's okay. We can use other things to cover it," the bandit leader said with a smile, looking very amiable.

"Use what?" Leng Ruoxue asked curiously. Well! She realized that these bandits seemed to be different from what she knew.

"Use these as collateral." The bandit leader pointed at the food in front of Leng Ruoxue and the others. The taste of these food was really too fragrant, making him drool.

"Okay." Leng Ruoxue was very generous. It was just some food, she could afford it.

"Miss, what should we do if we give them the food?" Feng Da pretended to be dissatisfied. He still wanted to fight these people! It seemed that they couldn't fight now.

"Let's eat something else," Leng Ruoxue said. She understood what Feng Da meant, but now was not the time to fight. She did not want to expose their strength in front of so many people.

"Oh! I think you guys are quite pleasing to the eye. Are you interested in taking a look at our bandit's nest?" At this moment, the bandit leader asked again. At the same time, he wanted to see if these people had the guts.

"Okay!" Leng Ruoxue looked at the freak and the others before replying.

"Then follow me!" The bandit leader waved his hand, and his subordinates came to collect the food. Then he stood up and signaled Leng Ruoxue and the others to follow with his eyes.

"Wait!" Qi Hong'er suddenly said.

"What can I do for you, Miss Qi?" The bandit leader didn't like being shouted at and asked in an unfriendly tone.

"Why should we hand over valuable things if they can use food as payment?" Qi Hong'er questioned fearlessly.

"Miss Qi, what right do you have to say so much? However, I can only tell you that I can decide what I want here. Do whatever I want. If you want to walk out of the Azure Dragon Mountain alive, be obedient. Otherwise, the people around you won't be able to protect you," the Bandit Boss warned. After speaking, he strode out of this place, and Leng Ruoxue and the others followed closely behind. However, before leaving, they all looked at Qi Hong'er with slight sympathy.

The bandits brought Leng Ruoxue and the others through the mountains and rivers with familiarity. After walking for nearly an hour, they finally arrived at the bandit's den.

Leng Ruoxue and the others couldn't help showing surprise as they looked at the bandit's nest in front of them...

### **Chapter 849: Cheap Big Brother, Advance (1)**

The bandit's nest was located in the valley, surrounded by mountains and rivers. The environment in the valley was as beautiful and enchanting as a paradise.

In the valley, flowers filled the mountain. Little animals ran here and there in groups. When they saw Leng Ruoxue and the others, they surrounded them curiously.

"Hehe! These little fellows are the descendants of our contract beasts," the bandit leader explained.

"Your bandit's nest is very beautiful," Leng Ruoxue praised sincerely.

"Of course. This is a place carefully chosen by our ancestors," the bandit leader said proudly.

"Second Head of The Family, you're back." At this moment, a bandit and the head of a bandit group greeted each other. After that, he looked at Leng Ruoxue and the others curiously and went to do his own things.

"You are the Second Head of The Family here?" Leng Ruoxue was a little surprised. This inconspicuous bandit leader was even the Second Boss of the Azure Dragon Mountain bandits' den. It was really unexpected.

"Yes! It doesn't look like it!" the bandit leader said happily.

"Indeed, it doesn't," Leng Ruoxue said honestly.

"Hehe! That's better!" The bandit leader was very proud.

"I still have a few brothers. I'll bring you to see them," the bandit leader said again.

"Okay." Leng Ruoxue nodded, then followed the head of the bandits to their main hall.

The meeting hall of the bandit's nest was located at the highest point of the valley. From above, they could see everything in the valley. The few bandits sitting in the meeting hall obviously knew about their arrival because they were not surprised when they saw them, and even seemed to be used to it.

Not only that, Leng Ruoxue had actually met the person sitting at the head of the table once.

"Big Brother, they are my new friends." The Second Head of The Family smiled.

"Second Brother, you're bringing people home again." A young man sitting on the right side of the main seat said helplessly.

"Hehe! I think they're more pleasing to the eye! Their food is very fragrant, that's why I brought them back for you to see." The Second Head of The Family scratched his head and said somewhat embarrassedly.

Leng Ruoxue and the others couldn't help being a little speechless when they heard the bandit leader's words. So they were looked at favorably because of their good food, so they were invited here! These bandits' thoughts really couldn't be explained normally.

“Really?” The eyes of the bandits sitting there lit up after hearing Second Head of The Family’ words, and their eyes immediately shot out a brilliant light!

“Of course it’s true. Guards, bring those food up for the Head of the Family to try.” Second Head of The Family immediately ordered. Boohoo... He had never eaten those food before!

The subordinate immediately placed the food he robbed on the table after hearing Second Head of The Family. The fragrance of the food immediately drifted into the noses of everyone present.

“How fragrant!”

“Smells good!”

The few bandits sighed. Smelling this fragrance, their saliva was about to drip down.

“Hehe! I was right, right! I couldn’t bear to eat these food! After smelling the fragrance, I directly brought these things back. “Not only that, I also brought back the person who made these food.” Second Head of The Family had an expression of ‘I’m smart, right!’, his proud tail was about to curl up.

“Second Brother, impressive! You finally did something beneficial to our Azure Dragon Mountain.” Another young man praised.

“What? When did I do anything harmful to the Azure Dragon Mountain?” Second Manager glared and said with slight dissatisfaction.

“Hehe! No, no!” The young man hurriedly corrected himself. It was fine to joke, but he definitely couldn’t go too far. Otherwise, Second Brother would really turn hostile!

“That’s more like it, hehe! I’m sorry, I’ve embarrassed myself in front of you. They are all my brothers.” Second Head of The Family turned around and said to Leng Ruoxue and the others with some embarrassment.

“You brothers have a good relationship,” Leng Ruoxue said understandingly.

“En, en, that’s a must!” Second Head of The Family said proudly. Even though brothers often fought and kicked up a fuss, they absolutely wouldn’t allow it to affect their relationship. This was a rule passed down by their ancestors.

“Second Brother, who are they?” the young man asked curiously. Well! They still didn’t know the names of these people!

“Uh!” The Second Head of The Family’s face was full of confusion. He didn’t know either!

“I’m Leng Ruoxue,” Leng Ruoxue introduced herself.

“Ye Chen, Xue’er’s fiancé,” said the freak.

“I’m Leng Qingtian, Xue’er’s grandfather.”

“I’m Xue’er’s elder brother, Leng Ruohan.”

Everyone introduced one by one.

“Hehe! We are from the Li clan, and our names are Zhong, Xiao, Ren, Yi, Zhi, Xin.” The Second Boss said with some embarrassment. He actually only knew their names after walking with them for a while. Boohoo...

“I’m Big Brother, Li Zhong. Since you were brought back by our second brother, you are naturally our friends. Everyone, don’t stand on ceremony!” the head of the Azure Dragon Mountain, Li Zhong, said very warmly.

“Okay.” Leng Ruoxue nodded.

Li Zhong was about 30 years old. He was not very handsome, but he had a sincere and honest face. He was just like his name.

“Eh! Have I seen you somewhere before?” Li Zhong looked at Zheng En and the little old man and frowned as he pondered carefully.

“If I remember correctly, your underwear was stolen by Sun Wei in Blue Cloud City,” Zheng En said awkwardly.

“Ah! I remember now. That’s what happened. Damn it, I only have one pair of underwear. How dare he steal it.” Li Zhong still couldn’t get over it when he thought of this. He was so angry that he gritted his teeth.

“By the way, do you have the whereabouts of the thief?” Li Zhong couldn’t help asking. After returning to Azure Dragon Mountain, he felt that he had only beaten that guy up. It was really too easy for him. However, he couldn’t find the bad guy who stole his underwear later.

“He’s already dead,” Zheng En said with a black face.

“Haha! Good riddance.” Li Zhong laughed happily.

## **Chapter 850: Cheap Big Brother, Advance (2)**

“You’ve helped me find my underwear. You’re my great benefactor. Well! If you’re willing, you can stay in Azure Dragon Mountain. We’ll be a family in the future,” Li Zhong said generously.

“Thank you, Head of Family. However, I’m afraid we can’t stay in one place for long. I think the environment of the Azure Dragon Mountain is not bad, so I want to find a place to use for seclusion. I wonder if it’s possible?” Leng Ruoxue asked very politely.

“No problem. Hehe! You can stay as long as you want. Even if you don’t stay often, you can come back anytime if you want to in the future,” Li Zhong said with a smile.

“I’ll thank the Head of Family first,” Leng Ruoxue said.

“There’s no need to be so polite. If Miss Leng doesn’t mind, you can call me Li Zhong or Big Brother Li directly. Hehe!” Li Zhong suggested.

“Okay, then I’ll call you Big Brother Li!” Leng Ruoxue nodded with a light smile.

“Haha! Alright, I, Li Zhong, will have a sister in the future. Hmph! Whoever dares to bully my sister will be at odds with our Azure Dragon Mountain,” Li Zhong said happily.

“Big Brother, do we also have a Little Sister in the future?” Third Boss Li Ren asked expectantly, but his eyes couldn’t help floating to Leng Ruoxue.

“Uh!” Li Zhong also looked at Leng Ruoxue.

“Haha! Big Brother Li’s younger brother is naturally my older brother.” Leng Ruoxue helplessly said. She had a good impression of these people. Just treat it as having a few more brothers! Because the man’s expectant gaze really made her unable to refuse.

“Haha! We have a sister too.” The few people present jumped up and down happily when they heard that.

“Second, go arrange a residence for our sister and the others!” Li Zhong instructed after the joy.

“Okay! I’ll go right away,” Second Head of The Family Li Xiao also answered happily. Hehe! He didn’t expect to have a younger sister after coming back from the robbery. However, this sister was not bad. He found her very pleasing to the eye.

The Second Head of The Family returned in no time. He had already arranged a residence for Leng Ruoxue and the others and brought a lot of food.

“Big Brother, let’s have lunch! Little Sister and the others haven’t eaten yet!” Li Xiao reminded.

“Wait a moment! Number Seven isn’t back yet!” Li Zhong said. Then he looked at Leng Ruoxue and said, “Sister Xue’er, eat first if you’re hungry! We brothers eat together.”

“It’s okay, we’re not hungry yet,” Leng Ruoxue said hurriedly.

Li Zhong and the others were even more satisfied with this new sister hearing Leng Ruoxue’s words.

“Hehe! Big Brother, I have good taste, right? I robbed three teams today. One team was very annoying, and the other was very sensible, so I didn’t make things difficult for them. However, only my Little Sister’s team was more pleasing to the eye, so I brought them back directly,” Li Xiao said proudly and chatted with Li Zhong and the others about today’s gains.

“Oh! Which family is the annoying team from?” Li Zhong and the others were a little curious.

“The Qi family. That Eldest Miss of the Qi family claims to be the Leng family’s future Young Madam. However, if the Leng family’s young master really marries her, the Leng family will definitely be in chaos,” Li Xiao gloated.

“Second Brother, the young master of the Leng family won’t marry her,” Leng Ruoxue said with a light smile.

“Uh! Sister, how do you know? Aren’t marriages between aristocratic families normal? Anyway, they have a purpose. It doesn’t matter who they marry, right?” Li Xiao said curiously.

“I know the young master of the Leng family,” Leng Ruoxue said honestly.

“Oh! Then I heard you and Qi Hong’er say that you killed many Leng family members...” Li Xiao only spoke halfway. After speaking, she stared at Leng Ruoxue intently, wanting to hear the real answer from her mouth.

“Yes, I killed a few.” Leng Ruoxue was very honest.

“Uh! Little Sister, then aren’t you very dangerous on the Boundless Heaven Continent? Looks like you have to stay in Azure Dragon Mountain for a while to lie low,” Li Zhong couldn’t help saying worriedly after hearing Leng Ruoxue’s words.

The feelings between people were very strange. Some people might not be able to become friends even if they interacted for a lifetime. However, some people could become bosom friends after only knowing each other for a day. This was probably the so-called fate!

And the fate between Leng Ruoxue and Li Zhong and the others was precisely this!

“Big Brother, don’t worry. The Leng family can’t touch me.” Leng Ruoxue was very touched. She didn’t expect this cheap brother to be so protective of her.

“Hehe! It’s good that you’re confident.” Li Zhong was relieved.

Then, everyone chatted about other things.

“I’m back.” Suddenly, a loud roar entered everyone’s ears.

Immediately after, a handsome young man strode into the meeting hall.

“Stinky brat, so be it. You always shout and shout.” Li Zhong pulled a long face and glared, pretending to be displeased.

“Hehe! Didn’t I want to remind you guys! Eh! Big Brother, who are they?” The Seventh Boss of Azure Dragon Mountain, Li Xin, looked at Leng Ruoxue and the others sitting in the hall and couldn’t help asking curiously.

“She is Leng Ruoxue, our Little Sister. The others are her family and subordinates.” Li Zhong pointed at Leng Ruoxue and the others and introduced.

“Oh! Little Sister is good!” Li Xin said with a smile. Hehe! It was good to have a sister! Then he wouldn’t be the youngest, and his brothers wouldn’t always focus on him.

“Hello, Seventh Brother,” Leng Ruoxue said obediently. From the conversation just now, she knew that the youngest of the seven brothers of the Li family of Azure Dragon Mountain was also two years older than her.

“Yes, yes, okay. If Sister Xue’er has anything in the future, feel free to look for me. Seventh Brother will protect you.” Li Shin took on the responsibility.

“Little Seven! You want to protect Sister Xue’er with your little strength?” Li Ren obviously didn’t believe Li Xin.

“Third Brother, how can you hurt my feelings!” Li Xin said aggrievedly with tears in his eyes.

“Alright, stinky brat, stop playing tricks. It’s time to eat. We’re about to starve to death waiting for you.” Li Zhong patted Li Xin on the head and said helplessly.

“Yes, yes, let’s eat.” Li Xin’s eyes couldn’t help emitting a wolf-like glow when he heard that.

After everyone finished eating, Li Xin lay on the chair with his limbs spread wide open with a satisfied expression. He sighed in his heart about how beautiful life was. Leng Ruoxue and the others followed Li Xiao to the residence that had been arranged for them.
