Chapter 851: Cheap Big Brother, Advance (3)

“Big Brother, why do I feel that the food today is better than the previous ones!” Li Xin asked in puzzlement.

“Of course. Little Sister and the others prepared the dishes today.” Li Zhong rolled his eyes at Li Xin.

“Oh! No wonder, hehe! Won’t we have a feast in the future?” Li Xin said happily.

“In your dreams. Little Sister and the others won’t stay here often,” Li Zhong said irritably. He also wanted to eat such delicious food every day! However, he couldn’t force his sister and the others to stay here. Alas!

“Boohoo... What should I do if I can’t eat it in the future?” Li Xin said with a bitter face. Boohoo... Why did he have to eat such a delicious food!

Unfortunately, none of the people sitting there paid attention to him.

After Leng Ruoxue and the others arrived at the bandit’s den, Leng Ruoxue decided to enter seclusion the next day. Feng Da and the others also wanted to break through to Mystic Supremacy quickly, so they entered the space with Leng Ruoxue to cultivate.

Nearly half of them chose to enter seclusion. However, Cheng Wu and the others did not enter seclusion with Leng Ruoxue and the others. After all, they were already Mystic Supremacies now, so purely entering seclusion could not satisfy them.

While Leng Ruoxue and the others were in seclusion, their relationship with the seven brothers of the Li family advanced by leaps and bounds.

When they had nothing to do, they would even go to the Azure Dragon Mountain with those brothers to rob. Moreover, they also knew that Li Zhong and the other brothers didn’t want to rob because they lacked money. They mainly wanted to rob because they were too bored. Therefore, they also looked at people when they robbed. If they were pleasing to the eye, they would mean it. If they were not pleasing to the eye, they would rob fiercely.

And the Eldest Miss of the Qi family and the others were definitely the kind of people that the seven brothers didn’t like.

The Qi family’s team stayed in the Azure Dragon Mountain for nearly a month, but they lived in deep water and fire every day because they were robbed by bandits every day. No matter what gains they obtained on that day, they would become the bandits’ bags the next day.

Later on, the Qi family simply didn’t do anything except hunt. They didn’t believe that those bandits could persist. However, it didn’t matter if they didn’t do it. The bandits could rob their food and clothes. They had no choice but to work tirelessly for the bandits every day. Finally, after persisting for a month, they couldn’t take it anymore and left the Azure Dragon Mountain in a hurry.

In the meeting hall of the bandit’s den, the Li brothers, Cheng Wu, and the others were gathered.

“The people from the Qi family are really too useless. Why did they run away so quickly? Won’t we have nothing to play with in the future if they leave?” Li Xiao said with a face full of regret. Hehe! In this month, although they hadn’t killed a single person from the Qi family, the people from the Qi family were quite frightened. They were on tenterhooks every day, and this was more satisfying than directly killing them!

“Yes! Looks like we have to find a new toy.” Li Xin was also full of regret.

“Number Seven, shouldn’t you also go into seclusion to cultivate? Look at how hard Sister Xue’er is working! You have to learn well.” Li Zhong glanced at Li Xin and said lightly.

“Big Brother, don’t compare me to those perverts!” Li Xin said speechlessly. Ever since the brothers found out that Little Sister Xue’er was in seclusion trying to break through to the Mystic Supremacy Realm, they had become the targets of Big Brother’s urging. They would nag about it almost every day before they were willing to stop. Especially him, his ears were about to grow calluses when he heard it. Boohoo...

“You have some ambition, okay? You’re older than Xue’er, but your strength is not as high as hers. Don’t you find it embarrassing?” Li Zhong said resentfully.

“Big Brother, I’m already very hardworking. In the Boundless Heaven Continent, I can also be considered a genius.” Li Xin muttered softly. Boohoo... He really didn’t know why Little Sister Xue’er and the others were so freakish.

“Let’s enter seclusion tomorrow too!” Li Zhong said after some thought. Well! He might be a Mystic Supremacy now, but he had to set an example for his younger brothers.

“No way!” Li Xin and the others looked at Li Zhong helplessly with bitter expressions.

“It’s decided. We’ll go into seclusion tomorrow.” Li Zhong waved his hand and decided on this matter. Alas! The ancestors had provided them with such good conditions. They would really be sorry if they didn’t make good use of them.

“Brother Cheng, please take care of the Azure Dragon Mountain. Our brother is in seclusion,” Li Zhong said irresponsibly to Cheng Wu and the others.

“Okay.” Cheng Wu nodded.

Bandits were also swift and decisive. After making up his mind, Li Zhong led his younger brothers into seclusion.

Two months later.

Cheng Wu was sitting on the grass in front of his door, playing with a furry and somewhat familiar little fox. Suddenly, he felt the heaven and earth spiritual energy gather from all directions and surge in one direction, and that direction was Leng Ruoxue’s residence...

At the same time, Song Di and the others, who felt that something was amiss, ran out of their rooms. When they saw the dense weather spiritual energy surge into Leng Ruoxue’s room, their faces revealed happy smiles because this meant that Miss had broken through.

Leng Ruoxue, who was cultivating in the bracelet, was indeed at the critical moment of her breakthrough. The spiritual energy she needed was also aplenty. After all, what she wanted to break through this time was the Heaven Defying Skill. Her current body was like a bottomless pit, and the amount of spiritual energy she needed was unimaginable.

Leng Ruoxue, who was in the purple bamboo house, had already let go of all her senses. Thick heaven and earth spiritual energy surged into her body through her pores. At this moment, her face was in extreme pain, and the spiritual energy that entered her body was not very obedient, it was rampaging in her body...

Leng Ruoxue separated a trace of divine sense and guided the heaven and earth spiritual energy in her body forward in one direction. After running 36 cycles, the heaven and earth spiritual energy was gradually fused with the original spiritual energy in her body and became obedient. She even controlled the spiritual energy to attack the same location in one go...

Once, twice... After countless repeated and persistent collisions, there was a loud bang. Leng Ruoxue finally broke through to the fifth level of the Heaven Defying Skill. As she broke through to the fifth level, her body was modified by the Heaven Defying Skill again. The negligible impurities were cleansed again, and her vital flame also evolved again.

Chapter 852: Cheap Big Brother, Advance (4)

After breaking through to the fifth level, the spiritual energy accumulated in Leng Ruoxue's body was used up again, so she could only resign herself to fate and work hard to absorb the spiritual energy of the heaven and earth to replenish the insufficient spiritual energy in her body.

After absorbing for three days, the spiritual qi in Leng Ruoxue's body recovered to about 20%. Even though it was only 20%, she could absolutely do whatever she wanted in the Vast Heaven Continent. Because these 20% of spiritual qi in her body were enough to bring her to the level of a Mystic Supremacy cultivating for several hundred years.

After Leng Ruoxue opened her eyes, she saw the freak smiling at her.

"Freak, when did you wake up?" Leng Ruoxue leaned into the freak's embrace and asked curiously.

"Before you broke through," the freak explained with a light smile.

"Why do you always wake up before me?" Leng Ruoxue pretended to be dissatisfied.

"Because you need more spiritual energy than me!" the freak coaxed.

"That's true, sigh! My body is a bottomless pit! Fortunately, I have the 'Heaven and Earth Bracelet'. Otherwise, I really don't know where to get so much heaven and earth spiritual energy!" Leng Ruoxue complained softly. Boohoo... the spiritual energy she needed was unimaginable to others!

"Do you think fortune is so easy to obtain? Other people need much less spiritual energy than you. They also don't have opportunities like you!" the freak said affectionately.

"Yes, yes, that makes sense." Leng Ruoxue nodded repeatedly. Actually, she wasn't complaining. She just wanted to act coquettishly with the freak. She also wanted to be coaxed after all!

“Xue’er, let’s go out! Cheng Wu and the others are already waiting anxiously outside,” the freak said understandingly.

“En, eh! Why haven’t Grandfather and the others come out of seclusion yet!” Leng Ruoxue was a little puzzled. According to Grandfather and the others’ cultivation levels, they should have come out of seclusion before her!

“Don’t be anxious. They should be here soon,” the freak comforted.

“Okay.” Leng Ruoxue nodded and pulled the freak out of the purple bamboo house.

After exiting the purple bamboo house, Leng Ruoxue directly unlocked the fifth layer of the seal for Qing Jue.

After removing the seal, there were ten more pieces of land that Qing Jue liked, and Qing Jue actually obtained the ability to read minds.

Leng Ruoxue was very satisfied with this ability. Even though the baby could read minds, she had to bring the baby out of the bracelet so that the baby could use it on others.

If Qing Jue also had this ability, then what he possessed would naturally belong to her as his master. Therefore, it would be more convenient for her. Oh! This was what her irresponsible master thought.

After doing all this, Qing Jue brought his little black dog sidekick and ran to a corner to discuss how to use the newly appeared land. Leng Ruoxue and the freak left the bracelet.

Leng Ruoxue and the freak left the bracelet. Just as they left the room, they saw Cheng Wu and the others gathered outside the door, anxiously walking around.

“Miss, you’re out.” Cheng Wu and the others immediately surrounded Leng Ruoxue and the freak when they saw them.

“Okay.” Leng Ruoxue nodded. It had been a few months since they last met. It seemed they were living quite comfortably.

“Miss, why are there only the two of you?” Song Di couldn’t help asking curiously when he saw that there was no one else behind Miss.

“They haven’t come out of seclusion yet!” Leng Ruoxue explained.

“Oh!” Cheng Wu and the others nodded. Then, everyone reported their results for nearly three months.

“Uh! You’re in charge of the Azure Dragon Mountain now?” Leng Ruoxue was a little surprised. Brother Li and the others were too easy to trust!

“That’s right! Everything on Azure Dragon Mountain is as usual,” Cheng Wu said proudly.

“Oh! Since Big Brother Li and the others have temporarily handed over Azure Dragon Mountain to you, work hard! Don’t let Big Brother Li down,” Leng Ruoxue reminded.

“Yes, Miss. When are we leaving Azure Dragon Mountain?” Cheng Wu asked curiously. Even though the environment on Azure Dragon Mountain was good and they got along well with the bandits in the mountain, he preferred to take risks with Miss.

“Let’s wait for Big Brother Li and the others to come out of seclusion!” Leng Ruoxue said after thinking for a while. She originally wanted everyone to leave after advancing, but Big Brother Li and the others entrusted the Azure Dragon Mountain to Cheng Wu and the others. In this way, they couldn’t leave easily. Otherwise, if anything happened to the Azure Dragon Mountain, wouldn’t they be letting down the trust of Big Brother Li and the others!

“Okay.” Cheng Wu and the others nodded.

A week after Leng Ruoxue and the freak came out of seclusion, Leng Qingtian and the others also came out.

“Grandpa, you’re finally out,” Leng Ruoxue said happily when she saw Leng Qingtian and the others.

“Haha! Xue’er, you must be anxious from waiting!” Leng Qingtian said happily.

“It’s okay,” Leng Ruoxue said with a light smile. She and the freak had not advanced to Mystic Supremacy after coming out of seclusion because they were waiting for their grandfather and the others.

“Grandpa, let’s advance first!” Leng Ruoxue suggested. In the past few days, she and the freak had circled around the bandit’s nest and found a place with no one. It was very suitable for them to advance.

“Okay.” Leng Qingtian nodded.

After that, everyone followed Leng Ruoxue and the freak to the place they had found beforehand, preparing to advance collectively.

“Grandpa, almost no one comes here. It’s not bad, right?” Leng Ruoxue brought her grandfather and the others to a canyon and asked.

Leng Qingtian raised his head and looked at the canyon in front of him. This canyon only had one entrance, and the entrance was very small. It could only accommodate three people at a time at most, so it could be considered a good secret place.

“Yes, not bad.” Leng Qingtian nodded in satisfaction. This place was quite suitable for seclusion. Moreover, it was easy to defend but difficult to attack.

“We can begin to advance now,” Leng Ruoxue reminded. They had so many beasts, if they didn’t find a place with fewer people, they would scare others!

After speaking, Leng Ruoxue directly sat cross-legged on a large limestone and moved the beasts out of her bracelet, preparing to advance...

The others also found seats and sat down. At the same time, they summoned their beasts.

Before long, the dazzling laws of the world descended into the valley. Leng Ruoxue and the others worked very hard to absorb the blessings of the world after advancing to Mystic Supremacy until the laws of the world slowly dissipated.

Chapter 853: Cheap Big Brother, Advance (5)

Immediately after, the beasts advanced wave after wave. Because Leng Ruoxue's 'Heaven Defying Skill' broke through the fifth level, her beasts obtained the most benefits.

Among them, Bai Xu's level was still the highest. He had reached level-nine Transcendent Divine Beasts, Feng Zhan was level-eight Transcendent Divine Beasts, and Charm was level-seven Transcendent Divine Beasts. He was just a step away from advancing to level-eight Transcendent Divine Beasts.

Baby and the other beasts directly advanced to level six Transcendent Divine Beasts. The Silver Wolves and the other slightly weaker beasts also reached level five Transcendent Divine Beasts. In short, Leng Ruoxue was still the biggest winner in this advancement. At the same time, the advancement of the beasts also brought her huge benefits.

As for the others, they naturally had their own gains. In short, everyone was happy.

After Leng Ruoxue and the others finished their advancement, everyone celebrated and then temporarily stayed in Azure Dragon Mountain.

A month after their advancement, Lin Liang and the others finally came out of seclusion.

Everyone chatted for a while, then Leng Ruoxue brought them to the canyon they had advanced to...

When Lin Liang and the others came out of seclusion, each of them advanced two levels consecutively and directly became Mystic Supremacies.

"I say, no wonder you old fellows can't bear to come out of seclusion! So you're all waiting to directly advance to Mystic Supremacy!" Leng Qingtian said in realization from the bracelet.

"Hehe, we were also forced into a corner! Who asked you to cultivate too quickly? Wouldn't we be dragging you down if we don't work hard?" Lin Liang said matter-of-factly. They were already clearly aware of the difference in their cultivations with Leng Qingtian and the others after they came out of seclusion the last time. So, they'd secretly decided that they wouldn't come out unless they advanced to Mystic Supremacy. After all, everyone was suppressing their anger.

"Yes, that makes sense." Leng Qingtian nodded in agreement. These old men were all unyielding, so he understood their thoughts very well. If it was him, he would probably do the same. However, he still felt quite aggrieved thinking that he hadn't seen these old friends for so long!

"Hehe! We won't be in seclusion often in the future, so don't be like this!" Lin Liang couldn't stand the expression on Leng Qingtian's face.

"That's right! I've been busy cultivating as a mystic cultivator recently and haven't refined weapons for a long time, so I shouldn't be in seclusion for the time being," the disheveled old man promised.

"Yes, I'm afraid you must have lost touch!" Leng Qingtian gloated.

“Of course! No! I have to work hard on weapon refinement recently,” the disheveled old man said hurriedly. Then, he turned to Leng Ruoxue. “Lass, you have to provide me with more materials for weapon refinement.”

“Okay, just ask Qing Jue for it,” Leng Ruoxue reminded.

“Alright, I’ll look for him now.” After the disheveled old man said that, he ran off to look for Qing Jue anxiously.

“Grandpa, you guys chat. I’ll go out with the freak,” Leng Ruoxue suddenly said. After speaking, she pulled the freak out of the bracelet.

Cheng Wu and the others had just returned from their robbery.

Recently, Cheng Wu, Feng Da, and the others often brought people out to rob and pluck some herbs. They left early and returned late every day.

“Miss, we gained quite a lot today.” Feng Da raised the storage ring in his hand and said as if he was presenting a treasure.

“You robbed something good?” Leng Ruoxue asked curiously.

“How can there be good things! The people who come to the Azure Dragon Mountain are afraid that they will be robbed by bandits. They won’t bring any valuable things at all. Alas! It’s not easy to be a professional bandit. If things go wrong, they will starve to death!” Feng Da said sympathetically. They didn’t know if they didn’t enter this line of work! It was also very difficult to be a bandit! Fortunately, the bandits in the Azure Dragon Mountain weren’t short of money and only treated robbery as a boring game. Otherwise, they would have starved to death long ago.

“What did you get?” Leng Ruoxue was puzzled.

“We dug up a lot of herbs of good quality and also found some rare ores,” Feng Da said happily. They might not be alchemists or Weapons Masters, but because of Miss, they had a certain understanding of herbs and ores. Ever since they came out of seclusion, they would wander around the mountain when they had nothing to do, robbing and picking herbs as a dragon.

“That’s right.” Leng Ruoxue took the ring and looked at it. Then she placed the ring into the bracelet and handed it to Qing Jue.

“Feng Da, Grandpa Lin and the others have also advanced to Mystic Supremacy. Let’s celebrate tonight. Prepare yourselves well,” Leng Ruoxue instructed.

“Okay! Miss, are you still in the space?” Feng Da asked.

“No, just outside!” Leng Ruoxue said after some thought. Then she handed Feng Da a ring containing the food she had prepared beforehand.

“Okay, let’s go get ready,” Feng Da said and left.

At night, Feng Da and the others lit a few bonfires in the open space in front of the house and roasted the packed fish and meat on the fire...

After all the food was ready, Leng Ruoxue and the others sat around the empty space and started eating...

"It smells so good!" A familiar voice suddenly sounded in everyone's ears halfway through their meal.

"Big Brother Li, you're out of seclusion!" Leng Ruoxue said in surprise.

"Yes! Hehe!" Li Zhong said with a smile. He did not stand on ceremony and directly picked up a piece of grilled golden meat to eat.

"I came out after a few months of seclusion and my cultivation improved slightly. You must be anxious!" Li Zhong said understandingly. He knew that Leng Ruoxue and the others had other things to do. However, because they didn't come out of seclusion, the Azure Dragon Mountain was leaderless, so they didn't leave. Thinking of this, his heart couldn't help warming.

"No, the environment of Azure Dragon Mountain is good, there are clear mountains and clear waters, and there are countless herbs, why are we in a hurry to leave!" Leng Ruoxue said honestly. They had gained quite a lot after staying in Azure Dragon Mountain for a few months.

"That's good." Li Zhong smiled foolishly.

"Big Brother Li, when are the other brothers coming out of seclusion!" Leng Ruoxue asked curiously. The spiritual energy in this Azure Dragon Mountain was very good. Moreover, there was a spirit vein under the ground where the bandits' nest was. Therefore, if they didn't have the 'Heaven and Earth Bracelet', this was a good place to cultivate.

"I'm afraid they won't be able to come out for a while," Li Zhong said after some thought.

"Oh! This is a good place to cultivate. You should treasure it." Leng Ruoxue nodded.

"Yes. This might have been discovered by our Li family's ancestor, but if that ancestor wasn't powerful, he probably wouldn't have been able to protect this Azure Dragon Mountain. Therefore, we will let the ancestors down if we don't cultivate properly!" Li Zhong nodded.

"That's right, Big Brother Li. There's no banquet that doesn't end in this world. Since you've already come out of seclusion, then we'll leave tomorrow. We'll meet again!" Leng Ruoxue said bluntly. This was something she had long planned.

"Okay, I know Sister Xue'er has other things to do. Big Brother won't force you to stay since you want to leave. However, you have to remember that this Azure Dragon Mountain will always be your home and you are welcome to return anytime," Li Zhong said very sincerely.

"Yes, Big Brother forgot that I still have your Green Dragon Mountain's token in my hand! You can come anytime you want," Leng Ruoxue reminded.

"Hehe! That's right! Sister Xue'er, if there's anything in the future that requires Big Brother's help, send a letter to Big Brother. Big Brother won't refuse," Li Zhong reminded.

"Okay, I won't stand on ceremony with my brother," Leng Ruoxue promised.

Because of Li Zhong's unexpected appearance, this meal actually became everyone's farewell banquet in the end. However, everyone was still very happy. After dinner, Feng Da and the others were basically drunk and directly lay down to sleep.

Li Zhong was brought back to his residence by his subordinates.

The next day.

When Feng Da and the others woke up, it was almost noon. They had a simple meal and planned to go on their way.

Outside Leng Ruoxue and the others' residence, one of Li Zhong's subordinates was ordered to send Leng Ruoxue and the others off.

"Miss, our big boss gave this to you." The subordinate handed her a ring.

"Where is Big Brother Li?" Leng Ruoxue took the ring and looked at it. She couldn't help asking in surprise. This ring was actually filled with herbs of the heaven and earth treasure level. This farewell gift was really too precious.

"Leader isn't awake yet! He instructed me to prepare it before bed yesterday. I hope Miss Leng is satisfied," the subordinate said.

"I'm very satisfied. Thank you! Help me pass this to Big Brother Li." Leng Ruoxue also handed over a ring. She naturally wouldn't take someone else's things for nothing, so she secretly instructed Qing Jue to prepare a generous gift.

"Okay, Miss Leng, I'll send you down the mountain!"

"No need, go take care of Brother Li! We can find the way."

After Leng Ruoxue finished speaking, she left the bandit's den with everyone...

Chapter 854: The Storm Rises Again (1)

At this moment, Li Zhong was standing at the highest point of the meeting hall, watching Leng Ruoxue and the others leave.

"Head of Family, Miss Leng didn't let me send her and asked me to come back and take care of you." A moment later, his subordinate returned and reported. Then, he handed the ring Leng Ruoxue gave to Li Zhong.

"Got it, you can leave!" Li Zhong took the ring and glanced at it, his face revealing a helpless expression. Alas! This girl! She still called him Big Brother! She didn't even want to take advantage of him, and the value of the things she returned was more than what he gave away. He didn't know when he would see this Little Sister again.

After a long while.

Li Zhong reluctantly turned around and returned to his room to catch up on his sleep when he couldn't see Leng Ruoxue and the others.

Leng Ruoxue and the others had stayed in the Azure Dragon Mountain for a few months and were already quite familiar with the terrain here. Therefore, they left the Azure Dragon Mountain very smoothly and did not meet any teams training along the way.

“Miss, where are we going?” Lü Tao asked curiously after leaving Azure Dragon Mountain.

“Dark Night Seas,” Leng Ruoxue said with a light smile. Hehe! She could finally go to the Dark Night Seas. Hopefully, that place could give her a surprise.

“Lass, we can finally go there. I heard that there are many ores there. At that time, we have to collect more,” the disheveled old man said rather excitedly. When they just arrived at the Vast Heaven Continent, they wanted to go there. However, Icy said that their strength was too low and couldn’t go. Now, they could finally go. Hehe!

“Yes.” Leng Ruoxue nodded.

“Lass, the Dark Night Seas is famous for its dangers. I’ve never been there before. Hehe, I’m borrowing your light this time,” the little old man said happily. Even though he was a Mystic Supremacy, he didn’t dare to go to the Dark Night Seas alone.

“There will be opportunities if there’s danger. Moreover, there won’t be any danger if we go together.” Leng Ruoxue smiled.

“Yes, yes. Our strength is here! It would be unreasonable if we encounter danger.” The little old man nodded in agreement.

Everyone chatted happily as they walked. Unknowingly, they had already walked thousands of meters out of the Azure Dragon Mountain.

Leng Ruoxue saw that the place was very spacious, so she let the little peacock out and drove them towards the Dark Night Seas.

The Dark Night Seas was very far from the Azure Dragon Mountain. Not only did they have to fly closer to ten cities, but they also had to pass through two mountains and finally reach the vast plain before they could reach their destination. That was also the only entrance to the Dark Night Seas that they had to pass through.

Therefore, if they wanted to go to the Dark Night Seas, it would take at least twenty days or a month if it was slow.

Due to the long journey, Leng Ruoxue and the others were not in a hurry either. They flew and stopped along the way, and they would even stop to stay for a few days if they encountered a city they liked. And the city they were in now was a very famous city in the Vast Heaven Continent. It was called Green Cloud City. Even though the city was not big, the advantage was that the environment was good, the people were simple, and it was a good place to settle down.

Green Cloud City was a city beside a mountain and sea. At this moment, Leng Ruoxue and the others were enjoying a rare peace by the sea. Feng Da brought his subordinates and brothers to the sea to fish for seafood.

After a long time, Feng Da and the others finally came ashore from the sea.

“Miss, we’re back.” Peach couldn’t help shouting as soon as she came ashore.

Leng Ruoxue, who was lying on the recliner and basking in the sun, raised her eyes slightly and looked at them. However, when she saw the ‘thing’ in Feng Da and the others’ hands, two drops of cold sweat couldn’t help dripping down her forehead.

Didn’t these people go to the sea to catch seafood? Then what were they carrying?

“Miss, we’re back.” Lü Tao and Cui Zhu ran to Leng Ruoxue’s side and repeated.

“Yes, what did you catch?” Leng Ruoxue asked casually.

“A lot of fish, but we picked up a person,” Peach whispered.

“Can you also pick up people in the sea? Your luck is really good,” Leng Ruoxue said speechlessly. Why weren’t the people who fell into the sea eaten by the sea beasts?

“Miss, that person is still breathing!” Lü Tao added.

“Alive? That’s really rare,” Leng Ruoxue said calmly. This sea area wasn’t big, and the seawater was so shallow that one could see the bottom with a glance. However, there were still sea beasts. Even if they were only low-level sea beasts, it would be very easy to eat a person! She didn’t expect to actually pick up a living person.

“Miss, we’ve seen that person before. He’s that Luo Lin we met in the Azure Dragon Mountain,” Lü Tao explained. They all knew the relationship between Miss and the Luo family. Otherwise, they might not have meddled in other people’s business.

“It’s him!” Leng Ruoxue’s beautiful face was full of suspicion. She might not agree with this cheap servant of the Luo family, but he was her man after all. He had made a blood oath, so she naturally couldn’t leave him in the lurch since she had encountered him.

“Yes, miss, he’s badly hurt,” said Peach.

“Let him take this.” Leng Ruoxue thought for a while and took out a golden pill from her bracelet and handed it to Lü Tao. It was the best healing pill. The herbs needed to refine it were abnormally precious, and they rarely used it usually.

“Yes.” Lü Tao took the pill and turned to feed it to Luo Lin.

The effects of top-notch healing pills were naturally extraordinary. Not long after, Luo Lin slowly woke up. However, when he just woke up, he was still a little lost. After seeing Leng Ruoxue, he suddenly thought that the goddess in the sky had saved him!

“Luo Lin, do you remember us?” Leng Ruoxue asked lightly.

“You...” Luo Lin’s brain was in a mess. He couldn’t remember anything now.

“We met at Azure Dragon Mountain,” Leng Ruoxue reminded.

“Ah! I remember now. Thank you for saving me,” Luo Lin said gratefully. He didn’t know what they had fed him, but he knew that his injuries had all healed when he felt the abundant spiritual energy in his body.

“Why are you here? Who injured you?” Leng Ruoxue asked bluntly.

“I... I met a robber,” Luo Lin stammered, his eyes flickering.

“Is that so? Luo Lin, I’ll give you one last chance. It’s up to you to decide if you want to tell the truth,” Leng Ruoxue warned with slight displeasure. Even though Qing Jue could read minds, she didn’t want to do this unless it was absolutely necessary.

Chapter 855: The Storm Rises Again (2)

“My... My Luo family was besieged. It wasn’t easy for me to escape...” Luo Lin’s heart tightened because of Leng Ruoxue’s words. He couldn’t help telling the secret he wanted to hide. However, he was a little choked up halfway through.

“Who?” Leng Ruoxue suppressed her anger and asked. Damn it, one had to look at the owner before beating a dog! How dare he touch her people! He was really tired of living.

“Miss, thank you for saving me. It’s better if you don’t know about this.” Luo Lin regretted speaking about the Luo family. Alas! He didn’t want to implicate them. After all, these people were his benefactors.

“The other party is very powerful. I don’t want to implicate you,” Luo Lin added under Feng Da and the others’ unfriendly gazes.

“Implicate us? Could it be the Lan and Leng families that attacked the Luo family?” Feng Da asked curiously.

“No.” Luo Lin was a little speechless. How could a super family take a fancy to their Luo Family!

“Then what are you afraid of!” Feng Da said resentfully. He really wanted to kick Luo Lin twice for his displeasure.

“I’m... afraid I’ll implicate you. The other party is very fierce. If I know that you saved me, I’m afraid you’ll also be in trouble,” Luo Lin said honestly. Those people were probably looking for fish that had slipped through the net all over the world now!

“Tch, I’ve never been afraid of trouble that I shouldn’t be afraid of. Brat, tell us quickly who attacked the Luo Clan so that we can avenge you!” Feng Da coaxed.

“You’re willing to take revenge for me?” Luo Lin was pleasantly surprised and touched. Alas! He had tasted the coldness and warmth of human relationships since the Luo family’s accident. The families that were on good terms with the Luo family in the past either avoided him or refused to cooperate. He didn’t expect these people who had only met him once to be willing to take revenge for him.

“Nonsense, why else would we ask you these questions!” Feng Da roared angrily. This kid had to train well. His words were too blunt. He was anxious!

"I appreciate your kind intentions, but there are so few of you who can't help me." After the joy, Luo Lin calmed down.

"Brat, are you looking down on us? Let me tell you, if we can't help you, then no one in this world can help you." Feng Da roared furiously. He and his companions had always been straightforward with each other, saying whatever was on their minds. Therefore, the lack of communication with Luo Lin made him want to beat someone up.

"Thank you. I'm very grateful for your kind intentions, but you can't help me. The only person who can help the Luo family is our master, so I have to find my master. I'm sorry, I'll take my leave." Luo Lin got up from the beach and turned around, planning to leave. He knew that if he was with them, these people would be implicated by him if the enemy found him.

"Stop right there! Are you looking for Leng Ruoxue!" Leng Ruoxue roared uncontrollably.

"You know my master?" Luo Lin said with some surprise. Master's reputation was very resounding in the Boundless Heaven Continent a few years ago. However, in the recent few years, he disappeared without a trace. Furthermore, there were very few news of Master's matters. Therefore, wanting to look for Master was no different from finding a needle in a haystack. Therefore, seeing his benefactor knowing his master, he was surprised in his heart. However, he did not dare to have too much hope.

"Yes," Leng Ruoxue said lightly. How could she not know her?

"Then do you know the whereabouts of my master?" Luo Lin hesitated and finally asked.

"I know." Leng Ruoxue nodded. It was right in front of her!

"Can you tell me?" Luo Lin asked expectantly, excited.

"I'm Leng Ruoxue," Leng Ruoxue said helplessly.

"Ah!" Luo Lin was a little dumbfounded.

"I say, you silly boy. Think about it. If we had never known you, why would we be so enthusiastic to avenge you!" Feng Da said helplessly. This boy was most likely scared silly by others.

"You... Are you really Leng Ruoxue? My master of the Luo family?" Luo Lin, who only regained his senses after a while, said in disbelief.

"I'm Leng Ruoxue. Your Luo family has also sworn a blood oath to me to be my servant. However, the Luo family doesn't seem to be willing to have me as their master, so I don't want to force it. In short, you can only be considered strangers who have a blood oath with me," Leng Ruoxue explained calmly.

"Master, the Luo Family only recognizes you as their master," Luo Lin said with a bitter smile. He knew that the Luo Family and Master's relationship was not very harmonious, so he did not know what to say.

"Let's not talk about this first. Tell me what's going on with the Luo family and who attacked the Luo family?" Leng Ruoxue asked bluntly. After all, the Luo family had sworn a blood oath, so she couldn't stand by and do nothing even if she didn't acknowledge the Luo family enough.

“The Luo Clan has been developing very well in recent years, so it has aroused the jealousy of some families. This time, it was the Luo Clan that was jointly attacked by several families. Now, Luo City and Martial Immortal City have probably been divided up by them,” Luo Linyu said with hatred, tears flowing faintly in her eyes.

“Who are they?” Leng Ruoxue asked in an unfriendly tone.

“With the Xu family as the leader, there’s still the Bai, Qi, and Zhao families,” Luo Lin said with tears in his eyes.

“The Xu family?” Leng Ruoxue sighed. After dealing with the Sun family, she was in a hurry to enter seclusion and ignored the Xu family.

“Yes, led by the Xu family. Master, the Luo family suffered heavy losses this time. There were countless casualties,” Luo Lin said with a pained expression.

“Does the Luo family have any communication signal?” Leng Ruoxue asked.

“Yes.” Luo Lin nodded.

“Then gather all the surviving members of the Luo Family,” Leng Ruoxue instructed.

“Yes,” Luo Lin replied.

“If you need anything, ask Feng Da to cooperate with you,” Leng Ruoxue said after some thought.

“Yes.” Luo Lin was very happy. It felt really good to find an organization and have someone backing him up. For some reason, after he knew that the beautiful girl in front of him was his master, his heart actually felt a sense of peace that he had never felt before at this moment. The panic from being displaced and at a loss for what to do seemed to have calmed down at this moment.

After making some simple arrangements, Leng Ruoxue brought everyone back to the inn.

Chapter 856: The Storm Rises Again (3)

A few days later, Leng Ruoxue met the heavily injured Luo Xian and Luo Fei father and son. She also learned more about the inside story from them. However, the more she knew, the angrier she became. This was because this actually involved some people from the Leng family, and these people were most likely here for her.

In the guest room.

The freak hugged the silent Leng Ruoxue and comforted her gently, “Xue’er, there’s no need to be so angry over a few clowns. Just kill them.”

“Yes, looks like we’re still too kind.” Leng Ruoxue nodded in agreement.

“Hehe! Feng Da and the others will definitely be happy now,” the freak teased with a light smile.

“We’ll take action when they return,” Leng Ruoxue said after some thought. She sent Feng Da and the others to look for the Luo Family members who were still alive. However, almost ten days had passed, and Feng Da and the others had yet to return!

“Okay. By the way, the injuries of the Luo father and son should be almost healed, right?” the freak asked.

“Yes, your injuries are healed, but your body is still a little weak. You have to rest for a few days,” Leng Ruoxue said. The father and son had been injured for too long and hadn’t received timely treatment, so their foundation had been injured.

Just as the two of them were chatting, there was a knock on the door.

The freak stood up and went to open the door.

“Miss, we’re back.” Feng Da and the others couldn’t help but shout as soon as they entered the room.

“Why did you guys take so long?” Leng Ruoxue was puzzled. This place was at most three days away from Luo City.

“Miss, we stayed in Luo City and Martial Immortal City for a few days to understand the situation there. Moreover, we rescued many Luo family members who were locked up by them,” Feng Da explained.

“Oh!” Leng Ruoxue nodded.

“Miss, the Xu family is really ruthless. I don’t know what to say about the Luo family members who were arrested!” Feng Da said angrily.

“Tell me!” Leng Ruoxue was very calm. She had already guessed that the Luo Family, who had fallen into the hands of the enemy, would not have a good life.

“The men of the Luo Clan had their meridians crippled, and the women were...” Feng Da really couldn’t continue.

“How many people were captured alive?” Leng Ruoxue asked lightly.

“Less than a hundred people, and the ones who survived are all men,” Feng Da explained. They only saw the corpses of the women from the Luo Clan, and the men were tortured beyond recognition.

“What about those who weren’t caught?” Leng Ruoxue continued to ask.

“After we left the Luo Clan’s secret signal in Luo City and Martial Immortal City, only 30 people from the Luo Clan came to seek refuge. Furthermore, they were all injured.” Feng Da was very helpless.

“Let’s settle them down. After they recover, we’ll go to Luo City and Martial Immortal City,” Leng Ruoxue instructed.

“Yes! Miss, the Old Ancestor of the Luo Clan wants to see you.” Feng Da said again.

“Oh, let him in!” Leng Ruoxue nodded.

“Yes,” Feng Da answered and left. Soon, he brought in an old man in ragged clothes.

The old man knelt on the ground with tears in his eyes as soon as he saw Leng Ruoxue. He cried, “Master, our Luo family is gone. Boohoo... I’ve let Master down!”

“Where there’s life, there’s hope. The Luo family didn’t die, why are you crying!” Leng Ruoxue pretended to reprimand. In her mind, as long as there was still a breath left, there was hope for revenge. Moreover, it was not too late for a gentleman to take revenge. Even if he couldn’t take revenge now, he would one day. Therefore, the most important thing was for someone to live. If everyone was gone, there would naturally be no hope for revenge.

“Master is right.” The Old Ancestor of the Luo Clan wiped his tears and said with some embarrassment. Boohoo... He had lived for such a long time, but he was actually not as clear-minded as a little child. Alas! Otherwise, how could she be their master! Thinking of this, his heart couldn’t help becoming bright. Moreover, he believed that as long as his master was around, there was nothing he couldn’t take revenge for.

“Get up! You don’t have to kneel.” Leng Ruoxue didn’t like to see such an old man kneeling in front of her while crying. It felt strange.

“Yes.” The Old Ancestor of the Luo Clan stood up obediently, but he kept bowing to show his absolute respect for Leng Ruoxue.

“Do you have any plans?” Leng Ruoxue probed.

“Master, I want to avenge the Luo Clan’s dead clansmen. Please help me,” the Luo Clan’s Old Ancestor pleaded. He knew that no one could help him now except for Master. He might not know Master’s true strength, but he was confident that Master could definitely seek justice for the Luo Clan.

“There’s no problem with taking revenge. However, have you ever thought that even if you take revenge, with your Luo Family’s current strength, you probably won’t be able to have a foothold in the Boundless Heaven Continent either. I have to leave this world sooner or later. If the same thing happens again next time, I’m afraid I won’t be able to do anything,” Leng Ruoxue reminded. After advancing to Mystic Supremacy, she was clear that she wouldn’t stay in this world for long. This time, she could help the Luo Family take back everything that they had lost. However, if the Luo Family couldn’t defend it, they would lose it sooner or later.

“Please enlighten me, Master.” The Old Ancestor of the Luo Clan was very respectful.

“I’ll only give you ten years. You have to rely on yourselves to develop the Luo Family,” Leng Ruoxue said indifferently. The Luo Family had a blood oath with her that they would never betray her, so she was very willing to give them a chance. However, whether they could grasp it depended on themselves.

“Ten years? Master, you know our Luo Family’s current appearance...” The Luo Family’s Old Ancestor was a little hesitant. He could hear what Master meant. If the Luo Family could not do anything in ten years, Master would not be able to help them. However, with the Luo Family’s current situation, forget one decade, even ten years would be very difficult to recover. Furthermore, even during the golden age, the Luo Family’s strength in the Boundless Heaven Continent could only be considered above average. Therefore, he felt that ten years was simply not enough.

“Since I’ve given you ten years, I’ll naturally provide all of your help. As for the injured clansmen, you don’t have to worry. I’ll treat them. After taking revenge this time, you just have to focus on developing the Luo Clan,” Leng Ruoxue explained.

Chapter 857: The Storm Rises Again (4)

“Thank you, Master. Our Luo Clan will definitely not disappoint you.” The Old Ancestor felt relieved after hearing Leng Ruoxue’s words. Well! Fortunately, Master did not give up on them. Otherwise, their Luo Clan would really be finished.

“Give these pills to your clansmen. We’ll take revenge after they recover.” Leng Ruoxue took out a few bottles of pills from her ring and handed them to the Luo Clan’s Old Ancestor.

“Thank you for the reward, Master,” the Old Ancestor of the Luo Clan said happily. He bowed to Leng Ruoxue and left the room.

“Xue’er, are you planning to accept these servants?” The freak asked with a light smile after the Luo Clan’s Old Ancestor left.

“They’re too weak and can’t help me much. However, they won’t betray me with the blood oath, so I’ll help if I can! As for the future! It’ll depend on their Luo family,” Leng Ruoxue said softly.

“En, they are indeed too weak now. However, they hugged this big tree of yours, destined to have a place in the Boundless Heaven Continent,” the freak said knowingly.

“It’s a little too early to say this now. What if the Luo family is a hopeless situation! Moreover, acknowledging me as your master might not be a good thing for the Luo family,” Leng Ruoxue said faintly. She had many enemies. If the Luo family couldn’t protect themselves, it would cause a sect-destroying disaster. Someone from the Leng family was also involved in this matter. She didn’t know if it was because of her, sigh!

“Xue’er, don’t think about this. Let’s go out and take a walk!” The freak changed the topic. He didn’t want to see Xue’er unhappy.

“Okay.” Leng Ruoxue nodded, and then the two of them left the restaurant...

Three days later.

The injuries of the Luo Family members had already healed with Leng Ruoxue’s medicinal pills. Not only that, but their strength had actually increased. This made them wild with joy, and the hatred that had lingered in their hearts for the past few days was slightly relieved. At the same time, they saw hope for revenge and even had a trace of anticipation for the Luo Family’s future.

Among the Luo Family, other than Luo Xian and his son and Luo Lin, it was basically the first time everyone had seen their master. However, just this time, their admiration for Leng Ruoxue had risen to an unprecedented height.

Right now, they were blindly obedient to Leng Ruoxue. If Leng Ruoxue said one, they would not say two. They would do whatever she asked them to do and were extremely obedient.

At the entrance of the restaurant.

Leng Ruoxue looked at the Luo Family members who had recovered well and said with a faint smile, “Let’s go! Let’s go to Luo City first.”

With that, everyone sat on the back of the little peacock that had been waiting by the side. After everyone sat down, the little peacock flapped its wings and rushed into the clouds!

After flying for two days, Leng Ruoxue and the others arrived in Luo City.

At this moment, Luo City had already been occupied by the Bai and Zhao families. The city gate was also plastered with portraits of the Luo family. After the little peacock landed at the city gate, Leng Ruoxue and the others jumped off the little peacock's back and walked directly towards the city gate.

"Guards! It's the Luo Family! Hurry up and report to the City Lord!" The guards who had recognized the Luo Family roared at the top of their lungs before Leng Ruoxue and the others approached.

Immediately, the city gate was in chaos. The guards even turned around and returned to the city. At the same time, the city gate was slammed shut with a loud bang. The guards in the city ran to the city wall and looked down at them.

Leng Ruoxue looked at the guards' reactions with a black face and was a little speechless. What did they mean?

Shouldn't they be the ones afraid in the eyes of these guards?

Why were these guards like frightened birds? Well! This reaction was really too strange.

"You demons, the City Lord won't let you go. You're dead meat." A guard roared bravely, but his trembling body revealed his fear.

"Demon? Did I hear wrongly?" Leng Ruoxue didn't expect these guards to have such great ability to distort the truth. Wasn't the person being tortured from the Luo family? Why did they become demons instead? Hmph! This was obviously the villain complaining first!

"Demon, I didn't expect you to still dare to come back. Hmph! The City Lord has already set up an inescapable net and is waiting for you," the guard continued. However, his head was hit ruthlessly.

"Sigh, why did you hit me?" The guard glared at the person who hit him and said unhappily.

"You idiot, who asked you to say this?" That person roared uncontrollably.

"Didn't you say that we can't lose in terms of imposing manner!" The guard was very aggrieved.

"Are you done discussing?" Leng Ruoxue looked at the guards who were out of line and large beads of sweat rolled down her forehead.

"W-what do you want?" The guard asked nervously. Boohoo... This woman gave him a lot of pressure.

"Of course we want to enter the city. If you know what's good for you, quickly open the city gate. Otherwise, I will have to use force." Leng Ruoxue said politely before resorting to force.

"You... How dare you! The City Lord won't let you go." The guard carried the City Lord out when he heard that.

"It doesn't matter. Today will be their death date," Leng Ruoxue said nonchalantly. She couldn't be bothered to talk nonsense with them anymore and directly moved Lao Mao and the pythons out of the bracelet.

The two hairy beasts had already acknowledged him as their master before the disheveled old man advanced. Therefore, after the disheveled old man advanced, they also advanced to level-seven Transcendent Divine Beasts. However, because they were already used to living in the space, they stayed in the space after recognizing him as their master.

“Miss.” Two hairy beasts and the pythons called out affectionately after coming out.

“Okay, attack the city,” Leng Ruoxue ordered directly.

With her order, the two hairy beasts and the pythons immediately returned to their original forms and rushed to the city...

Two hairy beasts’ huge palm hit the city wall with a bang. Immediately, a crack appeared on the city wall...

Seeing this, the pythons did not want to be outdone and shook their thick snake tails. “Pa! Pa!” They smashed onto the city wall, and the city wall shook...

At this moment, the two hairy beasts clapped their hands again and again. In the blink of an eye, the sturdy city wall shattered into pieces like paper. According to the two hairy beasts and the other pythons, this was the result of them showing mercy!

Chapter 858: The Storm Rises Again (5)

“Ah!” The guards on the city wall fell from high ground as the city wall fell. Leng Ruoxue and the others directly ignored these small fries, stepped on the ruins of the city wall, and walked in with large strides.

After entering Luo City, Leng Ruoxue realized that the city was a little bleak. There were pitifully few pedestrians on the streets. Moreover, when they saw them, they all hid with fear in their eyes.

“Feng Da, did you do something bad? Why do the people in this city look like they saw a ghost when they see us?” Leng Ruoxue asked in puzzlement.

“Miss, we didn’t do anything. We only dealt with a few people and conveniently went to the Bai and Zhao families’ main residences to cause trouble. Hehe! Anyway, the Bai and Zhao families are quite close to here, so we were just passing by.” Feng Da scratched his head and said somewhat embarrassedly.

“Oh!” Leng Ruoxue nodded and didn’t continue asking. However, she believed that it wouldn’t be as simple as Feng Da said.

“Master, the City Lord Residence of our Luo City is just around the corner in front.” The Old Ancestor of the Luo Clan said with two drops of cold sweat dripping down his forehead. He knew better than anyone how much of a slander Feng Da’s words were because he had seen it with his own eyes. Boohoo... It was really too violent. His heart was still trembling when he recalled it until now!

“Yes, that’s also the Luo family’s main residence!” Leng Ruoxue said understandingly.

“Yes,” Luo Xian said sadly. To the entire Luo Clan, this matter was both a disaster and a great humiliation. Thus, revenge was necessary.

Everyone chatted as they walked. Soon, they arrived at the City Lord Residence.

At this moment, the City Lord Residence had already received news of their arrival, so they had long entered a highly alert state.

“Oh! Looks like you’re all ready.” Leng Ruoxue looked at the Bai and Zhao families gathered at the entrance of the City Lord Residence and said with a light smile.

“Are you a helper from the Luo Clan?” a middle-aged man asked.

“No,” Leng Ruoxue replied lightly.

“Leave Luo City immediately if you’re not. I can’t bear to hurt a beauty like you!” the middle-aged man said wretchedly, his eyes revealing a perverted glint.

“Do it!” Leng Ruoxue didn’t want to waste time with them, so she ordered directly.

“Yes.” Feng Da and the others replied. After that, they swarmed forward and casually found an opponent to beat up. After they were done, they directly released their profound techniques to annihilate their opponent....

Just like that, in less than half an hour, the Bai and Zhao families’ allied forces disappeared from the Boundless Heaven Continent without any strength to resist. Feng Da and the others were still somewhat unsatisfied because, in their eyes, these two families were too ungovernable!

The matter in Luo City was resolved so quickly that the Luo Family couldn’t help but be dumbfounded. Uh! They knew that their master’s subordinates were very strong, but they didn’t expect them to be so powerful. How could they bear this!

Sigh! If the Luo Family had such strength, how could they still be bullied so badly! However, with a master like Leng Ruoxue, the Luo Family believed that sooner or later, they would stand at the peak of the Boundless Heaven Continent. However, they were also a little troubled now because Master’s subordinates were too formidable. This made them very uneasy in their hearts. Boohoo... What if Master despised them! Thinking of this possibility, the Luo Family was a little conflicted.

“I said I would give you ten years.” Leng Ruoxue couldn’t help but remind them when she saw the depressed expressions on the Luo family’s faces.

That’s right! The Luo Family members immediately perked up when they heard Leng Ruoxue’s words. They might not be able to help their master now, but they believed that they would definitely become his right-hand man one day, so they couldn’t wallow in self-pity. They had to have enough confidence. Thinking of this, their mood immediately became high.

“Let’s go! We’ll get rid of the Bai and Zhao families completely and then go to Martial Immortal City.” Leng Ruoxue instructed when she saw the Luo family’s aura rise.

“Yes!” the Luo Family answered in unison, their spirits high!

“Let’s go!” Leng Ruoxue ordered. Then, everyone sat on the little peacock’s back and flew straight to the Bai and Zhao families’ main cities.

After arriving at the main city of the Bai and Zhao families, Leng Ruoxue and the others didn’t waste any energy at all to clean up the Bai and Zhao families. Then, they went to Martial Immortal City.

Martial Immortal City was similar to Luo City. The city gate was also heavily guarded. However, the guards guarding the city were also panicking when they saw them. Then, they abandoned the city gate and fled in a hurry.

“The Xu family and the Qi family are really cowards. How dare they surround others with this little guts. I really don’t know who borrowed their guts,” Feng Da said with a face full of disdain.

“Haha, that’s right!” Cheng Wu echoed.

“Little Peacock, fly directly to the City Lord Residence!” Leng Ruoxue instructed. They were not unfamiliar with the City Lord Residence of Martial Immortal City. After all, they had stayed there for a few days!

“Yes.” The little peacock nodded and flew directly over the city wall towards the City Lord Residence.

When they arrived at the City Lord Residence, they saw the door of the City Lord Residence open wide, but there was no one at the door. Leng Ruoxue and the others were puzzled when they saw this situation.

“Little peacock, fly in and take a look,” Leng Ruoxue said after some thought.

“Yes.” The little peacock flew directly into the City Lord Residence after receiving Leng Ruoxue’s order. After patrolling around, it finally found a few Martial Immortal City guards in a corner.

A few guards were curled up in a corner. When they saw Leng Ruoxue and the others, their bodies trembled like fallen leaves in the wind.

“Let me ask you, where is the current City Lord of the City Lord Residence?” Leng Ruoxue asked speechlessly. Why did these guards look like they saw a ghost when they saw Feng Da and the others? Could it be that the guards at the city gate were all for outsiders to see?

“No... No!” A guard said with a trembling voice, not daring to look up at all.

“Where did you go?” Leng Ruoxue asked lightly.

“I... I don’t know where I’m going,” the guard stammered, his words a little unclear.

“Damn it, my young miss asked you a question, how dare you not answer honestly!” Feng Da roared, scaring the guards into hugging each other.

“Should... should have returned to Xu Cheng and Qi Cheng. Boohoo... You killing gods are too terrifying. They didn’t dare to stay here anymore, so they ran away.” The guard’s eyes were filled with tears as he sobbed.

“Let’s go!” Leng Ruoxue was very helpless. She had already asked Qing Jue to search Martial Immortal City. There was indeed no trace of the Xu and Qi families. It seemed like they had really been scared away by Feng Da and the others. Well! She only knew today that her subordinates actually had such power. Killing God!

The little peacock received Leng Ruoxue’s order and looked at the trembling guards with disdain. It directly threw a mystic technique and flapped its wings to fly away.

After flying for nearly a day, the little peacock brought Leng Ruoxue and the others to Qi City.

It was night when they arrived in Qi City, so Leng Ruoxue ordered the little peacock to fly directly over the city wall.

Well, it was a little late. It was time for them to rest after cleaning up the Qi family, so they naturally had to end the battle quickly and not waste time on entering the city.

“Miss, we’ve arrived at the Qi residence,” the little peacock said after finding the Qi family’s main residence according to Leng Ruoxue’s instructions.

“En, Feng Da, you haven’t been to the Qi family before, right?” Leng Ruoxue raised her eyebrows and teased.

“Uh! Not yet. We were afraid that Miss would be anxious. Otherwise, she would come,” Feng Da said with slight regret.

At this moment, the main entrance of the Qi residence was silent. However, looking down from the sky, the main residence was brightly lit and lively.

“The Qi family seems to be holding a banquet.” Leng Ruoxue looked at the situation in the Qi family’s main residence and said lightly.

“Miss, how do we get in?” the little peacock asked curiously. Well! It meant to knock or smash the door...

“Just fly in directly. Master is busy. Let’s not disturb her and go in ourselves,” Leng Ruoxue said with a light smile.

“Okay!” the little peacock said excitedly. Hehe! It liked to enter uninvited. It felt more accomplished this way!

With that, the little peacock flew directly over the Qi family’s tall yard wall and landed in the main yard.

“Who is it? How dare you barge into the Qi family!” The little peacock was discovered by the Qi family’s guards as soon as it landed. Of course, it could not be ruled out as doing this on purpose.

“A troublemaker. Can’t you tell?” The little peacock blinked its big watery eyes and said innocently.

“How dare you! How dare you destroy the Qi family’s territory?” the guard said in disbelief. However, when he saw the Luo family’s Old Ancestor sitting on the little peacock’s back, his back turned cold, and a bad premonition surged in his heart. At this moment, he already knew that the Luo family was here to take revenge.

Chapter 859: Returning to the Leng family (1)

“So what if it’s the Qi family? Is the Qi family a tiger’s den? Tell your patriarch that we’re smashing the Qi family’s territory.” Feng Da glared and roared loudly.

“Haha! That’s right. Hurry up and let your patriarch come out to die!” Lin Yuan echoed.

“How dare you! Our patriarch is entertaining guests. Don’t be impudent!” At this moment, a man rushed out of the main hall. When he saw Leng Ruoxue and the others, he roared in disdain.

“Esteemed guest? Then please come out and die together!” Leng Ruoxue said with a light smile. She felt a few powerful auras in the main hall. They were probably helpers invited by the Qi family. Hmph! It was just right to deal with them together. After all, in her eyes, whoever helped the enemy was her enemy.

“Don’t regret it!” The man threatened before turning around and returning to the main hall angrily.

At this moment, a luxurious welcome banquet was being held in the main hall of the Qi family. The patriarch of the Qi family was sitting at the main table, his face full of charm. However, the strange thing was that he wasn’t sitting in the main seat. Sitting on the main seat was a middle-aged man with a terrifying aura and a gloomy face. This man was around 40 to 50 years old, and his strength was unfathomable. On both sides of him sat two older men with strength and bearing that were slightly inferior to his. Other than that, the others sitting at the main table were all the elders of the Qi family.

The Qi family’s patriarch did his best to curry favor with the middle-aged man sitting in the chair. After a few glasses of yellow wine, the middle-aged man gradually smiled.

“Patriarch Qi, don’t worry. I’ll put in a good word for your daughter. However, the young master is stubborn. Recently, he hasn’t even been willing to listen to many of his elders, so...” The middle-aged man seemed to be in a dilemma. He stopped mid-sentence, his meaning self-evident.

“Third Butler, don’t worry. I won’t treat you badly. If this matter is completed, you will all be the great benefactors of our Qi family. As for the matter with the Luo family, please extend a helping hand and lend our Qi family a hand. This old man will be endlessly grateful.” The Qi family’s patriarch was very tactful. After hearing the middle-aged man’s words, he gave his subordinate a look. The subordinates beside him immediately sent a storage ring seeing this.

The Qi family’s patriarch handed the ring to the middle-aged man. The man took it and used his divine sense to scan it. Then he nodded with slight satisfaction, the smile on his face widening.

“Patriarch Qi, don’t worry. I’ll do my best regarding your daughter. As for the Luo family, you don’t have to worry. The Luo family won’t be able to overturn the sky with us around,” the middle-aged man promised. He naturally had to be careful after obtaining such a huge benefit. However, he didn’t expect the Qi family to be so generous. It seemed like they had paid a huge price this time. The man thought to himself.

“Hehe! With the Third Butler, this old man can rest my heart in my stomach.” The Qi family’s patriarch was very good at currying favor. This flip of the conversation made the middle-aged man feel incomparably comfortable. However, his heart also ached a little because the blood loss this time was really not small! However, for the future of the family, he endured it!

However, the host and guest didn’t last long before the man who had just left Leng Ruoxue and the others with fierce words ran into the main hall and whispered a few words to the Qi family’s patriarch. Immediately, the Qi family’s patriarch’s expression changed again and again!

“Patriarch Qi, what happened?” the middle-aged man asked curiously.

“Third Butler, the remnants of the Luo Family are here, and they even let us go out to die.” The Qi family’s patriarch’s face was aggrieved, but he didn’t dare to directly order these few people to help them teach the Luo Family a lesson.

Many people from the Qi family, who were sitting in the living room, had a drastic change in expression when they heard that the Luo family had come knocking on their door. This was because many of them had escaped death from Martial Immortal City and returned. The memories that Feng Da and the others had left them back then were still as deep as a nightmare. They could not forget them even if they wanted to!

“Oh! The Luo family isn’t a threat. The Qi family can rest easy With us around. There’s no need to be afraid,” the middle-aged man said confidently. Since he had accepted the Qi family’s money, he naturally had to stand up for the Qi family!

“Third Butler is right. I wonder how the Luo family outside will be dealt with? I hope Third Butler can tell us,” Patriarch Qi asked.

“Leave it to us. Let’s go out and take a look. We’ll continue drinking after cleaning them up,” the middle-aged man said. Then, he was the first to stand up. After everyone stood up, he led everyone into the yard in large strides.

In the yard, Leng Ruoxue and the freak were still sitting on the little peacock’s back, while Feng Da and the others stood around the little peacock and surrounded them.

The Qi family’s patriarch and the others happened to see this scene when they came out of the living room.

“Luo Xian, how dare you come knocking on our door to die!” The Qi family’s patriarch roared as he saw Luo Xian standing in the courtyard.

“Isn’t this just right? We don’t want you to search for us all over the world. Ah! No, it should be to guard against us like we’re thieves,” Luo Xian said mockingly.

“Luo Xian, even if you talk big, you won’t be able to erase the fact that you’re about to die,” the Qi family’s patriarch said proudly, as if he could already see the Luo family’s demise.

“Yes, yes. These are also what I want to say to you,” Luo Xian said calmly.

“Why waste your breath on him? Just kill him!” At this moment, the middle aged man called Third Butler spoke impatiently.

“Where did the Qi family invite a dog? Why didn’t they tie it up a little!” Feng Da said coldly, his eyes full of disdain.

“Who are you from the Luo Family? State your name if you have the guts!” The Third Butler was instantly angry when he heard himself being called a dog. His face and neck were red as he roared at the top of his lungs.

“Third Butler, they shouldn’t be from the Luo Family,” the Qi family’s patriarch said hurriedly.

“Oh! So it’s also a dog found by the Luo family!” The Third Butler smiled when he heard this.

“Also? Does that mean this Third Butler admits to being a dog!” Feng Da said without anger, not taking the words of the person in front of him to heart.

“You! Hmph! Brat, report your name if you have the guts. My subordinates are not nameless.” The Third Butler suppressed his anger and said.

“Grandpa is Feng Da. Remember this name! Otherwise, you won’t be able to say it when others ask you how you died when you go to hell,” Feng Da reminded kindly.

Chapter 860: Returning to the Leng family (2)

“Good! You, Feng Da, today I’ll let you taste my power.” The Third Butler roared and was about to attack, but he was stopped by Feng Da.

“Wait! I don’t kill nameless people either. Grandson, tell me your name!” Feng Da said with a chuckle.

“You... I’m the third housekeeper of the Leng family, Leng Qing! I’ll make you a dead soul under my saber today!” Leng Qing’s eyes shot out a bloodthirsty light as he said fiercely.

“Haha! Then let’s see who dies first. However, I’m a little curious. Does the Leng family know that you’re backing the Qi family?” Feng Da asked curiously.

“Of course I know. Miss Qi is the future Young Madam of our Leng family. It’s only right for our Leng family to stand up for the Qi family. Hmph! Admit defeat if you know what’s good for you. I might spare your life if I’m in a good mood!” Leng Qing said as if he was showing mercy.

“Leng Qing, right! Are you sure this is the Leng family’s idea? Isn’t it your own fantasy? With Qi Hong’er’s character, why would Leng Wudi fancy her? Don’t you think your young master is a fool?” Feng Da said speechlessly. He had killed many members of the Leng family. Why didn’t they notice these three butlers at that time? This fellow was also considered a wonder!

“How dare you! You actually dare to call our young master by his name!” Leng Qing’s breathing was a little hurried. It was obvious that he was greatly angered by Feng Da.

“Haha! Leng Qing, don’t mention your young master’s name, even if your patriarch stood in front of me, I would still call him by his name,” Feng Da said disapprovingly.

“Feng Da, how dare you disrespect our patriarch and young master! I’ll deal with you on behalf of the Leng family today!” Leng Qing said with a face full of anger.

“Are you sure? Leng Qing!” Leng Ruoxue suddenly asked with a light smile.

“Who are you? Come out if you have the guts. Don’t hide yourself.” Leng Qing heard a woman’s voice, but he didn’t see anyone. He couldn’t help being a little angry. These people really didn’t care about the Leng family. It was really ridiculous!

Just as he finished speaking, a dazzling red light flew straight at his face. It was so fast that it caught him off guard, and it entered his mouth with a swish. In an instant, blood flowed out of the corner of his mouth. He was just about to open his mouth to speak when half a tongue fell out...

“Third Butler!” The Qi family was shocked and a little flustered when they saw this. This... How could this be? They didn’t see when the other party attacked, but the Third Butler was injured!

Leng Qing glared angrily and pointed in the direction of Feng Da and the others. He was full of hatred, but he couldn’t say a word!

“Third Butler, I forgot to remind you. Be careful not to cause trouble with your mouth!” Leng Ruoxue’s calm voice drifted into the ears of the Qi family. Instantly, everyone’s hearts turned cold!

“Hu... Bah... Eww?” Leng Qing asked unclearly, the hatred in his eyes difficult to hide!

“I’m Leng Ruoxue,” Leng Ruoxue said softly.

With that, she jumped off the little peacock’s back, and Feng Da and the others consciously made way for her.

“Are you really Leng Ruoxue?” A person beside Leng Qing asked with slight fear. Everyone in the Leng family knew Leng Ruoxue’s great name. However, they happened to not be in the family when Leng Ruoxue was a guest in the Leng family at that time. However, they also heard about this demoness’s cold blood and ruthlessness afterward! Therefore, they also had lingering fears.

“It’s true!” Leng Ruoxue nodded.

“Leng Ruoxue, you are also from the Leng family. Why are you helping the Luo family? We are your family,” the person said in disbelief.

Uh! After hearing that person’s words, the people from the Luo and Qi families couldn’t help turning their gazes to Leng Ruoxue.

The Luo family didn’t expect their master to really be from the Leng family. They had always had guesses, but it was confirmed now.

The Qi family didn’t expect the Leng family to help the Luo family. They had spent so much money but were going to be destroyed in the hands of the other members of the Leng family in the end. How could they bear this!

“Haha! What a joke. Who’s your family? When did I admit that I’m from the Leng family?” Leng Ruoxue said speechlessly. Did some people in the Leng family inherit their self-righteousness?

“You unfilial descendant, how dare you disown your main family!” The person immediately roared angrily when he heard that. He originally wanted to use the Leng family’s name to make Leng Ruoxue retreat! But who knew that she didn’t care at all, which couldn’t help making him feel ashamed.

“Don’t use that big hat on me. I don’t care about the Leng family at all and won’t acknowledge it,” Leng Ruoxue said with a spurious smile.

“You...” The Leng family led by Leng Qing glared at Leng Ruoxue angrily, so angry that they couldn’t say anything. However, after hearing Leng Ruoxue’s fierce name, they didn’t dare to act rashly. After all, she even dared to kill the elders of the Leng family, let alone small characters like them! Boohoo... This demoness absolutely couldn’t be provoked!

“Feng Da, attack!” Leng Ruoxue ordered.

“Okay! Brothers, be quick.” After Feng Da said that, he went directly to Leng Qing.

Leng Qing, who was not mentally prepared and was frightened by Leng Ruoxue’s name, was unable to retaliate at all. He was quickly dealt with by Feng Da.

The people from the Qi family and the Leng family were not in the mood to fight at all under the powerful attacks of Feng Da and the others. They were frightened and ran everywhere. However, no matter how fast they were, their fate was destined.

Feng Da and the others attacked fiercely, and the opponents whose strength were not on the same level were quickly eliminated.

After cleaning up the Qi family and the helpers they found, Feng Da and the others quickly cleaned up the battlefield. After that, everyone left the Qi family. However, they didn’t forget to set a fire before leaving...

After resting for the night, Leng Ruoxue and the others headed straight to the last destination, the Xu family’s main city the next morning.

After arriving at the Xu family’s main city, Leng Ruoxue and the others didn’t waste any time. They directly attacked and destroyed the Xu family at lightning speed. Then, they arranged for the Luo family. Following that, Leng Ruoxue led everyone to Proud Cold City where the Leng family was...
