

## **Crazy Wife 861**

### **Chapter 861: Returning to the Leng Family (3)**

“Xue’er, what are you thinking about?” The freak looked at the thoughtful Xue’er and asked curiously on the way to Proud Cold City.

“Freak, we didn’t see Xu Qian in the Xu family, right?” Leng Ruoxue asked calmly.

“Yes, that guy probably ran away long ago,” the freak said disapprovingly. Xu Qian could not cause much trouble, so he was not worried.

“I keep feeling that that guy is a scourge,” Leng Ruoxue said honestly.

“Xue’er, don’t think about it. Didn’t you always say that we should deal with whatever comes our way? It’s just Xu Qian. Don’t take it to heart. That guy won’t be able to achieve anything,” the freak comforted.

“Okay.” Leng Ruoxue nodded and changed the topic. The two of them talked about something else.

Three days later.

Leng Ruoxue and the others arrived at Proud Cold City.

Leng Shuang was exceptionally happy to see Leng Ruoxue and arranged for them to stay in the Snowfall Garden.

In the garden of the Snowfall Garden.

Leng Shuang pulled Leng Ruoxue affectionately and kept asking questions. Then, she chatted with her about the Leng family’s recent situation.

Leng Qianye, who had rushed over, deliberately put on a straight face and walked into the Snowfall Garden. He sat down opposite Leng Ruoxue. The two of them looked at each other without saying anything.

After some time.

“Little Xue’er, are you here to see me?” Leng Qianye couldn’t help but ask when he saw that Leng Ruoxue ignored him after sitting down for a long time.

“No,” Leng Ruoxue said honestly.

“You... Little Xue’er, you’re a bad person. To think that I’ve been thinking about you guys. Boohoo... I’m really too sad.” Leng Qianye wiped his tears and said aggrievedly.

“Are you here to see your sister, Sister Xue’er?” Leng Shuang asked curiously.

“Uh! Not really.” Leng Ruoxue shook her head.

“Little Xue’er, are you here to see my grandfather?” Leng Qianye guessed with jealousy. Even though he hadn’t gotten Leng Ruoxue’s answer, he was already jealous.

“I’m not here to see the Leng family,” Leng Ruoxue said helplessly.

“Uh! If you’re not here to see our Leng family, are you here to kill us?!” Leng Qianye said half-jokingly. He even felt that Little Xue’er was getting better at keeping people in suspense.

“That’s right. I’m here to kill the Leng family,” Leng Ruoxue said with a smile.

“Uh!” Leng Qianye and Leng Shuang were stunned for a moment before they reacted.

“Sister Xue’er, stop joking. Isn’t Leng Xing’s bloodline already dead?! How would the Leng family dare to provoke you!” Leng Shuang chuckled. No one in the Leng family dared to provoke Leng Ruoxue now. Sigh! They were afraid of her!

“Little Xue’er, even though you don’t like the Leng family, you have to have a good reason to kill them! After all, the Leng family has a bloodline connection with you.” Leng Qianye reminded her helplessly. If Little Xue’er killed a few members of the Leng family for no reason, it would probably be difficult to explain to Eldest Grandpa. Of course, it would be different if there was enough reason.

“Ugh!” Leng Shuang was speechless after hearing Leng Qianye’s words. She thought to herself, ‘Your lineage is really protective of your children. It’s fine as long as you have a reason to kill your own clansmen. Sigh! I wonder who provoked Sister Xue’er again.’

“Don’t worry, every debt has its debtor. Although my motto has always been to eliminate the root of the problem, I won’t do that on your account. I only kill those who deserve to die in the Leng family,” Leng Ruoxue said very respectfully.

“Uh! Sister Xue’er, who do you want to kill?” Leng Shuang asked in confusion. The family head and elders had strictly ordered the clansmen to stay away from Leng Ruoxue and not take the initiative to provoke her. How could anyone anger Sister Xue’er? She really didn’t understand.

“One called Leng Hua,” Leng Ruoxue said softly.

“Leng Hua? What did he do?” Leng Qianye asked in confusion. As far as he knew, Leng Hua had never left the clan. How did he provoke Little Xue’er?

“He got the Xu family, the Qi family, the Bai family, and the Zhao family to besiege my servants. Oh right, I forgot to tell you that I’ve already gotten rid of the third butler of the Leng family who worked for him,” Leng Ruoxue said calmly. Leng Hua was the person behind the scenes who had read Leng Qing and the others’ minds, so she naturally wouldn’t let him off.

“Ah! You mean the Luo family?” Leng Shuang was surprised. It was no secret in the Vast Heaven Continent that the Luo family had been annexed by the Xu family and a few other families, so she had naturally heard about it.

“Yes.” Leng Ruoxue nodded.

“Little Xue’er, not many people know that the Luo family is your servant, right?” Leng Qianye asked thoughtfully.

“Yes.” Leng Ruoxue nodded.

“In that case, how could Leng Hua know about this? Although that old fellow isn’t too obedient, he rarely leaves the forbidden area all these years. If I don’t know about this, there’s even less reason for him to know.” Leng Qianye’s face was filled with questions.

“There’s no such thing as an impenetrable wall in this world. How would Leng Hua know? Why would he attack the Luo family? I’m afraid he can only ask himself,” Leng Ruoxue said with a faint smile. To her, it didn’t matter how Leng Hua knew or why he went against her. What was important was that he had to pay the price for daring to be her enemy!

“Little Xue’er, I really can’t think of a reason for Leng Hua to do this. What can he gain from dealing with your servant?” Leng Qianye frowned.

“I’m afraid he can only ask himself,” Leng Ruoxue said lightly.

“Yes, let’s ask him together!” Leng Qianye stood up and said.

“No need, I can find him myself.” Leng Ruoxue refused. Leng Qianye was the Grand Elder of the Leng family. Although she didn’t recognize the Leng family, she had to consider his position.

“Alright then! However, I’m the only one who can bring you in,” Leng Qianye said proudly. He knew how stubborn Little Xue’er was, so he didn’t force her. In addition, he had to tell his grandfather about this early so that things wouldn’t get out of hand.

“Not necessarily. I can barge in,” Leng Ruoxue said calmly when she saw the smug expression on Leng Qianye’s face.

### **Chapter 862: Returning to the Leng Family (3)**

“Uh! Little Xue’er, if you barge in, you will become the public enemy of the Leng family!” Leng Qianye said with a bitter smile.

“That makes sense. With such a useful trump card like you, it would be a waste not to use it. Forget it, I can’t be bothered to waste time. Just bring us in!” Leng Ruoxue’s attitude changed very quickly.

“Little Xue’er, has anyone ever said that you’re bad?” Leng Qianye’s eyes sparkled as if he was about to cry. Boohoo... He could tell that Little Xue’er was clearly teasing him!

“If a woman isn’t bad and a man doesn’t love her, my man will love my badness,” Leng Ruoxue said proudly.

“Yes, yes. I love it when Xue’er plays dirty tricks,” The Freak quickly agreed.

“Uh!” Leng Qianye did not know what to say. He even felt that this freak had embarrassed all their men. However, he did not dare to say this out loud.

“Alright, I won’t joke with you anymore. Quickly bring us to the forbidden area!” Leng Ruoxue urged. After settling the Leng family’s matter, she should be able to go to the Dark Night Seas! Hmph! She would never let anyone who dared to cause trouble for her off!

Leng Qianye nodded. Then, he brought Leng Ruoxue and the others to the forbidden area in the back mountain of the Leng family. After telling them where Leng Hua lived, he went straight to report this matter to his grandfather.

Leng Ruoxue stood at the door of Leng Hua's room and thought to herself. The room in front of her was made of wood. She didn't know if it could withstand the burning of her intrinsic flame. Oh! She could test the temperature of her flame while she was at it.

Thinking of this, Leng Ruoxue released a fire attribute mystic energy without hesitation. As soon as the fiery red mystic energy touched the wooden house, it immediately burned...

At this moment, Leng Hua was sleeping in his room, completely unaware of the outside world. It was only when the smoke choked his nose that he was woken up!

Leng Hua opened his eyes, but there was black smoke lingering in the room, and he couldn't see anything at all. Moreover, his eyes were choking with smoke and tears...

Suddenly, there was a loud thunk! and the flaming roof beam fell off, right into his lap...

Leng cried out in pain and frustration. Damn it, how could his room be on fire? Had no one noticed?

Leng Hua struggled to get up from the bed and took a healing pill. However, after taking the pill, the injury on his leg showed no signs of improving. This made him even more depressed.

With no other choice, Leng Hua dragged his injured leg, fumbled, found the door, and broke out.

As soon as Leng Hua left the room, the house collapsed.

"Miss, this old thing is quite lucky! He actually didn't die!" Feng Da looked at Leng Hua, who was in a sorry state and still had flames burning on his clothes, and couldn't help but gloat.

"Damn it, who are you? Did you set this fire?" Leng Hua shouted at the sound of the stranger's voice. His eyes were thick with smoke, so he couldn't see very well. He could only judge by the sound, and the man's voice was unfamiliar to him.

"I'm Leng Ruoxue," Leng Ruoxue said with a faint smile. In fact, she didn't want to use fire to deal with Leng Hua at all. However, she had clearly overestimated this old fellow's awareness of danger. After all, if it were anyone else, they definitely wouldn't be in such a sorry state like him!

"Leng Ruoxue! You killed so many members of the Leng family, and you still dare to come back?" Leng Hua immediately exploded when he heard Leng Ruoxue's name. In the Leng family now, Leng Ruoxue was probably the most famous. The members of the Leng family might not know their ancestors, but everyone knew Leng Ruoxue's name!

"Why wouldn't I dare to come back? I'm doing a good deed by getting rid of trash for your Leng family! By the way, you haven't even paid me for my labor!" Leng Ruoxue said with a wicked smile.

"Leng Ruoxue! You still want labor fees!" Leng Hua was furious. This Leng Ruoxue was really more shameless than he knew! Not only was she not hunted down by the Leng family after killing a member of the Leng family, but she even dared to enter the house and ask for labor fees. She was really too much!

“Why not? But don’t worry, I’ll include your share,” Leng Ruoxue said angrily.

“What do you mean?” Leng Hua was shocked and forced himself to be calm.

“Don’t you know what I mean? Then you at least know what you’ve done, right?” Leng Ruoxue said with a faint smile.

“I don’t understand what you’re talking about. I’ve been cultivating in the forbidden area.” Leng Hua pretended to be confused.

“Leng Hua, I thought you were also a big shot. At least you dared to take responsibility. Unfortunately! You’re a coward and a coward! A person like you will only waste food and embarrass your ancestors if you live. Why don’t you let me send you on your way!” Leng Ruoxue said with slight disdain. Then, she released a cluster of flames from her fingertips and gently slashed in Leng Hua’s direction like a meteor...

### **Chapter 863: Duel In The Arena (1)**

The fiery meteor was extremely fast, but just as it was about to hit Leng Hua, it collided with a white light and fell to the ground...

“Who dares to cause trouble in the Leng family?” When the two mystic energies collided, a questioning voice sounded at the same time.

Swoosh! Swoosh! Swoosh! Several figures appeared in the void one after another.

Leng Ruoxue looked at the figure that suddenly appeared in front of them and a faint smile appeared on her lips. This Leng family was really slow!

“Eh! Leng Hua, what’s wrong?” Another surprised voice sounded.

‘Oh! So it’s the house on fire,’ the man muttered to himself, not caring if anyone responded.

“What are you doing here?” Leng Hua gritted his teeth when he saw the man appear. His face, which was grayish-black from the smoke, darkened even more.

“I heard that something happened to you, so I specially came to express my condolences. Hehe!” The person gloated.

“There’s no need!” Leng said, suppressing his anger.

“Don’t be like that! We’re all of the same race. We’re supposed to take care of each other,” the man said with a smile.

Take care my ass. She was clearly here to laugh at him. Leng Hua couldn’t help but curse in his heart, and his expression became even uglier.

“Little girl, who are you?” At this moment, the person turned to Leng Ruoxue and asked curiously.

“I’m Leng Ruoxue,” Leng Ruoxue introduced herself.

“Ah! You’re Leng Ruoxue. I’ve heard a lot about you.” The person’s face was filled with admiration, and countless stars appeared in his eyes.

“Leng Ruoxue, give me an autograph!” Suddenly, the person lifted a corner of his shirt and took out a pen. He handed it to Leng Ruoxue and said expectantly.

Leng Ruoxue raised her eyebrows slightly and looked at the kind-looking old man in front of her. She couldn't help but wonder if this old man was really so out of line or if his reaction was slow. However, according to her guess, the possibility of him doing it on purpose was very high.

“Don't worship me, I'm just a legend!” Leng Ruoxue said calmly, looking as arrogant as she could!

“Hehe! I have to worship you!” The old man smiled and thought to himself, ‘There aren't many people who dare to kill members of the Leng family in the Leng family. How can I not worship you!’

“Leng Yue! Damn it, she came to kill me, and you actually asked her to give you her autograph!” Leng Hua saw the man's actions and was so angry that he couldn't help but shout. Leng Yue always liked to go against him. It really angered him.

“Hehe! What have you done to deserve this?” Leng Yue was curious.

“You...” Leng Hua's breathing quickened at Leng Yue's words. He was clearly furious.

“Leng Hua, calm down. You can't die. Otherwise, I'll feel uneasy.” Leng Yue quickly comforted her.

“Hmph! How dare you kill people in our Leng family's forbidden area!” At this moment, someone who was closer to Leng Hua said.

“I only kill those who deserve to be killed,” Leng Ruoxue said calmly, her beautiful eyes turning to the old men protecting Leng Hua in the middle.

These old men must have a good relationship with Leng Hua because one of them had knocked away her mystic energy just now. Among the dozens of old men present, they were the closest to Leng Hua.

Actually, Leng Hua did not have a good relationship with the Leng family. However, no matter how unlikable he was, he would still have a few like-minded friends. Therefore, those who were willing to protect him at this time were really the ones who were closest to him in the Leng family. As for the others, even if they came, they were just here to watch the show, just like Leng Yue.

“You sure talk big, girl!” said another.

“Hehe! Let's talk nicely. Don't bully the younger generation!” Leng Ruoxue didn't speak, but Leng Yue tried to smooth things over.

“Leng Yue, do you have bad eyesight? I'm the one who was bullied!” Leng Hua was so angry that he was about to vomit blood. It was fine if Leng Yue did not help him, but in this situation, he was actually siding with an outsider. It was really outrageous.

“I'm just afraid that others will say that there are so many of us bullying a little child!” Leng Yue said aggrievedly, tears still flickering in his eyes.

“Shut up!” The more Leng Hua listened, the angrier he became. It was obvious that the other party had more people.

“You said it.” Leng Yue was really obedient. He really stopped talking after telling her to shut up.

The atmosphere suddenly became oppressive.

"I came here today to kill Leng Hua. Whoever wants to help him is my enemy. Don't waste time and attack together!" Seeing that no one was speaking, Leng Ruoxue looked around at everyone and said bluntly.

Uh! After hearing Leng Ruoxue's words, everyone present had different thoughts. Some admired her courage, but most of them felt that she was too arrogant!

"Hmph! Little girl, I'll teach you a lesson on behalf of your ancestors today, lest you don't know your place!" The first person to speak up for Leng Hua said angrily.

"Old man, haven't you heard that the bird that sticks out gets shot? Leng Hua isn't even going to attack, but you're going to stand up for him." Leng Ruoxue chuckled, hinting that Leng Hua was a coward.

"Leng Ruoxue, can't you see that I'm injured?" Leng Hua couldn't help but defend.

"As a Mystic Supremacy, what are those injuries? However, even if someone stands up for you, you're dead today," Leng Ruoxue said disdainfully.

"Miss, leave this old turtle to me!" Cheng Wu said.

"Okay." Leng Ruoxue nodded.

"Old turtle, die!" Cheng Wu gathered his mystic energy and attacked Leng Hua with a light blue mystic technique...

"Ah!" Leng Hua dodged quickly. However, because he was injured and could not move his legs, he was still hit by Cheng Wu's mystic technique!

"Leng Hua!" The person surrounding Leng Hua quickly shielded him and faced Cheng Wu.

However, Cheng Wu did not continue fighting with him because his opponent was Leng Hua. Therefore, he specially found an opportunity to attack Leng Hua. Light blue and green mystic techniques were released from his palms continuously. Not long after, Leng Hua was injured even more. It was a tragic sight.

The few old men who were helping Leng Hua were quickly pestered by Feng Da and the others. They could not spare any time to help Leng Hua.

## **Chapter 864: Duel In The Arena (2)**

Leng Ruoxue observed the situation on the field. Her beautiful eyes still had to pay attention to those old men from the Leng family who were watching the show to prevent them from launching a sneak attack.

"Little girl, don't stare at us. We're all pacifists. We won't attack!" Leng Yue, who was uncomfortable under Leng Ruoxue's gaze, couldn't help but say. Boohoo... He wanted to keep quiet, but this little girl's gaze made him feel so uncomfortable!

"I don't believe you," Leng Ruoxue said with a faint smile. She wanted to kill an ancestor-level figure of the Leng family. This was a forbidden area of the Leng family, so she naturally wouldn't believe these ancient words. After all, she was an outsider to these old men.

"Uh!" Leng Yue was depressed. Was he that untrustworthy? Even though this little girl wanted to kill Leng Hua, they really didn't dare to attack her! Not to mention whether they could defeat her, if they really attacked this little girl, Leng Qianye would probably be the first to not let them off! Moreover, their relationship with Leng Qianye was much better than with Leng Hua. How could they find trouble with themselves!

"Stop!" At this moment, an imposing roar entered everyone's ears. Then, a few more figures appeared in the void.

Leng Yue and the others were shocked when they heard this roar! They thought to themselves, The ancestors are here! Leng Hua's life is probably saved.

However, Leng Ruoxue and the others did not react to this voice. As for Cheng Wu and the others in the battle, they did not take it seriously. In their hearts, unless their Miss ordered them to stop, no one else could command them.

"Damn it! The ancestors told you to stop!" Leng Hua dodged Cheng Wu's attack in an extremely sorry state and found a gap to shout. F\*ck! The ancestors had already asked him to stop, but not only did this barbaric fellow not stop, but he even became more and more enthusiastic. He was really furious.

"That's your ancestor, not mine," Cheng Wu said disapprovingly, throwing the mystic technique in his hand at Leng Hua like water...

Suddenly, the wind and clouds changed. A terrifying mystic energy hit Cheng Wu, and Leng Hua took the opportunity to launch a sneak attack and knock Cheng Wu to the ground...

Everything happened so quickly that Leng Ruoxue and the others had no time to react.

When Leng Ruoxue and the others reacted, Cheng Wu had already fallen to the ground and was injured.

"Cheng Wu!" Leng Ruoxue quickly ran to Cheng Wu's side, helped him up, and took out a pill to feed Cheng Wu.

"Miss, I'm fine." Cheng Wu wiped the blood from the corner of his mouth and looked at Leng Hua coldly.

"Ancestor, please help me." Leng Hua felt Cheng Wu's gaze and his heart trembled. He quickly sought protection from the ancestor.

Leng Xiaoqing looked at Leng Hua and then at the injured Cheng Wu, feeling a little apologetic. After all, he had only attacked just now to make them stop. He did not want to hurt anyone, but Leng Hua had ruined things.

"Young man, are you alright?" Leng Xiaoqing asked with concern.

"With my lady here, you won't die," Cheng Wu said coldly, his knife-like gaze glaring at Leng Hua.

“Young man, it’s not good to be too angry!” Leng Xiaoqing reminded him. She was also a little angry. After all, she felt that she had already lowered herself, but the young man in front of her still had such an attitude. This made her feel a little embarrassed.

“Who are you?” Leng Ruoxue narrowed her eyes and asked calmly. However, seeing him standing with that cheap ancestor, she already knew.

“Little girl, you should call me Old Ancestor,” Leng Xiaoqing said patiently. For the sake of her younger brother, she knew that she couldn’t argue with this girl. However, she couldn’t let her kill another member of the Leng family.

“You’re Leng Hua’s ancestor, not mine,” Leng Ruoxue said lightly. Hmph! Whoever dared to hurt her was her enemy.

“Hehe! The little girl has a temper. She’s even angry with me,” Leng Xiaoqing teased as she glanced at her younger brother.

“Do you want to stop me from killing Leng Hua?” Leng Ruoxue asked bluntly.

“Little girl, you’ve already killed many members of the Leng family. You can’t kill anymore. We’re all family. I’ll make the decision now and help you mediate, okay?” Leng Xiaoqing asked kindly.

“Not good, Leng Hua must die! I won’t let go of anyone who helps Leng Hua,” Leng Ruoxue said without giving him face.

“Second Brother, this little girl’s temper is exactly the same as yours! Tell me what to do now!” Leng Xiaoqing kicked the ball into Leng Xiaoyu’s hand and said.

Leng Xiaoyu looked at the stubborn Leng Ruoxue and then glanced at Leng Hua. He was in a difficult position. He knew that if this matter was not handled well, the only relationship he had with this little girl would be damaged. Sigh! This girl’s personality was too strong and she was protective. This matter would probably not be easy to clean up!

However, it was really not worth it to ruin his friendship with this little girl for Leng Hua. Moreover, this matter was caused by Leng Hua in the first place. Even if he was really killed by Little Xue’er, he deserved it. The biggest problem now was Big Brother’s position!

Even though Big Brother said that he would not pursue the matter last time, he knew that Big Brother still minded it a little. This time, Big Brother would probably not give in easily regarding Leng Hua’s matter. After all, this concerned Big Brother’s absolute authority in the Leng family.

“Big Brother, Leng Hua is your descendant and Leng Ruoxue is mine. We can’t judge who’s right and who’s wrong. Why don’t...” Leng Xiaoyu said implicitly and only finished half of her sentence.

“You mean to let Third Brother decide?” Leng Xiaoqing raised her eyebrows slightly.

“What I mean is, let them decide on the arena. Life and death are up to fate,” Leng Xiaoyu said calmly.

“Second Brother, your descendant even killed the Sun family. If you propose to let them decide on the arena, I’m afraid this will be unfair to Leng Hua, right?” Leng Xiaoqing said indifferently.

“Big Brother, the rings are all one-on-one. Their strength is about the same. It’s very fair,” Leng Xiaoyu said, but he couldn’t help but feel uneasy. Leng Hua deserved to die in the first place. He had suggested the ring to decide life and death because he wanted to save Big Brother’s face. Who knew that Big Brother actually didn’t appreciate it?

“Alright, let them decide in the arena!” Leng Xiaoqing had no choice but to agree.

### **Chapter 865: Duel in the Arena (3)**

“Little girl, you and Leng Hua will decide life and death in the arena!” Leng Xiaoqing turned to Leng Ruoxue and said.

“Ancestor, this is unfair to me. I was injured.” Leng Hua protested before Leng Ruoxue could speak.

“Shut up!” Leng Xiaoqing roared angrily.

“Hehe! It seems that Leng Hua doesn’t agree. Coincidentally, I don’t agree either.” Leng Ruoxue chuckled. She could have killed Leng Hua now, so why did she have to wait until the arena?

“Little girl, I’ve already said that you can’t kill anyone from the Leng family unless it’s in the Life and Death Ring.” Leng Xiaoqing reminded her.

“Alright! However, I request these old things to go to the arena too.” Leng Ruoxue pointed at the old men who had helped Leng Hua just now. When Cheng Wu was injured, everyone’s battle was interrupted. Now, Feng Da and the others were holding in their anger! If they didn’t let them release it, they would suffocate!

“Alright, there are exactly five of them. Send five of them to accept the challenge!” Leng Xiaoyu said decisively.

“Does life and death matter in an arena battle?” Leng Ruoxue asked uncertainly.

“Of course. In the arena, life and death are up to fate!” Leng Xiaoyu nodded. He was still very confident in the strength of Little Xue’er and the others. Otherwise, he wouldn’t have suggested such a method. After all, the two sides who had conflicts with each other would decide life and death in the arena. Even if Leng Hua and the others died, at least his big brother wouldn’t say anything. This was also well-known in the Leng family.

“Alright, I don’t want to waste time. Let’s start now!” Leng Ruoxue said without hesitation.

“Go to the martial arts arena,” Leng Xiaoqing ordered. It was no longer important who was right or wrong because he knew that the girl would never let Leng Hua off. However, this method would at least make him look better.

“Ancestor!” Leng Hua begged, clearly not wanting to fight in the arena.

“Leng Yue, take him away. No one in the Leng family can back down.” Leng Xiaoqing glared at Leng Yue and instructed.

“Yes, Ancestor.” Leng Yue and the others looked at Leng Hua sympathetically before escorting the unwilling Leng Hua to the martial arts arena.

A moment later.

Leng Ruoxue and the others arrived at the Leng family's martial arts arena under Leng Xiaoqing's lead. Not long after, Wen Xun arrived.

"Little girl, choose five of your subordinates to fight!" Leng Xiaoqing looked at Leng Ruoxue and said.

"Okay." Leng Ruoxue nodded.

"Miss, Leng Hua and I haven't won yet!" Cheng Wu reminded her.

"Miss, we don't either," Feng Da and the others hurriedly said.

"Monster, Cheng Wu, Feng Da, and Song Di, the five of us will go to the arena. The others will watch the battle," Leng Ruoxue said after some thought. Leng Qianye had sent her a voice transmission just now and told her about the strength of those old men. That was why she made such an arrangement. After all, this was a life-and-death battle. Those old men might go all out.

"Okay." They nodded.

In the first round of the arena battle, the freak was the first to appear.

His opponent was called Leng Quan. According to Leng Qianye, he was the strongest among the five of them.

After Leng Ruoxue whispered a few words to the freak, he strode into the arena.

"Kid, if you admit defeat, I won't kill you. Otherwise, if your beautiful face is ruined, no woman will like you in the future." In the arena, Leng Quan reminded him kindly.

"Old man, you're mistaken. I'm a capable person, not like you who needs to rely on your looks." The freak chuckled, clearly implying that Leng Quan was a gigolo.

As soon as the freak finished speaking, Feng Da and the others could not help but burst into laughter. Even though the Leng family members who came to watch the battle did not dare to laugh as exaggeratedly as Feng Da and the others, they all lowered their heads and chuckled.

"Hmph! Kid, you have to rely on your strength to speak in the arena. Just talking won't save you!" Leng Quan said angrily.

"Old man, I rely on my strength. Take this!" Before the freak finished speaking, several strands of black profound energy had already been released from his hand...

The black mystic energy released by the freak danced in the air like lightning. Moreover, it was extremely fast. Before Leng Quan could react, it had already wrapped around his body...

Immediately after, the freak's body shot out like a meteor!

In an instant, everyone below the stage saw countless shadows dancing in front of their eyes!

The afterimages connected and drew beautiful arcs!

In just a few minutes, the cold spring in the arena was badly mutilated!

“Ah!” The cries of pain in the arena and the cries of surprise below the stage joined together.

After a loud bang, Leng Quan fell flat on the stage, lifeless.

It had only been a few minutes, but Leng Quan had died without being able to fight back at all. This could not help but make everyone’s jaws drop. At the same time, the image of a monster’s violence was even more deeply rooted in their hearts!

Immediately after, Feng Da went on stage.

However, after his opponent witnessed the violence of the freak, he was afraid before the battle even began. Therefore, Feng Da took care of his opponent effortlessly. Then, he walked down the arena in high spirits.

The third person to go on stage was Song Di. He also quickly finished off his opponent.

Then, it was Cheng Wu’s turn.

Cheng Wu sneered and looked at Leng Hua, who was standing opposite him, with disdain.

“Leng Hua! You ambushed me just now! Now I want to pay you back double.” After Cheng Wu finished speaking, he directly attacked...

“Ah! Help!” Leng Hua limped frantically on the arena and dodged Cheng Wu’s attacks. Unfortunately, he could not dodge them at all.

“Leng Hua, are you still a member of the Leng family? You’ve embarrassed the Leng family.” Cheng Wu roared in disappointment, and his words voiced the thoughts of many members of the Leng family.

“I don’t want to die!” Leng Hua said weakly.

“Hmph! You realized it too late.” Cheng Wu rushed to Leng Hua’s side and picked him up like a chicken. Then, he beat him up!

After getting tired of beating him up, a fatal mystic technique directly blasted onto Leng Hua’s body, ending his life.

#### **Chapter 866: Duel in the Arena (4)**

After the battle ended, Cheng Wu jumped off the arena and sat back beside Leng Ruoxue and the others.

Leng Ruoxue was the last to appear.

She first looked around at the Leng family members in the arena and took in their expressions. Then, she walked briskly to the arena.

After a long wait, her opponent dawdled into the ring.

“Leng Ruoxue, can I admit defeat?” Leng Ruoxue’s opponent said. The few people before him were all dead, so he was a little afraid.

“Admit defeat? Old man, I’ve already said that whoever helps Leng Hua is my enemy. It originally had nothing to do with you, but you insisted on standing up for him. In that case, fight bravely! Don’t make me look down on you!” Leng Ruoxue said mockingly. She had long reminded him that the bird that sticks out gets shot! Now that he had stood up, he wanted to shrink back. How could there be such a good thing!

“That’s right, old man. This is an arena duel proposed by your ancestor. Do you think it’s a fight between children?” Feng Da echoed loudly.

“Old Ancestor!” That person looked at Leng Xiaoqing for help.

“Let’s start quickly!” Leng Xiaoqing said without any emotion. She really didn’t expect her descendants to be so disappointing. Even if they couldn’t win, they should at least die with some backbone! Now, not only did the arena battle not save her face, but it also made her look even worse. Sigh! She felt so stifled in her heart!

“Did you hear what your Old Ancestor say! Take this!” Leng Ruoxue chuckled. The mystic technique in her hand condensed into a dazzling fire dragon that entangled her opponent...

However, she had clearly overestimated her opponent’s strength. She originally thought that her opponent could last for a while, but she did not expect her opponent to be evaporated by her fire dragon in just a few seconds. This made her feel a sense of accomplishment. Well! When did Mystic Supremacy become so weak?

In fact, it was not that Xuan Zun had become weaker, but that she had become stronger. Ever since her Heaven Defying Skill advanced, her intrinsic flame had also evolved. Therefore, no matter how hard the Mystic Supremacy’s body was, it could not withstand the high temperature of her flames.

In just a few breaths, Leng Ruoxue had eliminated her opponent. This made the Leng family members watching the battle tremble in fear. Damn! This little demon seemed to have become stronger. One had to know that the opponent was a Mystic Supremacy! He evaporated in the blink of an eye. How could they not be afraid!

“Second Brother, your descendant is not bad.” Leng Xiaoqing stood up and left.

“Second Brother, I’m afraid Big Brother is angry.” Leng Xiaoxiao looked at his big brother’s back and said. Sigh! After this incident, the three of them probably wouldn’t be able to be as carefree as before.

“That can’t be avoided,” Leng Xiaoyu said expressionlessly. Sigh! He couldn’t let Little Xue’er suffer! Besides, Little Xue’er wouldn’t listen to him.

With that, Leng Xiaoyu glanced at Leng Ruoxue, who was walking down from the arena, and left the martial arts arena.

Leng Ruoxue and the others left the arena and returned to the Snowfall Garden.

It wasn’t long before Leng Shuang arrived.

“Elder Sister, are you here to chase us out of the Leng family?” Leng Ruoxue teased with a smile.

“Sister, why would I do that? However, the Leng family is so afraid of you!” Leng Shuang said helplessly.

“Sister, if people don’t offend me, I won’t offend them. If people offend me, I’ll repay them a thousand times over,” Leng Ruoxue said calmly.

“I’ll warn the clan,” Leng Shuang promised.

“That’s good. Sister, since the matter with Leng Hua has been resolved, we’ll take our leave,” Leng Ruoxue said bluntly.

“Sister, since you’re here, why don’t you stay a few more days?” Leng asked reluctantly.

“Elder Sister, I’m the most unpopular person in the Leng family now. I know my limits, so it’s better to leave as soon as possible,” Leng Ruoxue said jokingly.

“Sister, since you’ve made up your mind, I won’t stop you. Take care,” Leng said helplessly.

“Okay, Elder Sister, take care too!” Leng Ruoxue said and left Proud Cold City with everyone.

“Miss, are we going to the Dark Night Seas now?” Lü Tao asked expectantly after leaving Proud Cold City.

“Yes.” Leng Ruoxue nodded. Then, she summoned the little peacock and carried everyone to the Dark Night Seas.

More than half a month later.

After a long journey, Leng Ruoxue and the others finally arrived at the vast plain.

“Girl, this should be the entrance to the Dark Night Seas.” After checking the map, the little old man pointed at a narrow path.

The trail led into the depths of the vast plain and stretched as far as the eye could see. Furthermore, as far as the eye could see, there was nothing but gray mist. However, there was no poison in this mist.

“Okay, let’s go in! Everyone, be careful and don’t be too far away,” Leng Ruoxue reminded. Then, she took out the Elementary Detoxification Pill worriedly and let everyone eat one to take precautions.

“Yes,” Everyone nodded.

Afterwhich, Leng Ruoxue and the others walked into the legendary Dark Night Seas that was extremely dangerous and mysterious...

### **Chapter 867: Dark Night Seas (1)**

The Dark Night Seas was the most mysterious and dangerous place on the Boundless Heaven Continent.

After walking along the misty path, they saw a blood sun hanging high in the sky above the Dark Night Seas. The entire Dark Night Seas was black, but the spiritual energy inside was very abundant. The vegetation was lush, which showed that this place was extremely suitable for the growth of plants.

“It’s still daylight outside, miss, but it’s dark in here. It’s so strange,” said Lütào, looking puzzled at the dark night sky.

“This place doesn’t differentiate between day and night. It’s like this all year round. Moreover, even though this place is called the Dark Night Seas, it’s not the sea. It’s made up of mountains and forests.” Leng Ruoxue chuckled. Then, she bent down to pick up a herb and put it into her bracelet.

“Miss, there are herbs there too.” Lü Tao saw that there were herbs growing under a tree vine and quickly ran over. She was about to pick them when Leng Ruoxue stopped her.

“Be careful!” Leng Ruoxue warned. Then, a fiery red mystic energy was released from her fingertips. Lü Tao was shocked, but then she saw that the vines behind her were burned to ashes. The parts that had not been burned were trembling and even letting out cries.

“Miss, what is this!” Lü Tao covered her chest with her hand and said in shock. It was really terrifying. The tree vines were actually bleeding red juice.

“That’s a Bloodsucking Vine. It’s best at disguise and likes to suck blood. Oh! It’s also a low-level plant-type beast! However, its intelligence isn’t high and it only acts on instinct,” Leng Ruoxue explained.

“Don’t act alone here. Don’t be too far away from each other in case you don’t have time to take care of each other. Be careful when collecting herbs and minerals,” Leng Ruoxue added.

“Yes,” said Lü Tao and the others quickly.

After that, Leng Ruoxue and the others continued deeper.

The deeper they went, the more varieties of herbs there were. Moreover, they found many ores, some of which were relatively precious. The little old man was overjoyed and kept shouting that he had not come in vain.

“Everyone, set up camp here today!” Leng Ruoxue instructed after walking for a while and arriving at a relatively flat area.

“Yes,” Feng Da and the others replied. Then, they quickly set up the tent.

After setting up the tent, they started cooking again.

They had just finished preparing the food when an uninvited guest arrived.

“How fragrant!”

Suddenly, a deep male voice sounded in everyone’s ears.

Leng Ruoxue and the others looked up warily at the young man who suddenly appeared in front of them. No one spoke first.

“Sorry, I was rude.” The young man smiled in embarrassment and sat down beside Leng Ruoxue and the others.

“Who are you?” Leng Ruoxue asked softly, her beautiful eyes constantly sizing up the man in front of her.

The man in front of her was in his twenties. He was handsome and his clothes were a little messy. He looked weak and seemed to have no strength. However, Leng Ruoxue knew that this man was definitely

not what he looked like. He was probably in some kind of disguise. However, looking at this man's clothes, he did not look like someone from the Boundless Heaven Continent.

"I'm Ren Xuan. I got separated from my family. Can I accompany you? I can pay," the man said in embarrassment.

"Ren?" Leng Ruoxue recalled carefully, but she could not remember the Ren family on the Boundless Heaven Continent.

"That's right! Our Ren family is the number one family in the Cloudwind Continent, so if I travel with you, I will definitely treat you well." Ren Xuan said very sincerely.

Cloudwind Continent? Leng Ruoxue and the others looked at each other when they heard this name. They were even more surprised, but no one showed it.

"Why did you get separated from your family?" Leng Ruoxue temporarily put down the doubts in her heart and pretended to be curious. After all, she knew that there was more than one continent in this world, but she didn't expect to meet someone from another continent in the Dark Night Seas.

"I'm ashamed to say this, but actually, I was framed by my family and deliberately dumped by them," Ren Xuan said with some shame.

"Right now, our Ren family is at a critical moment in choosing our young master. If there's one less person, there will be one less person to compete with. Therefore, I was deliberately abandoned by them." Ren Xuan added.

"What's your strength?" Leng Ruoxue asked bluntly. She knew that this man must have hidden his strength. Otherwise, how could a person who had been dumped by his family members only have slightly wrinkled clothes but survive in the Dark Night Seas unscathed? After all, this place was filled with danger.

"I'm a Mystic Supremacy. However, there are many Mystic Monarch among the Ren family members who came to the Dark Night Seas this time, and I'm also here as an elite of the family with the strength of a Mystic Monarch. Therefore, you have to keep it a secret for me!" Ren Xuan blinked and said with a light smile. In fact, he was not interested in the young master. However, some people in the family did not believe him and even used such a clumsy method to scheme against him. Sigh! He really had nothing to say!

"Don't worry, we're not talkative people. Since you're behind, you can go with us for the time being," Leng Ruoxue said kindly.

"Hehe! Thank you. It's dangerous here. It's really dangerous to be alone." Ren Xuan heaved a sigh of relief.

"You haven't eaten anything yet!" Leng Ruoxue handed over a piece of roasted meat.

"Yes, thank you," Ren Xuan said a little embarrassedly. Then, he started eating in big mouthfuls. Oh! Compared to these people in front of him, he seemed to be in a sorry state.

"Feng Da, Cheng Wu, you two keep watch today!" Leng Ruoxue instructed after dinner.

"I'll keep watch tonight!" Ren Xuan volunteered.

"No need, you should rest well!" Leng Ruoxue said considerately. In fact, she was not at ease letting a stranger keep watch. Even though she had just let Qing Jue read Ren Xuan's mind and knew that what this man said to them was true, she still could not trust a stranger.

### **Chapter 868: Dark Night Seas (1)**

"Then I won't stand on ceremony," Ren Xuan said with a smile. Then, he set up a tent and went in.

After Leng Ruoxue and the freak entered the tent, they entered the bracelet directly.

In the Purple Bamboo House.

The freak hugged Xue'er tightly and asked jealously, "Xue'er, why are we bringing strangers?"

"I'm curious! Don't you find it strange? We actually met someone from another continent here." Leng Ruoxue raised her eyebrows and said lightly. Oh! She knew that this jealous lover was letting her imagination run wild again.

"Oh! Then why don't we let him keep watch? We have to let him do some work!" The freak pouted, slightly disgruntled. To put it bluntly, he was jealous!

"Don't worry, we'll let a stranger keep watch for us!" Leng Ruoxue asked.

"Of course I'm worried," Freak said honestly.

"That's it. Go to sleep! I've already asked Qing Jue to monitor the area within a hundred miles." Leng Ruoxue coaxed.

"Yes," Freak agreed, and they fell asleep in each other's arms.

The next morning.

When Leng Ruoxue and the freak left the tent, they saw that everyone had already started cooking breakfast, and Ren Xuan was actually helping.

"Good morning." Ren Xuan greeted them warmly when he saw them.

"Good morning," Leng Ruoxue replied politely, then pulled the freak over to help.

After Leng Ruoxue and the others finished breakfast, they set off...

"Ren Xuan, have you met anyone else in the Dark Night Seas?" Leng Ruoxue chatted with Ren Xuan as they walked.

"Other than our Ren family, you're the only ones I've met." Ren Xuan replied.

"The Dark Night Seas is very big. It's very difficult to meet someone here," Ren Xuan added.

"Why did your family choose the Dark Night Seas as a place to train? Isn't this place very dangerous?" Leng Ruoxue asked in confusion.

“It’s very dangerous, but those who can survive the danger are definitely promising talents for the family. Moreover, the family has many descendants and has always chosen the best among the best. Therefore, it’s normal to eliminate some inferior products. Well! I’m a defective product that’s going to be eliminated.” Ren Xuan said self-deprecatingly.

“Are you sure you’re defective?” Leng Ruoxue blinked and asked calmly.

“That’s right! I’ve been weak and sickly since I was young. I don’t know how I cultivated to the Mystic Supremacy realm,” Ren Xuan said with a puzzled expression.

“Oh!” Leng Ruoxue was speechless. If she didn’t know that Ren Xuan was telling the truth, she would really suspect that Ren Xuan was showing off! However, every family had its own difficulties. Ren Xuan didn’t seem to be in a good situation in the family.

“Will the other families on the Cloudwind Continent also come here to train?” Leng Ruoxue changed the topic.

“Other than super families like the Ren family, there aren’t many who dare to come to the Netherworld Sea to train. However, all the descendants of the families who know that they are coming to the Dark Night Seas to train are prepared to die!” Ren Xuan replied.

“As long as they can return alive, they will be put in an important position?” Leng Ruoxue said with some understanding.

“More or less. The young master of the family will basically choose from the surviving descendants.” Ren Xuan nodded.

“I don’t care if it’s Young Master or not. I just want to return alive,” Ren Xuan said.

“You’ll go back alive,” Leng Ruoxue said with certainty.

“I hope so! However, I have to stay here for three months! Sigh!” Ren Xuan sighed and said helplessly.

“Three months? Why?” Leng Ruoxue was puzzled.

“This is the rule of the Dark Night Seas! As long as you enter here, you have to stay here for three months. Otherwise, you won’t be able to find the way out!” Ren Xuan explained.

“Uh! Don’t tell me you don’t know?” Ren Xuan couldn’t help but ask when he saw the confusion on Leng Ruoxue and the others’ faces.

“We really don’t know.” Leng Ruoxue and the others looked at each other with helplessness on their faces. Sigh! How could there be such a rule in the Dark Night Seas? They were all rookies who came for the first time and had never heard of this.

“The Dark Night Seas is very mysterious. No one knows what they will encounter inside. Anyone who has come here and left alive was already three months later when they left. However, ordinary big families should know about such rapid breathing. Didn’t anyone tell you?” Ren Xuan said in disbelief. Any big family would tell their descendants some precautions when they came to the Dark Night Seas to train. Therefore, it was difficult for him to imagine that Leng Ruoxue and the others didn’t know about these things.

“We don’t have a family clan,” Leng Ruoxue said with a light smile.

“Ah! I see.” Ren Xuan understood. However, he admired Leng Ruoxue and the others for coming here without knowing anything.

“We know it’s dangerous here, but danger is often accompanied by opportunity. Apart from courage, luck is also important. We came here to try our luck,” Leng Ruoxue explained lightly.

“Yes, that makes sense. It’s precisely because this place is very dangerous that the opportunities are greater. Oh! I saw that you guys have collected a lot of herbs and minerals along the way. Could it be that there are alchemists and artifact masters among you?” Ren Xuan guessed curiously.

“Yes.” Leng Ruoxue nodded.

“Hehe! When I was alone, I found a place with a lot of herbs. Let me bring you there!” Ren Xuan said excitedly. With an alchemist, it would be much easier to live in the Dark Night Seas for three months. Well! His luck was really good!

“Okay.” Leng Ruoxue nodded.

“Follow me.” With that, Ren Xuan led the way.

Not long after, he brought Leng Ruoxue and the others to a small mountain half the height of a person.

Even though the hill was not tall, the top and bottom of the hill were filled with herbs. Even though there were not many precious herbs, they still needed ordinary herbs very much.

“Wow! There are so many herbs here!” Zheng En’s eyes lit up. As an alchemist, he naturally loved herbs the most.

After saying that, Zheng En ran straight to the small mountain and quickly gathered the herbs with both hands.

### **Chapter 869: Dark Night Seas (3)**

“Everyone, attack together!” Leng Ruoxue ordered, and Feng Da and the others started moving.

At the side, Ren Xuan looked at their well-trained movements and could not help but click his tongue. Oh! These people were really fast.

About two hours later, they finally finished gathering the herbs on the mountain and at the foot of the mountain.

“Hehe! I’ve really gained a lot from this trip! Ren Xuan, thank you. This is a pill I refined myself. I’ll give it to you as a thank you.” Zheng En took out a white jade porcelain bottle and handed it to Ren Xuan. It could be seen that he was really happy, and the corners of his mouth were constantly curled up.

“No... thank you! Then I won’t stand on ceremony.” Ren Xuan wanted to say that there was no need, but when he opened the porcelain bottle and saw the medicinal pill inside, he couldn’t refuse. This was because it actually contained a Heaven Grade pill, the Spirit Convergence Pill! Even though the Spirit Convergence Pill only had the effect of replenishing spiritual energy and might not be of much use

usually, it was very useful at critical moments. Moreover, this was a Heaven-level medicinal pill. It was definitely priceless!

However, he was more interested in the person who could refine the Spirit Convergence Pill. He did not expect this inconspicuous man to be an alchemist grandmaster. This really surprised him. One had to know that an alchemist grandmaster was not a cabbage, and it was even more difficult to befriend a Grandmaster Alchemist. Hehe! No wonder his master said that he was very lucky. Now it seemed that it was true!

However, he was so lucky that no one would be jealous! If a random companion could find a Grandmaster Alchemist, no one would believe him. Of course, he would not be stupid enough to tell anyone.

However, after knowing that Zheng En was an Grandmaster Alchemist, the way he looked at Leng Ruoxue and the others immediately changed.

“Don’t look at us like that, or you’ll regret it,” Leng Ruoxue warned.

“Hehe! I’m just a little excited. My luck is a little too good!” Ren Xuan said excitedly.

“You’re excited in three months! It’s a little early.” Leng Ruoxue poured cold water on him.

“Uh! That’s true!” Ren Xuan calmed down, but his fiery eyes still drifted to Zheng En from time to time.

“Don’t look at me like that. I’m not interested in men.” Zheng En’s hair stood on end from Ren Xuan’s gaze and he hurriedly said.

“I’m not interested in men either. I’m just interested in alchemists,” Ren Xuan said honestly.

“Then don’t look at me with that disgusting gaze. Otherwise, I’ll beat you up!” Zheng clenched his fists and warned.

“Uh! You’re so violent.” Ren Xuan shrank his head and lowered it, not daring to look at Zheng En again. Boohoo... The situation was pressing, so he had to lower his head! Who asked him to be alone!

“Everyone is a little tired today. Let’s camp here! We’ll walk in tomorrow.” Leng Ruoxue calmly looked at Ren Xuan, who looked aggrieved, and said with a light smile.

“Okay.” Everyone nodded and got to work...

Three days later.

Leng Ruoxue and the others walked almost a quarter of the way in the Dark Night Seas, and the herbs and minerals they passed naturally fell into their pockets.

“Miss, this place is really big. If we really have to stay here for three months, I think we have to find a fixed place to camp,” Cheng Wu suggested.

“Yes, let’s find a suitable place while walking! After all, there are still many places we haven’t been to!” Leng Ruoxue thought for a moment and said.

“Yeah.” They all nodded.

Suddenly, there was a rustling in the woods where they were...

"What's that noise?" Peach asked fearfully. Why did it sound so pathetic?

"Lü Tao, don't be afraid. I'll protect you." Feng Da quickly comforted her. At the same time, everyone rolled their eyes at him.

Rustle! Rustle! The sound grew louder and reached their ears from all directions, accompanied by a fishy smell...

"Everyone, be careful." Leng Ruoxue thought for a moment and held the 'cold shadow' in her hand. She already knew what this sound was coming from.

As soon as Leng Ruoxue finished speaking, a black shadow as fast as lightning suddenly pounced at her. The "cold shadow" in her hand turned and directly split the black shadow into two. Then, everyone saw a black snake as thick as an arm lying on the ground, its broken body still twisting...

More than that. In an instant, more snakes surged toward them from all directions.

They were now standing in a small copse of trees, so many of the snakes were poking their heads out of the branches, staring at them with dark eyes like prey.

"Damn it, where did so many snakes come from!" Ren Xuan said with his scalp tingling. He hated snakes the most. They looked strangely disgusting.

"Hehe! Delicious humans." At this moment, the snakes made way for a golden python that crawled out slowly. It was not difficult to tell that it was the king of these snakes.

"Oh! A delicious snake." Leng Ruoxue looked at the golden python as if she was looking at a prey.

The golden python was huge, almost a hundred meters long and about ten meters thick. The scales on its body were as transparent as golden crystal, and there were complicated dark patterns on them. In short, it was a rather beautiful snake.

"I can't eat humans." The golden python was furious when it heard Leng Ruoxue's words!

"You're just a small snake, what's there to not eat?" Leng Ruoxue asked with a faint smile.

"Little snake? How am I small? Open your eyes and take a good look. Am I small?" The golden python roared.

"Oh! It doesn't look small, and it's quite fat. There's also quite a lot of meat, enough for us to eat," Leng Ruoxue said with a smile.

"Damn it, human, I told you I can't eat it," The Golden Python snarled, his temper flaring. He was clearly furious.

"Calm down. In my eyes, you can eat it. Moreover, it should taste good." Leng Ruoxue smiled. Well! This snake was a level-nine Transcendent Divine Beast! She had never eaten such a high-level snake before!

"Damn it! I can't eat it!" The golden python's anger surged. Then, it directly ordered its subordinates, "Go, except for this woman, everything else is yours."

## Chapter 870: Dark Night Seas (4)

The reward that it mentioned meant that its underlings could eat it. Therefore, when the snakes heard its words, they were all rather excited. However, they were soon not happy.

“Let’s not stand on ceremony. Other than this golden one, we don’t care about anything else,” Leng Ruoxue instructed. Then, with a slight twist of her wrist, the ‘Cold Shadow’ in her hand emitted a terrifying sword light. At the same time, along with her ‘meteor shower’, thousands of sharp sword lights emitting cold air attacked the snakes present...

In an instant, countless snakes died!

Leng Ruoxue’s attack stunned all the snakes. However, when they reacted, they were all killed by Feng Da and the others...

In an instant, the golden python and Ren Xuan were stunned!

This was because none of them expected Leng Ruoxue and the others to attack so quickly and ruthlessly. They were even merciless. In the blink of an eye, the golden python became a lone commander.

“How does a delicious snake feel?” Leng Ruoxue asked with a naughty smile.

“Er! Er! Er... I can’t eat that,” whispered the golden python, wincing.

At this moment, it was simply two extremes compared to the snake king who was showing off just now. If Leng Ruoxue wasn’t very sure that this golden python was still the one just now, she would probably think that it had been switched.

“You’re a level-nine Transcendent Divine Beast! The meat is definitely more delicious than other snakes,” Leng Ruoxue said with certainty. Usually, the higher the level of the beast, the more delicious the meat. However, very few people dared to eat a level-nine Transcendent Divine Beast. The reason why she didn’t eat it was that divine beasts could transform into humans, so she couldn’t eat it.

“My meat is smelly and doesn’t taste good, really! Don’t eat me! Boohoo...” the golden python begged. As it spoke, fist-sized tears kept rolling down its huge snake eyes...

“Don’t pretend to be pitiful. You’re the king of those snakes and a level-nine Transcendent Divine Beast. Is that all you have?” Leng Ruoxue was a little speechless. She still liked the snake that was a little arrogant just now. At least, she would feel a sense of accomplishment if she beat it up, but this one! She wasn’t even interested in beating it up.

“Yes, yes, I’m very timid. Other than scaring those snakes, I don’t dare to bully others. Boohoo... Let me go!” The golden python’s eyes were filled with tears as it begged pitifully. Boohoo... These humans clearly didn’t look very strong, but it didn’t expect them to be so tough. If it had known earlier, it wouldn’t have found trouble with these guys even if it was beaten to death. However, it seemed to be too late now. Its life! It still didn’t know if it could keep its life!

“Let you go just because you say so? How embarrassing would that be for me!” Leng Ruoxue rolled her eyes at the golden python. Well! It could only be considered unlucky since it dared to find trouble for her!

“Uh! I have many treasures. I’ll give them all to you. Let me go!” the golden python begged pitifully. In front of these ruthless humans, it didn’t dare to move, let alone have any other thoughts. These people were really too scary. Boohoo...

“Oh! Take it out and take a look. If you satisfy me, I can let you go,” Leng Ruoxue said with a smile, even though she didn’t think that a snake would have anything she liked.

“It’s all in my hole!” the golden python said honestly.

“Where’s your hole?” Leng Ruoxue asked calmly.

“Not far from here. Do you want to come with me?” the golden python asked cautiously.

“Of course, if I don’t go with you, where can I find you if you run away?!” Leng Ruoxue said matter-of-factly. Even though it was said that a strong dragon could not suppress a local snake, this snake was obviously a native of the Dark Night Seas, so she naturally wouldn’t let it go. She was still counting on this snake to be their guide! In case they got lost here.

“Then come with me!” the golden python said like a little wife.

“Lead the way!” Leng Ruoxue ordered.

“Yes.” The golden python did not dare to resist at all. Even though it was a level-nine Transcendent Divine Beast, it was born timid. Therefore, under Leng Ruoxue’s strength, it did not dare to resist at all. Moreover, Leng Ruoxue had killed so many snakes just now, which made it feel fear! How could it dare to disobey?! After all, its life was still in the hands of this terrifying woman!

The golden python transformed into a small snake and crawled on the ground. Leng Ruoxue and the others followed closely behind it. Not long after, they followed it to a cave.

This cave was not big, and the mountain was only half the height of a person. Moreover, in the Dark Night Seas, there seemed to be many hills of this size!

“Don’t play tricks!” Leng Ruoxue warned.

“I wouldn’t dare!” The golden snake whined. Boohoo... It was a cowardly snake. Why didn’t these people believe it!

Then, Leng Ruoxue and the others followed the golden snake into the cave. They made several turns and finally arrived at the snake’s nest.

“How did a snake like you get so many things?” Leng Ruoxue looked at the items that almost filled the entire cave and couldn’t help but ask.
